Except as otherwise provided in division (C) of this section, all precinct election officials shall be qualified electors. The precinct election officials shall constitute the election officers of the precinct. Not more than one-half of the total number of precinct election officials shall be members of the same political party. The term of such precinct officers shall be for one year. The board may, at any time, designate any number of election officers, not more than one-half of whom shall be members of the same political party, to perform their duties at any precinct in any election. The board may appoint additional officials, equally divided between the two
major political parties, when necessary to expedite voting. If the board of elections determines that four precinct election officials are not required in a precinct for a special election, the board of elections may select two of the precinct's election officers, who are not members of the same political party, to serve as the precinct election officials for that precinct in that special election.

Vacancies for unexpired terms shall be filled by the board. When new precincts have been created, the board shall appoint precinct election officials for those precincts for the unexpired term. Any precinct election official may be summarily removed from office at any time by the board for neglect of duty, malfeasance, or misconduct in office or for any other good and sufficient reason.

Precinct election officials shall perform all of the duties provided by law for receiving the ballots and supplies, opening and closing the polls, and overseeing the casting of ballots during the time the polls are open, and any other duties required by section 3501.26 of the Revised Code.

A board of elections may designate two precinct election officials as counting officials to count and tally the votes cast and certify the results of the election at each precinct, and perform other duties as provided by law. To expedite the counting of votes at each precinct, the board may appoint additional officials, not more than one-half of whom shall be members of the same political party.

Except as otherwise provided in division (A)(2) of this section, the board shall designate one of the precinct election officials who is a member of the dominant political party to serve as a voting location manager, whose duty it is to deliver the returns of the election and all supplies to the office of the board. For these services, the voting location manager shall
receive additional compensation in an amount, consistent with section 3501.28 of the Revised Code, determined by the board of elections.

The board shall issue to each precinct election official a certificate of appointment, which the official shall present to the voting location manager at the time the polls are opened.

(2) If the board of elections, by a vote of at least three members of the board, opts to have a single voting location serve more than one precinct, the board may do both any of the following:

(a) Designate a single presiding judge voting location manager for the voting location. The presiding judge voting location manager shall be a member of the political party whose candidate received the highest number of votes for governor at the most recent general election for that office in the precincts whose polling places are located at the applicable voting location, when tallying the combined vote for governor in all such precincts.

(b) Combine the pollbooks for those precincts to create a single pollbook for the voting location;

(c) If electronic pollbooks are being used in the voting location, as described in section 3506.021 of the Revised Code, appoint not less than two precinct election officials for each precinct, so long as the board approves the decision to reduce the number of precinct election officials by the affirmative vote of at least three of its members.

(B) If the board of elections determines that not enough qualified electors in a precinct are available to serve as precinct officers, it may appoint persons to serve as precinct officers at a primary, special, or general election who are at least seventeen years of age and are registered to vote in
accordance with section 3503.07 of the Revised Code.

(C)(1) A board of elections, in conjunction with the board of education of a city, local, or exempted village school district, the governing authority of a community school established under Chapter 3314. of the Revised Code, or the chief administrator of a nonpublic school may establish a program permitting certain high school students to apply and, if appointed by the board of elections, to serve as precinct officers at a primary, special, or general election.

In addition to the requirements established by division (C)(2) of this section, a board of education, governing authority, or chief administrator that establishes a program under this division in conjunction with a board of elections may establish additional criteria that students shall meet to be eligible to participate in that program.

(2)(a) To be eligible to participate in a program established under division (C)(1) of this section, a student shall be a United States citizen, a resident of the county, at least seventeen years of age, and enrolled in the senior year of high school.

(b) Any student applying to participate in a program established under division (C)(1) of this section, as part of the student's application process, shall declare the student's political party affiliation with the board of elections.

(3) No student appointed as a precinct officer pursuant to a program established under division (C)(1) of this section shall be designated as a voting location manager.

(4) Any student participating in a program established under division (C)(1) of this section shall be excused for that student's absence from school on the day of an election at which the student is serving as a precinct officer.

(D) In any precinct with six or more precinct officers, up to
two students participating in a program established under division (C)(1) of this section who are under eighteen years of age may serve as precinct officers. Not more than one precinct officer in any given precinct with fewer than six precinct officers shall be under eighteen years of age.

Sec. 3505.21. (A) As used in this section:

(1) "During the casting of the ballots" includes any of the following:

(a) Any time during which a board of elections permits an elector to vote an absent voter's ballot in person at the office of the board;

(b) Any time ballots may be cast in a precinct polling place on the day of an election;

(c) Any time during which a board of elections processes absent voter's ballots before the time for counting those ballots.

(2) "During the counting of the ballots" includes any time during which the election officials count and tally ballots, make the official canvass of election returns, or conduct an audit of the official results of an election.

(B) At any primary, special, or general election, any political party supporting candidates to be voted upon at such election and any group of five or more candidates may appoint to the board of elections or to any of the precincts in the county or city one person, a qualified elector, who shall serve as observer for such party or such candidates during the casting of the ballots and during the counting of the ballots; provided that separate observers may be appointed to serve during the casting and during the counting of the ballots. No candidate, no uniformed peace officer as defined by section 2935.01 of the Revised Code, no uniformed state highway patrol trooper, no uniformed member of
any fire department, no uniformed member of the armed services, no
uniformed member of the organized militia, no person wearing any
other uniform, and no person carrying a firearm or other deadly
weapon shall serve as an observer, nor shall any candidate be
represented by more than one observer at any one precinct or at
the board of elections except that a candidate who is a member of
a party controlling committee, as defined in section 3517.03 of
the Revised Code, may serve as an observer.

(C) Any political party or group of candidates appointing
observers shall notify the board of elections of the names and
addresses of its appointees and the precincts at which they shall
serve or that they will serve at the board of elections.

Notification of observers appointed to serve on the day of an
election shall take place not less than eleven days before the day
of the election on forms prescribed by the secretary of state and
may be amended by filing an amendment with the board of elections
at any time until four p.m. of the day before the election.

Notification of observers appointed to serve at the office of the
board during the time absent voter's ballots may be cast in person
or during the time in which the board processes absent voter's
ballots before the time for counting those ballots shall take
place not less than eleven days before absent voter's ballots are
required to be ready for use pursuant to section 3509.01 of the
Revised Code on forms prescribed by the secretary of state and may
be amended by filing an amendment with the board of elections at
any time until four p.m. of the day before the observer is
appointed to serve. The observer serving on behalf of a political
party shall be appointed in writing by the chairperson and
secretary of the respective controlling party committee. Observers
serving for any five or more candidates shall have their
certificates signed by those candidates. Observers appointed to a
precinct may file their certificates of appointment with the
voting location manager of the precinct at the meeting on the
evening prior to the election, or with the voting location manager of the precinct on the day of the election. Observers appointed to the office of the board to observe the casting of absent voter's ballots in person prior to the day of the election or the processing of absent voter's ballots before the time for counting those ballots may file their certificates with the director of the board of elections the day before or on the day that the observers are scheduled to serve at the office of the board.

Upon the filing of a certificate, the person named as observer in the certificate shall be permitted to be in and about the applicable polling place during the casting of the ballots and shall be permitted to watch every proceeding of the precinct election officials from the time of the opening until the closing of the polls. The observer also may inspect the counting of all ballots in the polling place or board of elections from the time of the closing of the polls until the counting is completed and the final returns are certified and signed. Observers appointed to serve at the board of elections on the day of an election under this section may observe at the board of elections and may observe at any precinct in the county. The precinct election officials shall protect such observers in all of the rights and privileges granted to them by Title XXXV of the Revised Code.

(D) No persons other than the precinct election officials, the observers, a police officer, other persons who are detailed to any precinct on request of the board of elections, or the secretary of state or the secretary of state's legal representative shall be admitted to the polling place, or any room in which a board of elections is counting ballots, after the closing of the polls until the counting, certifying, and signing of the final returns of each election have been completed.

(E) Not later than four p.m. of the twentieth day prior to an election at which questions are to be submitted to a vote of the
people, any committee that in good faith advocates or opposes a
measure may file a petition with the board of any county asking
that the petitioners be recognized as the committee entitled to
appoint observers to the count at the election. If more than one
committee alleging themselves to advocate or oppose the same
measure file such a petition, the board shall decide and announce
by registered mail to each committee not less than twelve days
immediately preceding the election which committee is recognized
as being entitled to appoint observers. The decision shall not be
final, but any aggrieved party may institute mandamus proceedings
in the court of common pleas of the county in which the board has
jurisdiction to compel the precinct election officials to accept
the appointees of such aggrieved party. Any such recognized
committee may appoint an observer to the count in each precinct.
Committees appointing observers shall notify the board of
elections of the names and addresses of its appointees and the
precincts at which they shall serve. Notification shall take place
not less than eleven days before the election on forms prescribed
by the secretary of state and may be amended by filing an
amendment with the board of elections at any time until four p.m.
on the day before the election. A person so appointed shall file
the person's certificate of appointment with the voting location
manager in the precinct in which the person has been appointed to
serve. Observers shall file their certificates before the polls
are closed. In no case shall more than six observers be appointed
for any one election in any one precinct. If more than three
questions are to be voted on, the committees which have appointed
observers may agree upon not to exceed six observers, and the
precinct election officials shall appoint such observers. If such
committees fail to agree, the precinct election officials shall
appoint six observers from the appointees so certified, in such
manner that each side of the several questions shall be
represented.
(F) No person shall serve as an observer at any precinct or at the board of elections unless the board of elections of the county in which such observer is to serve has first been notified of the name, address, and location at which such observer is to serve. Notification to the board of elections shall be given by the political party, group of candidates, or committee appointing such observer as prescribed in this section. No such observers shall receive any compensation from the county, municipal corporation, or township, and they shall take the following oath, to be administered by one of the precinct election officials:

"You do solemnly swear that you will faithfully and impartially discharge the duties as an official observer, assigned by law; that you will not cause any delay to persons offering to vote; and that you will not disclose or communicate to any person how any elector has voted at such election."

Sec. 3505.331. (A) After declaring the official results of a general election or of a primary election held in an even-numbered year, as described in section 3505.33 of the Revised Code, the board of elections shall audit those results in accordance with this section. Except as otherwise provided in this division, the board shall begin the audit not earlier than six days after it declares the official results and shall complete the audit not later than the twenty-first day after it declares the official results. If the board conducts a recount, the board shall begin the audit immediately after the board certifies the results of the recount and shall complete the audit not later than the fourteenth day after it certifies the results of the recount.

(B) The board shall conduct the audit in accordance with procedures prescribed by the secretary of state, which shall include all of the following:

(1)(a) Except as otherwise provided in division (B)(1)(b) of
this section, a requirement that the board audit not less than
three contested races, questions, or issues, as directed by the
secretary of state. If fewer than three contested races,
questions, or issues appear on the ballot at the election, then
the board shall audit every contested race, question, and issue.
In any election, every contested race, question, or issue shall be
eligible to be audited.

(b) If the board ordered a countywide recount of the results
of a race, question, or issue under section 3515.011 of the
Revised Code, the recount shall be considered an audit for
purposes of meeting the requirement that the board audit not less
than three contested races, questions, or issues.

(2) A requirement that every ballot that was included in the
canvass of the election returns be eligible to be audited,
including regular ballots cast on the day of the election, absent
voter's ballots, and provisional ballots.

(3) Either a provision allowing the board to choose one of
the following protocols to use in conducting the audit or a
provision requiring the board to use a protocol selected by the
secretary of state from the following protocols in conducting the
audit:

(a) A risk-limiting audit protocol, which shall use
statistical methods to limit to acceptable levels the risk of
certifying an incorrect outcome for a particular race, question,
or issue. The protocol shall require bipartisan teams of election
officials to physically examine and hand count randomly sampled
ballots and to continue the hand counting until the results of the
hand count provide sufficiently strong evidence that a hand count
of all of the ballots would confirm the election result declared
under section 3505.33 of the Revised Code or until all of the
ballots have been hand counted, whichever occurs first.
(b)(i) A percentage-based audit protocol, which shall require bipartisan teams of election officials to physically examine and hand count a number of randomly sampled ballots equal to a given percentage of the total number of ballots cast in the county at that election, as prescribed by the secretary of state. After the election officials complete the initial audit, the board shall calculate, as a percentage, the accuracy rate of each audited race, question, or issue by dividing the sum of any discrepancies for the race, question, or issue discovered during the audit by the total number of ballots audited for the race, question, or issue and subtracting the resulting number from one.

(ii) If the accuracy rate for an audited race, question, or issue is less than the acceptable accuracy rate prescribed by the secretary of state, the board shall escalate the audit of that race, question, or issue by requiring bipartisan teams of election officials to physically examine and hand count a second set of randomly sampled ballots equal to a given percentage of the total number of ballots cast in the county at that election, as prescribed by the secretary of state. The second set of ballots shall not include any ballots that were included in the first set of audited ballots. After the election officials have counted the second set of ballots, the board shall calculate the combined accuracy rate for both audited sets of ballots for that race, question, or issue.

(c) Another audit protocol approved by the secretary of state.

(C) The board shall give public notice of the times and places for preparing for and conducting the audit in accordance with section 121.22 of the Revised Code. At all times while the board prepares for and conducts the audit, the board shall permit observers appointed under section 3505.21 of the Revised Code.

No person other than a member of the board or a designated
employee of the board shall be permitted to handle a ballot.

(D)(1) Not later than five days after completing the audit, the board shall certify the results of the audit to the secretary of state in the form and by the method prescribed by the secretary of state. The secretary of state shall make the results of the audit available to the public on the secretary of state's official web site.

(2) If the board conducted a percentage-based audit and was required to escalate the audit of a race, question, or issue under division (B)(3)(b)(ii) of this section, and the combined accuracy rate for that race, question, or issue is less than the acceptable combined accuracy rate prescribed by the secretary of state, the secretary of state may require the board to order bipartisan teams of election officials to physically examine and hand count all ballots cast for that race, question, or issue. The requirements of division (C) of this section apply to any full hand count conducted under this division.

(3) If the results of the completed audit or the results of any full hand count ordered under division (D)(2) of this section indicate that the canvass or the previously declared official election results must be amended, the board promptly shall amend the canvass or issue an amended declaration of the official results, as applicable.

(E) As used in this section:

(1) "Ballot" means either a paper ballot or the relevant entry on a voter verified paper audit trail.

(2) "Voter verified paper audit trail" has the same meaning as in section 3506.01 of the Revised Code.

Sec. 3513.01. (A) Except as otherwise provided in this section and section 3517.012 of the Revised Code, on the second
Tuesday after the first Monday in March of 2016 and every fourth year thereafter, and on the first Tuesday after the first Monday in May of every other year, primary elections shall be held as provided in division (E) of section 3501.01 of the Revised Code for the purpose of nominating persons as candidates of political parties for election to offices to be voted for at the succeeding general election.

(B) The manner of nominating persons as candidates for election as officers of a municipal corporation having a population of two thousand or more, as ascertained by the most recent federal census, shall be the same as the manner in which candidates were nominated for election as officers in the municipal corporation in 1989 unless the manner of nominating such candidates is changed under division (C), (D), or (E) of this section.

(C) Primary elections shall not be held for the nomination of candidates for election as officers of any township, or any municipal corporation having a population of less than two thousand, unless a majority of the electors of any such township or municipal corporation, as determined by the total number of votes cast in such township or municipal corporation for the office of governor at the most recent regular state election, files with the board of elections of the county within which such township or municipal corporation is located, or within which the major portion of the population thereof is located, if the municipal corporation is situated in more than one county, not later than one hundred twenty days before the day of a primary election, a petition signed by such electors asking that candidates for election as officers of such township or municipal corporation be nominated as candidates of political parties, in which event primary elections shall be held in such township or municipal corporation for the purpose of nominating persons as
candidates of political parties for election as officers of such township or municipal corporation to be voted for at the succeeding regular municipal election. In a township or municipal corporation where a majority of the electors have filed a petition asking that candidates for election as officers of the township or municipal corporation be nominated as candidates of political parties, the nomination of candidates for a nonpartisan election may be reestablished in the manner prescribed in division (E) of this section.

(D)(1) The electors in a municipal corporation having a population of two thousand or more, in which municipal officers were nominated in the most recent election by nominating petition and elected by nonpartisan election, may place on the ballot in the manner prescribed in division (D)(2) of this section the question of changing to the primary-election method of nominating persons as candidates for election as officers of the municipal corporation.

(2) The board of elections of the county within which the municipal corporation is located, or, if the municipal corporation is located in more than one county, of the county within which the major portion of the population of the municipal corporation is located, shall, upon receipt of a petition signed by electors of the municipal corporation equal in number to at least ten per cent of the vote cast at the most recent regular municipal election, submit to the electors of the municipal corporation the question of changing to the primary-election method of nominating persons as candidates for election as officers of the municipal corporation. The ballot language shall be substantially as follows:

"Shall candidates for election as officers of ............ (name of municipal corporation) in the county of ............ (name of county) be nominated as candidates of political parties?"
The question shall be placed on the ballot at the next general election in an even-numbered year occurring at least ninety days after the petition is filed with the board. If a majority of the electors voting on the question vote in the affirmative, candidates for election as officers of the municipal corporation shall thereafter be nominated as candidates of political parties in primary elections, under division (A) of this section, unless a change in the manner of nominating persons as candidates for election as officers of the municipal corporation is made under division (E) of this section.

(E)(1) The electors in a township or municipal corporation in which the township or municipal officers are nominated as candidates of political parties in a primary election may place on the ballot, in the manner prescribed in division (E)(2) of this section, the question of changing to the nonpartisan method of nominating persons as candidates for election as officers of the township or municipal corporation.

(2) The board of elections of the county within which the township or municipal corporation is located, or, if the municipal corporation is located in more than one county, of the county within which the major portion of the population of the municipal corporation is located, shall, upon receipt of a petition signed by electors of the township or municipal corporation equal in number to at least ten per cent of the vote cast at the most recent regular township or municipal election, as appropriate, submit to the electors of the township or municipal corporation, as appropriate, the question of changing to the nonpartisan method of nominating persons as candidates for election as officers of the township or municipal corporation. The ballot language shall be substantially as follows:

The name of a candidate for the presidency shall not be so used without the candidate's written consent.

A person who is a first choice for president of candidates seeking election as delegates and alternates shall file with the secretary of state, prior to the day of the election, a list indicating the order in which certificates of election are to be issued to delegate or alternate candidates to whose candidacy the person has consented, if fewer than all of such candidates are entitled under party rules to be certified as elected. A campaign committee shall only be required to file the statements prescribed under divisions (A)(1) and (2) of this section in connection with the nomination or election of the committee's candidate.

The statement required under division (A)(1) of this section
shall not be required of any campaign committee, political action
commitee, legislative campaign fund, political party, or

twentieth day before the election. Those contributions and
expenditures shall be reported in the statement required under
division (A)(2) of this section.

If an election to select candidates to appear on the general
election ballot is held within sixty days before a general
election, the campaign committee of a successful candidate in the
earlier election may file the statement required by division
(A)(1) of this section for the general election instead of the
statement required by division (A)(2) of this section for the
earlier election if the pregeneric election statement reflects the
status of contributions and expenditures for the period twenty
days before the earlier election to twenty days before the general
election.

If a person becomes a candidate less than twenty days before
an election, the candidate's campaign committee is not required to
file the statement required by division (A)(1) of this section.

No statement under division (A)(3) of this section shall be
required for any year in which a campaign committee, political
action committee, legislative campaign fund, political party, or
political contributing entity is required to file a postgeneral
election statement under division (A)(2) of this section. However,
a statement under division (A)(3) of this section may be filed, at
the option of the campaign committee, political action committee,
legislative campaign fund, political party, or political
contributing entity.

No campaign committee of a candidate for the office of chief
justice or justice of the supreme court, and no campaign committee
of a candidate for the office of judge of any court in this state, shall be required to file a statement under division (A)(4) of this section.

Except as otherwise provided in this paragraph and in the next paragraph of this section, the only campaign committees required to file a statement under division (A)(4) of this section are the campaign committee of a statewide candidate and the campaign committee of a candidate for county office. The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A)(4) of this section if that campaign committee receives, during that period, contributions exceeding ten thousand dollars.

No statement under division (A)(4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A)(2) of this section. However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A)(3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall file a statement to that effect, on a form prescribed under
this section and made under penalty of election falsification, on
the date required in division (A)(3) or (4) of this section, as
applicable.

The campaign committee of a statewide candidate shall file a
monthly statement of contributions received during each of the
months of July, August, and September in the year of the general
election in which the candidate seeks office. The campaign
committee of a statewide candidate shall file the monthly
statement not later than three business days after the last day of
the month covered by the statement. During the period beginning on
the nineteenth day before the general election in which a
statewide candidate seeks election to office and extending through
the day of that general election, each time the campaign committee
of the joint candidates for the offices of governor and lieutenant
governor or of a candidate for the office of secretary of state,
auditor of state, treasurer of state, or attorney general receives
a contribution from a contributor that causes the aggregate amount
of contributions received from that contributor during that period
to equal or exceed ten thousand dollars and each time the campaign
committee of a candidate for the office of chief justice or
justice of the supreme court receives a contribution from a
contributor that causes the aggregate amount of contributions
received from that contributor during that period to exceed ten
thousand dollars, the campaign committee shall file a
two-business-day statement reflecting that contribution.
Contributions reported on a two-business-day statement required to
be filed by a campaign committee of a statewide candidate in a
primary election shall also be included in the postprimary
election statement required to be filed by that campaign committee
under division (A)(2) of this section. A two-business-day
statement required by this paragraph shall be filed not later than
two business days after receipt of the contribution. The
statements required by this paragraph shall be filed in addition
to any other statements required by this section.

Subject to the secretary of state having implemented, tested, and verified the successful operation of any system the secretary of state prescribes pursuant to divisions (C)(6)(b) and (D)(6) of this section and division (H)(1) of section 3517.106 of the Revised Code for the filing of campaign finance statements by electronic means of transmission, a campaign committee of a statewide candidate shall file a two-business-day statement under the preceding paragraph by electronic means of transmission if the campaign committee is required to file a pre-election, postelection, or monthly statement of contributions and expenditures by electronic means of transmission under this section or section 3517.106 of the Revised Code.

If a campaign committee or political action committee has no balance on hand and no outstanding obligations and desires to terminate itself, it shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, with the official with whom it files a statement under division (A) of this section after filing a final statement of contributions and a final statement of expenditures, if contributions have been received or expenditures made since the period reflected in its last previously filed statement.

(B) Except as otherwise provided in division (C)(7) of this section, each statement required by division (A) of this section shall contain the following information:

(1) The full name and address of each campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity, including any treasurer of the committee, fund, party, or entity, filing a contribution and expenditure statement;

The requirement of filing the full address does not apply to any statement filed by a state or local committee of a political party, to a finance committee of such committee, or to a committee recognized by a state or local committee as its fund-raising auxiliary. Notwithstanding division (F) of this section, the requirement of filing the full address shall be considered as being met if the address filed is the same address the contributor provided under division (E)(1) of this section.

(ii) If a political action committee, political contributing entity, legislative campaign fund, or political party that is required to file campaign finance statements by electronic means of transmission under section 3517.106 of the Revised Code or a campaign committee of a statewide candidate or candidate for the office of member of the general assembly receives a contribution from an individual that exceeds one hundred dollars, the name of the individual's current employer, if any, or, if the individual is self-employed, the individual's occupation and the name of the...
individual's business, if any;

(iii) If a campaign committee of a statewide candidate or candidate for the office of member of the general assembly receives a contribution transmitted pursuant to section 3599.031 of the Revised Code from amounts deducted from the wages and salaries of two or more employees that exceeds in the aggregate one hundred dollars during any one filing period under division (A)(1), (2), (3), or (4) of this section, the full name of the employees' employer and the full name of the labor organization of which the employees are members, if any.

(c) A description of the contribution received, if other than money;

An account of the total contributions from each social or fund-raising activity shall include a description of and the value of each in-kind contribution received at that activity from any person who made one or more such contributions whose aggregate value exceeded two hundred fifty dollars and shall be listed separately, together with the expenses incurred and paid in connection with that activity. A campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall keep records of contributions from each person in the amount of twenty-five dollars or less at one social
or fund-raising activity and contributions from amounts deducted under section 3599.031 of the Revised Code from the wages and salary of each employee in the amount of twenty-five dollars or less aggregated in a calendar year. No continuing association that is recognized by a state or local committee of a political party as an auxiliary of the party and that makes a contribution from funds derived solely from regular dues paid by members of the auxiliary shall be required to list the name or address of any members who paid those dues.

Contributions that are other income shall be itemized separately from all other contributions. The information required under division (B)(4) of this section shall be provided for all other income itemized. As used in this paragraph, "other income" means a loan, investment income, or interest income.

(f) In the case of a campaign committee of a state elected officer, if a person doing business with the state elected officer in the officer's official capacity makes a contribution to the campaign committee of that officer, the information required under division (B)(4) of this section in regard to that contribution, which shall be filed together with and considered a part of the committee's statement of contributions as required under division (A) of this section but shall be filed on a separate form provided by the secretary of state. (ii) "Person doing business" means a person or an officer of an entity who enters into one or more contracts with a state elected officer or anyone authorized to enter into contracts on behalf of that officer to receive payments for goods or services, if the payments total, in the aggregate, more than five thousand dollars during a calendar year.

(b) The secretary of state shall prescribe the form for all statements required to be filed under this section and shall furnish the forms to the boards of elections in the several counties. The boards of elections shall supply printed copies of those forms without charge. The secretary of state shall prescribe

or section 3517.105, 3517.106, 3517.1011, 3517.1012, 3517.1013, or
3517.1014 of the Revised Code. If, in the opinion of the secretary
of state, training in these areas is necessary, the secretary of
state shall arrange for the provision of voluntary training
programs for candidates, campaign committees, political action

(H)(1) Except as otherwise provided in division (H)(2) of this section, if, during the combined pre-election and post-election reporting periods for an election, a campaign committee has received contributions of five hundred dollars or less and has made expenditures in the total amount of five hundred dollars or less, it may file a statement to that effect, under penalty of election falsification, in lieu of the statement required by division (A)(2) of this section. The statement shall indicate the total amount of contributions received and the total amount of expenditures made during those combined reporting periods.

(2) In the case of a successful candidate at a primary
election, if either the total contributions received by or the total expenditures made by the candidate's campaign committee during the preprimary, postprimary, pregeneral, and postgeneral election periods combined equal more than five hundred dollars, the campaign committee may file the statement under division (H)(1) of this section only for the primary election. The certificate shall be on a form prescribed by the secretary of state and shall be filed not later than ten days after the candidate files a declaration of candidacy and petition, a nominating petition, or a declaration of intent to be a write-in candidate.

(2) Except as otherwise provided in division (K)(3) of this section, a campaign committee that files a certificate under division (K)(1) of this section is not required to file the statements required by division (A) of this section.

(b) Anesthesia is administered in the facility by an anesthesiologist or certified registered nurse anesthetist, and the facility functions separately from a hospital's inpatient surgical service and from the offices of private physicians, podiatrists, and dentists.

In the case of an ambulatory surgical facility, the standards shall require the ambulatory surgical facility to maintain an infection control program. The purposes of the program are to minimize infections and communicable diseases and facilitate a functional and sanitary environment consistent with standards of professional practice. To achieve these purposes, ambulatory surgical facility staff managing the program shall create and administer a plan designed to prevent, identify, and manage infections and communicable diseases; ensure that the program is directed by a qualified professional trained in infection control; ensure that the program is an integral part of the ambulatory surgical facility's quality assessment and performance improvement program; and implement in an expeditious manner corrective and preventive measures that result in improvement.

pollution control regulatory services within the political subdivision represented by the local air pollution control authority. The director may enter into such a delegation agreement with a local air pollution control authority established on or after the effective date of this section, subject to the condition established in division (B) of this section. Each delegation agreement shall be self-renewing on an annual basis on the first day of October of each year. The terms of each such delegation agreement shall remain unchanged from year to year unless they are amended by mutual agreement of the director and the local air pollution control authority.

(B) The director may conduct a periodic performance evaluation of the air pollution control program operated by each local air pollution control authority. The director biennially shall review the
workload of each local air pollution control authority and shall determine the percentage of the moneys available for the purpose of making payments under the contracts. In determining the percentage of those moneys that is to be so distributed, the director shall consider the recommendations of the local air pollution control authorities.

(D) The director may modify a contract between the director and a local air pollution control authority to authorize the local air pollution control authority to perform air pollution control activities outside the geographic boundaries of that local air pollution control authority.

Sec. 3704.14. (A)(1) If the director of environmental protection determines that implementation of a motor vehicle inspection and maintenance program is necessary for the state to effectively comply with the federal Clean Air Act after June 30, 2015, the director may provide for the implementation of the program in those counties in this state in which such a program is federally mandated. Upon making such a determination, the director of environmental protection may request the director of administrative services to extend the terms of the contract that was entered into under the authority of Am. Sub. H.B. 153 of the 129th general assembly. Upon receiving the request, the director of administrative services shall extend the contract, beginning on July 1, 2015, in accordance with this section. The contract shall be extended for a period of up to twenty-four months with the contractor who conducted the motor vehicle inspection and maintenance program under that contract.

(2) Prior to the expiration of the contract extension that is authorized by division (A)(1) of this section, the director of environmental protection shall request the director of administrative services to enter into a contract with a vendor to
operate a decentralized motor vehicle inspection and maintenance program in each county in this state in which such a program is federally mandated through June 30, 2019, with an option for the state to renew the contract for a period of up to twenty-four months through June 30, 2021. The contract shall ensure that the decentralized motor vehicle inspection and maintenance program achieves at least the same emission reductions as achieved by the program operated under the authority of the contract that was extended under division (A)(1) of this section. The director of administrative services shall select a vendor through a competitive selection process in compliance with Chapter 125. of the Revised Code.

(3) Notwithstanding any law to the contrary, the director of administrative services shall ensure that a competitive selection process regarding a contract to operate a decentralized motor vehicle inspection and maintenance program in this state incorporates the following, which shall be included in the contract:

(a) For purposes of expanding the number of testing locations for consumer convenience, a requirement that the vendor utilize established local businesses, auto repair facilities, or leased properties to operate state-approved inspection and maintenance testing facilities;

(b) A requirement that the vendor selected to operate the program provide notification of the program's requirements to each owner of a motor vehicle that is required to be inspected under the program. The contract shall require the notification to be provided not later than sixty days prior to the date by which the owner of the motor vehicle is required to have the motor vehicle inspected. The director of environmental protection and the vendor shall jointly agree on the content of the notice. However, the notice shall include at a minimum the locations of all inspection
facilities within a specified distance of the address that is listed on the owner's motor vehicle registration;

(c) A requirement that the vendor comply with testing methodology and supply the required equipment approved by the director of environmental protection as specified in the competitive selection process in compliance with Chapter 125. of the Revised Code.

(4) A decentralized motor vehicle inspection and maintenance program operated under this section shall comply with division (B) of this section. The director of environmental protection shall administer the decentralized motor vehicle inspection and maintenance program operated under this section.

(1) Comply with the federal Clean Air Act;

(2) Provide for the issuance of inspection certificates;

(3) Provide for a new car exemption for motor vehicles four years old or newer and provide that a new motor vehicle is exempt for four years regardless of whether legal title to the motor vehicle is transferred during that period.

(C) The director of environmental protection shall adopt rules in accordance with Chapter 119. of the Revised Code that the director determines are necessary to implement this section. The director may continue to implement and enforce rules pertaining to the motor vehicle inspection and maintenance program previously implemented under former section 3704.14 of the Revised Code as that section existed prior to its repeal and reenactment by Am. Sub. H.B. 66 of the 126th general assembly, provided that the rules do not conflict with this section.
(D) There is hereby created in the state treasury the auto emissions test fund, which shall consist of money received by the director from any cash transfers, state and local grants, and other contributions that are received for the purpose of funding the program established under this section. The director of environmental protection shall use money in the fund solely for the implementation, supervision, administration, operation, and enforcement of the motor vehicle inspection and maintenance program established under this section. Money in the fund shall not be used for either of the following:

(1) To pay for the inspection costs incurred by a motor vehicle dealer so that the dealer may provide inspection certificates to an individual purchasing a motor vehicle from the dealer when that individual resides in a county that is subject to the motor vehicle inspection and maintenance program;

(2) To provide payment for more than one free passing emissions inspection or a total of three emissions inspections for a motor vehicle in any three-hundred-sixty-five-day period. The owner or lessee of a motor vehicle is responsible for inspection fees that are related to emissions inspections beyond one free passing emissions inspection or three total emissions inspections in any three-hundred-sixty-five-day period. Inspection fees that are charged by a contractor conducting emissions inspections under a motor vehicle inspection and maintenance program shall be approved by the director of environmental protection.

(E) The motor vehicle inspection and maintenance program established under this section expires upon the termination of all contracts entered into under this section and shall not be implemented beyond the final date on which termination occurs.

Sec. 3705.07. (A) The local registrar of vital statistics shall number consecutively each fetal death and death certificate

electronic death registration system (EDRS) maintained by the
department of health. The number assigned to each certificate
shall be the one provided by EDRS. Such local registrar shall sign
the local registrar's name in attest to the date of filing in the
local office. The local registrar shall make a complete and
accurate copy of each fetal death and death certificate printed on
paper that is filed. Each paper copy shall be filed and preserved
as the local record until the electronic information regarding the
event has been completed and made available in EDRS and EDRS is
capable of issuing a complete and accurate electronic copy of the
certificate. The local record may be a photographic, electronic,
or other reproduction. The local registrar shall transmit to the
state office of vital statistics all original fetal death and
death certificates received using the state transmittal schedule
specified by the department of health. The local registrar shall
immediately notify the health commissioner with jurisdiction in
the registration district of the receipt of a death certificate
attesting that death resulted from a communicable disease.

The office of vital statistics shall carefully examine the
records and certificates received from local registrars of vital
statistics and shall secure any further information that may be
necessary to make each record and certificate complete and
satisfactory. It shall arrange and preserve the records and
certificates, or reproductions of them produced pursuant to
section 3705.03 of the Revised Code, in a systematic manner and
shall maintain a permanent index of all births, fetal deaths, and
deaths registered, which shall show the name of the child or
deceased person, place and date of birth or death, and number of
the certificate.

the division of child support in the department of job and family
services all social security numbers that accompany a birth certificate submitted for filing under division (H) of section 3705.09 or section 3705.10 of the Revised Code or that accompany a death certificate registered under section 3705.16 of the Revised Code to both of the following:

(a) For the purpose of child support enforcement, the division of child support in the department of job and family services;

(b) For the purpose of eligibility determinations for medical assistance programs as defined in section 5160.01 of the Revised Code, the department of medicaid.

(2) The office of vital statistics also shall make available to the division of child support in the department of job and family services any other information recorded in the birth record that may enable the division to use the social security numbers provided under division (B)(1) of this section to obtain the location of the father of the child whose birth certificate was accompanied by the social security number or to otherwise enforce a child support order pertaining to that child or any other child.

(E) When a birth occurs in a moving conveyance within the United States and the child is first removed from the conveyance in this state, the birth shall be registered in this state and the place where it is first removed shall be considered the place of birth. When a birth occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the child is first removed from the conveyance in this state, the birth shall be registered in this state but the record shall show the actual place of birth insofar as can be determined.

(F)(1) If the mother of a child was married at the time of either conception or birth or between conception and birth, the child shall be registered in the surname designated by the mother, and the name of the husband shall be entered on the certificate as the father of the child. The presumption of paternity shall be in
accordance with section 3111.03 of the Revised Code.

(2) If the mother was not married at the time of conception or birth or between conception and birth, the child shall be registered by the surname designated by the mother. The name of the father of such child shall also be inserted on the birth certificate if both the mother and the father sign an acknowledgement of paternity affidavit before the birth record has been sent to the local registrar. If the father is not named on the birth certificate pursuant to division (F)(1) or (2) of this section, no other information about the father shall be entered on the record.

(G) When a man is presumed, found, or declared to be the father of a child, according to section 2105.26, sections 3111.01 to 3111.18, former section 3111.21, or sections 3111.38 to 3111.54 of the Revised Code, or the father has acknowledged the child as his child in an acknowledgment of paternity, and the acknowledgment has become final pursuant to section 2151.232, 3111.25, or 3111.821 of the Revised Code, and documentary evidence of such fact is submitted to the department of health in such form as the director may require, a new birth record shall be issued by the department which shall have the same overall appearance as the record which would have been issued under this section if a marriage had occurred before the birth of such child. Where handwriting is required to effect such appearance, the department shall supply it. Upon the issuance of such new birth record, the original birth record shall cease to be a public record. Except as provided in division (C) of section 3705.091 of the Revised Code, the original record and any documentary evidence supporting the new registration of birth shall be placed in an envelope which shall be sealed by the department and shall not be open to inspection or copy unless so ordered by a court of competent jurisdiction.
(H) Every birth certificate filed under this section on or after July 1, 1990, shall be accompanied by all social security numbers that have been issued to the parents of the child, unless the division of child support in the department of job and family services, acting in accordance with regulations prescribed under the "Family Support Act of 1988," 102 Stat. 2353, 42 U.S.C.A. 405, as amended, finds good cause for not requiring that the numbers be furnished with the certificate. The parents' social security numbers shall not be recorded on the certificate. No social security number obtained under this division shall be used for any purpose other than child support enforcement the purposes specified in division (B)(1) of section 3705.07 of the Revised Code.

Sec. 3705.10. Any birth certificate submitted for filing eleven or more days after the birth occurred constitutes a delayed birth registration. A delayed birth certificate may be filed in accordance with rules which shall be adopted by the director of health. The rules shall include, but not be limited to, all of the following requirements for each delayed birth certificate filed on or after July 1, 1990:

(A) The certificate shall be accompanied by all social security numbers that have been issued to the parents of the child, unless the division of child support in the department of job and family services, acting in accordance with regulations prescribed under the "Family Support Act of 1988," 102 Stat. 2353, 42 U.S.C.A. 405, as amended, finds good cause for not requiring that the numbers be furnished with the certificate.

(B) The parents' social security numbers shall not be recorded on the certificate.

(C) No social security number obtained under this section shall be used for any purpose other than child support enforcement.
the purposes specified in division (B)(1) of section 3705.07 of the Revised Code.

are not remitted within thirty days after the last day of the
month to which the return applies or are not remitted by the last
day of an extension approved by the director, the owner or
operator shall not retain the three-fourths of one per cent
discount and shall pay an additional ten per cent of the amount of
the fees for each month that they are late. For purposes of calculating the late fee, the first month in which fees are late begins on the first day after the deadline has passed for timely submitting the return and fees, and one additional month shall be counted every thirty days thereafter.

The owner or operator of a solid waste facility may request a refund or credit of fees levied under this division and remitted to the director that have not been paid to the owner or operator. Such a request shall be made only if the fees have not been collected by the owner or operator, have become a debt that has become worthless or uncollectable for a period of six months or more, and may be claimed as a deduction, including a deduction claimed if the owner or operator keeps accounts on an accrual basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 U.S.C. 166, as amended, and regulations adopted under it. Prior to making a request for a refund or credit, an owner or operator shall make reasonable efforts to collect the applicable fees. A request for a refund or credit shall not include any costs resulting from those efforts to collect unpaid fees.

A request for a refund or credit of fees shall be made in writing, on a form prescribed by the director, and shall be supported by evidence that may be required in rules adopted by the director under this chapter. After reviewing the request, and if the request and evidence submitted with the request indicate that a refund or credit is warranted, the director shall grant a refund to the owner or operator or shall permit a credit to be taken by the owner or operator on a subsequent monthly return submitted by the owner or operator. The amount of a refund or credit shall not exceed an amount that is equal to ninety days' worth of fees owed to an owner or operator by a particular debtor of the owner or operator. A refund or credit shall not be granted by the director to an owner or operator more than once in any twelve-month period.
for fees owed to the owner or operator by a particular debtor. If, after receiving a refund or credit from the director, an owner or operator receives payment of all or part of the fees, the owner or operator shall remit the fees with the next monthly return submitted to the director together with a written explanation of the reason for the submittal.

For purposes of computing the fees levied under this division or division (B) of this section, any solid waste transfer or disposal facility that does not use scales as a means of determining gate receipts shall use a conversion factor of three cubic yards per ton of solid waste or one cubic yard per ton for baled waste, as applicable.

The fees levied under this division and divisions (B) and (C) of this section are in addition to all other applicable fees and taxes and shall be paid by the customer or a political subdivision to the owner or operator of a solid waste transfer or disposal facility. In the alternative, the fees shall be paid by a customer or political subdivision to a transporter of waste who subsequently transfers the fees to the owner or operator of such a facility. The fees shall be paid notwithstanding the existence of any provision in a contract that the customer or a political subdivision may have with the owner or operator or with a transporter of waste to the facility that would not require or allow such payment regardless of whether the contract was entered prior to or after October 16, 2009. For those purposes, "customer" means a person who contracts with, or utilizes the solid waste services of, the owner or operator of a solid waste transfer or disposal facility or a transporter of solid waste to such a facility.

(B) For the purposes specified in division (G) of this section, the solid waste management policy committee of a county or joint solid waste management district may levy fees upon the
following activities:

(1) The disposal at a solid waste disposal facility located in the district of solid wastes generated within the district;

(2) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of the district, but inside this state;

(3) The disposal at a solid waste disposal facility within the district of solid wastes generated outside the boundaries of this state.

The solid waste management plan of the county or joint district approved under section 3734.521 or 3734.55 of the Revised Code and any amendments to it, or the resolution adopted under this division, as appropriate, shall establish the rates of the fees levied under divisions (B)(1), (2), and (3) of this section, if any, and shall specify whether the fees are levied on the basis of tons or cubic yards as the unit of measurement. A solid waste management district that levies fees under this division on the basis of cubic yards shall do so in accordance with division (A) of this section.

The fee levied under division (B)(1) of this section shall be not less than one dollar per ton nor more than two dollars per ton, the fee levied under division (B)(2) of this section shall be not less than two dollars per ton nor more than four dollars per ton, and the fee levied under division (B)(3) of this section shall be not more than the fee levied under division (B)(1) of this section.

Prior to the approval of the solid waste management plan of a district under section 3734.55 of the Revised Code, the solid waste management policy committee of a district may levy fees under this division by adopting a resolution establishing the proposed amount of the fees. Upon adopting the resolution, the
committee shall deliver a copy of the resolution to the board of
county commissioners of each county forming the district and to
the legislative authority of each municipal corporation and
township under the jurisdiction of the district and shall prepare
and publish the resolution and a notice of the time and location
where a public hearing on the fees will be held. Upon adopting the
resolution, the committee shall deliver written notice of the
adoption of the resolution; of the amount of the proposed fees;
and of the date, time, and location of the public hearing to the
director and to the fifty industrial, commercial, or institutional
generators of solid wastes within the district that generate the
largest quantities of solid wastes, as determined by the
committee, and to their local trade associations. The committee
shall make good faith efforts to identify those generators within
the district and their local trade associations, but the
nonprovision of notice under this division to a particular
generator or local trade association does not invalidate the
proceedings under this division. The publication shall occur at
least thirty days before the hearing. After the hearing, the
committee may make such revisions to the proposed fees as it
considers appropriate and thereafter, by resolution, shall adopt
the revised fee schedule. Upon adopting the revised fee schedule,
the committee shall deliver a copy of the resolution doing so to
the board of county commissioners of each county forming the
district and to the legislative authority of each municipal
corporation and township under the jurisdiction of the district.
Within sixty days after the delivery of a copy of the resolution
adopting the proposed revised fees by the policy committee, each
such board and legislative authority, by ordinance or resolution,
shall approve or disapprove the revised fees and deliver a copy of
the ordinance or resolution to the committee. If any such board or
legislative authority fails to adopt and deliver to the policy
committee an ordinance or resolution approving or disapproving the
revised fees within sixty days after the policy committee
delivered its resolution adopting the proposed revised fees, it
shall be conclusively presumed that the board or legislative
authority has approved the proposed revised fees. The committee
shall determine if the resolution has been ratified in the same
manner in which it determines if a draft solid waste management
plan has been ratified under division (B) of section 3734.55 of
the Revised Code.

The committee may amend the schedule of fees levied pursuant
to a resolution adopted and ratified under this division by
adopting a resolution establishing the proposed amount of the
amended fees. The committee may repeal the fees levied pursuant to
such a resolution by adopting a resolution proposing to repeal
them. Upon adopting such a resolution, the committee shall proceed
to obtain ratification of the resolution in accordance with this
division.

Not later than fourteen days after declaring the new fees to
be ratified or the fees to be repealed under this division, the
committee shall notify by certified mail the owner or operator of
each solid waste disposal facility that is required to collect the
fees of the ratification and the amount of the fees or of the
repeal of the fees. Collection of any fees shall commence or
collection of repealed fees shall cease on the first day of the
second month following the month in which notification is sent to
the owner or operator.

Fees levied under this division also may be established,
amended, or repealed by a solid waste management policy committee
through the adoption of a new district solid waste management
plan, the adoption of an amended plan, or the amendment of the
plan or amended plan in accordance with sections 3734.55 and
3734.56 of the Revised Code or the adoption or amendment of a
district plan in connection with a change in district composition
under section 3734.521 of the Revised Code.

Not later than fourteen days after the director issues an order approving a district's solid waste management plan, amended plan, or amendment to a plan or amended plan that establishes, amends, or repeals a schedule of fees levied by the district, the committee shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees of the approval of the plan or amended plan, or the amendment to the plan, as appropriate, and the amount of the fees, if any.

In the case of an initial or amended plan approved under section 3734.521 of the Revised Code in connection with a change in district composition, other than one involving the withdrawal of a county from a joint district, the committee, within fourteen days after the change takes effect pursuant to division (G) of that section, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fees that the change has taken effect and of the amount of the fees, if any. Collection of any fees shall commence or collection of repealed fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, forty-five days or more before the beginning of a calendar year, the policy committee of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change, within fourteen days after the director's completion of the required actions, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the
change is to take effect on the first day of January immediately following the issuance of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of January immediately following the issuance of the notice. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on that first day of January.

If, in the case of a change in district composition involving the withdrawal of a county from a joint district, the director completes the actions required under division (G)(1) or (3) of section 3734.521 of the Revised Code, as appropriate, less than forty-five days before the beginning of a calendar year, the director, on behalf of each of the districts resulting from the change that obtained the director's approval of an initial or amended plan in connection with the change proceedings, shall notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the district's fees that the change is to take effect on the first day of January immediately following the mailing of the notice and of the amount of the fees or amended fees levied under divisions (B)(1) to (3) of this section pursuant to the district's initial or amended plan as so approved or, if appropriate, the repeal of the district's fees by that initial or amended plan. Collection of any fees set forth in such a plan or amended plan shall commence on the first day of the second month following the month in which notification is sent to the owner or operator. If such an initial or amended plan repeals a schedule of fees, collection of the fees shall cease on the first day of the second month following the month in which notification is sent to the owner or operator.
If the schedule of fees that a solid waste management district is levying under divisions (B)(1) to (3) of this section is amended or repealed, the fees in effect immediately prior to the amendment or repeal shall continue to be collected until collection of the amended fees commences or collection of the repealed fees ceases, as applicable, as specified in this division. In the case of a change in district composition, money so received from the collection of the fees of the former districts shall be divided among the resulting districts in accordance with division (B) of section 343.012 of the Revised Code and the agreements entered into under division (B) of section 343.01 of the Revised Code to establish the former and resulting districts and any amendments to those agreements.

For the purposes of the provisions of division (B) of this section establishing the times when newly established or amended fees levied by a district are required to commence and the collection of fees that have been amended or repealed is required to cease, "fees" or "schedule of fees" includes, in addition to fees levied under divisions (B)(1) to (3) of this section, those levied under section 3734.573 or 3734.574 of the Revised Code.

(C) For the purposes of defraying the added costs to a municipal corporation or township of maintaining roads and other public facilities and of providing emergency and other public services, and compensating a municipal corporation or township for reductions in real property tax revenues due to reductions in real property valuations resulting from the location and operation of a solid waste disposal facility within the municipal corporation or township, a municipal corporation or township in which such a solid waste disposal facility is located may levy a fee of not more than twenty-five cents per ton on the disposal of solid wastes at a solid waste disposal facility located within the boundaries of the municipal corporation or township regardless of
where the wastes were generated.

The legislative authority of a municipal corporation or township may levy fees under this division by enacting an ordinance or adopting a resolution establishing the amount of the fees. Upon so doing the legislative authority shall mail a certified copy of the ordinance or resolution to the board of county commissioners or directors of the county or joint solid waste management district in which the municipal corporation or township is located or, if a regional solid waste management authority has been formed under section 343.011 of the Revised Code, to the board of trustees of that regional authority, the owner or operator of each solid waste disposal facility in the municipal corporation or township that is required to collect the fee by the ordinance or resolution, and the director of environmental protection. Although the fees levied under this division are levied on the basis of tons as the unit of measurement, the legislative authority, in its ordinance or resolution levying the fees under this division, may direct that the fees be levied on the basis of cubic yards as the unit of measurement based upon a conversion factor of three cubic yards per ton generally or one cubic yard per ton for baled wastes.

Not later than five days after enacting an ordinance or adopting a resolution under this division, the legislative authority shall so notify by certified mail the owner or operator of each solid waste disposal facility that is required to collect the fee. Collection of any fee levied on or after March 24, 1992, shall commence on the first day of the second month following the month in which notification is sent to the owner or operator.

(D)(1) The fees levied under divisions (A), (B), and (C) of this section do not apply to the disposal of solid wastes that:

(a) Are disposed of at a facility owned by the generator of the wastes when the solid waste facility exclusively disposes of
solid wastes generated at one or more premises owned by the
generator regardless of whether the facility is located on a
premises where the wastes are generated;

(b) Are generated from the combustion of coal, or from the
combustion of primarily coal, regardless of whether the disposal
facility is located on the premises where the wastes are
generated;

(c) Are asbestos or asbestos-containing materials or products
disposed of at a construction and demolition debris facility that
is licensed under Chapter 3714. of the Revised Code or at a solid
waste facility that is licensed under this chapter.

(2) Except as provided in section 3734.571 of the Revised
Code, any fees levied under division (B)(1) of this section apply
to solid wastes originating outside the boundaries of a county or
joint district that are covered by an agreement for the joint use
of solid waste facilities entered into under section 343.02 of the
Revised Code by the board of county commissioners or board of
directors of the county or joint district where the wastes are
generated and disposed of.

(3) When solid wastes, other than solid wastes that consist
of scrap tires, are burned in a disposal facility that is an
incinerator or energy recovery facility, the fees levied under
divisions (A), (B), and (C) of this section shall be levied upon
the disposal of the fly ash and bottom ash remaining after burning
of the solid wastes and shall be collected by the owner or
operator of the sanitary landfill where the ash is disposed of.

(4) When solid wastes are delivered to a solid waste transfer
facility, the fees levied under divisions (B) and (C) of this
section shall be levied upon the disposal of solid wastes
transported off the premises of the transfer facility for disposal
and shall be collected by the owner or operator of the solid waste
disposal facility where the wastes are disposed of.

(5) The fees levied under divisions (A), (B), and (C) of this section do not apply to sewage sludge that is generated by a waste water treatment facility holding a national pollutant discharge elimination system permit and that is disposed of through incineration, land application, or composting or at another resource recovery or disposal facility that is not a landfill.

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste
facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township
fiscal officer, as appropriate, shall maintain separate records of
the moneys received from the fees levied under division (C) of
this section.

(G) Moneys received by the board of county commissioners or
board of directors under division (E) of this section or section
3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code
shall be paid to the county treasurer, or other official acting in
a similar capacity under a county charter, in a county district or
to the county treasurer or other official designated by the board
of directors in a joint district and kept in a separate and
distinct fund to the credit of the district. If a regional solid
waste management authority has been formed under section 343.011
of the Revised Code, moneys received by the board of trustees of
that regional authority under division (E) of this section shall
be kept by the board in a separate and distinct fund to the credit
of the district. Moneys in the special fund of the county or joint
district arising from the fees levied under division (B) of this
section and the fee levied under division (A) of section 3734.573
of the Revised Code shall be expended by the board of county
commissioners or directors of the district in accordance with the
district's solid waste management plan or amended plan approved
under section 3734.521, 3734.55, or 3734.56 of the Revised Code
exclusively for the following purposes:

(1) Preparation of the solid waste management plan of the
district under section 3734.54 of the Revised Code, monitoring
implementation of the plan, and conducting the periodic review and
amendment of the plan required by section 3734.56 of the Revised
Code by the solid waste management policy committee;

(2) Implementation of the approved solid waste management
plan or amended plan of the district, including, without
limitation, the development and implementation of solid waste
recycling or reduction programs;
(3) Providing financial assistance to boards of health within the district, if solid waste facilities are located within the district, for enforcement of this chapter and rules, orders, and terms and conditions of permits, licenses, and variances adopted or issued under it, other than the hazardous waste provisions of this chapter and rules adopted and orders and terms and conditions of permits issued under those provisions;

(4) Providing financial assistance to each county within the district to defray the added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation of a solid waste facility within the county under the district's approved solid waste management plan or amended plan;

(5) Pursuant to contracts entered into with boards of health within the district, if solid waste facilities contained in the district's approved plan or amended plan are located within the district, for paying the costs incurred by those boards of health for collecting and analyzing samples from public or private water wells on lands adjacent to those facilities;

(6) Developing and implementing a program for the inspection of solid wastes generated outside the boundaries of this state that are disposed of at solid waste facilities included in the district's approved solid waste management plan or amended plan;

(7) Providing financial assistance to boards of health within the district for the enforcement of section 3734.03 of the Revised Code or to local law enforcement agencies having jurisdiction within the district for enforcing anti-littering laws and ordinances;

(8) Providing financial assistance to boards of health of health districts within the district that are on the approved list under section 3734.08 of the Revised Code to defray the costs to
the health districts for the participation of their employees responsible for enforcement of the solid waste provisions of this chapter and rules adopted and orders and terms and conditions of permits, licenses, and variances issued under those provisions in the training and certification program as required by rules adopted under division (L) of section 3734.02 of the Revised Code;

(9) Providing financial assistance to individual municipal corporations and townships within the district to defray their added costs of maintaining roads and other public facilities and of providing emergency and other public services resulting from the location and operation within their boundaries of a composting, energy or resource recovery, incineration, or recycling facility that either is owned by the district or is furnishing solid waste management facility or recycling services to the district pursuant to a contract or agreement with the board of county commissioners or directors of the district;

(10) Payment of any expenses that are agreed to, awarded, or ordered to be paid under section 3734.35 of the Revised Code and of any administrative costs incurred pursuant to that section. In the case of a joint solid waste management district, if the board of county commissioners of one of the counties in the district is negotiating on behalf of affected communities, as defined in that section, in that county, the board shall obtain the approval of the board of directors of the district in order to expend moneys for administrative costs incurred.

Prior to the approval of the district's solid waste management plan under section 3734.55 of the Revised Code, moneys in the special fund of the district arising from the fees shall be expended for those purposes in the manner prescribed by the solid waste management policy committee by resolution.

Notwithstanding division (G)(6) of this section as it existed prior to October 29, 1993, or any provision in a district's solid
waste management plan prepared in accordance with division (B)(2)(e) of section 3734.53 of the Revised Code as it existed prior to that date, any moneys arising from the fees levied under division (B)(3) of this section prior to January 1, 1994, may be expended for any of the purposes authorized in divisions (G)(1) to (10) of this section.

(H) The director shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing procedures for collecting and forwarding the fees levied under divisions (B) and (C) of this section to the boards of county commissioners or directors of county or joint solid waste management districts and to the treasurers or other officers of municipal corporations and the fiscal officers of townships. The rules also shall prescribe the dates for forwarding the fees to the boards and officials and may prescribe any other requirements the director considers necessary or appropriate to implement and administer divisions (A), (B), and (C) of this section.

Sec. 3734.901. (A)(1) For the purpose of providing revenue to defray the cost of administering and enforcing the scrap tire provisions of this chapter, rules adopted under those provisions, and terms and conditions of orders, variances, and licenses issued under those provisions; to abate accumulations of scrap tires; to make grants supporting market development activities for scrap tires and synthetic rubber from tire manufacturing processes and tire recycling processes and to support scrap tire amnesty and cleanup events; to make loans to promote the recycling or recovery of energy from scrap tires; and to defray the costs of administering and enforcing sections 3734.90 to 3734.9014 of the Revised Code, a fee of fifty cents per tire is hereby levied on the sale of tires. The proceeds of the fee shall be deposited in the state treasury to the credit of the scrap tire management fund created in section 3734.82 of the Revised Code. The fee is levied
from the first day of the calendar month that begins next after thirty days from October 29, 1993, through June 30, 2022.

(2) Beginning on July 1, 2011, and ending on June 30, 2022, there is hereby levied an additional fee of fifty cents per tire on the sale of tires the proceeds of which shall be deposited in the state treasury to the credit of the soil and water conservation district assistance fund created in section 940.15 of the Revised Code.

(B) Only one sale of the same article shall be used in computing the amount of the fee due.

Sec. 3735.661. (A) For the purpose of determining the "first two amendments" referenced in division (B) of Section 3 of Am. Sub. S.B. 19 of the 120th general assembly, an amendment means any modification to an ordinance or resolution adopted under section 3735.66 of the Revised Code that does any of the following:

(1) Expands the geographic size of a community reinvestment area;

(2) Increases a property's or category of property's exempted percentage of assessed valuation, notwithstanding the requirements of section 3735.66 of the Revised Code as that section existed on July 21, 1994. Division (A)(2) of this section does not authorize a municipal corporation or county to increase a property's or category of property's exempted percentage of assessed valuation pursuant to that section.

(3) Increases the term of any tax exemption or category of tax exemptions, except as provided in division (B)(6)-(7) of this section;

(4) Extends the duration of a community reinvestment area;

(5) Changes eligibility requirements for receiving tax exemptions.
(B) For the purpose of determining the "first two amendments" in division (B) of Section 3 of Am. Sub. S.B. 19 of the 120th general assembly, an amendment does not include any modification to an ordinance or resolution adopted under section 3735.66 of the Revised Code that does any of the following:

(1) Restricts the availability of tax exemptions, including any of the following:

(a) Removes area from or decreases the geographic size of a community reinvestment area;

(b) Decreases a property's or category of property's exempted percentage of assessed valuation, notwithstanding the requirements of section 3735.66 of the Revised Code as that section existed on July 21, 1994. Division (B)(1)(b) of this section does not authorize a municipal corporation or county to decrease a property's or category of property's exempted percentage of assessed valuation pursuant to that section.

(c) Decreases the term of any tax exemption or category of exemption;

(d) Shortens the period of time after which the granting of tax exemptions may be terminated.

(2) Requires property owners or developers to enter into an agreement to provide a number of affordable housing units as a condition of granting, continuing, or revoking an exemption, and authorizing municipal or county officials to implement such conditions and agreements;

(3) Recognizes or confirms the continuing existence of a community reinvestment area, including by providing a date after which the area may be terminated;

(4) Recognizes or confirms a previously granted tax exemption;
(4) Clarifies ambiguities or corrects defects in previously enacted ordinances or resolutions;

(5) Makes modifications that are procedural or administrative, including changing the designation of a housing officer, the process for approving or appealing a tax exemption, or the amount of any application fee, or modifying a community reinvestment area housing council created under section 3735.69 of the Revised Code or a tax incentive review council under section 5709.85 of the Revised Code;

(6) Increases the term of tax exemption for remodeling to not more than that authorized by H.B. 463 of the 131st general assembly for an exemption application that has been filed but not yet granted, or has been filed, on or after April 6, 2017, or that is filed on or after any other later date, provided the maximum term of the exemption for such remodeling before the ordinance's or resolution's modification was the maximum term allowed under division (D)(1) or (2) of section 3735.67 of the Revised Code as that section existed before its amendment by H.B. 463 of the 131st general assembly.

Sec. 3738.01. (A) As used in this section and sections 3738.02 to 3738.09 of the Revised Code, "pregnancy-associated death" means the death of a woman while pregnant or anytime within one year of pregnancy regardless of cause.

(B) There is hereby established in the department of health a pregnancy-associated mortality review (PAMR) board to identify and review all pregnancy-associated deaths statewide for the purpose of reducing the incidence of those deaths.

Sec. 3738.02. The PAMR board may not conduct a review of a pregnancy-associated death while an investigation of the death or prosecution of a person for causing the death is pending unless
the prosecuting attorney agrees to allow the review. The law
enforcement agency conducting the criminal investigation, on the
conclusion of the investigation, and the prosecuting attorney
prosecuting the case, on the conclusion of the prosecution, shall
notify the chairperson of the PAMR board of the conclusion.

Sec. 3738.03. All of the following apply with respect to the
PAMR board:

(A) The director of health shall appoint the board's members. In
doing so, the director shall make a good faith effort to select
members who represent all regions of the state and multiple areas
of expertise and constituencies concerned with the care of
pregnant and postpartum women.

(B) The board, by a majority vote of a quorum of its members,
shall select an individual to serve as its chairperson. The board
may replace a chairperson in the same manner.

(C) An appointed member shall hold office until a successor
is appointed. The director of health shall fill a vacancy as soon
as practicable.

(D) A member shall not receive any compensation for, and
shall not be paid for any expenses incurred pursuant to,
fulfilling the member's duties on the board.

(E) The board shall meet at the call of the board's
chairperson as often as the chairperson determines necessary for
timely completion of pregnancy-associated death reviews. The
reviews shall be conducted in accordance with rules adopted under
section 3738.09 of the Revised Code.

The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of division (D) shall be collected annually no sooner than the fifteenth day of April, commencing in 1995. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of
this section, the director shall compile revised fee schedules for
the purposes of division (B) of this section and shall make the
revised schedules available to persons required to pay the fees
assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of
the consumer price index for all urban consumers published by the
United States department of labor as of the close of the
twelve-month period ending on the thirty-first day of August of
that year.

(b) If the 1989 consumer price index is revised, the director

(F) Each person who is issued a permit to install pursuant to
rules adopted under division (F) of section 3704.03 of the Revised
Code on or after July 1, 2003, shall pay the fees specified in the
following schedules:

    (iii) The annual discharge fee established in division (L)(3)(a)(i) of this section, except for the surcharge applicable to certain industrial facilities pursuant to division (L)(3)(c) of this section, shall be based upon the average daily discharge flow in gallons per day calculated using first day of May through thirty-first day of October flow data for the period two years prior to the date on which the fee is due. In the case of NPDES discharge permits for new sources, the fee shall be calculated using the average daily design flow of the facility until actual average daily discharge flow values are available for the time period specified in division (L)(3)(a)(iii) of this section. The annual discharge fee may be prorated for a new source as described in division (L)(3)(a)(ii) of this section.

The annual volume of sewage sludge treated or disposed of by a sewage sludge facility shall be calculated using the first day of January through the thirty-first day of December of the calendar year preceding the date on which payment of the fee is due.

(a) Except as provided in division (Y)(2)(d) of this section, each sewage sludge facility shall pay a minimum annual sewage sludge fee of one hundred dollars.

(b) The annual sludge fee required to be paid by a sewage sludge facility that treats or disposes of exceptional quality sludge in this state shall be thirty-five per cent less per dry ton of exceptional quality sludge than the fee assessed under division (Y)(1) of this section, subject to the following exceptions:

(i) Except as provided in division (Y)(2)(d) of this section, a sewage sludge facility that treats or disposes of exceptional quality sludge shall pay a minimum annual sewage sludge fee of one hundred dollars.

(ii) A sewage sludge facility that treats or disposes of exceptional quality sludge shall not be required to pay the annual sludge fee for treatment or disposal in this state of exceptional quality sludge generated outside of this state and contained in bags or other containers not greater than one hundred pounds in capacity.

division (Y)(3) of this section.

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(c) Land application, land reclamation, surface disposal, or any other disposal method not specified in division (Y)(3)(a) or

However, the entity or facility generating or treating the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

(b) In the case of an entity that generates sewage sludge and transfers the sewage sludge to a landfill for disposal or to a sewage sludge facility for land reclamation or surface disposal, the entity generating the sewage sludge, and not the landfill or sewage sludge facility, shall pay the annual sludge fee for the tons of sewage sludge that are transferred.

(5) Not later than the first day of April of the calendar year following March 17, 2000, and each first day of April thereafter, the director shall issue invoices to persons who are required to pay the annual sludge fee. The invoice shall identify the nature and amount of the annual sludge fee assessed and state the first day of May as the deadline for receipt by the director of objections regarding the amount of the fee and the first day of July as the deadline for payment of the fee.

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The
director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall issue with the notification a new invoice to the person identifying the amount of the annual sludge fee assessed and stating the first day of July as the deadline for payment.

Not later than the first day of July, any person who is required to do so shall pay the annual sludge fee. Any person who is required to pay the fee, but who fails to do so on or before that date shall pay an additional amount that equals ten per cent of the required annual sludge fee.

(6) The director shall transmit all moneys collected under division (Y) of this section to the treasurer of state for deposit into the surface water protection fund created in section 6111.038 of the Revised Code. The moneys shall be used to defray the costs of administering and enforcing provisions in Chapter 6111. of the Revised Code and rules adopted under it that govern the use, storage, treatment, or disposal of sewage sludge.

(7) Beginning in fiscal year 2001, and every two years thereafter, the director shall review the total amount of moneys generated by the annual sludge fees to determine if that amount exceeded six hundred thousand dollars in either of the two preceding fiscal years. If the total amount of moneys in the fund
exceeded six hundred thousand dollars in either fiscal year, the director, after review of the fee structure and consultation with affected persons, shall issue an order reducing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will not exceed six hundred thousand dollars in any fiscal year.

If, upon review of the fees under division (Y)(7) of this section and after the fees have been reduced, the director determines that the total amount of moneys collected and accumulated is less than six hundred thousand dollars, the director, after review of the fee structure and consultation with affected persons, may issue an order increasing the amount of the fees levied under division (Y) of this section so that the estimated amount of moneys resulting from the fees will be approximately six hundred thousand dollars. Fees shall never be increased to an amount exceeding the amount specified in division (Y)(7) of this section.

Notwithstanding section 119.06 of the Revised Code, the director may issue an order under division (Y)(7) of this section without the necessity to hold an adjudicatory hearing in connection with the order. (B) If a form the Medicaid director prescribes under division (A) of this section is properly executed by an individual or the individual's personal representative, it shall be accepted by any person or governmental entity in this state as valid authorization for the use or disclosure of the individual's protected health information.
information to the persons or governmental entities specified in the form.

(C) This section does not preclude a person or governmental entity from accepting as valid authorization for the use or disclosure of protected health information a form other than the form prescribed under division (A) of this section if the other form meets all requirements specified in 45 C.F.R. 164.508 and, if applicable, 42 C.F.R. part 2.

Sec. 3901.381. (A) Except as provided in sections 3901.382, 3901.383, 3901.384, and 3901.386 of the Revised Code, a third-party payer shall process a claim for payment for health care services rendered by a provider to a beneficiary in accordance with this section.

(B)(1) Unless division (B)(2) or (3) of this section applies, when a third-party payer receives from a provider or beneficiary a claim on the standard claim form prescribed in rules adopted by the superintendent of insurance under section 3902.22 of the Revised Code, the third-party payer shall pay or deny the claim not later than thirty days after receipt of the claim. When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim.

(2)(a) Unless division (B)(3) of this section applies, when a provider or beneficiary has used the standard claim form, but the third-party payer determines that reasonable supporting documentation is needed to establish the third-party payer's responsibility to make payment, the third-party payer shall pay or deny the claim not later than forty-five days after receipt of the claim. Supporting documentation includes the verification of employer and beneficiary coverage under a benefits contract, confirmation of premium payment, medical information regarding the
beneficiary and the services provided, information on the responsibility of another third-party payer to make payment or confirmation of the amount of payment by another third-party payer, and information that is needed to correct material deficiencies in the claim related to a diagnosis or treatment or the provider's identification.

Not later than thirty days after receipt of the claim, the third-party payer shall notify all relevant external sources that the supporting documentation is needed. All such notices shall state, with specificity, the supporting documentation needed. If the notice was not provided in writing, the provider, beneficiary, or third-party payer may request the third-party payer to provide the notice in writing, and the third-party payer shall then provide the notice in writing. If any of the supporting documentation is under the control of the beneficiary, the beneficiary shall provide the supporting documentation to the third-party payer.

The number of days that elapse between the third-party payer's last request for supporting documentation within the thirty-day period and the third-party payer's receipt of all of the supporting documentation that was requested shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days for payment or denial of a claim. Except as provided in division (B)(2)(b) of this section, if the third-party payer requests additional supporting documentation after receiving the initially requested documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days.

(b) If a third-party payer determines, after receiving
initially requested documentation, that it needs additional
supporting documentation pertaining to a beneficiary's preexisting
condition, which condition was unknown to the third-party payer
and about which it was reasonable for the third-party payer to
have no knowledge at the time of its initial request for
documentation, and the third-party payer subsequently requests
this additional supporting documentation, the number of days that
elapse between making the request and receiving the additional
supporting documentation shall not be counted for purposes of
determining the third-party payer's compliance with the time
period of not more than forty-five days.

(c) When a third-party payer denies a claim, the third-party
payer shall notify the provider and the beneficiary. The notice
shall state, with specificity, why the third-party payer denied
the claim.

(d) If a third-party payer determines that supporting
documentation related to medical information is routinely
necessary to process a claim for payment of a particular health
care service, the third-party payer shall establish a description
of the supporting documentation that is routinely necessary and
make the description available to providers in a readily
accessible format.

Third-party payers and providers shall, in connection with a
claim, use the most current CPT code in effect, as published by
the American medical association, the most current ICD-10 code in
effect, as published by the United States department of health and
human services, the most current CDT code in effect, as published
by the American dental association, or the most current HCPCS code
in effect, as published by the United States
health care financing
administration centers for medicare and medicaid services.

(3) When a provider or beneficiary submits a claim by using
the standard claim form prescribed in the superintendent's rules,
but the information provided in the claim is materially deficient,
the third-party payer shall notify the provider or beneficiary not
later than fifteen days after receipt of the claim. The notice
shall state, with specificity, the information needed to correct
all material deficiencies. Once the material deficiencies are
corrected, the third-party payer shall proceed in accordance with
division (B)(1) or (2) of this section.

It is not a violation of the notification time period of not
more than fifteen days if a third-party payer fails to notify a
provider or beneficiary of material deficiencies in the claim
related to a diagnosis or treatment or the provider's
identification. A third-party payer may request the information
necessary to correct these deficiencies after the end of the
notification time period. Requests for such information shall be
made as requests for supporting documentation under division
(B)(2) of this section, and payment or denial of the claim is
subject to the time periods specified in that division.

(C) For purposes of this section, if a dispute exists between
a provider and a third-party payer as to the day a claim form was
received by the third-party payer, both of the following apply:

(1) If the provider or a person acting on behalf of the
provider submits a claim directly to a third-party payer by mail
and retains a record of the day the claim was mailed, there exists
a rebuttable presumption that the claim was received by the
third-party payer on the fifth business day after the day the
claim was mailed, unless it can be proven otherwise.

(2) If the provider or a person acting on behalf of the
provider submits a claim directly to a third-party payer
electronically, there exists a rebuttable presumption that the
claim was received by the third-party payer twenty-four hours
after the claim was submitted, unless it can be proven otherwise.
(D) Nothing in this section requires a third-party payer to provide more than one notice to an employer whose premium for coverage of employees under a benefits contract has not been received by the third-party payer.

(E) Compliance with the provisions of division (B)(3) of this section shall be determined separately from compliance with the provisions of divisions (B)(1) and (2) of this section.

(F) A third-party payer shall transmit electronically any payment with respect to claims that the third-party payer receives electronically and pays to a contracted provider under this section and under sections 3901.383, 3901.384, and 3901.386 of the Revised Code. A provider shall not refuse to accept a payment made under this section or sections 3901.383, 3901.384, and 3901.386 of the Revised Code on the basis that the payment was transmitted electronically.

**Sec. 3901.3814.** Sections 3901.38 and 3901.381 to 3901.3813 of the Revised Code do not apply to the following:

(A) Policies offering coverage that is regulated under Chapters 3935. and 3937. of the Revised Code;

(B) An employer's self-insurance plan and any of its administrators, as defined in section 3959.01 of the Revised Code, to the extent that federal law supersedes, preempts, prohibits, or otherwise precludes the application of any provisions of those sections to the plan and its administrators;

(C) A third-party payer for coverage provided under the medicare advantage program operated under Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended;

(D) A third-party payer for coverage provided under the medicaid program, except that if a federal waiver applied for
under section 5167.25 of the Revised Code is granted or the
medicaid director determines that this provision can be
implemented without a waiver, sections 3901.38 and 3901.381 to
3901.3813 of the Revised Code apply to claims submitted
electronically or non-electronically that are made with respect to
coverage of medicaid recipients by health insuring corporations
licensed under Chapter 1751. of the Revised Code, instead of the
prompt payment requirements of 42 C.F.R. 447.46;

(E) A third-party payer for coverage provided under the
tricare program offered by the United States department of
defense.

calendar month.

3922.01 of the Revised Code.

(B)(1)(a) A health plan issuer shall, upon request, release
to each group policyholder monthly claims data and shall provide
this data within thirty business days of receipt of the request.

(b) A health plan issuer shall not be required to release
claims information as required in division (B)(1)(a) of this
section more than once per calendar year per group policyholder.

(2) The data released shall include all of the following with
regard to the policy in question for the policy period immediately
preceding or the current policy period, as requested by the
policyholder:

(a) The net claims paid or incurred by month;

(b)(i) If the group policyholder is an employer, the monthly
enrollment data by employee only, employee and spouse, and

monthly enrollment data shall be provided and organized in a
relevant manner.

(c) Monthly prescription claims information;

(d) Paid claims over thirty thousand dollars, including claim
identifier other than name and the date of occurrence, the amount
paid toward each claim, and claimant health condition or
diagnosis.

(C) A health plan issuer that discloses data or information
in compliance with division (B) of this section may condition any
such disclosure upon the execution of an agreement with the
policyholder absolving the health plan issuer from civil liability
related to the use of such data or information.

(D) A health plan issuer that provides data or information in
compliance with division (B) of this section shall be immune from
civil liability for any acts or omissions of any person's
subsequent use of such data or information.

(E) This section shall not be construed as authorizing the
disclosure of the identity of a particular individual covered
under the group policy, nor the disclosure of any covered
individual's particular health insurance claim, condition, or
diagnosis, which would violate federal or state law.

(F) A group policyholder is entitled to receive protected
health information under this section only after an appropriately
authorized representative of the group policyholder makes to the
health plan issuer a certification substantially similar to the
following:

"I hereby certify and have demonstrated that the plan
documents comply with the requirements of 45 C.F.R. 164.504(f)(2)
and that the group policyholder will safeguard and limit the use
and disclosure of protected health information that the
policyholder may receive from the group health plan to perform
plan administration functions."

(G) A group policyholder that does not provide the
certification required in division (F) of this section is not
entitled to receive the protected health information described in
division (B)(2)(d) of this section, but is entitled to receive a
report of claim information that includes the other information
described under division (B) of this section.

(H) Committing a series of violations of this section that,
taken together, constitute a practice or pattern shall be
considered an unfair or deceptive practice under sections 3901.19
to 3901.26 of the Revised Code.

(I) Nothing in this section shall be construed as prohibiting
a health plan issuer from disclosing additional claims information
beyond what is required by this section.

Sec. 3901.95. A direct primary care agreement that meets all
of the following shall not be considered insurance and nothing in
Title XXXIX or Chapter 1739., 1751., or 1753. of the Revised Code
shall apply to such an agreement:

(A) It is in writing.

(B) It is between a patient, or that patient's legal
representative, and a health care provider and is related to
services to be provided in exchange for the payment of a fee to be
paid on a periodic basis.

(C) It allows either party to terminate the agreement as specified in the agreement.

(D) It requires termination to be accomplished through written notification.

(E) It permits termination to take effect immediately upon the other party's receipt of the notification or not more than sixty days after the other party's receipt of the notification.

(F) It does not impose a termination penalty or require payment of a termination fee.

(G) It describes the health care services to be provided under the agreement and the basis on which a periodic fee is to be paid in exchange for those services.

(H) It specifies the periodic fee required and any additional fees that may be charged.

(I) It authorizes the periodic fee and any additional fees to be paid by a third party.

(J) It prohibits the health services provider from charging or receiving any fee other than the fees prescribed in the agreement for those services prescribed in the agreement.

(K) It conspicuously and prominently states that the agreement is not health insurance, is not subject to the insurance laws of this state, and does not meet any individual health insurance mandate that may be required under federal law.

Sec. 3902.30. (A) As used in this section:

(5) "Telemedicine services" means a mode of providing health care services through synchronous or asynchronous information and communication technology by a health care professional, within the professional's scope of practice, who is located at a site other than the site where the recipient is located.

(B)(1) A health benefit plan shall provide coverage for telemedicine services on the same basis and to the same extent that the plan provides coverage for the provision of in-person health care services.

(2) A health benefit plan shall not exclude coverage for a service solely because it is provided as a telemedicine service.

(C) A health benefit plan shall not impose any annual or lifetime benefit maximum in relation to telemedicine services other than such a benefit maximum imposed on all benefits offered under the plan.

(D) This section shall not be construed as prohibiting a
health benefit plan from assessing cost-sharing requirements to a covered individual for telemedicine services, provided that such cost-sharing requirements for telemedicine services are not greater than those for comparable in-person health care services.

(E) This section shall not be construed as requiring a health plan issuer to reimburse a physician for any costs or fees associated with the provision of telemedicine services that would be in addition to or greater than the standard reimbursement for comparable in-person health care services.

(F) This section applies to all health benefit plans issued, offered, or renewed on or after January 1, 2021.

Sec. 3902.50. As used in sections 3902.50 to 3902.54 of the Revised Code:

(G) "Usual and customary fee" means the eightieth percentile of all charges for the particular health care service performed by a health care practitioner in the same or similar specialty and provided in the same geographical area as reported in the benchmarking database maintained by a nonprofit organization specified by the superintendent of insurance pursuant to division (A) of section 3902.54 of the Revised Code.

Sec. 3902.51. (A) For unanticipated out-of-network care, the health care practitioner shall not bill a covered person for the difference between the health plan issuer's reimbursement and the health care practitioner's charge for the services.

(B) A health plan issuer shall reimburse an out-of-network health care practitioner for unanticipated out-of-network care when the care is provided to a covered person at a hospital that is in the covered person's health benefit plan provider network.

(C) A health care practitioner shall bill a health plan issuer for unanticipated out-of-network care, and the health plan issuer shall, within thirty days, either pay the billed amount or attempt to negotiate reimbursement with the practitioner.

(D)(1) If a health care practitioner and a health plan issuer
do not agree on a negotiated reimbursement within sixty days of
the start of negotiations, the health plan issuer or health care
practitioner may initiate binding arbitration to determine the
reimbursement amount for unanticipated out-of-network care on a
per bill basis if the bill meets the criteria described in
division (B) of section 3902.53 of the Revised Code.

(2) The party requesting arbitration shall notify the other
party that arbitration has been initiated and state its final
offer before arbitration. In response to such a notice, the
non-requesting party shall inform the requesting party of its
final offer before the arbitration occurs.

(3) Arbitration shall be initiated by filing a request with
the superintendent of insurance.

(4) A health plan issuer shall not deny coverage in relation
to a bill after arbitration on that bill has been initiated
pursuant to division (D)(3) of this section.

(E) Sections 3901.38 to 3901.3814 of the Revised Code shall
not apply with respect to a claim during a period of negotiation
or arbitration under this section.

(F) A health plan issuer shall not require cost-sharing for
unanticipated out-of-network care at a rate higher than if the

but are provided by an out-of-network health care practitioner,
the practitioner shall not bill a covered person for the
difference between the health plan issuer's out-of-network

unless all of the following conditions are met:

(1) The health care practitioner informs the covered person
that the practitioner is not in the person's health benefit plan
provider network.

(3) The covered person affirmatively consents to receive the health care services.

(H) Nothing in this section is subject to the provisions of section 3901.71 of the Revised Code.

Sec. 3902.52. (A) When arbitration is requested under division (D) of section 3902.51 of the Revised Code, the superintendent of insurance shall appoint an arbitrator within ten days of receiving the request.

(B) The arbitration shall consist of a review of the written documentation submitted by both parties to the arbitrator. The parties shall submit to the arbitrator all required documentation as soon as is practicable.

(C) The arbitrator shall make a decision and provide that decision in writing to both parties and to the superintendent within thirty days after the appointment of the arbitrator.

(D) An arbitrator arbitrating a dispute between a health plan issuer and a health care practitioner shall only award either the health plan issuer's reimbursement offer or the health care practitioner's billed amount.

(E) In reaching a decision under division (D) of this section, an arbitrator shall consider all of the following factors:

(a) Payments made to the practitioner for the same health care services rendered in other recent instances in which the practitioner was out-of-network;

(b) Recent fees paid by the health plan issuer to reimburse similarly qualified out-of-network practitioners for the same services in the same geographic region.

(2) The level of training, education, and experience of the practitioner;

(3) The practitioner's usual charge for comparable services when the practitioner is out-of-network;

(4) The circumstances and complexity of the particular case, including the time and place of the service;

(6) Rates, including historical rates, between the fiftieth percentile of contracted rates and the eightieth percentile of billed charges in the practitioner's geographical area using the first three numbers in the practitioner's zip code according to a benchmarking database maintained by a nonprofit organization specified by the superintendent pursuant to division (A) of section 3902.54 of the Revised Code;

(7) The history of network contracting between the parties;

(8) Any additional criteria as determined by the arbitrator.

(F)(1) An arbitrator may direct both parties to attempt a good faith negotiation if the arbitrator determines either of the following to be true:

(a) A settlement between the parties is reasonably likely.

(b) Both the health care practitioner's charge and the health plan issuer's reimbursement offer are unreasonable.

(2) Negotiations undertaken pursuant to division (F)(1) of
this section shall take not more than ten days, but in any case shall conclude within the thirty-day time period identified in division (C) of this section.

(G) The determination of the arbitrator shall be binding and shall be admissible in any court proceeding between the health care practitioner and health plan issuer, or in any proceeding between the state and the practitioner.

(H) An arbitrator's fees shall be paid as follows:

(1) By the non-prevailing party;

(2) By both parties equally if the parties reach a settlement as a result of negotiations undertaken pursuant to division (F) of this section.

Sec. 3902.53. (A) Sections 3902.50 to 3902.54 of the Revised Code shall not apply to health care services, including emergency services, for which health care practitioner fees are subject to schedules or other monetary limitations under any other law, including Chapters 4121. and 4123. of the Revised Code, and to Medicaid managed care plans.

(B) A bill for unanticipated out-of-network care shall be subject to the arbitration provisions of sections 3902.51 and 3902.52 of the Revised Code only if the amount billed exceeds both of the following:

(1) One hundred twenty per cent of the usual and customary amount for the service in question;

(2) Seven hundred dollars.

Sec. 3902.54. (A) The superintendent shall specify the benchmarking database described in division (G) of section 3902.50 and division (E)(6) of section 3902.52 of the Revised Code. The superintendent shall not select a nonprofit organization that is
affiliated with or receives funding from a health plan issuer.

(B) The superintendent shall adopt rules as necessary to implement sections 3902.50 to 3902.54 of the Revised Code. The rules shall at minimum address all of the following:

Sec. 3902.60. A health plan issuer, as defined in section 3922.01 of the Revised Code, shall provide to its covered persons and their representatives estimates of the costs of health care services and procedures to at least the same extent it is required to do so by federal law. The superintendent of insurance has no authority to enforce this section.

Sec. 3904.13. No insurance institution, agent, or insurance support organization shall disclose any personal or privileged information about an individual collected or received in connection with an insurance transaction, unless the disclosure is made pursuant to any of the following:

(1) To enable such person to perform a business, professional, or insurance function for the disclosing insurance institution, agent, or insurance support organization, and such person agrees not to disclose the information further without the individual's written authorization unless the further disclosure either:

(a) Would otherwise be permitted by this section if made by an insurance institution, agent, or insurance support organization;

(1) Prior to the consummation of the sale, transfer, merger, or consolidation, only such information is disclosed as is reasonably necessary to enable the recipient to make business decisions about the purchase, transfer, merger, or consolidation;

(2) The recipient agrees not to disclose the information, unless the disclosure would otherwise be permitted by this section if made by an insurance institution, agent, or insurance support organization.

(K) To a person whose only use of such information will be in connection with the marketing of a product or service, provided the following conditions are met:

(1) No medical record information, privileged information, or personal information relating to an individual's character, personal habits, mode of living, or general reputation is disclosed, and no classification derived from such information is disclosed;

(L) To an affiliate whose only use of the information will be in connection with an audit of the insurance institution or agent or the marketing of an insurance product or service, provided the affiliate agrees not to disclose the information for any other purpose or to unaffiliated persons;

(M) By a consumer reporting agency, provided the disclosure is to a person other than an insurance institution or agent;

(N) To a group policyholder for the purpose of reporting claims experience or conducting an audit of the insurance institution's or agent's operations or services, provided the information disclosed is reasonably necessary for the group policyholder to conduct the review or audit;

(B) If the director finds that an applicant for benefits has been credited with a waiting period or paid benefits to which the applicant was not entitled for reasons other than fraudulent misrepresentation, the director shall:

(1)(a) Within six months after the determination under which the claimant was credited with that waiting period or paid benefits becomes final pursuant to section 4141.28 of the Revised Code, or within three years after the end of the benefit year in which such benefits were claimed, whichever is later, by order cancel such waiting period and require that such benefits be repaid to the director or be withheld from any benefits to which such applicant is or may become entitled before any additional benefits are paid, provided that the repayment or withholding...
shall not be required where the overpayment is the result of the director's correcting a prior decision due to a typographical or clerical error in the director's prior decision, or an error in an employer's report under division (G) of section 4141.28 of the Revised Code.

(b) The limitation specified in division (B)(1)(a) of this section shall not apply to cases involving the retroactive payment of remuneration covering periods for which benefits were previously paid to the claimant. (2) The director may, by reciprocal agreement with the United States secretary of labor or another state, recover overpayment amounts from unemployment benefits otherwise payable to an individual under Chapter 4141. of the Revised Code. Any overpayments made to the individual that have not previously been recovered under an unemployment benefit program of the United States may be recovered in accordance with section 303(g) of the "Social Security Act" and sections 3304(a)(4) and 3306(f) of the "Federal Unemployment Tax Act," 53 Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311.

(3) If the amounts required to be repaid under division (B) of this section are not recovered within three years from the date the director's order requiring payment became final, initiate no further action to collect such benefits and the amount of any benefits not recovered at that time shall be canceled as uncollectible, provided that the time limit for collection shall be extended by the period of any stay to the collection or by any other time period to which the parties mutually agree.

(C) The appeal provisions of sections 4141.281 and 4141.282
of the Revised Code shall apply to all orders and determinations issued under this section, except that an individual's right of appeal under division (B)(2) of this section shall be limited to this state's authority to recover overpayment of benefits.

(D) The director shall deposit any repayment collected under this section that the director determines to be payment of interest or court costs into the unemployment compensation special administrative fund established pursuant to section 4141.11 of the Revised Code.

(E) If an individual makes a full repayment or a repayment that is less than the full amount required by this section, the director shall apply the repayment to the mutualized account under division (B) of section 4141.25 of the Revised Code, except that the director shall credit the repayment to the accounts of the individual's base period employers that previously have not been credited for the amount of improperly paid benefits charged against their accounts based on the proportion of benefits charged against the accounts as determined pursuant to division (D) of section 4141.24 of the Revised Code.

(B)(1) If an Ohio certificate of title or salvage certificate
of title to a motor vehicle is assigned to a salvage dealer, the
dealer is not required to obtain an Ohio certificate of title or a
salvage certificate of title to the motor vehicle in the dealer's
own name if the dealer dismantles or destroys the motor vehicle,
indicates the number of the dealer's motor vehicle salvage
dealer's license on it, marks "FOR DESTRUCTION" across the face of
the certificate of title or salvage certificate of title, and
surrenders the certificate of title or salvage certificate of
title to a clerk of a court of common pleas as provided in
division (A) of this section. If the salvage dealer retains the
motor vehicle for resale, the dealer shall make application for a
salvage certificate of title to the motor vehicle in the dealer's

(C)(1) When an insurance company declares it economically
impractical to repair such a motor vehicle and has paid an agreed
price for the purchase of the motor vehicle to any insured or
claimant owner, the insurance company shall proceed as follows:

(a) If an insurance company receives the certificate of title
and the motor vehicle, within thirty business days, the insurance
company shall deliver the certificate of title to a clerk of a
court of common pleas and shall make application for a salvage
certificate of title. This certificate of title, any supporting
power of attorney, or application for a salvage certificate of
title shall be exempt from the requirements of notarization and verification as described in this chapter and in section 1337.25 of the Revised Code.

(b) If an insurance company obtains possession of the motor vehicle and a physical certificate of title was issued for the vehicle but the insurance company is unable to obtain the properly endorsed certificate of title for the motor vehicle within thirty business days following the vehicle's owner or lienholder's acceptance of the insurance company's payment for the vehicle, the insurance company may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering the certificate of title for the motor vehicle. The application shall be accompanied by evidence that the insurance company has paid a total loss claim on the vehicle, a copy of the written request for the certificate of title from the insurance company or its designee, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, to obtain the certificate of title.

The application shall be accompanied by the electronic certificate of title control number and a properly executed power of attorney, or other appropriate document, from the owner of the motor vehicle authorizing the insurance company to apply for a salvage certificate of title. The salvage certificate of title shall include the following notice in bold lettering:

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01."

Except as provided in division (C)(3) of this section, the salvage certificate of title shall be assigned by the insurance company to a salvage dealer or any other person for use as evidence of ownership upon the sale or other disposition of the motor vehicle, and the salvage certificate of title shall be transferable to any other person. The clerk shall charge a fee of four dollars for the cost of processing each salvage certificate of title.

(2) If an insurance company requests that a salvage motor vehicle auction take possession of a motor vehicle that is the subject of an insurance claim, and subsequently the insurance company denies coverage with respect to the motor vehicle or does not otherwise take ownership of the motor vehicle, the salvage motor vehicle auction may proceed as follows. After the salvage motor vehicle auction has possession of the motor vehicle for forty-five days, it may apply to the clerk of a court of common pleas for a salvage certificate of title without delivering the certificate of title for the motor vehicle. The application shall be accompanied by a copy of the written request that the vehicle be removed from the facility on the salvage motor vehicle
auction's letterhead, and proof that the request was delivered by a nationally recognized courier service to the last known address of the owner of the vehicle and any known lienholder, requesting that the vehicle be removed from the facility of the salvage motor vehicle auction. Upon receipt of a properly completed application, the clerk shall follow the process as described in division (C)(1)(d) of this section. The salvage certificate of title so issued shall be free and clear of all liens.

(3) If an insurance company considers a motor vehicle as described in division (C)(1)(a), (b), or (c) of this section to be impossible to restore for highway operation, the insurance company may assign the certificate of title to the motor vehicle to a salvage dealer or scrap metal processing facility and send the assigned certificate of title to the clerk of the court of common pleas of any county. The insurance company shall mark the face of the certificate of title "FOR DESTRUCTION" and shall deliver a photocopy of the certificate of title to the salvage dealer or scrap metal processing facility for its records.

(4) If an insurance company declares it economically impractical to repair a motor vehicle, agrees to pay to the insured or claimant owner an amount in settlement of a claim against a policy of motor vehicle insurance covering the motor vehicle, and agrees to permit the insured or claimant owner to retain possession of the motor vehicle, the insurance company shall not pay the insured or claimant owner any amount in settlement of the insurance claim until the owner obtains a salvage certificate of title to the vehicle and furnishes a copy of the salvage certificate of title to the insurance company.

(D) When a self-insured organization, rental or leasing company, or secured creditor becomes the owner of a motor vehicle that is burned, damaged, or dismantled and is determined to be economically impractical to repair, the self-insured organization,
rental or leasing company, or secured creditor shall do one of the following:

(1) Mark the face of the certificate of title to the motor vehicle "FOR DESTRUCTION" and surrender the certificate of title to a clerk of a court of common pleas for cancellation as described in division (A) of this section. The self-insured organization, rental or leasing company, or secured creditor then shall deliver the motor vehicle, together with a photocopy of the certificate of title, to a salvage dealer or scrap metal processing facility and shall cause the motor vehicle to be dismantled, flattened, crushed, or destroyed.

If the motor vehicle is sold, the self-insured organization, rental or leasing company, or secured creditor shall obtain a salvage certificate of title to the motor vehicle in the name of the purchaser from a clerk of a court of common pleas.

(E) If a motor vehicle titled with a salvage certificate of title is restored for operation upon the highways, application shall be made to a clerk of a court of common pleas for a certificate of title. Upon inspection by the state highway patrol, which shall include establishing proof of ownership and an inspection of the motor number and vehicle identification number of the motor vehicle and of documentation or receipts for the materials used in restoration by the owner of the motor vehicle being inspected, which documentation or receipts shall be presented at the time of inspection, the clerk, upon surrender of the salvage certificate of title, shall issue a certificate of title for a fee prescribed by the registrar. The certificate of title shall be in the same form as the original certificate of
title and shall bear the words "REBUILT SALVAGE" in black boldface letters on its face. Every subsequent certificate of title, memorandum certificate of title, or duplicate certificate of title issued for the motor vehicle also shall bear the words "REBUILT SALVAGE" in black boldface letters on its face. The exact location on the face of the certificate of title of the words "REBUILT SALVAGE" shall be determined by the registrar, who shall develop an automated procedure within the automated title processing system to comply with this division. The clerk shall use reasonable care in performing the duties imposed on the clerk by this division in issuing a certificate of title pursuant to this division, but the clerk is not liable for any of the clerk's errors or omissions or those of the clerk's deputies, or the automated title processing system in the performance of those duties. The executive director may serve and execute any process issued by any court under this chapter.

(D) The executive director may employ necessary inspectors, who shall be licensed embalmers and funeral directors. An inspector employed by the executive director may enter the premises, establishment, office, or place of business of any embalmer, funeral director, or crematory operator, embalming
facility, funeral home, or crematory facility in this state, for the purposes of inspecting the facility and premises; the license, permit, and registration certification of embalmers, funeral directors, and crematory operators operating in the facility; and the license of the funeral home, embalming facility, or crematory facility and perform any other duties delegated to the inspector by the board or assigned to the inspector by the executive director. The executive director may enter the facility or premises of a funeral home, embalming facility, or crematory for the purpose of an inspection if accompanied by an inspector or, if an inspector is not available, when a situation presents a danger of immediate and serious harm to the public.

(E) The president of the board shall designate three of the board's members to serve on the crematory review board, which is hereby created, for such time as the president finds appropriate to carry out the provisions of this chapter. Those members of the crematory review board designated by the president to serve and three members designated by the cemetery dispute resolution commission shall designate, by a majority vote, one person who holds a crematory operator permit, who is experienced in the operation of a crematory facility, and who is not affiliated with a cemetery or a funeral home to serve on the crematory review board for such time as the crematory review board finds appropriate. Members serving on the crematory review board shall not receive any additional compensation for serving on the board, but may be reimbursed for their actual and necessary expenses incurred in the performance of official duties as members of the board. Members of the crematory review board shall designate one from among its members to serve as a chairperson for such time as the board finds appropriate. Costs associated with conducting an adjudicatory hearing in accordance with division (F) of this section shall be paid from funds available to the board of embalmers and funeral directors.
(F) Upon receiving written notice from the board of embalmers and funeral directors of any of the following, the crematory review board shall conduct an adjudicatory hearing on the matter in accordance with Chapter 119. of the Revised Code, except as otherwise provided in this section or division (C) of section 4717.14 of the Revised Code:

(1) Notice provided under division (I) of this section of an alleged violation of any provision of this chapter or any rules adopted under this chapter governing or in connection with crematory operators, crematory facilities, or cremation;

(2) Notice provided under division (B) of section 4717.14 of the Revised Code that the board of embalmers and funeral directors proposes to refuse to grant or renew, or to suspend or revoke, a license to operate a crematory facility;

(3) Notice provided under division (C) of section 4717.14 of the Revised Code that the board of embalmers and funeral directors has issued an order summarily suspending a crematory operator permit or a license to operate a crematory facility;

(4) Notice provided under division (B) of section 4717.15 of the Revised Code that the board of embalmers and funeral directors proposes to issue a notice of violation and order requiring payment of a forfeiture for any violation described in divisions (A)(9)(a) to (g) of section 4717.04 of the Revised Code alleged in connection with a crematory operator, crematory facility, or cremation.

Nothing in division (F) of this section precludes the crematory review board from appointing an independent examiner in accordance with section 119.09 of the Revised Code to conduct any adjudication hearing required under division (F) of this section.

The crematory review board shall submit a written report of findings and advisory recommendations, and a written transcript of
its proceedings, to the board of embalmers and funeral directors. The board of embalmers and funeral directors shall serve a copy of the written report of the crematory review board's findings and advisory recommendations on the party to the adjudication or the party's attorney, by certified mail, within five days after receiving the report and advisory recommendations. A party may file objections to the written report with the board of embalmers and funeral directors within ten days after receiving the report. No written report is final or appealable until it is issued as a final order by the board of embalmers and funeral directors and entered on the record of the proceedings. The board of embalmers and funeral directors shall consider objections filed by the party prior to issuing a final order. After reviewing the findings and advisory recommendations of the crematory review board, the written transcript of the crematory review board's proceedings, and any objections filed by a party, the board of embalmers and funeral directors shall issue a final order in the matter. Any party may appeal the final order issued by the board of embalmers and funeral directors in a matter described in divisions (F)(1) to (4) of this section in accordance with section 119.12 of the Revised Code, except that the appeal may be made to the court of common pleas in the county in which is located the crematory facility to which the final order pertains, or in the county in which the party resides.

(G) On its own initiative or on receiving a written complaint from any person whose identity is made known to the board of embalmers and funeral directors, the board shall investigate the acts or practices of any person holding or claiming to hold a license, permit, or registration certification under this chapter that, if proven to have occurred, would violate this chapter or any rules adopted under it. The board may compel witnesses by subpoena to appear and testify in relation to investigations conducted under this chapter and may require by subpoena duces
If a person does not comply with a subpoena or subpoena duces tecum, the board may apply to the court of common pleas of any county in this state for an order compelling the person to comply with the subpoena or subpoena duces tecum, or for failure to do so, to be held in contempt of court.

(H) If, as a result of its investigation conducted under division (G) of this section, the board of embalmers and funeral directors has reasonable cause to believe that the person investigated is violating any provision of this chapter or any rules adopted under this chapter governing or in connection with embalming, funeral directing, cremation, funeral homes, embalming facilities, or cremation facilities, or the operation of funeral homes, embalming facilities, or crematory facilities, it may, after providing the opportunity for an adjudicatory hearing, issue an order directing the person to cease the acts or practices that constitute the violation. The board shall conduct the adjudicatory hearing in accordance with Chapter 119. of the Revised Code except that, notwithstanding the provisions of that chapter, the following shall apply:

(1) The board shall send the notice informing the person of the person's right to a hearing by certified mail.

(2) The person is entitled to a hearing only if the person requests a hearing and if the board receives the request within thirty days after the mailing of the notice described in division (H)(1) of this section.

(3) A stenographic record shall be taken, in the manner prescribed in section 119.09 of the Revised Code, at every adjudicatory hearing held under this section, regardless of whether the record may be the basis of an appeal to a court.

(I) If, as a result of its investigation conducted under
division (G) of this section, the board of embalmers and funeral
directors has reasonable cause to believe that the person
investigated is violating any provision of this chapter or any
rules adopted under this chapter governing or in connection with
crematory operators, crematory facilities, or cremation, the board
shall send written notice of the alleged violation to the
crematory review board. If, after the conclusion of the
adjudicatory hearing in the matter conducted under division (F) of
this section, the board of embalmers and funeral directors finds
that a person is in violation of any provision of this chapter or
any rules adopted under this chapter governing or in connection
with crematory operators, crematory facilities, or cremation, the
board may issue a final order under that division directing the
person to cease the acts or practices that constitute the
violation.

(J) The board of embalmers and funeral directors may bring a
civil action to enjoin any violation or threatened violation of
sections 4717.01 to 4717.15 of the Revised Code or a rule adopted
under any of those sections; division (A) or (B) of section
4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or
(F)(1) or (2), or divisions (H) to (K) of section 4717.26;
division (D)(1) of section 4717.27; divisions (A) to (C) of
section 4717.28, or division (D) or (E) of section 4717.31 of the
Revised Code. The action shall be brought in the county where the
violation occurred or the threatened violation is expected to
occur. At the request of the board, the attorney general shall
represent the board in any matter arising under this chapter.

(K) The board of embalmers and funeral directors and the
crematory review board may issue subpoenas for any person holding
a license or permit under this chapter or persons holding
themselves out as such, or for any other person whose testimony,
in the opinion of either board, is necessary. The subpoena shall
require the person to appear before the appropriate board or any
designated member of either board, upon any hearing conducted
under this chapter. The penalty for disobedience to the command of
such a subpoena is the same as for refusal to answer such a
process issued under authority of the court of common pleas.

(L) Except as provided in section 4717.41 of the Revised
Code, all moneys received by the board of embalmers and funeral
directors from any source shall be deposited in the state treasury
to the credit of the occupational licensing and regulatory fund
created in section 4743.05 of the Revised Code.

(M) The board of embalmers and funeral directors shall submit
a written report to the governor on or before the first Monday of
July of each year. This report shall contain a detailed statement
of the nature and amount of the board's receipts and the amount
and manner of its expenditures.

(B) Upon receiving satisfactory evidence verified by oath that the applicant meets all the requirements of division (A) of this section, the board shall issue the applicant an embalmer's license.

(C) Any person who desires to be licensed as a funeral director shall apply to the board on a form prescribed by the board. The application shall include an initial license fee as set forth in section 4717.07 of the Revised Code and evidence, verified by oath and satisfactory to the board, that the applicant meets all of the following requirements:

A funeral director or embalmer who has been granted inactive status is exempt from the continuing education requirements under section 4717.09 of the Revised Code during the period of the inactive status.

1. The funeral director or embalmer files with the board a form prescribed by the board seeking active status and provides any other information as the board may request;

2. The funeral director or embalmer takes and passes the Ohio laws examination for each license being activated;

(F) Reimbursements from the fund shall be made only to the extent to which those losses are not bonded or otherwise covered, protected, or reimbursed and only after the applicant has complied with all applicable rules of the board.

(G) The board shall investigate all applications made and may reject or allow such claims in whole or in part to the extent that moneys are available in the fund. The board shall have complete discretion to determine the order and manner of payment of approved applications. (6) Grant conditional approval, by a vote of a quorum of the board, to a new prelicensure nursing education program or a program that is being reestablished after having ceased to operate, if the program meets and maintains the minimum standards of the board established by rules adopted under section 4723.07 of the Revised Code. If the board does not grant conditional approval, it shall hold an adjudication under Chapter 119. of the Revised Code to consider conditional approval of the program. If the board does not grant full approval or if it appears that the program has failed to meet and maintain standards established by rules adopted under section 4723.07 of the Revised Code, the board shall hold an adjudication under Chapter 119. of the Revised Code to consider the program. Based on results of the adjudication, the board may continue or withdraw conditional approval, or grant full approval.

(7) Place on provisional approval, for a period of time specified by the board, a prelicensure nursing education program that has ceased to meet and maintain the minimum standards of the board established by rules adopted under section 4723.07 of the Revised Code. (13) Approve under section 4723.46 of the Revised Code national certifying organizations for examination and licensure of advanced practice registered nurses, which may include separate organizations for each nursing specialty;

If the board proposes to deny approval of the program, it shall do so pursuant to an adjudication conducted under Chapter 119. of the Revised Code.

(B) The board may fulfill the requirement of division (A)(8) of this section by authorizing persons who meet the standards established in rules adopted under section 4723.07 of the Revised Code to approve continuing education programs and courses. A consent agreement, when ratified by a vote of a quorum of the
board, constitutes the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement are of no effect.

(2) In any instance in which the board is required under Chapter 119. of the Revised Code to give notice to a person seeking approval of a prelicensure nursing education program of an opportunity for a hearing and the person does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings.

consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

(D) The hearings of the board shall be conducted in accordance with Chapter 119. of the Revised Code, the board may appoint a hearing examiner, as provided in section 119.09 of the Revised Code, to conduct any hearing the board is authorized to hold under Chapter 119. of the Revised Code.

If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed the act, or if the registered nurse, licensed practical nurse, or dialysis technician fails to participate in
the adjudication, the board may take action as though the registered nurse, licensed practical nurse, or dialysis technician had been convicted of the act.

If the board determines that the decision on appeal was a decision on the merits, it shall permanently rescind its action. If the board determines that the decision on appeal was not a decision on the merits, it shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the original conviction, plea, or judicial finding was based. If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed such act, or if the registered nurse, licensed practical nurse, or dialysis technician does not request an adjudication, the board shall reinstate its action; otherwise, the board shall permanently rescind its action.

(G) During the course of an investigation conducted under this section, the board may compel any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter to submit to a mental or physical examination, or both, as required by the board and at the expense of the individual, if the board finds reason to believe that the individual under investigation may have a physical or mental impairment that may affect the individual's ability to provide safe nursing care. Failure of any individual to submit to a mental or physical examination when directed constitutes an admission of the allegations, unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence.

If the board finds that an individual is impaired, the board shall require the individual to submit to care, counseling, or treatment approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. (H) The board shall investigate evidence that appears to show that any person has violated any provision of this chapter or any rule of the board. Any person may report to the board any information the person may have that appears to show a violation of any provision of this chapter or rule of the board. In the absence of bad faith, any person who reports such information or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of the report or testimony.

(I) All of the following apply under this chapter with respect to the confidentiality of information:

(1) Information received by the board pursuant to a complaint or an investigation is confidential and not subject to discovery in any civil action, except that the board may disclose information to law enforcement officers and government entities for purposes of an investigation of either a licensed health care professional, including a registered nurse, licensed practical nurse, or dialysis technician, or a person who may have engaged in the unauthorized practice of nursing or dialysis care. prosecution, or an adjudication by a court or government entity.

(4) Any board activity that involves continued monitoring of an individual as part of or following any disciplinary action taken under this section shall be conducted in a manner that maintains the individual's confidentiality. Information received or maintained by the board with respect to the board's monitoring activities is not subject to discovery in any civil action and is confidential, except that the board may disclose information to law enforcement officers and government entities for purposes of an investigation of a licensee or certificate holder.

(J) Any action taken by the board under this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the person may be reinstated to practice.

(L) No unilateral surrender of a nursing license, certificate of authority, or dialysis technician certificate issued under this
chapter shall be effective unless accepted by majority vote of the board. No application for a nursing license, certificate of authority, or dialysis technician certificate issued under this chapter may be withdrawn without a majority vote of the board. The board's jurisdiction to take disciplinary action under this section is not removed or limited when an individual has a license or certificate classified as inactive or fails to renew a license or certificate.

(M) Sanctions shall not be imposed under division (B)(24) of this section against any licensee who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. (16) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(17) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(18) Any of the following actions taken by the state agency responsible for regulating the practice of physician assistants in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(19) A departure from, or failure to conform to, minimal
standards of care of similar physician assistants under the same or similar circumstances, regardless of whether actual injury to a patient is established;

(20) Violation of the conditions placed by the board on a license to practice as a physician assistant;

(21) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(22) Failure to cooperate in an investigation conducted by the board under section 4730.26 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(23) Assisting suicide, as defined in section 3795.01 of the Revised Code;

(24) Prescribing any drug or device to perform or induce an abortion, or otherwise performing or inducing an abortion;

(28) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a physician assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under
the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a license issued under this chapter, or applies for a license issued under this chapter, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(4) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a license issued under this chapter or who has applied for a license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds a physician assistant unable to practice because of the reasons set forth in division (B)(4) of this section, the board shall require the physician assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed license.
individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(5) of this section, if the board has reason to believe that any individual who holds a license issued under this chapter or any applicant for a license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the physician assistant shall demonstrate to the board the ability to resume practice or prescribing in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;
(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired physician assistant resumes practice or prescribing, the board shall require continued monitoring of the physician assistant. The monitoring shall include compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the physician assistant has maintained sobriety.

(G) If the secretary and supervising member determine that there is clear and convincing evidence that a physician assistant has violated division (B) of this section and that the individual's continued practice or prescribing presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license.
without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the physician assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the physician assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the individual’s license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds,
pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions identified under division (B) of this section.

(I) The license to practice issued to a physician assistant and the physician assistant's practice in this state are automatically suspended as of the date the physician assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another state for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(J) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the
board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the physician assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue to an applicant a license to practice as a physician assistant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold the license and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in accordance with section 4730.14 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this
section against the individual.

Sec. 4730.28. (A) An individual whose license to practice as a physician assistant issued under this chapter has been suspended or is in an inactive state for any cause for more than two years may apply to the state medical board to have the license restored.

(B)(1) The board shall not restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code. The board shall determine the applicant's present fitness to resume practice. The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity.

(2) When restoring a license, the board may impose terms and conditions, including the following:

(a) Requiring the applicant to obtain additional training and pass an examination upon completion of the training;

(b) Restricting or limiting the extent, scope, or type of practice as a physician assistant that the individual may resume

(a) An active practitioner;

(b) A student in a program as described in division (B) or (C) of section 4730.11 of the Revised Code.

(B) Before issuing a license to an applicant subject to this section or restoring a license to good standing for an applicant

(1) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;

(2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;

(3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing evaluations and procedures in a manner that meets the minimal standards of care;

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;

(6) Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code.

prescriptive authority, subject to all of the following:

(1) The applicant shall complete every two years at least twelve hours of continuing education in pharmacology obtained through a program or course approved by the state medical board or a person the board has authorized to approve continuing pharmacology education programs and courses. (ii) The state board of pharmacy no longer maintains the drug database.
(iii) The applicant does not practice as a physician assistant in this state.

(c) If an applicant certifies to the state medical board that the applicant has been granted access to the drug database and the board finds through an audit or other means that the applicant has not been granted access, the board may take action under section 4730.25 of the Revised Code.

(B) The state medical board shall provide for pro rata reductions by month of the number of hours of continuing education in pharmacology that is required to be completed for physician assistants who are in their first licensure period after completing the period of supervision required under section 4730.44 of the Revised Code, who have been disabled due to illness or accident, or who have been absent from the country. The board shall adopt rules, in accordance with Chapter 119. of the Revised Code, as necessary to implement this division.

(C) The continuing education required by this section is in addition to the continuing education required under section 4730.14 of the Revised Code.

practice a limited branch of medicine. The rules shall be adopted
in accordance with Chapter 119. of the Revised Code.

(B)(1) If the board adopts rules establishing continuing
education requirements for holders of licenses to practice a

education requirements.

(2) The board may require a random sample of license holders
to submit materials documenting that the continuing education
requirements adopted under this section have been satisfied.

Division (B)(2) of this section does not limit the board's
authority to conduct investigations pursuant to section 4731.22 of
the Revised Code.

(3) If, through a random sample conducted under division
(B)(2) of this section or any other means, the board finds that an
individual who certified completion of the number of hours and

section 4731.22 of the Revised Code, impose a civil penalty, or
both;

(b) Permit the individual to agree in writing to complete the

(d) Twenty hours of instruction in real estate finance.

(G)(1) Successful completion of the instruction required by division (F)(6) of this section shall be determined by the law in effect on the date the instruction was completed.

(2) Division (F)(6)(c) of this section does not apply to any new applicant who holds a valid Ohio real estate appraiser license or certificate issued prior to the date of application for a real estate salesperson's license.

(H) Only for noncredit course offerings, an institution of higher education shall obtain approval from the appropriate state authorizing entity prior to offering a real estate course that is designed and marketed as satisfying the salesperson license education requirements of division (F)(6) of this section. The
state authorizing entity may consult with the superintendent in
reviewing the course for compliance with this section.

(I) Any person who has not been licensed as a real estate
salesperson or broker within a four-year period immediately
preceding the person's current application for the salesperson's
examination shall have successfully completed the prelicensure
instruction required by division (F)(6) of this section within a
ten-year period immediately preceding the person's current
application for the salesperson's examination.

(J) Not earlier than the date of issue of a real estate
salesperson's license to a licensee, but not later than twelve
months after the date of issue of a real estate salesperson
license to a licensee, the licensee shall submit proof
satisfactory to the superintendent, on forms made available by the
superintendent, of the completion of twenty hours of instruction
that shall be completed in schools, seminars, and educational
institutions approved by the commission. The instruction shall
include, but is not limited to, current practices relating to
commercial real estate, property management, short sales, and land
contracts; contract law; federal and state programs; economic
conditions; and fiduciary responsibility. Approval of the
curriculum and providers shall be granted according to rules
adopted pursuant to section 4735.10 of the Revised Code and may be
taken through classroom instruction or distance education.

If proof of completion of the required instruction is not
submitted within twelve months of the date a license is issued
under this section, the licensee's license is suspended
automatically without the taking of any action by the
superintendent. The superintendent immediately shall notify the
broker with whom such salesperson is associated of the suspension
of the salesperson's license. A salesperson whose license has been
suspended under this division shall have twelve months after the
date of the suspension of the salesperson's license to submit proof of successful completion of the instruction required under this division. No such license shall be reactivated by the superintendent until it is established, to the satisfaction of the superintendent, that the requirements of this division have been met and that the licensee is in compliance with this chapter. A licensee's license is revoked automatically without the taking of any action by the superintendent when the licensee fails to submit the required proof of completion of the education requirements under division (I) of this section within twelve months of the date the license is suspended.

(K) Examinations shall be administered with reasonable accommodations in accordance with the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12189. The contents of an examination shall be consistent with the classroom instructional requirements of division (F)(6) of this section. An applicant who has completed the classroom instructional requirements of division (F)(6) of this section at the time of application shall be examined no later than twelve months after the applicant is notified of the applicant's admission to the examination.

**Sec. 4735.12.** (A) The real estate recovery fund is hereby created in the state treasury, to be administered by the superintendent of real estate. Amounts collected by the superintendent as prescribed in this section and interest earned on the assets of the fund shall be credited by the treasurer of state to the fund. The amount of money in the fund shall be ascertained by the superintendent as of the first day of July of each year.

The commission, in accordance with rules adopted under division (A)(2)(g) of section 4735.10 of the Revised Code, shall
impose a special assessment not to exceed ten dollars per year for each year of a licensing period on each licensee filing a notice of renewal under section 4735.14 of the Revised Code if the amount available in the fund is less than five two hundred fifty thousand dollars on the first day of July preceding that filing. The commission may impose a special assessment not to exceed five dollars per year for each year of a licensing period if the amount available in the fund is greater than one million dollars, but less than two million dollars on the first day of July preceding that filing. The commission shall not impose a special assessment if the amount available in the fund exceeds two million hundred fifty thousand dollars on the first day of July preceding that filing.

(B)(1) Any person who obtains a final judgment in any court of competent jurisdiction against any broker or salesperson licensed under this chapter, on the grounds of conduct that is in violation of this chapter or the rules adopted under it, and that is associated with an act or transaction that only a licensed real estate broker or licensed real estate salesperson is authorized to perform as specified in division (A) or (C) of section 4735.01 of the Revised Code, may file a verified application, as described in division (B)(3) of this section, in the court of common pleas of Franklin county for an order directing payment out of the real estate recovery fund of the portion of the judgment that remains unpaid and that represents the actual and direct loss sustained by the applicant.

(2) Punitive damages, attorney's fees, and interest on a judgment are not recoverable from the fund. In the discretion of the superintendent of real estate, court costs may be recovered from the fund, and, if the superintendent authorizes the recovery of court costs, the order of the court of common pleas then may direct their payment from the fund.
(3) The application shall specify the nature of the act or transaction upon which the underlying judgment was based, the activities of the applicant in pursuit of remedies available under law for the collection of judgments, and the actual and direct losses, attorney's fees, and the court costs sustained or incurred by the applicant. The applicant shall attach to the application a copy of each pleading and order in the underlying court action.

(4) The court shall order the superintendent to make such payments out of the fund when the person seeking the order has shown all of the following:

(a) The person has obtained a judgment, as provided in this division;

(b) All appeals from the judgment have been exhausted and the person has given notice to the superintendent, as required by division (C) of this section;

(c) The person is not a spouse of the judgment debtor, or the personal representative of such spouse;

(d) The person has diligently pursued the person's remedies against all the judgment debtors and all other persons liable to the person in the transaction for which the person seeks recovery from the fund;

(e) The person is making the person's application not more than one year after termination of all proceedings, including appeals, in connection with the judgment.

(5) Divisions (B)(1) to (4) of this section do not apply to any of the following:

(a) Actions arising from property management accounts maintained in the name of the property owner;

(b) A bonding company when it is not a principal in a real estate transaction;
(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code;

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment.

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that the superintendent shall give written notice to the applicant at least ten days before such motion. The superintendent may, subject to court approval, compromise a claim based upon the application of an aggrieved party. The superintendent shall not be bound by any prior compromise or stipulation of the judgment debtor.

(D) Notwithstanding any other provision of this section, the liability of the fund shall not exceed forty thousand dollars for any one licensee. If a licensee's license is reactivated as provided in division (E) of this section, the liability of the fund for the licensee under this section shall again be forty.
thousand dollars, but only for transactions that occur subsequent to the time of reactivation.

If the forty-thousand-dollar liability of the fund is insufficient to pay in full the valid claims of all aggrieved persons by whom claims have been filed against any one licensee, the forty thousand dollars shall be distributed among them in the ratio that their respective claims bear to the aggregate of valid claims or in such other manner as the court finds equitable. Distribution of moneys shall be among the persons entitled to share in it, without regard to the order of priority in which their respective judgments may have been obtained or their claims have been filed. Upon petition of the superintendent, the court may require all claimants and prospective claimants against one licensee to be joined in one action, to the end that the respective rights of all such claimants to the fund may be equitably adjudicated and settled.

(E) If the superintendent pays from the fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensed broker or salesperson, the license of the broker or salesperson shall be automatically suspended upon the date of payment from the fund. The superintendent shall not reactivate the suspended license of that broker or salesperson until the broker or salesperson has repaid in full, plus interest per annum at the rate specified in division (A) of section 1343.03 of the Revised Code, the amount paid from the fund on the broker's or salesperson's account. A discharge in bankruptcy does not relieve a person from the suspension and requirements for reactivation provided in this section unless the underlying judgment has been included in the discharge and has not been reaffirmed by the debtor.

(F) If, at any time, the money deposited in the fund is insufficient to satisfy any duly authorized claim or portion of a
claim, the superintendent shall, when sufficient money has been
deposited in the fund, satisfy such unpaid claims or portions, in
the order that such claims or portions were originally filed, plus
accumulated interest per annum at the rate specified in division
(A) of section 1343.03 of the Revised Code.

(G) When, upon the order of the court, the superintendent has
paid from the fund any sum to the judgment creditor, the
superintendent shall be subrogated to all of the rights of the
judgment creditor to the extent of the amount so paid, and the
judgment creditor shall assign all the judgment creditor's right,
title, and interest in the judgment to the superintendent to the
extent of the amount so paid. Any amount and interest so recovered
by the superintendent on the judgment shall be deposited in the
fund.

(H) Nothing contained in this section shall limit the
authority of the superintendent to take disciplinary action
against any licensee under other provisions of this chapter; nor
shall the repayment in full of all obligations to the fund by any
licensee nullify or modify the effect of any other disciplinary
proceeding brought pursuant to this chapter.

(I) The superintendent shall collect from the fund a service
fee in an amount equivalent to the interest rate specified in
division (A) of section 1343.03 of the Revised Code multiplied by
the annual interest earned on the assets of the fund, to defray
the expenses incurred in the administration of the fund.

Sec. 4735.13. (A) Every real estate broker licensed under
this chapter shall have and maintain a definite place of business
in this state. A post office box address is not a definite place
of business for purposes of this section. The license of a real
estate broker shall be prominently displayed in the office or
place of business of the broker, and no license shall authorize
the licensee to do business except from the location specified in it. If the broker maintains more than one place of business within the state, the broker shall apply for and procure a duplicate license for each branch office maintained by the broker. Each branch office shall be in the charge of a licensed broker or salesperson. The branch office license shall be prominently displayed at the branch office location.

(B) The license of each real estate salesperson shall be mailed to and remain in the possession of the licensed broker with whom the salesperson is or is to be associated until the licensee places the license on inactive or resigned status or until the salesperson leaves the brokerage or is terminated. The broker shall keep each salesperson's license in a way that it can, and shall on request, be made immediately available for public inspection at the office or place of business of the broker. Except as provided in divisions (G) and (H) of this section, immediately upon the salesperson's leaving the association or termination of the association of a real estate salesperson with the broker, the broker shall return the salesperson's license to the superintendent of real estate.

The failure of a broker to return the license of a real estate salesperson or broker who leaves or who is terminated, via certified mail return receipt requested, within three business days of the receipt of a written request from the superintendent for the return of the license, is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.

(C) A licensee shall notify the superintendent in writing within fifteen days of any of the following occurrences:

(1) The licensee is convicted of a felony.

(2) The licensee is convicted of a crime involving moral
(3) The licensee is found to have violated any federal, state, or municipal civil rights law pertaining to discrimination in housing.

(4) The licensee is found to have engaged in a discriminatory practice pertaining to housing accommodations described in division (H) of section 4112.02 of the Revised Code.

(5) The licensee is the subject of an order by the department of commerce, the department of insurance, or the department of agriculture revoking or permanently surrendering any professional license, certificate, or registration.

(6) The licensee is the subject of an order by any government agency concerning real estate, financial matters, or the performance of fiduciary duties with respect to any license, certificate, or registration.

If a licensee fails to notify the superintendent within the required time, the superintendent immediately may suspend the license of the licensee.

Any court that convicts a licensee of a violation of any municipal civil rights law pertaining to housing discrimination also shall notify the Ohio civil rights commission within fifteen days of the conviction.

(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of location, whereupon the superintendent shall issue new licenses for the unexpired period without charge. If a broker changes a business location without giving the required notice and without receiving new licenses that action is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.
(E) If a real estate broker desires to associate with another real estate broker in the capacity of a real estate salesperson, the broker shall apply to the superintendent to deposit the broker's real estate broker's license with the superintendent and for the issuance of a real estate salesperson's license. The application shall be made on a form prescribed by the superintendent and shall be accompanied by the recommendation of the real estate broker with whom the applicant intends to become associated and a fee of twenty-five thirty-four dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest, truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the superintendent to all salespersons associated with the broker when applying to place the broker's license on deposit.

(F) If a real estate broker desires to become a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is or intends to become a licensed real estate broker, the broker shall notify the superintendent of the broker's intentions. The notice of intention shall be on a form prescribed by the superintendent and shall be accompanied by a fee of twenty-five thirty-four dollars.
One dollar of the fee shall be credited to the real estate 
education and research fund.

A licensed real estate broker who is a member or officer of a
partnership, association, limited liability company, limited
liability partnership, or corporation shall only act as a real
estate broker for such partnership, association, limited liability
company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the
armed forces, the broker or salesperson may place the broker's or
salesperson's license on deposit with the Ohio real estate
commission. The licensee shall not be required to renew the
license until the renewal date that follows the date of discharge
from the armed forces. Any license deposited with the commission
shall be subject to this chapter.

Any licensee whose license is on deposit under this division
and who fails to meet the continuing education requirements of
section 4735.141 of the Revised Code because the licensee is in
the armed forces shall satisfy the commission that the licensee
has complied with the continuing education requirements within
twelve months of the licensee's first birthday after discharge or
within the amount of time equal to the total number of months the
licensee spent on active duty, whichever is greater. The licensee
shall submit proper documentation of active duty service and the
length of that active duty service to the superintendent. The
extension shall not exceed the total number of months that the
licensee served in active duty. The superintendent shall notify
the licensee of the licensee's obligations under section 4735.141
of the Revised Code at the time the licensee applies for
reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces
and the spouse's service resulted in the licensee's absence from
this state, both of the following apply:
(a) The licensee shall not be required to renew the license until the renewal date that follows the date of the spouse's discharge from the armed forces.

(b) If the licensee fails to meet the continuing education requirements of section 4735.141 of the Revised Code, the licensee shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months after the licensee's first birthday after the spouse's discharge or within the amount of time equal to the total number of months the licensee's spouse spent on active duty, whichever is greater. The licensee shall submit proper documentation of the spouse's active duty service and the length of that active duty service. This extension shall not exceed the total number of months that the licensee's spouse served in active duty.

(3) In the case of a licensee as described in division (G)(2) of this section, who holds the license through a reciprocity agreement with another state, the spouse's service shall have resulted in the licensee's absence from the licensee's state of residence for the provisions of that division to apply.

(4) As used in this division, "armed forces" means the armed forces of the United States or reserve component of the armed forces of the United States including the Ohio national guard or the national guard of any other state.

(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Sec. 4735.143. (A) Each person applying for a license
pursuant to section 4735.07 or 4735.09 of the Revised Code shall submit one complete set of fingerprint impressions directly to the superintendent of the bureau of criminal identification and investigation for the purpose of conducting a criminal records check. The applicant shall provide the fingerprint impressions using a method the superintendent of the bureau of criminal identification and investigation prescribes pursuant to division (C) of section 109.572 of the Revised Code. Upon receiving an application under this section, the superintendent of real estate and professional licensing shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprint impressions in accordance with division (A)(16) of section 109.572 of the Revised Code. Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of real estate and professional licensing shall request that criminal record information based on the applicant's fingerprints be obtained from the federal bureau of investigation as part of the criminal records check. Any fee required under division (C)(3) of section 109.572 of the Revised Code shall be paid by the applicant.

(B) An applicant who disclosed on the application that the applicant has been convicted of any criminal offense shall only be permitted to take the examination after the results of the criminal records check have been received by the superintendent and the superintendent has made a determination to disregard the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant again
will violate the laws involved.

(C) Persons who have indicated on the application that they have not been convicted of any criminal offense, shall, if all other requirements for licensure have been satisfied, be permitted to take the real estate examination for which the applicant has applied prior to the superintendent's receipt of the results of the criminal records check. If the applicant receives a passing score on the examination and meets the other requirements for the license, the superintendent shall issue a provisional license pending the results of the criminal records check. During this provisional status, the licensee may perform acts that require a real estate license. If the results of the criminal records check subsequently confirm that the licensee has no convictions, the provisional status shall be removed. If it is determined that the licensee has been convicted of any criminal offense, the superintendent may immediately suspend the license of the licensee.

(D) Any entity offering the prelicensure education required to obtain a real estate license in this state shall, prior to a student's enrollment in a class, notify the student of both of the following:

(1) That a conviction of a criminal offense may disqualify an individual from obtaining a real estate license;

(2) The student's rights under section 9.78 of the Revised Code to request a determination as to whether such a conviction will disqualify the student.

Sec. 4735.15. (A) The nonrefundable fees for reactivation or transfer of a license shall be as follows:

(1) Reactivation or transfer of a broker's license into or out of a partnership, association, limited liability company,
limited liability partnership, or corporation or from one partnership, association, limited liability company, limited liability partnership, or corporation to another partnership, association, limited liability company, limited liability partnership, or corporation, twenty-five thirty-four dollars. An application for such transfer shall be made to the superintendent of real estate on forms provided by the superintendent.

(2) Reactivation or transfer of a license by a real estate salesperson, twenty-five thirty-four dollars.

(B) Except as may otherwise be specified pursuant to division (F) of this section or any rules adopted by the Ohio real estate commission pursuant to division (A)(2)(b) of section 4735.10 of the Revised Code, the nonrefundable fees for a branch office license, license renewal, late filing, and foreign real estate dealer and salesperson license are as follows per year for each year of a licensing period:

(1) Branch office license, fifteen twenty dollars;

(2) Renewal of a three-year real estate broker's license, sixty two hundred forty-three dollars. If the licensee is a partnership, association, limited liability company, limited liability partnership, or corporation, the full broker's renewal fee shall be required for each member of such partnership, association, limited liability company, limited liability partnership, or corporation that is a real estate broker. If the real estate broker has not less than eleven nor more than twenty real estate salespersons associated with the broker, an additional fee of sixty-four dollars shall be assessed to the brokerage. For every additional ten real estate salespersons or fraction of that number, the brokerage assessment fee shall be increased in the amount of thirty-seven dollars.

(3) Renewal of a three-year real estate salesperson's
license, forty-five one hundred eighty-two dollars;

(4) Renewal of a real estate broker's or salesperson's license filed within twelve months after the licensee's renewal date, an additional late filing penalty of fifty per cent of the required three-year fee;

(5) Foreign real estate dealer's license and each renewal of the license, thirty dollars per salesperson employed by the dealer, but not less than one two hundred fifty three dollars;

(6) Foreign real estate salesperson's license and each renewal of the license, fifty sixty-eight dollars.

(C) All fees collected under this section shall be paid to the treasurer of state. One dollar of each such fee shall be credited to the real estate education and research fund, except that for fees that are assessed only once every three years, three dollars of each triennial fee shall be credited to the real estate education and research fund.

(D) In all cases, the fee and any penalty shall accompany the application for the license, license transfer, or license reactivation or shall accompany the filing of the renewal.

(E) The commission may establish by rule reasonable fees for services not otherwise established by this chapter.

(F) The commission may adopt rules that provide for a reduction in the fees established in divisions (B)(2) and (3) of this section.

Sec. 4735.18. (A) Subject to section 4735.32 of the Revised Code, the superintendent of real estate, upon the superintendent's own motion, may investigate the conduct of any licensee. Subject to division (E) of this section and section 4735.32 of the Revised Code, the Ohio real estate commission shall impose disciplinary sanctions upon any licensee who, whether or not acting in the
licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found to have been convicted of a felony or a crime of moral turpitude, and may impose disciplinary sanctions upon any licensee who, in the licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found guilty of:

(1) Knowingly making any misrepresentation;

(2) Making any false promises with intent to influence, persuade, or induce;

(3) A continued course of misrepresentation or the making of false promises through agents, salespersons, advertising, or otherwise;

(4) Acting for more than one party in a transaction except as permitted by and in compliance with section 4735.71 of the Revised Code;

(5) Failure within a reasonable time to account for or to remit any money coming into the licensee's possession which belongs to others;

(6) Dishonest or illegal dealing, gross negligence, incompetency, or misconduct;

(7)(a) By final adjudication by a court, a violation of any municipal or federal civil rights law relevant to the protection of purchasers or sellers of real estate or, by final adjudication by a court, any unlawful discriminatory practice pertaining to the purchase or sale of real estate prohibited by Chapter 4112. of the Revised Code, provided that such violation arose out of a situation wherein parties were engaged in bona fide efforts to purchase, sell, or lease real estate, in the licensee's practice as a licensed real estate broker or salesperson;

(b) A second or subsequent violation of any unlawful
discriminatory practice pertaining to the purchase or sale of real estate prohibited by Chapter 4112. of the Revised Code or any second or subsequent violation of municipal or federal civil rights laws relevant to purchasing or selling real estate whether or not there has been a final adjudication by a court, provided that such violation arose out of a situation wherein parties were engaged in bona fide efforts to purchase, sell, or lease real estate. For any second offense under this division, the commission shall suspend for a minimum of two months or revoke the license of the broker or salesperson. For any subsequent offense, the commission shall revoke the license of the broker or salesperson.

(8) Procuring a license under this chapter, for the licensee or any salesperson by fraud, misrepresentation, or deceit;

(9) Having violated or failed to comply with any provision of sections 4735.51 to 4735.74 of the Revised Code or having willfully disregarded or violated any other provisions of this chapter;

(10) As a real estate broker, having demanded, without reasonable cause, other than from a broker licensed under this chapter, a commission to which the licensee is not entitled, or, as a real estate salesperson, having demanded, without reasonable cause, a commission to which the licensee is not entitled;

(11) Except as permitted under section 4735.20 of the Revised Code, having paid commissions or fees to, or divided commissions or fees with, anyone not licensed as a real estate broker or salesperson under this chapter or anyone not operating as an out-of-state commercial real estate broker or salesperson under section 4735.022 of the Revised Code;

(12) Having falsely represented membership in any real estate professional association of which the licensee is not a member;

(13) Having accepted, given, or charged any undisclosed
commission, rebate, or direct profit on expenditures made for a principal;

(14) Having offered anything of value other than the consideration recited in the sales contract as an inducement to a person to enter into a contract for the purchase or sale of real estate or having offered real estate or the improvements on real estate as a prize in a lottery or scheme of chance;

(15) Having acted in the dual capacity of real estate broker and undisclosed principal, or real estate salesperson and undisclosed principal, in any transaction;

(16) Having guaranteed, authorized, or permitted any person to guarantee future profits which may result from the resale of real property;

(17) Having advertised or placed a sign on any property offering it for sale or for rent without the consent of the owner or the owner's authorized agent;

(18) Having induced any party to a contract of sale or lease to break such contract for the purpose of substituting in lieu of it a new contract with another principal;

(19) Having negotiated the sale, exchange, or lease of any real property directly with a seller, purchaser, lessor, or tenant knowing that such seller, purchaser, lessor, or tenant is represented by another broker under a written exclusive agency agreement, exclusive right to sell or lease listing agreement, or exclusive purchaser agency agreement with respect to such property except as provided for in section 4735.75 of the Revised Code;

(20) Having offered real property for sale or for lease without the knowledge and consent of the owner or the owner's authorized agent, or on any terms other than those authorized by the owner or the owner's authorized agent;
(21) Having published advertising, whether printed, radio, display, or of any other nature, which was misleading or inaccurate in any material particular, or in any way having misrepresented any properties, terms, values, policies, or services of the business conducted;

(22) Having knowingly withheld from or inserted in any statement of account or invoice any statement that made it inaccurate in any material particular;

(23) Having published or circulated unjustified or unwarranted threats of legal proceedings which tended to or had the effect of harassing competitors or intimidating their customers;

(24) Having failed to keep complete and accurate records of all transactions for a period of three years from the date of the transaction, such records to include copies of listing forms, earnest money receipts, offers to purchase and acceptances of them, records of receipts and disbursements of all funds received by the licensee as broker and incident to the licensee's transactions as such, and records required pursuant to divisions (C)(4) and (5) of section 4735.20 of the Revised Code, and any other instruments or papers related to the performance of any of the acts set forth in the definition of a real estate broker;

(25) Failure of a real estate broker or salesperson to furnish all parties involved in a real estate transaction true copies of all listings and other agreements to which they are a party, at the time each party signs them;

(26) Failure to maintain at all times a special or trust bank account in a depository located in this state. The account shall be noninterest-bearing, separate and distinct from any personal or other account of the broker, and, except as provided in division (A)(27) of this section, shall be used for the deposit and
maintenance of all escrow funds, security deposits, and other
moneys received by the broker in a fiduciary capacity. The name,
account number, if any, and location of the depository wherein
such special or trust account is maintained shall be submitted in
writing to the superintendent. Checks drawn on such special or
trust bank accounts are deemed to meet the conditions imposed by
section 1349.21 of the Revised Code. Funds deposited in the trust
or special account in connection with a purchase agreement shall
be maintained in accordance with section 4735.24 of the Revised
Code.

(27) Failure to maintain at all times a special or trust bank
account in a depository in this state, to be used exclusively for
the deposit and maintenance of all rents, security deposits,
escrow funds, and other moneys received by the broker in a
fiduciary capacity in the course of managing real property. This
account shall be separate and distinct from any other account
maintained by the broker. The name, account number, and location
of the depository shall be submitted in writing to the
superintendent. This account may earn interest, which shall be
paid to the property owners on a pro rata basis.

Division (A)(27) of this section does not apply to brokers
who are not engaged in the management of real property on behalf
of real property owners.

(28) Having failed to put definite expiration dates in all
written agency agreements to which the broker is a party;

(29) Having an unsatisfied final judgment or lien in any
court of record against the licensee arising out of the licensee's
conduct as a licensed broker or salesperson;

(30) Failing to render promptly upon demand a full and
complete statement of the expenditures by the broker or

(21) Failure to comply with any code of ethics established by
the national commission for the certification of anesthesiologist assistants;

If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or certificate license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the certificate license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a
judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a certificate license to practice issued under this chapter, or applies for a certificate license to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a certificate license to practice issued under this chapter or who has applied for a certificate license to practice pursuant to this chapter to submit to a mental or physical examination, or both. A physical examination may include an HIV test. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an anesthesiologist assistant unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the anesthesiologist assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed certificate license to practice. An
individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a certificate license to practice issued under this chapter or any applicant for a certificate license to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed certificate license to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a certificate license suspended under this division, the anesthesiologist assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a certificate license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired anesthesiologist assistant resumes practice, the board shall require continued monitoring of the anesthesiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the anesthesiologist assistant has maintained sobriety.

(G) If the secretary and supervising member determine that there is clear and convincing evidence that an anesthesiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's certificate license without a prior hearing. Written allegations shall be prepared for consideration.
by the board.

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the anesthesiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the anesthesiologist assistant requests the hearing, unless otherwise agreed to by both the board and the certificate license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board
shall reinstate the certificate license to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The certificate license to practice of an anesthesiologist assistant and the assistant's practice in this state are automatically suspended as of the date the anesthesiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a certificate license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's certificate license to practice.

(J) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing
and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the anesthesiologist assistant's certificate license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a certificate license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a certificate license to practice as an anesthesiologist assistant to an applicant, revokes an individual's certificate license, refuses to renew an individual's certificate license, or refuses to reinstate an individual's certificate license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate license to practice as an anesthesiologist assistant and the board shall not accept an application for reinstatement of the certificate license or for issuance of a new certificate license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a certificate license to practice issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a certificate license surrendered to
the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a certificate license to practice may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate license to practice in accordance with section 4760.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4760.131. On receipt of a notice pursuant to section 3123.43 of the Revised Code, the state medical board shall comply with sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code with respect to a certificate license to practice as an anesthesiologist assistant issued pursuant to this chapter.

Sec. 4760.132. If the state medical board has reason to believe that any person who has been granted a certificate license to practice as an anesthesiologist assistant under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which the person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section.

If any person who has been granted a certificate license to practice is adjudged by a probate court to be mentally ill or mentally incompetent, the person's certificate license shall be automatically suspended until the person has filed with the state
medical board a certified copy of an adjudication by a probate
court of the person's subsequent restoration to competency or has
submitted to the board proof, satisfactory to the board, that the
person has been discharged as having a restoration to competency
in the manner and form provided in section 5122.38 of the Revised
Code. The judge of the probate court shall forthwith notify the
state medical board of an adjudication of mental illness or mental
incompetence, and shall note any suspension of a certificate
license in the margin of the court's record of such certificate
license.

Sec. 4760.14. (A) The state medical board shall investigate
evidence that appears to show that any person has violated this
chapter or the rules adopted under it. Any person may report to
the board in a signed writing any information the person has that
appears to show a violation of any provision of this chapter or
the rules adopted under it. In the absence of bad faith, a person
who reports such information or testifies before the board in an
adjudication conducted under Chapter 119. of the Revised Code
shall not be liable for civil damages as a result of reporting the
information or providing testimony. Each complaint or allegation
of a violation received by the board shall be assigned a case
number and be recorded by the board.

(B) Investigations of alleged violations of this chapter or
rules adopted under it shall be supervised by the supervising
member elected by the board in accordance with section 4731.02 of
the Revised Code and by the secretary as provided in section
4760.15 of the Revised Code. The board's president may designate
another member of the board to supervise the investigation in
place of the supervising member. A member of the board who
supervises the investigation of a case shall not participate in
further adjudication of the case.
(C) In investigating a possible violation of this chapter or the rules adopted under it, the board may administer oaths, order the taking of depositions, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board. Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or the rules adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence. When the person being served is an anesthesiologist assistant, service of the subpoena may be made by certified mail, restricted delivery, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery.

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage
provided for under section 119.094 of the Revised Code.

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from
its records.

(F) The state medical board shall develop requirements for and provide appropriate initial training and continuing education for investigators employed by the board to carry out its duties under this chapter. The training and continuing education may include enrollment in courses operated or approved by the Ohio peace officer training commission that the board considers appropriate under conditions set forth in section 109.79 of the Revised Code.

(G) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged violation;

(2) The type of certificate license to practice, if any, held by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.

Sec. 4760.15. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid certificate license issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a
violation of Chapter 2907., 2925., or 3719. of the Revised Code or
of any substantively comparable ordinance of a municipal
corporation in connection with the person's practice, the
prosecutor in the case, on forms prescribed and provided by the
state medical board, shall promptly notify the board of the
conviction. Within thirty days of receipt of that information, the
board shall initiate action in accordance with Chapter 119. of the
Revised Code to determine whether to suspend or revoke the

(3) A plea of guilty to, a finding of guilt by a jury or
court of, or judicial finding of eligibility for intervention in
lieu of conviction for a misdemeanor involving moral turpitude, or
a case in which the trial court issues an order of dismissal upon
technical or procedural grounds of a charge of a misdemeanor
involving moral turpitude.
The report shall include the name and address of the certificate license holder, the nature of the offense for which the action was taken, and the certified court documents recording the action.

Sec. 4760.16. (A) Within sixty days after the imposition of any formal disciplinary action taken by any health care facility, including a hospital, health care facility operated by an a health insuring corporation, ambulatory surgical facility, or similar facility, against any individual holding a valid certificate license to practice as an anesthesiologist assistant, the chief administrator or executive officer of the facility shall report to the state medical board the name of the individual, the action taken by the facility, and a summary of the underlying facts leading to the action taken. On request, the board shall be provided certified copies of the patient records that were the basis for the facility's action. Prior to release to the board, the summary shall be approved by the peer review committee that reviewed the case or by the governing board of the facility. The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a health care facility from taking disciplinary action against an anesthesiologist assistant.

In the absence of fraud or bad faith, no individual or entity that provides patient records to the board shall be liable in damages to any person as a result of providing the records.

(B)(1) Except as provided in division (B)(2) of this section, an anesthesiologist assistant, professional association or society of anesthesiologist assistants, physician, or professional association or society of physicians that believes a violation of any provision of this chapter, Chapter 4731. of the Revised Code, or rule of the board has occurred shall report to the board the
information on which the belief is based.

(2) An anesthesiologist assistant, professional association or society of anesthesiologist assistants, physician, or professional association or society of physicians that believes that a violation of division (B)(6) of section 4760.13 of the Revised Code has occurred shall report the information upon which the belief is based to the monitoring organization conducting the program established by the board under section 4731.251 of the Revised Code. If any such report is made to the board, it shall be referred to the monitoring organization unless the board is aware that the individual who is the subject of the report does not meet the program eligibility requirements of section 4731.252 of the Revised Code.

(C) Any professional association or society composed primarily of anesthesiologist assistants that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision, shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the underlying facts leading to the action taken.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a professional organization from taking disciplinary action against an anesthesiologist assistant.

(D) Any insurer providing professional liability insurance to any person holding a valid certificate license to practice as an anesthesiologist assistant or any other entity that seeks to indemnify the professional liability of an anesthesiologist assistant shall notify the board within thirty days after the

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the anesthesiologist assistant.

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving an anesthesiologist assistant, supervising physician, or health care facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an anesthesiologist assistant or supervising physician, or in any subsequent trial or
appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing an anesthesiologist assistant or supervising physician or reviewing their privilege to practice within a particular facility. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the anesthesiologist assistant. The anesthesiologist assistant shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that reports to the board, reports to the monitoring organization described in section 4731.251 of the Revised Code, or refers an impaired anesthesiologist assistant to a treatment provider approved by the board under section 4731.25 of the Revised Code shall not be subject to suit for civil damages as a result of the report, referral, or provision of the information.

reason of actions taken to refer an anesthesiologist assistant to a treatment provider approved under section 4731.25 of the Revised Code for examination or treatment.

Sec. 4760.18. The attorney general, the prosecuting attorney of any county in which the offense was committed or the offender resides, the state medical board, or any other person having knowledge of a person engaged either directly or by complicity in practicing as an anesthesiologist assistant without having first obtained a certificate license to practice pursuant to issued under this chapter, may, in accordance with provisions of the Revised Code governing injunctions, maintain an action in the name of the state to enjoin any person from engaging either directly or by complicity in unlawfully practicing as an anesthesiologist assistant by applying for an injunction in any court of competent jurisdiction.

Prior to application for an injunction, the secretary of the state medical board shall notify the person allegedly engaged either directly or by complicity in the unlawful practice by registered mail that the secretary has received information indicating that this person is so engaged. The person shall answer the secretary within thirty days showing that the person is either properly licensed for the stated activity or that the person is not in violation of this chapter. If the answer is not forthcoming within thirty days after notice by the secretary, the secretary shall request that the attorney general, the prosecuting attorney of the county in which the offense was committed or the offender resides, or the state medical board proceed as authorized in this section.

Chapter 119. of the Revised Code, irrespective of the position of the proceeding on the calendar of the court.

Injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this chapter.

Sec. 4761.03. (A) The state medical board shall regulate the practice of respiratory care in this state and the persons to whom the board issues licenses and limited permits under this chapter. Rules adopted under this chapter that deal with the provision of respiratory care in a hospital, other than rules regulating the issuance of licenses or limited permits, shall be consistent with the conditions for participation under medicare, Title XVIII of the "Social Security Act," 79 Stat. 286 (1965), 42 U.S.C.A. 1395, as amended, and with the respiratory care accreditation standards of the joint commission or the American osteopathic association.

(B) The board shall adopt, and may rescind or amend, rules in accordance with Chapter 119. of the Revised Code to carry out the purposes of this chapter, including rules prescribing the following:

The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under it, the board may issue subpoenas, administer oaths, question witnesses, conduct interviews, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and
material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or limited permit issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

The holder shall notify the board as soon as practicable when the holder completes a board-approved respiratory care education program or discontinues participation in the educational program.

(4) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in soliciting or advertising for patients or in securing or attempting to secure a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(10) The obtaining of, or attempting to obtain, money or a
thing of value by fraudulent misrepresentations in the course of practice;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(12) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(14) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(15) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(17) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(18) Any of the following actions taken by the state agency responsible for regulating the practice of oriental medicine or acupuncture in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's
license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(19) Violation of the conditions placed by the board on a certificate license to practice as an oriental medicine practitioner or certificate license to practice as an acupuncturist;

(20) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(21) Failure to cooperate in an investigation conducted by the board under section 4762.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(22) Failure to comply with the standards of the national certification commission for acupuncture and oriental medicine regarding professional ethics, commitment to patients, commitment to the profession, and commitment to the public;

(23) Failure to have adequate professional liability insurance coverage in accordance with section 4762.22 of the Revised Code;

(24) Failure to maintain a current and active designation as a diplomate in oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate in acupuncture, as applicable, from the national certification commission for acupuncture and oriental medicine, including revocation by the commission of the
individual's designation, failure by the individual to meet the commission's requirements for redesignation, or failure to notify the board that the appropriate designation has not been maintained.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an oriental medicine practitioner or acupuncturist or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or certificate license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the certificate license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a
judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or entered into a consent agreement prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a certificate license to practice issued under this chapter, or applies for a certificate license to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a certificate license to practice issued under this chapter or who has applied for a certificate license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an oriental medicine practitioner or acupuncturist unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed certificate license.
to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a certificate license to practice issued under this chapter or any applicant for a certificate license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed certificate license, to submit to treatment.

Before being eligible to apply for reinstatement of a certificate license suspended under this division, the oriental medicine practitioner or acupuncturist shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under...
section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a certificate license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired individual resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the individual has maintained sobriety.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's certificate license to practice without a prior hearing:

(1) That there is clear and convincing evidence that an oriental medicine practitioner or acupuncturist has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.
Written allegations shall be prepared for consideration by the board. The board, upon review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the oriental medicine practitioner or acupuncturist requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the hearing is requested, unless otherwise agreed to by both the board and the certificate license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the
board shall reinstate the certificate to practice license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The certificate license to practice of an oriental medicine practitioner or acupuncturist and the practitioner's or acupuncturist's practice in this state are automatically suspended as of the date the practitioner or acupuncturist pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a certificate license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's certificate to practice license.

(J) In any instance in which the board is required by Chapter
119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the certificate to practice license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a certificate license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a certificate to practice license to an applicant, revokes an individual's certificate license, refuses to renew an individual's certificate license, or refuses to reinstate an individual's certificate license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate license to practice as an oriental medicine practitioner or certificate license to practice as an acupuncturist and the board shall not accept an application for reinstatement of the certificate license or for issuance of a new certificate license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a certificate license to practice as an oriental medicine practitioner or certificate license to practice

(2) The surrender of a certificate license to practice as an acupuncturist.
as an acupuncturist issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a certificate license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a certificate license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate license in accordance with section 4762.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4762.131. On receipt of a notice pursuant to section 3123.43 of the Revised Code, the state medical board shall comply with sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code with respect to a certificate license to practice as an oriental medicine practitioner or certificate license to practice as an acupuncturist issued pursuant to this chapter.

Sec. 4762.132. If the state medical board has reason to believe that any person who has been granted under this chapter a certificate license to practice as an oriental medicine practitioner or certificate license to practice as an acupuncturist is mentally ill or mentally incompetent, it may file in the probate court of the county in which the person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section.

If any person who has been granted a certificate license is
adjudged by a probate court to be mentally ill or mentally incompetent, the person's certificate license shall be automatically suspended until the person has filed with the state medical board a certified copy of an adjudication by a probate court of the person's subsequent restoration to competency or has submitted to the board proof, satisfactory to the board, that the person has been discharged as having a restoration to competency in the manner and form provided in section 5122.38 of the Revised Code. The judge of the probate court shall forthwith notify the state medical board of an adjudication of mental illness or mental incompetence, and shall note any suspension of a certificate license in the margin of the court's record of such certificate license.

Sec. 4762.14. (A) The state medical board shall investigate evidence that appears to show that any person has violated this chapter or the rules adopted under it. Any person may report to the board in a signed writing any information the person has that appears to show a violation of any provision of this chapter or the rules adopted under it. In the absence of bad faith, a person who reports such information or testifies before the board in an adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of reporting the information or providing testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and be recorded by the board.

(B) Investigations of alleged violations of this chapter or rules adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4762.17 of the Revised Code. The board's president may designate another member of the board to supervise the investigation in place of the supervising member. A member of the board who
supervises the investigation of a case shall not participate in further adjudication of the case.

(C) In investigating a possible violation of this chapter or the rules adopted under it, the board may administer oaths, order the taking of depositions, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board. Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or the rules adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence. When the person being served is an oriental medicine practitioner or acupuncturist, service of the subpoena may be made by certified mail, restricted delivery, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery.
A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.

The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state.
medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(F) The state medical board shall develop requirements for and provide appropriate initial training and continuing education for investigators employed by the board to carry out its duties under this chapter. The training and continuing education may include enrollment in courses operated or approved by the Ohio peace officer training commission that the board considers appropriate under conditions set forth in section 109.79 of the Revised Code.

(G) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

1. The case number assigned to the complaint or alleged violation;

2. The type of certificate to practice license, if any, held by the individual against whom the complaint is directed;

3. A description of the allegations contained in the complaint;

4. The disposition of the case.

The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.

Sec. 4762.15. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid certificate license
to practice as an oriental medicine practitioner or valid certificate license to practice as an acupuncturist issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the certificate license under section 4762.13 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid certificate to practice license issued pursuant to this chapter, on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

(1) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a felony, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a felony charge;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor committed in the course of practice, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor, if the alleged act was committed in the course of practice;

(3) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in
lieu of conviction for a misdemeanor involving moral turpitude, or 57002
a case in which the trial court issues an order of dismissal upon 57003
technical or procedural grounds of a charge of a misdemeanor 57004
involving moral turpitude.

The report shall include the name and address of the 57006
certificate license holder, the nature of the offense for which 57007
the action was taken, and the certified court documents recording 57008
the action.

Sec. 4762.16. (A) Within sixty days after the imposition of 57010
any formal disciplinary action taken by any health care facility, 57011
including a hospital, health care facility operated by a health 57012
insuring corporation, ambulatory surgical center, or similar 57013
facility, against any individual holding a valid certificate 57014
license to practice as an oriental medicine practitioner or valid 57015
certificate license to practice as an acupuncturist, the chief 57016
administrator or executive officer of the facility shall report to 57017
the state medical board the name of the individual, the action 57018
taken by the facility, and a summary of the underlying facts 57019
leading to the action taken. Upon request, the board shall be 57020
provided certified copies of the patient records that were the 57021
basis for the facility's action. Prior to release to the board, 57022
the summary shall be approved by the peer review committee that 57023
reviewed the case or by the governing board of the facility. 57024

The filing of a report with the board or decision not to file 57025
a report, investigation by the board, or any disciplinary action 57026
taken by the board, does not preclude a health care facility from 57027
taking disciplinary action against an oriental medicine 57028
practitioner or acupuncturist.

In the absence of fraud or bad faith, no individual or entity 57030
that provides patient records to the board shall be liable in 57031
damages to any person as a result of providing the records. 57032
(B)(1) Except as provided in division (B)(2) of this section, an oriental medicine practitioner or acupuncturist, professional association or society of oriental medicine practitioners or acupuncturists, physician, or professional association or society of physicians that believes a violation of any provision of this chapter, Chapter 4731. of the Revised Code, or rule of the board has occurred shall report to the board the information upon which the belief is based.

(2) An oriental medicine practitioner or acupuncturist, professional association or society of oriental medicine practitioners or acupuncturists, physician, or professional association or society of physicians that believes a violation of division (B)(6) of section 4762.13 of the Revised Code has occurred shall report the information upon which the belief is based to the monitoring organization conducting the program established by the board under section 4731.251 of the Revised Code. If any such report is made to the board, it shall be referred to the monitoring organization unless the board is aware that the individual who is the subject of the report does not meet the program eligibility requirements of section 4731.252 of the Revised Code.

(C) Any professional association or society composed primarily of oriental medicine practitioners or acupuncturists that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision, shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the underlying facts leading to the action taken.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action
taken by the board, does not preclude a professional organization from taking disciplinary action against an individual.

(D) Any insurer providing professional liability insurance to any person holding a valid certificate license to practice as an oriental medicine practitioner or valid certificate license to practice as an acupuncturist or any other entity that seeks to indemnify the professional liability of an oriental medicine practitioner or acupuncturist shall notify the board within thirty days after the final disposition of any written claim for damages where such disposition results in a payment exceeding twenty-five thousand dollars. The notice shall contain the following information:

(1) The name and address of the person submitting the notification;

(2) The name and address of the insured who is the subject of the claim;

(3) The name of the person filing the written claim;

(4) The date of final disposition;

(5) If applicable, the identity of the court in which the final disposition of the claim took place.

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the oriental medicine practitioner or acupuncturist.
(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving an oriental medicine practitioner, acupuncturist, supervising physician, or health care facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an oriental medicine practitioner, acupuncturist, or supervising physician, or in any subsequent trial or appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing an oriental medicine practitioner, acupuncturist, or supervising physician or reviewing their privilege to practice within a particular facility. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the acupuncturist. The oriental medicine practitioner or acupuncturist shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that reports to the board, reports to the monitoring organization described in section 4731.251 of the Revised Code, or refers an impaired oriental
medicine practitioner or impaired acupuncturist to a treatment
provider approved by the board under section 4731.25 of the
Revised Code shall not be subject to suit for civil damages as a
result of the report, referral, or provision of the information.

(I) In the absence of fraud or bad faith, a professional
association or society of oriental medicine practitioners or
acupuncturists that sponsors a committee or program to provide
peer assistance to an oriental medicine practitioner or
acupuncturist with substance abuse problems, a representative or
agent of such a committee or program, a representative or agent of
the monitoring organization described in section 4731.251 of the
Revised Code, and a member of the state medical board shall not be
held liable in damages to any person by reason of actions taken to
refer an oriental medicine practitioner or acupuncturist to a
treatment provider approved under section 4731.25 of the Revised
Code for examination or treatment.

Sec. 4762.18. (A) Subject to division (E) of this section,
the attorney general, the prosecuting attorney of any county in
which the offense was committed or the offender resides, the state
medical board, or any other person having knowledge of a person
engaged either directly or by complicity in the practice of
oriental medicine or acupuncture without having first obtained a
certificate license to do so pursuant to this chapter, may, in
accord with provisions of the Revised Code governing injunctions,
maintain an action in the name of the state to enjoin any person
from engaging either directly or by complicity in the unlawful
practice of oriental medicine or acupuncture by applying for an
injunction in any court of competent jurisdiction.

(B) Prior to application for an injunction under division (A)
of this section, the secretary of the state medical board shall
notify the person allegedly engaged either directly or by
complicity in the unlawful practice of oriental medicine or acupuncture by registered mail that the secretary has received information indicating that this person is so engaged. The person shall answer the secretary within thirty days showing that the person is either properly licensed for the stated activity or that the person is not in violation of this chapter. If the answer is not forthcoming within thirty days after notice by the secretary, the secretary shall request that the attorney general, the prosecuting attorney of the county in which the offense was committed or the offender resides, or the state medical board proceed as authorized in this section.

(C) Upon the filing of a verified petition in court, the court shall conduct a hearing on the petition and shall give the same preference to this proceeding as is given all proceedings under Chapter 119. of the Revised Code, irrespective of the position of the proceeding on the calendar of the court.

(D) Injunction proceedings as authorized by this section shall be in addition to, and not in lieu of, all penalties and other remedies provided in this chapter.

(E) An injunction proceeding permitted by division (A) of this section may not be maintained against a person described in division (B) of section 4762.02 of the Revised Code or a chiropractor who holds a valid certificate to practice acupuncture issued under section 4734.283 of the Revised Code.

Sec. 4762.22. An individual who holds a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist issued under this chapter shall have professional liability insurance coverage in an amount that is not less than five hundred thousand dollars.

Sec. 4763.16. (A) The real estate appraiser recovery fund is
hereby created in the state treasury, to be administered by the superintendent of real estate. The treasurer of state shall credit to the fund amounts collected by the superintendent as prescribed in this section and interest earned on the assets of the fund. The superintendent shall ascertain the balance of the fund as of the first day of October of each year. If that balance is less than five two hundred thousand dollars at any time, the director of budget and management, upon the request of the superintendent and approval of the controlling board, may transfer from the real estate appraiser operating fund to the real estate appraiser recovery fund a sum as will bring the real estate appraiser recovery fund to that amount.

(B) When any person obtains a final judgment in any court of competent jurisdiction against a certificate holder, registrant, or licensee, based upon conduct that is in violation of this chapter or the rules adopted under it, which conduct occurred on or after the date of their certification, registration, or licensure, and that is associated with an act or transaction of a certificate holder, registrant, or licensee specified in this chapter, that person may file a verified complaint, as described in this division, in the Franklin county court of common pleas for an order directing payment out of the real estate appraiser recovery fund of the portion of the judgment that remains unpaid and that represents the actual and direct loss of the person for the act or transaction upon which the underlying judgment was based, and court costs, if awarded in the underlying judgment, provided that no person shall receive more than ten thousand dollars from the fund for any one judgment. A bonding or insurance company or any partnership, corporation, or association that uses any tool to develop a valuation of real property for purposes of a loan or that employs, retains, or engages as an independent contractor a person licensed, registered, or certified as a real estate appraiser in its usual or occasional operations may not
seek an order directing, and is not eligible for, payment out of the fund. Punitive or exemplary damages are not recoverable from the fund.

The complaint shall specify the nature of the act or transaction upon which the underlying judgment was based, the activities of the applicant in pursuit of remedies available under law for the collection of judgments, and the amount of the fee paid by the applicant to the certificate holder, registrant, or licensee. The applicant shall attach to the complaint a copy of each pleading and order in the underlying court action.

The Franklin county court of common pleas shall order the superintendent to make payments out of the fund when the person seeking the order has shown all of the following:

(1) The person has obtained a judgment, as provided in this division;

(2) All appeals from the judgment have been exhausted and the person has given notice to the superintendent, as required by division (C) of this section;

(3) The person is not a spouse of the certificate holder, registrant, or licensee, or the personal representative of the spouse;

(4) The person has diligently pursued the person's remedies against all the certificate holders, registrants, licensees, and all other persons liable to the person in the transaction for which the person seeks recovery from the fund;

(5) The person is making a complaint not more than one year after termination of all proceedings, including appeals, in connection with the judgment.

(C) A person who applies to the Franklin county court of common pleas for an order directing payment out of the fund shall
file notice of the complaint with the superintendent. The superintendent shall send notice to the affected certificate holder, registrant, or licensee, where possible. The superintendent may defend the action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses. The superintendent may move the court at any time to dismiss the complaint when it appears there are no triable issues and the complaint is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the complaint, including the judgment referred to in the complaint, does not form the basis for a meritorious recovery claim. The superintendent may, subject to court approval, compromise a claim based upon the complaint of an aggrieved party. The superintendent is not bound by any prior compromise or stipulation of the certificate holder, registrant, or licensee.

Upon petition of the superintendent, the court may require all claimants and prospective claimants against one certificate holder, registrant, or licensee to be joined in one action, to the end that the respective rights of all such claimants to the fund may be equitably adjudicated and settled.

(D) If the superintendent pays from the fund any amount in settlement of a claim or toward satisfaction of a judgment against a certificate holder, registrant, or licensee, the certificate, registration, or license of the certificate holder, registrant, or licensee automatically is suspended upon the date of payment from the fund. No certificate, registration, or license that has been suspended pursuant to this division shall be reinstated until the certificate holder, registrant, or licensee has repaid in full, plus interest per annum at the rate specified in division (A) of section 1343.03 of the Revised Code, the amount paid from the fund on the certificate holder's, registrant's, or licensee's account. A discharge in bankruptcy does not relieve a person from the
suspension and requirements for reinstatement provided in this section.

(E) If, at any time, the money deposited in the fund is insufficient to satisfy any duly authorized claim or portion of a claim, the superintendent shall, when sufficient money has been deposited in the fund, satisfy the unpaid claims or portions, in the order that the claims or portions were originally filed, plus accumulated interest per annum at the rate specified in division (A) of section 1343.03 of the Revised Code.

(F) When, upon the order of the court, the superintendent has paid from the fund any sum to the judgment creditor, the superintendent is subrogated to all of the rights of the judgment creditor to the extent of the amount so paid, and the judgment creditor shall assign all of the judgment creditor's right, title, and interest in the judgment to the superintendent to the extent of the amount so paid. The superintendent shall deposit in the fund any amount and interest so recovered by the superintendent on the judgment.

(G) Nothing contained in this section shall limit the authority of the real estate appraiser board to take disciplinary action against a certificate holder, registrant, or licensee under other provisions of this chapter. The repayment in full of all obligations to the fund by a certificate holder, registrant, or licensee does not nullify or modify the effect of any other disciplinary proceeding brought pursuant to this chapter, unless repayment is imposed as a condition in that proceeding.

(H) The superintendent shall collect from the fund a service fee in an amount equivalent to the interest rate specified in division (A) of section 1343.03 of the Revised Code multiplied by the annual interest earned on the assets of the fund, to defray the expenses incurred in the administration of the fund.
Sec. 4766.17. An air medical service organization licensed under this chapter that uses a rotorcraft or fixed wing air ambulance shall do both of the following:

(A) Use at a minimum a physician who holds a current, valid license issued under Chapter 4731. of the Revised Code or registered nurse who holds a current, valid license issued under Chapter 4723. of the Revised Code, and a paramedic or one other person, designated by the medical director of the air medical service organization, who holds a current, valid certificate or license to practice a health care profession in this state;

(B) Employ as a medical director an individual who holds a current, valid certificate issued under Chapter 4731. of the Revised Code authorizing the practice of medicine and surgery or osteopathic medicine and surgery.

Sec. 4768.09. (A) Except within the first thirty days after an appraiser is first added to the appraiser panel of an appraisal management company, an appraisal management company shall not remove the appraiser from its appraiser panel or otherwise refuse to assign requests for real estate appraisal services to the appraiser without first doing both of the following:

(1) Notifying the appraiser in writing of the reasons the appraiser is being removed from the appraiser panel or is refused assignment requests for appraisal services;

(2) Providing the appraiser with an opportunity to respond to that notification, in writing, within ten business days after the appraisal management company sends the removal notification.

(B) The notice described in division (A)(1) of this section shall be sent by a delivery system that delivers letters, packages, and other materials in its ordinary course of business with traceable delivery and signature receipt. An appraisal
management company that sends such notice shall keep a copy of the notice for at least five years from the date the notice is sent to the appraiser.

(C) Nothing in this section prohibits an appraisal management company from suspending an appraiser from receiving assignment requests during the period described in division (A)(2) of this section.

The state medical board shall not grant to an applicant a certificate license to practice as a radiologist assistant unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate license issued pursuant to section 4774.04 of the Revised Code.
Sec. 4774.04. If the state medical board determines under section 4774.03 of the Revised Code that an applicant meets the requirements for a certificate license to practice as a radiologist assistant, the secretary of the board shall register the applicant as a radiologist assistant and issue to the applicant a certificate license to practice as a radiologist assistant. (D) A certificate to practice license that is not renewed on or before its expiration date is automatically suspended on its expiration date, subject to the provisions of section 119.06 of the Revised Code specifying that an applicant who appropriately files a renewal application is not required to discontinue
practicing merely because the board has failed to act on the application. If a certificate license has been suspended pursuant to this division for two years or less, the board shall reinstate the certificate license upon an applicant's submission of a renewal application, the biennial renewal fee, and the applicable monetary penalty. The penalty for reinstatement is twenty-five dollars. If a certificate license has been suspended pursuant to this division for more than two years, it may be restored. Subject to section 4774.061 of the Revised Code, the board may restore the license upon an applicant's submission of a restoration application, the biennial renewal fee, and the applicable monetary penalty and compliance with sections 4776.01 to 4776.04 of the Revised Code. The board shall not restore a certificate license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate issued pursuant to section 4774.04 of the Revised Code. The penalty for restoration is fifty dollars.

Sec. 4774.061. (A) This section applies to both of the following:

(1) An applicant seeking restoration of a license issued under this chapter that has been in a suspended or inactive state for any cause for more than two years;

(a) An active practitioner;

(b) A student in an academic program as described in section 4774.03 of the Revised Code.

(B) Before issuing a license to an applicant subject to this
section or restoring a license to good standing for an applicant subject to this section, the state medical board may impose terms and conditions including any one or more of the following:

1. Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;

2. Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;

3. Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing evaluations and procedures in a manner that meets the minimal standards of care;

4. Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;

5. Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;

6. Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code.

Sec. 4774.09. At all times when an individual who is a radiologist assistant is providing direct patient care, the individual shall display in an appropriate manner the title "radiologist assistant" as a means of identifying the individual's
authority to practice under this chapter.

In the case of an individual who is a student participating in an advanced academic program that must be completed to receive a license to practice as a radiologist assistant, as those programs are described in division (B)(3) of section 4774.03 of the Revised Code, when the individual is providing direct patient care or is otherwise involved with direct patient care under the program, the individual shall display in an appropriate manner the title "student radiologist assistant" or another appropriate designation as a means of identifying the individual as a student participating in the program.

Sec. 4774.11. (A) The state medical board shall adopt rules in accordance with Chapter 119. of the Revised Code to implement and administer this chapter. In adopting the rules, the board shall take into consideration the guidelines adopted by the American college of radiology, the American society of radiologic technologists, and the American registry of radiologic technologists.

(B) The rules adopted under this section shall include all of the following:

(1) Standards and procedures for issuing and renewing certificates to practice as a radiologist assistant;

(2) Application fees for an initial or renewed certificate to practice license;

(3) Any additional radiologic procedures that radiologist assistants may perform pursuant to division (A)(5) of section 4774.08 of the Revised Code and the level of supervision that the supervising radiologist is required to provide pursuant to section 4774.10 of the Revised Code;

(4) Definitions of "general anesthesia," "deep sedation,"
"moderate sedation," and "minimal sedation";

(5) Any other standards and procedures the board considers necessary to govern the practice of radiologist assistants, the supervisory relationship between radiologist assistants and supervising radiologists, and the administration and enforcement of this chapter.

Sec. 4774.13. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a certificate license to practice as a radiologist assistant to an individual found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the certificate license.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual's certificate license to practice as a radiologist assistant, refuse to issue a certificate license to an applicant, refuse to renew a certificate license, refuse to reinstate a certificate license, or reprimand or place on probation the holder of a certificate license for any of the following reasons:

(4) A departure from, or failure to conform to, minimal
standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a certificate to practice as a radiologist assistant.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(17) Any of the following actions taken by the state agency responsible for regulating the practice of radiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(18) Violation of the conditions placed by the board on a certificate license to practice as a radiologist assistant;

(19) Failure to use universal blood and body fluid
precautions established by rules adopted under section 4731.051 of the Revised Code;

(20) Failure to cooperate in an investigation conducted by the board under section 4774.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(21) Failure to maintain a license as a radiographer under Chapter 4773. of the Revised Code;

(22) Failure to maintain certification as a registered radiologist assistant from the American registry of radiologic technologists, including revocation by the registry of the assistant's certification or failure by the assistant to meet the registry's requirements for annual registration, or failure to notify the board that the certification as a registered radiologist assistant has not been maintained;

(23) Failure to comply with any of the rules of ethics included in the standards of ethics established by the American registry of radiologic technologists, as those rules apply to an individual who holds the registry's certification as a registered radiologist assistant.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a radiologist assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted.
under it. A consent agreement, when ratified by an affirmative
vote of not fewer than six members of the board, shall constitute
the findings and order of the board with respect to the matter
addressed in the agreement. If the board refuses to ratify a
consent agreement, the admissions and findings contained in the
consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(11), (14), and (15) of this
section, the commission of the act may be established by a finding
by the board, pursuant to an adjudication under Chapter 119. of
the Revised Code, that the applicant or certificate license holder
committed the act in question. The board shall have no
jurisdiction under these divisions in cases where the trial court
renders a final judgment in the certificate license holder's favor
and that judgment is based upon an adjudication on the merits. The
board shall have jurisdiction under these divisions in cases where
the trial court issues an order of dismissal on technical or
procedural grounds.

(E) The sealing of conviction records by any court shall have
no effect on a prior board order entered under the provisions of
this section or on the board's jurisdiction to take action under
the provisions of this section if, based upon a plea of guilty, a
judicial finding of guilt, or a judicial finding of eligibility
for intervention in lieu of conviction, the board issued a notice
of opportunity for a hearing prior to the court's order to seal
the records. The board shall not be required to seal, destroy,
redact, or otherwise modify its records to reflect the court's
sealing of conviction records.

(F) For purposes of this division, any individual who holds a
certificate license to practice as a radiologist assistant issued
under this chapter, or applies for a certificate to practice
license, shall be deemed to have given consent to submit to a
mental or physical examination when directed to do so in writing
by the board and to have waived all objections to the 
admissibility of testimony or examination reports that constitute 
a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, 
on a showing of a possible violation, may compel any individual 
who holds a certificate license to practice as a radiologist 
assistant issued under this chapter or who has applied for a 
certificate to practice license to submit to a mental or physical 
examination, or both. A physical examination may include an HIV 
test. The expense of the examination is the responsibility of the 
individual compelled to be examined. Failure to submit to a mental 
or physical examination or consent to an HIV test ordered by the 
board constitutes an admission of the allegations against the 
individual unless the failure is due to circumstances beyond the 
individual's control, and a default and final order may be entered 
without the taking of testimony or presentation of evidence. If 
the board finds a radiologist assistant unable to practice because 
of the reasons set forth in division (B)(5) of this section, the 
board shall require the radiologist assistant to submit to care, 
counseling, or treatment by physicians approved or designated by 
the board, as a condition for an initial, continued, reinstated, 
or renewed certificate to practice license. An individual affected 
by this division shall be afforded an opportunity to demonstrate 
to the board the ability to resume practicing in compliance with 
acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the 
board has reason to believe that any individual who holds a 
certificate license to practice as a radiologist assistant issued 
under this chapter or any applicant for a certificate to practice 
license suffers such impairment, the board may compel the 
individual to submit to a mental or physical examination, or both. 
The expense of the examination is the responsibility of the
individual compelled to be examined. Any mental or physical
examination required under this division shall be undertaken by a
treatment provider or physician qualified to conduct such
examination and chosen by the board.

Failure to submit to a mental or physical examination ordered
by the board constitutes an admission of the allegations against
the individual unless the failure is due to circumstances beyond
the individual's control, and a default and final order may be
entered without the taking of testimony or presentation of
evidence. If the board determines that the individual's ability to
practice is impaired, the board shall suspend the individual's
certificate license or deny the individual's application and shall
require the individual, as a condition for an initial, continued,
reinstated, or renewed certificate license to practice, to submit
to treatment.

Before being eligible to apply for reinstatement of a
certificate license suspended under this division, the radiologist
assistant shall demonstrate to the board the ability to resume
practice in compliance with acceptable and prevailing standards of
care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under
section 4731.25 of the Revised Code that the individual has
successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare
contract or consent agreement;

(c) Two written reports indicating that the individual's
ability to practice has been assessed and that the individual has
been found capable of practicing according to acceptable and
prevailing standards of care. The reports shall be made by
individuals or providers approved by the board for making such
assessments and shall describe the basis for their determination.
The board may reinstate a certificate license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired radiologist assistant resumes practice, the board shall require continued monitoring of the radiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the radiologist assistant has maintained sobriety.

(G) If the secretary and supervising member determine that there is clear and convincing evidence that a radiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's certificate license to practice without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the radiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing
shall be within fifteen days, but not earlier than seven days, after the radiologist assistant requests the hearing, unless otherwise agreed to by both the board and the certificate license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(10), (12), or (13) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the certificate license to practice as a radiologist assistant. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The certificate license to practice of a radiologist assistant and the assistant's practice in this state are automatically suspended as of the date the radiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or
is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary.

Continued practice after the suspension shall be considered practicing without a certificate license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's certificate to practice license.

(J) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the radiologist assistant's certificate license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement.
Reinstatement of a certificate license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a certificate license to practice as a radiologist assistant to an applicant, revokes an individual's certificate license, refuses to renew an individual's certificate license, or refuses to reinstate an individual's certificate license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate license to practice as a radiologist assistant and the board shall not accept an application for reinstatement of the certificate license or for issuance of a new certificate license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a certificate license to practice as a radiologist assistant issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a certificate license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a certificate license to practice may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate license to practice in accordance with section 4774.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4774.131. On receipt of a notice pursuant to section 3123.43 of the Revised Code, the state medical board shall comply with sections 3123.41 to 3123.50 of the Revised Code and any
Sec. 4774.132. If the state medical board has reason to believe that any person who has been granted a certificate license to practice as a radiologist assistant under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which the person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section.

If any person who has been granted a certificate to practice license is adjudged by a probate court to be mentally ill or mentally incompetent, the person's certificate license shall be automatically suspended until the person has filed with the state medical board a certified copy of an adjudication by a probate court of the person's subsequent restoration to competency or has submitted to the board proof, satisfactory to the board, that the person has been discharged as having a restoration to competency in the manner and form provided in section 5122.38 of the Revised Code. The judge of the probate court shall forthwith notify the state medical board of an adjudication of mental illness or mental incompetence, and shall note any suspension of a certificate license in the margin of the court's record of such certificate license.

Sec. 4774.14. (A) The state medical board shall investigate evidence that appears to show that any person has violated this chapter or the rules adopted under it. Any person may report to
the board in a signed writing any information the person has that appears to show a violation of any provision of this chapter or the rules adopted under it. In the absence of bad faith, a person who reports such information or testifies before the board in an adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of reporting the information or providing testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and be recorded by the board.

(B) Investigations of alleged violations of this chapter or rules adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4774.17 of the Revised Code. The board's president may designate another member of the board to supervise the investigation in place of the supervising member. A member of the board who supervises the investigation of a case shall not participate in further adjudication of the case.

(C) In investigating a possible violation of this chapter or the rules adopted under it, the board may administer oaths, order the taking of depositions, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board. Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or the rules adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a
reasonable period of time surrounding the alleged violation.

On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence. When the person being served is a radiologist assistant, service of the subpoena may be made by certified mail, restricted delivery, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery.

A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for witnesses in civil cases in the courts of common pleas.

(D) All hearings and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(E) Information received by the board pursuant to an investigation is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given.
The board may share any information it receives pursuant to an investigation, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(F) The state medical board shall develop requirements for and provide appropriate initial training and continuing education for investigators employed by the board to carry out its duties under this chapter. The training and continuing education may include enrollment in courses operated or approved by the Ohio peace officer training commission that the board considers appropriate under conditions set forth in section 109.79 of the Revised Code.

(G) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information.
for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged violation;

(2) The type of certificate license, if any, held by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.

Sec. 4774.15. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid certificate license to practice as a radiologist assistant issued under this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the certificate license under section 4774.13 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid certificate to practice license issued under this chapter,
on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

(1) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a felony, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a felony charge;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor committed in the course of practice, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor, if the alleged act was committed in the course of practice;

(3) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor involving moral turpitude, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor involving moral turpitude.

The report shall include the name and address of the certificate license holder, the nature of the offense for which the action was taken, and the certified court documents recording the action.

Sec. 4774.16. (A) Within sixty days after the imposition of any formal disciplinary action taken by any health care facility, including a hospital, health care facility operated by a health insuring corporation, ambulatory surgical facility, or similar facility, against any individual holding a valid certificate license to practice as a radiologist assistant, the chief administrator or executive officer of the facility shall report to
the state medical board the name of the individual, the action taken by the facility, and a summary of the underlying facts leading to the action taken. On request, the board shall be provided certified copies of the patient records that were the basis for the facility's action. Prior to release to the board, the summary shall be approved by the peer review committee that reviewed the case or by the governing board of the facility.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a health care facility from taking disciplinary action against a radiologist assistant.

In the absence of fraud or bad faith, no individual or entity that provides patient records to the board shall be liable in damages to any person as a result of providing the records.

(B)(1) Except as provided in division (B)(2) of this section, a radiologist assistant, professional association or society of radiologist assistants, physician, or professional association or society of physicians that believes a violation of any provision of this chapter, Chapter 4731. of the Revised Code, or rule of the board has occurred shall report to the board the information on which the belief is based.

(2) A radiologist assistant, professional association or society of radiologist assistants, physician, or professional association or society of physicians that believes a violation of division (B)(6) of section 4774.13 of the Revised Code has occurred shall report the information upon which the belief is based to the monitoring organization conducting the program established by the board under section 4731.251 of the Revised Code. If any such report is made to the board, it shall be referred to the monitoring organization unless the board is aware that the individual who is the subject of the report does not meet
the program eligibility requirements of section 4731.252 of the Revised Code.

(C) Any professional association or society composed primarily of radiologist assistants that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision, shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the underlying facts leading to the action taken.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a professional organization from taking disciplinary action against a radiologist assistant.

(D) Any insurer providing professional liability insurance to any person holding a valid certificate of license to practice as a radiologist assistant or any other entity that seeks to indemnify the professional liability of a radiologist assistant shall notify the board within thirty days after the final disposition of any written claim for damages where such disposition results in a payment exceeding twenty-five thousand dollars. The notice shall contain the following information:

(1) The name and address of the person submitting the notification;

(2) The name and address of the insured who is the subject of the claim;

(3) The name of the person filing the written claim;

(4) The date of final disposition;

(5) If applicable, the identity of the court in which the
final disposition of the claim took place.

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the radiologist assistant.

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a radiologist assistant, supervising physician, or health care facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against a radiologist assistant or supervising radiologist, or in any subsequent trial or appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing a radiologist assistant or supervising radiologist or reviewing their privilege to practice within a particular facility. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to
division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the radiologist assistant. The radiologist assistant shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that reports to the board, reports to the monitoring organization described in section 4731.251 of the Revised Code, or refers an impaired radiologist assistant to a treatment provider approved by the board under section 4731.25 of the Revised Code shall not be subject to suit for civil damages as a result of the report, referral, or provision of the information.

(I) In the absence of fraud or bad faith, a professional association or society of radiologist assistants that sponsors a committee or program to provide peer assistance to a radiologist assistant with substance abuse problems, a representative or agent of such a committee or program, a representative or agent of the monitoring organization described in section 4731.251 of the Revised Code, and a member of the state medical board shall not be held liable in damages to any person by reason of actions taken to refer a radiologist assistant to a treatment provider approved under section 4731.25 of the Revised Code for examination or treatment.

Sec. 4774.18. The attorney general, the prosecuting attorney of any county in which the offense was committed or the offender resides, the state medical board, or any other person having knowledge of a person engaged either directly or by complicity in practicing as a radiologist assistant without having first obtained under this chapter a certificate license to practice as a radiologist assistant, may, in accordance with provisions of the
Revised Code governing injunctions, maintain an action in the name of the state to enjoin any person from engaging either directly or by complicity in unlawfully practicing as a radiologist assistant by applying for an injunction in any court of competent jurisdiction.

Prior to application for an injunction, the secretary of the state medical board shall notify the person allegedly engaged either directly or by complicity in the unlawful practice by registered mail that the secretary has received information indicating that this person is so engaged. The person shall answer the secretary within thirty days showing that the person is either properly licensed for the stated activity or that the person is not in violation of this chapter. If the answer is not forthcoming within thirty days after notice by the secretary, the secretary shall request that the attorney general, the prosecuting attorney of the county in which the offense was committed or the offender resides, or the state medical board proceed as authorized in this section.

Upon the filing of a verified petition in court, the court shall conduct a hearing on the petition and shall give the same preference to this proceeding as is given all proceedings under Chapter 119. of the Revised Code, irrespective of the position of the proceeding on the calendar of the court.

Injunction proceedings shall be in addition to, and not in lieu of, all penalties and other remedies provided in this chapter.

Sec. 4776.01. As used in this chapter:

The application shall include all the information the board considers necessary to process the application, including evidence satisfactory to the board that the applicant meets the requirements specified in division (B) of this section.

At the time an application is submitted, the applicant shall pay the board an application fee of two hundred dollars. No part of the fee shall be returned to the applicant or transferred for purposes of another application.

(B)(1) To be eligible to receive a license to practice as a genetic counselor, an applicant shall demonstrate to the board that the applicant meets all of the following requirements:

(C) The board shall review all applications received under this section. Not later than sixty days after receiving an application it considers complete, the board shall determine whether the applicant meets the requirements for a license to practice as a genetic counselor. The affirmative vote of not fewer than six members of the board is required to determine that the applicant meets the requirements for the license.

Sec. 4778.05. If the state medical board determines under section 4778.03 of the Revised Code that an applicant meets the requirements for a license to practice as a genetic counselor, the secretary of the board shall issue the license to the applicant. The license shall be valid for a two-year period unless revoked or suspended, shall expire biennially on the date that is two years after the date of issuance, and may be renewed for additional two-year periods in accordance with section 4778.06 of the Revised Code.

(C) To be eligible to receive an expedited license by endorsement, an applicant shall provide evidence satisfactory to the board that the applicant meets all of the following requirements:

(1) The applicant holds a valid license or certificate to practice as a genetic counselor issued by any other state or jurisdiction.

(2) The license or certificate is current, and the applicant is in good standing in the state or jurisdiction of licensure or certification.

(3) One of the circumstances described in division (B)(3) of section 4743.041 of the Revised Code applies to the applicant.

(4) The applicant moved or will move to this state from the state or jurisdiction in which the individual holds a current license or certificate.

(5) The individual meets the requirements to receive a license as specified in sections 4778.03 and 4778.04 of the Revised Code.

(D) The board shall waive all fees associated with the application for and issuance of an expedited license by endorsement under this section.

(E) The secretary and supervising member of the board shall
review all applications received under this section. If the secretary and supervising member determine that an applicant meets the requirements for an expedited license by endorsement, the board shall issue the license to the applicant.

Sec. 4778.06. (A) An individual seeking to renew a license to practice as a genetic counselor shall, on or before the thirty-first day of January of each even-numbered year license's expiration date, apply to the state medical board for renewal of the license. The state medical board shall provide renewal notices to license holders at least one month prior to the expiration date.

Renewal applications shall be submitted to the board in a manner prescribed by the board. Each application shall be accompanied by a biennial renewal fee of one hundred fifty dollars.

The applicant shall report any criminal offense to which the applicant has pleaded guilty, of which the applicant has been found guilty, or for which the applicant has been found eligible for intervention in lieu of conviction, since last signing an application for a license to practice as a genetic counselor.

(B) To be eligible for renewal, a genetic counselor shall certify to the board that the counselor has done both of the following:

(1) Maintained the counselor's status as a certified genetic counselor;

(2) Completed at least thirty hours of continuing education in genetic counseling that has been approved by the national society of genetic counselors or American board of genetic counseling.

(C) If an applicant submits a renewal application that the
board considers to be complete and qualifies for renewal pursuant to division (B) of this section, the board shall issue to the applicant a renewed license to practice as a genetic counselor.

(D) The board may require a random sample of genetic counselors to submit materials documenting that their status as certified genetic counselors has been maintained and that the number of hours of continuing education required under division (B)(2) of this section has been completed. This division does not limit the board's authority to conduct investigations pursuant to section 4778.14 of the Revised Code.

(E)(1) If, through a random sample conducted under division (D) of this section or any other means, the board finds that an individual who certified completion of the number of hours and type of continuing education required to renew, reinstate, or restore a license to practice did not complete the requisite continuing education, the board may do either of the following:

(a) Take disciplinary action against the individual under section 4778.14 of the Revised Code, impose a civil penalty, or both;

(b) Permit the individual to agree in writing to complete the continuing education and pay a civil penalty.

(2) The board's finding in any disciplinary action taken under division (E)(1)(a) of this section shall be made pursuant to an adjudication under Chapter 119. of the Revised Code and by an affirmative vote of not fewer than six of its members.

(3) A civil penalty imposed under division (E)(1)(a) of this section or paid under division (E)(1)(b) of this section shall be in an amount specified by the board of not more than five thousand dollars. The board shall deposit civil penalties in accordance with section 4731.24 of the Revised Code.

If a genetic counselor certifies that the genetic counselor
has completed the number of hours and type of continuing education required for renewal of a license, and the board finds through the random sample or any other means that the genetic counselor did not complete the requisite continuing education, the board may impose a civil penalty of not more than five thousand dollars. If a civil penalty is imposed in addition to any other action the board takes under section 4778.14 of the Revised Code, the board's finding shall be made pursuant to an adjudication under Chapter 119. of the Revised Code and by an affirmative vote of not fewer than six members. A civil penalty imposed under this division may be in addition to or in lieu of any other action the board may take under section 4778.14 of the Revised Code. The board shall deposit civil penalties in accordance with section 4731.24 of the Revised Code.

Sec. 4778.07. (A) A license to practice as a genetic counselor issued under section 4778.05 of the Revised Code this chapter that is not renewed on or before its expiration date is automatically suspended on its expiration date. Continued practice after suspension shall be considered as practicing in violation of section 4778.02 of the Revised Code.

(B) If a license has been suspended pursuant to this section for two years or less, the board shall reinstate the license it may be reinstated upon an applicant's submission of a complete renewal application, the biennial renewal fee, and a monetary penalty of twenty-five dollars.

(C) If a license has been suspended pursuant to this section for more than two years, it may be restored. Subject to section 4778.071 of the Revised Code, the board may restore the license upon an applicant's submission of a complete restoration application, the biennial renewal fee, and a monetary penalty of fifty dollars and compliance with sections 4776.01 to 4776.04 of
the Revised Code. The board shall not restore a license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4778.05 of the Revised Code.

(2) The board may impose terms and conditions for the restoration, including the following:

(a) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;

(b) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;

(c) Restricting or limiting the extent, scope, or type of practice of the applicant.

Sec. 4778.071. (A) This section applies to both of the following:

(1) An applicant seeking restoration of a license issued under this chapter that has been in a suspended or inactive state for any cause for more than two years;

(2) An applicant seeking issuance of a license pursuant to this chapter who for more than two years has not been practicing as a genetic counselor as either of the following:

(a) An active practitioner;

(b) A student in a graduate program as described in section 4778.03 of the Revised Code.

(B) Before issuing a license to an applicant subject to this section or restoring a license to good standing for an applicant subject to this section, the state medical board may impose terms and conditions including any one or more of the following:

(1) Requiring the applicant to pass an oral or written
examination, or both, to determine the applicant's present fitness to resume practice;

(2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;

(3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing evaluations and procedures in a manner that meets the minimal standards of care;

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;

(6) Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code.

Sec. 4778.08. (A) The state medical board may issue to an applicant under section 4778.03 of the Revised Code a license to practice as a genetic counselor, designated as a supervised practice license, if both of the following apply:

(1) The applicant meets the requirements specified in section 4778.03 of the Revised Code other than being a certified genetic counselor;

(2) The applicant is in active candidate status with the
American board of genetic counseling.

(B) A supervised practice license authorizes the holder to engage in the activities authorized by section 4778.11 of the Revised Code while the holder is under the general supervision of a genetic counselor licensed under section 4778.05 of the Revised Code or a physician. General supervision does not require the supervising licensed genetic counselor or physician to be present while the holder engages in such activities, but does require the licensed genetic counselor or physician to have professional responsibility for the holder and be readily accessible to the holder for professional consultation and assistance.

A supervised practice license is valid from the date of issuance until the earlier of one year from that date or the date a license is issued under section 4778.05 or 4778.051 of the Revised Code. A supervised practice license may not be renewed.

Sec. 4778.081. (A) The state medical board shall issue an expedited genetic counselor supervised practice license by endorsement to an applicant who meets all of the requirements of this section.

(B) An individual who seeks an expedited license by endorsement under this section shall file with the board a written application on a form prescribed and supplied by the board. The applicant shall include in the application all of the information the board considers necessary to process it.

(C) To be eligible to receive an expedited license by endorsement, an applicant shall provide evidence satisfactory to the board that the applicant meets all of the following requirements:

(1) The applicant holds a valid license or certificate to
practice as a genetic counselor under supervision issued by any other state or jurisdiction.  

(2) The license or certificate is current, and the applicant is in good standing in the state or jurisdiction of licensure or certification.  

(3) One of the circumstances described in division (B)(3) of section 4743.041 of the Revised Code applies to the applicant.  

(4) The applicant moved or will move to this state from the state or jurisdiction in which the individual holds a current license or certificate.  

(5) The individual meets the requirements to receive a license as specified in section 4778.08 of the Revised Code.  

(D) The board shall waive all fees associated with the application for and issuance of an expedited license by endorsement under this section.  

(E) The secretary and supervising member of the board shall review all applications received under this section. If the secretary and supervising member determine that an applicant meets the requirements for an expedited license by endorsement, the board shall issue the license to the applicant.  

Sec. 4779.02. (A) Except as provided in division (B) or (C) of this section, no person shall practice or represent that the person is authorized to practice orthotics, prosthetics, or pedorthics unless the person holds a current, valid license issued or renewed under this chapter.  

(B) Division (A) of this section does not apply to any of the following:  

(1) An individual who holds a current, valid license, certificate, or registration issued under Chapter 4723., 4729., 4730., 4731., 4734., or 4755. of the Revised Code and is
practicing within the individual's scope of practice under statutes and rules regulating the individual's profession;

(2) An individual who practices orthotics, prosthetics, or pedorthics as an employee of the federal government and is engaged in the performance of duties prescribed by statutes and regulations of the United States;

(3) An individual who provides orthotic, prosthetic, or pedorthic services under the supervision of a licensed orthotist, prosthetist, or pedorthist in accordance with section 4779.04 of the Revised Code;

(4) An individual who provides orthotic, prosthetic, or pedorthic services as part of an educational, certification, or residency program approved by the Ohio occupational therapy, physical therapy, and athletic trainers board under sections 4779.25 to 4779.27 of the Revised Code;

(5) An individual who provides orthotic, prosthetic, or pedorthic services under the direct supervision of an individual authorized under Chapter 4731. of the Revised Code to practice medicine and surgery or osteopathic medicine and surgery.

(C) Division (A) of this section does not prohibit an individual who is not licensed under this chapter to practice prosthetics or orthotics and prosthetics from engaging in the 3-D printing of open-source prosthetic kits if the individual has been granted the authority to engage in that activity by the Ohio occupational therapy, physical therapy, and athletic trainers board under section 4779.40 of the Revised Code. Such an individual shall not represent that the individual is authorized to practice prosthetics or orthotics and prosthetics under this chapter.

Sec. 4779.08. (A) The Ohio occupational therapy, physical
therapy, and athletic trainers board shall adopt rules in accordance with Chapter 119. of the Revised Code to carry out the purposes of this chapter, including rules prescribing all of the following:

(1) The form and manner of filing of applications to be admitted to examinations and for licensure and license renewal;

(2) Standards and procedures for formulating, evaluating, approving, and administering licensing examinations or recognizing other entities that conduct examinations;

(3) The form, scoring, and scheduling of licensing examinations;

(4) Fees for examinations and applications for licensure and license renewal;

(5) Fees for approval of continuing education courses;

(6) Procedures for issuance, renewal, suspension, and revocation of licenses and the conduct of disciplinary hearings;

(7) The schedule to be used for biennial renewal of licenses;

(8) Standards of ethical and professional conduct in the practice of orthotics, prosthetics, and pedorthics;

(9) Standards for approving national certification organizations in orthotics, prosthetics, and pedorthics;

(10) Fines for violations of this chapter;

(11) Standards for the recognition and approval of educational programs required for licensure, including standards for approving foreign educational credentials;

(12) Standards for continuing education programs required for license renewal;

(13) The amount, scope, and nature of continuing education
activities required for license renewal, including waivers of the
continuing education requirements;

(14) Provisions for making available the information
described in section 4779.22 of the Revised Code;

(15) Requirements for criminal records checks of applicants
under section 4776.03 of the Revised Code;

(16) Requirements for an individual who is not licensed under
this chapter to practice prosthetics or orthotics and prosthetics
to engage in the 3-D printing of open-source prosthetic kits.

(B) The board may adopt any other rules necessary for the
administration of this chapter.

(C) All fees received by the board under this section shall
be deposited in the state treasury to the credit of the
occupational licensing and regulatory fund established in section
4743.05 of the Revised Code.

Sec. 4779.40. An individual who is not licensed to practice
prosthetics or orthotics and prosthetics under section 4779.09 of
the Revised Code may apply to the Ohio occupational therapy,
physical therapy, and athletic trainers board for the authority to
engage in the 3-D printing of open-source prosthetic kits. The
board shall prescribe an application form for this purpose.

The board shall grant the authority described in this section
if the individual meets the requirements specified in rules
adopted under section 4779.08 of the Revised Code.

Sec. 4928.143. (A) For the purpose of complying with section
4928.141 of the Revised Code, an electric distribution utility may
file an application for public utilities commission approval of an
electric security plan as prescribed under division (B) of this
section. The utility may file that application prior to the
effective date of any rules the commission may adopt for the purpose of this section, and, as the commission determines necessary, the utility immediately shall conform its filing to those rules upon their taking effect.

(B) Notwithstanding any other provision of Title XLIX of the Revised Code to the contrary except division (D) of this section, divisions (I), (J), and (K) of section 4928.20, division (E) of section 4928.64, and section 4928.69 of the Revised Code:

(1) An electric security plan shall include provisions relating to the supply and pricing of electric generation service. In addition, if the proposed electric security plan has a term longer than three years, it may include provisions in the plan to permit the commission to test the plan pursuant to division (E) of this section and any transitional conditions that should be adopted by the commission if the commission terminates the plan as authorized under that division.

(2) The plan may provide for or include, without limitation, any of the following:

(a) Automatic recovery of any of the following costs of the electric distribution utility, provided the cost is prudently incurred: the cost of fuel used to generate the electricity supplied under the offer; the cost of purchased power supplied under the offer, including the cost of energy and capacity, and including purchased power acquired from an affiliate; the cost of emission allowances; and the cost of federally mandated carbon or energy taxes;

(b) A reasonable allowance for construction work in progress for any of the electric distribution utility's cost of constructing an electric generating facility or for an environmental expenditure for any electric generating facility of the electric distribution utility, provided the cost is incurred.
or the expenditure occurs on or after January 1, 2009. Any such allowance shall be subject to the construction work in progress allowance limitations of division (A) of section 4909.15 of the Revised Code, except that the commission may authorize such an allowance upon the incurrence of the cost or occurrence of the expenditure. No such allowance for generating facility construction shall be authorized, however, unless the commission first determines in the proceeding that there is need for the facility based on resource planning projections submitted by the electric distribution utility. Further, no such allowance shall be authorized unless the facility's construction was sourced through a competitive bid process, regarding which process the commission may adopt rules. An allowance approved under division (B)(2)(b) of this section shall be established as a nonbypassable surcharge for the life of the facility.

(c) The establishment of a nonbypassable surcharge for the life of an electric generating facility that is owned or operated by the electric distribution utility, was sourced through a competitive bid process subject to any such rules as the commission adopts under division (B)(2)(b) of this section, and is newly used and useful on or after January 1, 2009, which surcharge shall cover all costs of the utility specified in the application, excluding costs recovered through a surcharge under division (B)(2)(b) of this section. However, no surcharge shall be authorized unless the commission first determines in the proceeding that there is need for the facility based on resource planning projections submitted by the electric distribution utility. Additionally, if a surcharge is authorized for a facility pursuant to plan approval under division (C) of this section and as a condition of the continuation of the surcharge, the electric distribution utility shall dedicate to Ohio consumers the capacity and energy and the rate associated with the cost of that facility. Before the commission authorizes any surcharge pursuant to this
division, it may consider, as applicable, the effects of any decommissioning, deratings, and retirements.

(d) Terms, conditions, or charges relating to limitations on customer shopping for retail electric generation service, bypassability, standby, back-up, or supplemental power service, default service, carrying costs, amortization periods, and accounting or deferrals, including future recovery of such deferrals, as would have the effect of stabilizing or providing certainty regarding retail electric service;

(e) Automatic increases or decreases in any component of the standard service offer price;

(f) Consistent with sections 4928.23 to 4928.2318 of the Revised Code, both of the following:

(i) Provisions for the electric distribution utility to securitize any phase-in, inclusive of carrying charges, of the utility's standard service offer price, which phase-in is authorized in accordance with section 4928.144 of the Revised Code;

(ii) Provisions for the recovery of the utility's cost of securitization.

(g) Provisions relating to transmission, ancillary, congestion, or any related service required for the standard service offer, including provisions for the recovery of any cost of such service that the electric distribution utility incurs on or after that date pursuant to the standard service offer;

(h) Provisions regarding the utility's distribution service, including, without limitation and notwithstanding any provision of Title XLIX of the Revised Code to the contrary, provisions regarding single issue ratemaking, a revenue decoupling mechanism or any other incentive ratemaking, and provisions regarding distribution infrastructure and modernization incentives for the
electric distribution utility. The latter may include a long-term energy delivery infrastructure modernization plan for that utility or any plan providing for the utility's recovery of costs, including lost revenue, shared savings, and avoided costs, and a just and reasonable rate of return on such infrastructure modernization. As part of its determination as to whether to allow in an electric distribution utility's electric security plan inclusion of any provision described in division (B)(2)(h) of this section, the commission shall examine the reliability of the electric distribution utility's distribution system and ensure that customers' and the electric distribution utility's expectations are aligned and that the electric distribution utility is placing sufficient emphasis on and dedicating sufficient resources to the reliability of its distribution system.

(i) Provisions under which the electric distribution utility may implement economic development, job retention, and energy efficiency programs, which provisions may allocate program costs across all classes of customers of the utility and those of electric distribution utilities in the same holding company system.

(C)(1) The burden of proof in the proceeding shall be on the electric distribution utility. The commission shall issue an order under this division for an initial application under this section not later than one hundred fifty days after the application's filing date and, for any subsequent application by the utility under this section, not later than two hundred seventy-five days after the application's filing date. Subject to division (D) of this section, the commission by order shall approve or modify and approve an application filed under division (A) of this section if it finds that the electric security plan so approved, including its pricing and all other terms and conditions, including any
deferrals and any future recovery of deferrals, is more favorable in the aggregate as compared to the expected results that would otherwise apply under section 4928.142 of the Revised Code. Additionally, if the commission so approves an application that contains a surcharge under division (B)(2)(b) or (c) of this section, the commission shall ensure that the benefits derived for any purpose for which the surcharge is established are reserved and made available to those that bear the surcharge. Otherwise, the commission by order shall disapprove the application.

(2)(a) If the commission modifies and approves an application under division (C)(1) of this section, the electric distribution utility may withdraw the application, thereby terminating it, and may file a new standard service offer under this section or a standard service offer under section 4928.142 of the Revised Code.

(b) If the utility terminates an application pursuant to division (C)(2)(a) of this section or if the commission disapproves an application under division (C)(1) of this section, the commission shall issue such order as is necessary to continue the provisions, terms, and conditions of the utility's most recent standard service offer, along with any expected increases or decreases in fuel costs from those contained in that offer, until a subsequent offer is authorized pursuant to this section or section 4928.142 of the Revised Code, respectively.

(D) Regarding the rate plan requirement of division (A) of section 4928.141 of the Revised Code, if an electric distribution utility that has a rate plan that extends beyond December 31, 2008, files an application under this section for the purpose of its compliance with division (A) of section 4928.141 of the Revised Code, that rate plan and its terms and conditions are hereby incorporated into its proposed electric security plan and shall continue in effect until the date scheduled under the rate plan for its expiration, and that portion of the electric security
plan shall not be subject to commission approval or disapproval under division (C) of this section, and the earnings test provided for in division (F) of this section shall not apply until after the expiration of the rate plan. However, that utility may include in its electric security plan under this section, and the commission may approve, modify and approve, or disapprove subject to division (C) of this section, provisions for the incremental recovery or the deferral of any costs that are not being recovered under the rate plan and that the utility incurs during that continuation period to comply with section 4928.141, division (B) of section 4928.64, or division (A) of section 4928.66 of the Revised Code.

(E) If an electric security plan approved under division (C) of this section, except one withdrawn by the utility as authorized under that division, has a term, exclusive of phase-ins or deferrals, that exceeds three years from the effective date of the plan, the commission shall test the plan in the fourth year, and if applicable, every fourth year thereafter, to determine whether the plan, including its then-existing pricing and all other terms and conditions, including any deferrals and any future recovery of deferrals, continues to be more favorable in the aggregate and during the remaining term of the plan as compared to the expected results that would otherwise apply under section 4928.142 of the Revised Code. The commission shall also determine the prospective effect of the electric security plan to determine if that effect is substantially likely to provide the electric distribution utility with a return on common equity that is significantly in excess of the return on common equity that is likely to be earned by publicly traded companies, including utilities, that face comparable business and financial risk, with such adjustments for capital structure as may be appropriate. The burden of proof for demonstrating that significantly excessive earnings will not occur shall be on the electric distribution utility. For affiliated Ohio
electric distribution utilities that operate under a joint
electric security plan, their total earned return on common equity
shall be used for purposes of assessing significantly excessive
earnings. If the test results are in the negative or the
commission finds that continuation of the electric security plan
will result in a return on equity that is significantly in excess
of the return on common equity that is likely to be earned by
publicly traded companies, including utilities, that will face
comparable business and financial risk, with such adjustments for
capital structure as may be appropriate, during the balance of the
plan, the commission may terminate the electric security plan, but
not until it shall have provided interested parties with notice
and an opportunity to be heard. The commission may impose such
conditions on the plan's termination as it considers reasonable
and necessary to accommodate the transition from an approved plan
to the more advantageous alternative. In the event of an electric
security plan's termination pursuant to this division, the
commission shall permit the continued deferral and phase-in of any
amounts that occurred prior to that termination and the recovery
of those amounts as contemplated under that electric security
plan.

(F) With regard to the provisions that are included in an
electric security plan under this section, the commission shall
consider, following the end of each annual period of the plan, if
any such adjustments resulted in excessive earnings as measured by
whether the earned return on common equity of the electric
distribution utility is significantly in excess of the return on
common equity that was earned during the same period by publicly
traded companies, including utilities, that face comparable
business and financial risk, with such adjustments for capital
structure as may be appropriate. In making its determination of
significantly excessive earnings under this division, the
commission shall, for affiliated Ohio electric distribution
utilities that operate under a joint electric security plan, use
the total of the utilities' earned return on common equity.
Consideration also shall be given to the capital requirements of
future committed investments in this state. The burden of proof
for demonstrating that significantly excessive earnings did not
occur shall be on the electric distribution utility. If the
commission finds that such adjustments, in the aggregate, did
result in significantly excessive earnings, it shall require the
electric distribution utility to return to consumers the amount of
the excess by prospective adjustments; provided that, upon making
such prospective adjustments, the electric distribution utility
shall have the right to terminate the plan and immediately file an
application pursuant to section 4928.142 of the Revised Code. Upon
termination of a plan under this division, rates shall be set on
the same basis as specified in division (C)(2)(b) of this section,
and the commission shall permit the continued deferral and
phase-in of any amounts that occurred prior to that termination
and the recovery of those amounts as contemplated under that
electric security plan. In making its determination of
significantly excessive earnings under this division, the
commission shall not consider, directly or indirectly, the
revenue, expenses, or earnings of any affiliate that is not an
Ohio electric distribution utility or parent company.

Sec. 4929.18. (A) As used in this section, "biologically
derived methane gas" has the same meaning as in section 5713.30 of
the Revised Code.

(B) Any property, equipment, or facilities installed or
constructed by a natural gas company to enable interconnection
with or receipt from any property, equipment, or facilities used
to generate, collect, gather, or transport biologically derived
methane gas, or to enable the supply of biologically derived
methane gas to consumers within this state, may be treated as
instrumentalities and facilities for distribution service if the
public utilities commission determines that treatment is just and
reasonable. If the commission makes that determination, the
property, equipment, or facilities shall be considered used and
useful in rendering public utility service for purposes of section
4909.15 of the Revised Code.

Sec. 4937.01. As used in sections 4937.01 to 4937.05 of the
Revised Code:

(A) "Hazard" has the same meaning as in section 5502.21 of
the Revised Code.

(B) "Member agency" means the state agency of which a member
of the utility radiological safety board is an officer.

(C) "Nuclear electric facility" means any facility operated
by a nuclear electric utility using nuclear energy to produce
electricity and any facility for the storage of spent nuclear fuel
arising from such production.

(D) "Nuclear electric facility incident" means any hazard
within the state which is associated with a nuclear electric
facility and requires, pursuant to sections 5502.21 to 5502.51 of
the Revised Code, emergency management to mitigate its effects.

(E) "Nuclear electric utility" includes every person, their
agents, assignees, or trustees, within this state engaged in the
business of producing electricity using nuclear energy, or in the
storage of spent nuclear fuel arising from such production.

(F) "Nuclear electric utility holding company" means any
company that holds an equity interest in a nuclear electric
utility and is part of an electric utility holding company system
exempt under section 3(a)(1) or (2) of the "Public Utility Holding
regulations adopted under the act.
Sec. 4937.05. (A) Subject to division (B) of this section, the utility radiological safety board may apportion among and assess against each nuclear electric utility in this state against which an assessment may be made under section 4905.10 of the Revised Code an amount no greater than the maximums specified in the applicable main operating appropriations act. The assessment shall be made in proportion to the intrastate gross receipts of the utility, excluding receipts from sales to other public utilities for resale, for the calendar year next preceding that in which the assessments are made, or be made based upon the utility's decommissioning budget for the year of the assessment, if the utility is not engaged in the business of producing electricity using nuclear energy. On or before the first day of October in each year, the board shall notify each such utility of the sum assessed against it, whereupon payment shall be made to the board. The board shall deposit the payment into any nuclear safety fund for which a maximum is specified, for the purposes of this section, in the applicable main operating appropriations act. Any assessments so deposited which are not expended shall be credited ratably to each nuclear electric utility that paid them, according to the respective portions of the amount assessable against the utility for the ensuing calendar year. The assessments for such calendar year shall be adjusted accordingly.

(B) The board shall assess an amount against the nuclear electric utilities pursuant to division (A) of this section only in accordance with this division and subject to the conditions it specifies.

(1) Nuclear electric utilities and, separately, the environmental protection agency, the department of health, the department of agriculture, and the emergency management agency of the department of public safety, as member agencies of the board, shall negotiate, in good faith, amounts to be given as grants by
the nuclear electric utilities pursuant to this division for funding the member agency for a fiscal biennium. Any such grant shall cover all costs related to the statutory requirements or agreements specified in division (B)(4) of this section, but shall not be required to cover any costs of activities not directly related to those statutory requirements or agreements.

(2)(a) If any of the member agencies specified in division (B)(1) of this section disagrees, before the first day of September of the first year of a fiscal biennium, with the nuclear electric utilities on a grant amount under that division for the agency's funding for that biennium and the agency is requesting a specified amount not exceeding seventy-five per cent of the maximum specified in the applicable main operating appropriations act, the agency shall make a written directive to the board for an assessment against the nuclear electric utilities for that specified amount and shall notify the controlling board, the director of budget and management, and the nuclear electric utilities in writing of that directive. Upon receipt of the directive, the utility radiological safety board shall assess the specified amount against the nuclear electric utilities as provided in division (A) of this section, notwithstanding any provision of that division to the contrary, provided the amount assessed does not exceed the maximum specified in the applicable main operating appropriations act.

A fee charged under this division shall not exceed the amount of fees the center, type A home, or licensed type B home pays under division (K)(1) of this section. If a fee is charged under this division, the center, type A home, or licensed type B home shall notify the applicant at the time of the applicant's initial application for employment of the amount of the fee and that, unless the fee is paid, the center, type A home, or licensed type B home will not consider the applicant for employment.

in status with respect to employment or participation in a program of education or training not later than ten calendar days after the change occurs.

(D) If the department of job and family services determines that available resources are not sufficient to provide publicly funded child care to all eligible families who request it, the department may establish a waiting list. (E) No plan for any new jail, workhouse, or lockup, and no plan for a substantial addition or alteration to an existing jail, workhouse, or lockup, shall be adopted unless the officials responsible for adopting the plan have submitted the plan to the department of rehabilitation and correction for approval, and the department has approved the plan as provided in division (D)(2) of this section.

(E)(1) No state financial assistance shall be distributed to a qualified applicant until its proposal for a community-based correctional facility and program or district community-based correctional facility and program has been approved by the division of parole and community services.

State financial assistance may be denied to any applicant if it fails to comply with the terms of any agreement entered into pursuant to division (D) of this section.

(7) To an attorney appointed by the probate division for an indigent who allegedly is a mentally ill person pursuant to any section of this chapter or a person suffering from alcohol and other drug abuse and who may be ordered under sections 5119.91 to 5119.98 of the Revised Code to undergo treatment, the fees that are determined by the probate division. (9) To a court reporter appointed to make a transcript of proceedings under this chapter, the compensation and fees allowed in other cases under section 2101.08 of the Revised Code.

Each fiscal year, based on past allocations, historical utilization, and other factors the department considers appropriate, the department shall allocate for each county an amount for reimbursements under this section. A county's allocation may be zero. The department shall set aside an amount in addition to the allocations to cover court costs associated with proceedings held under this chapter for counties that received an allocation of zero but that incurred expenditures authorized by the department. The total of all the allocations plus the additional amount set aside shall equal the amount appropriated for the fiscal year to the department specifically for the purposes of this section.

On receipt, the department shall review each request for reimbursement and prepare a voucher for the amount of the costs, fees, and expenses incurred by the county, provided that the total amount of money paid to all counties in each fiscal year shall not exceed the total amount of moneys specifically appropriated to the department for these purposes.

The department's total reimbursement to each county shall be the lesser of the full amount requested or either the amount allocated for the county under this division, or, for counties that received an allocation of zero, the amount approved by the department. In addition, the department shall distribute any surplus remaining from the money appropriated for the fiscal year.
to the department for the purposes of this section as follows to counties whose full requests exceed their allocations:

(1) If the surplus is sufficient to reimburse such counties the full amount of their requests, each such county shall receive the full amount of its request;

(2) If the surplus is insufficient, each such county shall receive a percentage of the surplus determined by dividing the difference between the county's full request and its allocation by the difference between the total of the full requests of all such counties and the total of the amounts allocated for all such counties.

This procedure shall continue until a member is appointed to the advisory council.

If an affirmative reply is received, the member shall be retained as a member except that, if, after having expressed a desire to remain a member, the member then misses a third successive regularly scheduled meeting without being excused, the chairperson shall terminate the member's membership. A majority of the members constitutes a quorum.

The council shall keep minutes of each meeting and shall submit them to the managing officer of the institution with which the council is associated and the department of developmental disabilities.

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) The director may require the integrated care delivery system to use different claim codes for program integrity standards.

(3) The integrated care delivery system may use different claim codes if those codes are agreed to in a contract between the department or its designee and the medical provider.

Sec. 5165.15. Except as otherwise provided by sections 5165.151 to 5165.157 and 5165.34 of the Revised Code, the total per medicaid day payment rate that the department of medicaid shall pay a nursing facility provider for nursing facility services the provider's nursing facility provides during a state fiscal year shall be determined as follows:

(4) "CPA certificate" and "foreign certificate" have the same meanings as in section 4701.01 of the Revised Code.

(5) "Attorney" means an individual who has been admitted to the bar by order of the supreme court in compliance with its prescribed and published rules, is permitted to practice as an attorney and counselor at law in this state under Chapter 4705 of the Revised Code, and is not currently suspended or removed from such practice under that chapter.

(6) A tax return preparer engages in "prohibited conduct" if the preparer does any of the following:

(a) Prepares any return or application for refund that includes an understatement of a taxpayer's tax liability due to an unreasonable position or due to willful or reckless conduct. For the purposes of this division, "unreasonable position" and "willful or reckless conduct" have the meanings as used in section 6694 of the Internal Revenue Code.

(b) When required under any provision of Title LVII of the Revised Code, the preparer fails to do any of the following:

(i) Provide copies of a return or application for refund;

(b) If the court finds that the preparer has continually or repeatedly engaged in prohibited conduct, and that enjoining the preparer solely from engaging in such conduct would not be sufficient to prevent the preparer's interference with the proper administration of any provision of Title LVII of the Revised Code, the court may issue an injunction against the preparer enjoining the preparer from acting as a tax return preparer in this state.

If a tax return preparer has been enjoined from preparing tax returns or applications for refunds by a federal court or by another state court in the five years preceding the date on which an injunction is requested under this section, that prior injunction shall be sufficient to establish a prima facie case for the issuance of an injunction under division (B)(2) of this section.

A resolution adopted under this division shall be confined to a single purpose and shall specify the amount of the increase in rate that it is necessary to levy, the purpose of the levy, and the number of years during which the increase in rate shall be in effect. The number of years may be any number not exceeding five or, if the levy is for current expenses of the district or for general permanent improvements, for a continuing period of time.

(B)(1) The board of education of a qualifying school district, by resolution, may declare that it is necessary to levy a tax in excess of the ten-mill limitation for the purpose of paying the current expenses of partnering community schools and, if any of the levy proceeds are so allocated, of the district. A qualifying school district that is not a municipal school district may allocate all of the levy proceeds to partnering community schools. A municipal school district shall allocate a portion of the levy proceeds to the current expenses of the district. The resolution shall declare that the question of the additional tax levy shall be submitted to the electors of the school district at a special election on a day to be specified in the resolution. The resolution shall state the purpose of the levy, the rate of the tax expressed in mills per dollar of taxable value, the number of such mills to be levied for the current expenses of the partnering community schools and the number of such mills, if any, to be
levied for the current expenses of the school district, the number of years the tax will be levied, and the first year the tax will be levied. The number of years the tax may be levied may be any number not exceeding ten years, or for a continuing period of time.

The levy of a tax for the current expenses of a partnering community school under this section and the distribution of proceeds from the tax by a qualifying school district to partnering community schools is hereby determined to be a proper public purpose.

(2)(a) If any portion of the levy proceeds are to be allocated to the current expenses of the qualifying school district, the form of the ballot at an election held pursuant to division (B) of this section shall be as follows:

"Shall a levy be imposed by the........ (insert the name of the qualifying school district) for the purpose of current expenses of the school district and of partnering community schools at a rate not exceeding....... (insert the number of mills) mills for each one dollar of valuation, of which....... (3) Upon each receipt of a tax distribution by the qualifying school district, the board of education shall credit the portion allocated to partnering community schools to the partnering community schools fund. All income from the investment of money in the partnering community schools fund shall be credited to that fund.

(a) If the qualifying school district is a municipal school district, the board of education shall distribute the partnering community schools amount among the then qualifying community schools not more than forty-five days after the school district receives and deposits each tax distribution. From each tax distribution, each such partnering community school shall receive a portion of the partnering community schools amount in the proportion that the number of its resident students bears to the aggregate number of resident students of all such partnering community schools as of the date of receipt and deposit of the tax distribution.
(b) If the qualifying school district is not a municipal school district, the board of education may distribute all or a portion of the amount in the partnering community schools fund during a fiscal year to partnering community schools on or before the first day of June of the preceding fiscal year. Each such partnering community school shall receive a portion of the amount distributed by the board from the partnering community schools fund during the fiscal year in the proportion that the number of its resident students bears to the aggregate number of resident students of all such partnering community schools as of the date the school district received and deposited the most recent tax distribution. On or before the fifteenth day of June of each fiscal year, the board of education shall announce an estimated allocation to partnering community schools for the ensuing fiscal year. The board is not required to allocate to partnering community schools the entire partnering community schools amount in the fiscal year in which a tax distribution is received and deposited in the partnering community schools fund. The estimated allocation shall be published on the web site of the school district and expressed as a dollar amount per resident student. The actual allocation to community schools in a fiscal year need not conform to the estimate published by the school district so long if the estimate was made in good faith.

Distributions by a school district under division (B)(3)(b) of this section shall be made in accordance with distribution agreements entered into by the board of education and each partnering community school eligible for distributions under this division. The distribution agreements shall be certified to the department of education each fiscal year before the thirtieth day of July. Each agreement shall provide for at least three distributions by the school district to the partnering community school during the fiscal year and shall require the initial distribution be made on or before the thirtieth day of July.
(c) For the purposes of division (B) of this section, the number of resident students shall be the number of such students reported under section 3317.03 of the Revised Code and established by the department of education as of the date of receipt and deposit of the tax distribution.

(4) To the extent an agreement whereby the qualifying school district and a community school endorse each other's programs is necessary for the community school to qualify as a partnering community school under division (B)(6)(b) of this section, the board of education of the school district shall certify to the department of education the agreement along with the determination that such agreement satisfies the requirements of that division. The board's determination is conclusive.

(5) For the purposes of Chapter 3317. of the Revised Code or other laws referring to the "taxes charged and payable" for a school district, the taxes charged and payable for a qualifying school district that levies a tax under division (B) of this section includes only the taxes charged and payable under that levy for the current expenses of the school district, and does not include the taxes charged and payable for the current expenses of partnering community schools. The taxes charged and payable for the current expenses of partnering community schools shall not affect the calculation of "state education aid" as defined in section 5751.20 of the Revised Code.

(6) As used in division (B) of this section:

(a) "Qualifying school district" means a municipal school district, as defined in section 3311.71 of the Revised Code or a school district that contains within its territory a partnering community school.

(b) "Partnersing community school" means a community school established under Chapter 3314. of the Revised Code that is
located within the territory of the qualifying school district and meets one of the following criteria:

(i) If the qualifying school district is a municipal school district, the community school is sponsored by the district or is a party to an agreement with the district whereby the district and the community school endorse each other's programs;

(ii) If the qualifying school district is not a municipal school district, the community school is sponsored by a sponsor that was rated as "exemplary" in the ratings most recently published under section 3314.016 of the Revised Code before the resolution proposing the levy is certified to the board of elections.

(c) "Partnering community schools amount" means the product obtained, as of the receipt and deposit of the tax distribution, by multiplying the amount of a tax distribution by a fraction, the numerator of which is the number of mills per dollar of taxable value of the property tax to be allocated to partnering community schools, and the denominator of which is the total number of mills per dollar of taxable value authorized by the electors in the election held under division (B) of this section, each as set forth in the resolution levying the tax. If the resolution allocates all of the levy proceeds to partnering community schools, the "partnering schools amount" equals the amount of the tax distribution.

(d) "Partnering community schools fund" means a separate fund established by the board of education of a qualifying school district for the deposit of partnering community school amounts under this section.

(e) "Resident student" means a student enrolled in a partnering community school who is entitled to attend school in the qualifying school district under section 3313.64 or 3313.65 of
the Revised Code.

   (f) "Tax distribution" means a distribution of proceeds of
the tax authorized by division (B) of this section under section
321.24 of the Revised Code and distributions that are attributable
to that tax under sections 323.156 and 4503.068 of the Revised
Code or other applicable law.

   (C) A resolution adopted under this section shall specify the
date of holding the election, which shall not be earlier than
ninety days after the adoption and certification of the resolution
and which shall be consistent with the requirements of section
3501.01 of the Revised Code.

   A resolution adopted under this section may propose to renew
one or more existing levies imposed under division (A) or (B) of
this section or to increase or decrease a single levy imposed
under either such division.

   If the board of education imposes one or more existing levies
for the purpose specified in division (F) of section 5705.19 of
the Revised Code, the resolution may propose to renew one or more
of those existing levies, or to increase or decrease a single such
existing levy, for the purpose of general permanent improvements.

   If the resolution proposes to renew two or more existing
levies, the levies shall be levied for the same purpose. The
resolution shall identify those levies and the rates at which they
are levied. The resolution also shall specify that the existing
levies shall not be extended on the tax lists after the year
preceding the year in which the renewal levy is first imposed,
regardless of the years for which those levies originally were
authorized to be levied.

   If the resolution proposes to renew an existing levy imposed
under division (B) of this section, the rates allocated to the
qualifying school district and to partnering community schools
each may be increased or decreased or remain the same, and the

total rate may be increased, decreased, or remain the same. The
resolution and notice of election shall specify the number of the
mills to be levied for the current expenses of the partnering
community schools and the number of the mills, if any, to be
levied for the current expenses of the qualifying school district.

A resolution adopted under this section shall go into
immediate effect upon its passage, and no publication of the
resolution shall be necessary other than that provided for in the
notice of election. A copy of the resolution shall immediately
after its passing be certified to the board of elections of the
proper county in the manner provided by section 5705.25 of the
Revised Code. That section shall govern the arrangements for the
submission of such question and other matters concerning the
election to which that section refers, including publication of
notice of the election, except that the election shall be held on
the date specified in the resolution. In the case of a resolution
adopted under division (B) of this section, the publication of
notice of that election shall state the number of the mills, if
any, to be levied for the current expenses of partnering community
schools and the number of the mills to be levied for the current
expenses of the qualifying school district. If a majority of the
electors voting on the question so submitted in an election vote
in favor of the levy, the board of education may make the
necessary levy within the school district or, in the case of a
qualifying library levy for the support of a library association
or private corporation, within the association library district,

at the additional rate, or at any lesser rate in excess of the
ten-mill limitation on the tax list, for the purpose stated in the
resolution. A levy for a continuing period of time may be reduced
pursuant to section 5705.261 of the Revised Code. The tax levy
shall be included in the next tax budget that is certified to the
county budget commission.
(D)(1) After the approval of a levy on the current tax list and duplicate for current expenses, for recreational purposes, for community centers provided for in section 755.16 of the Revised Code, or for a public library of the district under division (A) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected during the first year of the levy.

(2) After the approval of a levy for general permanent improvements for a specified number of years or for permanent improvements having the purpose specified in division (F) of section 5705.19 of the Revised Code, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy remaining to be collected in each year over a period of five years after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(3) After approval of a levy for general permanent improvements for a continuing period of time, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the levy to be collected in each year over a specified period of years, not exceeding ten, after the issuance of the notes.

The notes shall be issued as provided in section 133.24 of
the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed ten years, and may have a principal payment in the year of their issuance.

(4) After the approval of a levy on the current tax list and duplicate under division (B) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy for the current expenses of the school district and issue anticipation notes in a principal amount not exceeding fifty percent of the estimated proceeds of the levy to be collected during the first year of the levy and allocated to the school district. The portion of the levy proceeds to be allocated to partnering community schools under that division shall not be included in the estimated proceeds anticipated under this division and shall not be used to pay debt charges on any anticipation notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(E) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.

(F) The board of education of any school district that levies a tax under this section for the purpose of providing for school safety and security may report to the department of education how the district is using revenue from that tax.

The board of education of any school district that proposes to levy a tax for the purpose of providing for school safety and security may share the proceeds of the tax with chartered
nonpublic schools, as defined by section 3310.01 of the Revised Code, that are located in the territory of the school district as provided in this division. The resolution levying the tax and the form of the ballot shall state that proceeds from the levy are to be shared with chartered nonpublic schools and shall state the percentage of the proceeds that is to be shared with those schools.

If a percentage of the proceeds of such a tax are to be shared with chartered nonpublic schools under this division, such proceeds shall be shared with all chartered nonpublic schools located in the territory of the school district. Of the percentage of the proceeds to be shared with chartered nonpublic schools, each such school shall receive an amount that bears the same proportion of that percentage that the number of resident students attending that school bears to the total number of resident students attending all such schools in the territory of the school district. For the purposes of this section, a resident student is a student enrolled in a chartered nonpublic school located in the territory of the school district who is entitled to attend school in the school district under section 3313.64 or 3313.65 of the Revised Code.

All proceeds of the levy shall be credited to a fund of the school district created for that purpose, and the board of education shall pay each chartered nonpublic school its share of the proceeds from that fund not less frequently than once after each settlement of taxes under divisions (A) and (C) of section 321.24 of the Revised Code. Any chartered nonpublic school receiving payments under this section shall use all of such payments only for providing for school safety and security.

Sec. 5705.222. (A) At any time the board of county commissioners of any county by a majority vote of the full
membership may declare by resolution and certify to the board of elections of the county that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide the necessary requirements of the county board of developmental disabilities established pursuant to Chapter 5126. of the Revised Code and that it is necessary to levy a tax in excess of such limitation for the operation of community programs and services authorized by county boards of developmental disabilities, for the acquisition, construction, renovation, financing, maintenance, and operation of developmental disabilities facilities, or for both of such purposes.

The resolution shall conform to section 5705.19 of the Revised Code, except that the increased rate may be in effect for any number of years not exceeding ten or for a continuing period of time.

The resolution shall be certified and submitted in the manner provided in section 5705.25 of the Revised Code, except that it may be placed on the ballot in any election, and shall be certified to the board of elections not less than ninety days before the election at which it will be voted upon.

If the majority of the electors voting on a levy for the support of the programs and services of the county board of developmental disabilities vote in favor of the levy, the board of county commissioners may levy a tax within the county at the additional rate outside the ten-mill limitation during the specified or continuing period, for the purpose stated in the resolution.

The county board of developmental disabilities, within its budget and with the approval of the board of county commissioners through annual appropriations, shall use the proceeds of a levy approved under this section or division (L) of section 5705.19 of
the Revised Code solely for the purposes authorized by that section or division.

A board of county commissioners that levies a tax under this section or for the purpose authorized by division (L) of section 5705.19 of the Revised Code, by a majority vote of the full membership, may adopt a resolution to renew such a levy, or renew two or more such levies as a single ballot question, in the manner provided by section 5705.25 of the Revised Code for the renewal of existing levies. The purpose of the renewal levy may be for any of the purposes authorized for a levy imposed under this section or division (L) of section 5705.19 of the Revised Code. The term of the renewal levy may be for any number of years not exceeding ten or for a continuing period of time.

(B) When electors have approved a tax levy under this section, the county commissioners may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

(C) The county auditor, upon receipt of a resolution from the county board of developmental disabilities, shall establish a capital improvements account or a reserve balance account, or both, as specified in the resolution. The capital improvements account shall be a contingency account for the necessary acquisition, replacement, renovation, or construction of facilities and movable and fixed equipment. Upon the request of the county board of developmental disabilities, moneys not needed to pay for current expenses may be appropriated to this account, in amounts such that this account does not exceed twenty-five percent of the replacement value of all capital facilities and equipment currently used by the county board of developmental disabilities for developmental disabilities programs and services. Other moneys available for current capital expenses from federal, state, or local sources may also be appropriated to this account.
The reserve balance account shall contain those moneys that are not needed to pay for current operating expenses and not deposited in the capital improvements account but that will be needed to pay for operating expenses in the future. Upon the request of a county board of developmental disabilities, the board of county commissioners may appropriate moneys from county funds, including funds from federal and state sources, to the reserve balance account.

The total balance in a reserve balance account shall not exceed forty per cent of the county board of developmental disabilities' expenditures for all services in the preceding calendar year.

Amounts in a capital improvements account or reserve balance account that are not in excess of the limitations prescribed in this division shall be considered reasonable and shall not be taken into consideration by the county budget commission when determining whether to reduce the taxing authority of a county under section 5705.32 of the Revised Code.

Sec. 5705.322. In determining whether to reduce the taxing authority of a county under section 5705.32 of the Revised Code in connection with the balance of a county developmental disabilities general fund, the county budget commission shall take into consideration the five-year projection of revenues and expenditures prepared by the county board of developmental disabilities pursuant to section 5126.053 of the Revised Code.

Before making such a determination, the commission shall hold a hearing solely on the question of whether to reduce the taxing authority of the county in connection with the balance of that fund. The commission shall publish notice of the hearing in a newspaper of general circulation in the county once a week for two consecutive weeks or as provided in section 7.16 of the Revised
The second publication shall be not less than ten nor more than thirty days before the date of the hearing, and the notice shall include the date, time, place, and subject of the hearing, and a statement that a determination to reduce the taxing authority of the county may result in a decrease in revenue available to the county board of developmental disabilities.

Upon publishing the notice, the commission shall notify the board of county commissioners or board of developmental disabilities of the date, time, place, and subject of the hearing. Any board entitled to notice under this division may designate an officer or employee of such board to whom the commission shall deliver the notice.

The commission shall permit representatives of the county that established the fund to appear at such hearing and explain the financial needs of the county board of developmental disabilities.

Sec. 5709.084. For the purposes of this section, construction of the convention center commences upon the earlier of issuance of debt to finance all or a portion of the convention center, demolition of existing structures on the site, or grading of the site in preparation for construction.

Real and personal property comprising a convention center owned by the largest city in a county having a population greater
than seven hundred thousand but less than nine hundred thousand
according to the most recent federal decennial census is exempt
from taxation, regardless of whether the property is leased to or
otherwise operated or managed by a person other than the city.

Real and personal property comprising a convention center or
arena owned by a convention facilities authority in a county
having a population greater than one million seven hundred fifty
thousand according to the most recent federal decennial census is
exempt from taxation, regardless of whether the property is leased
to or otherwise operated or managed by a person other than the
convention facilities authority, notwithstanding section 351.12 of
the Revised Code.

Real and personal property comprising a convention center or
arena owned by the largest city in a county having a population
greater than two hundred thirty-five thousand but less than three
hundred thousand according to the most recent federal decennial
census at the time of the construction of the convention center or
arena is exempt from taxation, regardless of whether the property
is leased to or otherwise operated or managed by a person other
than the city.

Real and personal property comprising a convention center or
arena owned by the city in which the convention center or arena is
located, and located in a county having a population greater than
five hundred thousand but less than six hundred thousand according
to the most recent federal decennial census at the time of the
construction of the convention center or arena, is exempt from
taxation, regardless of whether the property is leased to or

the same meanings as in section 307.695 of the Revised Code.

Sec. 5709.17. The following property shall be exempted from
taxation:

(A) Real estate held or occupied by an association or corporation, organized or incorporated under the laws of this state relative to soldiers' memorial associations or monumental building associations and that, in the opinion of the trustees, directors, or managers thereof, is necessary and proper to carry out the object intended for such association or corporation;

(B) Real estate and tangible personal property held or occupied by a qualifying veterans' organization and used primarily for meetings and administration of the qualifying veterans' organization or for providing, on a not-for-profit basis, programs and supportive services to past or present members of the armed forces of the United States and their families, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year, before accounting for any cost or expense incurred in the production of such income. For the purposes of this division, rental income includes only income arising directly from renting the real estate to others for consideration, but does not include income arising from renting the real estate to a qualifying veterans' organization.

As used in this division, "qualifying veterans' organization" means an organization that is incorporated under the laws of this state or the United States and that meets either of the following requirements:

(1) The organization qualifies for exemption from taxation under section 501(c)(19) or 501(c)(23) of the Internal Revenue Code.

(2) The organization meets the criteria for exemption under section 501(c)(19) of the Internal Revenue Code and regulations adopted pursuant thereto, but is exempt from taxation under
section 501(c)(4) of the Internal Revenue Code.

(C) Tangible personal property held by a corporation chartered under 112 Stat. 1335, 36 U.S.C. 40701, described in section 501(c)(3) of the Internal Revenue Code, and exempt from taxation under section 501(a) of the Internal Revenue Code shall be exempt from taxation if it is property obtained as described in 112 Stat. 1335-1341, 36 U.S.C.A. Chapter 407.

(D) Real estate held or occupied by a fraternal organization and used primarily for meetings of and the administration of the fraternal organization or for providing, on a not-for-profit basis, educational or health services, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year before accounting for any cost or expense incurred in the production of such income. For the purposes of this division, rental income includes only income arising directly from renting the real estate to others for consideration, but does not include income arising from renting the real estate to any fraternal organization for use primarily for meetings of and the administration of such fraternal organization or for providing, on a not-for-profit basis, educational or health services. As used in this division, "rental income" has the same meaning as in division (B) of this section, and "fraternal organization" means a domestic fraternal society, order, or association operating under the lodge, council, or grange system that qualifies for exemption from taxation under section 501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; that provides financial support for charitable purposes, as defined in division (B)(12) of section 5739.02 of the Revised Code; and that operates under a state governing body that has been operating in this state for at least eighty-five years.
Sec. 5709.40. (A) As used in this section:

(1) "Blighted area" and "impacted city" have the same meanings as in section 1728.01 of the Revised Code.

(2) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Improvement" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of an ordinance adopted under this section were it not for the exemption granted by that ordinance.

(5) "Incentive district" means an area not more than three hundred acres in size enclosed by a continuous boundary in which a project is being, or will be, undertaken and having one or more of the following distress characteristics:

   (a) At least fifty-one per cent of the residents of the district have incomes of less than eighty per cent of the median income of residents of the political subdivision in which the district is located, as determined in the same manner specified under section 119(b) of the "Housing and Community Development Act of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended;

   (b) The average rate of unemployment in the district during the most recent twelve-month period for which data are available is equal to at least one hundred fifty per cent of the average rate of unemployment for this state for the same period.

   (c) At least twenty per cent of the people residing in the district live at or below the poverty level as defined in the federal Housing and Community Development Act of 1974, 42 U.S.C.
(d) The district is a blighted area.

(e) The district is in a situational distress area as designated by the director of development services under division (F) of section 122.23 of the Revised Code.

(f) As certified by the engineer for the political subdivision, the public infrastructure serving the district is inadequate to meet the development needs of the district as evidenced by a written economic development plan or urban renewal plan for the district that has been adopted by the legislative authority of the subdivision.

(g) The district is comprised entirely of unimproved land that is located in a distressed area as defined in section 122.23 of the Revised Code.

(6) "Overlay" means an area of not more than three hundred acres that is a square, or that is a rectangle having two longer sides that are not more than twice the length of the two shorter sides, that the legislative authority of a municipal corporation delineates on a map of a proposed incentive district.

(7) "Project" means development activities undertaken on one or more parcels, including, but not limited to, construction, expansion, and alteration of buildings or structures, demolition, remediation, and site development, and any building or structure that results from those activities.

(8) "Public infrastructure improvement" includes, but is not limited to, public roads and highways; water and sewer lines; the continued maintenance of those public roads and highways and water and sewer lines; environmental remediation; land acquisition, including acquisition in aid of industry, commerce, distribution, or research; demolition, including demolition on private property when determined to be necessary for economic development purposes;
stormwater and flood remediation projects, including such projects on private property when determined to be necessary for public health, safety, and welfare; the provision of gas, electric, and communications service facilities, including the provision of gas or electric service facilities owned by nongovernmental entities when such improvements are determined to be necessary for economic development purposes; and the enhancement of public waterways through improvements that allow for greater public access.

(B) The legislative authority of a municipal corporation, by ordinance, may declare improvements to certain parcels of real property located in the municipal corporation to be a public purpose. Improvements with respect to a parcel that is used or to be used for residential purposes may be declared a public purpose under this division only if the parcel is located in a blighted area of an impacted city. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code. Except as otherwise provided under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located or section 5709.51 of the Revised Code, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation for a period of not more than ten years. The ordinance shall specify the percentage of the improvement to be exempted from taxation and the life of the exemption.

An ordinance adopted or amended under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the municipal...
corporation that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.42 of the Revised Code shall be used to finance the public infrastructure improvements designated in the ordinance, for the purpose described in division (D)(1) of this section or as provided in section 5709.43 of the Revised Code.

(C)(1) The legislative authority of a municipal corporation may adopt an ordinance creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section, but no legislative authority of a municipal corporation that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt an ordinance that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the municipal corporation that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the municipal corporation for the preceding tax year. The ordinance shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. An ordinance may create more than one such district, and more than one ordinance may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting an
ordinance under division (C)(1) of this section, if the municipal corporation intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the legislative authority of the municipal corporation shall conduct a public hearing on the proposed ordinance. Not later than thirty days prior to the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed ordinance. The notice shall include a map of the proposed incentive district on which the legislative authority of the municipal corporation shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if the owner's entire parcel of property will not be located within the overlay, by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section whose entire parcel of property is not located within the overlay may exclude the property from the proposed incentive district by submitting a written response to the legislative authority of the municipal corporation not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the legislative authority under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the municipal corporation and included in the
notice provided under division (C)(2)(a) of this section. In the
response, property owners may identify a parcel by street address,
by the manner in which it is identified in the ordinance, or by
other means allowing the identity of the parcel to be ascertained.

(c) Before adopting an ordinance under division (C)(1) of
this section, the legislative authority of a municipal corporation
shall amend the ordinance to exclude any parcel located wholly or
partly outside the overlay for which a written response has been
submitted under division (C)(2)(b) of this section. A municipal
corporation shall not apply for exemptions from taxation under
section 5709.911 of the Revised Code for any such parcel, and
service payments may not be required from the owner of the parcel.
Improvements to a parcel excluded from an incentive district under
this division may be exempted from taxation under division (B) of
this section pursuant to an ordinance adopted under that division
or under any other section of the Revised Code under which the
parcel qualifies.

(3)(a) An ordinance adopted under division (C)(1) of this
section shall specify the life of the incentive district and the
percentage of the improvements to be exempted, shall designate the
public infrastructure improvements made, to be made, or in the
process of being made, that benefit or serve, or, once made, will
benefit or serve parcels in the district. The ordinance also shall
identify one or more specific projects being, or to be, undertaken
in the district that place additional demand on the public
infrastructure improvements designated in the ordinance. The
project identified may, but need not be, the project under
division (C)(3)(b) of this section that places real property in
use for commercial or industrial purposes. Except as otherwise
permitted under that division, the service payments provided for
in section 5709.42 of the Revised Code shall be used to finance
the designated public infrastructure improvements, for the purpose
described in division (D)(1), (E), or (F) of this section, or as
provided in section 5709.43 of the Revised Code.

An ordinance adopted under division (C)(1) of this section on
or after March 30, 2006, shall not designate police or fire
equipment as public infrastructure improvements, and no service
payment provided for in section 5709.42 of the Revised Code and
received by the municipal corporation under the ordinance shall be
used for police or fire equipment.

(b) An ordinance adopted under division (C)(1) of this
section may authorize the use of service payments provided for in
section 5709.42 of the Revised Code for the purpose of housing
renovations within the incentive district, provided that the
ordinance also designates public infrastructure improvements that
benefit or serve the district, and that a project within the
district places real property in use for commercial or industrial
purposes. Service payments may be used to finance or support
loans, deferred loans, and grants to persons for the purpose of
housing renovations within the district. The ordinance shall
designate the parcels within the district that are eligible for
housing renovation. The ordinance shall state separately the
amounts or the percentages of the expected aggregate service
payments that are designated for each public infrastructure
improvement and for the general purpose of housing renovations.

(4) Except with the approval of the board of education of
each city, local, or exempted village school district within the
territory of which the incentive district is or will be located,
and subject to division (E) of this section, the life of an
incentive district shall not exceed ten years, and the percentage
of improvements to be exempted shall not exceed seventy-five per
cent. With approval of the board of education, the life of a
district may be not more than thirty years, and the percentage of
improvements to be exempted may be not more than one hundred per
The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D)(1) If the ordinance declaring improvements to a parcel to be a public purpose or creating an incentive district specifies that payments in lieu of taxes provided for in section 5709.42 of the Revised Code shall be paid to the city, local, or exempted village, and joint vocational school district in which the parcel or incentive district is located in the amount of the taxes that would have been payable to the school district if the improvements had not been exempted from taxation, the percentage of the improvement that may be exempted from taxation may exceed seventy-five per cent, and the exemption may be granted for up to thirty years, without the approval of the board of education as otherwise required under division (D)(2) of this section.

(2) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval under this paragraph of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvement exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting an ordinance under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the legislative authority shall deliver to the board of education a notice stating its intent to adopt an ordinance making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation,
provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvement that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The notice regarding improvements to parcels within an incentive district under division (C) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the
joint vocational school district within which the parcel or

district is located at the same rate and under the same terms

received by the city, local, or exempted village school district.

(3) The board of education shall certify its resolution to

the legislative authority not later than fourteen days prior to

the date the legislative authority intends to adopt the ordinance

as indicated in the notice. If the board of education and the

legislative authority negotiate a mutually acceptable compensation

agreement, the ordinance may declare the improvements a public

purpose for the number of years specified in the ordinance or, in

the case of exemption percentages in excess of seventy-five per

cent, for the exemption percentage specified in the ordinance. In

either case, if the board and the legislative authority fail to

negotiate a mutually acceptable compensation agreement, the

ordinance may declare the improvements a public purpose for not

more than ten years, and shall not exempt more than seventy-five

per cent of the improvements from taxation. If the board fails to

certify a resolution to the legislative authority within the time

prescribed by this division, the legislative authority thereupon

may adopt the ordinance and may declare the improvements a public

purpose for up to thirty years, or, in the case of exemption

percentages proposed in excess of seventy-five per cent, for the

exemption percentage specified in the ordinance. The legislative

authority may adopt the ordinance at any time after the board of

education certifies its resolution approving the exemption to the

legislative authority, or, if the board approves the exemption on

the condition that a mutually acceptable compensation agreement be
