amended to read as follows: 9

(1) "POW/MIA flag" means the flag that depicts the profile of a prisoner of war against the background of a prisoner of war camp watchtower.

(2) "Public building" means the principal municipal building of each municipal corporation, the principal county building in the county seat of each county, and the state house in Columbus.

(3) "Transportation facilities" has the meaning defined in section 5501.01 of the Revised Code.

<u>(E) (1) Division (C) of this section does not apply to</u> <u>buildings that do not have an installed flag pole on the</u>	60 61

effective date of this amendment. 62

(2) A building operated by the state government may comply 63  
with the requirements of division (C) of this section by 64  
commencing the display of the flag during normal business hours 65  
on a workday before the required display day, and ending the 66  
display during normal business hours on a workday following the 67  
required display day. 68

(3) This section does not apply to a building described in 69  
division (D) of this section when the state government ceases to 70  
operate that building. 71

(F) When displayed from the same halyard or staff, the 72  
POW/MIA flag should fly directly below, and be no larger than, 73  
the United States flag. When displayed from adjacent staffs, the 74  
United States flag should always be placed to the right of other 75  
flags, including the POW/MIA flag. On the dates specified in 76  
division (C) of this section, the POW/MIA flag shall be flown 77  
immediately below or adjacent to the United States flag as 78  
second in order of precedence. 79

(G) In enacting this section, the general assembly hereby 80  
declares and finds all of the following: 81

(1) Over two thousand four hundred Americans, including 82  
one hundred seventeen from this state, who served in the United 83  
States armed forces during the war in Indochina are still listed 84  
as prisoners of war or missing in action. 85

(2) There is significant evidence that many of these 86  
missing Americans are still alive and being held against their 87  
will in Indochina. 88

(3) This nation is deeply indebted to its servicemen and 89  
servicewomen of all wars and conflicts for their courage and 90

sacrifice and should demonstrate its special commitment to the 91  
missing men and women of all wars and conflicts and their 92  
families by obtaining the release of those still held prisoner 93  
of war and the fullest possible accounting from the responsible 94  
governments regarding those Americans listed as missing in 95  
action. 96

(4) The POW/MIA flag is a powerful symbol of the plight of 97  
these prisoners of war and missing Americans and reminds the 98  
public of the commitment this nation must have in determining 99  
the fate of its servicemen and servicewomen. Thus, it is 100  
appropriate that the POW/MIA flag should be displayed at certain 101  
public buildings throughout this state to increase public 102  
awareness of the issue of prisoners of war and those missing in 103  
action and to gain public support for the efforts of the United 104  
States government to resolve this matter. 105

**Section 2.** That existing section 9.50 of the Revised Code 106  
is hereby repealed. 107

**Section 3.** This act shall be known as the "POW/MIA 108  
Remembrance Act." 109
