\textbf{Sec. 5743.44.} (A) Any person, other than an employee of the state, who furnishes to the department of taxation, attorney general, or any law enforcement agency original information concerning any violation of Chapter 5743. of the Revised Code, which information results in the collection and recovery of any tax or penalty or leads to the forfeiture of any cigarettes, may be awarded and paid by the treasurer of state, upon the certification of the tax commissioner, a compensation of not more than twenty per cent of the net amount received from the sale of any forfeited cigarettes, but not exceeding ten thousand dollars in any case, which shall be paid out of the receipts of such sale. If in the opinion of the attorney general and the tax commissioner it is necessary to preserve the identity of the person furnishing such information, they shall file with the treasurer of state an
affidavit stating such necessity and a warrant may be issued jointly to the attorney general and the tax commissioner. Upon payment of such money to the person furnishing the information, the attorney general and the tax commissioner shall file with the treasurer of state an affidavit that the money has been paid by them to the person entitled thereto.

(B) Except for the minimum quantity of cigarettes or tobacco products, or vapor products needed as evidence to establish a violation under this chapter, all cigarettes or tobacco products, or vapor products seized under this chapter shall be within the sole control and jurisdiction of the tax commissioner for sale pursuant to section 5743.08 or 5743.55 of the Revised Code.

Sec. 5743.51. (A) To provide revenue for the general revenue fund of the state, an excise tax on tobacco products and vapor products is hereby levied at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product received by a distributor or sold by a manufacturer to a retail dealer located in this state.

(2) For invoices dated October 1, 2013, or later, thirty-seven per cent of the wholesale price of little cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state.

(3) For premium cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state, the lesser of seventeen per cent of the wholesale price of such premium cigars or the maximum tax amount per each such premium cigar.

(4) Seventeen per cent of the first invoice price of vapor products the first time the products are received by a vapor distributor in this state.
Each distributor or vapor distributor who brings tobacco products or vapor products, or causes tobacco products or vapor products to be brought, into this state for distribution within this state, or any out-of-state distributor or vapor distributor who sells tobacco products or vapor products to wholesale or retail dealers located in this state for resale by those wholesale or retail dealers is liable for the tax imposed by this section. Only one sale of the same article shall be used in computing the amount of the tax due. If a vapor product is repackaged, reconstituted, diluted, or reprocessed, the subsequent sale of that vapor product is not considered another sale of the same article for purposes of computing the amount of tax due.

(B) The treasurer of state shall place to the credit of the tax refund fund created by section 5703.052 of the Revised Code, out of the receipts from the tax levied by this section, amounts equal to the refunds certified by the tax commissioner pursuant to section 5743.53 of the Revised Code. The balance of the taxes collected under this section shall be paid into the general revenue fund.

(C) The commissioner may adopt rules as are necessary to assist in the enforcement and administration of sections 5743.51 to 5743.66 of the Revised Code, including rules providing for the remission of penalties imposed.

(D) A manufacturer is not liable for payment of the tax imposed by this section for sales of tobacco products to a retail dealer that has filed a signed statement with the manufacturer in which the retail dealer agrees to pay and be liable for the tax, as long as the manufacturer has provided a copy of the statement to the tax commissioner.

Sec. 5743.52. (A) Each distributor of tobacco products or vapor distributor subject to the tax levied by section 5743.51 of
the Revised Code, on or before the twenty-third day of each month, shall file with the tax commissioner a return for the preceding month showing any information the tax commissioner finds necessary for the proper administration of sections 5743.51 to 5743.66 of the Revised Code this chapter, together with remittance of the tax due. The return and payment of the tax required by this section shall be filed in such a manner that it is received by the commissioner and made electronically on or before the twenty-third day of the month following the reporting period. If the return is filed and the amount of tax shown on the return to be due is paid on or before the date the return is required to be filed, the distributor or vapor distributor is entitled to a discount equal to two and five-tenths per cent of the amount shown on the return to be due.

(B) Any person who fails to timely file the return and make payment of taxes as required under this section, section 5743.62, or section 5743.63 of the Revised Code may be required to pay an additional charge not exceeding the greater of fifty dollars or ten per cent of the tax due. Any additional charge imposed under this section may be collected by assessment as provided in section 5743.56 of the Revised Code.

(C) If any tax due is not paid timely in accordance with sections 5743.52, 5743.62, or 5743.63 of the Revised Code, the person liable for the tax shall pay interest, calculated at the rate per annum as prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment is issued under section 5743.56 of the Revised Code, whichever occurs first. The commissioner may collect such interest by assessment pursuant to section 5743.56 of the Revised Code.

(D) The commissioner may authorize the filing of returns and the payment of the tax required by this section, section 5743.62,
or section 5743.63 of the Revised Code for periods longer than a calendar month.

(E) The commissioner may order any taxpayer to file with the commissioner security to the satisfaction of the commissioner conditioned upon filing the return and paying the taxes required under this section, section 5743.62, or section 5743.63 of the Revised Code if the commissioner believes that the collection of the tax may be in jeopardy.

Sec. 5743.53. (A) The treasurer of state shall refund to a taxpayer any of the following:

(1) Any tobacco products or vapor products tax paid erroneously;

(2) Any tobacco products or vapor products tax paid on an illegal or erroneous assessment;

(3) Any tax paid on tobacco products or vapor products that have been sold or shipped to retail or dealers, wholesale dealers, vapor distributors, or secondary manufacturers outside this state, returned to the manufacturer, or destroyed by the taxpayer with the prior approval of the tax commissioner.

Any application for refund shall be filed with the tax commissioner on a form prescribed by the commissioner for that purpose. The commissioner may not pay any refund on an application for refund filed with the commissioner more than three years from the date of payment of the tax.

(B) On the filing of the application for refund, the commissioner shall determine the amount of the refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and to the treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code.
Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the department of taxation, the refund shall include interest on the amount of the refund from the date of the overpayment. The interest shall be computed at the rate per annum in the manner prescribed by section 5703.47 of the Revised Code.

(C) If any person entitled to a refund of tax under this section or section 5703.70 of the Revised Code is indebted to the state for any tax administered by the tax commissioner, or any charge, penalties, or interest arising from such tax, the amount allowable on the application for refund first shall be applied in satisfaction of the debt.

(D) In lieu of granting a refund payable under division (A)(3) of this section, the tax commissioner may allow a taxpayer to claim a credit of the amount of refundable tax on the return for the period during which the tax became refundable. The commissioner may require taxpayers to submit any information necessary to support a claim for a credit under this section, and the commissioner shall allow no credit if that information is not provided.

Sec. 5743.54. (A) Each distributor of tobacco products and each vapor distributor of vapor products shall maintain complete and accurate records of all purchases and sales of tobacco products or vapor products, and shall procure and retain all invoices, bills of lading, and other documents relating to the purchases and sales of tobacco those products. The distributor or vapor distributor shall keep open records and documents during business hours for the inspection of the tax commissioner, and shall preserve them for a period of three years from the date the
return was due or was filed, whichever is later, unless the  
commissioner, in writing, consents to their destruction within  
that period, or orders that they be kept for a longer period of  
time.

(B) Each distributor of tobacco products and each vapor  
distributor of vapor products subject to the tax levied by section  
5743.51 of the Revised Code shall mark on the invoices of tobacco  
products or vapor products sold that the tax levied by that  
section has been paid and shall indicate the distributor's or  
vapor distributor's account number as assigned by the tax  
commissioner.

(C) No person shall make a false entry upon any invoice or  
record upon which an entry is required by this section and no  
person shall present any false entry for the inspection of the  
commissioner with the intent to evade the tax levied under section  
5743.51, 5743.62, or 5743.63 of the Revised Code.

\textbf{Sec. 5743.55.} Whenever the tax commissioner discovers any  
tobacco products or vapor products, subject to the tax levied  
under section 5743.51, 5743.62, or 5743.63 of the Revised Code,  
and upon which the tax has not been paid or the commissioner has  
reason to believe the tax is being avoided, the commissioner may  
seize and take possession of the tobacco products or vapor  
products, which, upon seizure, shall be forfeited to the state.  
Within a reasonable time after seizure, the commissioner may sell  
the forfeited tobacco products. From the proceeds of this sale,  
the tax commissioner shall pay the costs incurred in the seizure  
and sale, and any proceeds remaining after the sale shall be  
considered as revenue arising from the tax. The seizure and sale  
shall not relieve any person from the fine or imprisonment  
provided for violation of sections 5743.51 to 5743.66 of the  
Revised Code. The commissioner shall make the sale where it is
most convenient and economical, but may order the destruction of
the forfeited tobacco products if the quantity or quality of
tobacco products is not sufficient to warrant their sale.

Sec. 5743.59. (A) No retail dealer of tobacco products or
tobacco products shall have in the retail dealer's possession
products on which the tax imposed by
section 5743.51 of the Revised Code has not been paid, unless the
retail dealer is licensed under section 5743.61 of the Revised
Code. Payment may be evidenced by invoices from distributors or
vapor distributors stating the tax has been paid.

(B) The tax commissioner may inspect any place where tobacco
products subject to the tax levied under section
5743.51 of the Revised Code are sold or stored.

(C) No person shall prevent or hinder the tax commissioner
from making a full inspection of any place where tobacco products
subject to the tax imposed by section 5743.51 of
the Revised Code are sold or stored, or prevent or hinder the full
inspection of invoices, books, or records required to be kept by
section 5743.54 of the Revised Code.

Sec. 5743.60. No person shall prepare for shipment, ship,
transport, deliver, prepare for distribution, or distribute
tobacco products or vapor products, or otherwise engage or
participate in the business of distributing tobacco products or
vapor products, with the intent to avoid payment of the tax levied
by section 5743.51, 5743.62, or 5743.63 of the Revised Code, when
the wholesale price of the tobacco products or the first invoice
price of the vapor products exceeds three hundred dollars during
any twelve-month period.

Sec. 5743.61. (A) Except as otherwise provided in this
division, no (1) No distributor or vapor distributor shall engage
in the business of distributing tobacco products, vapor products, or both within this state without having a license issued by the department of taxation to engage in that business. On

(2) On the dissolution of a partnership by death, the surviving partner may operate under the license of the partnership until the expiration of the license, and the heirs or legal representatives of deceased persons, and receivers and trustees in bankruptcy appointed by any competent authority, may operate under the license of the person succeeded in possession by the heir, representative, receiver, or trustee in bankruptcy if the partner or successor notifies the department of taxation of the dissolution or succession within thirty days after the dissolution or succession.

(B)(1) Each applicant for a license to engage in the business of distributing tobacco products described by division (A)(1) of this section, annually, on or before the first day of February, shall make and deliver to the tax commissioner, upon a form furnished by the commissioner for that purpose, a statement showing the name of the applicant, each physical place from which the applicant distributes to distributors, vapor distributors, retail dealers, or wholesale dealers, or secondary manufacturers, and any other information the commissioner considers necessary for the administration of sections 5743.51 to 5743.66 of the Revised Code.

(2) At the time of making the license application, the applicant shall pay an application fee of one thousand dollars for each place listed on the application where the applicant proposes to carry on that business. The fee charged for the application shall accompany the application and shall be made payable to the treasurer of state for deposit into the cigarette tax enforcement fund.

(3) Upon receipt of the application and payment of any
licensing fee required by this section, the commissioner shall verify that the applicant has filed all returns, submitted all information, and paid all outstanding taxes, charges, or fees as required for any taxes, charges, or fees administered by the commissioner, to the extent the commissioner is aware of the returns, information, taxes, charges, or fees at the time of the application. Upon approval, the commissioner shall issue to the applicant a license for each place of distribution designated in the application authorizing the applicant to engage in business at that location for one year commencing on the first day of February. For licenses issued after the first day of February, the license application fee shall be reduced proportionately by the remainder of the twelve-month period for which the license is issued, except that the application fee required to be paid under this section shall be not less than two hundred dollars. If the original license is lost, destroyed, or defaced, a duplicate license may be obtained from the commissioner upon payment of a license replacement fee of twenty-five dollars.

(C) The holder of a tobacco and vapor products license may transfer the license to a place of business on condition that the licensee's ownership and business structure remains unchanged and the licensee applies to the commissioner for the transfer on a form issued by the commissioner, and pays a transfer fee of twenty-five dollars.

(D) If a distributor or vapor distributor fails to file forms as required under Chapter 1346. or section 5743.52 of the Revised Code or pay the tax due for two consecutive periods or three periods during any twelve-month period, the commissioner may suspend the license issued to the distributor or vapor distributor under this section. The suspension is effective ten days after the commissioner notifies the distributor or vapor distributor of the suspension in writing personally or by certified mail. The
commissioner shall lift the suspension when the distributor or vapor distributor files the delinquent forms and pays the tax due, including any penalties, interest, and additional charges. The commissioner may refuse to issue the annual renewal of the license required by this section and may refuse to issue a new license for a location of the distributor until all delinquent forms are filed and outstanding taxes are paid. This division does not apply to any unpaid or underpaid tax liability that is the subject of a petition or appeal filed pursuant to section 5743.56, 5717.02, or 5717.04 of the Revised Code.

(E)(1) The tax commissioner may impose a penalty of up to one thousand dollars on any person found to be engaging in the business of distributing tobacco products or vapor products without a license as required by this section.

(2) Any person engaging in the business of distributing tobacco products or vapor products without a license as required by this section shall comply with divisions (B)(1) and (2) of this section within ten days after being notified of the requirement to do so. Failure to comply with division (E)(2) of this section subjects a person to penalties imposed under section 5743.99 of the Revised Code.

Sec. 5743.62. (A) To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the seller of tobacco products or vapor products in this state at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product whenever the tobacco product is delivered to a consumer in this state for the storage, use, or other consumption of such tobacco products.

(2) For little cigars, thirty-seven per cent of the wholesale
price of the little cigars whenever the little cigars are delivered to a consumer in this state for the storage, use, or other consumption of the little cigars.

(3) For premium cigars, whenever the premium cigars are delivered to a consumer in this state for the storage, use, or other consumption of the premium cigars, the lesser of seventeen per cent of the wholesale price of such premium cigars or the maximum tax amount per each such premium cigar.

(4) For vapor products, seventeen per cent of the first invoice price when the vapor products are delivered to a consumer in this state for the storage, use, or other consumption of the vapor products.

The tax imposed by this section applies only to sellers having substantial nexus in with this state, as defined in section 5741.01 of the Revised Code.

(B) A seller of tobacco products or vapor products who has substantial nexus in with this state as defined in section 5741.01 of the Revised Code shall register with the tax commissioner and supply any information concerning the seller's contacts with this state as may be required by the tax commissioner. A seller who does not have substantial nexus in with this state may voluntarily register with the tax commissioner. A seller who voluntarily registers with the tax commissioner is entitled to the same benefits and is subject to the same duties and requirements as a seller required to be registered with the tax commissioner under this division.

(C) Each seller of tobacco products or vapor products subject to the tax levied by this section, on or before the last day of each month, shall file with the tax commissioner a return for the preceding month showing any information the tax commissioner finds necessary for the proper administration of sections 5743.51 to
5743.66 of the Revised Code, together with remittance of the tax due, payable to the treasurer of state. The return and payment of the tax required by this section shall be filed in such a manner that it is received by the tax commissioner on or before the last day of the month following the reporting period. If the return is filed and the amount of the tax shown on the return to be due is paid on or before the date the return is required to be filed, the seller is entitled to a discount equal to two and five-tenths per cent of the amount shown on the return to be due.

(D) The tax commissioner shall immediately forward to the treasurer of state all money received from the tax levied by this section, and the treasurer shall credit the amount to the general revenue fund.

(E) Each seller of tobacco products or vapor products subject to the tax levied by this section shall mark on the invoices of tobacco products or vapor products sold that the tax levied by that section has been paid and shall indicate the seller's account number as assigned by the tax commissioner.

Sec. 5743.63. (A) To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the storage, use, or other consumption of tobacco products or vapor products at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product.

(2) For little cigars, thirty-seven per cent of the wholesale price of the little cigars.

(3) For premium cigars, the lesser of seventeen per cent of the wholesale price of the premium cigars or the maximum tax amount per each premium cigar.
For vapor products, seventeen per cent of the first invoice price.

The tax levied under division (A) of this section is imposed only if the tax has not been paid by the seller as provided in section 5743.62 of the Revised Code, or by the distributor or vapor distributor as provided in section 5743.51 of the Revised Code.

(B) Each person subject to the tax levied by this section, on or before the last day of each month, shall file with the tax commissioner a return for the preceding month showing any information the tax commissioner finds necessary for the proper administration of sections 5743.51 to 5743.66 of the Revised Code, together with remittance of the tax due, payable to the treasurer of state. The return and payment of the tax required by this section shall be filed in such a manner that it is received by the tax commissioner on or before the last day of the month following the reporting period.

(C) The tax commissioner shall immediately forward to the treasurer of state all money received from the tax levied by this section, and the treasurer shall credit the amount to the general revenue fund.

Sec. 5745.05. (A) Prior to the first day of March, June, September, and December, the tax commissioner shall certify to the director of budget and management the amount to be paid to each municipal corporation, as indicated on the declaration of estimated tax reports and annual reports received under sections 5745.03 and 5745.04 of the Revised Code, less any amounts previously distributed and net of any audit adjustments made by the tax commissioner. Not later than the first day of March, June, September, and December, the director of budget and management shall provide for payment of the amount certified to each
municipal corporation from the municipal income tax fund, plus a
pro rata share of any investment earnings accruing to the fund
since the previous payment under this section apportioned among
municipal corporations entitled to such payments in proportion to
the amount certified by the tax commissioner, and minus any
reduction required by the commissioner under division (D) of
section 718.83 of the Revised Code. All investment earnings on
money in the municipal income tax fund shall be credited to that
fund.

(B) If the tax commissioner determines that the amount of tax
paid by a taxpayer and distributed to a municipal corporation
under this section for a taxable year exceeds the amount payable
to that municipal corporation under this chapter after accounting
for amounts remitted with the annual report and as estimated
taxes, the tax commissioner shall permit the taxpayer to credit
the excess against the taxpayer's payments to the municipal
corporation of estimated taxes remitted for an ensuing taxable
year under section 5745.04 of the Revised Code. If, upon the
written request of the taxpayer, the tax commissioner determines
that the excess to be so credited is likely to exceed the amount
of estimated taxes payable by the taxpayer to the municipal
corporation during the ensuing twelve months, the tax commissioner
shall so notify the municipal corporation and the municipal
corporation shall issue a refund of the excess to the taxpayer
within ninety days after receiving such a notice. Interest shall
accrue on the amount to be refunded and is payable to the taxpayer
at the rate per annum prescribed by section 5703.47 of the Revised
Code from the ninety-first day after the notice is received by the
municipal corporation until the day the refund is paid.
Immediately after notifying a municipal corporation under this
division of an excess to be refunded, the commissioner also shall
notify the director of budget and management of the amount of the
excess, and the director shall transfer from the municipal income
tax administrative fund to the municipal income tax fund one and
one-half per cent of the amount of the excess. The commissioner
shall include the transferred amount in the computation of the
amount due the municipal corporation in the next certification to
the director under division (A) of this section.

Sec. 5747.01. Except as otherwise expressly provided or
clearly appearing from the context, any term used in this chapter
that is not otherwise defined in this section has the same meaning
as when used in a comparable context in the laws of the United
States relating to federal income taxes or if not used in a
comparable context in those laws, has the same meaning as in
section 5733.40 of the Revised Code. Any reference in this chapter
to the Internal Revenue Code includes other laws of the United
States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income"
means federal adjusted gross income, as defined and used in the
Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of
any state or of any political subdivision or authority of any
state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any
authority, commission, instrumentality, territory, or possession
of the United States to the extent that the interest or dividends
are exempt from federal income taxes but not from state income
taxes.

(3) Deduct interest or dividends on obligations of the United
States and its territories and possessions or of any authority,
commission, or instrumentality of the United States to the extent
that the interest or dividends are included in federal adjusted
gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter.

"Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been
allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(8) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(9) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(10) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(11)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(11) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(11)(a) of this section shall be the net
of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(12)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or
refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(12)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(13) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was included in the taxpayer's adjusted gross income for a prior taxable year and did not qualify for a credit under division (A) or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted gross income for the current or any other taxable year.

(14) Deduct an amount equal to the deposits made to, and net investment earnings of, a medical savings account during the taxable year, in accordance with section 3924.66 of the Revised Code. The deduction allowed by division (A)(14) of this section does not apply to medical savings account deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net
investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. (18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the
taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the
taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

(iv) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(20) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(20) of this section shall be construed to adjust or modify the adjusted basis of any asset.

(c) To the extent the add-back required under division (A)(20)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be sitused to the same location.

the purpose of determining the credit under division (A) of
section 5747.05 of the Revised Code. Otherwise, the add-back shall
be apportioned, subject to one or more of the four alternative
methods of apportionment enumerated in section 5747.21 of the
Revised Code.

(d) For the purposes of division (A)(20)(a)(v) of this
section, net operating loss carryback and carryforward shall not
include the allowance of any net operating loss deduction
carryback or carryforward to the taxable year to the extent such
loss resulted from depreciation allowed by section 168(k) of the
Internal Revenue Code and by the qualifying section 179
depreciation expense amount.

(e) For the purposes of divisions (A)(20) and (21) of this
section:

(i) "Income taxes withheld" means the total amount withheld

of the Internal Revenue Code as that section existed on December
31, 2002.

(21)(a) If the taxpayer was required to add an amount under
division (A)(20)(a) of this section for a taxable year, deduct one of the following:

(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(21)(a) of this section for that next taxable year. The
carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(20)(a) of this section has been deducted.

the taxpayer's Ohio taxable income were computed in the same
manner as an individual's Ohio adjusted gross income is computed
under this section. In the case of a trust, division (S)(14) of
this section applies only to any of the trust's taxable years
beginning in 2002 or thereafter.

(T) "School district income" and "school district income tax"

(2) "Qualified tuition and fees" means tuition and fees imposed by an eligible institution as a condition of enrollment or attendance, not exceeding two thousand five hundred dollars in each of the individual's first two years of post-secondary education. If the individual is a part-time student, "qualified tuition and fees" includes tuition and fees paid for the academic equivalent of the first two years of post-secondary education during a maximum of five taxable years, not exceeding a total of five thousand dollars. "Qualified tuition and fees" does not include:

(a) Expenses for any course or activity involving sports, games, or hobbies unless the course or activity is part of the individual's degree or diploma program;

(a) The book value of the qualifying investee's physical
assets in this state and everywhere, as of the last day of the
qualifying investee's fiscal or calendar year ending immediately
prior to the date on which the trust recognizes the gain or loss,
is available to the trust.

(b) The requirements of section 5747.011 of the Revised Code
are satisfied for the trust's taxable year in which the trust
recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is
modified business income, qualifying investment income, or
modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio
taxable income other than modified business income, other than the
qualifying trust amount, and other than qualifying investment
income, as defined in section 5747.012 of the Revised Code, to the
extent such qualifying investment income is not otherwise part of
modified business income.

(4) "Modified Ohio taxable income" applies only to trusts,
and means the sum of the amounts described in divisions (BB)(4)(a)
to (c) of this section:

(a) The fraction, calculated under section 5747.013, and
applying section 5747.231 of the Revised Code, multiplied by the
sum of the following amounts:

(i) The trust's modified business income;

(ii) The trust's qualifying investment income, as defined in
section 5747.012 of the Revised Code, but only to the extent the
qualifying investment income does not otherwise constitute modified business income and does not otherwise constitute a qualifying trust amount.

(b) The qualifying trust amount multiplied by a fraction, the numerator of which is the sum of the book value of the qualifying investee's physical assets in this state on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect to more than one qualifying investee, the amount described in division (BB)(4)(b) of this section shall equal the sum of the products so computed for each such qualifying investee.

(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of
that section, shall not be allocated to this state in accordance
with section 5747.20 of the Revised Code but shall be apportioned
to this state in accordance with division (B) of section 5747.212
of the Revised Code without regard to division (A) of that
section.

If the allocation and apportionment of a trust's income under
divisions (BB)(4)(a) and (c) of this section do not fairly
represent the modified Ohio taxable income of the trust in this
state, the alternative methods described in division (C) of
section 5747.21 of the Revised Code may be applied in the manner
and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this
section, "qualifying investee" means a person in which a trust has
an equity or ownership interest, or a person or unit of government
the debt obligations of either of which are owned by a trust. For
the purposes of division (BB)(2)(a) of this section and for the
purpose of computing the fraction described in division (BB)(4)(b)
of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying
controlled group on the last day of the qualifying investee's
fiscal or calendar year ending immediately prior to the date on
which the trust recognizes the gain or loss, then "qualifying
investee" includes all persons in the qualifying controlled group
on such last day.

(ii) If the qualifying investee, or if the qualifying
investee and any members of the qualifying controlled group of
which the qualifying investee is a member on the last day of the
qualifying investee's fiscal or calendar year ending immediately
prior to the date on which the trust recognizes the gain or loss,
separately or cumulatively own, directly or indirectly, on the
last day of the qualifying investee's fiscal or calendar year
ending immediately prior to the date on which the trust recognizes
the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (BB)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust...
amount, the upper level pass-through entity shall be deemed as

owning no equity of the lower level pass-through entity for each
day during the upper level pass-through entity's calendar or
fiscal year in which or with which ends the lower level
pass-through entity's calendar or fiscal year. Nothing in division
(BB)(5)(a)(iii) of this section shall be construed to provide for
any deduction or exclusion in computing any trust's Ohio taxable
income.

(b) With respect to a trust that is not a resident for the
taxable year and with respect to a part of a trust that is not a
resident for the taxable year, "qualifying investee" for that
taxable year does not include a C corporation if both of the
following apply:

(i) During the taxable year the trust or part of the trust
recognizes a gain or loss from the sale, exchange, or other
disposition of equity or ownership interests in, or debt
obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.

(6) "Available" means information is such that a person is
able to learn of the information by the due date plus extensions,
if any, for filing the return for the taxable year in which the
trust recognizes the gain or loss.

(CC) "Qualifying controlled group" has the same meaning as in
section 5733.04 of the Revised Code.

(DD) "Related member" has the same meaning as in section
5733.042 of the Revised Code.

(EE)(1) For the purposes of division (EE) of this section:

(a) "Qualifying person" means any person other than a
qualifying corporation.

(b) "Qualifying corporation" means any person classified for
federal income tax purposes as an association taxable as a corporation, except either of the following:

(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;

(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (FF)(3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.
(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

(GG) "Uniformed services" has the same meaning as in 10 U.S.C. 101.

(HH) "Taxable business income" means the amount by which an individual's business income that is included in federal adjusted gross income exceeds the amount of business income the individual is authorized to deduct under division (A)(31) of this section for the taxable year.

(II) "Employer" does not include a franchisor with respect to the franchisor's relationship with a franchisee or an employee of a franchisee, unless the franchisor agrees to assume that role in writing or a court of competent jurisdiction determines that the franchisor exercises a type or degree of control over the franchisee or the franchisee's employees that is not customarily exercised by a franchisor for the purpose of protecting the franchisor's trademark, brand, or both. For purposes of this division, "franchisor" and "franchisee" have the same meanings as in 16 C.F.R. 436.1.

(II) "Modified adjusted gross income" means Ohio adjusted gross income plus any amount deducted under division (A)(31) of this section for the taxable year.

Sec. 5747.02. (A) For the purpose of providing revenue for the support of schools and local government functions, to provide
relief to property taxpayers, to provide revenue for the general revenue fund, and to meet the expenses of administering the tax levied by this chapter, there is hereby levied on every individual, trust, and estate residing in or earning or receiving income in this state, on every individual, trust, and estate earning or receiving lottery winnings, prizes, or awards pursuant to Chapter 3770. of the Revised Code, on every individual, trust, and estate earning or receiving winnings on casino gaming, and on every individual, trust, and estate otherwise having nexus with or in this state under the Constitution of the United States, an annual tax measured as prescribed in divisions (A)(1) to (A)(3) of this section.

(1) In the case of trusts, the tax imposed by this section shall be measured by modified Ohio taxable income under division (D) of this section and levied in the same amount as the tax is imposed on estates as prescribed in division (A)(2) of this section.

(2) In the case of estates, the tax imposed by this section shall be measured by Ohio taxable income and the tax shall be levied at the rate of seven thousand four hundred twenty-five ten-thousandths per cent for the following rates on the first twenty-one thousand five hundred fifty dollars of such income and, for taxable years beginning in 2019, one and four hundred twenty-seven thousandths per cent, and for taxable years beginning in or after 2020, one and three hundred sixty-eight thousandths per cent. On such income in excess of that amount, the tax shall be levied at the same rates prescribed in division (A)(3) of this section for individuals.

(3) In the case of individuals, for taxable years beginning in 2017 or thereafter, the tax imposed by this section on income other than taxable business income shall be measured by Ohio taxable income.

If the balance thus obtained is greater than ten twenty-one thousand five seven hundred fifty dollars, the tax is hereby levied as follows:

(4) (a) In the case of individuals, for taxable years beginning in 2016 or thereafter, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.

(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross
income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.

(5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

(B) If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as
determined under divisions (A)(1) to (3) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C) The levy of this tax on income does not prevent a municipal corporation, a joint economic development zone created under section 715.691, or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Revised Code from levying a tax on income.

(D) This division applies only to taxable years of a trust beginning in 2002 or thereafter.

(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (D) of this section equal to the lesser of (a) the tax paid to another state or the District of Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (b) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) The credits enumerated in divisions (A)(1) to (9) and (A)(18) to (20) of section 5747.98 authorized by the following sections of the Revised Code do not apply to a trust subject to division (D) of this section: section 5747.022, 5747.05, 5747.054, 5747.055, 5747.27, 5747.37, 5747.66, or 5747.71 of the Revised Code. Any credits enumerated in other divisions of credit
authorized against the tax imposed by this section 5747.08 of the Revised Code apply applies to a trust subject to division (D) of this section that otherwise qualifies for such a credit. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(E) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

(F) Nothing in division (A)(3) of this section shall prohibit an individual with an Ohio adjusted gross income, less taxable business income and exemptions, of ten twenty-one thousand five seven hundred fifty dollars or less from filing a return under this chapter to receive a refund of taxes withheld or to claim any refundable credit allowed under this chapter.

Sec. 5747.022. An individual subject to the tax imposed by section 5747.02 of the Revised Code whose Ohio modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, for the taxable year as shown on an individual or joint annual return is less than thirty thousand dollars may...
claim a credit equal to twenty dollars times the number of exemptions allowed for the taxpayer, the taxpayer's spouse, and each dependent under section 5747.02 of the Revised Code. The credit shall be claimed in the order required under section 5747.98 of the Revised Code. The credit shall not be considered in determining the taxes required to be withheld under section 5747.06 of the Revised Code or the estimated taxes required to be paid under section 5747.09 of the Revised Code. In the case of an individual with respect to whom an exemption under section 5747.02 of the Revised Code is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the "number of exemptions allowed" for purposes of calculating the credit allowed under this section to such individual for the individual's taxable year shall not include an exemption for the individual.

Sec. 5747.025. (A) For taxable years beginning in 2014 or 2015, the personal exemption for the taxpayer, the taxpayer's spouse, and each dependent shall be one of the following amounts:

(1) Two thousand two hundred dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is less than or equal to forty thousand dollars;

(2) One thousand nine hundred fifty dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than forty thousand dollars but less than or equal to eighty thousand dollars;

(3) One thousand seven hundred dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than eighty thousand dollars.
(B) For taxable years beginning in 2016 and thereafter, the personal exemption amounts prescribed in division (A) of this section shall be adjusted each year in the manner prescribed in division (C) of this section. In the case of an individual with respect to whom an exemption under section 5747.02 of the Revised Code is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the exemption amount applicable to such individual for such individual's taxable year shall be zero.

(C) Except as otherwise provided in this division, in August of each year, the tax commissioner shall determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding year, and make a new adjustment to the personal exemption amount for taxable years beginning in the current calendar year by multiplying that amount by the percentage increase in the gross domestic product deflator for that period; adding the resulting product to the personal exemption amount for taxable years beginning in the preceding calendar year; and rounding the resulting sum upward to the nearest multiple of fifty dollars. The adjusted amount applies to taxable years beginning in the calendar year in which the adjustment is made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The commissioner shall not make a new adjustment in any calendar year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding calendar year.

Sec. 5747.03. (A)(1) All money collected under this chapter arising from the taxes imposed by section 5747.02 or 5747.41 of the Revised Code shall be credited to the general revenue fund.
except that the treasurer of state shall, at the beginning of each

calendar quarter, credit to the Ohio political party fund,
pursuant to section 3517.16 of the Revised Code, an amount equal
to the total dollar value realized from the taxpayer exercise of
the income tax checkoff option on tax forms processed during the
preceding calendar quarter.

(B)(1) Following the crediting of moneys pursuant to division
(A) of this section, the remainder deposited in the general
revenue fund shall be and distributed pursuant to division (F) of
section 321.24 and section 323.156 of the Revised Code; to make
subsidy payments to institutions of higher education from
appropriations to the Ohio board of regents department of
education; to support expenditures for programs and services for
the mentally ill, persons with developmental disabilities, and the
elderly; for primary and secondary education; for medical
assistance; and for any other purposes authorized by law, subject
to the limitation that at least fifty per cent of the income tax
collected by the state from the tax imposed by section 5747.02 of
the Revised Code shall be returned pursuant to Section 9 of
Article XII, Ohio Constitution.

(2) To ensure that such constitutional requirement is
satisfied the tax commissioner shall, on or before the thirtieth
day of June of each year, from the best information available to
the tax commissioner, determine and certify for each county to the
director of budget and management the amount of taxes collected
under this chapter from the tax imposed under section 5747.02 of
the Revised Code during the preceding calendar year that are
required to be returned to the county by Section 9 of Article XII,
Ohio Constitution. The director shall provide for payment from the
general revenue fund to the county in the amount, if any, that the
sum of the amount so certified for that county exceeds the sum of
the following:
(a) The sum of the payments from the general revenue fund for the preceding calendar year credited to the county's undivided income tax fund pursuant to division (F) of section 321.24 and section 323.156 of the Revised Code or made directly from the general revenue fund to political subdivisions located in the county;

(b) The sum of the amounts from the general revenue fund distributed in the county during the preceding calendar year for subsidy payments to institutions of higher education from appropriations to the Ohio board of regents department of education; for programs and services for mentally ill persons, persons with developmental disabilities, and elderly persons; for primary and secondary education; and for medical assistance.

(c) In the case of payments made by the director under this division in 2007, the total amount distributed to the county during the preceding calendar year from the local government fund and the local government revenue assistance fund, and, in the case of payments made by the director under this division in subsequent calendar years, the amount distributed to the county from the local government fund;

(d) In the case of payments made by the director under this division, the total amount distributed to the county during the preceding calendar year from the public library fund.

Payments under this division shall be credited to the county's undivided income tax fund, except that, notwithstanding section 5705.14 of the Revised Code, such payments may be transferred by the board of county commissioners to the county general fund by resolution adopted with the affirmative vote of two-thirds of the members thereof.

(C) (B) All payments received in each month from taxes imposed under Chapter 5748. of the Revised Code and any penalties or
interest thereon shall be paid into the school district income tax fund, which is hereby created in the state treasury, except that an amount equal to the following portion of such payments shall be paid into the general school district income tax administrative fund, which is hereby created in the state treasury:

1. One and three-quarters of one per cent of those received in fiscal year 1996;
2. One and one-half per cent of those received in fiscal year 1997 and thereafter.

Money in the school district income tax administrative fund shall be used by the tax commissioner to defray costs incurred in administering the school district's income tax, including the cost of providing employers with information regarding the rate of tax imposed by any school district. Any moneys remaining in the fund after such use shall be deposited in the school district income tax fund.

All interest earned on moneys in the school district income tax fund shall be credited to the fund.

(D)(C)(1) (a) Within thirty days of the end of each calendar quarter ending on the last day of March, June, September, and December, the director of budget and management shall make a payment from the school district income tax fund to each school district for which school district income tax revenue was received during that quarter. The amount of the payment shall equal the balance in the school district's account at the end of that quarter.

(b) After a school district ceases to levy an income tax, the director of budget and management shall adjust the payments under division (D)(C)(1)(a) of this section to retain sufficient money in the school district's account to pay refunds. For the calendar quarters ending on the last day of March and December of the
calendar year following the last calendar year the tax is levied, the director shall make the payments in the amount required under division (D)(C)(1)(a) of this section. For the calendar quarter ending on the last day of June of the calendar year following the last calendar year the tax is levied, the director shall make a payment equal to nine-tenths of the balance in the account at the end of that quarter. For the calendar quarter ending on the last day of September of the calendar year following the last calendar year the tax is levied, the director shall make no payment. For the second and succeeding calendar years following the last calendar year the tax is levied, the director shall make one payment each year, within thirty days of the last day of June, in an amount equal to the balance in the district's account on the last day of June.

(2) Moneys paid to a school district under this division shall be deposited in its school district income tax fund. All interest earned on moneys in the school district income tax fund shall be apportioned by the tax commissioner pro rata among the school districts in the proportions and at the times the districts are entitled to receive payments under this division.

Sec. 5747.04. All reports, returns, and payments required of a taxpayer or employer by this chapter, except payments by electronic funds transfer as required under section 5747.072 of the Revised Code, shall be filed with the tax commissioner.

Upon receipt by him the commissioner of any payments under this chapter arising from a tax imposed under section 5747.02 of the Revised Code, the commissioner shall estimate and annually reconcile and determine for any amount paid by or on behalf of any taxpayer and for any amount shown due or owed to any taxpayer, the county to which such amount is attributable. The county of attribution is the county in which the taxpayer was a resident for
one more than half of the number of days of the payroll period during which any income subject to taxation under this chapter was earned or, in the case of a nonresident taxpayer, his the nonresident taxpayer's principal county of employment. If there is no payroll period to which such income can be attributed, the county of attribution is the county in which the taxpayer resided at the time he the taxpayer received such income.

The commissioner shall adopt such rules, including a requirement that each taxpayer indicate his the taxpayer's school district of residence on his the taxpayer's tax return, as are reasonably necessary to insure the efficient administration of this section and the distribution required by division (B) (A) of section 5747.03 of the Revised Code.

Sec. 5747.05. As used in this section, "income tax" includes both a tax on net income and a tax measured by net income.

The following credits shall be allowed against the aggregate income tax liability imposed by section 5747.02 of the Revised Code on individuals and estates:

(A)(1) The amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of any nonresident taxpayer that is not allocable or apportionable to this state pursuant to sections 5747.20 to 5747.23 of the Revised Code. The credit provided under this division shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The tax commissioner may enter into an agreement with the taxing authorities of any state or of the District of Columbia that imposes an income tax to provide that compensation paid in this state to a nonresident taxpayer shall not be subject to the tax levied in section 5747.02 of the Revised Code so long as compensation paid in such other state or in the District of
Columbia to a resident taxpayer shall likewise not be subject to
the income tax of such other state or of the District of Columbia.

(B) The lesser of division (B)(1) or (2) of this section:

(1) The aggregate amount of tax otherwise due under section
5747.02 of the Revised Code on such portion of the combined
adjusted gross income and business income of a resident taxpayer
that in another state or in the District of Columbia is subjected
to an income tax. The credit provided under division (B)(1) of
this section shall not exceed the total tax due under section
5747.02 of the Revised Code.

(2) The amount of income tax liability to another state or
the District of Columbia on the portion of the combined adjusted
gross income and business income of a resident taxpayer that in
another state or in the District of Columbia is subjected to an
income tax. The credit provided under division (B)(2) of this
section shall not exceed the total amount of tax otherwise due
under section 5747.02 of the Revised Code.

(3) If the credit provided under division (B) of this section
is affected by a change in either the portion of the combined
adjusted gross income and business income of a resident taxpayer
subjected to an income tax in another state or the District of
Columbia or the amount of income tax liability that has been paid
to another state or the District of Columbia, the taxpayer shall
report the change to the tax commissioner within sixty days of the
change in such form as the commissioner requires.

(a) In the case of an underpayment, the report shall be
accompanied by payment of any additional tax due as a result of
the reduction in credit together with interest on the additional
tax and is a return subject to assessment under section 5747.13 of
the Revised Code solely for the purpose of assessing any
additional tax due under this division, together with any
applicable penalty and interest. It shall not reopen the
computation of the taxpayer's tax liability under this chapter
from a previously filed return no longer subject to assessment
except to the extent that such liability is affected by an
adjustment to the credit allowed by division (B) of this section.

(b) In the case of an overpayment, an application for refund
may be filed under this division within the sixty-day period
prescribed for filing the report even if it is beyond the period
prescribed in section 5747.11 of the Revised Code if it otherwise
conforms to the requirements of such section. An application filed
under this division shall only claim refund of overpayments
resulting from an adjustment to the credit allowed by division (B)
of this section unless it is also filed within the time prescribed
in section 5747.11 of the Revised Code. It shall not reopen the
computation of the taxpayer's tax liability except to the extent
that such liability is affected by an adjustment to the credit
allowed by division (B) of this section.

(4) No credit shall be allowed under division (B) of this
section:

(a) For income tax paid or accrued to another state or to the
District of Columbia if the taxpayer, when computing federal
adjusted gross income, has directly or indirectly deducted, or was
required to directly or indirectly deduct, the amount of that
income tax;

(b) For compensation that is not subject to the income tax of
another state or the District of Columbia as the result of an
agreement entered into by the tax commissioner under division
(A)(3) of this section; or

(c) For income tax paid or accrued to another state or the
District of Columbia if the taxpayer fails to furnish such proof
as the tax commissioner shall require that such income tax
liability has been paid.

(C) An individual who is a resident for part of a taxable year and a nonresident for the remainder of the taxable year is allowed the credits under divisions (A) and (B) of this section in accordance with rules prescribed by the tax commissioner. In no event shall the same income be subject to both credits.

(D) The credit allowed under division (A) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(E)(1) On a joint return filed by a husband and wife, each of whom had adjusted gross income of at least five hundred dollars, exclusive of interest, dividends and distributions, royalties, rent, and capital gains, a credit equal to the lesser of six hundred fifty dollars or the percentage shown in column B that corresponds with the taxpayer's modified adjusted gross income, less exemptions for the taxable year, of the total amount of tax due after allowing for any other credit that precedes this credit as required under section 5747.98 of the Revised Code:

(2) The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

(F) No claim for credit under this section shall be allowed unless the claimant furnishes such supporting information as the tax commissioner prescribes by rules.

Sec. 5747.054. In addition to all other credits allowed by this chapter, a credit shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers with modified adjusted gross income of less than forty thousand dollars. The amount of the credit shall equal twenty-five per cent of the federal dependent care credit for which the taxpayer is eligible for the taxable year under section 21 of the Internal Revenue Code, 26 U.S.C.A. 21; except that the amount of the credit for a taxpayer with modified adjusted gross income of less than twenty thousand dollars shall equal the federal credit for which the taxpayer is eligible, in any case without regard to any limitation imposed by section 26 of the Internal Revenue Code, 26 U.S.C.A. 26.

The credit allowed by this section shall be claimed in the order required under section 5747.98 of the Revised Code.

Sec. 5747.055. (A) As used in this section "retirement income" means retirement benefits, annuities, or distributions that are made from or pursuant to a pension, retirement, or profit-sharing plan and that:

(1) In the case of an individual, are received by the individual on account of retirement and are included in the individual's adjusted gross income;
(2) In the case of an estate, are payable to the estate for 71799
the benefit of the surviving spouse of the decedent and are 71800
included in the estate's taxable income. 71801

(B) A credit shall be allowed against a taxpayer's aggregate 71802
tax liability under section 5747.02 of the Revised Code for 71803
taxpayers who received retirement income during the taxable year 71804
and whose modified adjusted gross income for the taxable year, 71805
less applicable exemptions under section 5747.025 of the Revised 71806
Code, as shown on an individual or joint annual return is less 71807
than one hundred thousand dollars. Only one such credit shall be 71808
allowed for each return, and the amount of the credit shall be 71809
computed in accordance with the following schedule: 71810

(C) A taxpayer who received a lump-sum distribution from a 71819
pension, retirement, or profit-sharing plan in the taxable year 71820
and whose modified adjusted gross income for the taxable year, 71821
less applicable exemptions under section 5747.025 of the Revised 71822
Code, as shown on an individual or joint annual return is less 71823
than one hundred thousand dollars, may elect to receive a credit 71824
under this division in lieu of the credit allowed under division 71825
(B) of this section. A taxpayer making such an election is not 71826
entitled to the credit authorized under this division or division 71827
(B) of this section in subsequent taxable years. A taxpayer 71828
electing the credit under this division shall receive a credit for 71829
the taxable year against the taxpayer's aggregate tax liability 71830
under section 5747.02 of the Revised Code computed as follows:

(1) Divide the amount of retirement income received during the taxable year by the taxpayer's expected remaining life on the last day of the taxable year, as shown by annuity tables issued under the provisions of the Internal Revenue Code and in effect for the calendar year that includes the last day of the taxable year;

(2) Using the quotient thus obtained as the amount of retirement income received during the taxable year, compute the credit for the taxable year in accordance with division (B) of this section;

(3) Multiply the credit thus obtained by the taxpayer's expected remaining life. The product thus obtained shall be the credit under this division for the taxable year.

(D) If the credit under division (C) or (E) of this section exceeds the taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for the taxable year after allowing for any other credit that precedes that credit in the order required under section 5747.98 of the Revised Code, the taxpayer may elect to receive a credit for each subsequent taxable year. The amount of the credit for each such year shall be computed as follows:

(1) Determine the amount by which the unused credit elected under division (C) or (E) of this section exceeded the total tax due for the taxable year after allowing for any preceding credit in the required order;

(2) Divide the amount of such excess by one year less than the taxpayer's expected remaining life on the last day of the taxable year of the distribution for which the credit was allowed under division (C) or (E) of this section. The quotient thus obtained shall be the credit for each subsequent year.
(E) If subsequent to the receipt of a lump-sum distribution and an election under division (C) of this section an individual receives another lump-sum distribution within one taxable year, and the taxpayer's modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars, the taxpayer may elect to receive a credit for that taxable year. The credit shall equal the lesser of:

(1) A credit computed in the manner prescribed in division (C) of this section;

(2) The amount of credit, if any, to which the taxpayer would otherwise be entitled for the taxable year under division (D) of this section times the taxpayer's expected remaining life on the last day of the taxable year. A taxpayer who elects to receive a credit under this division is not entitled to a credit under this division or division (B) or (C) of this section for any subsequent year except as provided in division (D) of this section.

(F) A credit equal to fifty dollars for each return required to be filed under section 5747.08 of the Revised Code shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers sixty-five years of age or older during the taxable year whose modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars for that taxable year.

(G) A taxpayer sixty-five years of age or older during the taxable year who has received a lump-sum distribution from a pension, retirement, or profit-sharing plan in the taxable year, and whose modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred
thousand dollars for that taxable year may elect to receive a
credit under this division in lieu of the credit to which the
taxpayer is entitled under division (F) of this section. A
taxpayer making such an election shall receive a credit for the
taxable year against the taxpayer's aggregate tax liability under
section 5747.02 of the Revised Code equal to fifty dollars times
the taxpayer's expected remaining life as shown by annuity tables
issued under the Internal Revenue Code and in effect for the
calendar year that includes the last day of the taxable year. A
taxpayer making an election under this division is not entitled to
the credit authorized under this division or division (F) of this
section in subsequent taxable years.

(H) The credits allowed by this section shall be claimed in
the order required under section 5747.98 of the Revised Code. The
tax commissioner may require a taxpayer to furnish any information
necessary to support a claim for credit under this section, and no
credit shall be allowed unless such information is provided.

**Sec. 5747.06.** (A) Except as provided in division (E)(3) of
this section, every employer, including the state and its
political subdivisions, maintaining an office or transacting
business within this state and making payment of any compensation
to an employee who is a taxpayer shall deduct and withhold from
such compensation for each payroll period a tax computed in such
manner as to result, as far as practicable, in withholding from
the employee's compensation during each calendar year an amount
substantially equivalent to the tax reasonably estimated to be due
from the employee under this chapter and Chapter 5748. of the
Revised Code with respect to the amount of such compensation
included in the employee's adjusted gross income during the
calendar year. The employer shall deduct and withhold the tax on
the date that the employer directly, indirectly, or constructively
pays the compensation to, or credits the compensation to the
benefit of, the employee.

The method of determining the amount to be withheld shall be prescribed by rule of the tax commissioner. Notwithstanding section 5747.02 of the Revised Code, the rule prescribed by the commissioner shall require that taxes are withheld on the first ten thousand dollars of a taxpayer's compensation at rates sufficient to ensure payment of the appropriate amount of tax reasonably estimated to be due. If the tax commissioner intends to adjust the method of determining the amount to be withheld to take effect within the current fiscal year, the commissioner shall certify to the director of budget and management, on or before the thirty-first day of July of that fiscal year, the amount the commissioner estimates is necessary to offset reductions, if any, resulting from that adjustment to the general revenue fund, the local government fund, and the public library fund in that fiscal year, arranged according to each such fund.

In addition to any other exclusions from withholding permitted under this section, no tax shall be withheld by an employer from the compensation of an employee when such compensation is paid for:

(1) Agricultural labor as defined in division G of section 3121 of Title 26 of the United States Code;

(2) Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;

(3) Service performed in any calendar quarter by an employee unless the cash remuneration paid for such service is three hundred dollars or more and such service is performed by an individual who is regularly employed by such employer to perform such service;

(4) Services performed for a foreign government or an international organization;
(5) Services performed by an individual under the age of eighteen in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution, or when performed by such individual under the age of eighteen under an arrangement where newspapers or magazines are to be sold by the individual at a fixed price, the individual's compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to the individual;

(6) Services not in the course of the employer's trade or business to the extent paid in any medium other than cash.

(B) Every employer required to deduct and withhold tax from the compensation of an employee under this chapter shall furnish to each employee, with respect to the compensation paid by such employer to such employee during the calendar year, on or before the thirty-first day of January of the succeeding year, or, if the employee's employment is terminated before the close of such calendar year, within thirty days from the date on which the last payment of compensation was made, a written statement as prescribed by the tax commissioner showing the amount of compensation paid by the employer to the employee, the amount deducted and withheld as state income tax, any amount deducted and withheld as school district income tax for each applicable school district, and any other information as the commissioner prescribes.

(C) The failure of an employer to withhold tax as required by this section does not relieve an employee from the liability for the tax. The failure of an employer to remit the tax as required by law does not relieve an employee from liability for the tax if the tax commissioner ascertains that the employee colluded with the employer with respect to the failure to remit the tax.

(D) If an employer fails to deduct and withhold any tax as
required, and thereafter the tax is paid, the tax so required to
be deducted and withheld shall not be collected from the employer,
but the employer is not relieved from liability for penalties and
interest otherwise applicable in respect to the failure to deduct
and withhold the tax.

(E) To ensure that taxes imposed pursuant to Chapter 5748. of
the Revised Code are deducted and withheld as provided in this
section:

(1) An employer shall request that each employee furnish the
name of the employee's school district of residence;

(2) Each employee shall furnish the employer with sufficient
and correct information to enable the employer to withhold the
taxes imposed under Chapter 5748. of the Revised Code. The
employee shall provide additional or corrected information
whenever information previously provided to the employer becomes
insufficient or incorrect.

(3) If the employer complies with the requirements of
division (E)(1) of this section and if the employee fails to
comply with the requirements of division (E)(2) of this section,
the employer is not required to withhold and pay the taxes imposed
under Chapter 5748. of the Revised Code and is not subject to any
penalties and interest otherwise applicable for failing to deduct
and withhold such taxes.

Sec. 5747.08. An annual return with respect to the tax
imposed by section 5747.02 of the Revised Code and each tax
imposed under Chapter 5748. of the Revised Code shall be made by
every taxpayer for any taxable year for which the taxpayer is
liable for the tax imposed by that section or under that chapter,
unless the total credits allowed under division (E) of section
5747.05 and divisions (F) and (G) of section 5747.055 of the
Revised Code for the year are equal to or exceed the tax imposed
by section 5747.02 of the Revised Code, in which case no return shall be required unless the taxpayer is liable for a tax imposed pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice required of that individual under this chapter shall be made and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed; and are entitled to only their distributive share of the business
credits as defined in division (D)(2) of this section. A single check drawn by the pass-through entity shall accompany the return in full payment of the tax due, as shown on the single return, for such investors, other than investors who are persons subject to the tax imposed under section 5733.06 of the Revised Code.

(b)(i) A pass-through entity shall not include in such a single return any investor that is a trust to the extent that any direct or indirect current, future, or contingent beneficiary of the trust is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single return any investor that is itself a pass-through entity to the extent that any direct or indirect investor in the second pass-through entity is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax commissioner from requiring such investors to file the return and make the payment of taxes and related interest, penalty, and interest penalty required by this section or section 5747.02, 5747.09, or 5747.15 of the Revised Code. Nothing in division (D) of this section precludes such an investor from filing the annual return under this section, utilizing the refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor under division (I) of this section, and making the payment of taxes imposed under section 5747.02 of the Revised Code. Nothing in division (D) of this section shall be construed to provide to such an investor or pass-through entity any additional deduction or credit, other than the credit provided by division (I) of this section, solely on account of the entity's filing a return in accordance with this section. Such a pass-through entity also shall make the filing and payment of estimated taxes on behalf of the pass-through entity.
investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:

(a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;

(b) The senior citizen credit under division (F) of section 5747.055 of the Revised Code;

(c) The lump sum distribution credit under division (G) of section 5747.055 of the Revised Code;

(d) The dependent care credit under section 5747.054 of the Revised Code;

(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;

(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;

(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;

(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;

(i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;

(j) The joint filing credit under division (E) of section 5747.05 of the Revised Code;

(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;

(l) The credit for a resident's out-of-state income under division (B) of section 5747.05 of the Revised Code;
(m) The earned income tax credit under section 5747.71 of the Revised Code.

(n) The lead abatement credit under section 5747.26 of the Revised Code.

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.

(E) If a husband and wife file a joint federal income tax
return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each year, on forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form.

Upon good cause shown, the commissioner may extend the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions. tax liability is paid an amount of interest computed at the rate
per annum prescribed by section 5703.47 of the Revised Code on
that liability from the time that payment is due without extension
to the time of actual payment. Except as provided in section
5747.132 of the Revised Code, in addition to all other interest
charges and penalties, all taxes imposed under this chapter or
Chapter 5748. of the Revised Code and remaining unpaid after they
become due, except combined amounts due of one dollar or less,
bear interest at the rate per annum prescribed by section 5703.47
of the Revised Code until paid or until the day an assessment is
issued under section 5747.13 of the Revised Code, whichever occurs
first.

If the commissioner considers it necessary in order to ensure
the payment of the tax imposed by section 5747.02 of the Revised
Code or any tax imposed under Chapter 5748. of the Revised Code,
the commissioner may require returns and payments to be made
otherwise than as provided in this section.

To the extent that any provision in this division conflicts
with any provision in section 5747.026 of the Revised Code, the
provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section
5747.06 of the Revised Code, a casino operator pursuant to section
5747.063 of the Revised Code, or a lottery sales agent pursuant to
section 5747.064 of the Revised Code shall be allowed to the
recipient of the compensation casino winnings, or lottery prize

on the recipient by section 5747.02 and under Chapter 5748. of the
Revised Code.

(I) If a pass-through entity elects to file a single return
under division (D) of this section and if any investor is required
to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to instruct the department of taxation to cause any refund of
overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the taxpayer files the annual return required by this section electronically.

(L) The tax commissioner may adopt rules to administer this section.

It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.

(2)(a) Except as otherwise provided in division (E)(2)(b) of this section, an audited partnership may file an application for a refund under this division within the ninety-day period prescribed for filing the federal adjustments return, even if it is filed beyond the period prescribed by section 5747.11 of the Revised Code, if it otherwise conforms to the requirements of that section. If the overpayment results from the carryback of a net operating loss or net capital loss to a previous taxable year, the overpayment is deemed not to have been made prior to the filing date, including any extension thereof, for the taxable year in which the net operating loss or net capital loss arises. For purposes of the payment of interest on overpayments, no amount of tax, for any taxable year, shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing such return.

(2) Interest shall be allowed at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the taxes imposed under sections 5733.41 and 5747.41 of the Revised Code. The interest shall run from whichever of the following days is the latest until the day the refund is paid: the day the illegal, erroneous, or excessive payment was made; the ninetieth day after the final day the annual report was required to be filed under section 5747.42 of the Revised Code; or the ninetieth day after the day that report was filed.

    (d) The four-year period described in division (B) of this section has ended as to the taxable year for which the taxpayer otherwise would have claimed that credit.

    (2) A taxpayer shall file an application for refund pursuant to division (E) of this section within one year after the date the payment described in division (E)(1)(a) of this section is made. An application filed under division (E)(2) of this section shall claim refund only of overpayments resulting from the taxpayer's failure to claim the credit described in division (E)(1)(c) of this section. Nothing in division (E) of this section shall be construed to relieve a taxpayer from complying with division (A)(16) of section 5747.01 of the Revised Code.

Sec. 5747.26. (A) Terms used in this section have the same meanings as in section 3742.50 of the Revised Code.

(C) The taxpayer shall provide, upon request of the tax commissioner, any documentation necessary to verify the taxpayer is entitled to the credit under this section.

infrastructure capital improvement projects, as provided for in Sections 2k, 2m, 2p, and 2s of Article VIII, Ohio Constitution, that are attributable to costs for construction, reconstruction, maintenance, or repair of public highways and bridges and other statutory highway purposes. That certification shall allocate the total amount of debt service paid from the general revenue fund and attributable to those costs in the current fiscal year according to the applicable section of the Ohio Constitution under which the bonds were originally issued.

(3) On or before the thirtieth day of June of each fiscal year beginning with fiscal year 2015, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division (F)(2) of this section and shall reserve that amount from the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund for transfer to the general revenue fund at times and in amounts to be determined by the director. (2) A scholarship recipient under this section may continue to apply for scholarships under this section until the recipient has accumulated ninety-six eligibility units.

(3) If a scholarship recipient withdraws from courses prior to the end of an academic term so that the recipient's enrollment for that academic term is less than three credit hours, no scholarship shall be paid on behalf of that person for that academic term. Except as provided in division (F)(3) of this section, if a scholarship has already been paid on behalf of the person for that academic term, the adjutant general shall add to that person's accumulated eligibility units the number of eligibility units for which the scholarship was paid.

(F) This division applies to any eligible applicant called into active duty on or after September 11, 2001. As used in this division, "active duty" means active duty pursuant to an executive order of the president of the United States, an act of the congress of the United States, or section 5919.29 or 5923.21 of the Revised Code.

(2) When an individual to whom this division applies withdraws or otherwise fails to complete courses, for which scholarships have been awarded under this section, because the
individual was called into active duty, the institution of higher education shall grant the individual a leave of absence from the individual's education program and shall not impose any academic penalty for such withdrawal or failure to complete courses. Division (F)(2) of this section applies regardless of whether or not the scholarship amount was paid to the institution of higher education.

(3) If an individual to whom this division applies withdraws or otherwise fails to complete courses because the individual was called into active duty, and if scholarships for those courses have already been paid, either:

(G) A scholarship recipient under this section who fails to complete the term of enlistment, re-enlistment, or extension of current enlistment the recipient was serving at the time a
scholarship was paid on behalf of the recipient under this section is liable to the state for repayment of a percentage of all Ohio national guard scholarships paid on behalf of the recipient under this section, plus interest at the rate of ten per cent per annum calculated from the dates the scholarships were paid. This percentage shall equal the percentage of the current term of enlistment, re-enlistment, or extension of enlistment a recipient has not completed as of the date the recipient is discharged from the Ohio national guard.

The attorney general may commence a civil action on behalf of the chancellor to recover the amount of the scholarships and the interest provided for in this division and the expenses incurred in prosecuting the action, including court costs and reasonable attorney's fees. A scholarship recipient is not liable under this division if the recipient's failure to complete the term of enlistment being served at the time a scholarship was paid on behalf of the recipient under this section is due to the recipient's death or discharge from the national guard due to disability or the recipient's enlistment, warrant, commission, or appointment for a term not less than the recipient's remaining term in the national guard or in the active duty component of the United States armed forces.

(H) On or before the first day of each academic term, the adjutant general shall provide an eligibility roster to the chancellor and to each institution of higher education at which one or more scholarship recipients have applied for enrollment. The institution shall use the roster to certify the actual full-time or part-time enrollment of each scholarship recipient listed as enrolled at the institution and return the roster to the adjutant general and the chancellor. Except as provided in division (J) of this section, the chancellor shall provide for payment of the appropriate number and amount of scholarships to
each institution of higher education pursuant to division (D) of this section. If an institution of higher education fails to certify the actual enrollment of a scholarship recipient listed as enrolled at the institution within thirty days of the end of an academic term, the institution shall not be eligible to receive payment from the Ohio national guard scholarship program or from the individual enrollee. The adjutant general shall report on a semiannual basis to the director of budget and management, the speaker of the house of representatives, the president of the senate, and the chancellor the number of Ohio national guard scholarship recipients, the size of the scholarship-eligible population, and a projection of the cost of the program for the remainder of the biennium.

(I) The chancellor and the adjutant general may adopt rules pursuant to Chapter 119. of the Revised Code governing the administration and fiscal management of the Ohio national guard scholarship program and the procedure by which the chancellor and the department of the adjutant general may modify the amount of scholarships a member receives based on the amount of other state financial aid a member receives.

(J) The adjutant general, the chancellor, and the director, or their designees, shall jointly estimate the costs of the Ohio national guard scholarship program for each upcoming fiscal biennium, and shall report that estimate prior to the beginning of the fiscal biennium to the chairpersons of the finance committees in the general assembly. During each fiscal year of the biennium, the adjutant general, the chancellor, and the director, or their designees, shall meet regularly to monitor the actual costs of the Ohio national guard scholarship program and update cost projections for the remainder of the biennium as necessary. If the amounts appropriated for the Ohio national guard scholarship program and any funds in the Ohio national guard scholarship
reserve fund and the Ohio national guard scholarship donation fund are not adequate to provide scholarships in the amounts specified in division (D)(1) of this section for all eligible applicants, the chancellor shall do all of the following:

(1) Notify each private institution of higher education, where a scholarship recipient is enrolled, that, by accepting the Ohio national guard scholarship program as payment for all or part of the institution's tuition, the institution agrees that if the chancellor reduces the amount of each scholarship, the institution shall provide each scholarship recipient a grant or tuition waiver in an amount equal to the amount the recipient's scholarship was reduced by the chancellor.

(2) Reduce the amount of each scholarship under division (D)(1)(a) of this section proportionally based on the amount of remaining available funds. Each state institution of higher education shall provide each scholarship recipient under division (D)(1)(a) of this section a grant or tuition waiver in an amount equal to the amount the recipient's scholarship was reduced by the chancellor.

(K) Notwithstanding division (A) of section 127.14 of the Revised Code, the controlling board shall not transfer all or part of any appropriation for the Ohio national guard scholarship program.

(L) The chancellor and the adjutant general may apply for, and may receive and accept grants, and may receive and accept gifts, bequests, and contributions, from public and private sources, including agencies and instrumentalities of the United States and this state, and shall deposit the grants, gifts, bequests, or contributions into the national guard scholarship donation fund.

(H) Issue, modify, or revoke orders to prevent, control, or abate water pollution by such means as the following:

(1) Prohibiting or abating discharges of sewage, industrial waste, or other wastes into the waters of the state;

(2) Requiring the construction of new disposal systems or any parts thereof, or the modification, extension, or alteration of existing disposal systems or any parts thereof;

(3) Prohibiting additional connections to or extensions of a sewerage system when the connections or extensions would result in an increase in the polluting properties of the effluent from the system when discharged into any waters of the state;

(4) Requiring compliance with any standard or rule adopted under sections 6111.01 to 6111.05 of the Revised Code or term or
condition of a permit.

In the making of those orders, wherever compliance with a rule adopted under section 6111.042 of the Revised Code is not involved, consistent with the Federal Water Pollution Control Act, the director shall give consideration to, and base the determination on, evidence relating to the technical feasibility and economic reasonableness of complying with those orders and to evidence relating to conditions calculated to result from compliance with those orders, and their relation to benefits to the people of the state to be derived from such compliance in accomplishing the purposes of this chapter.

(I) Review plans, specifications, or other data relative to disposal systems or any part thereof in connection with the issuance of orders, permits, and industrial water pollution control certificates under this chapter;

(J)(1) Issue, revoke, modify, or deny sludge management permits and permits for the discharge of sewage, industrial waste, or other wastes into the waters of the state, and for the installation or modification of disposal systems or any parts thereof in compliance with all requirements of the Federal Water Pollution Control Act and mandatory regulations adopted thereunder, including regulations adopted under section 405 of the Federal Water Pollution Control Act, and set terms and conditions of permits, including schedules of compliance, where necessary. In issuing permits for sludge management, the director shall not allow the placement of sewage sludge on frozen ground in conflict with rules adopted under this chapter. Any person who discharges, transports, or handles storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or pollutants from a concentrated animal feeding operation, as both terms are defined in that section, is not required to obtain a permit under division (J)(1) of this section for the installation
or modification of a disposal system involving pollutants or storm water or any parts of such a system on and after the date on which the director of agriculture has finalized the program required under division (A)(1) of section 903.02 of the Revised Code. In addition, any person who discharges, transports, or handles storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or pollutants from a concentrated animal feeding operation, as both terms are defined in that section, is not required to obtain a permit under division (J)(1) of this section for the discharge of storm water from an animal feeding facility or pollutants from a concentrated animal feeding operation on and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code.

Any permit terms and conditions set by the director shall be designed to achieve and maintain full compliance with the national effluent limitations, national standards of performance for new sources, and national toxic and pretreatment effluent standards set under that act, and any other mandatory requirements of that act that are imposed by regulation of the administrator of the United States environmental protection agency. If an applicant for a sludge management permit also applies for a related permit for the discharge of sewage, industrial waste, or other wastes into the waters of the state, the director may combine the two permits and issue one permit to the applicant.

A sludge management permit is not required for an entity that treats or transports sewage sludge or for a sanitary landfill when all of the following apply:

(a) The entity or sanitary landfill does not generate the sewage sludge.

(b) Prior to receipt at the sanitary landfill, the entity has
ensured that the sewage sludge meets the requirements established in rules adopted by the director under section 3734.02 of the Revised Code concerning disposal of municipal solid waste in a sanitary landfill.

(c) Disposal of the sewage sludge occurs at a sanitary landfill that complies with rules adopted by the director under section 3734.02 of the Revised Code.

As used in division (J)(1) of this section, "sanitary landfill" means a sanitary landfill facility, as defined in rules adopted under section 3734.02 of the Revised Code, that is licensed as a solid waste facility under section 3734.05 of the Revised Code.

(2) An application for a permit or renewal thereof shall be denied if any of the following applies:

(a) The secretary of the army determines in writing that anchorage or navigation would be substantially impaired thereby;

(b) The director determines that the proposed discharge or source would conflict with an areawide waste treatment management plan adopted in accordance with section 208 of the Federal Water Pollution Control Act;

(c) The administrator of the United States environmental protection agency objects in writing to the issuance or renewal of the permit in accordance with section 402 (d) of the Federal Water Pollution Control Act;

(d) The application is for the discharge of any radiological, chemical, or biological warfare agent or high-level radioactive waste into the waters of the United States.

(3) To achieve and maintain applicable standards of quality for the waters of the state adopted pursuant to section 6111.041 of the Revised Code, the director shall impose, where necessary
and appropriate, as conditions of each permit, water quality
related effluent limitations in accordance with sections 301, 302,
306, 307, and 405 of the Federal Water Pollution Control Act and,
to the extent consistent with that act, shall give consideration
to, and base the determination on, evidence relating to the
technical feasibility and economic reasonableness of removing the
polluting properties from those wastes and to evidence relating to
conditions calculated to result from that action and their
relation to benefits to the people of the state and to
accomplishment of the purposes of this chapter.

(4) Where a discharge having a thermal component from a
source that is constructed or modified on or after October 18,
1972, meets national or state effluent limitations or more
stringent permit conditions designed to achieve and maintain
compliance with applicable standards of quality for the waters of
the state, which limitations or conditions will ensure protection
and propagation of a balanced, indigenous population of shellfish,
fish, and wildlife in or on the body of water into which the
discharge is made, taking into account the interaction of the
thermal component with sewage, industrial waste, or other wastes,
the director shall not impose any more stringent limitation on the
thermal component of the discharge, as a condition of a permit or
renewal thereof for the discharge, during a ten-year period
beginning on the date of completion of the construction or
modification of the source, or during the period of depreciation
or amortization of the source for the purpose of section 167 or
169 of the Internal Revenue Code of 1954, whichever period ends
first.

(5) The director shall specify in permits for the discharge
of sewage, industrial waste, and other wastes, the net volume, net
weight, duration, frequency, and, where necessary, concentration
of the sewage, industrial waste, and other wastes that may be
discharged into the waters of the state. The director shall specify in those permits and in sludge management permits that the permit is conditioned upon payment of applicable fees as required by section 3745.11 of the Revised Code and upon the right of the director's authorized representatives to enter upon the premises of the person to whom the permit has been issued for the purpose of determining compliance with this chapter, rules adopted thereunder, or the terms and conditions of a permit, order, or other determination. The director shall issue or deny an application for a sludge management permit or a permit for a new discharge, for the installation or modification of a disposal system, or for the renewal of a permit, within one hundred eighty days of the date on which a complete application with all plans, specifications, construction schedules, and other pertinent information required by the director is received.

(6) The director may condition permits upon the installation of discharge or water quality monitoring equipment or devices and the filing of periodic reports on the amounts and contents of discharges and the quality of receiving waters that the director prescribes. The director shall condition each permit for a government-owned disposal system or any other "treatment works" as defined in the Federal Water Pollution Control Act upon the reporting of new introductions of industrial waste or other wastes and substantial changes in volume or character thereof being introduced into those systems or works from "industrial users" as defined in section 502 of that act, as necessary to comply with section 402(b)(8) of that act; upon the identification of the character and volume of pollutants subject to pretreatment standards being introduced into the system or works; and upon the existence of a program to ensure compliance with pretreatment standards by "industrial users" of the system or works. In requiring monitoring devices and reports, the director, to the extent consistent with the Federal Water Pollution Control Act,
shall give consideration to technical feasibility and economic
reasonableness and shall allow reasonable time for compliance.

(7) A permit may be issued for a period not to exceed five
years and may be renewed upon application for renewal. In renewing
a permit, the director shall consider the compliance history of
the permit holder and may deny the renewal if the director
determines that the permit holder has not complied with the terms
and conditions of the existing permit. A permit may be modified,
suspended, or revoked for cause, including, but not limited to,
violation of any condition of the permit, obtaining a permit by
misrepresentation or failure to disclose fully all relevant facts
of the permitted discharge or of the sludge use, storage,
treatment, or disposal practice, or changes in any condition that
requires either a temporary or permanent reduction or elimination
of the permitted activity. No application shall be denied or
permit revoked or modified without a written order stating the
findings upon which the denial, revocation, or modification is
based. A copy of the order shall be sent to the applicant or
permit holder by certified mail.

(K) Institute or cause to be instituted in any court of
competent jurisdiction proceedings to compel compliance with this
chapter or with the orders of the director issued under this
chapter, or to ensure compliance with sections 204(b), 307, 308,
and 405 of the Federal Water Pollution Control Act;

(L) Certify to the government of the United States or any
agency thereof that an industrial water pollution control facility
is in conformity with the state program or requirements for the
control of water pollution whenever the certification may be
required for a taxpayer under the Internal Revenue Code of the
United States, as amended;

(M) Issue, modify, and revoke orders requiring any
"industrial user" of any publicly owned "treatment works" as
defined in sections 212(2) and 502(18) of the Federal Water Pollution Control Act to comply with pretreatment standards; establish and maintain records; make reports; install, use, and maintain monitoring equipment or methods, including, where appropriate, biological monitoring methods; sample discharges in accordance with methods, at locations, at intervals, and in a manner that the director determines; and provide other information that is necessary to ascertain whether or not there is compliance with toxic and pretreatment effluent standards. In issuing, modifying, and revoking those orders, the director, to the extent consistent with the Federal Water Pollution Control Act, shall give consideration to technical feasibility and economic reasonableness and shall allow reasonable time for compliance.

(N) Exercise all incidental powers necessary to carry out the purposes of this chapter;

(O) Pursuant to section 401 of the Federal Water Pollution Control Act, do any of the following:

(1) Issue or deny a section 401 water quality certification to, or, pursuant to an appealable action, waive a section 401 water quality certification for, any applicant for a federal license or permit to conduct any activity that may result in any discharge into the waters of the state. Any waiver shall contain a justification for the action.

(2) At the request or concurrence of the certification holder, transfer or modify a section 401 water quality certification;

(3) Revoke a section 401 water quality certification when the director determines that the certification approval was based on false or misleading information.

(P) Administer and enforce the publicly owned treatment works pretreatment program in accordance with the Federal Water
Pollution Control Act. In the administration of that program, the director may do any of the following:

1. Apply and enforce pretreatment standards;

2. Approve and deny requests for approval of publicly owned treatment works pretreatment programs, oversee those programs, and implement, in whole or in part, those programs under any of the following conditions:
   a. The director has denied a request for approval of the publicly owned treatment works pretreatment program;
   b. The director has revoked the publicly owned treatment works pretreatment program;
   c. There is no pretreatment program currently being implemented by the publicly owned treatment works;
   d. The publicly owned treatment works has requested the director to implement, in whole or in part, the pretreatment program.

3. Require that a publicly owned treatment works pretreatment program be incorporated in a permit issued to a publicly owned treatment works as required by the Federal Water Pollution Control Act, require compliance by publicly owned treatment works with those programs, and require compliance by industrial users with pretreatment standards;

4. Approve and deny requests for authority to modify categorical pretreatment standards to reflect removal of pollutants achieved by publicly owned treatment works;

5. Deny and recommend approval of requests for fundamentally different factors variances submitted by industrial users;

6. Make determinations on categorization of industrial users;

7. Adopt, amend, or rescind rules and issue, modify, or
revoke orders necessary for the administration and enforcement of the publicly owned treatment works pretreatment program.

Any approval of a publicly owned treatment works pretreatment program may contain any terms and conditions, including schedules of compliance, that are necessary to achieve compliance with this chapter.

(Q) Except as otherwise provided in this division, adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures, methods, and equipment and other requirements for equipment to prevent and contain discharges of oil and hazardous substances into the waters of the state. The rules shall be consistent with and equivalent in scope, content, and coverage to section 311(j)(1)(c) of the Federal Water Pollution Control Act and regulations adopted under it. The director shall not adopt rules under this division relating to discharges of oil from oil production facilities and oil drilling and workover facilities as those terms are defined in that act and regulations adopted under it.

(R)(1) Administer and enforce a program for the regulation of sludge management in this state. In administering the program, the director, in addition to exercising the authority provided in any other applicable sections of this chapter, may do any of the following:

(a) Develop plans and programs for the disposal and utilization of sludge and sludge materials;

(b) Encourage, participate in, or conduct studies, investigations, research, and demonstrations relating to the disposal and use of sludge and sludge materials and the impact of sludge and sludge materials on land located in the state and on the air and waters of the state;

(c) Collect and disseminate information relating to the
disposal and use of sludge and sludge materials and the impact of sludge and sludge materials on land located in the state and on the air and waters of the state;

(d) Issue, modify, or revoke orders to prevent, control, or abate the use and disposal of sludge and sludge materials or the effects of the use of sludge and sludge materials on land located in the state and on the air and waters of the state;

(e) Adopt and enforce, modify, or rescind rules necessary for the implementation of division (R) of this section. The rules reasonably shall protect public health and the environment, encourage the beneficial reuse of sludge and sludge materials, and minimize the creation of nuisance odors.

The director may specify in sludge management permits the net volume, net weight, quality, and pollutant concentration of the sludge or sludge materials that may be used, stored, treated, or disposed of, and the manner and frequency of the use, storage, treatment, or disposal, to protect public health and the environment from adverse effects relating to those activities. The director shall impose other terms and conditions to protect public health and the environment, minimize the creation of nuisance odors, and achieve compliance with this chapter and rules adopted under it and, in doing so, shall consider whether the terms and conditions are consistent with the goal of encouraging the beneficial reuse of sludge and sludge materials.

The director may condition permits on the implementation of treatment, storage, disposal, distribution, or application management methods and the filing of periodic reports on the amounts, composition, and quality of sludge and sludge materials that are disposed of, used, treated, or stored.

An approval of a treatment works sludge disposal program may contain any terms and conditions, including schedules of...
compliance, necessary to achieve compliance with this chapter and rules adopted under it.

(2) As a part of the program established under division (R)(1) of this section, the director has exclusive authority to regulate sewage sludge management in this state. For purposes of division (R)(2) of this section, that program shall be consistent with section 405 of the Federal Water Pollution Control Act and regulations adopted under it and with this section, except that the director may adopt rules under division (R) of this section that establish requirements that are more stringent than section 405 of the Federal Water Pollution Control Act and regulations adopted under it with regard to monitoring sewage sludge and sewage sludge materials and establishing acceptable sewage sludge management practices and pollutant levels in sewage sludge and sewage sludge materials.

This chapter authorizes the state to participate in any national sludge management program and the national pollutant discharge elimination system, to administer and enforce the publicly owned treatment works pretreatment program, and to issue permits for the discharge of dredged or fill materials, in accordance with the Federal Water Pollution Control Act. This chapter shall be administered, consistent with the laws of this state and federal law, in the same manner that the Federal Water Pollution Control Act is required to be administered.

(S) Develop technical guidance and offer technical assistance, upon request, for the purpose of minimizing wind or water erosion of soil, and assist in compliance with permits for storm water management issued under this chapter and rules adopted under it.

(T) Study, examine, and calculate nutrient loading from point and nonpoint sources in order to determine comparative contributions by those sources and to utilize the information.
derived from those calculations to determine the most environmentally beneficial and cost-effective mechanisms to reduce nutrient loading to watersheds in the Lake Erie basin and the Ohio river basin. In order to evaluate nutrient loading contributions, the director or the director's designee shall conduct a study of the nutrient mass balance for both point and nonpoint sources in watersheds in the Lake Erie basin and the Ohio river basin using available data, including both of the following:

(1) Data on water quality and stream flow;

(2) Data on point source discharges into those watersheds.

The director or the director's designee shall report and update the results of the study to coincide with the release of the Ohio integrated water quality monitoring and assessment report prepared by the director.

(U) Establish the total maximum daily load (TMDL) for waters of the state where a TMDL is required under the Federal Water Pollution Control Act.

(V) Coordinate with the supervisors of a soil and water conservation district to ensure compliance with rules adopted by the director that pertain to urban sediment and storm water runoff pollution abatement. As used in this division "urban sediment and storm water runoff pollution abatement" has the same meaning as in section 939.01 of the Revised Code.

This section does not apply to residual farm products and manure disposal systems and related management and conservation practices subject to rules adopted pursuant to division (E)(1) of section 939.02 of the Revised Code. For purposes of this exclusion, "residual farm products" and "manure" have the same meanings as in section 939.01 of the Revised Code. However, until the date on which the United States environmental protection agency approves the NPDES program submitted by the director of
agriculture under section 903.08 of the Revised Code, this exclusion does not apply to animal waste treatment works having a controlled direct discharge to the waters of the state or any concentrated animal feeding operation, as defined in 40 C.F.R. 122.23(b)(2). On and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this section does not apply to storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or to pollutants discharged from a concentrated animal feeding operation, as both terms are defined in that section. Neither of these exclusions applies to the discharge of animal waste into a publicly owned treatment works.

Not later than December 1, 2016, a publicly owned treatment works with a design flow of one million gallons per day or more, or designated as a major discharger by the director, shall be required to begin monthly monitoring of total and dissolved reactive phosphorus pursuant to a new NPDES permit, an NPDES permit renewal, or a director-initiated modification. The director shall include in each applicable new NPDES permit, NPDES permit renewal, or director-initiated modification a requirement that such monitoring be conducted. A director-initiated modification for that purpose shall be considered and processed as a minor modification pursuant to Ohio Administrative Code 3745-33-04. In addition, not later than December 1, 2017, a publicly owned treatment works with a design flow of one million gallons per day or more that, on July 3, 2015, is not subject to a phosphorus limit shall complete and submit to the director a study that evaluates the technical and financial capability of the existing treatment facility to reduce the final effluent discharge of phosphorus to one milligram per liter using possible source reduction measures, operational procedures, and unit process configurations.

**Section 243.20. UNCLAIMED FUNDS PAYMENTS**

75757
The foregoing appropriation item 800625, Unclaimed Funds-Claims, shall be used to pay claims under section 169.08 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

DIVISION OF REAL ESTATE AND PROFESSIONAL LICENSING

The foregoing appropriation item 800631, Real Estate Appraiser Recovery, shall be used to pay settlements, judgments, and court orders under section 4763.16 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

The foregoing appropriation item 800611, Real Estate Recovery, shall be used to pay settlements, judgments, and court orders under section 4735.12 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

FIRE DEPARTMENT GRANTS

(A) The foregoing appropriation item 800639, Fire Department Grants, shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of
government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services. For the purpose of this grant program, an eligible recipient or any firefighting entity that is contracted to serve an eligible recipient may only file, be listed as joint applicant, or be designated as a service provider on one grant application per fiscal year.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no
longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to $1,000,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the qualifications and selection processes for students to attend such classes by written policy, and such students shall be considered eligible recipients of fire department grants for the purposes of this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire Department Grants, up to $3,000,000 in each fiscal year may be
used for MARCS Grants. MARCS Grants may be used for the payment of user access fees by the eligible recipient to cover costs for accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for systems, equipment, or services that are a part of, integrated into, or otherwise interoperable with the Multi-Agency Radio Communication System (MARCS) operated by the state.

MARCS Grant awards may be up to $50,000 in each fiscal year per eligible recipient. Each eligible recipient may apply, as a separate entity or as a part of a joint application, for only one MARCS Grant per fiscal year. The State Fire Marshal may give a preference to MARCS Grants that will enhance the overall interoperability and effectiveness of emergency communication networks in the geographic region that includes and that is adjacent to the applicant.

Eligible recipients that are or were awarded fire department grants that are not MARCS Grants may also apply for and receive MARCS Grants in accordance with criteria for the awarding of grant funds established by the State Fire Marshal.

(3) Grant awards for firefighting or rescue equipment or gear or for fire department costs of providing fire protection services shall be up to $15,000 per fiscal year, or up to $25,000 per fiscal year if an eligible entity serves a jurisdiction in which the Governor declared a natural disaster during the preceding or current fiscal year in which the grant was awarded. In addition to any grant funds awarded for rescue equipment or gear, or for fire department costs associated with the provision of fire protection services, an eligible entity may receive a grant for up to $15,000 per fiscal year for full or partial reimbursement of the documented costs of firefighter training. For each fiscal year, the State Fire Marshal shall determine the total amounts to be allocated for each eligible purpose.
(C) The grants shall be administered by the State Fire Marshal in accordance with rules the State Fire Marshal adopts as part of the state fire code adopted pursuant to section 3737.82 of the Revised Code that are necessary for the administration and operation of the grant program. The rules may further define the entities eligible to receive grants and establish criteria for the awarding and expenditure of grant funds, including methods the State Fire Marshal may use to verify the proper use of grant funds or to obtain reimbursement for or the return of equipment for improperly used grant funds. To the extent consistent with this section and until the rules are updated, the existing rules in the state fire code adopted pursuant to section 3737.82 of the Revised Code for fire department grants under this section apply to MARCS Grants. Any amounts in appropriation item 800639, Fire Department Grants, in excess of the amount allocated for these grants may be used for the administration of the grant program.

**Section 265.20. OPERATING EXPENSES**

A portion of the foregoing appropriation item 200321, Operating Expenses, shall be used by the Department of Education to provide matching funds related to career-technical education. 76972
under 20 U.S.C. 2321.

EARLY CHILDHOOD EDUCATION

The Department of Education shall distribute the foregoing appropriation item 200408, Early Childhood Education, to pay the costs of early childhood education programs. The Department shall distribute such funds directly to qualifying providers.

(A) As used in this section:

(1) "Provider" means a city, local, exempted village, or joint vocational school district; an educational service center; a community school sponsored by an exemplary sponsor; a chartered nonpublic school; an early childhood education child care provider licensed under Chapter 5104. of the Revised Code that participates in and meets at least the third highest tier of the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code; or a combination of entities described in this paragraph.

(2) In the case of a city, local, or exempted village school district or early childhood education child care provider licensed under Chapter 5104. of the Revised Code, "new eligible provider" means a provider that did not receive state funding for Early Childhood Education in the previous fiscal year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(3) In the case of a community school, "new eligible provider" means any of the following:

(a) A community school established under Chapter 3314. of the Revised Code that is sponsored by a sponsor rated "exemplary" in accordance with section 3314.016 of the Revised Code that offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code that did not receive state funding for Early Childhood Education in the previous fiscal year;
(b) A community school established under Chapter 3314. of the Revised Code that satisfies all of the following criteria:

(i) It has received, on its most recent report card, either of the following:

(I) If the school offers any of grade levels four through twelve, a grade of "C" or better for the overall value-added progress dimension under division (C)(1)(e) of section 3302.03 of the Revised Code and for the performance index score under division (C)(1)(b) of section 3302.03 of the Revised Code;

(II) If the school does not offer a grade level higher than three, a grade of "C" or better for making progress in improving literacy in grades kindergarten through three under division (C)(1)(g) of section 3302.03 of the Revised Code.

(ii) It offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code.

(iii) It did not receive state funding for Early Childhood Education in the previous fiscal year.

(c) A community school established under Chapter 3314. of the Revised Code that is sponsored by a municipal school district and operates a program that uses the Montessori method endorsed by the American Montessori Society, the Montessori Accreditation Council for Teacher Education, or the Association Montessori Internationale as its primary method of instruction, as authorized by division (A) of section 3314.06 of the Revised Code, that did not receive state funding for Early Childhood Education in the previous year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(4)(a) "Eligible child" means a child who is at least four years of age, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of
section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their fourth birthday.

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred percent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children. Division (A)(4)(b) of this section does not apply to a provider described in division (A)(3)(c) of this section.

(5) "Early learning program standards" means early learning program standards for school readiness developed by the Department to assess the operation of early learning and development programs.

(6) "Early learning and development programs" has the same meaning as section 5104.29 of the Revised Code.

(B) In each fiscal year, up to two per cent of the total appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program standards.
(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2020, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.20 of Am. Sub. H.B. 49 of the 132nd General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs or to existing providers to serve more eligible children pursuant to division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2021, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children as outlined under division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

(E)(1) The Department shall distribute any new or remaining funding to existing providers of early childhood education programs or any new eligible providers in an effort to invest in high quality early childhood programs where there is a need as determined by the Department. The Department shall distribute the new or remaining funds to existing providers of early childhood education programs or any new eligible providers to serve additional eligible children based on community economic disadvantage, limited access to high quality preschool or childcare services, and demonstration of high quality preschool services as determined by the Department using new metrics developed pursuant to Ohio's Race to the Top—Early Learning Challenge Grant, awarded to the Department in December 2011.

(2) Awards under divisions (D) and (E) of this section shall
be distributed on a per-pupil basis, and in accordance with division (I) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(F) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (K) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program standards. The approved provider shall administer and use such property and funds for the purposes specified.

(G) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet financial standards outlined under division (F) of this section, or if the program fails to substantially meet the early learning program standards, meet a quality rating level in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the standards, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief
executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective action plan, the Department may deny expansion funding to the program or withdraw all or part of the funding to the program and establish a new eligible provider through a selection process established by the Department.

(H)(1) If the early childhood education program is licensed by the Department of Education and is not highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall do all of the following:

(a) Meet teacher qualification requirements prescribed by section 3301.311 of the Revised Code;

(b) Align curriculum to the early learning content standards developed by the Department;

(c) Meet any child or program assessment requirements prescribed by the Department;

(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;

(e) Document and report child progress as prescribed by the Department;

(f) Meet and report compliance with the early learning program standards as prescribed by the Department;
(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code.

(2) If the program is highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program.

(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule.

(J) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the
early childhood education program.

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(K) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program standards, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. The funding made available from a program that waives its right for funding or has its funding eliminated or reduced may be used by the Department for new grant awards or expansion grants. The Department may award new grants or expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(L) Eligible expenditures for the Early Childhood Education Program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of Public Instruction and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

(M)(1) The Department of Education and the Department of Job and Family Services shall continue to work toward establishing the following in common between early childhood education programs and publicly funded child care:
(a) An application; 77224
(b) Program eligibility; 77225
(c) Funding; 77226
(d) An attendance policy; 77227
(e) An attendance tracking system. 77228

(2) In accordance with section 5104.34 of the Revised Code, eligible families may receive publicly funded child care beyond the standard early childhood schedule defined in division (I) of this section.

(3) All providers, agencies, and school districts participating in the early childhood education program or providing care to eligible families beyond the standard early childhood schedule shall follow the common policies established under this division.

Section 265.30. INFORMATION TECHNOLOGY DEVELOPMENT AND SUPPORT 77238

The foregoing appropriation item 200420, Information Technology Development and Support, shall be used to support the development and implementation of information technology solutions designed to improve the performance and services of the Department of Education. Funds may be used for personnel, maintenance, and equipment costs related to the development and implementation of these technical system projects. Implementation of these systems shall allow the Department to provide greater levels of assistance to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.

Notwithstanding any provision of law to the contrary, a
school district that has not entered into an agreement for services with an educational service center as of June 30, 2019, shall be prohibited from entering into such an agreement during the period from July 1, 2019, through June 30, 2021.

(2) "SBH student" means a student receiving special education and related services for severe behavior disabilities pursuant to an IEP.

(B) This section applies only to a community school established under Chapter 3314. of the Revised Code that in each of fiscal years 2020 and 2021 enrolls a number of SBH students equal to at least fifty per cent of the total number of students enrolled in the school in the applicable fiscal year.

(C) In addition to any state foundation payments made, in each of fiscal years 2020 and 2021, the Department of Education shall pay to a community school to which this section applies a subsidy equal to the difference between the aggregate amount...

If the difference is a negative number, the amount of the subsidy shall be zero.

(D) The amount of any subsidy paid to a community school under this section shall not be deducted from the school district in which any of the students enrolled in the community school are entitled to attend school under section 3313.64 or 3313.65 of the Revised Code. The amount of any subsidy paid to a community school under this section shall be paid from funds appropriated to the Department in appropriation item 200550, Foundation Funding.

Section 265.400. EARMARK ACCOUNTABILITY

At the request of the Superintendent of Public Instruction, any entity that receives a budget earmark under the Department of Education shall submit annually to the chairpersons of the committees of the House of Representatives and the Senate primarily concerned with education and education funding and to the Department a report that includes a description of the services supported by the funds, a description of the results achieved by those services, an analysis of the effectiveness of the program, and an opinion as to the program's applicability to other school districts. Section 265.430. RESTRICTION OF LIABILITY FOR CERTAIN REIMBURSEMENTS

(A) Except as expressly required under a court judgment not subject to further appeals, or a settlement agreement with a school district executed on or before June 1, 2009, in the case of a school district for which the formula ADM for fiscal year 2005, as reported for that fiscal year under division (A) of section 3317.03 of the Revised Code, was reduced based on enrollment reports for community schools, made under section 3314.08 of the Revised Code, regarding students entitled to attend school in the
district, which reduction of formula ADM resulted in a reduction of foundation funding or transitional aid funding for fiscal year 2005, 2006, or 2007, no school district, except a district named in the court's judgment or the settlement agreement, shall have a legal claim for reimbursement of the amount of such reduction in foundation funding or transitional aid funding, and the state shall not have liability for reimbursement of the amount of such reduction in foundation funding or transitional aid funding.

transfer portions of those allocations to a flexible funding pool authorized by the section of this act entitled "FAMILY AND CHILDREN FIRST FLEXIBLE FUNDING POOL." Allocations used for maintenance of effort or for federal or state funding matching requirements shall not be transferred unless the allocation may still be used to meet such requirements.

Section 265.450. PRIVATE TREATMENT FACILITY PROJECT

(A) As used in this section:

(1) The following are "participating residential treatment centers":

(a) Private residential treatment facilities that have entered into a contract with the Department of Youth Services to provide services to children placed at the facility by the Department and which, in fiscal year 2020 or fiscal year 2021 or both, the Department pays through appropriation item 470401, RECLAIM Ohio;

(4) "School district responsible for tuition" means a city, exempted village, or local school district that, if tuition payment for a child by a school district is required under law that existed in fiscal year 1998, is the school district required to pay that tuition.
(5) "Residential child" means a child who resides in a participating residential treatment center and who is receiving an educational program under division (B) of this section.

(B) A youth who is a resident of the state and has been assigned by a juvenile court or other authorized agency to a residential treatment facility specified in division (A) of this section shall be enrolled in an approved educational program located in or near the facility. Approval of the educational program shall be contingent upon compliance with the criteria established for such programs by the Department of Education. The educational program shall be provided by a school district or educational service center, or by the residential facility itself. Maximum flexibility shall be given to the residential treatment facility to determine the provider. In the event that a voluntary agreement cannot be reached and the residential facility does not choose to provide the educational program, the educational service center in the county in which the facility is located shall provide the educational program at the treatment center to children under twenty-two years of age residing in the treatment center.

(C) Any school district responsible for tuition for a residential child shall, notwithstanding any conflicting provision of the Revised Code regarding tuition payment, pay tuition for the child for fiscal year 2020 and fiscal year 2021 to the education program provider and in the amount specified in this division. If there is no school district responsible for tuition for a residential child and if the participating residential treatment center to which the child is assigned is located in the city, exempted village, or local school district that, if the child were not a resident of that treatment center, would be the school district where the child is entitled to attend school under sections 3313.64 and 3313.65 of the Revised Code, that school district...
district, notwithstanding any conflicting provision of the Revised Code, shall pay tuition for the child for fiscal year 2020 and fiscal year 2021 under this division unless that school district is providing the educational program to the child under division (B) of this section.

A tuition payment under this division shall be made to the school district, educational service center, or residential treatment facility providing the educational program to the child.

The amount of tuition paid shall be:

(1) The amount of tuition determined for the district under division (A) of section 3317.08 of the Revised Code;

(2) In addition, for any student receiving special education pursuant to an individualized education program as defined in section 3323.01 of the Revised Code, a payment for excess costs. This payment shall equal the actual cost to the school district, educational service center, or residential treatment facility of providing special education and related services to the student pursuant to the student's individualized education program, minus the tuition paid for the child under division (C)(1) of this section.

A school district paying tuition under this division shall not include the child for whom tuition is paid in the district's average daily membership certified under division (A) of section 3317.03 of the Revised Code.

(D) In each of fiscal years 2020 and 2021, the Department of Education shall reimburse, from appropriations made for the purpose, a school district, educational service center, or residential treatment facility, whichever is providing the service, that has demonstrated that it is in compliance with the funding criteria for each served child for whom a school district must pay tuition under division (C) of this section. The amount of
the reimbursement shall be the amount appropriated for this purpose divided by the full-time equivalent number of children for whom reimbursement is to be made.

(E) Funds provided to a school district, educational service center, or residential treatment facility under this section shall be used to supplement, not supplant, funds from other public sources for which the school district, service center, or residential treatment facility is entitled or eligible.

(F) The Department of Education shall track the utilization of funds provided to school districts, educational service centers, and residential treatment facilities under this section and monitor the effect of the funding on the educational programs they provide in participating residential treatment facilities. (1) Support the career connection learning strategies described in division (B)(2) of section 3301.079 of the Revised Code;

(2) Provide an opportunity for students to earn high school credit toward graduation or to meet curriculum requirements in
accordance with divisions (J)(1) and (2) of section 3313.603 of the Revised Code;

(3) Inform the development of student success plans pursuant to division (C) of section 3313.6020 of the Revised Code.

(A) Consider models of funding based on competency and course completion;

(B) Consider models of funding used in other states, including Florida and New Hampshire;

(C) Make recommendations on the feasibility of new funding models for internet- or computer-based community schools.

Upon completion of the study, and not later than December 31, 2019, the department shall submit copies of the study to the Governor, the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House of Representatives, and the chairpersons of the standing committees on education of the Senate and the House of Representatives.

Section 265.490. Upon receipt of federal funds under Title IV, Part A, Student Support and Academic Enrichment Grants, and after payments are made pursuant to education programs included in this block grant program, the Department shall direct any unused funds to cover all or part of the cost of Advanced Placement tests and International Baccalaureate registration and exam fees for low-income students.

Section 265.505. Not later than December 31, 2020, and December 31, 2021, the Department of Education shall submit an
annual report to the General Assembly in accordance with section 101.68 of the Revised Code describing the manner in which the Department partnered with educational service centers in the delivery of services consistent with Chapter 3312. of the Revised Code, as specified in the sections of this act entitled "ACADEMIC STANDARDS," "ACCOUNTABILITY/REPORT CARDS," "LITERACY IMPROVEMENT," "EDUCATOR PREPARATION," and "FOUNDATION FUNDING," during the previous fiscal year.

The Director shall identify and evaluate programs, projects, or systems proposed or operated, in whole or in part, outside of the authority of the Department, where targeted investment of these funds in the program, project, or system is expected to decrease demand for the Department or other resources funded with state general revenue funds, and/or to measurably improve outcomes for Ohio citizens with mental illness or with alcohol, drug, or gambling addictions. The Director shall have discretion to transfer money from the appropriation item to other state agencies, governmental entities, or private not-for-profit agencies in amounts, and subject to conditions, that the Director determines most likely to achieve state savings and/or improved outcomes. (b) A full-time equivalent student shall be defined as a student who completes 450 hours. Those students that complete some portion of 450 hours shall be counted as a partial full-time equivalent for funding purposes, while students that complete more than 450 hours shall be counted as proportionally greater than one full-time equivalent.

Ohio Technical Centers shall be distributed based on the
proportion of each Center's full-time equivalent students to the
total full-time equivalent students who have earned a credential
from an industry-recognized third party.

(B) Of the foregoing appropriation item 235444, Ohio
Technical Centers, up to 2.38 per cent in each fiscal year may be
distributed by the Chancellor to the Ohio Central School System,
up to $48,000 in each fiscal year may be utilized for assistance
for Ohio Technical Centers, and up to $3,000,000 in each fiscal
year may be distributed by the Chancellor to Ohio Technical

In fiscal year 2021, no Ohio Technical Center shall receive performance funding calculated under division (A) of this section, excluding funding for third party credentials calculated under division (A)(5) of this section, that is less than 65 percent of the average allocation the Center received, excluding funding for third party credentials, in the three prior fiscal years.

(2) In order to ensure that no Center receives less than the amounts identified for each fiscal year in accordance with division (D)(1) of this section, funds shall be made available to support the phase-in allocation by proportionally reducing formula earnings from each Center not receiving phase-in funding.

Section 381.110. AREA HEALTH EDUCATION CENTERS PROGRAM SUPPORT

The foregoing appropriation item 235474, Area Health Education Centers Program Support, shall be used by the Chancellor
of Higher Education to support the medical school regional area health education centers' educational programs for the continued support of medical and other health professions education and for support of the Area Health Education Center Program.

The Chancellor of Higher Education shall establish procedures to allocate the foregoing appropriation item 235501, State Share of Instruction, based on the formulas detailed in this section that utilize the enrollment, course completion, degree attainment, and student achievement factors reported annually by each state institution of higher education participating in the Higher Education Information (HEI) system.

(A) FULL-TIME EQUIVALENT (FTE) ENROLLMENTS AND COURSE COMPLETIONS
(1) As soon as possible during each fiscal year of the biennium ending June 30, 2021, in accordance with instructions of the Department of Higher Education, each state institution of higher education shall report its actual data, consistent with the definitions in the Higher Education Information (HEI) system's enrollment files, to the Chancellor of Higher Education.

(2) In defining the number of full-time equivalent students for state subsidy instructional cost purposes, the Chancellor shall exclude all undergraduate students who are not residents of Ohio or who do not meet the definition of residency for state subsidy and tuition surcharge purposes, except those charged in-state fees in accordance with reciprocity agreements made under section 3333.17 of the Revised Code or employer contracts entered into under section 3333.32 of the Revised Code.

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 83571
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES 83572

(1) Of the foregoing appropriation item 235501, State Share 83573
of Instruction, 50 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of associate, baccalaureate, master's, and professional level degree attainment.

The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Each institution shall receive its prorated share of degree funding for credits earned at that institution. Cost of credits not earned at a university main or regional campus shall be credited to the degree-granting institution for the first degree earned by a student at each degree level. The cost credited to the degree-granting institution shall not be eligible for at-risk weights and shall be limited to 12.5 per cent of the student-specific degree costs. However, the 12.5 per cent limitation shall not apply if the student transferred 12 or fewer credits into the degree granting institution.

In calculating the subsidy entitlements for degree attainment for universities, the Chancellor shall use the following count of degrees and degree costs:

(a) The subsidy eligible undergraduate degrees shall be defined as follows:
(i) The subsidy eligible degrees conferred to students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, shall be weighted by a factor of 1.

(ii) The subsidy eligible degrees conferred to students identified as out-of-state residents during all terms of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, who remain in the state of Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate using the Unemployment Wage data for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.

(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Chancellor shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the three-year period ending in the prior year.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the
baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same institution at the same degree level in the same fiscal year, the funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, financial status, or first generation post-secondary status based on neither parent completing any education beyond high school, shall be defined as degrees earned by an at-risk student and shall be weighted by the following:

A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 and 2021," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In each fiscal year, the doctoral set-aside funding allocation shall be allocated to universities as follows:

(a) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of the statewide total earnings of each state institution's three-year average
course completions. The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file. Course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all doctoral enrollments in graduate-level models.

(b) 50 per cent of the doctoral set-aside shall be allocated to universities in proportion to each campus's share of the total statewide doctoral degrees, weighted by the cost of the doctoral discipline. In calculating each campus's doctoral degrees the Chancellor shall use the three-year average doctoral degrees awarded for the three-year period ending in the prior year.

(c) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of research grant activity. Funding for this component shall be allocated to eligible universities in proportion to their share of research grant activity published by the National Science Foundation. Grant awards from the Department of Health and Human Services shall be weighted at 50 per cent.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 6.41 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of Medical II FTEs. The amount so reserved shall be referred to as the medical II set-aside.

The medical II set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical II FTEs as calculated in division (A) of this section.
In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five percent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State Share of Instruction, 1.48 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in division (A) of this section.

(5) In calculating the course completion funding for universities, the Chancellor shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section, that are defined as at-risk based on academic under-preparation or financial status shall have their eligible completions weighted by the following:

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2016-2018 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk
course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all models except Medical I, Medical II, Doctoral I, and Doctoral II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy.
To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of FTE course completions, the Chancellor shall use a three-year average for course completions for the three year period ending in the prior year for students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file.

(c) Those students with successful course completions, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be augmented by the model weights for science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for colleges in proportion to their share of college student...
Student success factors shall be awarded at the institutional level for each subsidy-eligible student that successfully:

(a) Completes a developmental math course and, within the next year, enrolls in a college-level math course.

(b) Completes a developmental English course and, within the next year, enrolls in a college-level English course.

(c) Completes 12 semester credit hours of college-level coursework.

(d) Completes 24 semester credit hours of college-level coursework.

(e) Completes 36 semester credit hours of college-level coursework.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for completion milestones.

Completion milestones shall include associate degrees, technical certificates over 30 credit hours as designated by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours of college-level coursework earned at that community college, state community college, or technical college.

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for
technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion milestones awarded to students identified as subsidy eligible in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible completion milestones by model shall equal only those students who successfully complete an associate degree or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework as defined and reported in the Higher Education Information (HEI) system. Student completions reported in HEI shall have an accompanying course enrollment record in order to be subsidy eligible.

(c) Those students with successful completions for associate degrees, technical certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework, identified in division (E)(3) of this section, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.
(d) For those students who complete more than one completion milestone, funding for each additional associate degree or technical certificate over 30 credit hours designated as such by the Department of Higher Education shall be funded at 50 per cent of the model costs as defined in division (3) of this section.

(F) CAPITAL COMPONENT DEDUCTION

After all other adjustments have been made, state share of instruction earnings shall be reduced for each campus by the amount, if any, by which debt service charged in Am. H.B. 748 of the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 562 of the 127th General Assembly for that campus exceeds that campus's capital component earnings. The sum of the amounts deducted shall be transferred to appropriation item 235552, Capital Component, in each fiscal year.

(G) EXCEPTIONAL CIRCUMSTANCES

Adjustments may be made to the state share of instruction payments and other subsidies distributed by the Chancellor of Higher Education to state colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF INSTRUCTION

The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor has
formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be based upon the state share of instruction appropriation estimates made for the various institutions of higher education and payments during the last six months of the fiscal year shall be based on the final data from the Chancellor.

(J) STUDY ON THE USE OF EMPLOYMENT METRICS FOR THE STATE SHARE OF INSTRUCTION FORMULAS

The Inter-University Council and Ohio Association of Community Colleges shall each recommend eight members representing their institutions to serve on the Employment Metrics Consultation, which shall assist the Chancellor of Higher Education to study the most appropriate formula weights for post-graduation employment measures that may be used in the distribution to universities and community colleges from the foregoing appropriation item 235501, State Share of Instruction, beginning in fiscal year 2022. The Chancellor, or the Chancellor's designee, shall lead the Consultation and call its first meeting. The Consultation shall research the most appropriate data sources available to measure employment outcomes and evaluate the public.
policy benefits of adding such measures to the current State Share of Instruction allocation formulas to reward institutional performance of job placement. The Consultation shall also identify and evaluate the most critical factors that should be considered as possible enhancements to the formula, such as the relevance of graduates' degrees to job placement, employment in Ohio versus out of state, placement in high demand fields, and other qualitative factors. Separate allocation factors may be considered within each sector's share of the foregoing appropriation item 235501, State Share of Instruction. The study shall be completed by June 30, 2020.

Section 381.150. STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021

(A) The foregoing appropriation item 235501, State Share of Instruction, shall be distributed according to the section of this act entitled "STATE SHARE OF INSTRUCTION FORMULAS."

(1) Of the foregoing appropriation item 235501, State Share of Instruction, $465,426,250 in fiscal year 2020 and $470,080,512 in fiscal year 2021 shall be distributed to state-supported community colleges, state community colleges, and technical colleges.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, $1,553,776,572 in fiscal year 2020 and $1,569,314,338 in fiscal year 2021 shall be distributed to state-supported university main and regional campuses.

Any increases in the amount distributed to an institution from appropriation item 235501, State Share of Instruction, above the prior year shall be used by the institution to provide need-based aid and to provide counseling, support services, and workforce preparation services to students.
Section 381.160. RESTRICTION ON FEE INCREASES

(A) In fiscal years 2020 and 2021, the boards of trustees of state institutions of higher education shall restrain increases in in-state undergraduate instructional and general fees.

(1) For the 2019-2020 and 2020-2021 academic years, all of the following shall apply:

(a) Each state university or college, as defined in section 3345.12 and university branch established under Chapter 3355. of the Revised Code shall not increase its in-state undergraduate instructional and general fees by more than two per cent over what the institution charged for the previous academic year.

(b) Each community college established under Chapter 3354., state community college established under Chapter 3358., or technical college established under Chapter 3357. of the Revised Code may increase its in-state undergraduate instructional and general fees by not more than $5 per credit hour over what the institution charged for the previous academic year.

(c) For state institutions of higher education, as defined in section 3345.011 of the Revised Code, increases for all other special fees, including the creation of new special fees, shall be subject to the approval of the Chancellor of Higher Education.

(2) The limitations under division (A)(1) of this section do not apply to room and board, student health insurance, fees for auxiliary goods or services provided to students at the cost incurred to the institution, fees assessed to students as a pass-through for licensure and certification examinations, fees in elective courses associated with travel experiences, elective service charges, fines, voluntary sales transactions, and fees, which may appear directly on a student's tuition bill as assessed by the institution's bursar, to offset the cost of providing...
textbooks to students.

(B) The limitations under this section shall not apply to increases required to comply with institutional covenants related to their obligations or to meet unfunded legal mandates or legally binding obligations incurred or commitments made prior to the effective date of this section with respect to which the institution had identified such fee increases as the source of funds. Any increase required by such covenants and any such mandates, obligations, or commitments shall be reported by the Chancellor of Higher Education to the Controlling Board. These limitations may also be modified by the Chancellor, with the approval of the Controlling Board, to respond to exceptional circumstances as identified by the Chancellor.

(C) Institutions offering an undergraduate tuition guarantee pursuant to section 3345.48 of the Revised Code may increase instructional and general fees pursuant to that section.

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at colleges and universities may be used to provide such branch or other off-campus undergraduate courses of study and such master's degree courses of study as may be approved by the Chancellor of Higher Education.

(B) In providing instructional and other services to students, boards of trustees of state institutions of higher education shall supplement state subsidies with income from charges to students. Except as otherwise provided in this act, each board shall establish the fees to be charged to all students, including an instructional fee for educational and associated operational support of the institution and a general fee for noninstructional services, including locally financed student services facilities used for the benefit of enrolled students. The
instructional fee and the general fee shall encompass all charges for services assessed uniformly to all enrolled students. Each board may also establish special purpose fees, service charges, and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution, nor to prohibit the budgeting of income for staff benefits or for student assistance in the form of payment of such instructional and general fees.

Each state institution of higher education in its statement of charges to students shall separately identify the instructional fee, the general fee, the tuition charge, and the tuition surcharge. Fee charges to students for instruction shall not be considered to be a price of service but shall be considered to be an integral part of the state government financing program in support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher education shall ensure that faculty members devote a proper and judicious part of their work week to the actual instruction of students. Total class credit hours of production per academic term per full-time faculty member is expected to meet the standards set forth in the budget data submitted by the Chancellor of Higher Education.
(D) The authority of government vested by law in the boards of trustees of state institutions of higher education shall in fact be exercised by those boards. Boards of trustees may consult extensively with appropriate student and faculty groups. Administrative decisions about the utilization of available resources, about organizational structure, about disciplinary procedure, about the operation and staffing of all auxiliary facilities, and about administrative personnel shall be the exclusive prerogative of boards of trustees. Any delegation of authority by a board of trustees in other areas of responsibility shall be accompanied by appropriate standards of guidance concerning expected objectives in the exercise of such delegated authority and shall be accompanied by periodic review of the exercise of this delegated authority to the end that the public interest, in contrast to any institutional or special interest, shall be served.

Section 381.180. WAR ORPHANS AND SEVERELY DISABLED VETERANS' CHILDREN SCHOLARSHIPS

The foregoing appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships, shall be used to reimburse state institutions of higher education for waivers of instructional fees and general fees provided by them, to provide grants to institutions that have received a certificate of authorization from the Chancellor of Higher Education under Chapter 1713. of the Revised Code, in accordance with the provisions of section 5910.04 of the Revised Code, and to fund additional scholarship benefits provided by section 5910.032 of the Revised Code.

During each fiscal year, the Chancellor, as soon as possible after cancellation, may certify to the Director of Budget and Management the amount of canceled prior-year encumbrances in
appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships. Upon receipt of the certification, the Director of Budget and Management may transfer cash, up to the certified amount, from the General Revenue Fund to the War Orphans and Severely Disabled Veterans' Children Scholarship Reserve Fund (Fund 5PW0).

Section 381.200. OHIOLINK

The foregoing appropriation item 235507, OhioLINK, shall be used by the Chancellor of Higher Education to support OhioLINK, a consortium organized under division (T) of section 3333.04 of the Revised Code to serve as the state's electronic library information and retrieval system, which provides access statewide to an extensive set of electronic databases and resources, the library holdings of Ohio's public and participating private nonprofit colleges and universities, and the State Library of Ohio.

Section 381.210. AIR FORCE INSTITUTE OF TECHNOLOGY

Of the foregoing appropriation item 235508, Air Force Institute of Technology, $75,000 in each fiscal year shall be allocated to the Aerospace Professional Development Center in Dayton for statewide workforce development services in the aerospace industry.

The remainder of the foregoing appropriation item 235508, Air Force Institute of Technology, shall be used to: (A) strengthen the research and educational linkages between the Wright Patterson Air Force Base and institutions of higher education in Ohio; and (B) support the Defense Associated Graduate Student Innovators, an engineering graduate consortium of Wright State University, the University of Dayton, and the Air Force Institute of Technology, with the participation of the University of Cincinnati and The
Ohio State University.

Section 381.220. OHIO SUPERCOMPUTER CENTER

The foregoing appropriation item 235510, Ohio Supercomputer Center, shall be used by the Chancellor of Higher Education to support the operation of the Ohio Supercomputer Center, a consortium organized under division (T) of section 3333.04 of the Revised Code, located at The Ohio State University. Fund to ensure sufficient balances in the Local Government Tangible Property Tax Replacement Fund (Fund 7081) and the School District Tangible Property Tax Replacement Fund (Fund 7047) and to replenish the General Revenue Fund for such transfers.

PROPERTY TAX REIMBURSEMENT - EDUCATION

The foregoing appropriation item 200903, Property Tax Reimbursement - Education, is appropriated to pay for the state's costs incurred because of the homestead exemption, the property tax rollback, and payments required under division (C) of section 5705.2110 of the Revised Code. In cooperation with the Department of Taxation, the Department of Education shall distribute these funds directly to the appropriate school districts of the state, notwithstanding sections 321.24 and 323.156 of the Revised Code, which provide for payment of the homestead exemption and property tax rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each school district shall distribute the amount among the proper funds as if it had been paid as real or tangible personal property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amount specifically appropriated in appropriation item 200903, Property Tax Reimbursement - Education, for the homestead exemption and the property tax rollback payments, and payments required under division (C) of section 5705.2110 of the Revised Code, which are determined to be necessary for these purposes, are hereby appropriated.

Reimbursement—Local Government, is hereby appropriated to pay for the state's costs incurred due to the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback. The Tax Commissioner shall distribute these funds directly to the appropriate local taxing districts, except for school districts, notwithstanding the provisions in sections 321.24 and 323.156 of the Revised Code, which provide for payment of the Homestead Exemption, the Manufactured Home Property Tax Rollback, and Property Tax Rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each local taxing district shall distribute the amount among the proper funds as if it had been paid as real property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

PUBLIC LIBRARY FUND

Notwithstanding the requirement in division (B) of section 131.51 of the Revised Code that the Director of Budget and Management shall credit to the Public Library Fund one and sixty-six one-hundredths per cent of the total tax revenue credited to the General Revenue Fund during the preceding month, the Director shall instead calculate these amounts during fiscal year 2020 and fiscal year 2021 using one and seven-tenths as the
percentage.

MUNICIPAL INCOME TAX

The foregoing appropriation item 110995, Municipal Income Tax, shall be used to make payments to municipal corporations under section 5745.05 of the Revised Code. If it is determined that additional appropriations are necessary to make such payments, such amounts are hereby appropriated.

MUNICIPAL NET PROFIT TAX

During fiscal year 2020 and fiscal year 2021, if the Tax Commissioner determines that there is insufficient cash in the
Municipal Net Profit Tax Fund (Fund 5VR0) to meet monthly distribution obligations under section 718.83 of the Revised Code, the Tax Commissioner shall certify to the Director of Budget and Management the amount of additional cash necessary to satisfy those obligations. In addition, the Commissioner shall submit a plan to the Director requesting the necessary cash be transferred from one or a combination of the following funds: the Municipal Income Tax Administrative Fund, the Local Sales Tax Administrative Fund, the General School District Income Tax Administrative Fund, the Motor Fuel Tax Administrative Fund, the Property Tax Administrative Fund, or the General Revenue Fund. This plan shall include a proposed repayment schedule to reimburse those funds for any cash transferred in accordance with this section. Section 501.11. The appropriations made in Section 501.10 of this act are subject to all provisions of H.B. 529 of the 132nd General Assembly that are generally applicable to such appropriations. Expenditures from appropriations contained in Section 501.10 of this act shall be accounted for as though made in H.B. 529 of the 132nd General Assembly.
Section 501.12. The Treasurer of State is hereby authorized to issue and sell, in accordance with Section 2i of Article VIII, Ohio Constitution, Chapter 154. of the Revised Code, and other applicable sections of the Revised Code, original obligations in an aggregate principal amount not to exceed $3,000,000 in addition to the original issuance of obligations heretofore authorized by prior acts of the General Assembly. These authorized obligations shall be issued, subject to applicable constitutional and statutory limitations, as needed to provide sufficient moneys to the credit of the Administrative Building Fund (Fund 7026) to pay costs associated with previously authorized capital facilities for the housing of branches and agencies of state government or their functions.

Section 503.10. PERSONAL SERVICE EXPENSES

Unless otherwise prohibited by law, any appropriation from which personal service expenses are paid shall bear the employer's share of public employees' retirement, workers' compensation, disabled workers' relief, and insurance programs; the costs of centralized financial services, centralized payroll processing, and related reports and services; centralized human resources services, including affirmative action and equal employment opportunity programs; the Office of Collective Bargaining; centralized information technology management services; administering the enterprise resource planning system; and administering the state employee merit system as required by section 124.07 of the Revised Code. These costs shall be determined in conformity with the appropriate sections of law and paid in accordance with procedures specified by the Office of Budget and Management. Expenditures from appropriation item 070601, Public Audit Expense - Intra-State, may be exempted from the requirements of this section.
Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS AGAINST THE STATE

Except as otherwise provided in this section, an appropriation in this act or any other act may be used for the purpose of satisfying judgments, settlements, or administrative awards ordered or approved by the Court of Claims or by any other court of competent jurisdiction in connection with civil actions against the state. This authorization does not apply to appropriations to be applied to or used for payment of guarantees by or on behalf of the state, or for payments under lease agreements relating to, or debt service on, bonds, notes, or other obligations of the state. Notwithstanding any other statute to the contrary, this authorization includes appropriations from funds into which proceeds of direct obligations of the state are deposited only to the extent that the judgment, settlement, or administrative award is for, or represents, capital costs for which the appropriation may otherwise be used and is consistent with the purpose for which any related obligations were issued or entered into. Nothing contained in this section is intended to subject the state to suit in any forum in which it is not otherwise subject to suit, and is not intended to waive or compromise any defense or right available to the state in any suit against it.

Section 503.30. CAPITAL PROJECT SETTLEMENTS

This section specifies an additional and supplemental procedure to provide for payments of judgments and settlements if the Director of Budget and Management determines, pursuant to division (C)(4) of section 2743.19 of the Revised Code, that sufficient unencumbered moneys do not exist in the fund to support a particular appropriation to pay the amount of a final judgment rendered against the state or a state agency, including the
settlement of a claim approved by a court, in an action upon and
arising out of a contractual obligation for the construction or
improvement of a capital facility if the costs under the contract
were payable in whole or in part from a state capital projects
appropriation. In such a case, the Director may either proceed
pursuant to division (C)(4) of section 2743.19 of the Revised Code
or apply to the Controlling Board to increase an appropriation or
create an appropriation out of any unencumbered moneys in the
state treasury to the credit of the capital projects fund from
which the initial state appropriation was made. The amount of an
increase in appropriation or new appropriation approved by the
Controlling Board is hereby appropriated from the applicable
capital projects fund and made available for the payment of the
judgment or settlement.

If the Director does not make the application authorized by
this section or the Controlling Board disapproves the application,
and the Director does not make application under division (C)(4)
of section 2743.19 of the Revised Code, the Director shall for the
purpose of making that payment make a request to the General
Assembly as provided for in division (C)(5) of that section.

Section 503.40. RE-ISSUANCE OF VOIED WARRANTS

In order to provide funds for the reissuance of voided
warrants under section 126.37 of the Revised Code, there is hereby
appropriated, out of moneys in the state treasury from the fund
credited as provided in section 126.37 of the Revised Code, that
amount sufficient to pay such warrants when approved by the Office
of Budget and Management.

Section 503.50. REAPPROPRIATION OF UNEXPENDED ENCUMBERED
BALANCES OF OPERATING APPROPRIATIONS

(A) Notwithstanding the original year of appropriation or
encumbrance, the unexpended balance of an operating appropriation or reappropriation that a state agency lawfully encumbered prior to the close of fiscal year 2019 or fiscal year 2020 is hereby reappropriated on the first day of July of the following fiscal year from the fund from which it was originally appropriated or reappropriated for the period of time listed in this section and shall remain available only for the purpose of discharging the encumbrance:

(1) For an encumbrance for personal services, maintenance, equipment, or items for resale not otherwise identified in this section, for a period of not more than five months from the end of the fiscal year;

(2) For an encumbrance for an item of special order manufacture not available on state contract or in the open market, for a period of not more than five months from the end of the fiscal year or, with the written approval of the Director of Budget and Management, for a period of not more than twelve months from the end of the fiscal year;

(3) For an encumbrance for reclamation of land or oil and gas wells, for a period ending when the encumbered appropriation is expended provided such period does not extend beyond the FY 2020 – FY 2021 biennium;

(4) For an encumbrance for any other type of expense not otherwise identified in division (A)(1), (2), or (3) of this section, for such period as the Director approves, provided such period does not extend beyond the FY 2020 – FY 2021 biennium.

(B) Any operating appropriations for which unexpended balances are reappropriated in fiscal year 2020 or fiscal year 2021 pursuant to division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report shall
include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) If the Controlling Board approved a purchase, that approval remains in effect so long as the appropriation used to make that purchase remains encumbered.

Section 503.60. CORRECTION OF ACCOUNTING ERRORS

(A) The Director of Budget and Management may correct accounting errors committed by the staff of the Office of Budget and Management, such as reestablishing encumbrances or appropriations canceled in error, during the cancellation of operating encumbrances in November and of non-operating encumbrances in December.

(B) The Director of Budget and Management may at any time correct accounting errors committed by staff or a state agency or state institution of higher education, as defined in section 3345.011 of the Revised Code, such as reestablishing prior year non-operating encumbrances canceled or modified in error. The reestablished encumbrance amounts are hereby appropriated.

Section 503.70. TEMPORARY REVENUE HOLDING

The Director of Budget and Management may create funds in the state treasury solely for the purpose of temporarily holding revenue required to be credited to a fund in the state treasury, whose disposition is not immediately known at the time of receipt.
Once identified, the Director shall credit the revenue to the appropriate fund in the state treasury.

**Section 503.80. Appropriations Related to Cash Transfers and Re-establishment of Encumbrances**

Any cash transferred by the Director of Budget and Management under section 126.15 of the Revised Code is hereby appropriated. Any amounts necessary to re-establish appropriations or encumbrances under section 126.15 of the Revised Code are hereby appropriated.

**Section 503.90. Transfers of Third Frontier Appropriations**

Section 601.03. That Section 261.168 of Am. Sub. H.B. 49 of the 132nd General Assembly, as amended by Sub. H.B. 24 of the 132nd General Assembly, be amended to read as follows:

Sec. 261.168. MODIFICATIONS AND CAP FOR FISCAL YEARS 2019, 2020, AND 2021 ICF/IID MEDICAID RATES UNDER THE FORMULA BEING PHASED OUT

(A) As used in this section:

(1) "Change of operator," "cost report year," "entering operator," "exiting operator," "ICF/IID," "ICF/IID services," "Medicaid days," "peer group 1-B," "peer group 2-B," "peer group 3-B," "provider," and "provider agreement" have the same meanings as in section 5124.01 of the Revised Code.

(2) "Formula being phased out" means the formula specified in division (C) of section 5124.15 of the Revised Code.

(3) "Franchise permit fee" means the fee imposed by sections 5168.60 to 5168.71 of the Revised Code.

(B)(1) This section applies to each ICF/IID that is in peer group 1-B or peer group 2-B and to which either of the following, as applicable to a fiscal year, applies:

(a) In the context of determining an ICF/IID's total Medicaid payment rate for fiscal year 2019 under the formula being phased out, either of the following is the case:
(i) The provider of the ICF/IID has a valid Medicaid provider agreement for the ICF/IID on June 30, 2018, and a valid Medicaid provider agreement for the ICF/IID during fiscal year 2019;

(ii) The ICF/IID undergoes a change of operator that takes effect during fiscal year 2019, the exiting operator has a valid Medicaid provider agreement for the ICF/IID on the day immediately preceding the effective date of the change of operator, and the entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2019.

(b) In the context of determining an ICF/IID's total Medicaid payment rate for fiscal year 2020, either of the following is the case:

(i) The provider of the ICF/IID has a valid Medicaid provider agreement for the ICF/IID on June 30, 2019, and a valid Medicaid provider agreement for the ICF/IID during fiscal year 2020;

(ii) The ICF/IID undergoes a change of operator that takes effect during fiscal year 2020, the exiting operator has a valid Medicaid provider agreement for the ICF/IID on the day immediately preceding the effective date of the change of operator, and the entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2020.

(c) In the context of determining an ICF/IID's total Medicaid payment rate for fiscal year 2021, either of the following is the case:

(i) The provider of the ICF/IID has a valid Medicaid provider agreement for the ICF/IID on June 30, 2020, and a valid Medicaid provider agreement for the ICF/IID during fiscal year 2021;

(ii) The ICF/IID undergoes a change of operator that takes effect during fiscal year 2021, the exiting operator has a valid Medicaid provider agreement for the ICF/IID on the day immediately preceding the effective date of the change of operator, and the entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2021.
entering operator has a valid Medicaid provider agreement for the ICF/IID during fiscal year 2021.

(2) This section does not apply to either of the following:
(a) An ICF/IID in peer group 3-B;
(b) An ICF/IID for which the provider obtains an initial provider agreement during a fiscal year for which modifications to the formula being phased out are made under this section.

(C) Notwithstanding Chapter 5124. of the Revised Code, the following modifications shall be made when determining under the formula being phased out the fiscal years 2019, 2020, and 2021 total per Medicaid day payment rates for an ICF/IID to which this section applies:
(1) The ICF/IID's efficiency incentive for capital costs, as determined under division (F) of section 5124.171 of the Revised Code, shall be reduced by 50%.
(2) In place of the maximum cost per case-mix unit established for the ICF/IID's peer group under division (C) of section 5124.195 of the Revised Code, the ICF/IID's maximum costs per case-mix unit shall be the amount the Department determined for the ICF/IID's peer group for fiscal year 2016 in accordance with division (E) of Section 259.160 of Am. Sub. H.B. 64 of the 131st General Assembly.
(3) In place of the inflation adjustment otherwise calculated under division (D) of section 5124.195 of the Revised Code for the purpose of division (A)(1)(b) of that section, an inflation adjustment of 1.014 shall be used.
(4) In place of the efficiency incentive otherwise calculated under division (B)(2) of section 5124.211 of the Revised Code, the ICF/IID's efficiency incentive for indirect care costs shall be the following:
(a) In the case of an ICF/IID in peer group 1-B, not more than $3.69;

(b) In the case of an ICF/IID in peer group 2-B, not more than $3.19.

(5) In place of the maximum rate for indirect care costs established for the ICF/IID's peer group under division (C) of section 5124.211 of the Revised Code, the maximum rate for indirect care costs for the ICF/IID's peer group shall be an amount the Department shall determine in accordance with division (D) of this section.

(6) In place of the inflation adjustment otherwise calculated under division (D)(E)(1) of section 5124.211 of the Revised Code for the purpose of division (B)(1) of that section only, an inflation adjustment of 1.014 shall be used.

(7) In place of the inflation adjustment otherwise made under section 5124.231 of the Revised Code, the ICF/IID's desk-reviewed, actual, allowable, per Medicaid day other protected costs, excluding the franchise permit fee, from the applicable cost report year shall be multiplied by 1.014.

(D) In determining the amount of the maximum rate for indirect costs for the purpose of division (C)(5) of this section, the Department shall strive to the greatest extent possible to do both of the following:

(1) Avoid rate reductions under division (E)(1) of this section;

(2) Have the amount so determined result in payment of all desk-reviewed, actual, allowable indirect care costs for the same percentage of Medicaid days for ICFs/IID in peer group 1-B as for ICFs/IID in peer group 2-B as of the first day of the fiscal year for which the determination is made, based on May Medicaid days from the calendar year in which the fiscal year begins.
(E)(1) If the mean total per Medicaid day rate for all ICFs/IID to which this section applies, as determined under division (C) of this section as of the first day of a fiscal year for which a rate is determined under this section and weighted by May Medicaid days from the calendar year in which the fiscal year begins, is greater than the amount determined under division (E)(2) of this section $290.10, the Department shall adjust, for the fiscal year for which the rate is determined, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage that is equal to the percentage by which the mean total per Medicaid day rate is greater or less than the amount determined under division (E)(2) of this section $290.10.

(2) The amount to be used for the purpose of division (E)(1) of this section shall be not less than $290.10. The Department, in its sole discretion, may use a larger amount for the purpose of that division. In determining whether to use a larger amount, the Department may consider any of the following:

(a) The reduction in the total Medicaid-certified capacity of all ICFs/IID that occurs in the fiscal year immediately preceding the fiscal year for which the determination is made, and the reduction that is projected to occur in the fiscal year for which the determination is made, as a result of either of the following:

(i) A downsizing pursuant to a plan approved by the Department under section 5123.042 of the Revised Code;

(ii) A conversion of beds to providing home and community-based services under the Individual Options waiver pursuant to section 5124.60 or 5124.61 of the Revised Code.

(b) The increase in Medicaid payments made for ICF/IID services provided during the fiscal year immediately preceding the fiscal year for which the determination is made, and the increase that is projected to occur in the fiscal year for which the
determination is made, as a result of the modifications to the payment rates made under section 5124.101 of the Revised Code;

(c) The total reduction in the number of ICF/IID beds that occurs pursuant to section 5124.67 of the Revised Code;

(d) Other factors the Department determines to be relevant.

(F) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the rate determined under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

Section 601.04. That existing Section 261.168 of Am. Sub. H.B. 49 of the 132nd General Assembly, as amended by Sub. H.B. 24 of the 132nd General Assembly, is hereby repealed.

Section 601.05. Sections 601.03 and 601.04 of this act are exempt from the referendum under section 1d of Article II, Ohio Constitution, and take effect July 1, 2019.

determine, in consultation with the affected agencies, the functions that may be consolidated within and across state departments, with particular emphasis on facilities utilization, laboratory testing facility consolidation, and field or regional office operation consolidation. The determination also may include other functions, programs, and services that would reduce costs and improve services and would be suitable for operation within the Office of Budget and Management's Shared Services Center.

Should the consolidation of functions result in consolidation within the Shared Services Center or otherwise impact any employee not subject to Chapter 4117. of the Revised Code, the Director of Administrative Services may assign, reassign, classify, reclassify, transfer, reduce, promote, or demote any employee so transferred. Any employment records and actions, including personnel actions, disciplinary actions, performance improvement plans, and performance evaluations transfer with the employee. These employees are subject to the policies, procedures, and work rules of the agency to which they are transferred. The Director of Administrative Services also may transfer all equipment and assets relating to the program or function that is being consolidated to the department that is to be responsible for the functions after consolidation occurs.

On or after the effective date of the respective consolidation of functions and notwithstanding any provision of law to the contrary, the Director of Budget and Management may make budget changes made necessary by this section, including cancelling encumbrances and reestablishing them as encumbrances of the department that is to be responsible for the functions after consolidation occurs. Any reestablished encumbrances are hereby appropriated.

Section 701.20. On the effective date of this act, or as soon
as possible thereafter, the Director of Budget and Management shall transfer the cash balance from all money collected under sections 718.80 to 718.95 of the Revised Code, if any, in the municipal income tax fund to the municipal net profit tax fund.

**Section 701.30. COORDINATION OF BENEFITS**

The Development Services Agency and the Department of Job and Family Services may collaborate to coordinate benefits available to eligible Ohioans. **Section 701.40. RECOVERY HOUSING PILOT PROGRAM**

The Department of Mental Health and Addiction Services shall work with the Development Services Agency to develop a pilot program in partnership with rural Ohio counties hard hit by the opioid epidemic to enhance funding availability for recovery housing. **Section 701.53.** Any money the Attorney General collects or receives on behalf of the state pursuant to a court order in a legal proceeding against a drug manufacturer or other joined party regarding the manufacture, distribution, or promotion of opioid analgesics, and that is not designated by the court to be used for a specific purpose, may be spent by appropriation of the General Assembly only. Except as provided in division (D) of this section, each county agricultural society and each independent agricultural society that applies for assistance shall receive an equal amount...

(B) Not later than ninety days after the effective date of this section and subject to division (D) of this section, the Director or the Director's designee shall establish requirements and procedures for the administration of the Agricultural Society Facilities Grant Program, including establishing a grant application form, procedures for reviewing an application, procedures for awarding grant money, and any other requirements and procedures the Director or the Director's designee determines to be necessary to administer this section. In issuing grants under the Grant program, the Director shall require each agricultural society receiving a grant to provide a matching amount equal to the amount of the grant, unless an agricultural society can demonstrate in a manner acceptable to the Director that the agricultural society cannot provide the matching amount. The matching amount may be any combination of funding, materials, and donated labor. Documentation of the matching amount shall be submitted with the grant application.

*The Job Creation Tax Credit (JCTC) estimate of credits outstanding is not just for tax credit certificates already issued, but also for the estimated potential value of certificates to be issued under the program through 2035 when looking at the existing portfolio of approved and active incentives. The estimate assumes that the companies receiving credits will continue to meet the performance objectives required to continue receiving the credit.*
Section 757.40. (A) As used in this section:

(1) "Certificate owner" and "qualified rehabilitation expenditures" have the same meanings as in section 149.311 of the Revised Code.

(2) "Taxpayer," "tax period," "excluded person," "combined taxpayer," and "consolidated elected taxpayer," have the same meanings as in section 5751.01 of the Revised Code.

(3) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code.

(B) A taxpayer that is the certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code may claim a credit against the tax levied by section 5751.02 of the Revised Code for tax periods ending on or before June 30, 2021, provided that the taxpayer is unable to claim the credit under section 5725.151, 5725.34, 5726.52, 5729.17, or 5747.76 of the Revised Code.

The credit shall equal the lesser of twenty-five per cent of the dollar amount of the qualified rehabilitation expenditures indicated on the certificate or five million dollars. The credit shall be claimed for the calendar year specified in the certificate and after the credits authorized in divisions (A)(1) to (4) of section 5751.98 of the Revised Code, but before the credits authorized in divisions (A)(5) to (7) of that section.

If the credit allowed for any calendar year exceeds the tax otherwise due under section 5751.02 of the Revised Code, after allowing for any other credits preceding the credit in the order prescribed by this section, the excess shall be refunded to the taxpayer. However, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due for that year shall not exceed three million dollars.
dollars. The taxpayer may carry forward any balance of the credit
in excess of the amount claimed for that year for not more than
five calendar years after the calendar year specified in the
certificate, and shall deduct any amount claimed in any such year
from the amount claimed in an ensuing year.

A person that is an excluded person may file a return under
section 5751.051 of the Revised Code for the purpose of claiming
the credit authorized in this section.

If the certificate owner is a pass-through entity, the credit
may not be allocated among the entity's owners in proportions or
amounts as the owners mutually agree unless either the owners are
part of the same combined or consolidated elected taxpayer as the
pass-through entity or the director of development services issued
the certificate in the name of the pass-through entity's owners in
the agreed-upon proportions or amounts. If the credit is allocated
among those owners, an owner may claim the credit authorized in
this section only if that owner is a corporation or an association
taxed as a corporation for federal income tax purposes and is not
a corporation that has made an election under Subchapter S of
Chapter 1 of Subtitle A of the Internal Revenue Code.

The credit authorized in this section may be claimed only on
the basis of a rehabilitation tax credit certificate with an
effective date after December 31, 2013, but before June 30, 2021.

A person claiming a credit under this section shall retain
the rehabilitation tax credit certificate for four years following
the end of the latest calendar year in which the credit was
applied, and shall make the certificate available for inspection
