(B) (1) The basic child support schedule created under 504
division (A) of this section shall consist of a table containing 505
a guidelines income column followed by six columns for the total 506
number of children subject to the order. The table shall begin 507
at a guidelines income of \$8,400 and increase at \$600 increments 508
through a guidelines income of \$300,000. The child support 509
obligation amount shall be contained at each intersection of the 510
guidelines income row with the column containing the number of 511
children subject to the order. The department shall derive the 512
child support obligation amounts by multiplying the guidelines 513
income amount at \$600 increments by the basic obligation 514
percentages listed for each income range, for each child, as 515
indicated below: 516

federal poverty level amount for a single person as reported by 1001
the United States department of health and human services. 1002

(1) When updating the basic child support schedule for the 1003
most recent CPI-U, the department of job and family services 1004
shall update the figures in the guidelines income column for the 1005
percentage difference between the most recent CPI-U and the 1006

(2) When updating the self-sufficiency reserve 1008

single person as reported by the United States department of 1012
health and human services in the most recent calendar year. 1013

Sec. 3119.022. The director of job and family services 1014
shall adopt rules pursuant to Chapter 119. of the Revised Code 1015
governing the creation of child support guidelines worksheets 1016
and instructions that incorporate the requirements of Chapter 1017
3119. of the Revised Code for the calculation of child support 1018
and cash medical support obligations. In addition, the 1019
department shall: 1020

(A) Adopt standard worksheet forms that shall be used in 1021
all courts and child support enforcement agencies when 1022
calculating child support and cash medical support obligations; 1023
and 1024

(B) Adopt a standard instruction manual to provide 1025
guidance and assistance to persons calculating support 1026
obligations. 1027

The guidelines worksheet and instruction manual may be 1028
revised as needed, but shall be revised at least once every five 1029

years. 1030

Sec. 3119.023. (A) At least once every four years, the 1031
department of job and family services shall review the basic 1032
child support schedule issued by the department pursuant to 1033
section 3119.021 of the Revised Code to determine whether child 1034
support orders issued in accordance with that schedule and the 1035
worksheets created under rules adopted under section 3119.022 of 1036
the Revised Code adequately provide for the needs of children 1037
who are subject to the child support orders. The department may 1038
consider the adequacy and appropriateness of the current 1039
schedule, whether there are substantial and permanent changes in 1040
household consumption and savings patterns, particularly those 1041
resulting in substantial and permanent changes in the per cent 1042
of total household expenditures on children, and whether there 1043
have been substantial and permanent changes to the federal and 1044
state income tax code other than inflationary adjustments to 1045
such things as the exemption amount and income tax brackets, and 1046
other factors when conducting its review. The review is in 1047
addition to, and independent of, any schedule update completed 1048
as set forth in section 3119.021 of the Revised Code. The 1049
department shall prepare a report of its review and include 1050
recommendations for statutory changes, and submit a copy of the 1051
report to both houses of the general assembly. 1052

(B) For each review, the department shall establish a 1053
child support guideline advisory council to assist the 1054
department in the completion of its reviews and reports. Each 1055
council shall be composed of: 1056

(1) Obligors; 1057

(2) Obligees; 1058

(3) Judges of courts of common pleas who have jurisdiction over domestic relations and juvenile court cases that involve the determination of child support; 1059
1060
1061

(4) Attorneys whose practice includes a significant number of domestic relations or juvenile court cases that involve the determination of child support; 1062
1063
1064

(5) Representatives of child support enforcement agencies; 1065

(6) Other persons interested in the welfare of children; 1066

(7) Three members of the senate appointed by the president of the senate, not more than two of whom are members of the same political party; and 1067
1068
1069

(8) Three members of the house of representatives appointed by the speaker of the house, not more than two of whom are members of the same political party. 1070
1071
1072

(C) The department shall consider input from the council prior to the completion of any report under this section. The department shall submit its report on or before the first day of March of every fourth year after 2015. 1073
1074
1075
1076

(D) The advisory council shall cease to exist at the time that the department submits its review to the general assembly under this section. 1077

Sec. 3119.04. ~~(A) If the combined gross income of both parents is less than six thousand six hundred dollars per year, the court or child support enforcement agency shall determine the amount of the obligor's child support obligation on a case-by-case basis using the schedule as a guideline. the journal the figure, determination, and findings. If the 1118
combined annual income of both parents falls below the \$8,400 1119
floor of the basic child support schedule in accordance with 1120
section 3119.021 of the Revised Code, the court, with respect to 1121
a court child support order, or the child support enforcement 1122
agency, with respect to an administrative child support order, 1123
shall apply the minimum support amount in accordance with 1124
section 3119.06 of the Revised Code. 1125

Sec. 3119.05. When a court computes the amount of child 1126
support required to be paid under a court child support order or 1127
a child support enforcement agency computes the amount of child 1128
support to be paid pursuant to an administrative child support 1129
order, all of the following apply: 1130

(A) The parents' current and past income and personal 1131
earnings shall be verified by electronic means or with suitable 1132
documents, including, but not limited to, paystubs, employer 1133
statements, receipts and expense vouchers related to self- 1134
generated income, tax returns, and all supporting documentation 1135
and schedules for the tax returns. 1136

(B) The annual amount of any ~~pre-existing child support~~ 1137
~~obligation of a parent under a child support order and the~~ 1138
~~amount of any court-ordered spousal support actually paid,~~ 1139
excluding any ordered payments on arrears, shall be deducted 1140
from the ~~gross~~ annual income of that parent to the extent that 1141
payment ~~under the child support order or that payment of the~~ 1142
that court-ordered spousal support is verified by supporting 1143
documentation. 1144

(C) ~~If other minor children who were born to the parent~~ 1145
~~and a person other than the other parent who is involved in the~~ 1146
~~immediate child support determination live with the parent, the~~ 1147

~~court or agency shall deduct an amount from that parent's gross~~ 1148
~~income that equals the number of such minor children times the~~ 1149
~~federal income tax exemption for such children less child~~ 1150
~~support received for them for the year, not exceeding the~~ 1151
~~federal income tax exemption.~~ The court or agency shall adjust 1152
the amount of child support paid by a parent to give credit for 1153
children not included in the current calculation. When 1154
calculating the adjusted amount, the court or agency shall use 1155
the schedule and do the following: 1156

(1) Determine the amount of child support that each parent 1157
would be ordered to pay for all children for whom the parent has 1158
the legal duty to support, according to each parent's annual 1159
income. If the number of children subject to the order is 1160
greater than six, multiply the amount for three children in 1161
accordance with division (C) (4) of this section to determine the 1162
amount of child support. 1163

(2) Compute a child support credit amount for each 1164
parent's children who are not subject to this order by dividing 1165
the amount determined in division (C) (1) of this section by the 1166
total number of children whom the parent is obligated to support 1167
and multiplying that number by the number of the parent's 1168
children who are not subject to this order; 1169

(3) Determine the adjusted income of the parents by 1170
subtracting the credit for minor children not subject to this 1171
order computed under division (C) (2) of this section, from the 1172
annual income of each parent for the children each has a duty to 1173
support that are not subject to this order; 1174

(4) If the number of children is greater than six, 1175
multiply the amount for three children by: 1176

<u>(a) 1.440 for seven children;</u>	1177
<u>(b) 1.540 for eight children;</u>	1178
<u>(c) 1.638 for nine children;</u>	1179
<u>(d) 1.734 for ten children;</u>	1180
<u>(e) 1.827 for eleven children;</u>	1181
<u>(f) 1.919 for twelve children;</u>	1182
<u>(g) 2.008 for thirteen children;</u>	1183
<u>(h) 2.096 for fourteen children;</u>	1184
<u>(i) 2.182 for more than fourteen children.</u>	1185
(D) When the court or agency calculates the gross-annual income of a parent, it shall include the lesser of the following as income from overtime and bonuses:	1186 1187 1188
(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;	1189 1190 1191 1192
(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.	1193 1194 1195
(E) When the court or agency calculates the gross-annual income of a parent, it shall not include any income earned by the spouse of that parent.	1196 1197 1198
(F) The court shall issue a separate order for extraordinary medical or dental expenses, including, but not limited to, <u>medical support order for extraordinary medical</u> <u>expenses, including orthodontia, dental, optical, and</u>	1199 1200 1201 1202

psychological, ~~appropriate services.~~ 1203

If the court makes an order for payment of private 1204
education, and other appropriate expenses, and it shall do so by 1205
issuing a separate order. 1206

The court may consider ~~the~~ these expenses in adjusting a 1207
child support order. 1208

(G) When a court or agency calculates the amount of child 1209
support to be paid pursuant to a court child support order or an 1210
administrative child support order, if the following shall 1211
apply: 1212

(1) The court or agency shall apply the basic child 1213
support schedule to the parents' combined annual incomes and to 1214
each parent's individual income. 1215

(2) If the combined ~~gross~~ annual income of both parents or 1216
the individual annual income of each parent is an amount that is 1217
between two amounts set forth in the first column of the 1218
schedule, the court or agency may use the basic child support 1219
obligation that corresponds to the higher of the two amounts in 1220
the first column of the schedule, use the basic child support 1221
obligation that corresponds to the lower of the two amounts in 1222
the first column of the schedule, or calculate a basic child 1223
support obligation that is between those two amounts and 1224
corresponds proportionally to the parents' actual combined ~~gross~~ 1225
annual income or the individual parent's annual income. 1226

(3) If the annual individual income of either or both 1227
parents is within the self-sufficiency reserve in the basic 1228
child support schedule, the court or agency shall do both of the 1229
following: 1230

(a) Calculate the basic child support obligation for the 1231

parents using the schedule amount applicable to the combined 1232
annual income and the schedule amount applicable to the income 1233
in the self-sufficiency reserve; 1234

(b) Determine the lesser of the following amounts to be 1235
the applicable basic child support obligation: 1236

(i) The amount that results from using the combined annual 1237
income of the parents not in the self-sufficiency reserve of the 1238
schedule; or 1239

(ii) The amount that results from using the individual 1240
parent's annual income within the self-sufficiency reserve of 1241
the schedule. 1242

(H) When the court or agency calculates ~~gross~~ annual 1243
income, the court or agency, when appropriate, may average 1244
income over a reasonable period of years. 1245

(I) Unless it would be unjust or inappropriate and 1246
therefore not in the best interests of the child, a court or 1247
agency shall not determine a parent to be voluntarily unemployed 1248
or underemployed and shall not impute income to that parent if 1249
~~either any~~ of the following conditions exist: 1250

(1) The parent is receiving recurring monetary income from 1251
means-tested public assistance benefits, including cash 1252
assistance payments under the Ohio works first program 1253
established under Chapter 5107. of the Revised Code, general 1254
assistance under former Chapter 5113. of the Revised Code, 1255
supplemental security income, or means-tested veterans' 1256
benefits; 1257

(2) The parent is approved for social security disability 1258
insurance benefits because of a mental or physical disability, 1259
or the court or agency determines that the parent is unable to 1260

work based on medical documentation that includes a physician's 1261
diagnosis and a physician's opinion regarding the parent's 1262
mental or physical disability or inability to work. 1263

(3) The parent has proven that the parent has made 1264
continuous and diligent efforts without success to find and 1265
accept employment, including temporary employment, part-time 1266
employment, or employment at less than the parent's previous 1267
salary or wage. 1268

(4) The parent is complying with court-ordered family 1269
reunification efforts in a child abuse, neglect, or dependency 1270
proceeding, to the extent that compliance with those efforts 1271
limits the parent's ability to earn income. 1272

(5) The parent is incarcerated or institutionalized for a 1273
period of twelve months or more with no other available assets, 1274
unless the parent is incarcerated for an offense relating to the 1275
abuse or neglect of a child who is the subject of the support 1276
order or an offense under Title XXIX of the Revised Code ~~when~~ 1277
~~against~~ the obligee or a child who is the subject of the support 1278
~~order is a victim of the offense.~~ 1279

(J) When a court or agency requires a parent to pay an 1280
amount for that parent's failure to support a child for a period 1281
of time prior to the date the court modifies or issues a court 1282
child support order or an agency modifies or issues an 1283
administrative child support order for the current support of 1284
the child, the court or agency shall calculate that amount using 1285
the basic child support schedule, worksheets, and child support 1286
laws in effect, and the incomes of the parents as they existed, 1287
for that prior period of time. 1288

(K) A court or agency may disregard a parent's additional 1289

income from overtime or additional employment when the court or 1290
agency finds that the additional income was generated primarily 1291
to support a new or additional family member or members, or 1292
under other appropriate circumstances. 1293

(L) If both parents involved in the immediate child 1294
support determination have a prior order for support relative to 1295
a minor child or children born to both parents, the court or 1296
agency shall collect information about the existing order or 1297
orders and consider those together with the current calculation 1298
for support to ensure that the total of all orders for all 1299
children of the parties does not exceed the amount that would 1300
have been ordered if all children were addressed in a single 1301
judicial or administrative proceeding. 1302

(M) A support obligation of a parent with annual income 1303
subject to the self-sufficiency reserve of the basic child 1304
support schedule shall not exceed the support obligation that 1305
would result from application of the schedule without the 1306
reserve. 1307

(N) Any non-means tested benefit received by the child or 1308
children subject to the order resulting from the claims of 1309
either parent shall be deducted from that parent's annual child 1310
support obligation after all other adjustments have been made. 1311
If that non-means tested benefit exceeds the child support 1312
obligation of the parent from whose claim the benefit is 1313
realized, the child support obligation for that parent shall be 1314
zero. 1315

(O) As part of the child support calculation, the parents 1316
shall be ordered to share the costs of child care. Subject to 1317
the limitations in this division, a child support obligor shall 1318
pay an amount equal to the obligor's income share of the child 1319

care cost incurred for the child or children subject to the 1320
order. 1321

(1) The child care cost used in the calculation: 1322

(a) Shall be for child care determined to be necessary to 1323
allow a parent to work, or for activities related to employment 1324
training; 1325

(b) Shall be verifiable by credible evidence as determined 1326
by a court or child support enforcement agency; 1327

(c) Shall exclude any reimbursed or subsidized child care 1328
cost, including any state or federal tax credit for child care 1329
available to the parent or caretaker, whether or not claimed; 1330

(d) Shall not exceed the maximum state-wide average cost 1331
estimate issued by the department of job and family services, 1332
using the data collected and reported as required in section 1333
5104.04 of the Revised Code. 1334

(2) When the annual income of the obligor is subject to 1335
the self-sufficiency reserve of the basic support schedule, the 1336
share of the child care cost paid by the obligor shall be equal 1337
to the lower of the obligor's income share of the child care 1338
cost, or fifty per cent of the child care cost. 1339

Sec. 3119.051. (A) Except as otherwise provided in this 1340
section, a court or child support enforcement agency calculating 1341
the amount to be paid under a child support order shall reduce 1342
by ten per cent the amount of the annual individual support 1343
obligation for the parent or parents when a court has issued or 1344
is issuing a court-ordered parenting time order that equals or 1345
exceeds ninety overnights per year. This reduction may be in 1346
addition to the other deviations and reductions. 1347

(B) At the request of the obligee, a court may eliminate a 1348
previously granted adjustment established under division (A) of 1349
this section if the obligor, without just cause, has failed to 1350
exercise court-ordered parenting time. 1351

Sec. 3119.06. Except as otherwise provided in this 1352
section, in any action in which a court or a child support 1353
enforcement agency issues or modifies a child support order or 1354
in any other proceeding in which a court or agency determines 1355
the amount of child support to be paid pursuant to a child 1356
support order, the court or agency shall issue a minimum child 1357
support order requiring the obligor to pay a minimum of ~~fifty-~~ 1358
~~eighty~~ dollars a month for all the children subject to that 1359
order. The court or agency, in its discretion and in appropriate 1360
circumstances, may issue a minimum child support order ~~requiring~~ 1361
~~the obligor to pay of less than fifty-eighty~~ dollars a month or 1362
issue an order not requiring the obligor to pay ~~an any child~~ 1363
~~support amount for support~~. The circumstances under which a 1364
court or agency may issue such an order include the 1365
nonresidential parent's medically verified or documented 1366
physical or mental disability or institutionalization in a 1367
facility for persons with a mental illness or any other 1368
circumstances considered appropriate by the court or agency. 1369

If a court or agency issues a minimum child support ~~order~~ 1370
obligation pursuant to this section and the obligor under the 1371
support order is the recipient of ~~need-based means-tested~~ public 1372
assistance, as described in division (C)(13)(a) of section 1373
3119.01 of the Revised Code, any unpaid amounts of support due 1374
under the support order shall accrue as arrearages from month to 1375
month, and the obligor's current obligation to pay the support 1376
due under the support order is suspended during any period of 1377
time that the obligor is receiving ~~need-based means-tested~~ 1378

public assistance and is complying with any seek work orders 1379
issued pursuant to section 3121.03 of the Revised Code. The 1380
court, obligee, and child support enforcement agency shall not 1381
enforce the obligation of the obligor to pay the amount of 1382
support due under the support order while the obligor is 1383
receiving ~~need-based means-tested~~ public assistance and is 1384
complying with any seek work orders issued pursuant to section 1385
3121.03 of the Revised Code. 1386

Sec. 3119.22. The court may order an amount of child 1387
support that deviates from the amount of child support that 1388
would otherwise result from the use of the basic child support 1389
schedule and the applicable worksheet, ~~through the line~~ 1390
~~establishing the actual annual obligation,~~ if, after considering 1391
the factors and criteria set forth in section 3119.23 of the 1392
Revised Code, the court determines that the amount calculated 1393
pursuant to the basic child support schedule and the applicable 1394
worksheet, ~~through the line establishing the actual annual~~ 1395
~~obligation,~~ would be unjust or inappropriate and ~~would therefore~~ 1396
not be in the best interest of the child. 1397

If it deviates, the court must enter in the journal the 1398
amount of child support calculated pursuant to the basic child 1399
support schedule and the applicable worksheet, ~~through the line~~ 1400
~~establishing the actual annual obligation,~~ its determination 1401
that ~~that the~~ amount would be unjust or inappropriate and ~~would~~ 1402
~~therefore~~ not be in the best interest of the child, and findings 1403
of fact supporting that determination. 1404

Sec. 3119.23. The court may consider any of the following 1405
factors in determining whether to grant a deviation pursuant to 1406
section 3119.22 of the Revised Code: 1407

(A) Special and unusual needs of the child or children, 1408

including needs arising from the physical or psychological 1409
condition of the child or children; 1410

~~(B) Extraordinary obligations for minor children or~~ 1411
~~obligations for handicapped children who are not stepchildren~~ 1412
~~and who are not offspring from the marriage or relationship that~~ 1413
~~is the basis of the immediate child support determination;~~ 1414

~~(C) Other court-ordered payments;~~ 1415

~~(D) (C) Extended parenting time or extraordinary costs~~ 1416
~~associated with parenting time, provided that this division does~~ 1417
~~not authorize and shall not be construed as authorizing any~~ 1418
~~deviation from the schedule and the applicable worksheet,~~ 1419
~~through the line establishing the actual annual obligation, or~~ 1420
~~any escrowing, impoundment, or withholding of child support~~ 1421
~~because of a denial of or interference with a right of parenting~~ 1422
~~time granted by court order including extraordinary travel~~ 1423
~~expenses when exchanging the child or children for parenting~~ 1424
~~time;~~ 1425

~~(E) The obligor obtaining additional employment after a~~ 1426
~~child support order is issued in order to support a second~~ 1427
~~family;~~ 1428

~~(F) (D) The financial resources and the earning ability of~~ 1429
~~the child or children;~~ 1430

~~(G) Disparity (E) The relative financial resources,~~ 1431
including the disparity in income between parties or households, 1432
other assets, and the needs of each parent; 1433

~~(H) (F) The obligee's income, if the obligee's annual~~ 1434
income is equal to or less than one hundred per cent of the 1435
federal poverty level; 1436

or sharing living expenses with another person;	1438
(I) <u>(H)</u> The amount of federal, state, and local taxes	1439
actually paid or estimated to be paid by a parent or both of the	1440
parents;	1441
(J) <u>(I)</u> Significant in-kind contributions from a parent,	1442
including, but not limited to, direct payment for lessons,	1443
sports equipment, schooling, or clothing;	1444
(K) The relative financial resources, other assets and	1445
resources, and needs of each parent;	1446
(L) <u>(J)</u> <u>Extraordinary work-related expenses incurred by</u>	1447
<u>either parent;</u>	1448
<u>(K)</u> The standard of living and circumstances of each	1449
parent and the standard of living the child would have enjoyed	1450
had the marriage continued or had the parents been married;	1451
(M) The physical and emotional condition and needs of the	1452
child;	1453
(N) (L) The need and capacity of the child for an	1454
education and the educational opportunities that would have been	1455
available to the child had the circumstances requiring a court-	1456
<u>child support order for support</u> not arisen;	1457
(O) <u>(M)</u> The responsibility of each parent for the support	1458
of others, <u>including support of a child or children with</u>	1459
<u>disabilities who are not subject to the support order;</u>	1460
<u>(N)</u> <u>Post-secondary educational expenses paid for by a</u>	1461

(O) Costs incurred or reasonably anticipated to be 1464
incurred by the parents in compliance with court-ordered 1465
reunification efforts in child abuse, neglect, or dependency 1466
cases; 1467

(P) Extraordinary child care costs required for the child 1468
or children that exceed the maximum state-wide average cost 1469
estimate provided in division (O) (1) (d) of section 3119.05 of 1470
the Revised Code including extraordinary costs associated with 1471
caring for a child or children with specialized physical, 1472
psychological, or educational needs; 1473

(Q) Any other relevant factor. 1474

~~The court may accept an agreement of the parents that~~ 1475
~~assigns a monetary value to any of the factors and criteria-~~ 1476
~~listed in this section that are applicable to their situation.~~ 1477

If the court grants a deviation based on division ~~(P)~~ (Q) 1478
of this section, it shall specifically state in the order the 1479
facts that are the basis for the deviation. 1480

Sec. 3119.231. In determining whether to grant a deviation 1481
pursuant to section 3119.22 of the Revised Code for the reason 1482
set forth in division (C) of section 3119.23 of the Revised 1483
Code, the court shall recognize that expenses for the children 1484
are incurred in both households and shall apply the following 1485
deviation: 1486

If court-ordered parenting time is equal to or exceeds one 1487
hundred forty-seven overnights per year, the court shall 1488
consider a substantial deviation. If the court does not grant a 1489
substantial deviation from that amount, it shall specify in the 1490
order the facts that are the basis for the court's decision. 1491

Sec. 3119.24. (A) (1) A court that issues a shared 1492

parenting order in accordance with section 3109.04 of the 1493
Revised Code shall order an amount of child support to be paid 1494
under the child support order that is calculated in accordance 1495
with the schedule and with the worksheet ~~set forth in section~~ 1496
~~3119.022 of the Revised Code, through the line establishing the~~ 1497
~~actual annual obligation~~, except that, if that amount would be 1498
unjust or inappropriate to the children or either parent and 1499
~~would therefore not be~~ in the best interest of the child because 1500
of the extraordinary circumstances of the parents or because of 1501
any other factors or criteria set forth in section 3119.23 of 1502
the Revised Code, the court may deviate from that amount. 1503

(2) The court shall consider extraordinary circumstances 1504
and other factors or criteria if it deviates from the amount 1505
described in division (A) (1) of this section and shall enter in 1506
the journal the amount described in division (A) (1) of this 1507
section its determination that the amount would be unjust or 1508
inappropriate and ~~would therefore not be~~ in the best interest of 1509
the child, and findings of fact supporting its determination. 1510

(B) For the purposes of this section, "extraordinary 1511
circumstances of the parents" includes all of the following: 1512

(F) Procedures for adjusting child support orders in 2043

~~line establishing the actual annual obligation;~~ 2048

(G) Procedures for adjusting the provisions of the child 2049
support order governing the health care needs of the child 2050
pursuant to sections 3119.29 to 3119.56 of the Revised Code. 2051

Sec. 3119.79. (A) If an obligor or obligee under a child 2052
support order requests that the court modify the amount of child 2053

support required to be paid pursuant to the child support order, 2054
the court shall recalculate the amount of support that would be 2055
required to be paid under the child support order in accordance 2056
with the schedule and the applicable worksheet ~~through the line~~ 2057
~~establishing the actual annual obligation.~~ If that amount as 2058
recalculated is more than ten per cent greater than or more than 2059
ten per cent less than the amount of child support required to 2060
be paid pursuant to the existing child support order, the 2061
deviation from the recalculated amount that would be required to 2062
be paid under the schedule and the applicable worksheet shall be 2063
considered by the court as a change of circumstance substantial 2064
enough to require a modification of the child support amount. 2065

~~(B) In determining the recalculated support amount that~~ 2066
~~would be required to be paid under the child support order for~~ 2067
~~purposes of determining whether that recalculated amount is more~~ 2068
~~than ten per cent greater than or more than ten per cent less~~ 2069
~~than the amount of child support required to be paid pursuant to~~ 2070
~~the existing child support order, the court shall consider, in~~ 2071
~~addition to all other factors required by law to be considered,~~ 2072
~~the cost of health insurance the obligor, the obligee, or both~~ 2073
~~the obligor and the obligee have been ordered to obtain for the~~ 2074
~~children specified in the order. Additionally, if an obligor or~~ 2075
~~obligee under a child support order requests that the court~~ 2076
~~modify the support amount required to be paid pursuant to the~~ 2077
~~child support order and if~~ If the court determines that the 2078
~~amount of support does not adequately meet the medical needs of~~ 2079
~~the child~~ are not being met because of inadequate health 2080
insurance coverage, the inadequate coverage shall be considered 2081
by the court as a change of circumstance that is substantial 2082
enough to require a modification of the ~~amount of the child~~ 2083
support order. 2084

(C) If the court determines that the amount of child support required to be paid under the child support order should be changed due to a substantial change of circumstances that was not contemplated at the time of the issuance of the original child support order or the last modification of the child support order, the court shall modify the amount of child support required to be paid under the child support order to comply with the schedule and the applicable worksheet ~~through the line establishing the actual annual obligation~~, unless the court determines that ~~the amount~~ those amounts calculated pursuant to the basic child support schedule and pursuant to the applicable worksheet would be unjust or inappropriate and ~~would therefore not be~~ in the best interest of the child and enters in the journal the figure, determination, and findings specified in section 3119.22 of the Revised Code.

Sec. 3119.89. (A) Upon receipt of a notice pursuant to section 3119.87 of the Revised Code, the child support enforcement agency administering a child support order, within twenty days after receipt of the notice, shall complete an investigation. The agency administering a child support order may conduct an investigation upon its own initiative if it otherwise has reason to believe that there may be a reason for which the order should terminate. The agency's investigation shall determine the following:

(1) Whether any reason exists for which the order should terminate;

(2) Whether there are other children subject to the order;

(3) Whether the obligor owes any arrearages under the order;

(4) Whether the agency believes it is necessary to 2114
continue withholding or deduction pursuant to a notice or order 2115
described in section 3121.03 of the Revised Code for the other 2116
children or arrearages; 2117

(5) Whether child support amounts paid pursuant to the 2118
order being investigated should be impounded because 2119
continuation of receipt and disbursement would lead to an 2120
overpayment by the obligor. 2121

(B) If the agency, pursuant to the investigation under 2122
division (A) of this section, determines that other children are 2123
subject to the child support order and that it is necessary to 2124
continue withholding or deduction for the other children, the 2125
agency shall divide the child support amount due annually and 2126
per month under the order by the number of children who are the 2127
subject of the order and subtract the amount due for the child 2128
for whom the order should be terminated from the total child 2129
support amount due annually and per month. The resulting annual 2130
and per month child support amount shall be included in the 2131
results of the agency's investigation as the recommended child 2132
support amount due annually and monthly under a revised child 2133
support order. If arrearage amounts are owed, those amounts may 2134
be included as part of the recommended child support amount. The 2135
investigation under division (A) of this section shall not 2136
include a review pursuant to sections 3119.60 to 3119.76 of the 2137
Revised Code of any other children subject to the child support 2138
order. 2139

Sec. 3121.36. The termination of a court support order or 2140
administrative child support order does not abate the power of 2141
any court or child support enforcement agency to collect any 2142
overdue and unpaid support or arrearage owed under the 2143

terminated support order or the power of the court to punish any 2144
person for a failure to comply with, or to pay any support as 2145
ordered in, the terminated support order. The termination does 2146
not abate the authority of the court or agency to issue any 2147
notice described in section 3121.03 of the Revised Code or to 2148
issue any applicable order as described in division (C) or (D) 2149
of section 3121.03 of the Revised Code to collect any overdue 2150
and unpaid support or arrearage owed under the terminated 2151
support order. If a notice is issued pursuant to section 3121.03 2152
of the Revised Code to collect the overdue and unpaid support or 2153
arrearage, the amount withheld or deducted from the obligor's 2154
personal earnings, income, or accounts shall be rebuttably 2155
presumed to be at least equal to the amount that was withheld or 2156
deducted under the terminated child support order. A court or 2157
agency administering the child support order may consider 2158
evidence of household expenditures, income variables, 2159
extraordinary health care issues, and other reasons for 2160
deviation from the presumed amount. 2161

Sec. 3123.14. If a child support order is terminated for 2162
any reason, the obligor under the child support order is or was 2163
at any time in default under the support order and, after the 2164
termination of the order, the obligor owes an arrearage under 2165
the order, the obligee may make application to the child support 2166
enforcement agency that administered the child support order 2167
prior to its termination or had authority to administer the 2168
child support order to maintain any action or proceeding on 2169
behalf of the obligee to obtain a judgment, execution of a 2170
judgment through any available procedure, an order, or other 2171
relief. If a withholding or deduction notice is issued pursuant 2172
to section 3121.03 of the Revised Code to collect an arrearage, 2173
the amount withheld or deducted from the obligor's personal 2174

earnings, income, or accounts shall be rebuttably presumed to be 2175
at least equal to the amount that was withheld or deducted under 2176
the terminated child support order. A court or agency 2177
administering the child support order may consider evidence of 2178
household expenditures, income variables, extraordinary health 2179
care issues, and other reasons for deviation from the presumed 2180
amount. 2181

Section 2. That existing sections 3119.01, 3119.02, 2182
3119.021, 3119.04, 3119.05, 3119.06, 3119.22, 3119.23, 3119.24, 2183

3119.022, 3119.023, and 3119.024 of the Revised Code are hereby 2186
repealed. 2187

Section 3. Sections 1 and 2 of this act take effect six 2188
months after the effective date of this act. During that six- 2189
month period, the Ohio department of job and family services 2190
shall perform necessary automated system changes and may 2191
organize and oversee the statewide training of local child 2192
support enforcement agencies, lawyers who practice in child 2193
support, and judges who preside over child support cases. 2194
