(3) The Department of Education shall not exclude any student to whom an assessment was not administered in the 2019-2020 school year under division (A) of this section from counting in a district's or school's enrollment for the 2020-2021 school year pursuant to division (L)(3) of section 3314.08, division (E)(3) of section 3317.03, or division (C) of section 3326.37 of the Revised Code.

(4) If a student was not administered an assessment in the
2019-2020 school year under division (A) of this section, that school year shall not count in determining if the student is subject to withdrawal from a school pursuant to section 3313.6410 or 3314.26 of the Revised Code.

(5) No student who received a scholarship under the Educational Choice Scholarship Program under section 3310.03 or 3310.032 of the Revised Code, the Jon Peterson Special Needs Scholarship Program under section 3310.52 of the Revised Code, or the Pilot Project Scholarship Program under section 3313.975 of the Revised Code for the 2019-2020 school year shall be considered ineligible to renew that scholarship for the 2020-2021 school year solely because the student was not administered an assessment in the 2019-2020 school year under division (A) of this section.

If a school district or building was subject to any of the following penalties or sanctions in the 2019-2020 school year based on its report card rating for previous school years, those penalties or sanctions shall remain for the 2020-2021 school year. Those penalties and sanctions include the following:

While a district subject to an academic distress commission prior to the effective date of this section shall be considered to be subject to an academic distress commission for the 2020-2021 school year, that year shall not be included for purposes of determining progressive consequences under divisions (H), (I), (J), (K), and (L) of section 3302.10 of the Revised Code that are in addition to those that were being exercised by the chief executive officer during the 2019-2020 school year or for purposes of the appointment of a new board of education under division (K) of that section. Nothing in division (B)(2)(c) of this section shall be construed to limit the powers that the chief executive

(d) Provisions prescribing new buildings where students are eligible for the Educational Choice Scholarships under section 3310.03 of the Revised Code;

(h) Provisions that determine the conditions under which community schools may change sponsors under section 3314.034 of the Revised Code.

(C) No school district, community school, or STEM school and no chartered nonpublic school that is subject to section 3301.163 of the Revised Code shall retain a student in the third grade under that section or section 3313.608 of the Revised Code based solely on a student's academic performance in reading in the 2019-2020 school year unless the principal of the school building in which a student is enrolled and the student's reading teacher agree that the student is reading below grade
level and is not prepared to be promoted to the fourth grade.

(D)(1) Division (D) of this section applies to any student who meets both of the following criteria:

(a) The student was enrolled in the twelfth grade in the 2019-2020 school year or was on track to graduate in the 2019-2020 school year, as determined by the school district or other public or chartered nonpublic school in which the student was enrolled, regardless of the graduation cohort in which the student is included.

(b) The student had not completed the requirements for a high school diploma under section 3313.61, 3313.612, or 3325.08 of the Revised Code or under Section 3 of H.B. 491 of the 132nd General Assembly, as of March 17, 2020.

(2) A city, exempted village, local, or municipal school district, a community school, a STEM school, a chartered nonpublic school, the State School for the Blind, and the State School for the Deaf shall grant a high school diploma to any student to whom this section applies, if the student's principal, in consultation with teachers and counselors, reviews the student's progress toward meeting the requirements for a diploma and determines that the student has successfully completed the curriculum in the student's high school or the individualized education program developed for the student by the student's high school pursuant to section 3323.08 of the Revised Code, or qualified under division (D) or (F) of section 3313.603 of the Revised Code, at the time the student's school closed pursuant to the Director of Health's order under section 3701.13 of the Revised Code "In Re: Order the Closure of All K-12 Schools in the State of Ohio" issued on March 14, 2020. No district or school shall grant a high school diploma under
division (D)(2) of this section after September 30, 2020.  

(3) If the board of education of a school district or the governing authority of a community school, STEM school, chartered nonpublic school, the State School for the Blind, or the State School for the Deaf has adopted a resolution under division (E) of section 3313.603 of the Revised Code requiring a more challenging curriculum than otherwise required under division (C) of that section, the district superintendent or the chief administrator of the school may elect to require only the minimum curriculum specified in division (C) of that section for the purpose of determining if a student to whom division (D) of this section applies has successfully completed the curriculum under division (D)(2) of this section. If such an election is made, the superintendent or chief administrator shall evaluate each student to whom division (D) of this section applies using the minimum curriculum specified in division (C) of this section.  

(4) It is the intent of the General Assembly that school districts and other public and private schools do both of the following:  

(a) Continue to provide ways to keep students actively engaged in learning opportunities between March 17, 2020, and the remainder of the school year;  

(b) Grant students who need in-person instructional experiences to complete requirements for a diploma or a career-technical education program access to school facilities as soon as it is reasonably possible after the Director of Health permits such access to resume, even if the last instructional day of the school year has already passed.
(E) For the purpose of teacher evaluations conducted under sections 3319.111 and 3319.112 of the Revised Code, no school district board of education shall use value-added progress dimension data, established under section 3302.021 of the Revised Code, from the 2019-2020 school year to measure student learning attributable to the teacher being evaluated.

(F)(1) For community school sponsor evaluations required under section 3314.016 of the Revised Code, the Department shall not issue a rating for the academic performance component under division (B)(1)(a) of that section to any sponsor and, nor shall not include academic performance in the calculation of the Department issue an overall rating for the sponsor. The Department's rating of a sponsor for the 2019-2020 school year shall be based only on the components listed in divisions (B)(1)(b) and (c) of that section. The Department shall allow a sponsor to indicate that it could not comply with an applicable law or administrative rule or fully adhere to a quality practice because the required action was unable to be completed due to the Director of Health's order under section 3701.13 of the Revised Code "In Re: Order the Closure of All K-12 Schools in the State of Ohio" issued on March 14, 2020, any local board of health order, or any extension of an order.

In evaluating a sponsor based on the components in divisions (B)(1)(b) and (c) of section 3314.016 of the Revised Code for the 2019-2020 school year, the Department shall not find a sponsor or a school out of compliance with an applicable law or administrative rule for any requirement for an action that should have occurred while schools were closed pursuant to the Director of Health's order under section 3701.13 of the Revised Code "In Re: Order the Closure of All K-12 Schools in the State of Ohio" issued on March 14, 2020, any local board of
health order, or any extension of an order.

(2) The absence of community school sponsor ratings for the 2019-2020 school year shall have no effect in determining sanctions or penalties of a sponsor under Chapter 3314. of the Revised Code and shall not create a new starting point for determinations that are based on ratings over multiple years. The sponsor ratings of any previous or subsequent school years shall be considered when a sponsor is subject to sanctions or penalties under that chapter. A sponsor shall remain eligible in the 2020-2021 school year for any incentives that the sponsor was eligible for in the 2019-2020 school year, and the 2019-2020 school year shall not count toward the number of years in which a sponsor subject to division (B)(7)(b) of section 3314.016 of the Revised Code is not required to be evaluated.

(G) The Superintendent of Public Instruction may waive the requirement to complete any report prescribed by law that is based on data from assessments that would have been but were not administered during the 2019-2020 school year pursuant to division (A) of this section.

(H) The Department, on behalf of the State Board of Education, may issue a one-year, nonrenewable provisional license to any individual to practice in any category, type, and level for which the State Board issues a license pursuant to Title XXXIII of the Revised Code, if the individual has met all requirements for the requested license except for the requirement to pass an examination prescribed by the State Board in the subject area for which application is being made. Any individual to whom a provisional license is issued under this division shall take and pass the appropriate subject area examination prior to expiration of the license as a condition of
advancing the license in the appropriate category, type, and level. The Department shall not issue a provisional license under this division that is valid on or after July 1, 2021.

(I) The Superintendent of Public Instruction may extend or waive any deadline for an action required of the State Board of Education, the Department of Education, or any person or entity licensed or regulated by the State Board or Department during the duration of the Director of Health's order under section 3701.13 of the Revised Code "In re: Order the Closure of All K-12 Schools in the State of Ohio" issued on March 14, 2020, or any local board of health order, and any extension of any order, based on the implications of COVID-19, as necessary to ensure that the safety of students, families, and communities are prioritized while continuing to ensure the efficient operation of the Department and public and private schools in this state. Deadlines that may be extended or waived by the State Superintendent include, but are not limited to, deadlines related to the following:

For this purpose, the State Superintendent may waive or extend deadlines, or otherwise grant providers and students flexibility, for completion of program requirements.

(L) No school district shall require the parent of any student who was instructed at home in accordance with section 3321.04 of the Revised Code for the 2019-2020 school year to submit to the district superintendent the results of a standardized achievement academic assessment administered to the student report required under rule 3301-34-04 of the Administrative Code as a condition of the district allowing the
student to continue to receive home instruction for the 2020-2021 school year.

(M) Notwithstanding anything in the Revised Code to the contrary, the board of education of any school district that, prior to the Director of Health's order under section 3701.13 of the Revised Code "In re: Order the Closure of All K-12 Schools in the State of Ohio" issued on March 14, 2020, had not completed an evaluation that was required under Chapter 3319. of the Revised Code for the 2019-2020 school year for an employee of the district, including a teacher, administrator, or superintendent, may elect not to conduct an evaluation of the employee for that school year, if the district board determines that it would be impossible or impracticable to do so. If a district board elects not to evaluate an employee for the 2019-2020 school year, the employee shall be considered not to have had evaluation procedures complied with pursuant to section 3319.111 of the Revised Code for purposes of section 3319.11 of the Revised Code. The district board may collaborate with any bargaining organization representing employees of the district in determining whether to complete evaluations for the 2019-2020 school year. Nothing in this section shall preclude a district board from using an evaluation completed prior to the Director of Health's order in employment decisions.

(g) A chartered nonpublic school.

(3) "Qualifying course" means a course associated with an end-of-course examination.

(B) Notwithstanding anything to the contrary in sections 3313.618 and 3313.6114 of the Revised Code, a student who was scheduled to take or retake an end-of-course examination in the 2019-2020 school year, but did not do so because the administration of that examination was canceled, may use the student's final course grade in the course associated with that examination in lieu of a score on the examination to satisfy conditions for a high school diploma prescribed under sections 3313.618 and 3313.6114 of the Revised Code. A student who was scheduled to take the end-of-course examination for the first time in the 2019-2020 school year may use the final course grade for the qualifying course that the student completed in that school year, while a student who was scheduled to retake the examination in the 2019-2020 school year may use a final course grade for a qualifying course that the student completed in the 2019-2020 school year or a prior school year. For the purposes of determining whether a student satisfies a condition, a final course grade shall be equivalent to a level of skill prescribed under division (B)(5)(a) of section 3301.0712 of the Revised
Code or a competency score prescribed under division (B)(10) of that section, as follows:

(1) Any "A" letter grade shall be equivalent to an advanced level of skill.

(2) Any "B" letter grade shall be equivalent to an accelerated level of skill.

(3) Any "C" letter grade shall be equivalent to a proficient level of skill.

(4) Any "D" letter grade shall be equivalent to a basic level of skill.

(5) Any "F" letter grade shall be equivalent to a limited level of skill.

(6) Any "C" letter grade or higher shall be equivalent to a competency score.

(7) In the case of a course that issues a pass or fail designation rather than a letter grade for a final course grade, a fail designation shall be equivalent to an "F" letter grade and a limited level of skill. For a pass designation, the student's district or school shall determine which level of skill is equivalent to the student's performance in the course. A pass designation also shall be equivalent to a competency score.

(C) A student who completed a qualifying course in the 2019-2020 school year shall be deemed to have completed an administration of the end-of-course examination associated with that course for the purposes of determining whether that student may demonstrate competency in a subject area using one of the options prescribed under divisions (B)(1)(a) to (c) of section
3313.618 of the Revised Code.

(D) A student who completed a qualifying course in the 2019-2020 school year may elect to take the end-of-course examination associated with that course in an administration of that examination in a subsequent school year.

Section 13. Notwithstanding anything to the contrary in the Revised Code, for the 2020-2021 school year, all of the following shall apply:

Rather, the level of achievement for that assessment for the 2020-2021 school year shall be the same level of achievement as designated by the State Board for that assessment for the 2019-2020 school year.

The State Board shall resume reviewing and adjusting upward the level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code for the third grade English language arts assessment in accordance with that division for the 2021-2022 school year.

(C) No school district or community school established under Chapter 3314. of the Revised Code shall be subject to section 3302.13 of the Revised Code in the 2020-2021 school year based on either assessment results or report cards issued under
section 3302.03 of the Revised Code for the 2019-2020 school year.

Section 14. The foregoing appropriation item 200550, Foundation Funding, shall be used to make payments to city, local, and exempted village school districts pursuant to Section 19 of this act.

Within the limits set forth in this act, the Director of Budget and Management shall establish accounts indicating the source and amount of funds for each appropriation made in this act, and shall determine the form and manner in which appropriation accounts shall be maintained. Expenditures from appropriations contained in this act shall be accounted for as though made in H.B. 166 of the 133rd General Assembly.

Section 22. Nothing in this act is intended or shall be construed to limit or abrogate religious expression of students already guaranteed under the Ohio Constitution and the United States Constitution.

Section 7 of S.B. 216 of the 132nd General Assembly as amended
by this act, and Sections 9, 10, 11, 12, 13, 14, 15, 16, 17, and
18 of this act are hereby declared to be an emergency measure
necessary for the immediate preservation of the public peace,
health, and safety. The reason for such necessity is to ensure
that the changes made by this act take effect before the start
