Between lines 112 and 113, insert:

"Sec. 3505.18. (A)(1) When an elector appears in a polling place to vote, the elector shall announce to the precinct election officials the elector's full name and current address and ~~provide~~ do one of the following:

(a) Provide proof of the elector's identity in the form of a current and valid photo identification, a military identification, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than a notice of voter registration mailed by a board of elections under section 3503.19 of the Revised Code, that shows the name and current address of the elector;

(b) Provide the elector's driver's license or state identification card number or the last four digits of the elector's social security number on an identification statement of voter under division (A)(2) of this section.

(2) An elector who provides the elector's driver's license or state identification card number or the last four digits of the elector's social security number as identification shall complete an identification statement of voter on a form prescribed by the secretary of state. (f) A statement that the elector declares under penalty of election falsification that the information provided on the form is true to the best of the elector's knowledge.

(3) If an elector does not have or is unable to provide to the precinct election officials any of the forms of identification required under division (A)(1) ~~or (2)~~ of this section, the elector may cast a provisional ballot under section 3505.181 of the Revised Code and ~~do either of the following:~~

~~(a) Write the elector's driver's license or state identification card number or the last four digits of the elector's social security number on the provisional ballot envelope; or~~

The validity of an attorney in fact's signature on behalf of an elector shall be determined in accordance with section 3501.382 of the Revised Code.

If the right of the elector to vote is not then challenged, or, if being challenged, the elector establishes the elector's right to vote, the elector shall be allowed to proceed to use the voting machine. If voting machines are not being used in that precinct, the precinct election official in charge of ballots shall then detach the next ballots to be issued to the elector from Stub B attached to each ballot, leaving Stub A attached to each ballot, hand the ballots to the elector, and call the elector's name and the stub number on each of the ballots. The precinct election official shall enter the stub numbers opposite the signature of the elector in the pollbook. The elector shall then retire to one of the voting compartments to mark the elector's ballots. No mark shall be made on any ballot which would in any way enable any person to identify the person who voted the ballot."
