Sec. 3333.614. (A) The deans of the Ohio state university college of dentistry and Case western reserve university school of dental medicine shall jointly develop a proposal for the
creation of a primary care dental student component of the
choose Ohio first scholarship program operated under section
3333.61 of the Revised Code. The purpose of the component is to
annually award scholarships to dental students who meet the
requirements of division (D) of this section.

(B) The deans shall consider including in the proposal
provisions that do the following:

(1) Establish a scholarship fund of sufficient size to
permit annually not more than eight dental students to receive
scholarships;

(2) Specify that a scholarship may be provided to a dental
student for not more than four years.

(C) The deans shall submit the proposal to the chancellor
of higher education not later than January 1, 2018, for the
chancellor's review. The chancellor shall decide whether to
implement the component as part of the program.

(D) If the component is implemented, a dental student must
meet both of the following requirements to be eligible for a
scholarship:

(1) Commit to practice dentistry, for not less than four
years, in a dental health resource shortage area that has been
designated under section 3702.87 of the Revised Code;

(2) Accept medicaid recipients as patients, without
restriction and, as compared to other patients, in a proportion
that is specified in the scholarship.

Sec. 3923.90. (A) As used in this section, "teledentistry"
has the same meaning as in section 4715.43 of the Revised Code.

(B) No individual or group policy of sickness and accident
insurance or public employee benefit plan shall deny coverage for the costs of any services provided to an insured through teledentistry if those services would be covered if the services were delivered other than through teledentistry.

(C) The coverage that may not be excluded under division (B) of this section is subject to all terms, conditions, restrictions, exclusions, and limitations that apply to any other coverage for services performed by participating and nonparticipating providers.

Sec. 4715.03. (A) The state dental board shall organize by electing from its members a president, secretary, and vice-secretary. The secretary and vice-secretary shall be elected from the members of the board who are dentists. It shall hold meetings monthly at least eight months a year at such times and places as the board designates. A majority of the members of the board shall constitute a quorum. The board shall make such reasonable rules as it determines necessary pursuant to Chapter 119. of the Revised Code.

(B) A concurrence of a majority of the members of the board shall be required to do any of the following:

(1) Grant, refuse, suspend, place on probationary status, revoke, refuse to renew, or refuse to reinstate a license or censure a license holder or take any other action authorized under section 4715.30 of the Revised Code;

(2) Seek an injunction under section 4715.05 of the Revised Code;

(3) Enter into a consent agreement with a license holder;

(4) If the board develops and implements the quality intervention program under section 4715.031 of the Revised Code,
refer a license holder to the program;

(5) Terminate an investigation conducted under division (D) of this section;

(6) Dismiss any complaint filed with the board.

(C)(1) The board shall adopt rules in accordance with Chapter 119. of the Revised Code to do both of the following:

(a) Establish standards for the safe practice of dentistry and dental hygiene by qualified practitioners and shall, through its policies and activities, promote such practice;

(b) Establish universal blood and body fluid precautions that shall be used by each person licensed under this chapter who performs exposure prone invasive procedures.

(2) The rules adopted under division (C)(1)(b) of this section shall define and establish requirements for universal blood and body fluid precautions that include the following:

(a) Appropriate use of hand washing;

(b) Disinfection and sterilization of equipment;

(c) Handling and disposal of needles and other sharp instruments;

(d) Wearing and disposal of gloves and other protective garments and devices.

(D) The board shall administer and enforce the provisions of this chapter. The board shall, in accordance with sections 4715.032 to 4715.035 of the Revised Code, investigate evidence which appears to show that any person has violated any provision of this chapter. Any person may report to the board under oath any information such person may have appearing to show a
violation of any provision of this chapter. In the absence of
bad faith, any person who reports such information or who
testifies before the board in any disciplinary proceeding
created pursuant to Chapter 119. of the Revised Code is not
liable for civil damages as a result of making the report or
providing testimony. If after investigation and reviewing the
recommendation of the supervisory investigative panel issued
pursuant to section 4715.034 of the Revised Code the board
determines that there are reasonable grounds to believe that a
violation of this chapter has occurred, the board shall, except
as provided in this chapter, conduct disciplinary proceedings
pursuant to Chapter 119. of the Revised Code, seek an injunction
under section 4715.05 of the Revised Code, enter into a consent
agreement with a license holder, or provide for a license holder
to participate in the quality intervention program established
under section 4715.031 of the Revised Code if the board develops
and implements that program.

For the purpose of any disciplinary proceeding or any
investigation conducted under this division, the board may
administer oaths, order the taking of depositions, issue
subpoenas in accordance with section 4715.033 of the Revised
Code, compel the attendance and testimony of persons at
depositions, and compel the production of books, accounts,
papers, documents, or other tangible things. The hearings and
investigations of the board shall be considered civil actions
for the purposes of section 2305.252 of the Revised Code.
Notwithstanding section 121.22 of the Revised Code and except as
provided in section 4715.036 of the Revised Code, proceedings of
the board relative to the investigation of a complaint or the
determination whether there are reasonable grounds to believe
that a violation of this chapter has occurred are confidential
and are not subject to discovery in any civil action.

(E)(1) The board shall examine or cause to be examined eligible applicants to practice dental hygiene. The board may distinguish by rule different classes of qualified personnel according to skill levels and require all or only certain of these classes of qualified personnel to be examined and certified by the board.

(2) The board shall administer a written jurisprudence examination to each applicant for a license to practice dentistry. The examination shall cover only the statutes and administrative rules governing the practice of dentistry in this state.

(F) In accordance with Chapter 119. of the Revised Code, the board shall adopt, and may amend or rescind, rules establishing the eligibility criteria, the application and permit renewal procedures, and safety standards applicable to a dentist licensed under this chapter who applies for a permit to employ or use conscious intravenous sedation. These rules shall include all of the following:

(1) The eligibility requirements and application procedures for an eligible dentist to obtain a conscious intravenous sedation permit;

(2) The minimum educational and clinical training standards required of applicants, which shall include satisfactory completion of an advanced cardiac life support course;

(3) The facility equipment and inspection requirements;

(4) Safety standards;
(5) Requirements for reporting adverse occurrences.

(G) In accordance with Chapter 119. of the Revised Code, the board shall adopt rules establishing eligibility criteria, application and permit renewal procedures, and safety standards applicable to a dentist licensed under this chapter who applies for a general anesthesia permit.

Sec. 4715.09. (A) No person shall practice dentistry without a current license from the state dental board. No person shall practice dentistry while the person's license is under suspension by the state dental board.

(B) No dentist shall use the services of any person not licensed to practice dentistry in this state, or the services of any partnership, corporation, or association, to construct, alter, repair, or duplicate any denture, plate, bridge, splint, or orthodontic or prosthetic appliance, without first furnishing the unlicensed person, partnership, corporation, or association with a written work authorization on forms prescribed by the state dental board.

The unlicensed person, partnership, corporation, or association shall retain the original work authorization, and the dentist shall retain a duplicate copy of the work authorization, for two years from its date. Work authorizations required by this section shall be open for inspection during the two-year period by the state dental board, its authorized agent, or the prosecuting attorney of a county or the director of law of a municipal corporation wherein the work authorizations are located.

(C) If the person, partnership, association, or corporation receiving a written authorization from a licensed
dentist engages another person, firm, or corporation, referred
to in this division as "subcontractor," to perform some of the
services relative to the work authorization, **he or it the person**
shall furnish a written sub-work authorization with respect
thereto on forms prescribed by the state dental board.

The subcontractor shall retain the sub-work authorization
and the issuer thereof shall retain a duplicate copy, attached
to the work authorization received from the licensed dentist,
for inspection by the state dental board or its duly authorized
agents, for a period of two years in both cases.

(D) No unlicensed person, partnership, association, or
corporation shall perform any service described in division (B)
of this section without a written work authorization from a
licensed dentist. Provided, that if a written work authorization
is demanded from a licensed dentist who fails or refuses to
furnish it for any reason, the unlicensed person, partnership,
association, or corporation shall not, in such event, be subject
to the enforcement provisions of section 4715.05 or the penal
provisions of section 4715.99 of the Revised Code.

(E) No dentist shall employ or use conscious intravenous
sedation unless the dentist possesses a valid permit issued by
the state dental board authorizing him the dentist to do so.

(F) No dentist shall employ or use general anesthesia
unless the dentist possesses a valid permit issued by the state
dental board authorizing the dentist to do so.

Sec. 4715.10. (A) As used in this section, "accredited
dental college" means a dental college accredited by the
commission on dental accreditation or a dental college that has
educational standards recognized by the commission on dental
accreditation and is approved by the state dental board.

(B) Each person who desires to practice dentistry in this state shall file a written application for a license with the secretary of the state dental board. The application shall be on a form prescribed by the board and verified by oath. Each applicant shall furnish satisfactory proof to the board that the applicant has met the requirements of divisions (C) and (D) of this section, and if the applicant is a graduate of an unaccredited dental college located outside the United States, division (E) of this section.

(C) To be granted a license to practice dentistry, an applicant must meet all of the following requirements:

(1) Be at least eighteen years of age;

(2) Be of good moral character;

(3) Be a graduate of an accredited dental college or of a dental college located outside the United States who meets the standards adopted under section 4715.11 of the Revised Code;

(4) Have passed parts I and II of the examination given by the national board of dental examiners;

(5) Have passed a written jurisprudence examination administered by the state dental board under division (E)(2) of section 4715.03 of the Revised Code;

(6) Pay the fee required by division (A)(1) of section 4715.13 of the Revised Code.

(D) To be granted a license to practice dentistry, an applicant must meet any one of the following requirements:

(1) Have taken an examination administered by any of the
following regional testing agencies and received on each component of the examination a passing score as specified in division (A) of section 4715.11 of the Revised Code on the examination as determined by the administering agency: the central regional dental testing service, inc., northeast regional board of dental examiners, inc., the commission on dental competency assessments, the southern regional dental testing agency, inc., the council of interstate testing agencies, inc., or the western regional examining board;

(2) Have taken an examination administered by the state dental board and received a passing score as established by the board;

(3) Possess a license in good standing from another state and have actively engaged in the legal and reputable practice of dentistry in another state or in the armed forces of the United States, the United States public health service, or the United States department of veterans' affairs for five years immediately preceding application;

(4) Have completed a dental residency program accredited or approved by the commission on dental accreditation and administered by an accredited dental college or hospital.

(E) To be granted a license to practice dentistry, a graduate of an unaccredited dental college located outside the United States must meet both of the following requirements:

(1) Have taken a basic science and laboratory examination consistent with rules adopted under section 4715.11 of the Revised Code and received a passing score as established by the board;

(2) Have had sufficient clinical training in an accredited
institution to reasonably assure a level of competency equal to that of graduates of accredited dental colleges, as determined by the board.

Sec. 4715.11. In the state dental board's implementation of section 4715.10 of the Revised Code, all of the following apply:

(A) For purposes of division (D)(1) of section 4715.10 of the Revised Code, a passing score on a component of an examination administered by a regional testing agency is the score established by the agency as a passing score for the component or, if the agency has not established a passing score for the component, the score established by the board as a passing score for the component. The board shall adopt rules establishing passing scores for examination components as necessary to implement this division.

(B) The board shall adopt rules establishing standards that must be met by graduates of unaccredited dental colleges located outside the United States. The standards must reasonably assure that the graduates have received a level of education and training equal to that provided by accredited dental colleges.

(C) The board shall adopt rules governing the basic sciences and laboratory examination required by division (E)(1) of section 4715.10 of the Revised Code.

Sec. 4715.13. (A) Applicants for licenses to practice dentistry or for a general anesthesia permit or a conscious intravenous sedation permit shall pay to the secretary of the state dental board the following fees:

(1) For license to practice dentistry, two hundred sixty-seven dollars if issued in an odd-numbered year or four hundred dollars if issued in an even-numbered year.
fifty-four dollars if issued in an even-numbered year;

(2) For duplicate license, to be granted upon proof of loss of the original, twenty dollars;

(3) For a general anesthesia permit, one hundred twenty-seven dollars;

(4) For a conscious intravenous sedation permit, one hundred twenty-seven dollars.

(B) Forty dollars of each fee collected under division (A)(1) of this section for a license issued in an even-numbered year and twenty dollars of each fee collected under division (A)(1) of this section in an odd-numbered year shall be paid to the dentist loan repayment fund established under section 3702.95 of the Revised Code.

(C) In the case of a person who applies for a license to practice dentistry by taking an examination administered by the state dental board, both of the following apply:

(1) The fee in division (A)(1) of this section may be refunded to an applicant who is unavoidably prevented from attending the examination, or the applicant may be examined at the next regular or special meeting of the board without an additional fee.

(2) An applicant who fails the first examination may be re-examined at the next regular or special meeting of the board without an additional fee.

Sec. 4715.22. (A)(1) This section applies only when a licensed dental hygienist is not practicing under a

under a in accordance with either of the following:

(a) A permit issued pursuant to section 4715.363 of the
Revised Code authorizing practice under the oral health access supervision of a dentist

(b) Section 4715.431 of the Revised Code.

(2) As used in this section, "health care facility" means either of the following:

(a) A hospital registered under section 3701.07 of the Revised Code;

(b) A "home" as defined in section 3721.01 of the Revised Code.

(B) A licensed dental hygienist shall practice under the supervision, order, control, and full responsibility of a dentist licensed under this chapter. A dental hygienist may practice in a dental office, public or private school, health care facility, dispensary, or public institution. Except as provided in divisions (C) to (E) of this section, a dental hygienist may not provide dental hygiene services to a patient when the supervising dentist is not physically present at the location where the dental hygienist is practicing.

(C) A dental hygienist may provide, for not more than fifteen consecutive business days, dental hygiene services to a patient when the supervising dentist is not physically present at the location where the services are provided if all of the following requirements are met:

(1) The dental hygienist has at least one year and a minimum of one thousand five hundred hours of experience in the practice of dental hygiene.

(2) The dental hygienist has successfully completed a course approved by the state dental board in the identification
and prevention of potential medical emergencies.

(3) The dental hygienist complies with written protocols the supervising dentist establishes for emergencies.

(4) The dental hygienist does not perform, while the supervising dentist is absent from the location, procedures while the patient is anesthetized, definitive root planing, definitive subgingival curettage, or other procedures identified in rules the state dental board adopts.

(5) The supervising dentist has evaluated the dental hygienist's skills.

(6) The supervising dentist examined the patient not more than one year prior to the date the dental hygienist provides the dental hygiene services to the patient.

(7) The dental hygienist complies with written protocols or written standing orders that the supervising dentist establishes, including those established for emergencies.

(8) The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date the dental hygienist provides dental hygiene services to the patient and, except when the dental hygiene services are provided in a health care facility, the supervising dentist determines that the patient is in a medically stable condition.

(9) If the dental hygiene services are provided in a health care facility, a doctor of medicine and surgery or osteopathic medicine and surgery who holds a current certificate issued under Chapter 4731. of the Revised Code or a registered nurse licensed under Chapter 4723. of the Revised Code is
present in the health care facility when the services are provided.

(10)—(9) In advance of the appointment for dental hygiene services, the patient is notified that the supervising dentist will be absent from the location and that the dental hygienist cannot diagnose the patient's dental health care status.

(11)—(10) The dental hygienist is employed by, or under contract with, one of the following:

(a) The supervising dentist;

(b) A dentist licensed under this chapter who is one of the following:

(i) The employer of the supervising dentist;

(ii) A shareholder in a professional association formed under Chapter 1785. of the Revised Code of which the supervising dentist is a shareholder;

(iii) A member or manager of a limited liability company formed under Chapter 1705. of the Revised Code of which the supervising dentist is a member or manager;

(iv) A shareholder in a corporation formed under division (B) of section 1701.03 of the Revised Code of which the supervising dentist is a shareholder;

(v) A partner or employee of a partnership or a limited liability partnership formed under Chapter 1775. or 1776. of the Revised Code of which the supervising dentist is a partner or employee.

(c) A government entity that employs the dental hygienist to provide dental hygiene services in a public school or in
connection with other programs the government entity administers.

(D) A dental hygienist may provide dental hygiene services to a patient when the supervising dentist is not physically present at the location where the services are provided if the services are provided as part of a dental hygiene program that is approved by the state dental board and all of the following requirements are met:

1. The program is operated through a school district board of education or the governing board of an educational service center; the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code; a national, state, district, or local dental association; or any other public or private entity recognized by the state dental board.

2. The supervising dentist is employed by or a volunteer for, and the patients are referred by, the entity through which the program is operated.

3. (a) Except as provided in division (D)(3)(b) of this section, the services are performed after examination and diagnosis by the dentist and in accordance with the dentist's written treatment plan.

(b) The requirement in division (D)(3)(a) of this section does not apply when the only services to be provided by the dental hygienist is the placement of pit and fissure sealants and the application of fluoride varnish.

(E) A dental hygienist may apply fluoride varnish, apply desensitizing agents, and discuss general nonmedical nutrition information for the purpose of maintaining good oral health do
any of the following when the supervising dentist is not physically present at the location where the services are provided, regardless of whether the dentist has examined the patient, if the dental hygienist is employed by, or under contract with, the supervising dentist or another person or government entity specified in division (C)(11)(10)(b) or (c) of this section:

(1) Apply fluoride varnish;

(2) Apply desensitizing agents;

(10) A foster home, as defined in section 5103.02 of the Revised Code;

(11) A nonprofit clinic, as defined in section 3715.87 of the Revised Code;

(12) The residence of one or more individuals receiving services provided by a home health agency, as defined in section 5101.61 of the Revised Code;

(13) A dispensary;

(14) A health care facility, such as a clinic or hospital, of the United States department of veterans affairs;

(15) The residence of one or more individuals enrolled in a home and community-based services medicaid waiver component, as defined in section 5166.01 of the Revised Code;

(16) A facility operated by the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code;

(17) A women, infants, and children clinic;

(18) A mobile dental unit located at any location listed in divisions (G)(1) to (17) of this section;

(19) Any other location, as specified by the state dental
board in rules adopted under section 4715.372 of the Revised Code, that is in an area designated as a dental health resource shortage area pursuant to section 3702.87 of the Revised Code and provides health care services to individuals who are medicaid recipients and to indigent and uninsured persons, as defined in section 2305.234 of the Revised Code.

Sec. 4715.365. (A) A dentist who holds a current, valid oral health access supervision permit issued under section 4715.362 of the Revised Code may authorize a dental hygienist who holds a current, valid permit issued under section 4715.363 of the Revised Code to perform dental hygiene services at a facility when no dentist is physically present if all of the following conditions are met:

(1) The authorizing dentist's authorization is in writing and includes, at a minimum, all of the following:

(a) The authorizing dentist's name and permit number;

(b) The dental hygienist's name and permit number;

(c) The patient's name;

(d) The name and address of the location where the dental hygiene services are to be provided;

(e) The date of authorization;

(f) A statement, signed by the dental hygienist, that the hygienist agrees to comply with section 4715.366 of the Revised Code.

(2) The authorizing dentist has personally evaluated the dental hygienist's skills prior to authorizing the dental hygienist to provide the dental hygiene services.
(3) Prior to authorizing the dental hygienist to perform the dental hygiene services, the patient's medical and dental history is made available to the authorizing dentist and the authorizing dentist reviews and evaluates the history and determines that the patient may safely receive dental hygiene services.

(4) Immediately prior to the provision of dental hygiene services, the patient or patient's representative verifies, by the signature or mark of the patient or representative, that no medically significant changes to the patient's medical or dental history have occurred since the authorizing dentist most recently reviewed and evaluated the history and determined that the patient could safely receive dental hygiene services. The signature or mark may be provided through reasonable accommodation, including the use of assistive technology or augmentative devices.

(5) Prior to receiving dental hygiene services, the patient and the operator of the facility where the dental hygiene services are to be provided are notified that no dentist will be present at the location and that the dental hygienist is prohibited from doing either of the following:

(a) Diagnosing the patient's oral health care status;

(b) Providing dental hygiene services to the same patient on a subsequent occasion until the patient has received a clinical evaluation performed by a dentist, except in instances described in division (D)(2) of this section.

(6) The dental hygienist is employed by, or under contract with, one of the following:

(a) The authorizing dentist;
(b) A dentist who is any of the following:

(i) The authorizing dentist's employer;

(ii) A shareholder in a professional association, formed under Chapter 1785. of the Revised Code, of which the authorizing dentist is a shareholder;

(iii) A member or manager of a limited liability company, formed under Chapter 1705. of the Revised Code, of which the authorizing dentist is a member or manager;

(iv) A shareholder in a corporation, formed under division (B) of section 1701.03 of the Revised Code, of which the authorizing dentist is a shareholder;

(v) A partner or employee of a partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee;

(vi) A partner or employee of a limited liability partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee.

(c) A government entity that employs the dental hygienist to provide dental hygiene services;

(d) An entity that employs the authorizing dentist so long as the dentist's practice is not in violation of section 4715.18 of the Revised Code.

(7) If the patient to whom the services are to be provided previously received dental hygiene services under this section, there is written evidence that the patient received a clinical evaluation after the most recent provision of those services.

(B) No dentist shall authorize a dental hygienist to
perform, and no dental hygienist shall perform, dental hygiene
services on a patient under this section unless all of the
conditions in division (A) of this section are met.

(C) If a patient or patient's representative indicates,
under division (A)(4) of this section, that a medically
significant change has occurred in the patient's medical or
dental history since the authorizing dentist's most recent
review and evaluation of the medical and dental history required
by division (A)(3) of this section, no dental hygiene services
shall be provided under this section until the authorizing
dentist completes another review and evaluation of the patient's
medical and dental history. The authorizing dentist may complete
the subsequent review and evaluation of the patient's medical
and dental history by telephone, facsimile, electronic mail,
video, or any other means of electronic communication.

(D)(1) Except as provided in division (D)(2) of this
section, no dentist shall authorize a dental hygienist to
provide, and no dental hygienist shall provide, dental hygiene
services under this section to the same patient on a subsequent
occasion until the patient has received a clinical evaluation
performed by a dentist.

(2) Division (D)(1) of this section does not apply if the
patient requires multiple visits to complete one or more
procedures that could not be completed during the visit in which
dental hygiene services were commenced. If the patient requires
multiple visits to complete the one or more procedures that
could not be completed during the visit in which dental hygiene
services were commenced, the one or more procedures shall be
completed not later than eight weeks after the visit in which
the dental hygiene services were commenced.
(E) No authorizing dentist shall authorize a dental hygienist to diagnose a patient's oral health care status. No dental hygienist practicing under a permit issued under section 4715.363 of the Revised Code to practice under the oral health access supervision of a dentist shall diagnose a patient's oral health care status.

Sec. 4715.39. (A) The state dental board may define the duties that may be performed by dental assistants and other individuals designated by the board as qualified personnel. If defined, the duties shall be defined in rules adopted in accordance with Chapter 119. of the Revised Code. The rules may include training and practice standards for dental assistants and other qualified personnel. The standards may include examination and issuance of a certificate. If the board issues a certificate, the recipient shall display the certificate in a conspicuous location in any office in which the recipient is employed to perform the duties authorized by the certificate.

(B) A dental assistant may polish the clinical crowns of teeth if all of the following requirements are met:

(1) The dental assistant's polishing activities are limited to the use of a rubber cup attached to a slow-speed rotary dental hand piece to remove soft deposits that build up over time on the crowns of teeth.

(2) The polishing is performed only after a dentist has evaluated the patient and any calculus detected on the teeth to be polished has been removed by a dentist or dental hygienist.

(3) The dentist supervising the assistant supervises not more than two dental assistants engaging in polishing activities at any given time.
(4) The dental assistant is certified by the dental assisting national board or the Ohio commission on dental assistant certification.

(5) The dental assistant receives a certificate from the board authorizing the assistant to engage in the polishing activities. The board shall issue the certificate if the individual has successfully completed training in the polishing of clinical crowns through a program accredited by the American dental association commission on dental accreditation or equivalent training approved by the board. The training shall include courses in basic dental anatomy and infection control, followed by a course in coronal polishing that includes didactic, preclinical, and clinical training; any other training required by the board; and a skills assessment that includes successful completion of standardized testing. The board shall adopt rules pursuant to division (A) of this section establishing standards for approval of this training.

(C) A dental assistant may apply pit and fissure sealants if all of the following requirements are met:

(1) A dentist evaluates the patient and designates the teeth and surfaces that will benefit from the application of sealant on the day the application is to be performed.

(2) The dental assistant is certified by the dental assisting national board or the Ohio commission on dental assistant certification.

(3) The dental assistant has successfully completed a course in the application of sealants consisting of at least two hours of didactic instruction and six hours of clinical instruction through a program provided by an institution.
accredited by the American dental association commission on
dental accreditation or a program provided by a sponsor of
continuing education approved by the board.

(4) The dentist supervising the assistant has observed the
assistant successfully apply at least six sealants.

(5) Except as provided in division (D) or (E) of this
section, the dentist supervising the assistant checks and
approves the application of all sealants placed by the assistant
before the patient leaves the location where the sealant
application procedure is performed.

(D)(1) A dental assistant who is certified by the dental
assisting national board or the Ohio commission on dental
assistant certification may provide, for not more than fifteen
consecutive business days, all of the following services to a
patient when the supervising dentist is not physically present
at the location where the services are provided if the
conditions specified in division (D)(2) of this section have
been satisfied:

(a) Recementation of temporary crowns or recementation of
crowns with temporary cement;

(b) Application of fluoride varnish;

(c) Application of disclosing solutions;

(d) Application of desensitizing agents;

(e) Caries susceptibility testing;

(f) Instruction on oral hygiene home care, including the
use of toothbrushes and dental floss.

(2) The conditions that must be satisfied before a dental
assistant may provide the services specified in division (D)(1) of this section are all of the following:

(a) The dental assistant has at least two years and a minimum of three thousand five hundred hours of experience practicing as a dental assistant.

(b) The dental assistant has successfully completed a course approved by the state dental board in the identification and prevention of potential medical emergencies.

(c) The supervising dentist has evaluated the dental assistant's skills.

(d) The supervising dentist examined the patient not more than one year prior to the date that the dental assistant provides the services to the patient.

(e) The supervising dentist has established written protocols or written standing orders for the dental assistant to follow during and in the absence of an emergency.

(f) The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date that the dental assistant provides services to the patient, and the supervising dentist determines that the patient is in a medically stable condition.

(g) The patient is notified, in advance of the appointment for services, that the supervising dentist will be absent from the location and that the dental assistant cannot diagnose the patient's dental health care status.

(h) The dental assistant is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division
(C)(10)(b) of section 4715.22 of the Revised Code, or a government entity that employs the dental assistant to provide services in a public school or in connection with other programs the government entity administers.

(3) A dental assistant who is certified by the dental assisting national board or the Ohio commission on dental assistant certification may apply, for not more than fifteen business days, pit and fissure sealants when the supervising dentist is not physically present at the location where the sealants are to be applied if the dental assistant meets the requirements in divisions (C)(3) and (4) of this section and all of the conditions specified in division (D)(2) of this section have been satisfied.

(E) A dental assistant who is certified by the dental assisting national board or the Ohio commission on dental assistant certification may apply pit and fissure sealants prior to a dentist examining the patient and rendering a diagnosis, and when a dentist is not physically present at the location where the service is provided, if all of the following are the case:

(1) The dental assistant meets the requirements in divisions (C)(3) and (4) of this section.

(2) All of the conditions specified in division (D)(2)(a), (b), (c), (d), (f), and (g) of this section have been satisfied.

(3) The dental assistant is providing the service as part of a program operated through any of the following: a school district board of education or the governing board of an educational service center; the board of health of a city or
general health district or the authority having the duties of a
board of health under section 3709.05 of the Revised Code; a
national, state, district, or local dental association; or any
other public or private entity recognized by the state dental
board.

(4) A supervising dentist for the program described in
division (E)(3) of this section meets both of the following
conditions:

(a) Is employed by or a volunteer for, and the patients
are referred by, the entity through which the program is
operated;

(b) Is available for consultation by telephone,
videoconferencing, or other means of electronic communication.

(5) The application of pit and fissure sealants is limited
to erupted permanent posterior teeth without suspicion of
dentinal cavitation.

(6) If the patient is a minor, a parent, guardian, or
other person responsible for the patient has been notified that
a dentist will not be present at the location and that the
dental assistant is not trained to diagnose or treat other
serious dental concerns that could exist.

(F) Subject to this section and the applicable rules of
the board, licensed dentists may assign to dental assistants and
other qualified personnel dental procedures that do not require
the professional competence or skill of the licensed dentist, a
dental hygienist, or an expanded function dental auxiliary as
this section or the board by rule authorizes dental assistants
and other qualified personnel to perform. Except as provided in
division (D) or (E) of this section, the performance of dental
procedures by dental assistants and other qualified personnel shall be under direct supervision and full responsibility of the licensed dentist.

(G) Nothing in this section shall be construed by rule of the state dental board or otherwise to do the following:

(1) Authorize dental assistants or other qualified personnel to engage in the practice of dental hygiene as defined by sections 4715.22 and 4715.23 of the Revised Code or to perform the duties of a dental hygienist, including the removal of calcareous deposits, dental cement, or accretions on the crowns and roots of teeth other than as authorized pursuant to this section;

(2) Authorize dental assistants or other qualified personnel to engage in the practice of an expanded function dental auxiliary as specified in section 4715.64 of the Revised Code or to perform the duties of an expanded function dental auxiliary other than as authorized pursuant to this section.

(3) Authorize the assignment of any of the following:

(a) Diagnosis;

(b) Treatment planning and prescription, including prescription for drugs and medicaments or authorization for restorative, prosthodontic, or orthodontic appliances;

(c) Surgical procedures on hard or soft tissue of the oral cavity, or any other intraoral procedure that contributes to or results in an irremediable alteration of the oral anatomy;

(d) The making of final impressions from which casts are made to construct any dental restoration.

(H) No dentist shall assign any dental assistant or other
individual acting in the capacity of qualified personnel to
perform any dental procedure that the assistant or other
individual is not authorized by this section or by board rule to
perform. No dental assistant or other individual acting in the
capacity of qualified personnel shall perform any dental
procedure other than in accordance with this section and any
applicable board rule or any dental procedure that the assistant
or other individual is not authorized by this section or by
board rule to perform.

Sec. 4715.43. (A) As used in this section and in sections
4715.431 to 4715.437 of the Revised Code:

(1) "Authorizing dentist" means the holder of a current,
valid teledentistry permit issued under this section who
authorizes a dental hygienist or expanded function dental
auxiliary to perform services under section 4715.431 of the
Revised Code.

(2) "Dental hygiene services" means the prophylactic,
preventive, and other procedures that dentists are authorized by
this chapter and rules of the state dental board to assign to
dental hygienists, except for procedures while a patient is
anesthetized, definitive root planing, definitive subgingival
curettage, the administration of local anesthesia, and the
procedures specified in rules adopted by the board as described
in division (C)(3) of section 4715.22 of the Revised Code.

(3) "Interim therapeutic restoration" means a direct
provisional restoration placed to stabilize a tooth until a
licensed dentist can assess the need for further treatment.
"Interim therapeutic restoration" includes the removal of
debris, other than carious or noncarious tooth structure, from
the carious lesion using air or water irrigation.
(4) "Synchronous, real-time communication" means a live, two-way interaction between a patient and a dentist conducted through audiovisual technology.

(5) "Teledentistry" means the delivery of dental services through the use of synchronous, real-time communication and the delivery of services of a dental hygienist or expanded function dental auxiliary pursuant to a dentist's authorization.

(B) A dentist who desires to provide dental services through teledentistry shall apply to the state dental board for a teledentistry permit. The application must be made under oath on a form prescribed by the board and be accompanied by a twenty-dollar application fee. To be eligible for the permit, the dentist must meet the requirements established by the board in rules adopted under section 4715.436 of the Revised Code.

The state dental board shall issue a teledentistry permit to a dentist who is in good standing with the board and satisfies all of the requirements of this section.

Sec. 4715.431. (A) If all of the conditions in division (B) of this section are met, an authorizing dentist may do either of the following under a teledentistry permit without examining a patient in person:

(1) Authorize a dental hygienist or expanded function dental auxiliary to perform services as set forth in division (E) or (F) of this section, as applicable, at a location where no dentist is physically present;

(2) Prescribe a drug that is not a controlled substance for a patient who is at a location where no dentist is physically present.

(B) The conditions that must be met under division (A) of
this section are the following:

(1) The authorizing dentist must prepare a written authorization that includes all of the following:

(a) The authorizing dentist's name and permit number;

(b) The name of the dental hygienist or expanded function dental auxiliary;

(c) The patient's name;

(d) The name and address of the location where the services are to be provided;

(e) The date of the authorization;

(f) A statement signed by the dental hygienist or expanded function dental auxiliary agreeing to comply with the written protocols or written standing orders the authorizing dentist establishes, including those for dealing with emergencies;

(g) Any other information the dentist considers appropriate.

(2) Before any dental services are provided all of the following must occur:

(a) The patient is notified that an authorizing dentist will perform a clinical evaluation through teledentistry.

(b) The patient is given an explanation of alternatives to, and the capabilities and limitations of, teledentistry.

(c) The patient consents to the provision of services through teledentistry and the consent is documented in the patient's record.

(3) The authorizing dentist establishes the patient's
identity and physical location through synchronous, real-time communication.

   (4) The authorizing dentist provides dental services through teledentistry only as is appropriate for the patient and in accordance with appropriate standards of care.

   (5) The authorizing dentist establishes a diagnosis and treatment plan and documents it in the patient's record.

   (6) The authorizing dentist specifies the services the dental hygienist or expanded function dental auxiliary is authorized to provide to the patient.

   (7) The dental hygienist or expanded function dental auxiliary is employed by, or under contract with, one of the following:

       (a) The authorizing dentist;

       (b) A dentist who is any of the following:

           (i) The authorizing dentist's employer;

           (ii) A shareholder in a professional association formed under Chapter 1785. of the Revised Code of which the authorizing dentist is a shareholder;

           (iii) A member or manager of a limited liability company formed under Chapter 1705. of the Revised Code of which the authorizing dentist is a member or manager;

           (iv) A shareholder in a corporation formed under division (B) of section 1701.03 of the Revised Code of which the authorizing dentist is a shareholder;

           (v) A partner or employee of a partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing
dentist is a partner or employee;

(vi) A partner or employee of a limited liability partnership, formed under Chapter 1775. of the Revised Code, of which the authorizing dentist is a partner or employee.

(C) A dentist retains responsibility for ensuring the safety and quality of services provided to patients through teledentistry. Services delivered through teledentistry must be consistent with in-person services. Persons involved with providing services through teledentistry must abide by laws addressing the privacy and security of the patient's dental and medical information.

(D) An authorizing dentist may not have more than a total of three dental hygienists and expanded dental function auxiliaries working under the dentist's authorization pursuant to this section at any time.

(E)(1) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may provide dental hygiene services at a location where no dentist is physically present if all of the following requirements are met:

(a) The dental hygienist has at least one year and a minimum of one thousand five hundred hours of experience in the practice of dental hygiene.

(b) The dental hygienist has completed a course described in division (C)(2) of section 4715.22 of the Revised Code on the identification and prevention of potential medical emergencies.

(c) The authorizing dentist has evaluated the dental hygienist's skills.

(d) The dental hygienist complies with written protocols.
or written standing orders established by the authorizing dentist, including written protocols established for emergencies.

(2) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may place interim therapeutic restorations when a dentist is not physically present at the location where the dental hygienist is practicing if the requirements of division (E)(1) of this section are met and the dental hygienist has successfully completed a state dental board-approved course in the proper placement of interim therapeutic restorations.

(3) If authorized to do so by an authorizing dentist in accordance with this section, a dental hygienist may apply silver diamine fluoride when a dentist is not physically present at the location where the dental hygienist is practicing if the requirements of division (E)(1) of this section are met and the dental hygienist has successfully completed a state dental board-approved course in the application of silver diamine fluoride.

(F)(1) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary may provide the services listed in divisions (A)(2) to (9) of section 4715.64 of the Revised Code, and any additional procedures authorized pursuant to division (A)(10) of that section, when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing if all of the following requirements are met:

(a) The expanded function dental auxiliary has at least one year and a minimum of one thousand five hundred hours of experience practicing as an expanded function dental auxiliary.
(b) The expanded function dental auxiliary has completed a course described in division (C)(2) of section 4715.64 of the Revised Code on the identification and prevention of potential medical emergencies.

(c) The authorizing dentist has evaluated the expanded function dental auxiliary's skills.

(d) The expanded function dental auxiliary complies with written protocols or written standing orders established by the authorizing dentist, including written protocols for emergencies.

(2) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and has successfully completed a state dental board-approved course in the proper placement of interim therapeutic restorations may place interim therapeutic restorations when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(3) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and has successfully completed a state dental board-approved course in the application of silver diamine fluoride may apply silver diamine fluoride when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(4) If authorized to do so by an authorizing dentist in accordance with this section, an expanded function dental auxiliary who meets the requirements of division (F)(1) of this section and has successfully completed a state dental board-approved course in the use of a laser device may use the laser device when a dentist is not physically present at the location where the expanded function dental auxiliary is practicing.
section and holds a current, valid dental x-ray machine operator
certificate issued by the board pursuant to section 4715.53 of
the Revised Code may perform, for the purpose of contributing to
the provision of dental care to a dental patient, standard,
diagnostic radiologic procedures when a dentist is not
physically present at the location where the expanded function
dental auxiliary is practicing.

Sec. 4715.432. A teledentistry permit issued under section
4715.43 of the Revised Code expires on the thirty-first day of
December of the first odd-numbered year occurring after the
permit's issuance. A dentist who desires to renew a permit shall
apply, under oath, to the state dental board on a form
prescribed by the board and pay a renewal fee of twenty dollars.

The board shall renew a teledentistry permit for a two-
year period if the dentist is in good standing with the board
and meets all of the following conditions:

(A) Submits a complete application;

(B) Pays the renewal fee;

(C) Verifies with the board the locations where dental
hygienists and expanded function dental auxiliaries have
provided services pursuant to the dentist's authorization since
the teledentistry permit was most recently issued or renewed.

Sec. 4715.433. The state dental board may, in accordance
with Chapter 119. of the Revised Code, suspend or revoke a
permit issued under section 4715.43 of the Revised Code if the
permit holder fails to comply with sections 4715.431 to 4715.437
of the Revised Code, including any rules adopted by the board
under section 4715.346 of the Revised Code.

Sec. 4715.434. At the request of the state dental board,
an authorizing dentist, or a dental hygienist or expanded
function dental auxiliary who has been authorized to perform
services in accordance with section 4715.431 of the Revised
Code, shall make available to the board a list of all locations
where the dental hygienist or expanded function dental auxiliary
provided services, the locations where the hygienist or
auxiliary is expected to provide services in the future, or
both, as specified in the board's request.

Sec. 4715.435. (A) No person shall provide services under
section 4715.431 of the Revised Code unless one of the following
applies:

(1) The person is a dentist who holds a current, valid
teledentistry permit issued under section 4715.43 of the Revised
Code.

(2) The person is providing services in accordance with
section 4715.431 of the Revised Code and is either a dental
hygienist or an expanded function dental auxiliary.

(B) No person shall authorize a dental hygienist or
expanded function dental auxiliary to provide services under
section 4715.431 of the Revised Code unless the person is a
dentist who holds a current, valid teledentistry permit issued
under section 4715.43 of the Revised Code and the dental
hygienist or expanded function dental hygienist will provide the
services in accordance with division (E) or (F) of section
4715.431 of the Revised Code, as appropriate.

(C) No authorizing dentist shall authorize a dental
hygienist or expanded function dental auxiliary to diagnose a
patient's oral health care status.

No dental hygienist or expanded function dental auxiliary
shall diagnose a patient's oral health care status as part of services provided under section 4715.431 of the Revised Code.

Sec. 4715.436. The state dental board shall adopt rules in accordance with Chapter 119. of the Revised Code as it considers necessary to implement sections 4715.43 to 4715.435 of the Revised Code. The rules shall include both of the following:

(A) Requirements that must be met for issuance of a teledentistry permit under section 4715.43 of the Revised Code;

(B) Approval of courses on the proper placement of interim therapeutic restorations and the application of silver diamine fluoride, as authorized under section 4715.431 of the Revised Code.

The rules may specify procedures a dental hygienist is not permitted to perform when practicing in the absence of the authorizing dentist pursuant to section 4715.431 of the Revised Code.

Sec. 4715.437. Nothing in sections 4715.43 to 4715.436 of the Revised Code authorizes any activity prohibited by division (F) of section 4715.22 of the Revised Code, prohibited or not authorized by section 4715.23 of the Revised Code, or prohibited by this chapter or a rule adopted by the state dental board under this chapter.

Sec. 4715.56. (A) Except as provided in division (B) of this section, a dental x-ray machine operator may perform radiologic procedures only if a dentist is providing direct supervision. Direct supervision does not require the dentist to observe each radiologic procedure performed by the operator, but does require that the dentist be present at the location where the operator is performing radiologic procedures for purposes of
consulting with and directing the operator while performing the procedures.

(B) A dental x-ray machine operator may perform radiologic procedures for a patient when the supervising dentist is not physically present at the location where the radiologic procedures are performed if either of the following applies:

(1) The supervising dentist examined the patient not more than one year prior to the date the dental x-ray machine operator performs the radiologic procedures and the supervising dentist has ordered the radiologic procedures._

(2) The radiologic procedures are performed in accordance with section 4715.431 of the Revised Code._

Sec. 4715.64. (A) Subject to divisions (B), (C), and (D) of this section and section 4715.431 of the Revised Code, the practice of an expanded function dental auxiliary shall consist of the following:

(1) Procedures involved in the placement of restorative materials limited to amalgam restorative materials and nonmetallic restorative materials, including direct-bonded restorative materials;

(2) Application of pit and fissure sealants;

(3) Recementation of temporary crowns or recementation of crowns with temporary cement;

(4) Application of topical fluoride;

(5) Application of fluoride varnish;

(6) Application of disclosing solutions;

(7) Application of desensitizing agents;
(8) Caries susceptibility testing;

(9) Instruction on oral hygiene home care, including the use of toothbrushes and dental floss;

(10) Any additional procedures authorized by the state dental board in rules adopted under section 4715.66 of the Revised Code.

(B) An expanded function dental auxiliary shall perform the services specified in divisions (A)(1) and (10) of this section only under the supervision, order, control, and full responsibility of a dentist licensed under this chapter. At no time shall more than two expanded function dental auxiliaries be practicing as expanded function dental auxiliaries under the supervision of the same dentist. Except as provided in divisions (C) and (D) of this section and section 4715.431 of the Revised Code, an expanded function dental auxiliary shall not practice as an expanded function dental auxiliary when the supervising dentist is not physically present at the location where the expanded function dental auxiliary is practicing.

(C) An expanded function dental auxiliary may perform, for not more than fifteen consecutive business days, the services specified in divisions (A)(2) to (10) of this section application of pit and fissure sealants when the supervising dentist is not physically present at the location where the expanded function dental auxiliary is practicing if all of the following conditions have been satisfied:

(1) The expanded function dental auxiliary has at least two years one year and a minimum of three one thousand five hundred hours of experience practicing as an expanded function dental auxiliary or dental assistant.
(2) The expanded function dental auxiliary has successfully completed a course approved by the board in the identification and prevention of potential medical emergencies.

(3) The supervising dentist has evaluated the expanded function dental auxiliary's skills.

(4) The supervising dentist examined the patient not more than one year prior to the date that the expanded function dental auxiliary provides services to the patient.

(5) The supervising dentist has established written protocols or written standing orders for the expanded function dental auxiliary to follow during and in the absence of an emergency.

(6) The supervising dentist completed and evaluated a medical and dental history of the patient not more than one year prior to the date that the expanded function dental auxiliary provides services to the patient, and the supervising dentist determines that the patient is in a medically stable condition.

(7) In advance of the appointment for services, the patient is notified that the supervising dentist will be absent from the location and that the expanded function dental auxiliary cannot diagnose the patient's dental health care status.

(8) The expanded function dental auxiliary is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division (C)(11)(b) of section 4715.22 of the Revised Code, or a government entity that employs the expanded function dental auxiliary to provide services in a public school or in connection with other programs the government entity
administers.

(D) An expanded function dental auxiliary may apply pit and fissure sealants prior to a dentist examining the patient and rendering a diagnosis, and when a dentist is not physically present at the location where the service is provided, if all of the following are the case:

(1) All of the conditions specified in division (C)(1), (2), (3), (4), (6), and (7) of this section have been satisfied.

(2) The expanded function dental auxiliary is providing the service as part of a program operated through any of the following: a school district board of education or the governing board of an educational service center; the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code; a national, state, district, or local dental association; or any other public or private entity recognized by the state dental board.

(3) A supervising dentist for the program described in division (D)(2) of this section meets both of the following conditions:

(a) Is employed by or a volunteer for, and the patients are referred by, the entity through which the program is operated;

(b) Is available for consultation by telephone, videoconferencing, or other means of electronic communication.

(4) The application of pit and fissure sealants is limited to erupted permanent posterior teeth without suspicion of cavitation.
(5) If the patient is a minor, a parent, guardian, or other person responsible for the patient has been notified that a dentist will not be present at the location and that the expanded function dental auxiliary is not trained to diagnose or treat other serious dental concerns that could exist.

(E) An expanded function dental auxiliary may perform the services specified in divisions (A)(3) to (9) of this section when the supervising dentist is not physically present at the location where the services are provided, regardless of whether the dentist has examined the patient, if the expanded function dental auxiliary is employed by, or under contract with, the supervising dentist, a dentist licensed under this chapter who meets one of the criteria specified in division (C)(10)(b) of section 4715.22 of the Revised Code, or a government entity that employs the expanded function dental auxiliary to provide services in a public school or in connection with other programs the government entity administers.

(F) Nothing in this section shall be construed by rule of the board or otherwise to authorize an expanded function dental auxiliary to engage in the practice of dental hygiene as defined by sections 4715.22 and 4715.23 of the Revised Code.

Sec. 5164.951. As used in this section, "teledentistry" has the same meaning as in section 4715.43 of the Revised Code.

The department of medicaid shall establish standards for medicaid payments for services provided through teledentistry. The standards shall provide coverage for services to the same extent that those services would be covered by the medicaid program if the services were provided without the use of teledentistry.
Section 2. That existing sections 1739.05, 2925.01, 1754
4715.03, 4715.09, 4715.10, 4715.11, 4715.13, 4715.22, 4715.36, 1755
4715.365, 4715.39, 4715.56, and 4715.64 of the Revised Code are 1756
hereby repealed.

Section 3. That the version of section 4715.36 of the Revised Code that is scheduled to take effect September 29, 2018, be amended to read as follows:

Sec. 4715.36. As used in this section and sections 4715.361 to 4715.374 of the Revised Code:

(A) "Accredited dental hygiene school" means a dental hygiene school accredited by the American dental association commission on dental accreditation or a dental hygiene school whose educational standards are recognized by the American dental association commission on dental accreditation and approved by the state dental board.

(B) "Authorizing dentist" means a dentist who authorizes a dental hygienist to perform dental hygiene services under section 4715.365 of the Revised Code.

(C) "Clinical evaluation" means a diagnosis and treatment plan formulated for an individual patient by a dentist.

(D) "Dentist" means an individual licensed under this chapter to practice dentistry.

(E) "Dental hygienist" means an individual licensed under this chapter to practice as a dental hygienist.

(F) "Dental hygiene services" means the prophylactic, preventive, and other procedures that dentists are authorized by this chapter and rules of the state dental board to assign to dental hygienists, except for procedures while a patient is...
anesthetized, definitive root planing, definitive subgingival
curettage, the administration of local anesthesia, and the
procedures specified in rules adopted by the board as described
in division (C)(4)-(3) of section 4715.22 of the Revised Code.

(G) "Facility" means any of the following:

(1) A health care facility, as defined in section 4715.22
of the Revised Code;

(2) A state correctional institution, as defined in
section 2967.01 of the Revised Code;

(3) A comprehensive child development program that
receives funds distributed under the "Head Start Act," 95 Stat.
499 (1981), 42 U.S.C. 9831, as amended, and is licensed as a
child day-care center;

(4) A residential facility licensed under section 5123.19
of the Revised Code;

(5) A public school, as defined in section 3701.93 of the
Revised Code, located in an area designated as a dental health
resource shortage area pursuant to section 3702.87 of the
Revised Code;

(6) A nonpublic school, as defined in section 3701.93 of
the Revised Code, located in an area designated as a dental
health resource shortage area pursuant to section 3702.87 of the
Revised Code;

(7) A federally qualified health center or federally
qualified health center look-alike, as defined in section
3701.047 of the Revised Code;

(8) A shelter for victims of domestic violence, as defined
in section 3113.33 of the Revised Code;
(9) A facility operated by the department of youth services under Chapter 5139. of the Revised Code;

(10) A foster home, as defined in section 5103.02 of the Revised Code;

(11) A nonprofit clinic, as defined in section 3715.87 of the Revised Code;

(12) The residence of one or more individuals receiving services provided by a home health agency, as defined in section 3701.881 of the Revised Code;

(13) A dispensary;

(14) A health care facility, such as a clinic or hospital, of the United States department of veterans affairs;

(15) The residence of one or more individuals enrolled in a home and community-based services medicaid waiver component, as defined in section 5166.01 of the Revised Code;

(17) A women, infants, and children clinic;

(18) A mobile dental unit located at any location listed in divisions (G)(1) to (17) of this section;

(19) Any other location, as specified by the state dental board in rules adopted under section 4715.372 of the Revised Code, that is in an area designated as a dental health resource shortage area pursuant to section 3702.87 of the Revised Code and provides health care services to individuals who are medicaid recipients and to indigent and uninsured persons, as
defined in section 2305.234 of the Revised Code.

Section 4. That the existing version of section 4715.36 of the Revised Code that is scheduled to take effect September 29, 2018, is hereby repealed.

Section 5. Sections 3 and 4 of this act shall take effect on September 29, 2018.

Section 6. The enactment by this act of section 4715.435 of the Revised Code takes effect six months after the effective date of this act.

Section 7. Section 1739.05 of the Revised Code is presented in this act as a composite of the section as amended by both Sub. H.B. 463 and Sub. S.B. 319 of the 131st General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
