**"Sec. 3503.11. (A)(1)** When any person applies for a driver's license, commercial driver's license, a state of Ohio identification card issued under section 4507.50 of the Revised Code, or motorcycle operator's license or endorsement, or the renewal or duplicate of any license or endorsement under

Chapter 4506. or 4507. of the Revised Code, the registrar of motor vehicles or deputy registrar shall offer the applicant the opportunity to register to vote or to update the applicant's voter registration. The

(2) When a person who is a licensed driver or the holder of a state identification card issued under section 4507.50 of the Revised Code and who appears to be eligible to vote notifies the registrar of motor vehicles of a change in the person's address, either electronically or on a paper form, the registrar shall do one of the following, as applicable:

(a) If the person is registered to vote, submit a notice of change of address on the person's behalf to the board of elections or the secretary of state, as appropriate, unless the person declines to update the person's voter registration.

(b) If the person is not registered to vote, submit a voter registration application on the person's behalf to the board of elections or the secretary of state, as appropriate, unless the person declines to register to vote.

(3) The registrar of motor vehicles or deputy registrar also shall make available to all other customers voter registration applications and change of residence and change of name, forms, but is not required to offer assistance to these customers in completing a voter registration application or other form.

(B) The deputy registrar shall send any registration application or any change of residence or change of name form that was completed and submitted in paper form to the deputy registrar to the board of elections of the county in which the office of the deputy registrar is located, within five days after accepting the application or other form. The registrar shall send any completed registration application received at the bureau of motor vehicles headquarters location and any completed change of residence or change of name form processed electronically in systems or programs operated and maintained by the bureau of motor vehicles to the secretary of state within five days after accepting the application or other form.

(C) The registrar shall collect from each deputy registrar through the reports filed under division (J) of section 4503.03 of the Revised Code and transmit to the secretary of state information on the number of voter registration applications and change of residence or change of name forms completed or declined, and any additional information required by the secretary of state to comply with the National Voter Registration Act of 1993. No information relating to an applicant's decision to decline to register or update the applicant's voter registration at the office of the registrar or deputy registrar may be used for any purpose other than voter registration record-keeping required by the secretary of state, and all such information shall be kept confidential.

(D) The secretary of state shall prescribe voter registration

applications and change of residence and change of name forms for use by the bureau of motor vehicles. The bureau of motor vehicles shall supply all of its deputy registrars with a sufficient number of voter registration applications and change of residence and change of name forms."

Between lines 10863 and 10864, insert:

**"Sec. 4507.09.** (A) Except as provided in division (B) of this section, every driver's license issued to a resident of this state expires on the birthday of the applicant in the fourth year after the date it is issued and every driver's license issued to a temporary resident expires in accordance with rules adopted by the registrar of motor vehicles. In no event shall any license be issued for a period longer than four years and ninety days.

Subject to the requirements of section 4507.12 of the Revised Code, every driver's license issued to a resident is renewable at any time prior to its expiration and any license of a temporary resident is nonrenewable. A nonrenewable license may be replaced with a new license within ninety days prior to its expiration in accordance with division (E) of this section. No refund shall be made or credit given for the unexpired portion of the driver's license that is renewed. The registrar of motor vehicles shall notify each person whose driver's license has expired within forty-five days after the date of expiration. Notification shall be made by regular mail sent to the person's last known address as shown in the records of the bureau of motor vehicles. Failure to provide such notification shall not be construed as a renewal or extension of any license. For the purposes of this section, the date of birth of any applicant born on the twenty-ninth day of February shall be deemed to be the first day of March in any year in which there is no twenty-ninth day of February.

(B) Every driver's license or renewal of a driver's license issued to an applicant who is sixteen years of age or older, but less than twenty-one years of age, expires on the twenty-first birthday of the applicant, except that an applicant who applies no more than thirty days before the applicant's twenty-first birthday shall be issued a license in accordance with division (A) of this section.

(C) (1) Each person licensed as a driver under this chapter shall notify the registrar of any change in the person's address within ten days following that change. The notification shall be in writing on a form provided by the registrar and shall include the full name, date of birth, license number, county of residence, social security number, and new address of the person.

(2) The change of address form also shall include both of the following to enable the registrar to register the person to vote or update the person's registration, as applicable, under section 3503.11 of the Revised Code:

(a) The information required to appear on an online voter registration application under section 3503.20 of the Revised Code and any other information required to appear on a voter registration application under federal law;

(b) A notice to the person that if the person is eligible to vote, the person will be registered to vote or have the person's voter registration updated, as applicable, unless the person declines to do so.

(D) No driver's license shall be renewed when renewal is prohibited by division (A) of section 4507.091 of the Revised Code.

(E) A nonrenewable license may be replaced with a new license within ninety days prior to its expiration upon the applicant's presentation of documentation verifying the applicant's legal presence in the United States. A nonrenewable license expires on the same date listed on the legal presence documentation, or on the same date in the fourth year after the date the nonrenewable license is issued, whichever comes first. A nonrenewable license is not transferable, and the applicant may not rely on it to obtain a driver's license in another state.

In accordance with Chapter 119. of the Revised Code, the registrar of motor vehicles shall adopt rules governing nonrenewable licenses for temporary residents. At a minimum, the rules shall include provisions specifying all of the following:

(1) That no nonrenewable license may extend beyond the duration of the applicant's temporary residence in this state;

(2) That no nonrenewable license may be replaced by a new license unless the applicant provides acceptable documentation of the person's identity and of the applicant's continued temporary residence in this state;

(3) That no nonrenewable license is valid to apply for a driver's license in any other state;

(4) That every nonrenewable license may contain any security features that the registrar prescribes."

Between lines 11202 and 11203, insert:

**"Sec. 4507.51. (A)(1)** Every application for an identification card or duplicate shall be made on a form furnished by the registrar of motor vehicles, shall be signed by the applicant, and by the applicant's parent or guardian if the applicant is under eighteen years of age, and shall contain the following information pertaining to the applicant: name, date of birth, sex, general description including the applicant's height, weight, hair color, and eye color, address, and social security number. The application also shall include, for an applicant who has not already certified the applicant's willingness to make an anatomical gift under section 2108.05 of the Revised Code, whether the applicant wishes to certify willingness to make such an

anatomical gift and shall include information about the requirements of sections 2108.01 to 2108.29 of the Revised Code that apply to persons who are less than eighteen years of age. The statement regarding willingness to make such a donation shall be given no consideration in the decision of whether to issue an identification card. Each applicant shall be photographed in color at the time of making application.

(2) (a) The application also shall state whether the applicant has executed a valid durable power of attorney for health care pursuant to sections 1337.11 to 1337.17 of the Revised Code or has executed a declaration governing the use or continuation, or the withholding or withdrawal, of life-sustaining treatment pursuant to sections 2133.01 to 2133.15 of the Revised Code and, if the applicant has executed either type of instrument, whether the applicant wishes the identification card issued to indicate that the applicant has executed the instrument.

(b) On and after October 7, 2009, the application also shall state whether the applicant is a veteran, active duty, or reservist of the armed forces of the United States and, if the applicant is such, whether the applicant wishes the identification card issued to indicate that the applicant is a veteran, active duty, or reservist of the armed forces of the United States by a military designation on the identification card.

(3) The registrar or deputy registrar, in accordance with section 3503.11 of the Revised Code, shall register as an elector any person who applies for an identification card or duplicate if the applicant is eligible and wishes to be registered as an elector. The decision of an applicant whether to register as an elector shall be given no consideration in the decision of whether to issue the applicant an identification card or duplicate.

(B) The application for an identification card or duplicate shall be filed in the office of the registrar or deputy registrar. Each applicant shall present documentary evidence as required by the registrar of the applicant's age and identity, and the applicant shall swear that all information given is true. An identification card issued by the department of rehabilitation and correction under section 5120.59 of the Revised Code or an identification card issued by the department of youth services under section 5139.511 of the Revised Code shall be sufficient documentary evidence under this division upon verification of the applicant's social security number by the registrar or a deputy registrar. Upon issuing an identification card under this section for a person who has been issued an identification card under section 5120.59 or section 5139.511 of the Revised Code, the registrar or deputy registrar shall destroy the identification card issued under section 5120.59 or section 5139.511 of the Revised Code.

All applications for an identification card or duplicate shall be filed in duplicate, and if submitted to a deputy registrar, a copy shall be forwarded

to the registrar. The registrar shall prescribe rules for the manner in which a deputy registrar is to file and maintain applications and other records. The registrar shall maintain a suitable, indexed record of all applications denied and cards issued or canceled.

(C) In addition to any other information it contains, on and after the date that is fifteen months after April 7, 2009, the form furnished by the registrar of motor vehicles for an application for an identification card or duplicate shall inform applicants that the applicant must present a copy of the applicant's DD-214 or an equivalent document in order to qualify to have the card or duplicate indicate that the applicant is an honorably discharged veteran of the armed forces of the United States based on a request made pursuant to division (A)(2)(b) of this section.

(D) (1) A person who holds an identification card issued under section 4507.50 of the Revised Code may notify the registrar of any change in the person's address on a form provided by the registrar that includes the person's full name, date of birth, identification card number, social security number, and new address.

(2) The change of address form also shall include both of the following to enable the registrar to register the person to vote or update the person's registration, as applicable, under section 3503.11 of the Revised Code:

(a) The information required to appear on an online voter registration application under section 3503.20 of the Revised Code and any other information required to appear on a voter registration application under federal law;

(b) A notice to the person that if the person is eligible to vote, the person will be registered to vote or have the person's voter registration updated, as applicable, unless the person declines to do so, in accordance with section 3503.11 of the Revised Code."
