I am contacting you in regards to HB-401 and SB-234.

Local residents need to be given the voting right to determine if INDUSTRIAL WIND TURBINES would be allowed to be installed in their communities. Passing these two pieces of legislation would give that right to the people.

Please pass these.

A handwritten signature in cursive script that reads "Janel Davenport". The signature is written in black ink and has a long horizontal line extending to the right from the end of the name.
