PLEASE GIVE A BRIEF STATEMENT OF THE GROUNDS ON WHICH YOU FAVOR OR OPPOSE SUCH ENACTMENT:

Senate Bill 33 will deny an individual's right to peacefully protest. This is a terrifying violation of the right to free speech. It is a threat to First Amendment rights. Criminalizing certain protest activities that specifically target environment action is a flagrant attempt to silence such protests, thus creating an atmosphere of repression and fear - rather than one of open and honest and free communication. I am strongly opposed to this flagrant attempt at suppression of free speech and expression of concern and dissent. Thank you. Respectfully submitted.
