To enact section 3313.951 of the Revised Code with regard to school resource officers, to require the Facilities Construction Commission to study and report on school building security upgrades, and to make an appropriation, was taken up for consideration the third time.

The question being, "Shall the bill pass?"

Representative Antonio moved to amend, amendment 1905, as follows:

In line 4 of the title, after "upgrades" insert "and school resource officers"

In line 192, after "buildings" insert ";

(4) With regard to school resource officers:

(a) The number of school buildings with a school resource officer that serves only that building;

(b) The number of school buildings with no school resource officer;

(c) The number of school buildings that share the services of a school resource officer;

(d) The estimated cost statewide for each school building in the state to have a school resource officer that serves only that building.

For purposes of division (A)(4) of this section, "school building" includes all public school buildings, including school buildings operated by school districts, community schools established under Chapter 3314. of the Revised Code, STEM schools established under Chapter 3326. of the Revised Code, and college-preparatory boarding schools established under Chapter 3328. of the Revised Code.

As used in this section, "school resource officer" has the same meaning as in section 3313.951 of the Revised Code"

The question being, "Shall the motion to amend be agreed to?"
