The third party becomes liable to the department as soon as the third party is notified in writing of the valid claims for subrogation under this section.

(E) Subrogation does not apply to that portion of any judgment, award, settlement, or compromise of a claim, to the extent that attorney's fees, costs, or other expenses are incurred by a medically handicapped child or his the child's parent or guardian in securing the judgment, award, settlement, or compromise, or to the extent that the cost of goods and services specified in divisions (B)-(C) and (D)-(E) of section 3701.023 of the Revised Code are paid by the child, parent, or guardian. Attorney's fees and costs or other expenses in securing any recovery shall not be assessed against any subrogated claim of the department.

Sec. 3701.029. (A) Subject to available funds and division (B) of this section, the department of health shall establish and administer a hemophilia program to provide payment of health insurance premiums for Ohio residents who meet all of the following requirements:

(1) Have been diagnosed with hemophilia or a related bleeding disorder;

No nonmedicaid-eligible individual may be initially enrolled in the program.

No medicaid-eligible individual may continue to be enrolled in the program regardless of when the individual enrolled in the program or submitted an application for the program.

No medicaid-eligible individual may be initially enrolled in the program.

Sec. 3701.12. (A) As used in this section:

(1) "Third party" means any person or government entity other than the department of health or a program administered by the department.

(2) "Third party benefits" means any and all benefits paid by a third party to or on behalf of an individual or the individual's parent or guardian for goods or services the individual has received from the department of health or a grantee or contractor of the department.

(B) Except as provided in division (C) of this section, the department of health shall not, on or after January 1, 2018, pay for goods or services that are payable through third party benefits.

(C) The prohibition in division (B) of this section does not apply when expressly contrary to another provision of the Revised Code or when, as determined by the director of health, department of health funds are required to mitigate the spread of infectious disease or are needed for exceptional circumstances.
Sec. 3701.243. (A) Except as provided in this section or section 3701.248 of the Revised Code, no person or agency of state or local government that acquires the information while providing any health care service or while in the employ of a health care facility or health care provider shall disclose or compel another to disclose any of the following:

(1) The identity of any individual on whom an HIV test is performed;

(2) The results of an HIV test in a form that identifies the individual tested;

(3) The identity of any individual diagnosed as having AIDS or an AIDS-related condition.

(B)(1) Except as provided in divisions (B)(2), (C), (D), and (F) of this section, the results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed only to the following:

(a) The individual who was tested or the individual's legal guardian, and the individual's spouse or any sexual partner;

(b) A person to whom disclosure is authorized by a written release, executed by the individual tested or by the individual's legal guardian and specifying to whom disclosure of the test results or diagnosis is authorized and the time period during which the release is to be effective;

(c) The individual's Any physician who treats the individual;

(d) The department of health or a health commissioner to which reports are made under section 3701.24 of the Revised Code;

(e) A health care facility or provider that procures, processes, distributes, or uses a human body part from a deceased individual, donated for a purpose specified in Chapter 2108. of
the Revised Code, and that needs medical information about the
deceased individual to ensure that the body part is medically
acceptable for its intended purpose;

(f) Health care facility staff committees or accreditation or
oversight review organizations conducting program monitoring,
program evaluation, or service reviews;

(g) A health care provider, emergency medical services
worker, or peace officer who sustained a significant exposure to
the body fluids of another individual, if that individual was
tested pursuant to division (E)(6) of section 3701.242 of the
Revised Code, except that the identity of the individual tested
shall not be revealed;

(h) To law enforcement authorities pursuant to a search
warrant or a subpoena issued by or at the request of a grand jury,
a prosecuting attorney, a city director of law or similar chief
legal officer of a municipal corporation, or a village solicitor,
in connection with a criminal investigation or prosecution.

(2) The results of an HIV test or a diagnosis of AIDS or an
AIDS-related condition may be disclosed to a health care provider,
or an authorized agent or employee of a health care facility or a
health care provider, if the provider, agent, or employee has a
medical need to know the information and is participating in the
diagnosis, care, or treatment of the individual on whom the test
was performed or who has been diagnosed as having AIDS or an
AIDS-related condition.

This division does not impose a standard of disclosure
different from the standard for disclosure of all other specific
information about a patient to health care providers and
facilities. Disclosure may not be requested or made solely for the
purpose of identifying an individual who has a positive HIV test
result or has been diagnosed as having AIDS or an AIDS-related
condition in order to refuse to treat the individual. Referral of
an individual to another health care provider or facility based on
reasonable professional judgment does not constitute refusal to
treat the individual.

(3) Not later than ninety days after November 1, 1989, each
health care facility in this state shall establish a protocol to
be followed by employees and individuals affiliated with the
facility in making disclosures authorized by division (B)(2) of
this section. A person employed by or affiliated with a health
care facility who determines in accordance with the protocol
established by the facility that a disclosure is authorized by
division (B)(2) of this section is immune from liability to any
person in a civil action for damages for injury, death, or loss to
person or property resulting from the disclosure.

(C)(1) Any person or government agency may seek access to or
government agency to disclose the HIV test records of an individual in
accordance with the following provisions:

(a) The person or government agency shall bring an action in
a court of common pleas requesting disclosure of or authority to
disclose the results of an HIV test of a specific individual, who
shall be identified in the complaint by a pseudonym but whose name
shall be communicated to the court confidentially, pursuant to a
court order restricting the use of the name. The court shall
provide the individual with notice and an opportunity to
participate in the proceedings if the individual is not named as a
party. Proceedings shall be conducted in chambers unless the
individual agrees to a hearing in open court.

(b) The court may issue an order granting the plaintiff
access to or authority to disclose the test results only if the
court finds by clear and convincing evidence that the plaintiff
has demonstrated a compelling need for disclosure of the
information that cannot be accommodated by other means. In
assessing compelling need, the court shall weigh the need for
disclosure against the privacy right of the individual tested and
against any disservice to the public interest that might result
from the disclosure, such as discrimination against the individual
or the deterrence of others from being tested.

(c) If the court issues an order, it shall guard against
unauthorized disclosure by specifying the persons who may have
access to the information, the purposes for which the information
shall be used, and prohibitions against future disclosure.

(2) A person or government agency that considers it necessary
to disclose the results of an HIV test of a specific individual in
an action in which it is a party may seek authority for the
disclosure by filing an in camera motion with the court in which
the action is being heard. In hearing the motion, the court shall
employ procedures for confidentiality similar to those specified
in division (C)(1) of this section. The court shall grant the
motion only if it finds by clear and convincing evidence that a
compelling need for the disclosure has been demonstrated.

(3) Except for an order issued in a criminal prosecution or
an order under division (C)(1) or (2) of this section granting
disclosure of the result of an HIV test of a specific individual,
a court shall not compel a blood bank, hospital blood center, or
blood collection facility to disclose the result of HIV tests
performed on the blood of voluntary donors in a way that reveals
the identity of any donor.

(4) In a civil action in which the plaintiff seeks to recover
damages from an individual defendant based on an allegation that
the plaintiff contracted the HIV virus as a result of actions of
the defendant, the prohibitions against disclosure in this section
do not bar discovery of the results of any HIV test given to the
defendant or any diagnosis that the defendant suffers from AIDS or
an AIDS-related condition.
(D) The results of an HIV test or the identity of an individual on whom an HIV test is performed or who is diagnosed as having AIDS or an AIDS-related condition may be disclosed to a federal, state, or local government agency, or the official representative of such an agency, for purposes of the medicaid program, the medicare program, or any other public assistance program.

(E) Any disclosure pursuant to this section shall be in writing and accompanied by a written statement that includes the following or substantially similar language: "This information has been disclosed to you from confidential records protected from disclosure by state law. You shall make no further disclosure of this information without the specific, written, and informed release of the individual to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for the purpose of the release of HIV test results or diagnoses."

(F) An individual who knows that the individual has received a positive result on an HIV test or has been diagnosed as having AIDS or an AIDS-related condition shall disclose this information to any other person with whom the individual intends to make common use of a hypodermic needle or engage in sexual conduct as defined in section 2907.01 of the Revised Code. An individual's compliance with this division does not prohibit a prosecution of the individual for a violation of division (B) of section 2903.11 of the Revised Code.

(G) Nothing in this section prohibits the introduction of evidence concerning an HIV test of a specific individual in a criminal proceeding.

Sec. 3701.65. (A) There is hereby created in the state treasury the "choose life" fund. The fund shall consist of the
contributions that are paid to the registrar of motor vehicles by applicants who voluntarily elect to obtain "choose life" license plates pursuant to section 4503.91 of the Revised Code and any money returned to the fund under division (E)(1)(d) of this section. All investment earnings of the fund shall be credited to the fund.

(B)(1) At least annually, the director of health shall distribute the money in the fund to any private, nonprofit organization that is eligible to receive funds under this section and that applies for funding under division (C) of this section.

(2) The director shall allocate the funds to each county in proportion to the number of "choose life" license plates issued during the preceding year to vehicles registered in each county. The director shall distribute funds allocated for a county as follows:

(a) To one or more eligible organizations located within the county;

(b) If no eligible organization located within the county applies for funding, to one or more eligible organizations located in contiguous counties;

(c) If no eligible organization located within the county or a contiguous county applies for funding, to one or more eligible organizations within any other county.

(3) The director shall ensure that any funds allocated for a county are distributed equally among eligible organizations that apply for funding within the county.

(C) Any organization seeking funds under this section annually shall apply for distribution of the funds based on the county in which the organization is located. An organization also may apply for funding in a county in which it is not located if it
demonstrates that it provides services for pregnant women residing in that county. The director shall develop an application form and may determine the schedule and procedures that an organization shall follow when annually applying for funds. The application shall inform the applicant of the conditions for receiving and using funds under division (E) of this section. The application shall require evidence that the organization meets all of the following requirements:

1. Is a private, nonprofit organization;
2. Is committed to counseling pregnant women about the option of adoption;
3. Provides services within the state to pregnant women who are planning to place their children for adoption, including counseling and meeting the material needs of the women;
4. Does not charge women for any services received;
5. Is not involved or associated with any abortion activities, including counseling for or referrals to abortion clinics, providing medical abortion-related procedures, or pro-abortion advertising;
6. Does not discriminate in its provision of any services on the basis of race, religion, color, age, marital status, national origin, handicap, gender, or age;
7. If the organization is applying for funding in a county in which it is not located, provides services for pregnant women residing in that county.

(D) The director shall not distribute funds to an organization that does not provide verifiable evidence of the requirements specified in the application under division (C) of this section and shall not provide additional funds to any organization that fails to comply with division (E) of this
section in regard to its previous receipt of funds under this section.

(E)(1) An organization receiving funds under this section shall do all of the following:

(a) Use not more than sixty per cent of the funds distributed to it for the material needs of pregnant women who are planning to place their children for adoption or for infants awaiting placement with adoptive parents, including clothing, housing, medical care, food, utilities, and transportation;

(b) Use not more than forty per cent of the funds distributed to it for counseling, training, or advertising;

(c) Not use any of the funds distributed to it for administrative expenses, legal expenses, or capital expenditures;

(d) Annually return to the fund created under division (A) of this section any unused money that exceeds ten per cent of the money distributed to the organization.

(2) The organization annually shall submit to the director an audited financial statement verifying its compliance with division (E)(1) of this section.

(F) The director, in accordance with Chapter 119. of the Revised Code, shall adopt rules to implement this section.

It is not the intent of the general assembly that the department create a new position within the department to implement and administer this section. It is the intent of the general assembly that the implementation and administration of this section be accomplished by existing department personnel.

(G) If funds that have been allocated to a county for any previous year have not been distributed to one or more eligible organizations, the director may distribute those funds in accordance with this section.
Sec. 3701.83. There is hereby created in the state treasury the general operations fund. Moneys in the fund shall be used for the purposes specified in sections 3701.04, 3701.344, 3702.20, 3710.15, 3711.16, 3717.45, 3718.06, 3721.02, 3721.022, 3729.07, 3733.43, 3748.04, 3748.05, 3748.07, 3748.12, 3748.13, 3749.04, 3749.07, 4747.04, and 4769.09 of the Revised Code.

(3) Except as provided in rules adopted under this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(C) Except as provided by division (F) of this section, the chief administrator of a home health agency shall inform each applicant of both of the following at the time of the applicant's initial application for employment or referral to the home health agency by an employment service for a position that involves providing direct care to an individual:

(1) That a review of the databases listed in division (D) of this section will be conducted to determine whether the home health agency is prohibited by division (B)(1) of this section

However, the chief administrator is not required to conduct a database review of an applicant or employee if division (F) of this section applies. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(E)(1) As a condition of employing any applicant in a position that involves providing direct care to an individual, the chief administrator of a home health agency shall request the superintendent of the bureau of criminal identification and investigation to conduct a criminal records check of the applicant. If rules adopted under this section so require, the chief administrator of a home health agency shall request the superintendent to conduct a criminal records check of an employee at times specified in the rules as a condition of continuing to employ the employee in a position that involves providing direct care to an individual. However, the chief administrator is not required to request the criminal records check of the applicant or the employee if division (F) of this section applies or the home health agency is prohibited by division (B)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing direct care to an individual. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date upon which the criminal records check is requested or does not provide evidence that within that five-year period the superintendent has requested information about the applicant from the federal bureau of investigation in a criminal records check, the chief administrator shall request that the superintendent obtain information from the
federal bureau of investigation as a part of the criminal records
check. Even if an applicant or employee for whom a criminal
records check request is required by this section presents proof
that the applicant or employee has been a resident of this state
for that five-year period, the chief administrator may request
that the superintendent include information from the federal
bureau of investigation in the criminal records check.

the criminal records check.

(3) A home health agency shall pay to the bureau of criminal
identification and investigation the fee prescribed pursuant to
division (C)(3) of section 109.572 of the Revised Code for each
criminal records check the agency requests under this section. A
home health agency may charge an applicant a fee not exceeding the
amount the agency pays to the bureau under this section if both of
the following apply:

(a) The home health agency notifies the applicant at the time
of initial application for employment of the amount of the fee and
that, unless the fee is paid, the applicant will not be considered
for employment.

(b) The medicaid program does not reimburse the home health
agency for the fee it pays to the bureau under this section.
(F) Divisions (C) to (E) of this section do not apply with regard to an applicant or employee if the applicant or employee is referred to a home health agency by an employment service that supplies full-time, part-time, or temporary staff for positions that involve providing direct care to an individual and both of the following apply:

1. The chief administrator of the home health agency receives from the employment service confirmation that a review of the databases listed in division (D) of this section was conducted with regard to the applicant or employee.

2. The chief administrator of the home health agency receives from the employment service, applicant, or employee a report of the results of a criminal records check of the applicant or employee that has been conducted by the superintendent within the one-year period immediately preceding the following:

   a. In the case of an applicant, the date of the applicant's referral by the employment service to the home health agency;

   b. In the case of an employee, the date by which the home health agency would otherwise have to request a criminal records check of the employee under division (E) of this section.

(G)(1) A home health agency may employ conditionally an applicant for whom a criminal records check request is required by this section before obtaining the results of the criminal records check if the agency is not prohibited by division (B) of this section from employing the applicant in a position that involves providing direct care to an individual and either of the following applies:

   a. The chief administrator of the home health agency requests the criminal records check in accordance with division (E) of this section not later than five business days after the applicant begins conditional employment.
(b) The applicant is referred to the home health agency by an employment service, the employment service or the applicant provides the chief administrator of the agency a letter that is on the letterhead of the employment service, the letter is dated and signed by a supervisor or another designated official of the employment service, and the letter states all of the following:

(i) That the employment service has requested the superintendent to conduct a criminal records check regarding the applicant;

(ii) That the requested criminal records check is to include a determination of whether the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense;

(iii) That the employment service has not received the results of the criminal records check as of the date set forth on the letter;

(iv) That the employment service promptly will send a copy of the results of the criminal records check to the chief administrator of the home health agency when the employment service receives the results.

(2) If a home health agency employs an applicant conditionally pursuant to division (G)(1)(b) of this section, the employment service, on its receipt of the results of the criminal records check, promptly shall send a copy of the results to the chief administrator of the agency.

(3) A home health agency that employs an applicant conditionally pursuant to division (G)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the
date the request for the criminal records check is made.

Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the home health agency shall terminate the applicant's employment unless circumstances specified in rules adopted under this section that permit the agency to employ the applicant exist and the agency chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the home health agency about the applicant's criminal record.

(H) The report of any criminal records check conducted by the bureau of criminal identification and investigation in accordance with section 109.572 of the Revised Code and pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

1. The applicant or employee who is the subject of the criminal records check or the applicant's or employee's representative;

2. The home health agency requesting the criminal records check or its representative;

3. The administrator of any other facility, agency, or program that provides direct care to individuals that is owned or operated by the same entity that owns or operates the home health agency that requested the criminal records check;

4. The employment service that requested the criminal records check;

5. The director of health and the staff of the department of
health who monitor a home health agency's compliance with this section;

(6) The director of aging or the director's designee if either of the following apply:

(a) In the case of a criminal records check requested by a home health agency, the home health agency also is a community-based long-term care provider or community-based long-term care subcontractor;

(b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a community-based long-term care provider or community-based long-term care subcontractor.

(7) The medicaid director and the staff of the department of medicaid who are involved in the administration of the medicaid program if either of the following apply:

(a) In the case of a criminal records check requested by a home health agency, the home health agency also is a waiver agency;

(b) In the case of a criminal records check requested by an employment service, the employment service makes the request for an applicant or employee the employment service refers to a home health agency that also is a waiver agency.

(8) Any court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A denial of employment of the applicant or employee;

(b) Employment or unemployment benefits of the applicant or employee;

(c) A civil or criminal action regarding the medicaid program.
(I) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by an applicant or employee who a home health agency employs in a position that involves providing direct care to an individual, all of the following shall apply:

(1) If the home health agency employed the applicant or employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the agency shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the home health agency employed the applicant in good faith on a conditional basis pursuant to division (G) of this section, the agency shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the home health agency in good faith employed the applicant or employee according to the personal character standards established in rules adopted under this section, the agency shall not be found negligent solely because the applicant or employee had been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

When a birth occurs on a moving conveyance while in
international waters or air space or in a foreign country or its 
air space and the child is first removed from the conveyance in 
this state, the birth shall be registered in this state but the

as the director may require, a new birth record shall be issued by 
the department which shall have the same overall appearance as the 
record which would have been issued under this section if a
marriage had occurred before the birth of such child. Where handwriting is required to effect such appearance, the department shall supply it. Upon the issuance of such new birth record, the original birth record shall cease to be a public record. Except as provided in division (C) of section 3705.091 of the Revised Code, the original record and any documentary evidence supporting the new registration of birth shall be placed in an envelope which shall be sealed by the department and shall not be open to inspection or copy unless so ordered by a court of competent jurisdiction.

The department shall then promptly forward a copy of the new birth record to the local registrar of vital statistics of the district in which the birth occurred, and such local registrar shall file a copy of such new birth record along with and in the same manner as the other copies of birth records in such local registrar's possession. All copies of the original birth record in the possession of the local registrar or the probate court, as well as any and all index references to it, shall be destroyed. Such new birth record, as well as any certified or exact copy of it, when properly authenticated by a duly authorized person shall be prima-facie evidence in all courts and places of the facts stated in it.

(H) When a woman who is a legal resident of this state has given birth to a child in a foreign country that does not have a system of registration of vital statistics, a birth record may be filed in the office of vital statistics on evidence satisfactory to the director of health.

(I)(H) Every birth certificate filed under this section on or after July 1, 1990, shall be accompanied by all social security numbers that have been issued to the parents of the child, unless the division of child support in the department of job and family services, acting in accordance with regulations prescribed under
the "Family Support Act of 1988," 102 Stat. 2353, 42 U.S.C.A. 405, as amended, finds good cause for not requiring that the numbers be furnished with the certificate. The parents' social security numbers shall not be recorded on the certificate. The local registrar of vital statistics shall transmit the social security numbers to the state office of vital statistics in accordance with section 3705.07 of the Revised Code. No social security number obtained under this division shall be used for any purpose other than child support enforcement.

Sec. 3705.10. Any birth certificate submitted for filing eleven or more days after the birth occurred constitutes a delayed birth registration. A delayed birth certificate may be filed in accordance with rules which shall be adopted by the director of health. The rules shall include, but not be limited to, all of the following requirements for each delayed birth certificate filed on or after July 1, 1990:

(A) The certificate shall be accompanied by all social security numbers that have been issued to the parents of the child, unless the division of child support in the department of job and family services, acting in accordance with regulations prescribed under the "Family Support Act of 1988," 102 Stat. 2353, 42 U.S.C.A. 405, as amended, finds good cause for not requiring that the numbers be furnished with the certificate.

(B) The parents' social security numbers shall not be recorded on the certificate.

(C) The local registrar of vital statistics shall transmit the social security numbers to the state office of vital statistics in accordance with section 3705.07 of the Revised Code.

(D) No social security number obtained under this section shall be used for any purpose other than child support enforcement.
Sec. 3706.05. The Ohio air quality development authority may at any time issue revenue bonds and notes of the state in such principal amount as, in the opinion of the authority, are necessary for the purpose of paying any part of the cost of one or more air quality projects or parts thereof, including one or more payments pursuant to a commodity contract entered into in connection with the acquisition or construction of air quality facilities. The authority may at any time issue renewal notes, issue bonds to pay such notes and whenever it deems refunding expedient, refund any bonds by the issuance of air quality revenue refunding bonds of the state, whether the bonds to be refunded have or have not matured, and issue bonds partly to refund bonds then outstanding, and partly for any other authorized purpose. The refunding bonds shall be sold and the proceeds applied to the purchase, redemption, or payment of the bonds to be refunded. Except as may otherwise be expressly provided by the authority, every issue of its bonds or notes shall be general obligations of the authority payable solely out of the revenues of the authority that are pledged for such payment, without preference or priority of the first bonds issued, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues. Such pledge shall be valid and binding from the time the pledge is made and the revenues so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority.

Whether or not the bonds or notes are of such form and
character as to be negotiable instruments, the bonds or notes shall have all the qualities and incidents of negotiable instruments, subject only to the provisions of the bonds or notes for registration.

The bonds and notes shall be authorized by resolution of the authority, shall bear such date or dates, and shall mature at such time or times, in the case of any such note or any renewals thereof not exceeding five years from the date of issue of such original note and in the case of any such bond not exceeding forty years from the date of issue, as such resolution or resolutions may provide. The bonds and notes shall bear interest at such rate or rates, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption as the authority may authorize. The bonds and notes of the authority may be sold by the authority, at public or private sale, at or at not less than such price or prices as the authority determines. The bonds and notes shall be executed by the chairperson and vice-chairperson of the authority, either or both of whom may use a facsimile signature, the official seal of the authority or a facsimile thereof shall be affixed thereto or printed thereon and attested, manually or by facsimile signature, by the secretary-treasurer of the authority, and any coupons attached thereto shall bear the signature or facsimile signature of the chairperson of the authority. In case any officer whose signature, or a facsimile of whose signature, appears on any bonds, notes or coupons ceases to be such officer before delivery of bonds or notes, such signature or facsimile shall nevertheless be sufficient for all purposes the same as if the officer had remained in office until such delivery, and in case the seal of the authority has been changed after a facsimile has been imprinted on such bonds or notes, such facsimile seal will continue to be sufficient for all purposes.
Any resolution or resolutions authorizing any bonds or notes or any issue thereof may contain provisions, subject to such agreements with bondholders or noteholders as may then exist, which provisions shall be a part of the contract with the holders thereof, as to: the pledging of all or any part of the revenues of the authority to secure the payment of the bonds or notes or of any issue thereof; the use and disposition of revenues of the authority; a covenant to fix, alter, and collect rentals and other charges so that pledged revenues will be sufficient to pay costs of operation, maintenance, and repairs, pay principal of and interest on bonds or notes secured by the pledge of such revenues, and provide such reserves as may be required by the applicable resolution or trust agreement; the setting aside of reserve funds, sinking funds, or replacement and improvement funds and the regulation and disposition thereof; the crediting of the proceeds of the sale of bonds or notes to and among the funds referred to or provided for in the resolution authorizing the issuance of the bonds or notes; the use, lease, sale, or other disposition of any air quality project or any other assets of the authority; limitations on the purpose to which the proceeds of sale of bonds or notes may be applied and the pledging of such proceeds to secure the payment of the bonds or notes or of any issue thereof; as to notes issued in anticipation of the issuance of bonds, the agreement of the authority to do all things necessary for the authorization, issuance, and sale of such bonds in such amounts as may be necessary for the timely retirement of such notes; limitations on the issuance of additional bonds or notes; the terms upon which additional bonds or notes may be issued and secured; the refunding of outstanding bonds or notes; the procedure, if any, by which the terms of any contract with bondholders or noteholders may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which such consent may be given; limitations on the
amount of moneys to be expended by the authority for operating, administrative, or other expenses of the authority; securing any bonds or notes by a trust agreement in accordance with section 3706.07 of the Revised Code; any other matters, of like or different character, that in any way affect the security or protection of the bonds or notes.

Neither the members of the authority nor any person executing the bonds or notes shall be liable personally on the bonds or notes or be subject to any personal liability or accountability by reason of the issuance thereof.

Sec. 3706.27. (A) There is hereby created in the state treasury the advanced energy research and development fund to provide grants for advanced energy projects. There is hereby created in the state treasury the advanced energy research and development taxable fund to provide loans for advanced energy projects.

(B)(1) The advanced energy research and development fund and the advanced energy research and development taxable fund shall consist of the proceeds of obligations that were issued prior to the effective date of this amendment under section 166.08 of the Revised Code. Money shall be credited to the respective funds in the proportion that the executive director of the Ohio air quality development authority, with the affirmative vote of a majority of the members of the authority, determines appropriate.

(2) Any investment earnings from the money in the advanced energy research and development fund and in the advanced energy research and development taxable fund shall be credited to those funds, respectively. Any repayment of loans made from money in the advanced energy research and development taxable fund shall be credited to the alternative fuel transportation fund created in section 122.075 of the Revised Code.
(C) The director of budget and management shall establish and maintain records or accounts for or within these funds in such a manner as to show the amounts credited to the funds pursuant to section 166.08 of the Revised Code and that the amounts so credited have been expended for the purposes set forth in Section 2p or 13 of Article VIII, Ohio Constitution, and sections 166.08 and 166.30 of the Revised Code and former section 3706.26 of the Revised Code.

Sec. 3709.29. (A) If the estimated amount of money necessary to meet the expenses of a general health district program, other than one formed under section 3709.10 of the Revised Code, will not be forthcoming to the district board of health of such district out of the district health fund because the taxes within the ten-mill limitation will be insufficient, the board of health shall certify the fact of such insufficiency to the board of county commissioners of the county in which such the district is located. Such board of county commissioners is hereby ordained to be, which shall proceed as provided in division (B) of this section. In the case of a general health district formed under section 3709.10 of the Revised Code, the board of health may adopt a resolution as provided under section 5705.191 of the Revised Code in its capacity as a taxing authority under that section.

(B) A board of county commissioners to which a certification is made by a board of health under division (A) of this section is a special taxing authority for the purposes of this section only, and, notwithstanding any other law to the contrary, the board of county commissioners of any county in which a general health district is located is the taxing authority for such special levy outside the ten-mill limitation. The board of county commissioners shall thereupon, in the year preceding that in which such the health program will be effective, the board, by vote of two-thirds of all the its members of that body, shall declare by resolution
that the amount of taxes which may be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the necessary requirements of such the district within the county, and that it is necessary to levy a tax in excess of such that limitation in order to provide the board of health with sufficient funds to carry out such the health program. Such The resolution shall be filed with the board of elections not later than four p.m. of the ninetieth day before the day of the election.

Such The resolution shall specify the amount of increase in rate which it is necessary to levy and the number of years during which such the increase shall be in effect, which shall not be for a longer period than ten years.

The resolution shall conform to section 5705.191 of the Revised Code and be certified and submitted in the manner provided in section 5705.25 of the Revised Code, provided that the proposal shall be placed on the ballot at the next primary or general election occurring more than ninety days after the resolution is filed with the board of elections.

(1) The statement required by section 3721.23 of the Revised Code detailing findings by the director under that section regarding alleged abuse, neglect, or exploitation of a resident or misappropriation of resident property;

(2) Any statement provided by an individual under section 3721.23 of the Revised Code disputing the director's findings.

Whenever an inquiry is received as to the information contained in the registry concerning an individual about whom a statement required by section 3721.23 of the Revised Code is included in the registry, the director shall disclose the statement or a summary of the statement together with any statement provided by the individual under section 3721.23 or a clear and accurate summary of that statement.
(C) The director may by rule specify additional information that must be provided to the registry by long-term care facilities and persons or government agencies conducting approved competency evaluation programs and training and competency evaluation programs.

(D) Information contained in the registry is a public record for the purposes of section 149.43 of the Revised Code, and is subject to inspection and copying under section 1347.08 of the Revised Code.

**Sec. 3727.45.** The director of health may apply to the court of common pleas of the county in which a hospital is located for a temporary or permanent injunction restraining the hospital from failure to comply with sections 3727.33, 3727.34, and section 3727.42 of the Revised Code.

**Sec. 3734.02.** (A) The director of environmental protection, in accordance with Chapter 119. of the Revised Code, shall adopt and may amend, suspend, or rescind rules having uniform application throughout the state governing solid waste facilities and the inspections of and issuance of permits and licenses for all solid waste facilities in order to ensure that the facilities will be located, maintained, and operated, and will undergo closure and post-closure care, in a sanitary manner so as not to create a nuisance, cause or contribute to water pollution, create a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 257.3-8, as amended. The rules may include, without limitation, financial assurance requirements for closure and post-closure care and corrective action and requirements for taking corrective action in the event of the surface or subsurface discharge or migration of explosive gases or leachate from a solid waste facility, or of ground water contamination resulting from the transfer or disposal of solid wastes at a facility, beyond the
boundaries of any area within a facility that is operating or is undergoing closure or post-closure care where solid wastes were disposed of or are being disposed of. The rules shall not concern or relate to personnel policies, salaries, wages, fringe benefits, or other conditions of employment of employees of persons owning or operating solid waste facilities. The director, in accordance with Chapter 119. of the Revised Code, shall adopt and may amend, suspend, or rescind rules governing the issuance, modification, revocation, suspension, or denial of variances from the director's solid waste rules, including, without limitation, rules adopted under this chapter governing the management of scrap tires.

Variances shall be issued, modified, revoked, suspended, or rescinded in accordance with this division, rules adopted under it, and Chapter 3745. of the Revised Code. The director may order the person to whom a variance is issued to take such action within such time as the director may determine to be appropriate and reasonable to prevent the creation of a nuisance or a hazard to the public health or safety or the environment. Applications for variances shall contain such detail plans, specifications, and information regarding objectives, procedures, controls, and other pertinent data as the director may require. The director shall grant a variance only if the applicant demonstrates to the director's satisfaction that construction and operation of the solid waste facility in the manner allowed by the variance and any terms or conditions imposed as part of the variance will not create a nuisance or a hazard to the public health or safety or the environment. In granting any variance, the director shall state the specific provision or provisions whose terms are to be varied and also shall state specific terms or conditions imposed upon the applicant in place of the provision or provisions.

The director may hold a public hearing on an application for a variance or renewal of a variance at a location in the county...
where the operations that are the subject of the application for
the variance are conducted. The director shall give not less than
twenty days' notice of the hearing to the applicant by certified
mail or by another type of mail accompanied by a receipt and shall
publish at least one notice of the hearing in a newspaper with
general circulation in the county where the hearing is to be held.
The director shall make available for public inspection at the
principal office of the environmental protection agency a current
list of pending applications for variances and a current schedule
of pending variance hearings. The director shall make a complete
stenographic record of testimony and other evidence submitted at
the hearing.

Within ten days after the hearing, the director shall make a
written determination to issue, renew, or deny the variance and
shall enter the determination and the basis for it into the record
of the hearing. The director shall issue, renew, or deny an
application for a variance or renewal of a variance within six
months of the date upon which the director receives a complete
application with all pertinent information and data required. No
variance shall be issued, revoked, modified, or denied until the
director has considered the relative interests of the applicant,
other persons and property affected by the variance, and the
general public. Any variance granted under this division shall be
for a period specified by the director and may be renewed from
time to time on such terms and for such periods as the director
determines to be appropriate. No application shall be denied and
no variance shall be revoked or modified without a written order
stating the findings upon which the denial, revocation, or
modification is based. A copy of the order shall be sent to the
applicant or variance holder by certified mail or by another type
of mail accompanied by a receipt.

(B) The director shall prescribe and furnish the forms
necessary to administer and enforce this chapter. The director may cooperate with and enter into agreements with other state, local, or federal agencies to carry out the purposes of this chapter. The director may exercise all incidental powers necessary to carry out the purposes of this chapter.

(C) Except as provided in this division and divisions (N)(2) and (3) of this section, no person shall establish a new solid waste facility or infectious waste treatment facility, or modify an existing solid waste facility or infectious waste treatment facility, without submitting an application for a permit with accompanying detail plans, specifications, and information regarding the facility and method of operation and receiving a permit issued by the director, except that no permit shall be required under this division to install or operate a solid waste facility for sewage sludge treatment or disposal when the treatment or disposal is authorized by a current permit issued under Chapter 3704. or 6111. of the Revised Code.

No person shall continue to operate a solid waste facility for which the director has denied a permit for which an application was required under division (A)(3) of section 3734.05 of the Revised Code, or for which the director has disapproved plans and specifications required to be filed by an order issued under division (A)(5)(3) of that section 3734.05 of the Revised Code, after the date prescribed for commencement of closure of the facility in the order issued under division (A)(6)(4) of that section 3734.05 of the Revised Code denying the permit application or approval.

On and after the effective date of the rules adopted under division (A) of this section and division (D) of section 3734.12 of the Revised Code governing solid waste transfer facilities, no person shall establish a new, or modify an existing, solid waste transfer facility without first submitting an application for a
permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation to the director and receiving a permit issued by the director.

No person shall establish a new compost facility or continue to operate an existing compost facility that accepts exclusively source separated yard wastes without submitting a completed registration for the facility to the director in accordance with rules adopted under divisions (A) and (N)(3) of this section.

This division does not apply to a generator of infectious wastes that does any of the following:

1. Treats, by methods, techniques, and practices established by rules adopted under division (B)(2)(a) of section 3734.021 of the Revised Code, any of the following:
   a. Infectious wastes that are generated on any premises that are owned or operated by the generator;
   b. Infectious wastes that are generated by a generator who has staff privileges at a hospital as defined in section 3727.01 of the Revised Code;
   c. Infectious wastes that are generated in providing care to a patient by an emergency medical services organization as defined in section 4765.01 of the Revised Code.

2. Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;

3. Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:
   b. Chapter 918. of the Revised Code;
   c. Chapter 953. of the Revised Code.
(D) Neither this chapter nor any rules adopted under it apply to single-family residential premises; to infectious wastes generated by individuals for purposes of their own care or treatment; to the temporary storage of solid wastes, other than scrap tires, prior to their collection for disposal; to the storage of one hundred or fewer scrap tires unless they are stored in such a manner that, in the judgment of the director or the board of health of the health district in which the scrap tires are stored, the storage causes a nuisance, a hazard to public health or safety, or a fire hazard; or to the collection of solid wastes, other than scrap tires, by a political subdivision or a person holding a franchise or license from a political subdivision of the state; to composting, as defined in section 1511.01 of the Revised Code, conducted in accordance with section 1511.022 of the Revised Code; or to any person who is licensed to transport raw rendering material to a compost facility pursuant to section 953.23 of the Revised Code.

(E)(1) As used in this division:

(a) "On-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated on the premises of the facility.

(b) "Off-site facility" means a facility that stores, treats, or disposes of hazardous waste that is generated off the premises of the facility and includes such a facility that is also an on-site facility.

(c) "Satellite facility" means any of the following:

(i) An on-site facility that also receives hazardous waste from other premises owned by the same person who generates the waste on the facility premises;

(ii) An off-site facility operated so that all of the hazardous waste it receives is generated on one or more premises.
owned by the person who owns the facility;

(iii) An on-site facility that also receives hazardous waste that is transported uninterruptedly and directly to the facility through a pipeline from a generator who is not the owner of the facility.

(2) Except as provided in division (E)(3) of this section, no person shall establish or operate a hazardous waste facility, or use a solid waste facility for the storage, treatment, or disposal of any hazardous waste, without a hazardous waste facility installation and operation permit issued in accordance with section 3734.05 of the Revised Code and subject to the payment of an application fee not to exceed one thousand five hundred dollars, payable upon application for a hazardous waste facility installation and operation permit and upon application for a renewal permit issued under division (H) of section 3734.05 of the Revised Code, to be credited to the hazardous waste facility management fund created in section 3734.18 of the Revised Code. The term of a hazardous waste facility installation and operation permit shall not exceed ten years.

In addition to the application fee, there is hereby levied an annual permit fee to be paid by the permit holder upon the anniversaries of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits and to be credited to the hazardous waste facility management fund. Annual permit fees totaling forty thousand dollars or more for any one facility may be paid on a quarterly basis with the first quarterly payment each year being due on the anniversary of the date of issuance of the hazardous waste facility installation and operation permit and of any subsequent renewal permits. The annual permit fee shall be determined for each permit holder by the director in accordance with the following schedule:

A hazardous waste disposal facility that disposes of hazardous waste by deep well injection and that pays the annual permit fee established in section 6111.046 of the Revised Code is
not subject to the permit fee established in this division for disposal facilities using deep well injection unless the director determines that the facility is not in compliance with applicable requirements established under this chapter and rules adopted under it.

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment of a part of the appropriate fee indicated by the schedule that bears the same relationship to the total fee that the number of days remaining until the next anniversary date at which payment of the annual permit fee is due bears to three hundred sixty-five.

The director, by rules adopted in accordance with Chapters 119. and 3745. of the Revised Code, shall prescribe procedures for collecting the annual permit fee established by this division and may prescribe other requirements necessary to carry out this division.

(3) The prohibition against establishing or operating a hazardous waste facility without a hazardous waste facility installation and operation permit does not apply to either of the following:

(a) A facility that is operating in accordance with a permit
renewal issued under division (H) of section 3734.05 of the Revised Code, a revision issued under division (I) of that section as it existed prior to August 20, 1996, or a modification issued by the director under division (I) of that section on and after August 20, 1996;

(b) Except as provided in division (J) of section 3734.05 of the Revised Code, a facility that will operate or is operating in accordance with a permit by rule, or that is not subject to permit requirements, under rules adopted by the director. In accordance with Chapter 119. of the Revised Code, the director shall adopt, and subsequently may amend, suspend, or rescind, rules for the purposes of division (E)(3)(b) of this section. Any rules so adopted shall be consistent with and equivalent to regulations pertaining to interim status adopted under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

If a modification is requested or proposed for a facility described in division (E)(3)(a) or (b) of this section, division (I)(7) of section 3734.05 of the Revised Code applies.

(F) No person shall store, treat, or dispose of hazardous waste identified or listed under this chapter and rules adopted under it, regardless of whether generated on or off the premises where the waste is stored, treated, or disposed of, or transport or cause to be transported any hazardous waste identified or listed under this chapter and rules adopted under it to any other premises, except at or to any of the following:

(1) A hazardous waste facility operating under a permit issued in accordance with this chapter;

(2) A facility in another state operating under a license or permit issued in accordance with the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as
amended;

(3) A facility in another nation operating in accordance with the laws of that nation;

(5) A hazardous waste facility as described in division (E)(3)(a) or (b) of this section.

(G) The director, by order, may exempt any person generating, collecting, storing, treating, disposing of, or transporting solid wastes, infectious wastes, or hazardous waste, or processing solid wastes that consist of scrap tires, in such quantities or under such circumstances that, in the determination of the director, are unlikely to adversely affect the public health or safety or the environment from any requirement to obtain a registration certificate, permit, or license or comply with the manifest system or other requirements of this chapter. Such an exemption shall be consistent with and equivalent to any regulations adopted by the administrator of the United States environmental protection agency under the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise provided in this chapter.

(H) No person shall engage in filling, grading, excavating, building, drilling, or mining on land where a hazardous waste facility, or a solid waste facility, was operated without prior authorization from the director, who shall establish the procedure for granting such authorization by rules adopted in accordance with Chapter 119. of the Revised Code.

A public utility that has main or distribution lines above or below the land surface located on an easement or right-of-way across land where a solid waste facility was operated may engage
in any such activity within the easement or right-of-way without prior authorization from the director for purposes of performing emergency repair or emergency replacement of its lines; of the poles, towers, foundations, or other structures supporting or sustaining any such lines; or of the appurtenances to those structures, necessary to restore or maintain existing public utility service. A public utility may enter upon any such easement or right-of-way without prior authorization from the director for purposes of performing necessary or routine maintenance of those portions of its existing lines; of the existing poles, towers, foundations, or other structures sustaining or supporting its lines; or of the appurtenances to any such supporting or sustaining structure, located on or above the land surface on any such easement or right-of-way. Within twenty-four hours after commencing any such emergency repair, replacement, or maintenance work, the public utility shall notify the director or the director's authorized representative of those activities and shall provide such information regarding those activities as the director or the director's representative may request. Upon completion of the emergency repair, replacement, or maintenance activities, the public utility shall restore any land of the solid waste facility disturbed by those activities to the condition existing prior to the commencement of those activities.

(I) No owner or operator of a hazardous waste facility, in the operation of the facility, shall cause, permit, or allow the emission therefrom of any particulate matter, dust, fumes, gas, mist, smoke, vapor, or odorous substance that, in the opinion of the director, unreasonably interferes with the comfortable enjoyment of life or property by persons living or working in the vicinity of the facility, or that is injurious to public health. Any such action is hereby declared to be a public nuisance.

(J) Notwithstanding any other provision of this chapter, in
the event the director finds an imminent and substantial danger to public health or safety or the environment that creates an emergency situation requiring the immediate treatment, storage, or disposal of hazardous waste, the director may issue a temporary emergency permit to allow the treatment, storage, or disposal of the hazardous waste at a facility that is not otherwise authorized by a hazardous waste facility installation and operation permit to treat, store, or dispose of the waste. The emergency permit shall not exceed ninety days in duration and shall not be renewed. The director shall adopt, and may amend, suspend, or rescind, rules in accordance with Chapter 119. of the Revised Code governing the issuance, modification, revocation, and denial of emergency permits.

(K) Except for infectious wastes generated by a person who produces fewer than fifty pounds of infectious wastes at a premises during any one month, no owner or operator of a sanitary landfill shall knowingly accept for disposal, or dispose of, any infectious wastes that have not been treated to render them noninfectious.

(L) The director, in accordance with Chapter 119. of the Revised Code, shall adopt, and may amend, suspend, or rescind, rules having uniform application throughout the state establishing a training and certification program that shall be required for employees of boards of health who are responsible for enforcing the solid waste and infectious waste provisions of this chapter and rules adopted under them and for persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities. The rules shall provide all of the following, without limitation:

1. The program shall be administered by the director and shall consist of a course on new solid waste and infectious waste technologies, enforcement procedures, and rules;
(2) The course shall be offered on an annual basis;

(3) Those persons who are required to take the course under division (L) of this section shall do so triennially;

(4) Persons who successfully complete the course shall be certified by the director;

(5) Certification shall be required for all employees of boards of health who are responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and for all persons who are responsible for the operation of solid waste facilities or infectious waste treatment facilities;

(6)(a) All employees of a board of health who, on the effective date of the rules adopted under this division, are responsible for enforcing the solid waste or infectious waste provisions of this chapter and the rules adopted under them shall complete the course and be certified by the director not later than January 1, 1995;

(b) All employees of a board of health who, after the effective date of the rules adopted under division (L) of this section, become responsible for enforcing the solid waste or infectious waste provisions of this chapter and rules adopted under them and who do not hold a current and valid certification from the director at that time shall complete the course and be certified by the director within two years after becoming responsible for performing those activities.

No person shall fail to obtain the certification required under this division.

(M) The director shall not issue a permit under section 3734.05 of the Revised Code to establish a solid waste facility, or to modify a solid waste facility operating on December 21, 1988, in a manner that expands the disposal capacity or geographic
area covered by the facility, that is or is to be located within
the boundaries of a state park established or dedicated under
Chapter 1546. of the Revised Code, a state park purchase area
established under section 1546.06 of the Revised Code, any unit of
the national park system, or any property that lies within the
boundaries of a national park or recreation area, but that has not
been acquired or is not administered by the secretary of the
United States department of the interior, located in this state,
or any candidate area located in this state and identified for
potential inclusion in the national park system in the edition of
the "national park system plan" submitted under paragraph (b) of
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16
U.S.C.A. 1a-5, as amended, current at the time of filing of the
application for the permit, unless the facility or proposed
facility is or is to be used exclusively for the disposal of solid
wastes generated within the park or recreation area and the
director determines that the facility or proposed facility will
not degrade any of the natural or cultural resources of the park
or recreation area. The director shall not issue a variance under
division (A) of this section and rules adopted under it, or issue
an exemption order under division (G) of this section, that would
authorize any such establishment or expansion of a solid waste
facility within the boundaries of any such park or recreation
area, state park purchase area, or candidate area, other than a
solid waste facility exclusively for the disposal of solid wastes
generated within the park or recreation area when the director
determines that the facility will not degrade any of the natural
or cultural resources of the park or recreation area.

(N)(1) The rules adopted under division (A) of this section,
other than those governing variances, do not apply to scrap tire
collection, storage, monocell, monofill, and recovery facilities.
Those facilities are subject to and governed by rules adopted
under sections 3734.70 to 3734.73 of the Revised Code, as
applicable.

(2) Division (C) of this section does not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. The establishment and modification of those facilities are subject to sections 3734.75 to 3734.78 and section 3734.81 of the Revised Code, as applicable.

(3) The director may adopt, amend, suspend, or rescind rules under division (A) of this section creating an alternative system for authorizing the establishment, operation, or modification of a solid waste compost facility in lieu of the requirement that a person seeking to establish, operate, or modify a solid waste compost facility apply for and receive a permit under division (C) of this section and section 3734.05 of the Revised Code and a license under division (A)(1) of that section. The rules may include requirements governing, without limitation, the classification of solid waste compost facilities, the submittal of operating records for solid waste compost facilities, and the creation of a registration or notification system in lieu of the issuance of permits and licenses for solid waste compost facilities. The rules shall specify the applicability of divisions (A)(1) and (2)(a), (3), and (4) of section 3734.05 of the Revised Code to a solid waste compost facility.

(O)(1) As used in this division, "secondary aluminum waste" means waste material or byproducts, when disposed of, containing aluminum generated from secondary aluminum smelting operations and consisting of dross, salt cake, baghouse dust associated with aluminum recycling furnace operations, or dry-milled wastes.

(2) The owner or operator of a sanitary landfill shall not dispose of municipal solid waste that has been commingled with secondary aluminum waste.

(3) The owner or operator of a sanitary landfill may dispose
of secondary aluminum waste, but only in a monocell or monofill that has been permitted for that purpose in accordance with this chapter and rules adopted under it.

(P)(1) As used in divisions (P) and (Q) of this section:

(a) "Natural background" means two picocuries per gram or the actual number of picocuries per gram as measured at an individual solid waste facility, subject to verification by the director of health.

(b) "Drilling operation" includes a production operation as defined in section 1509.01 of the Revised Code.

(2) The owner or operator of a solid waste facility shall not accept for transfer or disposal technologically enhanced naturally occurring radioactive material if that material contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(3) The owner or operator of a solid waste facility may receive and process for purposes other than transfer or disposal technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background, provided that the owner or operator has obtained and maintains all other necessary authorizations, including any authorization required by rules adopted by the director of health under section 3748.04 of the Revised Code.

(4) The director of environmental protection may adopt rules in accordance with Chapter 119. of the Revised Code governing the receipt, acceptance, processing, handling, management, and disposal by solid waste facilities of material that contains or is contaminated with radioactive material, including, without
limitation, technologically enhanced naturally occurring radioactive material that contains or is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations less than five picocuries per gram above natural background. Rules adopted by the director may include at a minimum both of the following:

(a) Requirements in accordance with which the owner or operator of a solid waste facility must monitor leachate and ground water for radium-226, radium-228, and other radionuclides;

(b) Requirements in accordance with which the owner or operator of a solid waste facility must develop procedures to ensure that technologically enhanced naturally occurring radioactive material accepted at the facility neither contains nor is contaminated with radium-226, radium-228, or any combination of radium-226 and radium-228 at concentrations equal to or greater than five picocuries per gram above natural background.

(Q) Notwithstanding any other provision of this section, the owner or operator of a solid waste facility shall not receive, accept, process, handle, manage, or dispose of technologically enhanced naturally occurring radioactive material associated with drilling operations without first obtaining representative analytical results to determine compliance with divisions (P)(2) and (3) of this section and rules adopted under it.

**Sec. 3734.041.** (A) The owner or operator holding a license issued under division (A) of section 3734.05 of the Revised Code for a sanitary landfill that is so situated that a residence or other occupied structure off the premises of the landfill is located within one thousand feet horizontal distance from the exterior boundary of the landfill, and the owner or operator of any closed landfill that is so situated and for which a license was issued under division (A) of section 3734.05 of the Revised Code...
Code, or the subsequent owner, lessee, or other person who has control of the land on which the closed landfill is located, shall, within sixty days after the effective date of the rules adopted under division (F) of this section, submit an explosive gas monitoring plan for the landfill or closed landfill to the director of environmental protection for approval for compliance with those rules. After approval of the plan, the owner or operator of the landfill, or in the instance of a closed landfill, the owner or operator of the closed landfill, or the subsequent owner, lessee, or other person who has control of the land on which the closed landfill is located shall conduct monitoring of explosive gas levels at the landfill or closed landfill, and submit written reports of the results of the monitoring to the director and the board of health of the health district in which the landfill is located in accordance with the approved plan and the schedule for implementation contained in the approved plan.

No person shall violate or fail to perform a duty imposed by a plan approved under this section.

(B) Division (A) of this section does not apply to a sanitary landfill or closed sanitary landfill that exclusively disposes, or disposed, of solid wastes generated on the premises where the landfill or closed landfill is located; to a sanitary landfill or closed sanitary landfill that exclusively disposes, or disposed, of solid wastes generated on one or more premises owned by the person who owns the landfill or closed landfill; or to a sanitary landfill or closed sanitary landfill owned or operated by a person other than the generator of the wastes that exclusively disposes, or disposed, of nonputrescible solid wastes or nonputrescible wastes generated by a single generator at one or more premises owned by the generator.

(C) As used in this division and division (D) of this
section, "responsible party" includes the owner or operator of a solid waste disposal facility; any current or former owner of a closed solid waste disposal facility; any person who was responsible for the operations of a closed solid waste disposal facility; any lessee or other person who has control of the property on which a closed solid waste disposal facility is located; a receiver appointed pursuant to Chapter 2735. of the Revised Code with respect to a solid waste disposal facility or closed solid waste disposal facility; and a trustee in bankruptcy.

Notwithstanding division (B) of this section, if the director determines that, due to the types of wastes disposed of, the engineering design, the hydrogeological setting, the period of time since the commencement of operation, and the proximity of residential or other occupied structures located off the premises of the landfill a solid waste disposal facility to the exterior boundaries, or information related to concentrations of explosive gas at or surrounding a sanitary landfill licensed under division (A) of section 3734.05 of the Revised Code facility or closed sanitary landfill for which a license was issued under that division facility, the potential exists for the formation and subsurface migration of explosive gases in such quantities and under such conditions as to endanger threaten human health or safety or the environment, the director shall may issue to the owner or operator of the sanitary landfill, or, in the instance of a closed sanitary landfill, the owner or operator of the sanitary landfill, or the subsequent owner, lessee, or other person who has control of the property on which the closed landfill is located, any responsible party an order directing such owner the responsible party to prepare, obtain approval of, and implement an and submit a new or revised explosive gas monitoring and reporting plan, in accordance with division (A) of that complies with
division (A) of this section and provides for the adequate
evaluation of explosive gas generation at and migration from the
solid waste disposal facility or closed solid waste disposal facility. A plan so submitted shall be approved in accordance with division (A) of this section. After approval of the plan, the responsible party shall conduct monitoring of explosive gas levels at the facility or closed facility and submit written reports of the results of the monitoring in accordance with the plan approved under this section. For the purposes of this division and division (D) of this section, explosive gases shall be considered to endanger threaten human health or safety or the environment if concentrations of methane generated by the landfill a facility in landfill occupied structures, excluding gas control or recovery system components, exceed twenty-five per cent of the lower explosive limit or if concentrations of methane generated by the landfill facility at the landfill facility boundary exceed the lower explosive limit. As used in this division, "lower explosive limit" means the lowest per cent by volume of methane that will produce a flame in air at twenty-five degrees centigrade and atmospheric pressure.

(D) If a report submitted pursuant to a plan approved under division (A) of this section indicates that the formation of explosive gases at, and migration of explosive gases from, a sanitary landfill solid waste disposal facility or closed sanitary landfill solid waste disposal facility threatens human health or safety or the environment, the director or his authorized representative shall promptly may conduct an evaluation of the levels of explosive gases on the premises of the landfill facility and in occupied structures located in proximity to the boundaries of the landfill facility to determine whether the formation of explosive gases at, and migration of those gases from, the landfill facility or closed landfill facility constitutes such a threat. In addition, the director or the director's authorized representative, on their own initiative, may conduct an evaluation in accordance with division (G) of this section. Based upon the
findings of the evaluation, or of an evaluation conducted by
the director, or his authorized representative, on his own
initiative, the director shall may issue an order under division
(A) or (B) of section 3734.13 of the Revised Code, as the director
considers necessary or appropriate, directing the owner or
operator of the landfill, or, in the instance of a closed
landfill, the owner or operator of the landfill, or the subsequent
owner, lessee, or other person who has control of the land on
which the closed landfill is located, any responsible party to
perform such measures as the director considers necessary or
appropriate, to abate or minimize the formation of explosive gases
or their migration off the premises of the landfill facility, to
abate or remedy any conditions caused by the formation and
migration of such gases that endanger threaten human health or
safety or the environment and to take such actions as the director
finds necessary or appropriate to prevent recurrence of the
migration of explosive gases or decrease their concentration to
levels set forth in division (C) of this section.

After the issuance of an order under this division, the
director shall inspect the landfill at least once each week, or
facility at such other intervals as the director or his authorized representative of the director considers necessary or
appropriate, to ascertain compliance with the order until such
time as the director determines that full compliance with those
terms and conditions has been achieved.

If a report submitted pursuant to a plan approved under
division (A) of this section indicates that the formation of
explosive gases at, and migration of explosive gases from, a
landfill solid waste disposal facility that is subject to an order
issued under division (D) of this section has recurred in such
quantities or under such conditions as to threaten human health or
safety or the environment, or if the director determines from an
inspection of any such landfill facility that the owner or operator of the landfill, or, in the instance of a closed landfill, the owner or operator of the landfill, or the subsequent owner, lessee, or other person who has control of the land on which the closed landfill is located, responsible party has violated or is violating a term or condition of the order or that measures in addition to those prescribed by the order are necessary or appropriate under the circumstances, the director shall take such actions under division (A), (B), or (C) of section 3734.13 of the Revised Code as the director considers necessary or appropriate to protect human health or safety or the environment.

(E) The director shall conduct random inspections of licensed and closed sanitary landfills for explosive gas levels and to monitor the accuracy of the reports submitted pursuant to plans approved under division (A) of this section.

(F) The director shall adopt rules under Chapter 119. of the Revised Code prescribing standards for conducting the explosive gas monitoring required by division (A) of this section including, without limitation, standards governing the numbers, locations, and design and construction of monitoring wells; quality control procedures to be followed by persons conducting those evaluations to ensure the accuracy of the monitoring; the frequency for sampling the monitoring wells, which shall be at least quarterly, except as otherwise provided in this division; and the frequency of reporting monitoring results to the director and board of health. The rules shall require that, in the instance of closed sanitary landfills, explosive gas monitoring be conducted for the period of twenty years after closure or for such other period as the director considers necessary or appropriate. Such explosive gas monitoring shall be conducted quarterly during each of the five years immediately following closure of the landfills and
semiannually thereafter. If such semiannual sampling shows that the methane limits set in division (C) of this section are exceeded, sampling may be resumed at a frequency determined by the director.

(G) The director or the director's authorized representative may enter upon a solid waste disposal facility or a closed solid waste disposal facility to conduct an evaluation of the concentration of explosive gas generated at or migrating from the facility. The owner or operator of a solid waste disposal facility or closed solid waste disposal facility shall allow the director or representative to conduct such an evaluation of the facility, any structures within the boundary of the facility, and any occupied structures in close proximity to the boundary of the facility that are owned or controlled by the owner or operator.

(H) The remedy provided by division (D) of this section is cumulative and concurrent with any other remedy provided in this chapter or Chapter 3704. of the Revised Code, and the existence or exercise of one remedy does not prevent the exercise of any other.

Sec. 3734.05. (A)(1) Except as provided in divisions (A)(4), (6), and (7) of this section, no person shall operate or maintain a solid waste facility without a license issued under this division by the board of health of the health district in which the facility is located or by the director of environmental protection when the health district in which the facility is located is not on the approved list under section 3734.08 of the Revised Code.

During the month of December, but before the first day of January of the next year, every person proposing to continue to operate an existing solid waste facility shall procure a license under this division to operate the facility for that year from the board of health of the health district in which the facility is located.
located or, if the health district is not on the approved list under section 3734.08 of the Revised Code, from the director. The application for such a license shall be submitted to the board of health or to the director, as appropriate, on or before the last day of September of the year preceding that for which the license is sought. In addition to the application fee prescribed in division (A)(2) of this section, a person who submits an application after that date shall pay an additional ten per cent of the amount of the application fee for each week that the application is late. Late payment fees accompanying an application submitted to the board of health shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code, and late payment fees accompanying an application submitted to the director shall be credited to the general revenue fund. A person who has received a license, upon sale or disposition of a solid waste facility, and upon consent of the board of health and the director, may have the license transferred to another person. The board of health or the director may include such terms and conditions in a license or revision to a license as are appropriate to ensure compliance with this chapter and rules adopted under it. The terms and conditions may establish the authorized maximum daily waste receipts for the facility. Limitations on maximum daily waste receipts shall be specified in cubic yards of volume for the purpose of regulating the design, construction, and operation of solid waste facilities. Terms and conditions included in a license or revision to a license by a board of health shall be consistent with, and pertain only to the subjects addressed in, the rules adopted under division (A) of section 3734.02 and division (D) of section 3734.12 of the Revised Code.

(2)(a) Except as provided in divisions (A)(2)(b), (8)(6), and (9)(7) of this section, each person proposing to open a new solid waste facility or to modify an existing solid waste facility shall
submit an application for a permit with accompanying detail plans and specifications to the environmental protection agency for required approval under the rules adopted by the director pursuant to division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code at least two hundred seventy days before proposed operation of the facility and shall concurrently make application for the issuance of a license under division (A)(1) of this section with the board of health of the health district in which the proposed facility is to be located.

(b) On and after the effective date of the rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code governing solid waste transfer facilities, each person proposing to open a new solid waste transfer facility or to modify an existing solid waste transfer facility shall submit an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation to the environmental protection agency for required approval under those rules at least two hundred seventy days before commencing proposed operation of the facility and concurrently shall make application for the issuance of a license under division (A)(1) of this section with the board of health of the health district in which the facility is located or proposed.

(c) Each application for a permit under division (A)(2)(a) or (b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (A)(1) or (2) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised
Code, the application fee shall be credited to the special fund of the health district created in division (B) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (A)(1), (2), (3), (4), or (5) of section 3734.06 of the Revised Code.

(d) As used in divisions (A)(2)(d), (e), and (f) of this section, "modify" means any of the following:

(i) Any increase of more than ten per cent in the total capacity of a solid waste facility;

(ii) Any expansion of the limits of solid waste placement at a solid waste facility;

(iii) Any increase in the depth of excavation at a solid waste facility;

(iv) Any change in the technique of waste receipt or type of waste received at a solid waste facility that may endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code.

Not later than forty-five days after submitting an application under division (A)(2)(a) or (b) of this section for a permit to open a new or modify an existing solid waste facility, the applicant, in conjunction with an officer or employee of the environmental protection agency, shall hold a public meeting on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public meeting on the application, the applicant shall publish
notice of the meeting in each newspaper of general circulation that is published in the county in which the facility is or is proposed to be located. If no newspaper of general circulation is published in the county, the applicant shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public meeting and a general description of the proposed new or modified facility. Not later than five days after publishing the notice, the applicant shall send by certified mail a copy of the notice and the date the notice was published to the director and the legislative authority of each municipal corporation, township, and county, and to the chief executive officer of each municipal corporation, in which the facility is or is proposed to be located. At the public meeting, the applicant shall provide information and describe the application and respond to comments or questions concerning the application, and the officer or employee of the agency shall describe the permit application process. At the public meeting, any person may submit written or oral comments on or objections to the application. Not more than thirty days after the public meeting, the applicant shall provide the director with a copy of a transcript of the full meeting, copies of any exhibits, displays, or other materials presented by the applicant at the meeting, and the original copy of any written comments submitted at the meeting.

(e) Except as provided in division (A)(2)(f) of this section, prior to taking an action, other than a proposed or final denial, upon an application submitted under division (A)(2)(a) of this section for a permit to open a new or modify an existing solid waste facility, the director shall hold a public information session and a public hearing on the application within the county in which the new or modified solid waste facility is or is proposed to be located or within a contiguous county. If the application is for a permit to open a new solid waste facility,
the director shall hold the hearing not less than fourteen days
after the information session. If the application is for a permit
to modify an existing solid waste facility, the director may hold
both the information session and the hearing on the same day
unless any individual affected by the application requests in
writing that the information session and the hearing not be held
on the same day, in which case the director shall hold the hearing
not less than fourteen days after the information session. The
director shall publish notice of the public information session or
public hearing not less than thirty days before holding the
information session or hearing, as applicable. The notice shall be
published in each newspaper of general circulation that is
published in the county in which the facility is or is proposed to
be located. If no newspaper of general circulation is published in
the county, the director shall publish the notice in a newspaper
of general circulation in the county. The notice shall contain the
date, time, and location of the information session or hearing, as
applicable, and a general description of the proposed new or
modified facility. At the public information session, an officer
or employee of the environmental protection agency shall describe
the status of the permit application and be available to respond
to comments or questions concerning the application. At the public
hearing, any person may submit written or oral comments on or
objections to the approval of the application. The applicant, or a
representative of the applicant who has knowledge of the location,
construction, and operation of the facility, shall attend the
information session and public hearing to respond to comments or
questions concerning the facility directed to the applicant or
representative by the officer or employee of the environmental
protection agency presiding at the information session and
hearing.

(f) The solid waste management policy committee of a county
or joint solid waste management district may adopt a resolution
requesting expeditious consideration of a specific application submitted under division (A)(2)(a) of this section for a permit to modify an existing solid waste facility within the district. The resolution shall make the finding that expedited consideration of the application without the public information session and public hearing under division (A)(2)(e) of this section is in the public interest and will not endanger human health, as determined by the director by rules adopted in accordance with Chapter 119. of the Revised Code. Upon receiving such a resolution, the director, at the director's discretion, may issue a final action upon the application without holding a public information session or public hearing pursuant to division (A)(2)(e) of this section.

(3) Except as provided in division (A)(10) of this section, and unless the owner or operator of any solid waste facility, other than a solid waste transfer facility or a compost facility that accepts exclusively source separated yard wastes, that commenced operation on or before July 1, 1968, has obtained an exemption from the requirements of division (A)(3) of this section in accordance with division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with accompanying engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under division (A) of section 3734.02 of the Revised Code and applicable rules adopted under division (D) of section 3734.12 of the Revised Code in accordance with the following schedule:

(a) Not later than September 24, 1988, if the facility is located in the city of Garfield Heights or Parma in Cuyahoga county;

(b) Not later than December 24, 1988, if the facility is located in Delaware, Greene, Guernsey, Hamilton, Madison, Mahoning, Ottawa, or Vinton county;
(c) Not later than March 24, 1989, if the facility is located in Champaign, Clinton, Columbiana, Huron, Paulding, Stark, or Washington county, or is located in the city of Brooklyn or Cuyahoga Heights in Cuyahoga county;

(d) Not later than June 24, 1989, if the facility is located in Adams, Auglaize, Coshocton, Darke, Harrison, Lorain, Lucas, or Summit county or is located in Cuyahoga county outside the cities of Garfield Heights, Parma, Brooklyn, and Cuyahoga Heights;

(e) Not later than September 24, 1989, if the facility is located in Butler, Carroll, Erie, Lake, Portage, Putnam, or Ross county;

(f) Not later than December 24, 1989, if the facility is located in a county not listed in divisions (A)(3)(a) to (e) of this section;

(g) Notwithstanding divisions (A)(3)(a) to (f) of this section, not later than December 31, 1990, if the facility is a solid waste facility owned by a generator of solid wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated and if the facility disposes of more than one hundred thousand tons of solid wastes per year, provided that any such facility shall be subject to division (A)(5) of this section.

(4) Except as provided in divisions (A)(8), (9), and (10) of this section, unless the owner or operator of any solid waste facility for which a permit was issued after July 1, 1968, but before January 1, 1980, has obtained an exemption from the requirements of division (A)(4) of this section under division (G) of section 3734.02 of the Revised Code, the owner or operator shall submit to the director an application for a permit with
accompanying engineering detail plans, specifications, and
information regarding the facility and its method of operation for
approval under those rules.

(5) The director may issue an order in accordance with
Chapter 3745. of the Revised Code to the owner or operator of a
solid waste facility requiring the person to submit to the
director updated engineering detail plans, specifications, and
information regarding the facility and its method of operation for
approval under rules adopted under division (A) of section 3734.02
of the Revised Code and applicable rules adopted under division
(D) of section 3734.12 of the Revised Code if, in the director's
judgment, conditions at the facility constitute a substantial
threat to public health or safety or are causing or contributing
to or threatening to cause or contribute to air or water pollution
or soil contamination. Any person who receives such an order shall
submit the updated engineering detail plans, specifications, and
information to the director within one hundred eighty days after
the effective date of the order.

(6) The director shall act upon an application submitted
under division (A)(3) or (4) of this section and any updated
engineering plans, specifications, and information submitted under
division (A)(5)(3) of this section within one hundred eighty days
after receiving them. If the director denies any such permit
application, the issues an order denying the application or
disapproving the plans, specifications, and information submitted
under division (A)(3) of this section, the order shall include all
of the following requirements that:

(a) That the owner or operator submit a plan for closure and
post-closure care of the facility to the director for approval
within six months after issuance of the order

(b) That the owner or operator cease accepting solid wastes
for disposal or transfer at the facility
(c) The owner or operator commence closure of the facility not later than one year after issuance of the order. If the director determines that closure of the facility within that one-year period would result in the unavailability of sufficient solid waste management facility capacity within the county or joint solid waste management district in which the facility is located to dispose of or transfer the solid waste generated within the district, the director in the order of denial or disapproval may postpone commencement of closure of the facility for such period of time as the director finds necessary for the board of county commissioners or directors of the district to secure access to or for there to be constructed within the district sufficient solid waste management facility capacity to meet the needs of the district, provided that the director shall certify in the director's order that postponing the date for commencement of closure will not endanger ground water or any property surrounding the facility, allow methane gas migration to occur, or cause or contribute to any other type of environmental damage.

If an emergency need for disposal capacity that may affect public health and safety exists as a result of closure of a facility under division (A)(4) of this section, the director may issue an order designating another solid waste facility to accept the wastes that would have been disposed of at the facility to be closed.

(5) If the director determines that standards more stringent than those applicable in rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code, or standards pertaining to subjects not specifically addressed by those rules, are necessary to ensure that a solid waste facility constructed at the proposed location will not cause a nuisance, cause or contribute to water
pollution, or endanger public health or safety, the director may issue a permit for the facility with such terms and conditions as the director finds necessary to protect public health and safety and the environment. If a permit is issued, the director shall state in the order issuing it the specific findings supporting each such term or condition.

(8) Divisions (A)(1) and (2)(a), (3), and (4) of this section do not apply to a solid waste compost facility that accepts exclusively source separated yard wastes and that is registered under division (C) of section 3734.02 of the Revised Code or, unless otherwise provided in rules adopted under division (N)(3) of section 3734.02 of the Revised Code, to a solid waste compost facility if the director has adopted rules establishing an alternative system for authorizing the establishment, operation, or modification of a solid waste compost facility under that division.

(9) Divisions (A)(1) to (7)(5) of this section do not apply to scrap tire collection, storage, monocell, monofill, and recovery facilities. The approval of plans and specifications, as applicable, and the issuance of registration certificates, permits, and licenses for those facilities are subject to sections 3734.75 to 3734.78 of the Revised Code, as applicable, and section 3734.81 of the Revised Code.

(10) Divisions (A)(3) and (4) of this section do not apply to a solid waste incinerator that was placed into operation on or before October 12, 1994, and that is not authorized to accept and treat infectious wastes pursuant to division (B) of this section.

(B)(1) No person shall operate or maintain an infectious waste treatment facility without a license issued by the board of health of the health district in which the facility is located or by the director when the health district in which the facility is located is not on the approved list under section 3734.08 of the
Revised Code.

(2)(a) During the month of December, but before the first day of January of the next year, every person proposing to continue to operate an existing infectious waste treatment facility shall procure a license to operate the facility for that year from the board of health of the health district in which the facility is located or, if the health district is not on the approved list under section 3734.08 of the Revised Code, from the director. The application for such a license shall be submitted to the board of health or to the director, as appropriate, on or before the last day of September of the year preceding that for which the license is sought. In addition to the application fee prescribed in division (B)(2)(c) of this section, a person who submits an application after that date shall pay an additional ten per cent of the amount of the application fee for each week that the application is late. Late payment fees accompanying an application submitted to the board of health shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code, and late payment fees accompanying an application submitted to the director shall be credited to the general revenue fund. A person who has received a license, upon sale or disposition of an infectious waste treatment facility and upon consent of the board of health and the director, may have the license transferred to another person. The board of health or the director may include such terms and conditions in a license or revision to a license as are appropriate to ensure compliance with the infectious waste provisions of this chapter and rules adopted under them.

(b) Each person proposing to open a new infectious waste treatment facility or to modify an existing infectious waste treatment facility shall submit an application for a permit with accompanying detail plans and specifications to the environmental
protection agency for required approval under the rules adopted by
the director pursuant to section 3734.021 of the Revised Code two
hundred seventy days before proposed operation of the facility and
concurrently shall make application for a license with the board
of health of the health district in which the facility is or is
proposed to be located. Not later than ninety days after receiving
a complete application under division (B)(2)(b) of this section
for a permit to open a new infectious waste treatment facility or
modify an existing infectious waste treatment facility to expand
its treatment capacity, or receiving a complete application under
division (A)(2)(a) of this section for a permit to open a new
solid waste incineration facility, or modify an existing solid
waste incineration facility to also treat infectious wastes or to
increase its infectious waste treatment capacity, that pertains to
a facility for which a notation authorizing infectious waste
treatment is included or proposed to be included in the solid
waste incineration facility's license pursuant to division (B)(3)
of this section, the director shall hold a public hearing on the
application within the county in which the new or modified
infectious waste or solid waste facility is or is proposed to be
located or within a contiguous county. Not less than thirty days
before holding the public hearing on the application, the director
shall publish notice of the hearing in each newspaper that has
general circulation and that is published in the county in which
the facility is or is proposed to be located. If there is no
newspaper that has general circulation and that is published in
the county, the director shall publish the notice in a newspaper
of general circulation in the county. The notice shall contain the
date, time, and location of the public hearing and a general
description of the proposed new or modified facility. At the
public hearing, any person may submit written or oral comments on
or objections to the approval or disapproval of the application.
The applicant, or a representative of the applicant who has
knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application fee shall be credited to the general revenue fund. If a permit or license is issued, the amount of the application fee paid shall be deducted from the amount of the permit fee due under division (Q) of section 3745.11 of the Revised Code or the amount of the license fee due under division (C) of section 3734.06 of the Revised Code.

(d) The director may issue an order in accordance with Chapter 3745. of the Revised Code to the owner or operator of an infectious waste treatment facility requiring the person to submit to the director updated engineering detail plans, specifications, and information regarding the facility and its method of operation for approval under rules adopted under section 3734.021 of the Revised Code if, in the director's judgment, conditions at the facility constitute a substantial threat to public health or safety or are causing or contributing to or threatening to cause
or contribute to air or water pollution or soil contamination. Any person who receives such an order shall submit the updated engineering detail plans, specifications, and information to the director within one hundred eighty days after the effective date of the order.

(e) The director shall act on any updated engineering plans, specifications, and information submitted under division (B)(2)(d) of this section within one hundred eighty days after receiving them. If the director disapproves any such updated engineering plans, specifications, and information, the director shall include in the order disapproving the plans the requirement that the owner or operator cease accepting infectious wastes for treatment at the facility.

(3) Division (B) of this section does not apply to a generator of infectious wastes that meets any of the following conditions:

(a) Treats, by methods, techniques, and practices established by rules adopted under division (B)(2)(a) of section 3734.021 of the Revised Code, any of the following wastes:

(i) Infectious wastes that are generated on any premises that are owned or operated by the generator;

(ii) Infectious wastes that are generated by a generator who has staff privileges at a hospital as defined in section 3727.01 of the Revised Code;

(iii) Infectious wastes that are generated in providing care to a patient by an emergency medical services organization as defined in section 4765.01 of the Revised Code.

(b) Holds a license or renewal of a license to operate a crematory facility issued under Chapter 4717. and a permit issued under Chapter 3704. of the Revised Code;
(c) Treats or disposes of dead animals or parts thereof, or the blood of animals, and is subject to any of the following:

(ii) Chapter 918. of the Revised Code;

(iii) Chapter 953. of the Revised Code.

Nothing in division (B) of this section requires a facility that holds a license issued under division (A) of this section as a solid waste facility and that also treats infectious wastes by the same method, technique, or process to obtain a license under division (B) of this section as an infectious waste treatment facility. However, the solid waste facility license for the facility shall include the notation that the facility also treats infectious wastes.

The director shall not issue a permit to open a new solid waste incineration facility unless the proposed facility complies with the requirements for the location of new infectious waste incineration facilities established in rules adopted under division (B)(2)(b) of section 3734.021 of the Revised Code.

(C) Except for a facility or activity described in division (E)(3) of section 3734.02 of the Revised Code, a person who proposes to establish or operate a hazardous waste facility shall submit a complete application for a hazardous waste facility installation and operation permit and accompanying detail plans, specifications, and such information as the director may require to the environmental protection agency at least one hundred eighty days before the proposed beginning of operation of the facility. The applicant shall notify by certified mail the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located of the submission of the application within ten days after the submission or at such
earlier time as the director may establish by rule. If the application is for a proposed new hazardous waste disposal or thermal treatment facility, the applicant also shall give actual notice of the general design and purpose of the facility to the legislative authority of each municipal corporation, township, and county in which the facility is proposed to be located at least ninety days before the permit application is submitted to the environmental protection agency.

In accordance with rules adopted under section 3734.12 of the Revised Code, prior to the submission of a complete application for a hazardous waste facility installation and operation permit, the applicant shall hold at least one meeting in the township or municipal corporation in which the facility is proposed to be located, whichever is geographically closer to the proposed location of the facility. The meeting shall be open to the public and shall be held to inform the community of the proposed hazardous waste management activities and to solicit questions from the community concerning the activities.

(D)(1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D)(2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public hearing.
meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following:

(i) Fires or explosions from treatment, storage, or disposal methods;

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility;

(iii) Adverse impact on the public health and safety.

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them;

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of
the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33(e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

(i) Two thousand feet of any residence, school, hospital, jail, or prison;

(ii) Any naturally occurring wetland;
(iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood.

Division (D)(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1546. of the Revised Code, a state park purchase area established under section 1546.06 of the Revised Code, any unit of the national park system, or any property that lies within the boundaries of a national park or recreation area, but that has not been acquired or is not administered by the secretary of the United States department of the interior, located in this state, or any candidate area located in this state identified for potential inclusion in the national park system in the edition of the "national park system plan" submitted under paragraph (b) of section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 U.S.C.A. 1a-5, as amended, current at the time of filing of the application for the permit, unless the facility will be used exclusively for the storage of hazardous waste generated within the park or recreation area in conjunction with the operation of the park or recreation area. Division (D)(2)(h) of this section does not apply to the facility of any applicant for modification of a permit unless the modification application proposes to
increase the land area included in the facility or to increase the
quantity of hazardous waste that will be treated, stored, or
disposed of at the facility.

(3) Not later than one hundred eighty days after the end of
the public comment period, the director, without prior hearing,
shall issue or deny the permit in accordance with Chapter 3745. of
the Revised Code. If the director approves an application for a
hazardous waste facility installation and operation permit, the
director shall issue the permit, upon such terms and conditions as
the director finds are necessary to ensure the construction and
operation of the hazardous waste facility in accordance with the
standards of this section.

(E) No political subdivision of this state shall require any
additional zoning or other approval, consent, permit, certificate,
or condition for the construction or operation of a hazardous
waste facility authorized by a hazardous waste facility
installation and operation permit issued pursuant to this chapter,
nor shall any political subdivision adopt or enforce any law,
ordinance, or rule that in any way alters, impairs, or limits the
authority granted in the permit.

(F) The director may issue a single hazardous waste facility
installation and operation permit to a person who operates two or
more adjoining facilities where hazardous waste is stored,
treated, or disposed of if the application includes detail plans,
specifications, and information on all facilities. For the
purposes of this section, "adjoining" means sharing a common
boundary, separated only by a public road, or in such proximity
that the director determines that the issuance of a single permit
will not create a hazard to the public health or safety or the
environment.

(G) No person shall falsify or fail to keep or submit any
plans, specifications, data, reports, records, manifests, or other
(H)(1) Each person who holds an installation and operation permit issued under this section and who wishes to obtain a permit renewal shall submit a completed application for an installation and operation permit renewal and any necessary accompanying general plans, detail plans, specifications, and such information as the director may require to the director no later than one hundred eighty days prior to the expiration date of the existing permit or upon a later date prior to the expiration of the existing permit if the permittee can demonstrate good cause for the late submittal. The director shall consider the application and accompanying information, inspection reports of the facility, results of performance tests, a report regarding the facility's compliance or noncompliance with the terms and conditions of its permit and rules adopted by the director under this chapter, and such other information as is relevant to the operation of the facility and shall issue a draft renewal permit or a notice of intent to deny the renewal permit. The director, in accordance with rules adopted under this section or with rules adopted to implement Chapter 3745. of the Revised Code, shall give public notice of the application and draft renewal permit or notice of intent to deny the renewal permit, provide for the opportunity for public comments within a specified time period, schedule a public meeting in the county in which the facility is located if significant interest is shown, and give public notice of the public meeting.

(2) Within sixty days after the public meeting or close of the public comment period, the director, without prior hearing, shall issue or deny the renewal permit in accordance with Chapter 3745. of the Revised Code. The director shall not issue a renewal permit unless the director determines that the facility under the
existing permit has a history of compliance with this chapter, rules adopted under it, the existing permit, or orders entered to enforce such requirements that demonstrates sufficient reliability, expertise, and competency to operate the facility henceforth under this chapter, rules adopted under it, and the renewal permit. If the director approves an application for a renewal permit, the director shall issue the permit subject to the payment of the annual permit fee required under division (E) of section 3734.02 of the Revised Code and upon such terms and conditions as the director finds are reasonable to ensure that continued operation, maintenance, closure, and post-closure care of the hazardous waste facility are in accordance with the rules adopted under section 3734.12 of the Revised Code.

(3) An installation and operation permit renewal application submitted to the director that also contains or would constitute an application for a modification shall be acted upon by the director in accordance with division (I) of this section in the same manner as an application for a modification. In approving or disapproving the renewal portion of a permit renewal application containing an application for a modification, the director shall apply the criteria established under division (H)(2) of this section.

(4) An application for renewal or modification of a permit that does not contain an application for a modification as described in divisions (I)(3)(a) to (d) of this section shall not be subject to division (D)(2) of this section.

(I)(1) As used in this section, "modification" means a change or alteration to a hazardous waste facility or its operations that is inconsistent with or not authorized by its existing permit or authorization to operate. Modifications shall be classified as Class 1, 2, or 3 modifications in accordance with rules adopted under division (K) of this section. Modifications classified as
Class 3 modifications, in accordance with rules adopted under that division, shall be further classified by the director as either Class 3 modifications that are to be approved or disapproved by the director under divisions (I)(3)(a) to (d) of this section or as Class 3 modifications that are to be approved or disapproved by the director under division (I)(5) of this section. Not later than thirty days after receiving a request for a modification under division (I)(4) of this section that is not listed in Appendix I to 40 C.F.R. 270.42 or in rules adopted under division (K) of this section, the director shall classify the modification and shall notify the owner or operator of the facility requesting the modification of the classification. Notwithstanding any other law to the contrary, a modification that involves the transfer of a hazardous waste facility installation and operation permit to a new owner or operator for any off-site facility as defined in section 3734.41 of the Revised Code shall be classified as a Class 3 modification. The transfer of a hazardous waste facility installation and operation permit to a new owner or operator for a facility that is not an off-site facility shall be classified as a Class 1 modification requiring prior approval of the director.

(2) Except as provided in section 3734.123 of the Revised Code, a hazardous waste facility installation and operation permit may be modified at the request of the director or upon the written request of the permittee only if any of the following applies:

(a) The permittee desires to accomplish alterations, additions, or deletions to the permitted facility or to undertake alterations, additions, deletions, or activities that are inconsistent with or not authorized by the existing permit;

(b) New information or data justify permit conditions in addition to or different from those in the existing permit;

(c) The standards, criteria, or rules upon which the existing permit is based have been changed by new, amended, or rescinded...
standards, criteria, or rules, or by judicial decision after the existing permit was issued, and the change justifies permit conditions in addition to or different from those in the existing permit;

(d) The permittee proposes to transfer the permit to another person.

(3) The director shall approve or disapprove an application for a modification in accordance with division (D)(2) of this section and rules adopted under division (K) of this section for all of the following categories of Class 3 modifications:

(a) Authority to conduct treatment, storage, or disposal at a site, location, or tract of land that has not been authorized for the proposed category of treatment, storage, or disposal activity by the facility's permit;

(b) Modification or addition of a hazardous waste management unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's treatment rate of more than twenty-five per cent over the rate so authorized, or an increase in a facility's disposal capacity over the capacity so authorized. The authorized disposal capacity for a facility shall be calculated from the approved design plans for the disposal units at that facility. In no case during a five-year period shall a facility's storage capacity or treatment rate be modified to increase by more than twenty-five per cent in the aggregate without the director's approval in accordance with division (D)(2) of this section. Notwithstanding any provision of division (I) of this section to the contrary, a request for modification of a facility's annual total waste receipt limit shall be classified and approved or disapproved by the director under division (I)(5) of this section.
(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types listed or characterized as reactive or explosive, in rules adopted under section 3734.12 of the Revised Code, or any acute hazardous waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not previously authorized to treat, store, or dispose of those types of wastes by the facility's permit unless the requested authority is limited to wastes that no longer exhibit characteristics meeting the criteria for listing or characterization as reactive or explosive wastes, or for listing as acute hazardous waste, but still are required to carry those waste codes as established in rules adopted under section 3734.12 of the Revised Code because of the requirements established in 40 C.F.R. 261(a) and (e), as amended, that is, the "mixture," "derived-from," or "contained-in" regulations.

(4) A written request for a modification from the permittee shall be submitted to the director and shall contain such information as is necessary to support the request. Requests for modifications shall be acted upon by the director in accordance...
with this section and rules adopted under it.

(5) Class 1 modification applications that require prior approval of the director, as provided in division (I)(1) of this section or as determined in accordance with rules adopted under division (K) of this section, Class 2 modification applications, and Class 3 modification applications that are not described in divisions (I)(3)(a) to (d) of this section shall be approved or disapproved by the director in accordance with rules adopted under division (K) of this section. The board of county commissioners of the county, the board of township trustees of the township, and the city manager or mayor of the municipal corporation in which a hazardous waste facility is located shall receive notification of any application for a modification for that facility and shall be considered as interested persons with respect to the director's consideration of the application.

As used in division (I) of this section:

(a) "Owner" means the person who owns a majority or controlling interest in a facility.

(b) "Operator" means the person who is responsible for the overall operation of a facility.

The director shall approve or disapprove an application for a Class 1 modification that requires the director's approval within sixty days after receiving the request for modification. The director shall approve or disapprove an application for a Class 2 modification within three hundred days after receiving the request for modification. The director shall approve or disapprove an application for a Class 3 modification within three hundred sixty-five days after receiving the request for modification.

(6) The approval or disapproval by the director of a Class 1 modification application is not a final action that is appealable under Chapter 3745. of the Revised Code. The approval or
disapproval by the director of a Class 2 modification or a Class 3 modification is a final action that is appealable under that chapter. In approving or disapproving a request for a modification, the director shall consider all comments pertaining to the request that are received during the public comment period and the public meetings. The administrative record for appeal of a final action by the director in approving or disapproving a request for a modification shall include all comments received during the public comment period relating to the request for modification, written materials submitted at the public meetings relating to the request, and any other documents related to the director's action.

(7) Notwithstanding any other provision of law to the contrary, a change or alteration to a hazardous waste facility described in division (E)(3)(a) or (b) of section 3734.02 of the Revised Code, or its operations, is a modification for the purposes of this section. An application for a modification at such a facility shall be submitted, classified, and approved or disapproved in accordance with divisions (I)(1) to (6) of this section in the same manner as a modification to a hazardous waste facility installation and operation permit.

(J)(1) Except as provided in division (J)(2) of this section, an owner or operator of a hazardous waste facility that is operating in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit either a hazardous waste facility installation and operation permit application for the facility or a modification application, whichever is required under division (J)(1)(a) or (b) of this section, within one hundred eighty days after the director has requested the application or upon a later date if the owner or operator demonstrates to the director good cause for the late submittal.
(a) If the owner or operator does not have a hazardous waste facility installation and operation permit for any hazardous waste treatment, storage, or disposal activities at the facility, the owner or operator shall submit an application for such a permit to the director for the activities authorized by the permit by rule. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the application for the permit in accordance with the procedures governing the approval or disapproval of permit renewals under division (H) of this section.

(b) If the owner or operator has a hazardous waste facility installation and operation permit for hazardous waste treatment, storage, or disposal activities at the facility other than those authorized by the permit by rule, the owner or operator shall submit to the director a request for modification in accordance with division (I) of this section. Notwithstanding any other provision of law to the contrary, the director shall approve or disapprove the modification application in accordance with division (I)(5) of this section.

(2) The owner or operator of a boiler or industrial furnace that is conducting thermal treatment activities in accordance with a permit by rule under rules adopted by the director under division (E)(3)(b) of section 3734.02 of the Revised Code shall submit a hazardous waste facility installation and operation permit application if the owner or operator does not have such a permit for any hazardous waste treatment, storage, or disposal activities at the facility or, if the owner or operator has such a permit for hazardous waste treatment, storage, or disposal activities at the facility other than thermal treatment activities authorized by the permit by rule, a modification application to add those activities authorized by the permit by rule, whichever is applicable, within one hundred eighty days after the director has requested the submission of the application or upon a later
date if the owner or operator demonstrates to the director good

by information necessary to support the request. The director
shall approve or disapprove an application for a hazardous waste
facility installation and operation permit in accordance with
division (D) of this section and approve or disapprove an
application for a modification in accordance with division (I)(3)
of this section, except that the director shall not disapprove an
application for the thermal treatment activities on the basis of
the criteria set forth in division (D)(2)(g) or (h) of this
section.

(3) As used in division (J) of this section:

(a) "Modification application" means a request for a
modification submitted in accordance with division (I) of this
section.

(b) "Thermal treatment," "boiler," and "industrial furnace"
have the same meanings as in rules adopted under section 3734.12
of the Revised Code.

(K) The director shall adopt, and may amend, suspend, or
rescind, rules in accordance with Chapter 119. of the Revised Code
in order to implement divisions (H) and (I) of this section.
Except when in actual conflict with this section, rules governing
the classification of and procedures for the modification of
hazardous waste facility installation and operation permits shall
be substantively and procedurally identical to the regulations
governing hazardous waste facility permitting and permit
modifications adopted under the "Resource Conservation and

Sec. 3734.06. (A)(1) Except as provided in divisions (A)(2),
(3), (4), and (5) of this section and in section 3734.82 of the
Revised Code, the annual fee for a solid waste facility license shall be in accordance with the following schedule:

For the purpose of determining the applicable license fee under divisions (A)(1), (2), and (3) of this section, the authorized maximum daily waste receipt shall be the maximum amount of wastes the facility is authorized to receive daily that is established in the permit for the facility, and any modifications to that permit, issued under division (A)(2) or (3) of section 3734.05 of the Revised Code; the annual license for the facility, and any revisions to that license, issued under division (A)(1) of section 3734.05 of the Revised Code; the approved operating plan or operational report for which submission and approval are required by rules adopted by the director of environmental protection under section 3734.02 of the Revised Code; or an order issued by the director as authorized by rule or the updated engineering plans, specifications, and facility and operation information approved under division (A)(4) of section 3734.05 of the Revised Code. If no authorized maximum daily waste receipt is so established, the annual license fee is sixty thousand dollars under division (A)(1) of this section and thirty thousand dollars under divisions (A)(2) and (3) of this section.

The authorized maximum daily waste receipt set forth in any such document shall be stated in terms of cubic yards of volume for the purpose of regulating the design, construction, and operation of a solid waste facility. For the purpose of
determining applicable license fees under this section, the authorized maximum daily waste receipt so stated shall be converted from cubic yards to tons as the unit of measurement based upon a conversion factor of three cubic yards per ton for compacted wastes generally and one cubic yard per ton for baled wastes.

(2) The annual license fee for a facility that is an incinerator facility is one-half the amount shown in division (A)(1) of this section. When a municipal corporation, county, or township owns and operates more than one incinerator within its boundaries, the municipal corporation, county, or township shall pay one fee for the licenses for all of its incinerators. The fee shall be determined on the basis of the aggregate maximum daily waste receipt for all the incinerators owned and operated by the municipal corporation, county, or township in an amount that is one-half the amount shown in division (A)(1) of this section.

(4) The annual license fee for a solid waste facility, regardless of its authorized maximum daily waste receipt, is five thousand dollars for a facility meeting either of the following qualifications:

(a) The facility is owned by a generator of solid wastes when the solid waste facility exclusively disposes of solid wastes generated at one or more premises owned by the generator regardless of whether the facility is located on a premises where the wastes are generated.

(b) The facility exclusively disposes of wastes that are generated from the combustion of coal, or from the combustion of primarily coal in combination with scrap tires, that is not combined in any way with garbage at one or more premises owned by the generator.

(5) The annual license fee for a facility that is a transfer facility is seven hundred fifty dollars.

(6) The same fees shall apply to private operators and to the state and its political subdivisions and shall be paid within thirty days after issuance of a license. The fee includes the cost of licensing, all inspections, and other costs associated with the administration of the solid waste provisions of this chapter and rules adopted under them, excluding the provisions governing scrap tires. Each such license shall specify that it is conditioned upon payment of the applicable fee to the board of health or the director, as appropriate, within thirty days after issuance of the license.

(B) The board of health shall retain two thousand five hundred dollars of each license fee collected by the board under divisions (A)(1), (2), (3), and (4) of this section or the entire amount of any such fee that is less than two thousand five hundred

The moneys retained shall be paid into a special fund, which is hereby created in each health district, and used solely to administer and enforce the solid waste provisions of this chapter and the rules adopted under them, excluding the provisions governing scrap tires. The remainder of each license fee collected by the board shall be transmitted to the director within forty-five days after receipt of the fee. The director shall transmit these moneys to the treasurer of state to be credited to the general revenue fund. The board of health shall retain the entire amount of each fee collected under division (A)(5) of this section, which moneys shall be paid into the special fund of the health district.

(C)(1) Except as provided in divisions (C)(2) and (3) of this section, the annual fee for an infectious waste treatment facility license shall be in accordance with the following schedule:

For the purpose of determining the applicable license fee under divisions (C)(1) and (2) of this section, the maximum daily waste receipt shall be the maximum amount of infectious wastes the facility is authorized to receive daily that is established in the permit for the facility, and any modifications to that permit, issued under division (B)(2)(b) of section 3734.05 of the Revised Code; or the annual license for the facility, and any revisions to that license, issued under division (B)(2)(a) of section 3734.05 of the Revised Code. If no maximum daily waste receipt is so established, the annual license fee is sixty thousand dollars.
under division (C)(1) of this section and thirty thousand dollars under division (C)(2) of this section.

(2) The annual license fee for an infectious waste treatment facility that is an incinerator is one-half the amount shown in division (C)(1) of this section.

(3) Fees levied under divisions (C)(1) and (2) of this section shall apply to private operators and to the state and its political subdivisions and shall be paid within thirty days after issuance of a license. The fee includes the cost of licensing, all inspections, and other costs associated with the administration of the infectious waste provisions of this chapter and rules adopted under them. Each such license shall specify that it is conditioned upon payment of the applicable fee to the board of health or the director, as appropriate, within thirty days after issuance of the license.

(4) The board of health shall retain two thousand five hundred dollars of each license fee collected by the board under divisions (C)(1) and (2) of this section. The moneys retained shall be paid into a special infectious waste fund, which is hereby created in each health district, and used solely to administer and enforce the infectious waste provisions of this chapter and the rules adopted under them. The remainder of each license fee collected by the board shall be transmitted to the director within forty-five days after receipt of the fee. The director shall transmit these moneys to the treasurer of state to be credited to the general revenue fund.

Sec. 3734.15. (A) No person shall transport hazardous waste anywhere in this state unless the person has first registered and obtained a uniform permit from the public utilities commission and paid an annual registration fee to, the United States department of...
transportation in accordance with Chapter 4921. of the Revised Code 49 C.F.R. 107.601 to 107.620.

For the purposes of this section, "registered transporter" means any person who is registered has filed an annual registration statement with and has received a uniform permit from the public utilities commission pursuant to Chapter 4921. of the Revised Code, and paid an annual registration fee to, the United States department of transportation in accordance with 49 C.F.R. 107.601 to 107.620.

(B) A registered transporter of hazardous waste shall be responsible for the safe delivery of any hazardous waste that the registered transporter transports from such time as the registered transporter obtains the waste until the registered transporter delivers it to a treatment, storage, or disposal facility specified in division (F) of section 3734.02 of the Revised Code, as recorded on the manifest required in division (B) of section 3734.12 of the Revised Code. Any registered transporter who violates this chapter or any rule adopted under the chapter while transporting hazardous waste shall be liable for any damage or injury caused by the violation and for the costs of rectifying the violation and conditions caused by the violation.

(C) No person who generates hazardous waste shall cause the waste to be transported by any person who is not a registered transporter. No person shall accept for treatment, storage, or disposal any hazardous waste from an unregistered transporter. Any person who is requested to accept such waste for treatment, storage, or disposal shall notify the director, the board of health in the person's location, and the public utilities commission of the request.

If a generator causes an unregistered transporter to transport the hazardous waste, the generator of the waste, the transporter, and any person who accepts the waste for treatment,
storage, or disposal shall be jointly and severally liable for any damage or injury caused by the handling of the waste and for the costs of rectifying their violation and conditions caused by their violation.

**Sec. 3734.57.** (A) The following fees are hereby levied on the transfer or disposal of solid wastes in this state:

1. Ninety cents per ton through June 30, 2018, twenty cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste facility management fund created in section 3734.18 of the Revised Code and seventy cents of the proceeds of which shall be deposited in the state treasury to the credit of the hazardous waste clean-up fund created in section 3734.28 of the Revised Code;

2. An additional seventy-five cents per ton through June 30, 2018, the proceeds of which shall be deposited in the state treasury to the credit of the waste management fund created in section 3734.061 of the Revised Code.

3. An additional two dollars and eighty-five cents per ton through June 30, 2018, the proceeds of which shall be deposited in the state treasury to the credit of the environmental protection fund created in section 3745.015 of the Revised Code;

4. An additional twenty-five cents per ton through June 30, 2018, the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the
transfer facility as a trustee for the state. The amount of fees 
required to be collected under this division at such a transfer 
facility shall equal the total tonnage of solid wastes received at 
the facility multiplied by the fees levied under this division. In 
the case of solid wastes that are not taken to a solid waste 
transfer facility located in this state prior to being transported 
to a solid waste disposal facility, the fees shall be collected by 
the owner or operator of the solid waste disposal facility as a 
trustee for the state. The amount of fees required to be collected 
under this division at such a disposal facility shall equal the 
total tonnage of solid wastes received at the facility that was 
not previously taken to a solid waste transfer facility located in 
this state multiplied by the fees levied under this division. Fees 
levied under this division do not apply to materials separated 
from a mixed waste stream for recycling by a generator or 
materials removed from the solid waste stream through recycling, 
as "recycling" is defined in rules adopted under section 3734.02 
of the Revised Code.

The owner or operator of a solid waste transfer facility or 
disposal facility, as applicable, shall prepare and file with the 
director of environmental protection each month a return 
indicating the total tonnage of solid wastes received at the 
facility during that month and the total amount of the fees 
required to be collected under this division during that month. In 
addition, the owner or operator of a solid waste disposal facility 
shall indicate on the return the total tonnage of solid wastes 
received from transfer facilities located in this state during 
that month for which the fees were required to be collected by the 
transfer facilities. The monthly returns shall be filed on a form 
prescribed by the director. Not later than thirty days after the 
last day of the month to which a return applies, the owner or 
operator shall mail to the director the return for that month 
together with the fees required to be collected under this
division during that month as indicated on the return or may submit the return and fees electronically in a manner approved by the director. If the return is filed and the amount of the fees due is paid in a timely manner as required in this division, the owner or operator may retain a discount of three-fourths of one per cent of the total amount of the fees that are required to be paid as indicated on the return.

The owner or operator may request an extension of not more than thirty days for filing the return and remitting the fees, provided that the owner or operator has submitted such a request in writing to the director together with a detailed description of why the extension is requested, the director has received the request not later than the day on which the return is required to be filed, and the director has approved the request. If the fees are not remitted within thirty days after the last day of the month to which the return applies or are not remitted by the last day of an extension approved by the director, the owner or operator shall not retain the three-fourths of one per cent discount and shall pay an additional ten per cent of the amount of the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis.
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period for fees owed to the owner or operator by a particular debtor.

If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C)
of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after October 16, 2009. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the following activities:

(1) The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under
this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the committee shall deliver a copy of the resolution to the board of county commissioners of each county forming the district and to the legislative authority of each municipal corporation and township under the jurisdiction of the district and shall prepare and publish the resolution and a notice of the time and location where a public hearing on the fees will be held. Upon adopting the resolution, the committee shall deliver written notice of the adoption of the resolution; of the amount of the proposed fees; and of the date, time, and location of the public hearing to the director and to the fifty industrial, commercial, or institutional generators of solid wastes within the district that generate the largest quantities of solid wastes, as determined by the committee, and to their local trade associations. The committee
shall make good faith efforts to identify those generators within
the district and their local trade associations, but the
nonprovision of notice under this division to a particular
generator or local trade association does not invalidate the
proceedings under this division. The publication shall occur at
least thirty days before the hearing. After the hearing, the
committee may make such revisions to the proposed fees as it
considers appropriate and thereafter, by resolution, shall adopt
the revised fee schedule. Upon adopting the revised fee schedule,
the committee shall deliver a copy of the resolution doing so to
the board of county commissioners of each county forming the
district and to the legislative authority of each municipal
corporation and township under the jurisdiction of the district.
Within sixty days after the delivery of a copy of the resolution
adopting the proposed revised fees by the policy committee, each
such board and legislative authority, by ordinance or resolution,
shall approve or disapprove the revised fees and deliver a copy of
the ordinance or resolution to the committee. If any such board or
legislative authority fails to adopt and deliver to the policy
committee an ordinance or resolution approving or disapproving the
revised fees within sixty days after the policy committee
delivered its resolution adopting the proposed revised fees, it
shall be conclusively presumed that the board or legislative
authority has approved the proposed revised fees. The committee
shall determine if the resolution has been ratified in the same
manner in which it determines if a draft solid waste management
plan has been ratified under division (B) of section 3734.55 of
the Revised Code.

The committee may amend the schedule of fees levied pursuant
to a resolution adopted and ratified under this division by
adopting a resolution establishing the proposed amount of the
amended fees. The committee may repeal the fees levied pursuant to
such a resolution by adopting a resolution proposing to repeal
them. Upon adopting such a resolution, the committee shall proceed to obtain ratification of the resolution in accordance with this division.

Not later than fourteen days after declaring the new fees to be ratified or the fees to be repealed under this division, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the ratification and the amount of the fees or of the repeal of the fees. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

Fees levied under this division also may be established, amended, or repealed by a solid waste management policy committee through the adoption of a new district solid waste management plan, the adoption of an amended plan, or the amendment of the plan or amended plan in accordance with sections 3734.55 and 3734.56 of the Revised Code or the adoption or amendment of a district plan in connection with a change in district composition under section 3734.521 of the Revised Code.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any. In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days
after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of...
section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.
For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the
fee by the ordinance or resolution, and the director of
environmental protection. Although the fees levied under this
division are levied on the basis of tons as the unit of
measurement, the legislative authority, in its ordinance or
resolution levying the fees under this division, may direct that
the fees be levied on the basis of cubic yards as the unit of
measurement based upon a conversion factor of three cubic yards
per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or
adopting a resolution under this division, the legislative
authority shall so notify by certified mail the owner or operator
of each solid waste disposal facility that is required to collect
the fee. Collection of any fee levied on or after March 24, 1992,
shall commence on the first day of the second month following the
month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of
this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of
the wastes when the solid waste facility exclusively disposes of
solid wastes generated at one or more premises owned by the
generator regardless of whether the facility is located on a
premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the
combustion of primarily coal, regardless of whether the disposal
facility is located on the premises where the wastes are
generated;

(c) Are asbestos or asbestos-containing materials or products
disposed of at a construction and demolition debris facility that
is licensed under Chapter 3714. of the Revised Code or at a solid
waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised
Code, any fees levied under division (B)(1) of this section apply to solid wastes originating outside the boundaries of a county or joint district that are covered by an agreement for the joint use of solid waste facilities entered into under section 343.02 of the Revised Code by the board of county commissioners or board of directors of the county or joint district where the wastes are generated and disposed of.

(3) When solid wastes, other than solid wastes that consist of scrap tires, are burned in a disposal facility that is an incinerator or energy recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash remaining after burning of the solid wastes and shall be collected by the owner or operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer facility, the fees levied under divisions (B) and (C) of this section shall be levied upon the disposal of solid wastes transported off the premises of the transfer facility for disposal and shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of.

(5) The fees levied under divisions (A), (B), and (C) of this section do not apply to sewage sludge that is generated by a waste water treatment facility holding a national pollutant discharge elimination system permit and that is disposed of through incineration, land application, or composting or at another resource recovery or disposal facility that is not a landfill.

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be...
collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.
(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in a similar capacity under a county charter, in a county district or to the county treasurer or other official designated by the board of directors in a joint district and kept in a separate and distinct fund to the credit of the district. If a regional solid waste management authority has been formed under section 343.011 of the Revised Code, moneys received by the board of trustees of
that regional authority under division (E) of this section shall be kept by the board in a separate and distinct fund to the credit of the district. Moneys in the special fund of the county or joint district arising from the fees levied under division (B) of this section and the fee levied under division (A) of section 3734.573 of the Revised Code shall be expended by the board of county commissioners or directors of the district in accordance with the district's solid waste management plan or amended plan approved under section 3734.521, 3734.55, or 3734.56 of the Revised Code exclusively for the following purposes:

(1) Preparation of the solid waste management plan of the district under section 3734.54 of the Revised Code, monitoring implementation of the plan, and conducting the periodic review and amendment of the plan required by section 3734.56 of the Revised Code by the solid waste management policy committee;

(2) Implementation of the approved solid waste management plan or amended plan of the district, including, without limitation, the development and implementation of solid waste recycling or reduction programs;

(3) Providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for enforcement of this chapter and rules, orders, and terms and conditions of permits, licenses, and variances adopted or issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions;

(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;
(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;

(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services.
to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;

(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of the board of directors of the district in order to expend moneys for administrative costs incurred.

Prior to the approval of the district's solid waste management plan under section 3734.55 of the Revised Code, moneys in the special fund of the district arising from the fees shall be expended for those purposes in the manner prescribed by the solid waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed prior to October 29, 1993, or any provision in a district's solid waste management plan prepared in accordance with division (B)(2)(e) of section 3734.53 of the Revised Code as it existed prior to that date, any moneys arising from the fees levied under division (B)(3) of this section prior to January 1, 1994, may be expended for any of the purposes authorized in divisions (G)(1) to (10) of this section.

(H) The director shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for collecting and forwarding the fees levied under divisions (B) and (C) of this section to the boards of county commissioners or directors of county or joint solid waste management districts and to the treasurers or other officers of municipal corporations and the fiscal officers of townships. The rules also shall prescribe the dates for forwarding the fees to the boards and officials and may
prescribe any other requirements the director considers necessary or appropriate to implement and administer divisions (A), (B), and (C) of this section.

**Sec. 3734.82.** (A) The annual fee for a scrap tire recovery facility license issued under section 3734.81 of the Revised Code shall be in accordance with the following schedule:

(3) The director shall issue invoices to owners or operators of air contaminant sources who are required to pay a fee assessed under division (B) or (D) of this section. Any such invoice shall be issued no sooner than the applicable date when the fee first may be collected in a year under the applicable division, shall identify the nature and amount of the fee assessed, and shall indicate that the fee is required to be paid within thirty days after the issuance of the invoice.

(D)(1) Except as provided in division (D)(3) of this section, from January 1, 1994, through December 31, 2003, each person who

fifteenth day of April, commencing in 2005. The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most
consistent with that for calendar year 1989.

(F) Each person who is issued a permit to install pursuant to rules adopted under division (F) of section 3704.03 of the Revised Code on or after July 1, 2003, shall pay the fees specified in the following schedules:

(K)(1) Money received under division (B) of this section shall be deposited in the state treasury to the credit of the Title V clean air fund created in section 3704.035 of the Revised Code. Annually, not more than fifty cents per ton of each fee assessed under division (B) of this section on actual emissions
from a source and received by the environmental protection agency pursuant to that division shall may be transferred by the director using an interstate transfer voucher to the state treasury to the credit of the small business assistance fund created in section 3706.19 of the Revised Code. In addition, annually, the amount of money necessary for the operation of the office of ombudsperson as determined under division (B) of that section shall be transferred to the state treasury to the credit of the small business ombudsperson fund created by that section.

(2) Money received by the agency pursuant to divisions (D), (F), (G), (H), (I), and (J) of this section shall be deposited in the state treasury to the credit of the non-Title V clean air fund created in section 3704.035 of the Revised Code.

(h) If a person submits an electronic application for a registration certificate, permit, variance, or plan approval for which an application fee is established under division (S)(1) of this section, the person shall pay all applicable application fees as expeditiously as possible after the submission of the electronic application. An application for a registration certificate, permit, variance, or plan approval for which an application fee is established under division (S)(1) of this section shall not be reviewed or processed until the applicable application fee, and any other fees established under this
division, are paid.

(2) Division (S)(1) of this section does not apply to an application for a registration certificate for a scrap tire collection or storage facility submitted under section 3734.75 or 3734.76 of the Revised Code, as applicable, if the owner or operator of the facility or proposed facility is a motor vehicle salvage dealer licensed under Chapter 4738. of the Revised Code.

(3) A person applying for coverage under a national pollutant discharge elimination system an NPDES general discharge permit for household sewage treatment systems shall pay the following fees:

The fees shall be designed to defray the cost of processing, issuing, revoking, modifying, denying, and enforcing the licenses, permits, variances, plan approvals, and certifications.

The director shall transmit all moneys collected under rules adopted under division (T)(1) of this section pursuant to Chapter 6109. of the Revised Code to the treasurer of state for deposit into the drinking water protection fund created in section 6109.30 of the Revised Code.
The director shall transmit all moneys collected under rules adopted under division (T)(1) of this section pursuant to Chapter 6111. of the Revised Code to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code.

(2) Exempt the state and political subdivisions thereof, including education facilities or medical facilities owned by the state or a political subdivision, or any person exempted from taxation by section 5709.07 or 5709.12 of the Revised Code, from any fee required by this section;

(4) Prescribe measures that the director considers necessary to carry out this section.

(U) When the director reasonably demonstrates that the direct cost to the state associated with the issuance of a permit to install, license, variance, plan approval, or certification exceeds the fee for the issuance or review specified by this section, the director may condition the issuance or review on the payment by the person receiving the issuance or review of, in addition to the fee specified by this section, the amount, or any portion thereof, in excess of the fee specified under this section. The director shall not so condition issuances for which a fee is prescribed in division (L)(1)(b) (S)(1)(c)(iii) of this section.

(V) Except as provided in divisions (L), (M), and (P), and (S) of this section or unless otherwise prescribed by a rule of the director adopted pursuant to Chapter 119. of the Revised Code,
all fees required by this section are payable within thirty days after the issuance of an invoice for the fee by the director or the effective date of the issuance of the license, permit, variance, plan approval, or certification. If payment is late, the person responsible for payment of the fee shall pay an additional ten per cent of the amount due for each month that it is late.

(W) As used in this section, "fuel-burning equipment," "fuel-burning equipment input capacity," "incinerator," "incinerator input capacity," "process," "process weight rate," "storage tank," "gasoline dispensing facility," "dry cleaning facility," "design flow discharge," and "new source treatment works" have the meanings ascribed to those terms by applicable rules or standards adopted by the director under Chapter 3704. or 6111. of the Revised Code.

(X) As used in divisions (B), (D), (E), (F), (H), (I), and (J) of this section, and in any other provision of this section pertaining to fees paid pursuant to Chapter 3704. of the Revised Code:

The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(2)(a) Except as provided in division (Y)(2)(d) of this
section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater than one hundred pounds in capacity.

A thirty-five per cent reduction for exceptional quality sludge applies to the maximum annual fees established under division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage
sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or (b) of this section: twenty thousand dollars.

(4)(a) In the case of an entity that generates sewage sludge or a sewage sludge facility that treats sewage sludge and transfers the sewage sludge to an incineration facility for disposal, the incineration facility, and not the entity generating the sewage sludge or the sewage sludge facility treating the sewage sludge, shall pay the annual sludge fee for the tons of sewage sludge that are transferred. However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.
(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall
issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the
fees levied under division (Y) of this section so that the
estimated amount of moneys resulting from the fees will be
approximately six hundred thousand dollars. Fees shall never be
increased to an amount exceeding the amount specified in division
(Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the
director may issue an order under division (Y)(7) of this section
without the necessity to hold an adjudicatory hearing in
connection with the order. The issuance of an order under this
division is not an act or action for purposes of section 3745.04
of the Revised Code.

(E) No owner or operator of a facility who is required by this section to file a toxic chemical release form shall fail to submit a toxic chemical release form as required by this section.

(F) An owner or operator of a facility who is required under this section to file a toxic chemical release form and who knowingly makes a false statement on that form, on a record upon which the information on that form is based, or on other information or records required to be kept or submitted under this chapter and the rules adopted under this chapter is guilty of falsification under section 2921.13 of the Revised Code.

Sec. 3751.04. (A) Except as otherwise provided in division (D) of this section, any person required to provide information to the director of environmental protection under section 3751.03 of the Revised Code may withhold from submission to the director or any other person the specific chemical identity, including the chemical name and other specific identification, of the toxic chemical on the grounds that the information constitutes a trade secret if either of the following conditions is met:

(1)(a) At the time of submitting the information sought to be classified as a trade secret, the owner or operator of the facility submits a claim for protection of that information as a trade secret pursuant to rules adopted regulations promulgated by the administrator of the United States environmental protection
agency under division (A)(2) of section 3751.02 of the Revised Code EPCRA, and submits a copy of the required toxic chemical release form that indicates that such a claim has been filed and contains the generic class or category of the identity in place of the identity and that is accompanied by a copy of the substantiation supporting the trade secret claim that was submitted to the administrator of the United States environmental protection agency. The owner or operator may withhold from the copy of the explanations and supplemental information submitted to the director information identified as confidential business information in rules adopted under division (A)(1)(g) of section 3751.02 of the Revised Code.

(b) A determination of the claim remains pending pursuant to those rules regulations.

(2) It has been determined by the administrator pursuant to rules adopted under division (A)(2) of section 3751.02 of the Revised Code those regulations that a trade secret exists.

(B) No person shall withhold the specific identity of a toxic chemical on the grounds that the information is a trade secret in either of the following instances:

(1) From any toxic chemical release form if it has been determined by the administrator pursuant to rules adopted regulations promulgated under division (A)(2) of section 3751.02 of the Revised Code EPCRA that no trade secret exists;

(2) When required to provide the specific chemical identity to a health professional, physician, or nurse pursuant to division (D) of this section.

(C) The governor may, pursuant to section 322 of the "Emergency Planning and Community Right To Know Act of 1986," 100 Stat. 1747, 42 U.S.C.A. 11042 EPCRA, request the administrator of the United States environmental protection agency to provide
specific chemical identities that are claimed or have been determined to be trade secret information or the explanations and supplemental information supporting trade secret protection claims regarding facilities located in this state that are subject to this chapter. The governor shall not make any trade secret or confidential information obtained under this division available to any member of the emergency planning commission created in section 3750.02 of the Revised Code or to any member of a local emergency planning committee of an emergency planning district established under section 3750.03 of the Revised Code who is not also an officer or employee of the state or a political subdivision. Any trade secret or confidential business information obtained under this division shall be protected from unauthorized disclosure in accordance with rules adopted under division (A)(1)(f) of section 3751.02 of the Revised Code.

(D)(1) The owner or operator of a facility that is subject to section 3751.03 of the Revised Code shall provide the specific chemical identity of a toxic chemical, if the specific chemical identity is known, to any health professional who submits to the owner or operator a written request and statement of need for the specific chemical identity. The written statement of need shall be a statement of the health professional that the health professional has a reasonable basis to believe that all of the following conditions pertain to the request:

(a) The information is needed for purposes of diagnosis or treatment of an individual;

(b) The individual being diagnosed or treated has been exposed to the chemical concerned;

(c) Knowledge of the specific chemical identity of the chemical will assist in diagnosis and treatment.

An owner or operator to whom such a written request and
statement of need is submitted shall provide the requested information to the health professional promptly after receiving the request and statement of need, subject to division (D)(4) of this section.

(2) The owner or operator of a facility that is subject to section 3751.03 of the Revised Code shall provide a copy of a toxic chemical release form that contains the specific chemical identity of a toxic chemical, if the specific chemical identity is known, to any treating physician or nurse who requests that information if the physician or nurse determines that all of the following conditions pertain to the request:

(a) A medical emergency exists;

(b) The specific chemical identity of the chemical concerned is necessary for or will assist in emergency or first aid diagnosis or treatment;

(c) The individual being diagnosed or treated has been exposed to the chemical concerned.

The owner or operator shall provide the requested information to the physician or nurse immediately upon receiving such a request. The owner or operator shall not require any such treating physician or nurse to provide a written confidentiality agreement or statement of need as a precondition for disclosure of a specific chemical identity under this division; however, the owner or operator may require the treating physician or nurse to provide a written confidentiality agreement under division (D)(4) of this section and a statement setting forth the conditions listed in divisions (D)(2)(a) to (c) of this section as soon after the disclosure is made as circumstances permit.

(3) The owner or operator of a facility that is subject to section 3751.03 of the Revised Code shall provide the specific chemical identity of a toxic chemical, if the specific chemical
identity is known, to any health professional, including, without
limitation, a physician, toxicologist, or epidemiologist, who is
either employed by or under contract with a political subdivision
and who submits to the owner or operator a written request for the
information, a written statement of need for the information that
meets the requirements of division (D)(3) of this section, and a
written confidentiality agreement under division (D)(4) of this
section. The owner or operator shall promptly after receipt of the
written request, statement of need, and confidentiality agreement
provide the requested information to the local health professional
who requested it.

The written statement of need for a specific chemical
identity required by division (D)(3) of this section shall
describe with reasonable detail one or more of the following
health needs for the information:

(a) To assess exposure of persons living in a local community
to the hazards of the chemical concerned;

(b) To conduct or assess sampling to determine exposure
levels of various population groups to the chemical concerned;

(c) To conduct periodic medical surveillance of population
groups exposed to the chemical concerned;

(d) To provide medical treatment to individuals or population
groups exposed to the chemical concerned;

(e) To conduct studies to determine the health effects of
exposure to the chemical concerned;

(f) To conduct studies to aid in the identification of a
chemical that may reasonably be anticipated to cause an observed
health effect.

(4) Any person who obtains information under division (D)(1)
or (3) of this section shall, as a precondition for receiving that
information, enter into a written confidentiality agreement with
the owner or operator of the facility from whom the information
was requested that the person will not use the information for any
purpose other than the health needs asserted in the statement of
need provided thereunder, except as otherwise may be authorized by
the terms of the agreement or by the person providing the
information.

(E) An officer or employee of the environmental protection
agency shall not request the owner or operator of a facility
subject to this chapter to submit to the officer or employee a
trade secret claim, toxic chemical release form required by
section 3751.03 of the Revised Code, substantiation of a trade
secret claim, or explanation or supporting information or copy
thereof pertaining to a trade secret claim, that contains any
information claimed or determined to be a trade secret pursuant to
rules adopted under division (A)(2) of section 3751.02 of the
Revised Code or identified as confidential business information by
rules adopted under division (A)(1)(g) of that section EPCRA. If
any officer or employee of the agency knows or has reason to
believe that a trade secret claim, toxic chemical release form,
substantiation, or explanation or supporting information
pertaining to a trade secret claim contains any such information,
the officer or employee immediately shall return it to the owner
or operator of the facility who submitted it without reading it
and shall request the owner or operator to submit the appropriate
report or substantiation that does not contain the information
claimed or determined to be a trade secret or so identified as
confidential business information.

(F) No officer or employee of the environmental protection
agency, health professional, physician, nurse, or other person who
receives information claimed or determined to be a trade secret
pursuant to rules adopted under division (A)(2) of section 3751.02
of the Revised Code or identified as confidential business
information by rules adopted by regulations promulgated by the
administrator under division (A)(1)(g) of section 3751.02 of the
Revised Code. EPCRA shall release any information so classified or
identified to any person not authorized to have that information
under division (C) of this section or rules adopted under division
(A)(1)(f) of section 3751.02 of the Revised Code. A violation of
this division is not also a violation of section 2913.02 or
2913.04 of the Revised Code.

Sec. 3751.05. (A) The owner or operator of a facility
required to annually file one or more toxic chemical release forms
under section 3751.03 of the Revised Code shall submit with the
release forms a filing fee of fifty dollars. In addition to the
filing fee, the owner or operator shall submit an additional fee
of fifteen dollars per release form filed but not exceeding a
total additional fee of five hundred dollars.

(B) An owner or operator of a facility who fails to submit a
toxic chemical release form within thirty days after the
applicable filing date prescribed in that section shall submit
with the form a late filing fee of fifteen per cent of the total
fees due under division (A) of this section, whichever is more, in
addition to the fees due under that division.

(C) The director of environmental protection may establish
fees to be paid by persons, other than public officers or
employees, obtaining copies of documents or information submitted
to the director under this chapter and rules adopted under it. The
fee shall be established at a level calculated to defray the costs
of copying the documents or information. The director may charge
the actual costs involved in accessing any computerized data base
established by him under this chapter or by the administrator of
the United States environmental protection agency under the
"Emergency Planning and Community Right To Know Act of 1986," 100 Stat. 1729, 42 U.S.C.A. 11002, needed to fulfill a request for information regarding releases of toxic chemicals for which reporting is required by this chapter and rules adopted under it.

(D) All moneys received by the director under this section and all civil penalties received under division (B) of section 3751.10 of the Revised Code shall be credited to the toxic chemical release reporting fund, hereby created in the state treasury. Moneys credited to the fund shall be expended by the director exclusively for the purposes of implementing, administering, and enforcing this chapter and the rules adopted and orders issued under it.

Sec. 3751.10. (A) The attorney general, the prosecuting attorney of the county, or the city director of law of the city where a violation has occurred or is occurring, upon the written request of the director of environmental protection, shall prosecute to termination or bring an action for injunction against any person who has violated or is violating any section of this chapter or any rule adopted or order issued under it. The court of common pleas in which an action for injunction is filed has the jurisdiction to and shall grant preliminary and permanent injunctive relief upon a showing that the person against whom the action is brought has violated or is violating any section of this chapter or a rule adopted or order issued under it. The court shall give precedence to such an action over all other cases.

Upon the certified written request of any person, the director shall conduct such investigations and make such inquiries as are necessary to secure compliance with this chapter or rules adopted or orders issued under it. The director may, upon request or upon his own initiative, investigate or make inquiries into any violation of this chapter or rules adopted or
orders issued under it.

(B) Whoever violates division (E) or (C) of section 3751.03, division (B)(1) or (2) of section 3751.04 of the Revised Code, or an order issued under this chapter, shall pay a civil penalty of not more than twenty-five thousand dollars for each day of violation. The attorney general, the prosecuting attorney of the county, or the city director of law of the city where a violation of this chapter or a rule adopted or order issued under it has occurred or is occurring, upon the written request of the director, shall bring an action for imposition of a civil penalty under this division against any person who has committed or is committing any such violation. All civil penalties received under this division shall be credited to the toxic chemical release reporting fund created in section 3751.05 of the Revised Code.

(C) Any action for injunction or civil penalties under division (A) or (B) of this section is a civil action governed by the Rules of Civil Procedure.

Sec. 3751.11. A member of the emergency response commission, officer or employee of the environmental protection agency, member or employee of a local emergency planning committee, officer or employee of a fire department, health professional, physician, nurse, or other person who receives information classified as a trade secret pursuant to rules adopted under division (A)(2) of section 3751.02 of the Revised Code or identified as confidential business information by rules adopted under division (A)(1)(g) of section 3751.02 of the Revised Code pursuant to EPCRA and who violates division (F) of section 3751.04 of the Revised Code or otherwise discloses information classified as a trade secret or identified as confidential business information pursuant to these rules that act to a person not authorized to have that information under division (C) of section 3751.04 of the Revised Code or rules
adopted under division (A)(1)(f) of section 3751.02 of the Revised Code EPCRA, is liable in damages in a civil action to the owner of the trade secret information for any injury or loss to person or property sustained by him the owner resulting from the violation or unauthorized disclosure of that information. Any owner of information so classified as a trade secret or identified as confidential business information who, as a result of a violation of division (F) of section 3751.04 of the Revised Code or by disclosure of trade secret or confidential business information to a person not authorized to have it pursuant to division (C) of section 3751.04 of the Revised Code or rules adopted under division (A)(1)(f) of section 3751.02 of the Revised Code EPCRA, sustains any injury or loss to person or property may bring a civil action for damages and other appropriate relief against the person who violated that division or otherwise disclosed the trade secret or confidential business information to a person not so authorized to have it.

In such a civil action, if the plaintiff establishes by a preponderance of the evidence, and if the trier of fact finds, that the defendant violated that division or otherwise disclosed information classified as a trade secret or identified as confidential business information to a person not so authorized to have it, and that the plaintiff sustained injury or loss to person or property as a result of the violation or unauthorized disclosure of the information, the trier of fact may award compensatory damages and such other relief as the trier of fact finds appropriate.

In any civil action under this section the court may award costs and reasonable attorney's fees to the prevailing party.

Liability imposed under this section for a violation of division (F) of section 3751.04 of the Revised Code is in addition to other civil liability, if any, under the Revised Code or common law.
law of this state and in addition to any criminal penalty that is
imposed for the same violation under section 3751.99 of the
Revised Code.

Sec. 3769.087. (A) In addition to the commission of eighteen
per cent retained by each permit holder as provided in section
3769.08 of the Revised Code, each permit holder shall retain an
additional amount equal to four per cent of the total of all
moneys wagered on each racing day on all wagering pools other than
win, place, and show, of which amount retained an amount equal to
three per cent of the total of all moneys wagered on each racing
day on those pools shall be paid in the manner prescribed under
section 3769.103 of the Revised Code, as a tax. Subject to the
restrictions contained in divisions (B), (C), and (M) of section
3769.08 of the Revised Code, from such additional moneys paid to
the tax commissioner:

(1) Four-sixths shall be allocated to fund distribution as
provided in division (M) of section 3769.08 of the Revised Code.

(2) One-twelfth shall be paid into the Ohio fairs fund
created by section 3769.082 of the Revised Code.

(3) One-sixth of the additional moneys paid to
the tax commissioner by thoroughbred racing permit holders shall
be paid into the Ohio thoroughbred race fund created by section
3769.083 of the Revised Code.

(4) One-twelfth of the additional moneys paid to the tax
commissioner by harness horse racing permit holders shall be paid
to the Ohio standardbred development fund created by section
3769.085 of the Revised Code.

(5) One-sixth shall be paid into the state racing commission
operating fund created by section 3769.03 of the Revised Code.

The remaining one per cent that is retained of the total of all moneys wagered on each racing day on all pools other than win, place, and show, shall be retained by racing permit holders, and, except as otherwise provided in section 3769.089 of the Revised Code, racing permit holders shall use one-half for purse money and retain one-half.

(B) In addition to the commission of eighteen per cent retained by each permit holder as provided in section 3769.08 of the Revised Code and the additional amount retained by each permit holder as provided in division (A) of this section, each permit holder shall retain an additional amount equal to one-half of one per cent of the total of all moneys wagered on each racing day on all wagering pools other than win, place, and show. The additional amount retained under this division shall be paid in the manner prescribed under section 3769.103 of the Revised Code, as a tax. The tax commissioner shall pay the amount of the tax received under this division to the state racing commission operating fund created by section 3769.03 of the Revised Code.

(C) Unless otherwise agreed to by the video lottery sales agent and the applicable horsemen's association recognized by the state racing commission to represent such persons, within ninety days after September 29, 2013, for video lottery sales agents operating as such on September 29, 2013, or within six months after the date a video lottery sales agent begins operating as such for video lottery sales agents not operating as such on September 29, 2013, the state racing commission shall direct through rule that a percentage of the lottery sales agent's commission as determined by the state lottery commission for...
conducting video lottery terminal gaming on behalf of the state be paid to the state racing commission for the benefit of breeding and racing in this state. The percentage so determined shall not be less than nine per cent or more than eleven per cent of the video lottery terminal income, and shall be a sliding scale based upon capital expenditures necessary to build the video lottery sales agent's facility. The aggregate of one hundred per cent of video lottery terminal income minus the lottery sales agent's commission percentage as determined by the state lottery commission plus the percentage of the lottery sale agent's commission, as determined by the state racing commission or otherwise agreed to by the video lottery sales agent and the applicable horsemen's association recognized by the state racing commission to represent such persons, for the benefit of breeding and racing in this state shall not exceed forty-five per cent of the video lottery terminal income. In addition, beginning July 1, 2013, the state lottery commission shall adopt a rule to require the lottery sales agent conducting video lottery terminal gaming on behalf of the state to disperse to the state lottery commission one-half of one per cent of such a lottery sales agent's commission for the purpose of providing funding support to appropriate state agencies for programs that provide for gambling addiction and other related addiction services. The state lottery commission's rule also may require the lottery sales agent conducting video lottery terminal gaming on behalf of the state to disperse to the state lottery commission an additional amount up to one-half of one per cent of such a lottery sales agent's commission for that purpose.

Sec. 3770.02. (A) Subject to the advice and consent of the senate, the governor shall appoint a director of the state lottery commission who shall serve at the pleasure of the governor. The director shall devote full time to the duties of the office and
shall hold no other office or employment. The director shall meet all requirements for appointment as a member of the commission and shall, by experience and training, possess management skills that equip the director to administer an enterprise of the nature of a state lottery. The director shall receive an annual salary in accordance with pay range 48 of section 124.152 of the Revised Code.

(B)(1) The director shall attend all meetings of the commission and shall act as its secretary. The director shall keep a record of all commission proceedings and shall keep the commission's records, files, and documents at the commission's principal office. All records of the commission's meetings shall be available for inspection by any member of the public, upon a showing of good cause and prior notification to the director.

(2) The director shall be the commission's executive officer and shall be responsible for keeping all commission records and supervising and administering the state lottery in accordance with this chapter, and carrying out all commission rules adopted under section 3770.03 of the Revised Code.

(C)(1) The director shall appoint an assistant director, deputy directors of marketing, operations, sales, finance, public relations, security, and administration, as necessary and as many regional managers as are required. The director may also appoint necessary professional, technical, and clerical assistants. All such officers and employees shall be appointed and compensated pursuant to Chapter 124 of the Revised Code. Regional and assistant regional managers, sales representatives, and any lottery executive account representatives shall remain in the unclassified service. The assistant director shall act as director in the absence or disability of the director. If the director does not appoint an assistant director, the director shall designate a deputy director to act as director in the absence or disability of
the director.

(2) The director, in consultation with the director of administrative services, may establish standards of proficiency and productivity for commission field representatives.

(D) The director shall request the bureau of criminal identification and investigation, the department of public safety, or any other state, local, or federal agency to supply the director with the criminal records of any job applicant and may periodically request the criminal records of commission employees. At or prior to the time of making such a request, the director shall require a job applicant or commission employee to obtain fingerprint cards prescribed by the superintendent of the bureau of criminal identification and investigation at a qualified law enforcement agency, and the director shall cause these fingerprint cards to be forwarded to the bureau of criminal identification and investigation and the federal bureau of investigation. The commission shall assume the cost of obtaining the fingerprint cards and shall pay to each agency supplying criminal records for each investigation under this division a reasonable fee, as determined by the agency.

(E) The director shall license lottery sales agents pursuant to section 3770.05 of the Revised Code and, when it is considered necessary, may revoke or suspend the license of any lottery sales agent. The director may license video lottery technology providers, independent testing laboratories, and gaming employees, and promulgate rules relating thereto. When the director considers it necessary, the director may suspend or revoke the license of a video lottery technology provider, independent testing laboratory, or gaming employee, including suspension or revocation without affording an opportunity for a prior hearing under section 119.07 of the Revised Code when the public safety, convenience, or trust requires immediate action.
(F) The director shall confer at least once each month with the commission, at which time the director shall advise it regarding the operation and administration of the lottery. The director shall make available at the request of the commission all documents, files, and other records pertaining to the operation and administration of the lottery. The director shall prepare and make available to the commission each month a complete and accurate accounting of lottery revenues, prize money disbursements and the cost of goods and services awarded as prizes, operating expenses, and all other relevant financial information, including an accounting of all transfers made from any lottery funds in the custody of the treasurer of state to benefit education.

(G) The director may enter into contracts for the operation or promotion of the lottery pursuant to Chapter 125. of the Revised Code.

(H)(1) Pursuant to rules adopted by the commission under section 3770.03 of the Revised Code, the director shall require any lottery sales agents to deposit to the credit of the state lottery fund, in banking institutions designated by the treasurer of state, net proceeds due the commission as determined by the director.

(2) Pursuant to rules adopted by the commission under Chapter 119. of the Revised Code, the director may impose penalties for the failure of a sales agent to transfer funds to the commission in a timely manner. Penalties may include monetary penalties, immediate suspension or revocation of a license, or any other penalty the commission adopts by rule.

(I) The director may arrange for any person, or any banking institution, to perform functions and services in connection with the operation of the lottery as the director may consider necessary to carry out this chapter.
(J)(1) As used in this chapter, "statewide joint lottery game" means a lottery game that the commission sells solely within this state under an agreement with other lottery jurisdictions to sell the same lottery game solely within their statewide or other jurisdictional boundaries.

(2) If the governor directs the director to do so, the director shall enter into an agreement with other lottery jurisdictions to conduct statewide joint lottery games. If the governor signs the agreement personally or by means of an authenticating officer pursuant to section 107.15 of the Revised Code, the director then may conduct statewide joint lottery games under the agreement.

(3) The entire net proceeds from any statewide joint lottery games shall be used to fund elementary, secondary, vocational, and special education programs in this state.

(4) The commission shall conduct any statewide joint lottery games in accordance with rules it adopts under division (B)(5) of section 3770.03 of the Revised Code.

(K)(1) The director shall enter into an agreement with the department of mental health and addiction services under which the department shall provide a program of gambling addiction services on behalf of the commission. The commission shall pay the costs of the program provided pursuant to the agreement.

(2) As used in this section, "gambling addiction services" has the same meaning as in section 5119.01 of the Revised Code.

Sec. 3770.03. (A) The state lottery commission shall promulgate rules under which a statewide lottery may be conducted, which includes, and since the original enactment of this section has included, the authority for the commission to operate video lottery terminal games. Any reference in this chapter to tickets
shall not be construed to in any way limit the authority of the
commission to operate video lottery terminal games. Nothing in
this chapter shall restrict the authority of the commission to
promulgate rules related to the operation of games utilizing video
lottery terminals as described in section 3770.21 of the Revised
Code. The rules shall be promulgated pursuant to Chapter 119. of
the Revised Code, except that instant game rules shall be
promulgated pursuant to section 111.15 of the Revised Code but are
not subject to division (D) of that section. Subjects covered in
these rules shall include, but need not be limited to, the
following:

(1) The type of lottery to be conducted;

(2) The prices of tickets in the lottery;

(3) The number, nature, and value of prize awards, the manner
and frequency of prize drawings, and the manner in which prizes
shall be awarded to holders of winning tickets.

(B) The commission shall promulgate rules, in addition to
those described in division (A) of this section, pursuant to
Chapter 119. of the Revised Code under which a statewide lottery
and statewide joint lottery games may be conducted. Subjects
covered in these rules shall include, but not be limited to, the
following:

(1) The locations at which lottery tickets may be sold and
the manner in which they are to be sold. These rules may authorize
the sale of lottery tickets by commission personnel or other
licensed individuals from traveling show wagons at the state fair,
and at any other expositions the director of the commission
considers acceptable. These rules shall prohibit commission
personnel or other licensed individuals from soliciting from an
exposition the right to sell lottery tickets at that exposition,
but shall allow commission personnel or other licensed individuals
to sell lottery tickets at an exposition if the exposition requests commission personnel or licensed individuals to do so. These rules may also address the accessibility of sales agent locations to commission products in accordance with the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101 et seq.

(2) The manner in which lottery sales revenues are to be collected, including authorization for the director to impose penalties for failure by lottery sales agents to transfer revenues to the commission in a timely manner;

(3) The amount of compensation to be paid licensed lottery sales agents;

(4) The substantive criteria for the licensing of lottery sales agents consistent with section 3770.05 of the Revised Code, and procedures for revoking or suspending their licenses consistent with Chapter 119. of the Revised Code. If circumstances, such as the nonpayment of funds owed by a lottery sales agent, or other circumstances related to the public safety, convenience, or trust, require immediate action, the director may suspend a license without affording an opportunity for a prior hearing under section 119.07 of the Revised Code.

(5) Special game rules to implement any agreements signed by the governor that the director enters into with other lottery jurisdictions under division (J) of section 3770.02 of the Revised Code to conduct statewide joint lottery games. The rules shall require that the entire net proceeds of those games that remain, after associated operating expenses, prize disbursements, lottery sales agent bonuses, commissions, and reimbursements, and any other expenses necessary to comply with the agreements or the rules are deducted from the gross proceeds of those games, be transferred to the lottery profits education fund under division (B) of section 3770.06 of the Revised Code.
(6) Any other subjects the commission determines are necessary for the operation of video lottery terminal games, including the establishment of any fees, fines, or payment schedules, or the establishment of a voluntary exclusion program.

(C) Chapter 2915. of the Revised Code does not apply to, affect, or prohibit lotteries conducted pursuant to this chapter.

(D) The commission may promulgate rules, in addition to those described in divisions (A) and (B) of this section, that establish standards governing the display of advertising and celebrity images on lottery tickets and on other items that are used in the conduct of, or to promote, the statewide lottery and statewide joint lottery games. Any revenue derived from the sale of advertising displayed on lottery tickets and on those other items shall be considered, for purposes of section 3770.06 of the Revised Code, to be related proceeds in connection with the statewide lottery or gross proceeds from statewide joint lottery games, as applicable.

(E)(1) The commission shall meet with the director at least once each month and shall convene other meetings at the request of the chairperson or any five of the members. No action taken by the commission shall be binding unless at least five of the members present vote in favor of the action. A written record shall be made of the proceedings of each meeting and shall be transmitted forthwith to the governor, the president of the senate, the senate minority leader, the speaker of the house of representatives, and the house minority leader.

(2) The director shall present to the commission a report each month, showing the total revenues, prize disbursements, and operating expenses of the state lottery for the preceding month. As soon as practicable after the end of each fiscal year, the commission shall prepare and transmit to the governor and the general assembly a report of lottery revenues, prize...
disbursements, and operating expenses for the preceding fiscal year and any recommendations for legislation considered necessary by the commission.

Sec. 3770.06. (A) There is hereby created the state lottery gross revenue fund, which shall be in the custody of the treasurer of state but shall not be part of the state treasury. All gross revenues received from sales of lottery tickets, fines, fees, and related proceeds in connection with the statewide lottery and all gross proceeds from statewide joint lottery games shall be deposited into the fund. The treasurer of state shall invest any portion of the fund not needed for immediate use in the same manner as, and subject to all provisions of law with respect to the investment of, state funds. The treasurer of state shall disburse money from the fund on order of the director of the state lottery commission or the director's designee.

Except for gross proceeds from statewide joint lottery games, all revenues of the state lottery gross revenue fund that are not paid to holders of winning lottery tickets, that are not required to meet short-term prize liabilities, that are not credited to lottery sales agents in the form of bonuses, commissions, or reimbursements, that are not paid to financial institutions to reimburse those institutions for sales agent nonsufficient funds, and that are collected from sales agents for remittance to insurers under contract to provide sales agent bonding services shall be transferred to the state lottery fund, which is hereby created in the state treasury. In addition, all revenues of the state lottery gross revenue fund that represent the gross proceeds from the statewide joint lottery games and that are not paid to holders of winning lottery tickets, that are not required to meet short-term prize liabilities, that are not credited to lottery sales agents in the form of bonuses, commissions, or reimbursements, and that are not necessary to cover operating
expenses associated with those games or to otherwise comply with
the agreements signed by the governor that the director enters
into under division (J) of section 3770.02 of the Revised Code or
the rules the commission adopts under division (B)(5) of section
3770.03 of the Revised Code shall be transferred to the state
lottery fund. All investment earnings of the fund shall be
credited to the fund. Moneys shall be disbursed from the fund
pursuant to vouchers approved by the director. Total disbursements
for monetary prize awards to holders of winning lottery tickets in
connection with the statewide lottery and purchases of goods and
services awarded as prizes to holders of winning lottery tickets
shall be of an amount equal to at least fifty per cent of the
total revenue accruing from the sale of lottery tickets.

(B) Pursuant to Section 6 of Article XV, Ohio Constitution,
there is hereby established in the state treasury the lottery
profits education fund. Whenever, in the judgment of the director
of the state lottery commission, the amount to the credit of the
state lottery fund that does not represent proceeds from statewide
joint lottery games is in excess of that needed to meet the
maturing obligations of the commission and as working capital for
its further operations, the director of the state lottery
commission shall recommend the amount of the excess to be
transferred to the lottery profits education fund, and the
director of budget and management may transfer the excess to the
lottery profits education fund in connection with the statewide
lottery. In addition, whenever, in the judgment of the director of
the state lottery commission, the amount to the credit of the
state lottery fund that represents proceeds from statewide joint
lottery games equals the entire net proceeds of those games as
described in division (B)(5) of section 3770.03 of the Revised
Code and the rules adopted under that division, the director of
the state lottery commission shall recommend the amount of the
proceeds to be transferred to the lottery profits education fund,
and the director of budget and management may transfer those proceeds to the lottery profits education fund. Investment earnings of the lottery profits education fund shall be credited to the fund.

(D) Section 4109.03, divisions (A) and (C) of section 4109.02, and division (B) of section 4109.08 of the Revised Code do not apply to minors who are sixteen or seventeen years of age and who are employed at a seasonal amusement or recreational establishment.

(E) As used in this section, "certificate of high school equivalence" means either:

(1) A statement issued by the department of education that the holder of the statement has achieved the equivalent of a high school education as measured by scores obtained on a high school equivalency test approved by the department pursuant to division (B) of section 3301.80 of the Revised Code;

(2) A statement issued by a primary-secondary education or higher education agency of another state that the holder of the statement has achieved the equivalent of a high school education as measured by scores obtained on a similar nationally recognized high school equivalency test.

Sec. 4141.29. Each eligible individual shall receive benefits as compensation for loss of remuneration due to involuntary total
or partial unemployment in the amounts and subject to the conditions stipulated in this chapter.

(A) No individual is entitled to a waiting period or benefits for any week unless the individual:

1. Has filed a valid application for determination of benefit rights in accordance with section 4141.28 of the Revised Code;

2. Has made a claim for benefits in accordance with section 4141.28 of the Revised Code;

3. (a) Has registered for work and thereafter continues to report to an employment office or other registration place maintained or designated by the director of job and family services. Registration shall be made in accordance with the time limits, frequency, and manner prescribed by the director.

(b) For purposes of division (A)(3) of this section, an individual has "registered" upon doing any of the following:

(i) Filing an application for benefit rights;

(ii) Making a weekly claim for benefits;

(iii) Reopening an existing claim following a period of employment or nonreporting.

(c) After an applicant is registered, that registration continues for a period of three calendar weeks, including the week during which the applicant registered. However, an individual is not registered for purposes of division (A)(3) of this section during any period in which the individual fails to report, as instructed by the director, or fails to reopen an existing claim following a period of employment.

(d) The director may, for good cause, extend the period of registration.

(e) For purposes of this section, "report" means contact by
phone, access electronically, or be present for an in-person appointment, as designated by the director.

(4) (a)(i) Is able to work and available for suitable work and, except as provided in division (A)(4)(a)(ii) or (iii) of this section, is actively seeking suitable work either in a locality in which the individual has earned wages subject to this chapter during the individual's base period, or if the individual leaves that locality, then in a locality where suitable work normally is performed.

(ii) The director may waive the requirement that a claimant be actively seeking work when the director finds that the individual has been laid off and the employer who laid the individual off has notified the director within ten days after the layoff, that work is expected to be available for the individual within a specified number of days not to exceed forty-five calendar days following the last day the individual worked. In the event the individual is not recalled within the specified period, this waiver shall cease to be operative with respect to that layoff.

(iii) The director may waive the requirement that a claimant be actively seeking work if the director determines that the individual has been laid off and the employer who laid the individual off has notified the director in accordance with division (C) of section 4141.28 of the Revised Code that the employer has closed the employer's entire plant or part of the employer's plant for a purpose other than inventory or vacation that will cause unemployment for a definite period not exceeding twenty-six weeks beginning on the date the employer notifies the director, for the period of the specific shutdown, if all of the following apply:

(I) The employer and the individuals affected by the layoff who are claiming benefits under this chapter jointly request the
exemption.

(II) The employer provides that the affected individuals shall return to work for the employer within twenty-six weeks after the date the employer notifies the director.

(III) The director determines that the waiver of the active search for work requirement will promote productivity and economic stability within the state.

(iv) Division (A)(4)(a)(iii) of this section does not exempt an individual from meeting the other requirements specified in division (A)(4)(a)(i) of this section to be able to work and otherwise fully be available for work. An exemption granted under division (A)(4)(a)(iii) of this section may be granted only with respect to a specific plant closing.

(b)(i) The individual shall be instructed as to the efforts that the individual must make in the search for suitable work, including that, within six months after October 11, 2013, the individual shall register with the OhioMeansJobs web site, except in any of the following circumstances:

(I) The individual is an individual described in division (A)(4)(b)(iii) of this section;

(II) Where the active search for work requirement has been waived under division (A)(4)(a) of this section;

(III) Where the active search for work requirement is considered to be met under division (A)(4)(c), (d), or (e) of this section.

(ii) An individual who is registered with the OhioMeansJobs web site shall receive a weekly listing of available jobs based on information provided by the individual at the time of registration. For each week that the individual claims benefits, the individual shall keep a record of the individual's work search
efforts and shall produce that record in the manner and means
prescribed by the director.

(iii) No individual shall be required to register with the
OhioMeansJobs web site if the individual is legally prohibited
from using a computer, has a physical or visual impairment that
makes the individual unable to use a computer, or has a limited
ability to read, write, speak, or understand a language in which
the OhioMeansJobs web site is available.

(iv) As used in division (A)(4)(b) of this section:

(I) "OhioMeansJobs web site" means the electronic job
placement system operated by the state has the same meaning as in
section 6301.01 of the Revised Code.

(II) "Registration" includes the creation, electronic
posting, and maintenance of an active, searchable resume.

(c) An individual who is attending a training course approved
by the director meets the requirement of this division, if
attendance was recommended by the director and the individual is
regularly attending the course and is making satisfactory
progress. An individual also meets the requirements of this
division if the individual is participating and advancing in a
training program, as defined in division (P) of section 5709.61 of
the Revised Code, and if an enterprise, defined in division (B) of
section 5709.61 of the Revised Code, is paying all or part of the
cost of the individual's participation in the training program
with the intention of hiring the individual for employment as a
new employee, as defined in division (L) of section 5709.61 of the
Revised Code, for at least ninety days after the individual's
completion of the training program.

(d) An individual who becomes unemployed while attending a
regularly established school and whose base period qualifying
weeks were earned in whole or in part while attending that school,
meets the availability and active search for work requirements of division (A)(4)(a) of this section if the individual regularly attends the school during weeks with respect to which the individual claims unemployment benefits and makes self available on any shift of hours for suitable employment with the individual's most recent employer or any other employer in the individual's base period, or for any other suitable employment to which the individual is directed, under this chapter.

(e) An individual who is a member in good standing with a labor organization that refers individuals to jobs meets the active search for work requirement specified in division (A)(4)(a) of this section if the individual provides documentation that the individual is eligible for a referral or placement upon request and in a manner prescribed by the director.

(f) Notwithstanding any other provisions of this section, no otherwise eligible individual shall be denied benefits for any week because the individual is in training approved under section 236(a)(1) of the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2296, nor shall that individual be denied benefits by reason of leaving work to enter such training, provided the work left is not suitable employment, or because of the application to any week in training of provisions in this chapter, or any applicable federal unemployment compensation law, relating to availability for work, active search for work, or refusal to accept work.

For the purposes of division (A)(4)(f) of this section, "suitable employment" means with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for the purposes of the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2101, and wages for such work at not less than eighty per cent of the individual's average weekly wage as determined for the purposes of that federal act.
(5) Is unable to obtain suitable work. An individual who is provided temporary work assignments by the individual's employer under agreed terms and conditions of employment, and who is required pursuant to those terms and conditions to inquire with the individual's employer for available work assignments upon the conclusion of each work assignment, is not considered unable to obtain suitable employment if suitable work assignments are available with the employer but the individual fails to contact the employer to inquire about work assignments.

(6) Participates in reemployment services, such as job search assistance services, if the individual has been determined to be likely to exhaust benefits under this chapter, including compensation payable pursuant to 5 U.S.C.A. Chapter 85, other than extended compensation, and needs reemployment services pursuant to the profiling system established by the director under division (K) of this section, unless the director determines that:

(a) The individual has completed such services; or

(b) There is justifiable cause for the claimant's failure to participate in such services.

Ineligibility for failure to participate in reemployment services as described in division (A)(6) of this section shall be for the week or weeks in which the claimant was scheduled and failed to participate without justifiable cause.

(7) Participates in the reemployment and eligibility assessment program, or other reemployment services, as required by the director. As used in division (A)(7) of this section, "reemployment services" includes job search assistance activities, skills assessments, and the provision of labor market statistics or analysis.

(a) For purposes of division (A)(7) of this section, participation is required unless the director determines that
either of the following circumstances applies to the individual:

(i) The individual has completed similar services.

(ii) Justifiable cause exists for the failure of the individual to participate in those services.

(b) Within six months after October 11, 2013, notwithstanding any earlier contact an individual may have had with a local one-stop county office OhioMeansJobs center, including as described defined in section 6301.08 6301.01 of the Revised Code, beginning with the eighth week after the week during which an individual first files a valid application for determination of benefit rights in the individual's benefit year, the individual shall report to a local one-stop county office OhioMeansJobs center for reemployment services in the manner prescribed by the director.

(c) An individual whose active search for work requirement has been waived under division (A)(4)(a) of this section or is considered to be satisfied under division (A)(4)(c), (d), or (e) of this section is exempt from the requirements of division (A)(7) of this section.

(B) An individual suffering total or partial unemployment is eligible for benefits for unemployment occurring subsequent to a waiting period of one week and no benefits shall be payable during this required waiting period. Not more than one week of waiting period shall be required of any individual in any benefit year in order to establish the individual's eligibility for total or partial unemployment benefits.

(C) The waiting period for total or partial unemployment shall commence on the first day of the first week with respect to which the individual first files a claim for benefits at an employment office or other place of registration maintained or designated by the director or on the first day of the first week.
with respect to which the individual has otherwise filed a claim for benefits in accordance with the rules of the department of job and family services, provided such claim is allowed by the director.

(D) Notwithstanding division (A) of this section, no individual may serve a waiting period or be paid benefits under the following conditions:

(1) For any week with respect to which the director finds that:

(a) The individual's unemployment was due to a labor dispute other than a lockout at any factory, establishment, or other premises located in this or any other state and owned or operated by the employer by which the individual is or was last employed; and for so long as the individual's unemployment is due to such labor dispute. No individual shall be disqualified under this provision if either of the following applies:

(i) The individual's employment was with such employer at any factory, establishment, or premises located in this state, owned or operated by such employer, other than the factory, establishment, or premises at which the labor dispute exists, if it is shown that the individual is not financing, participating in, or directly interested in such labor dispute;

(ii) The individual's employment was with an employer not involved in the labor dispute but whose place of business was located within the same premises as the employer engaged in the dispute, unless the individual's employer is a wholly owned subsidiary of the employer engaged in the dispute, or unless the individual actively participates in or voluntarily stops work because of such dispute. If it is established that the claimant was laid off for an indefinite period and not recalled to work prior to the dispute, or was separated by the employer prior to
the dispute for reasons other than the labor dispute, or that the individual obtained a bona fide job with another employer while the dispute was still in progress, such labor dispute shall not render the employee ineligible for benefits.

(b) The individual has been given a disciplinary layoff for misconduct in connection with the individual's work.

(2) For the duration of the individual's unemployment if the director finds that:

(a) The individual quit work without just cause or has been discharged for just cause in connection with the individual's work, provided division (D)(2) of this section does not apply to the separation of a person under any of the following circumstances:

(i) Separation from employment for the purpose of entering the armed forces of the United States if the individual is inducted into the armed forces within one of the following periods:

(I) Thirty days after separation;

(II) One hundred eighty days after separation if the individual's date of induction is delayed solely at the discretion of the armed forces.

(ii) Separation from employment pursuant to a labor-management contract or agreement, or pursuant to an established employer plan, program, or policy, which permits the employee, because of lack of work, to accept a separation from employment;

(iii) The individual has left employment to accept a recall from a prior employer or, except as provided in division (D)(2)(a)(iv) of this section, to accept other employment as provided under section 4141.291 of the Revised Code, or left or
was separated from employment that was concurrent employment at the time of the most recent separation or within six weeks prior to the most recent separation where the remuneration, hours, or other conditions of such concurrent employment were substantially less favorable than the individual's most recent employment and where such employment, if offered as new work, would be considered not suitable under the provisions of divisions (E) and (F) of this section. Any benefits that would otherwise be chargeable to the account of the employer from whom an individual has left employment or was separated from employment that was concurrent employment under conditions described in division (D)(2)(a)(iii) of this section, shall instead be charged to the mutualized account created by division (B) of section 4141.25 of the Revised Code, except that any benefits chargeable to the account of a reimbursing employer under division (D)(2)(a)(iii) of this section shall be charged to the account of the reimbursing employer and not to the mutualized account, except as provided in division (D)(2) of section 4141.24 of the Revised Code.

(iv) When an individual has been issued a definite layoff date by the individual's employer and before the layoff date, the individual quits to accept other employment, the provisions of division (D)(2)(a)(iii) of this section apply and no disqualification shall be imposed under division (D) of this section. However, if the individual fails to meet the employment and earnings requirements of division (A)(2) of section 4141.291 of the Revised Code, then the individual, pursuant to division (A)(5) of this section, shall be ineligible for benefits for any week of unemployment that occurs prior to the layoff date.

(b) The individual has refused without good cause to accept an offer of suitable work when made by an employer either in person or to the individual's last known address, or has refused or failed to investigate a referral to suitable work when directed
to do so by a local employment office of this state or another
state, provided that this division shall not cause a
disqualification for a waiting week or benefits under the
following circumstances:

(i) When work is offered by the individual's employer and the
individual is not required to accept the offer pursuant to the
terms of the labor-management contract or agreement; or

(ii) When the individual is attending a training course
pursuant to division (A)(4) of this section except, in the event
of a refusal to accept an offer of suitable work or a refusal or
failure to investigate a referral, benefits thereafter paid to
such individual shall not be charged to the account of any
employer and, except as provided in division (B)(1)(b) of section
4141.241 of the Revised Code, shall be charged to the mutualized
account as provided in division (B) of section 4141.25 of the
Revised Code.

(c) Such individual quit work to marry or because of marital,
parental, filial, or other domestic obligations.

(d) The individual became unemployed by reason of commitment
to any correctional institution.

(e) The individual became unemployed because of dishonesty in
connection with the individual's most recent or any base period
work. Remuneration earned in such work shall be excluded from the
individual's total base period remuneration and qualifying weeks
that otherwise would be credited to the individual for such work
in the individual's base period shall not be credited for the
purpose of determining the total benefits to which the individual
is eligible and the weekly benefit amount to be paid under section
4141.30 of the Revised Code. Such excluded remuneration and
noncredited qualifying weeks shall be excluded from the
calculation of the maximum amount to be charged, under division
(D) of section 4141.24 and section 4141.33 of the Revised Code, against the accounts of the individual's base period employers. In addition, no benefits shall thereafter be paid to the individual based upon such excluded remuneration or noncredited qualifying weeks.

For purposes of division (D)(2)(e) of this section, "dishonesty" means the commission of substantive theft, fraud, or deceitful acts.

(E) No individual otherwise qualified to receive benefits shall lose the right to benefits by reason of a refusal to accept new work if:

(1) As a condition of being so employed the individual would be required to join a company union, or to resign from or refrain from joining any bona fide labor organization, or would be denied the right to retain membership in and observe the lawful rules of any such organization.

(2) The position offered is vacant due directly to a strike, lockout, or other labor dispute.

(3) The work is at an unreasonable distance from the individual's residence, having regard to the character of the work the individual has been accustomed to do, and travel to the place of work involves expenses substantially greater than that required for the individual's former work, unless the expense is provided for.

(4) The remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality.

(F) Subject to the special exceptions contained in division (A)(4)(f) of this section and section 4141.301 of the Revised Code, in determining whether any work is suitable for a claimant in the administration of this chapter, the director, in addition
to the determination required under division (E) of this section, shall consider the degree of risk to the claimant's health, safety, and morals, the individual's physical fitness for the work, the individual's prior training and experience, the length of the individual's unemployment, the distance of the available work from the individual's residence, and the individual's prospects for obtaining local work.

(G) The "duration of unemployment" as used in this section means the full period of unemployment next ensuing after a separation from any base period or subsequent work and until an individual has become reemployed in employment subject to this chapter, or the unemployment compensation act of another state, or of the United States, and until such individual has worked six weeks and for those weeks has earned or been paid remuneration equal to six times an average weekly wage of not less than: eighty-five dollars and ten cents per week beginning on June 26, 1990; and beginning on and after January 1, 1992, twenty-seven and one-half per cent of the statewide average weekly wage as computed each first day of January under division (B)(3) of section 4141.30 of the Revised Code, rounded down to the nearest dollar, except for purposes of division (D)(2)(c) of this section, such term means the full period of unemployment next ensuing after a separation from such work and until such individual has become reemployed subject to the terms set forth above, and has earned wages equal to one-half of the individual's average weekly wage or sixty dollars, whichever is less.

(H) If a claimant is disqualified under division (D)(2)(a), (c), or (d) of this section or found to be qualified under the exceptions provided in division (D)(2)(a)(i), (iii), or (iv) of this section or division (A)(2) of section 4141.291 of the Revised Code, then benefits that may become payable to such claimant, which are chargeable to the account of the employer from whom the
individual was separated under such conditions, shall be charged to the mutualized account provided in section 4141.25 of the Revised Code, provided that no charge shall be made to the mutualized account for benefits chargeable to a reimbursing employer, except as provided in division (D)(2) of section 4141.24 of the Revised Code. In the case of a reimbursing employer, the director shall refund or credit to the account of the reimbursing employer any over-paid benefits that are recovered under division (B) of section 4141.35 of the Revised Code. Amounts chargeable to other states, the United States, or Canada that are subject to agreements and arrangements that are established pursuant to section 4141.43 of the Revised Code shall be credited or reimbursed according to the agreements and arrangements to which the chargeable amounts are subject.

(I)(1) Benefits based on service in employment as provided in divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code shall be payable in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject to this chapter; except that after December 31, 1977:

(a) Benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education, as defined in division (Y) of section 4141.01 of the Revised Code; or for an educational institution as defined in division (CC) of section 4141.01 of the Revised Code, shall not be paid to any individual for any week of unemployment that begins during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of those academic years or terms and has a contract or a reasonable assurance that the individual will
perform services in any such capacity for any such institution in
the second of those academic years or terms.

(b) Benefits based on service for an educational institution
or an institution of higher education in other than an
instructional, research, or principal administrative capacity,
shall not be paid to any individual for any week of unemployment
which begins during the period between two successive academic
years or terms of the employing educational institution or
institution of higher education, provided the individual performed
those services for the educational institution or institution of
higher education during the first such academic year or term and,
there is a reasonable assurance that such individual will perform
those services for any educational institution or institution of
higher education in the second of such academic years or terms.

If compensation is denied to any individual for any week
under division (I)(1)(b) of this section and the individual was
not offered an opportunity to perform those services for an
institution of higher education or for an educational institution
for the second of such academic years or terms, the individual is
entitled to a retroactive payment of compensation for each week
for which the individual timely filed a claim for compensation and
for which compensation was denied solely by reason of division
(I)(1)(b) of this section. An application for retroactive benefits
shall be timely filed if received by the director or the
director's deputy within or prior to the end of the fourth full
calendar week after the end of the period for which benefits were
denied because of reasonable assurance of employment. The
provision for the payment of retroactive benefits under division
(I)(1)(b) of this section is applicable to weeks of unemployment
beginning on and after November 18, 1983. The provisions under
division (I)(1)(b) of this section shall be retroactive to
September 5, 1982, only if, as a condition for full tax credit
against the tax imposed by the "Federal Unemployment Tax Act," 53
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States
secretary of labor determines that retroactivity is required by
federal law.

(c) With respect to weeks of unemployment beginning after
December 31, 1977, benefits shall be denied to any individual for
any week which commences during an established and customary
vacation period or holiday recess, if the individual performs any
services described in divisions (I)(1)(a) and (b) of this section
in the period immediately before the vacation period or holiday
recess, and there is a reasonable assurance that the individual
will perform any such services in the period immediately following
the vacation period or holiday recess.

(d) With respect to any services described in division
(I)(1)(a), (b), or (c) of this section, benefits payable on the
basis of services in any such capacity shall be denied as
specified in division (I)(1)(a), (b), or (c) of this section to
any individual who performs such services in an educational
institution or institution of higher education while in the employ
of an educational service agency. For this purpose, the term
"educational service agency" means a governmental agency or
governmental entity that is established and operated exclusively
for the purpose of providing services to one or more educational
institutions or one or more institutions of higher education.

(e) Any individual employed by a county board of
developmental disabilities shall be notified by the thirtieth day
of April each year if the individual is not to be reemployed the
following academic year.

(f) Any individual employed by a school district, other than
a municipal school district as defined in section 3311.71 of the
Revised Code, shall be notified by the first day of June each year
if the individual is not to be reemployed the following academic
(2) No disqualification will be imposed, between academic years or terms or during a vacation period or holiday recess under this division, unless the director or the director's deputy has received a statement in writing from the educational institution or institution of higher education that the claimant has a contract for, or a reasonable assurance of, reemployment for the ensuing academic year or term.

(3) If an individual has employment with an educational institution or an institution of higher education and employment with a noneducational employer, during the base period of the individual's benefit year, then the individual may become eligible for benefits during the between-term, or vacation or holiday recess, disqualification period, based on employment performed for the noneducational employer, provided that the employment is sufficient to qualify the individual for benefit rights separately from the benefit rights based on school employment. The weekly benefit amount and maximum benefits payable during a disqualification period shall be computed based solely on the nonschool employment.

(J) Benefits shall not be paid on the basis of employment performed by an alien, unless the alien had been lawfully admitted to the United States for permanent residence at the time the services were performed, was lawfully present for purposes of performing the services, or was otherwise permanently residing in the United States under color of law at the time the services were performed, under section 212(d)(5) of the "Immigration and Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101:

(1) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.
(2) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to the individual are not payable because of the individual's alien status shall be made except upon a preponderance of the evidence that the individual had not, in fact, been lawfully admitted to the United States.

(K) The director shall establish and utilize a system of profiling all new claimants under this chapter that:

(1) Identifies which claimants will be likely to exhaust regular compensation and will need job search assistance services to make a successful transition to new employment;

(2) Refers claimants identified pursuant to division (K)(1) of this section to reemployment services, such as job search assistance services, available under any state or federal law;

(3) Collects follow-up information relating to the services received by such claimants and the employment outcomes for such claimant's subsequent to receiving such services and utilizes such information in making identifications pursuant to division (K)(1) of this section; and

(4) Meets such other requirements as the United States secretary of labor determines are appropriate.

(L) Except as otherwise provided in division (A)(6) of this section, ineligibility pursuant to division (A) of this section shall begin on the first day of the week in which the claimant becomes ineligible for benefits and shall end on the last day of the week preceding the week in which the claimant satisfies the eligibility requirements.

(M) The director may adopt rules that the director considers necessary for the administration of division (A) of this section.

Sec. 4141.43. (A) The director of job and family services may
cooperate with the industrial commission, the bureau of workers' compensation, the United States internal revenue service, the United States employment service, and other similar departments and agencies, as determined by the director, in the exchange or disclosure of information as to wages, employment, payrolls, unemployment, and other information. The director may employ, jointly with one or more of such agencies or departments, auditors, examiners, inspectors, and other employees necessary for the administration of this chapter and employment and training services for workers in the state.

(B) The director may make the state's record relating to the administration of this chapter available to the railroad retirement board and may furnish the board at the board's expense such copies thereof as the board deems necessary for its purposes.

(C) The director may afford reasonable cooperation with every agency of the United States charged with the administration of any unemployment compensation law.

(D) The director may enter into arrangements with the appropriate agencies of other states or of the United States or Canada whereby individuals performing services in this and other states for a single employer under circumstances not specifically provided for in division (B) of section 4141.01 of the Revised Code or in similar provisions in the unemployment compensation laws of such other states shall be deemed to be engaged in employment performed entirely within this state or within one of such other states or within Canada, and whereby potential rights to benefits accumulated under the unemployment compensation laws of several states or under such a law of the United States, or both, or of Canada may constitute the basis for the payment of benefits through a single appropriate agency under terms that the director finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the
unemployment compensation fund.

(E) The director may enter into agreements with the appropriate agencies of other states or of the United States or Canada:

(1) Whereby services or wages upon the basis of which an individual may become entitled to benefits under the unemployment compensation law of another state or of the United States or Canada shall be deemed to be employment or wages for employment by employers for the purposes of qualifying claimants for benefits under this chapter, and the director may estimate the number of weeks of employment represented by the wages reported to the director for such claimants by such other agency, provided such other state agency or agency of the United States or Canada has agreed to reimburse the unemployment compensation fund for such portion of benefits paid under this chapter upon the basis of such services or wages as the director finds will be fair and reasonable as to all affected interests;

(2) Whereby the director will reimburse other state or federal or Canadian agencies charged with the administration of unemployment compensation laws with such reasonable portion of benefits, paid under the law of such other states or of the United States or of Canada upon the basis of employment or wages for employment by employers, as the director finds will be fair and reasonable as to all affected interests. Reimbursements so payable shall be deemed to be benefits for the purpose of section 4141.09 and division (A) of section 4141.30 of the Revised Code. However, no reimbursement so payable shall be charged against any employer's account for the purposes of section 4141.24 of the Revised Code if the employer's account, under the same or similar circumstances, with respect to benefits charged under the provisions of this chapter, other than this section, would not be charged or, if the claimant at the time the claimant files the
combined wage claim cannot establish benefit rights under this chapter. This noncharging shall not be applicable to a nonprofit organization that has elected to make payments in lieu of contributions under section 4141.241 of the Revised Code, except as provided in division (D)(2) of section 4141.24 of the Revised Code. The laboratory report shall contain all of the following:

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis as described in this division;

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The immunity provided in this division also extends to an emergency medical service organization that employs an emergency medical technician-intermediate or
emergency medical technician-paramedic who withdraws blood under this section. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

As used in this division, "emergency medical technician-intermediate" and "emergency medical technician-paramedic" have the same meanings as in section 4765.01 of the Revised Code.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.
The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 5119.38 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 5119. of the Revised Code by the director of mental health and addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 5119.38 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the
court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 5119. of the Revised Code by the director of mental health and addiction services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(iii) In all cases, a fine of not less than three hundred seventy-five and not more than one thousand seventy-five dollars;

(iv) In all cases, a class five license suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from the range specified in division (A)(5) of section 4510.02 of the Revised Code. The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) or (B) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree.
The court shall sentence the offender to all of the following: 48230

   (i) If the sentence is being imposed for a violation of 48231
division (A)(1)(a), (b), (c), (d), (e), or (j) of this section, a 48232

impose the ten-day mandatory jail term under this division unless, 48234
subject to division (G)(3) of this section, it instead imposes a 48235

addition to the ten-day mandatory jail term. The cumulative jail 48240
term imposed for the offense shall not exceed six months. 48241

   In addition to the jail term or the term of house arrest with 48242
electronic monitoring or continuous alcohol monitoring or both 48243
types of monitoring and jail term, the court shall require the 48244
offender to be assessed by a community addiction services provider 48245
that is authorized by section 5119.21 of the Revised Code, subject 48246
to division (I) of this section, and shall order the offender to 48247
follow the treatment recommendations of the services provider. The 48248
purpose of the assessment is to determine the degree of the 48249
offender's alcohol usage and to determine whether or not treatment 48250
is warranted. Upon the request of the court, the services provider 48251
shall submit the results of the assessment to the court, including 48252
all treatment recommendations and clinical diagnoses related to 48253
alcohol use. 48254

   (ii) If the sentence is being imposed for a violation of 48255
division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this 48256
section, except as otherwise provided in this division, a 48257
mandatory jail term of twenty consecutive days. The court shall 48258
impose the twenty-day mandatory jail term under this division 48259
unless, subject to division (G)(3) of this section, it instead 48260
imposes a sentence under that division consisting of both a jail 48261
term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the twenty-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction service provider that is authorized by section 5119.21 of the Revised Code, subject to division (I) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than five hundred twenty-five and not more than one thousand six hundred twenty-five dollars;

The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

a jail term in addition to the sixty-day mandatory jail term. Notwithstanding the jail terms set forth in sections 2929.21 to 2929.28 of the Revised Code, the additional jail term shall not exceed one year, and the cumulative jail term imposed for the offense shall not exceed one year.

(iii) In all cases, notwithstanding the fines set forth in Chapter 2929. of the Revised Code, a fine of not less than eight hundred fifty and not more than two thousand seven hundred fifty dollars;

The court may grant limited driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(v) In all cases, if the vehicle is registered in the offender's name, criminal forfeiture of the vehicle involved in the offense in accordance with section 4503.234 of the Revised Code. Division (G)(6) of this section applies regarding any vehicle that is subject to an order of criminal forfeiture under this division.

(3) If an offender is sentenced to a jail term under division (G)(1)(b)(i) or (ii) or (G)(1)(c)(i) or (ii) of this section and if, within sixty days of sentencing of the offender, the court issues a written finding on the record that, due to the unavailability of space at the jail where the offender is required to serve the term, the offender will not be able to begin serving that term within the sixty-day period following the date of sentencing, the court may impose an alternative sentence under this division that includes a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring.

If division (A)(7) of that section requires that the court impose as a condition of the privileges that the offender must display on the vehicle that is driven subject to the privileges restricted license plates that are issued under section 4503.231 of the Revised Code, except as provided in division (B) of that section, the court shall impose that condition as one of the conditions of the limited driving privileges granted to the offender, except as provided in division (B) of section 4503.231 of the Revised Code.

(5) Fines imposed under this section for a violation of division (A) of this section shall be distributed as follows:

The agency shall use this share to pay only those costs it incurs in enforcing this section or a municipal OVI ordinance and in informing the public of the laws governing the operation of a vehicle while under the influence of alcohol, the dangers of the operation of a vehicle under the influence of alcohol, and other information relating to the operation of a vehicle under the influence of alcohol and the consumption of alcoholic beverages.

(b) Fifty dollars of the fine imposed under division (G)(1)(a)(iii) of this section shall be paid to the political subdivision that pays the cost of housing the offender during the offender's term of incarceration. If the offender is being sentenced for a violation of division (A)(1)(a), (b), (c), (d), (e), or (j) of this section and was confined as a result of the offense prior to being sentenced for the offense but is not sentenced to a term of incarceration, the fifty dollars shall be paid to the political subdivision that paid the cost of housing the offender during that period of confinement. The political subdivision shall use the share under this division to pay or reimburse incarceration or treatment costs it incurs in housing or providing drug and alcohol treatment to persons who violate this section or a municipal OVI ordinance, costs of any immobilizing or disabling device used on the offender's vehicle, and costs of electronic house arrest equipment needed for persons who violate...
this section.

(c) Twenty-five dollars of the fine imposed under division (G)(1)(a)(iii) and fifty dollars of the fine imposed under division (G)(1)(b)(iii) of this section shall be deposited into the county or municipal indigent drivers' alcohol treatment fund under the control of that court, as created by the county or municipal corporation under division (F) of section 4511.191 of the Revised Code.

If the court in which the
offender was convicted does not have a special projects fund that is established under division (E)(1) of section 2303.201, division (B)(1) of section 1901.26, or division (B)(1) of section 1907.24 of the Revised Code, the fifty dollars shall be deposited into the indigent drivers interlock and alcohol monitoring fund under division (I) of section 4511.191 of the Revised Code.

(g) The balance of the fine imposed under division (G)(1)(a)(iii), (b)(iii), (c)(iii), (d)(iii), or (e)(iii) of this section shall be disbursed as otherwise provided by law.

(6) If title to a motor vehicle that is subject to an order of criminal forfeiture under division (G)(1)(c), (d), or (e) of this section is assigned or transferred and division (B)(2) or (3) of section 4503.234 of the Revised Code applies, in addition to or independent of any other penalty established by law, the court may fine the offender the value of the vehicle as determined by publications of the national automobile dealers association. The proceeds of any fine so imposed shall be distributed in accordance with division (C)(2) of that section.

(7) In all cases in which an offender is sentenced under division (G) of this section, the offender shall provide the court with proof of financial responsibility as defined in section 4509.01 of the Revised Code. If the offender fails to provide that proof of financial responsibility, the court, in addition to any other penalties provided by law, may order restitution pursuant to
section 2929.18 or 2929.28 of the Revised Code in an amount not exceeding five thousand dollars for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during, or after committing the offense for which the offender is sentenced under division (G) of this section.

(8) As used in division (G) of this section, "electronic monitoring," "mandatory prison term," and "mandatory term of local incarceration" have the same meanings as in section 2929.01 of the Revised Code.

(H) Whoever violates division (B) of this section is guilty of operating a vehicle after underage alcohol consumption and shall be punished as follows:

(1) Except as otherwise provided in division (H)(2) of this section, the offender is guilty of a misdemeanor of the fourth degree. In addition to any other sanction imposed for the offense, the court shall impose a class six suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(6) of section 4510.02 of the Revised Code.

(2) If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one or more violations of division (A) or (B) of this section or other equivalent offenses, the offender is guilty of a misdemeanor of the third degree. In addition to any other sanction imposed for the offense, the court shall impose a class four suspension of the offender's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege from the range specified in division (A)(4) of section 4510.02 of the Revised Code.
(3) If the offender also is convicted of or also pleads guilty to a specification of the type described in section 2941.1416 of the Revised Code and if the court imposes a jail term for the violation of division (B) of this section, the court shall impose upon the offender an additional definite jail term pursuant to division (E) of section 2929.24 of the Revised Code.

(4) The offender shall provide the court with proof of financial responsibility as defined in section 4509.01 of the Revised Code. If the offender fails to provide that proof of financial responsibility, then, in addition to any other penalties provided by law, the court may order restitution pursuant to section 2929.28 of the Revised Code in an amount not exceeding five thousand dollars for any economic loss arising from an accident or collision that was the direct and proximate result of the offender's operation of the vehicle before, during, or after committing the violation of division (B) of this section.

(I)(1) No court shall sentence an offender to an alcohol treatment program under this section unless the treatment program complies with the minimum standards for alcohol treatment programs adopted under Chapter 5119. of the Revised Code by the director of mental health and addiction services.

(2) An offender who stays in a drivers' intervention program or in an alcohol treatment program under an order issued under this section shall pay the cost of the stay in the program. However, if the court determines that an offender who stays in an alcohol treatment program under an order issued under this section is unable to pay the cost of the stay in the program, the court may order that the cost be paid from the court's indigent drivers' alcohol treatment fund.

(J) If a person whose driver's or commercial driver's license or permit or nonresident operating privilege is suspended under this section files an appeal regarding any aspect of the person's
trial or sentence, the appeal itself does not stay the operation of the suspension.

(K) Division (A)(1)(j) of this section does not apply to a person who operates a vehicle, streetcar, or trackless trolley while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(L) The prohibited concentrations of a controlled substance or a metabolite of a controlled substance listed in division (A)(1)(j) of this section also apply in a prosecution of a violation of division (D) of section 2923.16 of the Revised Code in the same manner as if the offender is being prosecuted for a prohibited concentration of alcohol.

(M) All terms defined in section 4510.01 of the Revised Code apply to this section. If the meaning of a term defined in section 4510.01 of the Revised Code conflicts with the meaning of the same term as defined in section 4501.01 or 4511.01 of the Revised Code, the term as defined in section 4510.01 of the Revised Code applies to this section.

(N)(1) The Ohio Traffic Rules in effect on January 1, 2004, as adopted by the supreme court under authority of section 2937.46 of the Revised Code, do not apply to felony violations of this section. Subject to division (N)(2) of this section, the Rules of Criminal Procedure apply to felony violations of this section.
(2) If, on or after January 1, 2004, the supreme court modifies the Ohio Traffic Rules to provide procedures to govern felony violations of this section, the modified rules shall apply to felony violations of this section.

section 4561.34 of the Revised Code. The replacement of an
existing structure or object of natural growth with, respectively,
a structure or object that is not more than ten feet or twenty per-
cent higher than the height of the existing structure or object,
whichever is higher, does not constitute commencing to install a
structure or object, except when any part of the structure or

conical surface, primary surface, approach surface, or
transitional surface. Such replacement of a like structure or

into or through any airport's clear zone surface, horizontal
surface, conical surface, primary surface, approach surface, or
transitional surface navigable airspace, and for which
installation had commenced or which was already installed prior to
October 15, 1991, without first obtaining a permit from the
department under section 4561.34 of the Revised Code. This
division does not exempt the structure or object from any other
requirements of state or local law.

(3) No person shall substantially change, as determined by
the department, the height or location of any structure or object
of natural growth for which a permit was issued pursuant to
section 4561.34 of the Revised Code, without first obtaining an
amended permit from the department under that section.

(B) No person shall install, erect, construct, establish,
operate, or maintain any structure or object of natural growth for
which a permit has been issued under section 4561.34 of the Revised Code, except in compliance with the permit's terms and conditions and with any rules or orders issued under sections 4561.30 to 4561.39 of the Revised Code this chapter.

(E) Any person who receives a certificate from the power siting board pursuant to section 4906.03 or 4906.10 of the Revised Code on or after October 15, 1991, is not required to apply for a permit from the department under sections 4561.30 to 4561.39 of the Revised Code this chapter.

the federal aviation administration, pursuant to 14 C.F.R. Part 77, does not determine that the proposed construction, establishment, substantial change, or substantial alteration of the structure or object of natural growth would be a hazard to air navigation.

(G)(1) Whoever violates division (A)(1) or (2) of this section is guilty of a misdemeanor of the third degree. Each day of violation constitutes a separate offense.

(2)(F) Whoever violates division (A)(3) or (B) of this section is guilty of a misdemeanor of the first degree. Each day of violation constitutes a separate offense.

The rules shall provide that the department may grant a permit under section 4561.34 of the Revised Code that includes a waiver from full compliance with the obstruction standards. The rules shall also provide that the department shall base its decision on whether to grant such a waiver on sound aeronautic principles, as set out in F.A.A. technical manuals, as amended, including advisory circular 150/5300-13, "airport design standards"; 7400.2c, "airspace procedures handbook,"; and the U.S. terminal procedures handbook.

(B) The department may conduct any studies or investigations it considers necessary to carry out sections 4561.30 to 4561.31 to

(2) A statement explaining the need for the structure or object;

(3) A statement of the reasons why the proposed location is best suited for the structure or object;

(4) Any additional information the applicant considers relevant or the department requires.

(2) If the office of aviation requires the submission of an application in addition to the submission of form 7460-1, file a completed application with the office of aviation in the form and containing the information required by the office of aviation.
The applicant also shall pay any applicable fees at the time the applicant submits the form, application, or both, as applicable.

The time period within which an application must be submitted may be waived at the discretion of the administrator of the office of aviation for unforeseen emergencies.

(B) An applicant for an amended permit shall file a completed application with the office of aviation if the applicant has received notice of the denial of a permit from the office. The applicant shall submit the application in the form and containing the information required by the office of aviation not less than thirty days nor more than two years prior to the planned date of commencement of installation or substantial change. This period may be waived by the department for unforeseen emergencies.

If the individual or owner fails to request a hearing or enter into a consent agreement thirty days
after the date the board, in accordance with section 119.07 of the Revised Code and division (J) of this section, notifies the individual or owner of the board's intent to act against the individual or owner under division (A) of this section, the board by a majority vote of a quorum of the board members may take the action against the individual or owner without holding an adjudication hearing.

(H) The board, after a hearing in accordance with Chapter 119. of the Revised Code or pursuant to a consent agreement, may suspend a license, permit, or registration if the licensee, permit holder, or registrant fails to correct an unsafe condition that exists in violation of the board's rules or fails to cooperate in an inspection. If a violation of this chapter or rules adopted under it has resulted in a condition reasonably believed by an inspector to create an immediate danger to the health and safety of any individual using the facility, the inspector may suspend the license or permit of the facility or the individual responsible for the violation without a prior hearing until the condition is corrected or until a hearing in accordance with Chapter 119. of the Revised Code is held or a consent agreement is entered into and the board either upholds the suspension or reinstates the license, permit, or registration.

(I) The board shall not take disciplinary action against an individual licensed to operate a salon or school of cosmetology for a violation of this chapter that was committed by an individual licensed to practice a branch of cosmetology, while practicing within the salon or school, when the individual's actions were beyond the control of the salon owner or school.

The board may require as a condition of its acceptance of an examination that the examination cover subject matters in addition to those specified in division (B) of this section, if the schools of optometry it approves under section 4725.10 of the Revised Code include the additional subject matters in their prescribed curriculum.

(D) The board shall accept direct delivery of the results of the licensing examination from the testing organization administering the examination. The results shall be kept as a permanent part of the board's records maintained pursuant to section 4725.07 4744.12 of the Revised Code.

(E) On request of any person seeking to practice optometry in this state, the board shall provide information on the licensing examination accepted by the board, including requirements that

B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state board of optometry vision and hearing professionals board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4725.13 or 4725.18 of the Revised Code.

Sec. 4725.13. (A) The state board of optometry vision and hearing professionals board, by an affirmative vote of a majority of its members, shall issue certificates under its seal as follows:

(4) Every applicant who, on or after May 19, 1992, passes all parts of the licensing examination accepted by the board under section 4725.11 of the Revised Code and otherwise complies with the requirements of sections 4725.01 to 4725.34 of the Revised Code shall receive from the board a certificate of licensure authorizing the holder to engage in the practice of optometry as provided in division (A)(1) of section 4725.01 of the Revised Code and a separate therapeutic pharmaceutical agents certificate authorizing the holder to engage in the practice of optometry as provided in division (A)(3) of that section.

(B) Each person to whom a certificate is issued pursuant to this section by the board shall keep the certificate displayed in a conspicuous place in the location at which that person practices optometry and shall whenever required exhibit the certificate to any member or agent of the board. If an optometrist practices outside of or away from the location at which the optometrist's certificate of licensure is displayed, the optometrist shall deliver to each person examined or fitted with optical accessories by the optometrist, a receipt signed by the optometrist in which the optometrist shall set forth the amounts charged, the optometrist's post-office address, and the number assigned to the optometrist's certificate of licensure. (C) A person who, on May 19, 1992, holds a valid certificate of licensure or topical ocular pharmaceutical agents certificate issued by the board may continue to engage in the practice of optometry as provided by the certificate of licensure or topical ocular pharmaceutical agents certificate if the person continues
to comply with sections 4725.01 to 4725.34 of the Revised Code as required by the certificate of licensure or topical ocular pharmaceutical agents certificate.

Sec. 4725.15. If the state board of optometry vision and hearing professionals board receives notice under division (D) of section 4725.11 of the Revised Code that an applicant has failed four times the licensing examination or part of the examination that must be passed pursuant to section 4725.12 or 4725.14 of the Revised Code, the board shall not give further consideration to the application until the applicant completes thirty hours of remedial training approved by the board in the specific subject area or areas covered by the examination or part of the examination that was failed.

Sec. 4725.16. (A)(1) Each certificate of licensure for the practice of optometry, topical ocular pharmaceutical agents certificate, and therapeutic pharmaceutical agents certificate issued by the state board of optometry vision and hearing professionals board shall expire annually on the last day of December, and may be renewed in accordance with this section and the standard renewal procedure established under Chapter 4745. of the Revised Code.

(2) An optometrist seeking to continue to practice optometry shall file with the board an application for license renewal. The application shall be in such form and require such pertinent professional biographical data as the board may require.

(3)(a) Except as provided in division (A)(3)(b) of this section, in the case of an optometrist seeking renewal who holds a therapeutic pharmaceutical agents certificate and who prescribes or personally furnishes analgesic controlled substances authorized pursuant to section 4725.091 of the Revised Code that are opioid
analgesics, as defined in section 3719.01 of the Revised Code, the optometrist shall certify to the board whether the optometrist has been granted access to the drug database established and maintained by the state board of pharmacy pursuant to section 4729.75 of the Revised Code.

(b) The requirement in division (A)(3)(a) of this section does not apply if any of the following is the case:

(i) The state board of pharmacy notifies the state board of optometry vision and hearing professionals board pursuant to section 4729.861 of the Revised Code that the certificate holder has been restricted from obtaining further information from the drug database.

(ii) The state board of pharmacy no longer maintains the drug database.

(iii) The certificate holder does not practice optometry in this state.

(c) If an optometrist certifies to the state board of optometry vision and hearing professionals board that the optometrist has been granted access to the drug database and the board finds through an audit or other means that the optometrist has not been granted access, the board may take action under section 4725.19 of the Revised Code.

(B) All licensed optometrists shall annually complete continuing education in subjects relating to the practice of optometry, to the end that the utilization and application of new techniques, scientific and clinical advances, and the achievements of research will assure comprehensive care to the public. The board shall prescribe by rule the continuing optometric education that licensed optometrists must complete. The length of study shall be twenty-five clock hours each year, including ten clock hours of instruction in pharmacology to be completed by all
licensed optometrists.

Unless the continuing education required under this division is waived or deferred under division (D) of this section, the continuing education must be completed during the twelve-month period beginning on the first day of October and ending on the last day of September. If the board receives notice from a continuing education program indicating that an optometrist completed the program after the last day of September, and the optometrist wants to use the continuing education completed after that day to renew the license that expires on the last day of December of that year, the optometrist shall pay the penalty specified under section 4725.34 of the Revised Code for late completion of continuing education.

At least once annually, the board shall post on its web site and shall mail, or send by electronic mail, to each licensed optometrist a list of courses approved in accordance with standards prescribed by board rule. Upon the request of a licensed optometrist, the executive director of the board shall supply a list of additional courses that the board has approved subsequent to the most recent web site posting, electronic mail transmission, or mailing of the list of approved courses.

(C)(1) Annually, not later than the first day of November, the board shall mail or send by electronic mail a notice regarding license renewal to each licensed optometrist who may be eligible for renewal. The notice shall be sent to the optometrist's most recent electronic mail or mailing address shown in the board's records. If the board knows that the optometrist has completed the required continuing optometric education for the year, the board may include with the notice an application for license renewal.

(2) Filing a license renewal application with the board shall serve as notice by the optometrist that the continuing optometric education requirement has been successfully completed. If the
board finds that an optometrist has not completed the required continuing optometric education, the board shall disapprove the optometrist's application. The board's disapproval of renewal is effective without a hearing, unless a hearing is requested pursuant to Chapter 119. of the Revised Code.

(3) The board shall refuse to accept an application for renewal from any applicant whose license is not in good standing or who is under disciplinary review pursuant to section 4725.19 of the Revised Code.

(D) In cases of certified illness or undue hardship, the board may waive or defer for up to twelve months the requirement of continuing optometric education, except that in such cases the board may not waive or defer the continuing education in pharmacology required to be completed by optometrists who hold topical ocular pharmaceutical agents certificates or therapeutic pharmaceutical agents certificates. The board shall waive the requirement of continuing optometric education for any optometrist who is serving on active duty in the armed forces of the United States or a reserve component of the armed forces of the United States, including the Ohio national guard or the national guard of any other state or who has received an initial certificate of licensure during the nine-month period which ended on the last day of September.

The notice shall be sent to the optometrist's most recent electronic mail or mailing address shown in the board's records. If an optometrist fails to file a renewal application after the second notice is sent, the board shall send a third notice regarding license renewal prior to any action under division (I) of this section to classify the optometrist's certificates as delinquent.

(G) The failure of an optometrist to apply for license renewal or the failure to pay the applicable annual renewal fees on or before the date of expiration, shall automatically work a forfeiture of the optometrist's authority to practice optometry in this state.

(H) The board shall accept renewal applications and renewal fees that are submitted from the first day of January to the last day of April of the year next succeeding the date of expiration. An individual who submits such a late renewal application or fee shall pay the late renewal fee specified in section 4725.34 of the Revised Code.

(I)(1) If the certificates issued by the board to an individual have expired and the individual has not filed a complete application during the late renewal period, the individual's certificates shall be classified in the board's records as delinquent.

The board may not accept an application submitted after the applicant's certificate of licensure and any

that are investigating alleged professional misconduct and with law enforcement agencies and other governmental agencies that are investigating or prosecuting alleged criminal offenses. A board or agency that receives the information shall comply with the same requirements regarding confidentiality as those with which the state board of optometry vision and hearing professionals board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the board or agency that applies when the board or agency is dealing with other information in its possession. The information may be admitted into evidence in a criminal trial in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about persons whose confidentiality was protected by the state board of optometry vision and hearing professionals board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

Sec. 4725.24. If the secretary of the state board of optometry vision and hearing professionals board and the board's supervising member of investigations determine that there is clear and convincing evidence that an optometrist has violated division (B) of section 4725.19 of the Revised Code and that the optometrist's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend without a prior hearing the optometrist's certificate of licensure and any other certificates held by the optometrist.

Written allegations shall be prepared for consideration by the full board.

The board, upon review of those allegations and by an affirmative vote of three members other than the secretary and
supervising member may order the suspension without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to section 4725.19 of the Revised Code and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. A failure to issue the order within sixty days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

Sec. 4725.26. Division (A) of section 4725.02 of the Revised Code does not apply to the following:

(A) Physicians authorized to practice medicine and surgery or osteopathic medicine and surgery under Chapter 4731. of the Revised Code;

(B) Persons who sell optical accessories but do not assume to adapt them to the eye, and neither practice nor profess to practice optometry;

(C) An instructor in a school of optometry that is located in
this state and approved by the state board of optometry vision and hearing professionals board under section 4725.10 of the Revised Code who holds a valid current license to practice optometry from a licensing body in another jurisdiction and limits the practice of optometry to the instruction of students enrolled in the school.

(D) A student enrolled in a school of optometry, located in this or another state and approved by the board under section 4725.10 of the Revised Code, while the student is participating in this state in an optometry training program provided or sponsored by the school, if the student acts under the direct, personal supervision and control of an optometrist licensed by the board or authorized to practice pursuant to division (C) of this section.

(E) An individual who is licensed or otherwise specifically authorized by the Revised Code to engage in an activity that is included in the practice of optometry.

Sec. 4725.27. The testimony and reports of an optometrist licensed by the state board of optometry vision and hearing professionals board under this chapter shall be received by any state, county, municipal, school district, or other public board, body, agency, institution, or official and by any private educational or other institution receiving public funds as competent evidence with respect to any matter within the scope of the practice of optometry. No such board, body, agency, official, or institution shall interfere with any individual's right to a free choice of receiving services from either an optometrist or a
physician. No such board, body, agency, official, or institution shall discriminate against an optometrist performing procedures that are included in the practice of optometry as provided in division (A)(2) or (3) of section 4725.01 of the Revised Code if the optometrist is licensed under this chapter to perform those procedures.

Sec. 4725.28. (A) As used in this section, "supplier" means any person who prepares or sells optical accessories or other vision correcting items, devices, or procedures.

(B) A licensed optometrist, on completion of a vision examination and diagnosis, shall give each patient for whom the optometrist prescribes any vision correcting item, device, or procedure, one copy of the prescription, without additional charge to the patient. The prescription shall include the following:

(1) The date of its issuance;

(2) Sufficient information to enable the patient to obtain from the supplier of the patient's choice, the optical accessory or other vision correcting item, device, or procedure that has been prescribed;

(C) Any supplier who fills a prescription for contact lenses furnished by an optometrist shall furnish the patient with written recommendations to return to the prescribing optometrist for evaluation of the contact lens fitting.

(D) Any supplier, including an optometrist who is a supplier, may advertise to inform the general public of the price that the supplier charges for any vision correcting item, device, or
procedure. Any such advertisement shall specify the following:

(1) Whether the advertised item includes an eye examination;

(2) In the case of lenses, whether the price applies to single-vision or multifocal lenses;

(3) In the case of contact lenses, whether the price applies to rigid or soft lenses and whether there is an additional charge related to the fitting and determination of the type of contact lenses to be worn that is not included in the price of the eye examination.

(E) The state board of optometry vision and hearing professionals board shall not adopt any rule that restricts the right to advertise as permitted by division (D) of this section.

(F) Any municipal corporation code, ordinance, or regulation or any township resolution that conflicts with a supplier's right to advertise as permitted by division (D) of this section is superseded by division (D) of this section and is invalid. A municipal corporation code, ordinance, or regulation or a township resolution conflicts with division (D) of this section if it restricts a supplier's right to advertise as permitted by division (D) of this section.

Sec. 4725.29. (A) As used in this section:

(1) "Regional advertisement" means an advertisement published in more than one metropolitan statistical area in this state or broadcast by radio or television stations in more than one metropolitan statistical area in this state.

Sec. 4725.31. An optometrist licensed by the state board of optometry vision and hearing professionals board shall promptly report to the board any instance of a clinically significant drug-induced side effect in a patient due to the optometrist's administering, employing, applying, or prescribing a topical ocular or therapeutic pharmaceutical agent to or for the patient. The board, by rule adopted in accordance with Chapter 119. of the Revised Code, shall establish reporting procedures and specify the types of side effects to be reported. The information provided to the board shall not include the name of or any identifying information about the patient.

Sec. 4725.33. chapter, another chapter of the Revised Code, or rules of the
state board of optometry vision and hearing professionals board

Sec. 4725.41. Beginning one year after March 22, 1979, no person shall engage in optical dispensing or hold himself out as being engaged in optical dispensing, except as authorized under section 4725.47 of the Revised Code, unless he has fulfilled the requirements of sections 4725.48 to 4725.51 of the Revised Code and has been certified as a licensed dispensing optician by the Ohio optical dispensers state vision and hearing professionals board.

No person shall engage in the designing, fabricating, and fitting of an artificial eye or of prostheses associated with the appearance or function of the human eye unless he is licensed as an ocularist under to sections 4725.48 to 4725.51 of the Revised Code.

Section 4725.44. (A) The Ohio optical dispensers state vision and hearing professionals board shall be responsible for the administration of sections 4725.40 to 4725.59 of the Revised Code and, in particular, shall process applications for licensure as licensed dispensing opticians and oculists; schedule, administer, and supervise the qualifying examinations for licensure or contract with a testing service to schedule, administer, and supervise the qualifying examination for licensure; issue licenses to qualified individuals; and revoke and suspend licenses; and maintain adequate records with respect to its operations and responsibilities.

(B) The board shall adopt, amend, or rescind rules, pursuant to Chapter 119. of the Revised Code, for the licensure of dispensing opticians and oculists, and such other rules as are required by or necessary to carry out the responsibilities imposed by sections 4725.40 to 4725.59 of the Revised Code, including rules establishing criminal records check requirements under section 4776.03 of the Revised Code and rules establishing disqualifying offenses for licensure as a dispensing optician or certification as an apprentice dispensing optician pursuant to sections 4725.48, 4725.52, 4725.53, and 4776.10 of the Revised Code.
The board shall have no authority to adopt rules governing the employment of dispensing opticians, the location or number of optical stores, advertising of optical products or services, or the manner in which optical products can be displayed.

**Sec. 4725.48.** (A) Any person who desires to engage in optical dispensing, except as provided in section 4725.47 of the Revised Code, shall file a properly completed written application for an examination with the Ohio optical dispensers state vision and hearing professionals board or with the testing service the board has contracted with pursuant to section 4725.49 of the Revised Code. The application for examination shall be made on a form provided by the board or testing service and shall be accompanied by an examination fee the board shall establish by rule. Applicants must return the application to the board or testing service at least sixty days prior to the date the examination is scheduled to be administered.

(B) Except as provided in section 4725.47 of the Revised Code, any person who desires to engage in optical dispensing shall file a properly completed written application for a license with the board with a licensure application fee of fifty dollars.

No person shall be eligible to apply for a license under this division, unless the person is at least eighteen years of age, is free of contagious or infectious disease, has received a passing score, as determined by the board, on the examination administered under division (A) of this section, is a graduate of an accredited high school of any state, or has received an equivalent education and has successfully completed either of the following:

(C) Any person who desires to obtain a license to practice as an ocularist shall file a properly completed written application with the board accompanied by the appropriate fee and proof that the applicant has met the requirements for licensure. The board shall establish, by rule, the application fee and the minimum requirements for licensure, including education, examination, or experience standards recognized by the board as national standards for ocularists. The board shall issue a license to practice as an ocularist to an applicant who satisfies the requirements of this division and rules adopted pursuant to this division.

(D)(1) Subject to divisions (D)(2), (3), and (4) of this section, the board shall not adopt, maintain, renew, or enforce any rule that precludes an individual from receiving or renewing a license as a dispensing optician issued under sections 4725.40 to 4725.59 of the Revised Code due to any past criminal activity or interpretation of moral character, unless the individual has committed a crime of moral turpitude or a disqualifying offense as those terms are defined in section 4776.10 of the Revised Code. If the board denies an individual a license or license renewal, the reasons for such denial shall be put in writing.

(2) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded
guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use its discretion in granting or denying the individual a license. Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the board may use its discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to the effective date of this amendment September 28, 2012, was required or authorized to deny the application based on that offense.

In all other circumstances, the board shall follow the procedures it adopts by rule that conform to division (D)(1) of this section.

(3) In considering a renewal of an individual's license, the board shall not consider any conviction or plea of guilty prior to the initial licensing. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(4) The board may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(E) The board, subject to the approval of the controlling board, may establish examination fees in excess of the amount established by rule pursuant to this section, provided that such fees do not exceed those amounts established in rule by more than fifty per cent.

Sec. 4725.49. (A) The Ohio optical dispensers state vision
and hearing professionals board may provide for the examination of applicants by designing, preparing, and administering the qualifying examinations or by contracting with a testing service that is nationally recognized as being capable of determining competence to dispense optical aids as a licensed spectacle dispensing optician, a licensed contact lens dispensing optician, or a licensed spectacle-contact lens dispensing optician. Any examination used shall be designed to measure specific performance requirements, be professionally constructed and validated, and be independently and objectively administered and scored in order to determine the applicant's competence to dispense optical aids.

(B) The board shall ensure that it, or the testing service it contracts with, does all of the following:

1. Provides public notice as to the date, time, and place for each examination at least ninety days prior to the examination;

2. Offers each qualifying examination at least twice each year in Columbus, except as provided in division (C) of this section;

3. Provides to each applicant all forms necessary to apply for examination;

4. Provides all materials and equipment necessary for the applicant to take the examination.

(C) If the number of applicants for any qualifying examination is less than ten, the examination may be postponed. The board or testing service shall provide the applicant with written notification of the postponement and of the next date the examination is scheduled to be administered.

(D) No limitation shall be placed upon the number of times that an applicant may repeat any qualifying examination, except that, if an applicant fails an examination for a third time, the
board may require that the applicant, prior to retaking the
examination, undergo additional study in the areas of the
examination in which the applicant experienced difficulty.

Sec. 4725.50. (A) Except for a person who qualifies for
licensure as an ocularist, each person who qualifies for licensure
under sections 4725.40 to 4725.59 of the Revised Code shall
receive from the Ohio optical dispensers state vision and hearing
professionals board, under its seal, a certificate of licensure
entitling the person to practice as a licensed spectacle
dispensing optician, licensed contact lens dispensing optician, or
a licensed spectacle-contact lens dispensing optician. The
appropriate certificate of licensure shall be issued by the board
no later than sixty days after it has notified the applicant of
the applicant's approval for licensure.

(B) Each licensed dispensing optician shall display the
licensed dispensing optician's certificate of licensure in a
conspicuous place in the licensed dispensing optician's office or
place of business. If a licensed dispensing optician maintains
more than one office or place of business, the licensed dispensing
optician shall display a duplicate copy of such certificate at
each location. The board shall issue duplicate copies of the
appropriate certificate of licensure for this purpose upon the
filing of an application form therefor and the payment of a
five-dollar fee for each duplicate copy.

Sec. 4725.501. (A) As used in this section, "license" and
"applicant for an initial license" have the same meanings as in
section 4776.01 of the Revised Code, except that "license" as used
in both of those terms refers to the types of authorizations
otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set
forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The Ohio optical dispensers state vision and hearing professionals board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4725.50 or 4725.57 of the Revised Code.

Sec. 4725.51. (A)(1) Each license issued under sections 4725.40 to 4725.59 of the Revised Code shall expire on the first day of January in the year after it was issued. Each person holding a valid, current license may apply to the Ohio optical dispensers state vision and hearing professionals board for the extension of the license under the standard renewal procedures of Chapter 4745. of the Revised Code. Each application for renewal shall be accompanied by a renewal fee the board shall establish by rule. In addition, except as provided in division (A)(2) of this section, the application shall contain evidence that the applicant has completed continuing education within the immediately preceding one-year period as follows:

(a) Licensed spectacle dispensing opticians shall have pursued both of the following, approved by the board:

(i) Four hours of study in spectacle dispensing;

(ii) Two hours of study in contact lens dispensing.

(b) Licensed contact lens dispensing opticians shall have pursued eight hours of study in contact lens dispensing, approved by the board.

(c) Licensed spectacle-contact lens dispensing opticians shall have pursued both of the following, approved by the board:
(i) Four hours of study in spectacle dispensing;

(ii) Eight hours of study in contact lens dispensing.

(d) Licensed ocularists shall have pursued courses of study as prescribed by rule of the board.

(2) An application for the initial renewal of a license issued under sections 4725.40 to 4725.55 of the Revised Code is not required to contain evidence that the applicant has completed the continuing education requirements of division (A)(1) of this section.

(B) No person who fails to renew the person's license under division (A) of this section shall be required to take a qualifying examination under section 4725.48 of the Revised Code as a condition of renewal, provided that the application for renewal and proof of the requisite continuing education hours are submitted within ninety days from the date the license expired and the applicant pays the annual renewal fee and a penalty of seventy-five dollars. The board may provide, by rule, for an extension of the grace period for licensed dispensing opticians who are serving in the armed forces of the United States or a reserve component of the armed forces of the United States, including the Ohio national guard or the national guard of any other state and for waiver of the continuing education requirements or the penalty in cases of hardship or illness.

(C) The board shall approve continuing education programs and shall adopt rules as necessary for approving the programs. The rules shall permit programs to be conducted either in person or through electronic or other self-study means. Approved programs shall be scheduled, sponsored, and conducted in accordance with the board's rules.

(D) Any license given a grandfathered issuance or renewal between March 22, 1979, and March 22, 1980, shall be renewed in
accordance with this section.

Sec. 4725.52. Any licensed dispensing optician may supervise a maximum of three apprentices who shall be permitted to engage in optical dispensing only under the supervision of the licensed dispensing optician.

To serve as an apprentice, a person shall register with the Ohio optical dispensers state vision and hearing professionals board either on a form provided by the board or in the form of a statement giving the name and address of the supervising licensed dispensing optician, the location at which the apprentice will be employed, and any other information required by the board. For the duration of the apprenticeship, the apprentice shall register annually on the form provided by the board or in the form of a statement.

Each apprentice shall pay an initial registration fee of twenty dollars. For each registration renewal thereafter, each apprentice shall pay a registration renewal fee of twenty dollars.

The board shall not deny registration as an apprentice under this section to any individual based on the individual's past criminal history or an interpretation of moral character unless the individual has committed a disqualifying offense or crime of moral turpitude as those terms are defined in section 4776.10 of the Revised Code. Except as otherwise provided in this division, if an individual applying for a registration has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use its discretion in granting or denying the individual a registration. Except as otherwise provided in this division, if an individual applying for a registration has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense
less than three years prior to making the application, the board may use its discretion in granting or denying the individual a registration. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to the effective date of this amendment, September 28, 2012, was required or authorized to deny the registration based on that offense.

In all other circumstances, the board shall follow the procedures it adopts by rule that conform to this section. Revised Code. The consent or waiver is not required if the board
possesses reliable and substantial evidence that no bona fide
physician-patient relationship exists.

On request, the board may share any information it receives
pursuant to an investigation or inspection, including patient
records and patient record information, with law enforcement
agencies, other licensing boards, and other state or federal
governmental agencies that are prosecuting, adjudicating, or
investigating alleged violations of statutes or administrative
rules. An agency or board that receives the information shall

(C) Prior to entrance into the fifth pathway training
program, attained on a screening examination acceptable to the board a score satisfactory to a medical school accredited by the liaison committee on medical education;

(D) Successfully completed one academic year of fifth pathway training at a hospital affiliated with a medical school accredited by the liaison committee on medical education.

Sec. 4731.10. Upon the request of a person who holds a license or certificate to practice in this state pursuant to Chapter 4731. of the Revised Code issued under this chapter and is seeking licensure in another state, the state medical board shall provide verification of the person's license or certificate to practice the person's profession in this state. The fee for such verification shall be fifty dollars.

Sec. 4731.14. (A) As used in this section, "graduate medical education" has the same meaning as in section 4731.091 of the Revised Code. The state medical board shall review all applications submitted under section 4731.09 or 4731.296 of the Revised Code and determine whether each applicant meets the requirements for a license to practice medicine and surgery or osteopathic medicine and surgery. An affirmative vote of not fewer than six members of the board is necessary for the board to determine that an applicant meets the requirements for a license.

(B) The state medical board shall issue its certificate to practice medicine and surgery or osteopathic medicine and surgery as follows:

(1) The board shall issue its certificate to each individual who was admitted to the board's examination by meeting the educational requirements specified in division (B)(1) or (2) of section 4731.091 of the Revised Code if the individual passes the examination, pays a certificate issuance fee of three hundred
dollars, and submits evidence satisfactory to the board that the individual has successfully completed not less than twelve months of graduate medical education or its equivalent as determined by the board.

(2) Except as provided in section 4731.142 of the Revised Code, the board shall issue its certificate to each individual who was admitted to the board's examination by meeting the educational requirements specified in division (B)(2) of section 4731.091 of the Revised Code if the individual passes the examination, pays a certificate issuance fee of three hundred dollars, submits evidence satisfactory to the board that the individual has successfully completed not less than twenty-four months of graduate medical education through the second-year level of graduate medical education or its equivalent as determined by the board, and, if the individual passed the examination prior to completing twenty-four months of graduate medical education or its equivalent, the individual continues to meet the moral character requirements for admission to the board's examination.

(C) If the board determines that the evidence submitted with an application is satisfactory and the applicant meets the requirements for a license, the board shall issue to the applicant a license to practice medicine and surgery or osteopathic medicine and surgery, as applicable. If the applicant holds a medical degree other than the degree of doctor of medicine or doctor of osteopathic medicine, the license shall indicate that the applicant is authorized to practice medicine and surgery pursuant to the laws of this state. Each certificate license issued by the board shall be signed by its president and secretary, and attested by its seal. The certificate shall be on a form prescribed by the board and shall indicate the medical degree held by the individual to whom the certificate is issued. If the individual holds the degree of doctor of medicine, the certificate shall state that the
individual is authorized to practice medicine and surgery pursuant to the laws of this state. If the individual holds the degree of doctor of osteopathic medicine, the certificate shall state that the individual is authorized to practice osteopathic medicine and surgery pursuant to the laws of this state. If the individual holds a medical degree other than the degree of doctor of medicine or doctor of osteopathic medicine, the certificate shall indicate the diploma, degree, or other document issued by the medical school or institution the individual attended and shall state that the individual is authorized to practice medicine and surgery pursuant to the laws of this state.

(C) The holder of a license to practice medicine and surgery issued under this chapter may use the titles "Dr.," "doctor," "M.D.,” or "physician." The holder of a license to practice osteopathic medicine and surgery issued under this chapter may use the titles "Dr.," "doctor," "D.O.," or "physician."

(D) The certificate shall be prominently displayed in the certificate holder's office or place where a major portion of the certificate holder's practice is conducted and shall entitle the holder to practice either medicine and surgery or osteopathic medicine and surgery provided the certificate holder maintains current registration as required by section 4731.281 of the Revised Code and provided further that such certificate has not been revoked, suspended, or limited by action of the state medical board pursuant to this chapter holder of a license issued under this section shall either provide verification of licensure status from the board's internet web site on request or prominently display a wall certificate in the license holder's office or place where the majority of the holder's practice is conducted.

(E) An affirmative vote of not less than six members of the board is required for the issuance of a certificate.
Sec. 4731.142. (A) Except as provided in division (B) of this section, an individual must demonstrate proficiency in spoken English, by passing an examination specified by the state medical board, to receive a certificate license to practice issued under section 4731.14 of the Revised Code if the individual's eligibility for the certificate license is based in part on certification from the educational commission for foreign medical graduates and fulfillment of the undergraduate requirements established by section 4731.09 of the Revised Code at an institution outside the United States. The board shall adopt rules specifying an acceptable examination and establishing the minimum score that demonstrates proficiency in spoken English.

(B) An individual is not required to demonstrate proficiency in spoken English in accordance with division (A) of this section if any of the following apply:

(1) The individual was required to demonstrate such proficiency as a condition of certification from the educational commission for foreign medical graduates;

(2) For the five years immediately preceding the date on which the applicant submitted to the board an application as described in section 4731.09 of the Revised Code, the applicant held an unrestricted license issued by another state to practice medicine and surgery or osteopathic medicine and surgery and was actively engaged in such practice in the United States;

(3) At the beginning of the five-year period preceding the date on which the applicant submitted to the board an application as described in section 4731.09 of the Revised Code, the applicant was receiving graduate medical education and, upon completion of that education, held an unrestricted license issued by another state to practice medicine and surgery or osteopathic medicine and surgery and was actively engaged in such practice in the United States;
Sec. 4731.143. (A) Each person holding a valid certificate license issued under this chapter authorizing the certificate license holder to practice medicine and surgery, osteopathic medicine and surgery, or podiatric medicine and surgery, who is not covered by medical malpractice insurance shall provide a patient with written notice of the certificate license holder's lack of that insurance coverage prior to providing nonemergency professional services to the patient. The notice shall be provided alone on its own page. The notice shall provide space for the patient to acknowledge receipt of the notice, and shall be in the following form:

"NOTICE:

Dr. ............... (here state the full name of the certificate license holder) is not covered by medical malpractice insurance.

The undersigned acknowledges the receipt of this notice.

.................................
(Patient's Signature)

.................................
(Date)"

The certificate license holder shall obtain the patient's signature, acknowledging the patient's receipt of the notice, prior to providing nonemergency professional services to the patient. The certificate license holder shall maintain the signed notice in the patient's file medical record.

(B) This section does not apply to any officer or employee of the state, as those terms are defined in section 9.85 of the Revised Code, who is immune from civil liability under section 9.86 of the Revised Code or is entitled to indemnification.
pursuant to section 9.87 of the Revised Code, to the extent that the person is acting within the scope of the person's employment or official responsibilities.

This section does not apply to a person who complies with division (B)(2) of section 2305.234 of the Revised Code.

(C) As used in this section, "medical malpractice insurance" means insurance coverage against the legal liability of the insured and against loss, damage, or expense incident to a claim arising out of the death, disease, or injury of any person as the result of negligence or malpractice in rendering professional service by any licensed physician, podiatrist, or hospital, as those terms are defined in section 2305.113 of the Revised Code.

Sec. 4731.15. (A) (1) The state medical board also shall regulate the following limited branches of medicine: massage therapy and cosmetic therapy, and to the extent specified in section 4731.151 of the Revised Code, naprapathy and mechanotherapy. The board shall adopt rules governing the limited branches of medicine under its jurisdiction. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

(2) As used in this chapter:

(a) "Cosmetic therapy" means the permanent removal of hair from the human body through the use of electric modalities approved by the board for use in cosmetic therapy, and additionally may include the systematic friction, stroking, slapping, and kneading or tapping of the face, neck, scalp, or shoulders.

(b) "Massage therapy" means the treatment of disorders of the human body by the manipulation of soft tissue through the systematic external application of massage techniques including touch, stroking, friction, vibration, percussion, kneading,
stretching, compression, and joint movements within the normal physiologic range of motion; and adjunctive thereto, the external application of water, heat, cold, topical preparations, and mechanical devices.

(B) A certificate to practice a limited branch of medicine issued by the state medical board is valid for a two-year period, except when an initial certificate is issued for a shorter period or when division (C)(2) of this section is applicable. The certificate may be renewed in accordance with division (C) of this section.

(C)(1) Except as provided in division (C)(2) of this section, all both of the following apply with respect to the renewal of certificates to practice a limited branch of medicine:

(a) Each person seeking to renew a certificate to practice a limited branch of medicine shall apply for biennial renewal with the state medical board in a manner prescribed by the board. An applicant for renewal shall pay a biennial renewal fee of one hundred dollars.

(b) At least six months one month before a certificate expires, the board shall provide a renewal notice to the certificate holder.

(c) At least three months before a certificate expires, the certificate holder shall submit the renewal application and biennial renewal fee to the board.

(2) The board shall implement a staggered renewal system that is substantially similar to the staggered renewal system the board uses under division (A) of section 4731.281 of the Revised Code.

(D) All persons who hold a certificate to practice a limited branch of medicine issued by the state medical board shall provide the board notice of any change of address. The notice shall be submitted to the board not later than thirty days after the change.
of address.

(E) A certificate to practice a limited branch of medicine shall be automatically suspended if the certificate holder fails to renew the certificate in accordance with division (C) of this section. Continued practice after the suspension of the certificate to practice shall be considered as practicing in violation of sections 4731.34 and 4731.41 of the Revised Code.

If a certificate to practice has been suspended pursuant to this division for two years or less, it may be reinstated. The board shall reinstate the certificate upon an applicant's submission of a renewal application and payment of the biennial renewal fee and the applicable monetary penalty of one hundred twenty-five dollars. With regard to reinstatement of a certificate to practice cosmetic therapy, the applicant also shall submit with the application a certification that the number of hours of continuing education necessary to have a suspended certificate reinstated have been completed, as specified in rules the board shall adopt in accordance with Chapter 119. of the Revised Code. The penalty for reinstatement shall be twenty-five dollars.

If a certificate has been suspended pursuant to this division for more than two years, it may be restored. Subject to section 4731.222 of the Revised Code, the board may restore the certificate upon an applicant's submission of a restoration application, the biennial renewal fee, and the applicable monetary penalty a restoration fee of one hundred fifty dollars and compliance with sections 4776.01 to 4776.04 of the Revised Code. The board shall not restore to an applicant a certificate to practice unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate issued pursuant to section 4731.17 of the Revised Code. The penalty for restoration is fifty dollars.
Sec. 4731.22. (A) The state medical board, by an affirmative vote of not fewer than six of its members, may limit, revoke, or suspend an individual's license or certificate to practice or certificate to recommend, refuse to grant a license or certificate to an individual, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate if the individual applying for or holding the license or certificate holder is found by the board to have committed fraud during the administration of the examination for a license or certificate to practice or to have committed fraud, misrepresentation, or deception in applying for, renewing, or securing any license or certificate to practice or certificate to recommend issued by the board.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual’s license or certificate to practice or certificate to recommend, refuse to issue a license or certificate to an individual, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

(1) Permitting one's name or one's license or certificate to practice to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment given;

(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;

(3) Except as provided in section 4731.97 of the Revised Code, selling, giving away, personally furnishing, prescribing, or...
administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug;

(4) Willfully betraying a professional confidence. For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports under sections 307.621 to 307.629 of the Revised Code to a child fatality review board; does not include providing any information, documents, or reports under sections 307.631 to 307.639 of the Revised Code to a drug overdose fatality review committee; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited
branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;
(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a license or certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a
physician of an employee's use of a drug of abuse, or of a
condition of an employee other than one involving the use of a
drug of abuse, to the employer of the employee as described in
division (B) of section 2305.33 of the Revised Code. Nothing in
this division affects the immunity from civil liability conferred
by that section upon a physician who makes either type of report
in accordance with division (B) of that section. As used in this
division, "employee," "employer," and "physician" have the same
meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and
prevailing standards of care by reason of mental illness or
physical illness, including, but not limited to, physical
deterioration that adversely affects cognitive, motor, or
perceptive skills.

In enforcing this division, the board, upon a showing of a
possible violation, may compel any individual authorized to
practice by this chapter or who has submitted an application
pursuant to this chapter to submit to a mental examination,
physical examination, including an HIV test, or both a mental and
a physical examination. The expense of the examination is the
responsibility of the individual compelled to be examined. Failure
to submit to a mental or physical examination or consent to an HIV
test ordered by the board constitutes an admission of the
allegations against the individual unless the failure is due to
circumstances beyond the individual's control, and a default and
final order may be entered without the taking of testimony or
presentation of evidence. If the board finds an individual unable
to practice because of the reasons set forth in this division, the
board shall require the individual to submit to care, counseling,
or treatment by physicians approved or designated by the board, as
a condition for initial, continued, reinstated, or renewed
authority to practice. An individual affected under this division
shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 or 4731.282 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or
of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (B)(2), (3), (6), (8), or (19) of this section;

(26) Impairment of ability to practice according to
acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure or certification to
practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license or certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the practitioner's license or certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.
(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's medical record;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the
responsibilities of collaboration after entering into a standard

care arrangement;

(33) Failure to comply with the terms of a consult agreement

entered into with a pharmacist pursuant to section 4729.39 of the

Revised Code;

(34) Failure to cooperate in an investigation conducted by

the board under division (F) of this section, including failure to

comply with a subpoena or order issued by the board or failure to

answer truthfully a question presented by the board in an

investigative interview, an investigative office conference, at a

deposition, or in written interrogatories, except that failure to

cooperate with an investigation shall not constitute grounds for

discipline under this section if a court of competent jurisdiction

has issued an order that either quashes a subpoena or permits the

individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an oriental medicine practitioner

or acupuncturist in accordance with Chapter 4762. of the Revised

Code and the board's rules for providing that supervision;

(36) Failure to supervise an anesthesiologist assistant in

accordance with Chapter 4760. of the Revised Code and the board's

rules for supervision of an anesthesiologist assistant;

(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;

(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;

(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or 2919.202 of the Revised Code;

(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;

(46) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification;

(47) Failure to comply with the requirement regarding maintaining notes described in division (B) of section 2919.191 of the Revised Code or failure to satisfy the requirements of section 2919.191 of the Revised Code prior to performing or inducing an

(51) Owning a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless that place is licensed with the classification.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.
A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea of guilty to, or judicial finding of guilty of, a violation of section 2919.123 of the Revised Code, the disciplinary action shall consist of a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilty of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section.
if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and
copy any books, accounts, papers, records, or documents, issue
subpoenas, and compel the attendance of witnesses and production
of books, accounts, papers, records, documents, and testimony,
except that a subpoena for patient record information shall not be
issued without consultation with the attorney general's office and
approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record
information, the secretary and supervising member shall determine
whether there is probable cause to believe that the complaint
filed alleges a violation of this chapter or any rule adopted
under it and that the records sought are relevant to the alleged
violation and material to the investigation. The subpoena may
apply only to records that cover a reasonable period of time
surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the
board and after reasonable notice to the person being subpoenaed,
the board may move for an order compelling the production of
persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a
sheriff, the sheriff's deputy, or a board employee designated by
the board. Service of a subpoena issued by the board may be made
by delivering a copy of the subpoena to the person named therein,
reading it to the person, or leaving it at the person's usual
place of residence, usual place of business, or address on file
with the board. When serving a subpoena to an applicant for or the
holder of a license or certificate issued under this chapter,
service of the subpoena may be made by certified mail, return
receipt requested, and the subpoena shall be deemed served on the
date delivery is made or the date the person refuses to accept
delivery. If the person being served refuses to accept the
subpoena or is not located, service may be made to an attorney who
notifies the board that the attorney is representing the person.
(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is
dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:
(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty
plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's license or certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code. In addition, the license or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing
without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which
the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

1. The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

2. An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.
(3) Failure by an individual to renew a **license or certificate** to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a **license or certificate** holder shall immediately surrender to the board a **license or certificate** that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an...
educational and assessment program pursuant to an investigation the board conducts under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.

An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program.

Sec. 4731.221. If the state medical board has reason to believe that any person who has been granted a license or certificate under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which such person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section.

If any person who has been granted a license or certificate
under this chapter is adjudged by a probate court to be mentally ill or mentally incompetent, the person's license or certificate shall be automatically suspended until such person has filed with the state medical board a certified copy of an adjudication by a probate court of the person's subsequent restoration to competency or has submitted to such board proof, satisfactory to the board, that the person has been discharged as having a restoration to competency in the manner and form provided in section 5122.38 of the Revised Code. The judge of such court shall forthwith notify the state medical board of an adjudication of mental illness or mental incompetence, and shall note any suspension of a license or certificate in the margin of the court's record of such license or certificate.

Sec. 4731.222. (A) This section applies to both of the following:

(1) An applicant seeking restoration of a license or certificate issued under this chapter that has been in a suspended or inactive state for any cause for more than two years;

(2) An applicant seeking issuance of a license or certificate pursuant to section 4731.17, 4731.29, 4731.295, 4731.57, or 4731.571 of the Revised Code who for more than two years has not been engaged in the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine as any of the following:

(a) An active practitioner;

(b) A participant in a program of graduate medical education, as defined in section 4731.091 4731.04 of the Revised Code;

(c) A student in a college of podiatry determined by the state medical board to be in good standing;

(d) A student in a school, college, or institution giving
instruction in a limited branch of medicine determined by the board to be in good standing under section 4731.16 of the Revised Code.

(B) Before restoring a license or certificate to good standing for or issuing a license or certificate to an applicant subject to this section, the state medical board may impose terms and conditions including any one or more of the following:

(1) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;

(2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;

(3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing medical evaluations and procedures in a manner that meets the minimal standards of care;

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;

(6) Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity, in accordance with section 4731.08, 4731.09, 4731.19, or 4731.52 of the Revised Code. The board shall not restore a license or certificate under this section unless the applicant
complies with sections 4776.01 to 4776.04 of the Revised Code.

Sec. 4731.223. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid license or certificate issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, or for a second or subsequent time pleads guilty to, or is subject to a judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction or guilty plea. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the license or certificate under section 4731.22 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid license or certificate issued pursuant to this chapter, on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

(1) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a felony, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a felony charge;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor committed in the course of
practice, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor, if the alleged act was committed in the course of practice;

(3) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor involving moral turpitude, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor involving moral turpitude.

The report shall include the name and address of the license or certificate holder, the nature of the offense for which the action was taken, and the certified court documents recording the action.

Sec. 4731.224. (A) Within sixty days after the imposition of any formal disciplinary action taken by any health care facility, including a hospital, health care facility operated by a health insuring corporation, ambulatory surgical center, or similar facility, against any individual holding a valid license or certificate to practice issued pursuant to this chapter, the chief administrator or executive officer of the facility shall report to the state medical board the name of the individual, the action taken by the facility, and a summary of the underlying facts leading to the action taken. Upon request, the board shall be provided certified copies of the patient records that were the basis for the facility's action. Prior to release to the board, the summary shall be approved by the peer review committee that reviewed the case or by the governing board of the facility. As used in this division, "formal disciplinary action" means any action resulting in the revocation, restriction, reduction, or termination of clinical privileges for violations of professional
ethics, or for reasons of medical incompetence, medical malpractice, or drug or alcohol abuse. "Formal disciplinary action" includes a summary action, an action that takes effect notwithstanding any appeal rights that may exist, and an action that results in an individual surrendering clinical privileges while under investigation and during proceedings regarding the action being taken or in return for not being investigated or having proceedings held. "Formal disciplinary action" does not include any action taken for the sole reason of failure to maintain records on a timely basis or failure to attend staff or section meetings.

The filing or nonfiling of a report with the board, investigation by the board, or any disciplinary action taken by the board, shall not preclude any action by a health care facility to suspend, restrict, or revoke the individual's clinical privileges.

In the absence of fraud or bad faith, no individual or entity that provides patient records to the board shall be liable in damages to any person as a result of providing the records.

(B) If any individual authorized to practice under this chapter or any professional association or society of such individuals believes that a violation of any provision of this chapter, Chapter 4730., 4760., 4762., 4774., or 4778. of the Revised Code, or any rule of the board has occurred, the individual, association, or society shall report to the board the information upon which the belief is based. This division does not require any treatment provider approved by the board under section 4731.25 of the Revised Code or any employee, agent, or representative of such a provider to make reports with respect to an impaired practitioner participating in treatment or aftercare for substance abuse as long as the practitioner maintains
participation in accordance with the requirements of section 4731.25 of the Revised Code, and as long as the treatment provider or employee, agent, or representative of the provider has no reason to believe that the practitioner has violated any provision of this chapter or any rule adopted under it, other than the provisions of division (B)(26) of section 4731.22 of the Revised Code. This division does not require reporting by any member of an impaired practitioner committee established by a health care facility or by any representative or agent of a committee or program sponsored by a professional association or society of individuals authorized to practice under this chapter to provide peer assistance to practitioners with substance abuse problems with respect to a practitioner who has been referred for examination to a treatment program approved by the board under section 4731.25 of the Revised Code if the practitioner cooperates with the referral for examination and with any determination that the practitioner should enter treatment and as long as the committee member, representative, or agent has no reason to believe that the practitioner has ceased to participate in the treatment program in accordance with section 4731.25 of the Revised Code or has violated any provision of this chapter or any rule adopted under it, other than the provisions of division (B)(26) of section 4731.22 of the Revised Code.

(C) Any professional association or society composed primarily of doctors of medicine and surgery, doctors of osteopathic medicine and surgery, doctors of podiatric medicine and surgery, or practitioners of limited branches of medicine that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the
underlying facts leading to the action taken.  

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a professional organization from taking disciplinary action against an individual.  

(D) Any insurer providing professional liability insurance to an individual authorized to practice under this chapter, or any other entity that seeks to indemnify the professional liability of such an individual, shall notify the board within thirty days after the final disposition of any written claim for damages where such disposition results in a payment exceeding twenty-five thousand dollars. The notice shall contain the following information:  

(1) The name and address of the person submitting the notification;  

(2) The name and address of the insured who is the subject of the claim;  

(3) The name of the person filing the written claim;  

(4) The date of final disposition;  

(5) If applicable, the identity of the court in which the final disposition of the claim took place.  

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for medical malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving
negligent conduct by the practicing individual.

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a health care professional or facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an individual whose practice is regulated under this chapter, or in any subsequent trial or appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing the individual or in reviewing the individual's clinical privileges. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the individual who is the subject of the reports or summaries. The individual shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that, pursuant to this section, reports to the board or refers an impaired practitioner to a treatment provider approved by the board under section 4731.25 of the Revised Code shall not be subject to suit for civil damages as a result of the report, referral, or provision of the information.
In the absence of fraud or bad faith, no professional association or society of individuals authorized to practice under this chapter that sponsors a committee or program to provide peer assistance to practitioners with substance abuse problems, no representative or agent of such a committee or program, and no member of the state medical board shall be held liable in damages to any person by reason of actions taken to refer a practitioner to a treatment provider approved under section 4731.25 of the Revised Code for examination or treatment.

Sec. 4731.225. (A) If the holder of a license or certificate issued under this chapter violates division (A), (B), or (C) of section 4731.66 or section 4731.69 of the Revised Code, or if any other person violates division (B) or (C) of section 4731.66 or section 4731.69 of the Revised Code, the state medical board, pursuant to an adjudication under Chapter 119. of the Revised Code and an affirmative vote of not fewer than six of its members, shall:

(1) For a first violation, impose a civil penalty of not more than five thousand dollars;

(2) For each subsequent violation, impose a civil penalty of not more than twenty thousand dollars and, if the violator is a license or certificate holder, proceed under division (B)(27) of section 4731.22 of the Revised Code.

(B)(1) If the holder of a license or certificate issued under this chapter violates any section of this chapter other than section 4731.281 or 4731.282 of the Revised Code or the sections specified in division (A) of this section, or violates any rule adopted under this chapter, the board may, pursuant to an adjudication under Chapter 119. of the Revised Code and an affirmative vote of not fewer than six of its members, impose a civil penalty. The amount of the civil penalty shall be determined
by the board in accordance with the guidelines adopted under
division (B)(2) of this section. The civil penalty may be in
addition to any other action the board may take under section
4731.22 of the Revised Code.

(2) The board shall adopt and may amend guidelines regarding
the amounts of civil penalties to be imposed under this section.
Adoption or amendment of the guidelines requires the approval of
not fewer than six board members.

Under the guidelines, no civil penalty amount shall exceed
twenty thousand dollars.

(C) Amounts received from payment of civil penalties imposed
under this section shall be deposited by the board in accordance
with section 4731.24 of the Revised Code. Amounts received from
payment of civil penalties imposed for violations of division
(B)(26) of section 4731.22 of the Revised Code shall be used by
the board solely for investigations, enforcement, and compliance
monitoring.

_Sec. 4731.23._ (A)(1)(a) The state medical board shall
designate one or more attorneys at law who have been admitted to
the practice of law, and who are classified as either
administrative law attorney examiners or as administrative law
attorney examiner administrators under the state job
classification plan adopted under section 124.14 of the Revised

(2) Completion of the program or course is recorded with the Ohio psychological association or the Ohio school psychologists association in accordance with rules adopted by the state behavioral health and social work board of psychology.

The state behavioral health and social work board of psychology may disapprove any program or course that has been approved by the Ohio psychological association, Ohio association of black psychologists, American psychological association, state board of education, Ohio school psychologists association, or national association of school psychologists. Such program or course may not be applied to meet the requirement of division (A) of this section.

(C) Each license holder shall be given a sufficient choice of continuing education programs or courses in psychology, including programs or courses on professional conduct and ethics when required under division (A)(2) of this section, to ensure that the license holder has had a reasonable opportunity to participate in programs or courses that are relevant to the license holder's practice in terms of subject matter and level.

(D) The board shall adopt rules providing for reductions of the hours of continuing psychology education required by this section for license holders in their first registration period.

(E) Each license holder shall retain in the license holder's records for at least three years the receipts, vouchers, or certificates necessary to document completion of continuing psychology education. Proof of continuing psychology education recorded with the Ohio psychological association or the Ohio school psychologists association in accordance with the procedures established pursuant to division (A) of this section shall serve as sufficient documentation of completion. With cause, the board may request the documentation from the license holder. The board may review any continuing psychology education records recorded by the Ohio psychological association or the Ohio school psychologists association.
(F) The board may excuse license holders, as a group or as individuals, from all or any part of the requirements of this section because of an unusual circumstance, emergency, or special hardship.

(G) The state **behavioral health and social work board of psychology** shall approve one or more continuing education courses of study that assist psychologists and school psychologists in recognizing the signs of domestic violence and its relationship to child abuse. Psychologists and school psychologists are not required to take the courses.

(H) The board may require a license holder to evidence completion of specific continuing education coursework as part of the process of registering or continuing to register a person working under the license holder's supervision under division (B) of section 4732.22 of the Revised Code and conducting psychological or psychological work or training supervision. Procedures for the completion, verification, and documentation of such continuing education shall be specified in rules adopted by the board. A license holder completing this continuing education may receive credit toward the four-hour requirement in division (A)(1) of this section during the next continuing education period following the completion of this continuing education.

**Sec. 4732.142.** (A) The holder of a license issued under this chapter who retires from the practice of psychology or school psychology may request during the biennial license registration process that the license holder's license be placed in "licensed psychologist-retired" or "licensed school psychologist-retired" status. Once the license is placed in retired status, the license holder shall not practice psychology or school psychology in this state. A license holder selecting this status shall pay to the state **behavioral health and social work board of psychology** a fee
of fifty dollars.

(B) Procedures for reinstating a retired license shall be established in rules adopted by the board.

Sec. 4732.151. The state behavioral health and social work board of psychology shall charge a fee of forty dollars to a license holder of a license issued under this chapter for the written verification of licensure status, including verification of the date of licensure, the presence or absence of a history of disciplinary action, and the expiration date of the license.

Sec. 4732.16. (A) The state behavioral health and social work board of psychology shall investigate alleged violations of this chapter or the rules adopted under it. Each investigation shall be assigned by the executive director or designated investigator to one of the members of the board who shall serve as the supervising member of the investigation.

As part of its conduct of investigations, the board may examine witnesses, administer oaths, and issue subpoenas, except that the board may not compel the attendance of the respondent in an investigation. A subpoena for patient record information may be issued only if the supervising member, executive director, secretary, and an attorney from the office of the attorney general determine that there is probable cause to believe that the complaint alleges a violation of this chapter and that the records sought are relevant to the alleged violation and material to the investigation. No member of the board who supervises the investigation or approves the issuance of a subpoena for patient records shall participate in further adjudication of the case. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation. On failure of a person to comply with a subpoena issued by the board and after reasonable
notice to that person, the board may move for an order compelling
the production of records or persons pursuant to the Rules of
Civil Procedure.

A subpoena issued by the board may be served by a sheriff,
the sheriff's deputy, or a board employee designated by the board.
Service of a subpoena issued by the board may be made by
delivering a copy of the subpoena to the person named in the
subpoena, reading it to the person, or leaving it at the person's
usual place of residence. When the person being served is a person
whose practice is authorized by this chapter, service of the
subpoena may be made by certified mail, return receipt requested,
and the subpoena shall be deemed served on the date delivery is
made or the date the person refuses to accept delivery.

A sheriff's deputy who serves a subpoena shall receive the
same fees as a sheriff. Each witness who appears before the board
in obedience to a subpoena shall receive the fees and mileage
provided for witnesses under section 119.094 of the Revised Code.

(B)(1) The board shall conduct all investigations and
proceedings in a manner that protects the confidentiality of
patients and persons who file complaints with the board. The board
shall not make public the names or any other identifying
information about patients or complainants unless proper consent
is given or, in the case of a patient, the patient privilege has
been waived by the patient. Information received by the board
pursuant to an investigation is confidential and not subject to
discovery in any civil action.

(2) The board may share any information it receives pursuant
to an investigation, including patient records and patient record
information, with law enforcement agencies, other licensing
boards, and other government agencies that are prosecuting,
adjudicating, or investigating alleged violations of statutes or
administrative rules. An agency or board that receives the
information shall comply with the same requirements regarding
confidentiality as the board must comply with under division
(B)(1) of this section, notwithstanding any conflicting provision
of the Revised Code or procedure of the agency or board that
applies when it is dealing with other information in its
possession.

(3) In a judicial proceeding, any information the board
receives pursuant to an investigation may be admitted into
evidence only in accordance with the Ohio Rules of Evidence, but
the court shall require that appropriate measures be taken to
ensure that confidentiality is maintained with respect to any part
of the information that contains names or other identifying
information about patients or complainants whose confidentiality
was protected by the board when the information was in the board's
possession. Measures to ensure confidentiality that may be taken
by the court include sealing its records or deleting specific
information from its records.

Sec. 4732.17. (A) Subject to division (F) of this section,

The board may require an examination prior to such issuance or restoration.

(11) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers psychological services, would otherwise be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that provider;
Advertising that the person will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers psychological services, would otherwise be required to pay;

Any of the following actions taken by the agency responsible for authorizing or certifying the person to practice or regulating the person's practice of a health care occupation or provision of health care services in this state or another jurisdiction, as evidenced by a certified copy of that agency's records and findings for any reason other than the nonpayment of fees:

who waives deductibles and copayments:

(E) When the board issues a notice of opportunity for a hearing on the basis of division (A)(7) of this section, the supervising member of the board, with cause and upon consultation with the board's executive director and the board's legal counsel, may compel the applicant or license holder to submit to mental, cognitive, substance abuse, or medical evaluations, or a combination of these evaluations, by a person or persons selected by the board. The applicant or license holder is deemed to have given consent to submit to these evaluations and to have waived all objections to the admissibility of testimony or evaluation reports that constitute a privileged communication. The expense of the evaluation or evaluations shall be the responsibility of the applicant or license holder who is evaluated.

(F) Before the board may take action under this section,
written charges shall be filed with the board by the secretary and a hearing shall be had thereon in accordance with Chapter 119. of the Revised Code, except as follows:

(1) On receipt of a complaint that any of the grounds listed in division (A) of this section exist, the state behavioral health and social work board of psychology may suspend a license issued under this chapter prior to holding a hearing in accordance with Chapter 119. of the Revised Code if it determines, based on the complaint, that there is an immediate threat to the public. A telephone conference call may be used to conduct an emergency meeting for review of the matter by a quorum of the board, taking the vote, and memorializing the action in the minutes of the meeting.

After suspending a license pursuant to division (F)(1) of this section, the board shall notify the license holder of the suspension in accordance with section 119.07 of the Revised Code. Not later than thirty days before the hearing, the responding party shall provide the requested list of witnesses, summary of their testimony, and copies of documents to the requesting party, unless the hearing officer or presiding board member grants an extension. Failure to timely provide a list or copies requested in accordance with this section may, at the discretion of the hearing officer or presiding board member, result in exclusion from the hearing of the witnesses, testimony, or documents.

(4) In addition to subpoenas for the production of books, records, and papers requested under Chapter 119. of the Revised Code, either party may ask the board to issue a subpoena for the production of other tangible items.

(B) If it determines at the conclusion of the hearing that neither of the sanctions described in division (A) of this section is appropriate, the board shall impose another sanction it considers appropriate and issue a written finding setting forth the reasons for the sanction imposed and the reason that neither of the sanctions described in division (A) of this section is appropriate.

Sec. 4732.172. Any finding made, and the record of any sanction imposed, by the state behavioral health and social work board of psychology under section 4732.17 or 4732.171 of the Revised Code is a public record under section 149.43 of the Revised Code.

(6) Persons in the employ of the federal government insofar as their activities are a part of the duties of their positions;

The state vision and hearing aid dealers and fitters licensing professionals board shall design, prepare, and revise such qualifying examinations as are determined necessary by the board pursuant to this chapter. It shall administer all such qualifying examinations and shall designate the time, place, and date the examinations are held. The board shall also furnish all
materials and equipment necessary for the conducting of all qualifying examinations.

**Sec. 4747.10.** Each person currently engaged in training to become a licensed hearing aid dealer or fitter shall apply to the state vision and hearing aid dealers and fitters licensing professionals board for a hearing aid dealer's and fitter's trainee permit. The board shall issue to each applicant within thirty days of receipt of a properly completed application and payment of one hundred fifty dollars, a trainee permit if such applicant meets all of the following criteria:

(A) Is at least eighteen years of age;

(B) Is the holder of a diploma from an accredited high school or a certificate of high school equivalence issued by the department of education;

(C) Has not committed a disqualifying offense or a crime of moral turpitude, as those terms are defined in section 4776.10 of the Revised Code;

(D) Is free of contagious or infectious disease.

Subject to the next paragraph, the board shall not deny a trainee permit issued under this section to any individual based on the individual's past criminal history or an interpretation of moral character unless the individual has committed a disqualifying offense or crime of moral turpitude as those terms are defined in section 4776.10 of the Revised Code. Except as otherwise provided in this paragraph, if an individual applying for a trainee permit has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use the board's discretion in granting or denying the individual a trainee permit. Except as otherwise
provided in this paragraph, if an individual applying for a
trainee permit has been convicted of or pleaded guilty to a felony
that is not a crime of moral turpitude or a disqualifying offense
less than three years prior to making the application, the board
may use the board's discretion in granting or denying the
individual a trainee permit. The provisions in this paragraph do

paragraph, the board shall follow the procedures it adopts by rule
that conform to this section.

In considering a renewal of an individual's trainee permit,
the board shall not consider any conviction or plea of guilty
prior to the issuance of the initial trainee permit. However, the
board may consider a conviction or plea of guilty if it occurred
after the individual was initially granted the trainee permit, or
after the most recent trainee permit renewal. If the board denies
an individual for a trainee permit or renewal, the reasons for
such denial shall be put in writing. Additionally, the board may
grant an individual a conditional trainee permit that lasts for
one year. After the one-year period has expired, the permit is no
longer considered conditional, and the individual shall be
considered to be granted a full trainee permit.

Each trainee permit issued by the board expires one year from
the date it was first issued, and may be renewed once if the
trainee has not successfully completed the qualifying requirements
for licensing as a hearing aid dealer or fitter before the
expiration date of such permit. The board shall issue a renewed
permit to each applicant upon receipt of a properly completed
application and payment of one hundred five dollars. No person
holding a trainee permit shall engage in the practice of dealing
in or fitting of hearing aids except while under supervision by a licensed hearing aid dealer or fitter.

The board shall keep a record of the past and current place of business of each person who holds a license or permit.

Any notice that is required to be given by the board to a person holding a license or permit pursuant to the provisions of this chapter shall be mailed to such person by certified mail to the address of his the person's current or most recent place of business as revealed in the records of the board.

The hearing aid dealers and fitters board shall determine whether the charges in the complaint are of a sufficiently serious nature to warrant a hearing before the board to determine whether the license or permit held by the person complained against shall be revoked or suspended. If the board determines that a hearing is warranted, then it shall fix the time and place of such hearing and deliver or cause to have delivered, either in person or by registered mail, at least twenty days before the date of such hearing, an order instructing the licensee complained against of the date, time, and place where the licensee shall appear before the board. Each person whose license or permit is suspended or revoked by the board may appeal such action to the court of common pleas.

(B) The board shall petition the court of common pleas of the county in which a person, firm, partnership, or corporation engages in the sale, practice of dealing in or fitting of hearing aids, advertises or assumes such practice, or engages in training to become a licensed hearing aid dealer or fitter without first being licensed, for an order enjoining any such acts or practices. Sec. 4747.14. No person, firm, partnership, association, or corporation shall:

(B) In addition to any other fees charged by the department under this chapter, an applicant for a license under section...

(2) The professional experience shall be appropriately supervised as determined by board rule. The amount of professional
experience shall be determined by board rule and shall be bona

professional area, speech-language pathology or audiology, in
which licensure is being sought. If the person seeks licensure as
a speech-language pathologist, this experience shall not begin
until the requirements of divisions (B), (D), and (E) of this
section have been completed unless approved by the board. If the
person seeks licensure as an audiologist, this experience shall
not begin until the requirements of division (B) of this section,
as that division existed on December 31, 2005, and divisions (D)
and (E) of this section have been completed unless approved by the
board. Before beginning the supervised professional experience
pursuant to this section, the applicant for licensure to practice
speech-language pathology or audiology shall obtain a conditional
license pursuant to section 4753.071 of the Revised Code.

Sec. 4753.061. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

The state vision and hearing professionals board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4753.06 or 4753.07 of the Revised Code.

Sec. 4753.07. The state vision and hearing professionals
board of speech-language pathology and audiology shall issue under its seal a license or conditional license to every applicant who has passed the appropriate examinations designated by the board and who otherwise complies with the licensure requirements of this chapter. An applicant may not begin employment until the conditional license has been issued.

A conditional license authorizes an individual to practice speech-language pathology or audiology while completing the supervised professional experience as required by division (F) of section 4753.06 of the Revised Code. (c)(3) The permit holder shall practice only when under the supervision of a speech-language pathologist who is licensed by the board and acting under the approval and direction of the applicant's university graduate program in speech-language pathology. The board shall determine by rule the manner of supervision.

(3)(C) A permit issued under this section shall expire two years after the date of issuance. Student permits may be renewed in a manner to be determined by the board by rule.

(4)(D) Each permit holder shall display the permit or an official duplicate in a conspicuous place where the permit holder practices speech-language pathology.

Applicants shall demonstrate continued competence, which may include continuing education, examination, self-evaluation, peer review, performance appraisal, or practical simulation. The board may establish other requirements as a condition for license renewal as considered appropriate by the board.

The board may renew a license which expires while the license is suspended, but the renewal shall not affect the suspension. The board shall not renew a license which has been revoked. If a revoked license is reinstated under section 4753.10 of the Revised Code after it has expired, the licensee, as a condition of reinstatement, shall pay a reinstatement fee in the amount equal to the renewal fee in effect on the last preceding regular renewal date on which it is reinstated, plus any delinquent fees accrued from the time of the revocation, if such a fee is prescribed by the board by rule.

possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

**Sec. 4761.032.** The state medical board shall appoint a respiratory care advisory council for the purpose of advising the board on issues relating to the practice of respiratory care. The advisory council shall consist of not more than seven individuals knowledgeable in the area of respiratory care.

Not later than ninety days after the effective date of this section, the board shall make initial appointments to the council. Members shall serve three-year staggered terms of office in accordance with rules adopted by the board.

With approval from the director of administrative services, members may receive an amount fixed under division (J) of section 124.15 of the Revised Code for each day the member is performing the member's official duties and be reimbursed for actual and necessary expenses incurred in performing those duties.

**Sec. 4761.04.** (A) Except as provided in division (B) of this section, no person is eligible for licensure as a respiratory care professional unless the person has shown, to the satisfaction of the Ohio respiratory care board and the state medical board, all of the following:

1. That the person is of good moral character;
2. That the person has successfully completed the requirements of an educational program approved by the board that includes instruction in the biological and physical sciences, pharmacology, respiratory care theory, procedures, and clinical practice, and cardiopulmonary rehabilitation techniques;
3. That the person has passed an examination administered by the board that tests the applicant's knowledge of the basic and
clinical sciences relating to respiratory care theory and practice, professional skills and judgment in the utilization of respiratory care techniques, and such other subjects as the board considers useful in determining fitness to practice.

(B) The board may waive the requirements of division (A) of this section with respect to any applicant who presents proof of current licensure in another state whose standards for licensure are at least equal to those in effect in this state on the date of application. The board may waive the requirements of divisions (A)(2) and (3) of this section with respect to any applicant who presents proof of having successfully completed any examination recognized by the board as meeting the requirements of division (A)(3) of this section.

Sec. 4761.05. (A) The Ohio respiratory care board shall issue a license to any applicant who complies with the requirements of section 4761.04 of the Revised Code, files the prescribed application form, and pays the fee or fees required under section 4761.07 of the Revised Code. The license entitles the holder to practice respiratory care. The licensee shall display the license in a conspicuous place at the licensee's principal place of business.

(B)(1) The board shall issue a limited permit to any applicant who meets the requirements of division (A)(1) of section 4761.04 of the Revised Code, files the prescribed application form, pays the fee required under section 4761.07 of the Revised Code, and meets either of the following requirements:

(a) Is enrolled in and is in good standing in a respiratory care educational program approved by the board that meets the requirements of division (A)(2) of section 4761.04 of the Revised Code leading to a degree or certificate of completion or is a graduate of the program;
(b) Is employed as a provider of respiratory care in this state and was employed as a provider of respiratory care in this state prior to March 14, 1989.

(2) The limited permit authorizes the holder to provide respiratory care under the supervision of a respiratory care professional. A person issued a limited permit under division (B)(1)(a) of this section may practice respiratory care under the limited permit for not more than the earliest of the following:

(a) Three years after the date the limited permit is issued;

(b) One year following the date of receipt of a certificate of completion from a board-approved respiratory care education program;

(c) Until the holder discontinues participation in the educational program.

The board may extend the term of a limited permit in cases of unusual hardship. The holder seeking an extension shall petition the board in the form and manner prescribed by the board in rules adopted under section 4761.03 of the Revised Code. This division does not require a student enrolled in an educational program leading to a degree or certificate of completion in respiratory care approved by the board to obtain a limited permit to perform any duties that are part of the required course of study.

(3) A person issued a limited permit under division (B)(1)(b) of this section may practice under a limited permit for not more than three years, except that this restriction does not apply to a permit holder who, on March 14, 1989, has been employed as a provider of respiratory care for an average of not less than twenty-five hours per week for a period of not less than five years by a hospital.

(C) All holders of licenses and limited permits issued under this section shall display, in a conspicuous place on their
persons, information that identifies the type of authorization under which they practice.

**Sec. 4761.051.** (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The Ohio respiratory care board state medical board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4761.05 of the Revised Code.

**Sec. 4761.06.** (A) Each license to practice respiratory care shall be renewed biennially. Each limited permit to practice respiratory care shall be renewed annually. Each person holding a license or limited permit to practice respiratory care shall apply to the Ohio respiratory care board state medical board on the form and according to the schedule prescribed by the board for renewal of the license or limited permit. Licenses and limited permits shall be renewed in accordance with the standard renewal procedure of Chapter 4745. of the Revised Code. The board shall renew a license upon the payment of the license renewal fee prescribed under section 4761.07 of the Revised Code and proof of satisfactory completion of the continuing education or reexamination requirements of division (B) of this section. The board shall renew a limited permit upon payment of the limited
permit renewal fee prescribed under section 4761.07 of the Revised Code and submission of one of the following:

(1) If the limited permit was issued on the basis of division (B)(1)(a) of section 4761.05 of the Revised Code, proof acceptable to the board of enrollment and good standing in an educational program that meets the requirements of division (A)(2) of section 4761.04 of the Revised Code or of graduation from such a program;

(2) If the limited permit was issued on the basis of division (B)(1)(b) of section 4761.05 of the Revised Code, proof acceptable to the board of employment as a provider of respiratory care.

(B) On and after March 14, 1991, and every year thereafter, on or before the annual renewal date, the holder of a limited permit issued under division (B)(1)(b) of section 4761.05 of the Revised Code shall submit proof to the board that the holder has satisfactorily completed the number of hours of continuing education required by the board, which shall not be less than three nor more than ten hours of continuing education acceptable to the board.

On or before the biennial renewal date, a license holder shall submit proof to the board that the license holder has satisfactorily completed the number of hours of continuing education required by the board, which shall be not less than six nor more than twenty hours of continuing education acceptable to the board, or has passed a reexamination in accordance with the board's renewal requirements. The board may waive all or part of the continuing education requirement for a license holder who has held the license for less than two years.

Sec. 4761.07. (A) The state medical board shall charge any license applicant or holder who is to take an examination required under division (A)(3) of section 4761.04 or a reexamination required under division (B) of section
4761.06 of the Revised Code for license renewal or under section 4761.09 of the Revised Code for license reinstatement, a nonrefundable examination fee, not to exceed the amount necessary to cover the expense of administering the examination. The license applicant or holder shall pay the fee at the time of application for licensure or renewal.

(B) The board shall establish the following additional nonrefundable fees and penalty:

1. An initial license fee, not to exceed seventy-five dollars;
2. A biennial license renewal fee, not to exceed one hundred dollars;
3. A limited permit fee, not to exceed twenty dollars;
4. A limited permit renewal fee, not to exceed ten dollars;
5. A late renewal penalty, not to exceed fifty per cent of the renewal fee;
6. A fee for accepting and storing hyperbaric technologist certifications filed with the board under division (A)(11) of section 4761.11 of the Revised Code, not to exceed twenty dollars.

(C) Notwithstanding division (B)(4) of this section, after the third renewal of a limited permit that meets the exception in division (B)(3) of section 4761.05 of the Revised Code, the limited permit renewal fee shall be one-half the amount of the biennial license renewal fee established under division (B)(2) of this section and section 4761.08 of the Revised Code.

(D) The board shall adjust the fees biennially and within the limits established by division (B) of this section to provide sufficient revenues to meet its expenses.

(E) The board may, by rule, provide for the waiver of all or part of a license fee when the license is issued less than
eighteen months before its expiration date.

(F) All fees received by the board shall be deposited into the state treasury to the credit of the occupational licensing and regulatory fund state medical board operating fund pursuant to section 4731.24 of the Revised Code.

Sec. 4761.08. The Ohio respiratory care board state medical board, subject to the approval of the controlling board, may establish fees, except fees established at amounts adequate to cover designated expenses, in excess of the amounts provided in this chapter. The fees shall not exceed the amounts specified by more than fifty per cent.

Sec. 4761.09. (A) The Ohio respiratory care board state medical board may refuse to issue or renew a license or a limited permit, may issue a reprimand, may suspend or permanently revoke a license or limited permit, or may place a license or limited permit holder on probation, on any of the following grounds:

(1) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense involving moral turpitude or of a felony, in which case a certified copy of the court record shall be conclusive evidence of the matter;

(2) Violating any provision of this chapter or an order or rule of the board;

(3) Assisting another person in that person's violation of any provision of this chapter or an order or rule of the board;

(4) Obtaining a license or limited permit by means of fraud, false or misleading representation, or concealment of material facts or making any other material misrepresentation to the board;

(5) Being guilty of negligence or gross misconduct in the
practice of respiratory care;

(6) Violating the standards of ethical conduct adopted by the board, in the practice of respiratory care;

(7) Engaging in dishonorable, unethical, or unprofessional conduct of a character likely to deceive, defraud, or harm the public;

(8) Using any dangerous drug, as defined in section 4729.01 of the Revised Code, or alcohol to the extent that the use impairs the ability to practice respiratory care at an acceptable level of competency;

(9) Practicing respiratory care while mentally incompetent;

(10) Accepting commissions, rebates, or other forms of remuneration for patient referrals;

(11) Practicing in an area of respiratory care for which the person is clearly untrained or incompetent or practicing in a manner that conflicts with section 4761.17 of the Revised Code;

(12) Employing, directing, or supervising a person who is not authorized to practice respiratory care under this chapter in the performance of respiratory care procedures;

(13) Misrepresenting educational attainments or authorized functions for the purpose of obtaining some benefit related to the practice of respiratory care;

(14) Assisting suicide as defined in section 3795.01 of the Revised Code.

Before the board may take any action under this section, other than issuance of a summary suspension order under division (C) of this section, the executive director of the board shall prepare and file written charges with the board. Disciplinary actions taken by the board under this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code.
Code, except that in lieu of an adjudication, the board may enter into a consent agreement to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no effect.

(B) If the board orders a license or limited permit holder placed on probation, the order shall be accompanied by a written statement of the conditions under which the person may be restored to practice.

The person may reapply to the board for original issuance of a license after one year following the date the license was denied.

(A) Except as otherwise provided in division (D) of this section, a person may apply to the board for the reinstatement of a license or limited permit after one year following the date of suspension or refusal to renew. The board may accept or refuse the application for reinstatement and may require that the applicant pass a reexamination as a condition of eligibility for reinstatement.

(C) If the president and secretary of the board determine that there is clear and convincing evidence that a license or limited permit holder has committed an act that is grounds for board action under division (A) of this section and that continued practice by the license or permit holder presents a danger of immediate and serious harm to the public, the president and secretary may recommend that the board suspend the license or limited permit without a prior hearing. The president and secretary shall submit in writing to the board the allegations causing them to recommend the suspension.
On review of the allegations, the board, by a vote of not less than seven of its members, may suspend a license or limited permit without a prior hearing. The board may review the allegations and vote on the suspension by a telephone conference call.

If the board votes to suspend a license or limited permit under this division, the board shall issue a written order of summary suspension to the license or limited permit holder in accordance with section 119.07 of the Revised Code. If the license or limited permit holder requests a hearing by the board, the board shall conduct the hearing in accordance with Chapter 119. of the Revised Code. Notwithstanding section 119.12 of the Revised Code, a court of common pleas shall not grant a suspension of the board's order of summary suspension pending determination of an appeal filed under that section.

Any order of summary suspension issued under this division shall remain in effect until a final adjudication order issued by the board pursuant to division (A) of this section becomes effective. The board shall issue its final adjudication order regarding an order of summary suspension issued under this division not later than sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in immediate dissolution of the suspension order, but shall not invalidate any subsequent, final adjudication order.

(D) For purposes of this division, any individual who holds a license or permit issued under this chapter, or applies for a license or permit to practice respiratory care, is deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

For purposes of division (A)(8) of this section, if the board
has reason to believe that any individual who holds a license or permit issued under this chapter or any applicant for a license or permit suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or permit or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure, to submit to treatment.

Before being eligible to apply for reinstatement of a license or permit suspended under this division, the respiratory care professional shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

1. Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;
2. Evidence of continuing full compliance with an aftercare contract or consent agreement;
3. Two written reports indicating that the individual's ability to practice has been assessed and that the individual has
been found capable of practicing according to acceptable and
prevailing standards of care. The reports shall be made by
individuals or providers approved by the board for making such
assessments and shall describe the basis for their determination.
The board may reinstate a license or permit suspended under
this division after such demonstration and after the individual
has entered into a written consent agreement.

When the impaired respiratory care professional resumes
practice, the board shall require continued monitoring of the
respiratory care professional. The monitoring shall include
compliance with the written consent agreement entered into before
reinstatement or with conditions imposed by board order after a
hearing, and, upon termination of the consent agreement,
submission to the board for at least two years of annual written
progress reports made under penalty of falsification stating
whether the respiratory care professional has maintained sobriety.

Sec. 4761.10. (A) No person shall offer or render respiratory
care services, or represent that the person is a respiratory care
professional, respiratory therapist, respiratory technologist,
respiratory care technician, respiratory practitioner, inhalation
therapist, inhalation technologist, or inhalation therapy
technician, or to have any similar title or to provide these
services under a similar description, unless the person holds a
license or limited permit issued under this chapter. No
partnership, association, or corporation shall advertise or
otherwise offer to provide or convey the impression that it is
providing respiratory care unless an individual holding a license
or limited permit issued under this chapter is employed by or
under contract with the partnership, association, or corporation
and will be performing the respiratory care services to which
reference is made.
(B) Notwithstanding the provisions of division (A) of this section, all of the following apply:

(1) In the case of a hospital or nursing facility, some limited aspects of respiratory care services such as measuring blood pressure and taking blood samples may be performed by persons demonstrating current competence in such procedures, as long as the person acts under the direction of a physician or the delegation of a registered nurse and the person does not represent that the person is engaged in the practice of respiratory care. The above limited aspects of respiratory care do not include any of the following: the administration of aerosol medication, the maintenance of patients on mechanical ventilators, aspiration, and the application and maintenance of artificial airways.

(2) In the case of a facility, institution, or other setting that exists for a purpose substantially other than the provision of health care, if nursing tasks are delegated by a registered nurse as provided in Chapter 4723. of the Revised Code and the rules adopted under it, respiratory care tasks may be performed under that delegation by persons demonstrating current competence in performing the tasks, as long as the person does not represent that the person is engaged in the practice of respiratory care.

(3) A polysomnographic technologist credentialed by an organization the Ohio respiratory care board state medical board recognizes, a trainee under the direct supervision of a polysomnographic technologist credentialed by an organization the board recognizes, or a person the board recognizes as being eligible to be credentialed as a polysomnographic technologist may perform the respiratory care tasks specified in rules adopted under section 4761.03 of the Revised Code, as long as both of the following apply:

(a) The tasks are performed in the diagnosis and therapeutic intervention of sleep-related breathing disorders and under the
general supervision of a physician.

(b) The person performing the tasks does not represent that the person is engaged in the practice of respiratory care.

(C) If the [Ohio respiratory care board state medical board] finds that any person, including any partnership, association, or corporation, has engaged or is engaging in any activity or conduct that is prohibited under division (A) of this section or rules of the board, or that is grounds for the denial, suspension, or permanent revocation of a person's license under section 4761.09 of the Revised Code, it may apply to the court of common pleas in the county in which the violation occurred for an order restraining the unlawful activity or conduct, including the continued practice of respiratory care. Upon a showing that the law or rule has been violated, or the person has engaged in conduct constituting such grounds, the court may issue an injunction or other appropriate restraining order.

Sec. 4761.11. (A) Nothing in this chapter shall be construed to prevent or restrict the practice, services, or activities of any person who:

(1) Is a health care professional licensed by this state providing respiratory care services included in the scope of practice established by the license held, as long as the person does not represent that the person is engaged in the practice of respiratory care;

(a) Qualifies for licensure under this chapter, except for passage of the examination required under division (A)(3) of section 4761.04 of the Revised Code;

(B) Nothing in this chapter shall be construed to prevent any person from advertising, describing, or offering to provide respiratory care or billing for respiratory care when the respiratory care services are provided by a health care professional licensed by this state practicing within the scope of practice established by the license held. Nothing in this chapter shall be construed to prevent a hospital or nursing facility from advertising, describing, or offering to provide respiratory care, or billing for respiratory care rendered by a person licensed under this chapter or persons who may provide limited aspects of respiratory care or respiratory care tasks pursuant to division (B) of section 4761.10 of the Revised Code.

(C) Notwithstanding division (A) of section 4761.10 of the Revised Code, in a life-threatening situation, in the absence of licensed personnel, unlicensed persons shall not be prohibited from taking life-saving measures.
(D) Nothing in this chapter shall be construed as authorizing a respiratory care professional to practice medicine and surgery or osteopathic medicine and surgery. This division does not prohibit a respiratory care professional from administering topical or intradermal medications for the purpose of producing localized decreased sensation as part of a procedure or task that is within the scope of practice of a respiratory care professional.

(3) A plea of guilty to, or a finding of guilt by a jury or
court of, a misdemeanor involving moral turpitude, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor involving moral turpitude.

(C) The report shall include the name and address of the respiratory care professional or person holding a limited permit, the nature of the offense for which the action was taken, and the certified court documents recording the action. The board may prescribe and provide forms for prosecutors to make reports under this section. The form may be the same as the form required to be provided under section 2929.42 of the Revised Code.

Sec. 4761.14. An employer that disciplines or terminates the employment of a respiratory care professional or individual holding a limited permit issued under this chapter because of conduct that would be grounds for disciplinary action under section 4761.09 of the Revised Code shall report the action to the Ohio respiratory care board state medical board. The report shall state the name of the respiratory care professional or individual holding the limited permit and the reason the employer took the action. If an employer fails to report to the board, the board may seek an order from a court of competent jurisdiction compelling submission of the report.

No person shall fail to comply with this division.

(B) No person shall cause to be performed any alteration, repair, or change required by division (A) of this section unless the person first obtains a permit from the manufactured homes commission division of industrial compliance.

(B) The maintenance of an action by the park operator under this section does not prevent the resident from recovering damages for any violation by the park operator of the rental agreement or of section 4781.38 of the Revised Code.

Sec. 4781.38. (A) A park operator who is a party to a rental agreement shall:
(1) Comply with the requirements of all applicable building, housing, health, and safety codes which materially affect health and safety, and comply with rules of the manufactured homes commission division of industrial compliance;

(2) Make all repairs and do whatever is reasonably necessary to put and keep the premises in a fit and habitable condition;

(3) Keep all common areas of the premises in a safe and sanitary condition;

(4) Maintain in good and safe working order and condition all electrical and plumbing fixtures and appliances, and septic systems, sanitary and storm sewers, refuse receptacles, and well and water systems that are supplied or required to be supplied by the park operator;

(5) Not abuse the right of access conferred by division (B) of section 4781.39 of the Revised Code;

(6) Except in the case of emergency or if it is impracticable to do so, give the resident reasonable notice of the park operator's intent to enter onto the residential premises and enter only at reasonable times. Twenty-four hours' notice shall be presumed to be a reasonable notice in the absence of evidence to the contrary.

(B) If the park operator violates any provision of this section, makes a lawful entry onto the residential premises in an unreasonable manner, or makes repeated demands for entry otherwise lawful which demands have the effect of harassing the resident, the resident may recover actual damages resulting from the violation, entry, or demands and injunctive relief to prevent the recurrence of the conduct, and if the resident obtains a judgment, reasonable attorneys' fees, or terminate the rental agreement.

Sec. 4781.39. (A) A resident who is a party to a rental
agreement shall:

(1) Keep that part of the premises that the resident occupies and uses safe and sanitary;

(2) Dispose of all rubbish, garbage, and other waste in a clean, safe, and sanitary manner;

(3) Comply with the requirements imposed on residents by all applicable state and local housing, health, and safety codes, rules of the manufactured homes commission division of industrial compliance, and rules of the manufactured home park;

(4) Personally refrain, and forbid any other person who is on the premises with the resident's permission, from intentionally or negligently destroying, defacing, damaging, or removing any fixture, appliance, or other part of the residential premises;

(5) Conduct self and require other persons on the premises with the resident's consent to conduct themselves in a manner that will not disturb the resident's neighbors' peaceful enjoyment of the manufactured home park.

(B) The resident shall not unreasonably withhold consent for the park operator to enter the home to inspect utility connections, or enter onto the premises in order to inspect the premises, make ordinary, necessary, or agreed repairs, decorations, alterations, or improvements, deliver parcels which are too large for the resident's mail facilities, or supply necessary or agreed services.

(C) If the resident violates any provision of this section, the park operator may recover any actual damages which result from the violation and reasonable attorneys' fees. This remedy is in addition to any right of the park operator to terminate the rental agreement, to maintain an action for the possession of the premises, or injunctive relief to compel access under division (B) of this section.
Sec. 4781.45. If a resident commits a material violation of the rules of the manufactured home park, of the manufactured homes commission department of commerce division of industrial compliance, or of applicable state and local health and safety codes, the park operator may deliver a written notification of the violation to the resident. The notification shall contain all of the following:

(A) A description of the violation;

(B) A statement that the rental agreement will terminate upon a date specified in the written notice not less than thirty days after receipt of the notice unless the resident remedies the violation;

(C) A statement that the violation was material and that if a second material violation of any park or commission division rule, or any health and safety code, occurs within six months after the date of this notice, the rental agreement will terminate immediately;

(D) A statement that a defense available to termination of the rental agreement for two material violations of park or commission division rules, or of health and safety codes, is that the park rule is unreasonable, or that the park or commission division rule, or health or safety code, is not being enforced against other manufactured home park residents, or that the two violations were not willful and not committed in bad faith.

If the resident remedies the condition described in the notice, whether by repair, the payment of damages, or otherwise, the rental agreement shall not terminate. The park operator may terminate the rental agreement immediately if the resident commits a second material violation of the park or commission division rules, or of applicable state and local health and safety codes, subject to the defense that the park rule is unreasonable, that
the park or commission division rule, or health or safety code, is not being enforced against other manufactured home park residents, or that the two violations were not willful and not committed in bad faith.

Sec. 4781.54. (A) The division of real estate shall deposit all the fees collected in the administration and enforcement sections 4781.16 to 4781.25 of the Revised Code into the manufactured homes regulatory fund, which is hereby created. All money deposited into the fund shall be used to pay the operating expenses of the division or as otherwise described in those sections.

(B) The division of industrial compliance shall deposit all fees collected in the administration and enforcement sections of 4781.04 to 4781.14 and sections 4781.26 to 4781.35 of the Revised Code into the industrial compliance operating fund created in section 121.084 of the Revised Code. the applicant ineligible for a certificate issued pursuant to section 4783.09 of the Revised Code. If the state behavioral health and social work board of psychology determines that an applicant satisfies the requirements for a certificate to practice as a certified Ohio behavior analyst, the state behavioral health and social work board of psychology shall issue the applicant a certificate.

(8) That the facility incorporates maximum feasible water conservation practices as determined by the board, considering available technology and the nature and economics of the various alternatives.

(B) If the board determines that the location of all or a part of the proposed facility should be modified, it may condition its certificate upon that modification, provided that the municipal corporations and counties, and persons residing therein, affected by the modification shall have been given reasonable notice thereof.

(C) A copy of the decision and any opinion issued therewith shall be served upon each party.

In such event, the tax on the vehicular equipment shall be twenty-five percent of the annual tax levied by division (B) of this section. If any vehicular equipment is used in excess of the ninety-day period, the annual tax levied by this section shall be paid.

(F) All taxes levied by division (B) of this section shall be reckoned as from the beginning of the quarter in which the tax receipt is issued or as from when the use of equipment under any existing tax receipt began.

(G) The fees for unified carrier registration pursuant to section 4921.11 of the Revised Code shall be identical to those established by the unified carrier registration act board as approved by the federal motor carrier safety administration for each year.

(H) (1) The fees for uniform registration and a uniform permit
as a carrier of hazardous materials pursuant to section 4921.15 of the Revised Code shall consist of the following:

(a) A processing fee of fifty dollars;

(b) An apportioned per-truck registration fee, which shall be calculated by multiplying the percentage of a registrant's activity in this state times the percentage of the registrant's business that is hazardous materials-related, times the number of vehicles owned or operated by the registrant, times a per-truck fee determined by order of the commission following public notice and an opportunity for comment.

(i) The percentage of a registrant's activity in this state shall be calculated by dividing the number of miles that the registrant travels in this state under the international registration plan, pursuant to section 4503.61 of the Revised Code, by the number of miles that the registrant travels nationwide under the international registration plan. Registrants that operate solely within this state shall use one hundred percent as their percentage of activity. Registrants that do not register their vehicles through the international registration plan shall calculate activity in the state in the same manner as that required by the international registration plan.

(ii) The percentage of a registrant's business that is hazardous materials-related shall be calculated, for less-than-truckload shipments, by dividing the weight of all the registrant's hazardous materials shipments by the total weight of all shipments in the previous year. The percentage of a registrant's business that is hazardous materials-related shall be calculated, for truckload shipments, by dividing the number of shipments for which placarding, marking of the vehicle, or manifesting, as appropriate, was required by regulations adopted under sections 4 to 6 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C. App. 1804,
by the total number of the registrant's shipments that transported any kind of goods in the previous year. A registrant that transports both less-than-truckload and truckload shipments of hazardous materials shall calculate the percentage of business that is hazardous-materials-related on a proportional basis.

(iii) A registrant may utilize fiscal year, or calendar year, or other current company accounting data, or other publicly available information, in calculating the percentages required by divisions (H)(1)(b)(i) and (ii) of this section.

(2) The commission, after notice and opportunity for a hearing, may assess each carrier a fee for any background investigation required for the issuance, for the purpose of section 3734.15 of the Revised Code, of a uniform permit as a carrier of hazardous wastes and fees related to investigations and proceedings for the denial, suspension, or revocation of a uniform permit as a carrier of hazardous materials. The fees shall not exceed the reasonable costs of the investigations and proceedings. The fee for a background investigation for a uniform permit as a carrier of hazardous wastes shall be six hundred dollars plus the costs of obtaining any necessary information not included in the permit application, to be calculated at the rate of thirty dollars per hour, not exceeding six hundred dollars, plus any fees payable to obtain necessary information.

(I) The application fee for a certificate for the transportation of household goods issued pursuant to sections 4921.30 to 4921.38 of the Revised Code shall be based on the certificate holder's gross revenue, in the prior year, for the intrastate transportation of household goods. The commission shall establish, by order, ranges of gross revenue and the fee for each range. The fees shall be set in amounts sufficient to carry out the purposes of sections 4921.30 to 4921.38 and 4923.99 of the Revised Code and, to the extent necessary, the commission shall
make changes to the fee structure to ensure that neither over nor under collection of the fees occurs. The fees shall also take into consideration the revenue generated from the assessment of forfeitures under section 4923.99 of the Revised Code regarding the consumer protection provisions applicable to for-hire motor carriers engaged in the transportation of household goods.

(I) The fees and taxes provided under this section shall be in addition to taxes, fees, and charges fixed and exacted by other sections of the Revised Code, except the assessments required by section 4905.10 of the Revised Code, but all fees, license fees, annual payments, license taxes, or taxes or other money exactions, except the general property tax, assessed, charged, fixed, or exacted by local authorities such as municipal corporations, townships, counties, or other local boards, or the officers of such subdivisions are illegal and, are superseded by sections 4503.04 and 4905.03 and Chapter 4921. of the Revised Code. On compliance with sections 4503.04 and 4905.03 and Chapter 4921. of the Revised Code, all local ordinances, resolutions, bylaws, and rules in force shall cease to be operative as to the persons in compliance, except that such local subdivisions may make reasonable local police regulations within their respective boundaries not inconsistent with sections 4503.04 and 4905.03 and Chapter 4921. of the Revised Code.

Sec. 4921.21. (A) As used in this section, "adjusted credit amount" means the aggregate amount credited to the public utilities transportation safety fund, less the sum of all both of the following:

(1) The fees collected by the public utilities commission, in accordance with the unified carrier registration plan under section 4921.11 of the Revised Code, that exceed the federal certification of revenue for each year of the plan;
(2) The fees collected by the commission on behalf of other states under division (C) of section 4921.15 of the Revised Code;

(3) The forfeitures collected by the commission under section 4923.99 of the Revised Code for violations of rules adopted under division (A)(2) of section 4923.04 of the Revised Code.

(B)(1) There is hereby created in the state treasury the public utilities transportation safety fund. The fees collected in accordance with the unified carrier registration plan under section 4921.11 of the Revised Code, the fees collected under section 4921.15 of the Revised Code, the taxes and fees remitted under section 4921.19 of the Revised Code, the forfeitures imposed under section 4923.99 of the Revised Code, except as provided in division (B)(2) of this section, and the fines collected under section 4163.07 of the Revised Code shall be deposited into the state treasury to the credit of the public utilities transportation safety fund, until the adjusted credit amount in a fiscal year is equal to the total amount appropriated from the fund for the fiscal year. Once this point of parity is reached, any additional fees, taxes, forfeitures, or fines received during the fiscal year shall be credited to the general revenue fund, except as provided in division (B)(2) of this section, and except for both of the following:

(a) The fees collected in accordance with the unified carrier registration plan under section 4921.11 of the Revised Code, that exceed the federal certification of revenue for each year of the plan;

(b) The fees collected on behalf of other states under division (C) of section 4921.15 of the Revised Code.

(2) The first eight hundred thousand dollars of forfeitures collected under section 4923.99 of the Revised Code, for violations of rules adopted under division (A)(2) of section
4923.04 of the Revised Code, during each fiscal year shall be credited to the public utilities transportation safety fund. Any forfeitures in excess of that amount shall be deposited into the general revenue fund. In each fiscal year, the commission shall distribute moneys from these forfeitures credited to the public utilities transportation safety fund for the purposes of emergency response planning and the training of safety, enforcement, and emergency services personnel in proper techniques for the management of hazardous materials releases that occur during transportation or otherwise. For these purposes, fifty per cent of all such moneys credited to the public utilities transportation safety fund shall be distributed to Cleveland state university, forty-five per cent shall be distributed to other educational institutions, state agencies, regional planning commissions, and political subdivisions, and five per cent shall be retained by the commission for the administration of this section and for training employees. However, if, in any such period, moneys from these forfeitures credited to the public utilities transportation safety fund equal an amount less than four hundred thousand dollars, the commission shall distribute, to the extent of the aggregate amount of those moneys, two hundred thousand dollars to Cleveland state university and the remainder to other educational institutions, state agencies, regional planning commissions, and political subdivisions.

(C) The purpose of the public utilities transportation safety fund shall be for defraying all expenses incident to maintaining the nonrailroad transportation activities of the commission.

(D) There is hereby created in the state treasury the federal commercial vehicle transportation systems fund. The fund shall consist of money received from the United States department of transportation's commercial vehicle intelligent transportation systems infrastructure deployment program. The public utilities
commission shall use the fund to deploy the Ohio commercial
vehicle information systems networks project and to improve safety
of motor carrier operations through electronic exchange of data.  

(E) There is hereby created in the state treasury the motor
carrier safety fund. The fund shall consist of money received from
the United States department of transportation for motor carrier
safety. The commission shall use the fund to administer the
state's motor carrier safety assistance program and associated
grants, including the motor carrier safety assistance program
basic grant, the incentive grant, the high priority grants, the
new entrant safety assurance grant, the safety data improvement
grant, or their equivalents.  

(F) If the director of budget and management determines there
is not sufficient money in the public utilities transportation
safety fund, the director shall transfer money from the general
revenue fund to the public utilities transportation safety fund in
an amount up to the difference between the balance of the public
utilities transportation safety fund and the appropriations from
that fund. If the director subsequently determines during the
fiscal year that the balance of the public utilities
transportation safety fund exceeds the amount needed to support
the appropriations from the fund, the director shall transfer the
excess money, up to the amount of the original transfer, to the
general revenue fund.  

Sec. 4923.02. (A) As used in this chapter, "private motor
carrier" does not include a person when engaged in any of the

(1) The transportation of persons in taxicabs in the usual
taxicab service;  

(2) The transportation of pupils in school busses operating
to or from school sessions or school events;

(7) The transportation of compost (a combination of manure and sand or shredded bark mulch) or shredded bark mulch;

(8) The transportation of persons in a ridesharing arrangement when any fee charged each person so transported is in such amount as to recover only the person's share of the costs of operating the motor vehicle for such purpose;

(9) The operation of motor vehicles for contractors on public road work.

(B) The public utilities commission may grant a motor carrier operating in intrastate commerce a temporary exemption from some or all of the provisions of this chapter and the rules adopted under it, when either of the following applies:

(1) The governor of this state has declared an emergency.

(2) The chairperson of the commission or the chairperson's designee has declared a transportation-specific emergency.

(C) The commission may adopt rules not incompatible with the requirements of the United States department of transportation to provide exemptions to motor carriers operating in intrastate commerce not otherwise identified in divisions (A) and (B) of this section.

(D) Divisions (A) to (C) of this section shall not be construed to relieve a person from compliance with the following:
(1) Rules adopted under division (A)(2) of section 4923.04 of the Revised Code, division (E) of section 4923.06 of the Revised Code, division (B) of section 4923.07 of the Revised Code, and section 4923.11 of the Revised Code;

(A)(1) Whoever violates Chapter 4921. or 4923. of the Revised Code, or rules adopted thereunder, is liable to the state for a forfeiture of not more than twenty-five thousand dollars for each day of each violation. The public utilities commission, after providing reasonable notice and the opportunity for a hearing in accordance with the procedural rules adopted under section 4901.13 of the Revised Code, shall assess, by order, a forfeiture upon a person whom the commission determines, by a preponderance of the evidence, committed the violation. In determining the amount of the forfeiture for a violation discovered during a driver or motor-vehicle inspection under section 4923.06 of the Revised Code, or discovered during a compliance review under section 4923.07 of the Revised Code, the commission shall, to the extent practicable, not act in a manner incompatible with the applicable requirements of the United States department of transportation, and, to the extent practicable, shall utilize a system comparable to the recommended civil penalty procedure adopted by the commercial vehicle safety alliance. In determining the amount of the forfeiture for a violation discovered during a compliance review of a motor carrier under section 4923.07 of the Revised Code, the commission shall, to the extent practicable,
extent practicable, not act in a manner incompatible with the
civil-penalty guidelines of the United States department of
transportation.

The attorney general, upon the written request of the
commission, shall bring a civil action in the court of common
pleas of Franklin county to collect a forfeiture assessed under
this section. The commission shall account for the forfeitures
collected under this section and pay them to the treasurer of
state under section 4921.21 of the Revised Code.

(2) The attorney general, upon the written request of the
commission, shall bring an action for injunctive relief in the
court of common pleas of Franklin county against any person who
