application to the state board of education for assistance. The 32  
board shall administer the allocation and distribution of all 33  
state and federal funds for these programs. 34

(C) The state board of education shall require the board 35  
of education of each school district to establish and maintain a 36  
school breakfast, lunch, and summer food service program 37  
pursuant to the "National School Lunch Act" and the "Child 38  
Nutrition Act of 1966," as described in divisions (C) (1) to (4) 39  
of this section. 40

(1) The state board shall require the board of education 41  
in each school district to establish a breakfast program in 42  
every school where at least one-fifth of the pupils in the 43

breakfasts and to establish a lunch program in every school 45

where at least one-fifth of the pupils are eligible for free lunches. The board of education required to establish a breakfast program under this division may make a charge in accordance with federal requirements for each reduced price breakfast or paid breakfast to cover the cost incurred in providing that meal.

(2) The state board shall require the board of education in each school district to establish a breakfast program in every school in which the parents of at least one-half of the children enrolled in the school have requested that the breakfast program be established. The board of education required to establish a program under this division may make a charge in accordance with federal requirements for each meal to cover all or part of the costs incurred in establishing such a program.

(3) The state board shall require the board of education in each school district to establish one of the following for summer intervention services described in division (D) of section 3301.0711 or provided under section 3313.608 of the Revised Code, and any other summer intervention program required by law:

(b) An extension of the school lunch program pursuant to those acts;

(c) A summer food service program pursuant to those acts.

(4) (a) If the board of education of a school district determines that, for financial reasons, it cannot comply with

division (C) (1) or (3) of this section, the district board may 75  
choose not to comply with either or both divisions, except as 76  
provided in ~~division~~ divisions (C) (4) (b) and (c) of this 77  
section. The district board publicly shall communicate to the 78

breakfast to cover the cost incurred in providing that meal. 90

(c) If the board of education of a school district chooses 91  
not to comply with division (C) (3) of this section, the state 92  
board nevertheless shall require the district board to permit an 93

facilities located in a school building attendance area where at 95  
least one-half of the pupils are eligible for free lunches. 96

prorated share of the utility costs as determined by the 106  
district board. A school district shall require the summer food 107  
service program sponsor to indemnify and hold harmless the 108  
district from any potential liability resulting from the 109  
operation of the summer food service program under this 110  
division. For this purpose, the district shall either add the 111  
summer food service program sponsor, as an additional insured 112  
party, to the district's existing liability insurance policy or 113  
require the summer food service program sponsor to submit 114  
evidence of a separate liability insurance policy, for an amount 115  
approved by the district board. The summer food service program 116  
sponsor shall be responsible for any costs incurred in obtaining 117  
coverage under either option. 118

the requirements of division (C) (2) or (4) (b) or (c) of this 120  
section at the time the state board determines that a district 121  
is subject to these requirements, the state board shall grant a 122  
reasonable extension of time. Good cause for an extension of 123  
time shall include, but need not be limited to, economic 124  
impossibility of compliance with the requirements at the time 125  
the state board determines that a district is subject to them. 126

(D) (1) The state board shall accept the application of any 127  
outdoor education center in the state making application for 128  
participation in a program pursuant to division (B) of this 129  
section. 130

(2) For purposes of participation in any program pursuant 131  
to this section, the board shall certify any outdoor education 132

the educational system of the state, if the center: 134
