through a guidelines income of \$300,000. The child support 509
obligation amount shall be contained at each intersection of the 510
guidelines income row with the column containing the number of 511
children subject to the order. The department shall derive the 512
child support obligation amounts by multiplying the guidelines 513

federal poverty level amount for a single person as reported by 1001
the United States department of health and human services. 1002

(1) When updating the basic child support schedule for the 1003
most recent CPI-U, the department of job and family services 1004
shall update the figures in the guidelines income column for the 1005
percentage difference between the most recent CPI-U and the 1006

(2) When updating the self-sufficiency reserve 1008

single person as reported by the United States department of 1012
health and human services in the most recent calendar year. 1013

Sec. 3119.022. The director of job and family services 1014
shall adopt rules pursuant to Chapter 119. of the Revised Code 1015
governing the creation of child support guidelines worksheets 1016
and instructions that incorporate the requirements of Chapter 1017
3119. of the Revised Code for the calculation of child support 1018
and cash medical support obligations. In addition, the 1019
department shall: 1020

(A) Adopt standard worksheet forms that shall be used in 1021
all courts and child support enforcement agencies when 1022
calculating child support and cash medical support obligations; 1023
and 1024

(B) Adopt a standard instruction manual to provide 1025
guidance and assistance to persons calculating support 1026
obligations. 1027

The guidelines worksheet and instruction manual may be 1028
revised as needed, but shall be revised at least once every five 1029

years. 1030

Sec. 3119.023. (A) At least once every four years, the 1031
department of job and family services shall review the basic 1032
child support schedule issued by the department pursuant to 1033
section 3119.021 of the Revised Code to determine whether child 1034
support orders issued in accordance with that schedule and the 1035
worksheets created under rules adopted under section 3119.022 of 1036
the Revised Code adequately provide for the needs of children 1037
who are subject to the child support orders. The department may 1038
consider the adequacy and appropriateness of the current 1039
schedule, whether there are substantial and permanent changes in 1040
household consumption and savings patterns, particularly those 1041
resulting in substantial and permanent changes in the per cent 1042
of total household expenditures on children, and whether there 1043
have been substantial and permanent changes to the federal and 1044
state income tax code other than inflationary adjustments to 1045
such things as the exemption amount and income tax brackets, and 1046
other factors when conducting its review. The review is in 1047
addition to, and independent of, any schedule update completed 1048
as set forth in section 3119.021 of the Revised Code. The 1049
department shall prepare a report of its review and include 1050
recommendations for statutory changes, and submit a copy of the 1051
report to both houses of the general assembly. 1052

(B) For each review, the department shall establish a 1053
child support guideline advisory council to assist the 1054
department in the completion of its reviews and reports. Each 1055
council shall be composed of: 1056

(1) Obligors; 1057

(2) Obligees; 1058

(3) Judges of courts of common pleas who have jurisdiction 1059
over domestic relations and juvenile court cases that involve 1060
the determination of child support; 1061

(4) Attorneys whose practice includes a significant number 1062
of domestic relations or juvenile court cases that involve the 1063
determination of child support; 1064

(5) Representatives of child support enforcement agencies; 1065

(6) Other persons interested in the welfare of children; 1066

(7) Three members of the senate appointed by the president 1067
of the senate, not more than two of whom are members of the same 1068
political party; and 1069

(8) Three members of the house of representatives 1070
appointed by the speaker of the house, not more than two of whom 1071
are members of the same political party. 1072

(C) The department shall consider input from the council 1073
prior to the completion of any report under this section. The 1074
department shall submit its report on or before the first day of 1075
March of every fourth year after 2015. 1076

(D) The advisory council shall cease to exist at the time 1077
that the department submits its review to the general assembly 1078
under this section. 1079

(E) Any expenses incurred by an advisory council shall be 1080
paid by the department. 1081

(A) The parents' current and past income and personal 1131
earnings shall be verified by electronic means or with suitable 1132
documents, including, but not limited to, paystubs, employer 1133
statements, receipts and expense vouchers related to self- 1134
generated income, tax returns, and all supporting documentation 1135
and schedules for the tax returns. 1136

(B) The annual amount of any ~~pre-existing child support~~ 1137
~~obligation of a parent under a child support order and the~~ 1138
~~amount of any court-ordered spousal support actually paid,~~ 1139
excluding any ordered payment on arrears, shall be deducted from 1140
the ~~gross~~ annual income of that parent to the extent that 1141
payment ~~under the child support order or that payment of the~~ 1142
that court-ordered spousal support is verified by supporting 1143
documentation. 1144

(C) ~~If other minor children who were born to the parent~~ 1145
~~and a person other than the other parent who is involved in the~~ 1146
~~immediate child support determination live with the parent, the~~ 1147

~~court or agency shall deduct an amount from that parent's gross~~ 1148
~~income that equals the number of such minor children times the~~ 1149
~~federal income tax exemption for such children less child~~ 1150
~~support received for them for the year, not exceeding the~~ 1151
~~federal income tax exemption.~~ The court or agency shall adjust 1152
the amount of child support paid by a parent to give credit for 1153
children not included in the current calculation. When 1154
calculating the adjusted amount, the court or agency shall use 1155
the schedule and do the following: 1156

(1) Determine the amount of child support that each parent 1157
would be ordered to pay for all children for whom the parent has 1158
the legal duty to support, according to each parent's annual 1159
income. If the number of children subject to the order is 1160
greater than six, multiply the amount for three children in 1161
accordance with division (C) (4) of this section to determine the 1162
amount of child support. 1163

(2) Compute a child support credit amount for each 1164
parent's children who are not subject to this order by dividing 1165
the amount determined in division (C) (1) of this section by the 1166
total number of children whom the parent is obligated to support 1167
and multiplying that number by the number of the parent's 1168
children who are not subject to this order. 1169

(3) Determine the adjusted income of the parents by 1170
subtracting the credit for minor children not subject to this 1171
order computed under division (C) (2) of this section, from the 1172
annual income of each parent for the children each has a duty to 1173
support that are not subject to this order. 1174

(4) If the number of children is greater than six, 1175
multiply the amount for three children by: 1176

<u>(a) 1.440 for seven children;</u>	1177
<u>(b) 1.540 for eight children;</u>	1178
<u>(c) 1.638 for nine children;</u>	1179
<u>(d) 1.734 for ten children;</u>	1180
<u>(e) 1.827 for eleven children;</u>	1181
<u>(f) 1.919 for twelve children;</u>	1182
<u>(g) 2.008 for thirteen children;</u>	1183
<u>(h) 2.096 for fourteen children;</u>	1184
<u>(i) 2.182 for more than fourteen children.</u>	1185
(D) When the court or agency calculates the gross-annual income of a parent, it shall include the lesser of the following as income from overtime and bonuses:	1186 1187 1188
(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;	1189 1190 1191 1192
(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.	1193 1194 1195
(E) When the court or agency calculates the gross-annual income of a parent, it shall not include any income earned by the spouse of that parent.	1196 1197 1198
(F) The court shall issue a separate order for extraordinary medical or dental expenses, including, but not limited to, <u>medical support order for extraordinary medical</u> <u>expenses, including orthodontia, dental, optical, and</u>	1199 1200 1201 1202

psychological, ~~appropriate~~ services. 1203

If the court makes an order for payment of private 1204
education, and other appropriate expenses, ~~and it shall do so by~~ 1205
issuing a separate order. 1206

The court may consider ~~the~~ these expenses in adjusting a 1207
child support order. 1208

(G) When a court or agency calculates the amount of child 1209
support to be paid pursuant to a court child support order or an 1210
administrative child support order, ~~if the following shall~~ 1211
apply: 1212

(1) The court or agency shall apply the basic child 1213
support schedule to the parents' combined annual incomes and to 1214
each parent's individual income. 1215

(2) If the combined ~~gross~~ annual income of both parents or 1216
the individual annual income of a parent is an amount that is 1217
between two amounts set forth in the first column of the 1218
schedule, the court or agency may use the basic child support 1219
obligation that corresponds to the higher of the two amounts in 1220
the first column of the schedule, use the basic child support 1221
obligation that corresponds to the lower of the two amounts in 1222
the first column of the schedule, or calculate a basic child 1223
support obligation that is between those two amounts and 1224
corresponds proportionally to the parents' actual combined ~~gross~~ 1225
annual income or the individual parent's annual income. 1226

(3) If the annual individual income of either or both of 1227
the parents is within the self-sufficiency reserve in the basic 1228
child support schedule, the court or agency shall do both of the 1229
following: 1230

(a) Calculate the basic child support obligation for the 1231

parents using the schedule amount applicable to the combined 1232
annual income and the schedule amount applicable to the income 1233
in the self-sufficiency reserve; 1234

(b) Determine the lesser of the following amounts to be 1235
the applicable basic child support obligation: 1236

(i) The amount that results from using the combined annual 1237
income of the parents not in the self-sufficiency reserve of the 1238
schedule; or 1239

(ii) The amount that results from using the individual 1240
parent's annual income within the self-sufficiency reserve of 1241
the schedule. 1242

(H) When the court or agency calculates ~~gross~~ annual 1243
income, the court or agency, when appropriate, may average 1244
income over a reasonable period of years. 1245

(I) Unless it would be unjust or inappropriate and 1246
therefore not in the best interests of the child, a court or 1247
agency shall not determine a parent to be voluntarily unemployed 1248
or underemployed and shall not impute income to that parent if 1249
~~either~~ any of the following conditions exist: 1250

(1) The parent is receiving recurring monetary income from 1251
means-tested public assistance benefits, including cash 1252
assistance payments under the Ohio works first program 1253
established under Chapter 5107. of the Revised Code, financial 1254
assistance under the disability financial assistance program 1255
established under Chapter 5115. of the Revised Code, general 1256
assistance under former Chapter 5113. of the Revised Code, 1257
supplemental security income, or means-tested veterans' 1258
benefits; 1259

(2) The parent is approved for social security disability 1260

insurance benefits because of a mental or physical disability, 1261
or the court or agency determines that the parent is unable to 1262
work based on medical documentation that includes a physician's 1263
diagnosis and a physician's opinion regarding the parent's 1264
mental or physical disability and inability to work. 1265

(3) The parent has proven that the parent has made 1266
continuous and diligent efforts without success to find and 1267
accept employment, including temporary employment, part-time 1268
employment, or employment at less than the parent's previous 1269
salary or wage. 1270

(4) The parent is complying with court-ordered family 1271
reunification efforts in a child abuse, neglect, or dependency 1272
proceeding, to the extent that compliance with those efforts 1273
limits the parent's ability to earn income. 1274

(5) The parent is incarcerated or institutionalized for a 1275
period of twelve months or more with no other available assets, 1276
unless the parent is incarcerated for an offense relating to the 1277
abuse or neglect of a child who is the subject of the support 1278
order or an offense under Title XXIX of the Revised Code ~~when~~ 1279
~~against~~ the obligee or a child who is the subject of the support 1280
~~order is a victim of the offense.~~ 1281

(J) When a court or agency requires a parent to pay an 1282
amount for that parent's failure to support a child for a period 1283
of time prior to the date the court modifies or issues a court 1284
child support order or an agency modifies or issues an 1285
administrative child support order for the current support of 1286
the child, the court or agency shall calculate that amount using 1287
the basic child support schedule, worksheets, and child support 1288
laws in effect, and the incomes of the parents as they existed, 1289
for that prior period of time. 1290

(K) A court or agency may disregard a parent's additional 1291
income from overtime or additional employment when the court or 1292
agency finds that the additional income was generated primarily 1293
to support a new or additional family member or members, or 1294
under other appropriate circumstances. 1295

(L) If both parents involved in the immediate child 1296
support determination have a prior order for support relative to 1297
a minor child or children born to both parents, the court or 1298
agency shall collect information about the existing order or 1299
orders and consider those together with the current calculation 1300
for support to ensure that the total of all orders for all 1301
children of the parties does not exceed the amount that would 1302
have been ordered if all children were addressed in a single 1303
judicial or administrative proceeding. 1304

(M) A support obligation of a parent with annual income 1305
subject to the self-sufficiency reserve of the basic child 1306
support schedule shall not exceed the support obligation that 1307
would result from application of the schedule without the 1308
reserve. 1309

(N) Any non-means tested benefit received by the child or 1310
children subject to the order resulting from the claims of 1311
either parent shall be deducted from that parent's annual child 1312
support obligation after all other adjustments have been made. 1313
If that non-means tested benefit exceeds the child support 1314
obligation of the parent from whose claim the benefit is 1315
realized, the child support obligation for that parent shall be 1316
zero. 1317

(O) As part of the child support calculation, the parents 1318
shall be ordered to share the costs of child care. Subject to 1319
the limitations in this division, a child support obligor shall 1320

pay an amount equal to the obligor's income share of the child 1321
care cost incurred for the child or children subject to the 1322
order. 1323

(1) The child care cost used in the calculation: 1324

(a) Shall be for child care determined to be necessary to 1325
allow a parent to work, or for activities related to employment 1326
training; 1327

(b) Shall be verifiable by credible evidence as determined 1328
by a court or child support enforcement agency; 1329

(c) Shall exclude any reimbursed or subsidized child care 1330
cost, including any state or federal tax credit for child care 1331
available to the parent or caretaker, whether or not claimed; 1332

(d) Shall not exceed the maximum state-wide average cost 1333
estimate issued by the department of job and family services, 1334
using the data collected and reported as required in section 1335
5104.04 of the Revised Code. 1336

(2) When the annual income of the obligor is subject to 1337
the self-sufficiency reserve of the basic support schedule, the 1338
share of the child care cost paid by the obligor shall be equal 1339
to the lower of the obligor's income share of the child care 1340
cost, or fifty per cent of the child care cost. 1341

Sec. 3119.051. (A) Except as otherwise provided in this 1342
section, a court or child support enforcement agency calculating 1343
the amount to be paid under a child support order shall reduce 1344
by ten per cent the amount of the annual individual support 1345
obligation for the parent or parents when a court has issued or 1346
is issuing a court-ordered parenting time order that equals or 1347
exceeds ninety overnights per year. This reduction may be in 1348
addition to the other deviations and reductions. 1349

(B) At the request of the obligee, a court may eliminate a 1350
previously granted adjustment established under division (A) of 1351
this section if the obligor, without just cause, has failed to 1352
exercise court-ordered parenting time. 1353

Sec. 3119.06. Except as otherwise provided in this 1354
section, in any action in which a court or a child support 1355
enforcement agency issues or modifies a child support order or 1356
in any other proceeding in which a court or agency determines 1357
the amount of child support to be paid pursuant to a child 1358
support order, the court or agency shall issue a minimum child 1359
support order requiring the obligor to pay a minimum of ~~fifty-~~ 1360
~~eighty~~ dollars a month for all the children subject to that 1361
order. The court or agency, in its discretion and in appropriate 1362
circumstances, may issue a minimum child support order ~~requiring~~ 1363
~~the obligor to pay of less than fifty-eighty~~ dollars a month or 1364
issue an order not requiring the obligor to pay ~~an any child~~ 1365
support amount for support. The circumstances under which a 1366
court or agency may issue such an order include the 1367
nonresidential parent's medically verified or documented 1368
physical or mental disability or institutionalization in a 1369
facility for persons with a mental illness or any other 1370
circumstances considered appropriate by the court or agency. 1371

If a court or agency issues a minimum child support ~~order~~ 1372
obligation pursuant to this section and the obligor under the 1373
support order is the recipient of ~~need-based means-tested~~ public 1374
assistance, as described in division (C)(13)(a) of section 1375
3119.01 of the Revised Code, any unpaid amounts of support due 1376
under the support order shall accrue as arrearages from month to 1377
month, and the obligor's current obligation to pay the support 1378
due under the support order is suspended during any period of 1379
time that the obligor is receiving ~~need-based means-tested~~ 1380

public assistance and is complying with any seek work orders 1381
issued pursuant to section 3121.03 of the Revised Code. The 1382
court, obligee, and child support enforcement agency shall not 1383
enforce the obligation of the obligor to pay the amount of 1384
support due under the support order while the obligor is 1385
receiving ~~need-based means-tested~~ public assistance and is 1386
complying with any seek work orders issued pursuant to section 1387
3121.03 of the Revised Code. 1388

Sec. 3119.22. The court may order an amount of child 1389
support that deviates from the amount of child support that 1390
would otherwise result from the use of the basic child support 1391
schedule and the applicable worksheet, ~~through the line~~ 1392
~~establishing the actual annual obligation,~~ if, after considering 1393
the factors and criteria set forth in section 3119.23 of the 1394
Revised Code, the court determines that the amount calculated 1395
pursuant to the basic child support schedule and the applicable 1396
worksheet, ~~through the line establishing the actual annual~~ 1397
~~obligation,~~ would be unjust or inappropriate and ~~would therefore~~ 1398
not be in the best interest of the child. 1399

If it deviates, the court must enter in the journal the 1400
amount of child support calculated pursuant to the basic child 1401
support schedule and the applicable worksheet, ~~through the line~~ 1402
~~establishing the actual annual obligation,~~ its determination 1403
that ~~that the~~ amount would be unjust or inappropriate and ~~would~~ 1404
~~therefore~~ not be in the best interest of the child, and findings 1405
of fact supporting that determination. 1406

Sec. 3119.23. The court may consider any of the following 1407
factors in determining whether to grant a deviation pursuant to 1408
section 3119.22 of the Revised Code: 1409

(A) Special and unusual needs of the child or children, 1410

including needs arising from the physical or psychological 1411
condition of the child or children; 1412

~~(B) Extraordinary obligations for minor children or~~ 1413

~~(C) Other court-ordered payments;~~ 1417

~~(D) (C) Extended parenting time or extraordinary costs~~ 1418
~~associated with parenting time, provided that this division does~~ 1419
~~not authorize and shall not be construed as authorizing any~~ 1420
~~deviation from the schedule and the applicable worksheet,~~ 1421
~~through the line establishing the actual annual obligation, or~~ 1422
~~any escrowing, impoundment, or withholding of child support~~ 1423
~~because of a denial of or interference with a right of parenting~~ 1424

~~child support order is issued in order to support a second~~ 1429

sports equipment, schooling, or clothing;	1446
(K) The relative financial resources, other assets and	1447
resources, and needs of each parent;	1448
(L) <u>(J)</u> <u>Extraordinary work-related expenses incurred by</u>	1449
<u>either parent;</u>	1450
<u>(K)</u> The standard of living and circumstances of each	1451
parent and the standard of living the child would have enjoyed	1452
had the marriage continued or had the parents been married;	1453
(M) The physical and emotional condition and needs of the	1454
child;	1455
(N) (L) The need and capacity of the child for an	1456

incurred by the parents in compliance with court-ordered 1467
reunification efforts in child abuse, neglect, or dependency 1468

(P) Extraordinary child care costs required for the child 1470
or children that exceed the maximum state-wide average cost 1471
estimate provided in division (O) (1) (d) of section 3119.05 of 1472
the Revised Code including extraordinary costs associated with 1473
caring for a child or children with specialized physical, 1474
psychological, or educational needs; 1475

(Q) Any other relevant factor. 1476

~~The court may accept an agreement of the parents that~~ 1477
~~assigns a monetary value to any of the factors and criteria-~~ 1478
~~listed in this section that are applicable to their situation.~~ 1479

If the court grants a deviation based on division ~~(P)~~ (Q) 1480
of this section, it shall specifically state in the order the 1481
facts that are the basis for the deviation. 1482

Sec. 3119.231. In determining whether to grant a deviation 1483
pursuant to section 3119.22 of the Revised Code for the reason 1484
set forth in division (C) of section 3119.23 of the Revised 1485
Code, the court shall recognize that expenses for the children 1486
are incurred in both households and shall apply the following 1487
deviation: 1488

If court-ordered parenting time is equal to or exceeds one 1489
hundred forty-seven overnights per year, the court shall 1490
consider a substantial deviation. If the court does not grant a 1491
substantial deviation from that amount, it shall specify in the 1492
order the facts that are the basis for the court's decision. 1493

Sec. 3119.24. (A) (1) A court that issues a shared 1494

with the schedule and with the worksheet ~~set forth in section~~ 1498
~~3119.022 of the Revised Code, through the line establishing the~~ 1499
~~actual annual obligation~~, except that, if that amount would be 1500
unjust or inappropriate to the children or either parent and 1501
~~would therefore not be~~ in the best interest of the child because 1502
of the extraordinary circumstances of the parents or because of 1503
any other factors or criteria set forth in section 3119.23 of 1504
the Revised Code, the court may deviate from that amount. 1505

(2) The court shall consider extraordinary circumstances 1506
and other factors or criteria if it deviates from the amount 1507
described in division (A) (1) of this section and shall enter in 1508
the journal the amount described in division (A) (1) of this 1509
section its determination that the amount would be unjust or 1510
inappropriate and ~~would therefore not be~~ in the best interest of 1511
the child, and findings of fact supporting its determination. 1512

(B) For the purposes of this section, "extraordinary 1513

Sec. 3119.79. (A) If an obligor or obligee under a child 2054
support order requests that the court modify the amount of child 2055

support required to be paid pursuant to the child support order, 2056
the court shall recalculate the amount of support that would be 2057
required to be paid under the child support order in accordance 2058
with the schedule and the applicable worksheet ~~through the line~~ 2059
~~establishing the actual annual obligation.~~ If that amount as 2060
recalculated is more than ten per cent greater than or more than 2061
ten per cent less than the amount of child support required to 2062
be paid pursuant to the existing child support order, the 2063
deviation from the recalculated amount that would be required to 2064
be paid under the schedule and the applicable worksheet shall be 2065
considered by the court as a change of circumstance substantial 2066
enough to require a modification of the child support amount. 2067

(B) ~~In determining the recalculated support amount that~~ 2068
~~would be required to be paid under the child support order for~~ 2069
~~purposes of determining whether that recalculated amount is more~~ 2070
~~than ten per cent greater than or more than ten per cent less~~ 2071

~~child support order and if~~ If the court determines that the 2080
amount of support does not adequately meet the medical needs of 2081
the child are not being met because of inadequate health 2082
insurance coverage, the inadequate coverage shall be considered 2083
by the court as a change of circumstance that is substantial 2084

support order. 2086

(C) If the court determines that the amount of child support required to be paid under the child support order should be changed due to a substantial change of circumstances that was not contemplated at the time of the issuance of the original child support order or the last modification of the child support order, the court shall modify the amount of child support required to be paid under the child support order to comply with the schedule and the applicable worksheet ~~through the line establishing the actual annual obligation~~, unless the court determines that ~~the amount~~ those amounts calculated pursuant to the basic child support schedule and pursuant to the applicable worksheet would be unjust or inappropriate and ~~would therefore not be~~ in the best interest of the child and enters in the journal the figure, determination, and findings specified in section 3119.22 of the Revised Code.

Sec. 3119.89. (A) Upon receipt of a notice pursuant to section 3119.87 of the Revised Code, the child support enforcement agency administering a child support order, within twenty days after receipt of the notice, shall complete an investigation. The agency administering a child support order may conduct an investigation upon its own initiative if it otherwise has reason to believe that there may be a reason for which the order should terminate. The agency's investigation shall determine the following:

(1) Whether any reason exists for which the order should terminate;

(2) Whether there are other children subject to the order;

(3) Whether the obligor owes any arrearages under the order;

(4) Whether the agency believes it is necessary to 2116
continue withholding or deduction pursuant to a notice or order 2117
described in section 3121.03 of the Revised Code for the other 2118
children or arrearages; 2119

(5) Whether child support amounts paid pursuant to the 2120
order being investigated should be impounded because 2121
continuation of receipt and disbursement would lead to an 2122
overpayment by the obligor. 2123

(B) If the agency, pursuant to the investigation under 2124
division (A) of this section, determines that other children are 2125
subject to the child support order and that it is necessary to 2126
continue withholding or deduction for the other children, the 2127
agency shall divide the child support amount due annually and 2128
per month under the order by the number of children who are the 2129
subject of the order and subtract the amount due for the child 2130
for whom the order should be terminated from the total child 2131
support amount due annually and per month. The resulting annual 2132
and per month child support amount shall be included in the 2133
results of the agency's investigation as the recommended child 2134
support amount due annually and monthly under a revised child 2135
support order. If arrearage amounts are owed, those amounts may 2136
be included as part of the recommended child support amount. The 2137
investigation under division (A) of this section shall not 2138
include a review pursuant to sections 3119.60 to 3119.76 of the 2139
Revised Code of any other children subject to the child support 2140
order. 2141

Sec. 3121.36. The termination of a court support order or 2142
administrative child support order does not abate the power of 2143
any court or child support enforcement agency to collect any 2144
overdue and unpaid support or arrearage owed under the 2145

terminated support order or the power of the court to punish any 2146
person for a failure to comply with, or to pay any support as 2147
ordered in, the terminated support order. The termination does 2148
not abate the authority of the court or agency to issue any 2149
notice described in section 3121.03 of the Revised Code or to 2150
issue any applicable order as described in division (C) or (D) 2151
of section 3121.03 of the Revised Code to collect any overdue 2152
and unpaid support or arrearage owed under the terminated 2153
support order. If a notice is issued pursuant to section 3121.03 2154
of the Revised Code to collect the overdue and unpaid support or 2155
arrearage, the amount withheld or deducted from the obligor's 2156
personal earnings, income, or accounts shall be rebuttably 2157
presumed to be at least equal to the amount that was withheld or 2158
deducted under the terminated child support order. A court or 2159
agency administering the child support order may consider 2160
evidence of household expenditures, income variables, 2161
extraordinary health care issues, and other reasons for 2162
deviation from the presumed amount. 2163

Sec. 3123.14. If a child support order is terminated for 2164
any reason, the obligor under the child support order is or was 2165
at any time in default under the support order and, after the 2166
termination of the order, the obligor owes an arrearage under 2167
the order, the obligee may make application to the child support 2168
enforcement agency that administered the child support order 2169
prior to its termination or had authority to administer the 2170
child support order to maintain any action or proceeding on 2171
behalf of the obligee to obtain a judgment, execution of a 2172
judgment through any available procedure, an order, or other 2173
relief. If a withholding or deduction notice is issued pursuant 2174
to section 3121.03 of the Revised Code to collect an arrearage, 2175
the amount withheld or deducted from the obligor's personal 2176

earnings, income, or accounts shall be rebuttably presumed to be 2177
at least equal to the amount that was withheld or deducted under 2178
the terminated child support order. A court or agency 2179
administering the child support order may consider evidence of 2180
household expenditures, income variables, extraordinary health 2181
care issues, and other reasons for deviation from the presumed 2182
amount. 2183

repealed. 2189

shall perform necessary automated system changes and may 2193
organize and oversee the statewide training of local child 2194
support enforcement agencies, lawyers who practice in child 2195
support, and judges who preside over child support cases. 2196
