Senator Steve Wilson,  
Chairman, Senate Energy & Public Utilities Committee  
Senate Building  
1 Capitol Square, 1<sup>st</sup> Floor  
Columbus, OH 43215

Dear Senator Wilson;

As a resident of Richmond Township my entire life, I'm writing to ask that you please support SB 234. The proposed wind farms are a serious concern for me. Safety of our residents, economic feasibility, landscape issues and health concerns are items that I think need to be addressed. Please allow our local residents that will experience the greatest impact from these projects to have the vote.

Thank you for your help with this matter.

Senate Building  
1 Capitol Square, 1<sup>st</sup> Floor  
Columbus, OH 43215

Dear Senator Wilson;

I'm writing to ask that you please support SB 234. We have a rural, agricultural area that is a great place to farm and raise children. The proposed wind farms have the potential to take away from the beauty and peacefulness of our community. The safety issues are also a serious concern. I feel our township community should have the say in the safety and future of our area. I ask you Senator Wilson to give the local residents the opportunity to choose what happens in our neighborhoods and to our families.

Thank you for taking the time to read my concerns.

Ben Eitle

Senate Building  
1 Capitol Square, 1<sup>st</sup> Floor  
Columbus, OH 43215

Dear Senator Wilson;

I'm writing to ask that you support SB 234. This bill is very important to me as a Mom of two children. Living in Richmond township is a blessing and a great place to raise children. I would like to continue to have a vote as to what my children will be subjected to. I feel the wind farms have some serious safety issues and I don't want them around my family. It seems like we should be able to have the final say as to what our children are subjected to. Therefore, Senator Wilson, I'm asking you to please to support SB234.

Thank you so much for listening to my concerns and your work in public office.

Senate Building  
1 Capitol Square, 1<sup>st</sup> Floor  
Columbus, OH 43215

Dear Senator Wilson;

Thank you so much for your public service. I'd like to ask a favor of you. Will you please support SB234? As a father of two young children, I feel it is my job to protect my children from potential safety and health issues from their surroundings. One of the reasons we love the rural life, is the simplicity and beautiful rural area. By allowing the townships to vote, we can protect our own children and our community as we see fit. Thanks in advance for your vote for SB234.

Sincerely,

Codi Bowman

Senator Steve Wilson,  
Chairman: Senate Energy & Public Utilities Committee

Dear Senator Wilson,

RE: Senate Bill 234

It has been brought to my attention that the above bill will allow local voters in individual townships the right to vote on wind turbine projects.

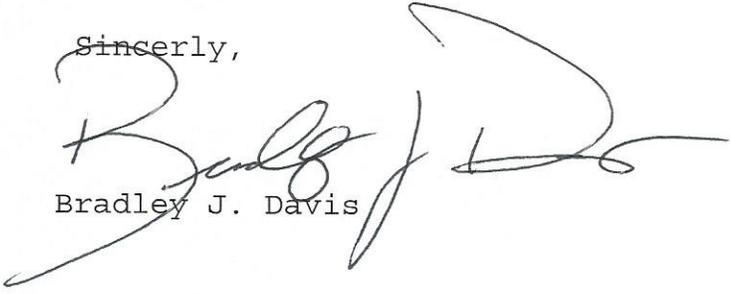

I would like to have the right to vote on these projects.

I have experienced a wind turbine project in my area.

It only makes sense to support renewable green energy which I am whole heartedly for but common sense needs to come into play when placing these projects.

Thank you for allowing me to express my support.

Sincerely,

Bradley J. Davis
