As used in this chapter:

(A)(1) "Municipal taxable income" means the following:

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals who are not residents of the qualified municipal corporation and net profit of persons that are not wholly located within the qualified municipal corporation, such individual or person shall have no municipal taxable income for the purposes of the tax levied by the qualified municipal corporation and may be exempted by the qualified municipal corporation from the requirements of section 718.03 of the Revised Code.

(c) For an individual who is a nonresident of a municipal corporation, income reduced by exempt income to the extent otherwise included in income and then, as applicable, apportioned or situated to the municipal corporation under section 718.02 of the Revised Code, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(2) In computing the municipal taxable income of a taxpayer who is an individual, the taxpayer may subtract, as provided in division (A)(1)(b)(i) or (c) of this section, the amount of the individual's employee business expenses reported on the individual's form 2106 that the individual deducted for federal income tax purposes for the taxable year, subject to the limitation imposed by section 67 of the Internal Revenue Code. For the municipal corporation in which the taxpayer is a resident, the taxpayer may deduct all such expenses allowed for federal income tax purposes. For a municipal corporation in which the taxpayer is not a resident, the taxpayer may deduct such expenses only to the extent the expenses are related to the taxpayer's performance of personal services in that nonresident municipal corporation.

(B) "Income" means the following:

(1)(a) For residents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident, except as provided in division (D)(4) of this section.

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net profits from S corporations are subject to tax in the municipal corporation as provided in division (C)(14)(b) or (c) of this section.

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer.

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident.

(3) For taxpayers that are not individuals, net profit of the taxpayer;

(4) Lottery, sweepstakes, gambling and sports winnings, winnings from games of chance, and prizes and awards. (3) Social security benefits, railroad retirement benefits, unemployment compensation, pensions, retirement benefit payments, payments from annuities, and similar payments made to an employee or to the beneficiary of an employee under a retirement program or plan, disability payments received from private industry or local, state, or federal governments or from charitable, religious or educational organizations, and the proceeds of sickness, accident, or liability insurance policies. favor of that question at an election held November 2, 2004. If a majority of those electors voted in favor of the question, the municipal corporation may continue after December 31, 2004, to impose the tax on such distributive shares only to the extent such shares would be so allocated or apportioned to this state.

(d) A municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation voted in favor of a question at an election held under division (C)(14)(b) or (c) of this section. As used in this subdivision, "taxes paid to another jurisdiction" means the total amount of

retail sales or use tax or similar tax based upon the sale, purchase, or use of tangible personal property or services rendered legally, levied by and paid to another state or political subdivision thereof, or to the District of Columbia, where the payment of such tax does not entitle the taxpayer to any refund or credit for such payment.

(6) The transfer of a used manufactured home or used mobile home, as defined by section 5739.0210 of the Revised Code, made on or after January 1, 2000;

(7) Drugs that are or are intended to be distributed free of charge to a practitioner licensed to prescribe, dispense, and administer drugs to a human being in the course of a professional practice and that by law may be dispensed only by or upon the order of such a practitioner;

(8) Computer equipment and related software leased from a lessor located outside this state and initially received in this state on behalf of the consumer by a third party that will retain possession of such property for not more than ninety days and that will, within that ninety-day period, deliver such property to the consumer at a location outside this state. Division (C)(8) of this section does not provide exemption from taxation for any otherwise taxable charges associated with such property while it is in this state or for any subsequent storage, use, or consumption of such property in this state by or on behalf of the consumer.

(9) Tangible personal property held for sale by a person but not for that person's own use and donated by that person, without charge or other compensation, to either of the following:

(a) A nonprofit organization operated exclusively for charitable purposes in this state, no part of the net income of which inures to the benefit of any private shareholder or individual and no substantial part of the activities of which consists of carrying on propaganda or otherwise attempting to influence legislation; or

(b) This state or any political subdivision of this state, but only if donated for exclusively public purposes.

For the purposes of division (C)(~~10~~)(9) of this section, "charitable purposes" has the same meaning as in division (B)(12) of section 5739.02 of the Revised Code.

(10) Equipment stored, used, or otherwise consumed in this state by an out-of-state disaster business during a disaster response period during which the business conducts disaster work pursuant to a qualifying solicitation received by the business, provided the equipment is removed from the state before the last day of that period. All terms used in division (C)(10) of this section have the same meanings as in section 5703.94 of the Revised Code.

(D) The tax applies to the storage, use, or other consumption in this state of tangible personal property or services, the acquisition of which at the time of sale was excepted under division (E) of section 5739.01 of the Revised Code from the tax imposed by section 5739.02 of the Revised Code, but which has subsequently been temporarily or permanently stored, used, or otherwise consumed in a taxable manner.

(E)(1)(a) If any transaction is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B) (1) to (11) or (28) of section 5739.02 of the Revised Code, the consumer shall provide to the seller, and the seller shall obtain from the consumer, a certificate specifying the reason that the transaction is not subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A seller that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under this chapter. Relief under this division from liability does not apply to any of the following:

- (i) A seller that fraudulently fails to collect tax;
- (ii) A seller that solicits consumers to participate in the unlawful claim of an exemption;
- (iii) A seller that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the seller in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;
- (iv) A seller that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The seller shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) If no certificate is provided or obtained within ninety days after the date on which the transaction is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a seller, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the transaction is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(4) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the seller. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(F) A seller who files a petition for reassessment contesting the assessment of tax on transactions for which the seller obtained no valid exemption certificates, and for which the seller failed to establish that the transactions were not subject to the tax during the one-hundred-twenty-day period allowed under division (E) of this section, may present to the tax commissioner additional evidence to prove that the transactions were exempt. The seller shall file such evidence within ninety days of the receipt by the seller of the notice of assessment, except that, upon application and for reasonable cause, the tax commissioner may extend the period for submitting such evidence thirty days.

(G) For the purpose of the proper administration of sections 5741.01 to 5741.22 of the Revised Code, and to prevent the evasion of the tax hereby levied, it shall be presumed that any use, storage, or other consumption of tangible personal property in this state is subject to the tax until the contrary is established.

(H) The tax collected by the seller from the consumer under this chapter is not part of the

price, but is a tax collection for the benefit of the state, and of counties levying an additional use tax pursuant to section 5741.021 or 5741.023 of the Revised Code and of transit authorities levying an additional use tax pursuant to section 5741.022 of the Revised Code. Except for the discount authorized under section 5741.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit authority shall derive any benefit from the collection of such tax.

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter. "Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the

undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(8) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(9) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(10) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(11)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(11) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(11)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to

meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(12)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A) (12)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(13) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(14) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax

commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this section.

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

(iv) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(20) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of

divisions (A)(20)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(20) of this section shall be construed to adjust or modify the adjusted basis of any asset.

(c) To the extent the add-back required under division (A)(20)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be situated to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(20)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(20) and (21) of this section:

(i) "Income taxes withheld" means the total amount withheld and remitted under sections 5747.06 and 5747.07 of the Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount by which the amount of income taxes withheld by an employer during the employer's current taxable year exceeds the amount of income taxes withheld by that employer during the employer's immediately preceding taxable year.

(iii) "Qualifying section 179 depreciation expense" means the difference between (I) the amount of depreciation expense directly or indirectly allowed to a taxpayer under section 179 of the Internal Revised Code, and (II) the amount of depreciation expense directly or indirectly allowed to the taxpayer under section 179 of the Internal Revenue Code as that section existed on December 31, 2002.

(21)(a) If the taxpayer was required to add an amount under division (A)(20)(a) of this section for a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of qualifying section 179 depreciation expense or depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code;

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be situated to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any

depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(21)(a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(20)(a) of this section has been deducted.

(d) No refund shall be allowed as a result of adjustments made by division (A)(21) of this section.

(22) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as reimbursement for life insurance premiums under section 5919.31 of the Revised Code.

(23) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as a death benefit paid by the adjutant general under section 5919.33 of the Revised Code.

(24) Deduct, to the extent included in federal adjusted gross income and not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, military pay and allowances received by the taxpayer during the taxable year for active duty service in the United States army, air force, navy, marine corps, or coast guard or reserve components thereof or the national guard. The deduction may not be claimed for military pay and allowances received by the taxpayer while the taxpayer is stationed in this state.

(25) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year and not otherwise compensated for by any other source, the amount of qualified organ donation expenses incurred by the taxpayer during the taxable year, not to exceed ten thousand dollars. A taxpayer may deduct qualified organ donation expenses only once for all taxable years beginning with taxable years beginning in 2007.

For the purposes of division (A)(25) of this section:

(a) "Human organ" means all or any portion of a human liver, pancreas, kidney, intestine, or lung, and any portion of human bone marrow.

(b) "Qualified organ donation expenses" means travel expenses, lodging expenses, and wages and salary forgone by a taxpayer in connection with the taxpayer's donation, while living, of one or more of the taxpayer's human organs to another human being.

(26) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, amounts received by the taxpayer as retired personnel pay for service in the uniformed services or reserve components thereof, or the national guard, or received by the surviving spouse or former spouse of such a taxpayer under the survivor benefit plan on account of such a taxpayer's death. If the taxpayer receives income on account of retirement paid under the federal civil service retirement system or federal employees retirement system, or under any successor retirement program enacted by the congress of the United States that is established and maintained for retired employees of the United States government, and such retirement income is based, in whole or in part, on credit for the taxpayer's uniformed service, the deduction allowed under this division shall include only that portion of such retirement income that is attributable to the

taxpayer's uniformed service, to the extent that portion of such retirement income is otherwise included in federal adjusted gross income and is not otherwise deducted under this section. Any amount deducted under division (A)(26) of this section is not included in a taxpayer's adjusted gross income for the purposes of section 5747.055 of the Revised Code. No amount may be deducted under division (A)(26) of this section on the basis of which a credit was claimed under section 5747.055 of the Revised Code.

(28) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received as a veterans bonus during the taxable year from the Ohio department of veterans services as authorized by Section 2r of Article VIII, Ohio Constitution.

(29) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, any income derived from a transfer agreement or from the enterprise transferred under that agreement under section 4313.02 of the Revised Code.

(30) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, Ohio college opportunity or federal Pell grant amounts received by the taxpayer or the taxpayer's spouse or dependent pursuant to section 3333.122 of the Revised Code or 20 U.S.C. 1070a, et seq., and used to pay room or board furnished by the educational institution for which the grant was awarded at the institution's facilities, including meal plans administered by the institution. For the purposes of this division, receipt of a grant includes the distribution of a grant directly to an educational institution and the crediting of the grant to the enrollee's account with the institution.

(31)(a) For taxable years beginning in 2015, deduct from the portion of an individual's adjusted gross income that is business income, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the lesser of the following amounts:

(i) Seventy-five per cent of the individual's business income;

(ii) Ninety-three thousand seven hundred fifty dollars for each spouse if spouses file separate returns under section 5747.08 of the Revised Code or one hundred eighty-seven thousand five hundred dollars for all other individuals.

(b) For taxable years beginning in 2016 or thereafter, deduct from the portion of an individual's adjusted gross income that is business income, to the extent not otherwise deducted or excluded in computing federal adjusted gross income for the taxable year, one hundred twenty-five thousand dollars for each spouse if spouses file separate returns under section 5747.08 of the Revised Code or two hundred fifty thousand dollars for all other individuals.

(iii) Income received by an out-of-state disaster business for disaster work conducted in this state during a disaster response period, or, if the out-of-state disaster business is a pass-through entity, a taxpayer's distributive share of the pass-through entity's income from the business conducting disaster work in this state during a disaster response period, if, in either case, the disaster work is conducted pursuant to a qualifying solicitation received by the business.

(b) All terms used in division (A)(33) of this section have the same meanings as in section 5703.94 of the Revised Code.

(B) "Business income" means income, including gain or loss, arising from transactions, activities, and sources in the regular course of a trade or business and includes income, gain, or loss from real property, tangible property, and intangible property if the acquisition, rental, management, and disposition of the property constitute integral parts of the regular course of a trade or business operation. (1) An individual who is domiciled in this state, subject to section 5747.24 of the Revised Code;

(3) A trust that, in whole or part, resides in this state. If only part of a trust resides in this

state, the trust is a resident only with respect to that part.

For the purposes of division (I)(3) of this section:

(a) A trust resides in this state for the trust's current taxable year to the extent, as described in division (I)(3)(d) of this section, that the trust consists directly or indirectly, in whole or in part, of assets, net of any related liabilities, that were transferred, or caused to be transferred, directly or indirectly, to the trust by any of the following:

(i) A person, a court, or a governmental entity or instrumentality on account of the death of a decedent, but only if the trust is described in division (I)(3)(e)(i) or (ii) of this section;

(ii) A person who was domiciled in this state for the purposes of this chapter when the person directly or indirectly transferred assets to an irrevocable trust, but only if at least one of the trust's qualifying beneficiaries is domiciled in this state for the purposes of this chapter during all or some portion of the trust's current taxable year;

(iii) A person who was domiciled in this state for the purposes of this chapter when the trust document or instrument or part of the trust document or instrument became irrevocable, but only if at least one of the trust's qualifying beneficiaries is a resident domiciled in this state for the purposes of this chapter during all or some portion of the trust's current taxable year. If a trust document or instrument became irrevocable upon the death of a person who at the time of death was domiciled in this state for purposes of this chapter, that person is a person described in division (I)(3)(a)(iii) of this section.

(b) A trust is irrevocable to the extent that the transferor is not considered to be the owner of the net assets of the trust under sections 671 to 678 of the Internal Revenue Code.

(d) For the purposes of division (I)(3)(a) of this section, the extent to which a trust consists directly or indirectly, in whole or in part, of assets, net of any related liabilities, that were transferred directly or indirectly, in whole or part, to the trust by any of the sources enumerated in that division shall be ascertained by multiplying the fair market value of the trust's assets, net of related liabilities, by the qualifying ratio, which shall be computed as follows:

(i) The first time the trust receives assets, the numerator of the qualifying ratio is the fair market value of those assets at that time, net of any related liabilities, from sources enumerated in division (I)(3)(a) of this section. The denominator of the qualifying ratio is the fair market value of all the trust's assets at that time, net of any related liabilities.

(ii) Each subsequent time the trust receives assets, a revised qualifying ratio shall be computed. The numerator of the revised qualifying ratio is the sum of (1) the fair market value of the trust's assets immediately prior to the subsequent transfer, net of any related liabilities, multiplied by the qualifying ratio last computed without regard to the subsequent transfer, and (2) the fair market value of the subsequently transferred assets at the time transferred, net of any related liabilities, from sources enumerated in division (I)(3)(a) of this section. The denominator of the revised qualifying

ratio is the fair market value of all the trust's assets immediately after the subsequent transfer, net of any related liabilities.

(iii) Whether a transfer to the trust is by or from any of the sources enumerated in division (I)(3)(a) of this section shall be ascertained without regard to the domicile of the trust's beneficiaries.

(e) For the purposes of division (I)(3)(a)(i) of this section:

(i) A trust is described in division (I)(3)(e)(i) of this section if the trust is a testamentary trust and the testator of that testamentary trust was domiciled in this state at the time of the testator's death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(ii) A trust is described in division (I)(3)(e)(ii) of this section if the transfer is a qualifying transfer described in any of divisions (I)(3)(f)(i) to (vi) of this section, the trust is an irrevocable inter vivos trust, and at least one of the trust's qualifying beneficiaries is domiciled in this state for purposes of this chapter during all or some portion of the trust's current taxable year.

(f) For the purposes of division (I)(3)(e)(ii) of this section, a "qualifying transfer" is a transfer of assets, net of any related liabilities, directly or indirectly to a trust, if the transfer is described in any of the following:

(i) The transfer is made to a trust, created by the decedent before the decedent's death and while the decedent was domiciled in this state for the purposes of this chapter, and, prior to the death of the decedent, the trust became irrevocable while the decedent was domiciled in this state for the purposes of this chapter.

(ii) The transfer is made to a trust to which the decedent, prior to the decedent's death, had directly or indirectly transferred assets, net of any related liabilities, while the decedent was domiciled in this state for the purposes of this chapter, and prior to the death of the decedent the trust became irrevocable while the decedent was domiciled in this state for the purposes of this chapter.

(iii) The transfer is made on account of a contractual relationship existing directly or indirectly between the transferor and either the decedent or the estate of the decedent at any time prior to the date of the decedent's death, and the decedent was domiciled in this state at the time of death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(iv) The transfer is made to a trust on account of a contractual relationship existing directly or indirectly between the transferor and another person who at the time of the decedent's death was domiciled in this state for purposes of this chapter.

(v) The transfer is made to a trust on account of the will of a testator who was domiciled in this state at the time of the testator's death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(vi) The transfer is made to a trust created by or caused to be created by a court, and the trust was directly or indirectly created in connection with or as a result of the death of an individual who, for purposes of the taxes levied under Chapter 5731. of the Revised Code, was domiciled in this state at the time of the individual's death.

(g) The tax commissioner may adopt rules to ascertain the part of a trust residing in this state.

(9)(a) Deduct any amount included in federal taxable income solely because the amount represents a reimbursement or refund of expenses that in a previous year the decedent had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable treasury regulations. The deduction otherwise allowed under division (S)(9)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer or decedent deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio taxable income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio taxable income in any taxable year, but only to the extent such amount has not been distributed to beneficiaries for the taxable year.

(10) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(b) It does not otherwise reduce the taxpayer's taxable income or the decedent's adjusted gross income for the current or any other taxable year.

(11) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that the amount satisfies either of the following:

Code;

(b) The amount resulted in a reduction in the taxpayer's federal taxable income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(12) Deduct any amount, net of related expenses deducted in computing federal taxable income, that a trust is required to report as farm income on its federal income tax return, but only if the assets of the trust include at least ten acres of land satisfying the definition of "land devoted exclusively to agricultural use" under section 5713.30 of the Revised Code, regardless of whether the land is valued for tax purposes as such land under sections 5713.30 to 5713.38 of the Revised Code. If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income. Division (S)(12) of this section applies only to taxable years of a trust beginning in 2002 or thereafter.

(13) Add the net amount of income described in section 641(c) of the Internal Revenue Code to the extent that amount is not included in federal taxable income.

(14) Add or deduct the amount the taxpayer would be required to add or deduct under division (A)(20) or (21) of this section if the taxpayer's Ohio taxable income were computed in the same manner as an individual's Ohio adjusted gross income is computed under this section. In the case of a trust, division (S)(14) of this section applies only to any of the trust's taxable years beginning in 2002 or thereafter.

(T) "School district income" and "school district income tax" have the same meanings as in section 5748.01 of the Revised Code.

(2) "Qualified tuition and fees" means tuition and fees imposed by an eligible institution as a condition of enrollment or attendance, not exceeding two thousand five hundred dollars in each of the individual's first two years of post-secondary education. If the individual is a part-time student, "qualified tuition and fees" includes tuition and fees paid for the academic equivalent of the first two years of post-secondary education during a maximum of five taxable years, not exceeding a total of five thousand dollars. (2) "Qualifying trust amount" of a trust means capital gains and losses from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, a qualifying investee to the extent included in the trust's Ohio taxable income, but only if the following requirements are satisfied:

(a) The book value of the qualifying investee's physical assets in this state and everywhere, as of the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, is available to the trust.

(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

(4) "Modified Ohio taxable income" applies only to trusts, and means the sum of the amounts described in divisions (BB)(4)(a) to (c) of this section:

(a) The fraction, calculated under section 5747.013, and applying section 5747.231 of the Revised Code, multiplied by the sum of the following amounts:

(i) The trust's modified business income;

(ii) The trust's qualifying investment income, as defined in section 5747.012 of the Revised Code, but only to the extent the qualifying investment income does not otherwise constitute modified business income and does not otherwise constitute a qualifying trust amount.

(b) The qualifying trust amount multiplied by a fraction, the numerator of which is the sum of the book value of the qualifying investee's physical assets in this state on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's

fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect to more than one qualifying investee, the amount described in division (BB)(4)(b) of this section shall equal the sum of the products so computed for each such qualifying investee.

(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b) of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying investee" includes all persons in the qualifying controlled group on such last day.

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (BB)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

(b) With respect to a trust that is not a resident for the taxable year and with respect to a part of a trust that is not a resident for the taxable year, "qualifying investee" for that taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.

(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. Division (A)(4)(b) of this section applies only if the taxpayer filed a return under section 5747.08 of the Revised Code for the preceding taxable year and if the preceding taxable year was a twelve-month taxable year.

(B) Every taxpayer shall make declaration of estimated taxes for the current taxable year, in the form that the tax commissioner shall prescribe, if the amount payable as estimated taxes, less the amount to be withheld from the taxpayer's compensation, is more than five hundred dollars. For

purposes of this section, taxes withheld from compensation shall be considered as paid in equal amounts on each payment date unless the taxpayer establishes the dates on which all amounts were actually withheld, in which case the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld. Taxpayers filing joint returns pursuant to section 5747.08 of the Revised Code shall file joint declarations of estimated taxes. A taxpayer may amend a declaration under rules prescribed by the commissioner. A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner. (4) For the fourth payment of estimated taxes each year, ~~ninety per cent of the tax liability, the required installment~~ less the amount of taxes paid by the date prescribed for that payment.

The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

The interest penalty imposed under division (D) of this section shall be in lieu of any other interest charge or penalty imposed for failure to file an estimated return and make estimated payments as required by this section.

(E) An underpayment of estimated taxes determined under division (D) of this section shall be due to reasonable cause and the interest penalty imposed by this section shall not be added to the taxes for the tax year if either of the following apply:

(1) The amount of tax that was paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due;

(2) The amount of tax that was paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return under section 5747.08 of the Revised Code for that year.

The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

Sec. 5747.43. (A) As used in this section:

(1) "Estimated taxes" means the amount that a qualifying entity estimates to be the sum of its liability under sections 5733.41 and 5747.41 of the Revised Code for its current qualifying taxable year.

(2) "Tax liability" means the total of the taxes and withholding taxes due under sections 5733.41 and 5747.41 of the Revised Code for the qualifying taxable year prior to applying any estimated tax payment or refund from another year.

(3) "Taxes paid" includes payments of estimated taxes made under division (C) of this section and tax refunds applied by the qualifying entity in payment of estimated taxes.

(4) "Required installment" means a payment equal to twenty-five per cent of the lesser of the following:

(a) Ninety per cent of the tax liability for the qualifying taxable year;

(b) One hundred per cent of the tax liability shown on the return of a qualifying entity for the

preceding qualifying taxable year.

Division (A)(4)(b) of this section applies only if the qualifying entity filed a return under section 5747.42 of the Revised Code for the preceding qualifying taxable year and if the preceding qualifying taxable year was a twelve-month taxable year.

(B) In addition to the return required to be filed pursuant to section 5747.42 of the Revised Code, each qualifying entity subject to the tax imposed under section 5733.41 and to the withholding tax imposed by section 5747.41 of the Revised Code shall file an estimated tax return and pay a portion of the qualifying entity's tax liability for its qualifying taxable year. The portion of those taxes required to be paid, and the last day prescribed for payment thereof, shall be as prescribed by divisions (B)(1), (2), (3), and (4) of this section:

(1) On or before the fifteenth day of the month following the last day of the first quarter of the qualifying entity's qualifying taxable year, twenty-two and one-half per cent of the qualifying entity's estimated tax liability for that taxable year;

(2) On or before the fifteenth day of the month following the last day of the second quarter of the qualifying entity's qualifying taxable year, forty-five per cent of the qualifying entity's estimated tax liability for that taxable year;

(3) On or before the fifteenth day of the month following the last day of the third quarter of the qualifying entity's qualifying taxable year, sixty-seven and one-half per cent of the qualifying entity's estimated tax liability for that taxable year;

(4) On or before the fifteenth day of the month following the last day of the fourth quarter of the qualifying entity's qualifying taxable year, ninety per cent of the qualifying entity's estimated tax liability for that taxable year.

Payments of estimated taxes shall be made payable to the treasurer of state.

(C) If a payment of estimated taxes is not paid in the full amount required under division (B) of this section, a penalty shall be added to the taxes charged for the qualifying taxable year unless the underpayment is due to reasonable cause as described in division (D) of this section. The penalty shall accrue at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment from the day the estimated payment was required to be made to the day the payment is made.

The amount of the underpayment upon which the penalty shall accrue shall be determined as follows:

(1) For the first payment of estimated taxes each year, ~~twenty-two and one-half per cent of the tax liability~~ the required installment less the amount of taxes paid by the date prescribed for that payment;

(2) For the second payment of estimated taxes each year, ~~forty-five per cent of the tax liability~~ the required installment less the amount of taxes paid by the date prescribed for that payment;

(3) For the third payment of estimated taxes each year, ~~sixty-seven and one-half per cent of the tax liability~~ the required installment less the amount of taxes paid by the date prescribed for that payment;

(4) For the fourth payment of estimated taxes each year, ~~ninety per cent of the tax liability~~ the required installment less the amount of taxes paid by the date prescribed for that payment.

For the purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of a previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

The penalty imposed under division (C) of this section is in lieu of any other interest charge or penalty imposed for failure to file a declaration of estimated tax report and make estimated payments as required by this section.

(D) An underpayment of estimated taxes determined under division (C) of this section is due to reasonable cause if any of the following apply:

(1) The amount of tax that was paid equals at least ninety per cent of the tax liability for the current qualifying taxable year, determined by annualizing the income received during that year up to the end of the month immediately preceding the month in which the payment is due;

(2) The amount of tax liability that was paid equals at least ninety per cent of the tax liability for the current qualifying taxable year;

(3) The amount of tax liability that was paid equals at least one hundred per cent of the tax liability shown on the return of the qualifying entity for the preceding qualifying taxable year, provided that the immediately preceding qualifying taxable year reflected a period of twelve months and the qualifying entity filed a return under section 5747.42 of the Revised Code for that year.

(E)(1) Divisions (B) and (C) of this section do not apply for a taxable year if either of the following applies to the qualifying entity:

(a) For the immediately preceding taxable year, the entity computes in good faith and in a reasonable manner that the sum of its adjusted qualifying amounts is ten thousand dollars or less.

(b) For the taxable year the entity computes in good faith and in a reasonable manner that the sum of its adjusted qualifying amounts is ten thousand dollars or less.

(2) Notwithstanding any other provision of Title LVII of the Revised Code to the contrary, the entity shall establish by a preponderance of the evidence that its computation of the adjusted qualifying amounts for the immediately preceding taxable year and the taxable year was, in fact, made in good faith and in a reasonable manner.

(F) The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of qualifying entities if the commissioner finds the waiver is reasonable and proper in view of administrative costs and other factors.

If the pre-income tax trust has made a qualifying pre-income tax trust election under division (FF)(3) of section 5747.01 of the Revised Code, then the trust and the pass-through entities of which it owns or controls, directly, indirectly, or constructively through related interests, more than five per cent of the ownership or equity interests, shall not be excluded persons for purposes of the tax imposed under section 5751.02 of the Revised Code.

(z) Qualifying distribution center receipts.

(i) For purposes of division (F)(2)(z) of this section:

(I) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage. If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.

(II) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.

(III) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(IV) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(V) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner. The application and annual fee shall be filed and paid for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be situated outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period. (For purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" excludes any person that is part of the consolidated elected

taxpayer group, if applicable, of the operator of the qualified distribution center.) The commissioner may require the applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(VII) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(VIII) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.

(IX) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

(X) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties. The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(ii)(I) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be situated outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability. (For purposes of division (F)(2)(z)(ii) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.)

(II) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the business operations of the distribution center have changed

or will change such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (F)(2)(z)(ii)(II) of this section, the distribution center shall pay all applicable fees required under division (F)(2)(z) of this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(III) An operator may appeal a determination under division (F)(2)(z)(ii)(I) or (II) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(iii) When filing an application for a qualifying certificate under division (F)(2)(z)(i)(VI) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (F)(2)(z)(i)(VI) of this section.

(iv)(I) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (F)(2)(z)(iii) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(II) The operator of a distribution center that receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section shall make a good faith estimate of the Ohio delivery percentage that the operator estimates will apply to the distribution center at the end of the thirty-six-month period after the operator first applied for a qualifying certificate under that division. The result of the estimate shall be multiplied by a factor of one and seventy-five one-hundredths. The product of that calculation shall be the Ohio delivery percentage used by suppliers in their reports of taxable gross receipts for each qualifying year that the distribution center receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section, except that, if the product is less than five per cent, the Ohio delivery percentage used shall be five per cent and that, if the product exceeds forty-nine per cent, the Ohio delivery percentage used shall be forty-nine per cent.

(v) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this division shall not be subject to tax on the qualifying distribution center receipts under division (F)(2)(z) of this section. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(vi) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (F)(2)(z)(i)(VI) of this section. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the revenue enhancement fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(vii) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in division (F)(2)(z) of this section.

(aa) Receipts of an employer from payroll deductions relating to the reimbursement of the employer for advancing moneys to an unrelated third party on an employee's behalf;

(bb) Cash discounts allowed and taken;

(cc) Returns and allowances;

(dd) Bad debts from receipts on the basis of which the tax imposed by this chapter was paid in a prior quarterly tax payment period. For the purpose of this division, "bad debts" means any debts that have become worthless or uncollectible between the preceding and current quarterly tax payment periods, have been uncollected for at least six months, and that may be claimed as a deduction under section 166 of the Internal Revenue Code and the regulations adopted under that section, or that could be claimed as such if the taxpayer kept its accounts on the accrual basis. "Bad debts" does not include repossessed property, uncollectible amounts on property that remains in the possession of the taxpayer until the full purchase price is paid, or expenses in attempting to collect any account receivable or for any portion of the debt recovered;

(ee) Any amount realized from the sale of an account receivable to the extent the receipts from the underlying transaction giving rise to the account receivable were included in the gross receipts of the taxpayer;

(ff) Any receipts directly attributed to a transfer agreement or to the enterprise transferred under that agreement under section 4313.02 of the Revised Code.

(gg)(i) As used in this division:
