The agent shall hold, apply, and dispose of the moneys, lands, or other property according to the terms of the gift, grant, devise, or bequest. Any interest or earnings shall be treated in the same manner and are subject to the same terms as the gift, grant, devise, or bequest from which it accrues.

The board shall name to the executive committee at least the individuals described in divisions (B) (1) (b) to (h) of this section and may

on the council. 2897

(ii) The executive committee may, with the approval of the 2898  
board, hire an executive director to assist the county council 2899  
in administering its powers and duties. The executive director 2900  
shall serve in the unclassified civil service at the pleasure of 2901  
the executive committee. The executive director may, with the 2902  
approval of the executive committee, hire other employees as 2903  
necessary to properly conduct the county council's business. 2904

(iii) The board may require the executive committee to 2905  
submit an annual budget to the board for approval and may amend 2906  
or repeal the resolution that delegated to the executive 2907  
committee its authority as the county council's administrative 2908  
agent. 2909

(6) Two or more county councils may enter into an 2910  
agreement to administer their county councils jointly by 2911  
creating a regional family and children first council. A 2912  
regional council possesses the same duties and authority 2913  
possessed by a county council, except that the duties and 2914  
authority apply regionally rather than to individual counties. 2915  
Prior to entering into an agreement to create a regional 2916  
council, the members of each county council to be part of the 2917  
regional council shall meet to determine whether all or part of 2918  
the members of each county council will serve as members of the 2919  
regional council. 2920

(7) A board of county commissioners may approve a 2921  
resolution by a majority vote of the board's members that 2922

a plan, or make a decision, other than a decision pursuant to 2925  
section 121.38 of the Revised Code, that requires the 2926  
expenditure of funds for two or more families. The statement 2927  
shall describe the proposed agreement, plan, or decision. 2928

Not later than fifteen days after the board receives the 2929  
statement, it shall, by resolution approved by a majority of its 2930  
members, approve or disapprove the agreement, plan, or decision. 2931  
Failure of the board to pass a resolution during that time 2932  
period shall be considered approval of the agreement, plan, or 2933  
decision. 2934

An agreement, plan, or decision for which a statement is 2935  
required to be submitted to the board shall be implemented only 2936  
if it is approved by the board. 2937

(C) Each county shall develop a county service 2938  
coordination mechanism. The county service coordination 2939  
mechanism shall serve as the guiding document for coordination 2940  
of services in the county. For children who also receive 2941  
services under the help me grow program, the service 2942  
coordination mechanism shall be consistent with rules adopted by 2943  
the department of health under section 3701.61 of the Revised 2944

an implementation schedule for the mechanism. The cabinet 2955  
council may monitor the implementation and administration of 2956  
each county's service coordination mechanism. 2957

Each mechanism shall include all of the following: 2958

(1) A procedure for an agency, including a juvenile court, 2959  
or a family voluntarily seeking service coordination, to refer 2960  
the child and family to the county council for service 2961  
coordination in accordance with the mechanism; 2962

(2) A procedure ensuring that a family and all appropriate 2963  
staff from involved agencies, including a representative from 2964  
the appropriate school district, are notified of and invited to 2965

(3) A procedure that permits a family to initiate a 2967

with appropriate arrangements for housing, treatment, and	2988
education;	2989

personal family information disclosed during service	2991
coordination meetings or contained in the comprehensive family	2992

Code. The local dispute resolution process shall be used to 3011  
resolve disputes between a child's parents or custodians and the 3012  
county council regarding service coordination. The county 3013  
council shall inform the parents or custodians of their right to 3014  
use the dispute resolution process. Parents or custodians shall 3015  
use existing local agency grievance procedures to address 3016  
disputes not involving service coordination. The dispute 3017  
resolution process is in addition to and does not replace other 3018  
rights or procedures that parents or custodians may have under 3019  
other sections of the Revised Code. 3020

The cabinet council shall adopt rules in accordance with 3021  
Chapter 119. of the Revised Code establishing an administrative 3022  
review process to address problems that arise concerning the 3023  
operation of a local dispute resolution process. 3024

competitive class that are not filled by promotion, 3658

chapter, and the rules of the director of administrative 3660  
services, by appointment from those certified to the appointing 3661

lists of applicants registered by the director or the director's 3666  
designee. Vacancies in the labor class for all other positions 3667

director or commission considers proper with respect to age, 3672  
residence, physical condition, ability to labor, honesty, 3673  
sobriety, industry, capacity, and experience in the work or 3674  
employment for which application is made. Laborers who fulfill 3675  
the requirements shall be placed on the eligible list for the 3676  
kind of labor or employment sought, and preference shall be 3677  
given in employment in accordance with the rating received from 3678  
that evidence or in those tests. Upon the request of an 3679  
appointing officer, stating the kind of labor needed, the pay 3680  
and probable length of employment, and the number to be 3681  
employed, the director or commission, as applicable, shall 3682  
certify from the highest on the list double the number to be 3683  
employed; from this number, the appointing officer shall appoint 3684

the number actually needed for the particular work. If more than 3685  
one applicant receives the same rating, priority in time of 3686  
application shall determine the order in which their names shall 3687  
be certified for appointment. 3688

(C) A municipal or civil service township civil service 3689  
commission may place volunteer firefighters who are paid on a 3690  
fee-for-service basis in either the classified or the 3691  
unclassified civil service. 3692

(D) (1) This division does not apply to persons in the 3693  
unclassified service who have the right to resume positions in 3694  
the classified service under sections 4121.121, 5119.18, 3695  
5120.38, 5120.381, 5120.382, 5123.08, and 5139.02 of the Revised 3696  
Code or to cities, counties, or political subdivisions of the 3697  
state. 3698

(2) A person who holds a position in the classified 3699  
service of the state and who is appointed to a position in the 3700  
unclassified service shall retain the right to resume the 3701  
position and status held by the person in the classified service 3702  
immediately prior to the person's appointment to the position in 3703  
the unclassified service, regardless of the number of positions 3704  
the person held in the unclassified service. An employee's right 3705  
to resume a position in the classified service may only be 3706  
exercised when an appointing authority demotes the employee to a 3707  
pay range lower than the employee's current pay range or revokes 3708  
the employee's appointment to the unclassified service and any 3709  
of the following apply: 3710

2007, in the classified service within the appointing 3712  
authority's agency; 3713

(b) That person held a permanent position on or after July 3714  
1, 2007, in the classified service within the appointing 3715  
authority's agency, and was appointed to the position in the 3716  
unclassified service prior to January 1, 2016; 3717

(c) That person held a permanent position on or after 3718  
January 1, 2016, in the classified service within the appointing 3719  
authority's agency, and is within five years from the effective 3720  
date of the person's appointment in the unclassified service. 3721

(3) An employee forfeits the right to resume a position in 3722  
the classified service when: 3723

(a) The employee is removed from the position in the 3724  
unclassified service due to incompetence, inefficiency, 3725  
dishonesty, drunkenness, immoral conduct, insubordination, 3726  
discourteous treatment of the public, neglect of duty, violation 3727  
of this chapter or the rules of the director of administrative 3728  
services, any other failure of good behavior, any other acts of 3729  
misfeasance, malfeasance, or nonfeasance in office, or 3730  
conviction of a felony while employed in the civil service; or 3731

(b) Upon transfer to a different agency. 3732

(4) Reinstatement to a position in the classified service 3733  
shall be to a position substantially equal to that position in 3734  
the classified service held previously, as certified by the 3735  
director of administrative services. If the position the person 3736  
previously held in the classified service has been placed in the 3737  
unclassified service or is otherwise unavailable, the person 3738  
shall be appointed to a position in the classified service 3739  
within the appointing authority's agency that the director of 3740  
administrative services certifies is comparable in compensation 3741  
to the position the person previously held in the classified 3742

service. Service in the position in the unclassified service 3743  
shall be counted as service in the position in the classified 3744  
service held by the person immediately prior to the person's 3745  
appointment to the position in the unclassified service. When a 3746  
person is reinstated to a position in the classified service as 3747  
provided in this division, the person is entitled to all rights, 3748  
status, and benefits accruing to the position in the classified 3749  
service during the person's time of service in the position in 3750  
the unclassified service. 3751

(A) A state agency may, without competitive selection, 3921  
make any purchase of supplies or services that cost less than 3922  
fifty thousand dollars after complying with divisions (A) to (E) 3923  
of section 125.035 of the Revised Code. The agency may make the 3924  
purchase directly or may make the purchase from or through the 3925  
department of administrative services, whichever the agency 3926  
determines. The agency shall adopt written procedures consistent 3927  
with the department's purchasing procedures and shall use those 3928  
procedures when making purchases under this division. 3929

Section 127.16 of the Revised Code does not apply to 3930  
purchases made under this division. 3931

(B) A state agency shall make purchases of supplies and 3932  
services that cost fifty thousand dollars or more through the 3933  
department of administrative services and the process provided 3934  
in section 125.035 of the Revised Code, unless the department 3935  
grants a waiver under ~~divisions~~ division (D) or (E) of that 3936  
section and a release and permit under division (G) of that 3937  
section. 3938

(C) An agency that has been granted a release and permit 3939  
under division (G) of section 125.035 of the Revised Code to 3940  
make a purchase may make the purchase without competitive 3941  
selection if after making the purchase the cumulative purchase 3942  
threshold as computed under division (E) of section 127.16 of 3943  
the Revised Code would: 3944

(1) Be exceeded and the controlling board approves the 3945  
purchase; 3946

(2) Not be exceeded and the department of administrative 3947  
services approves the purchase. 3948

(D) If the department of ~~education~~ learning and 3949

achievement or the Ohio education computer network determines 3950  
that it can purchase software services or supplies for specified 3951  
school districts at a price less than the price for which the 3952  
districts could purchase the same software services or supplies 3953  
for themselves, the department or network shall certify that 3954  
fact to the department of administrative services and, acting as 3955  
an agent for the specified school districts, shall make that 3956  
purchase without following the provisions in divisions (A) to 3957  
(D) of this section. 3958

**Sec. 125.092.** (A) Except as provided in divisions (G) and 3959  
(H) of this section, when purchasing equipment, material, or 3960  
supplies, the department of administrative services, other state 3961  
agencies, and state institutions of higher education shall 3962  
purchase biobased products in accordance with the biobased 3963  
product preference program established by the director of 3964  
administrative services under this section. 3965

(B) ~~Not later than one hundred eighty days after the~~ 3966  
~~effective date of this section, the~~ The director shall establish 3967  
a biobased product preference program, which shall ensure that 3968  
the department of administrative services, other state agencies, 3969  
and state institutions of higher education purchase biobased 3970  
products by giving a preference to those designated items that 3971  
are composed of the highest percentage of biobased content 3972  
practicable or that comply with regulations adopted under 42 3973  
U.S.C. 6914b-1 by the administrator of the United States 3974  
environmental protection agency. The purchase of biobased 3975  
products under the program shall be consistent with sections 3976  
125.01 to 125.11 of the Revised Code. 3977

As part of the program, the director shall adopt a policy 3978  
of setting minimum biobased content specifications for awarding 3979

contracts in a manner that ensures that the biobased content of 3980  
biobased products is consistent with the guidelines issued under 3981  
7 U.S.C. 8102, except when the director determines that division 3982  
(C) (1), (2), or (3) of this section applies. 3983

(C) The director may determine that it is not possible for 3984  
a biobased product to be purchased in accordance with the 3985  
biobased product preference program if the director determines 3986  
that any of the following applies to the product: 3987

(1) The product is not available within a reasonable 3988  
period of time. 3989

(2) The product fails to meet the performance standards 3990  
set forth in the applicable specifications for the product. 3991

(3) The price of the product is an unreasonable price. As 3992  
used in division (C) (3) of this section, "unreasonable price" 3993  
means either of the following: 3994

(a) The price of the biobased product exceeds the price of 3995  
a substantially equivalent nonbiobased product. 3996

(b) The price of the biobased product exceeds the fair 3997  
market value of a substantially equivalent nonbiobased product. 3998

In accordance with rules adopted under this section, the 3999  
director may determine a percentage that is up to five per cent 4000  
by which the price of a biobased product may exceed the price or 4001  
fair market value of a substantially equivalent nonbiobased 4002  
product without being considered an unreasonable price for the 4003  
purpose of division (C) (3) (a) or (b) of this section, as 4004  
applicable. In doing so, the director shall give consideration 4005  
to the benefits of expanding the use of biobased products. 4006

(D) For any biobased product offered under the biobased 4007

product preference program, a vendor shall certify that the 4008  
product meets the biobased content requirements for the 4009  
designated item of which the product is an exemplar. Upon 4010  
request, a vendor shall provide to the director information to 4011  
verify the biobased content of a biobased product qualifying for 4012  
purchase in accordance with the program. 4013

(E) The director shall adopt rules in accordance with 4014  
Chapter 119. of the Revised Code that prescribe all of the 4015  
following: 4016

(1) The procedures the department of administrative 4017  
services and other state agencies shall use to give preference 4018  
to and purchase biobased products in accordance with the 4019  
program; 4020

(2) The purchasing policy the director adopts under 4021  
division (B) of this section; 4022

(3) Procedures and guidelines to be used by the director 4023  
in determining percentages for purposes of division (C) of this 4024  
section; 4025

(4) Other requirements or procedures that are necessary to 4026  
implement the biobased product preference program. 4027

(F) The director shall maintain a list of products that 4028  
qualify as designated items under the biobased product 4029  
preference program. 4030

(G) When purchasing equipment, material, or supplies, a 4031  
state institution of higher education shall purchase designated 4032  
items in accordance with procedures established by the 4033  
institution. 4034

(H) If, after assessing the functions of designated items, 4035

a state agency determines that none of the designated items are 4036  
functionally capable of meeting a specific need of the agency, 4037  
the agency shall notify the director of administrative services. 4038  
If, after assessing the functions of designated items, a state 4039  
institution of higher education determines that none of the 4040  
designated items are functionally capable of meeting a specific 4041  
need of the institution, the institution shall notify both the 4042  
director of administrative services and the ~~chancellor of the~~ 4043  
~~board of regents~~ department of learning and achievement. The 4044  
agency or institution then may purchase a nonbiobased product 4045  
that is functionally capable of meeting that specific need of 4046  
the agency or institution, as applicable. Such a purchase does 4047  
not constitute failure to comply with the biobased product 4048  
preference program or preclude the agency or institution from 4049  
otherwise participating in the program. 4050

(I) This section does not apply to the purchase of motor 4051  
vehicle fuel, heating oil, or electricity. 4052

(J) As used in this section, "state institution of higher 4053  
education" has the same meaning as in section 3345.011 of the 4054  
Revised Code. 4055

**Sec. 125.13.** (A) As used in this section: 4056

(1) "Emergency medical service organization" has the same 4057  
meaning as in section 4765.01 of the Revised Code. 4058

(2) "Private fire company" has the same meaning as in 4059  
section 9.60 of the Revised Code. 4060

(B) Whenever a state agency has excess or surplus 4061  
supplies, it shall notify the director of administrative 4062  
services. On forms provided by the director, the state agency 4063  
shall furnish to the director a list of its excess and surplus 4064

supplies, including the location of the supplies and whether the 4065  
supplies are currently in the agency's control. 4066

(C) Upon receipt of notification and at no cost to the 4067  
state agency, the director of administrative services shall make 4068  
arrangements for their disposition and shall take immediate 4069  
control of a state agency's excess and surplus supplies, except 4070  
for the following excess and surplus supplies: 4071

(1) Excess or surplus supplies that have a value below the 4072  
minimum value that the director establishes for excess and 4073  
surplus supplies under division (F) of this section; 4074

(2) Excess or surplus supplies that the director has 4075  
authorized an agency to donate to a governmental agency, 4076  
including, but not limited to, public schools and surplus 4077  
computers and computer equipment transferred to a public school 4078  
under division (G) of this section; 4079

authorized to be part of an interagency transfer; 4084

(6) Excess or surplus supplies that are donated under 4085  
division (H) of this section. 4086

(D) The director shall inventory excess and surplus 4087  
supplies in the director's control and post on a public web site 4088  
a list of the supplies available for acquisition. The director 4089  
may have the supplies repaired. The director shall not charge a 4090  
fee for the collection or transportation of excess and surplus 4091  
supplies. 4092

- (E) The director may do any of the following: 4093
- (1) Dispose of declared surplus or excess supplies in the 4094  
director's control by sale, lease, donation, or transfer. If the 4095  
director does so, the director shall dispose of those supplies 4096  
in any of the following manners: 4097
- (a) To state agencies or by interagency trade; 4098
- (b) To state-supported or state-assisted institutions of 4099

- (2) If the director has attempted to dispose of any 4114  
declared surplus or excess motor vehicle that does not exceed 4115  
four thousand five hundred dollars in value pursuant to 4116  
divisions (E)(1)(a) to (c) of this section, donate the motor 4117  
vehicle to a nonprofit organization exempt from federal income 4118  
taxation pursuant to 26 U.S.C. 501(a) and (c)(3) for the purpose 4119

director shall by rule establish a minimum value for excess and 4136  
surplus supplies and prescribe procedures for a state agency to 4137

control that have a value below the minimum value established by 4139  
the director. 4140

(G) The director of administrative services may authorize 4141  
any state agency to transfer surplus computers and computer 4142  
equipment that are not needed by other state agencies directly 4143  
to an accredited public school within the state. The computers 4144  
and computer equipment may be repaired or refurbished prior to 4145  
transfer. The state agency may charge a service fee to the 4146  
public schools for the property not to exceed the direct cost of 4147  
repairing or refurbishing it. The state agency shall deposit 4148  
such funds into the account used for repair or refurbishment. 4149

(H) Excess and surplus supplies of food shall be exempt 4150

operational and maintenance costs, as defined by the commission, 4584  
would be reduced. 4585

If the board finds after receiving the report that the 4586  
amount of money the district would spend on such installations, 4587

modifications, or remodeling is not likely to exceed the amount 4588

(A) of section 3316.03 of the Revised Code, if it determines 4599  
that the expenditure of funds is not in the best interest of the 4600  
school district. 4601

No district board of education of a school district that 4602  
is in a state of fiscal emergency pursuant to division (B) of 4603

alternative fuel vehicles or vehicle conversion is not likely to 4629  
exceed the amount of money it would save in fuel and resultant 4630  
operational and maintenance costs over the ensuing five years, 4631  
the board may submit to the commission a copy of its findings 4632

sections 154.11 and 154.12 of the Revised Code, and also means 5222

may pledge all or such portion as that authority determines of 5231  
the available receipts to the payment of bond service charges on 5232  
obligations issued under this section and sections 154.11 and 5233  
154.12 of the Revised Code and for the establishment and 5234  
maintenance of any reserves, as provided in the bond 5235  
proceedings, and make other provisions therein with respect to 5236  
such available receipts as authorized by this chapter, which 5237

provisions shall be controlling, notwithstanding any other 5238  
provision of law pertaining thereto. 5239

(D) In the event that moneys in the higher education bond 5240

maintenance of reserves, as provided in the bond proceedings, 5247  
then the commission, upon consultation with the institutions of 5248  
higher education to be affected and the ~~Ohio board of regents~~ 5249  
department, may require the institutions of higher education to 5250  
charge, collect, and transmit to the credit of the higher 5251

proceedings. Such special fee constitutes "available receipts" 5259  
within the meaning thereof in division (C) of this section, and 5260  
may be pledged as therein provided in addition to, or in lieu 5261  
of, or to be applied prior to, other available receipts, as 5262  
provided in the bond proceedings; provided, that such special 5263  
fee shall not be deemed to be pledged by the institutions of 5264  
higher education under section 3345.07, 3345.11, 3345.12, 5265  
3349.05, 3354.121, or 3357.112 of the Revised Code. The issuing 5266  
authority may covenant in the bond proceedings to require such 5267

fee is required in accordance with such covenant, the commission 5270  
shall by rules transmitted to each institution of higher 5271  
education affected thereby, fix, establish, and from time to 5272  
time modify, as it may consider appropriate, the amount or 5273  
amounts of the fee, exemptions therefrom, such distinctions, if 5274  
any, as it may determine appropriate for full-time and part-time 5275  
students or students enrolled in different programs, or other 5276

Notwithstanding any other provision of law pertaining thereto, 5282  
the governing boards of the institutions of higher education 5283  
shall charge, collect, and transmit such special fee in 5284

specified amount of tax money, including a tax levied under 5711  
section 5705.199, 5705.211, or 5748.09 of the Revised Code, or 5712  
an amount to pay debt charges; 5713

(2) Taxes levied within the one per cent limitation 5714  
imposed by Section 2 of Article XII, Ohio Constitution; 5715

(3) Taxes provided for by the charter of a municipal 5716  
corporation. 5717

(B) As used in this section: 5718

(1) "Real property" includes real property owned by a 5719  
railroad. 5720

(2) "Carryover property" means all real property on the 5721  
current year's tax list except: 5722

(a) Land and improvements that were not taxed by the 5723  
district in both the preceding year and the current year; 5724

(b) Land and improvements that were not in the same class 5725  
in both the preceding year and the current year. 5726

(3) "Effective tax rate" means with respect to each class 5727  
of property: 5728

(a) The sum of the total taxes that would have been 5729  
charged and payable for current expenses against real property 5730  
in that class if each of the district's taxes were reduced for 5731  
the current year under division (D) (1) of this section without 5732  
regard to the application of division (E) (3) of this section 5733  
divided by 5734

(b) The taxable value of all real property in that class. 5735

(4) "Taxes charged and payable" means the taxes charged 5736  
and payable prior to any reduction required by section 319.302 5737  
of the Revised Code. 5738

(C) The tax commissioner shall make the determinations 5739  
required by this section each year, without regard to whether a 5740  
taxing district has territory in a county to which section 5741  
5715.24 of the Revised Code applies for that year. Separate 5742  
determinations shall be made for each of the two classes 5743  
established pursuant to section 5713.041 of the Revised Code. 5744

(D) With respect to each tax authorized to be levied by 5745  
each taxing district, the tax commissioner, annually, shall do 5746  
both of the following: 5747

(1) Determine by what percentage, if any, the sums levied 5748  
by such tax against the carryover property in each class would 5749  
have to be reduced for the tax to levy the same number of 5750  
dollars against such property in that class in the current year 5751  
as were charged against such property by such tax in the 5752  
preceding year subsequent to the reduction made under this 5753  
section but before the reduction made under section 319.302 of 5754  
the Revised Code. In the case of a tax levied for the first time 5755

that is not a renewal of an existing tax, the commissioner shall 5756  
determine by what percentage the sums that would otherwise be 5757  
levied by such tax against carryover property in each class 5758  
would have to be reduced to equal the amount that would have 5759  
been levied if the full rate thereof had been imposed against 5760  
the total taxable value of such property in the preceding tax 5761  
year. A tax or portion of a tax that is designated a replacement 5762  
levy under section 5705.192 of the Revised Code is not a renewal 5763  
of an existing tax for purposes of this division. 5764

(2) Certify each percentage determined in division (D) (1) 5765  
of this section, as adjusted under division (E) of this section, 5766  
and the class of property to which that percentage applies to 5767  
the auditor of each county in which the district has territory. 5768  
The auditor, after complying with section 319.30 of the Revised 5769  
Code, shall reduce the sum to be levied by such tax against each 5770  
parcel of real property in the district by the percentage so 5771  
certified for its class. Certification shall be made by the 5772  
first day of September except in the case of a tax levied for 5773  
the first time, in which case certification shall be made within 5774  
fifteen days of the date the county auditor submits the 5775  
information necessary to make the required determination. 5776

(E) (1) As used in division (E) (2) of this section, "pre- 5777  
1982 joint vocational taxes" means, with respect to a class of 5778  
property, the difference between the following amounts: 5779

(a) The taxes charged and payable in tax year 1981 against 5780  
the property in that class for the current expenses of the joint 5781  
vocational school district of which the school district is a 5782  
part after making all reductions under this section; 5783

(b) The following percentage of the taxable value of all 5784  
real property in that class: 5785

(i) In 1987, five one-hundredths of one per cent;	5786
(ii) In 1988, one-tenth of one per cent;	5787
(iii) In 1989, fifteen one-hundredths of one per cent;	5788
(iv) In 1990 and each subsequent year, two-tenths of one per cent.	5789 5790
If the amount in division (E) (1) (b) of this section exceeds the amount in division (E) (1) (a) of this section, the pre-1982 joint vocational taxes shall be zero.	5791 5792 5793
As used in divisions (E) (2) and (3) of this section, "taxes charged and payable" has the same meaning as in division (B) (4) of this section and excludes any tax charged and payable in 1985 or thereafter under sections 5705.194 to 5705.197 or section 5705.199, 5705.213, 5705.219, or 5748.09 of the Revised Code.	5794 5795 5796 5797 5798 5799
(2) If in the case of a school district other than a joint vocational or cooperative education school district any percentage required to be used in division (D) (2) of this section for either class of property could cause the total taxes charged and payable for current expenses to be less than two per cent of the taxable value of all real property in that class that is subject to taxation by the district, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses against that class, after all reductions that would otherwise be made under this section, to equal, when combined with the pre-1982 joint vocational taxes against that class, the lesser of the following:	5800 5801 5802 5803 5804 5805 5806 5807 5808 5809 5810 5811 5812
(a) The sum of the rates at which those taxes are authorized to be levied;	5813 5814

(b) Two per cent of the taxable value of the property in that class. The auditor shall use such percentages in making the reduction required by this section for that class.

(3) (a) If in the case of a joint vocational school district any percentage required to be used in division (D) (2) of this section for either class of property could cause the total taxes charged and payable for current expenses for that class to be less than the designated amount, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses for that class, after all reductions that would otherwise be made under this section, to equal the designated amount. The auditor shall use such percentages in making the reductions required by this section for that class.

(b) As used in division (E) (3) (a) of this section, the designated amount shall equal the taxable value of all real property in the class that is subject to taxation by the district times the lesser of the following:

(i) Two-tenths of one per cent;

(ii) The district's effective rate plus the following percentage for the year indicated:

WHEN COMPUTING THE	ADD THE FOLLOWING	
TAXES CHARGED FOR	PERCENTAGE:	
1987	0.025%	
1988	0.05%	
1989	0.075%	
1990	0.1%	

1991	0.125%	5842
1992	0.15%	5843
1993	0.175%	5844
1994 and thereafter	0.2%	5845

(F) No reduction shall be made under this section in the rate at which any tax is levied. 5846  
5847

(G) The commissioner may order a county auditor to furnish any information the commissioner needs to make the determinations required under division (D) or (E) of this section, and the auditor shall supply the information in the form and by the date specified in the order. following the date on which the complaint is finally determined 5897  
by the board of revision or by a court or other authority with 5898  
jurisdiction on appeal. The tax commissioner shall account for 5899  
such changes in making the determinations only for the tax year 5900  
in which the change in valuation is reported. Such a valuation 5901

change shall not be used to recompute the percentages determined 5902  
under division (D) (1) of this section for any prior tax year. 5903

affirm that the person understands the effect of the 6759  
custodianship before the court, and to answer any questions that 6760  
the court or any parties to the case may have. 6761

(4) Commit the child to the permanent custody of a public 6762  
children services agency or private child placing agency, if the 6763  
court determines in accordance with division (E) of section 6764  
2151.414 of the Revised Code that the child cannot be placed 6765  
with one of the child's parents within a reasonable time or 6766  
should not be placed with either parent and determines in 6767  
accordance with division (D) (1) of section 2151.414 of the 6768  
Revised Code that the permanent commitment is in the best 6769  
interest of the child. If the court grants permanent custody 6770  
under this division, the court, upon the request of any party, 6771

shall file a written opinion setting forth its findings of fact 6772  
and conclusions of law in relation to the proceeding. 6773

(5) Place the child in a planned permanent living 6774  
arrangement with a public children services agency or private 6775  
child placing agency, if a public children services agency or 6776

permanent living arrangement is in the best interest of the 6780  
child, that the child is sixteen years of age or older, and that 6781  
one of the following exists: 6782

(a) The child, because of physical, mental, or 6783  
psychological problems or needs, is unable to function in a 6784  
family-like setting and must remain in residential or 6785  
institutional care now and for the foreseeable future beyond the 6786  
date of the dispositional hearing held pursuant to section 6787  
2151.35 of the Revised Code. 6788

(b) The parents of the child have significant physical, 6789  
mental, or psychological problems and are unable to care for the 6790  
child because of those problems, adoption is not in the best 6791  
interest of the child, as determined in accordance with division 6792  
(D) (1) of section 2151.414 of the Revised Code, and the child 6793  
retains a significant and positive relationship with a parent or 6794  
relative. 6795

(c) The child has been counseled on the permanent 6796  
placement options available to the child, and is unwilling to 6797  
accept or unable to adapt to a permanent placement. 6798

(6) Order the removal from the child's home until further 6799  
order of the court of the person who committed abuse as 6800

described in section 2151.031 of the Revised Code against the 6801  
child, who caused or allowed the child to suffer neglect as 6802  
described in section 2151.03 of the Revised Code, or who is the 6803  
parent, guardian, or custodian of a child who is adjudicated a 6804  
dependent child and order any person not to have contact with 6805  
the child or the child's siblings. 6806

(B) (1) When making a determination on whether to place a 6807  
child in a planned permanent living arrangement pursuant to 6808  
division (A) (5) (b) or (c) of this section, the court shall 6809  
consider all relevant information that has been presented to the 6810  
court, including information gathered from the child, the 6811  
child's guardian ad litem, and the public children services 6812  
agency or private child placing agency. 6813

(2) A child who is placed in a planned permanent living 6814  
arrangement pursuant to division (A) (5) (b) or (c) of this 6815  
section shall be placed in an independent living setting or in a 6816  
family setting in which the caregiver has been provided by the 6817  
agency that has custody of the child with a notice that 6818  
addresses the following: 6819

(a) The caregiver understands that the planned permanent 6820  
living arrangement is intended to be permanent in nature and 6821  
that the caregiver will provide a stable placement for the child 6822  
through the child's emancipation or until the court releases the 6823  
child from the custody of the agency, whichever occurs first. 6824

(b) The caregiver is expected to actively participate in 6825  
the youth's independent living case plan, attend agency team 6826

as provided in division (B) of section 5103.035 of the Revised 6828  
Code, related to providing the child independent living 6829  
services, and assist in the child's transition into adulthood. 6830

(3) The department of job and family services shall 6831  
develop a model notice to be provided by an agency that has 6832  
custody of a child to a caregiver under division (B) (2) of this 6833  
section. The agency may modify the model notice to apply to the 6834  
needs of the agency. 6835

(C) No order for permanent custody or temporary custody of 6836  
a child or the placement of a child in a planned permanent 6837  
living arrangement shall be made pursuant to this section unless 6838  
the complaint alleging the abuse, neglect, or dependency 6839  
contains a prayer requesting permanent custody, temporary 6840  
custody, or the placement of the child in a planned permanent 6841  
living arrangement as desired, the summons served on the parents 6842  
of the child contains as is appropriate a full explanation that 6843  
the granting of an order for permanent custody permanently 6844  
divests them of their parental rights, a full explanation that 6845  
an adjudication that the child is an abused, neglected, or 6846  
dependent child may result in an order of temporary custody that 6847  
will cause the removal of the child from their legal custody 6848  
until the court terminates the order of temporary custody or 6849  
permanently divests the parents of their parental rights, or a 6850  
full explanation that the granting of an order for a planned 6851  
permanent living arrangement will result in the removal of the 6852  
child from their legal custody if any of the conditions listed 6853  
in divisions (A) (5) (a) to (c) of this section are found to 6854  
exist, and the summons served on the parents contains a full 6855  
explanation of their right to be represented by counsel and to 6856  
have counsel appointed pursuant to Chapter 120. of the Revised 6857  
Code if they are indigent. 6858

If after making disposition as authorized by division (A) 6859  
(2) of this section, a motion is filed that requests permanent 6860  
custody of the child, the court may grant permanent custody of 6861

the child to the movant in accordance with section 2151.414 of 6862  
the Revised Code. 6863

(D) If the court issues an order for protective 6864  
supervision pursuant to division (A)(1) of this section, the 6865  
court may place any reasonable restrictions upon the child, the 6866  
child's parents, guardian, or custodian, or any other person, 6867  
including, but not limited to, any of the following: 6868

(1) Order a party, within forty-eight hours after the 6869  
issuance of the order, to vacate the child's home indefinitely 6870  
or for a specified period of time; 6871

(2) Order a party, a parent of the child, or a physical 6872  
custodian of the child to prevent any particular person from 6873  
having contact with the child; 6874

(3) Issue an order restraining or otherwise controlling 6875  
the conduct of any person which conduct would not be in the best 6876  
interest of the child. 6877

(E) As part of its dispositional order, the court shall 6878  
journalize a case plan for the child. The journalized case plan 6879  
shall not be changed except as provided in section 2151.412 of 6880  
the Revised Code. 6881

(F)(1) The court shall retain jurisdiction over any child 6882  
for whom the court issues an order of disposition pursuant to 6883  
division (A) of this section or pursuant to section 2151.414 or 6884  
2151.415 of the Revised Code until the child attains the age of 6885  
eighteen years if the child is not mentally retarded, 6886  
developmentally disabled, or physically impaired, the child 6887  
attains the age of twenty-one years if the child is mentally 6888  
retarded, developmentally disabled, or physically impaired, or 6889  
the child is adopted and a final decree of adoption is issued, 6890

except that the court may retain jurisdiction over the child and 6891  
continue any order of disposition under division (A) of this 6892  
section or under section 2151.414 or 2151.415 of the Revised 6893  
Code for a specified period of time to enable the child to 6894  
graduate from high school or vocational school. The court shall 6895  
retain jurisdiction over a person who meets the requirements 6896  
described in division (A)(1) of section 5101.1411 of the Revised 6897  
Code and who is subject to a voluntary participation agreement 6898  
that is in effect. The court shall make an entry continuing its 6899  
jurisdiction under this division in the journal. 6900

(2) Any public children services agency, any private child 6901  
placing agency, the department of job and family services, or 6902  
any party, other than any parent whose parental rights with 6903  
respect to the child have been terminated pursuant to an order 6904  
issued under division (A)(4) of this section, by filing a motion 6905  
with the court, may at any time request the court to modify or 6906  
terminate any order of disposition issued pursuant to division 6907  
(A) of this section or section 2151.414 or 2151.415 of the 6908  
Revised Code. The court shall hold a hearing upon the motion as 6909  
if the hearing were the original dispositional hearing and shall 6910  
give all parties to the action and the guardian ad litem notice 6911  
of the hearing pursuant to the Juvenile Rules. If applicable, 6912  
the court shall comply with section 2151.42 of the Revised Code. 6913

(G) Any temporary custody order issued pursuant to 6914  
division (A) of this section shall terminate one year after the 6915  
earlier of the date on which the complaint in the case was filed 6916  
or the child was first placed into shelter care, except that, 6917  
upon the filing of a motion pursuant to section 2151.415 of the 6918  
Revised Code, the temporary custody order shall continue and not 6919  
terminate until the court issues a dispositional order under 6920  
that section. In resolving the motion, the court shall not order 6921

an existing temporary custody order to continue beyond two years 6922  
after the date on which the complaint was filed or the child was 6923  
first placed into shelter care, whichever date is earlier, 6924  
regardless of whether any extensions have been previously 6925  
ordered pursuant to division (D) of section 2151.415 of the 6926  
Revised Code. 6927

(H) (1) No later than one year after the earlier of the 6928  
date the complaint in the case was filed or the child was first 6929  
placed in shelter care, a party may ask the court to extend an 6930  
order for protective supervision for six months or to terminate 6931  
the order. A party requesting extension or termination of the 6932  
order shall file a written request for the extension or 6933  
termination with the court and give notice of the proposed 6934  
extension or termination in writing before the end of the day 6935  
after the day of filing it to all parties and the child's 6936  
guardian ad litem. If a public children services agency or 6937  
private child placing agency requests termination of the order, 6938  
the agency shall file a written status report setting out the 6939  
facts supporting termination of the order at the time it files 6940  
the request with the court. If no party requests extension or 6941  
termination of the order, the court shall notify the parties 6942  
that the court will extend the order for six months or terminate 6943  
it and that it may do so without a hearing unless one of the 6944  
parties requests a hearing. All parties and the guardian ad 6945  
litem shall have seven days from the date a notice is sent 6946  
pursuant to this division to object to and request a hearing on 6947  
the proposed extension or termination. 6948

(a) If it receives a timely request for a hearing, the 6949  
court shall schedule a hearing to be held no later than thirty 6950  
days after the request is received by the court. The court shall 6951  
give notice of the date, time, and location of the hearing to 6952

all parties and the guardian ad litem. At the hearing, the court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension is in the child's best interest, the court shall extend the order for six months.

(b) If it does not receive a timely request for a hearing, the court may extend the order for six months or terminate it without a hearing and shall journalize the order of extension or termination not later than fourteen days after receiving the request for extension or termination or after the date the court notifies the parties that it will extend or terminate the order. If the court does not extend or terminate the order, it shall schedule a hearing to be held no later than thirty days after the expiration of the applicable fourteen-day time period and give notice of the date, time, and location of the hearing to all parties and the child's guardian ad litem. At the hearing, the court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension is in the child's best interest, the court shall issue an order extending the order for protective supervision six months.

(2) If the court grants an extension of the order for protective supervision pursuant to division (H)(1) of this section, a party may, prior to termination of the extension, file with the court a request for an additional extension of six months or for termination of the order. The court and the parties shall comply with division (H)(1) of this section with respect to extending or terminating the order.

(3) If a court grants an extension pursuant to division 6983  
(H) (2) of this section, the court shall terminate the order for 6984  
protective supervision at the end of the extension. 6985

(I) The court shall not issue a dispositional order 6986  
pursuant to division (A) of this section that removes a child 6987  
from the child's home unless the court complies with section 6988  
2151.419 of the Revised Code and includes in the dispositional 6989  
order the findings of fact required by that section. 6990

(J) If a motion or application for an order described in 6991  
division (A) (6) of this section is made, the court shall not 6992  
issue the order unless, prior to the issuance of the order, it 6993  
provides to the person all of the following: 6994

(1) Notice and a copy of the motion or application; 6995

(2) The grounds for the motion or application; 6996

(3) An opportunity to present evidence and witnesses at a 6997  
hearing regarding the motion or application; 6998

(4) An opportunity to be represented by counsel at the 6999  
hearing. 7000

(K) The jurisdiction of the court shall terminate one year 7001  
after the date of the award or, if the court takes any further 7002  
action in the matter subsequent to the award, the date of the 7003  
latest further action subsequent to the award, if the court 7004  
awards legal custody of a child to either of the following: 7005

(1) A legal custodian who, at the time of the award of 7006  
legal custody, resides in a county of this state other than the 7007  
county in which the court is located; 7008

(2) A legal custodian who resides in the county in which 7009  
the court is located at the time of the award of legal custody, 7010

but moves to a different county of this state prior to one year 7011  
after the date of the award or, if the court takes any further 7012  
action in the matter subsequent to the award, one year after the 7013  
date of the latest further action subsequent to the award. 7014

The court in the county in which the legal custodian 7015  
resides then shall have jurisdiction in the matter. 7016

**Sec. 2151.362.** (A) (1) In the manner prescribed by division 7017  
(C) (1) or (2) of section 3313.64 of the Revised Code, as 7018  
applicable, the court, at the time of making any order that 7019  
removes a child from the child's own home or that vests legal or 7020  
permanent custody of the child in a person other than the 7021  
child's parent or a government agency, shall determine the 7022  
school district that is to bear the cost of educating the child. 7023  
The court shall make the determination a part of the order that 7024  
provides for the child's placement or commitment. That school 7025  
district shall bear the cost of educating the child unless and 7026  
until the department of ~~education~~ learning and achievement 7027  
determines that a different district shall be responsible for 7028  
bearing that cost pursuant to division (A) (2) of this section. 7029  
The court's order shall state that the determination of which 7030  
school district is responsible to bear the cost of educating the 7031  
child is subject to re-determination by the department pursuant 7032  
to that division. 7033

(2) If, while the child is in the custody of a person 7034  
other than the child's parent or a government agency, the 7035  
department of ~~education~~ determines that the place of residence 7036  
of the child's parent has changed since the court issued its 7037  
initial order, the department may name a different school 7038  
district to bear the cost of educating the child. The department 7039  
shall make this new determination, and any future 7040

determinations, based on evidence received from the school 7041  
district currently responsible to bear the cost of educating the 7042  
child. If the department finds that the evidence demonstrates to 7043  
its satisfaction that the residence of the child's parent has 7044  
changed since the court issued its initial order under division 7045  
(A) (1) of this section, or since the department last made a 7046  
determination under division (A) (2) of this section, the 7047  
department shall name the district in which the child's parent 7048  
currently resides or, if the parent's residence is not known, 7049  
the district in which the parent's last known residence is 7050  
located. If the department cannot determine any Ohio district in 7051  
which the parent currently resides or has resided, the school 7052  
district designated in the initial court order under division 7053  
(A) (1) of this section, or in the most recent determination made 7054  
by the department under division (A) (2) of this section, shall 7055  
continue to bear the cost of educating the child. 7056

(B) Whenever a child is placed in a detention facility 7057  
established under section 2152.41 of the Revised Code or a 7058  
juvenile facility established under section 2151.65 of the 7059  
Revised Code, the facility shall be responsible for coordinating 7060  
the education of the child. The facility may take any of the 7061  
following measures in coordinating the education of the child: 7062

(1) If applicable, use the chartered nonpublic school that 7063  
the facility operates; 7064

(2) Arrange with the school district responsible for 7065  
bearing the cost of educating the child determined under 7066  
division (A) of this section, for the facility to educate the 7067  
child on its own; 7068

(3) Contract with an educational service center for the 7069  
service center to educate the child; 7070

(4) Contract with the school district in which the 7071  
facility is located for that school district to educate the 7072  
child; 7073

(5) If the child is enrolled in an internet- or computer- 7074  
based community school established under Chapter 3314. of the 7075  
Revised Code, and provided that the facility possesses the 7076  
necessary hardware, software, and internet connectivity, permit 7077  
continued instruction of the child by the internet- or computer- 7078  
based community school. 7079

If the facility coordinates the education of the child 7080  
pursuant to division (B)(1), (2), (3), or (4) of this section, 7081  
child's school district as determined by the court or the 7082  
department, in the same manner as prescribed in division (A) of 7083  
this section, shall pay the cost of educating the child based on 7084  
the per capita cost of the educational facility within the 7085  
detention home or juvenile facility. 7086

If the facility coordinates the education of the child 7087  
pursuant to division (B)(5) of this section, payment for the 7088  
cost of educating the child shall be made only as provided in 7089  
division (C) of section 3314.08 of the Revised Code. 7090

institution, school, or residential treatment center or any 7092  
other private facility, the state shall pay to the court a 7093  
subsidy to help defray the expense of educating the child in an 7094  
amount equal to the product of the daily per capita educational 7095  
cost of the private facility, as determined pursuant to this 7096  
section, and the number of days the child resides at the private 7097  
facility, provided that the subsidy shall not exceed twenty-five 7098  
hundred dollars per year per child. The daily per capita 7099  
educational cost of a private facility shall be determined by 7100

dividing the actual program cost of the private facility or 7101  
twenty-five hundred dollars, whichever is less, by three hundred 7102  
sixty-five days or by three hundred sixty-six days for years 7103  
that include February twenty-ninth. The state shall pay seventy- 7104  
five per cent of the total subsidy for each year quarterly to 7105  
the court. The state may adjust the remaining twenty-five per 7106  
cent of the total subsidy to be paid to the court for each year 7107  
to an amount that is less than twenty-five per cent of the total 7108  
subsidy for that year based upon the availability of funds 7109  
appropriated to the department ~~of education~~ for the purpose of 7110

higher grade level. However, a district board may choose not to 10337  
promote to the next grade level any student who does not take an 10338  
assessment administered under this section or make up an 10339

(1) In accordance with rules that the ~~state board~~ 10419

section. 10443

Any assessment of students pursuant to such an agreement 10444  
shall be in lieu of any assessment of such students or persons 10445  
pursuant to this section. 10446

(K) (1) Except as otherwise provided in division (K) (1) or 10447

This option does not apply to any assessment required for a high 10462

No waiver shall be approved for any school year prior to the 2015-2016 school year.

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions:

do under this section and rules adopted by the department. 10503

(4) The department ~~of education~~ shall furnish the 10504  
assessments prescribed by section 3301.0710 of the Revised Code 10505  
to each chartered nonpublic school that is subject to division 10506  
(K) (1) of this section or participates under division (K) (3) of 10507

either take all of the assessments prescribed by division (B) of 10515  
section 3301.0712 of the Revised Code or take an alternative 10516

the Revised Code. However, a student who is excused from taking 10518  
an assessment under division (C) of this section or has 10519

assessment prescribed under division (B) (1) of section 3301.0712 10524  
of the Revised Code shall not be required to take that 10525

assessment from taking the assessment. 10528

(2) For a student who is enrolled in a chartered nonpublic 10529  
school that is accredited through the independent schools 10530  
association of the central states, and who is not attending the 10531  
school under a state scholarship program, the student shall not 10532  
be required to take any assessment prescribed under section 10533  
3301.0712 or 3313.619 of the Revised Code. 10534

section, for a student who is enrolled in a chartered nonpublic 10536  
school that is not accredited through the independent schools 10537  
association of the central states, regardless of whether the 10538  
student is attending or is not attending the school under a 10539  
state scholarship program, the student shall do one of the 10540

student's school publishes the results of that assessment for 10546  
each graduating class. The published results of that assessment 10547

fifth percentile scores, and seventy-fifth percentile scores for 10549  
each subject area of the assessment. 10550

(iii) Take an alternative assessment approved by the 10551

department under section 3313.619 of the Revised Code. 10552

(b) A student who is excused from taking an assessment 10553  
under division (C) of this section or has presented evidence to 10554  
the chartered nonpublic school of having satisfied the condition 10555  
prescribed by division (A)(1) of section 3313.618 of the Revised 10556  
Code to qualify for a high school diploma prior to the date of 10557  
the administration of the assessment prescribed under division 10558  
(B)(1) of section 3301.0712 of the Revised Code shall not be 10559  
required to take that assessment. No governing authority of a 10560  
chartered nonpublic school shall prohibit a student who is not 10561  
required to take such assessment from taking the assessment. 10562

(M)(1) The superintendent of the state school for the 10563  
blind and the superintendent of the state school for the deaf 10564

and 3301.0712 of the Revised Code. Each superintendent shall 10566  
administer the assessments in the same manner as district boards 10567  
are required to do under this section and rules adopted by the 10568  
department ~~of education~~ and in conformity with division (C)(1) 10569  
(a) of this section. 10570

(2) The department ~~of education~~ shall furnish the 10571

least the proficient range on the mathematics assessment 10576  
described by division (A)(1)(a) of section 3301.0710 of the 10577  
Revised Code or on an assessment described by division (A)(1) 10578  
(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 10579  
Code as a factor in retaining that student in the current grade 10580  
level. 10581

(O) (1) In the manner specified in divisions (O) (3), (4), 10582  
(6), and (7) of this section, the assessments required by 10583  
division (A) (1) of section 3301.0710 of the Revised Code shall 10584  
become public records pursuant to section 149.43 of the Revised 10585  
Code on the thirty-first day of July following the school year 10586

(2) The department may field test proposed questions with 10588  
samples of students to determine the validity, reliability, or 10589  
appropriateness of questions for possible inclusion in a future 10590  
year's assessment. The department also may use anchor questions 10591  
on assessments to ensure that different versions of the same 10592  
assessment are of comparable difficulty. 10593

Field test questions and anchor questions shall not be 10594  
considered in computing scores for individual students. Field 10595  
test questions and anchor questions may be included as part of 10596

or (B) of section 3301.0710 and division (B) of section 10598  
3301.0712 of the Revised Code. 10599

(3) Any field test question or anchor question 10600  
administered under division (O) (2) of this section shall not be 10601  
a public record. Such field test questions and anchor questions 10602  
shall be redacted from any assessments which are released as a 10603  
public record pursuant to division (O) (1) of this section. 10604

(4) This division applies to the assessments prescribed by 10605  
division (A) of section 3301.0710 of the Revised Code. 10606

(a) The first administration of each assessment, as 10607  
specified in former section 3301.0712 of the Revised Code, shall 10608  
be a public record. 10609

(b) For subsequent administrations of each assessment 10610

prior to the 2011-2012 school year, not less than forty per cent 10611  
of the questions on the assessment that are used to compute a 10612  
student's score shall be a public record. The department shall 10613  
determine which questions will be needed for reuse on a future 10614  
assessment and those questions shall not be public records and 10615  
shall be redacted from the assessment prior to its release as a 10616  
public record. However, for each redacted question, the 10617  
department shall inform each city, local, and exempted village 10618  
school district of the statewide academic standard adopted by 10619  
the state board under section 3301.079 of the Revised Code and 10620  
the corresponding benchmark to which the question relates. The 10621  
preceding sentence does not apply to field test questions that 10622  
are redacted under division (O) (3) of this section. 10623

(c) The administrations of each assessment in the 2011- 10624  
2012, 2012-2013, and 2013-2014 school years shall not be a 10625

(5) Each assessment prescribed by division (B) (1) of 10627  
section 3301.0710 of the Revised Code shall not be a public 10628  
record. 10629

(6) (a) Except as provided in division (O) (6) (b) of this 10630  
section, for the administrations in the 2014-2015, 2015-2016, 10631  
and 2016-2017 school years, questions on the assessments 10632  
prescribed under division (A) of section 3301.0710 and division 10633  
(B) (2) of section 3301.0712 of the Revised Code and the 10634  
corresponding preferred answers that are used to compute a 10635  
student's score shall become a public record as follows: 10636

(i) Forty per cent of the questions and preferred answers 10637  
on the assessments on the thirty-first day of July following the 10638  
administration of the assessment; 10639

(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;

(b) No questions and corresponding preferred answers shall become a public record under division (O) (6) of this section after July 31, 2017.

(7) Division (O) (7) of this section applies to the assessments prescribed by division (A) of section 3301.0710 and division (B) (2) of section 3301.0712 of the Revised Code.

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard

adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

determining a grade for each component in divisions (C) (3) (a) to 14759  
(f) of this section. The ~~state board-~~department also shall 14760  
establish a method to assign an overall grade of "A," "B," "C," 14761  
"D," or "F" using the grades assigned for each component. The 14762  
method the ~~state board-~~department adopts for assigning an 14763  
overall grade shall give equal weight to the components in 14764  
divisions (C) (3) (b) and (c) of this section. 14765

At least forty-five days prior to the ~~state board's-~~ 14766

and the method for calculating the overall grade. 14774

(D) On or after July 1, 2015, the ~~state board-~~department 14775  
may develop a measure of student academic progress for high 14776

develops this measure, each school district and applicable 14779

election of county officers, provided that in any such election 16393  
in which only part of the electors of a precinct are qualified 16394  
to vote, the board of elections may assign voters in such part 16395  
to an adjoining precinct. Such an assignment may be made to an 16396  
adjoining precinct in another county with the consent and 16397

(2) If a majority of the electors voting on the question 16410  
proposed in division (G) (1) of this section approve the 16411

question, the mayor shall appoint a new board of education on 16412  
the immediately following first day of July from a slate of 16413

day of July. Thereafter, the mayor shall appoint members to 16419  
four-year terms in the same manner prescribed in divisions (E) 16420  
and (F) of this section. Whenever the nominating panel is 16421

the nominating panel from nominating as a candidate a person who 16428  
was a member of the board prior to the referendum election or 16429  
shall preclude the mayor from appointing such a person to the 16430  
new board. 16431

(3) If a majority of the electors voting on the question 16432  
proposed in division (G) (1) of this section disapprove the 16433  
question, a new board of education shall be elected at the next 16434  
regular election occurring in November of an odd-numbered year. 16435  
The board shall have the same number of members as the board in 16436  
place prior to the board appointed under this section. At such 16437  
election, one-half of the total number of members rounded up to 16438  
the next whole number shall be elected for terms of four years 16439  
and the remaining members shall be elected for terms of two 16440

applies, the district board of education in control of that 16479

school year in which the building first becomes subject to this 16481  
section: 16482

of this section causes the district to no longer maintain all 16501  
grades kindergarten through twelve, as required by section 16502  
3311.29 of the Revised Code, the board shall enter into a 16503  
contract with another school district pursuant to section 16504  
3327.04 of the Revised Code for enrollment of students in the 16505  
schools of that other district to the extent necessary to comply 16506

under this section and a petition with respect to that same 16519  
school has been filed and verified under divisions (B) and (C) 16520  
of section 3302.042 of the Revised Code, the provisions of that 16521  
section and the petition filed and verified under it shall 16522  
prevail over the provisions of this section and the school shall 16523  
be restructured under that section. However, if division (D) (1), 16524  
(2), or (3) of section 3302.042 of the Revised Code also applies 16525  
to the school, the school shall be subject to restructuring 16526  
under this section and not section 3302.042 of the Revised Code. 16527

If the provisions of this section conflict in any way with 16528  
the requirements of federal law, federal law shall prevail over 16529  
the provisions of this section. 16530

(D) If a school is restructured under this section, 16531  
section 3302.042 or 3302.10 of the Revised Code, or federal law, 16532  
the school shall not be required to restructure again under 16533

category six special education ADM of any other school district. 19069

(2) In each fiscal year, the department shall deduct from 19070  
the amounts paid to each school district under Chapter 3317. of 19071

(2) If an additional member of a joint vocational school 20003  
district board appointed on a rotating basis, as described in 20004  
division (A) (1) of this section, was appointed on or after 20005  
September 29, 2013, but prior to September 29, 2015, that member 20006  
may continue in office until the expiration of the member's 20007

(B) A joint vocational school district board of education 20015

so only one time. The application shall include the revisions 20019  
proposed to be made to members' terms, the manner by which the 20020  
terms shall be staggered, and any other information the ~~state-~~ 20021  
~~superintendent department~~ requires. 20022

**Sec. 3311.213.** (A) With the approval of the board of 20023  
education of a joint vocational school district that is in 20024  
existence, any school district in the county or counties 20025  
comprising the joint vocational school district or any school 20026  
district in a county adjacent to a county comprising part of a 20027  
joint vocational school district may become a part of the joint 20028  
vocational school district. On the adoption of a resolution of 20029  
approval by the board of education of the joint vocational 20030

school district, it shall advertise a copy of such resolution in 20031  
a newspaper of general circulation in the school district 20032  
proposing to become a part of such joint vocational school 20033  
district once each week for two weeks, or as provided in section 20034  
7.16 of the Revised Code, immediately following the date of the 20035  
adoption of such resolution. Such resolution shall not become 20036  
effective until the later of the sixty-first day after its 20037  
adoption or until the board of elections certifies the results 20038  
of an election in favor of joining of the school district to the 20039  
joint vocational school district if such an election is held 20040  
under division (B) of this section. 20041

(B) During the sixty-day period following the date of the 20042  
adoption of a resolution to join a school district to a joint 20043  
vocational school district under division (A) of this section, 20044  
the electors of the school district that proposes joining the 20045  
joint vocational school district may petition for a referendum 20046  
vote on the resolution. The question whether to approve or 20047  
disapprove the resolution shall be submitted to the electors of 20048  
such school district if a number of qualified electors equal to 20049  
twenty per cent of the number of electors in the school district 20050  
who voted for the office of governor at the most recent general 20051  
election for that office sign a petition asking that the 20052  
question of whether the resolution shall be disapproved be 20053  
submitted to the electors. The petition shall be filed with the 20054  
board of elections of the county in which the school district is 20055  
located. If the school district is located in more than one 20056  
county, the petition shall be filed with the board of elections 20057  
of the county in which the majority of the territory of the 20058  
school district is located. The board shall certify the validity 20059  
and sufficiency of the signatures on the petition. 20060

The board of elections shall immediately notify the board 20061

of education of the joint vocational school district and the 20062  
board of education of the school district that proposes joining 20063  
the joint vocational school district that the petition has been 20064  
filed. 20065

The effect of the resolution shall be stayed until the 20066  
board of elections certifies the validity and sufficiency of the 20067  
signatures on the petition. If the board of elections determines 20068  
that the petition does not contain a sufficient number of valid 20069  
signatures and sixty days have passed since the adoption of the 20070  
resolution, the resolution shall become effective. 20071

If the board of elections certifies that the petition 20072  
contains a sufficient number of valid signatures, the board 20073  
shall submit the question to the qualified electors of the 20074  
school district on the day of the next general or primary 20075  
election held at least ninety days after but no later than six 20076  
months after the board of elections certifies the validity and 20077  
sufficiency of signatures on the petition. If there is no 20078  
general or primary election held at least ninety days after but 20079  
no later than six months after the board of elections certifies 20080  
the validity and sufficiency of signatures on the petition, the 20081  
board shall submit the question to the electors at a special 20082  
election to be held on the next day specified for special 20083  
elections in division (D) of section 3501.01 of the Revised Code 20084  
that occurs at least ninety days after the board certifies the 20085  
validity and sufficiency of signatures on the petition. The 20086  
election shall be conducted and canvassed and the results shall 20087  
be certified in the same manner as in regular elections for the 20088  
election of members of a board of education. 20089

If a majority of the electors voting on the question 20090  
disapprove the resolution, the resolution shall not become 20091

effective. 20092

(C) If the resolution becomes effective, the board of 20093  
education of the joint vocational school district shall notify 20094  
the county auditor of the county in which the school district 20095  
becoming a part of the joint vocational school district is 20096  
located, who shall thereupon have any outstanding levy for 20097  
building purposes, bond retirement, or current expenses in force 20098  
in the joint vocational school district spread over the 20099  
territory of the school district becoming a part of the joint 20100  
vocational school district. On the addition of a city or 20101  
exempted village school district or an educational service 20102  
center to the joint vocational school district, pursuant to this 20103  
section, the board of education of such joint vocational school 20104  
district shall submit to the ~~state board of education~~ department 20105  
of learning and achievement a proposal to enlarge the membership 20106  
of such board by the addition of one or more persons at least 20107  
one of whom shall be a member of the board of education or 20108  
governing board of such additional school district or 20109  
educational service center, and the term of each such additional 20110  
member. On the addition of a local school district to the joint 20111  
vocational school district, pursuant to this section, the board 20112  
of education of such joint vocational school district may submit 20113  
to the ~~state board of education~~ department of learning and 20114  
achievement a proposal to enlarge the membership of such board 20115  
by the addition of one or more persons who are members of the 20116  
educational service center governing board of such additional 20117  
local school district. On approval by the ~~state board of~~ 20118  
~~education~~ department of learning and achievement additional 20119  
members shall be added to such joint vocational school district 20120  
board of education. 20121

**Sec. 3311.214.** (A) With the approval of the ~~state board of~~ 20122

~~education department of learning and achievement~~, the boards of 20123  
education of any two or more joint vocational school districts 20124  
may, by the adoption of identical resolutions by a majority of 20125  
the members of each such board, propose that one new joint 20126  
vocational school district be created by adding together all of 20127  
the territory of each of the districts and dissolving such 20128  
districts. A copy of each resolution shall be filed with the 20129  
~~state board of education department of learning and achievement~~ 20130  
for its approval or disapproval. The resolutions shall include a 20131  
provision that the board of education of the new district shall 20132  
be composed of the members from the same boards of education 20133  
that composed the membership of the board of each of the 20134  
districts to be dissolved, except that, if an even number of 20135  
districts are to be dissolved, one additional member shall be 20136  
added, who may be from any school district included in the 20137  
territory of any of the districts to be dissolved as designated 20138  
in the resolutions. The members of the new board shall have the 20139  
same terms of office as they had under the respective plans of 20140  
the districts adopting the resolutions, except that, if the new 20141  
board has an additional member, the additional member shall have 20142  
a term as specified in the resolutions. 20143

If the ~~state board department~~ approves the resolutions, 20144  
the board of education of each district to be dissolved shall 20145  
advertise a copy of the resolution in a newspaper of general 20146  
circulation in its district once each week for two weeks, or as 20147  
provided in section 7.16 of the Revised Code, immediately 20148  
following the date the resolutions are approved by the ~~state~~ 20149  
~~board department~~. The resolutions shall become effective on the 20150  
first day of July next succeeding the sixtieth day following 20151  
approval by the ~~state board department~~ unless prior to the 20152  
expiration of such sixty-day period, qualified electors residing 20153

in one of the districts to be dissolved equal in number to a 20154  
majority of the qualified electors of that district voting at 20155  
the last general election file with the ~~state board~~ department a 20156  
petition of remonstrance against creation of the proposed new 20157  
district. 20158

(B) When a resolution becomes effective under division (A) 20159  
of this section, each district in which a resolution was adopted 20160  
and the board of each such district are dissolved. The territory 20161  
of each dissolved district becomes a part of the new joint 20162  
vocational school district. The net indebtedness of each 20163  
dissolved district shall be assumed in full by the new district 20164  
and the funds and property of each dissolved district shall 20165  
become in full the funds and property of the new district. All 20166  
existing contracts of each dissolved board shall be honored by 20167  
the board of the new district until their expiration dates. The 20168  
board of the new district shall notify the county auditor of 20169  
each county in which each dissolved district was located that a 20170  
resolution has become effective and a new district has been 20171  
created and shall certify to each auditor any changes that might 20172  
be required in the tax rate as a result of the creation of the 20173  
new district. 20174

(C) As used in this section, "net indebtedness" means the 20175  
difference between the par value of the outstanding and unpaid 20176  
bonds and notes of the school district and the amount held in 20177  
the sinking fund and other indebtedness retirement funds for 20178  
their redemption. 20179

**Sec. 3311.217.** Upon approval by a majority of the full 20180  
membership of the board of education of a joint vocational 20181  
school district, or upon the receipt of resolutions formally 20182  
adopted by a majority of the boards of education of the school 20183

districts participating in the joint vocational school district, 20184  
the board of education of the joint vocational school district 20185  
shall adopt and send to the ~~state board of education~~ department 20186  
of learning and achievement a resolution requesting the 20187  
dissolution of the joint vocational school district. Such 20188  
resolution shall state the reasons for the proposed dissolution 20189  
of the joint vocational school district, shall set forth a plan 20190  
for the equitable adjustment, division, and disposition of the 20191  
assets, property, debts, and obligations of the joint vocational 20192  
school district, and shall provide that the tax duplicate of 20193  
each participating school district shall be bound for and assume 20194  
its share of the outstanding indebtedness of the joint 20195  
vocational school district. Upon approval of the resolution by 20196  
the ~~state board of education~~ department of learning and 20197  
achievement, the joint vocational school district shall be 20198  
dissolved in accordance with the provisions of the resolution. 20199

**Sec. 3311.218.** The board of education of a joint 20200  
vocational school district may enter into a written agreement 20201  
with the board of trustees of any technical college district, 20202  
the boundaries of which are coterminous with such joint 20203  
vocational ~~school~~ school district, which agreement may provide 20204  
for the sharing of use of any physical facility or equipment 20205  
owned or used by either district. Such agreement may further 20206  
provide that the joint vocational school district may contribute 20207  
a portion of its funds for current operating expenses, 20208  
regardless of whether such funds are derived from a tax levy or 20209  
otherwise, to the technical college district to be expended by 20210  
the technical college district for any lawful purpose. The 20211  
agreement shall require the approval by resolution of both 20212  
boards and shall be executed by the president and treasurer of 20213  
both boards. A copy of such agreement shall be filed with the 20214

board of regents and a copy shall be filed with the ~~state board~~ 20215  
~~of education~~ department of learning and achievement. 20216

**Sec. 3311.22.** A governing board of an educational service 20217  
center may propose, by resolution adopted by majority vote of 20218  
its full membership, or qualified electors of the area affected 20219  
equal in number to at least fifty-five per cent of the qualified 20220  
electors voting at the last general election residing within 20221  
that portion of a school district, or districts proposed to be 20222  
transferred may propose, by petition, the transfer of a part or 20223  
all of one or more local school districts to another local 20224  
school district or districts within the territory of the 20225  
educational service center. Such transfers may be made only to 20226  
local school districts adjoining the school district that is 20227  
proposed to be transferred, unless the board of education of the 20228  
district proposed to be transferred has entered into an 20229  
agreement pursuant to section 3313.42 of the Revised Code, in 20230  
which case such transfers may be made to any local school 20231  
district within the territory of the educational service center. 20232

When a governing board of an educational service center 20233  
adopts a resolution proposing a transfer of school territory it 20234  
shall forthwith file a copy of such resolution, together with an 20235  
accurate map of the territory described in the resolution, with 20236  
the board of education of each school district whose boundaries 20237  
would be altered by such proposal. A governing board of an 20238  
educational service center proposing a transfer of territory 20239  
under the provisions of this section shall at its next regular 20240  
meeting that occurs not earlier than thirty days after the 20241  
adoption by the governing board of a resolution proposing such 20242  
transfer, adopt a resolution making the transfer effective at 20243  
any time prior to the next succeeding first day of July, unless, 20244  
prior to the expiration of such thirty-day period, qualified 20245

electors residing in the area proposed to be transferred, equal 20246  
in number to a majority of the qualified electors voting at the 20247  
last general election, file a petition of referendum against 20248  
such transfer. 20249

Any petition of transfer or petition of referendum filed 20250  
under the provisions of this section shall be filed at the 20251  
office of the educational service center superintendent. The 20252  
person presenting the petition shall be given a receipt 20253  
containing thereon the time of day, the date, and the purpose of 20254  
the petition. 20255

The educational service center superintendent shall cause 20256  
the board of elections to check the sufficiency of signatures on 20257  
any petition of transfer or petition of referendum filed under 20258  
this section and, if found to be sufficient, the superintendent 20259  
shall present the petition to the educational service center 20260  
governing board at a meeting of the board which shall occur not 20261  
later than thirty days following the filing of the petition. 20262

Upon presentation to the educational service center 20263  
governing board of a proposal to transfer territory as requested 20264  
by petition of fifty-five per cent of the qualified electors 20265  
voting at the last general election or a petition of referendum 20266  
against a proposal of the county board to transfer territory, 20267  
the governing board shall promptly certify the proposal to the 20268  
board of elections for the purpose of having the proposal placed 20269  
on the ballot at the next general or primary election which 20270  
occurs not less than ninety days after the date of such 20271  
certification, or at a special election, the date of which shall 20272  
be specified in the certification, which date shall not be less 20273  
than ninety days after the date of such certification. 20274  
Signatures on a petition of transfer or petition of referendum 20275

may be withdrawn up to and including the above mentioned meeting 20276  
of the educational service center governing board only by order 20277  
of the board upon testimony of the petitioner concerned under 20278  
oath before the board that the petitioner's signature was 20279  
obtained by fraud, duress, or misrepresentation. 20280

If a petition is filed with the educational service center 20281  
governing board which proposes the transfer of a part or all of 20282  
the territory included in a resolution of transfer previously 20283  
adopted by the educational service center governing board, no 20284  
action shall be taken on such petition if within the thirty-day 20285  
period after the adoption of the resolution of transfer a 20286  
referendum petition is filed. After the election, if the 20287  
proposed transfer fails to receive a majority vote, action on 20288  
such petition shall then be processed under this section as 20289  
though originally filed under the provisions hereof. If no 20290  
referendum petition is filed within the thirty-day period after 20291  
the adoption of the resolution of transfer, no action shall be 20292  
taken on such petition. 20293

If a petition is filed with the educational service center 20294  
governing board which proposes the transfer of a part or all of 20295  
the territory included in a petition previously filed by 20296  
electors no action shall be taken on such new petition. 20297

Upon certification of a proposal to the board or boards of 20298  
elections pursuant to this section, the board or boards of 20299  
elections shall make the necessary arrangements for the 20300  
submission of such question to the electors of the county or 20301  
counties qualified to vote thereon, and the election shall be 20302  
conducted and canvassed and the results shall be certified in 20303  
the same manner as in regular elections for the election of 20304  
members of a board of education. 20305

The persons qualified to vote upon a proposal are the electors residing in the district or districts containing territory that is proposed to be transferred. If the proposed transfer be approved by at least a majority of the electors voting on the proposal, the educational service center governing board shall make such transfer at any time prior to the next succeeding first day of July. If the proposed transfer is not approved by at least a majority of the electors voting on the proposal, the question of transferring any property included in the territory covered by the proposal shall not be submitted to electors at any election prior to the first general election the date of which is at least two years after the date of the original election, or the first primary election held in an even-numbered year the date of which is at least two years after the date of the original election. A transfer shall be subject to the approval of the receiving board or boards of education, unless the proposal was initiated by the educational service center governing board, in which case, if the transfer is opposed by the board of education offered the territory, the local board may, within thirty days, following the receipt of the notice of transfer, appeal to the state board of education which shall then either approve or disapprove the transfer.

Following an election upon a proposed transfer initiated by a petition the board of education that is offered territory shall, within thirty days following receipt of the proposal, either accept or reject the transfer.

When an entire school district is proposed to be transferred to two or more school districts and the offer is rejected by any one of the receiving boards of education, none of the territory included in the proposal shall be transferred.

Upon the acceptance of territory by the receiving board or boards of education the educational service center governing board offering the territory shall file with the county auditor and with the state board of education and the department of learning and achievement an accurate map showing the boundaries of the territory transferred.

Upon the making of such transfer, the net indebtedness of the former district from which territory was transferred shall be apportioned between the acquiring school district and that portion of the former school district remaining after the transfer in the ratio which the assessed valuation of the territory transferred to the acquiring school district bears to the assessed valuation of the original school district as of the effective date of the transfer. As used in this section "net indebtedness" means the difference between the par value of the outstanding and unpaid bonds and notes of the school district and the amount held in the sinking fund and other indebtedness retirement funds for their redemption.

Upon the making of any transfer under this section, the funds of the district from which territory was transferred shall be divided equitably by the educational service center governing board between the acquiring district and any part of the original district remaining after the transfer.

If an entire district is transferred the board of education of such district is thereby abolished or if a member of the board of education lives in that part of a school district transferred the member becomes a nonresident of the school district from which the territory was transferred and such member ceases to be a member of the board of education of such district.

The legal title of all property of the board of education 20366  
in the territory transferred shall become vested in the board of 20367  
education of the school district to which such territory is 20368  
transferred. 20369

Subsequent to June 30, 1959, if an entire district is 20370  
transferred, foundation program moneys accruing to a district 20371  
accepting school territory under the provisions of this section 20372  
or former section 3311.22 of the Revised Code, shall not be 20373  
less, in any year during the next succeeding three years 20374  
following the transfer, than the sum of the amounts received by 20375  
the districts separately in the year in which the transfer was 20376  
consummated. 20377

**Sec. 3311.231.** A governing board of an educational service 20378  
center may propose, by resolution adopted by majority vote of 20379  
its full membership, or qualified electors of the area affected 20380  
equal in number to not less than fifty-five per cent of the 20381  
qualified electors voting at the last general election residing 20382  
within that portion of a school district proposed to be 20383  
transferred may propose, by petition, the transfer of a part or 20384  
all of one or more local school districts within the territory 20385  
of the center to an adjoining educational service center or to 20386  
an adjoining city or exempted village school district. 20387

A governing board of an educational service center 20388  
adopting a resolution proposing a transfer of school territory 20389  
under this section shall file a copy of such resolution together 20390  
with an accurate map of the territory described in the 20391  
resolution, with the board of education of each school district 20392  
whose boundaries would be altered by such proposal. Where a 20393  
transfer of territory is proposed by a governing board of an 20394  
educational service center under this section, the governing 20395

board shall, at its next regular meeting that occurs not earlier 20396  
than the thirtieth day after the adoption by the governing board 20397  
of the resolution proposing such transfer, adopt a resolution 20398  
making the transfer as originally proposed, effective at any 20399  
time prior to the next succeeding first day of July, unless, 20400  
prior to the expiration of such thirty-day period, qualified 20401  
electors residing in the area proposed to be transferred, equal 20402  
in number to a majority of the qualified electors voting at the 20403

**Sec. 3313.483.** (A) A board of education, upon the adoption 21845

expenses, or the ~~superintendent of public instruction~~ department 21849  
of learning and achievement upon the issuance of written 21850  
notification under division (B) of section 3313.489 of the 21851

whether such situation exists. The auditor shall deliver a copy 21853  
of each request from a board of education to the ~~superintendent~~ 21854  
~~of public instruction~~ department. In the case of a school 21855  
district not under a fiscal emergency pursuant to Chapter 3316. 21856

this section until written notification is received from the 21858  
~~superintendent~~ department pursuant to section 3313.487 of the 21859

reductions in the school district's budget; apply for a loan 21891  
from a commercial bank, underwriter, or other prospective lender 21892

certified deficit; and provide the ~~superintendent~~ department 21894  
such information as the ~~superintendent~~ department requires 21895  
concerning its application for such a loan. The board of 21896

Code may, upon approval of the ~~superintendent~~ department, 21899  
utilize the financial plan required by section 3316.04 of the 21900  
Revised Code, or applicable parts thereof, as the plan required 21901  
under this division. The board of education of a school district 21902  
declared to be under a fiscal emergency pursuant to division (B) 21903  
of section 3316.03 of the Revised Code may utilize the financial 21904  
recovery plan for the district, or applicable parts thereof, as 21905  
the plan required under this division. Except for the plan of a 21906  
school district under a fiscal emergency, the ~~superintendent~~ 21907  
department shall evaluate, make recommendations concerning, and 21908  
approve or disapprove each plan. When a plan is submitted, the 21909  
~~superintendent~~ department shall immediately notify the members 21910  
of the general assembly whose legislative districts include any 21911  
or all of the territory of the school district submitting the 21912  
plan. 21913

(2) The ~~superintendent~~ department shall submit to the 21914  
controlling board a copy of each plan the ~~superintendent~~ 21915  
department approves, or each plan submitted by a district under 21916  
a fiscal emergency pursuant to division (B) of section 3316.03 21917  
of the Revised Code, and the general terms of each proposed 21918  
loan, and shall make recommendations regarding the plan and 21919  
whether a proposed loan to the board of education should be 21920  
approved for payment as provided in division (E) (3) of this 21921

section. The controlling board shall approve or disapprove the 21922  
plan and the proposed loan presented to it by the ~~superintendent-~~ 21923  
department. In the case of a district not under a fiscal 21924

Revised Code, the controlling board may require a board of 21926  
education to implement the ~~superintendent's~~ department's 21927  
recommendations for expenditure reductions or impose other 21928  
requirements. Loan repayments shall be in accordance with a 21929  
schedule approved by the ~~superintendent~~ department, except that 21930  
the principal amount of the loan shall be payable in monthly, 21931  
semiannual, or annual installments of principal and interest 21932  
that are substantially equal principal and interest 21933  
installments. Except as otherwise provided in division (E) (2) of 21934  
this section, repayment shall be made no later than the 21935  
fifteenth day of June of the second fiscal year following the 21936  
approval of the loan. A school district with a certified deficit 21937  
in excess of either twenty-five million dollars or fifteen per 21938  
cent of the general fund expenditures of the district during the 21939  
fiscal year shall repay the loan no later than the fifteenth day 21940  
of June of the tenth fiscal year following the approval of the 21941  
loan. In deciding whether to approve or disapprove a proposed 21942  
loan, the controlling board shall consider the deficit certified 21943  
by the auditor of state pursuant to this section. A board of 21944  
education that has an outstanding loan approved pursuant to this 21945  
section with a repayment date of more than two fiscal years 21946  
after the date of approval of such loan may not apply for 21947  
another loan with such a repayment date until the outstanding 21948  
loan has been repaid. 21949

(3) If a board of education has submitted and received 21950  
controlling board approval of a plan and proposed loan in 21951  
accordance with this section, the ~~superintendent of public-~~ 21952

~~instruction department~~ shall report to the controlling board the 21953  
actual amounts loaned to the board of education. Such board of 21954  
education shall request the ~~superintendent department~~ to pay any 21955  
funds the board of education would otherwise receive pursuant to 21956  
Chapter 3306. of the Revised Code first directly to the holders 21957  
of the board of education's notes, or an agent thereof, such 21958  
amounts as are specified under the terms of the loan. Such 21959  
payments shall be made only from and to the extent of money 21960  
appropriated by the general assembly for purposes of such 21961  
sections. No note or other obligation of the board of education 21962  
under the loan constitutes an obligation nor a debt or a pledge 21963  
of the faith, credit, or taxing power of the state, and the 21964  
holder or owner of such note or obligation has no right to have 21965  
taxes levied by the general assembly for the payment of such 21966  
note or obligation, and such note or obligation shall contain a 21967  
statement to that effect. 21968

(4) Pursuant to the terms of such a loan, a board of 21969  
education may issue its notes in anticipation of the collection 21970  
of its voted levies for current expenses or its receipt of such 21971  
state funds or both. Such notes shall be issued in accordance 21972  
with division (E) of section 133.10 of the Revised Code and 21973  
constitute Chapter 133. securities to the extent such division 21974  
and the otherwise applicable provisions of Chapter 133. of the 21975  
Revised Code are not inconsistent with this section, provided 21976  
that in any event sections 133.24 and 5705.21 and divisions (A), 21977  
(B), (C), and (E) (2) of section 133.10 of the Revised Code do 21978  
not apply to such notes. 21979

(5) Notwithstanding section 133.36 or 3313.17, any other 21980  
section of the Revised Code, or any other provision of law, a 21981  
board of education that has received a loan under this section 21982  
may not declare bankruptcy, so long as any portion of such loan 21983

remains unpaid. 21984

(F) Under this section and section 3313.4810, "board of 21985  
education" or "district board" includes the financial planning 21986  
and supervision commission of a school district under a fiscal 21987  
emergency pursuant to Chapter 3316. of the Revised Code where 21988  
such commission chooses to exercise the powers and duties 21989  
otherwise required of the district board of education under this 21990  
section and section 3313.4810 of the Revised Code. 21991

**Sec. 3313.484.** No loan shall be approved under sections 21992  
3313.483 to 3313.4810 of the Revised Code after March 1, 1998. 21993

By the last day of June each year, the department of 21994  
~~education~~ learning and achievement shall calculate and pay a 21995  
subsidy to every school district that during the current fiscal 21996  
year paid and was obligated to pay interest on a loan under 21997  
sections 3313.483 to 3313.4810 of the Revised Code in excess of 21998  
two per cent simple interest. The amount of the subsidy shall 21999  
equal the difference between the amount of interest the district 22000  
paid and was obligated to pay during the year and the interest 22001  
that the district would have been obligated to pay if the 22002  
interest rate on the loan had been two per cent per year. 22003

**Sec. 3313.487.** (A) Upon receipt of a copy of a request for 22004  
a determination under section 3313.483 of the Revised Code or 22005  
upon the issuance of written notification under division (B) of 22006  
section 3313.489 of the Revised Code, the ~~superintendent of~~ 22007  
~~public instruction~~ department of learning and achievement shall 22008  
analyze the district's financial condition and ascertain what 22009  
elements of the district's educational program exceed or fail to 22010  
meet the minimum standards of the ~~state board of education~~ 22011  
department and requirements set forth in the Revised Code, and 22012  
what, if any, additional revenues or revenue sources may be 22013

available to the district that are not included in its official 22014  
certificate or amended certificate of estimated resources. The 22015  
~~superintendent department~~ shall make a written report of ~~the~~ 22016  
~~superintendent's~~ its findings to the school district's board of 22017  
education, and the auditor of state, ~~and the state board of~~ 22018  
~~education~~. The report shall include any recommendations, 22019  
including reductions in programs which exceed minimum standards 22020  
of the ~~state board of education~~ department of learning and 22021  
achievement or requirements set forth in the Revised Code, that, 22022  
if followed, would enable the district to reduce its expenses 22023  
while operating an educational program that is responsive to the 22024  
educational needs of the school district in accordance with its 22025  
adopted school calendar. The ~~superintendent department~~ may 22026  
determine that a responsive educational program requires the 22027  
inclusion of elements exceeding the minimum standards of the 22028  
~~state board of education~~ department of learning and achievement 22029  
or requirements of the Revised Code. If, upon completion of the 22030  
analysis and findings as provided in this division, the 22031  
~~superintendent department~~ determines that the district will be 22032  
financially unable to operate its educational program in 22033  
accordance with its adopted school calendar and pay all 22034  
obligated expenses, the ~~superintendent department~~ shall notify 22035  
the auditor of state in writing. Upon receipt of such 22036  
notification, the auditor of state shall issue findings pursuant 22037  
to section 3313.483 of the Revised Code. 22038

(B) Upon the ~~receipt publication of the superintendent of~~ 22039  
~~public instruction's~~ department's report under division (A) of 22040  
this section or a certification from the auditor of state under 22041  
section 3313.483 of the Revised Code, the ~~state board of~~ 22042  
~~education~~ department may, at any time during the next ninety 22043  
days, issue an order making the school district subject to 22044

section 3313.488 of the Revised Code if it finds the school 22045  
district is not able to operate an educational program from 22046  
existing revenue sources during the current and the ensuing 22047  
school year. Such order shall take immediate effect, and such 22048  
section shall apply to the school district. ~~Prior to the~~ 22049  
~~issuance of any order under this division, the state board of~~ 22050  
~~education may request from the superintendent of public~~ 22051  
~~instruction a recommendation regarding the matter of the~~ 22052  
~~issuance of an order making a school district subject to section~~ 22053  
~~3313.488 of the Revised Code.~~ A board of education may appeal 22054  
the order on questions of fact to the court of common pleas of 22055

section 3301.079 of the Revised Code and the academic content	22981
standards for financial literacy and entrepreneurship adopted	22982

under division (A) (2) of that section, into one or more existing 22983  
social studies credits required under division (C) (7) of this 22984  
section, or into the content of another class, so that every 22985  
high school student receives instruction in those concepts. In 22986  
developing the curriculum required by this paragraph, schools 22987  
shall use available public-private partnerships and resources 22988

States Code, or English language arts, mathematics, science, or 23003  
social studies courses not otherwise required under division (C) 23004  
of this section. 23005

Ohioans must be prepared to apply increased knowledge and 23006  
skills in the workplace and to adapt their knowledge and skills 23007  
quickly to meet the rapidly changing conditions of the twenty- 23008  
first century. National studies indicate that all high school 23009  
graduates need the same academic foundation, regardless of the 23010  
opportunities they pursue after graduation. The goal of Ohio's 23011  
system of elementary and secondary education is to prepare all 23012

students for and seamlessly connect all students to success in 23013  
life beyond high school graduation, regardless of whether the 23014  
next step is entering the workforce, beginning an 23015  
apprenticeship, engaging in post-secondary training, serving in 23016  
the military, or pursuing a college degree. 23017

The requirements for graduation prescribed in division (C) 23018  
of this section are the standard expectation for all students 23019  
entering ninth grade for the first time at a public or chartered 23020  
nonpublic high school on or after July 1, 2010. A student may 23021  
satisfy this expectation through a variety of methods, 23022  
including, but not limited to, integrated, applied, career- 23023  
technical, and traditional coursework. 23024

Whereas teacher quality is essential for student success 23025  
when completing the requirements for graduation, the general 23026  
assembly shall appropriate funds for strategic initiatives 23027  
designed to strengthen schools' capacities to hire and retain 23028  
highly qualified teachers in the subject areas required by the 23029  
curriculum. Such initiatives are expected to require an 23030  
investment of \$120,000,000 over five years. 23031

Stronger coordination between high schools and 23032  
institutions of higher education is necessary to prepare 23033  
students for more challenging academic endeavors and to lessen 23034  
the need for academic remediation in college, thereby reducing 23035  
the costs of higher education for Ohio's students, families, and 23036  
the state. The ~~state board and the chancellor of higher~~ 23037  
~~education department~~ shall develop policies to ensure that only 23038  
in rare instances will students who complete the requirements 23039  
for graduation prescribed in division (C) of this section 23040  
require academic remediation after high school. 23041

School districts, community schools, and chartered 23042

nonpublic schools shall integrate technology into learning 23043  
experiences across the curriculum in order to maximize 23044  
efficiency, enhance learning, and prepare students for success 23045  
in the technology-driven twenty-first century. Districts and 23046  
schools shall use distance and web-based course delivery as a 23047  
method of providing or augmenting all instruction required under 23048  
this division, including laboratory experience in science. 23049  
Districts and schools shall utilize technology access and 23050  
electronic learning opportunities provided by the broadcast 23051  
educational media commission, ~~chancellor~~, the Ohio learning 23052  
network, education technology centers, public television 23053  
stations, and other public and private providers. 23054

(D) Except as provided in division (E) of this section, a 23055  
student who enters ninth grade on or after July 1, 2010, and 23056  
before July 1, 2016, may qualify for graduation from a public or 23057  
chartered nonpublic high school even though the student has not 23058  
completed the requirements for graduation prescribed in division 23059  
(C) of this section if all of the following conditions are 23060  
satisfied: 23061

(1) During the student's third year of attending high 23062  
school, as determined by the school, the student and the 23063  
student's parent, guardian, or custodian sign and file with the 23064  
school a written statement asserting the parent's, guardian's, 23065  
or custodian's consent to the student's graduating without 23066  
completing the requirements for graduation prescribed in 23067  
division (C) of this section and acknowledging that one 23068  
consequence of not completing those requirements is 23069  
ineligibility to enroll in most state universities in Ohio 23070  
without further coursework. 23071

(2) The student and parent, guardian, or custodian fulfill 23072

any procedural requirements the school stipulates to ensure the 23073  
student's and parent's, guardian's, or custodian's informed 23074  
consent and to facilitate orderly filing of statements under 23075  
division (D) (1) of this section. Annually, each district or 23076  
school shall notify the department of the number of students who 23077  
choose to qualify for graduation under division (D) of this 23078  
section and the number of students who complete the student's 23079  
success plan and graduate from high school. 23080

(3) The student and the student's parent, guardian, or 23081  
custodian and a representative of the student's high school 23082  
jointly develop a student success plan for the student in the 23083  
manner described in division (C) (1) of section 3313.6020 of the 23084  
Revised Code that specifies the student matriculating to a two- 23085  
year degree program, acquiring a business and industry- 23086  
recognized credential, or entering an apprenticeship. 23087

(4) The student's high school provides counseling and 23088  
support for the student related to the plan developed under 23089  
division (D) (3) of this section during the remainder of the 23090  
student's high school experience. 23091

(5) (a) Except as provided in division (D) (5) (b) of this 23092  
section, the student successfully completes, at a minimum, the 23093  
curriculum prescribed in division (B) of this section. 23094

(b) Beginning with students who enter ninth grade for the 23095  
first time on or after July 1, 2014, a student shall be required 23096  
to complete successfully, at the minimum, the curriculum 23097  
prescribed in division (B) of this section, except as follows: 23098

(i) Mathematics, four units, one unit which shall be one 23099  
of the following: 23100

(I) Probability and statistics; 23101

(II) Computer science;	23102
(III) Applied mathematics or quantitative reasoning;	23103
(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.	23104 23105 23106
(ii) Elective units, five units;	23107
(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.	23108 23109 23110 23111
<del>The department, in collaboration with the chancellor,</del>	23112
shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, <u>and</u> the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, <del>the state board of education, and the superintendent of public instruction.</del>	23113 23114 23115 23116 23117 23118 23119 23120 23121 23122 23123 23124
(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may	23125 23126 23127 23128 23129 23130

stipulate any of the following:	23131
(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	23132 23133
(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;	23134 23135 23136 23137 23138 23139
(3) That no exception comparable to that provided in division (D) of this section is available.	23140 23141
(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:	23142 23143 23144 23145 23146 23147 23148 23149 23150 23151

(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.	23154 23155 23156 23157 23158
(3) The program requires students to attain at least the	23159

applicable score designated for each of the assessments 23160

Revised Code or, to the extent prescribed by rule of the ~~state~~ 23162  
~~board~~ department under division (D) (5) of section 3301.0712 of 23163  
the Revised Code, division (B) (2) of that section. 23164

(4) The program develops a student success plan for the 23165  
student in the manner described in division (C) (1) of section 23166  
3313.6020 of the Revised Code that specifies the student's 23167

and industry-recognized credential, or entering an 23169  
apprenticeship. 23170

(5) The program provides counseling and support for the 23171  
student related to the plan developed under division (F) (4) of 23172  
this section during the remainder of the student's high school 23173  
experience. 23174

(6) The program requires the student and the student's 23175  
parent, guardian, or custodian to sign and file, in accordance 23176  
with procedural requirements stipulated by the program, a 23177  
written statement asserting the parent's, guardian's, or 23178  
custodian's consent to the student's graduating without 23179  
completing the requirements for graduation prescribed in 23180  
division (C) of this section and acknowledging that one 23181  
consequence of not completing those requirements is 23182  
ineligibility to enroll in most state universities in Ohio 23183  
without further coursework. 23184

(7) Prior to receiving the waiver, the program has 23185  
submitted to the department an instructional plan that 23186

Code will be taught and assessed. 23189

(8) Prior to receiving the waiver, the program has 23190

Code, with an emphasis on how every student will receive career 23193  
advising. 23194

If the department does not act either to grant the waiver 23203  
or to reject the program application for the waiver within sixty 23204  
days as required under this section, the waiver shall be 23205  
considered to be granted. 23206

(G) Every high school may permit students below the ninth 23207  
grade to take advanced work. If a high school so permits, it 23208

advanced work and shall count such advanced work toward the 23210  
graduation requirements of division (B) or (C) of this section 23211  
if the advanced work was both: 23212

(1) Taught by a person who possesses a license or 23213

23220

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript. 23221

23224  
23225

23231  
23232

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the ~~state-board-department~~ department has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section. 23233  
23234  
23235  
23236  
23237

23239  
23240  
23241  
23242  
23243  
23244

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school 23245  
23246  
23247  
23248

may administer the related subject area examinations upon the 23249  
student's completion of the integrated course. 23250

Nothing in division (I) of this section shall be construed 23251  
to excuse any school district, chartered nonpublic school, or 23252  
student from any requirement in the Revised Code related to 23253  
curriculum, assessments, or the awarding of a high school 23254  
diploma. 23255

(J) (1) The ~~state board, in consultation with the~~ 23256  
~~chancellor, department~~ shall adopt a statewide plan implementing 23257  
methods for students to earn units of high school credit based 23258  
on a demonstration of subject area competency, instead of or in 23259  
combination with completing hours of classroom instruction. The 23260  
~~state board department~~ shall adopt the plan not later than March 23261  
31, 2009, and commence phasing in the plan during the 2009-2010 23262  
school year. The plan shall include a standard method for 23263  
recording demonstrated proficiency on high school transcripts. 23264  
Each school district and community school shall comply with the 23265  
~~state board's department's~~ plan adopted under this division and 23266  
award units of high school credit in accordance with the plan. 23267  
The ~~state board department~~ may adopt existing methods for 23268  
earning high school credit based on a demonstration of subject 23269  
area competency as necessary prior to the 2009-2010 school year. 23270

(2) Not later than December 31, 2015, the ~~state board~~ 23271  
~~department~~ shall update the statewide plan adopted pursuant to 23272  
division (J) (1) of this section to also include methods for 23273  
students enrolled in seventh and eighth grade to meet curriculum 23274  
requirements based on a demonstration of subject area 23275  
competency, instead of or in combination with completing hours 23276  
of classroom instruction. Beginning with the 2017-2018 school 23277  
year, each school district and community school also shall 23278

comply with the updated plan adopted pursuant to this division 23279  
and permit students enrolled in seventh and eighth grade to meet 23280  
curriculum requirements based on subject area competency in 23281  
accordance with the plan. 23282

(3) Not later than December 31, 2017, the department shall 23283  
develop a framework for school districts and community schools 23284  
to use in granting units of high school credit to students who 23285  
demonstrate subject area competency through work-based learning 23286  
experiences, internships, or cooperative education. Beginning 23287  
with the 2018-2019 school year, each district and community 23288  
school shall comply with the framework. Each district and 23289  
community school also shall review any policy it has adopted 23290  
regarding the demonstration of subject area competency to 23291  
identify ways to incorporate work-based learning experiences, 23292  
internships, and cooperative education into the policy in order 23293  
to increase student engagement and opportunities to earn units 23294  
of high school credit. 23295

(K) This division does not apply to students who qualify 23296  
for graduation from high school under division (D) or (F) of 23297  
this section, or to students pursuing a career-technical 23298  
instructional track as determined by the school district board 23299  
of education or the chartered nonpublic school's governing 23300  
authority. Nevertheless, the general assembly encourages such 23301  
students to consider enrolling in a fine arts course as an 23302  
elective. 23303

Beginning with students who enter ninth grade for the 23304  
first time on or after July 1, 2010, each student enrolled in a 23305  
public or chartered nonpublic high school shall complete two 23306  
semesters or the equivalent of fine arts to graduate from high 23307  
school. The coursework may be completed in any of grades seven 23308

to twelve. Each student who completes a fine arts course in 23309  
grade seven or eight may elect to count that course toward the 23310  
five units of electives required for graduation under division 23311  
(C) (8) of this section, if the course satisfied the requirements 23312  
of division (G) of this section. In that case, the high school 23313  
shall award the student high school credit for the course and 23314  
count the course toward the five units required under division 23315  
(C) (8) of this section. If the course in grade seven or eight 23316  
did not satisfy the requirements of division (G) of this 23317  
section, the high school shall not award the student high school 23318  
credit for the course but shall count the course toward the two 23319  
semesters or the equivalent of fine arts required by this 23320  
division. 23321

(L) Notwithstanding anything to the contrary in this 23322  
section, the board of education of each school district and the 23323  
governing authority of each chartered nonpublic school may adopt 23324  
a policy to excuse from the high school physical education 23325  
requirement each student who, during high school, has 23326  
participated in interscholastic athletics, marching band, or 23327  
cheerleading for at least two full seasons or in the junior 23328  
reserve officer training corps for at least two full school 23329  
years. If the board or authority adopts such a policy, the board 23330  
or authority shall not require the student to complete any 23331  
physical education course as a condition to graduate. However, 23332  
the student shall be required to complete one-half unit, 23333  
consisting of at least sixty hours of instruction, in another 23334  
course of study. In the case of a student who has participated 23335  
in the junior reserve officer training corps for at least two 23336  
full school years, credit received for that participation may be 23337  
used to satisfy the requirement to complete one-half unit in 23338  
another course of study. 23339

(M) It is important that high school students learn and understand United States history and the governments of both the United States and the state of Ohio. Therefore, beginning with students who enter ninth grade for the first time on or after July 1, 2012, the study of American history and American government required by divisions (B)(6) and (C)(6) of this section shall include the study of all of the following documents:

(1) The Declaration of Independence;

(2) The Northwest Ordinance;

(3) The Constitution of the United States with emphasis on the Bill of Rights;

(4) The Ohio Constitution.

The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.

The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.

(N) A student may apply one unit of instruction in computer science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a

professional development program determined to be appropriate by 23369  
the district board. 23370

If a student applies more than one computer science course 23371  
to satisfy curriculum requirements under that division, the 23372  
courses shall be sequential and progressively more difficult or 23373  
cover different subject areas within computer science. 23374

**Sec. 3313.605.** (A) As used in this section: 23375

(1) "Civic responsibility" means the patriotic and ethical 23376  
duties of all citizens to take an active role in society and to 23377  
consider the interests and concerns of other individuals in the 23378  
community. 23379

(2) "Volunteerism" means nonprofit activity in the United 23380  
States, the benefits and limitations of nonprofit activities, 23381  
and the presence and function of nonprofit civic and charitable 23382  
organizations in the United States. 23383

(3) "Community service" means a service performed through 23384  
educational institutions, government agencies, nonprofit 23385

generally designed to provide direct experience with people or 23387  
project planning, with the goal of improving the quality of life 23388  
for the community. Such activities may include but are not 23389  
limited to tutoring, literacy training, neighborhood 23390  
improvement, encouraging interracial and multicultural 23391  
understanding, promoting ideals of patriotism, increasing 23392  
environmental safety, assisting the elderly or disabled, and 23393  
providing mental health care, housing, drug abuse prevention 23394  
programs, and other philanthropic programs, particularly for 23395  
disadvantaged or low-income persons. 23396

(B) The board of education of each city, local, exempted 23397

village, and joint vocational school district, the governing authority of each community school established under Chapter 3314. of the Revised Code, and the governing body of each STEM school established under Chapter 3326. of the Revised Code may include community service education in its educational program. A governing board of an educational service center, upon the request of a local school district board of education, may provide a community service education program for the local district pursuant to this section. If a board, governing authority, or governing body includes community service education in its education program, the board, governing authority, or governing body shall do both of the following:

(1) Establish a community service advisory committee. The committee shall provide recommendations to the board, governing authority, or governing body regarding a community service plan for students and shall oversee and assist in the implementation of the plan adopted by the board, governing authority, or governing body under division (B) (2) of this section. Each board, governing authority, or governing body shall determine the membership and organization of its advisory committee and may designate an existing committee established for another purpose to serve as the community service advisory committee; however, each such committee shall include two or more students and shall include or consult with at least one person employed in the field of volunteer management who devotes at least fifty per cent of employment hours to coordinating volunteerism among community organizations. The committee members may include representatives of parents, teachers, administrators, other educational institutions, business, government, nonprofit organizations, veterans organizations, social service agencies, religious organizations, and philanthropies.

(2) Develop and implement a community service plan. To 23429  
assist in establishing its plan, the board, governing authority, 23430  
or governing body shall consult with and may contract with one 23431  
or more local or regional organizations with experience in 23432  
volunteer program development and management. Each community 23433  
service plan adopted under this division shall be based upon the 23434  
recommendations of the advisory committee and shall provide for 23435  
all of the following: 23436

(a) Education of students in the value of community 23437  
service and its contributions to the history of this state and 23438  
this nation; 23439

(b) Identification of opportunities for students to 23440

service education, for the discovery of community service 23448  
opportunities, and for the motivation of students to become 23449  
involved in community service. 23450

Plans shall be reviewed periodically by the advisory 23451  
committee and, if necessary, revised by the board, governing 23452  
authority, or governing body at least once every five years. 23453

Plans shall provide for students to perform services under 23454  
the plan that will not supplant the hiring of, result in the 23455  
displacement of, or impair any existing employment contract of 23456  
any particular employee of any private or governmental entity 23457

for which the services are performed. The plan shall provide for 23458  
any entity utilizing a student to perform community service 23459  
under the plan to verify to the board that the student does not 23460  
supplant the hiring of, displace, or impair the employment 23461  
contract of any particular employee of the entity. 23462

Upon adoption, a board, governing authority, or governing 23463  
body shall submit a copy of its plan to the department of 23464  
~~education learning and achievement~~. Each city and exempted 23465  
village board of education and each governing board of a service 23466  
center shall include a copy of its plan in any course of study 23467  
adopted under section 3313.60 of the Revised Code that is 23468  
required to be submitted for approval to the ~~state board~~ 23469  
~~department~~ for review. A joint vocational school district board 23470

~~department~~ for review when required to do so by the ~~state board~~ 23472  
~~department~~. A local board shall forward its plan to the 23473  
educational service center governing board for inclusion in the 23474  
governing board's course of study. The department periodically 23475  
shall review all plans and publish those plans that could serve 23476  
as models for other school districts, educational service 23477  
centers, community schools, or STEM schools. 23478

(C) Under this section, a board, governing authority, or 23479  
governing body may only grant high school credit for a community 23480  
service education course if approximately half of the course is 23481  
devoted to classroom study of such matters as civic 23482  
responsibility, the history of volunteerism, and community 23483  
service training and approximately half of the course is devoted 23484  
to community service. 23485

Each board, governing authority, or governing body shall 23486  
determine which specific activities will serve to fulfill the 23487

required hours of community service. 23488

(D) The ~~superintendent of public instruction~~ department 23489  
shall develop guidelines for the development and implementation 23490  
of a rubric to evaluate and rate community service education 23491  
projects for use by districts, governing authorities, and 23492  
governing boards that adopt a community service education plan. 23493

(E) The ~~state superintendent~~ department shall adopt rules 23494  
for granting a student special certification, special 23495  
recognition on a diploma, or special notification in the 23496  
student's record upon the student's successful completion of an 23497  
approved community service project. 23498

The district board, governing authority, or governing body 23499  
shall use a rubric developed in accordance with division (D) of 23500  
this section to determine whether a community service project 23501  
warrants recognition on a student's diploma under this division. 23502

**Sec. 3313.608.** (A) (1) Beginning with students who enter 23503  
third grade in the school year that starts July 1, 2009, and 23504

division (C) of section 3301.0711 of the Revised Code from 23506  
taking the assessment described in this section, for any student 23507  
who does not attain at least the equivalent level of achievement 23508  
designated under division (A) (3) of section 3301.0710 of the 23509  
Revised Code on the assessment prescribed under that section to 23510  
measure skill in English language arts expected at the end of 23511  
third grade, each school district, in accordance with the policy 23512  
adopted under section 3313.609 of the Revised Code, shall do one 23513  
of the following: 23514

(a) Promote the student to fourth grade if the student's 23515

the student's skill in reading demonstrate that the student is 23517  
academically prepared to be promoted to fourth grade; 23518

(b) Promote the student to fourth grade but provide the 23519  
student with intensive intervention services in fourth grade; 23520

(c) Retain the student in third grade. 23521

taking the assessment described in this section, no school 23525  
district shall promote to fourth grade any student who does not 23526  
attain at least the equivalent level of achievement designated 23527  
under division (A) (3) of section 3301.0710 of the Revised Code 23528

(b) The student is a child with a disability entitled to 23536  
special education and related services under Chapter 3323. of 23537

(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading. 23551  
23552  
23553

23555

(iv) The student previously was retained in any of grades kindergarten to three. 23556

(ii) A student who is promoted under division (A) (2) (e) (i) of this section shall continue to receive intensive reading instruction in grade four. ~~education~~ learning and achievement, to identify such students. 23584  
The policies and procedures shall require the students' 23585

(2) For each student identified by the diagnostic 23592

(a) Provide to the student's parent or guardian, in 23596

(iv) Notification that if the student attains a score in 23606  
the range designated under division (A) (3) of section 3301.0710 23607  
of the Revised Code on the assessment prescribed under that 23608  
section to measure skill in English language arts expected at 23609  
the end of third grade, the student shall be retained unless the 23610  
student is exempt under division (A) of this section. The 23611  
notification shall specify that the assessment under section 23612  
3301.0710 of the Revised Code is not the sole determinant of 23613  
promotion and that additional evaluations and assessments are 23614  
available to the student to assist parents and the district in 23615  
knowing when a student is reading at or above grade level and 23616  
ready for promotion. 23617

(b) Provide intensive reading instruction services and 23618  
regular diagnostic assessments to the student immediately 23619  
following identification of a reading deficiency until the 23620  
development of the reading improvement and monitoring plan 23621  
required by division (C) of this section. These intervention 23622  
services shall include research-based reading strategies that 23623  
have been shown to be successful in improving reading among low- 23624  
performing readers and instruction targeted at the student's 23625  
identified reading deficiencies. 23626

(3) For each student retained under division (A) of this 23627  
section, the district shall do all of the following: 23628

section.	23649
The district shall offer the option for students to	23650
receive applicable services from one or more providers other	23651
than the district. Providers shall be screened and approved by	23652
the district or the department of <del>education</del> <u>learning and</u>	23653
<u>achievement</u> . If the student participates in the remediation	23654
services and demonstrates reading proficiency in accordance with	23655
standards adopted by the department prior to the start of fourth	23656
grade, the district shall promote the student to that grade.	23657
(4) For each student retained under division (A) of this	23658
section who has demonstrated proficiency in a specific academic	23659

ability field, each district shall provide instruction 23660  
commensurate with student achievement levels in that specific 23661  
academic ability field. 23662

As used in this division, "specific academic ability 23663  
field" has the same meaning as in section 3324.01 of the Revised 23664  
Code. 23665

(C) For each student required to be provided intervention 23666  
services under this section, the district shall develop a 23667  
reading improvement and monitoring plan within sixty days after 23668  
receiving the student's results on the diagnostic assessment or 23669  
comparable tool administered under division (B)(1) of this 23670

and support that will be provided to the student to remediate 23677  
the identified reading deficiencies; 23678

(3) Opportunities for the student's parent or guardian to 23679  
be involved in the instructional services and support described 23680  
in division (C)(2) of this section; 23681

(4) A process for monitoring the extent to which the 23682  
student receives the instructional services and support 23683  
described in division (C)(2) of this section; 23684

(5) A reading curriculum during regular school hours that 23685  
does all of the following: 23686

(c) Provides initial and ongoing analysis of each student's reading progress.	23689 23690
(6) A statement that if the student does not attain at least the equivalent level of achievement designated under division (A) (3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected by the end of third grade, the student may be retained in third grade.	23691 23692 23693 23694 23695 23696
Each student with a reading improvement and monitoring plan under this division who enters third grade after July 1, 2013, shall be assigned to a teacher who satisfies one or more of the criteria set forth in division (H) of this section.	23697 23698 23699 23700
The district shall report any information requested by the department about the reading improvement monitoring plans developed under this division in the manner required by the department.	23701 23702 23703 23704
(D) Each school district shall report annually to the department on its implementation and compliance with this section using guidelines prescribed by the <del>superintendent of public instruction</del> <u>department</u> . students; and, if available, an evaluation of the efficacy of 23717  
the intervention services provided. 23718

(E) Any summer remediation services funded in whole or in 23719  
part by the state and offered by school districts to students 23720  
under this section shall meet the following conditions: 23721

(1) The remediation methods are based on reliable 23722

monitoring results of the remediation services. 23726

(3) The parents of participating students are involved in 23727  
programming decisions. 23728

(F) Any intervention or remediation services required by 23729  
this section shall include intensive, explicit, and systematic 23730  
instruction. 23731

(1) The person successfully completes the high school curriculum of a school district, a community school, a chartered	24500 24501

nonpublic school, or a correctional institution. 24502

section 3313.611 of the Revised Code that the person qualifies 24507  
as having successfully completed the curriculum required by the 24508  
district. 24509

(B) This division specifies the assessment requirements 24510  
that must be fulfilled as a condition toward granting high 24511  
school diplomas under sections 3313.61, 3313.611, 3313.612, and 24512  
3325.08 of the Revised Code. 24513

but does not pass a ninth grade proficiency test or the Ohio 24533

that subject to receive a diploma. 24538

pass Ohio graduation tests to meet the assessment requirements 24545  
applicable to that person as a condition to receiving a diploma 24546  
or satisfy one of the conditions prescribed in division (B) (3) 24547  
(b) of this section. 24548

(b) A person who began ninth grade for the first time 24549  
prior to July 1, 2014, shall be eligible to receive a diploma if 24550

applicable scores designated under division (B) (1) of section 24555  
3301.0710 of the Revised Code on all the assessments required by 24556

person meets the requirement prescribed by rule of the ~~state~~ 24558  
~~board of education~~ department of learning and achievement as 24559

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F) (11) of this section to complete any consent form required by the district, including any authorization required by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the Revised Code. Upon request, the grandparent shall complete any consent form required by the district. A school district shall not incur any liability solely because of its receipt of a consent form from a grandparent in lieu of a parent.

Division (F) (11) of this section does not create, and shall not be construed as creating, a new cause of action or substantive legal right against a school district, a member of a board of education, or an employee of a school district. (C), or (E) of this section provided that, prior to such 25265  
attendance in any school year, both of the following occur: 25266

purposes of this division; 25270

(b) The superintendents of both districts enter into a 25271  
written agreement that consents to the attendance and specifies 25272  
that the purpose of such attendance is to protect the student's 25273  
physical or mental well-being or to deal with other extenuating 25274  
circumstances deemed appropriate by the superintendents. 25275

While an agreement is in effect under this division for a 25276  
student who is not receiving special education under Chapter 25277  
3323. of the Revised Code and notwithstanding Chapter 3327. of 25278  
the Revised Code, the board of education of neither school 25279  
district involved in the agreement is required to provide 25280

student attends. 25282

A student attending a school of a district pursuant to 25283  
this division shall be allowed to participate in all student 25284

exempted village school district shall comply with the 25292  
requirements of that act governing the provision of a free, 25293  
appropriate public education, including public preschool, to 25294  
each homeless child. 25295

When a child loses permanent housing and becomes a 25296  
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 25297  
child who is such a homeless person changes temporary living 25298  
arrangements, the child's parent or guardian shall have the 25299  
option of enrolling the child in either of the following: 25300

U.S.C.A. 11432(g) (3) (C); 25302

(b) The school that is operated by the school district in 25303  
which the shelter where the child currently resides is located 25304  
and that serves the geographic area in which the shelter is 25305  
located. 25306

(14) A child under the age of twenty-two years who resides 25307  
with a person other than the child's parent is entitled to 25308

necessary to complete a family care plan, as the parent's agent 25315  
for the care, custody, and control of the child while the parent 25316  
is on active duty as a member of the national guard or a reserve 25317  
unit of the armed forces of the United States or because the 25318  
parent is a member of the armed forces of the United States and 25319

is on a duty assignment away from the parent's residence. 25320

(b) The military power of attorney or comparable document 25321  
includes at least the authority to enroll the child in school. 25322

The entitlement to attend school in the district in which 25323  
the parent's agent under the military power of attorney or 25324  
comparable document resides applies until the end of the school 25325  
year in which the military power of attorney or comparable 25326

attend school or participate in a special education program in a 25338  
school district other than in the district where the child is 25339  
entitled to attend school under division (B) of this section. 25340

(I) (1) Notwithstanding anything to the contrary in this 25341  
section or section 3313.65 of the Revised Code, a child under 25342  
twenty-two years of age may attend school in the school district 25343

of the school year, was entitled to attend school as otherwise 25345  
provided under this section or section 3313.65 of the Revised 25346  
Code, if at that time the child was enrolled in the schools of 25347  
the district but since that time the child or the child's parent 25348

has relocated to a new address located outside of that school district and within the same county as the child's or parent's address immediately prior to the relocation. The child may continue to attend school in the district, and at the school to which the child was assigned at the end of the first full week of October of the current school year, for the balance of the school year. Division (I)(1) of this section applies only if both of the following conditions are satisfied:

(a) The board of education of the school district in which the child was entitled to attend school at the end of the first full week in October and of the district to which the child or child's parent has relocated each has adopted a policy to enroll children described in division (I)(1) of this section.

(b) The child's parent provides written notification of the relocation outside of the school district to the superintendent of each of the two school districts.

(2) At the beginning of the school year following the school year in which the child or the child's parent relocated outside of the school district as described in division (I)(1) of this section, the child is not entitled to attend school in the school district under that division.

(4) A pupil who may attend school in the district under 25378  
division (I)(1) of this section shall be entitled to 25379  
transportation services pursuant to an agreement between the 25380  
district and the district in which the child or child's parent 25381  
has relocated unless the districts have not entered into such 25382  
agreement, in which case the child shall be entitled to 25383  
transportation services in the same manner as a pupil attending 25384  
school in the district under interdistrict open enrollment as 25385  
described in division (H) of section 3313.981 of the Revised 25386  
Code, regardless of whether the district has adopted an open 25387  
enrollment policy as described in division (B)(1)(b) or (c) of 25388

division (C)(2) or (3) of this section or section 3313.65 of the 25393  
Revised Code shall have an amount deducted under division (C) of 25394  
section 3317.023 of the Revised Code equal to its own tuition 25395  
rate for the same period of attendance. A school district 25396  
entitled to receive tuition pursuant to division (C)(2) or (3) 25397  
of this section or section 3313.65 of the Revised Code shall 25398  
have an amount credited under division (C) of section 3317.023 25399  
of the Revised Code equal to its own tuition rate for the same 25400  
period of attendance. If the tuition rate credited to the 25401  
district of attendance exceeds the rate deducted from the 25402  
district required to pay tuition, the department of ~~education~~ 25403  
learning and achievement shall pay the district of attendance 25404  
the difference from amounts deducted from all districts' 25405  
payments under division (C) of section 3317.023 of the Revised 25406  
Code but not credited to other school districts under such 25407  
division and from appropriations made for such purpose. The 25408

the preceding six calendar months, the duration of the 25414  
attendance of those children, the school district responsible 25415  
for tuition on behalf of the child, and any other information 25416  
that the superintendent requires. 25417

Upon receipt of the report the ~~superintendent~~ department, 25418  
pursuant to division (C) of section 3317.023 of the Revised 25419  
Code, shall deduct each district's tuition obligations under 25420  
divisions (C) (2) and (3) of this section or section 3313.65 of 25421  
the Revised Code and pay to the district of attendance that 25422  
amount plus any amount required to be paid by the state. 25423

(K) In the event of a disagreement, the superintendent of 25424  
public instruction shall determine the school district in which 25425  
the parent resides. 25426

(L) Nothing in this section requires or authorizes, or 25427  
shall be construed to require or authorize, the admission to a 25428  
public school in this state of a pupil who has been permanently 25429  
excluded from public school attendance by the superintendent of 25430  
public instruction pursuant to sections 3301.121 and 3313.662 of 25431

called to active duty, or a child whose parent is a member of 25436  
the armed forces of the United States and is ordered to a 25437  
temporary duty assignment outside of the district, may continue 25438

to attend school in the district in which the child's parent 25439  
lived before being called to active duty or ordered to a 25440  
temporary duty assignment outside of the district, as long as 25441  
the child's parent continues to be a resident of that district, 25442  
and regardless of where the child lives as a result of the 25443  
parent's active duty status or temporary duty assignment. 25444  
However, the district is not responsible for providing 25445  
transportation for the child if the child lives outside of the 25446  
district as a result of the parent's active duty status or 25447  
temporary duty assignment. 25448

under such contract, of such students or trainees who are not 25493  
residents of the school district only if the contract provides 25494  
for the reimbursement to the school district of the entire 25495  
actual cost of educating or training such nonresident students 25496

or trainees and regardless of the ratio of nonresident students 25497  
or trainees to resident students or trainees. 25498

**Sec. 3313.645.** A board of education may admit to the 25499

a graduate who is guaranteed under such a policy may submit a 25583

written statement to the board of education stating the 25584  
guaranteed graduate of its district does not meet the level of 25585

receipt of such statement the board of education shall provide 25587  
an opportunity for additional education to the graduate, 25588

such individual attains the competency level specified in the 25590  
policy. No fee shall be charged to any person or government 25591

ADM of the district as determined under section 3317.03 of the 25595

school district. 25598

The ~~state board of education~~ department of learning and 25599  
achievement shall adopt rules for the adoption of a policy under 25600

was granted for the student under division (E) of section 25616  
3317.03 of the Revised Code. The school shall report any such 25617  
student's data verification code, as assigned pursuant to 25618

(B) A pupil may be suspended or expelled in accordance 25673  
with section 3313.66 of the Revised Code prior to being 25674  
permanently excluded from public school attendance under this 25675

adjudicated a delinquent child for the commission when the pupil 25682  
was sixteen years of age or older of a violation listed in 25683  
division (A) of this section, the superintendent may issue to 25684

school employees and gives the pupil and the pupil's parent, 25692  
guardian, or custodian written notice that the superintendent 25693  
intends to recommend to the board of education that the board 25694

continued presence of the pupil in a public school setting; 25732

would enable the pupil to remain in a public school setting 25738  
without posing a significant danger to the health and safety of 25739  
other pupils or of school employees and without posing a threat 25740  
of the disruption of the teaching of any district's graded 25741  
course of study. 25742

(3) If the board does not adopt a resolution requesting 25743  
the superintendent of public instruction to permanently exclude 25744  
the pupil, it immediately shall send written notice of that fact 25745  
to the superintendent who sought the resolution, to the pupil 25746  
who was the subject of the proposed resolution, and to that 25747  
pupil's parent, guardian, or custodian. 25748

(D) (1) Upon adoption of a resolution under division (C) of 25749  
this section, the board of education immediately shall forward 25750  
to the superintendent of public instruction the written 25751  
resolution, proof of the conviction or adjudication that is the 25752  
basis of the resolution, a copy of the pupil's entire school 25753  
record, and any other relevant information and shall forward a 25754  
copy of the resolution to the pupil who is the subject of the 25755  
recommendation and to that pupil's parent, guardian, or 25756  
custodian. 25757

(2) The board of education that adopted and forwarded the 25758  
resolution requesting the permanent exclusion of the pupil to 25759

the superintendent of public instruction promptly shall 25760  
designate a representative of the school district to present the 25761  
case for permanent exclusion to the superintendent or the 25762  
referee appointed by the superintendent. The representative of 25763  
the school district may be an attorney admitted to the practice 25764  
of law in this state. At the adjudication hearing held pursuant 25765  
to section 3301.121 of the Revised Code, the representative of 25766  
the school district shall present evidence in support of the 25767  
requested permanent exclusion. 25768

(3) Upon receipt of a board of education's resolution 25769  
requesting the permanent exclusion of a pupil from public school 25770  
attendance, the superintendent of public instruction, in 25771  
accordance with the adjudication procedures of section 3301.121 25772  
of the Revised Code, promptly shall issue an adjudication order 25773  
that either permanently excludes the pupil from attending any of 25774  
the public schools of this state or that rejects the resolution 25775  
of the board of education. 25776

(E) Notwithstanding any provision of section 3313.64 of 25777  
the Revised Code or an order of any court of this state that 25778  
otherwise requires the admission of the pupil to a school, no 25779  
school official in a city, local, exempted village, or joint 25780  
vocational school district knowingly shall admit to any school 25781  
in the school district a pupil who has been permanently excluded 25782  
from public school attendance by the superintendent of public 25783  
instruction. 25784

(F) (1) (a) Upon determining that the school attendance of a 25785  
pupil who has been permanently excluded from public school 25786  
attendance no longer will endanger the health and safety of 25787  
other students or school employees, the superintendent of any 25788  
city, local, exempted village, or joint vocational school 25789

district in which the pupil desires to attend school may issue 25790  
to the board of education of the school district a 25791  
recommendation, including the reasons for the recommendation, 25792  
that the permanent exclusion of a pupil be revoked and the pupil 25793  
be allowed to return to the public schools of the state. 25794

If any violation which in whole or in part gave rise to 25795  
the permanent exclusion of any pupil involved the pupil's 25796  
bringing a firearm to a school operated by the board of 25797  
education of a school district or onto any other property owned 25798  
or operated by such a board, no superintendent shall recommend 25799  
under this division an effective date for the revocation of the 25800  
pupil's permanent exclusion that is less than one year after the 25801  
date on which the last such firearm incident occurred. However, 25802  
on a case-by-case basis, a superintendent may recommend an 25803  
earlier effective date for such a revocation for any of the 25804  
reasons for which the superintendent may reduce the one-year 25805  
expulsion requirement in division (B) (2) of section 3313.66 of 25806  
the Revised Code. 25807

(b) Upon receipt of the recommendation of the 25808  
superintendent that a permanent exclusion of a pupil be revoked, 25809  
the board of education of a city, local, exempted village, or 25810  
joint vocational school district may adopt a resolution by a 25811  
majority vote of its members requesting the superintendent of 25812  
public instruction to revoke the permanent exclusion of the 25813  
pupil. Upon adoption of the resolution, the board of education 25814  
shall forward a copy of the resolution, the reasons for the 25815  
resolution, and any other relevant information to the 25816  
superintendent of public instruction. 25817

(c) Upon receipt of a resolution of a board of education 25818  
requesting the revocation of a permanent exclusion of a pupil, 25819

the superintendent of public instruction, in accordance with the 25820  
adjudication procedures of Chapter 119. of the Revised Code, 25821  
shall issue an adjudication order that revokes the permanent 25822  
exclusion of the pupil from public school attendance or that 25823  
rejects the resolution of the board of education. 25824

(2) (a) A pupil who has been permanently excluded pursuant 25825  
to this section and section 3301.121 of the Revised Code may 25826  
request the superintendent of any city, local, exempted village, 25827  
or joint vocational school district in which the pupil desires 25828  
to attend school to admit the pupil on a probationary basis for 25829  
a period not to exceed ninety school days. Upon receiving the 25830  
request, the superintendent may enter into discussions with the 25831  
pupil and with the pupil's parent, guardian, or custodian or a 25832  
person designated by the pupil's parent, guardian, or custodian 25833  
to develop a probationary admission plan designed to assist the 25834  
pupil's probationary admission to the school. The plan may 25835  
include a treatment program, a behavioral modification program, 25836  
or any other program reasonably designed to meet the educational 25837  
needs of the child and the disciplinary requirements of the 25838  
school. 25839

If any violation which in whole or in part gave rise to 25840  
the permanent exclusion of the pupil involved the pupil's 25841  
bringing a firearm to a school operated by the board of 25842  
education of any school district or onto any other property 25843  
owned or operated by such a board, no plan developed under this 25844  
division for the pupil shall include an effective date for the 25845  
probationary admission of the pupil that is less than one year 25846  
after the date on which the last such firearm incident occurred 25847  
except that on a case-by-case basis, a plan may include an 25848  
earlier effective date for such an admission for any of the 25849  
reasons for which the superintendent of the district may reduce 25850

the one-year expulsion requirement in division (B) (2) of section 25851  
3313.66 of the Revised Code. 25852

(b) If the superintendent of a school district, a pupil, 25853  
and the pupil's parent, guardian, or custodian or a person 25854  
designated by the pupil's parent, guardian, or custodian agree 25855  
upon a probationary admission plan prepared pursuant to division 25856  
(F) (2) (a) of this section, the superintendent of the school 25857  
district shall issue to the board of education of the school 25858  
district a recommendation that the pupil be allowed to attend 25859  
school within the school district under probationary admission, 25860  
the reasons for the recommendation, and a copy of the agreed 25861  
upon probationary admission plan. Within fourteen days after the 25862  
board of education receives the recommendation, reasons, and 25863  
plan, the board may adopt the recommendation by a majority vote 25864  
of its members. If the board adopts the recommendation, the 25865  
pupil may attend school under probationary admission within that 25866  
school district for a period not to exceed ninety days or any 25867  
additional probationary period permitted under divisions (F) (2) 25868  
(d) and (e) of this section in accordance with the probationary 25869  
admission plan prepared pursuant to division (F) (2) (a) of this 25870  
section. 25871

(c) If a pupil who is permitted to attend school under 25872  
probationary admission pursuant to division (F) (2) (b) of this 25873  
section fails to comply with the probationary admission plan 25874  
prepared pursuant to division (F) (2) (a) of this section, the 25875  
superintendent of the school district immediately may remove the 25876  
pupil from the school and issue to the board of education of the 25877  
school district a recommendation that the probationary admission 25878  
be revoked. Within five days after the board of education 25879  
receives the recommendation, the board may adopt the 25880  
recommendation to revoke the pupil's probationary admission by a 25881

majority vote of its members. If a majority of the board does 25882  
not adopt the recommendation to revoke the pupil's probationary 25883  
admission, the pupil shall continue to attend school in 25884  
compliance with the pupil's probationary admission plan. 25885

(d) If a pupil who is permitted to attend school under 25886  
probationary admission pursuant to division (F)(2)(b) of this 25887  
section complies with the probationary admission plan prepared 25888  
pursuant to division (F)(2)(a) of this section, the pupil or the 25889  
pupil's parent, guardian, or custodian, at any time before the 25890  
expiration of the ninety-day probationary admission period, may 25891  
request the superintendent of the school district to extend the 25892  
terms and period of the pupil's probationary admission for a 25893  
period not to exceed ninety days or to issue a recommendation 25894  
pursuant to division (F)(1) of this section that the pupil's 25895  
permanent exclusion be revoked and the pupil be allowed to 25896  
return to the public schools of this state. 25897

(e) If a pupil is granted an extension of the pupil's 25898  
probationary admission pursuant to division (F)(2)(d) of this 25899  
section, the pupil or the pupil's parent, guardian, or 25900  
custodian, in the manner described in that division, may 25901  
request, and the superintendent and board, in the manner 25902  
described in that division, may recommend and grant, subsequent 25903  
probationary admission periods not to exceed ninety days each. 25904  
If a pupil who is permitted to attend school under an extension 25905  
of a probationary admission plan complies with the probationary 25906  
admission plan prepared pursuant to the extension, the pupil or 25907  
the pupil's parent, guardian, or custodian may request a 25908  
revocation of the pupil's permanent exclusion in the manner 25909  
described in division (F)(2)(d) of this section. 25910

(f) Any extension of a probationary admission requested by 25911

a pupil or a pupil's parent, guardian, or custodian pursuant to 25912  
divisions (F) (2) (d) or (e) of this section shall be subject to 25913  
the adoption and approval of a probationary admission plan in 25914  
the manner described in divisions (F) (2) (a) and (b) of this 25915  
section and may be terminated as provided in division (F) (2) (c) 25916  
of this section. 25917

(g) If the pupil has complied with any probationary 25918  
admission plan and the superintendent issues a recommendation 25919  
that seeks revocation of the pupil's permanent exclusion 25920  
pursuant to division (F) (1) of this section, the pupil's 25921  
compliance with any probationary admission plan may be 25922  
considered along with other relevant factors in any 25923  
determination or adjudication conducted pursuant to division (F) 25924  
(1) of this section. 25925

(G) (1) Except as provided in division (G) (2) of this 25926  
section, any information regarding the permanent exclusion of a 25927  
pupil shall be included in the pupil's official records and 25928  
shall be included in any records sent to any school district 25929  
that requests the pupil's records. 25930

(2) When a pupil who has been permanently excluded from 25931  
public school attendance reaches the age of twenty-two or when 25932  
the permanent exclusion of a pupil has been revoked, all school 25933  
districts that maintain records regarding the pupil's permanent 25934  
exclusion shall remove all references to the exclusion from the 25935  
pupil's file and shall destroy them. 25936

A pupil who has reached the age of twenty-two or whose 25937  
permanent exclusion has been revoked may send a written notice 25938  
to the superintendent of any school district maintaining records 25939  
of the pupil's permanent exclusion requesting the superintendent 25940  
to ensure that the records are removed from the pupil's file and 25941

destroyed. Upon receipt of the request and a determination that 25942  
the pupil is twenty-two years of age or older or that the 25943  
pupil's permanent exclusion has been revoked, the superintendent 25944  
shall ensure that the records are removed from the pupil's file 25945  
and destroyed. 25946

objectives, susceptible of measurement, that are to be 27414  
accomplished by the end of each fiscal year through 1999 shall 27415  
be presented to the general assembly by July 1, 1990. Beginning 27416  
with the fiscal year 1991, the ~~state board~~ department shall 27417  
issue a progress report on the plan's implementation each year 27418

extent to which they have not been realized and shall specify 27421  
any legislative action needed to proceed with the plan's 27422  
implementation and the reasons why such action is necessary. The 27423  
board shall revise the plan as necessary and include any such 27424  
revisions in the next progress report. 27425

The plan shall embody at least the following: 27426

magnet schools to strengthen the academic programs available to 27437  
each city, local, and exempted village school district's 27438  
students without regard to whether students are pursuing 27439

apply, and adapt to the technological changes that will confront 27451  
them in the twenty-first century; to broaden the career options 27452  
available to students who pursue vocational curricula; and to 27453  
give vocational graduates educational foundations that will 27454  
enable them not only to be absorbed into the workforce but will 27455  
also decrease the likelihood they will be displaced in the 27456  
future as the knowledge and skills needed in the workplace 27457  
undergo change. 27458

(E) A plan for reallocating personnel, resources, and 27459  
responsibilities among school districts where reallocations can 27460  
strengthen the curriculum and the course offerings, reduce 27461  
costs, provide more efficient uses of educational resources, or 27462  
better serve students' needs. 27463

(F) Provision for the realization of the objectives set 27464

forth in this section within the existing level of financial support from local, state, federal, and private sources, and establishment of plans for strengthening vocational education programs as additional revenues become available to individual districts and for maintaining strong curricula, regardless of changes in the year-to-year level of financial support.

(4) The ~~state board of education department~~ shall 29074

department ~~of education~~ may revoke the sponsor's approval to 29091  
sponsor community schools. In that case, the ~~department's office~~ 29092  
~~of Ohio school sponsorship, established under superintendent of~~ 29093  
~~public instruction, acting as a sponsor pursuant to~~ section 29094

of the expiration of two school years or until a new sponsor as 29097  
described in division (C) (1) of section 3314.02 of the Revised 29098

Community schools sponsored under this division shall not apply 29105  
to the limit on directly authorized community schools under 29106

such sponsorship under division (C) of this section, may be 29113  
appealed by the entity in accordance with section 119.12 of the 29114  
Revised Code. 29115

(E) The department shall adopt procedures for use by a 29116  
community school governing authority and sponsor when the school 29117  
permanently closes and ceases operation, which shall include at 29118  
least procedures for data reporting to the department, handling 29119  
of student records, distribution of assets in accordance with 29120  
section 3314.074 of the Revised Code, and other matters related 29121  
to ceasing operation of the school. 29122

(F) (1) In lieu of revoking a sponsor's authority to 29123  
sponsor community schools under division (C) of this section, if 29124  
the department finds that a sponsor is not in compliance with 29125  
applicable laws and administrative rules, the department shall 29126  
declare in a written notice to the sponsor the specific laws or 29127  
rules, or both, for which the sponsor is noncompliant. A sponsor 29128

notified under division (F) (1) of this section shall respond to 29129  
the department not later than fourteen days after the 29130  
notification with a proposed plan to remedy the conditions for 29131  
which the sponsor was found to be noncompliant. The department 29132  
shall approve or disapprove the plan not later than fourteen 29133  
days after receiving it. If the plan is disapproved, the sponsor 29134  
may submit a revised plan to the department not later than 29135  
fourteen days after receiving notification of disapproval from 29136  
the department or not later than sixty days after the date the 29137  
sponsor received notification of noncompliance from the 29138  
department, whichever is earlier. The department shall approve 29139  
or disapprove the revised plan not later than fourteen days 29140  
after receiving it or not later than sixty days after the date 29141  
the sponsor received notification of noncompliance from the 29142  
department, whichever is earlier. A sponsor may continue to make 29143  
revisions by the deadlines prescribed in division (F) (1) of this 29144  
section to any revised plan that is disapproved by the 29145  
department until the sixtieth day after the date the sponsor 29146  
received notification of noncompliance from the department. 29147

If a plan or a revised plan is approved, the sponsor shall 29148  
implement it not later than sixty days after the date the 29149  
sponsor received notification of noncompliance from the 29150  
department or not later than thirty days after the plan is 29151  
approved, whichever is later. If a sponsor does not respond to 29152  
the department or implement an approved compliance plan by the 29153  
deadlines prescribed by division (F) (1) of this section, or if a 29154  
sponsor does not receive approval of a compliance plan on or 29155  
before the sixtieth day after the date the sponsor received 29156  
notification of noncompliance from the department, the 29157  
department shall declare in written notice to the sponsor that 29158  
the sponsor is in probationary status, and may limit the 29159

sponsor's ability to sponsor additional schools. 29160

(2) A sponsor that has been placed on probationary status 29161  
under division (F) (1) of this section may apply to the 29162  
department for its probationary status to be lifted. The 29163  
application for a sponsor's probationary status to be lifted 29164  
shall include evidence, occurring after the initial notification 29165  
of noncompliance, of the sponsor's compliance with applicable 29166  
laws and administrative rules. Not later than fourteen days 29167  
after receiving an application from the sponsor, the department 29168  
shall decide whether or not to remove the sponsor's probationary 29169  
status. 29170

(G) In carrying out its duties under this chapter, the 29171  
department shall not impose requirements on community schools or 29172  
their sponsors that are not permitted by law or duly adopted 29173  
rules. 29174

(H) This section applies to entities that sponsor 29175  
conversion community schools and new start-up schools. 29176

(I) Nothing in divisions (C) to (F) of this section 29177  
prohibits the department from taking any action permitted or 29178  
required under the written agreement between the department and 29179  
a sponsoring entity without a hearing on the matter, in the 29180  
event that the sponsor is unwilling or unable to fulfill its 29181  
obligations. 29182

**Sec. 3314.016.** This section applies to any entity that 29183  
sponsors a community school, regardless of whether section 29184  
3314.021 or 3314.027 of the Revised Code exempts the entity from 29185  
the requirement to be approved for sponsorship under divisions 29186  
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 29187  
~~office of Ohio school sponsorship established under~~ 29188

superintendent of public instruction, acting as a sponsor 29189  
pursuant to section 3314.029 of the Revised Code, shall be rated 29190  
under division (B) of this section, but divisions (A) and (C) of 29191  
this section do not apply to the office. 29192

(A) An entity that sponsors a community school shall be 29193  
permitted to enter into contracts under section 3314.03 of the 29194  
Revised Code to sponsor additional community schools only if the 29195  
entity meets all of the following criteria: 29196

(1) The entity is in compliance with all provisions of 29197  
this chapter requiring sponsors of community schools to report 29198  
data or information to the department of ~~education~~ learning and 29199  
achievement. 29200

(2) The entity is not rated as "ineffective" under 29201  
division (B) (6) of this section. 29202

(3) Except as set forth in sections 3314.021 and 3314.027 29203  
of the Revised Code, the entity has received approval from and 29204  
entered into an agreement with the department of ~~education~~ 29205  
learning and achievement pursuant to section 3314.015 of the 29206  
Revised Code. 29207

(B) (1) Beginning with the 2015-2016 school year, the 29208  
department shall develop and implement an evaluation system that 29209  
annually rates and assigns an overall rating to each entity that 29210  
sponsors a community school. That evaluation system shall be 29211  
developed and posted on the department's web site by the 29212  
fifteenth day of July of each school year. Any changes to the 29213  
evaluation system after that date shall take effect the 29214  
following year. The evaluation system shall be based on the 29215  
following components: 29216

(a) Academic performance of students enrolled in community 29217

schools sponsored by the same entity. The academic performance 29218  
component shall be derived from the performance measures 29219  
prescribed for the state report cards under section 3302.03 or 29220  
3314.017 of the Revised Code, and shall be based on the 29221  
performance of the schools for the school year for which the 29222  
evaluation is conducted. In addition to the academic performance 29223  
for a specific school year, the academic performance component 29224  
shall also include year-to-year changes in the overall sponsor 29225  
portfolio. For a community school for which no graded 29226  
performance measures are applicable or available, the department 29227  
shall use nonreport card performance measures specified in the 29228  
contract between the community school and the sponsor under 29229  
division (A) (4) of section 3314.03 of the Revised Code. 29230

(b) Adherence by a sponsor to the quality practices 29231  
prescribed by the department under division (B) (3) of this 29232  
section. For a sponsor that was rated "effective" or "exemplary" 29233  
on its most recent rating, the department may evaluate that 29234  
sponsor's adherence to quality practices once over a period of 29235  
three years. If the department elects to evaluate a sponsor once 29236  
over a period of three years, the most recent rating for a 29237  
sponsor's adherence to quality practices shall be used when 29238  
determining an annual overall rating conducted under this 29239  
section. 29240

(c) Compliance with all applicable laws and administrative 29241  
rules by an entity that sponsors a community school. 29242

(2) In calculating an academic performance component, the 29243  
department shall exclude all community schools that have been in 29244  
operation for not more than two full school years and all 29245  
community schools described in division (A) (4) (b) of section 29246  
3314.35 of the Revised Code. However, the academic performance 29247

of the community schools described in division (A) (4) (b) of 29248  
section 3314.35 of the Revised Code shall be reported, but shall 29249  
not be used as a factor when determining a sponsoring entity's 29250  
rating under this section. 29251

(3) The department, in consultation with entities that 29252  
sponsor community schools, shall prescribe quality practices for 29253  
community school sponsors and develop an instrument to measure 29254  
adherence to those quality practices. The quality practices 29255  
shall be based on standards developed by the national 29256  
association of charter school authorizers or any other 29257  
nationally organized community school organization. 29258

(4) (a) The department may permit peer review of a 29259  
sponsor's adherence to the quality practices prescribed under 29260  
division (B) (3) of this section. Peer reviewers shall be limited 29261  
to individuals employed by sponsors rated "effective" or 29262  
"exemplary" on the most recent ratings conducted under this 29263  
section. 29264

(b) The department shall require individuals participating 29265  
in peer review under division (B) (4) (a) of this section to 29266  
complete training approved or established by the department. 29267

(c) The department may enter into an agreement with 29268  
another entity to provide training to individuals conducting 29269  
peer review of sponsors. Prior to entering into an agreement 29270  
with an entity, the department shall review and approve of the 29271  
entity's training program. 29272

(5) ~~Not later than July 1, 2013, the state board of~~ 29273  
~~education~~ The department shall adopt rules in accordance with 29274  
Chapter 119. of the Revised Code prescribing standards for 29275  
measuring compliance with applicable laws and rules under 29276

division (B) (1) (c) of this section. 29277

(6) The department annually shall rate all entities that 29278  
sponsor community schools as either "exemplary," "effective," 29279  
"ineffective," or "poor," based on the components prescribed by 29280  
division (B) of this section, where each component is weighted 29281  
equally. A separate rating shall be given by the department for 29282  
each component of the evaluation system. 29283

The department shall publish the ratings between the first 29284  
day of October and the fifteenth day of November. 29285

Prior to the publication of the final ratings, the 29286  
department shall designate and provide notice of a period of at 29287  
least ten business days during which each sponsor may review the 29288  
information used by the department to determine the sponsor's 29289  
rating on the components prescribed by divisions (B) (1) (b) and 29290  
(c) of this section. If the sponsor believes there is an error 29291  
in the department's evaluation, the sponsor may request 29292  
adjustments to the rating of either of those components based on 29293  
documentation previously submitted as part of an evaluation. The 29294  
sponsor shall provide to the department any necessary evidence 29295  
or information to support the requested adjustments. The 29296  
department shall review the evidence and information, determine 29297  
whether an adjustment is valid, and promptly notify the sponsor 29298  
of its determination and reasons. If any adjustments to the data 29299  
could result in a change to the rating on the applicable 29300  
component or to the overall rating, the department shall 29301  
recalculate the ratings prior to publication. 29302

The department shall provide training on an annual basis 29303  
regarding the evaluation system prescribed under this section. 29304  
The training shall, at a minimum, describe methodology, 29305  
timelines, and data required for the evaluation system. The 29306

first training session shall occur not later than March 2, 2016. 29307  
Beginning in 2018, the training shall be made available to each 29308  
entity that sponsors a community school by the fifteenth day of 29309  
July of each year and shall include guidance on any changes made 29310  
to the evaluation system. 29311

(7) (a) Entities with an overall rating of "exemplary" for 29312  
at least two consecutive years may take advantage of the 29313  
following incentives: 29314

(i) Renewal of the written agreement with the department, 29315  
not to exceed ten years, provided that the entity consents to 29316  
continued evaluation of adherence to quality practices as 29317  
described in division (B) (1) (b) of this section; 29318

(ii) The ability to extend the term of the contract 29319  
between the sponsoring entity and the community school beyond 29320  
the term described in the written agreement with the department; 29321

(iii) An exemption from the preliminary agreement and 29322  
contract adoption and execution deadline requirements prescribed 29323  
in division (D) of section 3314.02 of the Revised Code; 29324

(iv) An exemption from the automatic contract expiration 29325  
requirement, should a new community school fail to open by the 29326  
thirtieth day of September of the calendar year in which the 29327  
community school contract is executed; 29328

(v) No limit on the number of community schools the entity 29329  
may sponsor; 29330

(vi) No territorial restrictions on sponsorship. 29331

An entity may continue to sponsor any community schools 29332  
with which it entered into agreements under division (B) (7) (a) 29333  
(v) or (vi) of this section while rated "exemplary," 29334

notwithstanding the fact that the entity later receives a lower overall rating. 29335  
29336

(b) (i) Entities that receive an overall rating of "ineffective" shall be prohibited from sponsoring any new or additional community schools during the time in which the sponsor is rated as "ineffective" and shall be subject to a quality improvement plan based on correcting the deficiencies that led to the "ineffective" rating, with timelines and benchmarks that have been established by the department. 29337

Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed. 29344

29355  
29356  
29357

(c) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty 29358

days after receipt of the notice of appeal. Within forty-five 29365  
days after the hearing is completed, the state board of 29366  
education shall determine whether the revocation is appropriate 29367  
based on the hearing conducted by the independent hearing 29368  
officer, and if determined appropriate, the revocation shall be 29369  
confirmed. 29370

(8) For the 2014-2015 school year and each school year 29371  
thereafter, student academic performance prescribed under 29372  
division (B)(1)(a) of this section shall include student 29373  
academic performance data from community schools that primarily 29374  
serve students enrolled in a dropout prevention and recovery 29375  
program. 29376

(C) If the governing authority of a community school 29377  
enters into a contract with a sponsor prior to the date on which 29378  
the sponsor is prohibited from sponsoring additional schools 29379  
under division (A) of this section and the school has not opened 29380  
for operation as of that date, that contract shall be void and 29381  
the school shall not open until the governing authority secures 29382  
a new sponsor by entering into a contract with the new sponsor 29383  
under section 3314.03 of the Revised Code. However, the 29384  
~~department's office of Ohio school sponsorship, established~~ 29385  
superintendent of public instruction, acting as a sponsor under 29386  
section 3314.029 of the Revised Code, may assume the sponsorship 29387  
of the school until the earlier of the expiration of two school 29388  
years or until a new sponsor is secured by the school's 29389  
governing authority. A community school sponsored by the 29390  
~~department~~ state superintendent under this division shall not be 29391  
included when calculating the maximum number of directly 29392  
authorized community schools permitted under division (A)(3) of 29393  
section 3314.029 of the Revised Code. 29394

(D) When an entity's authority to sponsor schools is 29395  
revoked pursuant to division (B) (7) (b) or (c) of this section, 29396  
the ~~office of Ohio school sponsorship~~ state superintendent shall 29397

accountable for their compliance with the terms of the contracts 31069

they enter into with their school's sponsors and the law 31070  
relating to the school's operation. Suspension of the operation 31071  
of a school imposed under this section is intended to encourage 31072  
the governing authority's compliance with the terms of the 31073  
school's contract and the law and is not intended to be an 31074  
alteration of the terms of that contract. 31075

this chapter suspends the operation of that school pursuant to 31077  
procedures set forth in this section, the governing authority 31078  
shall not operate that school while the suspension is in effect. 31079  
Any such suspension shall remain in effect until the sponsor 31080  
notifies the governing authority that it is no longer in effect. 31081  
The contract of a school of which operation is suspended under 31082  
this section also may be subject to termination or nonrenewal 31083  
under section 3314.07 of the Revised Code. 31084

(B) If at any time conditions at the school do not comply 31085  
with a health and safety standard established by law for school 31086  
buildings, the sponsor shall immediately suspend the operation 31087  
of the school pursuant to procedures set forth in division (D) 31088  
of this section. If the sponsor fails to take action to suspend 31089  
the operation of a school to which this division applies, the 31090  
department of ~~education~~ learning and achievement may take such 31091  
action. 31092

(C) (1) For any of the reasons prescribed in ~~division~~ 31093

Code, the sponsor of a community school established under this 31095  
chapter may suspend the operation of the school only if it first 31096  
issues to the governing authority notice of the sponsor's intent 31097  
to suspend the operation of the contract. Such notice shall 31098  
explain the reasons for the sponsor's intent to suspend 31099

operation of the contract and shall provide the school's 31100  
governing authority with five business days to submit to the 31101  
sponsor a proposal to remedy the conditions cited as reasons for 31102  
the suspension. 31103

(2) The sponsor shall promptly review any proposed remedy 31104  
timely submitted by the governing authority and either approve 31105  
or disapprove the remedy. If the sponsor disapproves the remedy 31106  
proposed by the governing authority, if the governing authority 31107  
fails to submit a proposed remedy in the manner prescribed by 31108  
the sponsor, or if the governing authority fails to implement 31109  
the remedy as approved by the sponsor, the sponsor may suspend 31110  
operation of the school pursuant to procedures set forth in 31111  
division (D) of this section. 31112

(D)(1) If division (B) of this section applies or if the 31113  
sponsor of a community school established under this chapter 31114  
decides to suspend the operation of a school as permitted in 31115

the contract with the sponsor, or thirty days prior to the date 31526  
on which the student is entered into the education management 31527
