

Wendell Thomas' Testimony

May 8, 2019

I would like to have my testimony read because I can't attend this very important meeting. I'm Wendell Thomas from Latty ohio that's in Paulding county Ohio. I would like for all of you to think before you vote on constitutional carry. We need this passed in so many instances from our school teachers to our churches. This will insure safety at these places. Why I say this is those of us that have been trained are whom you want to be around if things ever get bad. Cops are great if you have that TIME for them to respond, but I live in the country not a city we have many schools 15 to 20 minutes away from any type of law enforcement. That time could be detrimental IF there ever was a incident. I just encourage you too pass constitutional carry for my family and your family sake. Thanks for listening.
