

Mike Cutright, II's Testimony

May 1, 2019

I have been a resident of Ohio my entire life and have experienced the ups and downs of this state's political climate. When Open Carry was passed into law, as a law abiding citizen I was pleased that we took that step towards following the meaning of the 2nd amendment and our rights granted by it. The next step is to pass Constitutional Carry to show that we follow the whole meaning of our 2nd amendment rights in Ohio. I cannot make it to proponent testimony but would like this entered if at all possible to show my support of HB178. Thank you Mike Cutright II.
