A BILL

To enact section 164.11 of the Revised Code to 1
establish the green infrastructure fund and to 2
make an appropriation. 3

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 164.11 of the Revised Code be 4
enacted to read as follows: 5

Sec. 164.11. (A) There is hereby created in the state 6
treasury the green infrastructure fund consisting of money 7
appropriated to it, and any payments, contributions, and 8
donations made to the fund for large-scale green infrastructure 9
improvement projects. The director of the Ohio public works 10
commission shall use money in the fund to provide financial, 11
technical, and administrative assistance for the implementation 12
of large-scale green infrastructure improvement projects to be 13
completed on any public land. 14

(B) For purposes of this section, the director of the Ohio 15
public works commission may enter into contracts and agreements, 16
including grant agreements with federal, state, municipal, or 17
other local government agencies; environmental nonprofit 18

organizations; and universities. The director of environmental 19
protection shall assist the director of the Ohio public works 20
commission in evaluating grant agreements before awarding grants 21
under this section. 22

(C) The director of the Ohio public works commission shall 23
adopt rules in accordance with Chapter 119. of the Revised Code 24
that establish all of the following: 25

(1) Criteria for evaluating large-scale green 26
infrastructure improvement projects; 27

(2) Application procedures and requirements for grants 28
made under this section that include a process for review by the 29
director of environmental protection; 30

(3) Any other requirements and procedures that the 31
director of the Ohio public works commission determines to be 32
necessary to implement this section. 33

(D) As used in this section, "large-scale green 34
infrastructure improvement project" means a project that is 35
largely self-sustaining and requires minimal future maintenance. 36
"Large-scale green infrastructure improvement project" includes 37
projects such as dam removal, natural stream channel and 38
floodplain restoration, storm water retention, wetland 39
restoration, green streets, parking lots, and roofs, large-scale 40
urban reforestation projects, and rainwater harvesting. 41

Section 2. All items in this section are hereby 42
appropriated as designated out of any moneys in the state 43
treasury to the credit of the designated fund. For all 44
appropriations made in this act, those in the first column are 45
for fiscal year 2018 and those in the second column are for 46
fiscal year 2019. The appropriations made in this act are in 47

addition to any other appropriations made for the FY 2018-FY	48
2019 biennium.	49
