Chairman Green, Vice Chairman McClain, Ranking Member Sheehy, and members of the Transportation and Public Safety Committee, thank you for the opportunity to offer sponsor testimony for House Bill 664.

The Summit County Metro Parks allow for citizens of all ages to exercise, recharge, and enjoy nature. House Bill 664 would create the Summit Metro Parks license plate so that residents can not only show their love for Summit Parks, but also so support the Metro Parks Foundation.

In the wake of COVID-19, the importance of our parks was emphasized. They are beautiful and inclusive spaces that provide a community good. The monetary assistance provided through the license plate purchases would help keep the parks beautiful and safe for all.

I am proud to sponsor this legislation with Leader Sykes as we continue to uphold the Ohio Promise of keeping our communities desirable places to work and live.
