or neglect that is known or reasonably suspected or believed, as 248
applicable, to have occurred or of the threat of injury, abuse, 249
or neglect that is known or reasonably suspected or believed, as 250
applicable, to exist. 251

(D) (1) Any person, who is required by division (A) of this 252

under division (A) of this section, the health care professional 270
may take any steps that are reasonably necessary for the release 271
or discharge of the child to an appropriate environment. Before 272
the child's release or discharge, the health care professional 273
may obtain information, or consider information obtained, from 274
other entities or individuals that have knowledge about the 275

(E) (1) When a municipal or county peace officer receives a 296
report concerning the possible abuse or neglect of a child or 297
the possible threat of abuse or neglect of a child, upon receipt 298

essential to protect the child from further abuse or neglect. 325
The agency that must be consulted shall be the agency conducting 326
the investigation of the report as determined pursuant to 327
section 2151.422 of the Revised Code. 328

(G) (1) Except as provided in section 2151.422 of the 329

given in a manner that is consistent with division (I) (1) of 348
this section and protects the rights of the person making the 349

the suppression of any evidence obtained as a result of the 354
report and does not give, and shall not be construed as giving, 355
any rights or any grounds for appeal or post-conviction relief 356
to any person. The public children services agency shall report 357

information system that the department of job and family 359
services shall maintain in accordance with section 5101.13 of 360
the Revised Code. The public children services agency shall 361
submit a report of its investigation, in writing, to the law 362

recommendations to the county prosecuting attorney or city 365
director of law that it considers necessary to protect any 366
children that are brought to its attention. 367

a report made pursuant to division (A) of this section or 384
participating in good faith in a proceeding resulting from a 385
report made pursuant to division (B) of this section. 386

(b) Immunity under division (H) (1) (a) (ii) of this section 387
shall not apply when a health care provider has deviated from 388
the standard of care applicable to the provider's profession. 389

(c) Notwithstanding section 4731.22 of the Revised Code, 390
the physician-patient privilege shall not be a ground for 391
excluding evidence regarding a child's injuries, abuse, or 392
neglect, or the cause of the injuries, abuse, or neglect in any 393
judicial proceeding resulting from a report submitted pursuant 394
to this section. 395

(2) In any civil or criminal action or proceeding in which 396

this section, a report made under this section is confidential. 406
The information provided in a report made pursuant to this 407
section and the name of the person who made the report shall not 408

be released for use, and shall not be used, as evidence in any 409
civil action or proceeding brought against the person who made 410
the report. Nothing in this division shall preclude the use of 411
reports of other incidents of known or suspected abuse or 412
neglect in a civil action or proceeding brought pursuant to 413
division (N) of this section against a person who is alleged to 414

the defendant, has been redacted. In a criminal proceeding, the 419

Rules of Criminal Procedure. 422

(2)(a) Except as provided in division (I)(2)(b) of this 423
section, no person shall permit or encourage the unauthorized 424
dissemination of the contents of any report made under this 425
section. 426

(b) A health care professional that obtains the same 427
information contained in a report made under this section from a 428
source other than the report may disseminate the information, if 429
its dissemination is otherwise permitted by law. 430

(3) A person who knowingly makes or causes another person 431
to make a false report under division (B) of this section that 432
alleges that any person has committed an act or omission that 433
resulted in a child being an abused child or a neglected child 434
is guilty of a violation of section 2921.14 of the Revised Code. 435

(4) If a report is made pursuant to division (A) or (B) of 436
this section and the child who is the subject of the report dies 437
for any reason at any time after the report is made, but before 438

the child attains eighteen years of age, the public children 439

the deceased child resided at the time of death or to the 446
director. On the request of the review board or director, the 447
agency or peace officer may, at its discretion, make the report 448
available to the review board or director. If the county served 449
by the public children services agency is also served by a 450
children's advocacy center and the report of alleged sexual 451
abuse of a child or another type of abuse of a child is 452
specified in the memorandum of understanding that creates the 453
center as being within the center's jurisdiction, the agency or 454
center shall perform the duties and functions specified in this 455

the records pertain, the person under whose supervision the test 862
was administered, the custodian of the records, the person who 863

(B) (1) (a) (iii) of this section, a physician, advanced practice 868
registered nurse, or dentist may be compelled to testify or to 869

for wrongful death, other civil action, or claim under Chapter 878
4123. of the Revised Code. 879

(b) If the testimonial privilege described in division (B) 880

certified copy of those results, and, upon its submission, the 886
certified copy is qualified as authentic evidence and may be 887
admitted as evidence in accordance with the Rules of Evidence. 888
Division (A) of section 2317.422 of the Revised Code does not 889
apply to any certified copy of results submitted in accordance 890

to limit the right of any party to call as a witness the person 892
who administered the test in question, the person under whose 893
supervision the test was administered, the custodian of the 894
results of the test, the person who compiled the results, or the 895
person under whose supervision the results were compiled. 896

(4) The testimonial privilege described in division (B) (1) 897
of this section is not waived when a communication is made by a 898
