A BILL

To enact sections 307.442, 505.604, and 701.02 of
the Revised Code to authorize counties,
townships, and municipal corporations to
purchase an employee dishonesty and faithful

a bond, for protection from loss due to the
fraudulent or dishonest actions of, and the
failure to perform a duty prescribed by law by,
an officer, official, employee, or appointee for
which a bond is required by law.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 307.442, 505.604, and 701.02 of
the Revised Code be enacted to read as follows:

Sec. 307.442. (A) As used in this section, "employee
dishonesty and faithful performance of duty policy" means a
policy of insurance, or a coverage document issued by a joint

self-insurance pool authorized under section 2744.081 of the 16
Revised Code, purchased to protect a county from financial or 17
property loss due to the fraudulent or dishonest actions of, and 18
the failure to perform a duty prescribed by law by, a county 19
officer, official, employee, or appointee that, before the 20
effective date of this section, was required by law to give a 21
bond. 22

(B) A board of county commissioners or any other board or 23
county officer, official, employee, or appointee that is 24
required by the Revised Code to pay for a surety bond 25
conditioned on the faithful performance of a county officer's, 26
official's, employee's, or appointee's duties, instead of the 27
bond, may purchase an employee dishonesty and faithful 28
performance of duty policy in a coverage amount that is equal to 29
or greater than the maximum amount of the bond required by law 30
to be given. The policy shall not exclude from coverage a county 31
officer, official, employee, or appointee required by law to be 32
bonded. The policy shall be payable to the same entity to which 33
the surety bond is required to be payable under the law 34
requiring the bond. The policy shall be delivered to or filed 35

to be delivered or filed. 37

dishonesty and faithful performance of duty policy" means a 39
policy of insurance, or a coverage document issued by a joint 40

Revised Code, purchased to protect a township from financial or 42
property loss due to the fraudulent or dishonest actions of, and 43
the failure to perform a duty prescribed by law by, a township 44
officer, official, employee, or appointee that, before the 45
effective date of this section, was required by law to give a 46

bond.

47

township officer, official, employee, or appointee that is
required by the Revised Code to pay for a surety bond
conditioned on the faithful performance of a township officer's,
official's, employee's, or appointee's duties, instead of the
bond, may purchase an employee dishonesty and faithful
performance of duty policy in a coverage amount that is equal to
or greater than the maximum amount of the bond required by law
to be given. The policy shall not exclude from coverage a
township officer, official, employee, or appointee required by
law to be bonded. The policy shall be payable to the same entity
to which the surety bond is required to be payable under the law
requiring the bond. The policy shall be recorded by and filed
with the same entity with whom the law requires the surety bond
