the Revised Code be enacted to read as follows: 16

Sec. 1321.62. As used in sections 1321.62 to 1321.702 of 17

the Revised Code: 18

(A) "Actuarial method" means the method of allocating 19
payments made on a loan between the principal amount and 20
interest whereby a payment is applied first to the accumulated 21
interest and the remainder to the unpaid principal amount. 22

(B) "Advertisement" and "advertising" mean all material 23
printed, published, displayed, distributed, or broadcast, and 24
all material displayed or distributed over the internet, 25
telephone, facsimile, or other electronic transmission, for the 26
purposes of obtaining applications for loans. 27

(C) "Affiliation" and "affiliated with" mean controlled by 28
or under common control with another person or enterprise either 29
directly or indirectly through one or more intermediaries. 30

(D) "Annual percentage rate" means the ratio of the 31
interest on a loan to the unpaid principal balances on the loan 32
for any period of time, expressed on an annual basis. 33

(E) "Applicable charge" means the amount of interest 34
attributable to each monthly installment period of the loan 35
contract, computed as if each installment period were one month 36
and any charge for extending the first installment period beyond 37
one month is ignored. In the case of loans originally scheduled 38
to be repaid in sixty-one months or less, "applicable charge" 39
for any installment period means that proportion of the total 40
interest contracted for, as the balance scheduled to be 41
outstanding during that period bears to the sum of all of the 42
periodic balances, all determined according to the payment 43
schedule originally contracted for. In all other cases, 44
"applicable charge" for any installment period is that which 45
would have been made for such period had the loan been made on 46

an interest-bearing basis, based upon the assumption that all 47
payments were made according to schedule. 48

(F) "Assets" means properties of value that are owned by 49
the applicant or licensee, including cash on hand and in 50
depository institutions, readily marketable securities, accounts 51
receivable less allowances for uncollectible accounts, and real 52
estate less liens and depreciation. "Assets" does not mean 53
office premises, leasehold improvements, office furniture, 54
fixtures, and equipment, or intangible assets. 55

(L) "Direct mail" means a loan arranged via an application 71
through the mail or internet where the loan proceeds are 72
delivered through the mail or electronic transmission to the 73
benefit of a borrower. A loan is not made by "direct mail" if it 74
is facilitated by face-to-face, personal contact in this state 75

between the lender, lender's employee or agent, or lender's 76
attorney and the borrower or borrower's agent. 77

(M) "Federal banking agency" means the board of governors 78
of the federal reserve system, the comptroller of the currency, 79
the national credit union administration, and the federal 80
deposit insurance corporation. 81

otherwise settled by an order terminating litigation governing 86
the loan transaction. 87

(O) "Interest" means all charges payable directly or 88
indirectly by a borrower to a licensee as a condition to a loan 89
or an application for a loan, however denominated, but does not 90
include default charges, deferment charges, insurance charges or 91
premiums, court costs, loan origination charges, check 92
collection charges, credit investigation charges, credit line 93
charges, points, or other fees and charges specifically 94
authorized by law. 95

(P) "Interest-bearing loan" means a loan in which the debt 96
is expressed as the principal amount and interest is computed, 97
charged, and collected on unpaid principal balances outstanding 98
from time to time. 99

<u>(2) The creditor may impose a finance charge from time to time on an outstanding unpaid balance.</u>	124 125
<u>(3) The amount of credit that may be extended to the borrower during the term of the plan, up to any limit set by the creditor, is generally made available to the extent that any outstanding balance is repaid.</u>	126 127 128 129

requirement, the superintendent shall do either of the 312
following: 313

(i) Request the superintendent of the bureau of criminal 314

bureau, to conduct a criminal records check based on the control 316

honestly and fairly in compliance with the purposes of sections 336
1321.62 to 1321.702 of the Revised Code and the rules adopted 337
thereunder, and that the applicant has the requisite net worth 338
and assets required under section 1321.65 of the Revised Code, 339
the superintendent shall issue a license to the applicant. The 340
license shall be valid until the thirty-first day of December of 341
the year in which it is issued. A person may be licensed under 342

(F) If the superintendent finds that the applicant does 345

Sec. 1321.641. (A) A license issued under section 1321.64 352
of the Revised Code may be renewed annually on or before the 353

institutions. The application shall be accompanied by a 356
nonrefundable renewal fee of three hundred dollars, any 357
assessment as determined by the superintendent pursuant to 358
division (B) of this section, and any additional fee required by 359
the NMLSR. A licensee shall not be required to pay any other fee 360
or assessment by the state or any political subdivision of the 361
state. 362

(B) If the amount of renewal fees collected by the 363
division of financial institutions is less than the estimated 364
expenditures of the consumer finance section of the division, as 365
determined by the superintendent, for the following fiscal year, 366
the superintendent may assess each licensee at a rate sufficient 367
to equal in the aggregate the difference between the renewal 368
fees collected and the estimated expenditures. Each licensee 369
shall pay the assessed amount to the superintendent prior to the 370
last day of June. In no event shall the assessment exceed ten 371
cents per each one hundred dollars of interest (excluding 372
charge-off recoveries), loan origination charges, and credit 373
line charges collected by that licensee during the previous 374
calendar year. If such an assessment is imposed, it shall not be 375
less than two hundred fifty dollars per licensee and shall not 376
exceed thirty thousand dollars less the total renewal fees paid 377
pursuant to division (A) of this section by each licensee. 378

(C) If a renewal application does not contain all of the 379
information required, and if that information is not submitted 380
to the division or to the NMLSR within ninety days after the 381
superintendent or the NMLSR requests the information in writing, 382
including by electronic transmission or facsimile, the 383
superintendent may consider the renewal application withdrawn. 384

(D) An applicant's license shall not be renewed if it is 385
subject to an order of suspension or an unpaid and past due fine 386
imposed by the superintendent. 387

Sec. 1321.642. (A) If there is a change of five per cent 388
or more in the ownership of a licensee, the division of 389
financial institutions may make any investigation necessary to 390
determine whether any fact or condition exists that, if it had 391
existed at the time of the original application for a license, 392

the fact or condition would have warranted the division to deny 393
the application under section 1321.64 of the Revised Code. 394

(B) A licensee shall give the superintendent of financial 395
institutions sixty days prior written notice before there is a 396
change of fifty per cent or more in the ownership of the 397
licensee. 398

Sec. 1321.643. (A) (1) Not more than one place of business 399
shall be maintained under the same license, but the 400
superintendent of financial institutions may issue additional 401
licenses to the same licensee upon compliance with sections 402
1321.62 to 1321.702 of the Revised Code. 403

(2) Each licensed place of business shall be located in a 404
state. 405

(B) (1) When a licensee wishes to change its place of 406
business, it shall give at least fifteen days prior written 407
notice of the change to the division of financial institutions. 408
The division shall provide a license for the new address without 409
cost. 410

(2) If a licensee changes its name, it shall give written 411
notice of the change to the division prior to making loans under 412
the new name. The division shall provide a license in the new 413

Code: 431

(A) Every advertisement shall state and clearly indicate 432
the identity of the licensee and shall do so in such a manner 433

licensee. Licensees shall be identified by means of trade names, 435
service marks, or business names that are filed with the 436
division of financial institutions and the secretary of state. 437

but is not limited to, the following: 440

(1) Placing, or causing to be placed, any advertisement 441

amended, for open-end loans, or 12 C.F.R. 1026.24, as amended, 450
for closed-end loans. 451

(D) A licensee shall not use loan advertisements that 452
provide only telephone or facsimile numbers or newspaper box 453
addresses and that do not clearly indicate the identity of the 454
licensee. 455

(E) A licensee shall not advertise that loans will be made 456
within a specified time after the loan application is received, 457
unless it is the general practice of the licensee to make loans 458
within the specified time. 459

(F) A licensee shall not advertise special terms, reduced 460
rates, reduced payments, or any other special feature of a loan 461
within a specified limited time, unless the advertisement 462
clearly states any limitations that apply to the offer. 463

(G) A licensee shall not advertise by the use of 464
unqualified superlatives, including, but not limited to, "lowest 465
rates," "lowest costs," "lowest payment plan," or "cheapest 466

(H) A licensee shall not advertise the words "new" or 468
"reduced," or words of similar import, in connection with rates, 469
costs, payments, or plans, for more than ninety days after the 470

(I) Any licensee specifying in any advertisement charges 472
on loans in dollars shall also state the length of time required 473

prevent misunderstanding. 476

(J) Any licensee advertising flat or average payments on 477
loans that include principal and interest shall specify the 478

Whenever the amounts of periodic payments are advertised, the 480

principal. The principal payments alone may be shown separately 482
provided the interest charges are also clearly stated with equal 483
prominence. 484

(K) A licensee shall not advertise rebates, rates, or 485
charges below the maximum lawful rate of interest that are 486
conditioned upon prompt payment unless the condition is clearly 487
indicated. 488

(L) A licensee shall not advertise either of the 489
following: 490

(1) Waiver of payments in the event of sickness or 491
disability or other contingency, without advertising that the 492
interest and other charges, if assessed, continue during the 493
waiver period; 494

(2) That the first payment on any loan may be made more 495
than thirty days after the date of loan closing, without 496
advertising that the interest and other charges, if assessed, 497
will accrue from the date of disbursement of the loan funds 498
until the first payment is due. 499

(M) A licensee shall not advertise for loans for illegal 500
purposes. 501

The file shall be readily available for inspection by the 511
division at all times. Each licensee shall notify the division 512
in writing of the location of the file. Each licensee shall, 513

Sec. 1321.66. (A) Records a licensee is required to 518
maintain shall be kept current and be available at a licensed 519

by federal or state law, records shall be maintained in English. 525
When records are allowed to be in a language other than English, 526
the licensee, at its expense, shall be responsible for providing 527

automatically the quality and accuracy of the storage media 687
recording process. 688

(b) Requires the licensee, at all times, to have the 723

required to comply with section 216 of the "Fair and Accurate 751
Credit Transactions Act of 2003," 117 Stat. 1952 (amended 2010), 752
15 U.S.C. 1681w as in effect on November 30, 2016, section 501 753

of the "Gramm Leach Bliley Act," 113 Stat. 1338 (1999) (amended 754
2010), 15 U.S.C. 6801 as in effect on November 30, 2016, and the 755
rules promulgated pursuant to those federal acts, including 16 756
C.F.R. Part 313 and 16 C.F.R. Part 682, as in effect November 757
30, 2016, pertaining to the maintenance, security, and disposal 758
of consumer information and records. 759

(J) The division shall make or cause to be made an 760
examination of records pertaining to loans made under sections 761
1321.62 to 1321.702 of the Revised Code at least once every 762
twenty-four months for the purpose of determining whether the 763
licensee is complying with those sections and verifying the 764
licensee's annual report. 765

Sec. 1321.661. (A) Each licensee shall submit to the NMLSR 766
call reports or other reports of condition, which reports shall 767
be in such form and shall contain such information as the NMLSR 768
may require. 769

(B) (1) As required by the superintendent of financial 770
institutions, each licensee shall file with the division of 771
financial institutions an annual report under oath or 772
affirmation, on forms supplied by the division, concerning the 773

calendar year. 775

(2) The superintendent shall annually publish an analysis 776
of the information required under division (B) (1) of this 777
section, but the individual reports shall not be public records 778
and shall not be open to public inspection. 779

Sec. 1321.662. (A) (1) The following information is 780
confidential: 781

(a) Examination information, and any information leading 782

to or arising from an examination; 783

(b) Investigation information, and any information arising 784
from or leading to an investigation. 785

(2) The information described in division (A) (1) of this 786
section shall remain confidential for all purposes except when 787
it is necessary for the superintendent of financial institutions 788
to take official action regarding the affairs of a licensee, or 789
in connection with criminal or civil proceedings to be initiated 790
by a prosecuting attorney or the attorney general. This 791
information may also be introduced into evidence or disclosed 792
when and in the manner authorized by section 1181.25 of the 793
Revised Code. 794

(B) All application information, except social security 795

and criminal background information, is a public record as 800
defined in section 149.43 of the Revised Code. 801

(C) This section does not prevent the division of 802
financial institutions from releasing to or exchanging with 803
other financial institution regulatory authorities information 804
relating to licensees. For this purpose, a "financial 805
institution regulatory authority" includes a regulator of a 806
business activity in which a licensee is engaged, or has applied 807
to engage in, to the extent that the regulator has jurisdiction 808
over a licensee engaged in that business activity. A licensee is 809
engaged in a business activity, and a regulator of that business 810
activity has jurisdiction over the licensee, whether the 811
licensee conducts the activity directly or a subsidiary or 812

affiliate of the licensee conducts the activity. 813

(D) (1) Any confidentiality or privilege arising under 814
federal or state law with respect to any information or material 815
provided to the NMLSR shall continue to apply to the information 816
or material after the information or material has been provided 817
to the NMLSR. The information and material so provided may be 818
shared with all state and federal regulatory officials with 819
oversight authority without the loss of confidentiality or 820
privilege protections provided by federal law or the law of any 821
state. Information or material described in division (D) (1) of 822
this section to which confidentiality or privilege applies shall 823
not be subject to any of the following: 824

(a) Disclosure under any federal or state law governing 825
disclosure to the public of information held by an officer or an 826
agency of the federal government or of the respective state; 827

(b) Subpoena or discovery, or admission into evidence, in 828
any private civil action or administrative process, unless the 829
person to whom such information or material pertains waives, in 830
whole or in part and at the discretion of the person, any 831
privilege held by the NMLSR with respect to that information or 832
material. 833

(2) The superintendent, in order to promote more effective 834
regulation and reduce regulatory burden through supervisory 835
information sharing, may enter into sharing arrangements with 836
other governmental agencies, the conference of state bank 837
supervisors, and the American association of residential 838
mortgage regulators. 839

(3) Any state law, including section 149.43 of the Revised 840
Code, relating to the disclosure of confidential supervisory 841

information or any information or material described in division 842
(A) (1) or (D) (1) of this section that is inconsistent with this 843
section shall be superseded by the requirements of this section. 844

(E) This section does not prevent the division from 845
releasing information relating to licensees to the attorney 846
general, to the superintendent of insurance for purposes 847
relating to the administration of Chapter 3953. of the Revised 848
Code, to the commissioner of securities for purposes relating to 849
the administration of Chapter 1707. of the Revised Code, or to 850
local law enforcement agencies and local prosecutors. 851
Information the division releases pursuant to this section 852
remains confidential. 853

(F) The superintendent of financial institutions shall, by 854
rule adopted in accordance with Chapter 119. of the Revised 855
Code, establish a process by which licensees may challenge 856
information provided to the NMLSR by the superintendent. 857

Sec. 1321.663. No person, in connection with any 858
examination or investigation conducted by the superintendent of 859
financial institutions under sections 1321.62 to 1321.702 of the 860
Revised Code shall knowingly do any of the following: 861

(A) Circumvent, interfere with, obstruct, or fail to 862
cooperate with the superintendent, including making a false or 863
misleading statement, failing to produce records, or 864
intimidating or suborning any witness; 865

(B) Withhold, abstract, remove, mutilate, destroy, or 866
secrete any books, records, computer records, or other 867
information; 868

(C) Tamper with, alter, or manufacture any evidence. 869

Sec. 1321.664. In order to reduce the risk of consumer 870

fraud and related harms, including identity theft, licensees 871

Leach Bliley Act," 113 Stat. 1138 (1999) (amended 2010), 15 875
U.S.C. 6801, as in effect on November 30, 2016, including those 876
federal acts as amended from time to time and the rules 877
promulgated pursuant to those federal acts, including 16 C.F.R. 878
682, as in effect November 30, 2016, pertaining to the 879
maintenance, security, and disposal of consumer information and 880
records. 881

Sec. 1321.665. Before ceasing to conduct or discontinuing 882
business as a licensee, the licensee shall arrange for and be 883
responsible for the preservation of the books and records 884
required to be maintained and preserved under sections 1321.62 885
to 1321.702 of the Revised Code and shall notify the division of 886
financial institutions in writing of the exact address where the 887
books and records will be maintained during the required period. 888

Sec. 1321.666. The superintendent of financial 889
institutions may suspend, revoke, or refuse to renew any license 890
issued by the superintendent under sections 1321.62 to 1321.702 891
of the Revised Code, or bring any other authorized 892
administrative enforcement action in accordance with section 893
1321.70 of the Revised Code, against any person for failure to 894
maintain records in accordance with section 1321.66 of the 895
Revised Code. 896

Sec. 1321.667. (A) Except as otherwise provided in section 897
9.02 of the Revised Code, any party, including a governmental 898
authority, that requires or requests a licensee to assemble or 899
provide a customer's financial records shall pay the licensee 900

for all actual and necessary costs directly incurred in 901
searching for, reproducing, or transporting those records 902
according to the following schedule: 903

(1) Reimbursement of search and processing costs shall be 904
the total amount of personnel direct time incurred in locating 905
and retrieving, reproducing, packaging, and preparing financial 906
records for shipment. The rate for search and processing costs 907
shall be eleven dollars per hour per person, computed on the 908
basis of two dollars and seventy-five cents per quarter hour or 909
fraction thereof, and shall be limited to the total amount of 910
personnel time spent in locating and retrieving documents or 911
information or reproducing or packaging and preparing documents 912
for shipment where required or requested by a party. Specific 913
salaries of such persons shall not be included in search costs. 914
In addition, search and processing costs shall not include 915
salaries, fees, or similar costs for analysis of material or for 916
managerial or legal advice, expertise, research, or time spent 917
for any of these activities. If itemized separately, search and 918
processing costs may include the actual cost of extracting 919
information stored by computer in the format in which it is 920
normally produced, based on computer time and necessary 921
supplies; however, personnel time for computer search may be 922
paid for only at the rate specified in division (A) (1) of this 923
section. 924

(2) Reimbursement for reproduction costs shall be for 925
costs incurred in making copies of documents required or 926
requested. The rate for reproduction costs for making copies of 927
required or requested documents shall be twenty-five cents for 928
each page, including copies produced by reader or printer 929
reproduction processes. Photographs, films, and other materials 930
shall be reimbursed at actual cost. 931

(3) Reimbursement for transportation costs shall be for 932
necessary costs, directly incurred, to transport personnel to 933
locate and retrieve the information required or requested and 934
for necessary costs, directly incurred, solely by the need to 935
convey the required or requested material to the place of 936
examination. 937

(B) A licensee shall not be entitled to reimbursement for 938
costs incurred in assembling or providing the following records 939
or information: 940

(1) Any financial records provided as an incident to 941
perfecting a security interest, proving a claim in bankruptcy, 942
or otherwise collecting on a debt owing to the licensee; 943

(2) Financial records that are not identified with or 944
identifiable as being derived from the financial records of a 945
particular customer. 946

(C) Payment shall be made only for costs that are directly 947
incurred, actual, and necessary. No payment shall be made until 948
the licensee satisfactorily complies with the request or 949
requirement, except that in the case where the request or 950
requirement is withdrawn or revoked, the licensee shall be 951
reimbursed for the actual and necessary costs directly incurred 952
in assembling financial records required or requested to be 953
produced prior to the time the party notifies the licensee that 954
the request or requirement is withdrawn or revoked. No payment 955
shall be made unless the licensee submits an itemized bill or 956
invoice showing specific details concerning search and 957
processing, reproduction, and transportation costs. Search and 958
processing time shall be billed in fifteen-minute increments. 959

(D) As used in this section: 960

(1) "Costs directly incurred" means costs incurred solely 961
and necessarily as a consequence of searching for, reproducing, 962
or transporting books, papers, records, or other data, in order 963
to comply with a request or requirement to produce a customer's 964
financial records. The term does not include any allocation of 965
fixed costs, such as overhead, equipment, and depreciation. If a 966
licensee has financial records that are stored at an independent 967
storage facility that charges a fee to search for, reproduce, or 968
transport particular records requested, these costs shall be 969
considered to be directly incurred by the licensee. 970

(2) "Customer," "financial record," and "governmental 971
authority" have the same meanings as in section 9.02 of the 972
Revised Code. 973

Sec. 1321.67. (A) For purposes of sections 1321.62 to 974
1321.702 of the Revised Code, a loan shall be considered closed 975
upon the signature of the obligor or obligors, unless the loan 976
contract is not executed by signature, in which case the loan is 977
considered closed upon disbursement of loan funds. 978

(B) All loans made under sections 1321.62 to 1321.702 of 979
the Revised Code by direct mail shall be made from a place of 980
business for which the licensee holds a valid license. 981

(C) Licensees have an ongoing duty to notify the division 982
of financial institutions of material changes in the information 983
contained in the application and exhibits, schedules, and other 984
documentation submitted in conjunction with the application, and 985
to report all changes or additions to information in the 986
application within thirty days of the change. Material changes 987
in the information include changes in affiliations, controlling 988
interest, officers, directors, criminal record, and any change 989
in net worth below the requirements set forth in section 1321.65 990

<u>of the Revised Code.</u>	991
<u>(D) Each licensee shall do all of the following:</u>	992
<u>(1) Obtain the written consent of the borrower for any</u>	993
<u>purchase of insurance on property of the borrower other than</u>	994
<u>that which is used as security for the loan;</u>	995
<u>(2) Permit payment to be made in advance in any amount on</u>	996
<u>any contract at any time, but the licensee may apply the payment</u>	997
<u>first to interest and charges due up to the date of payment;</u>	998
<u>(3) Notify the borrower in writing of any interest rate</u>	999
<u>change at least thirty but not more than one hundred twenty days</u>	1000
<u>prior to the effective date of the changes, provided that if the</u>	1001
<u>interest rate is tied to a published and verifiable index and</u>	1002

<u>days of change in the published index rate, the licensee shall</u>	1004
<u>notify the borrower in writing of any interest rate change at</u>	1005
<u>least thirty days prior to the effective date of the change. The</u>	1006
<u>notice required under division (D)(3) of this section shall</u>	1007
<u>include all of the following:</u>	1008
<u>(a) A statement of the borrower's current interest rate</u>	1009
<u>and corresponding monthly payment prior to the reset date;</u>	1010
<u>(b) A good faith statement of the borrower's anticipated</u>	1011
<u>future interest rate and corresponding monthly payment following</u>	1012
<u>the reset date;</u>	1013
<u>(c) A statement that notifies the borrower to contact the</u>	1014
<u>licensee for workout options in the event that there is a</u>	1015
<u>possible problem of repayment at the new interest rate and</u>	1016
<u>monthly payment following the reset;</u>	1017
<u>(d) A toll-free number by which borrowers can discuss</u>	1018

possible payment problems and workout options; 1019

(e) An explanation of the index or formula that is being 1020
used to reset the interest rate and the source of that index or 1021
formula. 1022

(4) In the instance of a non-amortized or partially 1023
amortized interest-bearing loan, provide the borrower with 1024
written notice of maturity at least ninety but not more than one 1025
hundred twenty days prior to the expected maturity date; 1026

(5) Clearly indicate by prominently disclosing on, or in, 1027
the loan documents, the federal or state statutory authority 1028
pursuant to which the loan is made. This prominent disclosure 1029
shall be provided on loans made: 1030

(a) Solely in reliance on the provisions of sections 1031
1321.62 to 1321.702 of the Revised Code; 1032

(b) Partially in reliance on the provisions of sections 1033
1321.62 to 1321.702 of the Revised Code; or 1034

(c) In reliance on any combination of federal or state 1035
provisions that do not include sections 1321.62 to 1321.702 of 1036
the Revised Code. 1037

(6) In providing any payment history requested by the 1038
borrower or by the division, provide a clear and accurate 1039
payment statement in a manner a reasonable borrower should 1040
understand that sets forth the dates and amounts due and owing 1041
and the dates and amounts received and paid. 1042

(E) A licensee shall not be prohibited from holding other 1043
licenses or registrations issued by the division as long as the 1044
licensee is in compliance with section 1321.63 of the Revised 1045
Code and other applicable provisions of state and federal laws. 1046

(F) A licensee is liable for payment of the annual 1047
assessment described in division (B) of section 1321.641 of the 1048
Revised Code on any loan made by the licensee that has been 1049
sold, transferred, or assigned to another person if servicing 1050
rights have been retained by the licensee. 1051

Sec. 1321.671. (A) Upon repayment of the loan in full, the 1052
original note signed by any obligor or copy, photograph, or 1053
stored representation of the original note as retained in 1054
accordance with section 1321.66 of the Revised Code shall be 1055
plainly marked "paid" or "canceled" and the note or the 1056
reproduction of the note shall be returned to the obligor or, if 1057
there are two or more obligors, to one of them. 1058

(B) If requested, the licensee shall give to the borrower 1059
a receipt for each payment made on account of any interest- 1060
bearing or precomputed loan. 1061

Sec. 1321.672. (A) When, in connection with a loan, a 1062
licensee furnishes or places insurance written on behalf of the 1063
borrower at the borrower's expense, a policy or certificate of 1064
insurance properly executed shall be furnished to the borrower 1065
within fifteen days of the closing date of the loan. The policy 1066
or certificate shall state the name of the insurance company, 1067
the nature of the insurance, the extent of the coverage, the 1068
amount of the premium, and the effective and expiration dates of 1069
the policy. 1070

(B) If a licensee furnishes or places credit life 1071
insurance, credit accident and health insurance, or unemployment 1072
insurance on behalf of the borrower at the borrower's expense, 1073
the licensee shall give written notice to the borrower at the 1074
time the loan is made. The notice shall disclose the borrower's 1075
right to cancel the insurance within twenty-five days after the 1076

purchase of the insurance with a full refund of the premium or 1077
identifiable charge for the insurance. The notice shall further 1078
disclose that the cancellation may be effected upon the written 1079
request of the borrower together with the return of the policy 1080
or certificate of insurance to the licensee. 1081

(C) All insurance sold or obtained in connection with the 1082
making of a loan shall be governed by Title XXXIX of the Revised 1083
Code. 1084

(D) In any transaction in which the licensee furnishes or 1085
places insurance on behalf of the borrower at the borrower's 1086
expense, the licensee shall, prior to furnishing or placing the 1087
insurance, provide written disclosure to the borrower of the 1088
business relationship, beneficial ownership or affiliation, 1089
whether direct or indirect, between the licensee and the 1090
insurer. 1091

Sec. 1321.673. No licensee shall conduct the business of 1092
making loans under sections 1321.62 to 1321.702 of the Revised 1093
Code in any office, room, or place of business in which any 1094
other business is solicited or engaged in, or in association or 1095
conjunction with any other such business, if the superintendent 1096
of financial institutions finds, pursuant to a hearing conducted 1097
in accordance with Chapter 119. of the Revised Code, that the 1098
other business is of such a nature that the conduct tends to 1099
conceal evasion of sections 1321.62 to 1321.702 of the Revised 1100
Code, and orders the licensee in writing to desist from the 1101
conduct. 1102

Sec. 1321.674. Any person that willfully violates section 1103
1321.68 of the Revised Code shall forfeit to the borrower the 1104
amount of interest paid by the borrower. The maximum rate of 1105
interest applicable to any loan transaction that does not comply 1106

with section 1321.68 of the Revised Code shall be the rate that 1107
would be applicable in the absence of sections 1321.62 to 1108
1321.702 of the Revised Code. 1109

Sec. 1321.68. (A) A licensee may contract for and receive 1110
interest, calculated according to the actuarial method, at a 1111
rate or rates not exceeding twenty-five per cent per year on the 1112
unpaid principal balances of the loan. Loans may be interest- 1113
bearing or precomputed. 1114

(B) For purposes of computation of time on interest- 1115
bearing and precomputed loans, including, but not limited to, 1116
the calculation of interest, a month is considered one-twelfth 1117
of a year, and a day is considered one three hundred sixty-fifth 1118
of a year when calculation is made for a fraction of a month. A 1119
year is as defined in section 1.44 of the Revised Code. A month 1120
is that period described in section 1.45 of the Revised Code. 1121
Alternatively, a licensee may consider a day as one three 1122
hundred sixtieth of a year and each month as having thirty days. 1123

(C) With respect to interest-bearing loans: 1124

(1) (a) Interest shall be computed on unpaid principal 1125
balances outstanding from time to time, for the time 1126
outstanding. 1127

(b) As an alternative to the method of computing interest 1128
set forth in division (C) (1) (a) of this section, a licensee may 1129
charge and collect interest for the first installment period 1130
based on elapsed time from the date of the loan to the first 1131
scheduled payment due date, and for each succeeding installment 1132
period from the scheduled payment due date to the next scheduled 1133
payment due date, regardless of the date or dates the payments 1134
are actually made. 1135

(c) Whether a licensee computes interest pursuant to 1136
division (C) (1) (a) or (b) of this section, each payment shall be 1137
applied first to unpaid charges, then to interest, and the 1138
remainder to the unpaid principal balance. However, if the 1139
amount of the payment is insufficient to pay the accumulated 1140
interest, the unpaid interest continues to accumulate to be paid 1141
from the proceeds of subsequent payments and is not added to the 1142
principal balance. 1143

(2) Interest shall not be compounded, collected, or paid 1144
in advance. However, both of the following apply: 1145

(a) Interest may be charged to extend the first monthly 1146
installment period by not more than fifteen days, and the 1147
interest charged for the extension may be added to the principal 1148
amount of the loan. 1149

(b) If part or all of the consideration for a new loan 1150
contract is the unpaid principal balance of a prior loan, the 1151
principal amount payable under the new loan contract may include 1152
any unpaid interest that has accrued. The resulting loan 1153
contract shall be deemed a new and separate loan transaction for 1154
purposes of this section. The unpaid principal balance of a 1155
precomputed loan is the balance due after refund or credit of 1156
unearned interest as provided in division (D) (3) of this 1157
section. 1158

(D) With respect to precomputed loans: 1159

(1) Loans shall be repayable in monthly installments of 1160
principal and interest combined, except that: 1161

(a) The first installment period may exceed one month by 1162
not more than fifteen days, and the first installment payment 1163
amount may be larger than the remaining payments by the amount 1164

of interest charged for the extra days. 1165

(b) Monthly installment payment dates may be omitted to 1166
accommodate borrowers with seasonal income. 1167

(2) Payments may be applied to the combined total of 1168
principal and precomputed interest until maturity of the loan. A 1169
licensee may charge interest after the original or deferred 1170
maturity of a precomputed loan at the rate specified in division 1171
(A) of this section on all unpaid principal balances for the 1172
time outstanding. 1173

(3) When any loan contract is paid in full by cash, 1174
renewal, refinancing, or a new loan, one month or more before 1175
the final installment due date, the licensee shall refund, or 1176
credit the borrower with, the total of the applicable charges 1177
for all fully unexpired installment periods, as originally 1178
scheduled or as deferred, that follow the day of prepayment. If 1179
the prepayment is made other than on a scheduled installment due 1180
date, the nearest scheduled installment due date shall be used 1181
in such computation. If the prepayment occurs prior to the first 1182
installment due date, the licensee may retain one-thirtieth of 1183
the applicable charge for a first installment period of one 1184
month for each day from date of loan to date of prepayment, and 1185
shall refund, or credit the borrower with, the balance of the 1186
total interest contracted for. If the maturity of the loan is 1187
accelerated for any reason and judgment is entered, the licensee 1188
shall credit the borrower with the same refund as if prepayment 1189
in full had been made on the date the judgment is entered. 1190

(4) If the parties agree in writing, either in the loan 1191
contract or in a subsequent agreement, to a deferment of wholly 1192
unpaid installments, a licensee may grant a deferment and may 1193
collect a deferment charge as provided in this section. A 1194

deferment postpones the scheduled due date of the earliest 1195
unpaid installment and all subsequent installments as originally 1196
scheduled, or as previously deferred, for a period equal to the 1197
deferment period. The deferment period is that period during 1198
which no installment is scheduled to be paid by reason of the 1199
deferment. The deferment charge for a one-month period may not 1200
exceed the applicable charge for the installment period 1201
immediately following the due date of the last undeferred 1202
installment. A proportionate charge may be made for deferment 1203
for periods of more or less than one month. A deferment charge 1204
is earned pro rata during the deferment period and is fully 1205
earned on the last day of the deferment period. If a loan is 1206
prepaid in full during a deferment period, the licensee shall 1207
make, or credit to the borrower, a refund of the unearned 1208
deferment charge in addition to any other refund or credit made 1209
for prepayment of the loan in full. 1210

(E) A licensee, at the request of the borrower, may 1211
obtain, on one or more borrowers, credit life insurance, credit 1212
accident and health insurance, and unemployment insurance. The 1213
premium or identifiable charge for the insurance may be included 1214
in the principal amount of the loan and may not exceed the 1215
premium rate filed by the insurer with the superintendent of 1216
insurance and not disapproved by the superintendent. If a 1217
licensee obtains the insurance at the request of the borrower, 1218
the borrower shall have the right to cancel the insurance for a 1219
period of twenty-five days after the loan is made. If the 1220
borrower chooses to cancel the insurance, the borrower shall 1221
give the licensee written notice of this choice and shall return 1222
all of the policies or certificates of insurance or notices of 1223
proposed insurance to the licensee during such period, and the 1224
full premium or identifiable charge for the insurance shall be 1225

refunded to the borrower by the licensee. If the borrower 1226
requests, in the notice to cancel the insurance, that this 1227
refund be applied to reduce the balance of a precomputed loan, 1228
the licensee shall credit the amount of the refund plus the 1229
amount of interest applicable to the refund to the loan balance. 1230
If the licensee obtains the insurance at the request of the 1231
borrower, the licensee shall not charge or collect interest on 1232
any insured amount that remains unpaid after the insured 1233
borrower's date of death. 1234

(F) A licensee may require the borrower to provide 1235
insurance or a loss payable endorsement covering reasonable 1236
risks of loss, damage, and destruction of property used as 1237
security for the loan and with the consent of the borrower such 1238
insurance may cover property of the borrower other than that 1239
which is security for the loan. The amount and term of required 1240
property insurance shall be reasonable in relation to the amount 1241
and term of the loan contract and the type and value of the 1242
security, and the insurance shall be procured in accordance with 1243
the insurance laws of this state. The purchase of this insurance 1244
through the licensee or an agent or broker designated by the 1245
licensee shall not be a condition precedent to the granting of 1246
the loan. If the borrower purchases the insurance from or 1247
through the licensee or from another source, the premium may be 1248
included in the principal amount of the loan. 1249

(G) (1) In addition to the interest and charges provided 1250
for by this section, no further or other amount, whether in the 1251
form of broker fees, placement fees, or any other fees 1252
whatsoever, shall be charged or received by the licensee, except 1253
that: 1254

(a) The licensee may charge and receive costs and 1255

disbursements in connection with any suit to collect a loan or 1256
any lawful activity to realize on a security interest after 1257
default, including reasonable attorney's fees incurred by the 1258
licensee as a result of the suit or activity and to which the 1259
licensee becomes entitled by law. 1260

(b) The licensee may include the following additional 1261
charges in the principal amount of the loan or collect the 1262
following additional charges at any time after the loan is made: 1263

(i) The amounts of fees authorized by law to record, file, 1264
or release security interests on a loan; 1265

(ii) Fees received from borrowers to record, file, or 1266
release a security interest on a loan for purposes either of 1267
purchasing insurance to insure the licensee against losses for 1268
failure to record or file or creating a self-insurance fund to 1269
reimburse the licensee against losses for failure to record or 1270
file; 1271

(iii) Fees for credit investigations not exceeding twenty- 1272
five dollars provided a licensee obtains a consumer report in 1273
connection with an application for a grant, extension, or other 1274
provision of credit to a consumer that is based in whole or in 1275
part on the consumer report. 1276

(2) Division (G) (1) of this section does not limit the 1277
rights of licensees to engage in other transactions with 1278
borrowers, provided the transactions are not a condition of the 1279
loan. 1280

(H) If the loan contract or security instrument contains 1281
covenants by the borrower to perform certain duties pertaining 1282
to insuring or preserving security and the licensee pursuant to 1283
the loan contract or security instrument pays for performance of 1284

the duties on behalf of the borrower, the licensee may add the 1285
amounts paid to the unpaid principal balance of the loan or 1286
collect them separately. A charge for interest may be made for 1287
sums advanced not exceeding the rate of interest permitted by 1288
division (A) of this section. Within a reasonable time after 1289
advancing a sum, the licensee shall notify the borrower in 1290
writing of the amount advanced, any interest charged with 1291
respect to the amount advanced, and any revised payment 1292
schedule, and shall include a brief description of the reason 1293
for the advance. 1294

(I) (1) In addition to any other permissible fees and 1295
charges, a licensee may charge and receive the following: 1296

(a) If the principal amount of the loan is five hundred 1297
dollars or less, loan origination charges not exceeding fifteen 1298
dollars; 1299

(b) If the principal amount of the loan is more than five 1300
hundred dollars but less than one thousand dollars, loan 1301
origination charges not exceeding thirty dollars; 1302

(c) If the principal amount of the loan is at least one 1303
thousand dollars but less than two thousand dollars, loan 1304
origination charges not exceeding one hundred dollars; 1305

(d) If the principal amount of the loan is at least two 1306
thousand dollars but less than five thousand dollars, loan 1307
origination charges not exceeding two hundred dollars; 1308

(e) If the principal amount of the loan is at least five 1309
thousand dollars, loan origination charges not exceeding the 1310
greater of two hundred fifty dollars or one per cent of the 1311
principal amount of the loan. 1312

(2) Loan origination charges may be paid by the borrower 1313

at the time of the loan or may be included in the principal 1314
amount of the loan. 1315

(J) A licensee may charge and receive check collection 1316
charges not greater than twenty dollars plus any amount passed 1317
on from other depository institutions for each check, negotiable 1318
order of withdrawal, share draft, or other negotiable instrument 1319
returned or dishonored for any reason. 1320

(K) If the loan contract so provides, a licensee may 1321
collect a default charge on any installment not paid in full 1322
within ten days after its due date. For this purpose, all 1323
installments are considered paid in the order in which they 1324
become due. Any amounts applied to an outstanding loan balance 1325
as a result of voluntary release of a security interest, sale of 1326
security on the loan, or cancellation of insurance shall be 1327
considered payments on the loan, unless the parties otherwise 1328
agree in writing at the time the amounts are applied. A licensee 1329
shall not collect more than one default charge per unpaid 1330
installment regardless of the number of months the installment 1331
remains fully unpaid. The amount of the default charge shall not 1332
exceed the greater of five per cent of the scheduled installment 1333
or fifteen dollars. 1334

Sec. 1321.681. (A) For open-end loans, "billing cycle" 1335
means the time interval between periodic billing dates. A 1336
billing cycle shall be considered monthly if the closing date of 1337
the cycle is the same date each month or does not vary by more 1338
than four days from such date. 1339

(B) A licensee may make open-end loans pursuant to an 1340
agreement between the licensee and the borrower whereby: 1341

(1) The licensee may permit the borrower to obtain 1342

advances of money from the licensee from time to time or the 1343
licensee may advance money on behalf of the borrower from time 1344
to time as directed by the borrower. 1345

(2) The amount of each advance and permitted interest, 1346
charges, and costs are debited to the borrower's account and 1347
payments and other credits are credited to the same account. 1348

(3) The interest and charges are computed on the unpaid 1349
balance or balances of the account from time to time. 1350

(4) The borrower has the privilege of paying the account 1351
in full at any time or, if the account is not in default, in 1352
installments of determinable amounts as provided in the 1353
agreement. 1354

(C) A licensee may contract for and receive interest for 1355
open-end loans at a rate or rates not exceeding twenty-eight per 1356
cent per year and may compute interest in each billing cycle by 1357
either of the following methods: 1358

(1) By multiplying the daily rate by the daily unpaid 1359
balance of the account, in which case the daily rate is 1360
determined by dividing the annual rate by three hundred sixty- 1361
five; 1362

(2) By multiplying the monthly rate by the average daily 1363
unpaid balance of the account in the billing cycle, in which 1364
case the average daily unpaid balance is the sum of all of the 1365
daily unpaid balances each day during the cycle divided by the 1366
number of days in the cycle. The monthly rate is determined by 1367
dividing the annual rate by twelve. 1368

(D) The billing cycle shall be monthly and the unpaid 1369
balance on any day shall be determined by adding to any balance 1370
unpaid as of the beginning of that day all advances and 1371

permitted interest, charges, and costs and deducting all 1372
payments and other credits made or received that day. 1373

(E) In addition to the interest permitted in division (C) 1374
of this section, a licensee may charge and receive or add to the 1375
unpaid balance any or all of the following: 1376

(1) All charges and costs authorized by divisions (E), 1377
(F), (G), (H), and (J) of section 1321.68 of the Revised Code; 1378

(2) An annual credit line charge, for the privilege of 1379
maintaining a line of credit, as follows: 1380

(a) For the first year: 1381

(i) If the original credit line is less than five thousand 1382
dollars, an amount not exceeding one hundred fifty dollars; 1383

(ii) If the original credit line is at least five thousand 1384
dollars, an amount not exceeding the greater of one per cent of 1385
the original credit line or two hundred fifty dollars. 1386

(b) For subsequent years, an amount not exceeding the 1387
greater of one-half per cent of the credit line on the 1388
anniversary date or fifty dollars. 1389

(3) A default charge on any required minimum payment not 1390
paid in full within ten days after its due date. For this 1391
purpose, all required minimum payments are considered paid in 1392
the order in which they become due. The amount of the default 1393
charge shall not exceed the greater of five per cent of the 1394
required minimum payment or twenty dollars. 1395

(F) The borrower at any time may pay all or any part of 1396
the unpaid balance on the account or, if the account is not in 1397
default, the borrower may pay the unpaid balance in installments 1398
subject to minimum payment requirements as determined by the 1399

licensee and set forth in the open-end loan agreement. 1400

(G) If credit life insurance or credit accident and health 1401
insurance is obtained by the licensee and if the insured dies or 1402
becomes disabled when there is an outstanding open-end loan 1403
indebtedness, the insurance shall be sufficient to pay the 1404
unpaid balance on the loan due on the date of the borrower's 1405
death in the case of credit life insurance or all minimum 1406
payments that become due on the loan during the covered period 1407
of disability in the case of credit accident and health 1408
insurance. The additional charge for credit life insurance, 1409
credit accident and health insurance, or unemployment insurance 1410
shall be calculated each billing cycle by applying the current 1411
monthly premium rate for the insurance, filed by the insurer 1412
with the superintendent of insurance and not disapproved by the 1413
superintendent, to the unpaid balances in the borrower's 1414
account, using one of the methods specified in division (C) of 1415
this section for the calculation of interest. No credit life 1416
insurance, credit accident and health insurance, or unemployment 1417
insurance written in connection with an open-end loan shall be 1418
canceled by the licensee because of delinquency of the borrower 1419
in making the required minimum payments on the loan unless one 1420
or more such payments is past due for a period of thirty days or 1421
more. The licensee shall advance to the insurer the amounts 1422
required to keep the insurance in force during such period, 1423
which amounts may be debited to the borrower's account. 1424

(H) Whenever there is no unpaid balance in an open-end 1425
loan account, the account may be terminated by written notice, 1426
by the borrower or the licensee, to the other party. 1427

Sec. 1321.69. (A) A licensee shall not permit any borrower 1428
to be indebted for a loan made under sections 1321.62 to 1429

1321.702 of the Revised Code at any time while the borrower is 1430
also indebted to an affiliate or agent of the licensee for a 1431
loan made under sections 1321.01 to 1321.19 or sections 1321.51 1432
to 1321.60 of the Revised Code for the purpose or with the 1433
result of obtaining greater charges than otherwise would be 1434
permitted by sections 1321.62 to 1321.702 of the Revised Code. 1435

(B) A licensee shall not induce or permit any person to 1436
become obligated to the licensee under sections 1321.62 to 1437
1321.702 of the Revised Code, directly or contingently, or both, 1438
under more than one contract of loan at the same time for the 1439
purpose or with the result of obtaining greater charges than 1440
would otherwise be permitted by sections 1321.62 to 1321.702 of 1441
the Revised Code. 1442

(C) A licensee shall not fail to provide information 1443
regarding the amount required to pay in full a loan made under 1444
sections 1321.62 to 1321.702 of the Revised Code within five 1445
business days after the receipt of a written request from a 1446
borrower or by another person designated in writing by the 1447
borrower. 1448

(D) A licensee shall not obtain a license through any 1449
false or fraudulent representation of a material fact or any 1450
omission of a material fact required by state or federal law, or 1451
make any substantial misrepresentation in the application to 1452
engage in lending under sections 1321.62 to 1321.702 of the 1453
Revised Code. 1454

(E) A licensee, in connection with the business of making 1455
or offering to make a loan, shall not knowingly make false or 1456
misleading statements of a material fact, omissions of 1457
statements required by state or federal law, or false promises 1458
regarding a material fact, through advertising or other means, 1459

or knowingly engage in a continued course of misrepresentations. 1460

(F) A licensee, or person making loans without a license 1461
in violation of section 1321.63 of the Revised Code, shall not 1462
knowingly engage in conduct, in connection with the business of 1463
making or offering to make loans under sections 1321.62 to 1464
1321.702 of the Revised Code, that constitutes improper, 1465
fraudulent, or dishonest dealings. 1466

(G) A licensee or applicant for a license shall not fail 1467
to notify the division of financial institutions within thirty 1468
days after having a license, or comparable authority, revoked in 1469
any governmental jurisdiction. 1470

(H) A licensee shall not knowingly make, propose, or 1471
solicit fraudulent, false, or misleading statements on any loan 1472
document or on any document related to a loan. For purposes of 1473
this division, "fraudulent, false, or misleading statements" 1474
does not include mathematical errors, inadvertent transposition 1475
of numbers, typographical errors, or any other bona fide error. 1476

(I) A licensee shall not knowingly instruct, solicit, 1477
propose, or otherwise cause a borrower to sign in blank a loan- 1478
related document in connection with a loan. 1479

(J) A licensee shall not take any note or other promise to 1480
pay that does not set forth the entire agreement made with the 1481
borrower. 1482

(K) A licensee shall not take any note or promise to pay 1483
in which blanks are left to be filled in after execution. 1484

(L) A licensee shall not charge or collect interest prior 1485
to the date of disbursement of the loan funds to the borrower. 1486

(M) A licensee shall not make a new loan for the purpose 1487

of paying any part of the interest or principal due on an 1488
existing loan with the same licensee unless the interest and 1489
principal balance of the existing loan is paid in full from the 1490
proceeds of the new loan. 1491

(N) Notwithstanding any provision of sections 1321.62 to 1492
1321.702 of the Revised Code to the contrary, no licensee shall 1493
give, or advertise an offer to give, any article, merchandise, 1494
reward-program benefit, or any other thing of value, as 1495
inducement to a borrower or prospective borrower to obtain a 1496
loan, unless the cost of the thing of value is absorbed by the 1497
licensee as general overhead, rather than directly charged to 1498
the borrower who received the thing of value. 1499

Sec. 1321.70. (A) The division of financial institutions 1500
may, upon written notice to the licensee stating the 1501
contemplated action, the grounds for the action, and the 1502
licensee's reasonable opportunity to be heard on the action in 1503
accordance with Chapter 119. of the Revised Code, revoke, 1504
suspend, or refuse to renew any license issued under sections 1505
1321.62 to 1321.702 of the Revised Code if it finds a violation 1506
of or failure to comply with any provision of sections 1321.62 1507
to 1321.702 of the Revised Code or the rules adopted thereunder, 1508
any federal lending law, or any other law applicable to the 1509
business conducted under a license. 1510

(B) In addition to, or in lieu of, any revocation, 1511
suspension, or denial, the division may impose a monetary fine 1512
after administrative hearing or in settlement of matters subject 1513
to claims under division (A) of this section. 1514

(C) The revocation, suspension, or refusal to renew shall 1515
not impair the obligation of any pre-existing lawful contract 1516
made under sections 1321.62 to 1321.702 of the Revised Code; 1517

provided, however, that a prior licensee shall make good faith 1518
efforts to promptly transfer the licensee's collection rights to 1519
another licensee or person exempt from licensing, or be subject 1520
to additional monetary fines and legal or administrative action 1521
by the division. Nothing in this division shall limit a court's 1522
ability to impose a cease-and-desist order preventing any 1523

(D) (1) The superintendent of financial institutions may 1525
impose a fine for a violation of sections 1321.62 to 1321.702 of 1526

pursuant to this section shall be paid to the treasurer of state 1528
to the credit of the consumer finance fund created in section 1529

(2) Monetary fines imposed under division (D) (1) of this 1543
section shall not exceed twenty-five thousand dollars. 1544

(E) The superintendent may investigate alleged violations 1545

of sections 1321.62 to 1321.702 of the Revised Code, or the 1546
rules adopted thereunder, or complaints concerning any such 1547
violation. The superintendent may make application to the court 1548
of common pleas for an order enjoining any violation and, upon a 1549
showing by the superintendent that a person has committed, or is 1550
about to commit, a violation, the court shall grant an 1551
injunction, restraining order, or other appropriate relief. The 1552

pleas for an order enjoining a person from acting as a licensee 1554
in violation of section 1321.63 of the Revised Code, may also 1555
seek and obtain civil penalties for that unlicensed conduct in 1556
an amount not to exceed five thousand dollars per violation. 1557

superintendent has jurisdiction, and may require the production 1561
or photocopying of any book, record, or other document 1562
pertaining to such matter. If a person fails to file any 1563

issued from the court, or a refusal to testify therein. 1571

(G) If the superintendent determines that a person is 1572
engaged in, or is believed to be engaged in, activities that may 1573
constitute a violation of sections 1321.62 to 1321.702 of the 1574
Revised Code, the superintendent may, after notice and a hearing 1575
conducted in accordance with Chapter 119. of the Revised Code, 1576

issue a cease-and-desist order. The superintendent, in taking 1577
administrative action to enjoin a person from acting as a 1578
