(C) With respect to any court support order it issues, a 1159
court may issue an order requiring the obligor to enter into a 1160
cash bond with the court. The court shall issue the order as 1161
part of the court support order or, if the court support order 1162
has previously been issued, as a separate order. The cash bond 1163
shall be in a sum fixed by the court at not less than five 1164
hundred nor more than ten thousand dollars, conditioned that the 1165
obligor will make payment as previously ordered and will pay any 1166
arrearages under any prior court support order that pertained to 1167
the same child or spouse. 1168

The order, along with an additional order requiring the 1169
obligor to immediately notify the child support enforcement 1170
agency, in writing, if the obligor begins to receive income from 1171
a payor, shall be attached to and served on the obligor at the 1172
same time as service of the court support order or, if the court 1173
support order has previously been issued, as soon as possible 1174
after the issuance of the order under this section. The 1175
additional order requiring notice by the obligor shall state all 1176
of the following: 1177

(1) That when the obligor begins to receive income from a 1178
payor the obligor may request that the court cancel its bond 1179
order and instead issue a notice requiring the withholding of an 1180

determines that payments due under the court support order have 1184
not been made and that the amount that has not been paid is at 1185
least equal to the support owed for one month under the court 1186
support order and will issue a notice requiring the withholding 1187

of an amount from income for support in accordance with this 1188
section. The notice required of the obligor shall include a 1189
description of the nature of any new employment, the name and 1190
business address of any new employer, and any other information 1191
reasonably required by the court. 1192

The court shall not order an obligor to post a cash bond 1193
under this section unless the court determines that the obligor 1194
has the ability to do so. 1195

A child support enforcement agency may not issue a cash 1196
bond order. If a child support enforcement agency is required to 1197
issue a withholding or deduction notice under this section with 1198
respect to a court support order but the agency determines that 1199
no withholding or deduction notice would be appropriate, the 1200
agency may request that the court issue a cash bond order under 1201
this section, and upon the request, the court may issue the 1202
order. 1203

(D) (1) If the obligor under a court support order is 1204
unemployed, has no income, and does not have an account at any 1205
financial institution, or on request of a child support 1206
enforcement agency under division (D) (1) or (2) of this section, 1207
the court shall issue an order requiring the obligor, if able to 1208
engage in employment, to seek employment or participate in a 1209
work activity to which a recipient of assistance under Title IV- 1210
A of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 1211
301, as amended, may be assigned as specified in section 407(d) 1212
of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. 1213
The court shall include in the order requirements that the 1214
obligor register with the OhioMeansJobs web site and to notify 1215
the child support enforcement agency on obtaining employment, 1216
obtaining any income, or obtaining ownership of any asset with a 1217

value of five hundred dollars or more. The court may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." The court shall issue the order as part of a court support order or, if a court support order has previously been issued, as a separate order. If a child support enforcement agency is required to issue a withholding or deduction notice under this section with respect to a court support order but determines that no withholding or deduction notice would be appropriate, the agency may request that the court issue a court order under division (D) (1) of this section, and, on the request, the court may issue the order.

(2) If the obligor under an administrative child support order is unemployed, has no income, and does not have an account at any financial institution, the agency shall issue an administrative order requiring the obligor, if able to engage in employment, to seek employment or participate in a work activity to which a recipient of assistance under Title IV-A of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, may be assigned as specified in section 407(d) of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall include in the order requirements that the obligor register with the OhioMeansJobs web site and to notify the agency on obtaining employment or income, or ownership of any asset with a value of five hundred dollars or more. The agency may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." If an obligor fails to comply with an administrative order issued pursuant to division (D) (2) of this section, the agency shall submit a request to a court for the court to issue an order under division (D) (1) of

this section. 1249

(2) Health, one-half unit, which shall include instruction in nutrition and the benefits of nutritious foods and physical activity for overall health;	1734 1735 1736
(3) Mathematics, four units, which shall include one unit of algebra II or the equivalent of algebra II. However, students who enter ninth grade for the first time on or after July 1, 2015, and who are pursuing a career-technical instructional track shall not be required to take algebra II, and instead may	1737 1738 1739 1740 1741

complete a career-based pathway mathematics course approved by	1742
the department of education as an alternative.	1743
(4) Physical education, one-half unit;	1744
(5) Science, three units with inquiry-based laboratory	1745
experience that engages students in asking valid scientific	1746
questions and gathering and analyzing information, which shall	1747
include the following, or their equivalent:	1748
(a) Physical sciences, one unit;	1749
(b) Life sciences, one unit;	1750
(c) Advanced study in one or more of the following	1751
sciences, one unit:	1752
(i) Chemistry, physics, or other physical science;	1753
(ii) Advanced biology or other life science;	1754
(iii) Astronomy, physical geology, or other earth or space	1755
science.	1756
(6) History and government, one unit, which shall comply	1757
with division (M) of this section and shall include both of the	1758
following:	1759
(a) American history, one-half unit;	1760
(b) American government, one-half unit.	1761
(7) Social studies, two units.	1762
Each school shall integrate the study of economics and	1763
financial literacy, as expressed in the social studies academic	1764
content standards adopted by the state board of education under	1765
division (A) (1) of section 3301.079 of the Revised Code and the	1766
academic content standards for financial literacy and	1767

entrepreneurship adopted under division (A) (2) of that section, 1768
into one or more existing social studies credits required under 1769
division (C) (7) of this section, or into the content of another 1770
class, so that every high school student receives instruction in 1771
those concepts. In developing the curriculum required by this 1772
paragraph, schools shall use available public-private 1773
partnerships and resources and materials that exist in business, 1774
industry, and through the centers for economics education at 1775
institutions of higher education in the state. 1776

Beginning with students who enter ninth grade for the 1777
first time on or after July 1, 2017, the two units of 1778
instruction prescribed by division (C) (7) of this section shall 1779
include at least one-half unit of instruction in the study of 1780
world history and civilizations. 1781

(8) Five units consisting of one or any combination of 1782
foreign language, fine arts, business, career-technical 1783
education, family and consumer sciences, technology, 1784
agricultural education, a junior reserve officer training corps 1785
(JROTC) program approved by the congress of the United States 1786
under title 10 of the United States Code, or English language 1787
arts, mathematics, science, or social studies courses not 1788
otherwise required under division (C) of this section. 1789

Ohioans must be prepared to apply increased knowledge and 1790
skills in the workplace and to adapt their knowledge and skills 1791
quickly to meet the rapidly changing conditions of the twenty- 1792
first century. National studies indicate that all high school 1793
graduates need the same academic foundation, regardless of the 1794
opportunities they pursue after graduation. The goal of Ohio's 1795
system of elementary and secondary education is to prepare all 1796
students for and seamlessly connect all students to success in 1797

life beyond high school graduation, regardless of whether the 1798
next step is entering the workforce, beginning an 1799
apprenticeship, engaging in post-secondary training, serving in 1800
the military, or pursuing a college degree. 1801

The requirements for graduation prescribed in division (C) 1802
of this section are the standard expectation for all students 1803
entering ninth grade for the first time at a public or chartered 1804
nonpublic high school on or after July 1, 2010. A student may 1805
satisfy this expectation through a variety of methods, 1806
including, but not limited to, integrated, applied, career- 1807
technical, and traditional coursework. 1808

Whereas teacher quality is essential for student success 1809
when completing the requirements for graduation, the general 1810
assembly shall appropriate funds for strategic initiatives 1811
designed to strengthen schools' capacities to hire and retain 1812
highly qualified teachers in the subject areas required by the 1813
curriculum. Such initiatives are expected to require an 1814
investment of \$120,000,000 over five years. 1815

Stronger coordination between high schools and 1816
institutions of higher education is necessary to prepare 1817
students for more challenging academic endeavors and to lessen 1818
the need for academic remediation in college, thereby reducing 1819
the costs of higher education for Ohio's students, families, and 1820
the state. The state board and the chancellor of higher 1821
education shall develop policies to ensure that only in rare 1822
instances will students who complete the requirements for 1823
graduation prescribed in division (C) of this section require 1824
academic remediation after high school. 1825

School districts, community schools, and chartered 1826
nonpublic schools shall integrate technology into learning 1827

experiences across the curriculum in order to maximize 1828
efficiency, enhance learning, and prepare students for success 1829
in the technology-driven twenty-first century. Districts and 1830
schools shall use distance and web-based course delivery as a 1831
method of providing or augmenting all instruction required under 1832
this division, including laboratory experience in science. 1833
Districts and schools shall utilize technology access and 1834
electronic learning opportunities provided by the broadcast 1835
educational media commission, chancellor, the Ohio learning 1836
network, education technology centers, public television 1837
stations, and other public and private providers. 1838

(D) Except as provided in division (E) of this section, a 1839
student who enters ninth grade on or after July 1, 2010, and 1840
before July 1, 2016, may qualify for graduation from a public or 1841
chartered nonpublic high school even though the student has not 1842
completed the requirements for graduation prescribed in division 1843
(C) of this section if all of the following conditions are 1844
satisfied: 1845

(1) During the student's third year of attending high 1846
school, as determined by the school, the student and the 1847
student's parent, guardian, or custodian sign and file with the 1848
school a written statement asserting the parent's, guardian's, 1849
or custodian's consent to the student's graduating without 1850
completing the requirements for graduation prescribed in 1851
division (C) of this section and acknowledging that one 1852
consequence of not completing those requirements is 1853
ineligibility to enroll in most state universities in Ohio 1854
without further coursework. 1855

(2) The student and parent, guardian, or custodian fulfill 1856
any procedural requirements the school stipulates to ensure the 1857

student's and parent's, guardian's, or custodian's informed 1858
consent and to facilitate orderly filing of statements under 1859
division (D) (1) of this section. Annually, each district or 1860
school shall notify the department of the number of students who 1861
choose to qualify for graduation under division (D) of this 1862
section and the number of students who complete the student's 1863
success plan and graduate from high school. 1864

(3) The student and the student's parent, guardian, or 1865
custodian and a representative of the student's high school 1866
jointly develop a student success plan for the student in the 1867
manner described in division (C) (1) of section 3313.6020 of the 1868
Revised Code that specifies the student matriculating to a two- 1869
year degree program, acquiring a business and industry- 1870
recognized credential, or entering an apprenticeship. 1871

(4) The student's high school provides counseling and 1872
support for the student related to the plan developed under 1873
division (D) (3) of this section during the remainder of the 1874
student's high school experience. 1875

(5) (a) Except as provided in division (D) (5) (b) of this 1876
section, the student successfully completes, at a minimum, the 1877
curriculum prescribed in division (B) of this section. 1878

(b) Beginning with students who enter ninth grade for the 1879
first time on or after July 1, 2014, a student shall be required 1880
to complete successfully, at the minimum, the curriculum 1881
prescribed in division (B) of this section, except as follows: 1882

(i) Mathematics, four units, one unit which shall be one 1883
of the following: 1884

(I) Probability and statistics; 1885

(II) Computer programming; 1886

(III) Applied mathematics or quantitative reasoning;	1887
(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.	1888 1889 1890
(ii) Elective units, five units;	1891
(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.	1892 1893 1894 1895
The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.	1896 1897 1898 1899 1900 1901 1902 1903 1904 1905 1906 1907 1908
(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:	1909 1910 1911 1912 1913 1914 1915

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	1916 1917
(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;	1918 1919 1920 1921 1922 1923
(3) That no exception comparable to that provided in division (D) of this section is available.	1924 1925
(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department, may qualify for graduation from high school by successfully completing a competency-based instructional program administered by the dropout prevention and recovery program in lieu of completing the requirements for graduation prescribed in division (C) of this section. The department shall grant a waiver to a dropout prevention and recovery program, within sixty days after the program applies for the waiver, if the program meets all of the following conditions:	1926 1927 1928 1929 1930 1931 1932 1933 1934 1935
(1) The program serves only students not younger than sixteen years of age and not older than twenty-one years of age.	1936 1937
(2) The program enrolls students who, at the time of their initial enrollment, either, or both, are at least one grade level behind their cohort age groups or experience crises that significantly interfere with their academic progress such that they are prevented from continuing their traditional programs.	1938 1939 1940 1941 1942
(3) The program requires students to attain at least the applicable score designated for each of the assessments	1943 1944

prescribed under division (B) (1) of section 3301.0710 of the Revised Code or, to the extent prescribed by rule of the state board under division (D) (5) of section 3301.0712 of the Revised Code, division (B) (2) of that section.

(4) The program develops a student success plan for the student in the manner described in division (C) (1) of section 3313.6020 of the Revised Code that specifies the student's matriculating to a two-year degree program, acquiring a business and industry-recognized credential, or entering an apprenticeship.

(5) The program provides counseling and support for the student related to the plan developed under division (F) (4) of this section during the remainder of the student's high school experience.

(6) The program requires the student and the student's parent, guardian, or custodian to sign and file, in accordance with procedural requirements stipulated by the program, a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework.

(7) Prior to receiving the waiver, the program has submitted to the department an instructional plan that demonstrates how the academic content standards adopted by the state board under section 3301.079 of the Revised Code will be taught and assessed.

(8) Prior to receiving the waiver, the program has 1974
submitted to the department a policy on career advising that 1975
satisfies the requirements of section 3313.6020 of the Revised 1976
Code, with an emphasis on how every student will receive career 1977
advising. 1978

(9) Prior to receiving the waiver, the program has 1979
submitted to the department a written agreement outlining the 1980
future cooperation between the program and any combination of 1981
local job training, postsecondary education, nonprofit, and 1982
health and social service organizations to provide services for 1983
students in the program and their families. 1984

Divisions (F) (8) and (9) of this section apply only to 1985
waivers granted on or after July 1, 2015. 1986

If the department does not act either to grant the waiver 1987
or to reject the program application for the waiver within sixty 1988
days as required under this section, the waiver shall be 1989
considered to be granted. 1990

(G) Every high school may permit students below the ninth 1991
grade to take advanced work. If a high school so permits, it 1992
shall award high school credit for successful completion of the 1993
advanced work and shall count such advanced work toward the 1994
graduation requirements of division (B) or (C) of this section 1995
if the advanced work was both: 1996

(1) Taught by a person who possesses a license or 1997
certificate issued under section 3301.071, 3319.22, or 3319.222 1998
of the Revised Code that is valid for teaching high school; 1999

(2) Designated by the board of education of the city, 2000
local, or exempted village school district, the board of the 2001
cooperative education school district, or the governing 2002

authority of the chartered nonpublic school as meeting the high school curriculum requirements. 2003
2004

Each high school shall record on the student's high school transcript all high school credit awarded under division (G) of this section. In addition, if the student completed a seventh- or eighth-grade fine arts course described in division (K) of this section and the course qualified for high school credit under that division, the high school shall record that course on the student's high school transcript. 2005
2006
2007
2008
2009
2010
2011

(H) The department shall make its individual academic career plan available through its Ohio career information system web site for districts and schools to use as a tool for communicating with and providing guidance to students and families in selecting high school courses. 2012
2013
2014
2015
2016

(I) A school district or chartered nonpublic school may integrate academic content in a subject area for which the state board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned in English language arts, mathematics, science, and social studies that are for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section. 2017
2018
2019
2020
2021
2022
2023
2024
2025
2026
2027
2028
2029

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered 2030
2031
2032

through integrated instruction, the school district or school 2033
may administer the related subject area examinations upon the 2034
student's completion of the integrated course. 2035

Nothing in division (I) of this section shall be construed 2036
to excuse any school district, chartered nonpublic school, or 2037
student from any requirement in the Revised Code related to 2038
curriculum, assessments, or the awarding of a high school 2039
diploma. 2040

(J) (1) The state board, in consultation with the 2041
chancellor, shall adopt a statewide plan implementing methods 2042
for students to earn units of high school credit based on a 2043
demonstration of subject area competency, instead of or in 2044
combination with completing hours of classroom instruction. The 2045
state board shall adopt the plan not later than March 31, 2009, 2046
and commence phasing in the plan during the 2009-2010 school 2047
year. The plan shall include a standard method for recording 2048
demonstrated proficiency on high school transcripts. Each school 2049
district and community school shall comply with the state 2050
board's plan adopted under this division and award units of high 2051
school credit in accordance with the plan. The state board may 2052
adopt existing methods for earning high school credit based on a 2053
demonstration of subject area competency as necessary prior to 2054
the 2009-2010 school year. 2055

(2) Not later than December 31, 2015, the state board 2056
shall update the statewide plan adopted pursuant to division (J) 2057
(1) of this section to also include methods for students 2058
enrolled in seventh and eighth grade to meet curriculum 2059
requirements based on a demonstration of subject area 2060
competency, instead of or in combination with completing hours 2061
of classroom instruction. Beginning with the 2017-2018 school 2062

year, each school district and community school also shall 2063
comply with the updated plan adopted pursuant to this division 2064
and permit students enrolled in seventh and eighth grade to meet 2065
curriculum requirements based on subject area competency in 2066
accordance with the plan. 2067

(3) Not later than December 31, 2017, the department shall 2068
develop a framework for school districts and community schools 2069
to use in granting units of high school credit to students who 2070
demonstrate subject area competency through work-based learning 2071
experiences, internships, or cooperative education. Beginning 2072
with the 2018-2019 school year, each district and community 2073
school shall comply with the framework. Each district and 2074
community school also shall review any policy it has adopted 2075
regarding the demonstration of subject area competency to 2076
identify ways to incorporate work-based learning experiences, 2077
internships, and cooperative education into the policy in order 2078
to increase student engagement and opportunities to earn units 2079
of high school credit. 2080

(K) This division does not apply to students who qualify 2081
for graduation from high school under division (D) or (F) of 2082
this section, or to students pursuing a career-technical 2083
instructional track as determined by the school district board 2084
of education or the chartered nonpublic school's governing 2085
authority. Nevertheless, the general assembly encourages such 2086
students to consider enrolling in a fine arts course as an 2087
elective. 2088

Beginning with students who enter ninth grade for the 2089
first time on or after July 1, 2010, each student enrolled in a 2090
public or chartered nonpublic high school shall complete two 2091
semesters or the equivalent of fine arts to graduate from high 2092

school. The coursework may be completed in any of grades seven 2093
to twelve. Each student who completes a fine arts course in 2094
grade seven or eight may elect to count that course toward the 2095
five units of electives required for graduation under division 2096
(C) (8) of this section, if the course satisfied the requirements 2097
of division (G) of this section. In that case, the high school 2098
shall award the student high school credit for the course and 2099
count the course toward the five units required under division 2100
(C) (8) of this section. If the course in grade seven or eight 2101
did not satisfy the requirements of division (G) of this 2102
section, the high school shall not award the student high school 2103
credit for the course but shall count the course toward the two 2104
semesters or the equivalent of fine arts required by this 2105
division. 2106

(L) Notwithstanding anything to the contrary in this 2107
section, the board of education of each school district and the 2108
governing authority of each chartered nonpublic school may adopt 2109
a policy to excuse from the high school physical education 2110
requirement each student who, during high school, has 2111
participated in interscholastic athletics, marching band, or 2112
cheerleading for at least two full seasons or in the junior 2113
reserve officer training corps for at least two full school 2114
years. If the board or authority adopts such a policy, the board 2115
or authority shall not require the student to complete any 2116
physical education course as a condition to graduate. However, 2117
the student shall be required to complete one-half unit, 2118
consisting of at least sixty hours of instruction, in another 2119
course of study. In the case of a student who has participated 2120
in the junior reserve officer training corps for at least two 2121
full school years, credit received for that participation may be 2122
used to satisfy the requirement to complete one-half unit in 2123

another course of study. 2124

(M) It is important that high school students learn and 2125
understand United States history and the governments of both the 2126
United States and the state of Ohio. Therefore, beginning with 2127
students who enter ninth grade for the first time on or after 2128
July 1, 2012, the study of American history and American 2129
government required by divisions (B) (6) and (C) (6) of this 2130
section shall include the study of all of the following 2131
documents: 2132

(1) The Declaration of Independence; 2133

(2) The Northwest Ordinance; 2134

(3) The Constitution of the United States with emphasis on 2135
the Bill of Rights; 2136

(4) The Ohio Constitution. 2137

The study of each of the documents prescribed in divisions 2138
(M) (1) to (4) of this section shall include study of that 2139
document in its original context. 2140

The study of American history and government required by 2141
divisions (B) (6) and (C) (6) of this section shall include the 2142
historical evidence of the role of documents such as the 2143
Federalist Papers and the Anti-Federalist Papers to firmly 2144
establish the historical background leading to the establishment 2145
of the provisions of the Constitution and Bill of Rights. 2146

Sec. 3313.618. (A) In addition to the applicable 2147
curriculum requirements, each student entering ninth grade for 2148
the first time on or after July 1, 2014, shall satisfy at least 2149
one of the following conditions in order to qualify for a high 2150
school diploma: 2151

(1) Be remediation-free, in accordance with standards 2152
adopted under division (F) of section 3345.061 of the Revised 2153
Code, on each of the nationally standardized assessments in 2154
English, mathematics, and reading; 2155

(2) Attain a score specified under division (B) (5) (c) of 2156
section 3301.0712 of the Revised Code on the end-of-course 2157
examinations prescribed under division (B) of section 3301.0712 2158
of the Revised Code. 2159

(3) Attain a score that demonstrates workforce readiness 2160
and employability on a nationally recognized job skills 2161
assessment selected by the state board of education under 2162
division (G) of section 3301.0712 of the Revised Code and obtain 2163
either an industry-recognized credential, as described under 2164
division (B) (2) (d) of section 3302.03 of the Revised Code, or a 2165
license issued by a state agency or board for practice in a 2166
vocation that requires an examination for issuance of that 2167
license. 2168

The state board shall approve the industry-recognized 2169
credentials and licenses that may qualify a student for a high 2170
school diploma under division (A) (3) of this section. 2171

A student may choose to qualify for a high school diploma 2172
by satisfying any of the separate requirements prescribed by 2173
divisions (A) (1) to (3) of this section. If the student's school 2174
district or school does not administer the examination 2175
prescribed by one of those divisions that the student chooses to 2176
take to satisfy the requirements of this section, the school 2177
district or school may require that student to arrange for the 2178
applicable scores to be sent directly to the district or school 2179
by the company or organization that administers the examination. 2180

(B) The state board of education shall not create or 2181
require any additional assessment for the granting of any type 2182
of high school diploma other than as prescribed by this section. 2183
Except as provided in ~~section~~ sections 3313.6111 and 3313.6112 2184
of the Revised Code, the state board or the superintendent of 2185
public instruction shall not create any endorsement or 2186
designation that may be affiliated with a high school diploma. 2187

Sec. 3313.6110. (A) A person who has completed the final 2188
year of instruction at home, as authorized under section 3321.04 2189
of the Revised Code, and has successfully fulfilled the high 2190
school curriculum applicable to that person may be granted a 2191
high school diploma by the person's parent, guardian, or other 2192
person having charge or care of a child, as defined in division 2193
(A) (1) of section 3321.01 of the Revised Code. 2194

(B) Beginning with diplomas issued on or after July 1, 2195

forty-five calendar days following the last day the individual 3011
worked. In the event the individual is not recalled within the 3012
specified period, this waiver shall cease to be operative with 3013
respect to that layoff. 3014

(iii) The director may waive the requirement that a 3015

claimant be actively seeking work if the director determines 3016
that the individual has been laid off and the employer who laid 3017
the individual off has notified the director in accordance with 3018
division (C) of section 4141.28 of the Revised Code that the 3019
employer has closed the employer's entire plant or part of the 3020
employer's plant for a purpose other than inventory or vacation 3021
that will cause unemployment for a definite period not exceeding 3022
twenty-six weeks beginning on the date the employer notifies the 3023
director, for the period of the specific shutdown, if all of the 3024
following apply: 3025

(I) The employer and the individuals affected by the 3026
layoff who are claiming benefits under this chapter jointly 3027
request the exemption. 3028

(II) The employer provides that the affected individuals 3029
shall return to work for the employer within twenty-six weeks 3030
after the date the employer notifies the director. 3031

(III) The director determines that the waiver of the 3032
active search for work requirement will promote productivity and 3033
economic stability within the state. 3034

(iv) Division (A) (4) (a) (iii) of this section does not 3035
exempt an individual from meeting the other requirements 3036
specified in division (A) (4) (a) (i) of this section to be able to 3037
work and otherwise fully be available for work. An exemption 3038
granted under division (A) (4) (a) (iii) of this section may be 3039
granted only with respect to a specific plant closing. 3040

(b) (i) The individual shall be instructed as to the 3041
efforts that the individual must make in the search for suitable 3042
work, including that, within six months after October 11, 2013, 3043
the individual shall register with the OhioMeansJobs web site, 3044

except in any of the following circumstances: 3045

(I) The individual is an individual described in division 3046
(A) (4) (b) (iii) of this section; 3047

(II) Where the active search for work requirement has been 3048
waived under division (A) (4) (a) of this section; 3049

(III) Where the active search for work requirement is 3050
considered to be met under division (A) (4) (c), (d), or (e) of 3051
this section. 3052

(ii) An individual who is registered with the 3053
OhioMeansJobs web site shall receive a weekly listing of 3054
available jobs based on information provided by the individual 3055
at the time of registration. For each week that the individual 3056
claims benefits, the individual shall keep a record of the 3057
individual's work search efforts and shall produce that record 3058
in the manner and means prescribed by the director. 3059

(iii) No individual shall be required to register with the 3060
OhioMeansJobs web site if the individual is legally prohibited 3061
from using a computer, has a physical or visual impairment that 3062
makes the individual unable to use a computer, or has a limited 3063
ability to read, write, speak, or understand a language in which 3064
the OhioMeansJobs web site is available. 3065

(iv) As used in division (A) (4) (b) of this section: 3066

(I) "OhioMeansJobs web site" ~~means the electronic job~~ 3067
~~placement system operated by the state~~ has the same meaning as 3068
in section 6301.01 of the Revised Code. 3069

(II) "Registration" includes the creation, electronic 3070
posting, and maintenance of an active, searchable resume. 3071

(c) An individual who is attending a training course 3072

approved by the director meets the requirement of this division, 3073
if attendance was recommended by the director and the individual 3074
is regularly attending the course and is making satisfactory 3075
progress. An individual also meets the requirements of this 3076
division if the individual is participating and advancing in a 3077
training program, as defined in division (P) of section 5709.61 3078
of the Revised Code, and if an enterprise, defined in division 3079
(B) of section 5709.61 of the Revised Code, is paying all or 3080
part of the cost of the individual's participation in the 3081
training program with the intention of hiring the individual for 3082
employment as a new employee, as defined in division (L) of 3083
section 5709.61 of the Revised Code, for at least ninety days 3084
after the individual's completion of the training program. 3085

(d) An individual who becomes unemployed while attending a 3086
regularly established school and whose base period qualifying 3087
weeks were earned in whole or in part while attending that 3088
school, meets the availability and active search for work 3089
requirements of division (A)(4)(a) of this section if the 3090
individual regularly attends the school during weeks with 3091
respect to which the individual claims unemployment benefits and 3092
makes self available on any shift of hours for suitable 3093
employment with the individual's most recent employer or any 3094
other employer in the individual's base period, or for any other 3095
suitable employment to which the individual is directed, under 3096
this chapter. 3097

(e) An individual who is a member in good standing with a 3098
labor organization that refers individuals to jobs meets the 3099
active search for work requirement specified in division (A)(4) 3100
(a) of this section if the individual provides documentation 3101
that the individual is eligible for a referral or placement upon 3102
request and in a manner prescribed by the director. 3103

(f) Notwithstanding any other provisions of this section, 3104
no otherwise eligible individual shall be denied benefits for 3105
any week because the individual is in training approved under 3106
section 236(a)(1) of the "Trade Act of 1974," 88 Stat. 1978, 19 3107
U.S.C.A. 2296, nor shall that individual be denied benefits by 3108
reason of leaving work to enter such training, provided the work 3109
left is not suitable employment, or because of the application 3110
to any week in training of provisions in this chapter, or any 3111
applicable federal unemployment compensation law, relating to 3112
availability for work, active search for work, or refusal to 3113
accept work. 3114

For the purposes of division (A)(4)(f) of this section, 3115
"suitable employment" means with respect to an individual, work 3116
of a substantially equal or higher skill level than the 3117
individual's past adversely affected employment, as defined for 3118
the purposes of the "Trade Act of 1974," 88 Stat. 1978, 19 3119
U.S.C.A. 2101, and wages for such work at not less than eighty 3120
per cent of the individual's average weekly wage as determined 3121
for the purposes of that federal act. 3122

is provided temporary work assignments by the individual's 3124
employer under agreed terms and conditions of employment, and 3125
who is required pursuant to those terms and conditions to 3126
inquire with the individual's employer for available work 3127
assignments upon the conclusion of each work assignment, is not 3128
considered unable to obtain suitable employment if suitable work 3129
assignments are available with the employer but the individual 3130
fails to contact the employer to inquire about work assignments. 3131

(6) Participates in reemployment services, such as job 3132
search assistance services, if the individual has been 3133

determined to be likely to exhaust benefits under this chapter, 3134
including compensation payable pursuant to 5 U.S.C.A. Chapter 3135
85, other than extended compensation, and needs reemployment 3136
services pursuant to the profiling system established by the 3137
director under division (K) of this section, unless the director 3138
determines that: 3139

(a) The individual has completed such services; or 3140

(b) There is justifiable cause for the claimant's failure 3141
to participate in such services. 3142

Ineligibility for failure to participate in reemployment 3143
services as described in division (A)(6) of this section shall 3144
be for the week or weeks in which the claimant was scheduled and 3145
failed to participate without justifiable cause. 3146

(7) Participates in the reemployment and eligibility 3147
assessment program, or other reemployment services, as required 3148
by the director. As used in division (A)(7) of this section, 3149
"reemployment services" includes job search assistance 3150
activities, skills assessments, and the provision of labor 3151
market statistics or analysis. 3152

(a) For purposes of division (A)(7) of this section, 3153
participation is required unless the director determines that 3154
either of the following circumstances applies to the individual: 3155

(i) The individual has completed similar services. 3156

(ii) Justifiable cause exists for the failure of the 3157
individual to participate in those services. 3158

(b) Within six months after October 11, 2013, 3159
notwithstanding any earlier contact an individual may have had 3160
with a local ~~one-stop county office~~ OhioMeansJobs center, 3161

~~including as described defined~~ in section ~~6301.08~~ 6301.01 of the 3162
Revised Code, beginning with the eighth week after the week 3163
during which an individual first files a valid application for 3164
determination of benefit rights in the individual's benefit 3165
year, the individual shall report to a local ~~one stop county~~ 3166
~~office~~ OhioMeansJobs center for reemployment services in the 3167
manner prescribed by the director. 3168

(c) An individual whose active search for work requirement 3169
has been waived under division (A) (4) (a) of this section or is 3170
considered to be satisfied under division (A) (4) (c), (d), or (e) 3171
of this section is exempt from the requirements of division (A) 3172
(7) of this section. 3173

(B) An individual suffering total or partial unemployment 3174
is eligible for benefits for unemployment occurring subsequent 3175
to a waiting period of one week and no benefits shall be payable 3176
during this required waiting period. Not more than one week of 3177
waiting period shall be required of any individual in any 3178
benefit year in order to establish the individual's eligibility 3179
for total or partial unemployment benefits. 3180

(C) The waiting period for total or partial unemployment 3181
shall commence on the first day of the first week with respect 3182
to which the individual first files a claim for benefits at an 3183
employment office or other place of registration maintained or 3184
designated by the director or on the first day of the first week 3185
with respect to which the individual has otherwise filed a claim 3186
for benefits in accordance with the rules of the department of 3187
job and family services, provided such claim is allowed by the 3188
director. 3189

(D) Notwithstanding division (A) of this section, no 3190
individual may serve a waiting period or be paid benefits under 3191

the following conditions: 3192

(1) For any week with respect to which the director finds 3193
that: 3194

(a) The individual's unemployment was due to a labor 3195
dispute other than a lockout at any factory, establishment, or 3196
other premises located in this or any other state and owned or 3197
operated by the employer by which the individual is or was last 3198
employed; and for so long as the individual's unemployment is 3199
due to such labor dispute. No individual shall be disqualified 3200
under this provision if either of the following applies: 3201

(i) The individual's employment was with such employer at 3202
any factory, establishment, or premises located in this state, 3203
owned or operated by such employer, other than the factory, 3204
establishment, or premises at which the labor dispute exists, if 3205
it is shown that the individual is not financing, participating 3206
in, or directly interested in such labor dispute; 3207

(ii) The individual's employment was with an employer not 3208
involved in the labor dispute but whose place of business was 3209
located within the same premises as the employer engaged in the 3210
dispute, unless the individual's employer is a wholly owned 3211
subsidiary of the employer engaged in the dispute, or unless the 3212
individual actively participates in or voluntarily stops work 3213
because of such dispute. If it is established that the claimant 3214
was laid off for an indefinite period and not recalled to work 3215
prior to the dispute, or was separated by the employer prior to 3216
the dispute for reasons other than the labor dispute, or that 3217
the individual obtained a bona fide job with another employer 3218
while the dispute was still in progress, such labor dispute 3219
shall not render the employee ineligible for benefits. 3220

(b) The individual has been given a disciplinary layoff	3221
for misconduct in connection with the individual's work.	3222
(2) For the duration of the individual's unemployment if	3223
the director finds that:	3224
(a) The individual quit work without just cause or has	3225
been discharged for just cause in connection with the	3226
individual's work, provided division (D) (2) of this section does	3227
not apply to the separation of a person under any of the	3228
following circumstances:	3229
(i) Separation from employment for the purpose of entering	3230
the armed forces of the United States if the individual is	3231
inducted into the armed forces within one of the following	3232
periods:	3233
(I) Thirty days after separation;	3234
(II) One hundred eighty days after separation if the	3235
individual's date of induction is delayed solely at the	3236
discretion of the armed forces.	3237
(ii) Separation from employment pursuant to a labor-	3238
management contract or agreement, or pursuant to an established	3239
employer plan, program, or policy, which permits the employee,	3240
because of lack of work, to accept a separation from employment;	3241
(iii) The individual has left employment to accept a	3242
recall from a prior employer or, except as provided in division	3243
(D) (2) (a) (iv) of this section, to accept other employment as	3244
provided under section 4141.291 of the Revised Code, or left or	3245
was separated from employment that was concurrent employment at	3246
the time of the most recent separation or within six weeks prior	3247
to the most recent separation where the remuneration, hours, or	3248
other conditions of such concurrent employment were	3249

substantially less favorable than the individual's most recent 3250
employment and where such employment, if offered as new work, 3251
would be considered not suitable under the provisions of 3252
divisions (E) and (F) of this section. Any benefits that would 3253
otherwise be chargeable to the account of the employer from whom 3254
an individual has left employment or was separated from 3255
employment that was concurrent employment under conditions 3256
described in division (D) (2) (a) (iii) of this section, shall 3257
instead be charged to the mutualized account created by division 3258
(B) of section 4141.25 of the Revised Code, except that any 3259
benefits chargeable to the account of a reimbursing employer 3260
under division (D) (2) (a) (iii) of this section shall be charged 3261
to the account of the reimbursing employer and not to the 3262
mutualized account, except as provided in division (D) (2) of 3263
section 4141.24 of the Revised Code. 3264

(iv) When an individual has been issued a definite layoff 3265
date by the individual's employer and before the layoff date, 3266
the individual quits to accept other employment, the provisions 3267
of division (D) (2) (a) (iii) of this section apply and no 3268
disqualification shall be imposed under division (D) of this 3269
section. However, if the individual fails to meet the employment 3270
and earnings requirements of division (A) (2) of section 4141.291 3271
of the Revised Code, then the individual, pursuant to division 3272
(A) (5) of this section, shall be ineligible for benefits for any 3273
week of unemployment that occurs prior to the layoff date. 3274

(b) The individual has refused without good cause to 3275
accept an offer of suitable work when made by an employer either 3276
in person or to the individual's last known address, or has 3277
refused or failed to investigate a referral to suitable work 3278
when directed to do so by a local employment office of this 3279
state or another state, provided that this division shall not 3280

cause a disqualification for a waiting week or benefits under 3281
the following circumstances: 3282

(i) When work is offered by the individual's employer and 3283
the individual is not required to accept the offer pursuant to 3284
the terms of the labor-management contract or agreement; or 3285

(ii) When the individual is attending a training course 3286
pursuant to division (A) (4) of this section except, in the event 3287
of a refusal to accept an offer of suitable work or a refusal or 3288
failure to investigate a referral, benefits thereafter paid to 3289
such individual shall not be charged to the account of any 3290
employer and, except as provided in division (B) (1) (b) of 3291
section 4141.241 of the Revised Code, shall be charged to the 3292
mutualized account as provided in division (B) of section 3293
4141.25 of the Revised Code. 3294

(c) Such individual quit work to marry or because of 3295
marital, parental, filial, or other domestic obligations. 3296

(d) The individual became unemployed by reason of 3297
commitment to any correctional institution. 3298

(e) The individual became unemployed because of dishonesty 3299
in connection with the individual's most recent or any base 3300
period work. Remuneration earned in such work shall be excluded 3301
from the individual's total base period remuneration and 3302
qualifying weeks that otherwise would be credited to the 3303
individual for such work in the individual's base period shall 3304
not be credited for the purpose of determining the total 3305
benefits to which the individual is eligible and the weekly 3306
benefit amount to be paid under section 4141.30 of the Revised 3307
Code. Such excluded remuneration and noncredited qualifying 3308
weeks shall be excluded from the calculation of the maximum 3309

amount to be charged, under division (D) of section 4141.24 and 3310
section 4141.33 of the Revised Code, against the accounts of the 3311
individual's base period employers. In addition, no benefits 3312
shall thereafter be paid to the individual based upon such 3313
excluded remuneration or noncredited qualifying weeks. 3314

For purposes of division (D)(2)(e) of this section, 3315
"dishonesty" means the commission of substantive theft, fraud, 3316
or deceitful acts. 3317

(E) No individual otherwise qualified to receive benefits 3318
shall lose the right to benefits by reason of a refusal to 3319
accept new work if: 3320

(1) As a condition of being so employed the individual 3321
would be required to join a company union, or to resign from or 3322
refrain from joining any bona fide labor organization, or would 3323
be denied the right to retain membership in and observe the 3324
lawful rules of any such organization. 3325

(2) The position offered is vacant due directly to a 3326
strike, lockout, or other labor dispute. 3327

(3) The work is at an unreasonable distance from the 3328
individual's residence, having regard to the character of the 3329
work the individual has been accustomed to do, and travel to the 3330
place of work involves expenses substantially greater than that 3331
required for the individual's former work, unless the expense is 3332
provided for. 3333

(4) The remuneration, hours, or other conditions of the 3334
work offered are substantially less favorable to the individual 3335
than those prevailing for similar work in the locality. 3336

(F) Subject to the special exceptions contained in 3337
division (A)(4)(f) of this section and section 4141.301 of the 3338

Revised Code, in determining whether any work is suitable for a 3339
claimant in the administration of this chapter, the director, in 3340
addition to the determination required under division (E) of 3341
this section, shall consider the degree of risk to the 3342
claimant's health, safety, and morals, the individual's physical 3343
fitness for the work, the individual's prior training and 3344
experience, the length of the individual's unemployment, the 3345
distance of the available work from the individual's residence, 3346
and the individual's prospects for obtaining local work. 3347

(G) The "duration of unemployment" as used in this section 3348
means the full period of unemployment next ensuing after a 3349
separation from any base period or subsequent work and until an 3350
individual has become reemployed in employment subject to this 3351
chapter, or the unemployment compensation act of another state, 3352
or of the United States, and until such individual has worked 3353
six weeks and for those weeks has earned or been paid 3354
remuneration equal to six times an average weekly wage of not 3355
less than: eighty-five dollars and ten cents per week beginning 3356
on June 26, 1990; and beginning on and after January 1, 1992, 3357
twenty-seven and one-half per cent of the statewide average 3358
weekly wage as computed each first day of January under division 3359
(B) (3) of section 4141.30 of the Revised Code, rounded down to 3360
the nearest dollar, except for purposes of division (D) (2) (c) of 3361
this section, such term means the full period of unemployment 3362
next ensuing after a separation from such work and until such 3363
individual has become reemployed subject to the terms set forth 3364
above, and has earned wages equal to one-half of the 3365
individual's average weekly wage or sixty dollars, whichever is 3366
less. 3367

(H) If a claimant is disqualified under division (D) (2) 3368
(a), (c), or (d) of this section or found to be qualified under 3369

the exceptions provided in division (D) (2) (a) (i), (iii), or (iv) 3370
of this section or division (A) (2) of section 4141.291 of the 3371
Revised Code, then benefits that may become payable to such 3372
claimant, which are chargeable to the account of the employer 3373
from whom the individual was separated under such conditions, 3374
shall be charged to the mutualized account provided in section 3375
4141.25 of the Revised Code, provided that no charge shall be 3376
made to the mutualized account for benefits chargeable to a 3377
reimbursing employer, except as provided in division (D) (2) of 3378
section 4141.24 of the Revised Code. In the case of a 3379
reimbursing employer, the director shall refund or credit to the 3380
account of the reimbursing employer any over-paid benefits that 3381
are recovered under division (B) of section 4141.35 of the 3382
Revised Code. Amounts chargeable to other states, the United 3383
States, or Canada that are subject to agreements and 3384
arrangements that are established pursuant to section 4141.43 of 3385
the Revised Code shall be credited or reimbursed according to 3386
the agreements and arrangements to which the chargeable amounts 3387
are subject. 3388

(I) (1) Benefits based on service in employment as provided 3389
in divisions (B) (2) (a) and (b) of section 4141.01 of the Revised 3390
Code shall be payable in the same amount, on the same terms, and 3391
subject to the same conditions as benefits payable on the basis 3392
of other service subject to this chapter; except that after 3393
December 31, 1977: 3394

(a) Benefits based on service in an instructional, 3395
research, or principal administrative capacity in an institution 3396
of higher education, as defined in division (Y) of section 3397
4141.01 of the Revised Code; or for an educational institution 3398
as defined in division (CC) of section 4141.01 of the Revised 3399
Code, shall not be paid to any individual for any week of 3400

unemployment that begins during the period between two 3401
successive academic years or terms, or during a similar period 3402
between two regular but not successive terms or during a period 3403
of paid sabbatical leave provided for in the individual's 3404
contract, if the individual performs such services in the first 3405
of those academic years or terms and has a contract or a 3406
reasonable assurance that the individual will perform services 3407
in any such capacity for any such institution in the second of 3408
those academic years or terms. 3409

(b) Benefits based on service for an educational 3410
institution or an institution of higher education in other than 3411
an instructional, research, or principal administrative 3412
capacity, shall not be paid to any individual for any week of 3413
unemployment which begins during the period between two 3414
successive academic years or terms of the employing educational 3415
institution or institution of higher education, provided the 3416
individual performed those services for the educational 3417
institution or institution of higher education during the first 3418
such academic year or term and, there is a reasonable assurance 3419
that such individual will perform those services for any 3420
educational institution or institution of higher education in 3421
the second of such academic years or terms. 3422

If compensation is denied to any individual for any week 3423
under division (I) (1) (b) of this section and the individual was 3424
not offered an opportunity to perform those services for an 3425
institution of higher education or for an educational 3426
institution for the second of such academic years or terms, the 3427
individual is entitled to a retroactive payment of compensation 3428
for each week for which the individual timely filed a claim for 3429
compensation and for which compensation was denied solely by 3430
reason of division (I) (1) (b) of this section. An application for 3431

retroactive benefits shall be timely filed if received by the 3432
director or the director's deputy within or prior to the end of 3433
the fourth full calendar week after the end of the period for 3434
which benefits were denied because of reasonable assurance of 3435
employment. The provision for the payment of retroactive 3436
benefits under division (I)(1)(b) of this section is applicable 3437
to weeks of unemployment beginning on and after November 18, 3438
1983. The provisions under division (I)(1)(b) of this section 3439
shall be retroactive to September 5, 1982, only if, as a 3440
condition for full tax credit against the tax imposed by the 3441
"Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 3442
3301 to 3311, the United States secretary of labor determines 3443

December 31, 1977, benefits shall be denied to any individual 3446
for any week which commences during an established and customary 3447
vacation period or holiday recess, if the individual performs 3448
any services described in divisions (I)(1)(a) and (b) of this 3449
section in the period immediately before the vacation period or 3450
holiday recess, and there is a reasonable assurance that the 3451
individual will perform any such services in the period 3452
immediately following the vacation period or holiday recess. 3453

(d) With respect to any services described in division (I) 3454
(1)(a), (b), or (c) of this section, benefits payable on the 3455
basis of services in any such capacity shall be denied as 3456
specified in division (I)(1)(a), (b), or (c) of this section to 3457
any individual who performs such services in an educational 3458
institution or institution of higher education while in the 3459

institution or institution of higher education that the claimant 3478
has a contract for, or a reasonable assurance of, reemployment 3479
for the ensuing academic year or term. 3480

(3) If an individual has employment with an educational 3481
institution or an institution of higher education and employment 3482
with a noneducational employer, during the base period of the 3483
individual's benefit year, then the individual may become 3484
eligible for benefits during the between-term, or vacation or 3485
holiday recess, disqualification period, based on employment 3486
performed for the noneducational employer, provided that the 3487
employment is sufficient to qualify the individual for benefit 3488
rights separately from the benefit rights based on school 3489
employment. The weekly benefit amount and maximum benefits 3490
payable during a disqualification period shall be computed based 3491
solely on the nonschool employment. 3492

(J) Benefits shall not be paid on the basis of employment 3493
performed by an alien, unless the alien had been lawfully 3494
admitted to the United States for permanent residence at the 3495

benefits would otherwise be approved, no determination that 3507
benefits to the individual are not payable because of the 3508
individual's alien status shall be made except upon a 3509
preponderance of the evidence that the individual had not, in 3510
fact, been lawfully admitted to the United States. 3511

(K) The director shall establish and utilize a system of 3512
profiling all new claimants under this chapter that: 3513

(1) Identifies which claimants will be likely to exhaust 3514
regular compensation and will need job search assistance 3515
services to make a successful transition to new employment; 3516

(2) Refers claimants identified pursuant to division (K) 3517
(1) of this section to reemployment services, such as job search 3518
assistance services, available under any state or federal law; 3519

(3) Collects follow-up information relating to the 3520
services received by such claimants and the employment outcomes 3521

for such claimant's subsequent to receiving such services and 3522
utilizes such information in making identifications pursuant to 3523
division (K) (1) of this section; and 3524

(4) Meets such other requirements as the United States 3525
secretary of labor determines are appropriate. 3526

(L) Except as otherwise provided in division (A) (6) of 3527
this section, ineligibility pursuant to division (A) of this 3528

claimant becomes ineligible for benefits and shall end on the 3530
last day of the week preceding the week in which the claimant 3531
satisfies the eligibility requirements. 3532

(M) The director may adopt rules that the director 3533
considers necessary for the administration of division (A) of 3534
this section. 3535

may cooperate with the industrial commission, the bureau of 3537
workers' compensation, the United States internal revenue 3538
service, the United States employment service, and other similar 3539
departments and agencies, as determined by the director, in the 3540
exchange or disclosure of information as to wages, employment, 3541
payrolls, unemployment, and other information. The director may 3542
employ, jointly with one or more of such agencies or 3543
departments, auditors, examiners, inspectors, and other 3544
employees necessary for the administration of this chapter and 3545
employment and training services for workers in the state. 3546

(B) The director may make the state's record relating to 3547
the administration of this chapter available to the railroad 3548
retirement board and may furnish the board at the board's 3549
expense such copies thereof as the board deems necessary for its 3550

purposes. 3551

(C) The director may afford reasonable cooperation with 3552
every agency of the United States charged with the 3553
administration of any unemployment compensation law. 3554

(D) The director may enter into arrangements with the 3555
appropriate agencies of other states or of the United States or 3556
Canada whereby individuals performing services in this and other 3557
states for a single employer under circumstances not 3558
specifically provided for in division (B) of section 4141.01 of 3559
the Revised Code or in similar provisions in the unemployment 3560
compensation laws of such other states shall be deemed to be 3561
engaged in employment performed entirely within this state or 3562
within one of such other states or within Canada, and whereby 3563
potential rights to benefits accumulated under the unemployment 3564
compensation laws of several states or under such a law of the 3565
United States, or both, or of Canada may constitute the basis 3566
for the payment of benefits through a single appropriate agency 3567
under terms that the director finds will be fair and reasonable 3568
as to all affected interests and will not result in any 3569
substantial loss to the unemployment compensation fund. 3570

(E) The director may enter into agreements with the 3571
appropriate agencies of other states or of the United States or 3572
Canada: 3573

(1) Whereby services or wages upon the basis of which an 3574
individual may become entitled to benefits under the 3575
unemployment compensation law of another state or of the United 3576
States or Canada shall be deemed to be employment or wages for 3577
employment by employers for the purposes of qualifying claimants 3578
for benefits under this chapter, and the director may estimate 3579
the number of weeks of employment represented by the wages 3580

reported to the director for such claimants by such other 3581
agency, provided such other state agency or agency of the United 3582
States or Canada has agreed to reimburse the unemployment 3583
compensation fund for such portion of benefits paid under this 3584
chapter upon the basis of such services or wages as the director 3585
finds will be fair and reasonable as to all affected interests; 3586

(2) Whereby the director will reimburse other state or 3587
federal or Canadian agencies charged with the administration of 3588
unemployment compensation laws with such reasonable portion of 3589
benefits, paid under the law of such other states or of the 3590
United States or of Canada upon the basis of employment or wages 3591
for employment by employers, as the director finds will be fair 3592
and reasonable as to all affected interests. Reimbursements so 3593
payable shall be deemed to be benefits for the purpose of 3594
section 4141.09 and division (A) of section 4141.30 of the 3595
Revised Code. However, no reimbursement so payable shall be 3596
charged against any employer's account for the purposes of 3597
section 4141.24 of the Revised Code if the employer's account, 3598
under the same or similar circumstances, with respect to 3599
benefits charged under the provisions of this chapter, other 3600
than this section, would not be charged or, if the claimant at 3601
the time the claimant files the combined wage claim cannot 3602
establish benefit rights under this chapter. This noncharging 3603
shall not be applicable to a nonprofit organization that has 3604
elected to make payments in lieu of contributions under section 3605
4141.241 of the Revised Code, except as provided in division (D) 3606
(2) of section 4141.24 of the Revised Code. The director may 3607
make to other state or federal or Canadian agencies and receive 3608
from such other state or federal or Canadian agencies 3609
reimbursements from or to the unemployment compensation fund, in 3610
accordance with arrangements pursuant to this section. 3611

(3) Notwithstanding division (B) (2) (f) of section 4141.01 3612
of the Revised Code, the director may enter into agreements with 3613
other states whereby services performed for a crew leader, as 3614
defined in division (BB) of section 4141.01 of the Revised Code, 3615
may be covered in the state in which the crew leader either: 3616

(a) Has the crew leader's place of business or from which 3617
the crew leader's business is operated or controlled; 3618

(b) Resides if the crew leader has no place of business in 3619
any state. 3620

(F) The director may apply for an advance to the 3621
unemployment compensation fund and do all things necessary or 3622
required to obtain such advance and arrange for the repayment of 3623
such advance in accordance with Title XII of the "Social 3624
Security Act" as amended. 3625

(G) The director may enter into reciprocal agreements or 3626
arrangements with the appropriate agencies of other states in 3627
regard to services on vessels engaged in interstate or foreign 3628
commerce whereby such services for a single employer, wherever 3629
performed, shall be deemed performed within this state or within 3630
such other states. 3631

(H) The director shall participate in any arrangements for 3632
the payment of compensation on the basis of combining an 3633
individual's wages and employment, covered under this chapter, 3634
with the individual's wages and employment covered under the 3635
unemployment compensation laws of other states which are 3636
approved by the United States secretary of labor in consultation 3637
with the state unemployment compensation agencies as reasonably 3638
calculated to assure the prompt and full payment of compensation 3639
in such situations and which include provisions for: 3640

(1) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment compensation laws, and

(2) Avoiding the duplicate use of wages and employment by reason of such combining.

(I) The director shall cooperate with the United States department of labor to the fullest extent consistent with this chapter, and shall take such action, through the adoption of appropriate rules, regulations, and administrative methods and standards, as may be necessary to secure to this state and its citizens all advantages available under the provisions of the "Social Security Act" that relate to unemployment compensation, the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 113, 29 U.S.C.A. 49, ~~and the "Federal-State Extended Unemployment Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the "Workforce Investment Act of 1998," 112 Stat. 936, 29 U.S.C.A. 2801 et seq.~~ "Workforce Innovation and Opportunity Act," 29 U.S.C.A. 3101 et seq.

reporting agency will pay to the bureau all costs associated 3674
with the disclosure. 3675

The director shall prescribe a manner and format in which 3676
this information may be provided. 3677

(K) The director shall adopt rules defining the 3678
requirements of the release of individual income verification 3679
information specified in division (J) of this section, which 3680
shall include all terms and conditions necessary to meet the 3681

April of that year, to the director of development, on a form 4351
prescribed by the director, for a tax incentive qualification 4352
certificate. The enterprise qualifies for an initial certificate 4353

preceding that in which application is made, it satisfies all of 4355
the following requirements: 4356

(2) The enterprise has hired new employees to fill 4360
nonretail positions at the facility, at least twenty-five per 4361

(e) Residents for at least one year of a zone located in 4381
the county in which the enterprise's project site is located. 4382

The director of development shall, by rule, establish 4383

at a facility. 4385

(3) The average number of positions attributable to the 4386
enterprise in the municipal corporation during the calendar year 4387

enterprise in the municipal corporation during the calendar year 4390
immediately preceding the first year the enterprise satisfies 4391
the requirements set forth in divisions (A) (1) and (2) of this 4392
section. If the enterprise is engaged in a business which, 4393
because of its seasonal nature, customarily enables the 4394

enterprise to operate at full capacity only during regularly 4395

an enterprise has closed or reduced employment at a place of 4413
business in that municipal corporation or county for the primary 4414
purpose of establishing, expanding, renovating, or occupying a 4415
facility in a zone may appeal to the director to determine 4416
whether the enterprise has done so. Upon receiving such an 4417
appeal, the director shall investigate the allegations and make 4418
such a determination before issuing an initial or renewal tax 4419
incentive qualification certificate under this section. 4420

Within sixty days after receiving an application under 4421
this division, the director shall review, investigate, and 4422
verify the application and determine whether the enterprise 4423
qualifies for a certificate. The application shall include an 4424
affidavit executed by the applicant verifying that the 4425

enterprise satisfies the requirements of division (A) (2) of this 4426
section, and shall contain such information and documents as the 4427
director requires, by rule, to ascertain whether the enterprise 4428
qualifies for a certificate. If the director finds the 4429
enterprise qualified, the director shall issue a tax incentive 4430
qualification certificate, which shall bear as its date of 4431
issuance the thirtieth day of June of the year of application, 4432
and shall state that the applicant is entitled to receive, for 4433
the taxable year that includes the certificate's date of 4434
issuance, the tax incentives provided under section 5709.65 of 4435
the Revised Code with regard to the facility to which the 4436
certificate applies. If an enterprise is issued an initial 4437
certificate, it may apply, on or before the thirtieth day of 4438
April of each succeeding calendar year for which it has been 4439
granted an incentive under an agreement entered pursuant to 4440
section 5709.62, 5709.63, or 5709.632 of the Revised Code, for a 4441
renewal certificate. Subsequent to its initial certification, 4442
the enterprise qualifies for up to three successive renewal 4443
certificates if, on or before the last day of the calendar year 4444
immediately preceding that in which the application is made, it 4445
satisfies all the requirements of divisions (A) (1) to (4) of 4446
this section, and neither the zone's designation nor the zone's 4447
certification has been revoked prior to the fifteenth day of 4448
June of the year in which the application is made. The 4449
application shall include an affidavit executed by the applicant 4450
verifying that the enterprise satisfies the requirements of 4451
division (A) (2) of this section. An enterprise with ten or more 4452
supervisory personnel at the facility to which a certificate 4453
applies qualifies for any subsequent renewal certificates only 4454
if it meets all of the foregoing requirements and, in addition, 4455
at least ten per cent of those supervisory personnel are 4456
employees who, when first hired by the enterprise, satisfied at 4457

least one of the criteria specified in divisions (A) (2) (a) to 4458
(e) of this section. If the enterprise qualifies, a renewal 4459
certificate shall be issued bearing as its date of issuance the 4460
thirtieth day of June of the year of application. The director 4461
shall send copies of the initial certificate, and each renewal 4462
certificate, by certified mail, to the enterprise, the tax 4463
commissioner, the board of county commissioners, and the chief 4464
executive of the municipal corporation in which the facility to 4465
which the certificate applies is located. 4466

(B) If the director determines that an enterprise is not 4467
qualified for an initial or renewal tax incentive qualification 4468
certificate, the director shall send notice of this 4469
determination, specifying the reasons for it, by certified mail, 4470
to the applicant, the tax commissioner, the board of county 4471
commissioners, and the chief executive of the municipal 4472
corporation in which the facility to which the certificate would 4473
have applied is located. Within thirty days after receiving such 4474
a notice, an enterprise may request, in writing, a hearing 4475
before the director for the purpose of reviewing the application 4476
and the reasons for the determination. Within sixty days after 4477
receiving a request for a hearing, the director shall afford one 4478
and, within thirty days after the hearing, shall issue a 4479
redetermination of the enterprise's qualification for a 4480
certificate. If the enterprise is found to be qualified, the 4481
director shall proceed in the manner provided under division (A) 4482
of this section. If the enterprise is found to be unqualified, 4483
the director shall send notice of this finding, by certified 4484
mail, to the applicant, the tax commissioner, the board of 4485
county commissioners, and the chief executive of the municipal 4486
corporation in which the facility to which the certificate would 4487
have applied is located. The director's redetermination that an 4488

enterprise is unqualified may be appealed to the board of tax 4489
appeals in the manner provided under section 5717.02 of the 4490
Revised Code. 4491
