

Rodney Buchwald's Testimony

May 1, 2019

Chairman Becker, vice chairman Stoltzfus, Ranking member Miller and members of the House Federalism Committee, thank you for this opportunity to testify on this wonderful legislation, House Bill 178.

This is a great opportunity for our state to stand with a growing number of states that have a better understanding of the true meaning of our second amendment. This legislation will also bring violent crime down significantly in our state. This is proven over and over with every state that joins this elite group as violent crime drops significantly after passage of legislation. Please pass this legislation.

Again I thank you for this opportunity to testify to this committee.

Regards,

Rodney Buchwald
