House Bill 688 Sponsor Testimony
House Transportation & Public Safety Committee
June 9, 2020

Chairman Green, Vice Chairman McClain, Ranking Member Sheehy and members of the House Transportation and Public Safety Committee, thank you for the opportunity to speak on House Bill 688.

This legislation would create three separate school license plates located in my house district. Hamilton High School, Fairfield Senior High School, and Ross High School license plates would allow alumni and their community the ability to show their support for their individual schools. The three schools have a great following and allowing the option for license plates is another way people can offer support.

Proceeds from the registration and renewal registration fees, \$30.00, would be deposited into each school's general fund, allowing them to use the monies in the best way they see it.

Thank you for allowing me to offer sponsor testimony on House Bill 688 and I would be happy to answer any questions.
