SECTION 2. That existing sections 1354.01, 3313.205, 3314.03, and 3326.11 of the Revised Code are hereby repealed.

SECTION 3. Students are entitled to receive full value for their investment in both their university and their education. The undergraduate mission can be successfully fulfilled only through student exposure to the most experienced, accomplished talents available at the university in each field offering undergraduate coursework. To that end, there is hereby established the Undergraduate Mission Study Committee to evaluate each state university's contribution to the undergraduate mission, including, but not limited to, its efforts to ensure tenured faculty members participate in the undergraduate mission through face-to-face interaction with undergraduate students.

- (1) The Chancellor of Higher Education, or the Chancellor's designee;
- (2) The president and chief executive officer of the Inter-University Council of Ohio, or the president's designee;
- (3) One faculty member from a state university, appointed by the Speaker of the House of Representatives;
- (4) One faculty member from a state university, appointed by the President of the Senate;
- (5) One chief academic officer, or the equivalent if that position does not exist, of a state university, appointed by the Speaker of the House of Representatives;

All appointments to the committee shall be made not later than thirty days after the effective date of this section.

(B) The committee shall first convene, at the call of the committee's co-chairpersons, not later than forty-five days after the effective date of this section.

(C) Not later than six months after the effective date of this section, the committee shall submit a written report of its findings and recommendations to the General Assembly in accordance with section 101.68 of the Revised Code. The report shall include, but not be limited to, the following:

(1) A detailed summary of each state university's undergraduate mission and that university's efforts in encouraging tenured faculty to contribute to the undergraduate mission;

(2) Recommendations for further participation by each state university in contributing to the undergraduate mission through state-sponsored incentive programs, monetary faculty awards, legislation, or other methods;

(3) A recommendation of at least one entity that could conduct an external review of each state university and grade each state university as "exceeds expectations," "meets expectations," or "needs improvement" with respect to the university's efforts in encouraging tenured faculty to contribute to the undergraduate mission;

(4) Recommendations for the criteria under which a state university would be reviewed and graded by the entity selected under division (C)(3) of this section;

(5) Recommendations for how each state university could incorporate contribution to the undergraduate mission into its existing annual review process for tenured faculty or its post-tenure review process, or both;

(D) Unless otherwise determined by the General Assembly, the committee established pursuant to this section shall cease to exist upon successful completion of the requirements set forth in divisions (B) and (C) of this section.

(E) As used in this section, "state university" has the same meaning as in section 3345.011 of the Revised Code.

SECTION 4. Section 3314.03 of the Revised Code is presented in this act as a composite of the section as amended by both Sub. H.B. 21 and Am. Sub. S.B. 216 of the 132nd General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.
