• PFCC Goal:
  • All providers must participate by July 1, 2020

4-star: +29%
5-star: +35%
ODJFS SFY 20/21 Budget Request

Increase of more than $147 million in SFY 2020 and nearly $180 million in SFY 2021 for Publicly Funded Child Care.

Three components:

- **$83 million a year** to increase base payment rates to align with the 2018 market rate survey (25th percentile).
- **$61 million** in the first year and **$87 million** in the second year to help fund enhanced payments to SUTQ providers.
- **$1.5 million** in SFY 2020 and **$2.5 million** in SFY 2021 for payments to providers serving families with incomes between 200-300% FPL.
Step Up to Quality Validation Study

• An independent study conducted in 2017 confirmed the following:
  • A strong correlation between children scoring higher on Ohio’s Kindergarten Readiness Assessment and attendance at a star-rated program;
  • Higher-quality classroom practices compared to unrated programs;
  • That students who attend Publicly Funded Child Care programs over a longer period of time score higher on average on the Kindergarten Readiness Assessment.

• A second validation study will be completed in late summer or early spring.
