accommodations, or otherwise deny or make unavailable housing accommodations because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin;

(2) Represent to any person that housing accommodations are not available for inspection, sale, or rental, when in fact they are available, because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin;

(3) Discriminate against any person in the making or purchasing of loans or the provision of other financial assistance for the acquisition, construction, rehabilitation, repair, or maintenance of housing accommodations, or any person in the making or purchasing of loans or the provision of other financial assistance that is secured by residential real estate, because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin or because of the racial composition of the neighborhood in which the housing accommodations are located, provided that the person, whether an individual, corporation, or association of any type, lends money as one of the principal aspects or incident to the person's principal business and not only as a part of the purchase price of an owner-occupied residence the person is selling nor merely casually or occasionally to a relative or friend;

(4) Discriminate against any person in the terms or conditions of selling, transferring, assigning, renting, leasing, or subleasing any housing accommodations or in furnishing facilities, services, or privileges in connection with the ownership, occupancy, or use of any housing accommodations, including the sale of fire, extended coverage, or homeowners insurance, because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin or because of the racial composition of the neighborhood in which the housing accommodations are located;

(5) Discriminate against any person in the terms or conditions of any loan of money, whether or not secured by mortgage or otherwise, for the acquisition, construction, rehabilitation, repair, or maintenance of housing accommodations because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin or because of the racial composition of the neighborhood in which the housing accommodations are located;

(6) Refuse to consider without prejudice the combined income of both husband and wife for the purpose of extending mortgage credit to a married couple or either member of a married couple;

(7) Print, publish, or circulate any statement or advertisement, or make or cause to be made any statement or advertisement, relating to the sale, transfer, assignment, rental, lease, sublease, or acquisition of any

housing accommodations, or relating to the loan of money, whether or not secured by mortgage or otherwise, for the acquisition, construction, rehabilitation, repair, or maintenance of housing accommodations, that indicates any preference, limitation, specification, or discrimination based upon race, color, religion, sex, military status, familial status, ancestry, disability, or national origin, or an intention to make any such preference, limitation, specification, or discrimination;

(8) Except as otherwise provided in division (H)(8) or (17) of this section, make any inquiry, elicit any information, make or keep any record, or use any form of application containing questions or entries concerning race, color, religion, sex, military status, familial status, ancestry, disability, or national origin in connection with the sale or lease of any housing accommodations or the loan of any money, whether or not secured by mortgage or otherwise, for the acquisition, construction, rehabilitation, repair, or maintenance of housing accommodations. Any person may make inquiries, and make and keep records, concerning race, color, religion, sex, military status, familial status, ancestry, disability, or national origin for the purpose of monitoring compliance with this chapter.

(9) Include in any transfer, rental, or lease of housing accommodations any restrictive covenant, or honor or exercise, or attempt to honor or exercise, any restrictive covenant;

(10) Induce or solicit, or attempt to induce or solicit, a housing accommodations listing, sale, or transaction by representing that a change has occurred or may occur with respect to the racial, religious, sexual, military status, familial status, or ethnic composition of the block, neighborhood, or other area in which the housing accommodations are located, or induce or solicit, or attempt to induce or solicit, a housing accommodations listing, sale, or transaction by representing that the presence or anticipated presence of persons of any race, color, religion, sex, military status, familial status, ancestry, disability, or national origin, in the block, neighborhood, or other area will or may have results including, but not limited to, the following:

(a) The lowering of property values;

(b) A change in the racial, religious, sexual, military status, familial status, or ethnic composition of the block, neighborhood, or other area;

(c) An increase in criminal or antisocial behavior in the block, neighborhood, or other area;

(d) A decline in the quality of the schools serving the block, neighborhood, or other area.

(11) Deny any person access to or membership or participation in any multiple-listing service, real estate brokers' organization, or other service, organization, or facility relating to the business of selling or renting housing

accommodations, or discriminate against any person in the terms or conditions of that access, membership, or participation, on account of race, color, religion, sex, military status, familial status, national origin, disability, or ancestry;

(12) Coerce, intimidate, threaten, or interfere with any person in the exercise or enjoyment of, or on account of that person's having exercised or enjoyed or having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by division (H) of this section;

(13) Discourage or attempt to discourage the purchase by a prospective purchaser of housing accommodations, by representing that any block, neighborhood, or other area has undergone or might undergo a change with respect to its religious, racial, sexual, military status, familial status, or ethnic composition;

(14) Refuse to sell, transfer, assign, rent, lease, sublease, or finance, or otherwise deny or withhold, a burial lot from any person because of the race, color, sex, military status, familial status, age, ancestry, disability, or national origin of any prospective owner or user of the lot;

(15) Discriminate in the sale or rental of, or otherwise make unavailable or deny, housing accommodations to any buyer or renter because of a disability of any of the following:

(a) The buyer or renter;

(b) A person residing in or intending to reside in the housing accommodations after they are sold, rented, or made available;

(c) Any individual associated with the person described in division (H)(15)(b) of this section.

(16) Discriminate in the terms, conditions, or privileges of the sale or rental of housing accommodations to any person or in the provision of services or facilities to any person in connection with the housing accommodations because of a disability of any of the following:

(a) That person;

(b) A person residing in or intending to reside in the housing accommodations after they are sold, rented, or made available;

(c) Any individual associated with the person described in division (H)(16)(b) of this section.

(17) Except as otherwise provided in division (H)(17) of this section, make an inquiry to determine whether an applicant for the sale or rental of housing accommodations, a person residing in or intending to reside in the housing accommodations after they are sold, rented, or made available, or any individual associated with that person has a disability, or make an inquiry to determine the nature or severity of a disability of the applicant or

such a person or individual. The following inquiries may be made of all applicants for the sale or rental of housing accommodations, regardless of whether they have disabilities:

(a) An inquiry into an applicant's ability to meet the requirements of ownership or tenancy;

(b) An inquiry to determine whether an applicant is qualified for housing accommodations available only to persons with disabilities or persons with a particular type of disability;

(c) An inquiry to determine whether an applicant is qualified for a priority available to persons with disabilities or persons with a particular type of disability;

(d) An inquiry to determine whether an applicant currently uses a controlled substance in violation of section 2925.11 of the Revised Code or a substantively comparable municipal ordinance;

(e) An inquiry to determine whether an applicant at any time has been convicted of or pleaded guilty to any offense, an element of which is the illegal sale, offer to sell, cultivation, manufacture, other production, shipment, transportation, delivery, or other distribution of a controlled substance.

(18)(a) Refuse to permit, at the expense of a person with a disability, reasonable modifications of existing housing accommodations that are occupied or to be occupied by the person with a disability, if the modifications may be necessary to afford the person with a disability full enjoyment of the housing accommodations. This division does not preclude a landlord of housing accommodations that are rented or to be rented to a disabled tenant from conditioning permission for a proposed modification upon the disabled tenant's doing one or more of the following:

(i) Providing a reasonable description of the proposed modification and reasonable assurances that the proposed modification will be made in a workerlike manner and that any required building permits will be obtained prior to the commencement of the proposed modification;

(ii) Agreeing to restore at the end of the tenancy the interior of the housing accommodations to the condition they were in prior to the proposed modification, but subject to reasonable wear and tear during the period of occupancy, if it is reasonable for the landlord to condition permission for the proposed modification upon the agreement;

(iii) Paying into an interest-bearing escrow account that is in the landlord's name, over a reasonable period of time, a reasonable amount of money not to exceed the projected costs at the end of the tenancy of the restoration of the interior of the housing accommodations to the condition they were in prior to the proposed modification, but subject to reasonable

wear and tear during the period of occupancy, if the landlord finds the account reasonably necessary to ensure the availability of funds for the restoration work. The interest earned in connection with an escrow account described in this division shall accrue to the benefit of the disabled tenant who makes payments into the account.

(b) A landlord shall not condition permission for a proposed modification upon a disabled tenant's payment of a security deposit that exceeds the customarily required security deposit of all tenants of the particular housing accommodations.

(19) Refuse to make reasonable accommodations in rules, policies, practices, or services when necessary to afford a person with a disability equal opportunity to use and enjoy a dwelling unit, including associated public and common use areas;

(20) Fail to comply with the standards and rules adopted under division (A) of section 3781.111 of the Revised Code;

(21) Discriminate against any person in the selling, brokering, or appraising of real property because of race, color, religion, sex, military status, familial status, ancestry, disability, or national origin;

(22) Fail to design and construct covered multifamily dwellings for first occupancy on or after June 30, 1992, in accordance with the following conditions:

(a) The dwellings shall have at least one building entrance on an accessible route, unless it is impractical to do so because of the terrain or unusual characteristics of the site.

(b) With respect to dwellings that have a building entrance on an accessible route, all of the following apply:

(i) The public use areas and common use areas of the dwellings shall be readily accessible to and usable by persons with a disability.

(ii) All the doors designed to allow passage into and within all premises shall be sufficiently wide to allow passage by persons with a disability who are in wheelchairs.

(iii) All premises within covered multifamily dwelling units shall contain an accessible route into and through the dwelling; all light switches, electrical outlets, thermostats, and other environmental controls within such units shall be in accessible locations; the bathroom walls within such units shall contain reinforcements to allow later installation of grab bars; and the kitchens and bathrooms within such units shall be designed and constructed in a manner that enables an individual in a wheelchair to maneuver about such rooms.

For purposes of division (H)(22) of this section, "covered multifamily dwellings" means buildings consisting of four or more units if such buildings

have one or more elevators and ground floor units in other buildings consisting of four or more units.

(I) For any person to discriminate in any manner against any other person because that person has opposed any unlawful discriminatory practice defined in this section or because that person has made a charge, testified, assisted, or participated in any manner in any investigation, proceeding, or hearing under sections 4112.01 to 4112.07 of the Revised Code.

(J) For any person to aid, abet, incite, compel, or coerce the doing of any act declared by this section to be an unlawful discriminatory practice, to obstruct or prevent any person from complying with this chapter or any order issued under it, or to attempt directly or indirectly to commit any act declared by this section to be an unlawful discriminatory practice.

(K) Nothing in divisions (A) to (E) of this section shall be construed to require a person with a disability to be employed or trained under circumstances that would significantly increase the occupational hazards affecting either the person with a disability, other employees, the general public, or the facilities in which the work is to be performed, or to require the employment or training of a person with a disability in a job that requires the person with a disability routinely to undertake any task, the performance of which is substantially and inherently impaired by the person's disability.

(L) An aggrieved individual may enforce the individual's rights relative to discrimination on the basis of age as provided for in this section by instituting a civil action, within one hundred eighty days after the alleged unlawful discriminatory practice occurred, in any court with jurisdiction for any legal or equitable relief that will effectuate the individual's rights.

A person who files a civil action under this division is barred, with respect to the practices complained of, from instituting a civil action under section 4112.14 of the Revised Code and from filing a charge with the commission under section 4112.05 of the Revised Code.

(M) With regard to age, it shall not be an unlawful discriminatory practice and it shall not constitute a violation of division (A) of section 4112.14 of the Revised Code for any employer, employment agency, joint labor-management committee controlling apprenticeship training programs, or labor organization to do any of the following:

(1) Establish bona fide employment qualifications reasonably related to the particular business or occupation that may include standards for skill, aptitude, physical capability, intelligence, education, maturation, and experience;

(2) Observe the terms of a bona fide seniority system or any bona fide employee benefit plan, including, but not limited to, a retirement, pension, or insurance plan, that is not a subterfuge to evade the purposes of this section.

However, no such employee benefit plan shall excuse the failure to hire any individual, and no such seniority system or employee benefit plan shall require or permit the involuntary retirement of any individual, because of the individual's age except as provided for in the "Age Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 29 U.S.C.A. 623, as amended by the "Age Discrimination in Employment Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A. 623, as amended.

(3) Retire an employee who has attained sixty-five years of age who, for the two-year period immediately before retirement, is employed in a bona fide executive or a high policymaking position, if the employee is entitled to an immediate nonforfeitable annual retirement benefit from a pension, profit-sharing, savings, or deferred compensation plan, or any combination of those plans, of the employer of the employee, which equals, in the aggregate, at least forty-four thousand dollars, in accordance with the conditions of the "Age Discrimination in Employment Act Amendment of 1978," 92 Stat. 189, 29 U.S.C.A. 631, as amended by the "Age Discrimination in Employment Act Amendments of 1986," 100 Stat. 3342, 29 U.S.C.A. 631, as amended;

(4) Observe the terms of any bona fide apprenticeship program if the program is registered with the Ohio apprenticeship council pursuant to sections 4139.01 to 4139.06 of the Revised Code and is approved by the federal committee on apprenticeship of the United States department of labor.

(N) Nothing in this chapter prohibiting age discrimination and nothing in division (A) of section 4112.14 of the Revised Code shall be construed to prohibit the following:

(1) The designation of uniform age the attainment of which is necessary for public employees to receive pension or other retirement benefits pursuant to Chapter 145., 742., 3307., 3309., or 5505. of the Revised Code;

(2) The mandatory retirement of uniformed patrol officers of the state highway patrol as provided in section 5505.16 of the Revised Code;

(3) The maximum age requirements for appointment as a patrol officer in the state highway patrol established by section 5503.01 of the Revised Code;

(4) The maximum age requirements established for original appointment to a police department or fire department in sections 124.41 and 124.42 of the Revised Code;

(5) Any maximum age not in conflict with federal law that may be established by a municipal charter, municipal ordinance, or resolution of a board of township trustees for original appointment as a police officer or firefighter;

(6) Any mandatory retirement provision not in conflict with federal law of a municipal charter, municipal ordinance, or resolution of a board of township trustees pertaining to police officers and firefighters;

(7) Until January 1, 1994, the mandatory retirement of any employee who has attained seventy years of age and who is serving under a contract of unlimited tenure, or similar arrangement providing for unlimited tenure, at an institution of higher education as defined in the "Education Amendments of 1980," 94 Stat. 1503, 20 U.S.C.A. 1141(a).

(O)(1)(a) Except as provided in division (O)(1)(b) of this section, for purposes of divisions (A) to (E) of this section, a disability does not include any physiological disorder or condition, mental or psychological disorder, or disease or condition caused by an illegal use of any controlled substance by an employee, applicant, or other person, if an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee acts on the basis of that illegal use.

(b) Division (O)(1)(a) of this section does not apply to an employee, applicant, or other person who satisfies any of the following:

(i) The employee, applicant, or other person has successfully completed a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance, or the employee, applicant, or other person otherwise successfully has been rehabilitated and no longer is engaging in that illegal use.

(ii) The employee, applicant, or other person is participating in a supervised drug rehabilitation program and no longer is engaging in the illegal use of any controlled substance.

(iii) The employee, applicant, or other person is erroneously regarded as engaging in the illegal use of any controlled substance, but the employee, applicant, or other person is not engaging in that illegal use.

(2) Divisions (A) to (E) of this section do not prohibit an employer, employment agency, personnel placement service, labor organization, or joint labor-management committee from doing any of the following:

(a) Adopting or administering reasonable policies or procedures, including, but not limited to, testing for the illegal use of any controlled substance, that are designed to ensure that an individual described in division (O)(1)(b)(i) or (ii) of this section no longer is engaging in the illegal use of any controlled substance;

(b) Prohibiting the illegal use of controlled substances and the use of alcohol at the workplace by all employees;

(c) Requiring that employees not be under the influence of alcohol or not be engaged in the illegal use of any controlled substance at the workplace;

(d) Requiring that employees behave in conformance with the requirements established under "The Drug-Free Workplace Act of 1988," 102 Stat. 4304, 41 U.S.C.A. 701, as amended;

(e) Holding an employee who engages in the illegal use of any controlled substance or who is an alcoholic to the same qualification standards for employment or job performance, and the same behavior, to which the employer, employment agency, personnel placement service, labor organization, or joint labor-management committee holds other employees, even if any unsatisfactory performance or behavior is related to an employee's illegal use of a controlled substance or alcoholism;

(f) Exercising other authority recognized in the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C.A. 12101, as amended, including, but not limited to, requiring employees to comply with any applicable federal standards.

(3) For purposes of this chapter, a test to determine the illegal use of any controlled substance does not include a medical examination.

(4) Division (O) of this section does not encourage, prohibit, or authorize, and shall not be construed as encouraging, prohibiting, or authorizing, the conduct of testing for the illegal use of any controlled substance by employees, applicants, or other persons, or the making of employment decisions based on the results of that type of testing.

(P) This section does not apply to a religious corporation, association, educational institution, or society with respect to the employment of an individual of a particular religion to perform work connected with the carrying on by that religious corporation, association, educational institution, or society of its activities.

The unlawful discriminatory practices defined in this section do not make it unlawful for a person or an appointing authority administering an examination under section 124.23 of the Revised Code to obtain information about an applicant's military status for the purpose of determining if the applicant is eligible for the additional credit that is available under that section."
