My name is David T. Carrothers, I have been a Trustee of Adams Township, Seneca County for 10 years. I also own and operate a business in Adams Township. I listen to pro and con's and concerns of our residents who live in the footprint of this project and hear by . One concern is that they have no say what happens in our Township. The only fair way is to put this issue on the November ballot for EACH township who is involved in the footprints of the project, this way each person would have say in this project. I feel this is the only Democratic way for my residents who voted for me to have their own say (isn't this how the system suppose to work ?)

Thank you

David T. Carrothers

Adams Township Trustee
