

Darryl and Dona Cox' Testimony

May 8, 2019

House Federalism Committee,

I would like to enter my testimony in favor of House Bill 178 into the official record.

No gun-law will and has not prevented evil. An never will.

Criminals get guns the way criminals get guns by stealing them buy them on the underground Market pick them up after a crime.

Some of the government now are thinking about allowing felons to be allowed to vote.

What is a legal gun owner I'm not allowed to own a gun.

This definitely affects the environment and legal gun owners able to defend and protect their family.

I stand with my fellow Americans to preserve the right of the Second Amendment..

I do not plan to attend the committee and testify in person.

Chairman Becker, Vice Chairman Stoltzfus

Ranking Member Miller and members of the House Federalism Committee

Thank you for this opportunity to testify on this wonderful legislation, House Bill 178.
