improved in any manner, including requirements governing 99
drainage, parking area base, parking area paving, or any other 100

The total acreage included in such district ~~shall not be~~ 130
~~less than one thousand acres, all of which acreage shall be~~ 131
owned by, or under the control through leases of at least 132

(8) A statement that the development will comply with all 163
applicable environmental laws and regulations. 164

Upon the filing of such petition, the organizational board 165
of commissioners shall determine whether such petition complies 166

with the requirements of this section as to form and substance. 167
The board in subsequent proceedings may at any time permit the 168

facts by correcting any errors in the description of the 170
proposed new community district or in any other particular. 171

Upon the determination of the organizational board of 172
commissioners that a sufficient petition has been filed in 173
accordance with this section, the board shall fix the time and 174
place of a hearing on the petition for the establishment of the 175
proposed new community authority. Such hearing shall be held not 176
less than ninety-five nor more than one hundred fifteen days 177
after the petition filing date, except that if the petition has 178

organizational board of commissioners with which the petition 184
was filed shall give notice thereof by publication once each 185
week for three consecutive weeks, or as provided in section 7.16 186
of the Revised Code, in a newspaper of general circulation in 187
any county of which a portion is within the proposed new 188
community district. Except where the organizational board of 189
commissioners is the legislative authority of the only proximate 190
city for the proposed new community district, such clerk shall 191
also give written notice of the date, time, and place of the 192
hearing and furnish a certified copy of the petition to the 193
clerk of the legislative authority of each proximate city which 194
has not signed such petition. Except where the organizational 195
board of commissioners is the legislative authority of the only 196
proximate city for the proposed new community district, in the 197

event that the legislative authority of a proximate city which 198
did not sign the petition does not approve by ordinance, 199
resolution, or motion the establishment of the proposed new 200
community authority and does not deliver such ordinance, 201
resolution, or motion to the clerk of the organizational board 202
of commissioners with which the petition was filed within ninety 203
days following the date of the first publication of the notice 204
of the public hearing, the organizational board of commissioners 205
shall cancel such public hearing and terminate the proceedings 206
for the establishment of the new community authority. 207

Upon the hearing, if the organizational board of 208
commissioners determines by resolution that the proposed new 209
community district will be conducive to the public health, 210
safety, convenience, and welfare, and is intended to result in 211
the development of a new community, the board shall by its 212
resolution, declare the new community authority to be organized 213
and a body politic and corporate with the corporate name 214
designated in the resolution, and define the boundary of the new 215
community district. In addition, the resolution shall provide 216
the method of selecting the board of trustees of the new 217
community authority and fix the surety for their bonds in 218
accordance with section 349.04 of the Revised Code. 219

If the organizational board of commissioners finds that 220
the establishment of the district will not be conducive to the 221
public health, safety, convenience, or welfare, or is not 222
intended to result in the development of a new community, it 223
shall reject the petition thereby terminating the proceedings 224
for the establishment of the new community authority. 225

(B) At any time after the creation of a new community 226
authority, the developer may file an application with the clerk 227

of the organizational board of commissioners with which the 228
original petition was filed, setting forth a general description 229
of territory it desires to add or to delete from such district, 230
that such change will be conducive to the public health, safety, 231
convenience, and welfare, and will be consistent with the 232
development of a new community and will not jeopardize the plan 233
of the new community. If the developer is not a municipal 234
corporation, port authority, or county, all of such an addition 235
to such a district shall be owned by, or under the control 236
through leases of at least seventy-five years' duration, 237
options, or contracts to purchase, of the developer. Upon the 238
filing of the application, the organizational board of 239
commissioners shall follow the same procedure as required by 240
this section in relation to the petition for the establishment 241
of the proposed new community. 242

(C) If all or any part of the new community district is 243
annexed to one or more existing municipal corporations, their 244
legislative authorities may appoint persons to replace any 245
appointed citizen member of the board of trustees. The number of 246
such trustees to be replaced by the municipal corporation shall 247
be the number, rounded to the lowest integer, bearing the 248
proportionate relationship to the number of existing appointed 249
citizen members as the acreage of the new community district 250
within such municipal corporation bears to the total acreage of 251
the new community district. If any such municipal corporation 252
chooses to replace an appointed citizen member, it shall do so 253
by ordinance, the term of the trustee being replaced shall 254
terminate thirty days from the date of passage of such 255
ordinance, and the trustee to be replaced shall be determined by 256
lot. Each newly appointed member shall assume the term of the 257
member's predecessor. 258

voting upon it. 316

(F) The legislative authority of a township levying a tax 317
pursuant to this section shall establish all regulations 318
necessary to provide for the administration of the tax. The 319
regulations may prescribe the time for payment of the tax, and 320
may provide for the imposition of a penalty or interest, or 321
both, for late payments, provided that the penalty does not 322
exceed ten per cent of the amount of tax due, and the rate at 323
which interest accrues does not exceed the rate per annum 324

The board shall provide for the employment of firefighters 358
as it considers best and shall fix their compensation. No person 359
shall be appointed as a permanent full-time paid member, whose 360

In case of the removal of a fire chief or any member of 372
the fire department of a township or fire district, an appeal 373
may be had from the decision of the board to the court of common 374

board of township trustees shall appoint a fire prevention 412
officer who shall exercise all of the duties of a fire chief 413
except those involving the maintenance and operation of fire 414

considers best. The board shall appoint each fire prevention 420
officer and deputy for a one-year term. An appointee may be 421
reappointed at the end of a term to another one-year term. Any 422
appointee may be removed from office during a term as provided 423
by sections 733.35 to 733.39 of the Revised Code. Section 505.45 424

appoint the fire chief, and any person so appointed shall be in 437
the unclassified service under section 124.11 of the Revised 438
Code and shall serve at the pleasure of the board. Neither this 439

such townships shall be a part of a joint township hospital 546
district. 547

Such joint township district hospital board shall organize 548

ninety days after the date the petition is filed with the board 943
of township trustees, regardless of whether any election will be 944
held to nominate or elect candidates on that day. 945

No amendment for which such a referendum vote has been 946
requested shall be put into effect unless a majority of the vote 947
cast on the issue is in favor of the amendment. Upon 948
certification by the board of elections that the amendment has 949
been approved by the voters, it shall take immediate effect. 950

The failure to file any amendment, or any text and maps, 956
or duplicates of any of these documents, with the office of the 957
county recorder or the county or regional planning commission as 958
required by this section does not invalidate the amendment and 959
is not grounds for an appeal of any decision of the board of 960
zoning appeals. 961

Sec. 519.13. (A) In any township which adopts zoning 962
regulations the board of township trustees shall appoint a 963

township trustees. An alternate member shall take the place of 969
an absent regular member at any meeting of the board of zoning 970

appeals, according to procedures prescribed by resolution by the board of township trustees. An alternate member shall meet the same appointment criteria as a regular member. When attending a meeting on behalf of an absent member, the alternate member may vote on any matter on which the absent member is authorized to vote. The terms of all regular members shall be of such length and so arranged that the term of one member will expire each year. Each regular or alternate member shall serve until the member's successor is appointed and qualified.

The members may be allowed their expenses, or such compensation, or both, as the board of township trustees may approve and provide.

(C) The board of zoning appeals may, within the limits of the moneys appropriated by the board of township trustees for the purpose, employ such executive, professional, technical, and other assistants as it considers necessary.

Sec. 519.15. The township board of zoning appeals shall organize and adopt rules in accordance with the zoning resolution. Meetings of the board of zoning appeals shall be held at the call of the chairperson, and at such other times as the board determines. The chairperson, or in the chairperson's absence the acting chairperson, may administer oaths, and the

board of zoning appeals may compel the attendance of witnesses. 1001
All meetings of the board of zoning appeals shall be open to the 1002
public. The board of zoning appeals shall keep minutes of its 1003
proceedings showing the vote of each regular or alternate member 1004
upon each question, or, if absent or failing to vote, indicating 1005
such fact, and shall keep records of its examinations and other 1006
official actions, all of which shall be immediately filed in the 1007
office of the board of township trustees and be a public record. 1008

Appeals to the board of zoning appeals may be taken by any 1009
person aggrieved or by any officer of the township affected by 1010
any decision of the administrative officer. Such appeal shall be 1011
taken within twenty days after the decision by filing, with the 1012
officer from whom the appeal is taken and with the board of 1013
zoning appeals, a notice of appeal specifying the grounds. The 1014
officer from whom the appeal is taken shall transmit to the 1015
board of zoning appeals all the papers constituting the record 1016
upon which the action appealed from was taken. 1017

The board of zoning appeals shall fix a reasonable time 1018
for the public hearing of the appeal, give at least ten days' 1019
notice in writing to the parties in interest, give notice of 1020
such public hearing by one publication in one or more newspapers 1021
of general circulation in the county at least ten days before 1022
the date of such hearing, and decide the appeal within a 1023
reasonable time after it is submitted. Upon the hearing, any 1024
person may appear in person or by attorney. 1025

The board of township trustees may require a person making 1026
an appeal to pay a fee to defray the cost of advertising, 1027
mailing, and other expenses. 1028

use for agricultural purposes of the land on which such 1035
buildings or structures are located, including buildings or 1036
structures that are used primarily for vinting and selling wine 1037
and that are located on land any part of which is used for 1038
viticulture, and no zoning certificate shall be required for any 1039
such building or structure. 1040

(B) A township zoning resolution, or an amendment to such 1041

contiguous to one another and adjacent to one side of a 1047
dedicated public road, and the balance of which are contiguous 1048
to one another and adjacent to the opposite side of the same 1049
dedicated public road regulate: 1050

that is subject to real property taxation or that is subject to 1060

the tax on manufactured and mobile homes under section 4503.06 1061
of the Revised Code. After thirty-five per cent of the lots are 1062

considered nonconforming use of land and buildings or structures 1064
pursuant to section 519.19 of the Revised Code. 1065

Division (B) of this section confers no power on any 1066
township zoning commission, board of township trustees, or board 1067
of zoning appeals to regulate agriculture, buildings or 1068
structures, and dairying and animal and poultry husbandry on 1069
lots greater than five acres. 1070

(C) Such sections confer no power on any township zoning 1071
commission, board of township trustees, or board of zoning 1072

provided in section 519.02 of the Revised Code, may regulate 1080
such factors pertaining to farm markets as size of the 1081

5713.37 of the Revised Code for real property tax purposes. As 1089
used in division (C)(2) of this section, "biodiesel," "biomass 1090

energy," and "electric or heat energy" have the same meanings as 1091
in section 5713.30 of the Revised Code. 1092

(3) Biologically derived methane gas production if the 1093

derived methane gas does not produce more than seventeen million 1098
sixty thousand seven hundred ten British thermal units, five 1099
megawatts, or both. 1100

(4) Agritourism. However, a board of township trustees, as 1101

that may be required, setback building lines for structures used 1106
primarily for agritourism, and egress or ingress where such 1107
regulation is necessary to protect public health and safety. 1108

Nothing in division (C)(4) of this section confers power 1109
on a township zoning commission, board of township trustees, or 1110
board of zoning appeals to require any parking area to be 1111

improvement. 1114

Nothing in division (C)(4) of this section confers power 1115
on a township zoning commission, board of township trustees, or 1116
board of zoning appeals to prohibit the use of any land or the 1117
construction or use of buildings or structures that are used 1118
primarily for vinting and selling wine that are located on land 1119
any part of which is used for viticulture as provided in 1120

division (A) of this section. 1121

(D) Nothing in this section prohibits a township zoning 1122
commission, board of township trustees, or board of zoning 1123
appeals from regulating the location of medical marijuana 1124
cultivators, processors, or retail dispensaries or from 1125
prohibiting such cultivators, processors, or dispensaries from 1126
being located in the unincorporated territory of the township. 1127

~~(D)~~(E) (1) As used in division (C) (3) of this section, 1128
"biologically derived methane gas" has the same meaning as in 1129
section 5713.30 of the Revised Code. 1130

Sec. 1509.07. (A) (1) (a) Except as provided in division (A) 1134
(1) (b) or (A) (2) of this section, an owner of any well, except 1135
an exempt Mississippian well or an exempt domestic well, shall 1136
obtain liability insurance coverage from a company authorized or 1137
approved to do business in this state in an amount of not less 1138
than one million dollars bodily injury coverage and property 1139
damage coverage to pay damages for injury to persons or damage 1140
to property caused by the drilling, operation, or plugging of 1141
all the owner's wells in this state. However, if any well is 1142
located within an urbanized area, the owner shall obtain 1143
liability insurance coverage in an amount of not less than three 1144
million dollars for bodily injury coverage and property damage 1145
coverage to pay damages for injury to persons or damage to 1146
property caused by the drilling, operation, or plugging of all 1147
of the owner's wells in this state. 1148

(b) A board of county commissioners of a county that is an 1149

owner of a well or a board of township trustees of a township 1150
that is an owner of a well may elect to satisfy the liability 1151
coverage requirements specified in division (A)(1)(a) of this 1152
section by participating in a joint self-insurance pool in 1153
accordance with the requirements established under section 1154
2744.081 of the Revised Code. Nothing in division (A)(1)(b) of 1155
this section shall be construed to allow an entity, other than a 1156
county or township, to participate in a joint self-insurance 1157
pool to satisfy the liability coverage requirements specified in 1158
division (A)(1)(a) of this section. 1159

(2) An owner of a horizontal well shall obtain liability 1160
insurance coverage from an insurer authorized to write such 1161
insurance in this state or from an insurer approved to write 1162
such insurance in this state under section 3905.33 of the 1163
Revised Code in an amount of not less than five million dollars 1164
bodily injury coverage and property damage coverage to pay 1165
damages for injury to persons or damage to property caused by 1166
the production operations of all the owner's wells in this 1167
state. The insurance policy shall include a reasonable level of 1168
coverage available for an environmental endorsement. 1169

(3) An owner shall maintain the coverage required under 1170
division (A)(1) or (2) of this section until all the owner's 1171
wells are plugged and abandoned or are transferred to an owner 1172
who has obtained insurance as required under this section and 1173
who is not under a notice of material and substantial violation 1174
or under a suspension order. The owner shall provide proof of 1175
liability insurance coverage to the chief of the division of oil 1176
and gas resources management upon request. Upon failure of the 1177
owner to provide that proof when requested, the chief may order 1178
the suspension of any outstanding permits and operations of the 1179
owner until the owner provides proof of the required insurance 1180

coverage. 1181

(B) (1) Except as otherwise provided in this section, an 1182
owner of any well, before being issued a permit under section 1183
1509.06 of the Revised Code or before operating or producing 1184
from a well, shall execute and file with the division of oil and 1185
gas resources management a surety bond conditioned on compliance 1186
with the restoration requirements of section 1509.072, the 1187
plugging requirements of section 1509.12, the permit provisions 1188
of section 1509.13 of the Revised Code, and all rules and orders 1189
of the chief relating thereto, in an amount set by rule of the 1190
chief. 1191

(2) The owner may deposit with the chief, instead of a 1192
surety bond, cash in an amount equal to the surety bond as 1193
prescribed pursuant to this section or negotiable certificates 1194
of deposit or irrevocable letters of credit, issued by any bank 1195
organized or transacting business in this state, having a cash 1196
value equal to or greater than the amount of the surety bond as 1197
prescribed pursuant to this section. Cash or certificates of 1198
deposit shall be deposited upon the same terms as those upon 1199
which surety bonds may be deposited. If certificates of deposit 1200
are deposited with the chief instead of a surety bond, the chief 1201
shall require the bank that issued any such certificate to 1202
pledge securities of a cash value equal to the amount of the 1203
certificate that is in excess of the amount insured by any of 1204
the agencies and instrumentalities created under the "Federal 1205
Deposit Insurance Act," 64 Stat. 873 (1950), 12 U.S.C. 1811, as 1206
amended, and regulations adopted under it, including at least 1207
the federal deposit insurance corporation. The securities shall 1208
be security for the repayment of the certificate of deposit. 1209

Immediately upon a deposit of cash, certificates of 1210

deposit, or letters of credit with the chief, the chief shall 1211
deliver them to the treasurer of state who shall hold them in 1212
trust for the purposes for which they have been deposited. 1213

(3) Instead of a surety bond, the chief may accept proof 1214
of financial responsibility consisting of a sworn financial 1215
statement showing a net financial worth within this state equal 1216
to twice the amount of the bond for which it substitutes and, as 1217
may be required by the chief, a list of producing properties of 1218
the owner within this state or other evidence showing ability 1219
and intent to comply with the law and rules concerning 1220
restoration and plugging that may be required by rule of the 1221
chief. The owner of an exempt Mississippian well is not required 1222
to file scheduled updates of the financial documents, but shall 1223
file updates of those documents if requested to do so by the 1224
chief. The owner of a nonexempt Mississippian well shall file 1225
updates of the financial documents in accordance with a schedule 1226
established by rule of the chief. The chief, upon determining 1227
that an owner for whom the chief has accepted proof of financial 1228
responsibility instead of bond cannot demonstrate financial 1229
responsibility, shall order that the owner execute and file a 1230
bond or deposit cash, certificates of deposit, or irrevocable 1231
letters of credit as required by this section for the wells 1232
specified in the order within ten days of receipt of the order. 1233
If the order is not complied with, all wells of the owner that 1234
are specified in the order and for which no bond is filed or 1235
cash, certificates of deposit, or letters of credit are 1236
deposited shall be plugged. No owner shall fail or refuse to 1237
plug such a well. Each day on which such a well remains 1238
unplugged thereafter constitutes a separate offense. 1239

(4) The surety bond provided for in this section shall be 1240
executed by a surety company authorized to do business in this 1241

state. 1242

The chief shall not approve any bond until it is 1243
personally signed and acknowledged by both principal and surety, 1244
or as to either by the principal's or surety's attorney in fact, 1245
with a certified copy of the power of attorney attached thereto. 1246
The chief shall not approve a bond unless there is attached a 1247
certificate of the superintendent of insurance that the company 1248
is authorized to transact a fidelity and surety business in this 1249
state. 1250

All bonds shall be given in a form to be prescribed by the 1251
chief and shall run to the state as obligee. 1252

(5) An owner of an exempt Mississippian well or an exempt 1253
domestic well, in lieu of filing a surety bond, cash in an 1254
amount equal to the surety bond, certificates of deposit, 1255
irrevocable letters of credit, or a sworn financial statement, 1256
may file a one-time fee of fifty dollars, which shall be 1257
deposited in the oil and gas well plugging fund created in 1258
section 1509.071 of the Revised Code. 1259

(C) An owner, operator, producer, or other person shall 1260
not operate a well or produce from a well at any time if the 1261
owner, operator, producer, or other person has not satisfied the 1262
requirements established in this section. 1263

Sec. 3375.121. (A) In any municipal corporation, not 1264
located in a county library district, that has a population of 1265

not located a main library of a township, municipal, school 1267
district, association, or county free public library, a library 1268
district may be created by a resolution adopted by the 1269
legislative authority of that municipal corporation. No such 1270

resolution shall be adopted after one year from June 20, 1977. 1271
Upon the adoption of the resolution, any branches of an existing 1272
library that are located in that municipal corporation shall 1273

The municipal corporation and the board of trustees of the 1275
public library maintaining any existing branches in that 1276
municipal corporation shall forthwith take appropriate action 1277
transferring all title and interest in all real and personal 1278
property located in that municipal corporation in the name of 1279

appropriate resolution. Upon transfer of all title and interest 1282
in that property, the branches shall become a part of, and be 1283

June 20, 1977, a resolution creating a library district. Upon 1291
the establishment of any such library district, the board of 1292
trustees of any library operating a branch library in that 1293
municipal corporation shall not be required to transfer any 1294
property to the newly established library. 1295

(C) The board of library trustees of any library district 1296
created under this section shall be composed of seven members. 1297
Those trustees shall be appointed by the legislative authority 1298
of the municipal corporation, to serve without compensation, for 1299
a term of four years, but the initial term of the seventh 1300

trustee may be for the number of years set by the legislative 1301
authority, not to exceed four years. Vacancies shall be filled 1302
by like appointment for the unexpired term. This section does 1303
not affect the term of any trustee appointed prior to January 1, 1304
2013. A library district created under this section shall be 1305
governed in accordance with and exercise the authority provided 1306
for in sections 3375.32 to 3375.41 of the Revised Code. 1307

Notwithstanding any contrary provision of section 3.24 of 1308
the Revised Code, the ~~president~~ chairperson of a board of 1309
township trustees may administer the oath of office to a person 1310
or persons representing the township on the board of library 1311
trustees of any library district created under this section, 1312
even if the geographical limits of the library district do not 1313
fall within the geographical limits of the township. 1314

(D) Any library district created under this section is 1315
eligible to participate in the proceeds of the county public 1316
library fund in accordance with section 5705.28 of the Revised 1317
Code. 1318

(E) A municipal corporation may establish and operate a 1319

library district, if all of the following conditions are met: 1322

(1) The facility in which the library is principally 1323

(2) The population of the municipal corporation is less 1327
than five hundred when the library is transferred from the 1328
county library district or school library district to the 1329

municipal corporation. 1330

(3) The municipal corporation does not establish a 1331
municipal library district under this section. 1332

(4) The library does not receive any proceeds from the 1333
county public library fund under section 5747.48 of the Revised 1334
Code. 1335

Sec. 3501.021. Notwithstanding any provision of the 1336

with levy funds excludes territory located within the 1843
subdivision, the resolution adopted under this section, or a 1844
resolution proposing to renew such a levy that was imposed in 1845
all of the territory of the subdivision, may describe the area 1846
served or to be served by the system and specify that the 1847
proposed tax would be imposed only in the areas receiving or to 1848
receive the service. Upon passage of such a resolution, the 1849
board of elections shall submit the question of the tax levy 1850
only to those electors residing in the area or areas in which 1851
the tax would be imposed. If the 9-1-1 system would serve the 1852
entire subdivision, the resolution shall not exclude territory 1853
from the tax levy. 1854

The resolution shall go into immediate effect upon its 1855
passage, and no publication of the resolution is necessary other 1856
than that provided for in the notice of election 1857

When the electors of a subdivision or, in the case of a 1858
qualifying library levy for the support of a library association 1859

or private corporation, the electors of the association library 1860
district or, in the case of a 9-1-1 system levy serving only a 1861
portion of the territory of a subdivision, the electors of the 1862
portion of the subdivision in which the levy would be imposed 1863
have approved a tax levy under this section, the taxing 1864
authority of the subdivision may anticipate a fraction of the 1865
proceeds of the levy and issue anticipation notes in accordance 1866
with section 5705.191 or 5705.193 of the Revised Code. 1867

Sec. 5709.73. (A) As used in this section and section 1868
5709.74 of the Revised Code: 1869

(1) "Business day" means a day of the week excluding 1870
Saturday, Sunday, and a legal holiday as defined in section 1.14 1871
of the Revised Code. 1872

(2) "Further improvements" or "improvements" means the 1873
increase in the assessed value of real property that would first 1874
appear on the tax list and duplicate of real and public utility 1875
property after the effective date of a resolution adopted under 1876
this section were it not for the exemption granted by that 1877
resolution. For purposes of division (B) of this section, 1878
"improvements" do not include any property used or to be used 1879
for residential purposes. For this purpose, "property that is 1880
used or to be used for residential purposes" means property 1881
that, as improved, is used or to be used for purposes that would 1882
cause the tax commissioner to classify the property as 1883
residential property in accordance with rules adopted by the 1884
commissioner under section 5713.041 of the Revised Code. 1885

(3) "Housing renovation" means a project carried out for 1886
residential purposes. 1887

(4) "Incentive district" has the same meaning as in 1888

section 5709.40 of the Revised Code, except that a blighted area 1889
is in the unincorporated area of a township. 1890

(5) "Overlay" has the same meaning as in section 5709.40 1891
of the Revised Code, except that the overlay is delineated by 1892
the board of township trustees. 1893

(6) "Project" and "public infrastructure improvement" have 1894
the same meanings as in section 5709.40 of the Revised Code. 1895

(B) A board of township trustees may, by unanimous vote, 1896
adopt a resolution that declares to be a public purpose any 1897
public infrastructure improvements made that are necessary for 1898
the development of certain parcels of land located in the 1899
unincorporated area of the township. Except with the approval 1900
under division (D) of this section of the board of education of 1901
each city, local, or exempted village school district within 1902
which the improvements are located, the resolution may exempt 1903
from real property taxation not more than seventy-five per cent 1904
of further improvements to a parcel of land that directly 1905
benefits from the public infrastructure improvements, for a 1906
period of not more than ten years. The resolution shall specify 1907
the percentage of the further improvements to be exempted and 1908
the life of the exemption. 1909

(C) (1) A board of township trustees may adopt, by 1910
unanimous vote, a resolution creating an incentive district and 1911
declaring improvements to parcels within the district to be a 1912
public purpose and, except as provided in division (C) (2) of 1913
this section, exempt from taxation as provided in this section, 1914
but no board of township trustees of a township that has a 1915
population that exceeds twenty-five thousand, as shown by the 1916
most recent federal decennial census, shall adopt a resolution 1917
that creates an incentive district if the sum of the taxable 1918

value of real property in the proposed district for the 1919
preceding tax year and the taxable value of all real property in 1920
the township that would have been taxable in the preceding year 1921
were it not for the fact that the property was in an existing 1922
incentive district and therefore exempt from taxation exceeds 1923
twenty-five per cent of the taxable value of real property in 1924
the township for the preceding tax year. The district shall be 1925
located within the unincorporated area of the township and shall 1926
not include any territory that is included within a district 1927
created under division (B) of section 5709.78 of the Revised 1928
Code. The resolution shall delineate the boundary of the 1929
proposed district and specifically identify each parcel within 1930
the district. A proposed district may not include any parcel 1931
that is or has been exempted from taxation under division (B) of 1932
this section or that is or has been within another district 1933
created under this division. A resolution may create more than 1934
one such district, and more than one resolution may be adopted 1935
under division (C) (1) of this section. 1936

(2) (a) Not later than thirty days prior to adopting a 1937
resolution under division (C) (1) of this section, if the 1938
township intends to apply for exemptions from taxation under 1939
section 5709.911 of the Revised Code on behalf of owners of real 1940
property located within the proposed incentive district, the 1941
board shall conduct a public hearing on the proposed resolution. 1942
Not later than thirty days prior to the public hearing, the 1943
board shall give notice of the public hearing and the proposed 1944
resolution by first class mail to every real property owner 1945
whose property is located within the boundaries of the proposed 1946
incentive district that is the subject of the proposed 1947
resolution. The notice shall include a map of the proposed 1948
incentive district on which the board of township trustees shall 1949

have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C) (2) (b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C) (1) of this section who meets the conditions specified in divisions (C) (2) (a) (i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C) (2) (a) of this section. The response shall include a copy of the statement submitted under division (C) (2) (a) (ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under

division (C) (2) (a) of this section. The response shall conform 1980
to any content requirements that may be established by the board 1981
and included in the notice provided under division (C) (2) (a) of 1982
this section. In the response, property owners may identify a 1983
parcel by street address, by the manner in which it is 1984
identified in the resolution, or by other means allowing the 1985
identity of the parcel to be ascertained. 1986

(c) Before adopting a resolution under division (C) (1) of 1987
this section, the board shall amend the resolution to exclude 1988
any parcel for which a written response has been submitted under 1989
division (C) (2) (b) of this section. A township shall not apply 1990
for exemptions from taxation under section 5709.911 of the 1991
Revised Code for any such parcel, and service payments may not 1992
be required from the owner of the parcel. Improvements to a 1993
parcel excluded from an incentive district under this division 1994
may be exempted from taxation under division (B) of this section 1995
pursuant to a resolution adopted under that division or under 1996
any other section of the Revised Code under which the parcel 1997
qualifies. 1998

(3) (a) A resolution adopted under division (C) (1) of this 1999
section shall specify the life of the incentive district and the 2000
percentage of the improvements to be exempted, shall designate 2001
the public infrastructure improvements made, to be made, or in 2002
the process of being made, that benefit or serve, or, once made, 2003
will benefit or serve parcels in the district. The resolution 2004
also shall identify one or more specific projects being, or to 2005
be, undertaken in the district that place additional demand on 2006
the public infrastructure improvements designated in the 2007
resolution. The project identified may, but need not be, the 2008
project under division (C) (3) (b) of this section that places 2009
real property in use for commercial or industrial purposes. 2010

A resolution adopted under division (C)(1) of this section 2011
on or after March 30, 2006, shall not designate police or fire 2012
equipment as public infrastructure improvements, and, except as 2013
provided in division (F) of this section, no service payment 2014
provided for in section 5709.74 of the Revised Code and received 2015
by the township under the resolution shall be used for police or 2016
fire equipment. 2017

(b) A resolution adopted under division (C)(1) of this 2018
section may authorize the use of service payments provided for 2019
in section 5709.74 of the Revised Code for the purpose of 2020
housing renovations within the incentive district, provided that 2021
the resolution also designates public infrastructure 2022
improvements that benefit or serve the district, and that a 2023
project within the district places real property in use for 2024
commercial or industrial purposes. Service payments may be used 2025
to finance or support loans, deferred loans, and grants to 2026
persons for the purpose of housing renovations within the 2027
district. The resolution shall designate the parcels within the 2028
district that are eligible for housing renovations. The 2029
resolution shall state separately the amount or the percentages 2030
of the expected aggregate service payments that are designated 2031
for each public infrastructure improvement and for the purpose 2032
of housing renovations. 2033

(4) Except with the approval of the board of education of 2034
each city, local, or exempted village school district within the 2035
territory of which the incentive district is or will be located, 2036
and subject to division (E) of this section, the life of an 2037
incentive district shall not exceed ten years, and the 2038
percentage of improvements to be exempted shall not exceed 2039
seventy-five per cent. With approval of the board of education, 2040
the life of a district may be not more than thirty years, and 2041

the percentage of improvements to be exempted may be not more 2042
than one hundred per cent. The approval of a board of education 2043
shall be obtained in the manner provided in division (D) of this 2044
section. 2045

(D) Improvements with respect to a parcel may be exempted 2046
from taxation under division (B) of this section, and 2047
improvements to parcels within an incentive district may be 2048
exempted from taxation under division (C) of this section, for 2049
up to ten years or, with the approval of the board of education 2050
of the city, local, or exempted village school district within 2051
which the parcel or district is located, for up to thirty years. 2052
The percentage of the improvements exempted from taxation may, 2053
with such approval, exceed seventy-five per cent, but shall not 2054
exceed one hundred per cent. Not later than forty-five business 2055
days prior to adopting a resolution under this section declaring 2056
improvements to be a public purpose that is subject to approval 2057
by a board of education under this division, the board of 2058
township trustees shall deliver to the board of education a 2059
notice stating its intent to adopt a resolution making that 2060
declaration. The notice regarding improvements with respect to a 2061
parcel under division (B) of this section shall identify the 2062
parcels for which improvements are to be exempted from taxation, 2063
provide an estimate of the true value in money of the 2064
improvements, specify the period for which the improvements 2065
would be exempted from taxation and the percentage of the 2066
improvements that would be exempted, and indicate the date on 2067
which the board of township trustees intends to adopt the 2068
resolution. The notice regarding improvements made under 2069
division (C) of this section to parcels within an incentive 2070
district shall delineate the boundaries of the district, 2071
specifically identify each parcel within the district, identify 2072

each anticipated improvement in the district, provide an 2073
estimate of the true value in money of each such improvement, 2074
specify the life of the district and the percentage of 2075
improvements that would be exempted, and indicate the date on 2076
which the board of township trustees intends to adopt the 2077
resolution. The board of education, by resolution adopted by a 2078
majority of the board, may approve the exemption for the period 2079
or for the exemption percentage specified in the notice; may 2080
disapprove the exemption for the number of years in excess of 2081
ten, may disapprove the exemption for the percentage of the 2082
improvements to be exempted in excess of seventy-five per cent, 2083
or both; or may approve the exemption on the condition that the 2084
board of township trustees and the board of education negotiate 2085
an agreement providing for compensation to the school district 2086
equal in value to a percentage of the amount of taxes exempted 2087
in the eleventh and subsequent years of the exemption period or, 2088
in the case of exemption percentages in excess of seventy-five 2089
per cent, compensation equal in value to a percentage of the 2090
taxes that would be payable on the portion of the improvements 2091
in excess of seventy-five per cent were that portion to be 2092
subject to taxation, or other mutually agreeable compensation. 2093

The board of education shall certify its resolution to the 2094
board of township trustees not later than fourteen days prior to 2095
the date the board of township trustees intends to adopt the 2096
resolution as indicated in the notice. If the board of education 2097
and the board of township trustees negotiate a mutually 2098
acceptable compensation agreement, the resolution may declare 2099
the improvements a public purpose for the number of years 2100
specified in the resolution or, in the case of exemption 2101
percentages in excess of seventy-five per cent, for the 2102
exemption percentage specified in the resolution. In either 2103

case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under

division (D) of this section. If a board of education has 2135
adopted a resolution allowing a board of township trustees to 2136
deliver the notice required under division (D) of this section 2137
fewer than forty-five business days prior to adoption of the 2138
resolution by the board of township trustees, the board of 2139
township trustees shall deliver the notice to the board of 2140
education not later than the number of days prior to the 2141
adoption as prescribed by the board of education in its 2142
resolution. If a board of education adopts a resolution waiving 2143
its right to approve exemptions or shortening the notification 2144
period, the board of education shall certify a copy of the 2145
resolution to the board of township trustees. If the board of 2146
education rescinds the resolution, it shall certify notice of 2147
the rescission to the board of township trustees. 2148

If the board of township trustees is not required by 2149
division (D) of this section to notify the board of education of 2150
the board of township trustees' intent to declare improvements 2151
to be a public purpose, the board of township trustees shall 2152
comply with the notice requirements imposed under section 2153
5709.83 of the Revised Code before taking formal action to adopt 2154
the resolution making that declaration, unless the board of 2155
education has adopted a resolution under that section waiving 2156
its right to receive the notice. 2157

(E) (1) If a proposed resolution under division (C) (1) of 2158
this section exempts improvements with respect to a parcel 2159
within an incentive district for more than ten years, or the 2160
percentage of the improvement exempted from taxation exceeds 2161
seventy-five per cent, not later than forty-five business days 2162
prior to adopting the resolution the board of township trustees 2163
shall deliver to the board of county commissioners of the county 2164
within which the incentive district is or will be located a 2165

notice that states its intent to adopt a resolution creating an 2166
incentive district. The notice shall include a copy of the 2167
proposed resolution, identify the parcels for which improvements 2168
are to be exempted from taxation, provide an estimate of the 2169
true value in money of the improvements, specify the period of 2170
time for which the improvements would be exempted from taxation, 2171
specify the percentage of the improvements that would be 2172
exempted from taxation, and indicate the date on which the board 2173
of township trustees intends to adopt the resolution. 2174

(2) The board of county commissioners, by resolution 2175
adopted by a majority of the board, may object to the exemption 2176
for the number of years in excess of ten, may object to the 2177
exemption for the percentage of the improvement to be exempted 2178
in excess of seventy-five per cent, or both. If the board of 2179
county commissioners objects, the board may negotiate a mutually 2180
acceptable compensation agreement with the board of township 2181
trustees. In no case shall the compensation provided to the 2182
board of county commissioners exceed the property taxes foregone 2183
due to the exemption. If the board of county commissioners 2184
objects, and the board of county commissioners and board of 2185
township trustees fail to negotiate a mutually acceptable 2186
compensation agreement, the resolution adopted under division 2187
(C) (1) of this section shall provide to the board of county 2188
commissioners compensation in the eleventh and subsequent years 2189
of the exemption period equal in value to not more than fifty 2190
per cent of the taxes that would be payable to the county or, if 2191
the board of county commissioner's objection includes an 2192
objection to an exemption percentage in excess of seventy-five 2193
per cent, compensation equal in value to not more than fifty per 2194
cent of the taxes that would be payable to the county, on the 2195
portion of the improvement in excess of seventy-five per cent, 2196

were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, or a later date as specified in this division, shall be distributed

to the appropriate taxing authority as required under division 2228
(C) of section 5709.74 of the Revised Code in an amount equal to 2229
the amount of taxes from that additional levy or from the 2230
increase in the effective tax rate of such renewal or 2231
replacement levy that would have been payable to that taxing 2232
authority from the following levies were it not for the 2233
exemption authorized under division (C) of this section: 2234

(1) A tax levied under division (L) of section 5705.19 or 2235
section 5705.191 or 5705.222 of the Revised Code for community 2236

(5) A tax levied under section 5705.23 of the Revised Code 2248
for library purposes; 2249

Code; 2256

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts; 2257

Division (F) (13) of this section applies only to incentive districts created by a resolution adopted on or after the effective date of the amendment of this section by ...B... of the 132nd general assembly, and only if that resolution specifies that division (F) of this section shall apply to such a tax. 2273

2276
2277
2278
2279
2280
2281
2282

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the 2283
2284
2285

effective date of the resolution. If the resolution specifies a 2286
year commencing before the effective date of the resolution or 2287
specifies no year whatsoever, the exemption commences with the 2288
tax year in which an exempted improvement first appears on the 2289
tax list and duplicate of real and public utility property and 2290
that commences after the effective date of the resolution. In 2291
lieu of stating a specific year, the resolution may provide that 2292
the exemption commences in the tax year in which the value of an 2293
improvement exceeds a specified amount or in which the 2294
construction of one or more improvements is completed, provided 2295
that such tax year commences after the effective date of the 2296
resolution. With respect to the exemption of improvements to 2297
parcels under division (B) of this section, the resolution may 2298
allow for the exemption to commence in different tax years on a 2299
parcel-by-parcel basis, with a separate exemption term specified 2300
for each parcel. 2301

Except as otherwise provided in this division, the 2302
exemption ends on the date specified in the resolution as the 2303
date the improvement ceases to be a public purpose or the 2304
incentive district expires, or ends on the date on which the 2305
public infrastructure improvements and housing renovations are 2306
paid in full from the township public improvement tax increment 2307
equivalent fund established under section 5709.75 of the Revised 2308
Code, whichever occurs first. The exemption of an improvement 2309
with respect to a parcel or within an incentive district may end 2310
on a later date, as specified in the resolution, if the board of 2311
township trustees and the board of education of the city, local, 2312
or exempted village school district within which the parcel or 2313
district is located have entered into a compensation agreement 2314
under section 5709.82 of the Revised Code with respect to the 2315
improvement and the board of education has approved the term of 2316

the exemption under division (D) of this section, but in no case 2317
shall the improvement be exempted from taxation for more than 2318
thirty years. The board of township trustees may, by majority 2319
vote, adopt a resolution permitting the township to enter into 2320
such agreements as the board finds necessary or appropriate to 2321
provide for the construction or undertaking of public 2322
infrastructure improvements and housing renovations. Any 2323
exemption shall be claimed and allowed in the same or a similar 2324
manner as in the case of other real property exemptions. If an 2325
exemption status changes during a tax year, the procedure for 2326
the apportionment of the taxes for that year is the same as in 2327
the case of other changes in tax exemption status during the 2328
year. 2329

(H) The board of township trustees may issue the notes of 2330
the township to finance all costs pertaining to the construction 2331
or undertaking of public infrastructure improvements and housing 2332
renovations made pursuant to this section. The notes shall be 2333
signed by the board and attested by the signature of the 2334
township fiscal officer, shall bear interest not to exceed the 2335
rate provided in section 9.95 of the Revised Code, and are not 2336
subject to Chapter 133. of the Revised Code. The resolution 2337
authorizing the issuance of the notes shall pledge the funds of 2338
the township public improvement tax increment equivalent fund 2339
established pursuant to section 5709.75 of the Revised Code to 2340
pay the interest on and principal of the notes. The notes, which 2341
may contain a clause permitting prepayment at the option of the 2342
board, shall be offered for sale on the open market or given to 2343
the vendor or contractor if no sale is made. 2344

(I) The township, not later than fifteen days after the 2345
adoption of a resolution under this section, shall submit to the 2346
director of development services a copy of the resolution. On or 2347

before the thirty-first day of March of each year, the township 2348
shall submit a status report to the director of development 2349
services. The report shall indicate, in the manner prescribed by 2350
the director, the progress of the project during each year that 2351
the exemption remains in effect, including a summary of the 2352
receipts from service payments in lieu of taxes; expenditures of 2353
money from the fund created under section 5709.75 of the Revised 2354
Code; a description of the public infrastructure improvements 2355
and housing renovations financed with the expenditures; and a 2356
quantitative summary of changes in private investment resulting 2357
from each project. 2358

(J) Nothing in this section shall be construed to prohibit 2359
a board of township trustees from declaring to be a public 2360
purpose improvements with respect to more than one parcel. 2361

If a parcel is located in a new community district in 2362
which the new community authority imposes a community 2363
development charge on the basis of rentals received from leases 2364
of real property as described in division (L) (2) of section 2365
349.01 of the Revised Code, the parcel may not be exempted from 2366
taxation under this section. 2367

(K) A board of township trustees that adopted a resolution 2368
under this section prior to July 21, 1994, may amend that 2369
resolution to include any additional public infrastructure 2370
improvement. A board of township trustees that seeks by the 2371
amendment to utilize money from its township public improvement 2372
tax increment equivalent fund for land acquisition in aid of 2373
industry, commerce, distribution, or research, demolition on 2374
private property, or stormwater and flood remediation projects 2375
may do so provided that the board currently is a party to a 2376
hold-harmless agreement with the board of education of the city, 2377

local, or exempted village school district within the territory 2378
of which are located the parcels that are subject to an 2379
exemption. For the purposes of this division, a "hold-harmless 2380
agreement" means an agreement under which the board of township 2381
trustees agrees to compensate the school district for one 2382
hundred per cent of the tax revenue that the school district 2383
would have received from further improvements to parcels 2384
designated in the resolution were it not for the exemption 2385
granted by the resolution. 2386

(L) Notwithstanding the limitation prescribed by division 2387
(D) of this section on the number of years that improvements to 2388
a parcel or parcels may be exempted from taxation, a board of 2389
trustees of a township with a population of fifteen thousand or 2390
more may amend a resolution originally adopted under this 2391
section before December 31, 1994, to extend the exemption of 2392
improvements to the parcel or parcels included in such 2393
resolution for an additional period not to exceed fifteen years. 2394
The amendment shall not increase the percentage of improvements 2395
to the parcel or parcels exempted from taxation. Before adopting 2396
an amendment authorized under this division, the board of 2397
township trustees shall obtain the approval of each board of 2398
education of the city, local, or exempted village school 2399
district within which the exempted parcels are located in the 2400
manner required under division (D) of this section, except that 2401
(1) the board of education may approve the exemption on the 2402
condition that the board of township trustees and the board of 2403
education negotiate an agreement providing for compensation to 2404
the school district equal in value to the amount of taxes the 2405
district forgoes in each year the exemption is extended pursuant 2406
to this division or any other mutually agreeable compensation 2407
and (2) if the board of education fails to certify a resolution 2408

approving the amendment to the board of township trustees within 2409
the time prescribed by division (D) of this section, the board 2410
of township trustees shall not adopt the amendment authorized 2411
under this division. 2412

No approval under this division shall be required from a 2413
board of education that has adopted a resolution waiving its 2414
right to approve exemptions from taxation pursuant to division 2415
(D) of this section. If the board of education has adopted such 2416
a resolution, the board of township trustees shall comply with 2417
the notice requirements imposed under section 5709.83 of the 2418
Revised Code before taking formal action to adopt an amendment 2419
authorized under this division unless the board of education has 2420
adopted a resolution under that section waiving its right to 2421
receive the notice. Not later than fourteen days before adopting 2422
an amendment authorized under this division, the board of 2423
township trustees shall deliver a notice identical to a notice 2424
required under section 5709.83 of the Revised Code to the board 2425
of county commissioners of each county in which the exempted 2426
parcels are located. 2427

Sec. 5709.75. (A) Any township that receives service 2428
payments in lieu of taxes under section 5709.74 of the Revised 2429
Code shall establish a township public improvement tax increment 2430
equivalent fund into which those payments shall be deposited. If 2431
the board of township trustees has adopted a resolution under 2432
division (C) of section 5709.73 of the Revised Code, the 2433
township shall establish at least one account in that fund with 2434
respect to resolutions adopted under division (B) of that 2435
section, and one account with respect to each incentive district 2436
created by a resolution adopted under division (C) of that 2437
section. If a resolution adopted under division (C) of section 2438
5709.73 of the Revised Code also authorizes the use of service 2439

payments for housing renovations within the incentive district, 2440
the township shall establish separate accounts for the service 2441
payments designated for public infrastructure improvements and 2442
for the service payments authorized for the purpose of housing 2443
renovations. 2444

(B) Except as otherwise provided in division (C) or (D) of 2445
this section, money deposited in an account of the township 2446
public improvement tax increment equivalent fund shall be used 2447
by the township to pay the costs of public infrastructure 2448
improvements designated in or the housing renovations authorized 2449
by the resolution with respect to which the account is 2450
established, including any interest on and principal of the 2451
notes; in the case of an account established with respect to a 2452
resolution adopted under division (C) of that section, money in 2453
the account shall be used to finance the public infrastructure 2454
improvements designated, or the housing renovations authorized, 2455
for each incentive district created in the resolution. Money in 2456
an account shall not be used to finance or support housing 2457
renovations that take place after the incentive district has 2458
expired. 2459

(C) (1) (a) A township may distribute money in such an 2460
account to any school district in which the exempt property is 2461
located in an amount not to exceed the amount of real property 2462
taxes that such school district would have received from the 2463
improvement if it were not exempt from taxation. The resolution 2464
establishing the fund shall set forth the percentage of such 2465
maximum amount that will be distributed to any affected school 2466
district. 2467

(b) A township also may distribute money in such an 2468
account as follows: 2469

(i) To a board of county commissioners, in the amount that 2470
is owed to the board pursuant to division (E) of section 5709.73 2471
of the Revised Code; 2472

(ii) To a county in accordance with section 5709.913 of 2473
the Revised Code. 2474

(2) Money from an account in a township public improvement 2475
tax increment equivalent fund may be distributed under division 2476
(C)(1)(b) of this section, regardless of the date a resolution 2477
was adopted under section 5709.73 of the Revised Code that 2478
prompted the establishment of the account, even if the 2479
resolution was adopted prior to March 30, 2006. 2480

(D) A board of township trustees that adopted a resolution 2481
under section 5709.73 of the Revised Code and that, with respect 2482
to property exempted under such a resolution, is party to a 2483
hold-harmless or service agreement, may appropriate and expend 2484
unencumbered money in the fund to pay current public safety 2485
expenses of the township. A township appropriating and expending 2486
money under this division shall reimburse the fund for the sum 2487
so appropriated and expended not later than the day the 2488
exemption granted under the resolution expires. For the purposes 2489
of this division, a "hold-harmless agreement" is an agreement 2490
with the board of education of a city, local, or exempted 2491
village school district under which the board of township 2492
trustees agrees to compensate the school district for one 2493
hundred per cent of the tax revenue the school district would 2494
have received from improvements to parcels designated in the 2495
resolution were it not for the exemption granted by the 2496
resolution. 2497

(E) A board of township trustees that adopted a resolution 2498
under section 5709.73 of the Revised Code prior to July 21, 2499

1994, and that, with respect to property exempted under such 2500
resolution, is a party to a hold-harmless or service agreement 2501
with a board of education of a city, local, or exempted village 2502
school district, within the territory of which such property is 2503
located, may appropriate and expend unencumbered money in the 2504
fund to pay current expenses for the continued maintenance of 2505
public improvements or public infrastructure improvements 2506
designated in that resolution, as such resolution has been 2507
amended under division (K) of section 5709.73 of the Revised 2508
Code. 2509

(F) Any unencumbered money remaining in the township 2510
public improvement tax increment equivalent fund or an account 2511
of that fund upon dissolution of the account or fund shall be 2512
transferred to the general fund of the township. 2513
