

Budget Priorities

Older Adults: Increase funding for adult protective services so older adults are safe from neglect, abuse and exploitation

Medicaid Expansion: We are committed to monitoring and researching the impact of Medicaid waivers or other proposed changes to eligibility and access

Maternal Deaths: Strengthen review and reporting of all maternal deaths in Ohio and learn from the data to prevent future deaths

Data reporting: Strengthen data reporting in public assistance programs and improve spending and enrollment data transparency

Multi-System Youth: Support Multi-System Youth Committee recommendations so families don't have to relinquish custody in order for children to receive behavioral health and developmental services they need
