The motion to amend was laid on the table.

The question recurring, "Shall the bill pass?"

Representative Rogers moved to amend, amendment 2478, as follows:

In line 9 of the title, after "125.082," insert "125.09,"

In line 11 of the title, after "125.51," insert "125.56,"

In line 244, after "125.082," insert "125.09,"

In line 246, after "125.51," insert "125.56,"

Between lines 7552 and 7553, insert:

"Sec. 125.09. (A) Pursuant to section 125.07 of the Revised Code, the department of administrative services may prescribe such conditions under which competitive sealed bids will be received and terms of the proposed purchase as it considers necessary; provided, that all such conditions and terms shall be reasonable and shall not unreasonably restrict competition, and bidders may bid upon all or any item of the supplies or services listed in such notice. Those bidders claiming the preference for United States and Ohio products outlined in this chapter shall designate in their bids either that the product to be supplied is an Ohio product or that under the rules established by the director of administrative services they qualify as having a significant Ohio economic presence.

(B) The department may require that each bidder provide sufficient information about the energy efficiency or energy usage of the bidder's product or service.

(C) The director of administrative services shall, by rule adopted pursuant to Chapter 119. of the Revised Code, prescribe criteria and procedures for use by all state agencies in giving preference to United States and Ohio products as required by division (B) of section 125.11 of the Revised Code. The rules shall extend to:

(1) Criteria for determining that a product is produced or mined in the United States rather than in another country or territory;

(2) Criteria for determining that a product is produced or mined in Ohio;

(3) Information to be submitted by bidders as to the nature of a product and the location where it is produced or mined;

(4) Criteria and procedures to be used by the director to qualify bidders located in states bordering Ohio who might otherwise be excluded from being awarded a contract by operation of this section and section 125.11 of the Revised Code. The criteria and procedures shall recognize the level and regularity of interstate commerce between Ohio and the border states and provide that the non-Ohio businesses may qualify for award of a contract as long as they are located in a state that imposes no greater restrictions than are contained in this section and section 125.11 of the Revised Code upon persons located in Ohio selling products or services to

agencies of that state. The criteria and procedures shall also provide that a non-Ohio business shall not bid on a contract for state printing in this state if the business is located in a state that excludes Ohio businesses from bidding on state printing contracts in that state.

(5) Criteria and procedures to be used to qualify bidders whose manufactured products, except for mined products, are produced in other states or in North America, but the bidders have a significant Ohio economic presence in terms of the number of employees or capital investment a bidder has in this state. Bidders with a significant Ohio economic presence shall qualify for award of a contract on the same basis as if their products were produced in this state.

(6) Criteria and procedures for the director to grant waivers of the requirements of division (B) of section 125.11 of the Revised Code on a contract-by-contract basis where compliance with those requirements would result in the state agency paying an excessive price for the product or acquiring a disproportionately inferior product;

(7) Criteria and procedures to be used by an entity when the entity must demonstrate that the entity will create or retain jobs in Ohio as a result of being awarded a contract under division (B) of section 125.11 of the Revised Code.

(8) Such other requirements or procedures reasonably necessary to implement the system of preferences established pursuant to division (B) of section 125.11 of the Revised Code.

In adopting the rules required under this division, the director shall, to the maximum extent possible, conform to the requirements of the federal "Buy America Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 10a-10d, as amended, and to the regulations adopted thereunder."

In line 7613, after the period insert "For purposes of this division, "excessive price" means a price that exceeds by more than five per cent the lowest price bid, except that a price that exceeds the lowest price bid by more than five per cent but not more than ten per cent shall not be considered an excessive price if the entity submitting the bid has demonstrated that the entity will create or retain jobs in Ohio as a result of being awarded the contract. For purposes of this division, "lowest price bid" means the lowest price submitted on a responsive and responsible bid from among the bids that do not offer products that have been produced or mined in this state."

Between lines 7647 and 7648, insert:

"(F) An entity that has been awarded a contract under division (B) of this section in part by demonstrating that the entity will create or retain jobs in Ohio as a result of being awarded the contract, and that has within a

reasonable time following completion of the contract failed to fulfill the obligation to create or retain jobs, is liable to the state for an amount equal to the difference between the entity's bid price and the lowest price submitted on a responsive and responsible bid from among the bids that did not offer products that have been produced or mined in this state."

In line 7737, after the period insert "State award for economic development" includes a contract awarded under division (B) of section 125.11 of the Revised Code to an entity that has demonstrated that the entity will create or retain jobs in Ohio."

Between lines 8052 and 8053, insert:

"Sec. 125.56. (A) Except as provided in division (B) of this section, all printing under sections 125.43 to 125.76 of the Revised Code, shall be executed pursuant to section 125.11 of the Revised Code.

(B) Division (A) of this section does not apply to printing contracts requiring special, security paper of a unique nature if compliance with division (A) will result in an excessive price for the product or acquiring a disproportionately inferior product.

(C) As used in this section, "excessive price" ~~means a price that exceeds by more than five per cent the lowest price submitted on a non-Ohio bid has the meaning defined in division (B) of section 125.11 of the Revised Code."~~

In line 84053, after "125.082," insert "125.09,"

In line 84055, after "125.51," insert "125.56,"

In line 251, after "319.63," insert "323.152,"

In line 307, after "4307.05," insert "4503.065,"

Between lines 11281 and 11282, insert:

"Sec. 323.152. In addition to the reduction in taxes required under section 319.302 of the Revised Code, taxes shall be reduced as provided in divisions (A) and (B) of this section.

(A)(1)(a) Division (A)(1) of this section applies to any of the following persons:

(i) A person who is permanently and totally disabled;

(ii) A person who is sixty-five years of age or older;

(iii) A person who is the surviving spouse of a deceased person who was permanently and totally disabled or sixty-five years of age or older and who applied and qualified for a reduction in taxes under this division in the year of death, provided the surviving spouse is at least fifty-nine but not sixty-five or more years of age on the date the deceased spouse dies.

(b) Real property taxes on a homestead owned and occupied, or a homestead in a housing cooperative occupied, by a person to whom division (A)(1) of this section applies shall be reduced for each year for which an application for the reduction has been approved. The reduction shall equal one of the following amounts, as applicable to the person:

(i) If the person received a reduction under division (A)(1) of this section for tax year 2006, the greater of the reduction for that tax year or the amount computed under division (A)(1)(c) of this section;

(ii) If the person received, for any homestead, a reduction under division (A)(1) of this section for tax year 2013 or under division (A) of section 4503.065 of the Revised Code for tax year 2014 or the person is the surviving spouse of such a person and the surviving spouse is at least fifty-nine years of age on the date the deceased spouse dies, the amount computed under division (A)(1)(c) of this section. For purposes of divisions (A)(1)(b)(ii) and (iii) of this section, a person receives a reduction under division (A)(1) of this section or under division (A) of section 4503.065 of the Revised Code for tax year 2013 or 2014, respectively, if the person files a late application for that respective tax year that is approved by the county auditor under section 323.153 or 4503.066 of the Revised Code.

(iii) If the person is not described in division (A)(1)(b)(i) or (ii) of this section and the person's total income does not exceed thirty one hundred four thousand two hundred fifty dollars, as adjusted under division (A)(1)(d) of this section, the amount computed under division (A)(1)(c) of this section.

(c) The amount of the reduction under division (A)(1)(c) of this section equals the product of the following:

(i) Twenty-five thousand dollars of the true value of the property in money;

(ii) The assessment percentage established by the tax commissioner under division (B) of section 5715.01 of the Revised Code, not to exceed thirty-five per cent;

(iii) The effective tax rate used to calculate the taxes charged against the property for the current year, where "effective tax rate" is defined as in section 323.08 of the Revised Code;

(iv) The quantity equal to one minus the sum of the percentage reductions in taxes received by the property for the current tax year under section 319.302 of the Revised Code and division (B) of section 323.152 of the Revised Code.

(d) Each calendar year, the tax commissioner shall adjust the total income threshold described in division (A)(1)(b)(iii) of this section by completing the following calculations in September of each year:

(i) Determine the percentage increase in the gross domestic product

deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding calendar year;

(ii) Multiply that percentage increase by the total income threshold for the current tax year;

(iii) Add the resulting product to the total income threshold for the current tax year;

(iv) Round the resulting sum to the nearest multiple of one hundred dollars.

The commissioner shall certify the amount resulting from the adjustment to each county auditor not later than the first day of December each year. The certified amount applies to the following tax year for persons described in division (A)(1)(b)(iii) of this section. The commissioner shall not make the adjustment in any calendar year in which the amount resulting from the adjustment would be less than the total income threshold for the current tax year.

(2) Real property taxes on a homestead owned and occupied, or a homestead in a housing cooperative occupied, by a disabled veteran shall be reduced for each year for which an application for the reduction has been approved. The reduction shall equal the product obtained by multiplying fifty thousand dollars of the true value of the property in money by the amounts described in divisions (A)(1)(c)(ii) to (iv) of this section. The reduction is in lieu of any reduction under section 323.158 of the Revised Code or division (A)(1) of this section. The reduction applies to only one homestead owned and occupied by a disabled veteran.

If a homestead qualifies for a reduction in taxes under division (A)(2) of this section for the year in which the disabled veteran dies, and the disabled veteran is survived by a spouse who occupied the homestead when the disabled veteran died and who acquires ownership of the homestead or, in the case of a homestead that is a unit in a housing cooperative, continues to occupy the homestead, the reduction shall continue through the year in which the surviving spouse dies or remarries.

(B) To provide a partial exemption, real property taxes on any homestead, and manufactured home taxes on any manufactured or mobile home on which a manufactured home tax is assessed pursuant to division (D)(2) of section 4503.06 of the Revised Code, shall be reduced for each year for which an application for the reduction has been approved. The amount of the reduction shall equal two and one-half per cent of the amount of taxes to be levied by qualifying levies on the homestead or the manufactured or mobile home after applying section 319.301 of the Revised Code. For the purposes of this division, "qualifying levy" has the same meaning as in section 319.302 of the Revised Code.

(C) The reductions granted by this section do not apply to special assessments or respread of assessments levied against the homestead, and if there is a transfer of ownership subsequent to the filing of an application for a reduction in taxes, such reductions are not forfeited for such year by virtue of such transfer.

(D) The reductions in taxable value referred to in this section shall be applied solely as a factor for the purpose of computing the reduction of taxes under this section and shall not affect the total value of property in any subdivision or taxing district as listed and assessed for taxation on the tax lists and duplicates, or any direct or indirect limitations on indebtedness of a subdivision or taxing district. If after application of sections 5705.31 and 5705.32 of the Revised Code, including the allocation of all levies within the ten-mill limitation to debt charges to the extent therein provided, there would be insufficient funds for payment of debt charges not provided for by levies in excess of the ten-mill limitation, the reduction of taxes provided for in sections 323.151 to 323.159 of the Revised Code shall be proportionately adjusted to the extent necessary to provide such funds from levies within the ten-mill limitation.

(E) No reduction shall be made on the taxes due on the homestead of any person convicted of violating division (D) or (E) of section 323.153 of the Revised Code for a period of three years following the conviction."

Between lines 50482 and 50483, insert:

(iii) If the person is not described in division (A)(2)(c)(i) or (ii) of this section and the person's total income does not exceed ~~thirty-one hundred~~ four thousand two hundred fifty dollars, as adjusted under division (A)(2)(e) of this section, the amount computed under division (A)(2)(d) of this section.

(d) The amount of the reduction under division (A)(2)(d) of this section equals the product of the following:

(1) For manufactured and mobile homes for which the tax imposed by section 4503.06 of the Revised Code is computed under division (D)(2) of that section, the reduction shall equal the product obtained by multiplying fifty thousand dollars of the true value of the property in money by the amounts described in divisions (A)(2)(b)(ii) to (iv) of this section.

(2) For manufactured and mobile homes for which the tax imposed by section 4503.06 of the Revised Code is computed under division (D)(1) of that section, the reduction shall equal the product obtained by multiplying fifty thousand dollars of the cost to the owner, or the market value at the time of purchase, whichever is greater, as those terms are used in division (D)(1) of section 4503.06 of the Revised Code, by the amounts described in divisions (A)(2)(d)(ii) to (iv) of this section.

The reduction is in lieu of any reduction under section 4503.0610 of the Revised Code or division (A) of this section. The reduction applies to only one manufactured or mobile home owned and occupied by a disabled veteran.

If a manufactured or mobile home qualifies for a reduction in taxes under this division for the year in which the disabled veteran dies, and the disabled veteran is survived by a spouse who occupied the home when the disabled veteran died and who acquires ownership of the home, the reduction shall continue through the year in which the surviving spouse dies or remarries.

(C) If the owner or the spouse of the owner of a manufactured or mobile home is eligible for a homestead exemption on the land upon which the home is located, the reduction to which the owner or spouse is entitled under this section shall not exceed the difference between the reduction to

which the owner or spouse is entitled under division (A) or (B) of this section and the amount of the reduction under the homestead exemption.

(D) No reduction shall be made with respect to the home of any person convicted of violating division (C) or (D) of section 4503.066 of the Revised Code for a period of three years following the conviction."
