(C) If a resolution is rejected at a referendum or if a resolution adopted after January 1, 1982, as an emergency measure is repealed by the electors pursuant to division (B)(2) of this section or section 5739.022 of the Revised Code, then for one year after the date of the election at which the resolution was rejected or repealed the board of county commissioners may not adopt any resolution authorized by this section as an emergency measure.

(D) The board of county commissioners, at any time while a tax levied under this section is in effect, may by resolution reduce the rate at which the tax is levied to a lower rate authorized by this section. Any reduction in the rate at which the tax is levied shall be made effective on the first day of a calendar quarter next following the sixty-fifth day after a certified copy of the resolution is delivered to the tax commissioner.

(E) The tax on every retail sale subject to a tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.023, 5739.024, or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall
levy a tax at the same rate pursuant to section 5741.021 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to a special fund created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make available at the first public hearing at which the resolution is considered a statement containing the following information:

(1) For each of the two preceding fiscal years, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;

(2) For the fiscal year in which the resolution is adopted, the board's estimate of the amount of expenditures to be made by the county from the county general fund for the purpose of criminal and administrative justice services;

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;
which the resolution is adopted, the board's preliminary plan for
expenditures to be made from the county general fund for the
purpose of criminal and administrative justice services, both
under the assumption that the tax will be imposed for that purpose
and under the assumption that the tax would not be imposed for
that purpose, and for expenditures to be made from the special
fund created under division (E) of this section under the
assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary
plan using the best information available to the board at the time
the statement is prepared. Neither the statement nor the
preliminary plan shall be used as a basis to challenge the
validity of the tax in any court of competent jurisdiction, nor
shall the statement or preliminary plan limit the authority of the
board to appropriate, pursuant to section 5705.38 of the Revised
Code, an amount different from that specified in the preliminary
plan.

(H) Upon receipt from a board of county commissioners of a
certified copy of a resolution required by division (A) or (D) of
this section, or from the board of elections of a notice of the
results of an election required by division (A) or (B)(1) or (2)
of this section, the tax commissioner shall provide notice of a
tax rate change in a manner that is reasonably accessible to all
affected vendors. The commissioner shall provide this notice at
least sixty days prior to the effective date of the rate change.
The commissioner, by rule, may establish the method by which
notice will be provided.

(I) As used in this section, "criminal and administrative
justice services" means the exercise by the county sheriff of all
powers and duties vested in that office by law; the exercise by
the county prosecuting attorney of all powers and duties vested in
that office by law; the exercise by any court in the county of all
powers and duties vested in that court; the exercise by the clerk of the court of common pleas, any clerk of a municipal court having jurisdiction throughout the county, or the clerk of any county court of all powers and duties vested in the clerk by law except, in the case of the clerk of the court of common pleas, the titling of motor vehicles or watercraft pursuant to Chapter 1548 or 4505. of the Revised Code; the exercise by the county coroner of all powers and duties vested in that office by law; making payments to any other public agency or a private, nonprofit agency, the purposes of which in the county include the diversion, adjudication, detention, or rehabilitation of criminals or juvenile offenders; the operation and maintenance of any detention facility, as defined in section 2921.01 of the Revised Code; and the construction, acquisition, equipping, or repair of such a detention facility, including the payment of any debt charges incurred in the issuance of securities pursuant to Chapter 133. of the Revised Code for the purpose of constructing, acquiring, equipping, or repairing such a facility.

Sec. 5739.023. (A)(1) For the purpose of providing additional general revenues for a transit authority and paying the expenses of administering such levy, any transit authority as defined in division (U) of section 5739.01 of the Revised Code may levy a tax upon every retail sale made in the territory of the transit authority, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, at a rate of not more than one and one-half per cent at any multiple of one-fourth of one per cent and may increase the existing rate of tax to not more than one and one-half per cent at any multiple of one-fourth of one per cent. The tax shall be levied and the rate increased pursuant to a resolution of the legislative authority of the transit authority and a certified copy of the resolution shall be delivered by the
fiscal officer to the board of elections as provided in section 3505.071 of the Revised Code and to the tax commissioner. The resolution shall specify the number of years for which the tax is to be in effect or that the tax is for a continuing period of time, and the date of the election on the question of the tax pursuant to section 306.70 of the Revised Code. The board of elections shall certify the results of the election to the transit authority and tax commissioner.

(2) Except as provided in division (C) of this section, the tax levied by the resolution shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives from the board of elections the certification of the results of the election on the question of the tax.

(B) The legislative authority may, at any time while the tax is in effect, by resolution fix the rate of the tax at any rate authorized by this section and not in excess of that approved by the voters pursuant to section 306.70 of the Revised Code. Except as provided in division (C) of this section, any change in the rate of the tax shall be made effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the resolution; provided, that in any case where bonds, or notes in anticipation of bonds, of a regional transit authority have been issued under section 306.40 of the Revised Code without a vote of the electors while the tax proposed to be reduced was in effect, the board of trustees of the regional transit authority shall continue to levy and collect under authority of the original election authorizing the tax a rate of tax that the board of trustees reasonably estimates will produce an amount in that year equal to the amount of principal of and interest on those bonds as is payable in that year.
(C) Upon receipt from the board of elections of the certification of the results of the election required by division (A) of this section, or from the legislative authority of the certification of a resolution under division (B) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(D) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (C) of this section.

(E) The tax on every retail sale subject to a tax levied pursuant to this section is in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021, 5739.024, or 5739.026 of the Revised Code.

(F) The additional tax levied by the transit authority shall be collected pursuant to section 5739.025 of the Revised Code.

(G) Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a transit authority under the constitution of the United States or the constitution of this state.

(H) The rate of a tax levied under this section is subject to reduction under section 5739.028 of the Revised Code, if a ballot question is approved by voters pursuant to that section.
Sec. 5739.024. (A) For the purpose of fostering and developing tourism within a tourism development district and paying the expenses of administering the levy, the legislative authority of a municipal corporation or township may levy a tax upon every retail sale made in the territory of a tourism development district created by the municipal corporation or township, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, at a rate of not more than two per cent at any multiple of one-fourth of one per cent, and may increase the existing rate of tax to not more than two per cent at any multiple of one-fourth of one per cent.

The tax shall be levied and the rate increased pursuant to an ordinance or resolution of the legislative authority, and a certified copy of the ordinance or resolution shall be delivered by the applicable fiscal officer to the tax commissioner. The ordinance or resolution shall specify the number of years for which the tax is to be in effect or that the tax is for a continuing period of time.

A tax levied by a resolution or ordinance pursuant to this section shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the ordinance or resolution. Any change in the rate of the tax shall be made effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the ordinance or resolution.

(B) Upon receipt from the legislative authority of a municipal corporation or township of the certification of an ordinance or resolution under division (A) of this section, the tax commissioner shall provide notice of a tax rate change in a
manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days before the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(C) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (B) of this section.

(D) The tax on every retail sale subject to a tax levied pursuant to this section is in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021, 5739.023, or 5739.026 of the Revised Code.

(E) A tax levied pursuant to this section shall be collected pursuant to section 5739.025 of the Revised Code.

If the price exceeds one dollar or a multiple thereof by more than twelve cents but not more than twenty-five cents, the amount of tax is eight cents for each one dollar plus two cents. If the price exceeds one dollar or a multiple thereof by more than twenty-five cents, the amount of tax is eight cents for each one dollar plus the amount of tax for prices twenty-six cents through ninety-nine cents in accordance with the schedule above.

(D) In lieu of collecting the tax pursuant to the schedules set forth in divisions (A), (B), and (C) of this section, a vendor may compute the tax on each sale as follows:

(1) On sales of fifteen cents or less, no tax shall apply.

(2) On sales in excess of fifteen cents, multiply the price by the aggregate rate of taxes in effect under sections 5739.02 and 5741.02 and sections 5739.021, 5739.023, 5739.026, 5741.021, 5741.022, and 5741.023 of the Revised Code. The computation shall be carried out to six decimal places. If the result is a fractional amount of a cent, the calculated tax shall be increased to the next highest cent and that amount shall be collected by the vendor.

(E) On and after January 1, 2006, a vendor shall compute the tax on each sale by multiplying the price by the aggregate rate of taxes in effect under sections 5739.02 and 5741.02, and sections 5739.021, 5739.023, 5739.024, 5739.026, 5741.021, 5741.022, and 5741.023, and 5741.024 of the Revised Code. The computation shall be carried out to three decimal places. If the result is a fractional amount of a cent, the calculated tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four. A vendor may elect to compute the tax due on a transaction on an item or an invoice basis.

(F) In auditing a vendor, the tax commissioner shall consider the method prescribed by this section that was used by the vendor.
in determining and collecting the tax due under this chapter on taxable transactions. If the vendor correctly collects and remits the tax due under this chapter in accordance with the schedules in divisions (A), (B), and (C) of this section or in accordance with the computation prescribed in division (D) or (E) of this section, the commissioner shall not assess any additional tax on those transactions.

(G)(1) With respect to a sale of a fractional ownership program aircraft used primarily in a fractional aircraft ownership program, including all accessories attached to such aircraft, the tax shall be calculated pursuant to divisions (A) to (E) of this section, provided that the tax commissioner shall modify those calculations so that the maximum tax on each program aircraft is eight hundred dollars. In the case of a sale of a fractional interest that is less than one hundred per cent of the program aircraft, the tax charged on the transaction shall be eight hundred dollars multiplied by a fraction, the numerator of which is the percentage of ownership or possession in the aircraft being purchased in the transaction, and the denominator of which is one hundred per cent.

(2) Notwithstanding any other provision of law to the contrary, the tax calculated under division (G)(1) of this section and paid with respect to the sale of a fractional ownership program aircraft used primarily in a fractional aircraft ownership program shall be credited to the general revenue fund.

Sec. 5739.026. (A) A board of county commissioners may levy a tax of one-fourth or one-half of one per cent on every retail sale in the county, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, and may increase an existing rate of one-fourth of one per cent to one-half of one per cent, to
pay the expenses of administering the tax and, except as provided
in division (A)(6) of this section, for any one or more of the
following purposes provided that the aggregate levy for all such
purposes does not exceed one-half of one per cent:

(1) To provide additional revenues for the payment of bonds
or notes issued in anticipation of bonds issued by a convention
facilities authority established by the board of county
commissioners under Chapter 351. of the Revised Code and to
provide additional operating revenues for the convention
facilities authority;

(2) To provide additional revenues for a transit authority
operating in the county;

(3) To provide additional revenue for the county's general
fund;

(4) To provide additional revenue for permanent improvements
within the county to be distributed by the community improvements
board in accordance with section 307.283 and to pay principal,
interest, and premium on bonds issued under section 307.284 of the
Revised Code;

(5) To provide additional revenue for the acquisition,
construction, equipping, or repair of any specific permanent
improvement or any class or group of permanent improvements, which
improvement or class or group of improvements shall be enumerated
in the resolution required by division (D) of this section, and to
pay principal, interest, premium, and other costs associated with
the issuance of bonds or notes in anticipation of bonds issued
pursuant to Chapter 133. of the Revised Code for the acquisition,
construction, equipping, or repair of the specific permanent
improvement or class or group of permanent improvements;

(6) To provide revenue for the implementation and operation
of a 9-1-1 system in the county. If the tax is levied or the rate
increased exclusively for such purpose, the tax shall not be 
levied or the rate increased for more than five years. At the end 
of the last year the tax is levied or the rate increased, any 
balance remaining in the special fund established for such purpose 
shall remain in that fund and be used exclusively for such purpose 
until the fund is completely expended, and, notwithstanding 
section 5705.16 of the Revised Code, the board of county 
commissioners shall not petition for the transfer of money from 
such special fund, and the tax commissioner shall not approve such 
a petition.

If the tax is levied or the rate increased for such purpose 
for more than five years, the board of county commissioners also 
shall levy the tax or increase the rate of the tax for one or more 
of the purposes described in divisions (A)(1) to (5) of this 
section and shall prescribe the method for allocating the revenues 
from the tax each year in the manner required by division (C) of 
this section.

(7) To provide additional revenue for the operation or 
maintenance of a detention facility, as that term is defined under 
division (F) of section 2921.01 of the Revised Code;

(8) To provide revenue to finance the construction or 
renovation of a sports facility, but only if the tax is levied for 
that purpose in the manner prescribed by section 5739.028 of the 
Revised Code.

As used in division (A)(8) of this section:

(a) "Sports facility" means a facility intended to house 
major league professional athletic teams.

(b) "Constructing" or "construction" includes providing 
fixtures, furnishings, and equipment.

(9) To provide additional revenue for the acquisition of 
agricultural easements, as defined in section 5301.67 of the
Revised Code; to pay principal, interest, and premium on bonds issued under section 133.60 of the Revised Code; and for the supervision and enforcement of agricultural easements held by the county;

(10) To provide revenue for the provision of ambulance, paramedic, or other emergency medical services;

(11) To provide revenue for the operation of a lake facilities authority and the remediation of an impacted watershed by a lake facilities authority, as provided in Chapter 353. of the Revised Code.

Pursuant to section 755.171 of the Revised Code, a board of county commissioners may pledge and contribute revenue from a tax levied for the purpose of division (A)(5) of this section to the payment of debt charges on bonds issued under section 755.17 of the Revised Code.

The rate of tax shall be a multiple of one-fourth of one per cent, unless a portion of the rate of an existing tax levied under section 5739.023 of the Revised Code has been reduced, and the rate of tax levied under this section has been increased, pursuant to section 5739.028 of the Revised Code, in which case the aggregate of the rates of tax levied under this section and section 5739.023 of the Revised Code shall be a multiple of one-fourth of one per cent. The tax shall be levied and the rate increased pursuant to a resolution adopted by a majority of the members of the board. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of a calendar quarter.

Prior to the adoption of any resolution to levy the tax or to increase the rate of tax exclusively for the purpose set forth in division (A)(3) of this section, the board of county commissioners
shall conduct two public hearings on the resolution, the second
hearing to be no fewer than three nor more than ten days after the
first. Notice of the date, time, and place of the hearings shall
be given by publication in a newspaper of general circulation in
the county, or as provided in section 7.16 of the Revised Code,
once a week on the same day of the week for two consecutive weeks.
The second publication shall be no fewer than ten nor more than
thirty days prior to the first hearing. Except as provided in
division (E) of this section, the resolution shall be subject to a
referendum as provided in sections 305.31 to 305.41 of the Revised
Code. If the resolution is adopted as an emergency measure
necessary for the immediate preservation of the public peace,
health, or safety, it must receive an affirmative vote of all of
the members of the board of county commissioners and shall state
the reasons for the necessity.

If the tax is for more than one of the purposes set forth in
divisions (A)(1) to (7), (9), and (10) of this section, or is
exclusively for one of the purposes set forth in division (A)(1),
(2), (4), (5), (6), (7), (9), or (10) of this section, the
resolution shall not go into effect unless it is approved by a
majority of the electors voting on the question of the tax.

(B) The board of county commissioners shall adopt a
resolution under section 351.02 of the Revised Code creating the
convention facilities authority, or under section 307.283 of the
Revised Code creating the community improvements board, before
adopting a resolution levying a tax for the purpose of a
convention facilities authority under division (A)(1) of this
section or for the purpose of a community improvements board under
division (A)(4) of this section.

(C)(1) If the tax is to be used for more than one of the
purposes set forth in divisions (A)(1) to (7), (9), and (10) of
this section, the board of county commissioners shall establish
the method that will be used to determine the amount or proportion
of the tax revenue received by the county during each year that
will be distributed for each of those purposes, including, if
applicable, provisions governing the reallocation of a convention
facilities authority's allocation if the authority is dissolved
while the tax is in effect. The allocation method may provide that
different proportions or amounts of the tax shall be distributed
among the purposes in different years, but it shall clearly
describe the method that will be used for each year. Except as
otherwise provided in division (C)(2) of this section, the
allocation method established by the board is not subject to
amendment during the life of the tax.

(2) Subsequent to holding a public hearing on the proposed
amendment, the board of county commissioners may amend the
allocation method established under division (C)(1) of this
section for any year, if the amendment is approved by the
governing board of each entity whose allocation for the year would
be reduced by the proposed amendment. In the case of a tax that is
levied for a continuing period of time, the board may not so amend
the allocation method for any year before the sixth year that the
tax is in effect.

(a) If the additional revenues provided to the convention
facilities authority are pledged by the authority for the payment
of convention facilities authority revenue bonds for as long as
such bonds are outstanding, no reduction of the authority's
allocation of the tax shall be made for any year except to the
extent that the reduced authority allocation, when combined with
the authority's other revenues pledged for that purpose, is
sufficient to meet the debt service requirements for that year on
such bonds.

(b) If the additional revenues provided to the county are
pledged by the county for the payment of bonds or notes described
in division (A)(4) or (5) of this section, for as long as such
bonds or notes are outstanding, no reduction of the county's or
the community improvements board's allocation of the tax shall be
made for any year, except to the extent that the reduced county or
community improvements board allocation is sufficient to meet the
debt service requirements for that year on such bonds or notes.

(c) If the additional revenues provided to the transit
authority are pledged by the authority for the payment of revenue
bonds issued under section 306.37 of the Revised Code, for as long
as such bonds are outstanding, no reduction of the authority's
allocation of tax shall be made for any year, except to the extent
that the authority's reduced allocation, when combined with the
authority's other revenues pledged for that purpose, is sufficient
to meet the debt service requirements for that year on such bonds.

(d) If the additional revenues provided to the county are
pledged by the county for the payment of bonds or notes issued
under section 133.60 of the Revised Code, for so long as the bonds
or notes are outstanding, no reduction of the county's allocation
of the tax shall be made for any year, except to the extent that
the reduced county allocation is sufficient to meet the debt
service requirements for that year on the bonds or notes.

(D)(1) The resolution levying the tax or increasing the rate
of tax shall state the rate of the tax or the rate of the
increase; the purpose or purposes for which it is to be levied;
the number of years for which it is to be levied or that it is for
a continuing period of time; the allocation method required by
division (C) of this section; and if required to be submitted to
the electors of the county under division (A) of this section, the
date of the election at which the proposal shall be submitted to
the electors of the county, which shall be not less than ninety
days after the certification of a copy of the resolution to the
board of elections and, if the tax is to be levied exclusively for
the purpose set forth in division (A)(3) of this section, shall not occur in February or August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. If approved by a majority of the electors, the tax shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the board of county commissioners and tax commissioner receive from the board of elections the certification of the results of the election, except as provided in division (E) of this section.

(2)(a) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is not adopted as an emergency measure may direct the board of elections to submit the question of levying the tax or increasing the rate of the tax to the electors of the county at a special election held on the date specified by the board of county commissioners in the resolution, provided that the election occurs not less than ninety days after the resolution is certified to the board of elections and the election is not held in February or August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under division (D)(2)(a) of this section shall go into effect unless approved by a majority of those voting upon it and, except as provided in division (E) of this section, not until the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(b) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section
section that is adopted as an emergency measure shall become effective as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after the resolution is certified to the board of elections. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner received notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase in the rate of the tax, cease to levy the increased rate and levy the tax at the rate at which it was imposed immediately prior to the increase in rate.

(c) A board of county commissioners, by resolution, may reduce the rate of a tax levied exclusively for the purpose set forth in division (A)(3) of this section to a lower rate authorized by this section. Any such reduction shall be made effective on the first day of the calendar quarter next following the sixty-fifth day after the tax commissioner receives a certified copy of the resolution from the board.

(E) If a vendor makes a sale in this state by printed catalog
and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or repealed or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (G) of this section.

(F) The tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021 or 5739.023, or 5739.024 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.023 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(G) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) of this section, or from the board of elections a notice of the results of an election required by division (D)(1), (2)(a), (b), or (c) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.
Sec. 5739.027. (A) Notwithstanding sections 5739.02, 5739.021, 5739.023, 5739.024, 5739.026, 5741.02, 5741.021, 5741.022, and 5741.023 and 5741.024 of the Revised Code, the tax due on the sale to a consumer who is a nonresident of this state of a watercraft or outboard motor required to be titled pursuant to Chapter 1548. of the Revised Code, or on the sale of a watercraft documented or to be documented with the United States coast guard, shall be the lesser of the combined tax rate in effect at the location of the vendor or the sales, use, or similar excise tax that the consumer would owe in the state of the consumer's intended titling, registration, or use of the watercraft or outboard motor, if all of the following apply:

(1) The consumer immediately will remove the watercraft or outboard motor from this state for use outside this state;

(2) The consumer will title or register the watercraft or outboard motor in another state, if such titling or registration is required;

(3) The consumer will pay all applicable sales, use, or similar excise taxes due in the state of titling, registration, or use;

(4) The state of titling, registration, or use grants a credit against its sales, use, or similar excise tax for tax paid to this state;

(5) The consumer executes the affidavit specified in division (C) of this section.

The vendor shall collect the tax and remit it to the state in the manner specified by the tax commissioner.

(B) If all of the conditions specified in division (A) of this section exist, except that the state of titling, registration, or use does not grant a credit for sales or use tax
paid to this state, or that the consumer's ownership or use of the
watercraft or outboard motor is exempt or otherwise not taxable in
such other state, the consumer may take title to and possession of
the watercraft or outboard motor without payment of any sales or
use tax to this state.

(C) Every nonresident consumer who purchases a watercraft or
outboard motor, as described in division (A) of this section, for
immediate removal from this state shall execute an affidavit in
triplicate, in such form as the tax commissioner specifies,
affirming such facts and specifying the consumer's tax liability
in the intended state of titling, registration, or use. The
affidavit shall be given to the vendor. The vendor shall retain a
copy of the affidavit and file another copy with the clerk of the
court of common pleas if the vendor is procuring an Ohio title on
behalf of the consumer. The original copy of the affidavit shall
be filed with the tax commissioner in the manner prescribed by the
tax commissioner.

(D) If the vendor procures a title on behalf of the
nonresident consumer from the clerk of the court of common pleas
of the county where the vendor is located on the sale of a
watercraft or outboard motor, the vendor shall file the affidavit
specified in division (C) of this section with the clerk. The
clerk shall issue the title without requiring payment of a sales
or use tax.

(E) If the watercraft or outboard motor is purchased by a
corporation described in division (B)(6) of section 5739.01 of the
Revised Code, for purposes of this section the state of residence
of the consumer shall be the state of residence of the principal
shareholder.

(F) For purposes of this section, the consideration received
for watercraft trailers not required to be titled pursuant to
Chapter 4505. of the Revised Code and other accessories, which are
transferred to a nonresident consumer with the watercraft or
outboard motor, is part of the price of the watercraft or outboard
motor, provided that such consideration is included in the price
of the watercraft or outboard motor as reported by the vendor.
Tangible personal property sold separately to the nonresident
consumer shall be taxed as otherwise provided in this chapter and
Chapter 5741. of the Revised Code.

(G) A vendor who in good faith accepts an affidavit provided
by a nonresident consumer pursuant to division (C) of this section
may rely upon the representations made in the affidavit.

(H) All provisions of this chapter and of Chapter 5741. of
the Revised Code that are not inconsistent with this section apply
to transactions described in this section.

(I) Any vendor who makes sales described in this section
shall file with the tax commissioner any supplemental report or
return the tax commissioner considers necessary for the efficient
administration and enforcement of this section.

Sec. 5739.029. (A) Notwithstanding sections 5739.02,
5739.021, 5739.023, 5739.024, 5739.026, 5741.02, 5741.021,
5741.022, and 5741.023, and 5741.024 of the Revised Code, and
except as otherwise provided in division (B) of this section, the
tax due under this chapter on the sale of a motor vehicle required
to be titled under Chapter 4505. of the Revised Code by a motor
vehicle dealer to a consumer that is a nonresident of this state
shall be the lesser of the amount of tax that would be due under
this chapter and Chapter 5741. of the Revised Code if the total
combined rate were six per cent, or the amount of tax that would
be due to the state in which the consumer titles or registers the
motor vehicle or to which the consumer removes the vehicle for
use.

(B) No tax is due under this section, any other section of
this chapter, or Chapter 5741. of the Revised Code under any of the following circumstances:

(1) (a) The consumer intends to immediately remove the motor vehicle from this state for use outside this state;

(b) Upon removal of the motor vehicle from this state, the consumer intends to title or register the vehicle in another state if such titling or registration is required;

(c) The consumer executes an affidavit as required under division (C) of this section affirming the consumer's intentions under divisions (B)(1)(a) and (b) of this section; and

(d) The state in which the consumer titles or registers the motor vehicle or to which the consumer removes the vehicle for use provides an exemption under circumstances substantially similar to those described in division (B)(1) of this section.

(2) The state in which the consumer titles or registers the motor vehicle or to which the consumer removes the vehicle for use does not provide a credit against its sales or use tax or similar excise tax for sales or use tax paid to this state.

(3) The state in which the consumer titles or registers the motor vehicle or to which the consumer removes the vehicle for use does not impose a sales or use tax or similar excise tax on the ownership or use of motor vehicles.

(C) Any nonresident consumer that purchases a motor vehicle from a motor vehicle dealer in this state under the circumstances described in divisions (B)(1)(a) and (b) of this section shall execute an affidavit affirming the intentions described in those divisions. The affidavit shall be executed in triplicate and in the form specified by the tax commissioner. The affidavit shall be given to the motor vehicle dealer.

A motor vehicle dealer that accepts in good faith an
affidavit presented under this division by a nonresident consumer may rely upon the representations made in the affidavit.

(D) A motor vehicle dealer making a sale subject to the tax under division (A) of this section shall collect the tax due unless the sale is subject to the exception under division (B) of this section or unless the sale is not otherwise subject to taxes levied under sections 5739.02, 5739.021, 5739.023, 5739.024, 5739.026, 5741.02, 5741.021, 5741.022, and 5741.023, and 5741.024 of the Revised Code. In the case of a sale under the circumstances described in division (B)(1) of this section, the dealer shall retain one copy of the affidavit and file the original and the other copy with the clerk of the court of common pleas. If tax is due under division (A) of this section, the dealer shall remit the tax collected to the clerk at the time the dealer obtains the Ohio certificate of title in the name of the consumer as required under section 4505.06 of the Revised Code. The clerk shall forward the original affidavit to the tax commissioner in the manner prescribed by the commissioner.

Unless a sale is excepted from taxation under division (B) of this section, upon receipt of an application for certificate of title a clerk of the court of common pleas shall collect the sales tax due under division (A) of this section. The clerk shall remit the tax collected to the tax commissioner in the manner prescribed by the commissioner.

(E) If a motor vehicle is purchased by a corporation described in division (B)(6) of section 5739.01 of the Revised Code, the state of residence of the consumer for the purposes of this section is the state of residence of the corporation's principal shareholder.

(F) Any provision of this chapter or of Chapter 5741. of the Revised Code that is not inconsistent with this section applies to sales described in division (A) of this section.
(G) As used in this section:

(1) For the purposes of this section only, the sale or purchase of a motor vehicle does not include a lease or rental of a motor vehicle subject to division (A)(2) or (3) of section 5739.02 or division (A)(2) or (3) of section 5741.02 of the Revised Code;

(2) "State," except in reference to "this state," means any state, district, commonwealth, or territory of the United States and any province of Canada.

Sec. 5739.03. (A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale shall be reported on and the amount of the tax
applicable thereto shall be remitted with the return for the.

period in which the sale is made, and the amount of the tax shall
become a legal charge in favor of the vendor and against the
consumer.

(B)(1)(a) If any sale is claimed to be exempt under division
(E) of section 5739.01 of the Revised Code or under section
5739.02 of the Revised Code, with the exception of divisions
(B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the
consumer must provide to the vendor, and the vendor must obtain
from the consumer, a certificate specifying the reason that the
sale is not legally subject to the tax. The certificate shall be
in such form, and shall be provided either in a hard copy form or
electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption
certificate from a consumer is relieved of liability for
collecting and remitting tax on any sale covered by that
certificate. If it is determined the exemption was improperly
claimed, the consumer shall be liable for any tax due on that sale
under section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026
or Chapter 5741. of the Revised Code. Relief under this division
from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the
unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a
consumer that claims an exemption based on who purchases or who
sells property or a service, when the subject of the transaction
sought to be covered by the exemption certificate is actually
received by the consumer at a location operated by the vendor in
this state, and this state has posted to its web site an exemption
certificate form that clearly and affirmatively indicates that the
claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.

(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the...
contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in
good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741 of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment Contesting the assessment of tax on sales for which the vendor obtained no
valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5739.031. (A) Upon application, the tax commissioner may issue a direct payment permit that authorizes a consumer to pay the sales tax levied by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code or the use tax levied by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023, or 5741.024 of the Revised Code directly to the state and waives the collection of the tax by the vendor or seller if payment directly to the state would improve compliance and increase the efficiency of the administration of the tax. The commissioner may adopt rules establishing the criteria for the issuance of such permits.

(B) Each permit holder, on or before the twenty-third day of each month, shall make and file with the treasurer of state a
return for the preceding month in such form as is prescribed by
the tax commissioner and shall pay the tax shown on the return to be due. The return shall show the sum of the prices of taxable
merchandise used and taxable services received, the amount of tax
due from the permit holder, and such other information as the
commissioner deems necessary. The commissioner, upon written
request by the permit holder, may extend the time for making and filing returns and paying the tax. If the commissioner determines
that a permit holder's tax liability is not such as to merit monthly filing, the commissioner may authorize the permit holder
to file returns and pay the tax at less frequent intervals. The
treasurer of state shall show on the return the date it was filed
and the amount of the payment remitted to the treasurer.
Thereafter, the treasurer immediately shall transmit all returns filed under this section to the tax commissioner.

Any permit holder required to file a return and pay the tax under this section whose total payment for any calendar year equals or exceeds the amount shown in section 5739.032 of the Revised Code shall make each payment required by this section in the second ensuing and each succeeding year by electronic funds transfer as prescribed by, and on or before the dates specified in, section 5739.032 of the Revised Code, except as otherwise prescribed by that section.

(C) For purposes of reporting and remitting the tax, the price of tangible personal property or services purchased by, or of tangible personal property produced by, the permit holder shall be determined under division (G) of section 5741.01 of the Revised Code. Except as otherwise provided in division (E) of section 5739.033 of the Revised Code, the situs of any purchase transaction made by the permit holder is the location where the tangible personal property or service is received by the permit holder.
(D) It shall be the duty of every permit holder required to make a return and pay its tax under this section to keep and preserve suitable records of purchases together with invoices of purchases, bills of lading, asset ledgers, depreciation schedules, transfer journals, and such other primary and secondary records and documents in such form as the commissioner requires. All such records and other documents shall be open during business hours to the inspection of the tax commissioner, and shall be preserved for a period of four years, unless the commissioner, in writing, has authorized their destruction or disposal at an earlier date, or by order or by reason of a waiver of the four-year time limitation pursuant to section 5739.16 of the Revised Code requires that they be kept longer.

(E) A permit granted pursuant to this section shall continue to be valid until surrendered by the holder or canceled for cause by the tax commissioner.

(F) Persons who hold a direct payment permit that has not been canceled shall not be required to issue exemption certificates and shall not be required to pay the tax as prescribed in sections 5739.03, 5739.033, and 5741.12 of the Revised Code. Such persons shall notify vendors and sellers from whom purchases of tangible personal property or services are made, of their direct payment permit number and that the tax is being paid directly to the state. Upon receipt of such notice, such vendor or seller shall be absolved from all duties and liabilities imposed by section 5739.03 or 5741.04 of the Revised Code with respect to sales of tangible personal property or services to such permit holder.

Vendors and sellers who make sales upon which the tax is not collected by reason of the provisions of this section shall maintain records in such manner that the amount involved and identity of the purchaser may be ascertained. The receipts from
such sales shall not be subject to the tax levied in section 5739.10 of the Revised Code.

Upon the cancellation or surrender of a direct payment permit, the provisions of sections 5739.03, 5741.04, and 5741.12 of the Revised Code shall immediately apply to all purchases made subsequent to such cancellation or surrender by the person who previously held such permit, and such person shall so notify vendors and sellers from whom purchases of tangible personal property or services are made, in writing, prior to or at the time of the first purchase after such cancellation or surrender. Upon receipt of such notice, the vendor shall be subject to the provisions of sections 5739.03 and 5739.10 of the Revised Code and the seller shall be subject to the provisions of section 5741.04 of the Revised Code, with respect to all sales subsequently made to such person. Failure of any such person to notify vendors or sellers from whom purchases of tangible personal property or services are made of the cancellation or surrender of a direct payment permit shall be considered as a refusal to pay the tax by the person required to issue such notice.

Sec. 5739.033. (A) The amount of tax due pursuant to sections 5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised Code is the sum of the taxes imposed pursuant to those sections at the sourcing location of the sale as determined under this section or, if applicable, under division (C) of section 5739.031 or section 5739.034 of the Revised Code. This section applies only to a vendor's or seller's obligation to collect and remit sales taxes under section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code or use taxes under section 5741.02, 5741.021, 5741.022, or 5741.024 of the Revised Code. Division (A) of this section does not apply in determining the jurisdiction for which sellers are required to collect the use tax under section 5741.05 of the Revised Code. This section does not affect
the obligation of a consumer to remit use taxes on the storage, use, or other consumption of tangible personal property or on the benefit realized of any service provided, to the jurisdiction of that storage, use, or consumption, or benefit realized.

(B)(1) Beginning January 1, 2010, retail sales, excluding the lease or rental, of tangible personal property or digital goods shall be sourced to the location where the vendor receives an order for the sale of such property or goods if:

(a) The vendor receives the order in this state and the consumer receives the property or goods in this state;

(b) The location where the consumer receives the property or goods is determined under division (C)(2), (3), or (4) of this section; and

(c) The record-keeping system used by the vendor to calculate the tax imposed captures the location where the order is received at the time the order is received.

(2) A consumer has no additional liability to this state under this chapter or Chapter 5741. of the Revised Code for tax, penalty, or interest on a sale for which the consumer remits tax to the vendor in the amount invoiced by the vendor if the invoice amount is calculated at either the rate applicable to the location where the consumer receives the property or digital good or at the rate applicable to the location where the order is received by the vendor. A consumer may rely on a written representation by the vendor as to the location where the order for the sale was received by the vendor. If the consumer does not have a written representation by the vendor as to the location where the order was received by the vendor, the consumer may use a location indicated by a business address for the vendor that is available from records that are maintained in the ordinary course of the
consumer's business to determine the rate applicable to the location where the order was received.

(3) For the purposes of division (B) of this section, the location where an order is received by or on behalf of a vendor means the physical location of the vendor or a third party such as an established outlet, office location, or automated order receipt system operated by or on behalf of the vendor, where an order is initially received by or on behalf of the vendor, and not where the order may be subsequently accepted, completed, or fulfilled. An order is received when all necessary information to determine whether the order can be accepted has been received by or on behalf of the vendor. The location from which the property or digital good is shipped shall not be used to determine the location where the order is received by the vendor.

(4) For the purposes of division (B) of this section, if services subject to taxation under this chapter or Chapter 5741 of the Revised Code are sold with tangible personal property or digital goods pursuant to a single contract or in the same transaction, the services are billed on the same billing statement or invoice, and, because of the application of division (B) of this section, the transaction would be sourced to more than one jurisdiction, the situs of the transaction shall be the location where the order is received by or on behalf of the vendor.

(C) Except for sales, other than leases, of titled motor vehicles, titled watercraft, or titled outboard motors as provided in section 5741.05 of the Revised Code, or as otherwise provided in this section and section 5739.034 of the Revised Code, all sales shall be sourced as follows:

(1) If the consumer or a donee designated by the consumer receives tangible personal property or a service at a vendor's place of business, the sale shall be sourced to that place of business.
(2) When the tangible personal property or service is not received at a vendor's place of business, the sale shall be sourced to the location known to the vendor where the consumer or the donee designated by the consumer receives the tangible personal property or service, including the location indicated by instructions for delivery to the consumer or the consumer's donee.

(3) If divisions (C)(1) and (2) of this section do not apply, the sale shall be sourced to the location indicated by an address for the consumer that is available from the vendor's business records that are maintained in the ordinary course of the vendor's business, when use of that address does not constitute bad faith.

(4) If divisions (C)(1), (2), and (3) of this section do not apply, the sale shall be sourced to the location indicated by an address for the consumer obtained during the consummation of the sale, including the address associated with the consumer's payment instrument, if no other address is available, when use of that address does not constitute bad faith.

(5) If divisions (C)(1), (2), (3), and (4) of this section do not apply, including in the circumstance where the vendor is without sufficient information to apply any of those divisions, the sale shall be sourced to the address from which tangible personal property was shipped, or from which the service was provided, disregarding any location that merely provided the electronic transfer of the property sold or service provided.

(6) As used in division (C) of this section, "receive" means taking possession of tangible personal property or making first use of a service. "Receive" does not include possession by a shipping company on behalf of a consumer.

(D)(1)(a) Notwithstanding divisions (C)(1) to (5) of this section, a business consumer that is not a holder of a direct payment permit granted under section 5739.031 of the Revised Code,
that purchases a digital good, computer software, except computer software received in person by a business consumer at a vendor's place of business, or a service, and that knows at the time of purchase that such digital good, software, or service will be concurrently available for use in more than one taxing jurisdiction shall deliver to the vendor in conjunction with its purchase an exemption certificate claiming multiple points of use, or shall meet the requirements of division (D)(2) of this section. On receipt of the exemption certificate claiming multiple points of use, the vendor is relieved of its obligation to collect, pay, or remit the tax due, and the business consumer must pay the tax directly to the state.

(b) A business consumer that delivers the exemption certificate claiming multiple points of use to a vendor may use any reasonable, consistent, and uniform method of apportioning the tax due on the digital good, computer software, or service that is supported by the consumer's business records as they existed at the time of the sale. The business consumer shall report and pay the appropriate tax to each jurisdiction where concurrent use occurs. The tax due shall be calculated as if the apportioned amount of the digital good, computer software, or service had been delivered to each jurisdiction to which the sale is apportioned under this division.

(c) The exemption certificate claiming multiple points of use shall remain in effect for all future sales by the vendor to the business consumer until it is revoked in writing by the business consumer, except as to the business consumer's specific apportionment of a subsequent sale under division (D)(1)(b) of this section and the facts existing at the time of the sale.

(2) When the vendor knows that a digital good, computer software, or service sold will be concurrently available for use by the business consumer in more than one jurisdiction, but the
business consumer does not provide an exemption certificate claiming multiple points of use as required by division (D)(1) of this section, the vendor may work with the business consumer to produce the correct apportionment. Governed by the principles of division (D)(1)(b) of this section, the vendor and business consumer may use any reasonable, but consistent and uniform, method of apportionment that is supported by the vendor's and business consumer's books and records as they exist at the time the sale is reported for purposes of the taxes levied under this chapter. If the business consumer certifies to the accuracy of the apportionment and the vendor accepts the certification, the vendor shall collect and remit the tax accordingly. In the absence of bad faith, the vendor is relieved of any further obligation to collect tax on any transaction where the vendor has collected tax pursuant to the information certified by the business consumer.

(3) When the vendor knows that the digital good, computer software, or service will be concurrently available for use in more than one jurisdiction, and the business consumer does not have a direct pay permit and does not provide to the vendor an exemption certificate claiming multiple points of use as required in division (D)(1) of this section, or certification pursuant to division (D)(2) of this section, the vendor shall collect and remit the tax based on division (C) of this section.

(4) Nothing in this section shall limit a person's obligation for sales or use tax to any state in which a digital good, computer software, or service is concurrently available for use, nor limit a person's ability under local, state, or federal law, to claim a credit for sales or use taxes legally due and paid to other jurisdictions.

(E) A person who holds a direct payment permit issued under section 5739.031 of the Revised Code is not required to deliver an exemption certificate claiming multiple points of use to a vendor.
But such permit holder shall comply with division (D)(2) of this section in apportioning the tax due on a digital good, computer software, or a service for use in business that will be concurrently available for use in more than one taxing jurisdiction.

(F)(1) Notwithstanding divisions (C)(1) to (5) of this section, the consumer of direct mail that is not a holder of a direct payment permit shall provide to the vendor in conjunction with the sale either an exemption certificate claiming direct mail prescribed by the tax commissioner, or information to show the jurisdictions to which the direct mail is delivered to recipients.

(2) Upon receipt of such exemption certificate, the vendor is relieved of all obligations to collect, pay, or remit the applicable tax and the consumer is obligated to pay that tax on a direct pay basis. An exemption certificate claiming direct mail shall remain in effect for all future sales of direct mail by the vendor to the consumer until it is revoked in writing.

(3) Upon receipt of information from the consumer showing the jurisdictions to which the direct mail is delivered to recipients, the vendor shall collect the tax according to the delivery information provided by the consumer. In the absence of bad faith, the vendor is relieved of any further obligation to collect tax on any transaction where the vendor has collected tax pursuant to the delivery information provided by the consumer.

(4) If the consumer of direct mail does not have a direct payment permit and does not provide the vendor with either an exemption certificate claiming direct mail or delivery information as required by division (F)(1) of this section, the vendor shall collect the tax according to division (C)(5) of this section. Nothing in division (F)(4) of this section shall limit a consumer's obligation to pay sales or use tax to any state to which the direct mail is delivered.
(5) If a consumer of direct mail provides the vendor with documentation of direct payment authority, the consumer shall not be required to provide an exemption certificate claiming direct mail or delivery information to the vendor.

(G) If the vendor provides lodging to transient guests as specified in division (B)(2) of section 5739.01 of the Revised Code, the sale shall be sourced to the location where the lodging is located.

(H)(1) As used in this division and division (I) of this section, "transportation equipment" means any of the following:

(a) Locomotives and railcars that are utilized for the carriage of persons or property in interstate commerce.

(b) Trucks and truck-tractors with a gross vehicle weight rating of greater than ten thousand pounds, trailers, semi-trailers, or passenger buses that are registered through the international registration plan and are operated under authority of a carrier authorized and certificated by the United States department of transportation or another federal authority to engage in the carriage of persons or property in interstate commerce.

(c) Aircraft that are operated by air carriers authorized and certificated by the United States department of transportation or another federal authority to engage in the carriage of persons or property in interstate or foreign commerce.

(d) Containers designed for use on and component parts attached to or secured on the items set forth in division (H)(1)(a), (b), or (c) of this section.

(2) A sale, lease, or rental of transportation equipment shall be sourced pursuant to division (C) of this section.

(I)(1) A lease or rental of tangible personal property that
does not require recurring periodic payments shall be sourced pursuant to division (C) of this section.

(2) A lease or rental of tangible personal property that requires recurring periodic payments shall be sourced as follows:

(a) In the case of a motor vehicle, other than a motor vehicle that is transportation equipment, or an aircraft, other than an aircraft that is transportation equipment, such lease or rental shall be sourced as follows:

(i) An accelerated tax payment on a lease or rental taxed pursuant to division (A)(2) of section 5739.02 of the Revised Code shall be sourced to the primary property location at the time the lease or rental is consummated. Any subsequent taxable charges on the lease or rental shall be sourced to the primary property location for the period in which the charges are incurred.

(ii) For a lease or rental taxed pursuant to division (A)(3) of section 5739.02 of the Revised Code, each lease or rental installment shall be sourced to the primary property location for the period covered by the installment.

(b) In the case of a lease or rental of all other tangible personal property, other than transportation equipment, such lease or rental shall be sourced as follows:

(i) An accelerated tax payment on a lease or rental that is taxed pursuant to division (A)(2) of section 5739.02 of the Revised Code shall be sourced pursuant to division (C) of this section at the time the lease or rental is consummated. Any subsequent taxable charges on the lease or rental shall be sourced to the primary property location for the period in which the charges are incurred.

(ii) For a lease or rental that is taxed pursuant to division (A)(3) of section 5739.02 of the Revised Code, the initial lease or rental installment shall be sourced pursuant to division (C) of...
this section. Each subsequent installment shall be sourced to the primary property location for the period covered by the installment.

(3) As used in division (I) of this section, "primary property location" means an address for tangible personal property provided by the lessee or renter that is available to the lessor or owner from its records maintained in the ordinary course of business, when use of that address does not constitute bad faith.

(J) If the vendor provides a service specified in division (B)(11) of section 5739.01 of the Revised Code, the situs of the sale is the location of the enrollee for whom a medicaid health insurance corporation receives managed care premiums. Such sales shall be sourced to the locations of the enrollees in the same proportion as the managed care premiums received by the medicaid health insuring corporation on behalf of enrollees located in a particular taxing jurisdiction in Ohio as compared to all managed care premiums received by the medicaid health insuring corporation.

Sec. 5739.034. (A) As used in this section:

(1) "Air-to-ground radiotelephone service" means a radio service, as defined in 47 C.F.R. 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

(2) "Call-by-call basis" means any method of charging for telecommunications services where the price is measured by individual calls.

(3) "Customer" means the person or entity that contracts with a seller of telecommunications service. If the end user of telecommunications service is not the contracting party, the end user of the telecommunications service is the customer of the
telecommunications service. "Customer" does not include a reseller of telecommunications service or of mobile telecommunications service of a serving carrier under an agreement to serve the customer outside the home service provider's licensed service area.

(4) "End user" means the person who utilizes the telecommunications service. In the case of a person other than an individual, "end user" means the individual who utilizes the service on behalf of the person.

(6) "Place of primary use" means the street address representative of where the customer's use of the telecommunications service primarily occurs, which must be the residential street address or the primary business street address of the customer. In the case of mobile telecommunications services, "place of primary use" must be within the licensed service area of the home service provider.

(7) "Post-paid calling service" means the telecommunications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number that is not associated with the origination or termination of the telecommunications service. "Post-paid calling service" includes a telecommunications service, except a prepaid wireless calling service, that would be a prepaid calling service, but for the fact that it is not exclusively a telecommunications service.

(8) "Prepaid calling service" and "prepaid wireless calling service" have the same meanings as in section 5739.01 of the
Revised Code.

(9) "Service address" means:

(a) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid.

(b) If the location in division (A)(9)(a) of this section is not known, "service address" means the origination point of the signal of the telecommunications service first identified by either the seller's telecommunications system or in information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

(c) If the locations in divisions (A)(9)(a) and (b) of this section are not known, "service address" means the location of the customer's place of primary use.

(10) "Private communication service" means a telecommunications service that entitles a customer to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which the channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of such channel or channels.

(B) The amount of tax due pursuant to sections 5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised Code on sales of telecommunications service, information service, or mobile telecommunications service, is the sum of the taxes imposed pursuant to those sections at the sourcing location of the sale as determined under this section.

(C) Except for the telecommunications services described in division (E) of this section, the sale of telecommunications service sold on a call-by-call basis shall be sourced to each
level of taxing jurisdiction where the call originates and
terminates in that jurisdiction, or each level of taxing
jurisdiction where the call either originates or terminates and in
which the service address also is located.

(D) Except for the telecommunications services described in
division (E) of this section, a sale of telecommunications
services sold on a basis other than a call-by-call basis shall be
sourced to the customer's place of primary use.

(E) The sale of the following telecommunications services
shall be sourced to each level of taxing jurisdiction, as follows:

(1) A sale of mobile telecommunications service, other than
air-to-ground radiotelephone service and prepaid calling service,
shall be sourced to the customer's place of primary use as
required by the Mobile Telecommunications Sourcing Act.

(2) A sale of post-paid calling service shall be sourced to
the origination point of the telecommunications signal as first
identified by the service provider's telecommunications system, or
information received by the seller from its service provider,
where the system used to transport such signals is not that of the
seller.

(3) A sale of prepaid calling service or prepaid wireless
calling service shall be sourced under division (C) of section
5739.033 of the Revised Code. But in the case of prepaid wireless
calling service, in lieu of sourcing the sale of the service under
division (C)(5) of section 5739.033 of the Revised Code, the
service provider may elect to source the sale to the location
associated with the mobile telephone number.

(4) A sale of a private communication service shall be
sourced as follows:

(a) Service for a separate charge related to a customer
channel termination point shall be sourced to each level of
jurisdiction in which the customer channel termination point is located;

(b) Service where all customer channel termination points are located entirely within one jurisdiction or level of jurisdiction shall be sourced in the jurisdiction in which the customer channel termination points are located;

(c) Service for segments of a channel between two customer channel termination points located in different jurisdictions and which segments of a channel are separately charged shall be sourced fifty per cent in each level of jurisdiction in which the customer channel termination points are located;

(d) Service for segments of a channel located in more than one jurisdiction or level of jurisdiction and which segments are not separately billed shall be sourced in each jurisdiction based on the percentage determined by dividing the number of customer channel termination points in the jurisdiction by the total number of customer channel termination points.

Sec. 5739.04. If modification of a county's jurisdictional boundaries or a transit authority's territory, or a tourism development district's territory results in a change in the tax rate levied under section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, the tax commissioner, within thirty days of such change, shall notify any vendor or the vendor's certified service provider, if the vendor has selected one, of such change. The rate change shall not apply to sales made by such vendor until the first day of a calendar quarter following the expiration of sixty days from the date of notice by the commissioner.

Sec. 5739.05. (A) The tax commissioner shall enforce and administer sections 5739.01 to 5739.31 of the Revised Code, which
are hereby declared to be sections which the commissioner is 
required to administer within the meaning of sections 5703.17 to 
5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The 
commissioner may adopt and promulgate, in accordance with sections 
119.01 to 119.13 of the Revised Code, such rules as the 
commissioner deems necessary to administer sections 5739.01 to 
5739.31 of the Revised Code.

(B) Upon application, the commissioner may authorize a vendor 
to pay on a predetermined basis the tax levied by or pursuant to 
section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the 
Revised Code upon sales of things produced or distributed or 
services provided by such vendor, and the commissioner may waive 
the collection of the tax from the consumer. The commissioner 
shall not grant such authority unless the commissioner finds that 
the granting of the authority would improve compliance and 
increase the efficiency of the administration of the tax. The 
person to whom such authority is granted shall post a notice, if 
required by the commissioner, at the location where the product is 
offered for sale that the tax is included in the selling price. 
The commissioner may adopt rules to administer this division.

(C) Upon application, the commissioner may authorize a vendor 
to remit, on the basis of a prearranged agreement under this 
division, the tax levied by section 5739.02 or pursuant to section 
5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code. The 
proportions and ratios in a prearranged agreement shall be 
determined either by a test check conducted by the commissioner 
under terms and conditions agreed to by the commissioner and the 
vendor or by any other method agreed upon by the vendor and the 
commissioner. If the parties are unable to agree to the terms and 
conditions of the test check or other method, the application 
shall be denied.

If used, the test check shall determine the proportion that
taxable retail sales bear to all of the vendor's retail sales and
the ratio which the tax required to be collected under sections
5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised
Code bears to the receipts from the vendor's taxable retail sales.

The vendor's liability for remitting the tax shall be based
solely upon the proportions and ratios established in the
agreement until such time that the vendor or the commissioner
believes that the nature of the vendor's business has so changed
as to make the agreement no longer representative. The
commissioner may give notice to the vendor at any time that the
authorization is revoked or the vendor may notify the commissioner
that the vendor no longer elects to report under the
authorization. Such notice shall be delivered to the other party
personally or by registered mail. The revocation or cancellation
is effective the last day of the month in which the vendor or the
commissioner receives the notice.

Sec. 5739.051. (A) The tax commissioner shall issue a direct
payment permit to a medicaid health insuring corporation that
authorizes the medicaid health insuring corporation to pay all
taxes due on sales described in division (B)(11) of section
5739.01 of the Revised Code directly to the state. Each medicaid
health insuring corporation shall pay pursuant to such direct
payment authority all sales tax levied on such sales by sections
5739.02, 5739.021, 5739.023, 5739.024, and 5739.026 of the Revised
Code and all use tax levied on such sales pursuant to sections
5741.02, 5741.021, 5741.022, and 5741.024 of the
Revised Code, unless division (B)(11)(b) of section 5739.01 of the
Revised Code applies.

(B) Each medicaid health insuring corporation shall, on or
before the twenty-third day of each month, file a return for the
preceding month on a form prescribed by the tax commissioner and
shall pay the tax shown on the return to be due, unless division (B)(11)(b) of section 5739.01 of the Revised Code applies. The return shall show the amount of tax due from the medicaid health care insuring corporation for the period covered by the return and other such information as the commissioner deems necessary. Upon written request, the commissioner may extend the time for filing the return and paying the tax. The commissioner may require each medicaid health insuring corporation to file returns and remit payment by electronic means as provided in section 5739.032 of the Revised Code.

Sec. 5739.061. (A) As used in this section, "origin-based sourcing requirements" means the manner in which intrastate sales are to be sourced under division (B)(1) of section 5739.033 of the Revised Code.

(B) On and after July 1, 2009, a vendor that received temporary compensation under section 5739.123 of the Revised Code as that section existed before its repeal by H.B. 429 of the 127th general assembly may apply for compensation to assist the vendor in complying with the origin-based sourcing requirements. The vendor shall file an application in accordance with division (C) of this section. The compensation shall be a one-time payment equal to the actual total costs the vendor incurred in complying with the origin-based sourcing requirements, not to exceed one thousand dollars for vendors that were required to comply with divisions (C) to (I) of section 5739.033 of the Revised Code before the effective date of this section, and six hundred dollars for vendors that irrevocably elected to comply with divisions (C) to (I) of that section before the effective date of this section. In no event shall a vendor receive compensation that exceeds its total cost of complying with the origin-based sourcing requirements.
(C) To be considered for compensation under this section, a vendor shall file an application with the tax commissioner on a form prescribed by the commissioner. The commissioner shall determine the amount of compensation to which the vendor is entitled, and if that amount is equal to or greater than the amount claimed on the application, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the general revenue fund. If the commissioner determines that the amount of compensation to which the vendor is entitled is less than the amount claimed on the vendor's application, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(D) The compensation provided under this section shall not reduce the amount required to be returned to counties, municipal corporations, townships, and transit authorities under section 5739.21 of the Revised Code.

**Sec. 5739.09.** (A)(1) A board of county commissioners may, by resolution adopted by a majority of the members of the board, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. Except as provided in divisions (A)(2), (3), (4), (5), (6), and (7), and (8) of this section, the regulations shall provide, after deducting the real and actual costs of administering the tax, for the return to each municipal corporation or township that does not levy an excise tax...
on the transactions, a uniform percentage of the tax collected in
the municipal corporation or in the unincorporated portion of the
township from each transaction, not to exceed thirty-three and
one-third per cent. The remainder of the revenue arising from the
tax shall be deposited in a separate fund and shall be spent
solely to make contributions to the convention and visitors'
bureau operating within the county, including a pledge and
contribution of any portion of the remainder pursuant to an
agreement authorized by section 307.678 or 307.695 of the Revised
Code, provided that if the board of county commissioners of an
eligible county as defined in section 307.678 or 307.695 of the
Revised Code adopts a resolution amending a resolution levying a
tax under this division to provide that revenue from the tax shall
be used by the board as described in either division (D) of
section 307.678 or division (H) of section 307.695 of the Revised
Code, the remainder of the revenue shall be used as described in
the resolution making that amendment. Except as provided in
division (A)(2), (3), (4), (5), (6), or (7) or (8) or (H) of this
section, on and after May 10, 1994, a board of county
commissioners may not levy an excise tax pursuant to this division
in any municipal corporation or township located wholly or partly
within the county that has in effect an ordinance or resolution
levying an excise tax pursuant to division (B) of this section.
The board of a county that has levied a tax under division (C) of
this section may, by resolution adopted within ninety days after
July 15, 1985, by a majority of the members of the board, amend
the resolution levying a tax under this division to provide for a
portion of that tax to be pledged and contributed in accordance
with an agreement entered into under section 307.695 of the
Revised Code. A tax, any revenue from which is pledged pursuant to
such an agreement, shall remain in effect at the rate at which it
is imposed for the duration of the period for which the revenue
from the tax has been so pledged.
The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend a resolution levying a tax under this division to provide that the revenue from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, in which case the tax shall remain in effect at the rate at which it was imposed for the duration of any agreement entered into by the board under section 307.695 of the Revised Code, the duration during which any securities issued by the board under that section are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest.

The board of county commissioners of an eligible county as defined in section 307.678 of the Revised Code may, by resolution, amend a resolution levying a tax under this division to provide that revenue from the tax, not to exceed five hundred thousand dollars each year, may be used as described in division (D) of section 307.678 of the Revised Code.

(2) A board of county commissioners that levies an excise tax under division (A)(1) of this section on June 30, 1997, at a rate of three per cent, and that has pledged revenue from the tax to an agreement entered into under section 307.695 of the Revised Code or, in the case of the board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code, has amended a resolution levying a tax under division (C) of this section to provide that proceeds from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, may, at any time by a resolution adopted by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax up to seven per cent on each
transaction; to provide that revenue from the increase in the rate shall be used as described in division (H) of section 307.695 of the Revised Code or be spent solely to make contributions to the convention and visitors' bureau operating within the county to be used specifically for promotion, advertising, and marketing of the region in which the county is located; and to provide that the rate in excess of the three per cent levied under division (A)(1) of this section shall remain in effect at the rate at which it is imposed for the duration of the period during which any agreement is in effect that was entered into under section 307.695 of the Revised Code by the board of county commissioners levying a tax under division (A)(1) of this section, the duration of the period during which any securities issued by the board under division (I) of section 307.695 of the Revised Code are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest. The amendment also shall provide that no portion of that revenue need be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(3) A board of county commissioners that levies a tax under division (A)(1) of this section on March 18, 1999, at a rate of three per cent may, by resolution adopted not later than forty-five days after March 18, 1999, amend the resolution levying the tax to provide for all of the following:

(a) That the rate of the tax shall be increased by not more than an additional four per cent on each transaction;

(b) That all of the revenue from the increase in the rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before November 15, 1998, and used to pay costs of constructing, maintaining, operating, and
promoting a facility in the county, including paying bonds, or
notes issued in anticipation of bonds, as provided by that
chapter;

    (c) That no portion of the revenue arising from the increase
in rate need be returned to municipal corporations or townships as
otherwise required under division (A)(1) of this section;

    (d) That the increase in rate shall not be subject to
diminution by initiative or referendum or by law while any bonds,
or notes in anticipation of bonds, issued by the authority under
Chapter 351. of the Revised Code to which the revenue is pledged,
remain outstanding in accordance with their terms, unless
provision is made by law or by the board of county commissioners
for an adequate substitute therefor that is satisfactory to the
trustee if a trust agreement secures the bonds.

Division (A)(3) of this section does not apply to the board
of county commissioners of any county in which a convention center
or facility exists or is being constructed on November 15, 1998,
or of any county in which a convention facilities authority levies
a tax pursuant to section 351.021 of the Revised Code on that
date.

As used in division (A)(3) of this section, "cost" and
"facility" have the same meanings as in section 351.01 of the
Revised Code, and "convention center" has the same meaning as in
section 307.695 of the Revised Code.

    (4)(a) A board of county commissioners that levies a tax
under division (A)(1) of this section on June 30, 2002, at a rate
of three per cent may, by resolution adopted not later than
September 30, 2002, amend the resolution levying the tax to
provide for all of the following:

    (i) That the rate of the tax shall be increased by not more
than an additional three and one-half per cent on each
transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That no portion of the revenue arising from the increase in rate need be returned to municipal corporations or townships as otherwise required under division (A)(1) of this section;

(iv) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law or by the board of county commissioners for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) Any board of county commissioners that, pursuant to division (A)(4)(a) of this section, has amended a resolution levying the tax authorized by division (A)(1) of this section may further amend the resolution to provide that the revenue referred to in division (A)(4)(a)(ii) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the
county.

As used in division (A)(4) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(5)(a) As used in division (A)(5) of this section:

(i) "Port authority" means a port authority created under Chapter 4582. of the Revised Code.

(ii) "Port authority military-use facility" means port authority facilities on which or adjacent to which is located an installation of the armed forces of the United States, a reserve component thereof, or the national guard and at least part of which is made available for use, for consideration, by the armed forces of the United States, a reserve component thereof, or the national guard.

(b) For the purpose of contributing revenue to pay operating expenses of a port authority that operates a port authority military-use facility, the board of county commissioners of a county that created, participated in the creation of, or has joined such a port authority may do one or both of the following:

(i) Amend a resolution previously adopted under division (A)(1) of this section to designate some or all of the revenue from the tax levied under the resolution to be used for that purpose, notwithstanding that division;

(ii) Amend a resolution previously adopted under division (A)(1) of this section to increase the rate of the tax by not more than an additional two per cent and use the revenue from the increase exclusively for that purpose.

(c) If a board of county commissioners amends a resolution to increase the rate of a tax as authorized in division (A)(5)(b)(ii)
of this section, the board also may amend the resolution to specify that the increase in rate of the tax does not apply to "hotels," as otherwise defined in section 5739.01 of the Revised Code, having fewer rooms used for the accommodation of guests than a number of rooms specified by the board.

(6) A board of county commissioners of a county organized under a county charter adopted pursuant to Article X, Section 3, Ohio Constitution, and that levies an excise tax under division (A)(1) of this section at a rate of three per cent and levies an additional excise tax under division (E) of this section at a rate of one and one-half per cent may, by resolution adopted not later than January 1, 2008, by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax by not more than an additional one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Notwithstanding divisions (A)(1) and (E) of this section, the resolution shall provide that all of the revenue from the increase in rate, after deducting the real and actual costs of administering the tax, shall be used to pay the costs of improving, expanding, equipping, financing, or operating a convention center by a convention and visitors' bureau in the county. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed ten years. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under that division.

(7) Division (A)(7) of this section applies only to a county with a population greater than sixty-five thousand and less than seventy thousand according to the most recent federal decennial
census and in which, on December 31, 2006, an excise tax is levied under division (A)(1) of this section at a rate not less than and not greater than three per cent, and in which the most recent increase in the rate of that tax was enacted or took effect in November 1984.

The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purpose of paying expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed twenty years, provided that the increase in rate may not continue beyond the time when the purpose for which the increase is levied ceases to exist. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section. A resolution adopted under division (A)(7) of this section is subject to referendum under sections 305.31 to 305.99 of the Revised Code.

(8)(a) Division (A)(8) of this section applies only to a
county satisfying all of the following:

(i) The population of the county is greater than one hundred seventy-five thousand and less than two hundred twenty-five thousand according to the most recent federal decennial census.

(ii) An amusement park with an average yearly attendance in excess of two million guests is located in the county.

(iii) On December 31, 2014, an excise tax was levied in the county under division (A)(1) of this section at a rate of three per cent.

(b) The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purpose of paying the costs of constructing and maintaining county-owned facilities designed to host sporting events and paying expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with reference to the sports facilities. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.
B)(1) The legislative authority of a municipal corporation or the board of trustees of a township that is not wholly or partly located in a county that has in effect a resolution levying an excise tax pursuant to division (A)(1) of this section may, by ordinance or resolution, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The legislative authority of the municipal corporation or the board of trustees of the township shall deposit at least fifty per cent of the revenue from the tax levied pursuant to this division into a separate fund, which shall be spent solely to make contributions to convention and visitors' bureaus operating within the county in which the municipal corporation or township is wholly or partly located, and the balance of that revenue shall be deposited in the general fund. The municipal corporation or township shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The levy of a tax under this division is in addition to any tax imposed on the same transaction by a municipal corporation or a township as authorized by division (A) of section 5739.08 of the Revised Code.

(2)(a) The legislative authority of the most populous municipal corporation located wholly or partly in a county in which the board of county commissioners has levied a tax under division (A)(4) of this section may amend, on or before September 30, 2002, that municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for
all of the following:

(i) That the rate of the tax shall be increased by not more than an additional one per cent on each transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law, by the board of county commissioners, or by the legislative authority, for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) The legislative authority of a municipal corporation that, pursuant to division (B)(2)(a) of this section, has amended its ordinance or resolution to increase the rate of the tax authorized by division (B)(1) of this section may further amend the ordinance or resolution to provide that the revenue referred to in division (B)(2)(a)(ii) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the
As used in division (B)(2) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(C) For the purposes described in section 307.695 of the Revised Code and to cover the costs of administering the tax, a board of county commissioners of a county where a tax imposed under division (A)(1) of this section is in effect may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, levy an additional excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The tax authorized by this division shall be in addition to any tax that is levied pursuant to division (A) of this section, but it shall not apply to transactions subject to a tax levied by a municipal corporation or township pursuant to the authorization granted by division (A) of section 5739.08 of the Revised Code. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.695 of the Revised Code. The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend the resolution levying a tax under this division to provide that the revenue from the tax shall be used by the board as described in division (H) of...
section 307.695 of the Revised Code. A tax imposed under this 
division shall remain in effect at the rate at which it is imposed 
for the duration of the period during which any agreement entered 
into by the board under section 307.695 of the Revised Code is in 
effect, the duration of the period during which any securities 
issued by the board under division (I) of section 307.695 of the 
Revised Code are outstanding, or the duration of the period during 
which the board owns a project as defined in section 307.695 of 
the Revised Code, whichever duration is longest.

(D) For the purpose of providing contributions under division 
(B)(1) of section 307.671 of the Revised Code to enable the 
acquisition, construction, and equipping of a port authority 
educational and cultural facility in the county and, to the extent 
provided for in the cooperative agreement authorized by that 
section, for the purpose of paying debt service charges on bonds, 
or notes in anticipation of bonds, described in division (B)(1)(b) 
of that section, a board of county commissioners, by resolution 
adopted within ninety days after December 22, 1992, by a majority 
of the members of the board, may levy an additional excise tax not 
to exceed one and one-half per cent on transactions by which 
lodging by a hotel is or is to be furnished to transient guests.

The excise tax authorized by this division shall be in addition to 
any tax that is levied pursuant to divisions (A), (B), and (C) of 
this section, to any excise tax levied pursuant to section 5739.08 
of the Revised Code, and to any excise tax levied pursuant to 
section 351.021 of the Revised Code. The board of county 
commisioners shall establish all regulations necessary to provide 
for the administration and allocation of the tax that are not 
inconsistent with this section or section 307.671 of the Revised 
Code. The regulations may prescribe the time for payment of the 
tax, and may provide for the imposition of a penalty or interest, 
or both, for late payments, provided that the penalty does not 
exceed ten per cent of the amount of tax due, and the rate at
which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.671 of the Revised Code and division (D) of this section. The levy of a tax imposed under this division may not commence prior to the first day of the month next following the execution of the cooperative agreement authorized by section 307.671 of the Revised Code by all parties to that agreement. The tax shall remain in effect at the rate at which it is imposed for the period of time described in division (C) of section 307.671 of the Revised Code for which the revenue from the tax has been pledged by the county to the corporation pursuant to that section, but, to any extent provided for in the cooperative agreement, for no lesser period than the period of time required for payment of the debt service charges on bonds, or notes in anticipation of bonds, described in division (B)(1)(b) of that section.

(E) For the purpose of paying the costs of acquiring, constructing, equipping, and improving a municipal educational and cultural facility, including debt service charges on bonds provided for in division (B) of section 307.672 of the Revised Code, and for any additional purposes determined by the county in the resolution levying the tax or amendments to the resolution, including subsequent amendments providing for paying costs of acquiring, constructing, renovating, rehabilitating, equipping, and improving a port authority educational and cultural performing arts facility, as defined in section 307.674 of the Revised Code, and including debt service charges on bonds provided for in division (B) of section 307.674 of the Revised Code, the legislative authority of a county, by resolution adopted within ninety days after June 30, 1993, by a majority of the members of the legislative authority, may levy an additional excise tax not to exceed one and one-half per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests.
The excise tax authorized by this division shall be in addition to any tax that is levied pursuant to divisions (A), (B), (C), and (D) of this section, to any excise tax levied pursuant to section 5739.08 of the Revised Code, and to any excise tax levied pursuant to section 351.021 of the Revised Code. The legislative authority of the county shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.672 of the Revised Code and this division. The levy of a tax imposed under this division shall not commence prior to the first day of the month next following the execution of the cooperative agreement authorized by section 307.672 of the Revised Code by all parties to that agreement. The tax shall remain in effect at the rate at which it is imposed for the period of time determined by the legislative authority of the county. That period of time shall not exceed fifteen years, except that the legislative authority of a county with a population of less than two hundred fifty thousand according to the most recent federal decennial census, by resolution adopted by a majority of its members before the original tax expires, may extend the duration of the tax for an additional period of time. The additional period of time by which a legislative authority extends a tax levied under this division shall not exceed fifteen years.

(F) The legislative authority of a county that has levied a tax under division (E) of this section may, by resolution adopted within one hundred eighty days after January 4, 2001, by a majority of the members of the legislative authority, amend the
resolution levying a tax under that division to provide for the
use of the proceeds of that tax, to the extent that it is no
longer needed for its original purpose as determined by the
parties to a cooperative agreement amendment pursuant to division
(D) of section 307.672 of the Revised Code, to pay costs of
acquiring, constructing, renovating, rehabilitating, equipping,
and improving a port authority educational and cultural performing
arts facility, including debt service charges on bonds provided
for in division (B) of section 307.674 of the Revised Code, and to
pay all obligations under any guaranty agreements, reimbursement
agreements, or other credit enhancement agreements described in
division (C) of section 307.674 of the Revised Code. The
resolution may also provide for the extension of the tax at the
same rate for the longer of the period of time determined by the
legislative authority of the county, but not to exceed an
additional twenty-five years, or the period of time required to
pay all debt service charges on bonds provided for in division (B)
of section 307.672 of the Revised Code and on port authority
revenue bonds provided for in division (B) of section 307.674 of
the Revised Code. All revenues arising from the amendment and
extension of the tax shall be expended in accordance with section
307.674 of the Revised Code, this division, and division (E) of
this section.

(G) For purposes of a tax levied by a county, township, or
municipal corporation under this section or section 5739.08 of the
Revised Code, a board of county commissioners, board of township
trustees, or the legislative authority of a municipal corporation
may adopt a resolution or ordinance at any time specifying that
"hotel," as otherwise defined in section 5739.01 of the Revised
Code, includes the following:

(1) Establishments in which fewer than five rooms are used
for the accommodation of guests.
(2) Establishments at which rooms are used for the accommodation of guests regardless of whether each room is accessible through its own keyed entry or several rooms are accessible through the same keyed entry; and, in determining the number of rooms, all rooms are included regardless of the number of structures in which the rooms are situated or the number of parcels of land on which the structures are located if the structures are under the same ownership and the structures are not identified in advertisements of the accommodations as distinct establishments. For the purposes of division (G)(2) of this section, two or more structures are under the same ownership if they are owned by the same person, or if they are owned by two or more persons the majority of the ownership interests of which are owned by the same person.

The resolution or ordinance may apply to a tax imposed pursuant to this section prior to the adoption of the resolution or ordinance if the resolution or ordinance so states, but the tax shall not apply to transactions by which lodging by such an establishment is provided to transient guests prior to the adoption of the resolution or ordinance.

(H)(1) As used in this division:

(a) "Convention facilities authority" has the same meaning as in section 351.01 of the Revised Code.

(b) "Convention center" has the same meaning as in section 307.695 of the Revised Code.

(2) Notwithstanding any contrary provision of division (D) of this section, the legislative authority of a county with a population of one million or more according to the most recent federal decennial census that has levied a tax under division (D) of this section may, by resolution adopted by a majority of the members of the legislative authority, provide for the extension of
such levy and may provide that the proceeds of that tax, to the extent that they are no longer needed for their original purpose as defined by a cooperative agreement entered into under section 307.671 of the Revised Code, shall be deposited into the county general revenue fund. The resolution shall provide for the extension of the tax at a rate not to exceed the rate specified in division (D) of this section for a period of time determined by the legislative authority of the county, but not to exceed an additional forty years.

(3) The legislative authority of a county with a population of one million or more that has levied a tax under division (A)(1) of this section may, by resolution adopted by a majority of the members of the legislative authority, increase the rate of the tax levied by such county under division (A)(1) of this section to a rate not to exceed five per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Notwithstanding any contrary provision of division (A)(1) of this section, the resolution may provide that all collections resulting from the rate levied in excess of three per cent, after deducting the real and actual costs of administering the tax, shall be deposited in the county general fund.

(4) The legislative authority of a county with a population of one million or more that has levied a tax under division (A)(1) of this section may, by resolution adopted on or before August 30, 2004, by a majority of the members of the legislative authority, provide that all or a portion of the proceeds of the tax levied under division (A)(1) of this section, after deducting the real and actual costs of administering the tax and the amounts required to be returned to townships and municipal corporations with respect to the first three per cent levied under division (A)(1) of this section, shall be deposited in the county general fund, provided that such proceeds shall be used to satisfy any pledges.
made in connection with an agreement entered into under section 307.695 of the Revised Code.

(5) No amount collected from a tax levied, extended, or required to be deposited in the county general fund under division (H) of this section shall be contributed to a convention facilities authority, corporation, or other entity created after July 1, 2003, for the principal purpose of constructing, improving, expanding, equipping, financing, or operating a convention center unless the mayor of the municipal corporation in which the convention center is to be operated by that convention facilities authority, corporation, or other entity has consented to the creation of that convention facilities authority, corporation, or entity. Notwithstanding any contrary provision of section 351.04 of the Revised Code, if a tax is levied by a county under division (H) of this section, the board of county commissioners of that county may determine the manner of selection, the qualifications, the number, and terms of office of the members of the board of directors of any convention facilities authority, corporation, or other entity described in division (H)(5) of this section.

(6)(a) No amount collected from a tax levied, extended, or required to be deposited in the county general fund under division (H) of this section may be used for any purpose other than paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center and for the real and actual costs of administering the tax, unless, prior to the adoption of the resolution of the legislative authority of the county authorizing the levy, extension, increase, or deposit, the county and the mayor of the most populous municipal corporation in that county have entered into an agreement as to the use of such amounts, provided that such agreement has been approved by a majority of the mayors of the

other municipal corporations in that county. The agreement shall provide that the amounts to be used for purposes other than paying the convention center or administrative costs described in division (H)(6)(a) of this section be used only for the direct and indirect costs of capital improvements, including the financing of capital improvements.

(b) If the county in which the tax is levied has an association of mayors and city managers, the approval of that association of an agreement described in division (H)(6)(a) of this section shall be considered to be the approval of the majority of the mayors of the other municipal corporations for purposes of that division.

(7) Each year, the auditor of state shall conduct an audit of the uses of any amounts collected from taxes levied, extended, or deposited under division (H) of this section and shall prepare a report of the auditor of state's findings. The auditor of state shall submit the report to the legislative authority of the county that has levied, extended, or deposited the tax, the speaker of the house of representatives, the president of the senate, and the leaders of the minority parties of the house of representatives and the senate.

(I)(1) As used in this division:

(a) "Convention facilities authority" has the same meaning as in section 351.01 of the Revised Code.

(b) "Convention center" has the same meaning as in section 307.695 of the Revised Code.

(2) Notwithstanding any contrary provision of division (D) of this section, the legislative authority of a county with a population of one million two hundred thousand or more according to the most recent federal decennial census or the most recent annual population estimate published or released by the United States Census Bureau shall have the power to levy a tax on the retail sale of tangible personal property for the purpose of providing funds for the direct and indirect costs of capital improvements, including the financing of capital improvements.
States census bureau at the time the resolution is adopted placing the levy on the ballot, that has levied a tax under division (D) of this section may, by resolution adopted by a majority of the members of the legislative authority, provide for the extension of such levy and may provide that the proceeds of that tax, to the extent that the proceeds are no longer needed for their original purpose as defined by a cooperative agreement entered into under section 307.671 of the Revised Code and after deducting the real and actual costs of administering the tax, shall be used for paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center. The resolution shall provide for the extension of the tax at a rate not to exceed the rate specified in division (D) of this section for a period of time determined by the legislative authority of the county, but not to exceed an additional forty years.

(3) The legislative authority of a county with a population of one million two hundred thousand or more that has levied a tax under division (A)(1) of this section may, by resolution adopted by a majority of the members of the legislative authority, increase the rate of the tax levied by such county under division (A)(1) of this section to a rate not to exceed five per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Notwithstanding any contrary provision of division (A)(1) of this section, the resolution shall provide that all collections resulting from the rate levied in excess of three per cent, after deducting the real and actual costs of administering the tax, shall be used for paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center.

(4) The legislative authority of a county with a population of one million two hundred thousand or more that has levied a tax
under division (A)(1) of this section may, by resolution adopted on or before July 1, 2008, by a majority of the members of the legislative authority, provide that all or a portion of the proceeds of the tax levied under division (A)(1) of this section, after deducting the real and actual costs of administering the tax and the amounts required to be returned to townships and municipal corporations with respect to the first three per cent levied under division (A)(1) of this section, shall be used to satisfy any pledges made in connection with an agreement entered into under section 307.695 of the Revised Code or shall otherwise be used for paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center.

(5) Any amount collected from a tax levied or extended under division (I) of this section may be contributed to a convention facilities authority created before July 1, 2005, but no amount collected from a tax levied or extended under division (I) of this section may be contributed to a convention facilities authority, corporation, or other entity created after July 1, 2005, unless the mayor of the municipal corporation in which the convention center is to be operated by that convention facilities authority, corporation, or other entity has consented to the creation of that convention facilities authority, corporation, or entity.

(J)(1) Except as provided in division (J)(2) of this section, money collected by a county and distributed under this section to a convention and visitors' bureau in existence as of June 30, 2013, the effective date of H.B. 59 of the 130th general assembly, except for any such money pledged, as of that effective date, to the payment of debt service charges on bonds, notes, securities, or lease agreements, shall be used solely for tourism sales, marketing and promotion, and their associated costs, including, but not limited to, operational and administrative costs of the bureau, sales and marketing, and maintenance of the physical
(2) A convention and visitors' bureau that has entered into an agreement under section 307.678 of the Revised Code may use revenue it receives from a tax levied under division (A)(1) of this section as described in division (D) of section 307.678 of the Revised Code.

(K) The board of county commissioners of a county with a population between one hundred three thousand and one hundred seven thousand according to the most recent federal decennial census, by resolution adopted by a majority of the members of the board within six months after September 15, 2014, the effective date of H.B. 483 of the 130th general assembly, may levy a tax not to exceed three per cent on transactions by which a hotel is or is to be furnished to transient guests. The purpose of the tax shall be to pay the costs of expanding, maintaining, or operating a soldiers' memorial and the costs of administering the tax. All revenue arising from the tax shall be credited to one or more special funds in the county treasury and shall be spent solely for the purposes of paying those costs. The board of county commissioners shall adopt all rules necessary to provide for the administration of the tax subject to the same limitations on imposing penalty or interest under division (A)(1) of this section.

As used in this division "soldiers' memorial" means a memorial constructed and funded under Chapter 345. of the Revised Code.

(L) A board of county commissioners of an eligible county, by resolution adopted by a majority of the members of the board, may levy an excise tax at the rate of up to three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests for the purpose of paying the costs of permanent improvements at sites at which one or more agricultural
societies conduct fairs or exhibits, paying the costs of
maintaining or operating such permanent improvements, and paying
the costs of administering the tax. A resolution adopted under
this division shall direct the board of elections to submit the
question of the proposed lodging tax to the electors of the county
at a special election held on the date specified by the board in
the resolution, provided that the election occurs not less than
ninety days after a certified copy of the resolution is
transmitted to the board of elections. A resolution submitted to
the electors under this division shall not go into effect unless
it is approved by a majority of those voting upon it. The
resolution takes effect on the date the board of county
commissioners receives notification from the board of elections of
an affirmative vote.

The tax shall remain in effect for the period specified in
the resolution, not to exceed five years. All revenue arising from
the tax shall be credited to one or more special funds in the
county treasury and shall be spent solely for the purpose of the
costs of such permanent improvements, including the pledge to pay
debt charges of securities of the county issued under section
1711.151 of the Revised Code and notes issued in anticipation of
such securities, and for the purpose of maintaining or operating
the improvements. Revenue allocated for the use of a county
agricultural society and not pledged to the payment of such debt
may be credited to the county agricultural society fund created in
section 1711.16 of the Revised Code upon appropriation by the
board. If revenue is credited to that fund, it shall be expended
only as provided in that section.

The board of county commissioners shall adopt all rules
necessary to provide for the administration of the tax. The rules
may prescribe the time for payment of the tax, and may provide for
the imposition or penalty or interest, or both, for late payments.
provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed in section 5703.47 of the Revised Code.

As used in this division, "eligible county" means a county in which a county agricultural society or independent agricultural society is organized under section 1711.01 or 1711.02 of the Revised Code, provided the agricultural society owns a facility or site in the county at which an annual harness horse race is conducted where one-day attendance equals at least forty thousand attendees.

Sec. 5739.10. (A) In addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, and to secure the same objectives specified in those sections, there is hereby levied upon the privilege of engaging in the business of making retail sales, an excise tax equal to the tax levied by section 5739.02 of the Revised Code, or, in the case of retail sales subject to a tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, a percentage equal to the aggregate rate of such taxes and the tax levied by section 5739.02 of the Revised Code of the receipts derived from all retail sales, except those to which the excise tax imposed by section 5739.02 of the Revised Code is made inapplicable by division (B) of that section.

(B) For the purpose of this section, no vendor shall be required to maintain records of sales of food for human consumption off the premises where sold, and no assessment shall be made against any vendor for sales of food for human consumption off the premises where sold, solely because the vendor has no records of, or has inadequate records of, such sales; provided
that where a vendor does not have adequate records of receipts from the vendor's sales of food for human consumption on the premises where sold, the tax commissioner may refuse to accept the vendor's return and, upon the basis of test checks of the vendor's business for a representative period, and other information relating to the sales made by such vendor, determine the proportion that taxable retail sales bear to all of the vendor's retail sales. The tax imposed by this section shall be determined by deducting from the sum representing five and three-fourths percent, as applicable under division (A) of this section, or, in the case of retail sales subject to a tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, a percentage equal to the aggregate rate of such taxes and the tax levied by section 5739.02 of the Revised Code of the receipts from such retail sales, the amount of tax paid to the state or to a clerk of a court of common pleas. The section does not affect any duty of the vendor under sections 5739.01 to 5739.19 and 5739.26 to 5739.31 of the Revised Code, nor the liability of any consumer to pay any tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code.

Sec. 5739.12. (A)(1) Each person who has or is required to have a vendor's license, on or before the twenty-third day of each month, shall make and file a return for the preceding month in the form prescribed by the tax commissioner, and shall pay the tax shown on the return to be due. The return shall be filed electronically using the Ohio business gateway, as defined in section 718.01 of the Revised Code, the Ohio telefile system, or any other electronic means prescribed by the commissioner. Payment of the tax shown on the return to be due shall be made electronically in a manner approved by the commissioner. The commissioner may require a vendor that operates from multiple locations or has multiple vendor's licenses to report all tax
liabilities on one consolidated return. The return shall show the
amount of tax due from the vendor to the state for the period
covered by the return and such other information as the
commissioner deems necessary for the proper administration of this
chapter. The commissioner may extend the time for making and
filing returns and paying the tax, and may require that the return
for the last month of any annual or semiannual period, as
determined by the commissioner, be a reconciliation return
detailing the vendor's sales activity for the preceding annual or
semiannual period. The reconciliation return shall be filed by the
last day of the month following the last month of the annual or
semiannual period. The commissioner may remit all or any part of
amounts or penalties that may become due under this chapter and
may adopt rules relating thereto. Such return shall be filed
electronically as directed by the tax commissioner, and payment of
the amount of tax shown to be due thereon, after deduction of any
discount provided for under this section, shall be made
electronically in a manner approved by the tax commissioner.

(2) Any person required to file returns and make payments
electronically under division (A)(1) of this section may apply to
the tax commissioner on a form prescribed by the commissioner to
be excused from that requirement. For good cause shown, the
commissioner may excuse the person from that requirement and may
permit the person to file the returns and make the payments
required by this section by nonelectronic means.

(B)(1) If the return is filed and the amount of tax shown
thereon to be due is paid on or before the date such return is
required to be filed, the vendor shall be entitled to a discount
of three-fourths of one per cent of the amount shown to be due on
the return.

(2) A vendor that has selected a certified service provider
as its agent shall not be entitled to the discount if the
certified service provider receives a monetary allowance pursuant to section 5739.06 of the Revised Code for performing the vendor's sales and use tax functions in this state. Amounts paid to the clerk of courts pursuant to section 4505.06 of the Revised Code shall be subject to the applicable discount. The discount shall be in consideration for prompt payment to the clerk of courts and for other services performed by the vendor in the collection of the tax.

(C)(1) Upon application to the tax commissioner, a vendor who is required to file monthly returns may be relieved of the requirement to report and pay the actual tax due, provided that the vendor agrees to remit to the commissioner payment of not less than an amount determined by the commissioner to be the average monthly tax liability of the vendor, based upon a review of the returns or other information pertaining to such vendor for a period of not less than six months nor more than two years immediately preceding the filing of the application. Vendors who agree to the above conditions shall make and file an annual or semiannual reconciliation return, as prescribed by the commissioner. The reconciliation return shall be filed electronically as directed by the tax commissioner, and payment of the amount of tax shown to be due thereon, after deduction of any discount provided in this section, shall be made electronically in a manner approved by the commissioner. Failure of a vendor to comply with any of the above conditions may result in immediate reinstatement of the requirement of reporting and paying the actual tax liability on each monthly return, and the commissioner may at the commissioner's discretion deny the vendor the right to report and pay based upon the average monthly liability for a period not to exceed two years. The amount ascertained by the commissioner to be the average monthly tax liability of a vendor may be adjusted, based upon a review of the returns or other information pertaining to the vendor for a period of not less than
six months nor more than two years preceding such adjustment.

(2) The commissioner may authorize vendors whose tax liability is not such as to merit monthly returns, as ascertained by the commissioner upon the basis of administrative costs to the state, to make and file returns at less frequent intervals. When returns are filed at less frequent intervals in accordance with such authorization, the vendor shall be allowed the discount provided in this section in consideration for prompt payment with the return, provided the return is filed and payment is made of the amount of tax shown to be due thereon, at the time specified by the commissioner, but a vendor that has selected a certified service provider as its agent shall not be entitled to the discount.

(D) Any vendor who fails to file a return or to pay the full amount of the tax shown on the return to be due in the manner prescribed under this section and the rules of the commissioner may, for each such return, be required to forfeit and pay into the state treasury an additional charge not exceeding fifty dollars or ten per cent of the tax required to be paid for the reporting period, whichever is greater, as revenue arising from the tax imposed by this chapter, and such sum may be collected by assessment in the manner provided in section 5739.13 of the Revised Code. The commissioner may remit all or a portion of the additional charge and may adopt rules relating to the imposition and remission of the additional charge.

(E) If the amount required to be collected by a vendor from consumers is in excess of the applicable percentage of the vendor's receipts from sales that are taxable under section 5739.02 of the Revised Code, or in the case of sales subject to a tax levied pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, in excess of the percentage equal to the aggregate rate of such taxes and the tax levied by section
5739.02 of the Revised Code, such excess shall be remitted along with the remittance of the amount of tax due under section 5739.10 of the Revised Code.

(F) The commissioner, if the commissioner deems it necessary in order to insure the payment of the tax imposed by this chapter, may require returns and payments to be made for other than monthly periods.

(G) Any vendor required to file a return and pay the tax under this section whose total payment for a year equals or exceeds the amount shown in division (A) of section 5739.122 of the Revised Code is subject to the accelerated tax payment requirements in divisions (B) and (C) of that section. For a vendor that operates from multiple locations or has multiple vendor's licenses, in determining whether the vendor's total payment equals or exceeds the amount shown in division (A) of that section, the vendor's total payment amount shall be the amount of the vendor's total tax liability for the previous calendar year for all of the vendor's locations or licenses.

Sec. 5739.13. (A) If any vendor collects the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, and fails to remit the tax to the state as prescribed, or on the sale of a motor vehicle, watercraft, or outboard motor required to be titled, fails to remit payment to a clerk of a court of common pleas as provided in section 1548.06 or 4505.06 of the Revised Code, the vendor shall be personally liable for any tax collected and not remitted. The tax commissioner may make an assessment against such vendor based upon any information in the commissioner's possession.

If any vendor fails to collect the tax or any consumer fails to pay the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, on
any transaction subject to the tax, the vendor or consumer shall be personally liable for the amount of the tax applicable to the transaction. The commissioner may make an assessment against either the vendor or consumer, as the facts may require, based upon any information in the commissioner's possession.

An assessment against a vendor when the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code has not been collected or paid, shall not discharge the purchaser's or consumer's liability to reimburse the vendor for the tax applicable to such transaction.

An assessment issued against either, pursuant to this section, shall not be considered an election of remedies, nor a bar to an assessment against the other for the tax applicable to the same transaction, provided that no assessment shall be issued against any person for the tax due on a particular transaction if the tax on that transaction actually has been paid by another.

The commissioner may make an assessment against any vendor who fails to file a return or remit the proper amount of tax required by this chapter, or against any consumer who fails to pay the proper amount of tax required by this chapter. When information in the possession of the commissioner indicates that the amount required to be collected or paid under this chapter is greater than the amount remitted by the vendor or paid by the consumer, the commissioner may audit a sample of the vendor's sales or the consumer's purchases for a representative period, to ascertain the per cent of exempt or taxable transactions or the effective tax rate and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the vendor or consumer in selecting a representative sample.

The commissioner may make an assessment, based on any information in the commissioner's possession, against any person who fails to file a return or remit the proper amount of tax.
required by section 5739.102 of the Revised Code.

The commissioner may issue an assessment on any transaction for which any tax imposed under this chapter or Chapter 5741. of the Revised Code was due and unpaid on the date the vendor or consumer was informed by an agent of the tax commissioner of an investigation or audit. If the vendor or consumer remits any payment of the tax for the period covered by the assessment after the vendor or consumer was informed of the investigation or audit, the payment shall be credited against the amount of the assessment.

The commissioner shall give the party assessed written notice of the assessment in the manner provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the party assessed files with the commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment, signed by the party assessed or that party's authorized agent having knowledge of the facts, the assessment becomes final and the amount of the assessment is due from the party assessed and payable to the treasurer of state and remitted to the tax commissioner. The petition shall indicate the objections of the party assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas.
in the county in which the place of business of the party assessed is located or the county in which the party assessed resides. If the party assessed maintains no place of business in this state and is not a resident of this state, the certified copy of the entry may be filed in the office of the clerk of the court of common pleas of Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment for the state against the party assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for state county, and transit authority and local retail sales tax" or, if appropriate, "special judgments for resort area excise tax," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment except as otherwise provided in this chapter.

If the assessment is not paid in its entirety within sixty days after the date the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected by the tax commissioner under this
section shall be paid to the treasurer of state, and when paid shall be considered as revenue arising from the taxes imposed by or pursuant to sections 5739.01 to 5739.31 of the Revised Code.

Sec. 5739.16. (A) Except as otherwise provided in this section, no assessment shall be made or issued against a vendor or consumer for any tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, 5739.026, or 5739.10 of the Revised Code more than four years after the return date for the period in which the sale or purchase was made, or more than four years after the return for such period is filed, whichever is later. A consumer who provides a fully completed exemption certificate pursuant to division (B) of section 5739.03 of the Revised Code may be assessed any tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code that results from denial of the claimed exemption within the later of a period otherwise allowed by this section or one year after the date the certificate was provided. This division does not bar an assessment:

(1) When the tax commissioner has substantial evidence of amounts of taxes collected by a vendor from consumers on retail sales, which were not returned to the state;

(2) When the vendor assessed failed to file a return as required by section 5739.12 of the Revised Code;

(3) When the vendor or consumer and the commissioner waive in writing the time limitation.

(B) No assessment shall be made or issued against a vendor or consumer for any tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, 5739.026, or 5739.10 of the Revised Code for any period during which there was in full force and effect a rule of the tax commissioner under or by virtue of which the collection or payment of any such tax was not required. This
division does not bar an assessment when the tax commissioner has substantial evidence of amounts of taxes collected by a vendor from consumers on retail sales which were not returned to the state.

(C) No assessment shall be made or issued against a person for any tax imposed pursuant to section 5739.101 of the Revised Code more than four years after the return date for the period in which the tax is imposed on the person's gross receipts, or more than four years after the return for such period is filed, whichever is later. This division does not bar an assessment when the person assessed failed to file a return as required under section 5739.102 of the Revised Code, or when the person and the commissioner waive in writing the time limitation.

Sec. 5739.17. (A) No person shall engage in making retail sales subject to a tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code as a business without having a license therefor, except as otherwise provided in divisions (A)(1), (2), and (3) of this section.

(1) In the dissolution of a partnership by death, the surviving partner may operate under the license of the partnership for a period of sixty days.

(2) The heirs or legal representatives of deceased persons, and receivers and trustees in bankruptcy, appointed by any competent authority, may operate under the license of the person so succeeded in possession.

(3) Two or more persons who are not partners may operate a single place of business under one license. In such case neither the retirement of any such person from business at that place of business, nor the entrance of any person, under an existing arrangement, shall affect the license or require the issuance of a new license, unless the person retiring from the business is the
individual named on the vendor's license.

    Except as otherwise provided in this section, each applicant for a license shall make out and deliver to the county auditor of each county in which the applicant desires to engage in business, upon a blank to be furnished by such auditor for that purpose, a statement showing the name of the applicant, each place of business in the county where the applicant will make retail sales, the nature of the business, and any other information the tax commissioner reasonably prescribes in the form of a statement prescribed by the commissioner.

    At the time of making the application, the applicant shall pay into the county treasury a license fee in the sum of twenty-five dollars for each fixed place of business in the county that will be the situs of retail sales. Upon receipt of the application and exhibition of the county treasurer's receipt, showing the payment of the license fee, the county auditor shall issue to the applicant a license for each fixed place of business designated in the application, authorizing the applicant to engage in business at that location.

    (B) If a vendor's identity changes, the vendor shall apply for a new license. If a vendor wishes to move an existing fixed place of business to a new location within the same county, the vendor shall obtain a new vendor's license or submit a request to the commissioner to transfer the existing vendor's license to the new location. When the new location has been verified as being within the same county, the commissioner shall authorize the transfer and notify the county auditor of the change of location. If a vendor wishes to move an existing fixed place of business to another county, the vendor's license shall not transfer and the vendor shall obtain a new vendor's license from the county in which the business is to be located. The form of the license shall be prescribed by the commissioner. The fees collected shall be
credited to the general fund of the county. If a vendor fails to notify the commissioner of a change of location of its fixed place of business or that its business has closed, the commissioner may cancel the vendor's license if ordinary mail sent to the location shown on the license is returned because of an undeliverable address.

(C) The commissioner may establish or participate in a registration system whereby any vendor may obtain a vendor's license by submitting to the commissioner a vendor's license application and a license fee of twenty-five dollars for each fixed place of business at which the vendor intends to make retail sales. Under this registration system, the commissioner shall issue a vendor's license to the applicant on behalf of the county auditor of the county in which the applicant desires to engage in business, and shall forward a copy of the application and license fee to that county. All such license fees received by the commissioner for the issuance of vendor's licenses shall be deposited into the vendor's license application fund, which is hereby created in the state treasury. The commissioner shall certify to the director of budget and management within ten business days after the close of a month the license fees to be transmitted to each county from the vendor's license application fund for vendor's license applications received by the commissioner during that month. License fees transmitted to a county for which payment was not received by the commissioner may be netted against a future distribution to that county, including distributions made pursuant to section 5739.21 of the Revised Code.

A vendor that makes retail sales subject to tax under Chapter 5739. of the Revised Code pursuant to a permit issued by the division of liquor control shall obtain a vendor's license in the identical name and for the identical address as shown on the
permit.

Except as otherwise provided in this section, if a vendor has no fixed place of business and sells from a vehicle, each vehicle intended to be used within a county constitutes a place of business for the purpose of this section.

(D) As used in this section, "transient vendor" means any person who makes sales of tangible personal property from vending machines located on land owned by others, who leases titled motor vehicles, titled watercraft, or titled outboard motors, who effectuates leases that are taxed according to division (A)(2) of section 5739.02 of the Revised Code, or who, in the usual course of the person's business, transports inventory, stock of goods, or similar tangible personal property to a temporary place of business or temporary exhibition, show, fair, flea market, or similar event in a county in which the person has no fixed place of business, for the purpose of making retail sales of such property. A "temporary place of business" means any public or quasi-public place including, but not limited to, a hotel, rooming house, storeroom, building, part of a building, tent, vacant lot, railroad car, or motor vehicle that is temporarily occupied for the purpose of making retail sales of goods to the public. A place of business is not temporary if the same person conducted business at the place continuously for more than six months or occupied the premises as the person's permanent residence for more than six months, or if the person intends it to be a fixed place of business.

Any transient vendor, in lieu of obtaining a vendor's license under division (A) of this section for counties in which the transient vendor has no fixed place of business, may apply to the tax commissioner, on a form prescribed by the commissioner, for a transient vendor's license. The transient vendor's license authorizes the transient vendor to make retail sales in any county.
in which the transient vendor does not maintain a fixed place of business. Any holder of a transient vendor's license shall not be required to obtain a separate vendor's license from the county auditor in that county. Upon the commissioner's determination that an applicant is a transient vendor, the applicant shall pay a license fee in the amount of twenty-five dollars, at which time the tax commissioner shall issue the license. The tax commissioner may require a vendor to be licensed as a transient vendor if, in the opinion of the commissioner, such licensing is necessary for the efficient administration of the tax.

Any holder of a valid transient vendor's license may make retail sales at a temporary place of business or temporary exhibition, show, fair, flea market, or similar event, held anywhere in the state without complying with any provision of section 311.37 of the Revised Code. Any holder of a valid vendor's license may make retail sales as a transient vendor at a temporary place of business or temporary exhibition, show, fair, flea market, or similar event held in any county in which the vendor maintains a fixed place of business for which the vendor holds a vendor's license without obtaining a transient vendor's license.

(E) Any vendor who is issued a license pursuant to this section shall display the license or a copy of it prominently, in plain view, at every place of business of the vendor.

(F) No owner, organizer, or promoter who operates a fair, flea market, show, exhibition, convention, or similar event at which transient vendors are present shall fail to keep a comprehensive record of all such vendors, listing the vendor's name, permanent address, vendor's license number, and the type of goods sold. Such records shall be kept for four years and shall be open to inspection by the commissioner.

(G) The commissioner may issue additional types of licenses if required to efficiently administer the tax imposed by this
Sec. 5739.21. (A) One hundred per cent of all money deposited into the state treasury under sections 5739.01 to 5739.31 of the Revised Code that is not required to be distributed as provided in section 5739.102 of the Revised Code or division (B) of this section shall be credited to the general revenue fund.

(B)(1) In any case where any county, municipal corporation, township, or transit authority has levied a tax or taxes pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code, the tax commissioner shall, within forty-five days after the end of each month, determine and certify to the director of budget and management the amount of the proceeds of such tax or taxes received during that month from billings and assessments, or associated with tax returns or reports filed during that month, to be returned to the county or transit authority subdivision levying the tax or taxes. The amount to be returned to each county and transit authority subdivision shall be a fraction of the aggregate amount of money collected with respect to each area in which one or more of such taxes are concurrently in effect with the tax levied by section 5739.02 of the Revised Code. The numerator of the fraction is the rate of the tax levied by the county or transit authority subdivision and the denominator of the fraction is the aggregate rate of such taxes applicable to such area. The amount to be returned to each county or transit authority subdivision shall be reduced by the amount of any refunds of such tax paid pursuant to section 5739.07 of the Revised Code during the same month, or transfers made pursuant to division (B)(2) of section 5703.052 of the Revised Code.

(2) On a periodic basis, using the best information available, the tax commissioner shall distribute any amount of
such a county or transit authority tax that cannot be distributed under division (B)(1) of this section. Through audit or other means, the commissioner shall attempt to obtain the information necessary to make the distribution as provided under that division and, on receipt of that information, shall make adjustments to distributions previously made under this division.

(3) Beginning July 1, 2008, eight and thirty-three one-hundredths of one per cent of the revenue collected from the tax due under division (A) of section 5739.029 of the Revised Code shall be distributed to the county where the sale of the motor vehicle is sitused under section 5739.035 of the Revised Code. The amount to be so distributed to the county shall be apportioned on the basis of the rates of taxes the county levies pursuant to sections 5739.021 and 5739.026 of the Revised Code, as applicable, and shall be credited to the funds of the county as provided in divisions (A) and (B) of section 5739.211 of the Revised Code.

(C) The aggregate amount to be returned to any county or transit authority subdivision shall be reduced by one per cent, which shall be certified directly to the credit of the local sales tax administrative fund, which is hereby created in the state treasury. For the purpose of determining the amount to be returned to a county and transit authority in which the rate of tax imposed by the transit authority has been reduced under section 5739.028 of the Revised Code, the tax commissioner shall use the respective rates of tax imposed by the county or transit authority that results from the change in the rates authorized under that section.

(D) The director of budget and management shall transfer, from the same funds and in the same proportions specified in division (A) of this section, to the permissive tax distribution fund created by division (B)(1) of section 4301.423 of the Revised Code and to the local sales tax administrative fund, the amounts...
certified by the tax commissioner. The tax commissioner shall then, on or before the twentieth day of the month in which such certification is made, provide for payment of such respective amounts to the county treasurer and to the fiscal officer of the municipal corporation, township, or transit authority levying the tax or taxes. The amount transferred to the local sales tax administrative fund is for use by the tax commissioner in defraying costs incurred in administering such taxes levied by a county, municipal corporation, township, or transit authority.

Sec. 5739.211. (A) The moneys received by a county levying an additional sales tax pursuant to section 5739.021 of the Revised Code shall be deposited in the county general fund to be expended for any purpose for which general fund moneys of the county may be used, including the acquisition or construction of permanent improvements or to make payments in accordance with section 333.06 or 333.07 of the Revised Code, or in the bond retirement fund for the payment of debt service charges on notes or bonds of the county issued for the acquisition or construction of permanent improvements. The amounts to be deposited in each of such funds shall be determined by the board of county commissioners.

(B) The moneys received by a county levying an additional sales tax pursuant to section 5739.026 of the Revised Code shall be deposited in a separate fund, which shall be allocated and distributed in accordance with the resolution adopted under such section. Moneys allocated for the purpose of division (A)(4) of section 5739.026 of the Revised Code shall be transferred to and disbursed from the community improvements fund in the county treasury. Notwithstanding section 135.351 of the Revised Code, if an allocation of moneys to a convention facilities authority or a transit authority is required pursuant to division (C) of section 5739.026 of the Revised Code, the county shall pay and distribute.
each authority's share of any such moneys to its fiscal officer within five business days of the date of their receipt by the county. If the moneys allocated under such division are not so paid, the county shall pay to such authority any interest that the county has received or will receive on such moneys that accrues from the date the county received the moneys, together with the principal amount of such moneys.

(C) The moneys received by a transit authority levying an additional sales tax pursuant to section 5739.023 of the Revised Code shall be deposited in such fund or funds of the transit authority as determined by the legislative authority of the transit authority to be expended for any purpose for which a county transit board or the board of county commissioners operating a county transit system, in the case of a county, or the board of trustees of a regional transit authority, in the case of a regional transit authority, may expend moneys under their control, including the purchase, acquisition, construction, replacement, improvement, extension, or enlargement of permanent improvements and for the payment of debt service charges on notes or bonds of the transit authority.

(D) Money received by a municipal corporation or township levying an additional sales tax pursuant to section 5739.024 of the Revised Code shall be deposited in a special fund in the subdivision's treasury created by the legislative authority of the subdivision. The municipal corporation or township may use such revenue solely for the purpose of fostering and developing tourism in the tourism development district in which the tax is levied.

Sec. 5739.34. The levy of any excise, income, or property tax by the state or any political subdivision thereof shall not be construed as preempts the power of a county, municipal corporation, township, or transit authority to levy an additional
sales tax pursuant to section 5739.021, 5739.023, 5739.024, or 5739.026 of the Revised Code. No tax levied by a board of county commissioners pursuant to section 5739.023 of the Revised Code shall become effective at any time while a tax levied by the board of trustees of a regional transit authority pursuant to such section is in effect in any part of such county.

Sec. 5739.36. (A) For the purpose of tracking the growth and overall economic impact of the travel and tourism industry in this state, the tax commissioner shall prepare a report summarizing the amount of tax revenue collected during each semiannual period ending on the last day of June or December, annually. The commissioner shall prepare the report by industry classification using business activity codes. The report shall include the combined total statewide collections from the taxes levied under sections 5739.02, 5739.021, 5739.023, 5739.024, 5739.026, 5741.02, 5741.021, 5741.022, and 5741.023, and 5741.024 of the Revised Code as reported by taxpayers with respect to collections during the semiannual period. The report shall reflect all industries included in the industrial classification system used by the commissioner the activities of which relate in any way to travel and tourism, including, but not limited to, industries such as bars and restaurants; hotels, motels, and other lodging establishments; and other industries related to travel and tourism. The first report shall be for the semiannual period ending December 31, 2005.

(B) The tax commissioner shall file a copy of the report required under this section with the governor, the president of the senate, the speaker of the house of representatives, and the legislative service commission. The reports shall be filed on or before the first day of May or November, annually, that immediately follows the semiannual period to which the report relates. A copy of the commissioner's most recent report shall be
made available to the public through the department of taxation's official internet web site.

(C) The commissioner shall adopt rules that are necessary to administer this section.

Sec. 5739.50. (A) As used in this section:

(1) "Business" means a sole proprietorship, a corporation for profit, a pass-through entity as defined in section 5733.04 of the Revised Code, the federal government, the state, the state's political subdivisions, a nonprofit organization, or a school district. A business "operates within the proposed district" if the business conducts retail sales that would be subject to a tax levied in the proposed tourism development district pursuant to section 5739.024 of the Revised Code.

(2) "Owner" means a partner of a partnership, a member of a limited liability company, a majority shareholder of an S corporation, a person with a majority ownership interest in a pass-through entity, or any officer, employee, or agent with the authority to make decisions legally binding upon a business. The signature of any owner of a business operates as the signature of the business.

(B)(1) The legislative authority of a municipal corporation or township, by ordinance or resolution, may declare an area of the municipal corporation or township, respectively, to be a tourism development district for the purpose of fostering and developing tourism in the district, if all of the following criteria are met:

(a) The district's area does not exceed one hundred acres.

(b) All territory in the district is contiguous.

(c) Before adopting that resolution or ordinance, the legislative authority holds at least two public hearings.
concerning the creation of the tourism development district.

(d) Before adopting that resolution or ordinance, the legislative authority receives a petition signed by every record owner of a parcel of real property located in the proposed district and the owner of every business that operates in the proposed district.

(2) The petition described in division (B)(1)(d) of this section shall include an explanation of the taxes and charges that may be levied or imposed in the proposed district.

(3) The legislative authority shall certify the resolution or ordinance described in division (B)(1) of this section to the tax commissioner within five days after its adoption, along with a description of the boundaries of the district authorized in the resolution or ordinance.

(4) Subject to the limitations of division (B)(1)(a) and (b) of this section, a legislative authority may enlarge the territory of an existing tourism development district in the manner prescribed for the creation of a district under divisions (B)(1) to (3) of this section, except that the petition described in division (B)(1)(d) of this section must be signed by every record owner of a parcel of real property located in the area proposed to be added to the district and the owner of every business that operates in the area proposed to be added to the district.

(C) For the purpose of fostering and developing tourism in a tourism development district, a lessor leasing real property in a tourism development district may impose and collect a uniform fee on each parcel of real property leased by the lessor, to be paid by each of the person's lessees. A lessee is subject to such a fee only if the lease separately states the amount of the fee. Before a lessor may impose and collect such a fee, the lessor shall file a copy of such lease with the fiscal officer of the township or
municipal corporation that designated the tourism development
district. A lessor that imposes such a fee shall remit all
collections of the fee to the township or municipal corporation in
which the real property is located.

The legislative authority shall establish all regulations
necessary to provide for the administration and remittance of such
fees. The regulations may prescribe the time for payment of the
fee, and may provide for the imposition of a penalty or interest,
or both, for late remittances, provided that the penalty does not
exceed ten per cent of the amount of fee due, and the rate at

(D) The legislative authority of a municipal corporation or
township that has designated a tourism development district under
this section may levy the taxes authorized under sections 5739.024
and 5741.024 of the Revised Code. A legislative authority of a
township that has designated a tourism development district may

establish all regulations necessary to provide for the
administration of the tax. The regulations may prescribe the time
for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The regulations shall provide, after deducting the real and actual costs of administering the tax, that the revenue be used exclusively for fostering and developing tourism within the tourism development district in which the tax is levied.

Sec. 5739.99. (A) Whoever violates section 5739.26 or 5739.29 of the Revised Code shall be fined not less than twenty-five nor more than one hundred dollars for a first offense; for each subsequent offense such person shall, if a corporation, be fined not less than one hundred nor more than five hundred dollars, or if an individual, or a member of a partnership, firm, or association, be fined not less than twenty-five nor more than one hundred dollars, or imprisoned not more than sixty days, or both.

The motor vehicles and goods of any person charged with violating division (A)(2) of section 5739.31 of the Revised Code may be impounded and held pending the disposition of the charge, and may be sold at auction by the county sheriff in the manner prescribed by law to satisfy any fine imposed by this division.

(3) Whoever violates division (B) of section 5739.31 of the Revised Code is guilty of a felony of the fourth degree. Each day that business is conducted while a vendor's license is suspended constitutes a separate offense.

(D) Except as otherwise provided in this section, whoever violates sections 5739.01 to 5739.31 of the Revised Code, or any lawful rule promulgated by the department of taxation under authority of such sections, shall be fined not less than twenty-five nor more than one hundred dollars.

If the total amount of the consideration for the lease or rental includes amounts that are not calculated at the time the lease or rental is executed, the tax shall be calculated and collected by the seller at the time such amounts are billed to the lessee or renter. In the case of an open-end lease or rental, the tax shall be calculated by the seller on the basis of the total amount to be paid during the initial fixed term of the lease or rental, and for each subsequent renewal period as it comes due. As used in this division, "motor vehicle" has the same meaning as in section 4501.01 of the Revised Code, and "watercraft" includes an outdrive unit attached to the watercraft.

(B) Each consumer, storing, using, or otherwise consuming in this state tangible personal property or realizing in this state the benefit of any service provided, shall be liable for the tax, and such liability shall not be extinguished until the tax has been paid to this state; provided, that the consumer shall be relieved from further liability for the tax if the tax has been paid to a seller in accordance with section 5741.04 of the Revised Code or prepaid by the seller in accordance with section 5741.06 of the Revised Code.

(3) Property or services, the storage, use, or other consumption of or benefit from which this state is prohibited from taxing by the Constitution of the United States, laws of the United States, or the Constitution of this state. This exemption shall not exempt from the application of the tax imposed by this section the storage, use, or consumption of tangible personal property that was purchased in interstate commerce, but that has come to rest in this state, provided that fuel to be used or transported in carrying on interstate commerce that is stopped within this state pending transfer from one conveyance to another is exempt from the excise tax imposed by this section and section...
5739.02 of the Revised Code;

(4) Transient use of tangible personal property in this state by a nonresident tourist or vacationer, or a nonbusiness use within this state by a nonresident of this state, if the property so used was purchased outside this state for use outside this state and is not required to be registered or licensed under the laws of this state;

(5) Tangible personal property or services rendered, upon which taxes have been paid to another jurisdiction to the extent of the amount of the tax paid to such other jurisdiction. Where the amount of the tax imposed by this section and imposed pursuant to section 5741.021, 5741.022, or 5741.024 of the Revised Code exceeds the amount paid to another jurisdiction, the difference shall be allocated between the tax imposed by this section and any tax imposed by a county, municipal corporation, township, or a transit authority pursuant to section 5741.021, 5741.022, or 5741.024 of the Revised Code, in proportion to the respective rates of such taxes.

order of such a practitioner.

(8) Computer equipment and related software leased from a
lessor located outside this state and initially received in this
state on behalf of the consumer by a third party that will retain
possession of such property for not more than ninety days and that
will, within that ninety-day period, deliver such property to the
consumer at a location outside this state. Division (C)(8) of this
section does not provide exemption from taxation for any otherwise
taxable charges associated with such property while it is in this
state or for any subsequent storage, use, or consumption of such
property in this state by or on behalf of the consumer.

(9) Tangible personal property held for sale by a person but
not for that person's own use and donated by that person, without
charge or other compensation, to either of the following:

(a) A nonprofit organization operated exclusively for

which inures to the benefit of any private shareholder or
individual and no substantial part of the activities of which
consists of carrying on propaganda or otherwise attempting to
influence legislation; or

(b) This state or any political subdivision of this state,
but only if donated for exclusively public purposes.

For the purposes of division (C)(10)(9) of this section,
"charitable purposes" has the same meaning as in division (B)(12)
of section 5739.02 of the Revised Code.

(D) The tax applies to the storage, use, or other consumption
in this state of tangible personal property or services, the
acquisition of which at the time of sale was excepted under
division (E) of section 5739.01 of the Revised Code from the tax
imposed by section 5739.02 of the Revised Code, but which has
subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E)(1)(a) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer shall provide to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A seller that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under this chapter. Relief under this division from liability does not apply to any of the following:

(i) A seller that fraudulently fails to collect tax;

(ii) A seller that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A seller that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the seller in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A seller that accepts an exemption certificate from a
consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The seller shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) If no certificate is provided or obtained within ninety days after the date on which the transaction is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a seller, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the transaction is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(4) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the seller. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(F) A seller who files a petition for reassessment contesting the assessment of tax on transactions for which the seller obtained no valid exemption certificates, and for which the seller failed to establish that the transactions were not subject to the tax during the one-hundred-twenty-day period allowed under division (E) of this section, may present to the tax commissioner
additional evidence to prove that the transactions were exempt. The seller shall file such evidence within ninety days of the receipt by the seller of the notice of assessment, except that, upon application and for reasonable cause, the tax commissioner may extend the period for submitting such evidence thirty days.

(G) For the purpose of the proper administration of sections 5741.01 to 5741.22 of the Revised Code, and to prevent the evasion of the tax hereby levied, it shall be presumed that any use, storage, or other consumption of tangible personal property in this state is subject to the tax until the contrary is established.

(H) The tax collected by the seller from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional use tax pursuant to section 5741.021 or 5741.023 of the Revised Code and of transit authorities levying an additional use tax pursuant to section 5741.022 of the Revised Code, and of municipal corporations and townships levying the additional use tax pursuant to section 5741.024 of the Revised Code. Except for the discount authorized under section 5741.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county, municipal corporation, township, or transit authority shall derive any benefit from the collection of such tax.

Sec. 5741.021. "Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code.

No deduction for medical care insurance under division (A)(11) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. (c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(14) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with
section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that such amount satisfies either of the following:

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. (18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's
spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(iv) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(20) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative
methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(20)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. The denominator of the revised qualifying ratio is the fair market value of all the trust's assets immediately after the subsequent transfer, net of any related liabilities.

(iii) The transfer is made on account of a contractual relationship existing directly or indirectly between the transferor and either the decedent or the estate of the decedent at any time prior to the date of the decedent's death, and the decedent was domiciled in this state at the time of death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(b) The amount resulted in a reduction in the taxpayer's federal taxable income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(12) Deduct any amount, net of related expenses deducted in computing federal taxable income, that a trust is required to report as farm income on its federal income tax return, but only

If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income. Division (S)(12) of this section applies only to taxable years of a trust beginning in 2002 or thereafter.

(13) Add the net amount of income described in section 641(c) of the Internal Revenue Code to the extent that amount is not included in federal taxable income.

(14) Add or deduct the amount the taxpayer would be required to add or deduct under division (A)(20) or (21) of this section if the taxpayer's Ohio taxable income were computed in the same manner as an individual's Ohio adjusted gross income is computed under this section. In the case of a trust, division (S)(14) of this section applies only to any of the trust's taxable years beginning in 2002 or thereafter.

(T) "School district income" and "school district income tax" have the same meanings as in section 5748.01 of the Revised Code.

(a) The book value of the qualifying investee's physical assets in this state and everywhere, as of the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, is available to the trust.

(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio
taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

(4) "Modified Ohio taxable income" applies only to trusts, and means the sum of the amounts described in divisions (BB)(4)(a) to (c) of this section:

(a) The fraction, calculated under section 5747.013, and applying section 5747.231 of the Revised Code, multiplied by the sum of the following amounts:

(1) The trust's modified business income;

(b) The qualifying trust amount multiplied by a fraction, the numerator of which is the sum of the book value of the qualifying investee's physical assets in this state on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect to more than one qualifying investee, the amount described in division (BB)(4)(b) of this section shall equal the sum of the products so computed for each such qualifying investee.
(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b)
of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying investee" includes all persons in the qualifying controlled group on such last day.

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (BB)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

(b) With respect to a trust that is not a resident for the taxable year and with respect to a part of a trust that is not a resident for the taxable year, "qualifying investee" for that taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.
(ii) Such gain or loss constitutes nonbusiness income.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in this division by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year. The commissioner shall not make a new adjustment for taxable years beginning in 2013, 2014, or 2015.
(B) If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under division (A) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C) The levy of this tax on income does not prevent a municipal corporation, a joint economic development zone created under section 715.691, or a joint economic development district created under section 715.70 or 715.71 or sections 715.72 to 715.81 of the Revised Code from levying a tax on income.

(D) This division applies only to taxable years of a trust beginning in 2002 or thereafter.

(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (D) of this section equal to the lesser of (1) the tax paid to another state or the District of Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (2) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) The credits enumerated in divisions (A)(1) to (13) of section 5747.98 of the Revised Code do not apply to a trust subject to division (D) of this section. Any credits enumerated in...
other divisions of section 5747.98 of the Revised Code apply to a trust subject to division (D) of this section. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(E) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

Sec. 5747.05. As used in this section, "income tax" includes both a tax on net income and a tax measured by net income.

The following credits shall be allowed against the income tax imposed by section 5747.02 of the Revised Code on individuals and estates:

(A)(1) The amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the adjusted gross income of any nonresident taxpayer that is not allocable or apportionable to this state pursuant to sections 5747.20 to 5747.23 of the Revised Code;

(2) The credit provided under this division shall not exceed the portion of the total tax due under section 5747.02 of the
Revised Code that the amount of the nonresident taxpayer's
adjusted gross income not allocated to this state pursuant to
sections 5747.20 to 5747.23 of the Revised Code bears to the total
adjusted gross income of the nonresident taxpayer derived from all
sources everywhere.

(3) The tax commissioner may enter into an agreement with the
taxing authorities of any state or of the District of Columbia
that imposes an income tax to provide that compensation paid in
this state to a nonresident taxpayer shall not be subject to the
tax levied in section 5747.02 of the Revised Code so long as
compensation paid in such other state or in the District of
Columbia to a resident taxpayer shall likewise not be subject to
the income tax of such other state or of the District of Columbia.

(B) The lesser of division (B)(1) or (2) of this section:

(1) The amount of tax otherwise due under section 5747.02 of
the Revised Code on such portion of the adjusted gross income of a
resident taxpayer that in another state or in the District of
Columbia is subjected to an income tax. The credit provided under
division (B)(1) of this section shall not exceed the portion of
the total tax due under section 5747.02 of the Revised Code that
the amount of the resident taxpayer's adjusted gross income
subjected to an income tax in the other state or in the District
of Columbia bears to the total adjusted gross income of the
resident taxpayer derived from all sources everywhere.

(2) The amount of income tax liability to another state or
the District of Columbia on the portion of the adjusted gross
income of a resident taxpayer that in another state or in the
District of Columbia is subjected to an income tax. The credit
provided under division (B)(2) of this section shall not exceed
the amount of tax otherwise due under section 5747.02 of the
Revised Code.
(3) If the credit provided under division (B) of this section is affected by a change in either the portion of adjusted gross income of a resident taxpayer subjected to an income tax in another state or the District of Columbia or the amount of income tax liability that has been paid to another state or the District of Columbia, the taxpayer shall report the change to the tax commissioner within sixty days of the change in such form as the commissioner requires.

(a) In the case of an underpayment, the report shall be accompanied by payment of any additional tax due as a result of the reduction in credit together with interest on the additional tax and is a return subject to assessment under section 5747.13 of the Revised Code solely for the purpose of assessing any additional tax due under this division, together with any applicable penalty and interest. It shall not reopen the computation of the taxpayer's tax liability under this chapter from a previously filed return no longer subject to assessment except to the extent that such liability is affected by an adjustment to the credit allowed by division (B) of this section.

(b) In the case of an overpayment, an application for refund may be filed under this division within the sixty-day period prescribed for filing the report even if it is beyond the period prescribed in section 5747.11 of the Revised Code if it otherwise conforms to the requirements of such section. An application filed under this division shall only claim refund of overpayments resulting from an adjustment to the credit allowed by division (B) of this section unless it is also filed within the time prescribed in section 5747.11 of the Revised Code. It shall not reopen the computation of the taxpayer's tax liability except to the extent that such liability is affected by an adjustment to the credit allowed by division (B) of this section.

(4) No credit shall be allowed under division (B) of this
section for:

(a) For income tax paid or accrued to another state or to the District of Columbia if the taxpayer, when computing federal adjusted gross income, has directly or indirectly deducted, or was required to directly or indirectly deduct, the amount of that income tax;

(b) For compensation that is not subject to the income tax of another state or the District of Columbia as the result of an agreement entered into by the tax commissioner under division (A)(3) of this section; or

(c) For income tax paid or accrued to another state or the District of Columbia if the taxpayer fails to furnish such proof as the tax commissioner shall require that such income tax liability has been paid.

(C) For a taxpayer sixty-five years of age or older during the taxable year, a credit for such year equal to fifty dollars for each return required to be filed under section 5747.08 of the Revised Code.

(D) A taxpayer sixty-five years of age or older during the taxable year who has received a lump-sum distribution from a pension, retirement, or profit-sharing plan in the taxable year may elect to receive a credit under this division in lieu of the credit to which the taxpayer is entitled under division (C) of this section. A taxpayer making such election shall receive a credit for the taxable year equal to fifty dollars times the taxpayer's expected remaining life as shown by annuity tables issued under the provisions of the Internal Revenue Code and in effect for the calendar year which includes the last day of the taxable year. A taxpayer making an election under this division is not entitled to the credit authorized under division (C) of this section in subsequent taxable years except that if such election
was made prior to July 1, 1983, the taxpayer is entitled to
one-half the credit authorized under such division in subsequent
taxable years but may not make another election under this
division.

(E) A taxpayer who is not sixty-five years of age or older
during the taxable year who has received a lump-sum distribution
from a pension, retirement, or profit-sharing plan in a taxable
year ending on or before July 31, 1991, may elect to take a credit
against the tax otherwise due under this chapter for such year
equal to fifty dollars times the expected remaining life of a
taxpayer sixty-five years of age as shown by annuity tables issued
under the provisions of the Internal Revenue Code and in effect
for the calendar year which includes the last day of the taxable
year. A taxpayer making an election under this division is not
entitled to a credit under division (C) or (D) of this section in
any subsequent year except that if such election was made prior to
July 1, 1983, the taxpayer is entitled to one-half the credit
authorized under division (C) of this section in subsequent years
but may not make another election under this division. No taxpayer
may make an election under this division for a taxable year ending
on or after August 1, 1991.

(F) A taxpayer making an election under either division (D)
or (E) of this section may make only one such election in the
taxpayer's lifetime.

(G) An individual who is a resident for part of a taxable
year and a nonresident for the remainder of the taxable year is
allowed the credits under divisions (A) and (B) of this section in
accordance with rules prescribed by the tax commissioner. In no
event shall the same income be subject to both credits.

(D) The credit allowed under division (A) of this section
shall be calculated based upon the amount of tax due under section
5747.02 of the Revised Code after subtracting any other credits
that precede the credit under that division in the order required under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(E)(1) On a joint return filed by a husband and wife, each of whom had adjusted gross income of at least five hundred dollars, exclusive of interest, dividends and distributions, royalties, rent, and capital gains, a credit equal to the percentage shown in the table contained in this division of the amount of tax due after allowing for any other credit that precedes the credit under this division in the order required under section 5747.98 of the Revised Code.

(2) The credit to which a taxpayer is entitled under this division in any taxable year is the percentage shown in column B that corresponds with the taxpayer's adjusted gross income, less exemptions for the taxable year:

(3) The credit allowed under this division shall not exceed six hundred fifty dollars in any taxable year.

(4) The credit shall be claimed in the order required under
section 5747.98 of the Revised Code.

(H) (F) No claim for credit under this section shall be allowed unless the claimant furnishes such supporting information as the tax commissioner prescribes by rules. Each credit under this section shall be claimed in the order required under section 5747.98 of the Revised Code.

(I) An individual who is a resident for part of a taxable year and a nonresident for the remainder of the taxable year is allowed the credits under divisions (A) and (B) of this section in accordance with rules prescribed by the tax commissioner. In no event shall the same income be subject to both credits.

(J) The credit allowed under division (A) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(K) No credit shall be allowed under division (B) of this section unless the taxpayer furnishes such proof as the tax commissioner shall require that the income tax liability has been paid to another state or the District of Columbia.

(L) No credit shall be allowed under division (B) of this section for compensation that is not subject to the income tax of another state or the District of Columbia as the result of an agreement entered into by the tax commissioner under division (A)(3) of this section.
Sec. 5747.055. (A) As used in this section "retirement income" means retirement benefits, annuities, or distributions that are made from or pursuant to a pension, retirement, or profit-sharing plan and that:

(1) In the case of an individual, are received by the individual on account of retirement and are included in the individual's adjusted gross income;

(2) In the case of an estate, are payable to the estate for the benefit of the surviving spouse of the decedent and are included in the estate's taxable income.

(B) A credit shall be allowed against the tax imposed by section 5747.02 of the Revised Code for taxpayers who received retirement income during the taxable year and whose adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars. Only one such credit shall be allowed for each return, and the amount of the credit shall be computed in accordance with the following schedule, subject to the limitation provided in division (F) of this section:

(C) At the election of a taxpayer who receives a lump-sum distribution from a pension, retirement, or profit-sharing plan within one taxable year and whose adjusted gross income for the
taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return
is less than one hundred thousand dollars, the credit allowed by this section for that year shall be computed as follows:

(1) Divide the amount of retirement income received during the taxable year by the taxpayer's expected remaining life on the last day of the taxable year, as shown by annuity tables issued under the provisions of the Internal Revenue Code and in effect for the calendar year that includes the last day of the taxable year;

(2) Using the quotient thus obtained as the amount of retirement income received during the taxable year, compute the credit for the taxable year in accordance with division (B) of this section;

(3) Multiply the credit thus obtained by the taxpayer's expected remaining life. The product thus obtained shall be the credit under this division for the taxable year. A taxpayer who elects to receive a credit under this division is not entitled to receive a credit under this section for any subsequent year except as provided in divisions (D) and (E) of this section.

(D) If the credit under division (C) or (E) of this section exceeds the tax due for the taxable year after allowing for any other credit that precedes that credit in the order required under section 5747.98 of the Revised Code, the taxpayer may elect to receive a credit for each subsequent taxable year. The amount of the credit for each such year shall be computed as follows:

(1) Determine the amount by which the unused credit elected under division (C) or (E) of this section exceeded the tax due for the taxable year after allowing for any preceding credit in the required order;

(2) Divide the amount of such excess by one year less than
the taxpayer's expected remaining life on the last day of the taxable year of the distribution for which the credit was allowed under division (C) or (E) of this section. The quotient thus obtained shall be the credit for each subsequent year.

(E) If subsequent to the receipt of a lump-sum distribution and an election under division (C) of this section an individual receives another lump-sum distribution within one taxable year, and the taxpayer's adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars, the taxpayer may elect to receive a credit for that taxable year. The credit shall equal the lesser of:

1. A credit computed in the manner prescribed in division (C) of this section;
2. The amount of credit, if any, to which the taxpayer would otherwise be entitled for the taxable year under division (D) of this section times the taxpayer's expected remaining life on the last day of the taxable year. A taxpayer who elects to receive a credit under this division is not entitled to a credit under this section for any subsequent year except as provided in division (D) of this section.

(F) In the case of a taxpayer who elected to take an exclusion under division (A)(1) or (3) of former section 5747.01 of the Revised Code based upon the taxpayer's expected remaining life, and who was entitled immediately preceding the effective date of this section under division (A)(2) or (3) of such section to a further exclusion, any credit computed in accordance with the schedule in division (B) of this section, including the credit computed under division (C)(2) of this section, shall not exceed the credit available upon an amount of retirement income received during the taxable year equal to the sum of such former exclusion.
plus four thousand dollars A credit equal to fifty dollars for 
each return required to be filed under section 5747.08 of the 
Revised Code shall be allowed against the tax imposed by section 
5747.02 of the Revised Code for taxpayers sixty-five years of age 
or older during the taxable year whose adjusted gross income, less 
applicable exemptions under section 5747.025 of the Revised Code, 
as shown on an individual or joint annual return is less than one 
hundred thousand dollars for that taxable year.

(G) A taxpayer sixty-five years of age or older during the 
taxable year who has received a lump-sum distribution from a 
pension, retirement, or profit-sharing plan in the taxable year, 
and whose adjusted gross income, less applicable exemptions under 
section 5747.025 of the Revised Code, as shown on an individual or 
joint annual return is less than one hundred thousand dollars for 
that taxable year may elect to receive a credit under this 
division in lieu of the credit to which the taxpayer is entitled 
under division (F) of this section. A taxpayer making such an 
election shall receive a credit for the taxable year against the 
tax imposed by section 5747.02 of the Revised Code equal to fifty 
dollars times the taxpayer's expected remaining life as shown by 
annuity tables issued under the Internal Revenue Code and in 
effect for the calendar year that includes the last day of the 
taxable year. A taxpayer making an election under this division is 
not entitled to the credit authorized under division (F) of this 
section in subsequent taxable years.

(H) The credits allowed by this section shall be claimed in 
the order required under section 5747.98 of the Revised Code. The 
tax commissioner may require a taxpayer to furnish any information 
necessary to support a claim for credit under this section, and no 
credit shall be allowed unless such information is provided.

Sec. 5747.058. (A) A refundable income tax credit granted by
the tax credit authority under section 122.17 or former division (B)(2) or (3) of section 122.171 of the Revised Code, as those divisions existed before the effective date of the amendment of this section by H.B. 64 of the 131st general assembly, may be claimed under this chapter, in the order required under section 5747.98 of the Revised Code. For purposes of making tax payments under this chapter, taxes equal to the amount of the refundable credit shall be considered to be paid to this state on the first day of the taxable year. The refundable credit shall not be claimed for any taxable years ending with or following the calendar year in which a relocation of employment positions occurs in violation of an agreement entered into under section 122.17 or 122.171 of the Revised Code.

(B) A nonrefundable income tax credit granted by the tax credit authority under division (B)(4) of section 122.171 of the Revised Code may be claimed under this chapter, in the order required under section 5747.98 of the Revised Code.

Sec. 5747.08. An annual return with respect to the tax imposed by section 5747.02 of the Revised Code and each tax imposed under Chapter 5748. of the Revised Code shall be made by every taxpayer for any taxable year for which the taxpayer is liable for the tax imposed by that section or under that chapter, unless the total credits allowed under divisions (E), (F), and (G) of section 5747.05 and divisions (F) and (G) of section 5747.055 of the Revised Code for the year are equal to or exceed the tax imposed by section 5747.02 of the Revised Code, in which case no return shall be required unless the taxpayer is liable for a tax imposed pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice required of that individual under this chapter shall be made and
(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.
(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single return any investor that is itself a pass-through entity to the extent that any direct or indirect investor in the second pass-through entity is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax commissioner from requiring such investors to file the return and make the payment of taxes and related interest, penalty, and interest penalty required by this section or section 5747.02, 5747.09, or 5747.15 of the Revised Code. Nothing in division (D) of this section precludes such an investor from filing the annual return under this section, utilizing the refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor under division (I) of this section, and making the payment of taxes imposed under section 5747.02 of the Revised Code. Nothing in division (D) of this section shall be construed to provide to such an investor or pass-through entity any additional deduction or credit, other than the credit provided by division (I) of this section, solely on account of the entity's filing a return in accordance with this section. Such a pass-through entity also shall make the filing and payment of estimated taxes on behalf of the pass-through entity investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:
(a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;

(b) The senior citizen credit under division (C)-(F) of section 5747.05 5747.055 of the Revised Code;

(c) The lump sum distribution credit under division (D)-(G) of section 5747.05 5747.055 of the Revised Code;

(d) The dependent care credit under section 5747.054 of the Revised Code;

(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;

(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;

(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;

(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;

(i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;

(j) The joint filing credit under division (G)-(E) of section 5747.05 of the Revised Code;

(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;

(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;

(m) The low-income credit under section 5747.056 of the Revised Code;

(n) The earned income tax credit under section 5747.71 of the Revised Code.

(3) The election provided for under division (D) of this
section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.

(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.
If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each year, on forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form.

Upon good cause shown, the commissioner may extend the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions. If the extension results in an extension of time for the payment of any state or school district income tax liability with respect to which the return is filed, the taxpayer shall pay at the time the tax liability is paid an amount of interest computed at the rate per annum prescribed by section 5703.47 of the Revised Code on that liability from the time that payment is due without extension.
to the time of actual payment. Except as provided in section 5747.132 of the Revised Code, in addition to all other interest charges and penalties, all taxes imposed under this chapter or Chapter 5748. of the Revised Code and remaining unpaid after they become due, except combined amounts due of one dollar or less, bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code until paid or until the day an assessment is issued under section 5747.13 of the Revised Code, whichever occurs first.

If the commissioner considers it necessary in order to ensure the payment of the tax imposed by section 5747.02 of the Revised Code or any tax imposed under Chapter 5748. of the Revised Code, the commissioner may require returns and payments to be made otherwise than as provided in this section.

To the extent that any provision in this division conflicts with any provision in section 5747.026 of the Revised Code, the provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section 5747.06 of the Revised Code, a casino operator pursuant to section 5747.063 of the Revised Code, or a lottery sales agent pursuant to section 5747.064 of the Revised Code shall be allowed to the recipient of the compensation casino winnings, or lottery prize award as credits against payment of the appropriate taxes imposed on the recipient by section 5747.02 and under Chapter 5748. of the Revised Code.

(I) If a pass-through entity elects to file a single return under division (D) of this section and if any investor is required to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's
proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to instruct the department of taxation to cause any refund of overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the
taxpayer files the annual return required by this section electronically.

(L) The tax commissioner may adopt rules to administer this section.

Sec. 5747.113. (A) Any taxpayer claiming a refund under section 5747.11 of the Revised Code who wishes to contribute any part of the taxpayer's refund to the natural areas and preserves fund created in section 1517.11 of the Revised Code, the nongame and endangered wildlife fund created in section 1531.26 of the Revised Code, the military injury relief fund created in section 5101.98 of the Revised Code, the Ohio historical society income tax contribution fund created in section 149.308 of the Revised Code, the breast and cervical cancer project income tax contribution fund created in section 3701.601 of the Revised Code, or all of those funds may designate on the taxpayer's income tax return the amount that the taxpayer wishes to contribute to the fund or funds. A designated contribution is irrevocable upon the filing of the return and shall be made in the full amount designated if the refund found due the taxpayer upon the initial processing of the taxpayer's return, after any deductions including those required by section 5747.12 of the Revised Code, is greater than or equal to the designated contribution. If the refund due as initially determined is less than the designated contribution, the contribution shall be made in the full amount of the refund. The tax commissioner shall subtract the amount of the contribution from the amount of the refund initially found due the taxpayer and shall certify the difference to the director of budget and management and treasurer of state for payment to the taxpayer in accordance with section 5747.11 of the Revised Code. For the purpose of any subsequent determination of the taxpayer's net tax payment, the contribution shall be considered a part of the refund paid to the taxpayer.
(B) The tax commissioner shall provide a space on the income tax return form in which a taxpayer may indicate that the taxpayer wishes to make a donation in accordance with this section. The tax commissioner shall also print in the instructions accompanying the income tax return form a description of the purposes for which the natural areas and preserves fund, the nongame and endangered wildlife fund, the military injury relief fund, the Ohio historical society income tax contribution fund, and the breast and cervical cancer project income tax contribution fund were created and the use of moneys from the income tax refund contribution system established in this section. No person shall designate on the person's income tax return any part of a refund claimed under section 5747.11 of the Revised Code as a contribution to any fund other than the natural areas and preserves fund, the nongame and endangered wildlife fund, the military injury relief fund, the Ohio historical society income tax contribution fund, or the breast and cervical cancer project income tax contribution fund.

(C) The money collected under the income tax refund contribution system established in this section shall be deposited by the tax commissioner into the natural areas and preserves fund, the nongame and endangered wildlife fund, the military injury relief fund, the Ohio historical society income tax contribution fund, and the breast and cervical cancer project income tax contribution fund in the amounts designated on the tax returns.

(D) No later than the thirtieth day of September each year, the tax commissioner shall determine the total amount contributed to each fund under this section during the preceding eight months, any adjustments to prior months, and the cost to the department of taxation of administering the income tax refund contribution system during that eight-month period. The commissioner shall make an additional determination no later than the thirty-first day of
January of each year of the total amount contributed to each fund under this section during the preceding four calendar months, any adjustments to prior years made during that four-month period, and the cost to the department of taxation of administering the income tax contribution system during that period. The cost of administering the income tax contribution system shall be certified by the tax commissioner to the director of budget and management, who shall transfer an amount equal to one-fifth of such administrative costs from each of the five funds to the income tax contribution fund, which is hereby created, provided that the moneys that the department receives to pay the cost of administering the income tax refund contribution system in any year shall not exceed two and one-half per cent of the total amount contributed under that system during that year.

(E) If the total amount contributed to a fund under this section in each of two consecutive calendar years is less than one hundred fifty thousand dollars, no person may designate a contribution to that fund for any taxable year ending after the last day of that two-year period. In such a case, the tax commissioner shall remove the space dedicated to the fund on the income tax return and the description of the fund in the instructions accompanying the income tax return.

(F) The general assembly may authorize taxpayer refund contributions to no more than six funds under the income tax refund contribution system established in this section. If the general assembly authorizes income tax refund contributions to a fund other than the natural areas and preserves fund, the nongame and endangered wildlife fund, the military injury relief fund, the Ohio historical society income tax contribution fund, or the breast and cervical cancer project income tax contribution fund, such contributions may be authorized only for a period of two calendar years.
With the exception of the Ohio historical society income tax contribution fund, the general assembly may authorize income tax refund contributions to a fund only if all the money in the fund will be expended or distributed by a state agency as defined in section 1.60 of the Revised Code.

(G)(1) The director of natural resources, in January of every odd-numbered year, shall report to the general assembly on the effectiveness of the income tax refund contribution system as it pertains to the natural areas and preserves fund and the nongame and endangered wildlife fund. The report shall include the amount of money contributed to each fund in each of the previous five years, the amount of money contributed directly to each fund in addition to or independently of the income tax refund contribution system in each of the previous five years, and the purposes for which the money was expended.

(2) The director of job and family veterans services, the director of the Ohio historical society, and the director of health, in January of every odd-numbered year, each shall report to the general assembly on the effectiveness of the income tax refund contribution system as it pertains to the military injury relief fund, the Ohio historical society income tax contribution fund, and the breast and cervical cancer project income tax contribution fund, respectively. The report shall include the amount of money contributed to the fund in each of the previous five years, the amount of money contributed directly to the fund in addition to or independently of the income tax refund contribution system in each of the previous five years, and the purposes for which the money was expended.

Sec. 5747.50. (A) As used in this section:

(1) "County's proportionate share of the calendar year 2007 LGF and LGRAF distributions" means the percentage computed for the
county under division (B)(1)(a) of section 5747.501 of the Revised Code.

(2) "County's proportionate share of the total amount of the local government fund additional revenue formula" means each county's proportionate share of the state's population as determined for and certified to the county for distributions to be made during the current calendar year under division (B)(2)(a) of section 5747.501 of the Revised Code. If prior to the first day of January of the current calendar year the federal government has issued a revision to the population figures reflected in the estimate produced pursuant to division (B)(2)(a) of section 5747.501 of the Revised Code, such revised population figures shall be used for making the distributions during the current calendar year.

(3) "2007 LGF and LGRAF county distribution base available in that month" means the lesser of the amounts described in division (A)(3)(a) and (b) of this section, provided that the amount shall not be less than zero:

(a) The total amount available for distribution to counties from the local government fund during the current month.

(b) The total amount distributed to counties from the local government fund and the local government revenue assistance fund to counties in calendar year 2007 less the total amount distributed to counties under division (B)(1) of this section during previous months of the current calendar year.

(4) "Local government fund additional revenue distribution base available during that month" means the total amount available for distribution to counties during the month from the local government fund, less any amounts to be distributed in that month from the local government fund under division (B)(1) of this section, provided that the local government fund additional
revenue distribution base available during that month shall not be less than zero.

(5) "Total amount available for distribution to counties" means the total amount available for distribution from the local government fund during the current month less the total amount available for distribution to municipal corporations during the current month under division (C) of this section.

(B) On or before the tenth day of each month, the tax commissioner shall provide for payment to each county an amount equal to the sum of:

(1) The county's proportionate share of the calendar year 2007 LGF and LGRAF distributions multiplied by the 2007 LGF and LGRAF county distribution base available in that month, provided that if the 2007 LGF and LGRAF county distribution base available in that month is zero, no payment shall be made under division (B)(1) of this section for the month or the remainder of the calendar year; and

(2) The county's proportionate share of the total amount of the local government fund additional revenue formula multiplied by the local government fund additional revenue distribution base available during that month.

Money received into the treasury of a county under this division shall be credited to the undivided local government fund in the treasury of the county on or before the fifteenth day of each month. On or before the twentieth day of each month, the county auditor shall issue warrants against all of the undivided local government fund in the county treasury in the respective amounts allowed as provided in section 5747.51 of the Revised Code, and the treasurer shall distribute and pay such sums to the subdivision therein.

(C)(1) As used in division (C) of this section:
(a) "Total amount available for distribution to municipalities during the current month" means the product obtained by multiplying the total amount available for distribution from the local government fund during the current month by the aggregate municipal share.

(b) "Aggregate municipal share" means the quotient obtained by dividing the total amount distributed directly from the local government fund to municipal corporations during calendar year 2007 by the total distributions from the local government fund and local government revenue assistance fund during calendar year 2007.

(2) On or before the tenth day of each month, the tax commissioner shall provide for payment from the local government fund to each municipal corporation an amount equal to the product derived by multiplying the municipal corporation's percentage of the total amount distributed to all such municipal corporations under this division during calendar year 2007 by the total amount available for distribution to municipal corporations during the current month.

(3) Payments received by a municipal corporation under this division shall be paid into its general fund and may be used for any lawful purpose.

(4) The amount distributed to municipal corporations under this division during any calendar year shall not exceed the amount distributed directly from the local government fund to municipal corporations during calendar year 2007. If that maximum amount is reached during any month, distributions to municipal corporations in that month shall be as provided in divisions (C)(1) and (2) of this section, but no further distributions shall be made to municipal corporations under division (C) of this section during the remainder of the calendar year.
(5) Upon being informed of a municipal corporation's dissolution, the tax commissioner shall cease providing for payments to that municipal corporation under division (C) of this section. The proportionate shares of the total amount available for distribution to each of the remaining municipal corporations under this division shall be increased on a pro rata basis.

The tax commissioner shall reduce payments under division (C) of this section to municipal corporations for which reduced payments are required under section 5747.502 of the Revised Code.

(D) Each municipal corporation which has in effect a tax imposed under Chapter 718. of the Revised Code shall, no later than the thirty-first day of August of each year, certify to the tax commissioner, on a form prescribed by the commissioner, the amount of income tax revenue collected and refunded by such municipal corporation pursuant to such chapter during the preceding calendar year, arranged, when possible, by the type of income from which the revenue was collected or the refund was issued. The municipal corporation shall also report the amount of income tax revenue collected and refunded on behalf of a joint economic development district or a joint economic development zone that levies an income tax administered by the municipal corporation and the amount of such revenue distributed to contracting parties during the preceding calendar year. The tax commissioner may withhold payment of local government fund moneys pursuant to division (C) of this section from any municipal corporation for failure to comply with this reporting requirement.

Sec. 5747.502. (A) As used in this section:

(1) "Delinquent subdivision" means a municipal corporation, township, or county that has not filed a report or signed statement under section 4511.0915 of the Revised Code, as required under that section.
(2) "Noncompliant subdivision" means a municipal corporation, township, or county that files a report under division (A)(1) of section 4511.0915 of the Revised Code for the most recent calendar quarter.

(B)(1)(a) Upon receiving notification of a delinquent subdivision under division (C)(2) of section 4511.0915 of the Revised Code, the tax commissioner shall do both of the following:

(i) If the delinquent subdivision is a municipal corporation, cease providing for payments to the municipal corporation under division (C) of section 5747.50 of the Revised Code, beginning with the next required payment;

(ii) Immediately notify the county auditor and county treasurer required to provide for payments to the delinquent subdivision from a county undivided local government fund that such payments are to cease until the tax commissioner notifies the auditor and treasurer under division (B)(3)(a)(ii) of this section.

(b) A county treasurer receiving the notice under division (B)(1)(a)(ii) of this section shall cease providing for payments to the delinquent subdivision from a county undivided local government fund, beginning with the next required payment.

(2)(a) Upon receiving notification that a county, township, or municipal corporation is no longer a delinquent subdivision under division (C)(3) of section 4511.0915 of the Revised Code, the tax commissioner shall do both of the following:

(i) If the formerly delinquent subdivision is a municipal corporation, begin providing for payments to the municipal corporation as required under division (C) of section 5747.50 of the Revised Code, beginning with the next required payment.

(ii) Immediately notify the county auditor and county treasurer who ceased payments to the formerly delinquent
subdivision under division (B)(1)(b) of this section that the treasurer shall begin providing for payment from a county undivided local government fund to the formerly delinquent subdivision under section 5747.51 or 5747.53 of the Revised Code.

(b) A county treasurer receiving notice under division (B)(2)(a)(ii) of this section shall provide for payments to the formerly delinquent subdivision from a county undivided local government fund, beginning with the next required payment.

(C)(1) Upon receiving notification of a noncompliant subdivision under division (C)(1) of section 4511.0915 of the Revised Code, the tax commissioner shall do both of the following:

(a) If the delinquent subdivision is a municipal corporation, reduce the amount of each of the next three local government fund payments the noncompliant subdivision would otherwise receive under division (C) of section 5747.50 of the Revised Code in an amount equal to one-third of the gross amount of fines reported by the noncompliant subdivision on the report filed for the calendar quarter.

(b) If the reduction described in division (C)(1)(a) of this section exceeds the amount of money the noncompliant subdivision would otherwise receive under division (C) of section 5747.50 of the Revised Code, immediately notify the county auditor and county treasurer required to provide for payments to the noncompliant subdivision from a county undivided local government fund that each of the next three such payments are to be reduced to that subdivision in an amount equal to one-third of that excess.

(2) A county treasurer receiving notice under division (C)(1)(b) of this section shall reduce the payments to the noncompliant subdivision from a county undivided local government fund as required by the notice.

(D)(1) The tax commissioner shall provide for payment of an
amount equal to amounts withheld from municipal corporations under 
divisions (B)(1)(a)(i) and (C)(1)(a) of this section to the 
undivided local government fund of the county from which the 
municipal corporation receives payments under section 5747.51 or 
5747.53 of the Revised Code. The county treasurer shall distribute 
that money among subdivisions that are not delinquent or 
noncompliant subdivisions and that are entitled to receive 
distributions under those sections by increasing each such 
subdivision's distribution on a pro rata basis.

(2) A county treasurer shall distribute any amount withheld 
from a delinquent or noncompliant subdivision under division 
(B)(1)(b) or (C)(2) of this section among other subdivisions that 
are not delinquent or noncompliant subdivisions by increasing each 
such subdivision's distribution from the county's undivided local 
government fund on a pro rata basis.

(E) A county, township, or municipal corporation receiving an 
increased distribution under division (B) or (C) of this section 
shall use such money for the current operating expenses of the 
subdivision.

Sec. 5747.51. (A) On or before the twenty-fifth day of July 
of each year, the tax commissioner shall make and certify to the 
county auditor of each county an estimate of the amount of the 
local government fund to be allocated to the undivided local 
government fund of each county for the ensuing calendar year, 
adjusting the total as required to account for subdivisions 
receiving local government funds under section 5747.502 of the 
Revised Code.

(B) At each annual regular session of the county budget 
commission convened pursuant to section 5705.27 of the Revised 
Code, each auditor shall present to the commission the certificate 
of the commissioner, the annual tax budget and estimates, and the
records showing the action of the commission in its last preceding regular session. The commission, after extending to the representatives of each subdivision an opportunity to be heard, under oath administered by any member of the commission, and considering all the facts and information presented to it by the auditor, shall determine the amount of the undivided local government fund needed by and to be apportioned to each subdivision for current operating expenses, as shown in the tax budget of the subdivision. This determination shall be made pursuant to divisions (C) to (I) of this section, unless the commission has provided for a formula pursuant to section 5747.53 of the Revised Code. The commissioner shall reduce or increase the amount of funds from the undivided local government fund to a subdivision required to receive reduced or increased funds under section 5747.502 of the Revised Code.

Nothing in this section prevents the budget commission, for the purpose of apportioning the undivided local government fund, from inquiring into the claimed needs of any subdivision as stated in its tax budget, or from adjusting claimed needs to reflect actual needs. For the purposes of this section, "current operating expenses" means the lawful expenditures of a subdivision, except those for permanent improvements and except payments for interest, sinking fund, and retirement of bonds, notes, and certificates of indebtedness of the subdivision.

(C) The commission shall determine the combined total of the estimated expenditures, including transfers, from the general fund and any special funds other than special funds established for road and bridge; street construction, maintenance, and repair; state highway improvement; and gas, water, sewer, and electric public utilities operated by a subdivision, as shown in the subdivision's tax budget for the ensuing calendar year.

(D) From the combined total of expenditures calculated...
pursuant to division (C) of this section, the commission shall

deduct the following expenditures, if included in these funds in

the tax budget:

(1) Expenditures for permanent improvements as defined in
division (E) of section 5705.01 of the Revised Code;

(2) In the case of counties and townships, transfers to the
road and bridge fund, and in the case of municipalities, transfers
to the street construction, maintenance, and repair fund and the
state highway improvement fund;

(3) Expenditures for the payment of debt charges;

(4) Expenditures for the payment of judgments.

(E) In addition to the deductions made pursuant to division
(D) of this section, revenues accruing to the general fund and any
special fund considered under division (C) of this section from
the following sources shall be deducted from the combined total of
expenditures calculated pursuant to division (C) of this section:

(1) Taxes levied within the ten-mill limitation, as defined
in section 5705.02 of the Revised Code;

(2) The budget commission allocation of estimated county
public library fund revenues to be distributed pursuant to section
5747.48 of the Revised Code;

(3) Estimated unencumbered balances as shown on the tax
budget as of the thirty-first day of December of the current year
in the general fund, but not any estimated balance in any special
fund considered in division (C) of this section;

(4) Revenue, including transfers, shown in the general fund
and any special funds other than special funds established for
road and bridge; street construction, maintenance, and repair;
state highway improvement; and gas, water, sewer, and electric
public utilities, from all other sources except those that a
subdivision receives from an additional tax or service charge voted by its electorate or receives from special assessment or revenue bond collection. For the purposes of this division, where the charter of a municipal corporation prohibits the levy of an income tax, an income tax levied by the legislative authority of such municipal corporation pursuant to an amendment of the charter of that municipal corporation to authorize such a levy represents an additional tax voted by the electorate of that municipal corporation. For the purposes of this division, any measure adopted by a board of county commissioners pursuant to section 322.02, 324.02, 4504.02, or 5739.021 of the Revised Code, including those measures upheld by the electorate in a referendum conducted pursuant to section 322.021, 324.021, 4504.021, or 5739.022 of the Revised Code, shall not be considered an additional tax voted by the electorate.

Subject to division (G) of section 5705.29 of the Revised Code, money in a reserve balance account established by a county, township, or municipal corporation under section 5705.13 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Money in a reserve balance account established by a township under section 5705.132 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section.

If a county, township, or municipal corporation has created and maintains a nonexpendable trust fund under section 5705.131 of the Revised Code, the principal of the fund, and any additions to the principal arising from sources other than the reinvestment of investment earnings arising from such a fund, shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Only investment earnings arising from investment of the principal or investment of such additions...
to principal may be considered an unencumbered balance or revenue under those divisions.

(F) The total expenditures calculated pursuant to division (C) of this section, less the deductions authorized in divisions (D) and (E) of this section, shall be known as the "relative need" of the subdivision, for the purposes of this section.

(G) The budget commission shall total the relative need of all participating subdivisions in the county, and shall compute a relative need factor by dividing the total estimate of the undivided local government fund by the total relative need of all participating subdivisions.

(H) The relative need of each subdivision shall be multiplied by the relative need factor to determine the proportionate share of the subdivision in the undivided local government fund of the county; provided, that the maximum proportionate share of a county shall not exceed the following maximum percentages of the total estimate of the undivided local government fund governed by the relationship of the percentage of the population of the county that resides within municipal corporations within the county to the total population of the county as reported in the reports on population in Ohio by the department of development as of the twentieth day of July of the year in which the tax budget is filed with the budget commission:

<table>
<thead>
<tr>
<th>Percentage of municipal population within the county</th>
<th>Percentage share of the county shall not exceed:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than forty-one per cent</td>
<td>Sixty per cent</td>
</tr>
<tr>
<td>Forty-one per cent or more but less than eighty-one per cent</td>
<td>Fifty per cent</td>
</tr>
<tr>
<td>Eighty-one per cent or more</td>
<td>Thirty per cent</td>
</tr>
</tbody>
</table>

Where the proportionate share of the county exceeds the limitations established in this division, the budget commission...
shall adjust the proportionate shares determined pursuant to this division so that the proportionate share of the county does not exceed these limitations, and it shall increase the proportionate shares of all other subdivisions on a pro rata basis. In counties having a population of less than one hundred thousand, not less than ten per cent shall be distributed to the townships therein.

(I) The proportionate share of each subdivision in the undivided local government fund determined pursuant to division (H) of this section for any calendar year shall not be less than the product of the average of the percentages of the undivided local government fund of the county as apportioned to that subdivision for the calendar years 1968, 1969, and 1970, multiplied by the total amount of the undivided local government fund of the county apportioned pursuant to former section 5735.23 of the Revised Code for the calendar year 1970. For the purposes of this division, the total apportioned amount for the calendar year 1970 shall be the amount actually allocated to the county in 1970 from the state collected intangible tax as levied by section 5707.03 of the Revised Code and distributed pursuant to section 5725.24 of the Revised Code, plus the amount received by the county in the calendar year 1970 pursuant to division (B)(1) of former section 5739.21 of the Revised Code, and distributed pursuant to former section 5739.22 of the Revised Code. If the total amount of the undivided local government fund for any calendar year is less than the amount of the undivided local government fund apportioned pursuant to former section 5739.23 of the Revised Code for the calendar year 1970, the minimum amount guaranteed to each subdivision for that calendar year pursuant to this division shall be reduced on a basis proportionate to the amount by which the amount of the undivided local government fund for that calendar year is less than the amount of the undivided local government fund apportioned for the calendar year 1970.
(J) On the basis of such apportionment, the county auditor shall compute the percentage share of each such subdivision in the undivided local government fund and shall at the same time certify to the tax commissioner the percentage share of the county as a subdivision. No payment shall be made from the undivided local government fund, except in accordance with such percentage shares.

Within ten days after the budget commission has made its apportionment, whether conducted pursuant to section 5747.51 or 5747.53 of the Revised Code, the auditor shall publish a list of the subdivisions and the amount each is to receive from the undivided local government fund and the percentage share of each subdivision, in a newspaper or newspapers of countywide circulation, and send a copy of such allocation to the tax commissioner.

The county auditor shall also send by certified mail, return receipt requested, a copy of such allocation to the fiscal officer of each subdivision entitled to participate in the allocation of the undivided local government fund of the county. This copy shall constitute the official notice of the commission action referred to in section 5705.37 of the Revised Code.

All money received into the treasury of a subdivision from the undivided local government fund in a county treasury shall be paid into the general fund and used for the current operating expenses of the subdivision.

If a municipal corporation maintains a municipal university, such municipal university, when the board of trustees so requests the legislative authority of the municipal corporation, shall participate in the money apportioned to such municipal corporation from the total local government fund, however created and constituted, in such amount as requested by the board of trustees, provided such sum does not exceed nine per cent of the total amount paid to the municipal corporation.
If any public official fails to maintain the records required by sections 5747.50 to 5747.55 of the Revised Code or by the rules issued by the tax commissioner, the auditor of state, or the treasurer of state pursuant to such sections, or fails to comply with any law relating to the enforcement of such sections, the local government fund money allocated to the county may be withheld until such time as the public official has complied with such sections or such law or the rules issued pursuant thereto.

Sec. 5747.53. (A) As used in this section:

(1) "City, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population residing in the county; however, if the county budget commission on or before January 1, 1998, adopted an alternative method of apportionment that was approved by the legislative authority of the city, located partially in the county, with the greatest population but not the greatest population residing in the county, "city, located wholly or partially in the county, with the greatest population" means the city, located wholly or partially in the county, with the greatest population whether residing in the county or not, if this alternative meaning is adopted by action of the board of county commissioners and a majority of the boards of township trustees and legislative authorities of municipal corporations located wholly or partially in the county.

(2) "Participating political subdivision" means a municipal corporation or township that satisfies all of the following:

(a) It is located wholly or partially in the county.

(b) It is not the city, located wholly or partially in the county, with the greatest population.

(c) Undivided local government fund moneys are apportioned to
it under the county's alternative method or formula of
apportionment in the current calendar year.

(B) In lieu of the method of apportionment of the undivided
local government fund of the county provided by section 5747.51 of
the Revised Code, the county budget commission may provide for the
apportionment of the fund under an alternative method or on a
formula basis as authorized by this section. The commissioner
shall reduce or increase the amount of funds from the undivided
local government fund to a subdivision required to receive reduced
or increased funds under section 5747.502 of the Revised Code.

Except as otherwise provided in division (C) of this section,
the alternative method of apportionment shall have first been
approved by all of the following governmental units: the board of
county commissioners; the legislative authority of the city,
located wholly or partially in the county, with the greatest
population; and a majority of the boards of township trustees and
legislative authorities of municipal corporations, located wholly
or partially in the county, excluding the legislative authority of
the city, located wholly or partially in the county, with the
greatest population. In granting or denying approval for an
alternative method of apportionment, the board of county
commissioners, boards of township trustees, and legislative
authorities of municipal corporations shall act by motion. A
motion to approve shall be passed upon a majority vote of the
members of a board of county commissioners, board of township
trustees, or legislative authority of a municipal corporation,
shall take effect immediately, and need not be published.

Any alternative method of apportionment adopted and approved
under this division may be revised, amended, or repealed in the
same manner as it may be adopted and approved. If an alternative
method of apportionment adopted and approved under this division
is repealed, the undivided local government fund of the county
shall be apportioned among the subdivisions eligible to participate in the fund, commencing in the ensuing calendar year, under the apportionment provided in section 5747.52 of the Revised Code, unless the repeal occurs by operation of division (C) of this section or a new method for apportionment of the fund is provided in the action of repeal.

(C) This division applies only in counties in which the city, located wholly or partially in the county, with the greatest population has a population of twenty thousand or less and a population that is less than fifteen per cent of the total population of the county. In such a county, the legislative authorities or boards of township trustees of two or more participating political subdivisions, which together have a population residing in the county that is a majority of the total population of the county, each may adopt a resolution to exclude the approval otherwise required of the legislative authority of the city, located wholly or partially in the county, with the greatest population. All of the resolutions to exclude that approval shall be adopted not later than the first Monday of August of the year preceding the calendar year in which distributions are to be made under an alternative method of apportionment.

A motion granting or denying approval of an alternative method of apportionment under this division shall be adopted by a majority vote of the members of the board of county commissioners and by a majority vote of a majority of the boards of township trustees and legislative authorities of the municipal corporations located wholly or partially in the county, other than the city, located wholly or partially in the county, with the greatest population, shall take effect immediately, and need not be published. The alternative method of apportionment under this division shall be adopted and approved annually, not later than
the first Monday of August of the year preceding the calendar year in which distributions are to be made under it. A motion granting approval of an alternative method of apportionment under this division repeals any existing alternative method of apportionment, effective with distributions to be made from the fund in the ensuing calendar year. An alternative method of apportionment under this division shall not be revised or amended after the first Monday of August of the year preceding the calendar year in which distributions are to be made under it.

(D) In determining an alternative method of apportionment authorized by this section, the county budget commission may include in the method any factor considered to be appropriate and reliable, in the sole discretion of the county budget commission.

(E) The limitations set forth in section 5747.51 of the Revised Code, stating the maximum amount that the county may receive from the undivided local government fund and the minimum amount the townships in counties having a population of less than one hundred thousand may receive from the fund, are applicable to any alternative method of apportionment authorized under this section.

(F) On the basis of any alternative method of apportionment adopted and approved as authorized by this section, as certified by the auditor to the county treasurer, the county treasurer shall make distribution of the money in the undivided local government fund to each subdivision eligible to participate in the fund, and the auditor, when the amount of those shares is in the custody of the treasurer in the amounts so computed to be due the respective subdivisions, shall at the same time certify to the tax commissioner the percentage share of the county as a subdivision. All money received into the treasury of a subdivision from the undivided local government fund in a county treasury shall be paid into the general fund and used for the current operating expenses
of the subdivision. If a municipal corporation maintains a municipal university, the university, when the board of trustees so requests the legislative authority of the municipal corporation, shall participate in the money apportioned to the municipal corporation from the total local government fund, however created and constituted, in the amount requested by the board of trustees, provided that amount does not exceed nine percent of the total amount paid to the municipal corporation.

(G) The actions of the county budget commission taken pursuant to this section are final and may not be appealed to the board of tax appeals, except on the issues of abuse of discretion and failure to comply with the formula.

Sec. 5747.71. There is hereby allowed a nonrefundable credit against the tax imposed by section 5747.02 of the Revised Code for a taxpayer who is an "eligible individual" as defined in section 32 of the Internal Revenue Code. The credit shall equal five percent of the credit allowed on the taxpayer's federal income tax return pursuant to section 32 of the Internal Revenue Code for taxable years beginning in 2013, and ten percent of the federal credit allowed for taxable years beginning in or after 2014. If the Ohio adjusted gross income of the taxpayer, or the taxpayer and the taxpayer's spouse if the taxpayer and the taxpayer's spouse file a joint return under section 5747.08 of the Revised Code, less applicable exemptions under section 5747.025 of the Revised Code, exceeds twenty thousand dollars, the credit authorized by this section shall not exceed fifty percent of the amount of tax otherwise due under section 5747.02 of the Revised Code after deducting any other nonrefundable credits that precede the credit allowed under this section in the order prescribed by section 5747.98 of the Revised Code except for the joint filing credit authorized under division (G)(E) of section 5747.05 of the Revised Code. In all other cases, the credit authorized by this
section shall not exceed the amount of tax otherwise due under section 5747.02 of the Revised Code after deducting any other nonrefundable credits that precede the credit allowed under this section in the order prescribed by section 5747.98 of the Revised Code.

The credit shall be claimed in the order prescribed by section 5747.98 of the Revised Code.

Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit.

Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.

Sec. 5751.02. (A) For the purpose of funding the needs of this state and its local governments, there is hereby levied a commercial activity tax on each person with taxable gross receipts for the privilege of doing business in this state. For the purposes of this chapter, "doing business" means engaging in any activity, whether legal or illegal, that is conducted for, or results in, gain, profit, or income, at any time during a calendar year. Persons on which the commercial activity tax is levied include, but are not limited to, persons with substantial nexus with this state. The tax imposed under this section is not a transactional tax and is not subject to Public Law No. 86-272, 73 Stat. 555. The tax imposed under this section is in addition to any other taxes or fees imposed under the Revised Code. The tax levied under this section is imposed on the person receiving the
gross receipts and is not a tax imposed directly on a purchaser.
The tax imposed by this section is an annual privilege tax for the
calendar year that, in the case of calendar year taxpayers, is the
annual tax period and, in the case of calendar quarter taxpayers,
contains all quarterly tax periods in the calendar year. A
taxpayer is subject to the annual privilege tax for doing business
during any portion of such calendar year.

(B) The tax imposed by this section is a tax on the taxpayer
and shall not be billed or invoiced to another person. Even if the
tax or any portion thereof is billed or invoiced and separately
stated, such amounts remain part of the price for purposes of the
sales and use taxes levied under Chapters 5739. and 5741. of the
Revised Code. Nothing in division (B) of this section prohibits:

(1) A person from including in the price charged for a good
or service an amount sufficient to recover the tax imposed by this
section; or

(2) A lessor from including an amount sufficient to recover
the tax imposed by this section in a lease payment charged, or
from including such an amount on a billing or invoice pursuant to
the terms of a written lease agreement providing for the recovery
of the lessor's tax costs. The recovery of such costs shall be
based on an estimate of the total tax cost of the lessor during
the tax period, as the tax liability of the lessor cannot be
 calculated until the end of that period.

(C)(1) The commercial activities tax receipts fund is hereby
created in the state treasury and shall consist of money arising
from the tax imposed under this chapter. Eighty-five
one-hundredths of one per cent of the money credited to that fund
shall be credited to the revenue enhancement fund and shall be
used to defray the costs incurred by the department of taxation in
administering the tax imposed by this chapter and in implementing
tax reform measures. charged and payable in any year after tax year 2010, "total TPP allocation" used to compute payments to be made under division (C)(12) of section 5751.21 or division (A)(1)(b) or (c) of section 5751.22 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that the payments are attributable to the fixed-rate levy loss of that levy as would be computed under divisions (C)(10) and (11) of section 5751.21 or division (A)(1) of section 5751.22 of the Revised Code.

(39) "Non-current expense TPP allocation" means the difference of total TPP allocation minus the sum of current expense TPP allocation and the portion of total TPP allocation constituting reimbursement for debt levies, pursuant to division (D) of section 5751.21 of the Revised Code in the case of a school district or joint vocational school district and pursuant to division (A)(3) of section 5751.22 of the Revised Code in the case of a municipal corporation.

(40) "TPP allocation for library purposes" means the sum of payments received by a county, municipal corporation, school district, or township public library in calendar year 2010 pursuant to section 5751.22 of the Revised Code for fixed-rate levy losses attributable to a tax levied under section 5705.23 of the Revised Code. If a fixed-rate levy authorized under section 5705.23 of the Revised Code that is a qualifying levy is not charged and payable in any year after tax year 2010, "TPP allocation for library purposes" used to compute payments to be made under division (A)(1)(d) of section 5751.22 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that the payments are
attributable to the fixed-rate levy loss of that levy as would be computed under division (A)(1) of section 5751.22 of the Revised Code.

(41) "Threshold per cent" means, in the case of a school district or joint vocational school district, two per cent for fiscal year 2012 and four per cent for fiscal years 2013 and thereafter. In the case of a local taxing unit or public library that receives the proceeds of a tax levied under section 5705.23 of the Revised Code, "threshold per cent" means two per cent for tax year 2011, four per cent for tax year 2012, and six per cent for tax years 2013 and thereafter.

(B)(1) The commercial activities tax receipts fund is hereby created in the state treasury and shall consist of money arising from the tax imposed under this chapter. Eighty-five one-hundredths of one per cent of the money credited to that fund shall be credited to the revenue enhancement fund and shall be used to defray the costs incurred by the department of taxation in administering the tax imposed by this chapter and in implementing tax reform measures. The remainder of the money in the commercial activities tax receipts fund shall first be credited to the commercial activity tax motor fuel receipts fund, pursuant to division (B)(2) of this section, and the remainder shall be credited in the following percentages each fiscal year to the general revenue fund, to the school district tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5751.21 of the Revised Code, and to the local government tangible property tax replacement fund, which is hereby created in the state treasury for the purpose of making the payments described in section 5751.22 of the Revised Code, in the following percentages:

(2) Not later than the twentieth day of February, May, August, and November of each year, the commissioner shall provide for payment from the commercial activities tax receipts fund to the commercial activity tax motor fuel receipts fund an amount that bears the same ratio to the balance in the commercial activities tax receipts fund that (a) the taxable gross receipts attributed to motor fuel used for propelling vehicles on public highways as indicated by returns filed by the tenth day of that month for a liability that is due and payable on or after July 1, 2013, for a tax period ending before July 1, 2014, bears to (b) all taxable gross receipts as indicated by those returns for such liabilities.

(C) Not later than September 15, 2005, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its machinery and equipment, inventory property, furniture and fixtures property, and telephone property tax value losses, which are the applicable amounts described in divisions (C)(1), (2), (3), and (4) of this section, except as provided in division (C)(5) of this section:

(1) Machinery and equipment property tax value loss is the taxable value of machinery and equipment property as reported by
taxpayers for tax year 2004 multiplied by:

(a) For tax year 2006, thirty-three and eight-tenths per cent;
(b) For tax year 2007, sixty-one and three-tenths per cent;
(c) For tax year 2008, eighty-three per cent;
(d) For tax year 2009 and thereafter, one hundred per cent.

(2) Inventory property tax value loss is the taxable value of inventory property as reported by taxpayers for tax year 2004 multiplied by:

(a) For tax year 2006, a fraction, the numerator of which is five and three-fourths and the denominator of which is twenty-three;
(b) For tax year 2007, a fraction, the numerator of which is nine and one-half and the denominator of which is twenty-three;
(c) For tax year 2008, a fraction, the numerator of which is thirteen and one-fourth and the denominator of which is twenty-three;
(d) For tax year 2009 and thereafter a fraction, the numerator of which is seventeen and the denominator of which is twenty-three.

(3) Furniture and fixtures property tax value loss is the taxable value of furniture and fixture property as reported by taxpayers for tax year 2004 multiplied by:

(a) For tax year 2006, twenty-five per cent;
(b) For tax year 2007, fifty per cent;
(c) For tax year 2008, seventy-five per cent;
(d) For tax year 2009 and thereafter, one hundred per cent.

The taxable value of property reported by taxpayers used in
(4) Telephone property tax value loss is the taxable value of telephone property as taxpayers would have reported that property for tax year 2004 if the assessment rate for all telephone property for that year were twenty-five per cent, multiplied by:

(a) For tax year 2006, zero per cent;
(b) For tax year 2007, zero per cent;
(c) For tax year 2008, zero per cent;
(d) For tax year 2009, sixty per cent;
(e) For tax year 2010, eighty per cent;
(f) For tax year 2011 and thereafter, one hundred per cent.

(5) Division (C)(5) of this section applies to any school district, joint vocational school district, or local taxing unit in a county in which is located a facility currently or formerly devoted to the enrichment or commercialization of uranium or uranium products, and for which the total taxable value of property listed on the general tax list of personal property for any tax year from tax year 2001 to tax year 2004 was fifty per cent or less of the taxable value of such property listed on the general tax list of personal property for the next preceding tax year.

In computing the fixed-rate levy losses under divisions (D)(1), (2), and (3) of this section for any school district, joint vocational school district, or local taxing unit to which division (C)(5) of this section applies, the taxable value of such property as listed on the general tax list of personal property...
for tax year 2000 shall be substituted for the taxable value of such property as reported by taxpayers for tax year 2004, in the taxing district containing the uranium facility, if the taxable value listed for tax year 2000 is greater than the taxable value reported by taxpayers for tax year 2004. For the purpose of making the computations under divisions (D)(1), (2), and (3) of this section, the tax year 2000 valuation is to be allocated to machinery and equipment, inventory, and furniture and fixtures property in the same proportions as the tax year 2004 values. For the purpose of the calculations in division (A) of section 5751.21 of the Revised Code, the tax year 2004 taxable values shall be used.

To facilitate the calculations required under division (C) of this section, the county auditor, upon request from the tax commissioner, shall provide by August 1, 2005, the values of machinery and equipment, inventory, and furniture and fixtures for all single-county personal property taxpayers for tax year 2004.

(D) Not later than September 15, 2005, the tax commissioner shall determine for each tax year from 2006 through 2009 for each school district, joint vocational school district, and local taxing unit its machinery and equipment, inventory, and furniture and fixtures fixed-rate levy losses, and for each tax year from 2006 through 2011 its telephone property fixed-rate levy loss. Except as provided in division (F) of this section, such losses are the applicable amounts described in divisions (D)(1), (2), (3), and (4) of this section:

(1) The machinery and equipment fixed-rate levy loss is the machinery and equipment property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.

(2) The inventory fixed-rate loss is the inventory property tax value loss multiplied by the sum of the tax rates of fixed-rate qualifying levies.
(3) The furniture and fixtures fixed-rate levy loss is the
topbill furniture and fixture property tax value loss multiplied by the
sum of the tax rates of fixed-rate qualifying levies.

(4) The telephone property fixed-rate levy loss is the
telephone property tax value loss multiplied by the sum of the tax
rates of fixed-rate qualifying levies.

(E) Not later than September 15, 2005, the tax commissioner
shall determine for each school district, joint vocational school
district, and local taxing unit its fixed-sum levy loss. The
fixed-sum levy loss is the amount obtained by subtracting the
amount described in division (E)(2) of this section from the
amount described in division (E)(1) of this section:

(1) The sum of the machinery and equipment property tax value
loss, the inventory property tax value loss, and the furniture and
fixtures property tax value loss, and, for 2008 through 2010, the
telephone property tax value loss of the district or unit
multiplied by the sum of the fixed-sum tax rates of qualifying
levies. For 2006 through 2010, this computation shall include all
qualifying levies remaining in effect for the current tax year and
any school district levies charged and payable under section
5705.194 or 5705.213 of the Revised Code that are qualifying
levies not remaining in effect for the current year. For 2011
through 2017 in the case of school district levies charged and
payable under section 5705.194 or 5705.213 of the Revised Code and
for all years after 2010 in the case of other fixed-sum levies,
this computation shall include only qualifying levies remaining in
effect for the current year. For purposes of this computation, a
qualifying school district levy charged and payable under section
5705.194 or 5705.213 of the Revised Code remains in effect in a
year after 2010 only if, for that year, the board of education
levies a school district levy charged and payable under section
5705.194, 5705.199, 5705.213, or 5705.219 of the Revised Code for
an annual sum at least equal to the annual sum levied by the board in tax year 2004 less the amount of the payment certified under this division for 2006.

(2) The total taxable value in tax year 2004 less the sum of the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses in each school district, joint vocational school district, and local taxing unit multiplied by one-half of one mill per dollar.

(3) For the calculations in divisions (E)(1) and (2) of this section, the tax value losses are those that would be calculated for tax year 2009 under divisions (C)(1), (2), and (3) of this section and for tax year 2011 under division (C)(4) of this section.

(4) To facilitate the calculation under divisions (D) and (E) of this section, not later than September 1, 2005, any school district, joint vocational school district, or local taxing unit that has a qualifying levy that was approved at an election conducted during 2005 before September 1, 2005, shall certify to the tax commissioner a copy of the county auditor's certificate of estimated property tax millage for such levy as required under division (B) of section 5705.03 of the Revised Code, which is the rate that shall be used in the calculations under such divisions.

If the amount determined under division (E) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the reimbursement to be paid pursuant to division (E) of section 5751.21 or division (A)(3) of section 5751.22 of the Revised Code, and the one-half of one mill that is subtracted under division (E)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion that each levy bears to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit.
(F) If a school district levies a tax under section 5705.219 of the Revised Code, the fixed-rate levy loss for qualifying levies, to the extent repealed under that section, shall equal the sum of the following amounts in lieu of the amounts computed for such levies under division (D) of this section:

(1) The sum of the rates of qualifying levies to the extent so repealed multiplied by the sum of the machinery and equipment, inventory, and furniture and fixtures tax value losses for 2009 as determined under that division;

(2) The sum of the rates of qualifying levies to the extent so repealed multiplied by the telephone property tax value loss for 2011 as determined under that division.

The fixed-rate levy losses for qualifying levies to the extent not repealed under section 5705.219 of the Revised Code shall be as determined under division (D) of this section. The revised fixed-rate levy losses determined under this division and division (D) of this section first apply in the year following the first year the district levies the tax under section 5705.219 of the Revised Code.

(G) Not later than October 1, 2005, the tax commissioner shall certify to the department of education for every school district and joint vocational school district the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses determined under division (C) of this section, the machinery and equipment, inventory, furniture and fixtures, and telephone fixed-rate levy losses determined under division (D) of this section, and the fixed-sum levy losses calculated under division (E) of this section. The calculations under divisions (D) and (E) of this section shall separately display the levy loss for each levy eligible for reimbursement.

(H) Not later than October 1, 2005, the tax commissioner...
shall certify the amount of the fixed-sum levy losses to the county auditor of each county in which a school district, joint vocational school district, or local taxing unit with a fixed-sum levy loss reimbursement has territory.

(I) Not later than the twenty-eighth day of February each year beginning in 2011 and ending in 2014, the tax commissioner shall certify to the department of education for each school district first levying a tax under section 5705.219 of the Revised Code in the preceding year the revised fixed-rate levy losses determined under divisions (D) and (F) of this section.

(J)(1) There is hereby created in the state treasury the commercial activity tax motor fuel receipts fund.

(2)(a) On or before June 15, 2014, the director of the Ohio public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in fiscal years 2013 and 2014 on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, and 2p of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in each of fiscal years 2013 and 2014 according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

(b) On or before June 30, 2014, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division (J)(2)(a) of this section and shall reserve that amount from the cash balance in the commercial activity tax motor fuel receipts fund for transfer to the general
revenue fund at times and in amounts to be determined by the director. The director shall transfer the cash balance in the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before June 30, 2014.

(3)(a) On or before the fifteenth day of June of each fiscal year beginning with fiscal year 2015, the director of the Ohio public works commission shall certify to the director of budget and management the amount of debt service paid from the general revenue fund in the current fiscal year on bonds issued to finance or assist in the financing of the cost of local subdivision public infrastructure capital improvement projects, as provided for in Sections 2k, 2m, and 2p of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

(b) On or before the thirtieth day of June of each fiscal year beginning with fiscal year 2015, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division (J)(3)(a) of this section and shall reserve that amount from the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund for transfer to the general revenue fund at times and in amounts to be determined by the director. The director shall transfer the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before the thirtieth day of June of the
current fiscal year.

Sec. 5751.21. (A) No determinations, computations, certifications, or payments shall be made under this section after June 30, 2015.

(A) Not later than the thirtieth day of July of 2007 through 2010, the department of education shall consult with the director of budget and management and determine the following for each school district and each joint vocational school district eligible for payment under division (B) of this section:

(1) The state education aid offset, which, except as provided in division (A)(1)(c) of this section, is the difference obtained by subtracting the amount described in division (A)(1)(b) of this section from the amount described in division (A)(1)(a) of this section:

(a) The state education aid computed for the school district or joint vocational school district for the current fiscal year as of the thirtieth day of July;

(b) The state education aid that would be computed for the school district or joint vocational school district for the current fiscal year as of the thirtieth day of July if the valuation used in the calculation in division (B)(1) of section 3306.13 of the Revised Code as that division existed for fiscal years 2010 and 2011 included the machinery and equipment, inventory, furniture and fixtures, and telephone property tax value losses for the school district or joint vocational school district for the second preceding tax year, and if taxes charged and payable associated with the tax value losses are accounted for in any state education aid computation dependent on taxes charged and payable.

(c) The state education aid offset for fiscal year 2010 and
fiscal year 2011 equals the greater of the state education aid offset calculated for that fiscal year under divisions (A)(1)(a) and (b) of this section and the state education aid offset calculated for fiscal year 2009. For fiscal years 2012 and 2013, the state education aid offset equals the state education aid offset for fiscal year 2011.

(2) For fiscal years 2008 through 2011, the greater of zero or the difference obtained by subtracting the state education aid offset determined under division (A)(1) of this section from the sum of the machinery and equipment fixed-rate levy loss, the inventory fixed-rate levy loss, furniture and fixtures fixed-rate levy loss, and telephone property fixed-rate levy loss certified under divisions (G) and (I) of section 5751.20 of the Revised Code for all taxing districts in each school district and joint vocational school district for the second preceding tax year.

By the thirtieth day of July of each such year, the department of education and the director of budget and management shall agree upon the amount to be determined under division (A)(1) of this section.

(B) On or before the thirty-first day of August of 2008, 2009, and 2010, the department of education shall recalculate the offset described under division (A) of this section for the previous fiscal year and recalculate the payments made under division (C) of this section in the preceding fiscal year using the offset calculated under this division. If the payments calculated under this division differ from the payments made under division (C) of this section in the preceding fiscal year, the difference shall either be paid to a school district or recaptured from a school district through an adjustment at the same times during the current fiscal year that the payments under division (C) of this section are made. In August and October of the current fiscal year, the amount of each adjustment shall be three-sevenths
of the amount calculated under this division. In May of the current fiscal year, the adjustment shall be one-seventh of the amount calculated under this division.

(C) The department of education shall pay from the school district tangible property tax replacement fund to each school district and joint vocational school district all of the following for fixed-rate levy losses certified under divisions (G) and (I) of section 5751.20 of the Revised Code:

(1) On or before May 31, 2006, one-seventh of the total fixed-rate levy loss for tax year 2006;

(2) On or before August 31, 2006, and October 31, 2006, one-half of six-sevenths of the total fixed-rate levy loss for tax year 2006;

(3) On or before May 31, 2007, one-seventh of the total fixed-rate levy loss for tax year 2007;

(4) On or before August 31, 2007, and October 31, 2007, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2008, but not less than zero, plus one-half of six-sevenths of the difference between the total fixed-rate levy loss for tax year 2007 and the total fixed-rate levy loss for tax year 2006.

(5) On or before May 31, 2008, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal year 2008, but not less than zero, plus one-seventh of the difference between the total fixed-rate levy loss for tax year 2008 and the total fixed-rate levy loss for tax year 2006.

(6) On or before August 31, 2008, and October 31, 2008, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2009, but not less than zero, plus one-half of six-sevenths of the difference between the total fixed-rate levy loss in tax year 2008 and the total
fixed-rate levy loss in tax year 2007.

(7) On or before May 31, 2009, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal year 2009, but not less than zero, plus one-seventh of the difference between the total fixed-rate levy loss for tax year 2009 and the total fixed-rate levy loss for tax year 2007.

(8) On or before August 31, 2009, and October 31, 2009, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2010, but not less than zero, plus one-half of six-sevenths of the difference between the total fixed-rate levy loss in tax year 2009 and the total fixed-rate levy loss in tax year 2008.

(9) On or before May 31, 2010, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal year 2010, but not less than zero, plus one-seventh of the difference between the total fixed-rate levy loss in tax year 2010 and the total fixed-rate levy loss in tax year 2008.

(10) On or before August 31, 2010, and October 31, 2010, forty-three per cent of the amount determined under division (A)(2) of this section for fiscal year 2011, but not less than zero, plus one-half of six-sevenths of the difference between the telephone property fixed-rate levy loss for tax year 2010 and the telephone property fixed-rate levy loss for tax year 2009.

(11) On or before May 31, 2011, fourteen per cent of the amount determined under division (A)(2) of this section for fiscal year 2011, but not less than zero, plus one-seventh of the difference between the telephone property fixed-rate levy loss for tax year 2011 and the telephone property fixed-rate levy loss for tax year 2009.

(12) For fiscal years 2012 and thereafter, the sum of the amounts in divisions (C)(12)(a) or (b) and (c) of this section.
shall be paid on or before the last day of November and the last day of May:

(a) If the ratio of current expense TPP allocation to total resources is equal to or less than the threshold per cent, zero;

(b) If the ratio of current expense TPP allocation to total resources is greater than the threshold per cent, fifty per cent of the difference of current expense TPP allocation minus the product of total resources multiplied by the threshold per cent;

(c) Fifty per cent of the product of non-current expense TPP allocation multiplied by seventy-five per cent for fiscal year 2012 and fifty per cent for fiscal years 2013 and thereafter.

The department of education shall report to each school district and joint vocational school district the apportionment of the payments among the school district's or joint vocational school district's funds based on the certifications under divisions (G) and (I) of section 5751.20 of the Revised Code.

(D) For taxes levied within the ten-mill limitation for debt purposes in tax year 2005, payments shall be made equal to one hundred per cent of the loss computed as if the tax were a fixed-rate levy, but those payments shall extend from fiscal year 2006 through fiscal year 2018, as long as the qualifying levy continues to be used for debt purposes. If the purpose of such a qualifying levy is changed, that levy becomes subject to the payments determined in division (C) of this section.

(E)(1) Not later than January 1, 2006, for each fixed-sum levy of each school district or joint vocational school district and for each year for which a determination is made under division (E) of section 5751.20 of the Revised Code that a fixed-sum levy loss is to be reimbursed, the tax commissioner shall certify to the department of education the fixed-sum levy loss determined under that division. The certification shall cover a time period...
sufficient to include all fixed-sum levies for which the commissioner made such a determination. On or before the last day of May of the current year, the department shall pay from the school district property tax replacement fund to the school district or joint vocational school district one-third of the fixed-sum levy loss so certified, plus one-third of the amount certified under division (I) of section 5751.20 of the Revised Code, and on or before the last day of November, two-thirds of the fixed-sum levy loss so certified, plus two-thirds of the amount certified under division (I) of section 5751.20 of the Revised Code. Payments under this division of the amounts certified under division (I) of section 5751.20 of the Revised Code shall continue until the levy adopted under section 5705.219 of the Revised Code expires.

(2) Beginning in 2006, by the first day of January of each year, the tax commissioner shall review the certification originally made under division (E)(1) of this section. If the commissioner determines that a debt levy that had been scheduled to be reimbursed in the current year has expired, a revised certification for that and all subsequent years shall be made to the department of education.

(F) Beginning in September 2007 and through June 2013, the director of budget and management shall transfer from the school district tangible property tax replacement fund to the general revenue fund each of the following:

(1) On the first day of September, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section;

(2) On the first day of December, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section;
(3) On the first day of March, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section;

(4) On the first day of June, one-fourth of the amount determined for that fiscal year under division (A)(1) of this section.

If, when a transfer is required under division (F)(1), (2), (3), or (4) of this section, there is not sufficient money in the school district tangible property tax replacement fund to make the transfer in the required amount, the director shall transfer the balance in the fund to the general revenue fund and may make additional transfers on later dates as determined by the director in a total amount that does not exceed one-fourth of the amount determined for the fiscal year.

The calculation of the fixed-sum levy loss shall cover a time period sufficient to include all fixed-sum levies for which the commissioner determined, pursuant to division (E) of section 5751.20 of the Revised Code, that a fixed-sum levy loss is to be reimbursed.

(1) Except as provided in division (A)(3) of this section, for fixed-rate levy losses determined under division (D) of section 5751.20 of the Revised Code, payments shall be made in an amount equal to the following:

the amount of one hundred per cent of the fixed-sum levy loss for payments required to be made in 2006 through 2011, except that no payments shall be made for qualifying levies that have expired. For payments required to be made in 2012 and thereafter, payments shall be made in the amount of fifty per cent of the fixed-sum levy loss until the qualifying levy has expired.

If the purpose of such a qualifying levy is changed, that levy becomes subject to the payment schedules in divisions (A)(1)(a) to (h) of this section. No payments shall be made for such levies after calendar year 2017. For the purposes of this division, taxes levied pursuant to a municipal charter refer to taxes levied pursuant to a provision of a municipal charter that permits the tax to be levied without prior voter approval.

(D) For each of the fiscal years 2006 through 2018, if the total amount in the local government tangible property tax replacement fund is insufficient to make all payments under division (C) of this section at the times the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the local government tangible property tax replacement fund the difference between the total amount to be paid and the amount in the local government tangible property tax replacement fund. submission of documentation that is inconsistent with standards
established in rules adopted under division (J)(7) of this
section;

by a certified water quality professional to ensure compliance
with requirements established in rules adopted under division

Section 207.70. DAS - BUILDING OPERATING PAYMENTS AND BUILDING MANAGEMENT FUND

Following the Director of Budget and Management's approval of
FY 2016 rental rates for buildings managed by the Department of Administrative Services, the Director of Budget and Management may adjust FY 2016 and FY 2017 General Revenue Fund appropriations of the Department of Administrative Services and other state agencies to reflect accurately the rental amounts agencies will pay for occupied, vacant, or other space that is supported by the General Revenue Fund. Total General Revenue Fund appropriations may decrease but may not increase as a result of the appropriation adjustments made under this section. The foregoing appropriation item 130321, State Agency Support Services, shall be used to pay the rent expenses of veterans organizations pursuant to section 123.024 of the Revised Code in fiscal years 2016 and 2017.

The foregoing appropriation item, 130321, State Agency Support Services, also may be used to provide funding for the cost of property appraisals or building studies that the Department of Administrative Services may be required to obtain for property that is being sold by the state or property under consideration to be renovated or purchased by the state.

Notwithstanding section 125.28 of the Revised Code, the foregoing appropriation item 130321, State Agency Support Services, also may be used to pay the operating expenses of state facilities maintained by the Department of Administrative Services that are not billed to building tenants, or other costs associated with the Voinovich Center in Youngstown, Ohio. These expenses may include, but are not limited to, the costs for vacant space and space undergoing renovation, and the rent expenses of tenants that are relocated because of building renovations. These payments may be processed by the Department of Administrative Services through intrastate transfer vouchers and placed into the Building Management Fund (Fund 1320).

At least once per year, the portion of appropriation item 130321, State Agency Support Services, that is not used for the
regular expenses of the appropriation item shall be processed by the Department of Administrative Services through intrastate voucher and placed in the Building Improvement Fund (Fund 5KZ0).

Section 207.80. PROFESSIONAL DEVELOPMENT FUND

The foregoing appropriation item 100610, Professional Development, shall be used to make payments from the Professional Development Fund (Fund 5L70) under section 124.182 of the Revised Code. If it is determined by the Director of Administrative Services that additional amounts are necessary, the Director of Administrative Services may request that the Director of Budget and Management approve additional amounts. Such approved additional amounts are hereby appropriated.

**Section 207.110. CENTRAL SERVICE AGENCY FUND**

The foregoing appropriation item 100632, Central Service Agency, shall be used to purchase the equipment, products, and services that are needed to maintain existing automated applications for the professional licensing boards and the Casino Control Commission to support board licensing functions in fiscal years 2016 and 2017 until these functions are replaced by the Ohio Professionals Licensing System. The Department of Administrative Services shall establish charges for recovering the costs of carrying out these functions. The charges shall be billed to the professional licensing boards and the Casino Control Commission, and deposited via intrastate transfer vouchers to the credit of the Central Service Agency Fund (Fund 1150).

Upon implementation of the replacement Ohio Professionals Licensing System and the decommissioning of the existing automated applications, the Director of Budget and Management may transfer any cash balances that remain in the Central Service Agency Fund (Fund 1150) and that are attributable to the operation of the existing automated applications to the Professions Licensing System Fund (Fund 5JQ0).

**Section 207.120. GENERAL SERVICE CHARGES**

The Department of Administrative Services, with the approval of the Director of Budget and Management, shall establish charges for recovering the costs of administering the programs funded by the General Services Fund (Fund 1170) and the State Printing Fund (Fund 2100). The charges may be used to recover the cost of paying

If the Director of Administrative Services determines that
additional amounts are necessary to pay for consulting and
administrative costs related to securing lower pricing, the
Director of Administrative Services may request that the Director
of Budget and Management approve additional expenditures. Such
approved additional amounts are appropriated to appropriation item
100644, General Services Division-Operating.

Section 207.130. COLLECTIVE BARGAINING ARBITRATION EXPENSES

With approval of the Director of Budget and Management, the
Department of Administrative Services may seek reimbursement from
state agencies for the actual costs and expenses the Department
incurs in the collective bargaining arbitration process. The
reimbursements shall be processed through intrastate transfer
vouchers and credited to the Collective Bargaining Fund (Fund
1280).

Section 207.140. EQUAL OPPORTUNITY PROGRAM

The Department of Administrative Services, with the approval
of the Director of Budget and Management, shall establish charges
for recovering the costs of administering the activities supported
by the State EEO Fund (Fund 1880). These charges shall be
deposited to the credit of Fund 1880 upon payment made by state

education, and tax-supported agencies, municipal corporations, and
other political subdivisions of the state, for services rendered.

Services acting as the purchasing agent for one or more government entities under the authority of division (G) of section 125.18 of the Revised Code to make information technology purchases at a lower aggregate cost than each individual government entity could have obtained independently for that information technology purchase. If the Director of Administrative Services determines that additional amounts are necessary to pay for pass-through information technology purchases that will be billed to one or more state agencies, the Director shall seek Controlling Board approval for an increase in appropriation sufficient to pay for the requested purchase.

Section 207.160. INVESTMENT RECOVERY FUND

Notwithstanding division (B) of section 125.14 of the Revised Code, cash balances in the Investment Recovery Fund (Fund 4270) may be used to support the operating expenses of the Federal Surplus Operating Program created in sections 125.84 to 125.90 of the Revised Code.

The Director of Administrative Services shall use the foregoing appropriation item 100602, Investment Recovery, to pay the operating expenses of the State Surplus Property Program and the Surplus Federal Property Program, under Chapter 125. of the Revised Code and this section. If additional appropriations are necessary for the operations of these programs, the Director of Administrative Services shall seek increased appropriations from the Controlling Board under section 131.35 of the Revised Code.

The Director of Administrative Services shall transfer proceeds from the sale of surplus property from the Investment Recovery Fund to non-General Revenue Funds under division (A)(2) of section 125.14 of the Revised Code.

Section 207.170. MAJOR IT PURCHASES CHARGES

These charges shall be deposited to the credit of the Major IT Purchases Fund (Fund 4N60).

**Section 207.180. CASH TRANSFER FROM THE MARCS ADMINISTRATION FUND TO GRF**

Upon the request of the Director of Administrative Services, the Director of Budget and Management may transfer unobligated cash in the MARCS Administration Fund (Fund 5C20) to the General Revenue Fund to reimburse the General Revenue Fund for lease rental payments made on behalf of the MARCS upgrade.

**Section 207.190. PROFESSIONS LICENSING SYSTEM**

The foregoing appropriation item, 100658, Ohio Professionals Licensing System, shall be used to purchase the equipment, products, and services necessary to develop and maintain a replacement automated licensing system for the professional licensing boards.

Effective with the implementation of the replacement licensing system, the Department of Administrative Services shall establish charges for recovering the costs of ongoing maintenance of the system. The charges shall be billed to the professional licensing boards and the Casino Control Commission, and deposited via intrastate transfer vouchers to the credit of the Professions Licensing System Fund (Fund 5JQ0), which is hereby created in the state treasury.

**Section 207.200. BUILDING IMPROVEMENT FUND**
The foregoing appropriation item 100659, Building Improvement, shall be used to make payments from the Building Improvement Fund (Fund 5KZ0) for major maintenance or improvements required in facilities maintained by the Department of Administrative Services. The Department of Administrative Services shall conduct or contract for regular assessments of these buildings and shall maintain a cash balance in Fund 5KZ0 equal to the cost of the repairs and improvements that are recommended to occur within the next five years, with the following exception described below.

Upon request of the Director of Administrative Services, the Director of Budget and Management may permit a cash transfer from Fund 5KZ0 to the Building Management Fund (Fund 1320) to pay costs of operating and maintaining facilities managed by the Department of Administrative Services that are not charged to tenants during the same fiscal year.

Should the cash balance in Fund 1320 be determined to be sufficient, the Director of Administrative Services may request that the Director of Budget and Management transfer cash from Fund 1320 to 5KZ0 in an amount equal to the initial cash transfer made under this section plus applicable interest.

On July 1, 2015, or as soon as possible thereafter, the Director of Budget and Management shall transfer $1,000,000 cash from the General Revenue Fund to Fund 5KZ0. The cash transferred is hereby appropriated for use under appropriation item 100659, Building Improvement.

Section 207.210. INFORMATION TECHNOLOGY DEVELOPMENT

The foregoing appropriation item 100661, IT Development, shall be used by the Department of Administrative Services to pay the costs of modernizing the state's information technology management and investment practices away from a limited,
agency-specific focus in favor of a statewide methodology supporting development of enterprise solutions.

The Department of Administrative Services, with the approval of the Director of Budget and Management, may charge state agencies an information technology development assessment based on state agencies' information technology expenditures or other methodology. The revenue from this assessment shall be deposited in the Information Technology Development Fund (Fund 5LJ0), which is hereby created.

**Section 207.220. MULTI-AGENCY RADIO COMMUNICATION SYSTEM DEBT SERVICE PAYMENTS**

The Director of Administrative Services, in consultation with the Multi-Agency Radio Communication System (MARCS) Steering Committee and the Director of Budget and Management, shall determine the share of debt service payments attributable to spending for MARCS components that are not specific to any one agency and that shall be charged to agencies supported by the motor fuel tax. Such share of debt service payments shall be calculated for MARCS capital disbursements made beginning July 1, 1997. Within thirty days of any payment made from appropriation item 100447, Administrative Buildings Lease Rental Bond Payments, the Director of Administrative Services shall certify to the Director of Budget and Management the amount of this share. The Director of Budget and Management shall transfer such amounts to the General Revenue Fund from the State Highway Safety Fund (Fund 7036) established in section 4501.06 of the Revised Code.

The Director of Administrative Services shall consider renting or leasing existing tower sites at reasonable or current market rates, so long as these existing sites are equipped with the technical capabilities to support the MARCS project.
Section 207.230. ENTERPRISE IT STRATEGY IMPLEMENTATION

The Director of Administrative Services shall determine and implement strategies that benefit the enterprise by improving efficiency, reducing costs or enhancing capacity of information technology (IT) services. Such improvements and efficiencies may result in the consolidation and transfer of such services. As determined to be necessary for successful implementation of this section and notwithstanding any provision of law to the contrary, the Director of Administrative Services may request the Director of Budget and Management to consolidate or transfer IT-specific budget authority between agencies or within an agency as necessary to implement enterprise IT cost containment strategies and related efficiencies. Once the Director of Budget and Management is satisfied that the proposed initiative is cost advantageous to the enterprise, the Director of Budget and Management may transfer appropriations, funds and cash as needed to implement the proposed initiative. The establishment of any new fund or additional appropriation as a result of this section will be subject to Controlling Board approval.

The Director of Budget and Management and the Director of Administrative Services may transfer any employees, assets, and liabilities, including, but not limited to, records, contracts, and agreements in order to facilitate the improvements determined in accordance with this section.

Sub. H. B. No. 64 Page 2687
As Pending in House Finance Committee
Of the foregoing appropriation item 800639, Fire Department Grants, up to $5,200,000 in fiscal year 2016 and $5,200,000 in fiscal year 2017 shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services. If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually
agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

Of the foregoing appropriation item 800639, Fire Department Grants, up to $500,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the Department of Public Safety in accordance with section 4765.55 of the Revised Code at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such
classes by written policy, and such students shall be considered eligible recipients of fire department grants for the purposes of this portion of the grant program.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state.

Of the foregoing appropriation item 800639, Fire Department Grants, up to $3,000,000 in each fiscal year may be used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to access MARCS.

MARCS Grant awards may be up to $50,000 in each fiscal year per eligible recipient. Each eligible recipient may only apply, as a separate entity or as a part of a joint application, for one MARCS Grant per fiscal year. The State Fire Marshal may give a preference in the awarding of MARCS Grants to grants that will enhance the overall interoperability and effectiveness of emergency communication networks in the geographic region that includes and that is adjacent to the applicant. Eligible recipients that are or were awarded fire department grants that are not MARCS Grants may also apply for and receive MARCS Grants in accordance with criteria for the awarding of grant funds established by the State Fire Marshal.

Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to $15,000 per fiscal year, or up to $25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection services, an eligible entity may receive a grant for up to $15,000
per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.

The grant program shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds or to obtain reimbursement for or the return of equipment for improperly used grant funds. To the extent consistent with this section and until such time as the rules are updated, the existing rules in the state fire code adopted pursuant to section 3737.82 of the Revised Code for fire department grants under this section apply to MARCS Grants. Any amounts in appropriation item 800639, Fire Department Grants, in excess of the amount allocated for these grants may be used for the administration of the grant program.

FEDERAL SHARE

In transferring appropriations to or from appropriation items that have federal shares identified in this act, the Controlling
Board shall add or subtract corresponding amounts of federal matching funds at the percentages indicated by the state and federal division of the appropriations in this act. Such changes are hereby appropriated.

BALLOT ADVERTISING COSTS

Pursuant to section 3501.17 of the Revised Code, and upon requests submitted by the Secretary of State, the Controlling Board shall approve transfers from the foregoing appropriation item 911441, Ballot Advertising Costs, to appropriation item 050621, Statewide Ballot Advertising, in order to pay for the cost of public notices associated with statewide ballot initiatives.

CAPITAL APPROPRIATION INCREASE FOR FEDERAL STIMULUS ELIGIBILITY

A state agency director shall request that the Controlling Board increase the amount of the agency's capital appropriations if the director determines such an increase is necessary for the agency to receive and use funds under the federal American Recovery and Reinvestment Act of 2009. The Controlling Board may increase the capital appropriations pursuant to the request up to the exact amount necessary under the federal act if the Board determines it is necessary for the agency to receive and use those federal funds.

DISASTER SERVICES

Pursuant to requests submitted by the Department of Public Safety, the Controlling Board may approve transfers from the Disaster Services Fund (Fund 5E20) to a fund and appropriation item used by the Department of Public Safety to provide for assistance to political subdivisions made necessary by natural disasters or emergencies. These transfers may be requested and approved prior to the occurrence of any specific natural disasters or emergencies in order to facilitate the provision of timely
assistance. The Emergency Management Agency of the Department of Public Safety shall use the funding to fund the State Disaster Relief Program for disasters that have a written Governor's authorization, and the State Individual Assistance Program for disasters that have a written Governor's authorization and is declared by the federal Small Business Administration. The Ohio Emergency Management Agency shall publish and make available application packets outlining procedures for the State Disaster Relief Program and the State Individual Assistance Program.

Fund 5E20 shall be used by the Controlling Board, pursuant to requests submitted by state agencies, to transfer cash and appropriations to any fund and appropriation item for the payment of state agency disaster relief program expenses for disasters that have a written Governor's authorization, if the Director of Budget and Management determines that sufficient funds exist.

(F) A new ICF/IID's initial total modified per Medicaid day rate for fiscal year 2016 as determined under division (C)(3) of this section shall be adjusted at the applicable time specified in division (D) of section 5124.151 of the Revised Code. If the adjustment affects the ICF/IID's rate for ICF/IID services provided during fiscal year 2016, the modifications specified in divisions (C)(2) and (D) of this section apply to the adjustment.

(G) If the mean total per Medicaid day rate for all ICFs/IID to which this section applies, weighted by May 2015 Medicaid days and determined under divisions (C) and (D) of this section as of July 1, 2015, is other than $288.99, the Department shall adjust, for fiscal year 2016, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage that is equal to the percentage by which the mean total per Medicaid day rate is greater or less than $288.99.

(H) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

(I) Of the foregoing appropriation items 653407, Medicaid Services, 653606, ICF/IID and Waiver Match, and 653653, ICF/IID, portions shall be used to pay the Medicaid payment rates determined in accordance with this section for ICF/IID services provided during fiscal year 2016.
Section 259.170. FISCAL YEAR 2017 MEDICAID PAYMENT RATES FOR ICFs/IID IN PEER GROUPS 1 AND 2

(A) As used in this section:

(1) "Change of operator," "entering operator," "exiting operator," "ICF/IID," "ICF/IID services," "Medicaid days," "peer group 1," "peer group 2," "peer group 3," "provider," and "provider agreement" have the same meanings as in section 5124.01 of the Revised Code.

(2) "Franchise permit fee" means the fee imposed by sections 5168.60 to 5168.71 of the Revised Code.

(B)(1) This section applies to each ICF/IID that is in peer group 1 or peer group 2 and to which any of the following applies:

(a) The provider of the ICF/IID has a valid Medicaid provider agreement for the ICF/IID on June 30, 2016, and a valid Medicaid provider agreement for the ICF/IID during fiscal year 2017.

(b) The ICF/IID undergoes a change of operator that takes effect during fiscal year 2017, the exiting operator has a valid Medicaid provider agreement for the ICF/IID on the day immediately preceding the effective date of the change of operator, and the entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2017.

(c) The ICF/IID is a new ICF/IID for which the provider obtains an initial provider agreement during fiscal year 2017.

(2) This section does not apply to an ICF/IID in peer group 3.

(3) The Department of Developmental Disabilities shall follow this section in determining the rate to be paid for ICF/IID services provided during fiscal year 2017 by ICFs/IID subject to this section notwithstanding anything to the contrary in Chapter 5124. of the Revised Code.
(C)(1) Except as otherwise provided in this section, the provider of an ICF/IID to which this section applies shall be paid, for ICF/IID services the ICF/IID provides during fiscal year 2017, the total per Medicaid day rate determined for the ICF/IID under division (C)(2) or (3) of this section.

(2) Except in the case of a new ICF/IID, the fiscal year 2017 total per Medicaid day rate for an ICF/IID to which this section applies shall be the ICF/IID's total per Medicaid day rate determined for the ICF/IID in accordance with Chapter 5124. of the Revised Code for fiscal year 2017 with the following modifications:

   (a) The ICF/IID's efficiency incentive for capital costs, as determined under division (F) of section 5124.17 of the Revised Code, shall be reduced by 50 per cent.

   (b) In place of the maximum cost per case-mix unit established for the ICF/IID's peer group under division (C) of section 5124.19 of the Revised Code, the ICF/IID's maximum costs per case-mix unit shall be the amount the Department determined for the ICF/IID's peer group for fiscal year 2016 in accordance with division (E) of Section 259.160 of this act.

   (c) In place of the inflation adjustment otherwise calculated under division (D) of section 5124.19 of the Revised Code for the purpose of division (A)(1)(b) of that section, an inflation adjustment of 1.014 shall be used.

   (d) In place of the efficiency incentive otherwise calculated under division (B)(2) of section 5124.21 of the Revised Code, the ICF/IID's efficiency incentive for indirect care costs shall be the following:

      (i) In the case of an ICF/IID in peer group 1, $3.69;

      (ii) In the case of an ICF/IID in peer group 2, $3.19.
(e) In place of the maximum rate for indirect care costs established for the ICF/IID's peer group under division (C) of section 5124.21 of the Revised Code, the maximum rate for indirect care costs for the ICF/IID's peer group shall be the following:

(i) In the case of an ICF/IID in peer group 1, $68.98;

(ii) In the case of an ICF/IID in peer group 2, $59.60.

(f) In place of the inflation adjustment otherwise calculated under division (D)(1) of section 5124.21 of the Revised Code for the purpose of division (B)(1) of that section only, an inflation adjustment of 1.014 shall be used.

(g) In place of the inflation adjustment otherwise made under section 5124.23 of the Revised Code, the ICF/IID's desk-reviewed, actual, allowable, per Medicaid day other protected costs, excluding the franchise permit fee, from calendar year 2015 shall be multiplied by 1.014.

(h) After all of the modifications specified in divisions (C)(2)(a) to (g) of this section have been made, the ICF/IID's total per Medicaid day rate shall be increased by the direct support personnel payment determined in accordance with division (D) of this section.

(3) The fiscal year 2017 initial total per Medicaid day rate for a new ICF/IID to which this section applies shall be the ICF/IID's initial total per Medicaid day rate determined for the ICF/IID in accordance with section 5124.151 of the Revised Code for fiscal year 2017 with the following modifications:

(a) In place of the amount determined under division (B)(2)(a) of section 5124.151 of the Revised Code, if there are no cost or resident assessment data for the new ICF/IID, the new ICF/IID's initial per Medicaid day rate for direct care costs shall be determined as follows:
(i) Determine the median of the costs per case-mix units of each peer group;

(ii) Multiply the median determined under division (C)(3)(a)(i) of this section by the median annual average case-mix score for the new ICF/IID's peer group for calendar year 2015;

(iii) Multiply the product determined under division (C)(3)(a)(ii) of this section by 1.014.

(b) In place of the amount determined under division (B)(3) of section 5124.151 of the Revised Code, the new ICF/IID's initial per Medicaid day rate for indirect care costs shall be the following:

(i) If the new ICF/IID is in peer group 1, $68.98;

(ii) If the new ICF/IID is in peer group 2, $59.60.

(c) In place of the amount determined under division (B)(4) of section 5124.151 of the Revised Code, the new ICF/IID's initial per Medicaid day rate for other protected costs shall be 115 percent of the median rate for ICFs/IID determined under section 5124.23 of the Revised Code with the modification made under division (C)(2)(g) of this section.

(d) After all of the modifications specified in divisions (C)(3)(a) to (c) of this section have been made, the new ICF/IID's initial total per Medicaid day rate shall be increased by the median direct support personnel payment determined under division (D) of this section for all ICFs/IID to which this section applies.

(D) An ICF/IID's direct support personnel payment for the purpose of division (C)(2)(h) of this section shall be a percentage, as determined by the Department, of the ICF/IID's per diem, desk-reviewed, actual, allowable direct care costs. In determining the percentage, the Department shall, to the greatest
extent possible, do both of the following:

(1) Avoid rate reductions under division (F) of this section;

(2) Use the same percentage for all ICFs/IID to which this section applies.

(E) A new ICF/IID's initial total modified per Medicaid day rate for fiscal year 2017 as determined under division (C)(3) of this section shall be adjusted at the applicable time specified in division (D) of section 5124.151 of the Revised Code. If the adjustment affects the ICF/IID's rate for ICF/IID services provided during fiscal year 2017, the modifications specified in division (C)(2) of this section apply to the adjustment.

(F)(1) If the mean total per Medicaid day rate for all ICFs/IID to which this section applies, weighted by May 2016 Medicaid days and determined under division (C) of this section as of July 1, 2016, is other than the amount determined under division (F)(2) of this section, the Department shall adjust, for fiscal year 2017, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage that is equal to the percentage by which the mean total per Medicaid day rate is greater or less than the amount determined under division (F)(2) of this section.

(2) The amount to be used for the purpose of division (F)(1) of this section shall be not less than $288.27. The department, in its sole discretion, may use a larger amount for the purpose of that division. In determining whether to use a larger amount, the department may consider any of the following:

(a) The reduction in the total Medicaid-certified capacity of all ICFs/IID that occurs in fiscal year 2016, and the reduction that is projected to occur in fiscal year 2017, as a result of either of the following:

(i) A downsizing pursuant to a plan approved by the
Department under section 5123.042 of the Revised Code;
(ii) A conversion of beds to providing home and community-based services under the Individual Options waiver pursuant to section 5124.60 or 5124.61 of the Revised Code.

(b) The increase in Medicaid payments made for ICF/IID services provided during fiscal year 2016, and the increase that is projected to occur in fiscal year 2017, as a result of the modifications to the payment rates made under section 5124.101 of the Revised Code;

(c) The total reduction in the number of ICF/IID beds that occurs pursuant to section 5124.67 of the Revised Code;

(d) Other factors the Department determines to be relevant.

(G) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

(H) Of the foregoing appropriation items 653407, Medicaid Services, 653606, ICF/IID and Waiver Match, and 653653, ICF/IID, portions shall be used to pay the Medicaid payment rates determined in accordance with this section for ICF/IID services provided during fiscal year 2017.

Section 259.180. FISCAL YEAR 2016 MEDICAID PAYMENT RATES FOR ICFs/IID IN PEER GROUP 3

(A) As used in this section:

(1) "ICF/IID," "ICF/IID services," "peer group 3," "provider," and "provider agreement" have the same meanings as in section 5124.01 of the Revised Code.
(2) "Franchise permit fee" means the fee imposed by sections 5168.60 to 5168.71 of the Revised Code.

(B)(1) This section applies to each ICF/IID that is in peer group 3 and for which the provider obtained an initial provider agreement during fiscal year 2015.

(2) The Department of Developmental Disabilities shall follow this section in determining the rate to be paid for ICF/IID services provided during fiscal year 2016 by ICFs/IID subject to this section notwithstanding anything to the contrary in Chapter 5124. of the Revised Code.

(C) Except as otherwise provided in this section, the provider of an ICF/IID to which this section applies shall continue to be paid, for ICF/IID services the ICF/IID provides during fiscal year 2016, the ICF/IID's total per Medicaid day rate in effect on June 30, 2015.

(D) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the amount it pays ICF/IID providers under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

Section 259.190. TRANSFER OF FUNDS FOR OUTLIER SERVICES PROVIDED TO PEDIATRIC VENTILATOR-DEPENDENT ICF/IID RESIDENTS

As used in this section, "ICF/IID" and "ICF/IID services" have the same meanings as in section 5124.01 of the Revised Code.

Each quarter during fiscal year 2016 and fiscal year 2017, the Director of Developmental Disabilities shall certify to the Director of Budget and Management the amount needed to pay the nonfederal share of the costs of the Medicaid rate add-on paid to ICFs/IID pursuant to section 5124.25 of the Revised Code for

---

Sub. H. B. No. 64  As Pending in House Finance Committee
providing outlier ICF/IID services to residents who qualify for the services and are transferred to ICFs/IID from hospitals at which they receive ventilator services at the time of their transfer to the ICFs/IID.

On receipt of a certification, the Director of Budget and Management shall transfer appropriations equaling the certified amount from appropriation item 651525, Medicaid/Health Care Services, to appropriation item 653407, Medicaid Services, and, in addition, shall reduce the appropriation in 651525, Medicaid/Health Care Services, by the corresponding federal share.

If receipts credited to the Developmental Center and Residential Facility Services and Support Fund (Fund 3A40), used by the Department of Developmental Disabilities, exceed the amounts appropriated in appropriation item 653653, ICF/IID, the Director of Developmental Disabilities may request the Director of Budget and Management to authorize expenditures from the fund in excess of the amounts appropriated. Upon approval of the Director of Budget and Management, the additional amounts are hereby appropriated.

Section 259.200. ICF/IID MEDICAID RATE WORKGROUP

As used in this section, "ICF/IID," "ICF/IID services," and "Medicaid-certified capacity" have the same meanings as in section 5124.01 of the Revised Code.

For the purpose of assisting the Department of Developmental Disabilities during fiscal year 2016 and fiscal year 2017 with an evaluation of revisions to the formula used to determine Medicaid payment rates for ICF/IID services, the Department shall retain the workgroup that was created to assist with the study required by Section 309.30.80 of Am. Sub. H.B. 153 of the 129th General Assembly and continued by Section 259.230 of Am. Sub. H.B. 59 of the 130th General Assembly. In conducting the evaluation, the
Department and workgroup shall do both of the following:

(A) Focus primarily on the service needs of individuals with complex challenges that ICFs/IID are able to meet;

(B) Pursue the goal of reducing the Medicaid-certified capacity of individual ICFs/IID and the total number of ICF/IID beds in the state for the purpose of increasing the service choices and community integration of individuals eligible for ICF/IID services.

Section 259.210. NONFEDERAL SHARE OF ICF/IID SERVICES

(A) As used in this section, "ICF/IID," "ICF/IID services," and "Medicaid-certified capacity" have the same meanings as in section 5124.01 of the Revised Code.

(B) The Director of Developmental Disabilities shall pay the nonfederal share of a claim for ICF/IID services using funds specified in division (C) of this section if all of the following apply:

(1) Medicaid covers the ICF/IID services.

(2) The ICF/IID services are provided to a Medicaid recipient to whom both of the following apply:

(a) The Medicaid recipient is eligible for the ICF/IID services;

(b) The Medicaid recipient does not occupy a bed in the ICF/IID that used to be included in the Medicaid-certified capacity of another ICF/IID certified by the Director of Health before June 1, 2003.

(3) The ICF/IID services are provided by an ICF/IID whose Medicaid certification by the Director of Health was initiated or supported by a county board of developmental disabilities.

(4) The provider of the ICF/IID services has a valid Medicaid...
provider agreement for the services for the time that the services are provided.

(C) When required by division (B) of this section to pay the nonfederal share of a claim, the Director of Developmental Disabilities shall use the following funds to pay the claim:

(1) Funds available from appropriation item 322501, County Boards Subsidies, that the Director allocates to the county board that initiated or supported the Medicaid certification of the ICF/IID that provided the ICF/IID services for which the claim is made;

(2) If the amount of funds used pursuant to division (C)(1) of this section is insufficient to pay the claim in full, an amount of funds that are needed to make up the difference and available from amounts the Director allocates to other county boards from appropriation item 322501, County Boards Subsidies.

Section 259.220. PAYMENT RATES FOR HOMEMAKER/PERSONAL CARE SERVICES PROVIDED TO QUALIFYING IO ENROLLEES

(A) As used in this section:

(1) "Converted facility" means an ICF/IID, or former ICF/IID, that converted some or all of its beds to providing home and community-based services under the IO Waiver pursuant to section 5124.60 of the Revised Code.

(2) "Developmental center" and "ICF/IID" have the same meanings as in section 5124.01 of the Revised Code.

(3) "IO Waiver" means the Medicaid waiver component, as defined in section 5166.01 of the Revised Code, known as Individual Options.

(4) "Medicaid provider" has the same meaning as in section 5164.01 of the Revised Code.
(5) "Public hospital" has the same meaning as in section 5122.01 of the Revised Code.

(6) "Qualifying IO enrollee" means an IO Waiver enrollee to whom all of the following apply:

(a) The enrollee resided in a developmental center, converted facility, or public hospital immediately before enrolling in the IO Waiver.

(b) The enrollee did not receive before July 1, 2011, routine homemaker/personal care services from the Medicaid provider that is to be paid the Medicaid rate authorized by this section for providing such services to the enrollee during the period specified in division (C) of this section.

(c) The Director of Developmental Disabilities has determined that the enrollee's special circumstances (including the enrollee's diagnosis, service needs, or length of stay at the developmental center, converted facility, or public hospital) warrants paying the Medicaid rate authorized by this section.

(B) The total Medicaid payment rate for each fifteen minutes of routine homemaker/personal care services that a Medicaid provider provides to a qualifying IO enrollee during the period specified in division (C) of this section shall be fifty-two cents higher than the Medicaid payment rate in effect on the day the services are provided for each fifteen minutes of routine homemaker/personal care services that a Medicaid provider provides to an IO enrollee who is not a qualifying IO enrollee.

(C) Division (B) of this section applies to the first twelve months, consecutive or otherwise, that a Medicaid provider, during the period beginning July 1, 2015, and ending June 30, 2017, provides routine homemaker/personal care services to a qualifying IO enrollee.

(D) Of the foregoing appropriation items 653407, Medicaid.
Services, and 653639, Medicaid Waiver Services, portions shall be used to pay the Medicaid payment rate determined in accordance with this section for routine homemaker/personal care services provided to qualifying IO enrollees.

Section 259.230. UPDATING AUTHORIZING STATUTE CITATIONS

As used in this section, "authorizing statute" means a Revised Code section or provision of a Revised Code section that is cited in the Ohio Administrative Code as the statute that authorizes the adoption of a rule.

The Director of Developmental Disabilities is not required to amend any rule for the sole purpose of updating the citation in the Ohio Administrative Code to the rule's authorizing statute to reflect that this act renumbers the authorizing statute or relocates it to another Revised Code section. Such citations shall be updated as the Director amends the rules for other purposes.

Section 259.240. REASON FOR THE REPEAL OF R.C. 5111.236

This act repeals section 5111.236 of the Revised Code to carry out the intent of the Governor as indicated in the veto message regarding Am. Sub. H.B. 1 of the 128th General Assembly transmitted to the Clerk of the House of Representatives on July 17, 2009. The actual veto removed the section from the title and enacting clause of H.B. 1 and an earmark related to the section. However, the actual veto inadvertently showed only division (C) of the section, rather than the entire section, as being vetoed.

Section 259.250. SYSTEM TRANSFORMATION SUPPORTS

The foregoing appropriation item 320607 (Fund 5QM0), System Transformation Supports, may be used by the Director of Developmental Disabilities as follows:

(A) To purchase one or more residential facility beds for the
purpose of reducing the number of beds that are certified for
participation in Medicaid as ICF/IID beds in Ohio. The director
shall establish priorities for the purchase of beds which may
include beds located in a building in which a nursing facility is
also located and beds which are in a residential facility of
sixteen beds or greater. The purchase price of a bed shall be the
price the director determines is reasonable based on the
established priorities. Division (B) of section 127.16 of the
Revised Code shall not apply to a purchase made under this
section.

(B) To fund other system transformation initiatives
identified by the director.

Section 259.260. ICF/IID PAYMENT METHODOLOGY TRANSFORMATION

As used in this section, "ICF/IID services" has the same
meaning as in section 5124.01 of the Revised Code.

Not later than July 31, 2015, the Department of Developmental
Disabilities shall issue a request for proposals for an entity,
pursuant to a contract with the Department, to develop a plan to
transform the formula used to determine Medicaid payment rates for
ICF/IID services. Any such contract the Department enters into
shall require all of the following:

(A) That the plan do all of the following:

(1) Include quality incentive measures;

(2) Have payments be based on health outcomes;

(3) Promote ICF/IID services that are provided in the most
integrated setting appropriate to the needs of each Medicaid
recipient receiving the services;

(4) Recommend specific changes to the resident assessment
instrument specified in rules authorized by section 5124.191 of
the Revised Code and the grouper methodology prescribed in rules
authorized by section 5124.192 of the Revised Code.

(B) That the entity developing the plan consider the recommendations of both of the following:

(1) The ICF/IID Medicaid Rate Workgroup that was created to assist with the study required by Section 309.30.80 of Am. Sub. H.B. 153 of the 129th General Assembly and retained pursuant to Section 259.230 of Am. Sub. H.B. 59 of the 130th General Assembly;

(2) The ICF/IID Quality Incentive Workgroup created pursuant to the section of this act titled "ICF/IID QUALITY INCENTIVE WORKGROUP."

(C) That the plan be developed with the goal of beginning implementation of the transformation on July 1, 2017.

Section 259.270. ICF/IID QUALITY INCENTIVE WORKGROUP

(A) As used in this section, "ICF/IID" and "ICF/IID services" have the same meanings as in section 5124.01 of the Revised Code.

(B) The Director of Developmental Disabilities shall create the ICF/IID Quality Incentive Workgroup to study the issue of establishing, as part of the Medicaid payment formula for ICF/IID services, accountability measures that act as quality incentives for ICFs/IID. The Director or the Director's designee shall be the Workgroup's chairperson. The Director may appoint one or more staff members of the Department of Developmental Disabilities to also serve on the Workgroup. The Director shall appoint the following to serve on the Workgroup:

(1) Representatives of all of the following:

(a) The Ohio Centers for Intellectual Disabilities formed by the Ohio Health Care Association;

(b) The Values and Faith Alliance;

(c) The Ohio Association of County Boards Serving People with
(d) The Ohio SIBS;

(e) The Arc of Ohio;

(f) The Ohio Provider Resource Association.

(2) One or more persons with developmental disabilities who advocate for such persons.

(C) Members of the Workgroup shall serve without compensation or reimbursement, except to the extent that serving on the Workgroup is considered part of their usual job duties.

(D) The Workgroup shall complete its study, and complete a report with recommendations regarding accountability measures for ICFs/IID, not later than November 4, 2015. The Workgroup shall submit copies of the report to the Governor and, in accordance with section 101.68 of the Revised Code, the General Assembly.

Section 259.280. COMMUNITY SUPPORT AND RENTAL ASSISTANCE

The foregoing appropriation item 322509, Community Support and Rental Assistance, may be used by the Director of Developmental Disabilities to provide funding to county boards of developmental disabilities for rental assistance to individuals with developmental disabilities receiving home and community-based services as defined in section 5123.01 of the Revised Code pursuant to section 5124.60 of the Revised Code or section 5124.69 of the Revised Code and to former residents of a developmental center. The director shall establish the methodology for determining the amount and distribution of such funding.

A portion of the foregoing appropriation item 200321, Operating Expenses, shall be used by the Department of Education to provide matching funds under 20 U.S.C. 2321.

**Section 263.30. INFORMATION TECHNOLOGY DEVELOPMENT AND**
SUPPORT

The foregoing appropriation item 200420, Information Technology Development and Support, shall be used to support the development and implementation of information technology solutions designed to improve the performance and services of the Department of Education. Funds may be used for personnel, maintenance, and equipment costs related to the development and implementation of these technical system projects. Implementation of these systems shall allow the Department to provide greater levels of assistance to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.

Section 263.40. ALTERNATIVE EDUCATION PROGRAMS

Of the foregoing appropriation item 200421, Alternative Education Programs, up to $350,000 in each fiscal year may be used to support the clearinghouse for the identification of and intervention for at-risk students required under section 3301.28 of the Revised Code.

The remainder of appropriation item 200421, Alternative Education Programs, shall be used for the renewal of successful implementation grants and for competitive matching grants to school districts for alternative educational programs for existing and new at-risk and delinquent youth. Programs shall be focused on youth in one or more of the following categories: those who have been expelled or suspended, those who have dropped out of school or who are at risk of dropping out of school, those who are habitually truant or disruptive, or those on probation or on
parole from a Department of Youth Services facility. Grants shall be awarded only to programs in which the grant will not serve as the program's primary source of funding. These grants shall be administered by the Department of Education.

The Department of Education may waive compliance with any minimum education standard established under section 3301.07 of the Revised Code for any alternative school that receives a grant under this section on the grounds that the waiver will enable the program to more effectively educate students enrolled in the alternative school.

Of the foregoing appropriation item 200421, Alternative Education Programs, a portion may be used for program administration, monitoring, technical assistance, support, research, and evaluation.

**Section 263.50. SCHOOL MANAGEMENT ASSISTANCE**

This set-aside may also be used by the Auditor of State to conduct performance audits of other school districts with priority given to districts in fiscal distress. Districts in fiscal distress shall be determined by the Auditor of State and shall include districts that the Auditor of State, in consultation with the Department of Education, determines are employing fiscal practices or experiencing budgetary conditions that could produce a state of fiscal watch or fiscal emergency.
The remainder of appropriation item 200422, School Management Assistance, shall be used by the Department of Education to provide fiscal technical assistance and inservice education for school district management personnel and to administer, monitor, and implement the fiscal caution, fiscal watch, and fiscal emergency provisions under Chapter 3316. of the Revised Code.

Staff supported by this appropriation shall administer the development of reports, analyses, and briefings to inform education policymakers of current trends in education practice, efficient and effective use of resources, and evaluation of programs to improve education results. A portion of these funds shall be used to maintain a longitudinal database to support the assessment of the impact of policies and programs on Ohio's education and workforce development systems. The research efforts supported by this appropriation item shall be used to supply information and analysis of data to and in consultation with the General Assembly and other state policymakers, including the Office of Budget and Management, the Governor's Office of 21st Century Education, and the Legislative Service Commission.

The Department of Education may use funding from this appropriation item to purchase or contract for the development of software systems or contract for policy studies that will assist in the provision and analysis of policy-related information. Section 263.450. RESTRICTION OF LIABILITY FOR CERTAIN REIMBURSEMENTS

(A) Except as expressly required under a court judgment not subject to further appeals, or a settlement agreement with a
school district executed on or before June 1, 2009, in the case of  
a school district for which the formula ADM for fiscal year 2005,  
as reported for that fiscal year under division (A) of section  
3317.03 of the Revised Code, was reduced based on enrollment  
reports for community schools, made under section 3314.08 of the  
Revised Code, regarding students entitled to attend school in the  
district, which reduction of formula ADM resulted in a reduction  
of foundation funding or transitional aid funding for fiscal year  
2005, 2006, or 2007, no school district, except a district named  
in the court's judgment or the settlement agreement, shall have a  
legal claim for reimbursement of the amount of such reduction in  
foundation funding or transitional aid funding, and the state  
shall not have liability for reimbursement of the amount of such  
reduction in foundation funding or transitional aid funding.  

(B) As used in this section:  

(1) "Community school" means a community school established  
under Chapter 3314. of the Revised Code.  

(2) "Entitled to attend school" means entitled to attend  
school in a school district under section 3313.64 or 3313.65 of  
the Revised Code.  

(3) "Foundation funding" means payments calculated for the  
respective fiscal year under Chapter 3317. of the Revised Code.  

(4) "Transitional aid funding" means payments calculated for  
the respective fiscal year under Section 41.37 of Am. Sub. H.B. 95  
of the 125th General Assembly, as subsequently amended; Section  
206.09.39 of Am. Sub. H.B. 66 of the 126th General Assembly, as  
subsequently amended; and Section 269.30.80 of Am. Sub. H.B. 119  
of the 127th General Assembly.  

Section 263.460. UNAUDITABLE COMMUNITY SCHOOL  

(A) If the Auditor of State or a public accountant, pursuant  

to section 117.41 of the Revised Code, declares a community school
established under Chapter 3314. of the Revised Code to be
unauditable, the Auditor of State shall provide written
notification of that declaration to the school, the school's
sponsor, and the Department of Education. The Auditor of State
also shall post the notification on the Auditor of State's web
site.

(B) Notwithstanding any provision to the contrary in Chapter
3314. of the Revised Code or any other provision of law, a sponsor
of a community school that is notified by the Auditor of State
under division (A) of this section that a community school it
sponsors is unauditable shall not enter into contracts with any
additional community schools under section 3314.03 of the Revised
Code until the Auditor of State or a public accountant has
completed a financial audit of that school.

(C) Not later than forty-five days after receiving
notification by the Auditor of State under division (A) of this
section that a community school is unauditable, the sponsor of the
school shall provide a written response to the Auditor of State.
The response shall include the following:

(1) An overview of the process the sponsor will use to review
and understand the circumstances that led to the community school
becoming unauditable;

(2) A plan for providing the Auditor of State with the
documentation necessary to complete an audit of the community
school and for ensuring that all financial documents are available
in the future;

(3) The actions the sponsor will take to ensure that the plan
described in division (C)(2) of this section is implemented.

(D) If a community school fails to make reasonable efforts
and continuing progress to bring its accounts, records, files, or
reports into an auditable condition within ninety days after being declared unauditable, the Auditor of State, in addition to requesting legal action under sections 117.41 and 117.42 of the Revised Code, shall notify the Department of the school's failure. If the Auditor of State or a public accountant subsequently is able to complete a financial audit of the school, the Auditor of State shall notify the Department that the audit has been completed.

(E) Notwithstanding any provision to the contrary in Chapter 3314. of the Revised Code or any other provision of law, upon notification by the Auditor of State under division (D) of this section that a community school has failed to make reasonable efforts and continuing progress to bring its accounts, records, files, or reports into an auditable condition following a declaration that the school is unauditable, the Department shall immediately cease all payments to the school under Chapter 3314. of the Revised Code and any other provision of law. Upon subsequent notification from the Auditor of State under that division that the Auditor of State or a public accountant was able to complete a financial audit of the community school, the Department shall release all funds withheld from the school under this section.

In collaboration with the County Family and Children First Council, a city, local, or exempted village school district, community school, STEM school, joint vocational school district, educational service center, or county board of developmental disabilities that receives allocations from the Department of Education from appropriation item 200550, Foundation Funding, or appropriation item 200540, Special Education Enhancements, may transfer portions of those allocations to a flexible funding pool.
authorized by the Section of this act entitled "FAMILY AND CHILDREN FIRST FLEXIBLE FUNDING POOL." Allocations used for maintenance of effort or for federal or state funding matching requirements shall not be transferred unless the allocation may still be used to meet such requirements.

Section 263.480. PRIVATE TREATMENT FACILITY PROJECT

(A) As used in this section:

(1) The following are "participating residential treatment centers":

(a) Private residential treatment facilities that have entered into a contract with the Department of Youth Services to provide services to children placed at the facility by the Department and which, in fiscal year 2016 or fiscal year 2017 or both, the Department pays through appropriation item 470401, RECLAIM Ohio;

(b) Abraxas, in Shelby;

(c) Paint Creek, in Bainbridge;

(d) F.I.R.S.T., in Mansfield.

(2) "Education program" means an elementary or secondary education program or a special education program and related services.

(3) "Served child" means any child receiving an education program pursuant to division (B) of this section.

(4) "School district responsible for tuition" means a city, exempted village, or local school district that, if tuition payment for a child by a school district is required under law that existed in fiscal year 1998, is the school district required to pay that tuition.

(5) "Residential child" means a child who resides in a
participating residential treatment center and who is receiving an educational program under division (B) of this section.

(B) A youth who is a resident of the state and has been assigned by a juvenile court or other authorized agency to a residential treatment facility specified in division (A) of this section shall be enrolled in an approved educational program located in or near the facility. Approval of the educational program shall be contingent upon compliance with the criteria established for such programs by the Department of Education. The educational program shall be provided by a school district or educational service center, or by the residential facility itself. Maximum flexibility shall be given to the residential treatment facility to determine the provider. In the event that a voluntary agreement cannot be reached and the residential facility does not choose to provide the educational program, the educational service center in the county in which the facility is located shall provide the educational program at the treatment center to children under twenty-two years of age residing in the treatment center.

(C) Any school district responsible for tuition for a residential child shall, notwithstanding any conflicting provision of the Revised Code regarding tuition payment, pay tuition for the child for fiscal year 2016 and fiscal year 2017 to the education program provider and in the amount specified in this division. If there is no school district responsible for tuition for a residential child and if the participating residential treatment center to which the child is assigned is located in the city, exempted village, or local school district that, if the child were not a resident of that treatment center, would be the school district where the child is entitled to attend school under sections 3313.64 and 3313.65 of the Revised Code, that school district, notwithstanding any conflicting provision of the Revised Code, shall pay tuition for the child for fiscal year 2016 and fiscal year 2017 to the education program provider and in the amount specified in this division.
Code, shall pay tuition for the child for fiscal year 2016 and fiscal year 2017 under this division unless that school district is providing the educational program to the child under division (B) of this section.

A tuition payment under this division shall be made to the school district, educational service center, or residential treatment facility providing the educational program to the child.

The amount of tuition paid shall be:

(1) The amount of tuition determined for the district under division (A) of section 3317.08 of the Revised Code;

(2) In addition, for any student receiving special education pursuant to an individualized education program as defined in section 3323.01 of the Revised Code, a payment for excess costs. This payment shall equal the actual cost to the school district, educational service center, or residential treatment facility of providing special education and related services to the student pursuant to the student's individualized education program, minus the tuition paid for the child under division (C)(1) of this section.

A school district paying tuition under this division shall not include the child for whom tuition is paid in the district's average daily membership certified under division (A) of section 3317.03 of the Revised Code.

(D) In each of fiscal years 2016 and 2017, the Department of Education shall reimburse, from appropriations made for the purpose, a school district, educational service center, or residential treatment facility, whichever is providing the service, that has demonstrated that it is in compliance with the funding criteria for each served child for whom a school district must pay tuition under division (C) of this section. The amount of the reimbursement shall be the amount appropriated for this
purpose divided by the full-time equivalent number of children for whom reimbursement is to be made.

(E) Funds provided to a school district, educational service center, or residential treatment facility under this section shall be used to supplement, not supplant, funds from other public sources for which the school district, service center, or residential treatment facility is entitled or eligible.

(F) The Department of Education shall track the utilization of funds provided to school districts, educational service centers, and residential treatment facilities under this section and monitor the effect of the funding on the educational programs they provide in participating residential treatment facilities. The Department shall monitor the programs for educational accountability.

Section 263.490. Notwithstanding section 3302.21 of the Revised Code, for the 2014-2015 school year only, the Department of Education shall not rank school districts, community schools, and STEM schools according to the performance measures prescribed in divisions (A)(1), (2), and (5) of that section. However, the Department shall rank districts and schools according to the measures prescribed in divisions (A)(3) and (4) of that section for the 2014-2015 school year not later than January 31, 2016.

Section 263.510. Notwithstanding section 3302.03 of the Revised Code, the Department of Education shall issue grades as described in division (E) of section 3302.03 of the Revised Code for each of the performance measures prescribed in division (C)(1) of that section for the 2014-2015 school year not later than January 15, 2016.

Section 263.520. Notwithstanding anything to the contrary in section 3302.035 of the Revised Code, the Department of Education...
shall issue the reports required under that section on the performance measures for a school district's or school's students with disabilities subgroup, using data from the 2014-2015 school year, not later than January 31, 2016.

For each school year thereafter, the Department shall issue those reports on the first day of October as required under that section.

Section 263.530. (A) The Superintendent of Public Instruction may form partnerships with Ohio's business community, including the Ohio Business Roundtable, to create and implement initiatives that connect students with the business community in an effort to increase student engagement and job readiness through internships, work study, and site-based learning experiences.

(B) If the Superintendent forms a partnership pursuant to division (A) of this section, the initiatives created and implemented through that partnership shall do all of the following:

(1) Support the career connection learning strategies described in division (B)(2) of section 3301.079 of the Revised Code;

(2) Provide an opportunity for students to earn high school credit toward graduation or to meet curriculum requirements in accordance with divisions (J)(1) and (2) of section 3313.603 of the Revised Code;

(3) Inform the development of student success plans pursuant to division (C) of section 3313.6020 of the Revised Code.

Section 263.540. The Department of Education shall provide assistance to the State Board of Education for the purposes of updating the statewide plan on subject area competency, including
credit by examination, pursuant to division (J)(2) of section 3313.603 of the Revised Code, to reduce barriers to student participation in credit flexibility options.

Upon completion, the Department shall inform students, parents, and schools of the updated plan.

Section 263.550. For the 2015-2016 school year, the board of education of each city, local, exempted village, and joint vocational school district, the governing authority of each community school established under Chapter 3314., and the governing body of each STEM school established under Chapter 3326. of the Revised Code, shall assess the reading skills of each student, except those students with significant cognitive disabilities or other disabilities as authorized by the Department of Education on a case-by-case basis, enrolled in kindergarten to third grade and shall identify students who are reading below their grade level. The reading skills assessments shall be completed by September 30, 2015.

Section 263.560. There is hereby created the School Transportation Joint Task Force to study the transportation of school children. The Task Force shall consist of members appointed equally by the Speaker of the House and by the President of the Senate. The members appointed shall choose a chair and vice-chair who shall be members of the General Assembly. The Task Force shall study and make recommendations to the General Assembly not later than February 1, 2016, on the following:

1. The appropriate funding formula to assist local school districts with the transportation of students to public and nonpublic schools;

2. The appropriate relationship, duties, and responsibilities between local school districts, community
schools, and nonpublic schools with regard to student transportation.

All state agencies shall provide such assistance to the Task Force as is requested by the Task Force.

**Section 263.580.** Not later than July 1, 2016, the Department of Education shall submit and present to the standing committees of the House of Representatives and the Senate that consider education legislation both of the following:

(A) A plan that proposes the expansion of the Department's authority to directly authorize community schools under section 3314.029 of the Revised Code;

(B) Recommendations for a ratings rubric for the evaluation of sponsors under section 3314.016 of the Revised Code. The recommendations shall include research-based evidence that demonstrates the rubric will result in improved academic results.

"Hospital offset" means an offset from a hospital's Medicaid payment authorized by section 5168.991 of the Revised Code.
"Vendor offset" means a reduction of a Medicaid payment to a Medicaid provider to correct a previous, incorrect Medicaid payment.

(B) During fiscal year 2016 and fiscal year 2017, at intervals selected by the Medicaid Director, the Director shall certify to the Director of Budget and Management the amount of hospital offsets and vendor offsets for the period covered by the certification and the particular funds that would have been used to make Medicaid payments to providers if not for the offsets. Each certification shall specify the amount that would have been taken from each of the funds if not for the hospital offsets and vendor offsets.

(C) On receipt of a certification under division (B) of this section, the Director of Budget and Management shall transfer cash from the funds identified in the certification to the Health Care Services Administration Fund (Fund 5U30). The amount transferred from a fund shall equal the amount that would have been taken from the fund if not for the hospital offsets and vendor offsets as specified in the certification. The federal share may also be appropriated in a federal appropriation item specified in the certification. The transferred cash and the corresponding federal share is hereby appropriated. The appropriations for those appropriation items identified in the certification, and from which transfers occurred, are hereby reduced by the amount of the transfer and the amount of the corresponding federal share.

Medicaid. Any Medicaid refunds or reconciliations received or held 88749
by the Department of Job and Family Services shall be transferred 88750
or credited to this fund. If receipts credited to the Refunds and 88751
Reconciliation Fund exceed the amounts appropriated from the fund, 88752
the Medicaid Director may request the Director of Budget and 88753
Management to authorize expenditures from the fund in excess of 88754

As used in this section, "authorizing statute" means a Revised Code section or provision of a Revised Code section that is cited in the Ohio Administrative Code as the statute that authorizes the adoption of a rule.

The Medicaid Director is not required to amend any rule for...
the sole purpose of updating the citation in the Ohio Administrative Code to the rule's authorizing statute to reflect that this act renumbers the authorizing statute or relocates it to another Revised Code section. Such citations shall be updated as the Director amends the rules for other purposes.

Section 327.210. NON-EMERGENCY MEDICAL TRANSPORTATION

In order to ensure access to a non-emergency medical transportation brokerage program established pursuant to section 1902(a)(70) of the "Social Security Act," 42 U.S.C. 1396a(a)(70), upon the request of the Medicaid Director, the Director of Budget and Management may transfer appropriations between General Revenue Fund appropriation item 651525, Medicaid/Health Care Services, within the Department of Medicaid and 655523, Medicaid Program Support - Local Transportation, within the Department of Job and Family Services. If appropriation transfers occur from appropriation item 651525, Medicaid/Health Care Services, the Director of Budget and Management shall transfer the corresponding federal share of the transfer in cash from the General Revenue Fund to the Medicaid Program Support Fund (Fund 3F01), used by the Department of Job and Family Services. The amount transferred to Fund 3F01 is hereby appropriated to appropriation item 655624, Medicaid Program Support, and the federal share portion of GRF appropriation item 651525, Medicaid/Health Care Services, is hereby reduced by such amount. The Director of Budget and Management may also transfer cash from the Medicaid Program Support Fund (Fund 3F01) to the General Revenue Fund. The amount transferred to the General Revenue Fund is hereby appropriated to the federal share portion of appropriation item 651525, Medicaid/Health Care Services, and the appropriation to 655624, Medicaid Program Support, is hereby reduced by such amount.

Section 327.220. PUBLIC ASSISTANCE ELIGIBILITY DETERMINATION

In addition, the Director of Budget and Management may transfer cash from the General Revenue Fund in the amount equal to the federal share to a federal fund identified by the Medicaid Director. Any amount transferred is hereby appropriated. Appropriation item 651525, Medicaid/Health Care Services, is hereby reduced by the amount of the state share of the appropriation increase and the corresponding federal share.

Any increase in funding shall be provided to county departments of job and family services and shall only be used for costs related to transitioning to a new public assistance eligibility determination system. These funds shall not be used for existing and ongoing operating expenses. The Medicaid Director shall establish criteria for distributing these funds and for county departments of job and family services to submit allowable expenses.

County departments of job and family services shall comply with new roles, processes, and responsibilities related to the new eligibility determination system. County departments of job and family services shall report to the Ohio Department of Job and Family Services and the Ohio Department of Medicaid, on a schedule determined by the Medicaid Director, how the funds were used.

(C) For the purposes of this section, payroll costs include annual compensation and fringe benefits.

reduction in expenditure of state general revenue funds and/or improved outcomes for Ohio citizens without a net increase in state general revenue fund spending.

The Director shall identify and evaluate programs, projects, or systems proposed or operated, in whole or in part, outside of the authority of the Department, where targeted investment of these funds in the program, project, or system is expected to decrease demand for the Department or other resources funded with state general revenue funds, and/or to measurably improve outcomes for Ohio citizens with mental illness or with alcohol, drug, or gambling addictions. The Director shall have discretion to transfer money from the appropriation item to other state agencies, governmental entities, or private not-for-profit agencies in amounts, and subject to conditions, that the Director determines most likely to achieve state savings and/or improved outcomes. Distribution of moneys from this appropriation item shall not be subject to sections 9.23 to 9.239 or Chapter 125. of the Revised Code.

The Department shall enter into an agreement with each recipient of community innovation funds, identifying: allowable expenditure of the funds; other commitment of funds or other resources to the program, project, or system; expected state savings and/or improved outcomes and proposed mechanisms for measurement of such savings or outcomes; and required reporting regarding expenditure of funds and savings or outcomes achieved.

Of the foregoing appropriation item 336504, Community Innovations, up to $3,000,000 in each fiscal year shall be used to provide funding for community projects across the state that focus on support for families, assisting families in avoiding crisis, and crisis intervention.

Of the foregoing appropriation item 336504, Community Innovations, up to $100,000 in each fiscal year shall be used to continue the Department of Mental Health and Addiction Services cross-agency efforts to share evidence-based practices that encourage the use of trauma-informed care.

Of the foregoing appropriation item 336504, Community Innovations, up to $1,000,000 in each fiscal year shall be used to implement strategies to increase job opportunities, reduce the number of positive drug screens, and improve workforce readiness for individuals in recovery.

(a) In defining the number of full-time equivalent students for state subsidy purposes, the Director of Higher Education shall exclude all students who are not residents of Ohio.

(b) A full-time equivalent student shall be defined as a student who completes 450 hours. Those students that complete some portion of 450 hours shall be counted as a partial full-time equivalent for funding purposes, while students that complete more than 450 hours shall be counted as proportionally greater than one full-time equivalent.

(c) In calculating each Ohio Technical Center's full-time equivalent students, the Director of Higher Education shall use a three-year average.

(2) In each fiscal year, twenty-five per cent of the allocation for Ohio Technical Centers shall be distributed based on the proportion of each Center's full-time equivalent students to the total full-time equivalent students who complete a post-secondary workforce training program approved by the Director with a grade of C or better or a grade of pass if the program is
evaluated on a pass/fail basis.

(3) In each fiscal year, twenty per cent of the allocation for Ohio Technical Centers shall be distributed based on the proportion of each Center's full-time equivalent students to the total full-time equivalent students who complete 50 per cent of a program of study as a measure of student retention.

(4) In each fiscal year, fifty per cent of the allocation for Ohio Technical Centers shall be distributed based on the proportion of each Center's full-time equivalent students to the total full-time equivalent students who have found employment, entered military service, or enrolled in additional post-secondary education and training in accordance with the placement definitions of the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins). The calculation for eligible full-time equivalent students shall be based on the per cent of Perkins placements for students who have completed at least 50 per cent of a program of study.

(5) In each fiscal year, five per cent of the allocation for Ohio Technical Centers shall be distributed based on the proportion of each Center's full-time equivalent students to the total full-time equivalent students who have earned a credential from an industry-recognized third party.

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA

ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," in each fiscal year shall be reserved for support of
associate, baccalaureate, master's, and professional level degree attainment.

The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the cost of earned credits for the degree. Each institution shall receive its prorated share of degree funding for credits earned at that institution. Cost of credits not earned at a university main or regional campus shall be credited to the degree-granting institution for the first degree earned by a student at each degree level. The cost credited to the degree-granting institution shall not be eligible for at-risk weights and shall be limited to 12.5 per cent of the degree costs. However, the 12.5 per cent limitation shall not apply if the student transferred 12 or fewer credits into the degree granting institution.

In calculating the subsidy entitlements for degree attainment for universities, the Director of Higher Education shall use the following count of degrees and degree costs:

(a) The subsidy eligible undergraduate degrees shall be defined as follows:

(i) The subsidy eligible degrees conferred to students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, shall be weighted by a
factor of 1.

(ii) The subsidy eligible degrees conferred to students identified as out-of-state residents during all terms of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, who remain in the state of Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.

(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Director of Higher Education shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the three-year period ending in the prior year.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same institution at the same degree level in the same fiscal year, the
funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, or financial status, shall be defined as degrees earned by an at-risk student and shall be weighted by the following:

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 and 2017," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In fiscal year 2016, NEOMED shall receive $150,000 and in fiscal year 2017 NEOMED shall receive $200,000 of the doctoral set-aside funding allocation with the remaining doctoral set-aside allocated to universities as follows:

(a) 47.50 per cent of the remaining doctoral set-aside in fiscal year 2016 and 40 per cent of the remaining doctoral set-aside in fiscal year 2017 shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Doctoral I equivalent FTEs as calculated on an institutional basis using historical FTEs for the
period fiscal year 1994 through fiscal year 1998 with annualized
FTEs for fiscal years 1994 through 1997 and all-term FTEs for
fiscal year 1998 as adjusted to reflect the effects of doctoral
review and subsequent changes in Doctoral I equivalent
enrollments. For the purposes of this calculation, Doctoral I
equivalent FTEs shall equal the sum of Doctoral I FTEs plus 1.5
times the sum of Doctoral II FTEs.

(b) 35 per cent of the doctoral set-aside in fiscal year 2016
and 40 per cent of the doctoral set-aside in fiscal year 2017
shall be allocated to universities in proportion to each campus's
share of the total statewide doctoral degrees, weighted by the
cost of the doctoral discipline. In calculating each campus's
doctoral degrees the Director of Higher Education shall use the
three-year average doctoral degrees awarded for the three-year
period ending in the prior year.

(c) 17.5 per cent of the doctoral set-aside in fiscal year 2016
and 20 per cent of the doctoral set-aside in fiscal year 2017
shall be allocated to universities in proportion to their share of
research grant activity. Funding for this component shall be
allocated to eligible universities in proportion to their share of
research grant activity published by the National Science
Foundation. Grant awards from the Department of Health and Human
Services shall be weighted at 50 per cent.

(3) Of the foregoing appropriation item 235501, State Share
of Instruction, 6.41 per cent of the appropriation for
universities, as established in division (A)(2) of the section of
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS
2016 AND 2017," in each fiscal year shall be reserved for support
of Medical II FTEs. The amount so reserved shall be referred to as
the medical II set-aside.

The medical II set-aside shall be allocated to universities
in proportion to their share of the statewide total of each state
institution's three-year average Medical II FTEs as calculated in division (A) of this section.

In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five percent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State Share of Instruction, 1.48 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in division (A) of this section.

(5) In calculating the course completion funding for universities, the Director of Higher Education shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section, that had an expected family contribution less than 2190 or were determined to have been academically underprepared shall be defined as at-risk students and shall have their eligible completions weighted by the following:

(i) Campus-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students
enrolled during the 2012–2014 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all models except Medical I, Medical II, Doctoral I, and Doctoral II.

(d) For universities, the Director of Higher Education shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," and adjusted pursuant to division (B) of that section, less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(6) In addition to the Access Challenge funding as described in divisions (B)(1) and (B)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," doctoral set-aside, medical I set-aside, medical II set-aside, and the degree attainment allocation determined in division (D)(1) of this section and the course completion earnings calculated in division (D)(5) of this section, an allocation based on a facility-based plant operations and maintenance (POM) subsidy shall be made.
(a) In fiscal year 2016, for each eligible university, the amount of the POM allocation shall be two-thirds of the POM distributed in fiscal year 2015 based on what each campus received in the fiscal year 2009 POM allocation.

(b) In fiscal year 2017, for each eligible university, the amount of the POM allocation shall be one-third of the POM distributed in fiscal year 2015 based on what each campus received in the fiscal year 2009 POM allocation.

(c) Any POM allocations required by this division shall be funded by proportionately reducing formula earnings, including the POM allocations, for all universities.

(d) POM allocations shall expire on June 30, 2017.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.

To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Director of Higher Education shall use the following calculations:
(a) In calculating each campus's count of FTE course completions, the Director of Higher Education shall use a three-year average for course completions for the three year period ending in the prior year.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file.

(c) Those students with successful course completions, that are or have been Pell eligible at any time while enrolled at a state institution of higher education, meet the definition of minority status, are enrolled at a given institution after age 24, or are academically underprepared shall be defined as access students and shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be augmented by the model weights for science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2016 AND 2017," in each fiscal year shall be reserved for colleges in proportion to their share of college student success factors as recommended in formal communication from community college presidents to the Director of Higher Education dated December 31, 2013, using a three year average.
(3) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges shall be reserved for completion milestones as identified in formal communication from community college presidents to the Director of Higher Education dated December 31, 2013.

Completion milestones shall include associate degrees, certificates over 30 credit hours approved by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours earned at that community college, state community college, or technical college.

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for certificates over 30 hours shall be weighted one-half of the associate degree model costs and transfers with at least 12 credit hours shall be weighted one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Director of Higher Education shall use the following calculations:

(a) In calculating each campus's count of completions, the Director of Higher Education shall use a three-year average for completion metrics.

(b) The subsidy eligible completions by model shall equal only those students who successfully complete an associate degree or certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours as defined and reported.
in the Higher Education Information (HEI) system.

(c) Those students with successful completions for associate degrees, certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours, identified in division (E)(3) of this section, that are or have been Pell eligible at any time while enrolled at a state institution of higher education, meet the definition of minority status, first enrolled at a given institution after age 24, or are academically underprepared, shall be defined as access students and shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.

For the biennium ending June 30, 2017, institutions of higher education shall restrain increases in in-state undergraduate instructional and general fees. Each state university and the Northeast Ohio Medical University shall not increase its in-state
undergraduate instructional and general fees by more than $200
over what the institution charged for the 2014-2015 academic year.

Each university regional campus shall not increase its
in-state undergraduate instructional and general fees by more than
$100 over what the institution charged for the 2014-2015 academic

Each community college, state community college, and

instructional and general fees by more than $100 over what the

These limitations shall not apply to increases required to
comply with institutional covenants related to their obligations
or to meet unfunded legal mandates or legally binding obligations
incurred or commitments made prior to the effective date of this
section with respect to which the institution had identified such
fee increases as the source of funds. Any increase required by
such covenants and any such mandates, obligations, or commitments
shall be reported by the Director of Higher Education to the
Controlling Board. These limitations may also be modified by the

Section 369.180. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at
colleges and universities may be used to provide such branch or

degree courses of study as may be approved by the Director of
Higher Education.

(B) In providing instructional and other services to students, boards of trustees of state institutions of higher education shall supplement state subsidies with income from charges to students. Except as otherwise provided in this act, each board shall establish the fees to be charged to all students, including an instructional fee for educational and associated operational support of the institution and a general fee for noninstructional services, including locally financed student services facilities used for the benefit of enrolled students. The instructional fee and the general fee shall encompass all charges for services assessed uniformly to all enrolled students. Each board may also establish special purpose fees, service charges, and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Director. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be
considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Director of Higher Education.

(D) The authority of government vested by law in the boards of trustees of state institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

The Superintendent of Public Instruction shall not request, and the Controlling Board shall not approve, the transfer of appropriation from appropriation item 200903, Property Tax Reimbursement - Education, to any other appropriation item.

The foregoing appropriation item 200903, Property Tax Reimbursement - Education, is appropriated to pay for the state's costs incurred because of the homestead exemption, the property tax rollback, and payments required under division (C) of section 5705.2110 of the Revised Code. In cooperation with the Department of Taxation, the Department of Education shall distribute these funds directly to the appropriate school districts of the state,
notwithstanding sections 321.24 and 323.156 of the Revised Code, which provide for payment of the homestead exemption and property tax rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each school district shall distribute the amount among the proper funds as if it had been paid as real or tangible personal property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amount specifically appropriated in appropriation item 200903, Property Tax Reimbursement - Education, for the homestead exemption and the property tax rollback payments, and payments required under division (C) of section 5705.2110 of the Revised Code, which are determined to be necessary for these purposes, are hereby appropriated.

HOMESTEAD EXEMPTION, PROPERTY TAX ROLLBACK

The foregoing appropriation item 110908, Property Tax Reimbursement - Local Government, is hereby appropriated to pay for the state's costs incurred due to the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback. The Tax Commissioner shall distribute these funds directly to the appropriate local taxing districts, except for school districts, notwithstanding the provisions in sections 321.24 and 323.156 of the Revised Code, which provide for payment of the Homestead Exemption, the Manufactured Home Property Tax Rollback, and Property Tax Rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.
Upon receipt of these amounts, each local taxing district shall distribute the amount among the proper funds as if it had been paid as real property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amounts specifically appropriated in appropriation item 110908, Property Tax Allocation - Local Government, for the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback payments, which are determined to be necessary for these purposes, are hereby appropriated.

PUBLIC LIBRARY FUND

Notwithstanding the requirement in division (C) of section 131.51 of the Revised Code that the Director of Budget and Management use the percentage calculated in division (A)(2) of section 131.51 of the Revised Code for calculating the credit each month to the Public Library Fund, the Director of Budget and Management shall instead calculate these amounts during fiscal year 2016 and fiscal year 2017 using 1.70 per cent as the percentage.

COMMUNITY SCHOOL CLASSROOM FACILITIES GRANTS

| 92532 |
The foregoing appropriation item C230W4, Community School Classroom Facilities Grants, may be used by the School Facilities Commission to provide grant funding to an eligible community school established under Chapter 3314. of the Revised Code, except for internet- or computer-based community schools, as defined in division (A)(7) of section 3314.02 of the Revised Code, that is sponsored by a sponsor that has been rated "exemplary" in accordance with section 3314.016 of the Revised Code for the purchase, construction, reconstruction, renovation, remodeling, or addition to classroom facilities. A grant may be awarded to an eligible community school that demonstrates that the funds will be used to purchase or support classroom facilities construction or modifications that increase the supply of seats in effective schools, service specific unmet student needs through community school education, and show innovation in design and potential as a successful, replicable school model. The School Facilities Commission may award a grant to an eligible community school upon the approval of a grant application by the Executive Director of the Commission and the Superintendent of Public Instruction. A facility that is purchased, constructed, or modified by the grant funds shall be used for educational purposes for a minimum of ten years after receiving the grant funds. The School Facilities Commission, in consultation with the Superintendent of Public Instruction, shall develop guidelines and may adopt rules under Chapter 111. of the Revised Code for the administration of the grants. Notwithstanding any provision of law to the contrary, all Revised Code exemptions applicable to grants awarded and projects administered by the School Facilities Commission or Facilities Construction Commission shall apply to the grants pursuant to this section.

Section 503.10. PERSONAL SERVICE EXPENSES

Unless otherwise prohibited by law, any appropriation from
which personal service expenses are paid shall bear the employer's share of public employees' retirement, workers' compensation, disabled workers' relief, and insurance programs; and the costs of centralized financial services, centralized payroll processing, and related reports and services; centralized human resources services, including affirmative action and equal employment opportunity programs; the Office of Collective Bargaining; centralized information technology management services; administering the enterprise resource planning system; and administering the state employee merit system as required by section 124.07 of the Revised Code. These costs shall be determined in conformity with the appropriate sections of law and paid in accordance with procedures specified by the Office of Budget and Management. Expenditures from appropriation item 070601, Public Audit Expense - Intra-State, may be exempted from the requirements of this section.

**Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS AGAINST THE STATE**

Except as otherwise provided in this section, an appropriation in this act or any other act may be used for the purpose of satisfying judgments, settlements, or administrative awards ordered or approved by the Court of Claims or by any other court of competent jurisdiction in connection with civil actions against the state. This authorization does not apply to appropriations to be applied to or used for payment of guarantees by or on behalf of the state, or for payments under lease agreements relating to, or debt service on, bonds, notes, or other obligations of the state. Notwithstanding any other statute to the contrary, this authorization includes appropriations from funds into which proceeds of direct obligations of the state are deposited only to the extent that the judgment, settlement, or administrative award is for, or represents, capital costs for
which the appropriation may otherwise be used and is consistent with the purpose for which any related obligations were issued or entered into. Nothing contained in this section is intended to subject the state to suit in any forum in which it is not otherwise subject to suit, and is not intended to waive or compromise any defense or right available to the state in any suit against it.

Section 503.30. CAPITAL PROJECT SETTLEMENTS

This section specifies an additional and supplemental procedure to provide for payments of judgments and settlements if the Director of Budget and Management determines, pursuant to division (C)(4) of section 2743.19 of the Revised Code, that sufficient unencumbered moneys do not exist in the fund to support a particular appropriation to pay the amount of a final judgment rendered against the state or a state agency, including the settlement of a claim approved by a court, in an action upon and arising out of a contractual obligation for the construction or improvement of a capital facility if the costs under the contract were payable in whole or in part from a state capital projects appropriation. In such a case, the Director may either proceed pursuant to division (C)(4) of section 2743.19 of the Revised Code or apply to the Controlling Board to increase an appropriation or create an appropriation out of any unencumbered moneys in the state treasury to the credit of the capital projects fund from which the initial state appropriation was made. The amount of an increase in appropriation or new appropriation approved by the Controlling Board is hereby appropriated from the applicable capital projects fund and made available for the payment of the judgment or settlement.

If the Director does not make the application authorized by this section or the Controlling Board disapproves the application,
and the Director does not make application under division (C)(4) of section 2743.19 of the Revised Code, the Director shall for the purpose of making that payment make a request to the General Assembly as provided for in division (C)(5) of that section.

Section 503.40. RE-ISSUANCE OF VOIED Warrants

In order to provide funds for the reissuance of voided warrants under section 126.37 of the Revised Code, there is hereby appropriated, out of moneys in the state treasury from the fund credited as provided in section 126.37 of the Revised Code, that amount sufficient to pay such warrants when approved by the Office of Budget and Management.

Section 503.50. REAPPROPRIATION OF UNEXPENDED ENCUMBERED BALANCES OF OPERATING APPROPRIATIONS

(A) An unexpended balance of an operating appropriation or reappropriation that a state agency lawfully encumbered prior to the close of a fiscal year is hereby reappropriated on the first day of July of the following fiscal year from the fund from which it was originally appropriated or reappropriated for the following period and shall remain available only for the purpose of discharging the encumbrance:

(1) For an encumbrance for personal services, maintenance, equipment, or items for resale, other than an encumbrance for an item of special order manufacture not available on term contract or in the open market or for reclamation of land or oil and gas wells, for a period of not more than five months from the end of the fiscal year;

(2) For an encumbrance for an item of special order manufacture not available on term contract or in the open market, for a period of not more than five months from the end of the fiscal year or, with the written approval of the Director of
Budget and Management, for a period of not more than twelve months from the end of the fiscal year;

(3) For an encumbrance for reclamation of land or oil and gas wells, for a period ending when the encumbered appropriation is expended or for a period of two years, whichever is less;

(4) For an encumbrance for any other expense, for such period as the Director approves, provided such period does not exceed two years.

(B) Any operating appropriations for which unexpended balances are reappropriated beyond a five-month period from the end of the fiscal year by division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report on each such item shall include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses, and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) Notwithstanding division (C) of this section, with the approval of the Director of Budget and Management, an unexpended balance of an encumbrance that was reappropriated on the first day of July by this section for a period specified in division (A)(3) or (4) of this section and that remains encumbered at the close of the fiscal biennium is hereby reappropriated on the first day of July of the following fiscal biennium from the fund from which it was originally appropriated or reappropriated for the applicable period specified in division (A)(3) or (4) of this section and
shall remain available only for the purpose of discharging the encumbrance.

(E) The Director of Budget and Management may correct accounting errors committed by the staff of the Office of Budget and Management, such as reestablishing encumbrances or appropriations cancelled in error, during the cancellation of operating encumbrances in November and of nonoperating encumbrances in December.

(F) The Director of Budget and Management may at any time correct accounting errors committed by the staff of a state agency or state institution of higher education, as defined in section 3345.011 of the Revised Code, such as reestablishing prior year nonoperating encumbrances canceled or modified in error. The reestablished encumbrance amounts are hereby appropriated.

(G) If the Controlling Board approved a purchase, that approval remains in effect so long as the appropriation used to make that purchase remains encumbered.

Section 503.60. RE-ESTABLISHING ENCUMBRANCES THAT USE OUTDATED EXPENSE ACCOUNT CODES

On or after January 1, 2015, the Director of Budget and Management may cancel any existing operating or capital encumbrances from prior fiscal years that reference outdated expense account codes and, if needed, reestablish them against the same appropriation items referencing updated expense account codes. The reestablished encumbrance amounts are hereby appropriated. Any business commenced but not completed under the prior encumbrances by January 1, 2015, shall be completed under the new encumbrances in the same manner and with the same effect as if it was completed with regard to the old encumbrances.

Section 503.70. APPROPRIATIONS RELATED TO CASH TRANSFERS AND
RE-ESTABLISHMENT OF ENCUMBRANCES

Any cash transferred by the Director of Budget and Management under section 126.15 of the Revised Code is hereby appropriated. Any amounts necessary to re-establish appropriations or encumbrances under section 126.15 of the Revised Code are hereby appropriated.

Section 503.80. TRANSFERS OF THIRD FRONTIER APPROPRIATIONS

The Director of Budget and Management may transfer appropriations between the Third Frontier Research and Development Fund (Fund 7011) and Third Frontier Research and Development Taxable Bond Fund (Fund 7014) as necessary to maintain the exclusion from the calculation of gross income for federal income taxation purposes under the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1 et seq., with respect to obligations issued to fund projects appropriated from the Third Frontier Research and Development Fund (Fund 7011).

The Director may also create new appropriation items within the Third Frontier Research and Development Taxable Bond Fund (Fund 7014) and make transfers of appropriations to them for projects originally funded from appropriations made from the Third Frontier Research and Development Fund (Fund 7011).

Section 503.90. INCOME TAX DISTRIBUTION TO COUNTIES

There are hereby appropriated out of any moneys in the state treasury to the credit of the General Revenue Fund, which are not otherwise appropriated, funds sufficient to make any payment required by division (B)(2) of section 5747.03 of the Revised Code.

Section 503.100. EXPENDITURES AND APPROPRIATION INCREASES
Any money that the Controlling Board approves for expenditure or any increase in appropriation that the Controlling Board approves under sections 127.14, 131.35, and 131.39 of the Revised Code or any other provision of law is hereby appropriated for the period ending June 30, 2017.

Section 503.110. FUNDS RECEIVED FOR USE OF GOVERNOR'S RESIDENCE

If the Governor's Residence Fund (Fund 4H20) receives payment for use of the residence pursuant to section 107.40 of the Revised Code, the amounts so received are hereby appropriated to appropriation item 100604, Governor's Residence Gift.

Section 506.10. UTILITY RADIOLOGICAL SAFETY BOARD ASSESSMENTS

Section 512.20. CASH TRANSFERS TO THE GENERAL REVENUE FUND FROM NON-GRF FUNDS

Notwithstanding any provision of law to the contrary, the Director of Budget and Management may transfer up to $60,000,000 in each fiscal year in cash from non-General Revenue Funds that are not constitutionally restricted to the General Revenue Fund in order to ensure that available General Revenue Fund receipts and balances are sufficient to support General Revenue Fund appropriations in each fiscal year.

Section 512.30. FISCAL YEAR 2015 GENERAL REVENUE FUND ENDING BALANCE

Notwithstanding divisions (B) and (C) of section 131.44 of the Revised Code, the Director of Budget and Management shall determine the surplus General Revenue Fund revenue that existed on June 30, 2015, in excess of the amount required under division (A)(3) of section 131.44 of the Revised Code, and allocate that amount, to the extent of the amount so determined, as follows:
(A) First, the Director of Budget and Management shall reserve in the General Revenue Fund a cash amount of up to $176,000,000 to support personal income tax reductions;

The Director of Budget and Management, in consultation with the Executive Director of the Casino Control Commission, shall establish a schedule of transfers totaling $4,701,620 to the Casino Operator Settlement Fund (Fund 5KT0) from the Casino Control Commission Fund (Fund 5HS0).

Section 512.50. DIESEL EMISSIONS REDUCTION GRANT PROGRAM

There is hereby established in the Highway Operating Fund (Fund 7002), used by the Department of Transportation, a Diesel Emissions Reduction Grant Program. The Director of Environmental Protection shall administer the program and shall solicit, evaluate, score, and select projects submitted by public and private entities that are eligible for the federal Congestion Mitigation and Air Quality (CMAQ) Program. The Director of Transportation shall process Federal Highway Administration-approved projects as recommended by the Director of Environmental Protection.

(1)(a) Not later than the twentieth day of October of each year, starting in 2013 and ending in 2017, the Tax Commissioner shall calculate the growth in fiscal year sales tax revenue from certain defined categories that are related to tourism and certify that amount to the Director of Budget and Management.

(b) Not later than the twentieth day of October of each year,
starting in 2013 and ending in 2017, the Commissioner shall calculate and certify to the Director the difference, if greater than zero, between the revenue collected from the tax imposed under section 5739.02 of the Revised Code during the twelve-month period ending on the last day of the preceding June and the revenue collected during the same twelve-month period one year earlier, for all vendors classified under the industry codes identified in division (A)(2) of this section. The result shall be rounded to the nearest one thousand dollars. The calculation of the percentage increase in the Consumer Price Index shall be done by taking the average index value over the twelve months of the last completed fiscal year and comparing that to the average index value over the twelve months of the immediately preceding fiscal year.

(2) The following industries included in the industrial classification system used by the Tax Commissioner shall be used in the computations under division (A)(1) of this section: air...
transportation; water transportation; interurban and rural bus transportation; taxi service; limousine service; other transit and ground passenger transportation; scenic and sightseeing transportation; support activities for air transportation; automotive equipment rental and leasing; travel arrangement and reservation services; performing arts companies; spectator sports; independent artists, writers, and performers; museums, historical sites, and similar institutions; amusement parks and arcades; gambling industries; hotels and motels; casino hotels; bed-and-breakfast inns; other travel accommodations; recreational vehicle parks and recreational camps; full-service restaurants; limited-service eating places; drinking places (alcoholic beverages).

(B) The pilot program shall terminate when the last transfer of funds made in accordance with division (A)(1)(b) of this section occurs in fiscal year 2018, specifically in October 2017. At that time, the Director of Development Services, the Director of Budget and Management, and the Tax Commissioner shall jointly review the pilot program and make recommendations to the Governor and the General Assembly on whether to make the funding mechanism permanent and, if so, whether any changes should be made to it. If the recommendation is to make the funding mechanism permanent, the Director of Development Services, the Director of Budget and Management, and the Tax Commissioner shall also study and make recommendations to the Governor and the General Assembly as to whether the Office of TourismOhio and its functions should be removed from the Development Services Agency and established as a private nonprofit corporation or a subsidiary corporation of JobsOhio.
