DETAILED ANALYSIS

Mandatory kinship navigator program

The bill *requires* the Ohio Department of Job and Family Services (ODJFS) to establish a statewide kinship care navigator program. Currently, ODJFS may establish a statewide program of kinship care navigators but is not required to do so. Under continuing law, the purpose of the program is to assist kinship caregivers who are seeking information regarding, or assistance obtaining, services and benefits available at the state and local level that address the needs of those caregivers residing in each county.¹

The bill expands the definition of “kinship caregiver” to include any nonrelative adult the child identifies as having a familiar and long-standing relationship or bond with the child or the family, which relationship or bond will ensure the child’s social ties. Under continuing law, a “kinship caregiver” is defined as any of the following adults caring for a child in place of the parents: grandparents (up to “great-great-great”), siblings, aunts, uncles, nephews, and nieces (up to “great-grand”), first cousins and first cousins once removed, stepparents and stepsiblings, spouses and former spouses of the above individuals, a legal guardian of the child, or a legal custodian of the child.²

Regions

The bill requires the Director of ODJFS to divide the state into regions for the kinship care navigator program. There may be as few as five, but not more than 12, regions. In establishing the regions, the Director must take the following into consideration:

- The population size;
- The estimated number of kinship caregivers;
- The expertise of kinship navigators;
- Any other factor the Director considers relevant.³

Services provided

The bill requires the program in each kinship care navigator region to provide information and referral services and assistance in obtaining support services for kinship caregivers within its region.⁴ Under continuing law, the program provides information and referral services and assistance obtaining support services including the following:

- Publicly funded child care;

¹ R.C. 5101.851.

² R.C. 5101.85.

³ R.C. 5101.853.

⁴ R.C. 5101.854.

- Respite care;
- Training related to caring for special needs children;
- A toll-free telephone number that may be called to obtain basic information about the rights of, and services available to, kinship caregivers;
- Legal services.⁵

Funding

The bill requires the Director to take any action necessary to obtain federal funds available for the program under Title IV-E of the Social Security Act.⁶ Title IV-E funds provide for payments to states for kinship guardian assistance, among other things.⁷

The bill also specifies that the program is to be funded to the extent that the General Assembly appropriates General Revenue Funds for the program.⁸

No local share

The bill requires ODJFS to pay the full nonfederal share for the kinship care navigator program. No county department of job and family services or public children services agency is responsible for the program's cost.⁹

Rules

The bill requires ODJFS to adopt rules to implement the kinship care navigator program not later than one year after the bill's effective date.¹⁰

Appropriation

The bill appropriates \$5,000,000 in each fiscal year 2020 and 2021 from the GRF to support the Kinship Care Navigator Program.¹¹
