

ATTENTION SEN. STEVE WILLSON, CHAIRMAN , STATE ENERGY AND PUBLIC  
UTILITIES COMMITTEE

I HAVE LIVED HERE SINCE 1978. I AM RETIRED . I BELIEVE THE PEOPLE AND  
COMMUNITIES THAT ARE IMPACTED BY WIND FARMS SHOULD HAVE A VOTE  
IN THE MATTER. WE ARE THE ONES THAT ARE LEFT ON THE SHORT END OF THE  
STICK. WE HAVE TO PUT UP WITH THE NOISE, FLASHING LIGHTS,HEALTH RISKS  
ETC. THE WORST THING TO ME WILL BE TO LOOK OUT AT WHAT WAS ONCE  
A NICE RURAL LANDSCAPE, AND SEEING 600FT WIND TURBINES,NOT JUST IN  
IN FRONT OF US BUT BEHIND US. PROPERTY VALUES ARE SURE TO PLUMMET.  
EVERY ONE WHO WANTS WIND TURBINES ARE IN IT FOR THE MONEY. BIG WIND,  
SCHOOLS,CONTRACTORS, CEMENT COMPANIES ETC. I DONT WANT ANY MONEY  
I WOULD JUST LIKE BIG WIND TO GO AWAY. AT LEAST GIVE US A VOTE.
