<u>learning and achievement</u> shall make no payment under section	32553
3314.08 of the Revised Code to a community school opening for	32554
its first year of operation until the sponsor of that school	32555
confirms all of the following:	32556
(A) The school is in compliance with the provisions	32557

(D) The chief administrator of the community school actively is managing daily operations at the school.	32568 32569
(E) The projected enrollment reported to the department is accurate.	32570 32571
<b>Sec. 3314.20.</b> (A) As used in this section:	32572
(1) "Base enrollment" for an internet- or computer-based community school means either of the following:	32573 32574
(a) If the school was open for instruction on the effective date of this section, the number of students enrolled in the school at the end of the 2012-2013 school year;	32575 32576 32577
(b) If the school opens for instruction after the effective date of this section, one thousand students.	32578 32579
(2) "Enrollment limit" for an internet- or computer-based community school means the following:	32580 32581
(a) For the 2014-2015 school year, the base enrollment increased by the prescribed annual rate of growth, as calculated by the department of <del>education</del> <u>learning and achievement</u> .	32582 32583 32584
(b) For the 2015-2016 school year and each school year thereafter, the previous school year's enrollment limit increased by the prescribed annual rate of growth, as calculated by the department.	32585 32586 32587 32588
(3) "Prescribed annual rate of growth" for an internet- or computer-based community school means either of the following:	32589 32590
(a) For a school with an enrollment limit equal to or greater than three thousand students, fifteen per cent.	32591 32592
(b) For a school with an enrollment limit of less than	32593

three thousand students, twenty-five per cent. 32594

(B) Beginning in the 2014-2015 school year, no internet- 32595  
or computer-based community school shall enroll more students 32596  
than the number permitted by its enrollment limit. 32597

(C) If, in any school year, an internet- or computer-based 32598  
community school enrolls more students than permitted under the 32599  
enrollment limit, the department shall deduct from the community 32600  
school the amount of state funds credited to the community 32601  
school attributable to each student enrolled in excess of the 32602  
enrollment limit, as determined by the department. The 32603  
department shall distribute the deducted amounts to the school 32604  
districts to which the students enrolled in the community school 32605  
are entitled to attend school under section 3313.64 or 3313.65 32606  
of the Revised Code. Such amounts shall be distributed on a pro 32607  
rata basis according to each district's share of the total 32608  
enrollment in the community school. 32609

**Sec. 3314.22.** (A) (1) Each child enrolled in an internet- 32610  
or computer-based community school is entitled to a computer 32611  
supplied by the school; however, the parent of any child 32612  
enrolled in the school may waive this entitlement in the manner 32613  
specified in division (A) (3) of this section. In no case shall 32614  
an internet- or computer-based community school provide a 32615  
stipend or other substitute to an enrolled child or the child's 32616  
parent in lieu of supplying a computer to the child. The 32617  
prohibition contained in the preceding sentence is intended to 32618  
clarify the meaning of this division as it existed prior to 32619  
September 29, 2005, and is not intended to change that meaning 32620  
in any way. 32621

(2) Notwithstanding division (A) (1) of this section, if 32622  
more than one child living in a single residence is enrolled in 32623

an internet- or computer-based community school, at the option 32624  
of the parent of those children, the school may supply less than 32625  
one computer per child, as long as at least one computer is 32626  
supplied to the residence. An internet- or computer-based 32627  
community school may supply no computer at all only if the 32628  
parent has waived the entitlement prescribed in division (A) (1) 32629  
of this section in the manner specified in division (A) (3) of 32630  
this section. The parent may amend the decision to accept less 32631  
than one computer per child anytime during the school year, and, 32632  
in such case, within thirty days after the parent notifies the 32633  
school of such amendment, the school shall provide any 32634  
additional computers requested by the parent up to the number 32635  
necessary to comply with division (A) (1) of this section. 32636

(3) The parent of any child enrolled in an internet- or 32637  
computer-based community school may waive the entitlement to one 32638  
computer per child, and have no computer at all supplied by the 32639  
school, if the school and parent set forth that waiver in 32640  
writing with both parties attesting that there is a computer 32641  
available to the child in the child's residence with sufficient 32642  
hardware, software, programming, and connectivity so that the 32643  
child may fully participate in all of the learning opportunities 32644  
offered to the child by the school. The parent may amend the 32645  
decision to waive the entitlement at any time during the school 32646  
year and, in such case, within thirty days after the parent 32647  
notifies the school of that decision, the school shall provide 32648  
any additional computers requested by the parent up to the 32649  
number necessary to comply with division (A) (1) of this section, 32650  
regardless of whether there is any change in the conditions 32651  
attested to in the waiver. 32652

(4) A copy of a waiver executed under division (A) (3) of 32653  
this section shall be retained by the internet- or computer- 32654

based community school and the parent who attested to the 32655  
conditions prescribed in that division. The school shall submit 32656  
a copy of the waiver to the department of ~~education~~learning and  
achievement immediately upon execution of the waiver. 32657  
32658

(5) The school shall notify the department of ~~education~~  
learning and achievement, in the manner specified by the 32659  
department, of any parent's decision under division (A) (2) of 32660  
this section to accept less than one computer per child or the 32661  
parent's amendment to that decision, and of any parent's 32662  
decision to amend the waiver executed under division (A) (3) of 32663  
this section. 32664  
32665

(B) Each internet- or computer-based community school 32666  
shall provide to each parent who is considering enrolling the 32667  
parent's child in the school and to the parent of each child 32668  
already enrolled in the school a written notice of the 32669  
provisions prescribed in division (A) of this section. 32670

(C) If a community school that is not an internet- or 32671  
computer-based community school provides any of its enrolled 32672  
students with nonclassroom-based learning opportunities provided 32673  
via an internet- or other computer-based instructional method 32674  
and requires such students to participate in any of those 32675  
learning opportunities from their residences, the school shall 32676  
be subject to this section and division (C) (1) of section 32677  
3314.21 of the Revised Code relative to each such student in the 32678  
same manner as an internet- or computer-based community school, 32679  
unless both of the following conditions apply to the student: 32680

(1) The nonclassroom-based learning opportunities in which 32681  
the student is required to participate from the student's 32682  
residence are supplemental in nature or do not constitute a 32683  
significant portion of the total classroom-based and 32684

nonclassroom-based learning opportunities provided to the 32685  
student by the school; 32686

(2) The student's residence is equipped with a computer 32687  
available for the student's use. 32688

**Sec. 3314.24.** (A) On or after July 1, 2004, no internet- 32689  
or computer-based community school shall enter into a contract 32690  
with a nonpublic school to use or rent any facility space at the 32691  
nonpublic school for the provision of instructional services to 32692  
students enrolled in the internet- or computer-based community 32693  
school. 32694

(B) If, on or after July 1, 2004, an internet- or 32695  
computer-based community school has a contract with a nonpublic 32696  
school as described in division (A) of this section, the 32697  
department of ~~education~~learning and achievement shall not make 32698  
any payments under section 3314.08 of the Revised Code to the 32699  
internet- or computer-based community school for any student who 32700  
is enrolled in the internet- or computer-based community school 32701  
and receives any instructional services from the internet- or 32702  
computer-based community school at the nonpublic school. 32703

**Sec. 3314.26.** (A) Each internet- or computer-based 32704  
community school shall withdraw from the school any student who, 32705  
for two consecutive school years of enrollment in the school, 32706  
has failed to participate in the spring administration of any 32707  
assessment prescribed under section 3301.0710 or 3301.0712 of 32708  
the Revised Code for the student's grade level and was not 32709  
excused from the assessment pursuant to division (C) (1) or (3) 32710  
of section 3301.0711 of the Revised Code, regardless of whether 32711  
a waiver was granted for the student under division (L) (3) of 32712  
section 3314.08 of the Revised Code. The school shall report any 32713  
such student's data verification code, as assigned pursuant to 32714

section 3301.0714 of the Revised Code, to the department of 32715  
~~education~~ learning and achievement. The department shall 32716  
maintain a list of all data verification codes reported under 32717  
this division and section 3313.6410 of the Revised Code and 32718  
provide that list to each internet- or computer-based community 32719  
school and to each school to which section 3313.6410 of the 32720  
Revised Code applies. 32721

(B) No internet- or computer-based community school shall 32722  
receive any state funds under this chapter for any enrolled 32723  
student whose data verification code appears on the list 32724  
maintained by the department under division (A) of this section. 32725

Notwithstanding any provision of the Revised Code to the 32726  
contrary, the parent of any such student shall pay tuition to 32727  
the internet- or computer-based community school in an amount 32728  
equal to the state funds the school otherwise would receive for 32729  
that student, as determined by the department. An internet- or 32730  
computer-based community school may withdraw any student for 32731  
whom the parent does not pay tuition as required by this 32732  
division. 32733

**Sec. 3314.27.** No student enrolled in an internet- or 32734  
computer-based community school may participate in more than ten 32735  
hours of learning opportunities in any period of twenty-four 32736  
consecutive hours. Any time such a student participates in 32737  
learning opportunities beyond the limit prescribed in this 32738  
section shall not count toward the annual minimum number of 32739  
hours required to be provided to that student as prescribed in 32740  
division (A) (11) (a) of section 3314.03 of the Revised Code. If 32741  
any internet- or computer-based community school requires its 32742  
students to participate in learning opportunities on the basis 32743  
of days rather than hours, one day shall consist of a minimum of 32744

five hours of such participation. 32745

Each internet- or computer-based community school shall 32746  
keep an accurate record of each individual student's 32747  
participation in learning opportunities each day. The record 32748  
shall be kept in such a manner that the information contained 32749  
within it easily can be submitted to the department of ~~education~~ 32750  
learning and achievement, upon request by the department or the 32751  
auditor of state. 32752

community school shall offer a student orientation course and 32754  
shall notify each student who enrolls in that school of that 32755  
student's opportunity to participate in the student orientation 32756  
course. 32757

(B) The department of ~~education~~ learning and achievement 32758  
shall provide guidance to internet- or computer-based community 32759  
schools for developing and delivering the orientation course. 32760

(C) Each internet- or computer-based community school may, 32761  
at the time of a particular student's enrollment in that school, 32762  
ask the student's parent or guardian to estimate the length of 32763  
time the student will attend the school. Any information 32764  
collected pursuant to this division shall be included in an 32765  
aggregated format in the school's annual report required by 32766  
division (A) (11) (g) of section 3314.03 of the Revised Code. 32767

(D) Each internet- or computer-based community school, on 32768  
a periodic basis throughout each school year, shall communicate 32769  
with each student's parent, guardian, or custodian regarding the 32770  
performance and progress of that student. Each internet- or 32771  
computer-based community school also shall provide opportunities 32772  
for parent-teacher conferences, shall document the school's 32773

requests for such conferences, and may permit students to 32774  
participate in the conferences. Parent-teacher conferences may 32775  
be conducted through electronic means. 32776

**Sec. 3314.28.** (A) Each internet- or computer-based 32777  
community school established under this chapter shall submit to 32778  
the school's sponsor a plan for providing special education and 32779

accordance with division (A) (1) or (2) of this section. 32781

(1) If the school was established prior to ~~the effective~~ 32782  
~~date of this section~~ June 30, 2005, the plan shall be submitted 32783  
to the sponsor on or before September 1, 2005, and on or before 32784  
the first day of September in each year thereafter that the 32785  
school is in operation. 32786

(2) If the school is established after ~~the effective date~~ 32787  
~~of this section~~ June 30, 2005, the plan shall be submitted to 32788  
the sponsor prior to the school's receipt of its first payment 32789  
under this chapter and on or before the first day of September 32790  
in each year thereafter that the school is in operation. 32791

(B) Within thirty days after receiving the plan prescribed 32792

the school in developing a plan that is satisfactory to the 32801  
sponsor; 32802

- (3) The sponsor's assurance that it will monitor the implementation of the plan; 32803

- (C) The department shall develop guidelines for the content and format of the plan required under this section. 32808  
32809

by the school for the costs of audits conducted by the auditor 33410  
of state or a public accountant under Chapter 117. of the 33411

preconditions to the initiation of its operations, including 33418  
compliance with this section. 33419

In lieu of the bond, the governing authority of the 33420  
school, the school's sponsor, or an operator that has a contract 33421  
with the school may deposit with the auditor of state cash in 33422  
the amount of fifty thousand dollars as guarantee of payment 33423  
under the provisions of this section. In lieu of a bond or a 33424  
cash deposit, the school's sponsor or an operator that has a 33425  
contract with the school may provide a written guarantee of 33426  
payment, which shall obligate the school's sponsor or the 33427

condition of its undertaking shall acknowledge and accept such 33433  
obligation. 33434

written guarantee under this section, and, subsequent to the 33436  
provision of the guarantee, the governing authority of the 33437  
school posts a bond under this section, or the governing 33438

cash deposit of fifty thousand dollars as required, the written 33440  
guarantee shall cease to be of further effect. 33441

As soon as it is practicable to do so after the filing of 33442  
a bond or the deposit of cash, the auditor of state shall 33443  
deliver the bond or cash to the treasurer of state, who shall 33444  
hold it in trust for the purposes prescribed in this section. 33445  
The treasurer of state shall be responsible for the safekeeping 33446  
of all bonds filed or cash deposited under this section. The 33447  
auditor of state shall notify the department of ~~education~~ 33448  
learning and achievement when the school's governing authority 33449  
has filed the bond, deposited the cash guarantee, or submitted a 33450  
written guarantee of payment. 33451

When the auditor of state conducts an audit of a community 33452  
school that has closed and is subject to the requirements of 33453  
this section, the auditor of state shall certify the amount of 33454  
forfeiture to the treasurer of state, who shall assess the bond 33455  
for the costs of the audit or shall pay money from the named 33456  
insurer or from the school's cash deposit for the costs of the 33457  
audit to reimburse the auditor of state or public accountant for 33458  
costs incurred in conducting audits of the school. 33459

To the extent that the amount of the bond or the cash 33460  
deposit is not needed to cover audit costs, the bond shall be of 33461  
no further effect, and any cash balance shall be refunded by the 33462  
treasurer of state to the entity which provided the bond. When 33463  
the auditor of state conducts an audit of a community school 33464  
that has closed and is subject to the requirements of this 33465  
section, and, as to which, a written guarantee has been given 33466  
under this section, the entity that provided the guarantee shall 33467  
be solely and fully liable for any such audit costs, and shall 33468  
promptly pay the costs of the audit up to fifty thousand 33469  
dollars. 33470

No community school that is subject to the provisions of 33471

this section shall maintain or continue its operations absent 33472  
the ongoing provision of a bond, a cash deposit, or a written 33473  
guarantee as required by this section. 33474

**Sec. 3314.51.** (A) If the auditor of state or a public 33475  
accountant, under section 117.41 of the Revised Code, declares a 33476

provide written notification of that declaration to the school, 33478  
the school's sponsor, and the department of ~~education~~ learning 33479  
and achievement. The auditor of state also shall post the 33480  
notification on the auditor of state's web site. 33481

(B) If the community school's current fiscal officer held 33482  
that position during the period for which the school is 33483  
unauditabile, upon receipt of the notification under division (A) 33484  
of this section, the governing authority of the school shall 33485  
suspend the fiscal officer until the auditor of state or a 33486  
public accountant has completed an audit of the school, except 33487  
that if the school has an operator and the operator employs the 33488  
fiscal officer, the operator shall suspend the fiscal officer 33489  
for that period. Suspension of the fiscal officer may be with or 33490  
without pay, as determined by the entity imposing the suspension 33491  
based on the circumstances that prompted the auditor of state's 33492  
declaration. The entity imposing the suspension shall appoint a 33493  
person to assume the duties of the fiscal officer during the 33494  
period of the suspension. If the appointee is not licensed as a 33495  
treasurer under section 3301.074 of the Revised Code, the 33496  
appointee shall be approved by the superintendent of public 33497  
instruction before assuming the duties of the fiscal officer. 33498  
The state board of education may take action under section 33499  
3319.31 of the Revised Code to suspend, revoke, or limit the 33500  
license of a fiscal officer who has been suspended under this 33501  
division. 33502

(C) Notwithstanding any provision to the contrary in this chapter or in any other provision of law, the sponsor of the community school shall not enter into contracts with any additional community schools under section 3314.03 of the Revised Code between ninety days after the date of the declaration under division (A) of this section and the date the auditor of state or a public accountant has completed a financial audit of the school.

(D) Not later than forty-five days after receiving the notification under division (A) of this section, the sponsor of the community school shall provide a written response to the auditor of state. The sponsor shall provide a copy of the response to the community school. The response shall include the following:

(1) An overview of the process the sponsor will use to review and understand the circumstances that led to the community school becoming unauditable;

(2) A plan for providing the auditor of state with the documentation necessary to complete an audit of the community school and for ensuring that all financial documents are available in the future;

(3) The actions the sponsor will take to ensure that the plan described in division (D) (2) of this section is implemented.

(E) If the community school fails to make reasonable efforts and continuing progress to bring its accounts, records, files, or reports into an auditable condition within ninety days after being declared unauditable, the auditor of state, in addition to requesting legal action under sections 117.41 and

117.42 of the Revised Code, shall notify the school's sponsor 33532  
and the department of the school's failure. If the auditor of 33533  
state or a public accountant subsequently is able to complete a 33534  
financial audit of the school, the auditor of state shall notify 33535  
the school's sponsor and the department that the audit has been 33536  
completed. 33537

(F) Notwithstanding any provision to the contrary in this 33538  
chapter or in any other provision of law, upon notification by 33539  
the auditor of state under division (E) of this section that the 33540  
community school has failed to make reasonable efforts and 33541

immediately cease all payments to the school under this chapter 33544  
and any other provision of law. Upon subsequent notification 33545  
from the auditor of state under that division that the auditor 33546  
of state or a public accountant was able to complete a financial 33547  
audit of the community school, the department shall release all 33548  
funds withheld from the school under this section. 33549

**Sec. 3315.18.** (A) The board of education of each city, 33550

shall establish a capital and maintenance fund. Each board 33552  
annually shall deposit into that fund an amount derived from 33553  
revenues received by the district that would otherwise have been 33554  
deposited in the general fund that is equal to three per cent of 33555  
the formula amount for the preceding fiscal year, as defined in 33556  
section 3317.02 of the Revised Code, or another percentage if 33557  
established by the auditor of state under division (B) of this 33558  
section, multiplied by the district's student population for the 33559  
preceding fiscal year, except that money received from a 33560  
permanent improvement levy authorized by section 5705.21 of the 33561  
Revised Code may replace general revenue moneys in meeting the 33562

requirements of this section. Money in the fund shall be used 33563  
solely for acquisition, replacement, enhancement, maintenance, 33564  
or repair of permanent improvements, as that term is defined in 33565  
section 5705.01 of the Revised Code. Any money in the fund that 33566  
is not used in any fiscal year shall carry forward to the next 33567  
fiscal year. 33568

(B) ~~The state superintendent of public instruction~~ 33569

jointly shall adopt rules in accordance with Chapter 119. of the 33571  
Revised Code defining what constitutes expenditures permitted by 33572  
division (A) of this section. The auditor of state may designate 33573  
a percentage, other than three per cent, of the formula amount 33574  
multiplied by the district's student population that must be 33575  
deposited into the fund. 33576

(C) Within its capital and maintenance fund, a school 33577  
district board of education may establish a separate account 33578  
solely for the purpose of depositing funds transferred from the 33579  
district's reserve balance account established under former 33580  
division (H) of section 5705.29 of the Revised Code. After April 33581  
10, 2001, a board may deposit all or part of the funds formerly 33582  
included in such reserve balance account in the separate account 33583  
established under this section. Funds deposited in this separate 33584  
account and interest on such funds shall be utilized solely for 33585  
the purpose of providing the district's portion of the basic 33586  
project costs of any project undertaken in accordance with 33587  
Chapter 3318. of the Revised Code. 33588

(D) (1) Notwithstanding division (A) of this section, in 33589  
any year a district is in fiscal emergency status as declared 33590  
pursuant to section 3316.03 of the Revised Code, the district 33591  
may deposit an amount less than required by division (A) of this 33592

section, or make no deposit, into the district capital and 33593  
maintenance fund for that year. 33594

(2) Notwithstanding division (A) of this section, in any 33595  
fiscal year that a school district is either in fiscal watch 33596  
status, as declared pursuant to section 3316.03 of the Revised 33597  
Code, or in fiscal caution status, as declared pursuant to 33598  
section 3316.031 of the Revised Code, the district may apply to 33599  
the ~~superintendent of public instruction department~~ for a waiver 33600  
from the requirements of division (A) of this section, under 33601  
which the district may be permitted to deposit an amount less 33602  
than required by that division or permitted to make no deposit 33603  
into the district capital and maintenance fund for that year. 33604  
The ~~superintendent department~~ may grant a waiver under division 33605  
(D) (2) of this section if the district demonstrates to the 33606  
satisfaction of the ~~superintendent department~~ that compliance 33607  
with division (A) of this section that year will create an undue 33608  
financial hardship on the district. 33609

(3) Notwithstanding division (A) of this section, not more 33610  
often than one fiscal year in every three consecutive fiscal 33611  
years, any school district that does not satisfy the conditions 33612  
for the exemption described in division (D) (1) of this section 33613  
or the conditions to apply for the waiver described in division 33614  
(D) (2) of this section may apply to the ~~superintendent of public~~ 33615  
~~instruction department~~ for a waiver from the requirements of 33616  
division (A) of this section, under which the district may be 33617  
permitted to deposit an amount less than required by that 33618  
division or permitted to make no deposit into the district 33619  
capital and maintenance fund for that year. The ~~superintendent-~~ 33620  
~~department~~ may grant a waiver under division (D) (3) of this 33621  
section if the district demonstrates to the satisfaction of the 33622  
~~superintendent department~~ that compliance with division (A) of 33623

this section that year will necessitate the reduction or 33624  
elimination of a program currently offered by the district that 33625  
is critical to the academic success of students of the district 33626  
and that no reasonable alternatives exist for spending 33627  
reductions in other areas of operation within the district that 33628  
negate the necessity of the reduction or elimination of that 33629  
program. 33630

(E) Notwithstanding any provision to the contrary in 33631  
Chapter 4117. of the Revised Code, the requirements of this 33632  
section prevail over any conflicting provisions of agreements 33633  
between employee organizations and public employers entered into 33634  
after November 21, 1997. 33635

(F) As used in this section, "student population" means 33636  
the average, daily, full-time equivalent number of students in 33637  
kindergarten through twelfth grade receiving any educational 33638  
services from the school district during the first full school 33639  
week in October, excluding students enrolled in adult education 33640  
classes, but including all of the following: 33641

(3) Students for whom tuition is payable pursuant to 33649  
sections 3317.081 and 3323.141 of the Revised Code. 33650

The department ~~of education~~ shall determine a district's 33651  
student population using data reported to it under section 33652

3317.03 of the Revised Code for the applicable fiscal year. 33653

**Sec. 3315.181.** As used in this section, "securities" has 33654  
the same meaning as in section 133.01 of the Revised Code. 33655

(D) Proceeds received from a tax levy authorized by 33682

**Sec. 3315.33.** There is hereby established a fund to be 33697  
known as the Ohio scholarship fund for teacher trainees for the 33698  
public purpose of relieving the existing teacher shortage in 33699  
public schools, to be administered and expended as prescribed in 33700  
sections 3315.33 to 3315.35 of the Revised Code. Appropriations 33701  
by the general assembly for the purpose of scholarships for 33702  
teacher trainees shall be paid into this fund. 33703

Each scholarship for a teacher trainee shall have a 33704  
maximum value of five hundred dollars annually and shall be 33705  
awarded as follows: 33706

(A) The ~~state board of education~~ department of learning 33707  
and achievement shall prescribe standards and requirements which 33708  
shall be met by persons who are eligible for such scholarships. 33709  
Scholarships shall be allocated among the counties of the state 33710

on an equitable basis by the ~~state board of education~~ 33711  
department, provided that not less than three such scholarships 33712  
shall be available annually to residents of each county of the 33713  
state. If, on the first day of September in each year, the ~~state~~ 33714  
~~board of education~~ department finds that the number of eligible 33715  
persons recommended from any county is less than the number of 33716  
scholarships allocated to that county, it may reallocate the 33717  
remaining scholarships among the counties in which the number of 33718  
eligible persons exceeds the number of scholarships allocated. 33719  
Such reallocation as may affect a county in one year shall not 33720  
prejudice in any way the allocation to it in succeeding years. 33721

(B) In accordance with the requirements of sections 33722  
3315.33, 3315.34, and 3315.35 of the Revised Code, the 33723  
educational service center superintendent in each educational 33724  
service center as committee chairperson shall appoint a 33725  
committee consisting of one high school principal, one 33726  
elementary school principal, and one classroom teacher. This 33727  
committee shall select and recommend, on the basis of merit, a 33728  
number of high school graduates, not to exceed the number 33729  
allocated to each county by the ~~state board of education~~ 33730  
department, who are interested in teaching and whose work and 33731  
qualifications are such as to indicate that they possess the 33732  
qualities which should be possessed by a successful teacher. 33733  
Such persons shall not have previously been enrolled in any 33734  
college of education or have majored in education in any college 33735  
or university. Such other college training shall be considered 33736  
in determining such person's qualifications to become a 33737  
successful teacher. 33738

(C) The scholarship fund for teacher trainees shall be 33739  
disbursed to scholarship holders upon their application as 33740  
approved by the ~~state board of education~~ department upon 33741

vouchers for that purpose. Such scholarships shall be paid in 33742  
equal installments at the beginning of each quarter or semester 33743  
while college is in session to each person who has been awarded 33744  
such a scholarship when the following requirements are met: 33745

(1) Such person shall be a bona fide student in the 33746  
college of education or department of teacher training in an 33747  
Ohio institution of higher learning. 33748

(2) Such person shall pursue a course of study in 33749  
elementary education in said college of education or department 33750  
of teacher training approved by the ~~state board of education~~ 33751  
department. 33752

**Sec. 3315.34.** Each person who receives a scholarship shall 33753  
execute a promissory note which shall be endorsed by some 33754  
responsible citizen, and shall deliver said note to the ~~state~~ 33755  
~~board of education~~ department of learning and achievement or to 33756  
its representative. Each such note shall be made payable to the 33757  
treasurer of state for the amount of the quarterly or semi- 33758  
annual payment, and shall bear interest at the rate of five per 33759  
cent per annum from the date of the note. The ~~state board of~~ 33760  
~~education department~~ shall hold said note until it has been paid 33761  
or cancelled as prescribed in section 3315.35 of the Revised 33762  
Code. 33763

Each person awarded a scholarship under the terms of 33764  
sections 3315.33 to 3315.35 of the Revised Code shall be 33765  
eligible upon the completion of satisfactory work during the 33766  
first year, under rules and regulations promulgated by the ~~state~~ 33767  
~~board of education~~ department, to have the scholarship renewed 33768  
for a period not to exceed one additional year. 33769

**Sec. 3315.35.** At the expiration of each school year of 33770

service as a teacher in the public schools of Ohio by a person 33771  
who has benefited from a scholarship granted under sections 33772  
3315.33 to 3315.35 of the Revised Code, such person shall submit 33773  
to the ~~state board of education~~ department of learning and 33774  
achievement a statement of service on a form provided for that 33775  
purpose and certified by the superintendent of the school 33776  
district in which the person has taught. Upon receipt of such 33777  
statement in proper form, the ~~board~~ department shall cancel the 33778  
oldest notes given by such person covering the scholarship for 33779  
one year and the interest accrued thereon. If for any reason a 33780  
recipient of a scholarship ceases or, after licensure, fails to 33781  
teach in the public schools of Ohio, except for death or total 33782  
disability, or fails to file with the ~~board~~ department by July 33783  
first of each year a statement concerning the recipient's 33784  
previous year's employment and address for the ensuing year, any 33785  
and all unpaid or uncanceled notes and interest thereon shall 33786  
become due and payable and the ~~board~~ department shall transmit 33787  
all such notes promptly to the treasurer of state and the 33788  
treasurer of state shall enforce collection of the principal 33789  
amount of any uncanceled or unpaid notes held by the treasurer 33790  
of state and the interest thereon and shall deposit said sums so 33791  
collected in the general revenue fund. 33792

**Sec. 3316.03.** (A) The existence of a fiscal watch shall be 33793  
declared by the auditor of state. The auditor of state may make 33794  
a determination on the auditor of state's initiative, or upon 33795  
receipt of a written request for such a determination, which may 33796  
be filed by the governor, the ~~superintendent~~ department of 33797  
~~public instruction~~ learning and achievement, or a majority of 33798  
the members of the board of education of the school district. 33799

(1) The auditor of state shall declare a school district 33800  
to be in a state of fiscal watch if the auditor of state 33801

determines that both of the following conditions are satisfied 33802  
with respect to the school district: 33803

(a) An operating deficit has been certified for the 33804  
current fiscal year by the auditor of state, and the certified 33805  
operating deficit exceeds eight per cent of the school 33806  
district's general fund revenue for the preceding fiscal year; 33807

(b) A majority of the voting electors have not voted in 33808  
favor of levying a tax under section 5705.194, 5705.199, or 33809  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 33810  
state expects will raise enough additional revenue in the next 33811  
succeeding fiscal year that division (A) (1) (a) of this section 33812  
will not apply to the district in such next succeeding fiscal 33813  
year. 33814

(2) The auditor of state shall declare a school district 33815  
to be in a state of fiscal watch if the auditor of state 33816  
determines that the school district has outstanding securities 33817  
issued under division (A) (4) of section 3316.06 of the Revised 33818  
Code, and its financial planning and supervision commission has 33819  
been terminated under section 3316.16 of the Revised Code. 33820

(3) The auditor of state shall declare a school district 33821  
to be in a state of fiscal watch if both of the following 33822  
conditions are satisfied: 33823

(a) The ~~superintendent of public instruction department~~ 33824  
has reported to the auditor of state that the ~~superintendent-~~ 33825  
~~department~~ has declared the district under section 3316.031 of 33826  
the Revised Code to be under a fiscal caution, has found that 33827  
the district has not acted reasonably to eliminate or correct 33828  
practices or conditions that prompted the declaration, and has 33829  
determined the declaration of a state of fiscal watch necessary 33830

to prevent further fiscal decline; 33831

(b) The auditor of state determines that the decision of 33832  
the ~~superintendent~~-department is reasonable. 33833

If the auditor of state determines that the decision of 33834  
the ~~superintendent~~-department is not reasonable, the auditor of 33835  
state shall provide the ~~superintendent~~-department with a written 33836  
explanation of that determination. 33837

(4) The auditor of state may declare a school district to 33838  
be in a state of fiscal watch if all of the following conditions 33839  
are satisfied: 33840

(a) An operating deficit has been certified for the 33841  
current fiscal year by the auditor of state, and the certified 33842  
operating deficit exceeds two per cent, but does not exceed 33843  
eight per cent, of the school district's general fund revenue 33844  
for the preceding fiscal year; 33845

(b) A majority of the voting electors have not voted in 33846  
favor of levying a tax under section 5705.194, 5705.199, or 33847  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 33848  
state expects will raise enough additional revenue in the next 33849  
succeeding fiscal year that division (A) (4) (a) of this section 33850  
will not apply to the district in the next succeeding fiscal 33851  
year; 33852

(c) The auditor of state determines that there is no 33853  
reasonable cause for the deficit or that the declaration of 33854  
fiscal watch is necessary to prevent further fiscal decline in 33855  
the district. 33856

(B) (1) The auditor of state shall issue an order declaring 33857  
a school district to be in a state of fiscal emergency if the 33858  
auditor of state determines that both of the following 33859

conditions are satisfied with respect to the school district: 33860

(a) An operating deficit has been certified for the 33861  
current fiscal year by the auditor of state, and the certified 33862  
operating deficit exceeds fifteen per cent of the school 33863  
district's general fund revenue for the preceding fiscal year. 33864  
In determining the amount of an operating deficit under division 33865  
(B) (1) (a) of this section, the auditor of state shall credit 33866  
toward the amount of that deficit only the amount that may be 33867  
borrowed from the spending reserve balance as determined under 33868  
section 133.301 and division (F) of section 5705.29 of the 33869  
Revised Code. 33870

(b) A majority of the voting electors have not voted in 33871  
favor of levying a tax under section 5705.194, 5705.199, or 33872  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 33873  
state expects will raise enough additional revenue in the next 33874  
succeeding fiscal year that division (B) (1) (a) of this section 33875  
will not apply to the district in such next succeeding fiscal 33876  
year. 33877

(2) The auditor of state shall issue an order declaring a 33878  
school district to be in a state of fiscal emergency if the 33879  
school district board fails, pursuant to section 3316.04 of the 33880  
Revised Code, to submit a plan acceptable to the ~~state~~ 33881  
~~superintendent of public instruction department~~ within one 33882  
hundred twenty days of the auditor of state's declaration under 33883  
division (A) of this section or an updated plan when one is 33884  
required by division (C) of section 3316.04 of the Revised Code; 33885

(3) The auditor of state shall issue an order declaring a 33886  
school district to be in a state of fiscal emergency if both of 33887  
the following conditions are satisfied: 33888

(a) The ~~superintendent of public instruction department~~ 33889  
has reported to the auditor of state that the district is not 33890  
materially complying with the provisions of an original or 33891  
updated plan as approved by the ~~state superintendent department~~ 33892  
under section 3316.04 of the Revised Code, and that the ~~state-~~ 33893  
~~superintendent department~~ has determined the declaration of a 33894  
state of fiscal emergency necessary to prevent further fiscal 33895  
decline; 33896

(b) The auditor of state finds that the determination of 33897  
the ~~superintendent department~~ is reasonable. 33898

If the auditor of state determines that the decision of 33899  
the ~~superintendent department~~ is not reasonable, the auditor of 33900  
state shall provide the ~~superintendent department~~ a written 33901  
explanation of that determination. 33902

(4) The auditor of state shall issue an order declaring a 33903  
school district to be in a state of fiscal emergency if a 33904  
declaration of fiscal emergency is required by division (D) of 33905  
section 3316.04 of the Revised Code. 33906

(5) The auditor of state may issue an order declaring a 33907  
school district to be in a state of fiscal emergency if all of 33908  
the following conditions are satisfied: 33909

(a) An operating deficit has been certified for the 33910  
current fiscal year by the auditor of state, and the certified 33911  
operating deficit exceeds ten per cent, but does not exceed 33912  
fifteen per cent, of the school district's general fund revenue 33913  
for the preceding fiscal year; 33914

(b) A majority of the voting electors have not voted in 33915  
favor of levying a tax under section 5705.194, 5705.199, or 33916  
5705.21 or Chapter 5748. of the Revised Code that the auditor of 33917

state expects will raise enough additional revenue in the next 33918  
succeeding fiscal year that division (B) (5) (a) of this section 33919  
will not apply to the district in the next succeeding fiscal 33920  
year; 33921

(c) The auditor of state determines that a declaration of 33922  
fiscal emergency is necessary to correct the district's fiscal 33923  
problems and to prevent further fiscal decline. 33924

(C) In making the determinations under this section, the 33925  
auditor of state may use financial reports required under 33926  
section 117.43 of the Revised Code; tax budgets, certificates of 33927  
estimated resources and amendments thereof, annual appropriating 33928  
measures and spending plans, and any other documents or 33929  
information prepared pursuant to Chapter 5705. of the Revised 33930  
Code; and any other documents, records, or information available 33931  
to the auditor of state that indicate the conditions described 33932  
in divisions (A) and (B) of this section. 33933

(D) The auditor of state shall certify the action taken 33934  
under division (A) or (B) of this section to the board of 33935  
education of the school district, the director of budget and 33936  
management, the mayor or county auditor who could be required to 33937  
act pursuant to division (B) (1) of section 3316.05 of the 33938  
Revised Code, and to the ~~superintendent of public instruction~~ 33939  
department. 33940

(E) A determination by the auditor of state under this 33941  
section that a fiscal emergency condition does not exist is 33942  
final and conclusive and not appealable. A determination by the 33943  
auditor of state under this section that a fiscal emergency 33944  
exists is final, except that the board of education of the 33945  
school district affected by such a determination may appeal the 33946  
determination of the existence of a fiscal emergency condition 33947

to the court of appeals having territorial jurisdiction over the 33948  
school district. The appeal shall be heard expeditiously by the 33949  
court of appeals and for good cause shown shall take precedence 33950  
over all other civil matters except earlier matters of the same 33951  
character. Notice of such appeal must be filed with the auditor 33952  
of state and such court within thirty days after certification 33953  
by the auditor of state to the board of education of the school 33954  
district provided for in division (D) of this section. In such 33955  
appeal, determinations of the auditor of state shall be presumed 33956  
to be valid and the board of education shall have the burden of 33957  
proving, by clear and convincing evidence, that each of the 33958  
determinations made by the auditor of state as to the existence 33959  
of a fiscal emergency condition under this section was in error. 33960  
If the board of education fails, upon presentation of its case, 33961  
to prove by clear and convincing evidence that each such 33962  
determination by the auditor of state was in error, the court 33963  
shall dismiss the appeal. The board of education and the auditor 33964  
of state may introduce any evidence relevant to the existence or 33965  
nonexistence of such fiscal emergency conditions. The pendency 33966  
of any such appeal shall not affect or impede the operations of 33967  
this chapter; no restraining order, temporary injunction, or 33968  
other similar restraint upon actions consistent with this 33969  
chapter shall be imposed by the court or any court pending 33970  
determination of such appeal; and all things may be done under 33971  
this chapter that may be done regardless of the pendency of any 33972  
such appeal. Any action taken or contract executed pursuant to 33973  
this chapter during the pendency of such appeal is valid and 33974  
enforceable among all parties, notwithstanding the decision in 33975  
such appeal. If the court of appeals reverses the determination 33976  
of the existence of a fiscal emergency condition by the auditor 33977  
of state, the determination no longer has any effect, and any 33978  
procedures undertaken as a result of the determination shall be 33979

terminated. 33980

**Sec. 3316.031.** (A) The ~~state superintendent~~ department of  
~~public instruction~~ learning and achievement, in consultation 33981  
with the auditor of state, shall develop guidelines for 33982  
identifying fiscal practices and budgetary conditions that, if 33983  
uncorrected, could result in a future declaration of a fiscal 33984  
watch or fiscal emergency within a school district. 33985  
33986

The guidelines shall not include a requirement that a 33987  
school district submit financial statements according to 33988  
generally accepted accounting principles. 33989

(B) (1) If the ~~state superintendent~~ department determines 33990  
from a school district's five-year forecast submitted under 33991  
section 5705.391 of the Revised Code that a district is engaging 33992  
in any of those practices or that any of those conditions exist 33993  
within the district, after consulting with the district board of 33994  
education concerning the practices or conditions, the ~~state~~ 33995  
~~superintendent~~ department may declare the district to be under a 33996  
fiscal caution. 33997

(2) If the auditor of state finds that a district is 33998  
engaging in any of those practices or that any of those 33999  
conditions exist within the district, the auditor of state shall 34000  
report that finding to the ~~state superintendent~~ department and, 34001  
after consulting with the district board of education concerning 34002  
the practices or conditions, the ~~state superintendent~~ department 34003  
may declare the district to be under a fiscal caution. 34004

(3) Unless the auditor of state has elected to declare a 34005  
state of fiscal watch under division (A) (4) of section 3316.03 34006  
of the Revised Code, the ~~state superintendent~~ department shall 34007  
declare a school district to be under a fiscal caution if the 34008

conditions described in divisions (A) (4) (a) and (b) of that section are both satisfied with respect to the school district.

(C) When the ~~state superintendent~~ department declares a district to be under fiscal caution, the ~~state superintendent~~ department shall promptly notify the district board of education of that declaration and shall request the board to provide written proposals for discontinuing or correcting the fiscal practices or budgetary conditions that prompted the declaration and for preventing the district from experiencing further fiscal difficulties that could result in the district being declared to be in a state of fiscal watch or fiscal emergency.

(D) The ~~state superintendent~~ department, or a designee, may visit and inspect any district that is declared to be under a fiscal caution. The department ~~of education~~ shall provide technical assistance to the district board in implementing proposals to eliminate the practices or budgetary conditions that prompted the declaration of fiscal caution and may make recommendations concerning the board's proposals.

(E) If the ~~state superintendent~~ department finds that a school district declared to be under a fiscal caution has not made reasonable proposals or otherwise taken action to discontinue or correct the fiscal practices or budgetary conditions that prompted the declaration of fiscal caution, and if the ~~state superintendent~~ department considers it necessary to prevent further fiscal decline, the ~~state superintendent~~ department may determine that the district should be in a state of fiscal watch. As provided in division (A) (3) of section 3316.03 of the Revised Code, the auditor of state shall declare the district to be in a state of fiscal watch if the auditor of state finds the ~~superintendent's~~ department's determination to

be reasonable. 34039

**Sec. 3316.04.** (A) Within sixty days of the auditor's 34040  
declaration under division (A) of section 3316.03 of the Revised 34041  
Code, the board of education of the school district shall 34042  
prepare and submit to the ~~superintendent-department of public-~~ 34043  
~~instruction-learning and achievement~~ a financial plan 34044  
delineating the steps the board will take to eliminate the 34045  
district's current operating deficit and avoid incurring 34046  
operating deficits in ensuing years, including the 34047  
implementation of spending reductions. The financial plan also 34048  
shall evaluate the feasibility of entering into shared services 34049  
agreements with other political subdivisions for the joint 34050  
exercise of any power, performance of any function, or rendering 34051

school district may issue securities to evidence the 34393  
restructuring or refinancing. Those securities may extend the 34394  
original period for repayment, not to exceed ten years, and may 34395

alter the frequency and amount of repayments, interest or other 34396  
financing charges, and other terms of agreements under which the 34397  
debt originally was contracted, at the discretion of the 34398  
commission, provided that any loans received pursuant to section 34399  
3313.483 of the Revised Code shall be paid from funds the 34400

purpose of restructuring or refinancing the debt shall be repaid 34404  
in equal payments and at equal intervals over the term of the 34405

annually. 34415

(C) Each school district financial planning and 34416  
supervision commission shall submit the financial recovery plan 34417  
it adopts or updates under this section to the ~~state~~ 34418

updating. The ~~state superintendent department~~ shall evaluate the 34421  
plan and either approve or disapprove it within thirty calendar 34422  
days from the date of its submission. If the plan is 34423  
disapproved, the ~~state superintendent department~~ shall recommend 34424  
modifications that will render it acceptable. No financial 34425

planning and supervision commission shall implement a financial 34426  
recovery plan that is adopted or updated on or after April 10, 34427

department and the director of budget and management find that a 34436  
commission is not materially complying with the provisions of 34437

and the director may jointly dissolve the financial planning and 34439

the appointed fiscal arbitrator becomes the successor to the 34444  
commission. A fiscal arbitrator appointed under this section has 34445  
all of the rights, powers, and duties given by this chapter to 34446  
the commission that the arbitrator succeeds. A reference in any 34447  
statute, rule, contract, or other document to a school district 34448  
financial planning and supervision commission is deemed to refer 34449  
to a fiscal arbitrator appointed under this section. 34450

Business commenced but not completed by a commission when 34451  
it is dissolved under this section shall be completed by the 34452  
appointed fiscal arbitrator with the same effect as if completed 34453  
by the commission. No validation, cure, right, privilege, 34454  
remedy, obligation, or liability is lost or impaired by reason 34455

of the dissolution of the commission and appointment of a fiscal arbitrator, but shall be administered by the arbitrator. 34456  
34457

The ~~superintendent of public instruction department~~ shall issue guidelines establishing the criteria that the 34458  
34459  
~~superintendent department~~ will utilize in selecting qualified 34460  
34461  
fiscal arbitrators under this section.

an operating deficit. If the auditor of state determines that a 34466  
school district will incur an operating deficit, the auditor of 34467  
state shall certify that determination to the ~~superintendent-~~ 34468  
~~department of public instruction learning and achievement,~~ the 34469  
financial planning and supervision commission, and the board of 34470

state's certification, the commission shall adopt a resolution 34472  
requesting that the board of education work with the county 34473

tax levy that is needed under section 5705.194, ~~5709.199-~~ 34475  
5705.199, or 5705.21 or Chapter 5748. of the Revised Code to 34476  
produce a positive fund balance not later than the fifth year of 34477  
the five-year forecast submitted under section 5705.391 of the 34478  
Revised Code. 34479

The board of education shall recommend to the commission 34480  
whether the board supports or opposes a tax levy under section 34481  
5705.194, ~~5709.199~~ 5705.199, or 5705.21 or Chapter 5748. of the 34482  
Revised Code and shall provide supporting documentation to the 34483  
commission of its recommendation. 34484

After considering the board of education's recommendation 34485

and supporting documentation, the commission shall adopt a 34486  
resolution to either submit a ballot question proposing a tax 34487  
levy or not to submit such a question. 34488

Except as otherwise provided in this division, the tax 34489  
shall be levied in the manner prescribed for a tax levied under 34490  
section 5705.194, ~~5709.199~~ 5705.199, or 5705.21 or under Chapter 34491  
5748. of the Revised Code. If the commission decides that a tax 34492  
should be levied, the tax shall be levied for the purpose of 34493  
paying current operating expenses of the school district. The 34494  
rate of a property tax levied under section 5705.194, ~~5709.199~~ 34495  
5705.199, 5705.21, or 5748.09 of the Revised Code shall be 34496  
determined by the county auditor, and the rate of an income tax 34497  
levied under section 5748.02, 5748.08, or 5748.09 of the Revised 34498  
Code shall be determined by the tax commissioner, upon the 34499  
request of the commission. The commission, in consultation with 34500  
the board of education, shall determine the election at which 34501  
the question of the tax shall appear on the ballot, and the 34502  
commission shall submit a copy of its resolution to the board of 34503  
elections not later than ninety days prior to the day of that 34504  
election. The board of elections conducting the election shall 34505  
certify the results of the election to the board of education 34506  
and to the financial planning and supervision commission. 34507

**Sec. 3316.20.** (A) (1) The school district solvency 34508  
assistance fund is hereby created in the state treasury, to 34509  
consist of such amounts designated for the purposes of the fund 34510  
by the general assembly. The fund shall be used to provide 34511  
assistance and grants to school districts to enable them to 34512  
remain solvent and to pay unforeseeable expenses of a temporary 34513  
or emergency nature that they are unable to pay from existing 34514  
resources. 34515

(2) There is hereby created within the fund an account 34516  
known as the school district shared resource account, which 34517  
shall consist of money appropriated to it by the general 34518  
assembly. The money in the account shall be used solely for 34519  
solvency assistance to school districts that have been declared 34520  
under division (B) of section 3316.03 of the Revised Code to be 34521  
in a state of fiscal emergency. 34522

(3) There is hereby created within the fund an account 34523  
known as the catastrophic expenditures account, which shall 34524  
consist of money appropriated to the account by the general 34525  
assembly plus all investment earnings of the fund. Money in the 34526  
account shall be used solely for the following: 34527

(a) Solvency assistance to school districts that have been 34528  
declared under division (B) of section 3316.03 of the Revised 34529  
Code to be in a state of fiscal emergency, in the event that all 34530  
money in the shared resource account is utilized for solvency 34531  
assistance; 34532

(b) Grants to school districts under division (C) of this 34533  
section. 34534

(B) Solvency assistance payments under division (A) (2) or 34535  
(3) (a) of this section shall be made from the fund by the 34536  
~~superintendent of public instruction department of learning and~~ 34537  
achievement in accordance with rules adopted by the director of 34538  
budget and management, after consulting with the ~~superintendent-~~ 34539  
department, specifying approval criteria and procedures 34540  
necessary for administering the fund. 34541

The fund shall be reimbursed for any solvency assistance 34542  
amounts paid under division (A) (2) or (3) (a) of this section not 34543  
later than the end of the second fiscal year following the 34544

fiscal year in which the solvency assistance payment was made, 34545  
except that, upon the approval of the director of budget and 34546  
management and the ~~superintendent of public instruction~~ 34547  
department, the fund may be reimbursed in another fiscal year 34548  
designated by the director and ~~superintendent~~ department that is 34549  
not later than the end of the tenth fiscal year following the 34550  
fiscal year in which the solvency assistance payment was made. 34551  
If not made directly by the school district, such reimbursement 34552  
shall be made by the director of budget and management from the 34553  
amounts the school district would otherwise receive pursuant to 34554  
Chapter 3317. of the Revised Code, or from any other funds 34555  
appropriated for the district by the general assembly. 34556  
Reimbursements shall be credited to the respective account from 34557  
which the solvency assistance paid to the district was deducted. 34558

(C) The ~~superintendent of public instruction~~ department 34559  
may make recommendations, and the controlling board may grant 34560

~~superintendent~~ department shall make recommendations for the 34564  
grants in accordance with rules adopted by the director of 34565  
budget and management, after consulting with the ~~superintendent~~ 34566

grant awarded to the district under this division, unless the 34568  
district receives money from this state or a third party, 34569  
including an agency of the government of the United States, 34570  
specifically for the purpose of compensating the district for 34571  
revenue lost or expenses incurred as a result of the unforeseen 34572  
catastrophic event. If a school district receives a grant from 34573  
the catastrophic expenditures account on the basis of the same 34574  
circumstances for which an adjustment or recomputation is 34575

authorized under section 3317.025, 3317.028, 3317.0210, or 34576  
3317.0211 of the Revised Code, the department ~~of education~~ shall 34577  
reduce the adjustment or recomputation by an amount not to 34578  
exceed the total amount of the grant, and an amount equal to the 34579  
reduction shall be transferred, from the funding source from 34580  
which the adjustment or recomputation would be paid, to the 34581  
catastrophic expenditures account. Any adjustment or 34582  
recomputation under such sections that is in excess of the total 34583  
amount of the grant shall be paid to the school district. 34584

**Sec. 3317.01.** As used in this section, "school district," 34585

the amounts payable to each school district and shall certify 34592  
the amounts payable to each eligible district to the treasurer 34593  
of the district as provided by this chapter. As soon as possible 34594  
after such amounts are calculated, the ~~superintendent~~ department 34595  
shall certify to the treasurer of each school district the 34596  
district's adjusted charge-off increase, as defined in section 34597  
5705.211 of the Revised Code. Certification of moneys pursuant 34598  
to this section shall include the amounts payable to each school 34599  
building, at a frequency determined by the ~~superintendent~~ 34600

accordance with appropriations made by the general assembly, 34607  
meet the financial obligations of this chapter. 34608

Moneys distributed to school districts pursuant to this 34609  
chapter shall be calculated based on the annual enrollment 34610  
calculated from the three reports required under sections 34611  
3317.03 and 3317.036 of the Revised Code and paid on a fiscal 34612  
year basis, beginning with the first day of July and extending 34613  
through the thirtieth day of June. In any given fiscal year, 34614  
prior to school districts submitting the first report required 34615  
under section 3317.03 of the Revised Code, enrollment for the 34616  
districts shall be calculated based on the third report 34617  
submitted by the districts for the previous fiscal year. The 34618  
moneys appropriated for each fiscal year shall be distributed 34619  
periodically to each school district unless otherwise provided 34620  
for. The ~~state board department~~, in June of each year, shall 34621  
submit to the controlling board the ~~state board's department's~~ 34622  
year-end distributions pursuant to this chapter. 34623

Except as otherwise provided, payments under this chapter 34624  
shall be made only to those school districts in which: 34625

requirement to the extent determined by the tax commissioner 34636  
under division (C) of section 3317.021 of the Revised Code. 34637

(B) The school year next preceding the fiscal year for 34638  
which such payments are authorized meets the requirement of 34639  
section 3313.48 of the Revised Code, with regard to the minimum 34640  
number of hours school must be open for instruction with pupils 34641  
in attendance, for individualized parent-teacher conference and 34642  
reporting periods, and for professional meetings of teachers. 34643

A school district shall not be considered to have failed 34644  
to comply with this division because schools were open for 34645  
instruction but either twelfth grade students were excused from 34646  
attendance for up to the equivalent of three school days or only 34647  
a portion of the kindergarten students were in attendance for up 34648  
to the equivalent of three school days in order to allow for the 34649  
gradual orientation to school of such students. 34650

A board of education or governing board of an educational 34651  
service center which has not conformed with other law and the 34652  
rules pursuant thereto, shall not participate in the 34653  
distribution of funds authorized by this chapter, except for 34654  
good and sufficient reason established to the satisfaction of 34655  
the ~~state board of education department~~ and the state 34656  
controlling board. 34657

All funds allocated to school districts under this 34658  
chapter, except those specifically allocated for other purposes, 34659  
shall be used to pay current operating expenses only. 34660

**Sec. 3317.014.** The career-technical education additional 34661  
amount per pupil for each student enrolled in career-technical 34662

department ~~of education~~ in consultation with the ~~governor's~~ 34689

**Sec. 3317.015.** (A) In addition to the information 34697  
certified to the department of ~~education~~learning and 34698  
achievement and the office of budget and management under 34699  
division (A) of section 3317.021 of the Revised Code, the tax 34700  
commissioner shall, at the same time, certify the following 34701  
information to the department and the office of budget and 34702  
management for each city, exempted village, and local school 34703  
district to be used for the same purposes as described under 34704  
that division: 34705

(1) The taxable value of the school district's carryover 34706  
property, as defined in section 319.301 of the Revised Code, for 34707  
the preceding tax year; 34708

(2) The increase in such carryover value, if any, between 34709  
the second preceding tax year and the preceding tax year as used 34710  
in calculating the percentage reduction under section 319.301 of 34711  
the Revised Code. 34712

(B) For each fiscal year the department of ~~education~~ 34713  
learning and achievement shall calculate each school district's 34714  
recognized valuation in the following manner: 34715

(1) For a school district located in a county in which a 34716  
reappraisal or triennial update occurred in the preceding tax 34717  
year, the recognized valuation equals the district's total 34718  
taxable value for the preceding tax year minus two-thirds times 34719  
the increase in the carryover value from the second preceding 34720  
tax year to the preceding tax year. 34721

(2) For a school district located in a county in which a 34722

reappraisal or triennial update occurred in the second preceding 34723  
tax year, the recognized valuation equals the district's total 34724  
taxable value for the preceding tax year minus one-third times 34725  
the increase in the carryover value from the third preceding tax 34726  
year to the second preceding tax year. 34727

(3) For a school district located in a county in which a 34728  
reappraisal or triennial update occurred in the third preceding 34729  
tax year, the recognized valuation equals the district's total 34730  
taxable value for the preceding tax year. 34731

**Sec. 3317.017.** The department of ~~education~~learning and 34732  
achievement shall compute a school district's state share index 34733  
as follows: 34734

(A) Calculate the district's valuation index, which equals 34735  
the following quotient: 34736

(The district's three-year average valuation / the 34737  
district's total ADM) / (the statewide three-year average 34738  
valuation for school districts with a total ADM greater than 34739  
zero / the statewide total ADM) 34740

(B) (1) Calculate the district's median income index, which 34741  
equals the following quotient: 34742

(The district's median Ohio adjusted gross income / the 34743  
median of the median Ohio adjusted gross income of all districts 34744  
statewide with a total ADM greater than zero) 34745

(2) Calculate the district's income index, which equals 34746  
the following sum: 34747

(The district's median income index X 0.5) + {[the three-year 34748  
average federal adjusted gross income of the school district's 34749  
residents / the district's formula ADM for fiscal year 2017) / 34750

(the three-year average federal adjusted gross income of all 34751  
districts statewide with a formula ADM for fiscal year 2017 34752  
greater than zero / the statewide formula ADM for fiscal year 34753  
2017)] X 0.5} 34754

(C) Determine the district's wealth index as follows: 34755

(1) If the district's income index is less than the 34756  
district's valuation index and the district's median income 34757  
index is less than or equal to 1.5, then the district's wealth 34758  
index shall be equal to [( 0.4 X the district's income index) + 34759  
( 0.6 X the district's valuation index)]. 34760

(2) If the district's income index does not meet both of 34761  
the conditions described in division (C) (1) of this section, 34762  
then the district's wealth index shall be equal to the 34763  
district's valuation index. 34764

(D) Determine the district's state share index as follows: 34765

(1) If the district's wealth index is less than or equal 34766  
to 0.35, then the district's state share index shall be equal to 34767  
0.90. 34768

(2) If the district's wealth index is greater than 0.35 34769  
but less than or equal to 0.90, then the district's state share 34770  
index shall be equal to {0.40 X [(0.90 - the district's wealth 34771  
index) / 0.55]} + 0.50. 34772

(3) If the district's wealth index is greater than 0.90 34773  
but less than 1.8, then the district's state share index shall 34774  
be equal to {0.45 X [(1.8 - the district's wealth index) / 0.9]} 34775  
+ 0.05. 34776

(4) If the district's wealth index is greater than or 34777  
equal to 1.8, then the district's state share index shall be 34778

equal to 0.05. 34779

(E) (1) For each school district for which the tax-exempt 34780  
value of the district, as certified under division (A) (4) of 34781  
section 3317.021 of the Revised Code, equals or exceeds thirty 34782  
per cent of the potential value of the district, the department 34783  
shall calculate the difference between the district's tax-exempt 34784  
value and thirty per cent of the district's potential value. For 34785  
this purpose, the "potential value" of a school district is the 34786  
three-year average valuation of the district plus the tax-exempt 34787  
value of the district. 34788

(2) For each school district to which division (E) (1) of 34789  
this section applies, the department shall adjust the district's 34790  
three-year average valuation used in the calculation under 34791  
division (A) of this section by subtracting from it the amount 34792  
calculated under division (E) (1) of this section. The department 34793  
shall not, however, make any adjustments to the statewide three- 34794  
year average valuation used in the calculation under division 34795  
(A) of this section. 34796

(F) (1) Except as provided in division (F) (3) of this 34797  
section, for purposes of division (F) of this section, for 34798  
fiscal year 2018 or 2019, an "eligible school district" is a 34799  
school district that satisfies all of the following for that 34800  
fiscal year: 34801

(a) The total taxable value of public utility personal 34802  
property in the district is at least ten per cent of the 34803  
district's total taxable value for the tax year immediately 34804  
preceding the most recent tax year for which data is available. 34805

(b) The total taxable value of public utility personal 34806  
property in the district for the most recent tax year for which 34807

data is available is at least ten per cent less than the total 34808  
taxable value of public utility property in the district for the 34809  
tax year immediately preceding the most recent tax year for 34810  
which data is available. 34811

(c) The total taxable value of power plants in the 34812  
district for the most recent tax year for which data is 34813  
available is at least ten per cent less than the total taxable 34814  
value of power plants in the district for the tax year 34815  
immediately preceding the most recent tax year for which data is 34816  
available. 34817

(2) Notwithstanding divisions (A) to (E) of this section, 34818  
the department shall compute each eligible school district's 34819  
state share index as follows: 34820

(a) Calculate the district's valuation index in accordance 34821

year adjusted cohort graduation rate" has the same meaning as in 36049  
section 3302.01 of the Revised Code. 36050

(B) The department of ~~education~~ learning and achievement 36051  
shall annually calculate a graduation bonus for each city, 36052  
local, and exempted village school district according to the 36053  
following formula: 36054

The district's four-year adjusted cohort graduation rate on its 36055

most recent report card issued by the department under section 3302.03 of the Revised Code X 0.075 X the formula amount X the number of the district's graduates reported to the department, in accordance with the guidelines adopted under section 3301.0714 of the Revised Code, for the same school year for which the most recent report card was issued X the district's state share index

**Sec. 3317.0216.** (A) For purposes of this section, a city, local, or exempted village school district's "third-grade reading proficiency percentage" means the percentage of the district's students scoring at a proficient level of skill or higher on the third-grade English language arts assessment prescribed under division (A) (1) (a) of section 3301.0710 of the Revised Code for the immediately preceding school year, as reported on the district's report card under section 3302.03 of the Revised Code.

(B) The department of ~~education~~ learning and achievement shall annually calculate a third-grade reading bonus for each city, local, and exempted village school district according to the following formula:

The district's third-grade reading proficiency percentage X 0.075 X the formula amount X the number of the district's students scoring at a proficient level of skill or higher on the third-grade English language arts assessment prescribed under division (A) (1) (a) of section 3301.0710 of the Revised Code for the immediately preceding school year X the district's state share index

(A) The department of ~~education~~learning and achievement 36086  
shall annually compute targeted assistance funds to school 36087  
districts, as follows: 36088

(1) Calculate the local wealth per pupil of each school 36089  
district, which equals the following sum: 36090

(a) One-half times the quotient of (i) the district's 36091  
three-year average valuation divided by (ii) its formula ADM; 36092  
plus 36093

(b) One-half times the quotient of (i) the average of the 36094  
total federal adjusted gross income of the school district's 36095  
residents for the three years most recently reported under 36096  
section 3317.021 of the Revised Code divided by (ii) its formula 36097  
ADM. 36098

(2) Rank all school districts in order of local wealth per 36099  
pupil, from the district with the lowest local wealth per pupil 36100  
to the district with the highest local wealth per pupil. 36101

(3) Compute the statewide wealth per pupil, which equals 36102  
the following sum: 36103

(a) One-half times the quotient of (i) the sum of the 36104  
three-year average valuations for all school districts divided 36105  
by (ii) the sum of formula ADM counts for all school districts; 36106  
plus 36107

(b) One-half times the quotient of (i) the sum of the 36108  
three-year average total federal adjusted gross incomes for all 36109  
school districts divided by (ii) the sum of formula ADM counts 36110  
for all school districts. 36111

(4) Compute each district's wealth index by dividing the 36112  
statewide wealth per pupil by the district's local wealth per 36113

pupil. 36114

(5) Compute the per pupil targeted assistance for each 36115  
eligible school district in accordance with the following 36116  
formula: 36117

(Threshold local wealth per pupil - the district's local wealth 36118  
per pupil) X target millage X the district's wealth index 36119

Where: 36120

(a) An "eligible school district" means a school district 36121  
with a local wealth per pupil less than that of the school 36122  
district with the 490th lowest local wealth per pupil. 36123

(b) "Threshold local wealth per pupil" means the local 36124  
wealth per pupil of the school district with the 490th lowest 36125  
local wealth per pupil. 36126

(c) "Target millage" means 0.006. 36127

If the result of the calculation for a school district 36128  
under division (A) (5) of this section is less than zero, the 36129  
district's targeted assistance shall be zero. 36130

(6) Calculate the aggregate amount to be paid as targeted 36131  
assistance funds to each school district under division (A) of 36132  
section 3317.022 of the Revised Code by multiplying the per 36133  
pupil targeted assistance computed under division (A) (5) of this 36134  
section by the district's net formula ADM. 36135

As used in this division, a district's "net formula ADM" 36136  
means its formula ADM minus the number of community school 36137  
students certified under division (B) (3) (d) of section 3317.03 36138  
of the Revised Code X 0.75, the number of internet- and 36139  
computer-based community school students certified under 36140  
division (B) (3) (e) of that section, the number of science, 36141

technology, engineering, and mathematics school students 36142  
certified under division (B) (3) (j) of that section X 0.75, and 36143  
the number of scholarship students certified under divisions (B)  
(3) (f), (g), and (l) of that section. 36144  
36145

(B) The department shall annually compute supplemental 36146  
targeted assistance funds to school districts, as follows: 36147

(1) Compute each district's agricultural percentage as the 36148  
quotient of (a) the three-year average valuation of real 36149  
property in the district that is classified as agricultural 36150  
property divided by (b) the three-year average valuation of all 36151  
of the real property in the district. 36152

(2) Calculate the aggregate amount to be paid as 36153  
supplemental targeted assistance funds to each school district 36154  
under division (A) of section 3317.022 of the Revised Code, as 36155  
follows: 36156

(The district's agricultural percentage - 0.1) X (0.4 X the 36157  
formula amount) X the district's net formula ADM, as that term 36158  
is defined in division (A) of this section 36159

If the result of the calculation for a school district 36160  
under division (B) (2) of this section is less than zero, the 36161  
district's supplemental targeted assistance shall be zero. 36162

**Sec. 3317.0218.** The department of ~~education~~ learning and 36163  
achievement shall annually compute capacity aid funds to school 36164  
districts, as follows: 36165

three-year average valuation by 0.001; 36167

(B) Determine the median amount of all of the amounts 36168  
calculated under division (A) of this section; 36169

(C) Calculate each school district's capacity ratio, which 36170  
equals the greater of zero or the amount calculated as follows: 36171

(The amount determined under division (B) of this section / the 36172  
amount calculated for the district under division (A) of this 36173  
section) - 1 36174

If the result of a calculation for a school district under 36175  
division (C) of this section is greater than 2.5, the district's 36176  
capacity ratio shall be 2.5. 36177

(D) Calculate the capacity aid per pupil amount, which 36178  
equals the following quotient: 36179

(The amount determined under division (B) of this section) / 36180  
(the average of the formula ADMs of all of the districts for 36181  
which the amount calculated under division (A) of this section 36182  
is less than the amount determined under division (B) of this 36183  
section) 36184

(E) Calculate each school district's capacity aid, which 36185  
equals the following product: 36186

The capacity aid per pupil amount calculated under division (D) 36187  
of this section X the district's formula ADM X 4.0 X the 36188  
district's capacity ratio calculated under division (C) of this 36189  
section 36190

the basic project cost or the district board of education 38757  
complied with section 3318.052 of the Revised Code. 38758

(3) In the fiscal year prior to the fiscal year in which 38759  
the district's project was conditionally approved, the district 38760  
had an open enrollment net gain that was ten per cent or more of 38761  
its formula ADM. 38762

(C) For each school district to which this section 38763  
applies, the department of ~~education~~ learning and achievement 38764  
shall recalculate the district's percentile ranking under 38765  
section 3318.011 of the Revised Code for the fiscal year prior 38766  
to the fiscal year in which the district's project was 38767  
conditionally approved and shall report the recalculated 38768  
percentile ranking to the commission. For this purpose, the 38769  
department shall recalculate every school district's percentile 38770  
ranking for that fiscal year using the district's "valuation per 38771  
pupil" as that term is defined in section 3318.011 of the 38772  
Revised Code on and after September 29, 2007. 38773

(D) For each school district to which this section 38774  
applies, the commission shall use the recalculated percentile 38775  
ranking reported under division (C) of this section to determine 38776  
the district's portion of the basic project cost under section 38777  
3318.032 of the Revised Code. The commission shall not use the 38778  
recalculated percentile ranking for any other purpose, and the 38779  
recalculated ranking shall not affect any other district's 38780

portion of the basic project cost under section 3318.032 of the Revised Code or any district's eligibility for assistance under sections 3318.01 to 3318.20 of the Revised Code. The commission shall revise the agreement entered into under section 3318.08 of the Revised Code to reflect the district's new portion of the basic project cost as determined under this division.

**Sec. 3318.051.** (A) Any city, exempted village, or local school district that commences a project under sections 3318.01 to 3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or after September 5, 2006, need not levy the tax otherwise required under division (B) of section 3318.05 of the Revised Code, if the district board of education adopts a resolution petitioning the Ohio facilities construction commission to approve the transfer of money in accordance with this section and the commission approves that transfer. If so approved, the commission and the district board shall enter into an agreement under which the board, in each of twenty-three consecutive years beginning in the year in which the board and the commission enter into the project agreement under section 3318.08 of the Revised Code, shall transfer into the maintenance fund required by division (D) of section 3318.05 of the Revised Code not less than an amount equal to one-half mill for each dollar of the district's valuation unless and until the agreement to make those transfers is rescinded by the district board pursuant to division (F) of this section.

(B) On the first day of July each year, or on an alternative date prescribed by the commission, the district treasurer shall certify to the commission and the auditor of state that the amount required for the year has been transferred. The auditor of state shall include verification of the transfer as part of any audit of the district under section

117.11 of the Revised Code. If the auditor of state finds that  
less than the required amount has been deposited into a  
district's maintenance fund, the auditor of state shall notify  
the district board of education in writing of that fact and  
require the board to deposit into the fund, within ninety days  
after the date of the notice, the amount by which the fund is  
deficient for the year. If the district board fails to  
demonstrate to the auditor of state's satisfaction that the  
board has made the deposit required in the notice, the auditor  
of state shall notify the department of ~~education~~ learning and  
achievement. At that time, the department shall withhold an  
amount equal to ten per cent of the district's funds calculated  
for the current fiscal year under Chapter 3317. of the Revised  
Code until the auditor of state notifies the department that the  
auditor of state is satisfied that the board has made the  
required transfer.

(C) Money transferred to the maintenance fund shall be  
used for the maintenance of the facilities acquired under the  
district's project.

(D) The transfers to the maintenance fund under this  
section does not affect a district's obligation to establish and  
maintain a capital and maintenance fund under section 3315.18 of  
the Revised Code.

(E) Any decision by the commission to approve or not  
approve the transfer of money under this section is final and  
not subject to appeal. The commission shall not be responsible  
for errors or miscalculations made in deciding whether to  
approve a petition to make transfers under this section.

(F) If the district board determines that it no longer can  
continue making the transfers agreed to under this section, the

board may rescind the agreement only so long as the electors of 38842  
the district have approved, in accordance with section 3318.063 38843  
of the Revised Code, the levy of a tax for the maintenance of 38844  
the classroom facilities acquired under the district's project 38845  
and that levy continues to be collected as approved by the 38846  
electors. That levy shall be for a number of years that is equal 38847  
to the difference between twenty-three years and the number of 38848  
years that the district made transfers under this section and 38849  
shall be at the rate of not less than one-half mill for each 38850  
dollar of the district's valuation. The district board shall 38851  
continue to make the transfers agreed to under this section 38852  
until that levy has been approved by the electors. 38853

**Sec. 3318.08.** Except in the case of a joint vocational 38854  
school district that receives assistance under sections 3318.40 38855  
to 3318.45 of the Revised Code, if the requisite favorable vote 38856  
on the election is obtained, or if the school district board has 38857  
resolved to apply the proceeds of a property tax levy or the 38858  
proceeds of an income tax, or a combination of proceeds from 38859  
such taxes, as authorized in section 3318.052 of the Revised 38860  
Code, the Ohio facilities construction commission, upon 38861  
certification to it of either the results of the election or the 38862  
resolution under section 3318.052 of the Revised Code, shall 38863  
enter into a written agreement with the school district board 38864  
for the construction and sale of the project. In the case of a 38865  
joint vocational school district that receives assistance under 38866  
sections 3318.40 to 3318.45 of the Revised Code, if the school 38867  
district board of education and the school district electors 38868  
have satisfied the conditions prescribed in division (D) (1) of 38869  
section 3318.41 of the Revised Code, the commission shall enter 38870  
into an agreement with the school district board for the 38871  
construction and sale of the project. In either case, the 38872

agreement shall include, but need not be limited to, the 38873  
following provisions: 38874

(A) The sale and issuance of bonds or notes in 38875  
anticipation thereof, as soon as practicable after the execution 38876  
of the agreement, in an amount equal to the school district's 38877  
portion of the basic project cost, including any securities 38878  
authorized under division (J) of section 133.06 of the Revised 38879  
Code and dedicated by the school district board to payment of 38880  
the district's portion of the basic project cost of the project; 38881  
provided, that if at that time the county treasurer of each 38882  
county in which the school district is located has not commenced 38883  
the collection of taxes on the general duplicate of real and 38884  
public utility property for the year in which the controlling 38885  
board approved the project, the school district board shall 38886  
authorize the issuance of a first installment of bond 38887  
anticipation notes in an amount specified by the agreement, 38888  
which amount shall not exceed an amount necessary to raise the 38889  
net bonded indebtedness of the school district as of the date of 38890  
the controlling board's approval to within five thousand dollars 38891  
of the required level of indebtedness for the preceding year. In 38892  
the event that a first installment of bond anticipation notes is 38893  
issued, the school district board shall, as soon as practicable 38894  
after the county treasurer of each county in which the school 38895  
district is located has commenced the collection of taxes on the 38896  
general duplicate of real and public utility property for the 38897  
year in which the controlling board approved the project, 38898  
authorize the issuance of a second and final installment of bond 38899  
anticipation notes or a first and final issue of bonds. 38900

The combined value of the first and second installment of 38901  
bond anticipation notes or the value of the first and final 38902  
issue of bonds shall be equal to the school district's portion 38903

of the basic project cost. The proceeds of any such bonds shall 38904  
be used first to retire any bond anticipation notes. Otherwise, 38905  
the proceeds of such bonds and of any bond anticipation notes, 38906  
except the premium and accrued interest thereon, shall be 38907  
deposited in the school district's project construction fund. In 38908  
determining the amount of net bonded indebtedness for the 38909  
purpose of fixing the amount of an issue of either bonds or bond 38910  
anticipation notes, gross indebtedness shall be reduced by 38911  
moneys in the bond retirement fund only to the extent of the 38912  
moneys therein on the first day of the year preceding the year 38913  
in which the controlling board approved the project. Should 38914  
there be a decrease in the tax valuation of the school district 38915  
so that the amount of indebtedness that can be incurred on the 38916  
tax duplicates for the year in which the controlling board 38917  
approved the project is less than the amount of the first 38918  
installment of bond anticipation notes, there shall be paid from 38919  
the school district's project construction fund to the school 38920  
district's bond retirement fund to be applied against such notes 38921  
an amount sufficient to cause the net bonded indebtedness of the 38922  
school district, as of the first day of the year following the 38923  
year in which the controlling board approved the project, to be 38924  
within five thousand dollars of the required level of 38925  
indebtedness for the year in which the controlling board 38926  
approved the project. The maximum amount of indebtedness to be 38927  
incurred by any school district board as its share of the cost 38928  
of the project is either an amount that will cause its net 38929  
bonded indebtedness, as of the first day of the year following 38930  
the year in which the controlling board approved the project, to 38931  
be within five thousand dollars of the required level of 38932  
indebtedness, or an amount equal to the required percentage of 38933  
the basic project costs, whichever is greater. All bonds and 38934  
bond anticipation notes shall be issued in accordance with 38935

Chapter 133. of the Revised Code, and notes may be renewed as	38936
provided in section 133.22 of the Revised Code.	38937
(B) The transfer of such funds of the school district	38938
board available for the project, together with the proceeds of	38939
the sale of the bonds or notes, except premium, accrued	38940
interest, and interest included in the amount of the issue, to	38941
the school district's project construction fund;	38942
(C) For all school districts except joint vocational	38943
school districts that receive assistance under sections 3318.40	38944
to 3318.45 of the Revised Code, the following provisions as	38945
applicable:	38946
(1) If section 3318.052 of the Revised Code applies, the	38947
earmarking of the proceeds of a tax levied under section 5705.21	38948
of the Revised Code for general permanent improvements or under	38949
section 5705.218 of the Revised Code for the purpose of	38950
permanent improvements, or the proceeds of a school district	38951
income tax levied under Chapter 5748. of the Revised Code, or	38952
the proceeds from a combination of those two taxes, in an amount	38953
to pay all or part of the service charges on bonds issued to pay	38954
the school district portion of the project and an amount	38955
equivalent to all or part of the tax required under division (B)	38956
of section 3318.05 of the Revised Code;	38957
(2) If section 3318.052 of the Revised Code does not	38958
apply, one of the following:	38959
(a) The levy of the tax authorized at the election for the	38960
payment of maintenance costs, as specified in division (B) of	38961
section 3318.05 of the Revised Code;	38962
(b) If the school district electors have approved a	38963
continuing tax for general permanent improvements under section	38964

5705.21 of the Revised Code and that tax can be used for 38965  
maintenance, the earmarking of an amount of the proceeds from 38966  
such tax for maintenance of classroom facilities as specified in 38967  
division (B) of section 3318.05 of the Revised Code; 38968

(c) If, in lieu of the tax otherwise required under 38969  
division (B) of section 3318.05 of the Revised Code, the 38970  
commission has approved the transfer of money to the maintenance 38971  
fund in accordance with section 3318.051 of the Revised Code, a 38972  
requirement that the district board comply with the provisions 38973  
of that section. The district board may rescind the provision 38974  
prescribed under division (C) (2) (c) of this section only so long 38975  
as the electors of the district have approved, in accordance 38976  
with section 3318.063 of the Revised Code, the levy of a tax for 38977  
the maintenance of the classroom facilities acquired under the 38978  
district's project and that levy continues to be collected as 38979  
approved by the electors. 38980

(D) For joint vocational school districts that receive 38981  
assistance under sections 3318.40 to 3318.45 of the Revised 38982  
Code, provision for deposit of school district moneys dedicated 38983  
to maintenance of the classroom facilities acquired under those 38984  
sections as prescribed in section 3318.43 of the Revised Code; 38985

(E) Dedication of any local donated contribution as 38986  
provided for under section 3318.084 of the Revised Code, 38987  
including a schedule for depositing such moneys applied as an 38988  
offset of the district's obligation to levy the tax described in 38989  
division (B) of section 3318.05 of the Revised Code as required 38990  
under division (D) (2) of section 3318.084 of the Revised Code; 38991

(F) Ownership of or interest in the project during the 38992  
period of construction, which shall be divided between the 38993  
commission and the school district board in proportion to their 38994

respective contributions to the school district's project	38995
construction fund;	38996
(G) Maintenance of the state's interest in the project	38997
until any obligations issued for the project under section	38998
3318.26 of the Revised Code are no longer outstanding;	38999
(H) The insurance of the project by the school district	39000
from the time there is an insurable interest therein and so long	39001
as the state retains any ownership or interest in the project	39002
pursuant to division (F) of this section, in such amounts and	39003
against such risks as the commission shall require; provided,	39004
that the cost of any required insurance until the project is	39005
completed shall be a part of the basic project cost;	39006
(I) The certification by the director of budget and	39007
management that funds are available and have been set aside to	39008
meet the state's share of the basic project cost as approved by	39009
the controlling board pursuant to either section 3318.04 or	39010
division (B) (1) of section 3318.41 of the Revised Code;	39011
(J) Authorization of the school district board to	39012
advertise for and receive construction bids for the project, for	39013
and on behalf of the commission, and to award contracts in the	39014
name of the state subject to approval by the commission;	39015
(K) Provisions for the disbursement of moneys from the	39016
school district's project account upon issuance by the	39017
commission or the commission's designated representative of	39018
vouchers for work done to be certified to the commission by the	39019
treasurer of the school district board;	39020
(L) Disposal of any balance left in the school district's	39021
project construction fund upon completion of the project;	39022
(M) Limitations upon use of the project or any part of it	39023

so long as any obligations issued to finance the project under 39024  
section 3318.26 of the Revised Code are outstanding; 39025

(N) Provision for vesting the state's interest in the 39026  
project to the school district board when the obligations issued 39027  
to finance the project under section 3318.26 of the Revised Code 39028  
are outstanding; 39029

(O) Provision for deposit of an executed copy of the 39030  
agreement in the office of the commission; 39031

(P) Provision for termination of the contract and release 39032

if the proceeds of the sale of the bonds of the school district 39034  
board are not paid into the school district's project 39035  
construction fund and if bids for the construction of the 39036  
project have not been taken within such period after the 39037  
execution of the agreement as may be fixed by the commission; 39038

(Q) Provision for the school district to maintain the 39039  
project in accordance with a plan approved by the commission; 39040

(R) Provision that all state funds reserved and encumbered 39041  
to pay the state share of the cost of the project and the funds 39042  
provided by the school district to pay for its share of the 39043  
project cost, including the respective shares of the cost of a 39044  
segment if the project is divided into segments, be spent on the 39045  
construction and acquisition of the project or segment 39046  
simultaneously in proportion to the state's and the school 39047  
district's respective shares of that basic project cost as 39048  
determined under section 3318.032 of the Revised Code or, if the 39049  
district is a joint vocational school district, under section 39050  
3318.42 of the Revised Code. However, if the school district 39051  
certifies to the commission that expenditure by the school 39052

district is necessary to maintain the federal tax status or tax- 39053  
exempt status of notes or bonds issued by the school district to 39054  
pay for its share of the project cost or to comply with 39055  
applicable temporary investment periods or spending exceptions 39056  
to rebate as provided for under federal law in regard to those 39057  
notes or bonds, the school district may commit to spend, or 39058  
spend, a greater portion of the funds it provides during any 39059  
specific period than would otherwise be required under this 39060  
division. 39061

(S) A provision stipulating that the commission may 39062  
prohibit the district from proceeding with any project if the 39063  
commission determines that the site is not suitable for 39064  
construction purposes. The commission may perform soil tests in 39065  
its determination of whether a site is appropriate for 39066  
construction purposes. 39067

(T) A provision stipulating that, unless otherwise 39068  
authorized by the commission, any contingency reserve portion of 39069  
the construction budget prescribed by the commission shall be 39070  
used only to pay costs resulting from unforeseen job conditions, 39071  
to comply with rulings regarding building and other codes, to 39072  
pay costs related to design clarifications or corrections to 39073  
contract documents, and to pay the costs of settlements or 39074  
judgments related to the project as provided under section 39075  
3318.086 of the Revised Code; 39076

(U) A provision stipulating that for continued release of 39077  
project funds the school district board shall comply with 39078  
sections 3313.41, 3313.411, and 3313.413 of the Revised Code 39079  
throughout the project and shall notify the department of 39080  
~~education~~ learning and achievement and the Ohio community school 39081  
association when the board plans to dispose of facilities by 39082

sale under that section; 39083

(V) A provision stipulating that the commission shall not 39084  
approve a contract for demolition of a facility until the school 39085  
district board has complied with sections 3313.41, 3313.411, and 39086  
3313.413 of the Revised Code relative to that facility, unless 39087  
demolition of that facility is to clear a site for construction 39088  
of a replacement facility included in the district's project; 39089

(W) A requirement for the school district to adhere to a 39090  
facilities maintenance plan approved by the commission. 39091

**Sec. 3318.084.** (A) Notwithstanding anything to the 39092  
contrary in Chapter 3318. of the Revised Code, a school district 39093  
board may apply any local donated contribution toward any of the 39094  
following: 39095

(1) The district's portion of the basic project cost of a 39096  
project under either sections 3318.01 to 3318.20 or sections 39097  
3318.40 to 3318.45 of the Revised Code to reduce the amount of 39098  
bonds the district otherwise must issue in order to receive 39099  
state assistance under those sections; 39100

(2) If the school district is not a joint vocational 39101  
school district proceeding under sections 3318.40 to 3318.45 of 39102  
the Revised Code, an offset of all or part of a district's 39103  
obligation to levy the tax described in division (B) of section 39104  
3318.05 of the Revised Code, which shall be applied only in the 39105  
manner prescribed in division (B) of this section; 39106

(3) If the school district is a joint vocational school 39107  
district proceeding under sections 3318.40 to 3318.45 of the 39108  
Revised Code, all or part of the amount the school district is 39109  
obligated to set aside for maintenance of the classroom 39110  
facilities acquired under that project pursuant to section 39111

3318.43 of the Revised Code. 39112

(B) No school district board shall apply any local donated 39113  
contribution under division (A) (2) of this section unless the 39114  
Ohio facilities construction commission first approves that 39115  
application. 39116

Upon the request of the school district board to apply 39117  
local donated contribution under division (A) (2) of this 39118  
section, the commission in consultation with the department of 39119  
taxation shall determine the amount of total revenue that likely 39120  
would be generated by one-half mill of the tax described in 39121  
division (B) of section 3318.05 of the Revised Code over the 39122  
entire twenty-three-year period required under that section and 39123  
shall deduct from that amount any amount of local donated 39124  
contribution that the board has committed to apply under 39125  
division (A) (2) of this section. The commission then shall 39126  
determine in consultation with the department of taxation the 39127  
rate of tax over twenty-three years necessary to generate the 39128  
amount of a one-half mill tax not offset by the local donated 39129  
contribution. Notwithstanding anything to the contrary in 39130  
section 3318.06, 3318.061, or 3318.361 of the Revised Code, the 39131  
rate determined by the commission shall be the rate for which 39132  
the district board shall seek elector approval under those 39133  
sections to meet its obligation under division (B) of section 39134  
3318.05 of the Revised Code. In the case of a complete offset of 39135  
the district's obligation under division (B) of section 3318.05 39136  
of the Revised Code, the district shall not be required to levy 39137  
the tax otherwise required under that section. At the end of the 39138  
twenty-three-year period of the tax required under division (B) 39139  
of section 3318.05 of the Revised Code, whether or not the tax 39140  
is actually levied, the commission in consultation of the 39141  
department of taxation shall recalculate the amount that would 39142

have been generated by the tax if it had been levied at one-half mill. If the total amount actually generated over that period from both the tax that was actually levied and any local donated contribution applied under division (A) (2) of this section is less than the amount that would have been raised by a one-half mill tax, the district shall pay any difference. If the total amount actually raised in such manner is greater than the amount that would have been raised by a one-half mill tax the difference shall be zero and no payments shall be made by either the district or the commission.

(C) As used in this section, "local donated contribution" means any of the following:

(1) Any moneys irrevocably donated or granted to a school district board by a source other than the state which the board has the authority to apply to the school district's project under sections 3318.01 to 3318.20 of the Revised Code and which the board has pledged for that purpose by resolution adopted by a majority of its members;

(2) Any irrevocable letter of credit issued on behalf of a school district which the school district board has encumbered for payment of the school district's share of its project under sections 3318.01 to 3318.20 of the Revised Code that has been approved by the commission in consultation with the department of ~~education~~ learning and achievement;

(3) Any cash a school district has on hand that the school district board has encumbered for payment of the school district's share of its project under sections 3318.01 to 3318.20 of the Revised Code that has been approved by the commission in consultation with the department of ~~education~~ learning and achievement, including the following:

(a) Any year-end operating fund balances that can be spent	39173
for classroom facilities;	39174
(b) Any cash resulting from a lease-purchase agreement	39175
that the school district board has entered into under section	39176
3313.375 of the Revised Code, provided that the agreement and	39177
the related financing documents contain provisions protecting	39178
the state's superior interest in the project.	39179
(4) Any moneys spent by a source other than the school	39180
district or the state for construction or renovation of specific	39181
classroom facilities that have been approved by the commission	39182
as part of the basic project cost of the district's project. The	39183
school district, the commission, and the entity providing the	39184
local donated contribution under division (C) (4) of this section	39185
shall enter into an agreement identifying the classroom	39186
facilities to be acquired by the expenditures made by that	39187
entity. The agreement shall include, but not be limited to,	39188
stipulations that require an audit by the commission of such	39189
expenditures made on behalf of the district and that specify the	39190
maximum amount of credit to be allowed for those expenditures.	39191
Upon completion of the construction or renovation, the	39192
commission shall determine the actual amount that the commission	39193
will credit, at the request of the district board, toward the	39194
district's portion of the basic project cost, any project cost	39195
overruns, or the basic project cost of future segments if the	39196
project has been divided into segments under section 3318.38 of	39197
the Revised Code. The actual amount of the credit shall not	39198
exceed the lesser of the amount specified in the agreement or	39199
the actual cost of the construction or renovation.	39200
(D) No state moneys shall be released for a project to	39201
which this section applies until:	39202

(1) Any local donated contribution authorized under 39203  
division (A)(1) of this section is first deposited into the 39204  
school district's project construction fund. 39205

(2) The school district board and the commission have 39206  
included a stipulation in their agreement entered into under 39207  
section 3318.08 of the Revised Code under which the board will 39208  
deposit into a fund approved by the commission according to a 39209  
schedule that does not extend beyond the anticipated completion 39210  
date of the project the total amount of any local donated 39211  
contribution authorized under division (A)(2) or (3) of this 39212  
section and dedicated by the board for that purpose. 39213

However, if any local donated contribution as described in 39214  
division (C)(4) of this section has been approved under this 39215  
section, the state moneys may be released even if the entity 39216  
providing that local donated contribution has not spent the 39217  
moneys so dedicated as long as the agreement required under that 39218  
section has been executed. 39219

**Sec. 3318.18.** (A) As used in this section: 39220

(1) "Valuation" of a school district means the sum of the 39221  
amounts described in divisions (A)(1) and (2) of section 39222  
3317.021 of the Revised Code as most recently certified for the 39223  
district before the annual computation is made under division 39224  
(B) of this section. 39225

(2) "Valuation per pupil" of a school district means the 39226  
district's valuation divided by the district's formula ADM as 39227  
most recently calculated under section 3317.03 of the Revised 39228  
Code before the annual computation is made under division (B) of 39229  
this section. 39230

(3) "Statewide average valuation per pupil" means the 39231

total of the valuations of all school districts divided by the 39232  
total of the formula ADMs of all school districts as most 39233  
recently calculated under section 3317.03 of the Revised Code 39234  
before the annual computation is made under division (C) of this 39235  
section. 39236

(4) "Maintenance levy requirement" means the tax required 39237  
to be levied pursuant to division (C) (2) (a) of section 3318.08 39238  
and division (B) of section 3318.05 of the Revised Code or the 39239  
application of proceeds of another levy to paying the costs of 39240  
maintaining classroom facilities pursuant to division (A) (2) of 39241  
section 3318.052, division (C) (1) or (C) (2) (b) of section 39242  
3318.08, or division (D) (2) of section 3318.36 of the Revised 39243  
Code, or a combination thereof. 39244

(5) "Project agreement" means an agreement between a 39245  
school district and the Ohio facilities construction commission 39246  
under section 3318.08 or division (B) (1) of section 3318.36 of 39247  
the Revised Code. 39248

(B) On or before July 1, 2006, the department of ~~education~~ 39249  
learning and achievement shall compute the statewide average 39250  
valuation per pupil and the valuation per pupil of each school 39251  
district, and provide them to the Ohio facilities construction 39252  
commission. On or before the first day of July each year 39253  
beginning in 2007, the department of ~~education~~ learning and 39254  
achievement shall compute the statewide average valuation per 39255  
pupil and the valuation per pupil of each school district that 39256  
has not already entered into a project agreement, and provide 39257  
the results of those computations to the commission. 39258

(C) (1) At the time the Ohio facilities construction 39259  
commission enters into a project agreement with a school 39260  
district, the commission shall compute the difference between 39261

the district's valuation per pupil and the statewide average 39262  
valuation per pupil as most recently provided to the commission 39263  
under division (B) of this section. If the school district's 39264  
valuation per pupil is less than the average statewide valuation 39265  
per pupil, the commission shall multiply the difference between 39266  
those amounts by one-half mill times the formula ADM of the 39267  
district as most recently reported to the department of 39268  
~~education~~ learning and achievement for October under division 39269  
(A) of section 3317.03 of the Revised Code. The commission shall 39270  
certify the resulting product to the department of ~~education~~ 39271  
learning and achievement, along with the date on which the 39272  
maintenance levy requirement terminates as provided in the 39273  
project agreement between the school district board and the 39274  
commission. 39275

(2) In the case of a school district that entered into a 39276  
project agreement after July 1, 1997, but before July 1, 2006, 39277  
the commission shall make the computation described in division 39278  
(C) (1) of this section on the basis of the district's valuation 39279  
per pupil and the statewide average valuation per pupil computed 39280  
as of September 1, 2006, and the district's formula ADM reported 39281  
for October 2005. 39282

(3) The amount computed for a school district under 39283  
division (C) (1) or (2) of this section shall not change for the 39284  
period during which payments are made to the district under 39285  
division (D) of this section. 39286

(4) A computation need not be made under division (C) (1) 39287  
or (2) of this section for a school district that certified a 39288  
resolution to the commission under division (D) (3) of section 39289  
3318.36 of the Revised Code until the district becomes eligible 39290  
for state assistance as provided in that division. 39291

(D) In the fourth quarter of each fiscal year, for each school district for which a computation has been made under division (C) of this section, the department of ~~education~~ learning and achievement shall pay the amount computed to each such school district. Payments shall be made to a school district each year until and including the tax year in which the district's maintenance levy requirement terminates. Payments shall be paid from the half-mill equalization fund, subject to appropriation by the general assembly. However, the department shall make no payments under this section to any district that elects the procedure authorized by section 3318.051 of the Revised Code.

(E) Payments made to a school district under this section shall be credited to the district's classroom facilities maintenance fund and shall be used only for the purpose of maintaining facilities constructed or renovated under the project agreement.

(F) There is hereby created in the state treasury the half-mill equalization fund. The fund shall receive transfers pursuant to section 5727.85 of the Revised Code. The fund shall be used first to make annual payments under division (D) of this section. If a balance remains in the fund after such payments are made in full for a year, the Ohio facilities construction commission may request the controlling board to transfer a reasonable amount from such remaining balance to the public school building fund created under section 3318.15 of the Revised Code for the purposes of this chapter.

All investment earnings arising from investment of money in the half-mill equalization fund shall be credited to the fund.

**Sec. 3318.363.** (A) This section applies beginning in 39322  
fiscal year 2003 and only to a school district participating in 39323  
the school building assistance expedited local partnership 39324  
program under section 3318.36 of the Revised Code. 39325

(B) If there is a decrease in the tax valuation of a 39326  
school district to which this section applies by ten per cent or 39327  
greater from one tax year to the next due to a decrease in the 39328  
assessment rate of the taxable property of an electric company 39329  
that owns property in the district, as provided for in section 39330  
5727.111 of the Revised Code as amended by Am. Sub. S.B. 3 of 39331  
the 123rd General Assembly, the Ohio facilities construction 39332  
commission shall calculate or recalculate the state and school 39333  
district portions of the basic project cost of the school 39334  
district's project by determining the percentile rank in which 39335  
the district would be located if such ranking were made using 39336  
the adjusted valuation per pupil calculated under division (C) 39337  
of this section rather than the three-year average adjusted 39338  
valuation per pupil, calculated under division (B) of section 39339  
3318.011 of the Revised Code. For such district, the required 39340  
percentage of the basic project cost used to determine the state 39341  
and school district shares of that cost under division (C) of 39342  
section 3318.36 of the Revised Code shall be based on the 39343  
percentile rank as calculated under this section rather than as 39344  
otherwise provided in division (C)(1) of section 3318.36 of the 39345  
Revised Code. If the commission has determined the state and 39346  
school district portion of the basic project cost of such a 39347  
district's project under section 3318.36 of the Revised Code 39348  
prior to that decrease in tax valuation, the commission shall 39349  
adjust the state and school district shares of the basic project 39350  
cost of such project in accordance with this section. 39351

(C)(1) As used in divisions (C) and (D) of this section, 39352

"total taxable value" and "formula ADM" have the same meanings 39353  
as in section 3317.02 of the Revised Code, and "income factor" 39354  
has the same meaning as in section 3318.011 of the Revised Code. 39355

(2) The adjusted valuation per pupil for a school district 39356  
to which this section applies shall be calculated using the 39357  
following formula: 39358

(The district's total taxable value for the tax year 39359  
preceding the calendar year in which the current fiscal year 39360  
begins / the district's formula ADM for the previous fiscal 39361  
year) - [\$30,000 x (1 - the district's income factor)]. 39362

(D) At the request of the Ohio facilities construction 39363  
commission, the department of ~~education~~learning and achievement 39364  
shall report a district's total taxable value for the tax year 39365  
preceding the calendar year in which the current fiscal year 39366  
begins for any district to which this section applies as that 39367  
information has been certified to the department by the tax 39368  
commissioner pursuant to section 3317.021 of the Revised Code. 39369

**Sec. 3318.42.** (A) Not later than the sixty-first day after 39370  
March 14, 2003, and subsequently not later than the sixty-first 39371  
day after the first day of each ensuing fiscal year, the 39372  
department of ~~education~~learning and achievement shall do all of 39373  
the following: 39374

(1) Calculate the valuation per pupil of each joint 39375  
vocational school district according to the following formula: 39376

The school district's average taxable value divided by the 39377  
school district's formula ADM calculated under section 3317.03 39378  
of the Revised Code for the previous fiscal year. For purposes 39379  
of this calculation: 39380

(a) "Average taxable value" means the average of the 39381

amounts certified for a school district in the second, third, 39382  
and fourth preceding tax years under divisions (A) (1) and (2) of 39383  
section 3317.021 of the Revised Code. 39384

(b) "Formula ADM" has the same meaning as defined in 39385  
section 3317.02 of the Revised Code. 39386

(2) Calculate for each school district the three-year 39387  
average of the valuations per pupil calculated for the school 39388  
district for the current and two preceding fiscal years; 39389

(3) Rank all joint vocational school districts in order 39390  
from the school district with the lowest three-year average 39391  
valuation per pupil to the school district with the highest 39392  
three-year average valuation per pupil; 39393

(4) Divide the ranking under division (A) (3) of this 39394  
section into percentiles with the first percentile containing 39395  
the one per cent of school districts having the lowest three- 39396  
year average valuations per pupil and the one-hundredth 39397  
percentile containing the one per cent of school districts 39398  
having the highest three-year average valuations per pupil; 39399

(5) Certify the information described in divisions (A) (1) 39400  
to (4) of this section to the Ohio facilities construction 39401  
commission. 39402

(B) The commission annually shall select school districts 39403  
for assistance under sections 3318.40 to 3318.45 of the Revised 39404  
Code in the order of the school districts' three-year average 39405  
valuations per pupil such that the school district with the 39406  
lowest three-year average valuation per pupil shall be given the 39407  
highest priority for assistance. 39408

(C) Each joint vocational school district's portion of the 39409  
basic project cost of the school district's project under 39410

sections 3318.40 to 3318.45 of the Revised Code shall be one per 39411  
cent times the percentile in which the district ranks, except 39412  
that no school district's portion shall be less than twenty-five 39413  
per cent or greater than ninety-five per cent of the basic 39414  
project cost. 39415

**Sec. 3319.02.** (A) (1) As used in this section, "other 39416  
administrator" means any of the following: 39417

(a) Except as provided in division (A) (2) of this section, 39418  
any employee in a position for which a board of education 39419  
requires a license designated by rule of the department of 39420  
~~education~~ learning and achievement for being an administrator 39421  
issued under section 3319.22 of the Revised Code, including a 39422  
professional pupil services employee or administrative 39423  
specialist or an equivalent of either one who is not employed as 39424  
a school counselor and spends less than fifty per cent of the 39425  
time employed teaching or working with students; 39426

(b) Any nonlicensed employee whose job duties enable such 39427  
employee to be considered as either a "supervisor" or a 39428  
"management level employee," as defined in section 4117.01 of 39429  
the Revised Code; 39430

(c) A business manager appointed under section 3319.03 of 39431  
the Revised Code. 39432

(2) As used in this section, "other administrator" does 39433  
not include a superintendent, assistant superintendent, 39434  
principal, or assistant principal. 39435

(B) The board of education of each school district and the 39436  
governing board of an educational service center may appoint one 39437  
or more assistant superintendents and such other administrators 39438  
as are necessary. An assistant educational service center 39439

superintendent or service center supervisor employed on a part- 39440  
time basis may also be employed by a local board as a teacher. 39441  
The board of each city, exempted village, and local school 39442  
district shall employ principals for all high schools and for 39443  
such other schools as the board designates, and those boards may 39444  
appoint assistant principals for any school that they designate. 39445

(C) In educational service centers and in city, exempted 39446  
village, and local school districts, assistant superintendents, 39447  
principals, assistant principals, and other administrators shall 39448  
only be employed or reemployed in accordance with nominations of 39449  
the superintendent, except that a board of education of a school 39450  
district or the governing board of a service center, by a three- 39451  
fourths vote of its full membership, may reemploy any assistant 39452  
superintendent, principal, assistant principal, or other 39453  
administrator whom the superintendent refuses to nominate. 39454

The board of education or governing board shall execute a 39455  
written contract of employment with each assistant 39456  
superintendent, principal, assistant principal, and other 39457  
administrator it employs or reemploys. The term of such contract 39458  
shall not exceed three years except that in the case of a person 39459  
who has been employed as an assistant superintendent, principal, 39460  
assistant principal, or other administrator in the district or 39461  
center for three years or more, the term of the contract shall 39462  
be for not more than five years and, unless the superintendent 39463  
of the district recommends otherwise, not less than two years. 39464  
If the superintendent so recommends, the term of the contract of 39465  
a person who has been employed by the district or service center 39466  
as an assistant superintendent, principal, assistant principal, 39467  
or other administrator for three years or more may be one year, 39468  
but all subsequent contracts granted such person shall be for a 39469  
term of not less than two years and not more than five years. 39470

When a teacher with continuing service status becomes an 39471  
assistant superintendent, principal, assistant principal, or 39472  
other administrator with the district or service center with 39473  
which the teacher holds continuing service status, the teacher 39474  
retains such status in the teacher's nonadministrative position 39475  
as provided in sections 3311.77, 3319.08, and 3319.09 of the 39476  
Revised Code. 39477

A board of education or governing board may reemploy an 39478  
assistant superintendent, principal, assistant principal, or 39479  
other administrator at any regular or special meeting held 39480  
during the period beginning on the first day of January of the 39481  
calendar year immediately preceding the year of expiration of 39482  
the employment contract and ending on the first day of June of 39483  
the year the employment contract expires. 39484

Except by mutual agreement of the parties thereto, no 39485  
assistant superintendent, principal, assistant principal, or 39486  
other administrator shall be transferred during the life of a 39487

the Revised Code. No contract may be suspended except pursuant 39490  
to section 3319.17 or 3319.171 of the Revised Code. The salaries 39491  
and compensation prescribed by such contracts shall not be 39492  
reduced by a board unless such reduction is a part of a uniform 39493  
plan affecting the entire district or center. The contract shall 39494  
specify the employee's administrative position and duties as 39495  
included in the job description adopted under division (D) of 39496  
this section, the salary and other compensation to be paid for 39497  
performance of duties, the number of days to be worked, the 39498  
number of days of vacation leave, if any, and any paid holidays 39499  
in the contractual year. 39500

The term of reemployment of a person reemployed under this paragraph shall be one year, except that if such person has been employed by the school district or service center as an assistant superintendent, principal, assistant principal, or other administrator for three years or more, the term of reemployment shall be two years.

(D) (1) Each board shall adopt procedures for the evaluation of all assistant superintendents, principals, assistant principals, and other administrators and shall evaluate such employees in accordance with those procedures. The procedures for the evaluation of principals and assistant principals shall be based on principles comparable to the teacher evaluation policy adopted by the board under section 3319.111 of the Revised Code, but shall be tailored to the duties and responsibilities of principals and assistant principals and the environment in which they work. An evaluation based upon procedures adopted under this division shall be considered by the board in deciding whether to renew the contract of employment of an assistant superintendent, principal, assistant principal, or other administrator.

(2) The evaluation shall measure each assistant superintendent's, principal's, assistant principal's, and other

administrator's effectiveness in performing the duties included 39532  
in the job description and the evaluation procedures shall 39533  
provide for, but not be limited to, the following: 39534

(a) Each assistant superintendent, principal, assistant 39535  
principal, and other administrator shall be evaluated annually 39536  
through a written evaluation process. 39537

(b) The evaluation shall be conducted by the 39538  
superintendent or designee. 39539

(c) In order to provide time to show progress in 39540  
correcting the deficiencies identified in the evaluation 39541  
process, the evaluation process shall be completed as follows: 39542

(i) In any school year that the employee's contract of 39543  
employment is not due to expire, at least one evaluation shall 39544  
be completed in that year. A written copy of the evaluation 39545  
shall be provided to the employee no later than the end of the 39546  
employee's contract year as defined by the employee's annual 39547  
salary notice. 39548

(ii) In any school year that the employee's contract of 39549  
employment is due to expire, at least a preliminary evaluation 39550  
and at least a final evaluation shall be completed in that year. 39551  
A written copy of the preliminary evaluation shall be provided 39552  
to the employee at least sixty days prior to any action by the 39553  
board on the employee's contract of employment. The final 39554  
evaluation shall indicate the superintendent's intended 39555  
recommendation to the board regarding a contract of employment 39556  
for the employee. A written copy of the evaluation shall be 39557  
provided to the employee at least five days prior to the board's 39558  
acting to renew or not renew the contract. 39559

(3) Termination of an assistant superintendent, principal, 39560

assistant principal, or other administrator's contract shall be 39561  
pursuant to section 3319.16 of the Revised Code. Suspension of 39562  
any such employee shall be pursuant to section 3319.17 or 39563  
3319.171 of the Revised Code. 39564

(4) Before taking action to renew or nonrenew the contract 39565  
of an assistant superintendent, principal, assistant principal, 39566

(2) If a person whose professional or permanent teaching 41471

different durations, the person shall be subject to divisions 41484  
(A) to (C) of this section only when applying for renewal of the 41485  
certificate, license, or permit that is of the longest duration. 41486  
Prior to renewing any certificate, license, or permit with a 41487  
shorter duration, the state board or the state superintendent ~~of~~ 41488  
~~public instruction~~ shall determine whether the department of 41489  
education or the department of learning and achievement has 41490  
received any information about the person pursuant to section 41491  
109.5721 of the Revised Code, but the person shall not be 41492  
subject to divisions (A) to (C) of this section as long as the 41493

person's certificate, license, or permit with the longest 41494

license, or permit. Prior to renewing any certificate, license, 41503  
or permit that is not the person's primary certificate, license, 41504  
or permit, the state board or the state superintendent of public

Revised Code, but the person shall not be subject to divisions 41508  
(A) to (C) of this section as long as the person's primary 41509  
certificate, license, or permit is valid. 41510  
41511

(3) If the certificates, licenses, or permits are of the 41512  
same duration and expire in the same year and the person applies 41513  
for renewal of the certificates, licenses, or permits at the 41514  
same time, the state board or the superintendent of public 41515  
instruction shall request only one criminal records check of the 41516  
person under division (C) of this section. 41517

(G) If the department is unable to enroll a person who has 41518  
submitted an application for licensure, or to whom the state 41519  
board has issued a license, in the retained applicant 41520  
fingerprint database established under section 109.5721 of the 41521

person to satisfy the requirements for enrollment, including 41524  
requiring the person to submit, by a date prescribed by the 41525

permission that authorizes the superintendent of public 41527  
instruction to forward the fingerprints to the bureau of 41528  
criminal identification and investigation for the purpose of 41529  
enrolling the person in the database. If the person fails to 41530  
comply by the prescribed date, the department shall reject the 41531  
application or shall take action to inactivate the person's 41532  
license in accordance with division (E) of this section. 41533

**Sec. 3319.292.** As used in this section, "license" has the 41534

by the applicant. If the record of a conviction, plea of guilty, 41540  
bail forfeiture, or other disposition of a criminal offense 41541  
committed or alleged to have been committed by the applicant has 41542  
been sealed or expunged, the state board and the ~~department~~ 41543  
~~state superintendent~~ need not assert or demonstrate that its 41544  
questioning with respect to the offense bears a direct and 41545  
substantial relationship to the issuance or renewal of the 41546  
license or to the position in which the applicant will work 41547  
under the license. 41548

Any questions regarding a record of a conviction, plea of 41549  
guilty, bail forfeiture, or other disposition of a criminal 41550

(2) That the child is being instructed at home by a person 43114  
qualified to teach the branches in which instruction is 43115  
required, and such additional branches, as the advancement and 43116  
needs of the child may, in the opinion of such superintendent, 43117  
require. In each such case the issuing superintendent shall file 43118  
in the superintendent's office, with a copy of the excuse, 43119  
papers showing how the inability of the child to attend school 43120  
or a special education program or the qualifications of the 43121  
person instructing the child at home were determined. All such 43122  
excuses shall become void and subject to recall upon the removal 43123  
of the disability of the child or the cessation of proper home 43124  
instruction; and thereupon the child or the child's parents may 43125  
be proceeded against after due notice whether such excuse be 43126  
recalled or not. 43127

(B) The ~~state board of education~~ department of learning 43128  
and achievement may adopt rules authorizing the superintendent 43129  
of schools of the district in which the child resides to excuse 43130

guardians. 43134

All excuses provided for in divisions (A) and (B) of this 43135  
section shall be in writing and shall show the reason for 43136  
excusing the child. A copy thereof shall be sent to the person 43137  
in charge of the child. 43138

(C) The board of education of the school district or the 43139  
governing authorities of a private or parochial school may in 43140  
the rules governing the discipline in such schools, prescribe 43141  
the authority by which and the manner in which any child may be 43142  
excused for absence from such school for good and sufficient 43143

reasons. 43144

The ~~state board of education~~ department of learning and 43145  
achievement may by rule prescribe conditions governing the 43146  
issuance of excuses, which shall be binding upon the authorities 43147  
empowered to issue them. 43148

**Sec. 3321.07.** If any child attends upon instruction 43149  
elsewhere than in a public school such instruction shall be in a 43150  
school which conforms to the minimum standards prescribed by the 43151  
~~state board of education~~ department of learning and achievement. 43152  
The hours and term of attendance exacted shall be equivalent to 43153  
the hours and term of attendance required of children in the 43154  
public schools of the district. This section does not require a 43155  
child to attend a high school instead of a vocational, 43156  
commercial, or other special type of school, provided the 43157  
instruction therein is for a term and for hours equivalent to 43158  
those of the high school, and provided ~~his~~ the child's 43159  
attendance at such school will not interfere with a continuous 43160  
program of education for the child to the age of sixteen. 43161

**Sec. 3321.09.** Attendance at a part-time school or class 43162  
provided by an employer, by a partnership, corporation, or 43163  
individual, by a private or parochial school, by a college, or 43164  
by a philanthropic or similar agency shall serve in lieu of 43165  
attendance at a part-time school or class provided by a board of 43166  
education in case the given school or class is conducted for 43167  
substantially a term and hours equivalent to those of the part- 43168  
time schools or classes provided by the local board, and in case 43169  
the school or class is approved by the ~~state board of education~~ 43170  
department of learning and achievement. When such school or 43171  
class is conducted within or in connection with the 43172  
establishment in which the child is working the obligation of 43173

attendance at part-time school or class indicated in section 43174  
3321.08 of the Revised Code, shall apply to the children holding 43175  
age and schooling certificates who are employed in the given 43176  
establishment regardless of the accessibility of public part- 43177  
time schools or classes. 43178

**Sec. 3321.12.** Notwithstanding division (D) of section 43179  
3311.19 and division (D) of section 3311.52 of the Revised Code, 43180  
the provisions of this section that require reporting to the 43181  
treasurer of a city school district do not require reporting to 43182  
the treasurer of any joint vocational or cooperative education 43183  
school district. 43184

The principal or teacher in charge of any public, private, 43185  
or parochial school, shall report to the treasurer of the board 43186  
of education of the city, local, or exempted village school 43187  
district in which the school is situated, the names, ages, and 43188  
places of residence of all pupils below eighteen years of age in 43189  
attendance at their schools together with such other facts as 43190  
said treasurer requires to facilitate the carrying out of the 43191  
laws relating to compulsory education and the employment of 43192  
minors. Such report shall be made within the first two weeks of 43193  
the beginning of school in each school year, and shall be 43194  
corrected with the entry of such items as are prescribed by the 43195  
~~state board of education~~ department of learning and achievement 43196  
within the first week of each subsequent school month of the 43197  
year. 43198

Nothing in this section shall require any person to 43199  
release, or to permit access to, public school records in 43200  
violation of section 3319.321 of the Revised Code. 43201

**Sec. 3321.13.** (A) Whenever any child of compulsory school 43202  
age withdraws from school the teacher of that child shall 43203

and the reason for it shall be immediately transmitted by the 43205  
teacher to the superintendent of the city, local, or exempted 43206  
village school district. If the child who has withdrawn from 43207  
school has done so because of change of residence, the next 43208  
residence shall be ascertained and shall be included in the 43209  
notice thus transmitted. The superintendent shall thereupon 43210  
forward a card showing the essential facts regarding the child 43211  
and stating the place of the child's new residence to the 43212  
superintendent of schools of the district to which the child has 43213  
moved. 43214

The ~~superintendent of public instruction~~ department of 43215  
learning and achievement may prescribe the forms to be used in 43216  
the operation of this division. 43217

(B) (1) Upon receipt of information that a child of 43218  
compulsory school age has withdrawn from school for a reason 43219  
other than because of change of residence and is not enrolled in 43220  
and attending in accordance with school policy an approved 43221  
program to obtain a diploma or its equivalent, the 43222  
superintendent shall notify the registrar of motor vehicles and 43223  
the juvenile judge of the county in which the district is 43224  
located of the withdrawal and failure to enroll in and attend an 43225  
approved program to obtain a diploma or its equivalent. A 43226  
notification to the registrar required by this division shall be 43227  
given in the manner the registrar by rule requires and a 43228  
notification to the juvenile judge required by this division 43229  
shall be given in writing. Each notification shall be given 43230  
within two weeks after the withdrawal and failure to enroll in 43231  
and attend an approved program or its equivalent. 43232

(2) The board of education of a school district may adopt 43233

a resolution providing that the provisions of division (B) (2) of 43234  
this section apply within the district. The provisions of 43235  
division (B) (2) of this section do not apply within any school 43236  
district, and no superintendent of a school district shall send 43237  
a notification of the type described in division (B) (2) of this 43238  
section to the registrar of motor vehicles or the juvenile judge 43239  
of the county in which the district is located, unless the board 43240  
of education of the district has adopted such a resolution. If 43241  
the board of education of a school district adopts a resolution 43242  
providing that the provisions of division (B) (2) of this section 43243  
apply within the district, and if the superintendent of schools 43244  
of that district receives information that, during any semester 43245  
or term, a child of compulsory school age has been absent 43246  
without legitimate excuse from the school the child is supposed 43247  
to attend for more than sixty consecutive hours in a single 43248  
month or for at least ninety hours in a school year, the 43249  
superintendent shall notify the child and the child's parent, 43250  
guardian, or custodian, in writing, that the information has 43251  
been provided to the superintendent, that as a result of that 43252  
information the child's temporary instruction permit or driver's 43253  
license will be suspended or the opportunity to obtain such a 43254  
permit or license will be denied, and that the child and the 43255  
child's parent, guardian, or custodian may appear in person at a 43256  
scheduled date, time, and place before the superintendent or a 43257  
designee to challenge the information provided to the 43258  
superintendent. 43259

The notification to the child and the child's parent, 43260  
guardian, or custodian required by division (B) (2) of this 43261  
section shall set forth the information received by the 43262  
superintendent and shall inform the child and the child's 43263  
parent, guardian, or custodian of the scheduled date, time, and 43264

place of the appearance that they may have before the 43265  
superintendent or a designee. The date scheduled for the 43266  
appearance shall be no earlier than three and no later than five 43267  
days after the notification is given, provided that an extension 43268  
may be granted upon request of the child or the child's parent, 43269  
guardian, or custodian. If an extension is granted, the 43270  
superintendent shall schedule a new date, time, and place for 43271  
the appearance and shall inform the child and the child's 43272  
parent, guardian, or custodian of the new date, time, and place. 43273

If the child and the child's parent, guardian, or 43274  
custodian do not appear before the superintendent or a designee 43275  
on the scheduled date and at the scheduled time and place, or if 43276  
the child and the child's parent, guardian, or custodian appear 43277  
before the superintendent or a designee on the scheduled date 43278  
and at the scheduled time and place but the superintendent or a 43279  
designee determines that the information the superintendent 43280  
received indicating that, during the semester or term, the child 43281  
had been absent without legitimate excuse from the school the 43282  
child was supposed to attend for more than sixty consecutive 43283  
hours or for at least ninety total hours, the superintendent 43284  
shall notify the registrar of motor vehicles and the juvenile 43285  
judge of the county in which the district is located that the 43286  
child has been absent for that period of time and that the child 43287  
does not have any legitimate excuse for the habitual absence. A 43288  
notification to the registrar required by this division shall be 43289  
given in the manner the registrar by rule requires and a 43290  
notification to the juvenile judge required by this division 43291  
shall be given in writing. Each notification shall be given 43292  
within two weeks after the receipt of the information of the 43293  
habitual absence from school without legitimate excuse, or, if 43294  
the child and the child's parent, guardian, or custodian appear 43295

before the superintendent or a designee to challenge the 43296  
information, within two weeks after the appearance. 43297

For purposes of division (B) (2) of this section, a 43298  
legitimate excuse for absence from school includes, but is not 43299  
limited to, the fact that the child in question has enrolled in 43300  
another school or school district in this or another state, the 43301  
fact that the child in question was excused from attendance for 43302  
any of the reasons specified in section 3321.04 of the Revised 43303  
Code, or the fact that the child in question has received an age 43304  
and schooling certificate in accordance with section 3331.01 of 43305  
the Revised Code. 43306

(3) Whenever a pupil is suspended or expelled from school 43307  
pursuant to section 3313.66 of the Revised Code and the reason 43308  
for the suspension or expulsion is the use or possession of 43309  
alcohol, a drug of abuse, or alcohol and a drug of abuse, the 43310  
superintendent of schools of that district may notify the 43311  
registrar and the juvenile judge of the county in which the 43312  
district is located of such suspension or expulsion. Any such 43313  
notification of suspension or expulsion shall be given to the 43314  
registrar, in the manner the registrar by rule requires and 43315  
shall be given to the juvenile judge in writing. The 43316  
notifications shall be given within two weeks after the 43317  
suspension or expulsion. 43318

(4) Whenever a pupil is suspended, expelled, removed, or 43319  
permanently excluded from a school for misconduct included in a 43320  
policy that the board of education of a city, exempted village, 43321  
or local school district has adopted under division (A) of 43322  
section 3313.661 of the Revised Code, and the misconduct 43323  
involves a firearm or a knife or other weapon as defined in that 43324  
policy, the superintendent of schools of that district shall 43325

notify the registrar and the juvenile judge of the county in 43326  
which the district is located of the suspension, expulsion, 43327  
removal, or permanent exclusion. The notification shall be given 43328  
to the registrar in the manner the registrar, by rule, requires 43329  
and shall be given to the juvenile judge in writing. The 43330  
notifications shall be given within two weeks after the 43331  
suspension, expulsion, removal, or permanent exclusion. 43332

(C) A notification of withdrawal, habitual absence without 43333  
legitimate excuse, suspension, or expulsion given to the 43334  
registrar or a juvenile judge under division (B) (1), (2), (3), 43335  
or (4) of this section shall contain the name, address, date of 43336  
birth, school, and school district of the child. If the 43337  
superintendent finds, after giving a notification of withdrawal, 43338  
habitual absence without legitimate excuse, suspension, or 43339  
expulsion to the registrar and the juvenile judge under division 43340  
(B) (1), (2), (3), or (4) of this section, that the notification 43341  
was given in error, the superintendent immediately shall notify 43342  
the registrar and the juvenile judge of that fact. 43343

**Sec. 3321.18.** The attendance officer provided for by 43344  
section 3321.14 or 3321.15 of the Revised Code shall institute 43345  
proceedings against any officer, parent, guardian, or other 43346  
person violating laws relating to compulsory education and the 43347  
employment of minors, and otherwise discharge the duties 43348  
described in sections 3321.14 to 3321.21 of the Revised Code, 43349  
and perform any other service that the superintendent of schools 43350  
or board of education of the district by which the attendance 43351  
officer is employed considers necessary to preserve the morals 43352  
and secure the good conduct of school children, and to enforce 43353  
those laws. 43354

The attendance officer shall be furnished with copies of 43355

the enumeration in each school district in which the attendance officer serves and of the lists of pupils enrolled in the schools and shall report to the superintendent discrepancies between these lists and the enumeration.

The attendance officer and assistants shall cooperate with the director of commerce in enforcing the laws relating to the employment of minors. **Sec. 3321.19.** (A) As used in this section and section 3321.191 of the Revised Code, "habitual truant" has the same meaning as in section 2151.011 of the Revised Code.

(B) When a board of education of any city, exempted village, local, joint vocational, or cooperative education school district or the governing board of any educational service center determines that a student in its district has been truant and the parent, guardian, or other person having

care of the child has failed to cause the student's attendance 43386  
at school, the board may require the parent, guardian, or other 43387  
person having care of the child pursuant to division (B) of this 43388  
section to attend an educational program established pursuant to 43389  
rules adopted by the ~~state board of education~~ department of 43390  
learning and achievement for the purpose of encouraging parental 43391  
involvement in compelling the attendance of the child at school. 43392

No parent, guardian, or other person having care of a 43393  
child shall fail without good cause to attend an educational 43394  
program described in this division if the parent, guardian, or 43395  
other person has been served notice pursuant to division (C) of 43396  
this section. 43397

(C) On the request of the superintendent of schools, the 43398  
superintendent of any educational service center, the board of 43399  
education of any city, exempted village, local, joint 43400  
vocational, or cooperative education school district, or the 43401  
governing board of any educational service center or when it 43402  
otherwise comes to the notice of the attendance officer or other 43403  
appropriate officer of the school district, the attendance 43404  
officer or other appropriate officer shall examine into any case 43405  
of supposed truancy within the district and shall warn the 43406  
child, if found truant, and the child's parent, guardian, or 43407  
other person having care of the child, in writing, of the legal 43408  
consequences of being truant. When any child of compulsory 43409  
school age, in violation of law, is not attending school, the 43410  
attendance or other appropriate officer shall notify the parent, 43411  
guardian, or other person having care of that child of the fact, 43412  
and require the parent, guardian, or other person to cause the 43413  
child to attend school immediately. The parent, guardian, or 43414  
other person having care of the child shall cause the child's 43415  
attendance at school. Upon the failure of the parent, guardian, 43416

or other person having care of the child to do so, the 43417  
attendance officer or other appropriate officer, if so directed 43418  
by the superintendent, the district board, or the educational 43419  
service center governing board, shall send notice requiring the 43420  
attendance of that parent, guardian, or other person at a 43421  
parental education program established pursuant to division (B) 43422  
of this section and, subject to divisions (D) and (E) of this 43423  
section, may file a complaint against the parent, guardian, or 43424  
other person having care of the child in any court of competent 43425  
jurisdiction. 43426

(D) (1) Upon the failure of the parent, guardian, or other 43427  
person having care of the child to cause the child's attendance 43428  
at school, if the child is considered an habitual truant, the 43429  
board of education of the school district or the governing board 43430  
of the educational service center, within ten days, subject to 43431  
division (E) of this section, shall assign the student to an 43432  
absence intervention team as described in division (C) of 43433  
section 3321.191 of the Revised Code. 43434

(2) The attendance officer shall file a complaint in the 43435  
juvenile court of the county in which the child has a residence 43436  
or legal settlement or in which the child is supposed to attend 43437  
school jointly against the child and the parent, guardian, or 43438  
other person having care of the child, in accordance with the 43439  
timelines and conditions set forth in division (B) of section 43440  
3321.16 of the Revised Code. A complaint filed in the juvenile 43441  
court under this division shall allege that the child is an 43442  
unruly child for being an habitual truant and that the parent, 43443  
guardian, or other person having care of the child has violated 43444  
section 3321.38 of the Revised Code. 43445

(E) A school district with a chronic absenteeism 43446

percentage that is less than five per cent, as displayed on the 43447  
district's most recent report card issued under section 3302.03 43448  
of the Revised Code, and the school buildings within that 43449  
district, shall be exempt from the requirement to assign 43450  
habitually truant students to an absence intervention team for 43451  
the following school year and shall instead take any appropriate 43452  
action as an intervention strategy contained in the policy 43453  
developed by the district board pursuant to divisions (A) and 43454  
(B) of section 3321.191 of the Revised Code. In the event that 43455  
those intervention strategies fail, within sixty-one days after 43456  
their implementation, the attendance officer shall file a 43457  
complaint, provided that the conditions described in division 43458  
(B) of section 3321.16 of the Revised Code are satisfied. 43459

**Sec. 3321.191.** (A) Effective beginning with the 2017-2018 43460  
school year, the board of education of each city, exempted 43461  
village, local, joint vocational, and cooperative education 43462  
school district and the governing board of each educational 43463  
service center shall adopt a new or amended policy to guide 43464  
employees of the school district or service center in addressing 43465  
and ameliorating student absences. In developing the policy, the 43466  
appropriate board shall consult with the judge of the juvenile 43467  
court of the county or counties in which the district or service 43468  
center is located, with the parents, guardians, or other persons 43469  
having care of the pupils attending school in the district, and 43470  
with appropriate state and local agencies. 43471

(B) The policy developed under division (A) of this 43472  
section shall include as an intervention strategy all of the 43473  
following actions, if applicable: 43474

(1) Providing a truancy intervention plan for any student 43475  
who is excessively absent from school, as described in the first 43476

paragraph of division (C) of this section; 43477

(2) Providing counseling for an habitual truant; 43478

(3) Requesting or requiring a parent, guardian, or other 43479  
person having care of an habitual truant to attend parental 43480  
involvement programs, including programs adopted under section 43481  
3313.472 or 3313.663 of the Revised Code; 43482

(4) Requesting or requiring a parent, guardian, or other 43483  
person having care of an habitual truant to attend truancy 43484  
prevention mediation programs; 43485

(5) Notification of the registrar of motor vehicles under 43486  
section 3321.13 of the Revised Code; 43487

(6) Taking legal action under section 2919.222, 3321.20, 43488  
or 3321.38 of the Revised Code. 43489

(C) (1) In the event that a child of compulsory school age 43490  
is absent with or without legitimate excuse from the public 43491  
school the child is supposed to attend for thirty-eight or more 43492  
hours in one school month, or sixty-five or more hours in a 43493  
school year, the attendance officer of that school shall notify 43494  
the child's parent, guardian, or custodian of the child's 43495  
absences, in writing, within seven days after the date after the 43496  
absence that triggered the notice requirement. At the time 43497  
notice is given, the school also may take any appropriate action 43498  
as an intervention strategy contained in the policy developed by 43499  
the board pursuant to division (A) of this section. 43500

(2) (a) If the absences of a student surpass the threshold 43501  
for an habitual truant as set forth in section 2151.011 of the 43502  
Revised Code, the principal or chief administrator of the school 43503  
or the superintendent of the school district shall assign the 43504  
student to an absence intervention team. Within fourteen school 43505

days after the assignment of a student to an absence 43506  
intervention team, the team shall develop an intervention plan 43507  
for that student in an effort to reduce or eliminate further 43508  
absences. Each intervention plan shall vary based on the 43509  
individual needs of the student, but the plan shall state that 43510  
the attendance officer shall file a complaint not later than 43511

alternative to adjudication under division (C) (2) (b) of section 43515  
3321.191 of the Revised Code. Within seven days after the 43516

and ask to have a student informally enrolled in any alternative 43524  
to adjudication described in division (G) of section 2151.27 of 43525  
the Revised Code. If the school district or school chooses to 43526  
have students informally enrolled in an alternative to 43527  
adjudication, the school district or school shall develop a 43528  
written policy regarding the use of, and selection process for, 43529  
offering alternatives to adjudication to ensure fairness. 43530

(c) The superintendent of each school district, or the 43531  
superintendent's designee, shall establish an absence 43532  
intervention team for the district to be used by any schools of 43533  
the district that do not establish their own absence 43534  
intervention team as permitted under division (C) (2) (d) of this 43535  
section. Membership of each absence intervention team may vary 43536

based on the needs of each individual student but shall include 43537

(d) The principal or chief administrator of each school 43546  
may establish an absence intervention team or series of teams to 43547  
be used in lieu of the district team established pursuant to 43548  
division (C) (2) (c) of this section. Membership of each absence 43549  
intervention team may vary based on the needs of each individual 43550  
student but shall include a representative from the child's 43551  
school district or school, another representative from the 43552  
child's school district or school who knows the child, and the 43553

administrator, within the same period of seven school days, 43566  
shall make at least three meaningful, good faith attempts to 43567

secure the participation of the student's parent, guardian, 43568  
custodian, guardian ad litem, or temporary custodian on that 43569  
team. If the student's parent responds to any of those attempts, 43570  
but is unable to participate for any reason, the representative 43571  
of the school district shall inform the parent of the parent's 43572  
right to appear by designee. If seven school days elapse and the 43573  
student's parent, guardian, custodian, guardian ad litem, or 43574  
temporary custodian fails to respond to the attempts to secure 43575  
participation, the school district or school shall do both of 43576  
the following: 43577

(i) Investigate whether the failure to respond triggers 43578  
mandatory reporting to the public children services agency for 43579  
the county in which the child resides in the manner described in 43580  
section 2151.421 of the Revised Code; 43581

intervention plan for the child notwithstanding the absence of 43583  
the child's parent, guardian, custodian, guardian ad litem, or 43584  
temporary custodian. 43585

(f) In the event that a student becomes habitually truant 43586  
within twenty-one school days prior to the last day of 43587  
instruction of a school year, the school district or school may, 43588  
in its discretion, assign one school official to work with the 43589  
child's parent, guardian, custodian, guardian ad litem, or 43590  
temporary custodian to develop an absence intervention plan 43591  
during the summer. If the school district or school selects this 43592  
method, the plan shall be implemented not later than seven days 43593  
prior to the first day of instruction of the next school year. 43594  
In the alternative, the school district or school may toll the 43595  
time periods to accommodate for the summer months and reconvene 43596  
the absence intervention process upon the first day of 43597

instruction of the next school year. 43598

(D) Each school district or school may consult or partner 43606  
with public and nonprofit agencies to provide assistance as 43607

education, subject to division (C) of this section, may require 44743  
the payment by the board of education of the district of 44744  
residence of a sum not to exceed one of the following, as 44745  
applicable: 44746

(1) For any child except a preschool child with a disability described in division (A) (2) of this section, the tuition of the district providing the education for a child of normal needs of the same school grade. The determination of the amount of such tuition shall be in the manner provided for by division (A) of section 3317.08 of the Revised Code.

evaluation" means an evaluation, conducted by a 44778  
multidisciplinary team, of more than one area of the child's 44779  
functioning so that no single procedure shall be the sole 44780  
criterion for determining an appropriate educational program 44781  
placement for the child. 44782

**Sec. 3323.14.** (A) Where a child who is a school resident 44783  
of one school district receives special education from another 44784  
district and the per capita cost to the educating district for 44785  
that child exceeds the sum of the amount received by the 44786  
educating district for that child under division (A) of section 44787  
3317.08 of the Revised Code and the amount received by the 44788  
district from the ~~state board of education~~ department of 44789  
learning and achievement for that child, then the board of 44790  
education of the district of residence shall pay to the board of 44791  
the school district that is providing the special education such 44792  
excess cost as is determined by using a formula approved by the 44793  
department of ~~education~~ learning and achievement and agreed upon 44794  
in contracts entered into by the boards of the districts 44795  
concerned at the time the district providing such special 44796  
education accepts the child for enrollment. The department shall 44797  
certify the amount of the payments under Chapter 3317. of the 44798  
Revised Code for such pupils with disabilities for each school 44799  
year ending on the thirtieth day of July. 44800

(B) In the case of a child described in division (A) of 44801  
this section who has been placed in a home, as defined in 44802  
section 3313.64 of the Revised Code, pursuant to the order of a 44803  
court and who is not subject to section 3323.141 of the Revised 44804  
Code, the district providing the child with special education 44805

and related services may charge to the child's district of 44806  
residence the excess cost determined by formula approved by the 44807  
department, regardless of whether the district of residence has 44808  
entered into a contract with the district providing the 44809  
services. If the district providing the services chooses to 44810  
charge excess costs, the district may report the amount 44811  
calculated under this division to the department. 44812

(C) If a district providing special education for a child 44813  
reports an amount for the excess cost of those services, as 44814  
authorized and calculated under division (A) or (B) of this 44815  
section, the department shall pay that amount of excess cost to 44816  
the district providing the services and shall deduct that amount 44817  
from the child's district of residence in accordance with 44818  
division (K) of section 3317.023 of the Revised Code. 44819

(D) If a district providing special education to a child 44820  
to whom division (C) (4) of section 3313.64 of the Revised Code 44821  
applies chooses to receive a tuition payment for that child 44822  
under that division, that district shall not receive any 44823  
payments under this section. 44824

**Sec. 3323.141.** (A) When a child who is not in the legal or 44825  
permanent custody of an Ohio resident or a government agency in 44826  
this state and whose natural or adoptive parents are not known 44827  
to have been residents of this state subsequent to the child's 44828  
birth is a resident of a home as defined in section 3313.64 of 44829  
the Revised Code and receives special education and related 44830  
services from a school district or county board of developmental 44831  
disabilities, the home shall pay tuition to the board providing 44832  
the special education. 44833

(B) In the case of a child described in division (A) of 44834  
this section who receives special education and related services 44835

from a school district, tuition shall be the amount determined 44836  
under division (B) (1) or (2) of this section. 44837

(1) For a child other than a child described in division 44838  
(B) (2) of this section the tuition shall be an amount equal to 44839  
the sum of the following: 44840

(a) Tuition as determined in the manner provided for by 44841  
division (B) of section 3317.081 of the Revised Code for the 44842  
district that provides the special education; 44843

(b) Such excess cost as is determined by using a formula 44844  
established by rule of the department of ~~education~~ learning and 44845  
achievement. The excess cost computed in this section shall not 44846  
be used as excess cost computed under section 3323.14 of the 44847  
Revised Code. 44848

(2) For a child who is a preschool child with a 44849  
disability, the tuition shall be computed as follows: 44850

(a) Determine the amount of the tuition of the district 44851  
providing the education for the child as calculated under 44852  
division (B) of section 3317.08 of the Revised Code; 44853

(b) For each type of special education service included in 44854  
the computation of the amount of tuition under division (B) (2) 44855  
(a) of this section, divide the amount determined for that 44856  
computation under division (B) (2) of section 3317.08 of the 44857  
Revised Code by the total number of preschool children with 44858  
disabilities used for that computation under division (B) (3) of 44859  
section 3317.08 of the Revised Code; 44860

(c) Determine the sum of the quotients obtained under 44861  
division (B) (2) (b) of this section; 44862

(d) Determine the sum of the amounts determined under 44863

divisions (B) (2) (a) and (c) of this section. 44864

(C) In the case of a child described in division (A) of 44865  
this section who receives special education and related services 44866  
from a county board of developmental disabilities, tuition shall 44867  
be the amount determined under division (C) (1) or (2) of this 44868  
section. 44869

(1) For a child other than a child described in division 44870  
(C) (2) of this section, the tuition shall be an amount equal to 44871  
such board's per capita cost of providing special education and 44872  
related services for children at least three but less than 44873  
twenty-two years of age as determined by using a formula 44874  
established by rule of the department of developmental 44875  
disabilities. 44876

(2) For a child who is a preschool child with a 44877  
disability, the tuition shall equal the sum of the amounts of 44878  
each such board's per capita cost of providing each of the 44879  
special education or related service that the child receives. 44880  
The calculation of tuition shall be made by using a formula 44881  
established by rule of the department of developmental 44882  
disabilities. The formula for the calculation of per capita 44883  
costs under division (C) (2) of this section shall be based only 44884  
on each such county board's cost of providing each type of 44885  
special education or related service to preschool children with 44886  
disabilities. 44887

(D) If a home fails to pay the tuition required under this 44888  
section, the board of education or county board of developmental 44889  
disabilities providing the education may recover in a civil 44890  
action the tuition and the expenses incurred in prosecuting the 44891  
action, including court costs and reasonable attorney's fees. If 44892  
the prosecuting attorney or city director of law represents the 44893

board in such action, costs and reasonable attorney's fees 44894  
awarded by the court, based upon the time spent preparing and 44895  
presenting the case by the prosecuting attorney, director, or a 44896  
designee of either, shall be deposited in the county or city 44897  
general fund. 44898

**Sec. 3323.142.** As used in this section, "per pupil amount" 44899  
for a preschool child with a disability included in such an 44900  
approved unit means the amount determined by dividing the amount 44901  
received for the classroom unit in which the child has been 44902  
placed by the number of children in the unit. For any other 44903  
child, "per pupil amount" means the amount paid for the child 44904  
under section 3317.20 of the Revised Code. 44905

When a school district places or has placed a child with a 44906  
county board of developmental disabilities for special 44907  
education, but another district is responsible for tuition under 44908  
section 3313.64 or 3313.65 of the Revised Code and the child is 44909  
not a resident of the territory served by the county board of 44910  
developmental disabilities, the board may charge the district 44911  
responsible for tuition with the educational costs in excess of 44912  
the per pupil amount received by the board under Chapter 3317. 44913  
of the Revised Code. The amount of the excess cost shall be 44914  
determined by the formula established by rule of the department 44915  
of ~~education~~ learning and achievement under section 3323.14 of 44916  
the Revised Code, and the payment for such excess cost shall be 44917  
made by the school district directly to the county board of 44918  
developmental disabilities. 44919

A school district board of education and the county board 44920  
of developmental disabilities that serves the school district 44921  
may negotiate and contract, at or after the time of placement, 44922  
for payments by the board of education to the county board for 44923

additional services provided to a child placed with the county board and whose individualized education program established pursuant to section 3323.08 of the Revised Code requires additional services that are not routinely provided children in the county board's program but are necessary to maintain the child's enrollment and participation in the program. Additional services may include, but are not limited to, specialized supplies and equipment for the benefit of the child and instruction, training, or assistance provided by staff members other than staff members for which funding is received under Chapter 3317. of the Revised Code.

(B) Consult with employees of school districts and chartered nonpublic schools who confer with the parents of hearing impaired children about their children's education;

(C) Consult with chartered nonpublic schools and consult

with and provide technical assistance to school districts that 44953  
are or may be interested in integrating sign language into their 44954  
curricula and that offer or may be interested in offering 44955  
American sign language as a foreign language; 44956

(D) Consult with school districts and chartered nonpublic 44957  
schools that use interpreters in classrooms and with any other 44958  
interested school districts or chartered nonpublic schools about 44959  
how to obtain the best interpreters and how interpreters can 44960  
improve their skills. 44961

**Sec. 3323.19.** (A) Within three months after a student 44962  
identified with disabilities begins receiving services for the 44963  
first time under an individualized education program, the school 44964  
district in which that student is enrolled shall require the 44965  
student to undergo a comprehensive eye examination performed 44966  
either by an optometrist licensed under Chapter 4725. of the 44967  
Revised Code or by a physician authorized under Chapter 4731. of 44968  
the Revised Code to practice medicine and surgery or osteopathic 44969  
medicine and surgery who is comprehensively trained and educated 44970  
in the treatment of the human eye, eye disease, or comprehensive 44971  
vision services, unless the student underwent such an 44972  
examination within the nine-month period immediately prior to 44973  
being identified with disabilities. 44974

However, no student who has not undergone the eye 44975  
examination required under this section shall be prohibited from 44976  
initiating, receiving, or continuing to receive services 44977  
prescribed in the student's individualized education program. 44978

(B) The superintendent of each school district or the 44979  
superintendent's designee may determine fulfillment of the 44980  
requirement prescribed in division (A) of this section based on 44981  
any special circumstances of the student, the student's parent, 44982

guardian, or family that may prevent the student from undergoing 44983  
the eye examination prior to beginning special education 44984  
services. 44985

(C) Except for a student who may be entitled to a 44986  
comprehensive eye examination in the identification of the 44987  
student's disabilities, in the development of the student's 44988  
individualized education program, or as a related service under 44989  
the student's individualized education program, neither the 44990  
state nor any school district shall be responsible for paying 44991

(D) The department of ~~education~~learning and achievement 44993  
annually shall do both of the following: 44994

the requirements of this section; 44996

(2) Collect from each school district and community school 44997  
the total number of students enrolled in the district who were 44998  
subject to the requirements of this section and the total number 44999  
of students who received the examination, as verified by 45000  
documentation received from the district. 45001

**Sec. 3323.20.** On July 1, 2006, and on each first day of 45002  
July thereafter, the department of ~~education~~learning and 45003  
achievement shall electronically report to the general assembly 45004  
the number of preschool children with disabilities who received 45005  
services for which the department made a payment to any provider 45006  
during the previous fiscal year, disaggregated according to each 45007  
area of developmental deficiency identified by the department 45008  
for the evaluation of such children. 45009

**Sec. 3323.25.** (A) The ~~superintendent of public instruction~~ 45010  
department of learning and achievement shall establish a pilot 45011

project to provide early screening and intervention services for 45012  
children with risk factors for dyslexia, including low phonemic 45013  
awareness. The ~~state superintendent~~ department shall select 45014  
three school districts to participate in the pilot project, one 45015  
of which shall be located in an urban setting, one of which 45016  
shall be located in a suburban setting, and one of which shall 45017  
be located in a rural setting. Any school district selected to 45018  
participate in the pilot project may establish a partnership 45019

pilot project. To be considered for the pilot project, a school 45021  
district shall submit a proposal to the ~~state superintendent~~ 45022  
department that identifies a method of screening children for 45023  
low phonemic awareness and other risk factors for dyslexia, 45024  
provides for the enrollment of children identified as having 45025  
risk factors for dyslexia in a reading program staffed by 45026  
teachers trained in multisensory structured language programs, 45027  
and includes a methodology for evaluating the effects of the 45028  
reading program on the children's identified risk factors. The 45029  
pilot project shall operate for three full school years, 45030  
beginning with the school year that begins at least three months 45031  
after ~~the effective date of this section~~ March 22, 2012. 45032

The goal of the pilot project shall be to demonstrate and 45033  
evaluate the effectiveness of early reading assistance programs 45034  
for children with risk factors for dyslexia and to evaluate 45035  
whether those programs can reduce future special education 45036  
costs. 45037

The ~~state superintendent~~ department shall apply for 45038  
private and other nonstate funds, and shall use available state 45039  
funds appropriated to the department ~~of education~~ for the pilot 45040

international dyslexia association or any other nationally 45045  
recognized organization that specializes in multisensory 45046

establishing and operating the pilot project. 45048

(B) Under the pilot project, each participating school 45049  
district, through early childhood reading instruction and 45050  
reading assistance programs, shall screen children six years of 45051  
age or younger for indications of dyslexia, provide appropriate 45052  
reading intervention services for those children suspected of 45053  
having dyslexia, and administer assessments, approved by the 45054  
~~state superintendent~~ department of learning and achievement, to 45055  
ascertain whether the intervention services improve those 45056  
students' reading and learning. When a child is suspected of 45057  
having dyslexia, the district shall notify the child's parent or 45058  
guardian of that fact and that the child, as part of the pilot 45059  
project, is eligible to receive reading intervention services to 45060

The district shall require the parent or guardian to indicate in 45062  
writing that the parent or guardian voluntarily and knowingly 45063  
consents to the child's participation in the pilot project for 45064  
the provision of reading intervention services. Each district 45065  
shall provide to the parents of children suspected of having 45066  
dyslexia information about the learning disability, recommended 45067  
multisensory treatments, and possible services under this 45068  
chapter. 45069

Each participating school district also shall report 45070  
annually to the ~~state superintendent~~ department data about the 45071

operation and results of the pilot project, as required by the 45072  
~~superintendent department~~ in the manner prescribed by the 45073  
~~superintendent department~~. 45074

general assembly, in accordance with section 101.68 of the 45078  
Revised Code, containing the ~~superintendent's department's~~ 45079

recommendations whether to continue, expand, or make changes to 45081  
the pilot project. 45082

(D) As used in this section, "dyslexia" means a specific 45083  
learning disorder that is neurological in origin and that is 45084  
characterized by unexpected difficulties with accurate or fluent 45085  
word recognition and by poor spelling and decoding abilities not 45086  
consistent with the person's intelligence, motivation, and 45087  
sensory capabilities, which difficulties typically result from a 45088  
deficit in the phonological component of language. 45089

**Sec. 3323.32.** (A) The department of ~~education~~ learning and 45090  
achievement shall contract with an entity to administer programs 45091

(4) A description of the measures and milestones the 45111  
department will use to determine whether the performance of the 45112  
entity is satisfactory; 45113

(5) Any other provision the department determines is 45114  
necessary to ensure the quality of services to individuals with 45115  
autism and low incidence disabilities. 45116

(B) In selecting the entity under division (A) of this 45117  
section, the ~~superintendent-director~~ and the advisory board 45118  
shall give primary consideration to the Ohio Center for Autism 45119  
and Low Incidence, established under section 3323.31 of the 45120  
Revised Code, as long as the principal goals and mission of the 45121  
Center, as determined by the ~~superintendent-director~~ and the 45122

this section. 46085

(B) Notwithstanding any other provision of this chapter to 46086  
the contrary: 46087

(1) If a proposal for a STEM school submitted under 46088  
section 3326.03 of the Revised Code proposes that the governing 46089  
body of the school be the board of education of a municipal, 46090  
city, local, exempted village, or joint vocational school 46091  
district that is one of the partners submitting the proposal, 46092  
and the STEM committee approves that proposal, that school 46093  
district board shall govern and control the STEM school as one 46094  
of the schools of its district. 46095

(2) The STEM school sponsoring district shall maintain a 46096  
separate accounting for the STEM school as a separate and 46097  
distinct operational unit within the district's finances. The 46098  
auditor of state, in the course of an annual or biennial audit 46099  
of the school district serving as the STEM school sponsoring 46100  
district, shall audit that school district for compliance with 46101  
the financing requirements of this section. 46102

(3) With respect to students enrolled in a STEM school 46103  
whose resident district is the STEM school sponsoring district: 46104

section 3313.981 of the Revised Code for the students attending 46111  
the school whose resident district is the STEM school sponsoring 46112  
district. 46113

(c) The STEM school sponsoring district is responsible for 46114  
providing children with disabilities with a free appropriate 46115

(4) With respect to students enrolled in the STEM school 46120  
whose resident district is another school district, the 46121  
department shall make no payments or deductions under sections 46122  
3326.31 to 3326.49 of the Revised Code. Instead, the students 46123  
shall be considered as open enrollment students and the 46124  
department shall make payments and deductions in accordance with 46125  
section 3313.981 of the Revised Code. The STEM school sponsoring 46126  
district shall allocate the payments to the STEM school. The 46127  
STEM school sponsoring district may enter into financial 46128  
agreements with the students' resident districts, which 46129  
agreements may provide financial support in addition to the 46130  
funds received from the open enrollment calculation. The STEM 46131  
school sponsoring district shall allocate all such additional 46132  
funds to the STEM school. 46133

(5) Where the department is required to make, deny, 46134  
reduce, or adjust payments to a STEM school sponsoring district 46135  
pursuant to this section, it shall do so in such a manner that 46136  
the STEM school sponsoring district may allocate that action to 46137  
the STEM school. 46138

(6) A STEM school sponsoring district and its board may 46139

assign its district employees to the STEM school, in which case 46140  
section 3326.18 of the Revised Code shall not apply. The 46141  
district and board may apply any other resources of the district 46142  
to the STEM school in the same manner that it applies district 46143  
resources to other district schools. 46144

shall instead require such compliance by the STEM school 46148  
sponsoring district and its board of education, respectively, 46149  
with respect to the STEM school. Where a STEM school or its 46150  
governing body is required to perform a specific duty or 46151  
permitted to take a specific action under this chapter, that 46152  
duty is required to be performed or that action is permitted to 46153  
be taken by the STEM school sponsoring district or its board of 46154  
education, respectively, with respect to the STEM school. 46155

(8) No provision of this chapter limits the authority, as 46156  
provided otherwise by law, of a school district and its board of 46157  
education to levy taxes and issue bonds secured by tax revenues. 46158

(9) The treasurer of the STEM school sponsoring district 46159  
or, if the STEM school sponsoring district is a municipal school 46160  
district, the chief financial officer of the district, shall 46161  
have all of the respective rights, authority, exemptions, and 46162  
duties otherwise conferred upon the treasurer or chief financial 46163

~~state board department of education~~ learning and achievement 46173  
prescribes minimum standards pursuant to division (D) of section 46174  
3301.07 of the Revised Code and to which they are assigned by 46175

board of education shall provide transportation for such pupils 46178  
to and from that school except as provided in section 3327.02 of 46179  
the Revised Code. 46180

where pupil transportation is required under a career-technical 46182  
plan approved by the ~~state board of education~~ department under 46183  
section 3313.90 of the Revised Code, for any student attending a 46184  
career-technical program operated by another school district, 46185  
including a joint vocational school district, as prescribed 46186  
under that section, the board of education of the student's 46187  
district of residence shall provide transportation from the 46188  
public high school operated by that district to which the 46189  
student is assigned to the career-technical program. 46190

In all city, local, and exempted village school districts, 46191  
the board may provide transportation for resident school pupils 46192  
in grades nine through twelve to and from the high school to 46193  
which they are assigned by the board of education of the 46194  
district of residence or to and from the nonpublic or community 46195  
high school which they attend for which the ~~state board of~~ 46196  
~~education~~ department prescribes minimum standards pursuant to 46197  
division (D) of section 3301.07 of the Revised Code. 46198

A board of education shall not be required to transport 46199

elementary or high school pupils to and from a nonpublic or 46200  
community school where such transportation would require more 46201  
than thirty minutes of direct travel time as measured by school 46202  
bus from the public school building to which the pupils would be 46203  
assigned if attending the public school designated by the 46204  
district of residence. 46205

Where it is impractical to transport a pupil by school 46206  
conveyance, a board of education may offer payment, in lieu of 46207  
providing such transportation in accordance with section 3327.02 46208  
of the Revised Code. 46209

A board of education shall not be required to transport 46210  
elementary or high school pupils to and from a nonpublic or 46211  
community school on Saturday or Sunday, unless a board of 46212  
education and a nonpublic or community school have an agreement 46213  
in place to do so before the first day of July of the school 46214  
year in which the agreement takes effect. 46215

In all city, local, and exempted village school districts, 46216  
the board shall provide transportation for all children who are 46217  
so disabled that they are unable to walk to and from the school 46218  
for which the ~~state board of education~~ department prescribes 46219  
minimum standards pursuant to division (D) of section 3301.07 of 46220  
the Revised Code and which they attend. In case of dispute 46221  
whether the child is able to walk to and from the school, the 46222  
health commissioner shall be the judge of such ability. In all 46223  
city, exempted village, and local school districts, the board 46224  
shall provide transportation to and from school or special 46225  
education classes for mentally disabled children in accordance 46226  
with standards adopted by the ~~state board of education~~ 46227  
department. 46228

When transportation of pupils is provided the conveyance 46229

shall be run on a time schedule that shall be adopted and put in 46230  
force by the board not later than ten days after the beginning 46231  
of the school term. 46232

The cost of any transportation service authorized by this 46233  
section shall be paid first out of federal funds, if any, 46234

out of state appropriations, in accordance with regulations 46236  
adopted by the ~~state board of education~~ department. 46237

No transportation of any pupils shall be provided by any 46238  
board of education to or from any school which in the selection 46239

discrimination against any person on the grounds of race, color, 46241  
religion, or national origin. 46242

**Sec. 3327.011.** In determining how best to provide 46243  
transportation, where persons or firms on or after April 1, 46244  
1965, were providing transportation to and from schools pursuant 46245  
to contracts with persons or agencies responsible for the 46246  
operation of such schools, the board of education responsible 46247  
for transportation in accordance with section 3327.01 of the 46248  
Revised Code shall give preference if economically feasible 46249  
during the term of any such contract to the firm or person 46250

routes, schedules, and utilization of transportation equipment. 46253  
The appeals from the determination of the board of education 46254  
responsible for transportation shall be taken to the ~~state board~~ 46255  
department of education, learning and achievement. 46256

**Sec. 3327.012.** Payments to school districts for 46257  
transportation of school pupils shall be made on a current basis 46258  
according to an estimate which shall be filed with the ~~state~~ 46259

~~board department of education learning and achievement~~ by 46260  
respective school districts in accordance with rules which the 46261  
~~state board of education department~~ shall promulgate. The sum 46262  
due the respective school district as calculated from approved 46263  
cost in accordance with the rules of the ~~board of education~~ 46264  
~~department~~ shall be adjusted annually in the quarter next 46265  
following the end of the school year. The ~~superintendent of~~ 46266  
~~public instruction, subject to the approval of the state board~~ 46267  
~~of education, department~~ may contract with any firm, person, or 46268  
board of education to provide pupil transportation services 46269  
authorized by this section. In no event shall the payment for 46270  
such contract service exceed the average transportation cost per 46271  
pupil, such average cost to be based on the cost of 46272  
transportation of children by all boards of education in Ohio 46273  
during the next preceding year. 46274

**Sec. 3327.02.** (A) After considering each of the following 46275  
factors, the board of education of a city, exempted village, or 46276  
local school district, or a community school governing authority 46277  
providing transportation pursuant to section 3314.091 of the 46278  
Revised Code, may determine that it is impractical to transport 46279  
a pupil who is eligible for transportation to and from a school 46280  
under section 3327.01 of the Revised Code: 46281

(1) The time and distance required to provide the 46282  
transportation; 46283

(2) The number of pupils to be transported; 46284

(3) The cost of providing transportation in terms of 46285

other pupils eligible for transportation; 46288

(5) Whether and to what extent the additional service 46289  
unavoidably disrupts current transportation schedules; 46290

(6) Whether other reimbursable types of transportation are 46291  
available. 46292

(B) Based on its consideration of the factors established 46293  
in division (A) of this section, the board or governing 46294  
authority may pass a resolution declaring the impracticality of 46295  
transportation. The resolution shall include each pupil's name 46296  
and the reason for impracticality. 46297

The board or governing authority shall report its 46298  
determination to the ~~state board department of education~~ 46299  
learning and achievement in a manner determined by the ~~state~~ 46300  
~~board~~ department. 46301

(C) After passing the resolution declaring the 46302  
impracticality of transportation, the district board or 46303  
governing authority shall offer to provide payment in lieu of 46304  
transportation by doing the following: 46305

(1) In accordance with guidelines established by the 46306  
~~department of education~~, informing the pupil's parent, guardian, 46307  
or other person in charge of the pupil of both of the following: 46308

(b) The right of the pupil's parent, guardian, or other 46310  
person in charge of the pupil to accept the offer of payment in 46311  
lieu of transportation or to reject the offer and instead 46312  
request the department to initiate mediation procedures. 46313

(2) Issuing the pupil's parent, guardian, or other person 46314

payment in lieu of transportation. 46318

(D) If the parent, guardian, or other person in charge of 46319  
the pupil accepts the offer of payment in lieu of providing 46320  
transportation, the board or governing authority shall pay the 46321  
parent, guardian, or other person in charge of the pupil an 46322  
amount that shall be not less than the amount determined by the 46323

(E) (1) (a) Upon the request of a parent, guardian, or other 46330  
person in charge of the pupil who rejected the payment in lieu 46331  
of transportation, the department shall conduct mediation 46332

(b) If the mediation does not resolve the dispute, the 46334  
matter shall be referred to the state board of education, and 46335  
the state board shall conduct a hearing in accordance with 46336

(2) The school district or governing authority shall 46343  
provide transportation for the pupil from the time the parent, 46344  
guardian, or other person in charge of the pupil requests 46345

or (b) of this section. 46347

(F) (1) If the department determines that a school district 46348  
board or governing authority has failed or is failing to provide 46349

~~state board of education department~~ for the previous year. The 46356  
school district board or governing authority shall make payments 46357  
on a schedule ordered by the department. 46358

(2) If the department subsequently finds that a school 46359  
district board is not in compliance with an order issued under 46360  
division (F) (1) of this section and the affected pupils are 46361  
enrolled in a nonpublic or community school, the department 46362  
shall deduct the amount that the board is required to pay under 46363  
that order from any pupil transportation payments the department 46364  
makes to the school district board under section 3317.0212 of 46365  
the Revised Code or other provisions of law. The department 46366  
shall use the moneys so deducted to make payments to the 46367  
nonpublic or community school attended by the pupil. The 46368  
department shall continue to make the deductions and payments 46369  
required under this division until the school district board 46370  
either complies with the department's order issued under 46371  
division (F) (1) of this section or begins providing 46372  
transportation. 46373

**Sec. 3327.05.** (A) Except as provided in division (B) of this section, no board of education of any school district shall provide transportation for any pupil who is a school resident of another school district unless the pupil is enrolled pursuant to section 3313.98 of the Revised Code or the board of the other district has given its written consent thereto. If the board of any school district files with the ~~state board~~ department of education-learning and achievement a written complaint that transportation for resident pupils is being provided by the board of another school district contrary to this division, the ~~state board of education~~ department shall make an investigation of such complaint. If the board agrees to transport the pupil, the board may transport the pupil to and from the nonpublic school and a collection point in the district, as determined by the board. If the board transports the pupil, the board may include the pupil in the district's enrollment reported to the department of ~~education~~ learning and achievement for purposes of calculating the district's transportation ADM under section 3317.03 of the Revised Code and, accordingly, may receive a state payment under section 3317.0212 of the Revised Code or other provisions of law for transporting the pupil.

all eligible students, the ~~chancellor department~~ shall do one of 49139  
the following: 49140

(a) Give preference in the payment of grants based upon 49141

family contribution category and proceeding upward by category 49143  
to the highest expected family contribution category; 49144

(b) Proportionately reduce the amount of each grant to be 49145  
awarded for the academic year under this section; 49146

(c) Use an alternate formula for such grants that 49147  
addresses the shortage of available funds and has been submitted 49148  
to and approved by the controlling board. 49149

(2) The needs-based financial aid grant shall be paid to 49150  
the eligible student through the institution in which the 49151

prescribed by the ~~chancellor department~~, and such applications 49155  
may be made in conjunction with and upon the basis of 49156  
information provided in conjunction with student assistance 49157  
programs funded by agencies of the United States government or 49158

the requirements set forth in division (B) of this section. 49161

shall be based on the number of credit hours for which the 49170  
student is enrolled and shall be computed in accordance with a 49171  
formula adopted by rule issued by the ~~chancellor~~ department. No 49172  
student shall receive more than one grant on the basis of less 49173  
than full-time enrollment. 49174

(D)(1) Except as provided in divisions (D)(4) and (5) of 49175  
this section, no grant awarded under this section shall exceed 49176  
the total state cost of attendance. 49177

(2) Subject to divisions (D)(1), (3), (4), and (5) of this 49178  
section, the amount of a grant awarded to a student under this 49179  
section shall equal the student's remaining state cost of 49180  
attendance after the student's Pell grant and expected family 49181  
contribution are applied to the instructional and general 49182  
charges for the undergraduate or comprehensive transition and 49183  
postsecondary program. However, for students enrolled in a state 49184  
university or college as defined in section 3345.12 of the 49185  
Revised Code or a university branch, the ~~chancellor~~ department 49186

remaining instructional and general charges for the 49188  
undergraduate program after the student's Pell grant and 49189

expected family contribution have been applied to those charges, 49190  
but, in no case, shall the grant amount for such a student 49191  
exceed any maximum that the ~~chancellor~~department may set by 49192

addition to the portion of the academic year covered by a grant 49195  
under this section, the maximum grant amount shall be a 49196  
percentage of the maximum specified in any table established in 49197  
rules adopted by the ~~chancellor~~department as provided in 49198  
division (A) of this section. The maximum grant for a fourth 49199  
quarter shall be one-third of the maximum amount so prescribed. 49200  
The maximum grant for a third semester shall be one-half of the 49201  
maximum amount so prescribed. 49202

(4) If a student is enrolled in a two-year institution of 49203  
higher education and is eligible for an education and training 49204  
voucher through the Ohio education and training voucher program 49205  
that receives federal funding under the John H. Chafee foster 49206  
care independence program, 42 U.S.C. 677, the amount of a grant 49207  
awarded under this section may exceed the total state cost of 49208  
attendance to additionally cover housing costs. 49209

(5) For a student who is receiving federal veterans' 49210  
benefits under the "All-Volunteer Force Educational Assistance 49211  
Program," 38 U.S.C. 3001 et seq., or "Post-9/11 Veterans 49212  
Educational Assistance Program," 38 U.S.C. 3301 et seq., or any 49213  
successor program, the amount of a grant awarded under this 49214  
section shall be applied toward the total state cost of 49215  
attendance and the student's housing costs and living expenses. 49216  
Living expenses shall include reasonable costs for room and 49217  
board. 49218

(E) No grant shall be made to any student in a course of 49219

study in theology, religion, or other field of preparation for a 49220  
religious profession unless such course of study leads to an 49221  
accredited bachelor of arts, bachelor of science, associate of 49222  
arts, or associate of science degree. 49223

(F) (1) Except as provided in division (F) (2) of this 49224  
section, no grant shall be made to any student for enrollment 49225  
during a fiscal year in an institution with a cohort default 49226  
rate determined by the United States secretary of education 49227  
pursuant to the "Higher Education Amendments of 1986," 100 Stat. 49228  
1278, 1408, 20 U.S.C.A. 1085, as amended, as of the fifteenth 49229  
day of June preceding the fiscal year, equal to or greater than 49230  
thirty per cent for each of the preceding two fiscal years. 49231

(2) Division (F) (1) of this section does not apply in the 49232  
case of either of the following: 49233

(a) The institution pursuant to federal law appeals its 49234  
loss of eligibility for federal financial aid and the United 49235  
States secretary of education determines its cohort default rate 49236  
after recalculation is lower than the rate specified in division 49237  
(F) (1) of this section or the secretary determines due to 49238  
mitigating circumstances that the institution may continue to 49239  
participate in federal financial aid programs. The ~~chancellor-~~ 49240  
department shall adopt rules requiring any such appellant to 49241  
provide information to the ~~chancellor-~~department regarding an 49242  
appeal. 49243

(b) Any student who has previously received a grant 49244  
pursuant to any provision of this section, including prior to 49245  
the section's amendment by H.B. 1 of the 128th general assembly, 49246  
effective July 17, 2009, and who meets all other eligibility 49247  
requirements of this section. 49248

(3) The ~~chancellor-department~~ shall adopt rules for the notification of all institutions whose students will be ineligible to participate in the grant program pursuant to division (F) (1) of this section.

(4) A student's attendance at any institution whose students are ineligible for grants due to division (F) (1) of this section shall not affect that student's eligibility to receive a grant when enrolled in another institution.

(G) Institutions of higher education that enroll students receiving needs-based financial aid grants under this section shall report to the ~~chancellor-department~~ all students who have received such needs-based financial aid grants but are no longer eligible for all or part of those grants and shall refund any moneys due the state within thirty days after the beginning of the quarter or term immediately following the quarter or term in which the student was no longer eligible to receive all or part of the student's grant. There shall be an interest charge of one per cent per month on all moneys due and payable after such thirty-day period. The ~~chancellor-department~~ shall immediately notify the office of budget and management and the legislative service commission of all refunds so received.

preferential or priority funding to low-income students who in 49279  
their primary and secondary school work participate in or 49280  
complete rigorous academic coursework, attain passing scores on 49281  
the assessments prescribed in section 3301.0710 or 3301.0712 of 49282  
the Revised Code, or meet other high academic performance 49283  
standards determined by the ~~chancellor~~department to reduce the 49284  
need for remediation and ensure academic success at the 49285  
postsecondary education level. Any such rules shall include a 49286  
specification of procedures needed to certify student 49287  
achievement of primary and secondary standards as well as the 49288

section. 49290

**Sec. 3333.124.** There is hereby created in the state 49291

management the unencumbered balance of the general revenue fund 49296  
appropriations made in the immediately preceding fiscal year for 49297  
purposes of the Ohio college opportunity grant program created 49298  
in section 3333.122 of the Revised Code. Upon receipt of the 49299  
certification, the director of budget and management may 49300  
transfer an amount not exceeding the certified amount from the 49301

The director of budget and management may transfer any 49307  
unencumbered balance from the Ohio college opportunity grant 49308

program reserve fund to the general revenue fund. 49309

If it is determined that general revenue fund 49310  
appropriations are insufficient to meet the obligations of the 49311  
Ohio college opportunity grant program in a fiscal year, the 49312  
director of budget and management may transfer funds from the 49313  
Ohio college opportunity grant program reserve fund to the 49314  
general revenue fund in order to meet those obligations. The 49315  
amount transferred is hereby appropriated. If the funds 49316  
transferred from the Ohio college opportunity grant program 49317  
reserve fund are not needed, the director of budget and 49318  
management may transfer the unexpended balance from the general 49319  
revenue fund back to the Ohio college opportunity grant program 49320  
reserve fund. 49321

**Sec. 3333.14.** Effective July 1, 1971, all public post high 49322

above such institutions shall adopt a plan of transition 49329  
governing each public post high school technical education 49330  
program not specifically identified or included in this section 49331  
which is located in the geographic region of such institution as 49332  
defined by the ~~chancellor~~ department. The plan of transition 49333  
shall provide for the dissolution of such technical education 49334  
programs either by transfer of a program's lands, buildings, and 49335  
equipment to one of the above such institutions or by complete 49336  
termination of the technical education program. 49337

**Sec. 3333.15.** If the board of trustees of a state 49338

university fails to undertake appropriate action to establish a 49339  
university branch campus within one year from the enactment of a 49340  
capital improvement appropriation for the development of such 49341  
university branch facility, the ~~chancellor of higher education-~~ 49342  
department of learning and achievement may act as the ~~chancellor-~~ 49343  
department deems necessary in place of the board of trustees, 49344  
including securing the release of construction planning and 49345

and staff of such university shall perform all necessary 49349  
functions incident to the planning and construction of such 49350

modifications, as needed, to strengthen course content so as to 49367  
ensure equivalency for that course at any state institution of 49368

higher education. 49369

(2) Develop and implement a universal course equivalency 49370

admission to specific programs on the same basis as students 49384  
native to the institution, and shall have priority over out-of- 49385

program in an equivalent field at any other state institution of 49414  
higher education without unnecessary duplication or 49415  
institutional barriers. The policies and procedures shall ensure 49416  
that each transferred associate degree applies to the student's 49417  
degree objective in the same manner as equivalent coursework 49418  
completed by the student at the receiving institution. 49419

When updating and implementing the policies and procedures 49420  
pursuant to this division, the ~~chancellor~~department shall seek 49421

obligations issued by a community or technical college district 51047

request to increase the amount charged to a cohort by a 53035  
specified percentage to the ~~chancellor~~ department, who shall 53036  
approve or disapprove such a request. 53037

~~chancellor department~~ shall publish on the ~~chancellor's~~

Notwithstanding division (A) of this section, the limit adjusted 54431  
under this division shall be used thereafter in lieu of the 54432  
limit in division (A) of this section. 54433

(C) Before entering into an improvement pursuant to 54434

to be made for furnishing materials or doing work on the 54440  
improvement, or both, in the board's discretion, for each 54441

separate and distinct branch or class of work entering into the 54446  
improvement. 54447

(D) When more than one branch or class of work is 54448  
required, no contract for the entire job, or for a greater 54449  
portion thereof than is embraced in one such branch or class of 54450  
work shall be awarded, unless the separate bids do not cover all 54451

separate bids in the aggregate. 54454

**Sec. 3354.24.** (A) The provisions of this section prevail 54471  
over conflicting provisions of this chapter; however, except as 54472  
otherwise provided in this section, the eastern gateway 54473  
community college district and its board of trustees shall 54474  
comply with the provisions of this chapter. 54475

(B) The territory of Columbiana, Mahoning, and Trumbull 54476  
counties is hereby added to the territory of the community 54477  
college district of Jefferson county, creating a new community 54478  
college district to replace the former community college 54479  
district of Jefferson county. The district created under this 54480  
section shall be known as and operate under the name of "eastern 54481  
gateway community college district," and its charter shall be 54482  
amended to this name. The Jefferson county campus is hereby part 54483  
of the eastern gateway community college district and shall 54484  
remain in operation unless otherwise specified by the board of 54485  
trustees of the community college. 54486

The eastern gateway community college district is divided 54487  
into two taxing subdistricts, one consisting of the territory of 54488  
Jefferson county, and the other consisting of the territories of 54489  
Columbiana, Mahoning, and Trumbull counties. 54490

(C) ~~On the effective date of this section as enacted by~~ 54491  
~~H.B. 1 of the 128th general assembly October 16, 2009,~~ the 54492  
government of the eastern gateway community college district 54493  
shall be vested in a board of eleven trustees to be appointed by 54494  
the governor, with the advice and consent of the senate. The 54495  
board of trustees of the former community college district of 54496  
Jefferson county is abolished on that date. 54497

The governor shall appoint the members of the board of 54498  
trustees of the eastern gateway community college district as 54499  
successors to the board of trustees of Jefferson community 54500  
college as follows: Three members of the board of trustees shall 54501  
be residents of Jefferson county. (The initial Jefferson county 54502  
members shall be members of the board of trustees of the former 54503  
community college district of Jefferson county, as it existed 54504  
~~before the effective date of this section October 16, 2009.~~) 54505  
Eight members of the board of trustees shall be residents of 54506  
Columbiana, Mahoning, and Trumbull counties. 54507

The initial board of trustees shall be appointed within 54508  
ninety days after ~~the effective date of this section~~ October 16, 54509  
2009, for terms as follows: Of the trustees who are residents of 54510  
Jefferson county, one trustee shall be appointed for a one-year 54511  
term, one trustee shall be appointed for a three-year term, and 54512  
one trustee shall be appointed for a five-year term. Of the 54513  
trustees who are residents of Columbiana, Mahoning, and Trumbull 54514  
counties, one trustee shall be appointed for a one-year term, 54515  
two trustees shall be appointed for two-year terms, two trustees 54516  
shall be appointed for three-year terms, two trustees shall be 54517  
appointed for four-year terms, and one trustee shall be 54518  
appointed for a five-year term. 54519

At the conclusion of each initial term, the term of office 54520

of each trustee shall be five years, each term ending on the 54521  
same day of the same month of the year as did the term that it 54522  
succeeds. 54523

Each trustee shall hold office from the date of the 54524  
trustee's appointment until the end of the term for which the 54525  
trustee was appointed. Any trustee appointed to fill a vacancy 54526  
occurring before the expiration of the term for which the 54527  
trustee's predecessor was appointed shall hold office for the 54528  
remainder of that term. Any trustee shall continue in office 54529  
subsequent to the expiration date of the trustee's term until 54530  
the trustee's successor takes office, or until a period of sixty 54531  
days has elapsed, whichever occurs first. 54532

If a vacancy occurs and the Jefferson county tax levy is 54533  
no longer in place or a conversion under division (H) of this 54534  
section has occurred, the governor shall fill the vacancy with a 54535  
person residing within the eastern gateway community college 54536  
district. 54537

(D) The board of trustees of the eastern gateway community 54538  
college district shall continue to comply with division (G) of 54539  
section 3354.09 of the Revised Code regarding tuition for 54540  
students who are residents of Ohio but not residents of the 54541  
district, and for students who are nonresidents of Ohio. The 54542  
tuition rate shall be based on the student's county of residence 54543  
and shall apply to all eastern gateway community college 54544  
district classes in all district locations. Except as provided 54545  
in division (F) (3) of this section, students who are residents 54546  
of Columbiana, Mahoning, or Trumbull county shall continue to be 54547  
charged tuition at the same rate as Ohio residents who are not 54548  
residents of the district. 54549

(E) (1) Except as provided in divisions (E) (2) and (3) of 54550

this section, each member of the board of trustees shall have 54551  
full voting rights on all matters that come before the board. 54552

(2) The three trustees representing Jefferson county shall 54553  
have sole authority to vote on the following matters: 54554

(a) The Jefferson county tax levy; 54555

(b) The expenditure of revenue from that tax levy; 54556

(c) Levy-subsidized tuition rates. 54557

(3) The voting restrictions under division (E) (2) of this 54558  
section apply until the electors of the Columbiana, Mahoning, 54559  
and Trumbull county taxing subdistrict approve a tax levy under 54560  
division (F) (3) of this section that is equivalent to the tax 54561  
levy approved by the electors of Jefferson county for the 54562  
support of the former community college district of Jefferson 54563  
county ~~on the effective date of this section~~ October 16, 2009. 54564  
For the purposes of this division, the tax levy is an equivalent 54565  
tax levy if either: 54566

(a) In the first tax year for which the tax is collected, 54567  
it yields revenue per capita equal to or greater than the yield 54568  
per capita of levies of the community college district in effect 54569  
that year in Jefferson county, as jointly determined by the 54570  
county auditors of Jefferson, Columbiana, Mahoning, and Trumbull 54571  
counties; or 54572

(b) In the first tax year for which the tax is collected, 54573  
the effective tax rate of the tax is equal to or greater than 54574  
the effective tax rate of levies of the community college 54575  
district in effect that tax year in Jefferson county, as jointly 54576  
determined by the county auditors of Jefferson, Columbiana, 54577  
Mahoning, and Trumbull counties. 54578

As used in this division, "effective tax rate" means the quotient obtained by dividing the total taxes charged and payable for a taxing subdistrict for a tax year after the reduction prescribed by section 319.301 of the Revised Code but before the reduction prescribed by section 319.302 or 323.152 of the Revised Code, by the taxable value for the taxing subdistrict for that tax year.

(F) (1) For each taxing subdistrict of the eastern gateway community college district, the board of trustees may propose to levy a tax in accordance with the procedures prescribed in section 3354.12 of the Revised Code, except the following terms used in that section shall have the meanings given them in this section:

(a) "District" and "community college district" mean the appropriate taxing subdistrict defined in this section;

(b) "Board of trustees of the community college district" means the board of trustees for the entire eastern gateway community college district. That board of trustees may propose separate levies for either of the two taxing subdistricts.

(c) "Tax duplicate" means the tax duplicate of only the appropriate taxing subdistrict and not the tax duplicate of the entire eastern gateway community college district.

(2) The board of trustees may propose to levy a tax on taxable property in Jefferson county to be voted on by the electors of Jefferson county as provided in division (F) (1) of this section. An affirmative vote by a majority of the electors of the subdistrict voting on the question is necessary for passage. Any money raised by a tax levied by the former community college district of Jefferson county or a subsequent

tax levied in Jefferson county in accordance with division (F) 54608  
(1) of this section shall be used solely for the benefit of 54609  
Jefferson county residents attending the eastern gateway 54610  
community college in the form of student tuition subsidies, 54611  
student scholarships, and instructional facilities, equipment, 54612  
and support services located within Jefferson county, or for any 54613  
purpose approved by the electors. Such amounts shall be 54614  
deposited into a separate fund of the taxing subdistrict, and 54615  
shall be budgeted separately. 54616

(3) The board of trustees may propose to levy a tax on 54617  
taxable property in Columbiana, Mahoning, and Trumbull counties 54618  
to be voted on by the electors of the counties as provided in 54619  
division (F)(1) of this section. An affirmative vote by a 54620  
majority of the electors of the subdistrict voting on the 54621  
question is necessary for passage. Any amounts raised by such a 54622  
tax in the tax subdistrict shall be used solely for the benefit 54623  
of residents of the subdistrict attending the eastern gateway 54624  
community college in the form of student tuition subsidies, 54625  
student scholarships, and instructional facilities, equipment, 54626  
and support services located within Columbiana, Mahoning, and 54627  
Trumbull counties, or for any purpose approved by the electors. 54628  
Amounts collected shall be deposited into a separate fund from 54629  
all other revenues collected by each taxing subdistrict. 54630

The board of trustees may adjust the rate of tuition 54631  
charged to each taxing subdistrict's residents to an amount 54632  
commensurate with the amount of tax the board of trustees 54633  
dedicates for instructional and general services provided to the 54634  
residents of the subdistrict. 54635

(G) The board of trustees of the eastern gateway community 54636  
college district may issue bonds in accordance with section 54637

3354.11 of the Revised Code, but the board may limit the 54638  
question of approval of the issue of those bonds to the electors 54639  
of only one of the two taxing subdistricts, in which case the 54640  
board also may limit the use of the property or improvements to 54641  
the residents of that subdistrict. 54642

(H) If the tax levy in Jefferson county expires, is not 54643  
renewed, or is not approved by the electors of Jefferson county 54644  
and the other taxing subdistrict does not levy a tax for the 54645  
purposes of this section, the board of trustees of the eastern 54646  
gateway community college district shall submit a proposal to 54647  
the ~~chancellor department of the board of regents learning and~~ 54648  
~~achievement~~ to convert to a state community college and, upon 54649  
the ~~chancellor's department's~~ approval of the proposal, enter 54650  
into a transition agreement with the ~~chancellor department~~ 54651  
following the procedures set forth in section 3358.05 of the 54652  
Revised Code for a technical college district. 54653

**Sec. 3355.091.** (A) A university branch district may 54654  
acquire, by purchase, lease, lease-purchase, lease with option 54655  
to purchase, or otherwise, construct, equip, furnish, 54656  
reconstruct, alter, enlarge, remodel, renovate, rehabilitate, 54657  
improve, maintain, repair, and operate, and lease to or from 54658  
others, auxiliary facilities or education facilities, except 54659  
housing and dining facilities, and may pay for the facilities 54660  
out of available receipts of such district. To pay all or part 54661  
of the costs of auxiliary facilities or education facilities, 54662  
except housing and dining facilities, and any combination of 54663  
them, and to refund obligations previously issued for such 54664  
purpose, each university branch district may issue obligations 54665  
in the manner provided by and subject to the applicable 54666  
provisions of section 3345.12 of the Revised Code. 54667

(B) Except as otherwise provided in this section, the 54668  
definitions set forth in section 3345.12 of the Revised Code 54669  
apply to this section. 54670

(C) Fee variations provided for in division (A) of section 54671  
3355.06 of the Revised Code need not be applied to fees pledged 54672  
to secure obligations. 54673

(D) The obligations authorized by this section are not 54674  
bonded indebtedness of the university branch district, shall not 54675  
constitute general obligations or the pledge of the full faith 54676  
and credit of such district, and the holders or owners thereof 54677  
shall have no right to require the board to levy or collect any 54678  
taxes for the payment of bond service charges, but they shall 54679  
have the right to payment thereof solely from the available 54680  
receipts and funds pledged for such payment as authorized by 54681  
section 3345.12 of the Revised Code and this section. 54682

The bond proceedings may provide the method whereby the 54683  
general administrative overhead expense of the district shall be 54684  
allocated among the several operations and facilities of the 54685  
district for purposes of determining any operating and 54686  
maintenance expenses payable from the pledged available receipts 54687  
prior to the provision for payment of bond service charges, and 54688  
for other purposes of the bond proceedings. 54689

(E) A resolution of the board of trustees or other 54690  
managing authority of a university branch district providing for 54691  
borrowing money and issuing obligations shall be submitted to 54692  
the ~~Ohio board of regents~~ department of learning and achievement 54693  
prior to the borrowing of any money or issuance of any 54694  
obligations, and the ~~board's~~ department's endorsement of 54695  
approval on such resolution is necessary to the validity of any 54696  
obligations issued by the district pursuant to this section and 54697

section 3345.12 of the Revised Code. 54698

(F) The powers granted in this section are in addition to 54699  
any other powers at any time granted by the Constitution and 54700  
laws of the state, and not in derogation thereof or restrictions 54701  
thereon. 54702

**Sec. 3355.12.** (A) When the managing authority of the 54703  
university branch district has determined to let by contract the 54704  
work of improvements, contracts in amounts exceeding a dollar 54705  
amount set by the managing authority, which dollar amount shall 54706  
not exceed fifty thousand dollars, shall be advertised after 54707  
notices calling for bids have been published once a week for 54708  
three consecutive weeks, in at least one newspaper of general 54709  
circulation within the university branch district wherein the 54710  
work is to be done. Such managing authority may let such 54711  
contract to the lowest responsive and responsible bidder, in 54712

under this division shall be used thereafter in lieu of the 54736  
limit in division (A) of this section. 54737

(C) Before entering into an improvement pursuant to 54738  
division (A) of this section, the managing authority of the 54739

the estimate cost for that branch or class of work is less than 54750  
five thousand dollars. 54751

(D) When more than one branch or class of work is 54752  
required, no contract for the entire job, or for a greater 54753  
portion thereof than is embraced in one such branch or class of 54754  
work shall be awarded, unless the separate bids do not cover all 54755  
the work and materials required or the bids for the whole or for 54756  
two or more kinds of work or materials are lower than the 54757  
separate bids in the aggregate. The managing authority need not 54758

award separate contracts for a branch or class of work entering 54759  
into an improvement if the estimated cost for that branch or 54760

The board of education of any city or exempted village 54901  
school district that has territory in or that is contiguous to a 54902  
technical college district may by resolution adopted by a 54903  
majority of the members of the board request the inclusion of 54904  
all of the school district's territory in the technical college 54905  
district. The governing board of an educational service center 54906

territory in a technical college district may, by resolution 54909  
adopted by a majority of the members of the board, request the 54910  
inclusion of all of the county's territory in the technical 54911  
college district. A copy of the resolution shall be certified to 54912

by a majority of the members of the board propose the expansion 54916  
of the technical college district to include all of the 54917  
territory described in the resolution, and certify a copy of the 54918  
resolution to the ~~Ohio board of regents~~ department of learning 54919

If a college district board of trustees has received more than 54922  
one resolution requesting inclusion in the district, the board's 54923  
resolution may propose the expansion to include the territory of 54924  
more than one school district or one county, provided that all 54925  
such territory is contiguous either to the college district or 54926  
to territory described in the board's resolution. 54927

The expansion of a technical college district under this 54928  
section does not affect the terms of district trustees serving 54929  
on the date of such expansion. If expansion of the technical 54930  
college district requires the appointment of two additional 54931  
trustees pursuant to section 3357.05 of the Revised Code, the 54932  
additional trustees shall meet the requirements set forth in 54933  
such section and shall be appointed within ninety days of the 54934  
effective date of the expansion. One such trustee shall be 54935  
appointed by the governor with the advice and consent of the 54936  
senate for a term ending the same day of the same month of the 54937  
year as the terms of other trustees appointed by the governor 54938

end, in the first year during which the term of no other trustee 54939  
appointed by the governor ends. One trustee shall be initially 54940  
appointed by the presidents or their representatives of the city 54941  
and exempted village school district boards of education and the 54942  
educational service center governing boards whose territories 54943  
are embraced by the expanded technical college district. Prior 54944

education of the city school district having the largest pupil 54946  
enrollment shall call a caucus of the presidents of the 54947  
foregoing boards at a time and place designated by such 54948  
president. At such caucus the board presidents or their 54949  
representatives shall select the trustee by majority vote of 54950  
those attending. This appointment shall be for a term ending the 54951  
same day of the same month of the year as the terms of trustees 54952  
not appointed by the governor in the first year during which the 54953  
term of only one such trustee ends. Thereafter, all appointments 54954  
of trustees shall be made in the manner set forth in section 54955  
3357.05 of the Revised Code. 54956

**Sec. 3357.03.** Within thirty days after approval by the 54957  
~~Ohio board of regents~~ department of learning and achievement of 54958

3357.02 of the Revised Code, such board shall file with the 54960  
secretary of state a copy of its certification or resolution 54961  
creating the district. Such copy shall be filed and recorded in 54962

college; a proposed schedule for acquisition of such lands or 54972  
improvements, for construction or improvements, and for 54973  
operation of the college; estimates of cost of lands and 54974  
improvements; proposed organization and program of such college, 54975  
consistent with the proposed lands and improvements; and a 54976  
proposed budget for the first two years of operation of such 54977  
college. 54978

In preparing such official plan, the board of trustees of 54979  
a technical college district may retain consultants in the 54980  
fields of education, architecture, law, engineering, or other 54981  
fields of professional skill which may be needed in the 54982  
preparation of plans for a technical college. 54983

Upon completion of the official plan, the board of 54984  
trustees of the technical college district shall file a copy 54985  
thereof with the ~~Ohio board of regents~~ department of learning 54986  
and achievement which may approve or disapprove any provisions 54987  
thereof and with the board or boards of education of school 54988  
districts whose territories are included in the technical 54989  
college district. If the ~~Ohio board of regents~~ department 54990  
disapproves the official plan or any provisions thereof, the 54991  
board of trustees of the technical college district may prepare 54992  
a new plan or may present amended provisions of the plan. If the 54993  
~~Ohio board of regents~~ department approves the official plan, it 54994  
shall certify a copy of its action to the board of trustees of 54995  
the technical college district and issue a charter creating the 54996  
technical college to be known by the name set forth in the 54997  
official plan. The official plan shall be appended to and shall 54998  
become a part of such charter, and such charter shall not 54999  
thereafter be changed except by charter amendment with the 55000

approval of the ~~Ohio board of regents~~ department. A proposal for 55001  
a charter amendment shall be filed with the ~~Ohio board of~~ 55002

or the board of township trustees of each township is 58381  
responsible for negotiations in the collective bargaining 58382  
process; except that the legislative body may accept or reject a 58383  
proposed collective bargaining agreement. When the matters about 58384

the employee organization and the legislative body, the 58386  
agreement is binding upon the legislative body, the employer, 58387  
and the employee organization and employees covered by the 58388  
agreement. 58389

or trustees where authorized by the officials or trustees. The 58405  
staff of the office of collective bargaining are in the 58406  
unclassified service. The director of administrative services 58407

(A) "Beginning driver" means any person being trained to 59947  
drive a particular motor vehicle who has not been previously 59948  
licensed to drive that motor vehicle by any state or country. 59949

(B) "Disabled person" means a person who, in the opinion 59950  
of the registrar of motor vehicles, is afflicted with or 59951  
suffering from a physical or mental disability or disease that 59952  
prevents the person, in the absence of special training or 59953  
equipment, from exercising reasonable and ordinary control over 59954  
a motor vehicle while operating the vehicle upon the highways. 59955  
"Disabled person" does not mean any person who is or has been 59956  
subject to any condition resulting in episodic impairment of 59957  
consciousness or loss of muscular control and whose condition, 59958  
in the opinion of the registrar, is dormant or is sufficiently 59959  
under medical control that the person is capable of exercising 59960  
reasonable and ordinary control over a motor vehicle. 59961

(C) "Driver training school" or "school" means any of the 59962  
following: 59963

(1) A private business enterprise conducted by an individual, association, partnership, or corporation for the education and training of persons to operate or drive motor vehicles, that does any of the following:	59964 59965 59966 59967

(D) "Instructor" means any person, whether acting for self as operator of a driver training school or for such a school for compensation, who teaches, conducts classes of, gives demonstrations to, or supervises practice of, persons learning to operate or drive motor vehicles.	59986 59987 59988 59989 59990
(E) "Lead school district" means a school district, including a joint vocational school district, designated by the	59991 59992

for providing primary vocational education leadership within a 59995  
vocational education planning district that is composed of a 59996  
group of districts. A "vocational education planning district" 59997  
is a school district or group of school districts designated by 59998  
the department as responsible for planning and providing 59999

group of districts. 60001

**Sec. 4511.21.** (A) No person shall operate a motor vehicle, 60002  
trackless trolley, or streetcar at a speed greater or less than 60003  
is reasonable or proper, having due regard to the traffic, 60004  
surface, and width of the street or highway and any other 60005  
conditions, and no person shall drive any motor vehicle, 60006  
trackless trolley, or streetcar in and upon any street or 60007  
highway at a greater speed than will permit the person to bring 60008  
it to a stop within the assured clear distance ahead. 60009

(B) It is prima-facie lawful, in the absence of a lower 60010  
limit declared or established pursuant to this section by the 60011  
director of transportation or local authorities, for the 60012  
operator of a motor vehicle, trackless trolley, or streetcar to 60013  
operate the same at a speed not exceeding the following: 60014

(1) (a) Twenty miles per hour in school zones during school 60015  
recess and while children are going to or leaving school during 60016  
the opening or closing hours, and when twenty miles per hour 60017  
school speed limit signs are erected; except that, on 60018  
controlled-access highways and expressways, if the right-of-way 60019  
line fence has been erected without pedestrian opening, the 60020  
speed shall be governed by division (B) (4) of this section and 60021  
on freeways, if the right-of-way line fence has been erected 60022

without pedestrian opening, the speed shall be governed by 60023  
divisions (B) (10) and (11) of this section. The end of every 60024  
school zone may be marked by a sign indicating the end of the 60025  
zone. Nothing in this section or in the manual and 60026  
specifications for a uniform system of traffic control devices 60027  
shall be construed to require school zones to be indicated by 60028  
signs equipped with flashing or other lights, or giving other 60029  
special notice of the hours in which the school zone speed limit 60030  
is in effect. 60031

(b) As used in this section and in section 4511.212 of the 60032  
Revised Code, "school" means any school chartered under section 60033  
3301.16 of the Revised Code and any nonchartered school that 60034  
during the preceding year filed with the department of ~~education~~ 60035  
learning and achievement in compliance with rule 3301-35-08 of 60036  
the Ohio Administrative Code, a copy of the school's report for 60037  
the parents of the school's pupils certifying that the school 60038  
meets Ohio minimum standards for nonchartered, nontax-supported 60039  
schools and presents evidence of this filing to the jurisdiction 60040  
from which it is requesting the establishment of a school zone. 60041  
"School" also includes a special elementary school that in 60042  
writing requests the county engineer of the county in which the 60043  
special elementary school is located to create a school zone at 60044  
the location of that school. Upon receipt of such a written 60045  
request, the county engineer shall create a school zone at that 60046  
location by erecting the appropriate signs. 60047

(c) As used in this section, "school zone" means that 60048  
portion of a street or highway passing a school fronting upon 60049  
the street or highway that is encompassed by projecting the 60050  
school property lines to the fronting street or highway, and 60051  
also includes that portion of a state highway. Upon request from 60052  
local authorities for streets and highways under their 60053

jurisdiction and that portion of a state highway under the 60054  
jurisdiction of the director of transportation or a request from 60055  
a county engineer in the case of a school zone for a special 60056  
elementary school, the director may extend the traditional 60057  
school zone boundaries. The distances in divisions (B) (1) (c) (i), 60058  
(ii), and (iii) of this section shall not exceed three hundred 60059  
feet per approach per direction and are bounded by whichever of 60060  
the following distances or combinations thereof the director 60061  
approves as most appropriate: 60062

(i) The distance encompassed by projecting the school 60063  
building lines normal to the fronting highway and extending a 60064  
distance of three hundred feet on each approach direction; 60065

(ii) The distance encompassed by projecting the school 60066  
property lines intersecting the fronting highway and extending a 60067  
distance of three hundred feet on each approach direction; 60068

(iii) The distance encompassed by the special marking of 60069  
the pavement for a principal school pupil crosswalk plus a 60070  
distance of three hundred feet on each approach direction of the 60071  
highway. 60072

Nothing in this section shall be construed to invalidate 60073  
the director's initial action on August 9, 1976, establishing 60074  
all school zones at the traditional school zone boundaries 60075  
defined by projecting school property lines, except when those 60076  
boundaries are extended as provided in divisions (B) (1) (a) and 60077  
(c) of this section. 60078

(d) As used in this division, "crosswalk" has the meaning 60079  
given that term in division (LL) (2) of section 4511.01 of the 60080  
Revised Code. 60081

The director may, upon request by resolution of the 60082

legislative authority of a municipal corporation, the board of 60083  
trustees of a township, or a county board of developmental 60084  
disabilities created pursuant to Chapter 5126. of the Revised 60085  
Code, and upon submission by the municipal corporation, 60086  
township, or county board of such engineering, traffic, and 60087  
other information as the director considers necessary, designate 60088  
a school zone on any portion of a state route lying within the 60089  
municipal corporation, lying within the unincorporated territory 60090  
of the township, or lying adjacent to the property of a school 60091  
that is operated by such county board, that includes a crosswalk 60092  
customarily used by children going to or leaving a school during 60093  
recess and opening and closing hours, whenever the distance, as 60094  
measured in a straight line, from the school property line 60095  
nearest the crosswalk to the nearest point of the crosswalk is 60096  
no more than one thousand three hundred twenty feet. Such a 60097  
school zone shall include the distance encompassed by the 60098  
crosswalk and extending three hundred feet on each approach 60099  
direction of the state route. 60100

(e) As used in this section, "special elementary school" 60101  
means a school that meets all of the following criteria: 60102

(i) It is not chartered and does not receive tax revenue 60103  
from any source. 60104

(ii) It does not educate children beyond the eighth grade. 60105

(iii) It is located outside the limits of a municipal 60106  
corporation. 60107

(iv) A majority of the total number of students enrolled 60108  
at the school are not related by blood. 60109

(v) The principal or other person in charge of the special 60110  
elementary school annually sends a report to the superintendent 60111

of the school district in which the special elementary school is 60112  
located indicating the total number of students enrolled at the 60113  
school, but otherwise the principal or other person in charge 60114  
does not report any other information or data to the 60115  
superintendent. 60116

(2) Twenty-five miles per hour in all other portions of a 60117  
municipal corporation, except on state routes outside business 60118  
districts, through highways outside business districts, and 60119  
alleys; 60120

(3) Thirty-five miles per hour on all state routes or 60121  
through highways within municipal corporations outside business 60122  
districts, except as provided in divisions (B) (4) and (6) of 60123  
this section; 60124

(4) Fifty miles per hour on controlled-access highways and 60125  
expressways within municipal corporations; 60126

(5) Fifty-five miles per hour on highways outside 60127  
municipal corporations, other than highways within island 60128  
jurisdictions as provided in division (B) (8) of this section, 60129  
highways as provided in divisions (B) (9) and (10) of this 60130  
section, and highways, expressways, and freeways as provided in 60131  
divisions (B) (13), (14), (15), and (17) of this section; 60132

(6) Fifty miles per hour on state routes within municipal 60133  
corporations outside urban districts unless a lower prima-facie 60134  
speed is established as further provided in this section; 60135

(7) Fifteen miles per hour on all alleys within the 60136  
municipal corporation; 60137

(8) Thirty-five miles per hour on highways outside 60138  
municipal corporations that are within an island jurisdiction; 60139

- (9) Thirty-five miles per hour on through highways, except state routes, that are outside municipal corporations and that are within a national park with boundaries extending through two or more counties; 60140  
60141  
60142  
60143
- (10) Sixty miles per hour on two-lane state routes outside municipal corporations as established by the director under division (H) (2) of this section; 60144  
60145  
60146
- (11) Fifty-five miles per hour at all times on freeways with paved shoulders inside municipal corporations, other than freeways as provided in divisions (B) (15) and (17) of this section; 60147  
60148  
60149  
60150
- (12) Fifty-five miles per hour at all times on freeways outside municipal corporations, other than freeways as provided in divisions (B) (15) and (17) of this section; 60151  
60152  
60153
- (13) Sixty miles per hour for operators of any motor vehicle at all times on all portions of rural divided highways; 60154  
60155
- (14) Sixty-five miles per hour for operators of any motor vehicle at all times on all rural expressways without traffic control signals; 60156  
60157  
60158
- (15) Seventy miles per hour for operators of any motor vehicle at all times on all rural freeways; 60159  
60160
- (16) Fifty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in congested areas as determined by the director and that are part of the interstate system and are located within a municipal corporation or within an interstate freeway outerbelt; 60161  
60162  
60163  
60164  
60165
- (17) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas 60166  
60167

as determined by the director and that are part of the 60168  
interstate system and are part of an interstate freeway 60169  
outerbelt. 60170

(C) It is prima-facie unlawful for any person to exceed 60171  
any of the speed limitations in divisions (B) (1) (a), (2), (3), 60172  
(4), (6), (7), (8), and (9) of this section, or any declared or 60173  
established pursuant to this section by the director or local 60174  
authorities and it is unlawful for any person to exceed any of 60175  
the speed limitations in division (D) of this section. No person 60176  
shall be convicted of more than one violation of this section 60177  
for the same conduct, although violations of more than one 60178  
provision of this section may be charged in the alternative in a 60179  
single affidavit. 60180

(D) No person shall operate a motor vehicle, trackless 60181  
trolley, or streetcar upon a street or highway as follows: 60182

(1) At a speed exceeding fifty-five miles per hour, except 60183  
upon a two-lane state route as provided in division (B) (10) of 60184  
this section and upon a highway, expressway, or freeway as 60185  
provided in divisions (B) (13), (14), (15), and (17) of this 60186  
section; 60187

(2) At a speed exceeding sixty miles per hour upon a two- 60188  
lane state route as provided in division (B) (10) of this section 60189  
and upon a highway as provided in division (B) (13) of this 60190  
section; 60191

(3) At a speed exceeding sixty-five miles per hour upon an 60192  
expressway as provided in division (B) (14) or upon a freeway as 60193  
provided in division (B) (17) of this section, except upon a 60194  
freeway as provided in division (B) (15) of this section; 60195

(4) At a speed exceeding seventy miles per hour upon a 60196

freeway as provided in division (B) (15) of this section; 60197

(5) At a speed exceeding the posted speed limit upon a 60198  
highway, expressway, or freeway for which the director has 60199  
determined and declared a speed limit pursuant to division (I) 60200  
(2) or (L) (2) of this section. 60201

(E) In every charge of violation of this section the 60202  
affidavit and warrant shall specify the time, place, and speed 60203  
at which the defendant is alleged to have driven, and in charges 60204  
made in reliance upon division (C) of this section also the 60205  
speed which division (B) (1) (a), (2), (3), (4), (6), (7), (8), or 60206  
(9) of, or a limit declared or established pursuant to, this 60207  
section declares is prima-facie lawful at the time and place of 60208  
such alleged violation, except that in affidavits where a person 60209  
is alleged to have driven at a greater speed than will permit 60210  
the person to bring the vehicle to a stop within the assured 60211  
clear distance ahead the affidavit and warrant need not specify 60212  
the speed at which the defendant is alleged to have driven. 60213

(F) When a speed in excess of both a prima-facie 60214  
limitation and a limitation in division (D) of this section is 60215  
alleged, the defendant shall be charged in a single affidavit, 60216  
alleging a single act, with a violation indicated of both 60217  
division (B) (1) (a), (2), (3), (4), (6), (7), (8), or (9) of this 60218  
section, or of a limit declared or established pursuant to this 60219  
section by the director or local authorities, and of the 60220  
limitation in division (D) of this section. If the court finds a 60221  
violation of division (B) (1) (a), (2), (3), (4), (6), (7), (8), 60222  
or (9) of, or a limit declared or established pursuant to, this 60223  
section has occurred, it shall enter a judgment of conviction 60224  
under such division and dismiss the charge under division (D) of 60225  
this section. If it finds no violation of division (B) (1) (a), 60226

(2), (3), (4), (6), (7), (8), or (9) of, or a limit declared or 60227  
established pursuant to, this section, it shall then consider 60228  
whether the evidence supports a conviction under division (D) of 60229  
this section. 60230

(G) Points shall be assessed for violation of a limitation 60231  
under division (D) of this section in accordance with section 60232  
4510.036 of the Revised Code. 60233

(H) (1) Whenever the director determines upon the basis of 60234  
a geometric and traffic characteristic study that any speed 60235  
limit set forth in divisions (B) (1) (a) to (D) of this section is 60236  
greater or less than is reasonable or safe under the conditions 60237  
found to exist at any portion of a street or highway under the 60238  
jurisdiction of the director, the director shall determine and 60239  
declare a reasonable and safe prima-facie speed limit, which 60240  
shall be effective when appropriate signs giving notice of it 60241  
are erected at the location. 60242

(2) Whenever the director determines upon the basis of a 60243  
geometric and traffic characteristic study that the speed limit 60244  
of fifty-five miles per hour on a two-lane state route outside a 60245  
municipal corporation is less than is reasonable or safe under 60246  
the conditions found to exist at that portion of the state 60247  
route, the director may determine and declare a speed limit of 60248  
sixty miles per hour for that portion of the state route, which 60249  
shall be effective when appropriate signs giving notice of it 60250  
are erected at the location. 60251

(3) For purposes of the safe and orderly movement of 60252  
traffic upon any portion of a street or highway under the 60253  
jurisdiction of the director, the director may establish a 60254  
variable speed limit that is different than the speed limit 60255  
established by or under this section on all or portions of 60256

interstate six hundred seventy, interstate two hundred seventy- 60257  
five, and interstate ninety commencing at the intersection of 60258  
that interstate with interstate seventy-one and continuing to 60259  
the border of the state of Ohio with the state of Pennsylvania. 60260  
The director shall establish criteria for determining the 60261  
appropriate use of variable speed limits and shall establish 60262  
variable speed limits in accordance with the criteria. The 60263  
director may establish variable speed limits based upon the time 60264  
of day, weather conditions, traffic incidents, or other factors 60265  
that affect the safe speed on a street or highway. The director 60266  
shall not establish a variable speed limit that is based on a 60267  
particular type or class of vehicle. A variable speed limit 60268  
established by the director under this section is effective when 60269  
appropriate signs giving notice of the speed limit are displayed 60270  
at the location. 60271

(4) Nothing in this section shall be construed to limit 60272  
the authority of the director to establish speed limits within a 60273  
construction zone as authorized under section 4511.98 of the 60274  
Revised Code. 60275

(I) (1) Except as provided in divisions (I) (2) and (K) of 60276  
this section, whenever local authorities determine upon the 60277  
basis of an engineering and traffic investigation that the speed 60278  
permitted by divisions (B) (1) (a) to (D) of this section, on any 60279  
part of a highway under their jurisdiction, is greater than is 60280  
reasonable and safe under the conditions found to exist at such 60281  
location, the local authorities may by resolution request the 60282  
director to determine and declare a reasonable and safe prima- 60283  
facie speed limit. Upon receipt of such request the director may 60284  
determine and declare a reasonable and safe prima-facie speed 60285  
limit at such location, and if the director does so, then such 60286  
declared speed limit shall become effective only when 60287

appropriate signs giving notice thereof are erected at such 60288  
location by the local authorities. The director may withdraw the 60289  
declaration of a prima-facie speed limit whenever in the 60290  
director's opinion the altered prima-facie speed becomes 60291  
unreasonable. Upon such withdrawal, the declared prima-facie 60292  
speed shall become ineffective and the signs relating thereto 60293  
shall be immediately removed by the local authorities. 60294

(2) A local authority may determine on the basis of a 60295  
geometric and traffic characteristic study that the speed limit 60296  
of sixty-five miles per hour on a portion of a freeway under its 60297  
jurisdiction that was established through the operation of 60298  
division (L) (3) of this section is greater than is reasonable or 60299  
safe under the conditions found to exist at that portion of the 60300  
freeway. If the local authority makes such a determination, the 60301  
local authority by resolution may request the director to 60302  
determine and declare a reasonable and safe speed limit of not 60303  
less than fifty-five miles per hour for that portion of the 60304  
freeway. If the director takes such action, the declared speed 60305  
limit becomes effective only when appropriate signs giving 60306  
notice of it are erected at such location by the local 60307  
authority. 60308

(J) Local authorities in their respective jurisdictions 60309  
may authorize by ordinance higher prima-facie speeds than those 60310  
stated in this section upon through highways, or upon highways 60311  
or portions thereof where there are no intersections, or between 60312  
widely spaced intersections, provided signs are erected giving 60313  
notice of the authorized speed, but local authorities shall not 60314  
modify or alter the basic rule set forth in division (A) of this 60315  
section or in any event authorize by ordinance a speed in excess 60316  
of fifty miles per hour. 60317

Alteration of prima-facie limits on state routes by local authorities shall not be effective until the alteration has been approved by the director. The director may withdraw approval of any altered prima-facie speed limits whenever in the director's opinion any altered prima-facie speed becomes unreasonable, and upon such withdrawal, the altered prima-facie speed shall become ineffective and the signs relating thereto shall be immediately removed by the local authorities.

(K) (1) As used in divisions (K) (1), (2), (3), and (4) of this section, "unimproved highway" means a highway consisting of any of the following:

- (a) Unimproved earth;
- (b) Unimproved graded and drained earth;
- (c) Gravel.

(2) Except as otherwise provided in divisions (K) (4) and (5) of this section, whenever a board of township trustees determines upon the basis of an engineering and traffic investigation that the speed permitted by division (B) (5) of this section on any part of an unimproved highway under its jurisdiction and in the unincorporated territory of the township is greater than is reasonable or safe under the conditions found to exist at the location, the board may by resolution declare a reasonable and safe prima-facie speed limit of fifty-five but not less than twenty-five miles per hour. An altered speed limit adopted by a board of township trustees under this division becomes effective when appropriate traffic control devices, as prescribed in section 4511.11 of the Revised Code, giving notice thereof are erected at the location, which shall be no sooner than sixty days after adoption of the resolution.

(3) (a) Whenever, in the opinion of a board of township trustees, any altered prima-facie speed limit established by the board under this division becomes unreasonable, the board may adopt a resolution withdrawing the altered prima-facie speed limit. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(b) Whenever a highway ceases to be an unimproved highway and the board has adopted an altered prima-facie speed limit pursuant to division (K) (2) of this section, the board shall, by resolution, withdraw the altered prima-facie speed limit as soon as the highway ceases to be unimproved. Upon the adoption of such a resolution, the altered prima-facie speed limit becomes ineffective and the traffic control devices relating thereto shall be immediately removed.

(4) (a) If the boundary of two townships rests on the centerline of an unimproved highway in unincorporated territory and both townships have jurisdiction over the highway, neither of the boards of township trustees of such townships may declare an altered prima-facie speed limit pursuant to division (K) (2) of this section on the part of the highway under their joint jurisdiction unless the boards of township trustees of both of the townships determine, upon the basis of an engineering and traffic investigation, that the speed permitted by division (B) (5) of this section is greater than is reasonable or safe under the conditions found to exist at the location and both boards agree upon a reasonable and safe prima-facie speed limit of less than fifty-five but not less than twenty-five miles per hour for that location. If both boards so agree, each shall follow the procedure specified in division (K) (2) of this section for altering the prima-facie speed limit on the highway. Except as

otherwise provided in division (K) (4) (b) of this section, no 60378  
speed limit altered pursuant to division (K) (4) (a) of this 60379  
section may be withdrawn unless the boards of township trustees 60380  
of both townships determine that the altered prima-facie speed 60381  
limit previously adopted becomes unreasonable and each board 60382  
adopts a resolution withdrawing the altered prima-facie speed 60383  
limit pursuant to the procedure specified in division (K) (3) (a) 60384  
of this section. 60385

(b) Whenever a highway described in division (K) (4) (a) of 60386  
this section ceases to be an unimproved highway and two boards 60387  
of township trustees have adopted an altered prima-facie speed 60388  
limit pursuant to division (K) (4) (a) of this section, both 60389  
boards shall, by resolution, withdraw the altered prima-facie 60390  
speed limit as soon as the highway ceases to be unimproved. Upon 60391  
the adoption of the resolution, the altered prima-facie speed 60392  
limit becomes ineffective and the traffic control devices 60393  
relating thereto shall be immediately removed. 60394

(5) As used in division (K) (5) of this section: 60395

(a) "Commercial subdivision" means any platted territory 60396  
outside the limits of a municipal corporation and fronting a 60397  
highway where, for a distance of three hundred feet or more, the 60398  
frontage is improved with buildings in use for commercial 60399  
purposes, or where the entire length of the highway is less than 60400  
three hundred feet long and the frontage is improved with 60401  
buildings in use for commercial purposes. 60402

(b) "Residential subdivision" means any platted territory 60403  
outside the limits of a municipal corporation and fronting a 60404  
highway, where, for a distance of three hundred feet or more, 60405  
the frontage is improved with residences or residences and 60406  
buildings in use for business, or where the entire length of the 60407

highway is less than three hundred feet long and the frontage is 60408  
improved with residences or residences and buildings in use for 60409  
business. 60410

Whenever a board of township trustees finds upon the basis 60411  
of an engineering and traffic investigation that the prima-facie 60412  
speed permitted by division (B) (5) of this section on any part 60413  
of a highway under its jurisdiction that is located in a 60414  
commercial or residential subdivision, except on highways or 60415  
portions thereof at the entrances to which vehicular traffic 60416  
from the majority of intersecting highways is required to yield 60417  
the right-of-way to vehicles on such highways in obedience to 60418  
stop or yield signs or traffic control signals, is greater than 60419  
is reasonable and safe under the conditions found to exist at 60420  
the location, the board may by resolution declare a reasonable 60421  
and safe prima-facie speed limit of less than fifty-five but not 60422  
less than twenty-five miles per hour at the location. An altered 60423  
speed limit adopted by a board of township trustees under this 60424  
division shall become effective when appropriate signs giving 60425  
notice thereof are erected at the location by the township. 60426  
Whenever, in the opinion of a board of township trustees, any 60427  
altered prima-facie speed limit established by it under this 60428  
division becomes unreasonable, it may adopt a resolution 60429  
withdrawing the altered prima-facie speed, and upon such 60430  
withdrawal, the altered prima-facie speed shall become 60431  
ineffective, and the signs relating thereto shall be immediately 60432  
removed by the township. 60433

(L) (1) On September 29, 2013, the director of 60434  
transportation, based upon an engineering study of a highway, 60435  
expressway, or freeway described in division (B) (13), (14), 60436  
(15), (16), or (17) of this section, in consultation with the 60437  
director of public safety and, if applicable, the local 60438

authority having jurisdiction over the studied highway, 60439  
expressway, or freeway, may determine and declare that the speed 60440  
limit established on such highway, expressway, or freeway under 60441  
division (B) (13), (14), (15), (16), or (17) of this section 60442  
either is reasonable and safe or is more or less than that which 60443  
is reasonable and safe. 60444

(2) If the established speed limit for a highway, 60445  
expressway, or freeway studied pursuant to division (L) (1) of 60446  
this section is determined to be more or less than that which is 60447  
reasonable and safe, the director of transportation, in 60448  
consultation with the director of public safety and, if 60449  
applicable, the local authority having jurisdiction over the 60450  
studied highway, expressway, or freeway, shall determine and 60451  
declare a reasonable and safe speed limit for that highway, 60452  
expressway, or freeway. 60453

(M) (1) (a) If the boundary of two local authorities rests 60454  
on the centerline of a highway and both authorities have 60455  
jurisdiction over the highway, the speed limit for the part of 60456  
the highway within their joint jurisdiction shall be either one 60457  
of the following as agreed to by both authorities: 60458

(i) Either prima-facie speed limit permitted by division 60459  
(B) of this section; 60460

(ii) An altered speed limit determined and posted in 60461  
accordance with this section. 60462

(b) If the local authorities are unable to reach an 60463  
agreement, the speed limit shall remain as established and 60464  
posted under this section. 60465

(2) Neither local authority may declare an altered prima- 60466  
facie speed limit pursuant to this section on the part of the 60467

highway under their joint jurisdiction unless both of the local 60468  
authorities determine, upon the basis of an engineering and 60469  
traffic investigation, that the speed permitted by this section 60470  
is greater than is reasonable or safe under the conditions found 60471  
to exist at the location and both authorities agree upon a 60472  
uniform reasonable and safe prima-facie speed limit of less than 60473  
fifty-five but not less than twenty-five miles per hour for that 60474  
location. If both authorities so agree, each shall follow the 60475  
procedure specified in this section for altering the prima-facie 60476  
speed limit on the highway, and the speed limit for the part of 60477  
the highway within their joint jurisdiction shall be uniformly 60478  
altered. No altered speed limit may be withdrawn unless both 60479  
local authorities determine that the altered prima-facie speed 60480  
limit previously adopted becomes unreasonable and each adopts a 60481  
resolution withdrawing the altered prima-facie speed limit 60482  
pursuant to the procedure specified in this section. 60483

(N) The legislative authority of a municipal corporation 60484  
or township in which a boarding school is located, by resolution 60485  
or ordinance, may establish a boarding school zone. The 60486  
legislative authority may alter the speed limit on any street or 60487  
highway within the boarding school zone and shall specify the 60488  
hours during which the altered speed limit is in effect. For 60489  
purposes of determining the boundaries of the boarding school 60490  
zone, the altered speed limit within the boarding school zone, 60491  
and the hours the altered speed limit is in effect, the 60492  
legislative authority shall consult with the administration of 60493  
the boarding school and with the county engineer or other 60494  
appropriate engineer, as applicable. A boarding school zone 60495  
speed limit becomes effective only when appropriate signs giving 60496  
notice thereof are erected at the appropriate locations. 60497

program of shock incarceration, the department may proceed with 64245  
plans for placement of the offender. 64246

If the department determines that the offender is not 64247

**Sec. 5513.04.** (A) Notwithstanding sections 125.12, 125.13, 65436  
and 125.14 of the Revised Code, the director of transportation 65437  
may sell, transfer, or otherwise dispose of any item of personal 65438  
property that is not needed by the department of transportation. 65439  
The director may exchange any such item, in the manner provided 65440  
for in this chapter, and pay the balance of the cost of such new 65441  
item from funds appropriated to the department. The director 65442  
also may accept a credit voucher or cash in an amount mutually 65443  
agreed upon between a vendor and the department. The director 65444

subdivision of the state without notice of the proposed disposal 65453  
and upon any mutually agreed upon terms. 65454

(2) Before selling any passenger vehicle, van, truck, 65455  
trailer, or other heavy equipment, the director shall notify 65456  
each county, municipal corporation, township, and school 65457  
district of the sale. The director shall similarly notify the 65458

established under Chapter 6119. of the Revised Code, when the 65460  
board has forwarded to the director the district's name and 65461  
current business address. For the purposes of this division, the 65462  
name and current business address of a regional water and sewer 65463  
district shall be forwarded to the director once each year 65464  
during any year in which the board wishes the notification to be 65465  
given. The notice required by this division may be given by the 65466

days following mailing or other issuance of the director's 65468  
notice, no county, municipal corporation, township, regional 65469  
water and sewer district, educational service center, or school 65470  
district has notified the director that it wishes to purchase 65471

become unfit for use. The director may transfer the structure or 65483  
materials to counties, municipal corporations, school districts, 65484  
or other political subdivisions without advertising for bids and 65485  
upon mutually agreed upon terms. The director may transfer the 65486  
structure or structural materials to a nonprofit corporation 65487  
upon being furnished a copy of a contract between the nonprofit 65488  
corporation and a county, municipal corporation, or other 65489  
political subdivision to which the structure is to be moved 65490  
pursuant to which the nonprofit corporation must make the 65491  
structure or structural materials available for rent or sale 65492  
within a period of three months after becoming available for 65493  
occupancy to an individual or family which has been displaced by 65494  
governmental action or which occupies substandard housing as 65495  
certified by such political subdivision, without advertising for 65496  
bids. Any such transfers shall be for such consideration as 65497  
shall be determined by the director to be fair and reasonable, 65498  
and shall be upon such terms and specifications with respect to 65499  
performance and indemnity as shall be determined necessary by 65500  
the director. 65501

When, in carrying out an improvement that replaces any 65502  
structure or structural materials, it is advantageous to dispose 65503  
of the structure or structural materials by providing in the 65504  
contract for the improvement that the structure or structural 65505  
materials, or any part thereof, shall become the property of the 65506  
contractor, the director may so proceed. 65507

(C) (1) Any item that has not been sold or transferred as 65508  
provided in division (B) of this section may be sold at a public 65509  
sale, as determined by the director. The director may authorize 65510  
such sale by the deputy directors of transportation, and the 65511

proceedings of such sale shall be conducted in the same manner 65512  
as provided for sales by the director. The director may 65513  
establish a minimum price for any item to be sold and may 65514  
establish any other terms, conditions, and manner for the sale 65515  
of a particular item, which may be on any basis the director 65516  
determines to be most advantageous to the department. The 65517  
director may reject any offer or bid for an item. The director 65518  
may remove any item from a sale if it develops that a public 65519  
authority has a use for the item. In any notice of a sale, the 65520  
director shall include a brief description of the item to be 65521  
sold, the terms and conditions of the sale, and a statement of 65522  
the time, place, and manner of the sale. 65523

(2) (a) If, in the opinion of the director, any item to be 65524  
sold has an estimated fair market value in excess of one 65525  
thousand dollars, the director shall post a notice of the sale, 65526  
for not less than ten days, on the official web site of the 65527  
department. If the district where the property is located 65528  
maintains a web site, notice of the sale also shall be posted on 65529  
that web site. At least ten days before the sale, the director 65530  
also shall publish one notice of the sale in a periodical or 65531  
newspaper of general circulation in the region in which the 65532  
items are located. A sale under division (C) (2) (a) of this 65533  
section shall be made to the highest responsible bidder. 65534

(b) If, in the opinion of the director, any item to be 65535  
sold has an estimated fair market value of one thousand dollars 65536  
or less, the director is not required to advertise the proposed 65537  
sale except by notice posted on the official web site of the 65538  
department. The notice shall be posted for at least five working 65539  
days. A sale under division (C) (2) (b) of this section shall be 65540  
made to the highest responsible bidder. 65541

(D) Proceeds of any sale described in this section shall 65542  
be paid into the state treasury to the credit of the highway 65543  
operating fund or any other fund of the department as determined 65544  
by the director. 65545

(E) Once each year, the ~~state board of education~~ 65546  
department of learning and achievement shall provide the 65547  
director with a current list of the addresses of all school 65548  
districts and educational service centers in the state. 65549

(F) As used in this section: 65550

(2) "School district" means any city school district, 65555  
local school district, exempted village school district, 65556

**Sec. 5705.21.** (A) At any time, the board of education of 65562  
any city, local, exempted village, cooperative education, or 65563  
joint vocational school district, by a vote of two-thirds of all 65564  
its members, may declare by resolution that the amount of taxes 65565  
that may be raised within the ten-mill limitation by levies on 65566  
the current tax duplicate will be insufficient to provide an 65567  
adequate amount for the necessary requirements of the school 65568  
district, that it is necessary to levy a tax in excess of such 65569  
limitation for one of the purposes specified in division (A), 65570

(D), (F), (H), or (DD) of section 5705.19 of the Revised Code, 65571  
for general permanent improvements, for the purpose of operating 65572  
a cultural center, for the purpose of providing for school 65573  
safety and security, or for the purpose of providing education 65574  
technology, and that the question of such additional tax levy 65575  
shall be submitted to the electors of the school district at a 65576  
special election on a day to be specified in the resolution. In 65577  
the case of a qualifying library levy for the support of a 65578  
library association or private corporation, the question shall 65579  
be submitted to the electors of the association library 65580  
district. If the resolution states that the levy is for the 65581  
purpose of operating a cultural center, the ballot shall state 65582  
that the levy is "for the purpose of operating the..... 65583  
(name of cultural center)."

As used in this division, "cultural center" means a 65585  
freestanding building, separate from a public school building, 65586

software; and "general permanent improvements" means permanent 65591  
improvements without regard to the limitation of division (F) of 65592  
section 5705.19 of the Revised Code that the improvements be a 65593  
specific improvement or a class of improvements that may be 65594  
included in a single bond issue. 65595

A resolution adopted under this division shall be confined 65596  
to a single purpose and shall specify the amount of the increase 65597  
in rate that it is necessary to levy, the purpose of the levy, 65598  
and the number of years during which the increase in rate shall 65599  
be in effect. The number of years may be any number not 65600  
exceeding five or, if the levy is for current expenses of the 65601

district or for general permanent improvements, for a continuing 65602  
period of time. 65603

(B) (1) The board of education of a qualifying school 65604  
district, by resolution, may declare that it is necessary to 65605  
levy a tax in excess of the ten-mill limitation for the purpose 65606  
of paying the current expenses of partnering community schools 65607  
and, if any of the levy proceeds are so allocated, of the 65608  
district. A qualifying school district that is not a municipal 65609  
school district may allocate all of the levy proceeds to 65610  
partnering community schools. A municipal school district shall 65611  
allocate a portion of the levy proceeds to the current expenses 65612  
of the district. The resolution shall declare that the question 65613  
of the additional tax levy shall be submitted to the electors of 65614  
the school district at a special election on a day to be 65615  
specified in the resolution. The resolution shall state the 65616  
purpose of the levy, the rate of the tax expressed in mills per 65617  
dollar of taxable value, the number of such mills to be levied 65618  
for the current expenses of the partnering community schools and 65619  
the number of such mills, if any, to be levied for the current 65620  
expenses of the school district, the number of years the tax 65621  
will be levied, and the first year the tax will be levied. The 65622  
number of years the tax may be levied may be any number not 65623  
exceeding ten years, or for a continuing period of time. 65624

The levy of a tax for the current expenses of a partnering 65625  
community school under this section and the distribution of 65626  
proceeds from the tax by a qualifying school district to 65627  
partnering community schools is hereby determined to be a proper 65628  
public purpose. 65629

(2) (a) If any portion of the levy proceeds are to be 65630  
allocated to the current expenses of the qualifying school 65631

(3) Upon each receipt of a tax distribution by the 65672  
qualifying school district, the board of education shall credit 65673  
the portion allocated to partnering community schools to the 65674  
partnering community schools fund. All income from the 65675  
investment of money in the partnering community schools fund 65676  
shall be credited to that fund. 65677

(a) If the qualifying school district is a municipal 65678  
school district, the board of education shall distribute the 65679  
partnering community schools amount among the then qualifying 65680  
community schools not more than forty-five days after the school 65681  
district receives and deposits each tax distribution. From each 65682  
tax distribution, each such partnering community school shall 65683  
receive a portion of the partnering community schools amount in 65684  
the proportion that the number of its resident students bears to 65685  
the aggregate number of resident students of all such partnering 65686  
community schools as of the date of receipt and deposit of the 65687  
tax distribution. 65688

(b) If the qualifying school district is not a municipal 65689

school district, the board of education may distribute all or a 65690  
portion of the amount in the partnering community schools fund 65691  
during a fiscal year to partnering community schools on or 65692  
before the first day of June of the preceding fiscal year. Each 65693  
such partnering community school shall receive a portion of the 65694  
amount distributed by the board from the partnering community 65695  
schools fund during the fiscal year in the proportion that the 65696  
number of its resident students bears to the aggregate number of 65697  
resident students of all such partnering community schools as of 65698  
the date the school district received and deposited the most 65699  
recent tax distribution. On or before the fifteenth day of June 65700  
of each fiscal year, the board of education shall announce an 65701  
estimated allocation to partnering community schools for the 65702  
ensuing fiscal year. The board is not required to allocate to 65703  
partnering community schools the entire partnering community 65704  
schools amount in the fiscal year in which a tax distribution is 65705  
received and deposited in the partnering community schools fund. 65706  
The estimated allocation shall be published on the web site of 65707  
the school district and expressed as a dollar amount per 65708  
resident student. The actual allocation to community schools in 65709  
a fiscal year need not conform to the estimate published by the 65710  
school district so long if the estimate was made in good faith. 65711

Distributions by a school district under division (B) (3) 65712  
(b) of this section shall be made in accordance with 65713  
distribution agreements entered into by the board of education 65714  
and each partnering community school eligible for distributions 65715  
under this division. The distribution agreements shall be 65716  
certified to the department of ~~education~~ learning and 65717  
achievement each fiscal year before the thirtieth day of July. 65718  
Each agreement shall provide for at least three distributions by 65719  
the school district to the partnering community school during 65720

the fiscal year and shall require the initial distribution be 65721  
made on or before the thirtieth day of July. 65722

(c) For the purposes of division (B) of this section, the 65723  
number of resident students shall be the number of such students 65724  
reported under section 3317.03 of the Revised Code and 65725  
established by the department ~~of education~~ as of the date of 65726  
receipt and deposit of the tax distribution. 65727

(4) To the extent an agreement whereby the qualifying 65728  
school district and a community school endorse each other's 65729  
programs is necessary for the community school to qualify as a 65730  
partnering community school under division (B)(6)(b) of this 65731  
section, the board of education of the school district shall 65732  
certify to the department ~~of education~~ the agreement along with 65733  
the determination that such agreement satisfies the requirements 65734  
of that division. The board's determination is conclusive. 65735

(5) For the purposes of Chapter 3317. of the Revised Code 65736  
or other laws referring to the "taxes charged and payable" for a 65737  
school district, the taxes charged and payable for a qualifying 65738  
school district that levies a tax under division (B) of this 65739

not include the taxes charged and payable for the current 65742  
expenses of partnering community schools. The taxes charged and 65743  
payable for the current expenses of partnering community schools 65744  
shall not affect the calculation of "state education aid" as 65745  
defined in section 5751.20 of the Revised Code. 65746

(6) As used in division (B) of this section: 65747

(a) "Qualifying school district" means a municipal school 65748  
district, as defined in section 3311.71 of the Revised Code or a 65749

community school. 65750  
65751

(b) "Partnering community school" means a community school 65752  
established under Chapter 3314. of the Revised Code that is 65753

(ii) If the qualifying school district is not a municipal 65761  
school district, the community school is sponsored by a sponsor 65762  
that was rated as "exemplary" in the ratings most recently 65763  
published under section 3314.016 of the Revised Code before the 65764  
resolution proposing the levy is certified to the board of 65765  
elections. 65766

(c) "Partnering community schools amount" means the 65767  
product obtained, as of the receipt and deposit of the tax 65768  
distribution, by multiplying the amount of a tax distribution by 65769  
a fraction, the numerator of which is the number of mills per 65770  
dollar of taxable value of the property tax to be allocated to 65771  
partnering community schools, and the denominator of which is 65772  
the total number of mills per dollar of taxable value authorized 65773  
by the electors in the election held under division (B) of this 65774  
section, each as set forth in the resolution levying the tax. If 65775  
the resolution allocates all of the levy proceeds to partnering 65776  
community schools, the "partnering schools amount" equals the 65777  
amount of the tax distribution. 65778

(d) "Partnering community schools fund" means a separate fund established by the board of education of a qualifying school district for the deposit of partnering community school amounts under this section.

(e) "Resident student" means a student enrolled in a partnering community school who is entitled to attend school in the qualifying school district under section 3313.64 or 3313.65 of the Revised Code.

(f) "Tax distribution" means a distribution of proceeds of the tax authorized by division (B) of this section under section 321.24 of the Revised Code and distributions that are attributable to that tax under sections 323.156 and 4503.068 of the Revised Code or other applicable law.

(C) A resolution adopted under this section shall specify the date of holding the election, which shall not be earlier than ninety days after the adoption and certification of the resolution and which shall be consistent with the requirements of section 3501.01 of the Revised Code.

A resolution adopted under this section may propose to renew one or more existing levies imposed under division (A) or (B) of this section or to increase or decrease a single levy imposed under either such division.

If the board of education imposes one or more existing levies for the purpose specified in division (F) of section 5705.19 of the Revised Code, the resolution may propose to renew one or more of those existing levies, or to increase or decrease a single such existing levy, for the purpose of general permanent improvements.

If the resolution proposes to renew two or more existing

levies, the levies shall be levied for the same purpose. The 65808  
resolution shall identify those levies and the rates at which 65809  
they are levied. The resolution also shall specify that the 65810  
existing levies shall not be extended on the tax lists after the 65811  
year preceding the year in which the renewal levy is first 65812  
imposed, regardless of the years for which those levies 65813  
originally were authorized to be levied. 65814

If the resolution proposes to renew an existing levy 65815  
imposed under division (B) of this section, the rates allocated 65816  
to the qualifying school district and to partnering community 65817  
schools each may be increased or decreased or remain the same, 65818  
and the total rate may be increased, decreased, or remain the 65819  
same. The resolution and notice of election shall specify the 65820  
number of the mills to be levied for the current expenses of the 65821  
partnering community schools and the number of the mills, if 65822  
any, to be levied for the current expenses of the qualifying 65823  
school district. 65824

A resolution adopted under this section shall go into 65825  
immediate effect upon its passage, and no publication of the 65826  
resolution shall be necessary other than that provided for in 65827  
the notice of election. A copy of the resolution shall 65828  
immediately after its passing be certified to the board of 65829  
elections of the proper county in the manner provided by section 65830  
5705.25 of the Revised Code. That section shall govern the 65831  
arrangements for the submission of such question and other 65832  
matters concerning the election to which that section refers, 65833  
including publication of notice of the election, except that the 65834  
election shall be held on the date specified in the resolution. 65835  
In the case of a resolution adopted under division (B) of this 65836  
section, the publication of notice of that election shall state 65837  
the number of the mills, if any, to be levied for the current 65838

expenses of partnering community schools and the number of the mills to be levied for the current expenses of the qualifying school district. If a majority of the electors voting on the question so submitted in an election vote in favor of the levy, the board of education may make the necessary levy within the school district or, in the case of a qualifying library levy for the support of a library association or private corporation, within the association library district, at the additional rate, or at any lesser rate in excess of the ten-mill limitation on the tax list, for the purpose stated in the resolution. A levy for a continuing period of time may be reduced pursuant to section 5705.261 of the Revised Code. The tax levy shall be included in the next tax budget that is certified to the county budget commission.

(D) (1) After the approval of a levy on the current tax list and duplicate for current expenses, for recreational purposes, for community centers provided for in section 755.16 of the Revised Code, or for a public library of the district under division (A) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected during the first year of the levy.

(2) After the approval of a levy for general permanent improvements for a specified number of years or for permanent improvements having the purpose specified in division (F) of section 5705.19 of the Revised Code, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy remaining to be

collected in each year over a period of five years after the 65870  
issuance of the notes. 65871

The notes shall be issued as provided in section 133.24 of 65872  
the Revised Code, shall have principal payments during each year 65873  
after the year of their issuance over a period not to exceed 65874  
five years, and may have a principal payment in the year of 65875  
their issuance. 65876

(3) After approval of a levy for general permanent 65877  
improvements for a continuing period of time, the board of 65878  
education may anticipate a fraction of the proceeds of the levy 65879  
and issue anticipation notes in a principal amount not exceeding 65880  
fifty per cent of the total estimated proceeds of the levy to be 65881  
collected in each year over a specified period of years, not 65882  
exceeding ten, after the issuance of the notes. 65883

The notes shall be issued as provided in section 133.24 of 65884  
the Revised Code, shall have principal payments during each year 65885  
after the year of their issuance over a period not to exceed ten 65886  
years, and may have a principal payment in the year of their 65887  
issuance. 65888

(4) After the approval of a levy on the current tax list 65889  
and duplicate under division (B) of this section, and prior to 65890  
the time when the first tax collection from the levy can be 65891  
made, the board of education may anticipate a fraction of the 65892  
proceeds of the levy for the current expenses of the school 65893  
district and issue anticipation notes in a principal amount not 65894  
exceeding fifty per cent of the estimated proceeds of the levy 65895  
to be collected during the first year of the levy and allocated 65896  
to the school district. The portion of the levy proceeds to be 65897  
allocated to partnering community schools under that division 65898  
shall not be included in the estimated proceeds anticipated 65899

under this division and shall not be used to pay debt charges on 65900  
any anticipation notes. 65901

The notes shall be issued as provided in section 133.24 of 65902  
the Revised Code, shall have principal payments during each year 65903  
after the year of their issuance over a period not to exceed 65904  
five years, and may have a principal payment in the year of 65905  
their issuance. 65906

(E) The submission of questions to the electors under this 65907  
section is subject to the limitation on the number of election 65908  
dates established by section 5705.214 of the Revised Code. 65909

(F) The board of education of any school district that 65910  
levies a tax under this section for the purpose of providing for 65911  
school safety and security may report to the department ~~of~~ 65912  
~~education~~ how the district is using revenue from that tax. 65913

**Sec. 5705.211.** (A) As used in this section: 65914

(1) "Adjusted charge-off increase" for a tax year means 65915  
two and two-tenths per cent of the cumulative carryover property 65916  
value increase. 65917

(2) "Cumulative carryover property value increase" means 65918  
the sum of the increases in carryover value certified under 65919  
division (B) (2) of section 3317.015 of the Revised Code and 65920  
included in a school district's total taxable value in the 65921  
computation of recognized valuation under division (B) of that 65922  
section for all fiscal years from the fiscal year that ends in 65923  
the first tax year a levy under this section is extended on the 65924  
tax list of real and public utility property until and including 65925  
the fiscal year that ends in the current tax year. 65926

(3) "Taxes charged and payable" means the taxes charged 65927  
and payable from a tax levy extended on the real and public 65928

utility property tax list and the general list of personal 65929  
property before any reduction under section 319.302, 323.152, or 65930  
323.158 of the Revised Code. 65931

(B) The board of education of a city, local, or exempted 65932  
village school district may adopt a resolution proposing the 65933  
levy of a tax in excess of the ten-mill limitation for the 65934  
purpose of paying the current operating expenses of the 65935  
district. If the resolution is approved as provided in division 65936  
(D) of this section, the tax may be levied at such a rate each 65937  
tax year that the total taxes charged and payable from the levy 65938  
equals the adjusted charge-off increase for the tax year or 65939  
equals a lesser amount as prescribed under division (C) of this 65940  
section. The tax may be levied for a continuing period of time 65941  
or for a specific number of years, but not fewer than five 65942  
years, as provided in the resolution. The tax may not be placed 65943  
on the tax list for a tax year beginning before the first day of 65944  
January following adoption of the resolution. A board of 65945  
education may not adopt a resolution under this section 65946  
proposing to levy a tax under this section concurrently with any 65947  
other tax levied by the board under this section. 65948

(C) After the first year a tax is levied under this 65949  
section, the rate of the tax in any year shall not exceed the 65950  
rate, estimated by the county auditor, that would cause the sums 65951  
levied from the tax against carryover property to exceed one 65952  
hundred four per cent of the sums levied from the tax against 65953  
carryover property in the preceding year. A board of education 65954  
imposing a tax under this section may specify in the resolution 65955  
imposing the tax that the percentage shall be less than one 65956  
hundred four per cent, but the percentage shall not be less than 65957  
one hundred per cent. At any time after a resolution adopted 65958  
under this section is approved by a majority of electors as 65959

provided in division (D) of this section, the board of 65960  
education, by resolution, may decrease the percentage specified 65961  
in the resolution levying the tax. 65962

(D) A resolution adopted under this section shall state 65963  
that the purpose of the tax is to pay current operating expenses 65964  
of the district, and shall specify the first year in which the 65965  
tax is to be levied, the number of years the tax will be levied 65966  
or that it will be levied for a continuing period of time, and 65967  
the election at which the question of the tax is to appear on 65968  
the ballot, which shall be a general or special election 65969  
consistent with the requirements of section 3501.01 of the 65970  
Revised Code. If the board of education specifies a percentage 65971  
less than one hundred four per cent pursuant to division (C) of 65972  
this section, the percentage shall be specified in the 65973  
resolution. 65974

Upon adoption of the resolution, the board of education 65975  
may certify a copy of the resolution to the proper county board 65976  
of elections. The copy of the resolution shall be certified to 65977  
the board of elections not later than ninety days before the day 65978  
of the election at which the question of the tax is to appear on 65979  
the ballot. Upon receiving a timely certified copy of such a 65980  
resolution, the board of elections shall make the necessary 65981  
arrangements for the submission of the question to the electors 65982  
of the school district, and the election shall be conducted, 65983  
canvassed, and certified in the same manner as regular elections 65984  
in the school district for the election of members of the board 65985  
of education. Notice of the election shall be published in a 65986  
newspaper of general circulation in the school district once per 65987  
week for four consecutive weeks or as provided in section 7.16 65988  
of the Revised Code. The notice shall state that the purpose of 65989  
the tax is for the current operating expenses of the school 65990

district, the first year the tax is to be levied, the number of 65991  
years the tax is to be levied or that it is to be levied for a 65992  
continuing period of time, that the tax is to be levied each 65993  
year in an amount estimated to offset decreases in state base 65994  
cost funding caused by appreciation in real estate values, and 65995  
that the estimated additional tax in any year shall not exceed 65996  
the previous year's by more than four per cent, or a lesser 65997  
percentage specified in the resolution levying the tax, except 65998  
for increases caused by the addition of new taxable property. 65999

The question shall be submitted as a separate proposition 66000  
but may be printed on the same ballot with any other proposition 66001  
submitted at the same election other than the election of 66002  
officers. 66003

The form of the ballot shall be substantially as follows: 66004

"An additional tax for the benefit of (name of school 66005  
district) for the purpose of paying the current operating 66006  
expenses of the district, for ..... (number of years or for 66007  
continuing period of time), at a rate sufficient to offset any 66008  
reduction in basic state funding caused by appreciation in real 66009  
estate values? This levy will permit variable annual growth in 66010  
revenue up to ..... (amount specified by school district) 66011  
per cent for the duration of the levy. 66012

For the tax levy
Against the tax levy

If a majority of the electors of the school district 66013  
voting on the question vote in favor of the question, the board 66014  
of elections shall certify the results of the election to the 66015  
board of education and to the tax commissioner immediately after 66016  
66017  
66018  
66019

the canvass. 66020

(E) When preparing any estimate of the contemplated 66021  
receipts from a tax levied pursuant to this section for the 66022  
purposes of sections 5705.28 to 5705.40 of the Revised Code, and 66023  
in preparing to certify the tax under section 5705.34 of the 66024  
Revised Code, a board of education authorized to levy such a tax 66025  
shall use information supplied by the department of ~~education~~ 66026  
learning and achievement to determine the adjusted charge-off 66027  
increase for the tax year for which that certification is made. 66028  
If the board levied a tax under this section in the preceding 66029  
tax year, the sum to be certified for collection from the tax 66030  
shall not exceed the sum that would exceed the limitation 66031  
imposed under division (C) of this section. At the request of 66032  
the board of education or the treasurer of the school district, 66033  
the county auditor shall assist the board of education in 66034  
determining the rate or sum that may be levied under this 66035  
section. 66036

The board of education shall certify the sum authorized to 66037  
be levied to the county auditor, and, for the purpose of the 66038  
county auditor determining the rate at which the tax is to be 66039  
levied in the tax year, the sum so certified shall be the sum to 66040  
be raised by the tax unless the sum exceeds the limitation 66041  
imposed by division (C) of this section. A tax levied pursuant 66042  
to this section shall not be levied at a rate in excess of the 66043  
rate estimated by the county auditor to produce the sum 66044  
certified by the board of education before the reductions under 66045  
sections 319.302, 323.152, and 323.158 of the Revised Code. 66046  
Notwithstanding section 5705.34 of the Revised Code, a board of 66047  
education authorized to levy a tax under this section shall 66048  
certify the tax to the county auditor before the first day of 66049  
October of the tax year in which the tax is to be levied, or at 66050

a later date as approved by the tax commissioner. 66051

county school financing district that has issued notes in 66056

The amount shall not exceed the following: 66067

(A) In the case of a school district: 66068

5705.21 of the Revised Code, the amount by which the total 66070  
estimated proceeds of the levy remaining to be collected 66071  
throughout its life exceeds the amount from such proceeds 66072  
required to pay the principal and interest on notes issued under 66073  
section 5705.21 of the Revised Code and the interest on any 66074  
notes issued under this section; 66075

(2) For levies described under division (D)(3) of section 66076

(B) In the case of a county school financing district, the 66084

principal and interest on notes issued under section 5705.215 of 66088  
the Revised Code and the interest on any notes issued under this 66089  
section. 66090

The ~~superintendent~~ department shall examine the 66091  
application and any other relevant information submitted and 66092  
shall determine and certify the maximum amount of notes the 66093  
district may issue under this section, which may be an amount 66094  
less than the amount requested by the district. 66095

If the ~~superintendent~~ department determines that the 66096  
anticipated proceeds from the levy may be significantly less 66097  
than expected and that additional notes should not be issued, 66098  
the ~~superintendent~~ department may deny the application and give 66099  
written notice of the denial to the president of the district's 66100  
board of education or the taxing authority. 66101

deficit during the first three years of the five-year period. 66141

The auditor of state or the department may conduct any 66142  
further audits or analyses necessary to assess any district's 66143  
fiscal condition. If further audits or analyses are conducted by 66144  
the auditor of state, the auditor of state shall notify the 66145

conducted by the department, the department shall immediately 66151  
notify the district and the auditor of state of such potential 66152  
deficit or strong indications thereof. 66153

A district notified under this section shall take 66154  
immediate steps to eliminate any deficit in the current fiscal 66155  
year and shall begin to plan to avoid the projected future 66156

Revised Code will exceed the lesser of the following amounts: 66169

- (1) Five hundred thousand dollars; 66170
- (2) One per cent of the total revenue to be credited in 66171  
the current fiscal year to the district's general fund, as 66172

resources certified under section 5705.36 of the Revised Code. 66174
- (B) (1) Notwithstanding section 5705.41 of the Revised 66175  
Code, no school district shall adopt any appropriation measure, 66176  
make any qualifying contract, or increase during any school year 66177

to each of the local taxing units in proportion to the square 67104  
mileage of the merged or annexed territory as a percentage of 67105  
the total square mileage of the jurisdiction from which the 67106  
territory originated, or as otherwise provided by a written 67107

agreement between the legislative authorities of the local 67108

taxing district in the auditor's county in which an adjustment 67123  
was required. 67124

(3) If the commissioner increases or decreases the 67125  
aggregate value of the real property or any class thereof in any 67126  
county or taxing district thereof and does not receive within 67127  
ninety days thereafter an adjusted abstract conforming to its 67128  
statement for such county or taxing district therein, the 67129  
commissioner shall withhold from such county or taxing district 67130  
therein fifty per cent of its share in the distribution of state 67131

the levy and collection of the current year's taxes in the 67145  
manner prescribed by law. The taxes shall be determined and 67146  
collected as if the commissioner had determined under section 67147  
5715.24 of the Revised Code that the real property and the 67148

abstract were assessed for taxation and the true and 67150  
agricultural use values were recorded on the agricultural land 67151  
tax list as required by law. 67152

(2) If as a result of the appeal to the board it is 67153  
finally determined either that all real property and the various 67154  
classes thereof have not been assessed as required by law or 67155  
that the values set forth in the agricultural land tax list do 67156  
not correctly reflect the true and agricultural use values of 67157  
the lands contained therein, the county auditor shall forthwith 67158  
add to or deduct from each tract, lot, or parcel of real 67159  
property or class of real property the required percentage or 67160

board or judgment of the court to which the board's order was 67162  
appealed, and the taxes on each tract, lot, or parcel and the 67163  
percentages required by section 319.301 of the Revised Code 67164  
shall be recomputed using the valuation as finally determined. 67165  
The order or judgment making the final determination shall 67166  
prescribe the time and manner for collecting, crediting, or 67167  
refunding the resultant increases or decreases in taxes. 67168

**Sec. 5715.34.** (A) When a reassessment of all real 67169  
property, or any class of property, situated in the county, 67170

achievement to withhold therefrom its share in the distribution 67195  
of state revenue to school districts pursuant to Title XXXIII of 67196

distribution of such funds until such county auditor has 67198  
complied with all the provisions of this section, and the 67199

shall certify to the department of ~~education-learning and~~ 67626  
achievement the tax value loss determined under divisions (D) 67627  
and (E) of this section for each taxing district, the fixed-rate 67628  
levy loss calculated under division (G) of this section, and the 67629  
fixed-sum levy loss calculated under division (H) of this 67630  
section. The calculations under divisions (G) and (H) of this 67631  
section shall separately display the levy loss for each levy 67632  
eligible for reimbursement. 67633

(K) Not later than September 1, 2001, the tax commissioner 67634  
shall certify the amount of the fixed-sum levy loss to the 67635  
county auditor of each county in which a school district with a 67636  
fixed-sum levy loss has territory. 67637

**Sec. 5727.85.** No determinations, computations, 67638  
certifications, or payments shall be made under this section 67639  
after June 30, 2015. 67640

(A) By the thirty-first day of July of each year, 67641

beginning in 2002 and ending in 2010, the department of 67642  
~~education-learning and achievement~~ shall determine the following 67643  
for each school district and each joint vocational school 67644  
district: 67645

(1) The state education aid offset, which, except as 67646  
provided in division (A) (1) (c) of this section, is the 67647  
difference obtained by subtracting the amount described in 67648  
division (A) (1) (b) of this section from the amount described in 67649  
division (A) (1) (a) of this section: 67650

(a) The state education aid computed for the school 67651  
district or joint vocational school district for the current 67652  
fiscal year as of the thirty-first day of July; 67653

(b) The state education aid that would be computed for the 67654  
school district or joint vocational school district for the 67655  
current fiscal year as of the thirty-first day of July if the 67656  
recognized valuation included the tax value loss for the school 67657  
district or joint vocational school district; 67658

(c) The state education aid offset for fiscal year 2010 67659  
and fiscal year 2011 equals the greater of the state education 67660  
aid offset calculated for that fiscal year under divisions (A) 67661  
(1) (a) and (b) of this section or the state education aid offset 67662  
calculated for fiscal year 2009. 67663

(2) For fiscal years 2008 through 2011, the greater of 67664  
zero or the difference obtained by subtracting the state 67665  
education aid offset determined under division (A) (1) of this 67666  
section from the fixed-rate levy loss certified under division 67667  
(J) of section 5727.84 of the Revised Code for all taxing 67668  
districts in each school district and joint vocational school 67669  
district. 67670

By the fifth day of August of each such year, the department ~~of education~~ shall certify the amount so determined under division (A) (1) of this section to the director of budget and management.

(B) Not later than the thirty-first day of October of the years 2006 through 2010, the department ~~of education~~ shall determine all of the following for each school district:

(2) The inflation-adjusted property tax loss. The inflation-adjusted property tax loss equals the fixed-rate levy loss, excluding the tax loss from levies within the ten-mill limitation to pay debt charges, determined under division (D) of section 5727.84 of the Revised Code for all taxing districts in each school district, plus the product obtained by multiplying that loss by the cumulative percentage increase in the consumer price index from January 1, 2002, to the thirtieth day of June of the current year.

(3) The difference obtained by subtracting the amount computed under division (B) (1) from the amount of the inflation-adjusted property tax loss. If this difference is zero or a negative number, no further payments shall be made under division (C) of this section to the school district from the

school district property tax replacement fund. 67701

(C) Beginning in 2002 for school districts and beginning 67702  
in August 2011 for joint vocational school districts, the 67703  
department ~~of education~~ shall pay from the school district 67704  
property tax replacement fund to each school district all of the 67705  
following: 67706

(1) In February 2002, one-half of the fixed-rate levy loss 67707  
certified under division (G) of section 5727.84 of the Revised 67708  
Code between the twenty-first and twenty-eighth days of 67709  
February. 67710

(2) From August 2002 through February 2011, one-half of 67711  
the amount calculated for that fiscal year under division (A) (2) 67712  
of this section between the twenty-first and twenty-eighth days 67713  
of August and of February, provided the difference computed 67714  
under division (B) (3) of this section is not less than or equal 67715  
to zero. 67716

(3) For fiscal years 2012 and thereafter, the sum of the 67717  
amounts in divisions (C) (3) (a) or (b) and (c) of this section 67718  
shall be paid on or before the thirty-first day of August and 67719  
the twenty-eighth day of February: 67720

(a) If the ratio of 2011 current expense S.B. 3 allocation 67721  
to total resources is equal to or less than the threshold per 67722  
cent, zero; 67723

(b) If the ratio of 2011 current expense S.B. 3 allocation 67724  
to total resources is greater than the threshold per cent, fifty 67725  
per cent of the difference of 2011 current expense S.B. 3 67726  
allocation minus the product of total resources multiplied by 67727  
the threshold per cent; 67728

(c) Fifty per cent of the product of 2011 non-current 67729

expense S.B. 3 allocation multiplied by seventy-five per cent 67730  
for fiscal year 2012 and fifty per cent for fiscal years 2013 67731  
and thereafter. 67732

The department ~~of education~~ shall report to each school 67733  
district the apportionment of the payments among the school 67734  
district's funds based on the certifications under division (J) 67735  
of section 5727.84 of the Revised Code. 67736

(D) For taxes levied within the ten-mill limitation for 67737  
debt purposes in tax year 1998 in the case of electric company 67738  
tax value losses, and in tax year 1999 in the case of natural 67739  
gas company tax value losses, payments shall be made equal to 67740  
one hundred per cent of the loss computed as if the tax were a 67741  
fixed-rate levy, but those payments shall extend from fiscal 67742  
year 2006 through fiscal year 2016. 67743

(E) Not later than January 1, 2002, for all taxing 67744  
districts in each joint vocational school district, the tax 67745  
commissioner shall certify to the department of ~~education~~ 67746  
learning and achievement the fixed-rate levy loss determined 67747  
under division (G) of section 5727.84 of the Revised Code. From 67748  
February 2002 through February 2011, the department shall pay 67749  
from the school district property tax replacement fund to the 67750  
joint vocational school district one-half of the amount 67751  
calculated for that fiscal year under division (A)(2) of this 67752  
section between the twenty-first and twenty-eighth days of 67753  
August and of February. 67754

(F) (1) Not later than January 1, 2002, for each fixed-sum 67755  
levy levied by each school district or joint vocational school 67756  
district and for each year for which a determination is made 67757  
under division (H) of section 5727.84 of the Revised Code that a 67758  
fixed-sum levy loss is to be reimbursed, the tax commissioner 67759

shall certify to the department of ~~education-learning and~~ 67760  
achievement the fixed-sum levy loss determined under that 67761  
division. The certification shall cover a time period sufficient 67762  
to include all fixed-sum levies for which the tax commissioner 67763  
made such a determination. The department shall pay from the 67764  
school district property tax replacement fund to the school 67765  
district or joint vocational school district one-half of the 67766  
fixed-sum levy loss so certified for each year between the 67767  
twenty-first and twenty-eighth days of August and of February. 67768

(2) Beginning in 2003, by the thirty-first day of January 67769  
of each year, the tax commissioner shall review the 67770  
certification originally made under division (F) (1) of this 67771  
section. If the commissioner determines that a debt levy that 67772  
had been scheduled to be reimbursed in the current year has 67773  
expired, a revised certification for that and all subsequent 67774  
years shall be made to the department ~~of education~~. 67775

(G) If the balance of the half-mill equalization fund 67776  
created under section 3318.18 of the Revised Code is 67777  
insufficient to make the full amount of payments required under 67778  
division (D) of that section, the department ~~of education-~~ 67779  
learning and achievement, at the end of the third quarter of the 67780  
fiscal year, shall certify to the director of budget and 67781  
management the amount of the deficiency, and the director shall 67782  
transfer an amount equal to the deficiency from the school 67783  
district property tax replacement fund to the half-mill 67784  
equalization fund. 67785

(H) Beginning in August 2002, and ending in May 2011, the 67786  
director of budget and management shall transfer from the school 67787  
district property tax replacement fund to the general revenue 67788  
fund each of the following: 67789

(1) Between the twenty-eighth day of August and the fifth day of September, the lesser of one-half of the amount certified for that fiscal year under division (A) (2) of this section or the balance in the school district property tax replacement fund;

67790  
67791  
67792

67795  
67796  
67797  
67798

(I) On the first day of June each year, the director of budget and management shall transfer any balance remaining in the school district property tax replacement fund after the payments have been made under divisions (C), (D), (E), (F), (G), and (H) of this section to the half-mill equalization fund created under section 3318.18 of the Revised Code to the extent required to make any payments in the current fiscal year under that section, and shall transfer the remaining balance to the general revenue fund.

67799  
67800  
67801  
67802  
67803  
67804  
67805  
67806  
67807

(J) After fiscal year 2002, if the total amount in the school district property tax replacement fund is insufficient to make all payments under divisions (C), (D), (E), (F), and (G) of this section at the time the payments are to be made, the director of budget and management shall transfer from the general revenue fund to the school district property tax replacement fund the difference between the total amount to be paid and the total amount in the school district property tax replacement fund, except that no transfer shall be made by reason of a deficiency to the extent that it results from the amendment of section 5727.84 of the Revised Code by Amended Substitute House Bill No. 95 of the 125th general assembly.

67816  
67817  
67818  
67819

(K) If all of the territory of a school district or joint vocational school district is merged with an existing district, or if a part of the territory of a school district or joint vocational school district is transferred to an existing or new district, the department of ~~education~~ learning and achievement, in consultation with the tax commissioner, shall adjust the payments made under this section as follows:

(1) For the merger of all of the territory of two or more districts, the total resources, 2011 current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, 2011 non-current expense S.B. 3 allocation, and fixed-sum levy loss of the successor district shall be equal to the sum of the total resources, 2011 current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, 2011 non-current expense S.B. 3 allocation, and fixed-sum levy loss for each of the districts involved in the merger.

(2) For the transfer of a part of one district's territory to an existing district, the amount of the total resources, 2011 current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, and 2011 non-current expense S.B. 3 allocation that is transferred to the recipient district shall be an amount equal to the transferring district's total resources, 2011 current expense S.B. 3 allocation, total 2011 S.B. 3 allocation, and 2011 non-current expense S.B. 3 allocation times a fraction, the numerator of which is the number of pupils being transferred to the recipient district, measured, in the case of a school district, by formula ADM as that term is defined in section 3317.02 of the Revised Code or, in the case of a joint vocational school district, by formula ADM as defined for a joint vocational school district in that section, and the denominator of which is the average daily membership or formula

ADM of the transferor district. Fixed-sum levy losses for both 67851  
districts shall be determined under division (K) (4) of this 67852  
section. 67853

(3) For the transfer of a part of the territory of one or 67854  
more districts to create a new district: 67855

(a) If the new district is created on or after January 1, 67856  
2000, but before January 1, 2005, the new district shall be paid 67857  
its current fixed-rate levy loss through August 2009. In 67858  
February 2010, August 2010, and February 2011, the new district 67859  
shall be paid fifty per cent of the lesser of: (i) the amount 67860  
calculated under division (C) (2) of this section or (ii) an 67861  
amount equal to seventy per cent of the new district's fixed- 67862  
rate levy loss. 67863

Beginning in fiscal year 2012, the new district shall be 67864  
paid as provided in division (C) of this section. 67865

Fixed-sum levy losses for the districts shall be 67866  
determined under division (K) (4) of this section. 67867

(b) If the new district is created on or after January 1, 67868  
2005, the new district shall be deemed not to have any fixed- 67869  
rate levy loss or, except as provided in division (K) (4) of this 67870  
section, fixed-sum levy loss. The district or districts from 67871  
which the territory was transferred shall have no reduction in 67872  
their fixed-rate levy loss, or, except as provided in division 67873  
(K) (4) of this section, their fixed-sum levy loss. 67874

(4) If a recipient district under division (K) (2) of this 67875  
section or a new district under division (K) (3) (a) or (b) of 67876  
this section takes on debt from one or more of the districts 67877  
from which territory was transferred, and any of the districts 67878  
transferring the territory had fixed-sum levy losses, the 67879

~~department of education~~, in consultation with the tax 67880  
commissioner, shall make an equitable division of the fixed-sum 67881  
levy losses. 67882

**Sec. 5747.01.** Except as otherwise expressly provided or 67883  
clearly appearing from the context, any term used in this 67884  
chapter that is not otherwise defined in this section has the 67885  
same meaning as when used in a comparable context in the laws of 67886  
the United States relating to federal income taxes or if not 67887  
used in a comparable context in those laws, has the same meaning 67888  
as in section 5733.40 of the Revised Code. Any reference in this 67889  
chapter to the Internal Revenue Code includes other laws of the 67890  
United States relating to federal income taxes. 67891

As used in this chapter: 67892

(A) "Adjusted gross income" or "Ohio adjusted gross 67893  
income" means federal adjusted gross income, as defined and used 67894  
in the Internal Revenue Code, adjusted as provided in this 67895  
section: 67896

(1) Add interest or dividends on obligations or securities 67897  
of any state or of any political subdivision or authority of any 67898  
state, other than this state and its subdivisions and 67899  
authorities. 67900

(2) Add interest or dividends on obligations of any 67901  
authority, commission, instrumentality, territory, or possession 67902  
of the United States to the extent that the interest or 67903  
dividends are exempt from federal income taxes but not from 67904  
state income taxes. 67905

(3) Deduct interest or dividends on obligations of the 67906  
United States and its territories and possessions or of any 67907  
authority, commission, or instrumentality of the United States 67908

to the extent that the interest or dividends are included in 67909  
federal adjusted gross income but exempt from state income taxes 67910  
under the laws of the United States. 67911

(4) Deduct disability and survivor's benefits to the 67912  
extent included in federal adjusted gross income. 67913

(5) Deduct benefits under Title II of the Social Security 67914  
Act and tier 1 railroad retirement benefits to the extent 67915  
included in federal adjusted gross income under section 86 of 67916  
the Internal Revenue Code. 67917

(6) In the case of a taxpayer who is a beneficiary of a 67918  
trust that makes an accumulation distribution as defined in 67919  
section 665 of the Internal Revenue Code, add, for the 67920  
beneficiary's taxable years beginning before 2002, the portion, 67921  
if any, of such distribution that does not exceed the 67922  
undistributed net income of the trust for the three taxable 67923  
years preceding the taxable year in which the distribution is 67924  
made to the extent that the portion was not included in the 67925  
trust's taxable income for any of the trust's taxable years 67926  
beginning in 2002 or thereafter. "Undistributed net income of a 67927  
trust" means the taxable income of the trust increased by (a) (i) 67928  
the additions to adjusted gross income required under division 67929  
(A) of this section and (ii) the personal exemptions allowed to 67930  
the trust pursuant to section 642(b) of the Internal Revenue 67931  
Code, and decreased by (b) (i) the deductions to adjusted gross 67932  
income required under division (A) of this section, (ii) the 67933  
amount of federal income taxes attributable to such income, and 67934  
(iii) the amount of taxable income that has been included in the 67935  
adjusted gross income of a beneficiary by reason of a prior 67936  
accumulation distribution. Any undistributed net income included 67937  
in the adjusted gross income of a beneficiary shall reduce the 67938

undistributed net income of the trust commencing with the 67939  
earliest years of the accumulation period. 67940

(7) Deduct the amount of wages and salaries, if any, not 67941  
otherwise allowable as a deduction but that would have been 67942  
allowable as a deduction in computing federal adjusted gross 67943  
income for the taxable year, had the targeted jobs credit 67944  
allowed and determined under sections 38, 51, and 52 of the 67945  
Internal Revenue Code not been in effect. 67946

(8) Deduct any interest or interest equivalent on public 67947  
obligations and purchase obligations to the extent that the 67948  
interest or interest equivalent is included in federal adjusted 67949  
gross income. 67950

(9) Add any loss or deduct any gain resulting from the 67951  
sale, exchange, or other disposition of public obligations to 67952  
the extent that the loss has been deducted or the gain has been 67953  
included in computing federal adjusted gross income. 67954

(10) Deduct or add amounts, as provided under section 67955  
5747.70 of the Revised Code, related to contributions to 67956  
variable college savings program accounts made or tuition units 67957  
purchased pursuant to Chapter 3334. of the Revised Code. 67958

(11) (a) Deduct, to the extent not otherwise allowable as a 67959  
deduction or exclusion in computing federal or Ohio adjusted 67960  
gross income for the taxable year, the amount the taxpayer paid 67961  
during the taxable year for medical care insurance and qualified 67962  
long-term care insurance for the taxpayer, the taxpayer's 67963  
spouse, and dependents. No deduction for medical care insurance 67964  
under division (A) (11) of this section shall be allowed either 67965  
to any taxpayer who is eligible to participate in any subsidized 67966  
health plan maintained by any employer of the taxpayer or of the 67967

taxpayer's spouse, or to any taxpayer who is entitled to, or on 67968  
application would be entitled to, benefits under part A of Title 67969  
XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 67970  
U.S.C. 301, as amended. For the purposes of division (A) (11) (a) 67971  
of this section, "subsidized health plan" means a health plan 67972  
for which the employer pays any portion of the plan's cost. The 67973  
deduction allowed under division (A) (11) (a) of this section 67974  
shall be the net of any related premium refunds, related premium 67975  
reimbursements, or related insurance premium dividends received 67976  
during the taxable year. 67977

(b) Deduct, to the extent not otherwise deducted or 67978  
excluded in computing federal or Ohio adjusted gross income 67979  
during the taxable year, the amount the taxpayer paid during the 67980  
taxable year, not compensated for by any insurance or otherwise, 67981  
for medical care of the taxpayer, the taxpayer's spouse, and 67982  
dependents, to the extent the expenses exceed seven and one-half 67983  
per cent of the taxpayer's federal adjusted gross income. 67984

(c) Deduct, to the extent not otherwise deducted or 67985  
excluded in computing federal or Ohio adjusted gross income, any 67986  
amount included in federal adjusted gross income under section 67987  
105 or not excluded under section 106 of the Internal Revenue 67988  
Code solely because it relates to an accident and health plan 67989  
for a person who otherwise would be a "qualifying relative" and 67990  
thus a "dependent" under section 152 of the Internal Revenue 67991  
Code but for the fact that the person fails to meet the income 67992  
and support limitations under section 152(d) (1) (B) and (C) of 67993  
the Internal Revenue Code. 67994

(d) For purposes of division (A) (11) of this section, 67995  
"medical care" has the meaning given in section 213 of the 67996  
Internal Revenue Code, subject to the special rules, 67997

limitations, and exclusions set forth therein, and "qualified 67998  
long-term care" has the same meaning given in section 7702B(c) 67999  
of the Internal Revenue Code. Solely for purposes of divisions 68000  
(A) (11) (a) and (c) of this section, "dependent" includes a 68001  
person who otherwise would be a "qualifying relative" and thus a 68002  
"dependent" under section 152 of the Internal Revenue Code but 68003  
for the fact that the person fails to meet the income and 68004  
support limitations under section 152(d) (1) (B) and (C) of the 68005  
Internal Revenue Code. 68006

(12) (a) Deduct any amount included in federal adjusted 68007  
gross income solely because the amount represents a 68008  
reimbursement or refund of expenses that in any year the 68009  
taxpayer had deducted as an itemized deduction pursuant to 68010  
section 63 of the Internal Revenue Code and applicable United 68011  
States department of the treasury regulations. The deduction 68012  
otherwise allowed under division (A) (12) (a) of this section 68013  
shall be reduced to the extent the reimbursement is attributable 68014  
to an amount the taxpayer deducted under this section in any 68015  
taxable year. 68016

(b) Add any amount not otherwise included in Ohio adjusted 68017  
gross income for any taxable year to the extent that the amount 68018

taxable year and did not qualify for a credit under division (A) 68028  
or (B) of section 5747.05 of the Revised Code for that year; 68029

(b) It does not otherwise reduce the taxpayer's adjusted 68030  
gross income for the current or any other taxable year. 68031

net investment earnings of, a medical savings account during the 68033  
taxable year, in accordance with section 3924.66 of the Revised 68034

taxable year from the taxpayer's federal adjusted gross income. 68038

(15) (a) Add an amount equal to the funds withdrawn from a 68039  
medical savings account during the taxable year, and the net 68040

amount satisfies either of the following: 68050

(a) The amount was deducted or excluded from the 68051  
computation of the taxpayer's federal adjusted gross income as 68052  
required to be reported for the taxpayer's taxable year under 68053  
the Internal Revenue Code; 68054

(b) The amount resulted in a reduction of the taxpayer's 68055  
federal adjusted gross income as required to be reported for any 68056

of the taxpayer's taxable years under the Internal Revenue Code. 68057

(17) Deduct the amount contributed by the taxpayer to an 68058  
individual development account program established by a county 68059  
department of job and family services pursuant to sections 68060  
329.11 to 329.14 of the Revised Code for the purpose of matching 68061  
funds deposited by program participants. On request of the tax 68062  
commissioner, the taxpayer shall provide any information that, 68063  
in the tax commissioner's opinion, is necessary to establish the 68064  
amount deducted under division (A) (17) of this section. 68065

taxable year beginning after December 31, 2005, if the taxpayer 68067

dollars, deduct amounts paid during the taxable year for 68073  
qualified tuition and fees paid to an eligible institution for 68074  
the taxpayer, the taxpayer's spouse, or any dependent of the 68075  
taxpayer, who is a resident of this state and is enrolled in or 68076  
attending a program that culminates in a degree or diploma at an 68077  
eligible institution. The deduction may be claimed only to the 68078  
extent that qualified tuition and fees are not otherwise 68079  
deducted or excluded for any taxable year from federal or Ohio 68080  
adjusted gross income. The deduction may not be claimed for 68081  
educational expenses for which the taxpayer claims a credit 68082  
under section 5747.27 of the Revised Code. 68083

(19) Add any reimbursement received during the taxable 68084  
year of any amount the taxpayer deducted under division (A) (18) 68085  
of this section in any previous taxable year to the extent the 68086

amount is not otherwise included in Ohio adjusted gross income. 68087

(20) (a) (i) Subject to divisions (A) (20) (a) (iii), (iv), and 68088

the Internal Revenue Code, including the taxpayer's 68091  
proportionate or distributive share of the amount of 68092  
depreciation expense allowed by that subsection to a pass- 68093  
through entity in which the taxpayer has a direct or indirect 68094  
ownership interest. 68095

(ii) Subject to divisions (A) (20) (a) (iii), (iv), and (v) 68096  
of this section, add five-sixths of the amount of qualifying 68097  
section 179 depreciation expense, including the taxpayer's 68098  
proportionate or distributive share of the amount of qualifying 68099  
section 179 depreciation expense allowed to any pass-through 68100  
entity in which the taxpayer has a direct or indirect ownership 68101  
interest. 68102

(iii) Subject to division (A) (20) (a) (v) of this section, 68103  
for taxable years beginning in 2012 or thereafter, if the 68104  
increase in income taxes withheld by the taxpayer is equal to or 68105  
greater than ten per cent of income taxes withheld by the 68106  
taxpayer during the taxpayer's immediately preceding taxable 68107  
year, "two-thirds" shall be substituted for "five-sixths" for 68108  
the purpose of divisions (A) (20) (a) (i) and (ii) of this section. 68109

(iv) Subject to division (A) (20) (a) (v) of this section, 68110  
for taxable years beginning in 2012 or thereafter, a taxpayer is 68111  
not required to add an amount under division (A) (20) of this 68112  
section if the increase in income taxes withheld by the taxpayer 68113  
and by any pass-through entity in which the taxpayer has a 68114  
direct or indirect ownership interest is equal to or greater 68115  
than the sum of (I) the amount of qualifying section 179 68116

depreciation expense and (II) the amount of depreciation expense 68117  
allowed to the taxpayer by subsection (k) of section 168 of the 68118  
Internal Revenue Code, and including the taxpayer's 68119  
proportionate or distributive shares of such amounts allowed to 68120  
any such pass-through entities. 68121

(v) If a taxpayer directly or indirectly incurs a net 68122  
operating loss for the taxable year for federal income tax 68123  
purposes, to the extent such loss resulted from depreciation 68124  
expense allowed by subsection (k) of section 168 of the Internal 68125  
Revenue Code and by qualifying section 179 depreciation expense, 68126  
"the entire" shall be substituted for "five-sixths of the" for 68127  
the purpose of divisions (A) (20) (a) (i) and (ii) of this section. 68128

The tax commissioner, under procedures established by the 68129  
commissioner, may waive the add-backs related to a pass-through 68130

five per cent of the pass-through entity. 68132

(b) Nothing in division (A) (20) of this section shall be 68133  
construed to adjust or modify the adjusted basis of any asset. 68134

(c) To the extent the add-back required under division (A) 68135  
(20) (a) of this section is attributable to property generating 68136  
nonbusiness income or loss allocated under section 5747.20 of 68137  
the Revised Code, the add-back shall be situated to the same 68138  
location as the nonbusiness income or loss generated by the 68139  
property for the purpose of determining the credit under 68140  
division (A) of section 5747.05 of the Revised Code. Otherwise, 68141  
the add-back shall be apportioned, subject to one or more of the 68142  
four alternative methods of apportionment enumerated in section 68143  
5747.21 of the Revised Code. 68144

(d) For the purposes of division (A) (20) (a) (v) of this 68145

section, net operating loss carryback and carryforward shall not 68146  
include the allowance of any net operating loss deduction 68147  
carryback or carryforward to the taxable year to the extent such 68148  
loss resulted from depreciation allowed by section 168(k) of the 68149  
Internal Revenue Code and by the qualifying section 179 68150  
depreciation expense amount. 68151

(e) For the purposes of divisions (A) (20) and (21) of this 68152  
section: 68153

(i) "Income taxes withheld" means the total amount 68154  
withheld and remitted under sections 5747.06 and 5747.07 of the 68155  
Revised Code by an employer during the employer's taxable year. 68156

(ii) "Increase in income taxes withheld" means the amount 68157  
by which the amount of income taxes withheld by an employer 68158  
during the employer's current taxable year exceeds the amount of 68159  
income taxes withheld by that employer during the employer's 68160  
immediately preceding taxable year. 68161

(iii) "Qualifying section 179 depreciation expense" means 68162  
the difference between (I) the amount of depreciation expense 68163  
directly or indirectly allowed to a taxpayer under section 179 68164  
of the Internal Revised Code, and (II) the amount of 68165  
depreciation expense directly or indirectly allowed to the 68166  
taxpayer under section 179 of the Internal Revenue Code as that 68167  
section existed on December 31, 2002. 68168

(21) (a) If the taxpayer was required to add an amount 68169  
under division (A) (20) (a) of this section for a taxable year, 68170  
deduct one of the following: 68171

(i) One-fifth of the amount so added for each of the five 68172  
succeeding taxable years if the amount so added was five-sixths 68173

expense allowed by subsection (k) of section 168 of the Internal Revenue Code; 68175  
68176

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense; 68177  
68178  
68179

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added. 68180  
68181  
68182

(b) If the amount deducted under division (A) (21) (a) of this section is attributable to an add-back allocated under division (A) (20) (c) of this section, the amount deducted shall be situated to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code. 68183  
68184  
68185  
68186  
68187  
68188  
68189  
68190

(c) No deduction is available under division (A) (21) (a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A) (21) (a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A) (20) (a) of this section has been deducted. 68191

taxable year as reimbursement for life insurance premiums under 68209  
section 5919.31 of the Revised Code. 68210

(c) With respect to a trust other than a charitable lead 68388  
trust, "qualifying beneficiary" has the same meaning as 68389  
"potential current beneficiary" as defined in section 1361(e) (2) 68390  
of the Internal Revenue Code, and with respect to a charitable 68391  
lead trust "qualifying beneficiary" is any current, future, or 68392  
contingent beneficiary, but with respect to any trust 68393  
"qualifying beneficiary" excludes a person or a governmental 68394  
entity or instrumentality to any of which a contribution would 68395  
qualify for the charitable deduction under section 170 of the 68396  
Internal Revenue Code. 68397

(d) For the purposes of division (I) (3) (a) of this 68398  
section, the extent to which a trust consists directly or 68399  
indirectly, in whole or in part, of assets, net of any related 68400  
liabilities, that were transferred directly or indirectly, in 68401  
whole or part, to the trust by any of the sources enumerated in 68402  
that division shall be ascertained by multiplying the fair 68403  
market value of the trust's assets, net of related liabilities, 68404  
by the qualifying ratio, which shall be computed as follows: 68405

(i) The first time the trust receives assets, the 68406  
numerator of the qualifying ratio is the fair market value of 68407  
those assets at that time, net of any related liabilities, from 68408  
sources enumerated in division (I) (3) (a) of this section. The 68409

denominator of the qualifying ratio is the fair market value of 68410  
all the trust's assets at that time, net of any related 68411  
liabilities. 68412

(ii) Each subsequent time the trust receives assets, a 68413  
revised qualifying ratio shall be computed. The numerator of the 68414  
revised qualifying ratio is the sum of (1) the fair market value 68415  
of the trust's assets immediately prior to the subsequent 68416  
transfer, net of any related liabilities, multiplied by the 68417  
qualifying ratio last computed without regard to the subsequent 68418  
transfer, and (2) the fair market value of the subsequently 68419  
transferred assets at the time transferred, net of any related 68420  
liabilities, from sources enumerated in division (I) (3) (a) of 68421  
this section. The denominator of the revised qualifying ratio is 68422  
the fair market value of all the trust's assets immediately 68423  
after the subsequent transfer, net of any related liabilities. 68424

(iii) Whether a transfer to the trust is by or from any of 68425  
the sources enumerated in division (I) (3) (a) of this section 68426  
shall be ascertained without regard to the domicile of the 68427  
trust's beneficiaries. 68428

section: 68430

trust is an irrevocable inter vivos trust, and at least one of 68439

for purposes of this chapter during all or some portion of the 68441

(f) For the purposes of division (I) (3) (e) (ii) of this 68443  
section, a "qualifying transfer" is a transfer of assets, net of 68444  
any related liabilities, directly or indirectly to a trust, if 68445  
the transfer is described in any of the following: 68446

decedent before the decedent's death and while the decedent was 68448  
domiciled in this state for the purposes of this chapter, and, 68449

while the decedent was domiciled in this state for the purposes 68451  
of this chapter. 68452

of this chapter, and prior to the death of the decedent the 68457  
trust became irrevocable while the decedent was domiciled in 68458  
this state for the purposes of this chapter. 68459

(iii) The transfer is made on account of a contractual 68460

transferor and either the decedent or the estate of the decedent 68462  
at any time prior to the date of the decedent's death, and the 68463

purposes of the taxes levied under Chapter 5731. of the Revised 68465  
Code. 68466

(iv) The transfer is made to a trust on account of a 68467

testator's death for purposes of the taxes levied under Chapter 68474  
5731. of the Revised Code. 68475

(vi) The transfer is made to a trust created by or caused 68476

under Chapter 5731. of the Revised Code, was domiciled in this 68480  
state at the time of the individual's death. 68481

federal income tax return. 68506

to the extent that the interest or dividends are exempt from 68555  
state taxes under the laws of the United States, but only to the 68556  
extent that such amount is included in federal taxable income 68557  
and is described in either division (S) (1) (a) or (b) of this 68558

taxable year; 68581

(a) It is allowable for repayment of an item that was 68606  
included in the taxpayer's taxable income or the decedent's 68607  
adjusted gross income for a prior taxable year and did not 68608  
qualify for a credit under division (A) or (B) of section 68609  
5747.05 of the Revised Code for that year. 68610

required to add or deduct under division (A) (20) or (21) of this 68647  
section if the taxpayer's Ohio taxable income were computed in 68648  
the same manner as an individual's Ohio adjusted gross income is 68649  
computed under this section. In the case of a trust, division 68650

respect to a trust or portion of a trust that is not a resident 68764  
as ascertained in accordance with division (I) (3) (d) of this 68765  
section, the trust's portion of modified nonbusiness income 68766  
recognized from the sale, exchange, or other disposition of a 68767  
debt interest in or equity interest in a section 5747.212 68768  
entity, as defined in section 5747.212 of the Revised Code, 68769  
without regard to division (A) of that section, shall not be 68770  
allocated to this state in accordance with section 5747.20 of 68771  
the Revised Code but shall be apportioned to this state in 68772  
accordance with division (B) of section 5747.212 of the Revised 68773  
Code without regard to division (A) of that section. 68774

If the allocation and apportionment of a trust's income 68775  
under divisions (BB) (4) (a) and (c) of this section do not fairly 68776  
represent the modified Ohio taxable income of the trust in this 68777  
state, the alternative methods described in division (C) of 68778  
section 5747.21 of the Revised Code may be applied in the manner 68779  
and to the same extent provided in that section. 68780

(5) (a) Except as set forth in division (BB) (5) (b) of this 68781  
section, "qualifying investee" means a person in which a trust 68782  
has an equity or ownership interest, or a person or unit of 68783  
government the debt obligations of either of which are owned by 68784  
a trust. For the purposes of division (BB) (2) (a) of this section 68785  
and for the purpose of computing the fraction described in 68786

division (BB) (4) (b) of this section, all of the following apply: 68787

(i) If the qualifying investee is a member of a qualifying 68788  
controlled group on the last day of the qualifying investee's 68789  
fiscal or calendar year ending immediately prior to the date on 68790  
which the trust recognizes the gain or loss, then "qualifying 68791  
investee" includes all persons in the qualifying controlled 68792  
group on such last day. 68793

(ii) If the qualifying investee, or if the qualifying 68794  
investee and any members of the qualifying controlled group of 68795  
which the qualifying investee is a member on the last day of the 68796  
qualifying investee's fiscal or calendar year ending immediately 68797  
prior to the date on which the trust recognizes the gain or 68798  
loss, separately or cumulatively own, directly or indirectly, on 68799  
the last day of the qualifying investee's fiscal or calendar 68800  
year ending immediately prior to the date on which the trust 68801  
recognizes the qualifying trust amount, more than fifty per cent 68802  
of the equity of a pass-through entity, then the qualifying 68803  
investee and the other members are deemed to own the 68804  
proportionate share of the pass-through entity's physical assets 68805  
which the pass-through entity directly or indirectly owns on the 68806  
last day of the pass-through entity's calendar or fiscal year 68807  
ending within or with the last day of the qualifying investee's 68808  
fiscal or calendar year ending immediately prior to the date on 68809  
which the trust recognizes the qualifying trust amount. 68810

(iii) For the purposes of division (BB) (5) (a) (iii) of this 68811  
section, "upper level pass-through entity" means a pass-through 68812  
entity directly or indirectly owning any equity of another pass- 68813  
through entity, and "lower level pass-through entity" means that 68814  
other pass-through entity. 68815

An upper level pass-through entity, whether or not it is 68816

also a qualifying investee, is deemed to own, on the last day of 68817  
the upper level pass-through entity's calendar or fiscal year, 68818  
the proportionate share of the lower level pass-through entity's 68819  
physical assets that the lower level pass-through entity 68820  
directly or indirectly owns on the last day of the lower level 68821  
pass-through entity's calendar or fiscal year ending within or 68822  
with the last day of the upper level pass-through entity's 68823  
fiscal or calendar year. If the upper level pass-through entity 68824  
directly and indirectly owns less than fifty per cent of the 68825  
equity of the lower level pass-through entity on each day of the 68826  
upper level pass-through entity's calendar or fiscal year in 68827  
which or with which ends the calendar or fiscal year of the 68828  
lower level pass-through entity and if, based upon clear and 68829  
convincing evidence, complete information about the location and 68830  
cost of the physical assets of the lower pass-through entity is 68831  
not available to the upper level pass-through entity, then 68832  
solely for purposes of ascertaining if a gain or loss 68833  
constitutes a qualifying trust amount, the upper level pass- 68834  
through entity shall be deemed as owning no equity of the lower 68835  
level pass-through entity for each day during the upper level 68836  
pass-through entity's calendar or fiscal year in which or with 68837  
which ends the lower level pass-through entity's calendar or 68838  
fiscal year. Nothing in division (BB) (5) (a) (iii) of this section 68839  
shall be construed to provide for any deduction or exclusion in 68840  
computing any trust's Ohio taxable income. 68841

(b) With respect to a trust that is not a resident for the 68842  
taxable year and with respect to a part of a trust that is not a 68843  
resident for the taxable year, "qualifying investee" for that 68844  
taxable year does not include a C corporation if both of the 68845  
following apply: 68846

(i) During the taxable year the trust or part of the trust 68847

recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation. 68848  
68849  
68850

(ii) Such gain or loss constitutes nonbusiness income. 68851

(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss. 68852  
68853  
68854  
68855

(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code. 68856  
68857

(DD) "Related member" has the same meaning as in section 5733.042 of the Revised Code. 68858  
68859

(a) "Qualifying person" means any person other than a qualifying corporation. 68861  
68862

68869

68872  
68873  
68874

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

to the total dollar value realized from the taxpayer exercise of 68917

preceding calendar quarter. 68919

(B) (1) Following the crediting of moneys pursuant to 68920  
division (A) of this section, the remainder deposited in the 68921

In computing the fixed-rate levy losses under divisions 69649  
(D) (1), (2), and (3) of this section for any school district, 69650  
joint vocational school district, or local taxing unit to which 69651  
division (C) (5) of this section applies, the taxable value of 69652  
such property as listed on the general tax list of personal 69653  
property for tax year 2000 shall be substituted for the taxable 69654

purpose of making the computations under divisions (D) (1), (2), 69659  
and (3) of this section, the tax year 2000 valuation is to be 69660  
allocated to machinery and equipment, inventory, and furniture 69661  
and fixtures property in the same proportions as the tax year 69662  
2004 values. For the purpose of the calculations in division (A) 69663  
of section 5751.21 of the Revised Code, the tax year 2004 69664  
taxable values shall be used. 69665

To facilitate the calculations required under division (C) 69666  
of this section, the county auditor, upon request from the tax 69667  
commissioner, shall provide by August 1, 2005, the values of 69668  
machinery and equipment, inventory, and furniture and fixtures 69669  
for all single-county personal property taxpayers for tax year 69670  
2004. 69671

(D) Not later than September 15, 2005, the tax 69672  
commissioner shall determine for each tax year from 2006 through 69673  
2009 for each school district, joint vocational school district, 69674  
and local taxing unit its machinery and equipment, inventory, 69675  
and furniture and fixtures fixed-rate levy losses, and for each 69676  
tax year from 2006 through 2011 its telephone property fixed- 69677  
rate levy loss. Except as provided in division (F) of this 69678  
section, such losses are the applicable amounts described in 69679  
divisions (D) (1), (2), (3), and (4) of this section: 69680

(1) The machinery and equipment fixed-rate levy loss is 69681  
the machinery and equipment property tax value loss multiplied 69682  
by the sum of the tax rates of fixed-rate qualifying levies. 69683

(2) The inventory fixed-rate loss is the inventory 69684  
property tax value loss multiplied by the sum of the tax rates 69685  
of fixed-rate qualifying levies. 69686

(3) The furniture and fixtures fixed-rate levy loss is the 69687  
furniture and fixture property tax value loss multiplied by the 69688  
sum of the tax rates of fixed-rate qualifying levies. 69689

(4) The telephone property fixed-rate levy loss is the 69690  
telephone property tax value loss multiplied by the sum of the 69691  
tax rates of fixed-rate qualifying levies. 69692

(E) Not later than September 15, 2005, the tax 69693  
commissioner shall determine for each school district, joint 69694

vocational school district, and local taxing unit its fixed-sum 69695  
levy loss. The fixed-sum levy loss is the amount obtained by 69696  
subtracting the amount described in division (E)(2) of this 69697  
section from the amount described in division (E)(1) of this 69698  
section: 69699

(1) The sum of the machinery and equipment property tax 69700  
value loss, the inventory property tax value loss, and the 69701  
furniture and fixtures property tax value loss, and, for 2008 69702  
through 2010, the telephone property tax value loss of the 69703  
district or unit multiplied by the sum of the fixed-sum tax 69704  
rates of qualifying levies. For 2006 through 2010, this 69705  
computation shall include all qualifying levies remaining in 69706  
effect for the current tax year and any school district levies 69707  
charged and payable under section 5705.194 or 5705.213 of the 69708  
Revised Code that are qualifying levies not remaining in effect 69709  
for the current year. For 2011 through 2017 in the case of 69710  
school district levies charged and payable under section 69711  
5705.194 or 5705.213 of the Revised Code and for all years after 69712  
2010 in the case of other fixed-sum levies, this computation 69713

current year. For purposes of this computation, a qualifying 69715  
school district levy charged and payable under section 5705.194 69716  
or 5705.213 of the Revised Code remains in effect in a year 69717  
after 2010 only if, for that year, the board of education levies 69718  
a school district levy charged and payable under section 69719  
5705.194, 5705.199, 5705.213, or 5705.219 of the Revised Code 69720  
for an annual sum at least equal to the annual sum levied by the 69721  
board in tax year 2004 less the amount of the payment certified 69722  
under this division for 2006. 69723

(2) The total taxable value in tax year 2004 less the sum 69724  
of the machinery and equipment, inventory, furniture and 69725

fixtures, and telephone property tax value losses in each school district, joint vocational school district, and local taxing unit multiplied by one-half of one mill per dollar. 69726  
69727  
69728

(3) For the calculations in divisions (E)(1) and (2) of this section, the tax value losses are those that would be calculated for tax year 2009 under divisions (C)(1), (2), and (3) of this section and for tax year 2011 under division (C)(4) of this section. 69729  
69730  
69731  
69732  
69733

(4) To facilitate the calculation under divisions (D) and (E) of this section, not later than September 1, 2005, any school district, joint vocational school district, or local taxing unit that has a qualifying levy that was approved at an election conducted during 2005 before September 1, 2005, shall certify to the tax commissioner a copy of the county auditor's certificate of estimated property tax millage for such levy as required under division (B) of section 5705.03 of the Revised Code, which is the rate that shall be used in the calculations under such divisions. 69734  
69735  
69736  
69737  
69738  
69739  
69740  
69741  
69742  
69743

If the amount determined under division (E) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the reimbursement to be paid pursuant to division (E) of section 5751.21 or division (A)(3) of section 5751.22 of the Revised Code, and the one-half of one mill that is subtracted under division (E)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion that each levy bears to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit. 69744  
69745  
69746  
69747  
69748  
69749  
69750

69752  
69753  
69754

(F) If a school district levies a tax under section 69755

5705.219 of the Revised Code, the fixed-rate levy loss for 69756  
qualifying levies, to the extent repealed under that section, 69757  
shall equal the sum of the following amounts in lieu of the 69758  
amounts computed for such levies under division (D) of this 69759  
section: 69760

(1) The sum of the rates of qualifying levies to the 69761  
extent so repealed multiplied by the sum of the machinery and 69762  
equipment, inventory, and furniture and fixtures tax value 69763  
losses for 2009 as determined under that division; 69764

(2) The sum of the rates of qualifying levies to the 69765  
extent so repealed multiplied by the telephone property tax 69766  
value loss for 2011 as determined under that division. 69767

The fixed-rate levy losses for qualifying levies to the 69768  
extent not repealed under section 5705.219 of the Revised Code 69769  
shall be as determined under division (D) of this section. The 69770  
revised fixed-rate levy losses determined under this division 69771  
and division (D) of this section first apply in the year 69772  
following the first year the district levies the tax under 69773  
section 5705.219 of the Revised Code. 69774

(G) Not later than October 1, 2005, the tax commissioner 69775  
shall certify to the department of ~~education~~ learning and 69776

fixed-rate levy losses determined under division (D) of this 69782  
section, and the fixed-sum levy losses calculated under division 69783  
(E) of this section. The calculations under divisions (D) and 69784  
(E) of this section shall separately display the levy loss for 69785

each levy eligible for reimbursement. 69786

(H) Not later than October 1, 2005, the tax commissioner 69787  
shall certify the amount of the fixed-sum levy losses to the 69788  
county auditor of each county in which a school district, joint 69789  
vocational school district, or local taxing unit with a fixed- 69790

section during the preceding year, except that the percentage 70292  
may be reduced by the war orphans scholarship board in any year 70293  
that insufficient funds are appropriated to fully fund 70294

The director of budget and management may transfer any 70316  
unencumbered balance from the war orphans scholarship reserve 70317

war orphans scholarship in a fiscal year, the director of budget 70321  
and management may transfer funds from the war orphans 70322  
scholarship reserve fund to the general revenue fund in order to 70323

entitled to receive scholarships under this section for the

(2) A scholarship recipient under this section may  
continue to apply for scholarships under this section until the  
recipient has accumulated ninety-six eligibility units.

(3) If a scholarship recipient withdraws from courses  
prior to the end of an academic term so that the recipient's

eligibility units for which the scholarship was paid. 70470

(F) This division applies to any eligible applicant called 70471  
into active duty on or after September 11, 2001. As used in this 70472  
division, "active duty" means active duty pursuant to an 70473

ends, an individual to whom this division applies is eligible 70479  
for scholarships under this section for those academic terms 70480  
that were missed or could have been missed as a result of the 70481  
individual's call into active duty. Scholarships shall not be 70482  
paid for the academic term in which an eligible applicant's 70483  
enlistment obligation ends unless an applicant is eligible under 70484  
this division for a scholarship for such academic term due to 70485  
previous active duty. 70486

(2) When an individual to whom this division applies 70487  
withdraws or otherwise fails to complete courses, for which 70488  
scholarships have been awarded under this section, because the 70489  
individual was called into active duty, the institution of 70490  
higher education shall grant the individual a leave of absence 70491  
from the individual's education program and shall not impose any 70492  
academic penalty for such withdrawal or failure to complete 70493

courses. Division (F) (2) of this section applies regardless of 70494  
whether or not the scholarship amount was paid to the 70495  
institution of higher education. 70496

(3) If an individual to whom this division applies 70497  
withdraws or otherwise fails to complete courses because the 70498  
individual was called into active duty, and if scholarships for 70499  
those courses have already been paid, either: 70500

(a) The adjutant general shall not add to that person's 70501  
accumulated eligibility units calculated under division (E) of 70502  
this section the number of eligibility units for the academic 70503  
courses or term for which the scholarship was paid and the 70504  
institution of higher education shall repay the scholarship 70505  
amount to the state. 70506

(b) The adjutant general shall add to that individual's 70507  
accumulated eligibility units calculated under division (E) of 70508  
this section the number of eligibility units for the academic 70509  
courses or term for which the scholarship was paid if the 70510  
institution of higher education agrees to permit the individual 70511  
to complete the remainder of the academic courses in which the 70512  
individual was enrolled at the time the individual was called 70513  
into active duty. 70514

(4) No individual who is discharged from the Ohio national 70515  
guard under other than honorable conditions shall be eligible 70516  
for scholarships under this division. 70517

(G) A scholarship recipient under this section who fails 70518  
to complete the term of enlistment, re-enlistment, or extension 70519  
of current enlistment the recipient was serving at the time a 70520  
scholarship was paid on behalf of the recipient under this 70521  
section is liable to the state for repayment of a percentage of 70522

all Ohio national guard scholarships paid on behalf of the 70523  
recipient under this section, plus interest at the rate of ten 70524  
per cent per annum calculated from the dates the scholarships 70525  
were paid. This percentage shall equal the percentage of the 70526  
current term of enlistment, re-enlistment, or extension of 70527  
enlistment a recipient has not completed as of the date the 70528  
recipient is discharged from the Ohio national guard. 70529

The attorney general may commence a civil action on behalf 70530  
of the ~~chancellor~~ department of learning and achievement to 70531  
recover the amount of the scholarships and the interest provided 70532  
for in this division and the expenses incurred in prosecuting 70533  
the action, including court costs and reasonable attorney's 70534  
fees. A scholarship recipient is not liable under this division 70535  
if the recipient's failure to complete the term of enlistment 70536  
being served at the time a scholarship was paid on behalf of the 70537  
recipient under this section is due to the recipient's death or 70538  
discharge from the national guard due to disability or the 70539  
recipient's enlistment, warrant, commission, or appointment for 70540  
a term not less than the recipient's remaining term in the 70541  
national guard or in the active duty component of the United 70542  
States armed forces. 70543

(H) On or before the first day of each academic term, the 70544  
adjutant general shall provide an eligibility roster to the 70545  
~~chancellor~~ department of learning and achievement and to each 70546  
institution of higher education at which one or more scholarship 70547  
recipients have applied for enrollment. The institution shall 70548  
use the roster to certify the actual full-time or part-time 70549  
enrollment of each scholarship recipient listed as enrolled at 70550  
the institution and return the roster to the adjutant general 70551  
and the ~~chancellor~~ department. Except as provided in division 70552  
(J) of this section, the ~~chancellor~~ department shall provide for 70553

payment of the appropriate number and amount of scholarships to 70554  
each institution of higher education pursuant to division (D) of 70555  
this section. If an institution of higher education fails to 70556  
certify the actual enrollment of a scholarship recipient listed 70557  
as enrolled at the institution within thirty days of the end of 70558  
an academic term, the institution shall not be eligible to 70559  
receive payment from the Ohio national guard scholarship program 70560  
or from the individual enrollee. The adjutant general shall 70561  
report on a semiannual basis to the director of budget and 70562  
management, the speaker of the house of representatives, the 70563  
president of the senate, and the ~~chancellor~~department the 70564  
number of Ohio national guard scholarship recipients, the size 70565  
of the scholarship-eligible population, and a projection of the 70566  
cost of the program for the remainder of the biennium. 70567

(I) The ~~chancellor~~department of learning and achievement 70568  
and the adjutant general may adopt rules pursuant to Chapter 70569  
119. of the Revised Code governing the administration and fiscal 70570  
management of the Ohio national guard scholarship program and 70571  
the procedure by which the ~~chancellor~~department of learning and 70572  
achievement and the department of the adjutant general may 70573  
modify the amount of scholarships a member receives based on the 70574  
amount of other state financial aid a member receives. 70575

(J) The adjutant general, the ~~chancellor~~department of 70576  
learning and achievement, and the director, or their designees, 70577  
shall jointly estimate the costs of the Ohio national guard 70578  
scholarship program for each upcoming fiscal biennium, and shall 70579  
report that estimate prior to the beginning of the fiscal 70580  
biennium to the chairpersons of the finance committees in the 70581  
general assembly. During each fiscal year of the biennium, the 70582  
adjutant general, the ~~chancellor~~department, and the director, 70583  
or their designees, shall meet regularly to monitor the actual 70584

costs of the Ohio national guard scholarship program and update 70585  
cost projections for the remainder of the biennium as necessary. 70586  
If the amounts appropriated for the Ohio national guard 70587  
scholarship program and any funds in the Ohio national guard 70588  
scholarship reserve fund and the Ohio national guard scholarship 70589  
donation fund are not adequate to provide scholarships in the 70590  
amounts specified in division (D) (1) of this section for all 70591  
eligible applicants, the ~~chancellor~~department shall do all of 70592  
the following: 70593

(1) Notify each private institution of higher education, 70594  
where a scholarship recipient is enrolled, that, by accepting 70595  
the Ohio national guard scholarship program as payment for all 70596  
or part of the institution's tuition, the institution agrees 70597  
that if the ~~chancellor~~department reduces the amount of each 70598  
scholarship, the institution shall provide each scholarship 70599  
recipient a grant or tuition waiver in an amount equal to the 70600  
amount the recipient's scholarship was reduced by the ~~chancellor~~department. 70601  
department. 70602

(2) Reduce the amount of each scholarship under division 70603  
(D) (1) (a) of this section proportionally based on the amount of 70604  
remaining available funds. Each state institution of higher 70605  
education shall provide each scholarship recipient under 70606  
division (D) (1) (a) of this section a grant or tuition waiver in 70607  
an amount equal to the amount the recipient's scholarship was 70608  
reduced by the ~~chancellor~~department. 70609

(K) Notwithstanding division (A) of section 127.14 of the 70610  
Revised Code, the controlling board shall not transfer all or 70611  
part of any appropriation for the Ohio national guard 70612  
scholarship program. 70613

(L) The ~~chancellor~~department and the adjutant general may 70614

apply for, and may receive and accept grants, and may receive 70615  
and accept gifts, bequests, and contributions, from public and 70616  
private sources, including agencies and instrumentalities of the 70617  
United States and this state, and shall deposit the grants, 70618  
gifts, bequests, or contributions into the national guard 70619  
scholarship donation fund. 70620

**Sec. 5919.341.** There is hereby created in the state 70621  
treasury the national guard scholarship reserve fund. As soon as 70622  
possible following the end of each fiscal year, the ~~chancellor-~~ 70623  
~~department of higher education-learning and achievement~~ shall 70624  
certify to the director of budget and management the 70625  
unencumbered balance of the general revenue fund appropriations 70626  
made in the immediately preceding fiscal year for purposes of 70627  
the Ohio national guard scholarship program created under 70628  
division (B) of section 5919.34 of the Revised Code. Upon 70629  
receipt of the certification, the director of budget and 70630  
management may transfer an amount not exceeding the certified 70631  
amount from the general revenue fund to the national guard 70632  
scholarship reserve fund. Moneys in the national guard 70633

The director of budget and management may transfer any 70637  
unencumbered balance from the national guard scholarship reserve 70638  
fund to the general revenue fund. 70639

If it is determined that general revenue fund 70640  
appropriations are insufficient to meet the obligations of the 70641  
national guard scholarship in a fiscal year, the director of 70642  
budget and management may transfer funds from the national guard 70643  
scholarship reserve fund to the general revenue fund in order to 70644

general revenue fund back to the national guard scholarship 70649  
reserve fund. 70650

new public water system shall submit a fee that equals a 70671  
prorated amount of the appropriate fee established under that 70672  
division for the remainder of the licensing year. 70673

(F) Not later than thirty days after receiving a completed application and the appropriate license fee for a license or license renewal for a public water system, the director shall do one of the following:
