adopted a charter under Section 3 of Article X, Ohio 11
Constitution. 12

(B) All rights to, interests in, and income from 13
intellectual property, including discoveries, inventions, or 14
patents, that result from research or investigation conducted in 15

an experiment station, bureau, laboratory, research facility, or 16
other facility of a charter county hospital, or by employees of 17
any charter county hospital acting within the scope of their 18
employment or with funding, equipment, or infrastructure 19
provided by or through a charter county hospital, shall be the 20
sole property of that charter county hospital. No individual, 21

charter county hospital participating in or making discoveries 25
or inventions or obtaining patents, shall have any rights to, 26
interests in, or income from such intellectual property, 27
including discoveries, inventions, or patents, except as may, by 28
determination of the board of county hospital trustees of a 29
charter county hospital, be assigned, licensed, transferred, 30
sold, or otherwise disposed of, to those entities or employees 31

(C) As may be determined from time to time by the board of 34
county hospital trustees of a charter county hospital, the 35
charter county hospital may retain, assign, license, transfer, 36
sell, or otherwise dispose of, in whole or in part and upon such 37
terms as the board may direct, any and all rights to, interests 38
in, or income from any intellectual property, including 39
discoveries, inventions, or patents, that the charter county 40
hospital owns or may acquire. Such dispositions may be to any 41
individual, firm, association, corporation, or governmental 42
agency, or to an employee of the charter county hospital, as the 43
board may direct. All income or proceeds derived or retained 44
from such dispositions shall be applied to the general or 45
special use of the charter county hospital as determined by its 46

board.

47

(D) (1) Notwithstanding any provision of the Revised Code
