The bill has no direct fiscal effect on the state or political subdivisions. The bill requires the Superintendent of Financial Institutions within the Department of Commerce to adopt rules to regulate the placement and servicing of nonbank automated teller machines (ATMs). The regulations are for ATMs that are owned or operated by, or operated exclusively for, a financial institution and located at a nonbank location, including a convenience store. The Division of Financial Institutions will adopt rules using existing staff and resources. The Division is supported financially by the Financial Institutions Fund (Fund 4X20), which receives revenue from quarterly assessments on the Banks Fund (Fund 5440), the Credit Unions Fund (Fund 5520), and the Consumer Finance Fund (Fund 5530).
