per year. 92

(b) The health insuring corporation submits a signed 93  
letter from an independent member of the American academy of 94

insuring corporation for the coverage of basic health care 99  
services. 100

(c) The superintendent of insurance makes the following 101  
determinations from the documentation and opinion submitted 102

(ii) The increase in costs reasonably justifies an increase of more than one per cent in the annual premiums or rates charged by the health insuring corporation for the coverage of basic health care services.
