

Paul Riley's Testimony

May 1, 2019

My name is Paul Riley of Brown County Ohio. I'm writing you today because I very much want you to know that myself along with many other Ohioans from Brown County Ohio Support Constitutional Carry. Forcing us to buy our freedom back in the form of a permit is not Freedom. It's the destruction of freedom. A chip if you will off the stone we call our rights.

I speak for more than 150 people in the Brown County Ohio area. All registered voters. Please go into the hearings tomorrow with an open mind.
