A BILL

To enact section 153.75 of the Revised Code to 1
require a public authority to consider all 2
piping materials that meet the engineering 3
specifications for a state-funded water or waste 4
water project. 5

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 153.75 of the Revised Code be 6
enacted to read as follows: 7

Sec. 153.75. (A) As used in this section, "public 8
authority" means the state, a county, municipal corporation, 9
water or sewer district, school district, or other political 10
subdivision, or any public agency, authority, board, commission, 11
instrumentality, or special purpose district of the state or of 12
a political subdivision. 13

(B) A public authority shall consider all piping materials 14
for the construction, development, maintenance, rebuilding, 15
improvement, repair, or operation of a water or waste water 16
project that is funded in whole or in part with state money that 17
