Between lines 80 and 81, insert:

"Sec. 5709.40. (A) As used in this section:

(1) "Blighted area" and "impacted city" have the same meanings as in section 1728.01 of the Revised Code.

(2) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Improvement" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under this section were it not for the exemption granted by that ordinance.

(5) "Incentive district" means an area not more than three hundred acres in size enclosed by a continuous boundary in which a project is being, or will be, undertaken and having one or more of the following distress characteristics:

(a) At least fifty-one per cent of the residents of the district have incomes of less than eighty per cent of the median income of residents of the political subdivision in which the district is located, as determined in the same manner specified under section 119(b) of the "Housing and Community Development Act of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended;

(b) The average rate of unemployment in the district during the most recent twelve-month period for which data are available is equal to at least one hundred fifty per cent of the average rate of unemployment for this state for the same period.

(c) At least twenty per cent of the people residing in the district live

at or below the poverty level as defined in the federal Housing and Community Development Act of 1974, 42 U.S.C. 5301, as amended, and regulations adopted pursuant to that act.

(d) The district is a blighted area.

(e) The district is in a situational distress area as designated by the director of development services under division (F) of section 122.23 of the Revised Code.

(f) As certified by the engineer for the political subdivision, the public infrastructure serving the district is inadequate to meet the development needs of the district as evidenced by a written economic development plan or urban renewal plan for the district that has been adopted by the legislative authority of the subdivision.

(g) The district is comprised entirely of unimproved land that is located in a distressed area as defined in section 122.23 of the Revised Code.

(6) "Overlay" means an area of not more than three hundred acres that is a square, or that is a rectangle having two longer sides that are not more than twice the length of the two shorter sides, that the legislative authority of a municipal corporation delineates on a map of a proposed incentive district.

(7) "Project" means development activities undertaken on one or more parcels, including, but not limited to, construction, expansion, and alteration of buildings or structures, demolition, remediation, and site development, and any building or structure that results from those activities.

~~(7)~~(8) "Public infrastructure improvement" includes, but is not limited to, public roads and highways; water and sewer lines; the continued maintenance of those public roads and highways and water and sewer lines; environmental remediation; land acquisition, including acquisition in aid of industry, commerce, distribution, or research; demolition, including demolition on private property when determined to be necessary for economic development purposes; stormwater and flood remediation projects, including such projects on private property when determined to be necessary for public health, safety, and welfare; the provision of gas, electric, and communications service facilities, including the provision of gas or electric service facilities owned by nongovernmental entities when such improvements are determined to be necessary for economic development purposes; and the enhancement of public waterways through improvements that allow for greater public access.

(B) The legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may

be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation for a period of not more than ten years. The ordinance shall specify the percentage of the improvement to be exempted from taxation and the life of the exemption.

An ordinance adopted or amended under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the municipal corporation that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.42 of the Revised Code shall be used to finance the public infrastructure improvements designated in the ordinance, for the purpose described in division (D)(1) of this section or as provided in section 5709.43 of the Revised Code.

(C)(1) The legislative authority of a municipal corporation may adopt an ordinance creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division ~~(F)~~(C)(2) of this section, exempt from taxation as provided in this section, but no legislative authority of a municipal corporation that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt an ordinance that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. An ordinance may create more than one such district, and more than one ordinance may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting an ordinance under

division (C)(1) of this section, if the municipal corporation intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the legislative authority of ~~a~~the municipal corporation shall conduct a public hearing on the proposed ordinance. Not later than thirty days prior to the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed ordinance. The notice shall include a map of the proposed incentive district on which the legislative authority of the municipal corporation shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if the owner's entire parcel of property will not be located within the overlay, by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section whose entire parcel of property is not located within the overlay may exclude the property from the proposed incentive district by submitting a written response to the legislative authority of the municipal corporation not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the legislative authority under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the municipal corporation and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the ordinance, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting an ordinance under division (C)(1) of this section, the legislative authority of a municipal corporation shall amend the ordinance to exclude any parcel located wholly or partly outside the overlay for which a written response has been submitted under division (C)(2)(b) of this section. A municipal corporation shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to an ordinance adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) An ordinance adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The ordinance also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the ordinance. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes. Except as otherwise permitted under that division, the service payments provided for in section 5709.42 of the Revised Code shall be used to finance the designated public infrastructure improvements, for the purpose described in division (D)(1) ~~or~~, (E), or (F) of this section, or as provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.42 of the Revised Code and received by the municipal corporation under the ordinance shall be used for police or fire equipment.

(b) An ordinance adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.42 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the ordinance also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The ordinance shall designate the parcels within the district that are eligible for housing renovation. The ordinance shall state separately the amounts or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the general purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D)(1) If the ordinance declaring improvements to a parcel to be a public purpose or creating an incentive district specifies that payments in lieu of taxes provided for in section 5709.42 of the Revised Code shall be paid to the city, local, or exempted village, and joint vocational school district in which the parcel or incentive district is located in the amount of the taxes that would have been payable to the school district if the improvements had not been exempted from taxation, the percentage of the improvement that may be exempted from taxation may exceed seventy-five per cent, and the exemption may be granted for up to thirty years, without the approval of the board of education as otherwise required under division (D)(2) of this section.

(2) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval under this paragraph of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvement exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting an ordinance under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the legislative authority shall deliver to the board of education a notice stating its intent to adopt an ordinance making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvement that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The notice regarding improvements to parcels within an incentive district under division (C) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the

eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) The board of education shall certify its resolution to the legislative authority not later than fourteen days prior to the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such

adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(5) If the legislative authority is not required by division (D) of this section to notify the board of education of the legislative authority's intent to declare improvements to be a public purpose, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(E)(1) If a proposed ordinance under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the ordinance the legislative authority of the municipal corporation shall deliver to the board of county commissioners of the county within which the incentive district will be located a notice that states its intent to adopt an ordinance creating an incentive district. The notice shall include a copy of the proposed ordinance, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the legislative authority intends to adopt the ordinance.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the legislative authority. In no case shall the compensation provided to the board exceed the property taxes forgone due to the exemption. If the board of county commissioners objects, and the board and legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance adopted under division (C)(1) of this section shall provide to the board compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be

subject to taxation. The board of county commissioners shall certify its resolution to the legislative authority not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the legislative authority may adopt the ordinance, and no compensation shall be provided to the board of county commissioners. If the board timely certifies its resolution objecting to the ordinance, the legislative authority may adopt the ordinance at any time after a mutually acceptable compensation agreement is agreed to by the board and the legislative authority, or, if no compensation agreement is negotiated, at any time after the legislative authority agrees in the proposed ordinance to provide compensation to the board of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.42 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the ordinance. In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance. With respect to the exemption of improvements to parcels under division (B) of this section, the ordinance may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the ordinance as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the municipal public improvement tax increment equivalent fund established under division (A) of section 5709.43 of the Revised Code,

whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (D)(2) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Additional municipal financing of public infrastructure improvements and housing renovations may be provided by any methods that the municipal corporation may otherwise use for financing such improvements or renovations. If the municipal corporation issues bonds or notes to finance the public infrastructure improvements and housing renovations and pledges money from the municipal public improvement tax increment equivalent fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(I) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development services a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.43 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the

Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division ~~(F)~~(C)(2) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population

that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C)(2) (b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline

for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C) (1) of this section who meets the conditions specified in divisions (C)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall include a copy of the statement submitted under division (C) (2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (C) (2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (C)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (C)(2)(b) of this section. A township shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may

authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the

district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township

trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in

excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the

increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption

commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the

Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L) Notwithstanding the limitation prescribed by division (D) of this section on the number of years that improvements to a parcel or parcels may be exempted from taxation, a board of trustees of a township with a

population of fifteen thousand or more may amend a resolution originally adopted under this section before December 31, 1994, to extend the exemption of improvements to the parcel or parcels included in such resolution for an additional period not to exceed fifteen years. The amendment shall not increase the percentage of improvements to the parcel or parcels exempted from taxation. The board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt an amendment authorized under this division unless the board of education has adopted a resolution under that section waiving its right to receive the notice. The board of township trustees shall deliver an identical notice to the board of county commissioners of each county in which the exempted parcels are located.

Sec. 5709.77. As used in sections 5709.77 to 5709.81 of the Revised Code:

(A) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(B) "Fund" means to provide for the payment of the debt service on and the expenses relating to an outstanding obligation of the county.

(C) "Housing renovation" means a project carried out for residential purposes.

(D) "Improvement" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under section 5709.78 of the Revised Code were it not for the exemption granted by that resolution. For purposes of division (A) of section 5709.78 of the Revised Code, "improvement" does not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(E) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated territory of a county.

(F) "Refund" means to fund and retire an outstanding obligation of the county.

(G) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of county commissioners.

(H) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

Sec. 5709.78. (A) A board of county commissioners may, by resolution, declare improvements to certain parcels of real property located in the unincorporated territory of the county to be a public purpose. Except with the approval under division (C) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation, for a period of not more than ten years. The resolution shall specify the percentage of the improvement to be exempted and the life of the exemption.

A resolution adopted under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the county that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.79 of the Revised Code shall be used to finance the public infrastructure improvements designated in the resolution, or as provided in section 5709.80 of the Revised Code.

(B)(1) A board of county commissioners may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division ~~(E)~~(B)(2) of this section, exempt from taxation as provided in this section, but no board of county commissioners of a county that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the county that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the county for the preceding tax year. The district shall be located within the unincorporated territory of the county and shall not include any territory that is included within a district created under division (C) of section 5709.73 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (A) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (B)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (B)(1) of this section, if the county intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of

owners of real property located within the proposed incentive district, the board of county commissioners shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The board also shall provide the notice by first class mail to the clerk of each township in which the proposed incentive district will be located. The notice shall include a map of the proposed incentive district on which the board of county commissioners shall have delineated an overlay. The notice shall inform property owners of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of township trustees of the township in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (B) or (C) of section 5709.73 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (B)(2) (b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (B) (1) of this section who meets the conditions specified in divisions (B)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (B)(2)(a) of this section. The response shall include a copy of the statement submitted under division (B) (2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (B) (2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (B)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (B)(1) of this section,

the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (B)(2)(b) of this section. A county shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (A) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (B)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (B)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (B)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.79 of the Revised Code and received by the county under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (B)(1) of this section may authorize the use of service payments provided for in section 5709.79 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (D) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five per cent. With approval of the board of education, the life of a district may be

not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (C) of this section.

(C)(1) Improvements with respect to a parcel may be exempted from taxation under division (A) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (B) of this section, for up to ten years or, with the approval of the board of education of each city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to the approval of a board of education under this division, the board of county commissioners shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (A) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The notice regarding improvements to parcels within an incentive district under division (B) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of county commissioners and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

(2) The board of education shall certify its resolution to the board of county commissioners not later than fourteen days prior to the date the board of county commissioners intends to adopt its resolution as indicated in the notice. If the board of education and the board of county commissioners negotiate a mutually acceptable compensation agreement, the resolution of the board of county commissioners may declare the improvements a public purpose for the number of years specified in that resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of county commissioners within the time prescribed by this section, the board of county commissioners thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of county commissioners may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of county commissioners, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of county commissioners. If a mutually acceptable compensation agreement is negotiated between the board of county commissioners and the board of education, including agreements for payments in lieu of taxes under section 5709.79 of the Revised Code, the board of county commissioners shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy

of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(D)(1) If a proposed resolution under division (B)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board intends to adopt the resolution.

(2) The board of township trustees, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of township trustees objects, the board of township trustees may negotiate a mutually acceptable compensation agreement with the board of county commissioners. In no case shall the compensation provided to the board of township trustees exceed the property taxes forgone due to the exemption. If the board of township trustees objects, and the board of township trustees and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (B)(1) of this section shall provide to the board of township trustees compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the township or, if the board of township trustee's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the township on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of township trustees shall certify its resolution to the board of county commissioners not later than thirty days after receipt of the notice.

(3) If the board of township trustees does not object or fails to certify a resolution objecting to an exemption within thirty days after receipt of the notice, the board of county commissioners may adopt its resolution, and no compensation shall be provided to the board of township trustees. If the

board of township trustees certifies its resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees. If the board of township trustees certifies a resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of county commissioners in the proposed resolution to provide compensation to the board of township trustees of fifty per cent of the taxes that would be payable to the township in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(E) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (B)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (D) of section 5709.79 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the

support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(F) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (A) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the county can no longer require annual service payments in lieu of taxes under section 5709.79 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of

commissioners and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (C)(1) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(G) If the board of county commissioners is not required by this section to notify the board of education of the board of county commissioners' intent to declare improvements to be a public purpose, the board of county commissioners shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive such a notice.

(H) The county, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the county shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.80 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(I) Nothing in this section shall be construed to prohibit a board of county commissioners from declaring to be a public purpose improvements with respect to more than one parcel.

(J) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

Sec. 5709.911. (A)(1) A municipal corporation, township, or county that has enacted an ordinance or resolution under section 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code or that has entered into an

agreement referred to in section 725.02 or 1728.07 of the Revised Code may file an application for exemption under those sections in the same manner as other real property tax exemptions, notwithstanding the indication in division (A) of section 5715.27 of the Revised Code that the owner of the property may file the application. An application for exemption may not be filed by a municipal corporation, township, or county for an exemption of a parcel under section 5709.40, 5709.73, or 5709.78 of the Revised Code if the property owner excludes the property from such exemption as provided in that section.

(2) Except as provided in division (B) of this section, if the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code is filed by a municipal corporation, township, or county and more than one real property tax exemption applies by law to the property or a portion of the property, both of the following apply:

(a) An exemption granted under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code shall be subordinate to an exemption with respect to the property or portion of the property granted under any other provision of the Revised Code.

(b) Neither service payments in lieu of taxes under section 725.04, 5709.42, 5709.46, 5709.74, or 5709.79 of the Revised Code, nor service charges in lieu of taxes under section 1728.11 or 1728.111 of the Revised Code, shall be required with respect to the property or portion of the property that is exempt from real property taxes under that other provision of the Revised Code during the effective period of the exemption.

(B)(1) If the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code is filed by the owner of the property or by a municipal corporation, township, or county with the owner's written consent attached to the application, and if more than one real property tax exemption applies by law to the property or a portion of the property, no other exemption shall be granted for the portion of the property already exempt under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code unless the municipal corporation, township, or county that enacted the authorizing ordinance or resolution for the earlier exemption provides its duly authorized written consent to the subsequent exemption by means of a duly enacted ordinance or resolution.

(2) If the application for exemption under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code is filed by a municipal corporation, township, or county and approved by the tax commissioner, if the owner of the property subsequently provides written consent to the exemption and the consent is filed with the tax commissioner,

and if more than one real property tax exemption applies by law to the property or a portion of the property, no other exemption shall be granted for the portion of the property already exempt under section 725.02, 1728.10, 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code unless the municipal corporation, township, or county that enacted the authorizing ordinance or resolution for the earlier exemption provides its duly authorized written consent to the subsequent exemption by means of a duly enacted ordinance or resolution.

(C)(1) After the tax commissioner has approved or partially approved an application for exemption filed by or with the consent of a property owner under the circumstances described in division (B)(1) of this section, the municipal corporation, township, county, or property owner shall file a notice with the county recorder for the county in which the property is located that clearly identifies the property and the owner of the property and states that the property, regardless of future use or ownership, remains liable for any service payments or service charges required by the exemption until the terms of the exemption have been satisfied, unless the municipal corporation, township, or county consents to the subsequent exemption and relinquishes its right to collect the service payments or service charges as provided in division (B)(1) of this section. The county recorder's office shall charge a fee of fourteen dollars to record the notice, the proceeds of which shall be retained by the county.

(2) If a property owner subsequently provides written consent to an exemption under the circumstances described in division (B)(2) of this section, the municipal corporation, township, county, or property owner shall file notice with the county recorder for the county in which the property is located that clearly identifies the property and the owner of the property and states that the property, regardless of future use or ownership, remains liable for any service payments or service charges required by the exemption until the terms of the exemption have been satisfied, unless the municipal corporation, township, or county consents to the subsequent exemption and relinquishes its right to collect the service payments or service charges as provided in division (B)(2) of this section. The county recorder's office shall charge a fee of fourteen dollars to record the notice, the proceeds of which shall be retained by the county.

(D) Upon filing of the notice with the county recorder, the provisions of division (B) of this section are binding on all future owners of the property or portion of the property, regardless of how the property is used. Failure to file the notice with the county recorder relieves future owners of the property from the obligation to make service payments in lieu of taxes under section 725.04, 5709.42, 5709.46, 5709.74, or 5709.79 of the Revised Code or service charges in lieu of taxes under section 1728.11 or 1728.111 of the Revised Code, if the property or a portion of the property later qualifies for

exemption under any other provision of the Revised Code. Failure to file the notice does not, however, relieve the owner of the property, at the time the application for exemption is filed, from making those payments or charges."

(C)(1) The adjutant general shall approve scholarships for all eligible applicants. The adjutant general shall process all applications for scholarships for each academic term in the order in which they are received. The scholarships shall be made without regard to financial need. At no time shall one person be placed in priority over another because of sex, race, or religion.

(2) The adjutant general shall develop and provide a written explanation that informs all eligible scholarship recipients that the recipient may become ineligible and liable for repayment for an amount of scholarship payments received in accordance with division (G) of this section. The written explanation shall be reviewed by the scholarship recipient before acceptance of the scholarship and before acceptance of an enlistment, warrant, commission, or appointment for a term not less than the recipient's remaining term in the national guard or in the active duty component of the United States armed forces.

(D)(1) Except as provided in divisions (I) and (J) of this section, for each academic term that an eligible applicant is approved for a scholarship under this section and either remains a current member in good standing of the Ohio national guard or is eligible for a scholarship under division (F)(1) of this section, the institution of higher education in which the applicant is enrolled shall, if the applicant's enlistment obligation extends beyond the end of that academic term or if division (F)(1) of this section applies, be paid on the applicant's behalf the applicable one of the following amounts:

(a) If the institution is a state institution of higher education, an amount equal to one hundred per cent of the institution's tuition charges;

(b) If the institution is a nonprofit private institution or a private institution exempt from regulation under Chapter 3332. of the Revised Code as prescribed in section 3333.046 of the Revised Code, an amount equal to one hundred per cent of the average tuition charges of all state universities;

(c) If the institution is an institution that holds a certificate of registration from the state board of career colleges and schools, the lesser of the following:

(ii) An amount equal to one hundred per cent of the average tuition charges of all state universities, as that term is defined in section 3345.011 of the Revised Code.

(2) An eligible applicant's scholarship shall not be reduced by the amount of that applicant's benefits under "the Montgomery G.I. Bill Act of

1984," Pub. L. No. 98-525, 98 Stat. 2553 (1984).

(E) A scholarship recipient under this section shall be entitled to receive scholarships under this section for the number of quarters or semesters it takes the recipient to accumulate ninety-six eligibility units as determined under divisions (E)(1) to (3) of this section.

(1) To determine the maximum number of semesters or quarters for which a recipient is entitled to a scholarship under this section, the adjutant general shall convert a recipient's credit hours of enrollment for each academic term into eligibility units in accordance with the following table:

Number of credit hours of enrollment in an academic term equals	The following number of eligibility units if a semester	or	The following number of eligibility units if a quarter
12 or more hours	12 units		8 units
9 but less than 12	9 units		6 units
6 but less than 9	6 units		4 units
3 but less than 6	3 units		2 units

(2) A scholarship recipient under this section may continue to apply for scholarships under this section until the recipient has accumulated ninety-six eligibility units.

(3) If a scholarship recipient withdraws from courses prior to the end of an academic term so that the recipient's enrollment for that academic term is less than three credit hours, no scholarship shall be paid on behalf of that person for that academic term. Except as provided in division (F)(3) of this section, if a scholarship has already been paid on behalf of the person for that academic term, the adjutant general shall add to that person's accumulated eligibility units the number of eligibility units for which the scholarship was paid.

(F) This division applies to any eligible applicant called into active duty on or after September 11, 2001. As used in this division, "active duty" means active duty pursuant to an executive order of the president of the United States, an act of the congress of the United States, or section 5919.29 or 5923.21 of the Revised Code.

(1) For a period of up to five years from when an individual's enlistment obligation in the Ohio national guard ends, an individual to whom this division applies is eligible for scholarships under this section for those academic terms that were missed or could have been missed as a result of the individual's call into active duty. Scholarships shall not be paid for the

academic term in which an eligible applicant's enlistment obligation ends unless an applicant is eligible under this division for a scholarship for such academic term due to previous active duty.

(2) When an individual to whom this division applies withdraws or otherwise fails to complete courses, for which scholarships have been awarded under this section, because the individual was called into active duty, the institution of higher education shall grant the individual a leave of absence from the individual's education program and shall not impose any academic penalty for such withdrawal or failure to complete courses. Division (F)(2) of this section applies regardless of whether or not the scholarship amount was paid to the institution of higher education.

(3) If an individual to whom this division applies withdraws or otherwise fails to complete courses because the individual was called into active duty, and if scholarships for those courses have already been paid, either:

(a) The adjutant general shall not add to that person's accumulated eligibility units calculated under division (E) of this section the number of eligibility units for the academic courses or term for which the scholarship was paid and the institution of higher education shall repay the scholarship amount to the state.

(b) The adjutant general shall add to that individual's accumulated eligibility units calculated under division (E) of this section the number of eligibility units for the academic courses or term for which the scholarship was paid if the institution of higher education agrees to permit the individual to complete the remainder of the academic courses in which the individual was enrolled at the time the individual was called into active duty.

(4) No individual who is discharged from the Ohio national guard under other than honorable conditions shall be eligible for scholarships under this division.

(G) A scholarship recipient under this section who fails to complete the term of enlistment, re-enlistment, or extension of current enlistment the recipient was serving at the time a scholarship was paid on behalf of the recipient under this section is liable to the state for repayment of a percentage of all Ohio national guard scholarships paid on behalf of the recipient under this section, plus interest at the rate of ten per cent per annum calculated from the dates the scholarships were paid. This percentage shall equal the percentage of the current term of enlistment, re-enlistment, or extension of enlistment a recipient has not completed as of the date the recipient is discharged from the Ohio national guard.

The attorney general may commence a civil action on behalf of the chancellor of the Ohio board of regents to recover the amount of the scholarships and the interest provided for in this division and the expenses

incurred in prosecuting the action, including court costs and reasonable attorney's fees. A scholarship recipient is not liable under this division if the recipient's failure to complete the term of enlistment being served at the time a scholarship was paid on behalf of the recipient under this section is due to the recipient's death or discharge from the national guard due to disability or the recipient's enlistment, warrant, commission, or appointment for a term not less than the recipient's remaining term in the national guard or in the active duty component of the United States armed forces.

(H) On or before the first day of each academic term, the adjutant general shall provide an eligibility roster to the chancellor and to each institution of higher education at which one or more scholarship recipients have applied for enrollment. The institution shall use the roster to certify the actual full-time or part-time enrollment of each scholarship recipient listed as enrolled at the institution and return the roster to the adjutant general and the chancellor. Except as provided in division (J) of this section, the chancellor shall provide for payment of the appropriate number and amount of scholarships to each institution of higher education pursuant to division (D) of this section. If an institution of higher education fails to certify the actual enrollment of a scholarship recipient listed as enrolled at the institution within thirty days of the end of an academic term, the institution shall not be eligible to receive payment from the Ohio national guard scholarship program or from the individual enrollee. The adjutant general shall report on a semiannual basis to the director of budget and management, the speaker of the house of representatives, the president of the senate, and the chancellor the number of Ohio national guard scholarship recipients, the size of the scholarship-eligible population, and a projection of the cost of the program for the remainder of the biennium.

(I) The chancellor and the adjutant general may adopt rules pursuant to Chapter 119. of the Revised Code governing the administration and fiscal management of the Ohio national guard scholarship program and the procedure by which the chancellor and the department of the adjutant general may modify the amount of scholarships a member receives based on the amount of other state financial aid a member receives.

(J) The adjutant general, the chancellor, and the director, or their designees, shall jointly estimate the costs of the Ohio national guard scholarship program for each upcoming fiscal biennium, and shall report that estimate prior to the beginning of the fiscal biennium to the chairpersons of the finance committees in the general assembly. During each fiscal year of the biennium, the adjutant general, the chancellor, and the director, or their designees, shall meet regularly to monitor the actual costs of the Ohio national guard scholarship program and update cost projections for the remainder of the biennium as necessary. If the amounts appropriated for the Ohio national guard scholarship program and any funds in the Ohio national

guard scholarship reserve fund and the Ohio national guard scholarship donation fund are not adequate to provide scholarships in the amounts specified in division (D)(1) of this section for all eligible applicants, the chancellor shall do all of the following:

(1) Notify each private institution of higher education, where a scholarship recipient is enrolled, that, by accepting the Ohio national guard scholarship program as payment for all or part of the institution's tuition, the institution agrees that if the chancellor reduces the amount of each scholarship, the institution shall provide each scholarship recipient a grant or tuition waiver in an amount equal to the amount the recipient's scholarship was reduced by the chancellor.

(2) Reduce the amount of each scholarship under division (D)(1)(a) of this section proportionally based on the amount of remaining available funds. Each state institution of higher education shall provide each scholarship recipient under division (D)(1)(a) of this section a grant or tuition waiver in an amount equal to the amount the recipient's scholarship was reduced by the chancellor.

(K) Notwithstanding division (A) of section 127.14 of the Revised Code, the controlling board shall not transfer all or part of any appropriation for the Ohio national guard scholarship program.

(L) The chancellor and the adjutant general may apply for, and may receive and accept grants, and may receive and accept gifts, bequests, and contributions, from public and private sources, including agencies and instrumentalities of the United States and this state, and shall deposit the grants, gifts, bequests, or contributions into the national guard scholarship donation fund."

In line 3827, delete "and"; after "4510.32" insert ", and 5919.34"

In line 4011, after "5." insert "The amendment made by this act to division (G) of section 5919.34 of the Revised Code applies to a scholarship recipient who became liable on or before September 30, 2016, for failure to complete the scholarship recipient's enlistment term in the Ohio National Guard due to enlistment, warrant, commission, or appointment in the active duty component of the United States Armed Forces. Not later than one year after the effective date of this act, the state shall return to a scholarship recipient, who is no longer liable under this section, any scholarship amount recovered from a scholarship recipient who became liable under division (G) of section 5919.34 of the Revised Code, on or before September 30, 2016.

Section 6."

In those circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction

of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A) (16) of this section with respect to any proceedings brought under section 2151.34 ~~or~~ 3113.31, or 3113.311 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositional powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 ~~and~~ 3113.31, and 3113.311 of the Revised Code, including the issuance of protection orders or the approval of consent agreements under those sections."

In line 12, strike through "or" and insert an underlined comma; after "3113.31" insert ", or 3113.311"

Between lines 94 and 95, insert:

"Sec. 3113.311. (A) As used in this section:

(1) "Dating violence" means the occurrence of one or more of the following acts against a petitioner alleging dating violence:

(a) Attempting to cause or recklessly causing bodily injury;

(b) Placing the petitioner alleging dating violence by the threat of force in fear of imminent serious physical harm or committing a violation of section 2903.211 or 2911.211 of the Revised Code;

(c) Committing a sexually oriented offense.

(2) "Court" means the domestic relations division of the court of common pleas in counties that have a domestic relations division and the court of common pleas in counties that do not have a domestic relations division, or the juvenile division of the court of common pleas of the county in which the person to be protected by a protection order issued or a consent agreement approved under this section resides if the respondent is less than eighteen years of age.

(3)(a) "Petitioner alleging dating violence" or "person alleging dating violence" means a person who has or has had a dating relationship with the respondent within the twelve months preceding the date of the conduct in question that constitutes the alleged dating violence. "Petitioner alleging dating violence" or "person alleging dating violence" does not include, with respect to a specified respondent, another person who has only a casual relationship with the specified respondent or another person who has engaged solely in ordinary fraternization in a business or social context with the specified respondent.

(b) The existence of a dating relationship between two persons shall be determined based on a consideration of either of the following factors:

(i) The nature of the relationship must have been characterized by the expectation of affection between the two persons.

(ii) The frequency and type of interaction between the two persons involved in the relationship must have included that the persons have been involved over time and on a continuous basis during the course of the relationship.

(4) "Victim advocate" means a person who provides support and assistance for a person who files a petition under this section.

(5) "Sexually oriented offense" has the same meaning as in section 2950.01 of the Revised Code.

(6) "Companion animal" has the same meaning as in section 959.131 of the Revised Code.

(B) The court has jurisdiction over all proceedings under this section.

(C) A petitioner alleging dating violence may seek relief under this section on the person's own behalf, or any parent or adult household member of a person alleging dating violence may seek relief under this section on behalf of that person, by filing a petition with the court. The petition shall contain or state:

(1) An allegation that the respondent engaged in dating violence against the petitioner alleging dating violence, including a description of the nature and extent of the dating violence;

(2) The relationship of the respondent to the petitioner alleging dating violence and to the person alleging dating violence if other than the petitioner filing the petition;

(3) A request for relief under this section.

(D)(1) If a person who files a petition pursuant to this section requests an ex parte order, the court shall hold an ex parte hearing on the same day that the petition is filed. The court, for good cause shown at the ex parte hearing, may enter any temporary orders, with or without bond, including, but not limited to, an order described in division (E)(1)(a) of this section, that the court finds necessary to protect the petitioner alleging dating violence from any dating violence. Immediate and present danger of dating violence to the petitioner alleging dating violence constitutes good cause for purposes of this section. Immediate and present danger includes, but is not limited to, situations in which the respondent has threatened the petitioner alleging dating violence with bodily harm, in which the respondent has threatened that petitioner with a sexually oriented offense, or in which the respondent previously has been convicted of, pleaded guilty to, or been adjudicated a delinquent child for an offense that constitutes dating violence against the petitioner alleging dating violence.

(2)(a) If the court, after an ex parte hearing, issues any protection

order that is authorized under division (E) of this section, the court shall schedule a full hearing for a date that is within ten court days after the ex parte hearing. The court shall give the respondent notice of, and an opportunity to be heard at, the full hearing. The court shall hold the full hearing on the date scheduled under this division unless the court grants a continuance of the hearing in accordance with this division. Under any of the following circumstances or for any of the following reasons, the court may grant a continuance of the full hearing to a reasonable time determined by the court:

(i) Prior to the date scheduled for the full hearing under this division, the respondent has not been served with the petition filed pursuant to this section and notice of the full hearing.

(ii) The parties consent to the continuance.

(iii) The continuance is needed to allow a party to obtain counsel.

(iv) The continuance is needed for other good cause.

(b) An ex parte order issued under this section does not expire because of a failure to serve notice of the full hearing upon the respondent before the date set for the full hearing under division (D)(2)(a) of this section or because the court grants a continuance under that division.

(3) If a person who files a petition pursuant to this section does not request an ex parte order, or if a person requests an ex parte order but the court does not issue an ex parte order after an ex parte hearing, the court shall proceed as in a normal civil action and grant a full hearing on the matter.

(E)(1) After an ex parte or full hearing, the court may grant any protection order, with or without bond, or approve any consent agreement to bring about a cessation of dating violence against the petitioner alleging dating violence. The order or agreement may:

(a) Direct the respondent to refrain from abusing or from committing sexually oriented offenses against the petitioner alleging dating violence;

(b) Require the respondent, the petitioner alleging dating violence, the petitioner filing the petition if other than the person alleging dating violence, or any combination of those persons, to seek counseling;

(c) Require the respondent to refrain from entering the residence, school, business, or place of employment of the petitioner alleging dating violence or the petitioner filing the petition if other than the person alleging dating violence;

(d) Require that the respondent not remove, damage, hide, harm, or dispose of any companion animal owned or possessed by the petitioner alleging dating violence;

(e) Authorize the petitioner alleging dating violence to remove a

companion animal owned by that petitioner from the possession of the respondent;

(f) Grant other relief that the court considers equitable and fair.

(2) If a protection order has been issued pursuant to this section in a prior action involving the respondent and the petitioner alleging dating violence or the petitioner filing the petition if other than the person alleging dating violence, the court may include in a protection order that it issues a prohibition against the respondent returning to the residence, school, business, or place of employment.

(3)(a) Any protection order issued or consent agreement approved under this section shall be valid until a date certain, but not later than five years from the date of its issuance or approval, or not later than the date a respondent who is less than eighteen years of age attains nineteen years of age, unless modified or terminated as provided in division (E)(6) of this section.

(b) Any protection order issued or consent agreement approved pursuant to this section may be renewed in the same manner as the original order or agreement was issued or approved.

(4) A court may not issue a protection order that requires a petitioner alleging dating violence to do or to refrain from doing an act that the court may require a respondent to do or to refrain from doing under division (E)(1) (a), (c), (d), (e), or (f) of this section unless all of the following apply:

(a) The respondent files a separate petition for a protection order in accordance with this section.

(b) The petitioner is served notice of the respondent's petition at least forty-eight hours before the court holds a hearing with respect to the respondent's petition, or the petitioner waives the right to receive this notice.

(c) If the petitioner has requested an ex parte order pursuant to division (D) of this section, the court does not delay any hearing required by that division beyond the time specified in that division in order to consolidate the hearing with a hearing on the petition filed by the respondent.

(d) After a full hearing at which the respondent presents evidence in support of the request for a protection order and the petitioner is afforded an opportunity to defend against that evidence, the court determines that the petitioner has committed an act of dating violence, that both the petitioner and the respondent acted primarily as aggressors, and that neither the petitioner nor the respondent acted primarily in self-defense.

(5)(a) If a protection order issued or consent agreement approved under this section includes a requirement that the respondent refrain from entering the residence, school, business, or place of employment of the petitioner alleging dating violence or the petitioner filing the petition if other

than the person alleging dating violence, the order or agreement shall state clearly that the order or agreement cannot be waived or nullified by an invitation to the respondent from the petitioner alleging dating violence or the petitioner filing the petition to enter the residence, school, business, or place of employment or by the respondent's entry into one of those places otherwise upon the consent of the applicable petitioner.

(b) Division (E)(5)(a) of this section does not limit any discretion of a court to determine that a respondent charged with contempt of court, which charge is based on an alleged violation of a protection order issued or consent agreement approved under this section, did not commit the violation or was not in contempt of court.

(6)(a) The court may modify or terminate as provided in division (E) (6) of this section a protection order or consent agreement that was issued after a full hearing under this section. The court that issued the protection order or approved the consent agreement shall hear a motion for modification or termination of the protection order or consent agreement pursuant to division (E)(6) of this section.

(b) Either the petitioner alleging dating violence or the respondent of the original protection order or consent agreement may bring a motion for modification or termination of a protection order or consent agreement that was issued or approved after a full hearing. The court shall require notice of the motion to be made as provided by the Rules of Civil Procedure. If that petitioner for the original protection order or consent agreement has requested that the petitioner's address be kept confidential, the court shall not disclose the address to the respondent of the original protection order or consent agreement or any other person, except as otherwise required by law. The moving party has the burden of proof to show, by a preponderance of the evidence, that modification or termination of the protection order or consent agreement is appropriate because either the protection order or consent agreement is no longer needed or because the terms of the original protection order or consent agreement are no longer appropriate.

(c) In considering whether to modify or terminate a protection order or consent agreement issued or approved under this section, the court shall consider all relevant factors, including, but not limited to, the following:

(i) Whether the petitioner consents to modification or termination of the protection order or consent agreement;

(ii) Whether the petitioner fears the respondent;

(iii) The current nature of the relationship between the petitioner and the respondent;

(iv) The circumstances of the petitioner and respondent, including the relative proximity of the petitioner's and respondent's workplaces and

residences:

(v) Whether the respondent has complied with the terms and conditions of the original protection order or consent agreement;

(vi) Whether the respondent has a continuing involvement with illegal drugs or alcohol;

(vii) Whether the respondent has been convicted of, pleaded guilty to, or been adjudicated a delinquent child for an offense of violence since the issuance of the protection order or approval of the consent agreement;

(viii) Whether any other protection orders, consent agreements, restraining orders, or no contact orders have been issued against the respondent pursuant to this section, section 2919.26 or 3113.31 of the Revised Code, any other provision of state law, or the law of any other state;

(ix) Whether the respondent has participated in any dating violence treatment, intervention program, or other counseling addressing dating violence and whether the respondent has completed the treatment, program, or counseling;

(x) The time that has elapsed since the protection order was issued or since the consent agreement was approved;

(xi) The age and health of the respondent;

(xii) When the last incident of abuse, threat of harm, or commission of a sexually oriented offense occurred or other relevant information concerning the safety and protection of the petitioner alleging dating violence, or the petitioner filing the petition if other than the person alleging dating violence.

(d) If a protection order or consent agreement is modified or terminated as provided in division (E)(6) of this section, the court shall issue copies of the modified or terminated order or agreement as provided in division (F) of this section. A petitioner may also provide notice of the modification or termination to the judicial and law enforcement officials in any county other than the county in which the order or agreement is modified or terminated as provided in division (L) of this section.

(e) If the respondent moves for modification or termination of a protection order or consent agreement pursuant to this section and the court denies the motion, the court may assess costs against the respondent for the filing of the motion.

(7) Any protection order issued or any consent agreement approved pursuant to this section shall include a provision that the court will automatically seal all of the records of the proceeding in which the order is issued or agreement approved on the date the respondent attains the age of nineteen years unless the petitioner provides the court with evidence that the respondent has not complied with all of the terms of the protection order or

consent agreement. The protection order or consent agreement shall specify the date when the respondent attains the age of nineteen years.

(F)(1) A copy of any protection order, or consent agreement, that is issued, approved, modified, or terminated under this section shall be issued by the court to the petitioner, to the respondent, and to all law enforcement agencies that have jurisdiction to enforce the order or agreement. The court shall direct that a copy of an order be delivered to the respondent on the same day that the order is entered.

(2) Upon the issuance of a protection order or the approval of a consent agreement under this section, the court shall provide the parties to the order or agreement with the following notice orally or by form:

"NOTICE

As a result of this order or consent agreement, it may be unlawful for you to possess or purchase a firearm, including a rifle, pistol, or revolver, or ammunition pursuant to federal law under 18 U.S.C. 922(g)(8). If you have any questions whether this law makes it illegal for you to possess or purchase a firearm or ammunition, you should consult an attorney."

(3) All law enforcement agencies shall establish and maintain an index for the protection orders and the approved consent agreements delivered to the agencies pursuant to division (F)(1) of this section. With respect to each order and consent agreement delivered, each agency shall note on the index the date and time that it received the order or consent agreement.

(4) Regardless of whether the petitioner has registered the order or agreement in the county in which the officer's agency has jurisdiction pursuant to division (L) of this section, any officer of a law enforcement agency shall enforce a protection order issued or consent agreement approved by any court in this state in accordance with the provisions of the order or agreement, including removing the respondent from the premises, if appropriate.

(G) Any proceeding under this section shall be conducted in accordance with the Rules of Civil Procedure, except that an order under this section may be obtained with or without bond. An order issued under this section, other than an ex parte order, that grants a protection order or approves a consent agreement, that refuses to grant a protection order or approve a consent agreement that modifies or terminates a protection order or consent agreement, or that refuses to modify or terminate a protection order or consent agreement, is a final, appealable order. The remedies and procedures provided in this section are in addition to, and not in lieu of, any other available civil or criminal remedies.

(H) Any law enforcement agency that investigates a dispute involving

persons in a dating relationship shall provide information to the potential petitioner alleging dating violence involved regarding the relief available under this section.

(I)(1) Subject to divisions (E)(6)(e) and (I)(2) of this section and regardless of whether a protection order is issued or a consent agreement is approved by a court of another county or a court of another state, no court or unit of state or local government shall charge the petitioner any fee, cost, deposit, or money in connection with the filing of a petition pursuant to this section or in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a protection order, consent agreement, or witness subpoena or for obtaining a certified copy of a protection order or consent agreement.

(2) Regardless of whether a protection order is issued or a consent agreement is approved pursuant to this section, the court may assess costs against the respondent in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a protection order, consent agreement, or witness subpoena or for obtaining a certified copy of a protection order or consent agreement.

(J) A person who violates a protection order issued or a consent agreement approved under this section is guilty of a violation of section 2919.27 of the Revised Code.

(K) In all stages of a proceeding under this section, a petitioner may be accompanied by a victim advocate.

(L)(1) A petitioner who obtains a protection order or consent agreement under this section may provide notice of the issuance or approval of the order or agreement to the judicial and law enforcement officials in any county other than the county in which the order is issued or the agreement is approved by registering that order or agreement in the other county pursuant to division (L)(2) of this section and filing a copy of the registered order or registered agreement with a law enforcement agency in the other county in accordance with that division. A person who obtains a protection order issued by a court of another state may provide notice of the issuance of the order to the judicial and law enforcement officials in any county of this state by registering the order in that county pursuant to section 2919.272 of the Revised Code and filing a copy of the registered order with a law enforcement agency in that county.

(2) A petitioner may register a temporary protection order, protection order, or consent agreement in a county other than the county in which the court that issued the order or approved the agreement is located in the following manner:

(a) The petitioner shall obtain a certified copy of the order or agreement from the clerk of the court that issued the order or approved the

agreement and present that certified copy to the clerk of the court of common pleas or the clerk of a municipal court or county court in the county in which the order or agreement is to be registered.

(b) Upon accepting the certified copy of the order or agreement for registration, the clerk of the court of common pleas, municipal court, or county court shall place an endorsement of registration on the order or agreement and give the petitioner a copy of the order or agreement that bears that proof of registration.

(3) The clerk of each court of common pleas, the clerk of each municipal court, and the clerk of each county court shall maintain a registry of certified copies of temporary protection orders, protection orders, or consent agreements that have been issued or approved by courts in other counties and that have been registered with the clerk.

Sec. 3113.33. As used in sections 3113.33 to 3113.40 of the Revised Code:

(E) "Dating violence" has the same meaning as in section 3113.311 of the Revised Code."
