provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvement that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The notice regarding improvements to parcels within an incentive district under division (C) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the legislative authority intends to adopt the ordinance. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation. If an agreement is negotiated between the legislative authority and the board to compensate the school district for all or part of the taxes exempted, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the
joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) The board of education shall certify its resolution to the legislative authority not later than fourteen days prior to the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years, or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority.

(4) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by
the board is not required under division (D) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (D) of this section fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(5) If the legislative authority is not required by division (D) of this section to notify the board of education of the legislative authority's intent to declare improvements to be a public purpose, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(6) Nothing in division (D) of this section prohibits the legislative authority of a municipal corporation from amending the ordinance or resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(E)(1) If a proposed ordinance under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five percent, not later than forty-five business days prior to adopting the ordinance the legislative authority of the municipal corporation shall deliver to the board of county commissioners of the county within which the incentive district will be located a
notice that states its intent to adopt an ordinance creating an incentive district. The notice shall include a copy of the proposed ordinance, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the legislative authority intends to adopt the ordinance.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the legislative authority. In no case shall the compensation provided to the board exceed the property taxes forgone due to the exemption. If the board of county commissioners objects, and the board and legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance adopted under division (C)(1) of this section shall provide to the board compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the legislative authority not later than thirty days after receipt of the notice.
(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the legislative authority may adopt the ordinance, and no compensation shall be provided to the board of county commissioners. If the board timely certifies its resolution objecting to the ordinance, the legislative authority may adopt the ordinance at any time after a mutually acceptable compensation agreement is agreed to by the board and the legislative authority, or, if no compensation agreement is negotiated, at any time after the legislative authority agrees in the proposed ordinance to provide compensation to the board of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, or a later date as specified in this division, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.42 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or
section 5705.191 or 5705.222 of the Revised Code for community
developmental disabilities programs and services pursuant to
Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the
Revised Code for providing or maintaining senior citizens services
or facilities;

(3) A tax levied under section 5705.22 of the Revised Code
for county hospitals;

(4) A tax levied by a joint-county district or by a county
under section 5705.19, 5705.191, or 5705.221 of the Revised Code
for alcohol, drug addiction, and mental health services or
facilities;

(5) A tax levied under section 5705.23 of the Revised Code
for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code
for the support of children services and the placement and care of
children;

(7) A tax levied under division (Z) of section 5705.19 of the
Revised Code for the provision and maintenance of zoological park
services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of
section 5705.19 of the Revised Code for the support of township
park districts;

(9) A tax levied under division (A), (F), or (H) of section
5705.19 of the Revised Code for parks and recreational purposes of
a joint recreation district organized pursuant to division (B) of
section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the
Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code
for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(13) A tax levied by a township under section 505.39, division (I) of section 5705.19, or division (JJ) of section 5705.19 of the Revised Code to the extent the proceeds are used for the purposes described in division (I) of that section, for the purpose of funding fire, emergency medical, and ambulance services as described in that section and those divisions. Division (F)(13) of this section applies only if the township levying the tax provides fire, emergency medical, or ambulance services in the incentive district, and only to incentive districts created by an ordinance adopted on or after the effective date of the amendment of this section by H.B. 69 of the 132nd general assembly, March 23, 2018. The board of township trustees may, by resolution, waive the application of this division or negotiate with the municipal corporation that created the district for a lesser amount of payments in lieu of taxes.

(G) An exemption from taxation granted under this section commences with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the ordinance. In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the
construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance. With respect to the exemption of improvements to parcels under division (B) of this section, the ordinance may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division or section 5709.51 of the Revised Code, the exemption ends on the date specified in the ordinance as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the municipal public improvement tax increment equivalent fund established under division (A) of section 5709.43 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (D)(2) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Additional municipal financing of public infrastructure improvements and housing renovations may be provided by any
methods that the municipal corporation may otherwise use for financing such improvements or renovations. If the municipal corporation issues bonds or notes to finance the public infrastructure improvements and housing renovations and pledges money from the municipal public improvement tax increment equivalent fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(I) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development services a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.43 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(K) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.
Sec. 5709.41. (A) As used in this section:

1. "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined under section 1.14 of the Revised Code.

2. "Improvement" means the increase in assessed value of any parcel of property subsequent to the acquisition of the parcel by a municipal corporation engaged in urban redevelopment.

(B) The legislative authority of a municipal corporation, by ordinance, may declare to be a public purpose any improvement to a parcel of real property if both of the following apply:

1. The municipal corporation held fee title to the parcel prior to the adoption of the ordinance;

2. The parcel is leased, or the fee of the parcel is conveyed, to any person either before or after adoption of the ordinance.

Improvements used or to be used for residential purposes may be declared a public purpose under this section only if the parcel is located in a blighted area of an impacted city as those terms are defined in section 1728.01 of the Revised Code. For this purpose, "parcel that is used or to be used for residential purposes" means a parcel that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the parcel as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(C) Except as otherwise provided in division (C)(1), (2), or (3) of this section, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation. The ordinance shall specify the percentage of the improvement to be exempted from taxation. If a parcel is located in a new community district in which the new
community authority imposes a community development charge on the
basis of rentals received from leases of real property as
described in division (L)(2) of section 349.01 of the Revised
Code, the parcel may not be exempted from taxation under this
section.

(1) If the ordinance declaring improvements to a parcel to be
a public purpose specifies that payments in lieu of taxes provided
for in section 5709.42 of the Revised Code shall be paid to the
city, local, or exempted village school district in which the
parcel is located in the amount of the taxes that would have been
payable to the school district if the improvements had not been
exempted from taxation, the percentage of the improvement that may
be exempted from taxation may exceed seventy-five per cent, and
the exemption may be granted for up to thirty years, without the
approval of the board of education as otherwise required under
division (C)(2) of this section.

(2) Improvements may be exempted from taxation for up to ten
years or, with the approval of the board of education of the city,
local, or exempted village school district within the territory of
which the improvements are or will be located, for up to thirty
years. The percentage of the improvement exempted from taxation
may, with such approval, exceed seventy-five per cent, but shall
not exceed one hundred per cent. Not later than forty-five
business days prior to adopting an ordinance under this section,
the legislative authority shall deliver to the board of education
a notice stating its intent to declare improvements to be a public
purpose under this section. The notice shall describe the parcel
and the improvements, provide an estimate of the true value in
money of the improvements, specify the period for which the
improvements would be exempted from taxation and the percentage of
the improvements that would be exempted, and indicate the date on
which the legislative authority intends to adopt the ordinance.
The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice, may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both, or may approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period, or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvement in excess of seventy-five per cent were that portion to be subject to taxation. The board of education shall certify its resolution to the legislative authority not later than fourteen days prior to the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education approves the exemption on the condition that a compensation agreement be negotiated, the board in its resolution shall propose a compensation percentage. If the board of education and the legislative authority negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for the number of years specified in the ordinance or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the ordinance. In either case, if the board and the legislative authority fail to negotiate a mutually acceptable compensation agreement, the ordinance may declare the improvements a public purpose for not more than ten years, but shall not exempt more than seventy-five per cent of the improvements from taxation. If the board fails to certify a resolution to the legislative authority within the time prescribed by resolution adopted by a majority of the board, or the certification is received after the date specified in the notice, the legislative authority may approve the exemption for any term not to exceed ten years, but shall not exempt more than seventy-five per cent of the improvements from taxation.
by this division, the legislative authority thereupon may adopt the ordinance and may declare the improvements a public purpose for up to thirty years. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority, or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board and the legislative authority. If a mutually acceptable compensation agreement is negotiated between the legislative authority and the board, including agreements for payments in lieu of taxes under section 5709.42 of the Revised Code, the legislative authority shall compensate the joint vocational school district within the territory of which the improvements are or will be located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation and the resolution remains in effect, approval of exemptions by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days prior to such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) If the legislative authority is not required by division
(C) (1), (2), or (3) of this section to notify the board of
education of the legislative authority's intent to declare
improvements to be a public purpose, the legislative authority
shall comply with the notice requirements imposed under section
5709.83 of the Revised Code, unless the board has adopted a
resolution under that section waiving its right to receive such a
notice.

(5) Nothing in division (C) of this section prohibits the
legislative authority of a municipal corporation from amending the
ordinance or resolution under section 5709.51 of the Revised Code
to extend the term of the exemption.

(D) The exemption commences on the effective date of the
ordinance and ends on the date specified in the ordinance as the
date the improvement ceases to be a public purpose. The exemption
shall be claimed and allowed in the same or a similar manner as in
the case of other real property exemptions. If an exemption status
changes during a tax year, the procedure for the apportionment of
the taxes for that year is the same as in the case of other
changes in tax exemption status during the year.

(E) A municipal corporation, not later than fifteen days
after the adoption of an ordinance granting a tax exemption under
this section, shall submit to the director of development services
a copy of the ordinance. On or before the thirty-first day of
March each year, the municipal corporation shall submit a status
report to the director of development outlining the progress of
the project during each year that the exemption remains in effect.

Sec. 5709.51. (A) The legislative authority of a municipal
corporation, a board of township trustees, or a board of county
commissioners may amend an ordinance or resolution adopted in
accordance with division (B) of section 5709.40, section 5709.41,
division (B) of section 5709.73, or division (A) of section
5709.78 of the Revised Code, as applicable, to extend the
exemption from taxation of improvements to the parcel or parcels
designated in the ordinance or resolution for an additional period
of not more than thirty years if all of the following conditions
are met:

(1) The service payments made pursuant to section 5709.42,
5709.74, or 5709.79 of the Revised Code by the owner or owners of
the parcel or parcels designated in the ordinance or resolution
exceeded one million five hundred thousand dollars in the calendar
year preceding the adoption of the amendment.

(2) The service payments described in division (A)(1) of this
section did not exceed one million five hundred thousand dollars
in any calendar year before the calendar year immediately
preceding the adoption of the amendment. This condition applies
only to amendments adopted under this section on or after January
1, 2021.

(3) The amendment extending the exemption provides for
compensation to the city, local, or exempted village school
district in which the parcel or parcels are located equal in value
to the amount of taxes that would be payable to the school
district if the improvements had not been exempted from taxation
for the additional period.

(B) Not later than fifteen days after amending an ordinance
or resolution under this section, the legislative authority of the
municipal corporation, board of township trustees, or board of
county commissioners shall send a copy of the amendment to the
director of development services.

Sec. 5709.73. (A) As used in this section and section 5709.74
of the Revised Code:

(1) "Business day" means a day of the week excluding
Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval as otherwise provided under division (D) of this section of the board
of education of each city, local, or exempted village school district within which the improvements are located or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be
adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.
(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section who meets the conditions specified in divisions (C)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall include a copy of the statement submitted under division (C)(2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (C)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (C)(2)(b) of this section. A township shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the
public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and, except as provided in division (F) of this section, no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of
each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five percent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred percent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five percent, but shall not exceed one hundred percent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division
(C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified.
in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has adopted a resolution allowing a board of township trustees to deliver the notice required under
division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

Nothing in this division prohibits the board of township trustees from amending the resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The
notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.
(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, or a later date as specified in this division, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:
(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;
(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program;

(13) A tax levied by a township under section 505.39, 505.51, or division (I), (J), (U), or (JJ) of section 5705.19 of the Revised Code for the purpose of funding fire, police, emergency medical, or ambulance services as described in those sections. Division (F)(13) of this section applies only to incentive districts created by a resolution adopted on or after March 22, 2019, the effective date of the amendment of this section by H.B. 500 of the 132nd general assembly, and only if that resolution specifies that division (F) of this section shall apply to such a tax.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may
allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division and section 5709.51 of the Revised Code, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the
township to finance all costs pertaining to the construction or
undertaking of public infrastructure improvements and housing
renovations made pursuant to this section. The notes shall be
signed by the board and attested by the signature of the township
fiscal officer, shall bear interest not to exceed the rate
provided in section 9.95 of the Revised Code, and are not subject
to Chapter 133. of the Revised Code. The resolution authorizing
the issuance of the notes shall pledge the funds of the township
public improvement tax increment equivalent fund established
pursuant to section 5709.75 of the Revised Code to pay the
interest on and principal of the notes. The notes, which may
contain a clause permitting prepayment at the option of the board,
shall be offered for sale on the open market or given to the
vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the
adoption of a resolution under this section, shall submit to the
director of development services a copy of the resolution. On or
before the thirty-first day of March of each year, the township
shall submit a status report to the director of development
services. The report shall indicate, in the manner prescribed by
the director, the progress of the project during each year that
the exemption remains in effect, including a summary of the
receipts from service payments in lieu of taxes; expenditures of
money from the fund created under section 5709.75 of the Revised
Code; a description of the public infrastructure improvements and
housing renovations financed with the expenditures; and a
quantitative summary of changes in private investment resulting
from each project.

(J) Nothing in this section shall be construed to prohibit a
board of township trustees from declaring to be a public purpose
improvements with respect to more than one parcel.

If a parcel is located in a new community district in which
the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L) Notwithstanding the limitation prescribed by division (D) of this section on the number of years that improvements to a parcel or parcels may be exempted from taxation, a board of trustees of a township with a population of fifteen thousand or more may amend a resolution originally adopted under this section before December 31, 1994, to extend the exemption of improvements to the parcel or parcels included in such resolution for an additional period not to exceed fifteen years. The amendment shall not increase the percentage of improvements to the parcel or
parcels exempted from taxation. Before adopting an amendment authorized under this division, the board of township trustees shall obtain the approval of each board of education of the city, local, or exempted village school district within which the exempted parcels are located in the manner required under division (D) of this section, except that (1) the board of education may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to the amount of taxes the district forgoes in each year the exemption is extended pursuant to this division or any other mutually agreeable compensation and (2) if the board of education fails to certify a resolution approving the amendment to the board of township trustees within the time prescribed by division (D) of this section, the board of township trustees shall not adopt the amendment authorized under this division.

No approval under this division shall be required from a board of education that has adopted a resolution waiving its right to approve exemptions from taxation pursuant to division (D) of this section. If the board of education has adopted such a resolution, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt an amendment authorized under this division unless the board of education has adopted a resolution under that section waiving its right to receive the notice. Not later than fourteen days before adopting an amendment authorized under this division, the board of township trustees shall deliver a notice identical to a notice required under section 5709.83 of the Revised Code to the board of county commissioners of each county in which the exempted parcels are located.

Sec. 5709.78. (A) A board of county commissioners may, by
resolution, declare improvements to certain parcels of real property located in the unincorporated territory of the county to be a public purpose. Except with the approval as otherwise provided under division (C) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located or section 5709.51 of the Revised Code, not more than seventy-five per cent of an improvement thus declared to be a public purpose may be exempted from real property taxation, for a period of not more than ten years. The resolution shall specify the percentage of the improvement to be exempted and the life of the exemption.

A resolution adopted under this division shall designate the specific public infrastructure improvements made, to be made, or in the process of being made by the county that directly benefit, or that once made will directly benefit, the parcels for which improvements are declared to be a public purpose. The service payments provided for in section 5709.79 of the Revised Code shall be used to finance the public infrastructure improvements designated in the resolution, or as provided in section 5709.80 of the Revised Code.

(B)(1) A board of county commissioners may adopt a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (B)(2) of this section, exempt from taxation as provided in this section, but no board of county commissioners of a county that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the county that would have been taxable in the preceding year were it not for the fact that the property was in
an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the county for the preceding tax year. The district shall be located within the unincorporated territory of the county and shall not include any territory that is included within a district created under division (C) of section 5709.73 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (A) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (B)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (B)(1) of this section, if the county intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board of county commissioners shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The board also shall provide the notice by first class mail to the clerk of each township in which the proposed incentive district will be located. The notice shall include a map of the proposed incentive district on which the board of county commissioners shall have delineated an overlay. The notice shall inform property owners of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:
(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of township trustees of the township in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (B) or (C) of section 5709.73 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (B)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (B) (1) of this section who meets the conditions specified in divisions (B)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (B)(2)(a) of this section. The response shall include a copy of the statement submitted under division (B)(2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (B)(2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (B)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.
(c) Before adopting a resolution under division (B)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (B)(2)(b) of this section. A county shall not apply for exemptions from taxation under section 5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (A) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (B)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (B)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (B)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.79 of the Revised Code and received by the county under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (B)(1) of this section may authorize the use of service payments provided for in section 5709.79 of the Revised Code for the purpose of housing.
renovations within the incentive district, provided that the
resolution also designates public infrastructure improvements that
benefit or serve the district, and that a project within the
district places real property in use for commercial or industrial
purposes. Service payments may be used to finance or support
loans, deferred loans, and grants to persons for the purpose of
housing renovations within the district. The resolution shall
designate the parcels within the district that are eligible for
housing renovations. The resolution shall state separately the
amount or the percentages of the expected aggregate service
payments that are designated for each public infrastructure
improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of
each city, local, or exempted village school district within the
territory of which the incentive district is or will be located,
and subject to division (D) of this section, the life of an
incentive district shall not exceed ten years, and the percentage
of improvements to be exempted shall not exceed seventy-five per
cent. With approval of the board of education, the life of a
district may be not more than thirty years, and the percentage
of improvements to be exempted may be not more than one hundred per
cent. The approval of a board of education shall be obtained in
the manner provided in division (C) of this section.

(C)(1) Improvements with respect to a parcel may be exempted
from taxation under division (A) of this section, and improvements
to parcels within an incentive district may be exempted from
taxation under division (B) of this section, for up to ten years
or, with the approval of the board of education of each city,
local, or exempted village school district within which the parcel
or district is located, for up to thirty years. The percentage of
the improvements exempted from taxation may, with such approval,
exceed seventy-five per cent, but shall not exceed one hundred per
cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to the approval of a board of education under this division, the board of county commissioners shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (A) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The notice regarding improvements to parcels within an incentive district under division (B) of this section shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of county commissioners intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of county commissioners and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or, in the case of exemption
percentages in excess of seventy-five per cent, compensation equal
in value to a percentage of the taxes that would be payable on the
portion of the improvements in excess of seventy-five per cent
were that portion to be subject to taxation, or other mutually
agreeable compensation.

(2) The board of education shall certify its resolution to the
board of county commissioners not later than fourteen days
prior to the date the board of county commissioners intends to
adopt its resolution as indicated in the notice. If the board of
education and the board of county commissioners negotiate a
mutually acceptable compensation agreement, the resolution of the
board of county commissioners may declare the improvements a
public purpose for the number of years specified in that
resolution or, in the case of exemption percentages in excess of
seventy-five per cent, for the exemption percentage specified in
the resolution. In either case, if the board of education and the
board of county commissioners fail to negotiate a mutually
acceptable compensation agreement, the resolution may declare the
improvements a public purpose for not more than ten years, and
shall not exempt more than seventy-five per cent of the
improvements from taxation. If the board of education fails to
certify a resolution to the board of county commissioners within
the time prescribed by this section, the board of county
commissioners thereupon may adopt the resolution and may declare
the improvements a public purpose for up to thirty years or, in
the case of exemption percentages proposed in excess of
seventy-five per cent, for the exemption percentage specified in
the resolution. The board of county commissioners may adopt the
resolution at any time after the board of education certifies its
resolution approving the exemption to the board of county
commissioners, or, if the board of education approves the
exemption on the condition that a mutually acceptable compensation
agreement be negotiated, at any time after the compensation
agreement is agreed to by the board of education and the board of county commissioners. If a mutually acceptable compensation agreement is negotiated between the board of county commissioners and the board of education, including agreements for payments in lieu of taxes under section 5709.79 of the Revised Code, the board of county commissioners shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(4) Nothing in division (C) of this section prohibits the board of county commissioners from amending the resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(D)(1) If a proposed resolution under division (B)(1) of this
section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board intends to adopt the resolution.

(2) The board of township trustees, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of township trustees objects, the board of township trustees may negotiate a mutually acceptable compensation agreement with the board of county commissioners. In no case shall the compensation provided to the board of township trustees exceed the property taxes forgone due to the exemption. If the board of township trustees objects, and the board of township trustees and the board of county commissioners fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (B)(1) of this section shall provide to the board of township trustees compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the township or, if the board of township
trustee's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the township on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of township trustees shall certify its resolution to the board of county commissioners not later than thirty days after receipt of the notice.

(3) If the board of township trustees does not object or fails to certify a resolution objecting to an exemption within thirty days after receipt of the notice, the board of county commissioners may adopt its resolution, and no compensation shall be provided to the board of township trustees. If the board of township trustees certifies its resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees. If the board of township trustees certifies a resolution objecting to the commissioners' resolution, the board of county commissioners may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of county commissioners in the proposed resolution to provide compensation to the board of township trustees of fifty per cent of the taxes that would be payable to the township in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(E) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal
levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (B)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (D) of section 5709.79 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of
(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(F) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the
construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (A) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the county can no longer require annual service payments in lieu of taxes under section 5709.79 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of commissioners and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (C)(1) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(G) If the board of county commissioners is not required by this section to notify the board of education of the board of county commissioners' intent to declare improvements to be a public purpose, the board of county commissioners shall comply.
with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive such a notice.

(H) The county, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the county shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.80 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project.

(I) Nothing in this section shall be construed to prohibit a board of county commissioners from declaring to be a public purpose improvements with respect to more than one parcel.

(J) If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

**Sec. 5713.08.** (A) The county auditor shall make a list of all real and personal property in the auditor's county that is exempted from taxation. Such list shall show the name of the
owner, the value of the property exempted, and a statement in
brief form of the ground on which such exemption has been granted. It shall be corrected annually by adding thereto the items of
property which have been exempted during the year, and by striking
therefrom the items which in the opinion of the auditor have lost
their right of exemption and which have been reentered on the
taxable list, but no property shall be struck from the exempt
property list solely because the property has been conveyed to a
single member limited liability company with a nonprofit purpose
from its nonprofit member or because the property has been
conveyed by a single member limited liability company with a
nonprofit purpose to its nonprofit member. No additions shall be
made to such exempt lists and no additional items of property
shall be exempted from taxation without the consent of the tax
commissioner as is provided for in section 5715.27 of the Revised
Code or without the consent of the housing officer under section
3735.67 of the Revised Code, except for property exempted by the
auditor under that section, property owned by a community school
and subject to the exemption authorized under division (A)(1) of
section 5709.07 of the Revised Code for tax years after the tax
year for which the commissioner grants an application under
section 5715.27 of the Revised Code, as described in division (I)
of that section, or qualifying agricultural real property, as
defined in section 5709.28 of the Revised Code, that is enrolled
in an agriculture security area that is exempt under that section.

The commissioner may revise at any time the list in every
county so that no property is improperly or illegally exempted
from taxation. The auditor shall follow the orders of the
commissioner given under this section. An abstract of such list
shall be filed annually with the commissioner, on a form approved
by the commissioner, and a copy thereof shall be kept on file in
the office of each auditor for public inspection.
An application for exemption of property shall include a certificate executed by the county treasurer certifying one of the following:

(1) That all taxes, interest, and penalties levied and assessed against the property sought to be exempted have been paid in full for all of the tax years preceding the tax year for which the application for exemption is filed, except for such taxes, interest, and penalties that may be remitted under division (C) of this section;

(2) That the applicant has entered into a valid delinquent tax contract with the county treasurer pursuant to division (A) of section 323.31 of the Revised Code to pay all of the delinquent taxes, interest, and penalties charged against the property, except for such taxes, interest, and penalties that may be remitted under division (C) of this section. If the auditor receives notice under section 323.31 of the Revised Code that such a written delinquent tax contract has become void, the auditor shall strike such property from the list of exempted property and reenter such property on the taxable list. If property is removed from the exempt list because a written delinquent tax contract has become void, current taxes shall first be extended against that property on the general tax list and duplicate of real and public utility property for the tax year in which the auditor receives the notice required by division (A) of section 323.31 of the Revised Code that the delinquent tax contract has become void or, if that notice is not timely made, for the tax year in which falls the latest date by which the treasurer is required by such section to give such notice. A county auditor shall not remove from any tax list and duplicate the amount of any unpaid delinquent taxes, assessments, interest, or penalties owed on property that is placed on the exempt list pursuant to this division.

(3) That a tax certificate has been issued under section
5721.32 or 5721.33 of the Revised Code with respect to the
property that is the subject of the application, and the tax
certificate is outstanding.

(B) If the treasurer's certificate is not included with the
application or the certificate reflects unpaid taxes, penalties,
and interest that may not be remitted, the tax commissioner or
county auditor with whom the application was filed shall notify
the property owner of that fact, and the applicant shall be given
sixty days from the date that notification was mailed in which to
provide the tax commissioner or county auditor with a corrected
treasurer's certificate. If a corrected treasurer's certificate is
not received within the time permitted, the tax commissioner or
county auditor does not have authority to consider the tax
exemption application.

(C) Any taxes, interest, and penalties which have become a
lien after the property was first used for the exempt purpose, but
in no case prior to the date of acquisition of the title to the
property by the applicant, may be remitted by the commissioner or
county auditor, except as is provided in division (A) of section
5713.081 of the Revised Code.

(D) Real property acquired by the state in fee simple is
exempt from taxation from the date of acquisition of title or date
of possession, whichever is the earlier date, provided that all
taxes, interest, and penalties as provided in the apportionment
provisions of section 319.20 of the Revised Code have been paid to
the date of acquisition of title or date of possession by the
state, whichever is earlier. The proportionate amount of taxes
that are a lien but not yet determined, assessed, and levied for
the year in which the property is acquired, shall be remitted by
the county auditor for the balance of the year from date of
acquisition of title or date of possession, whichever is earlier.
This section shall not be construed to authorize the exemption of
such property from taxation or the remission of taxes, interest, and penalties thereon until all private use has terminated.

Sec. 5715.27. (A)(1) Except as provided in division (A)(2) of this section and in section 3735.67 of the Revised Code, the owner, a vendee in possession under a purchase agreement or a land contract, the beneficiary of a trust, or a lessee for an initial term of not less than thirty years of any property may file an application with the tax commissioner, on forms prescribed by the commissioner, requesting that such property be exempted from taxation and that taxes, interest, and penalties be remitted as provided in division (C) of section 5713.08 of the Revised Code.

(2) If the property that is the subject of the application for exemption is any of the following, the application shall be filed with the county auditor of the county in which the property is listed for taxation:

(a) A public road or highway;

(b) Property belonging to the federal government of the United States;

(c) Additions or other improvements to an existing building or structure that belongs to the state or a political subdivision, as defined in section 5713.081 of the Revised Code, and that is exempted from taxation as property used exclusively for a public purpose.

(B) The board of education of any school district may request the tax commissioner or county auditor to provide it with notification of applications for exemption from taxation for property located within that district. If so requested, the commissioner or auditor shall send to the board on a monthly basis reports that contain sufficient information to enable the board to identify each property that is the subject of an exemption.
application, including, but not limited to, the name of the property owner or applicant, the address of the property, and the auditor's parcel number. The commissioner or auditor shall mail the reports by the fifteenth day of the month following the end of the month in which the commissioner or auditor receives the applications for exemption.

(C) A board of education that has requested notification under division (B) of this section may, with respect to any application for exemption of property located in the district and included in the commissioner's or auditor's most recent report provided under that division, file a statement with the commissioner or auditor and with the applicant indicating its intent to submit evidence and participate in any hearing on the application. The statements shall be filed prior to the first day of the third month following the end of the month in which that application was docketed by the commissioner or auditor. A statement filed in compliance with this division entitles the district to submit evidence and to participate in any hearing on the property and makes the district a party for purposes of sections 5717.02 to 5717.04 of the Revised Code in any appeal of the commissioner's or auditor's decision to the board of tax appeals.

(D) The commissioner or auditor shall not hold a hearing on or grant or deny an application for exemption of property in a school district whose board of education has requested notification under division (B) of this section until the end of the period within which the board may submit a statement with respect to that application under division (C) of this section. The commissioner or auditor may act upon an application at any time prior to that date upon receipt of a written waiver from each such board of education, or, in the case of exemptions authorized by section 725.02, 1728.10, 5709.40, 5709.41, 5709.411, 5709.45, 5709.46, 5709.47, and 5709.48.
of the Revised Code, upon the request of the property owner. Failure of a board of education to receive the report required in division (B) of this section shall not void an action of the commissioner or auditor with respect to any application. The commissioner or auditor may extend the time for filing a statement under division (C) of this section.

(E) A complaint may also be filed with the commissioner or auditor by any person, board, or officer authorized by section 5715.19 of the Revised Code to file complaints with the county board of revision against the continued exemption of any property granted exemption by the commissioner or auditor under this section.

(F) An application for exemption and a complaint against exemption shall be filed prior to the thirty-first day of December of the tax year for which exemption is requested or for which the liability of the property to taxation in that year is requested. The commissioner or auditor shall consider such application or complaint in accordance with procedures established by the commissioner, determine whether the property is subject to taxation or exempt therefrom, and, if the commissioner makes the determination, certify the determination to the auditor. Upon making the determination or receiving the commissioner's determination, the auditor shall correct the tax list and duplicate accordingly. If a tax certificate has been sold under section 5721.32 or 5721.33 of the Revised Code with respect to property for which an exemption has been requested, the tax commissioner or auditor shall also certify the findings to the county treasurer of the county in which the property is located.

(G) Applications and complaints, and documents of any kind related to applications and complaints, filed with the tax commissioner or county auditor under this section are public
records within the meaning of section 149.43 of the Revised Code.

(H) If the commissioner or auditor determines that the use of property or other facts relevant to the taxability of property that is the subject of an application for exemption or a complaint under this section has changed while the application or complaint was pending, the commissioner or auditor may make the determination under division (F) of this section separately for each tax year beginning with the year in which the application or complaint was filed or the year for which remission of taxes under division (C) of section 5713.08 of the Revised Code was requested, and including each subsequent tax year during which the application or complaint is pending before the commissioner or auditor.

(I) If the tax commissioner grants an application filed by a community school under this section for the exemption authorized under division (A)(1) of section 5709.07 of the Revised Code, any property that is the subject of that application shall be exempt from property tax for each succeeding tax year regardless of whether the community school files an application under this section with respect to such property. The community school, on or before the thirty-first day of December of each such succeeding tax year, shall submit a statement to the commissioner attesting that the property that is the subject of that initial application qualifies for the exemption authorized under division (A)(1) of section 5709.07 of the Revised Code for that succeeding tax year. If the community school fails to file such a statement for a tax year or if the commissioner otherwise discovers that the property no longer qualifies for that exemption, the commissioner shall order the county auditor to return the property to the tax list.

Sec. 5726.98. (A) To provide a uniform procedure for calculating the amount of tax due under section 5726.02 of the...
Revised Code, a taxpayer shall claim any credits to which the taxpayer is entitled under this chapter in the following order:

(1) The nonrefundable job retention credit under division (B) of section 5726.50 of the Revised Code;

(2) The nonrefundable credit for purchases of qualified low-income community investments under section 5726.54 of the Revised Code;

(3) The nonrefundable credit for qualified research expenses under section 5726.56 of the Revised Code;

(4) The nonrefundable credit for qualifying dealer in intangibles taxes under section 5726.57 of the Revised Code;

(5) The refundable credit for rehabilitating an historic building under section 5726.52 of the Revised Code;

(6) The refundable job retention or job creation credit under division (A) of section 5726.50 of the Revised Code;

(7) The refundable credit under section 5726.53 of the Revised Code for losses on loans made under the Ohio venture capital program under sections 150.01 to 150.10 of the Revised Code;

(8) The refundable motion picture and broadway theatrical production credit under section 5726.55 of the Revised Code.

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.
Sec. 5727.75. (A) For purposes of this section:

(1) "Qualified energy project" means an energy project certified by the director of development services pursuant to this section.

(2) "Energy project" means a project to provide electric power through the construction, installation, and use of an energy facility.

(3) "Alternative energy zone" means a county declared as such by the board of county commissioners under division (E)(1)(b) or (c) of this section.

(4) "Full-time equivalent employee" means the total number of employee-hours for which compensation was paid to individuals employed at a qualified energy project for services performed at the project during the calendar year divided by two thousand eighty hours.

(5) "Solar energy project" means an energy project composed of an energy facility using solar panels to generate electricity.

(6) "Internet identifier of record" has the same meaning as in section 9.312 of the Revised Code.

(B)(1) Tangible personal property of a qualified energy project using renewable energy resources is exempt from taxation for tax years 2011 through 2023 if all of the following conditions are satisfied:

(a) On or before December 31, 2022, the owner or a lessee pursuant to a sale and leaseback transaction of the project submits an application to the power siting board for a certificate under section 4906.20 of the Revised Code, or if that section does not apply, submits an application for any approval, consent, permit, or certificate or satisfies any condition required by a public agency or political subdivision of this state for the
construction or initial operation of an energy project.

(b) Construction or installation of the energy facility begins on or after January 1, 2009, and before January 1, 2023. For the purposes of this division, construction begins on the earlier of the date of application for a certificate or other approval or permit described in division (B)(1)(a) of this section, or the date the contract for the construction or installation of the energy facility is entered into.

(c) For a qualified energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of a county in which property of the project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting an application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

(2) If tangible personal property of a qualified energy project using renewable energy resources was exempt from taxation under this section beginning in any of tax years 2011 through 2023, and the certification under division (E)(2) of this section has not been revoked, the tangible personal property of the qualified energy project is exempt from taxation for tax year 2024 and all ensuing tax years if the property was placed into service before January 1, 2024, as certified in the construction progress report required under division (F)(2) of this section. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation. An energy project for which certification has been revoked is ineligible for further exemption under this section. Revocation does not affect the tax-exempt status of the project's
tangible personal property for the tax year in which revocation occurs or any prior tax year.

(C) Tangible personal property of a qualified energy project using clean coal technology, advanced nuclear technology, or cogeneration technology is exempt from taxation for the first tax year that the property would be listed for taxation and all subsequent years if all of the following circumstances are met:

1. The property was placed into service before January 1, 2021. Tangible personal property that has not been placed into service before that date is taxable property subject to taxation.

2. For such a qualified energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of a county in which property of the qualified energy project is located has adopted a resolution under division (E)(1)(b) or (c) of this section to approve the application submitted under division (E) of this section to exempt the property located in that county from taxation. A board's adoption of a resolution rejecting the application or its failure to adopt a resolution approving the application does not affect the tax-exempt status of the qualified energy project's property that is located in another county.

3. The certification for the qualified energy project issued under division (E)(2) of this section has not been revoked. An energy project for which certification has been revoked is ineligible for exemption under this section. Revocation does not affect the tax-exempt status of the project's tangible personal property for the tax year in which revocation occurs or any prior tax year.

(D) Except as otherwise provided in this section, real property of a qualified energy project is exempt from taxation for any tax year for which the tangible personal property of the
qualified energy project is exempted under this section.

(E)(1)(a) A person may apply to the director of development services for certification of an energy project as a qualified energy project on or before the following dates:

(i) December 31, 2020 for an energy project using renewable energy resources;

(ii) December 31, 2017, for an energy project using clean coal technology, advanced nuclear technology, or cogeneration technology.

(b) The director shall forward a copy of each application for certification of an energy project with a nameplate capacity of five megawatts or greater to the board of county commissioners of each county in which the project is located and to each taxing unit with territory located in each of the affected counties. Any board that receives from the director a copy of an application submitted under this division shall adopt a resolution approving or rejecting the application unless it has adopted a resolution under division (E)(1)(c) of this section. A resolution adopted under division (E)(1)(b) or (c) of this section may require an annual service payment to be made in addition to the service payment required under division (G) of this section. The sum of the service payment required in the resolution and the service payment required under division (G) of this section shall not exceed nine thousand dollars per megawatt of nameplate capacity located in the county. The resolution shall specify the time and manner in which the payments required by the resolution shall be paid to the county treasurer. The county treasurer shall deposit the payment to the credit of the county's general fund to be used for any purpose for which money credited to that fund may be used.

The board shall send copies of the resolution to the owner of the facility and the director by certified mail or, if the board
has record of an internet identifier of record associated with the owner or director, by ordinary mail and by that internet identifier of record. The board shall send such notice within thirty days after receipt of the application, or a longer period of time if authorized by the director.

(c) A board of county commissioners may adopt a resolution declaring the county to be an alternative energy zone and declaring all applications submitted to the director of development services under this division after the adoption of the resolution, and prior to its repeal, to be approved by the board.

All tangible personal property and real property of an energy project with a nameplate capacity of five megawatts or greater is taxable if it is located in a county in which the board of county commissioners adopted a resolution rejecting the application submitted under this division or failed to adopt a resolution approving the application under division (E)(1)(b) or (c) of this section.

(2) The director shall certify an energy project if all of the following circumstances exist:

(a) The application was timely submitted.

(b) For an energy project with a nameplate capacity of five megawatts or greater, a board of county commissioners of at least one county in which the project is located has adopted a resolution approving the application under division (E)(1)(b) or (c) of this section.

(c) No portion of the project's facility was used to supply electricity before December 31, 2009.

(3) The director shall deny a certification application if the director determines the person has failed to comply with any requirement under this section. The director may revoke a certification if the director determines the person, or subsequent
owner or lessee pursuant to a sale and leaseback transaction of the qualified energy project, has failed to comply with any requirement under this section. Upon certification or revocation, the director shall notify the person, owner, or lessee, the tax commissioner, and the county auditor of a county in which the project is located of the certification or revocation. Notice shall be provided in a manner convenient to the director.

(F) The owner or a lessee pursuant to a sale and leaseback transaction of a qualified energy project shall do each of the following:

(1) Comply with all applicable regulations;

(2) File with the director of development services a certified construction progress report before the first day of March of each year during the energy facility's construction or installation indicating the percentage of the project completed, and the project's nameplate capacity, as of the preceding thirty-first day of December. Unless otherwise instructed by the director of development services, the owner or lessee of an energy project shall file a report with the director on or before the first day of March each year after completion of the energy facility's construction or installation indicating the project's nameplate capacity as of the preceding thirty-first day of December. Not later than sixty days after June 17, 2010, the owner or lessee of an energy project, the construction of which was completed before June 17, 2010, shall file a certificate indicating the project's nameplate capacity.

(3) File with the director of development services, in a manner prescribed by the director, a report of the total number of full-time equivalent employees, and the total number of full-time equivalent employees domiciled in Ohio, who are employed in the construction or installation of the energy facility;
(4) For energy projects with a nameplate capacity of five megawatts or greater, repair all roads, bridges, and culverts affected by construction as reasonably required to restore them to their preconstruction condition, as determined by the county engineer in consultation with the local jurisdiction responsible for the roads, bridges, and culverts. In the event that the county engineer deems any road, bridge, or culvert to be inadequate to support the construction or decommissioning of the energy facility, the road, bridge, or culvert shall be rebuilt or reinforced to the specifications established by the county engineer prior to the construction or decommissioning of the facility. The owner or lessee of the facility shall post a bond in an amount established by the county engineer and to be held by the board of county commissioners to ensure funding for repairs of roads, bridges, and culverts affected during the construction. The bond shall be released by the board not later than one year after the date the repairs are completed. The energy facility owner or lessee pursuant to a sale and leaseback transaction shall post a bond, as may be required by the Ohio power siting board in the certificate authorizing commencement of construction issued pursuant to section 4906.10 of the Revised Code, to ensure funding for repairs to roads, bridges, and culverts resulting from decommissioning of the facility. The energy facility owner or lessee and the county engineer may enter into an agreement regarding specific transportation plans, reinforcements, modifications, use and repair of roads, financial security to be provided, and any other relevant issue.

(5) Provide or facilitate training for fire and emergency responders for response to emergency situations related to the energy project and, for energy projects with a nameplate capacity of five megawatts or greater, at the person's expense, equip the fire and emergency responders with proper equipment as reasonably required to enable them to respond to such emergency situations;
(6) Maintain a ratio of Ohio-domiciled full-time equivalent employees employed in the construction or installation of the energy project to total full-time equivalent employees employed in the construction or installation of the energy project of not less than eighty per cent in the case of a solar energy project, and not less than fifty per cent in the case of any other energy project. In the case of an energy project for which certification from the power siting board is required under section 4906.20 of the Revised Code, the number of full-time equivalent employees employed in the construction or installation of the energy project equals the number actually employed or the number projected to be employed in the certificate application, if such projection is required under regulations adopted pursuant to section 4906.03 of the Revised Code, whichever is greater. For all other energy projects, the number of full-time equivalent employees employed in the construction or installation of the energy project equals the number actually employed or the number projected to be employed by the director of development services, whichever is greater. To estimate the number of employees to be employed in the construction or installation of an energy project, the director shall use a generally accepted job-estimating model in use for renewable energy projects, including but not limited to the job and economic development impact model. The director may adjust an estimate produced by a model to account for variables not accounted for by the model.

(7) For energy projects with a nameplate capacity in excess of two megawatts, establish a relationship with a member of the university system of Ohio as defined in section 3345.011 of the Revised Code or with a person offering an apprenticeship program registered with the employment and training administration within the United States department of labor or with the apprenticeship council created by section 4139.02 of the Revised Code, to educate and train individuals for careers in the wind or solar energy
industry. The relationship may include endowments, cooperative programs, internships, apprenticeships, research and development projects, and curriculum development.

(8) Offer to sell power or renewable energy credits from the energy project to electric distribution utilities or electric service companies subject to renewable energy resource requirements under section 4928.64 of the Revised Code that have issued requests for proposal for such power or renewable energy credits. If no electric distribution utility or electric service company issues a request for proposal on or before December 31, 2010, or accepts an offer for power or renewable energy credits within forty-five days after the offer is submitted, power or renewable energy credits from the energy project may be sold to other persons. Division (F)(8) of this section does not apply if:

(a) The owner or lessee is a rural electric company or a municipal power agency as defined in section 3734.058 of the Revised Code.

(b) The owner or lessee is a person that, before completion of the energy project, contracted for the sale of power or renewable energy credits with a rural electric company or a municipal power agency.

(c) The owner or lessee contracts for the sale of power or renewable energy credits from the energy project before June 17, 2010.

(9) Make annual service payments as required by division (G) of this section and as may be required in a resolution adopted by a board of county commissioners under division (E) of this section.

(G) The owner or a lessee pursuant to a sale and leaseback transaction of a qualified energy project shall make annual service payments in lieu of taxes to the county treasurer on or
before the final dates for payments of taxes on public utility
personal property on the real and public utility personal property
tax list for each tax year for which property of the energy
project is exempt from taxation under this section. The county
treasurer shall allocate the payment on the basis of the project's
physical location. Upon receipt of a payment, or if timely payment
has not been received, the county treasurer shall certify such
receipt or non-receipt to the director of development services and
tax commissioner in a form determined by the director and
commissioner, respectively. Each payment shall be in the following
amount:

(1) In the case of a solar energy project, seven thousand
dollars per megawatt of nameplate capacity located in the county
as of the thirty-first day of December 31, 2010, for tax year 2011, as of December 31, 2011, for tax year 2012, as of December 31, 2012, for tax year 2013, as of December 31, 2013, for tax year 2014, as of December 31, 2014, for tax year 2015, as of December 31, 2015, for tax year 2016, and as of December 31, 2016, for tax year 2017 and each of the preceding tax year thereafter;

(2) In the case of any other energy project using renewable
energy resources, the following:

(a) If the project maintains during the construction or
installation of the energy facility a ratio of Ohio-domiciled
full-time equivalent employees to total full-time equivalent
employees of not less than seventy-five per cent, six thousand
dollars per megawatt of nameplate capacity located in the county
as of the thirty-first day of December of the preceding tax year;

(b) If the project maintains during the construction or
installation of the energy facility a ratio of Ohio-domiciled
full-time equivalent employees to total full-time equivalent
employees of less than seventy-five per cent but not less than
sixty per cent, seven thousand dollars per megawatt of nameplate
capacity located in the county as of the thirty-first day of December of the preceding tax year;

(c) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than sixty per cent but not less than fifty per cent, eight thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year.

(3) In the case of an energy project using clean coal technology, advanced nuclear technology, or cogeneration technology, the following:

(a) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of not less than seventy-five per cent, six thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

(b) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than seventy-five per cent but not less than sixty per cent, seven thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of the preceding tax year;

(c) If the project maintains during the construction or installation of the energy facility a ratio of Ohio-domiciled full-time equivalent employees to total full-time equivalent employees of less than sixty per cent but not less than fifty per cent, eight thousand dollars per megawatt of nameplate capacity located in the county as of the thirty-first day of December of
the preceding tax year.

The construction contractor is the consumer of such tangible personal property, provided that the sale and installation of carpeting, the sale and installation of agricultural land tile, the sale and erection or installation of portable grain bins, or the provision of landscaping and lawn care service and the transfer of property as part of such service is never a construction contract.

As used in division (B)(5) of this section:

   Except as provided in this section, "sale" and "selling" do not include transfers of interest in leased property where the original lessee and the terms of the original lease agreement remain unchanged, or professional, insurance, or personal service transactions that involve the transfer of tangible personal property as an inconsequential element, for which no separate charges are made.

   (C) "Vendor" means the person providing the service or by whom the transfer effected or license given by a sale is or is to be made or given and, for sales described in division (B)(3)(i) of this section, the telecommunications service vendor that provides the nine hundred telephone service; if two or more persons are engaged in business at the same place of business under a single trade name in which all collections on account of sales by each are made, such persons shall constitute a single vendor.

   Physicians, dentists, hospitals, and veterinarians who are engaged in selling tangible personal property as received from others, such as eyeglasses, mouthwashes, dentifrices, or similar articles, are vendors. Veterinarians who are engaged in transferring to others for a consideration drugs, the dispensing of which does not require an order of a licensed veterinarian or physician under federal law, are vendors.

   The operator of any technology platform that connects a consumer with another person who is providing a service subject to the tax levied under this chapter, including a transportation network company or a peer-to-peer car sharing program operating a technology platform for the purpose of providing transportation network company services or peer-to-peer car sharing program services, shall be considered to be the vendor in such transaction, regardless of whether that other person is an agent of the operator.
(D)(1) "Consumer" means the person for whom the service is provided, to whom the transfer effected or license given by a sale is or is to be made or given, to whom the service described in division (B)(3)(f) or (i) of this section is charged, or to whom the admission is granted.

In addition to being consumers of drugs administered by them or by their assistants according to their direction, veterinarians also are consumers of drugs that under federal law may be dispensed only by or upon the order of a licensed veterinarian or physician, when transferred by them to others for a consideration to provide treatment to animals as directed by the veterinarian.

(3) A person who performs a facility management, or similar service contract for a contractee is a consumer of all tangible personal property and services purchased for use in connection with the performance of such contract, regardless of whether title to any such property vests in the contractee. The purchase of such property and services is not subject to the exception for resale under division (E) of this section.

(4)(a) In the case of a person who purchases printed matter for the purpose of distributing it or having it distributed to the public or to a designated segment of the public, free of charge, that person is the consumer of that printed matter, and the purchase of that printed matter for that purpose is a sale.

(b) In the case of a person who produces, rather than purchases, printed matter for the purpose of distributing it or
having it distributed to the public or to a designated segment of
the public, free of charge, that person is the consumer of all
tangible personal property and services purchased for use or
consumption in the production of that printed matter. That person
is not entitled to claim exemption under division (B)(42)(f) of
section 5739.02 of the Revised Code for any material incorporated
into the printed matter or any equipment, supplies, or services
primarily used to produce the printed matter.

(c) The distribution of printed matter to the public or to a
designated segment of the public, free of charge, is not a sale to
the members of the public to whom the printed matter is
distributed or to any persons who purchase space in the printed
matter for advertising or other purposes.

(5) A person who makes sales of any of the services listed in
division (B)(3) of this section is the consumer of any tangible
personal property used in performing the service. The purchase of
that property is not subject to the resale exception under
division (E) of this section.

(6) A person who engages in highway transportation for hire
is the consumer of all packaging materials purchased by that
person and used in performing the service, except for packaging
materials sold by such person in a transaction separate from the
service.

(7) In the case of a transaction for health care services
under division (B)(11) of this section, a medicaid health insuring
corporation is the consumer of such services. The purchase of such
services by a medicaid health insuring corporation is not subject
to the exception for resale under division (E) of this section or
to the exemptions provided under divisions (B)(12), (18), (19),
and (22) of section 5739.02 of the Revised Code.

(E) "Retail sale" and "sales at retail" include all sales,
except those in which the purpose of the consumer is to resell the thing transferred or benefit of the service provided, by a person engaging in business, in the form in which the same is, or is to be, received by the person.

(F) "Business" includes any activity engaged in by any person with the object of gain, benefit, or advantage, either direct or indirect. "Business" does not include the activity of a person in managing and investing the person's own funds.

(i) The vendor's cost of the property sold;

(ii) The cost of materials used, labor or service costs, interest, losses, all costs of transportation to the vendor, all taxes imposed on the vendor, including the tax imposed under Chapter 5751. of the Revised Code, and any other expense of the vendor;

(v) Installation charges;

(vi) Credit for any trade-in.

(b) "Price" includes consideration received by the vendor from a third party, if the vendor actually receives the consideration from a party other than the consumer, and the consideration is directly related to a price reduction or discount on the sale; the vendor has an obligation to pass the price reduction or discount through to the consumer; the amount of the consideration attributable to the sale is fixed and determinable by the vendor at the time of the sale of the item to the consumer; and one of the following criteria is met:

(i) The consumer presents a coupon, certificate, or other document to the vendor to claim a price reduction or discount where the coupon, certificate, or document is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any vendor to whom the coupon, certificate, or document is presented;

(ii) The consumer identifies the consumer's self to the seller as a member of a group or organization entitled to a price reduction or discount. A preferred customer card that is available to any patron does not constitute membership in such a group or organization.

(iii) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the consumer, or on a coupon, certificate, or other document presented by the consumer.

(c) "Price" does not include any of the following:

(i) Discounts, including cash, term, or coupons that are not reimbursed by a third party that are allowed by a vendor and taken by a consumer on a sale;
(ii) Interest, financing, and carrying charges from credit extended on the sale of tangible personal property or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser;

(iii) Any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the consumer. For the purpose of this division, the tax imposed under Chapter 5751. of the Revised Code is not a tax directly on the consumer, even if the tax or a portion thereof is separately stated.

(iv) Notwithstanding divisions (H)(1)(b)(i) to (iii) of this section, any discount allowed by an automobile manufacturer to its employee, or to the employee of a supplier, on the purchase of a new motor vehicle from a new motor vehicle dealer in this state.

(v) The dollar value of a gift card that is not sold by a vendor or purchased by a consumer and that is redeemed by the consumer in purchasing tangible personal property or services if the vendor is not reimbursed and does not receive compensation from a third party to cover all or part of the gift card value. For the purposes of this division, a gift card is not sold by a vendor or purchased by a consumer if it is distributed pursuant to an awards, loyalty, or promotional program. Past and present purchases of tangible personal property or services by the consumer shall not be treated as consideration exchanged for a gift card.

(2) In the case of a sale of any new motor vehicle by a new motor vehicle dealer, as defined in section 4517.01 of the Revised Code, in which another motor vehicle is accepted by the dealer as part of the consideration received, "price" has the same meaning as in division (H)(1) of this section, reduced by the credit afforded the consumer by the dealer for the motor vehicle received in trade.
(3) In the case of a sale of any watercraft or outboard motor by a watercraft dealer licensed in accordance with section 1547.543 of the Revised Code, in which another watercraft, watercraft and trailer, or outboard motor is accepted by the dealer as part of the consideration received, "price" has the same meaning as in division (H)(1) of this section, reduced by the credit afforded the consumer by the dealer for the watercraft, watercraft and trailer, or outboard motor received in trade. levied pursuant to this section shall be a multiple of one-fourth or one-tenth one-twentieth of one per cent. The rate levied under this section in any county other than a county that adopted a charter under Article X, Section 3, Ohio Constitution, may exceed one per cent, but may not exceed one and one-half per cent minus the amount by which the rate levied under section 5739.023 of the Revised Code by the county transit authority exceeds one per cent.

The tax shall be levied and the rate increased pursuant to a resolution of the board of county commissioners. The resolution shall state the purpose for which the tax is to be levied and the number of years for which the tax is to be levied, or that it is for a continuing period of time. If the tax is to be levied for the purpose of providing additional general revenues and for the purpose of supporting criminal and administrative justice services, the resolution shall state the rate or amount of the tax to be apportioned to each such purpose. The rate or amount may be different for each year the tax is to be levied, but the rates or amounts actually apportioned each year shall not be different from that stated in the resolution for that year. 

Any amount by which the rate of the tax exceeds one per cent shall be apportioned exclusively for the construction, acquisition, equipping, or repair of a detention facility in the county.

If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for such necessity. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of the calendar quarter. A resolution proposing to levy a tax at a rate that would cause the rate levied under this section to exceed one
per cent may not be adopted as an emergency measure.

Prior to the adoption of any resolution under this section, the board of county commissioners shall conduct two public hearings on the resolution, the second hearing to be not less than three nor more than ten days after the first. Notice of the date, time, and place of the hearings shall be given by publication in a newspaper of general circulation in the county, or as provided in section 7.16 of the Revised Code, once a week on the same day of the week for two consecutive weeks, the second publication being not less than ten nor more than thirty days prior to the first hearing.

Except as provided in division (B)(1) or (3) of this section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code.

If a petition for a referendum is filed, the county auditor with whom the petition was filed shall, within five days, notify the board of county commissioners and the tax commissioner of the filing of the petition by certified mail. If the board of elections with which the petition was filed declares the petition invalid, the board of elections, within five days, shall notify the board of county commissioners and the tax commissioner of that declaration by certified mail. If the petition is declared to be invalid, the effective date of the tax or increased rate of tax levied by this section shall be the first day of a calendar quarter following the expiration of sixty-five days from the date the commissioner receives notice from the board of elections that the petition is invalid.

(B)(1) A resolution that is not adopted as an emergency measure may direct the board of elections to submit the question of levying the tax or increasing the rate of tax to the electors of the county at a special election held on the date specified by the board of county commissioners in the resolution, provided that
the election occurs not less than ninety days after a certified copy of such resolution is transmitted to the board of elections and the election is not held in February or August of any year. A resolution proposing to levy a tax at a rate that would cause the rate levied under this section to exceed one per cent may not go into effect unless the question is submitted to electors under this division. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under this division shall go into effect unless approved by a majority of those voting upon it, and, except as provided in division (B)(3) of this section, shall become effective on the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(2) A resolution that is adopted as an emergency measure shall go into effect as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after a certified copy of the resolution is transmitted to the board of elections. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of
county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner receive notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase in the rate of the tax, cease to levy the increased rate and levy the tax at the rate at which it was imposed immediately prior to the increase in rate.

(3) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or repealed or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (H) of this section.

(C) If a resolution is rejected at a referendum or if a resolution adopted after January 1, 1982, as an emergency measure is repealed by the electors pursuant to division (B)(2) of this section or section 5739.022 of the Revised Code, then for one year after the date of the election at which the resolution was rejected or repealed the board of county commissioners may not adopt any resolution authorized by this section as an emergency measure.

(D) The board of county commissioners, at any time while a tax levied under this section is in effect, may by resolution reduce the rate at which the tax is levied to a lower rate authorized by this section. Any reduction in the rate at which the tax is levied shall be made effective on the first day of a calendar quarter next following the sixty-fifth day after a certified copy of the resolution is delivered to the tax commissioner.

(E) The tax on every retail sale subject to a tax levied...
pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.023 or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.021 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services or specifically for the purpose of constructing, acquiring, equipping, or repairing a detention facility, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to one or more special fund funds created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make available at the first public hearing at which the resolution is considered a statement containing the following information:

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the board's preliminary plan for expenditures to be made from the county general fund for the purpose of criminal and administrative justice services, both under the assumption that the tax will be imposed for that purpose and under the assumption that the tax would not be imposed for that purpose, and for expenditures to be made from the special fund created under division (E) of this section under the assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary plan using the best information available to the board at the time the statement is prepared. Neither the statement nor the preliminary plan shall be used as a basis to challenge the validity of the tax in any court of competent jurisdiction, nor shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. (B) The legislative authority may, at any time while the tax is in effect, by resolution fix the rate of the tax at any rate authorized by this section and not in excess of that approved by the voters pursuant to section 306.70 of the Revised Code. Except as provided in division (C) of this section, any change in the rate of the tax shall be made effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the resolution; provided, that in any case where bonds, or notes in anticipation of bonds, of a regional transit authority have been issued under section 306.40 of the Revised Code without a vote of the electors while the tax proposed to be reduced was in effect, the board of trustees of the regional transit authority shall continue to levy and collect under authority of the original election authorizing the tax a rate of tax that the board of trustees reasonably estimates will produce an amount in that year equal to the amount of principal of and interest on those bonds as is payable in that year.
(C) Upon receipt from the board of elections of the certification of the results of the election required by division (A) of this section, or from the legislative authority of the certification of a resolution under division (B) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(D) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (C) of this section.

(E) The tax on every retail sale subject to a tax levied pursuant to this section is in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021 or 5739.026 of the Revised Code.

(F) The additional tax levied by the transit authority shall be collected pursuant to section 5739.025 of the Revised Code.

(G) Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a transit authority under the constitution of the United States or the constitution of this state.

(H) The rate of a tax levied under this section is subject to reduction under section 5739.028 of the Revised Code, if a ballot question is approved by voters pursuant to that section.
Sec. 5739.026. (A) A board of county commissioners may levy a tax on every retail sale in the county, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, at a rate of not more than one-half of one per cent and may increase the rate of an existing tax to not more than one-half of one per cent to pay the expenses of administering the tax and, except as provided in division (A)(6) of this section, for any one or more of the following purposes provided that the aggregate levy for all such purposes does not exceed one-half of one per cent:

(1) To provide additional revenues for the payment of bonds or notes issued in anticipation of bonds issued by a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code and to provide additional operating revenues for the convention facilities authority;

(2) To provide additional revenues for a transit authority operating in the county;

(3) To provide additional revenue for the county's general fund;

(4) To provide additional revenue for permanent improvements to be distributed by the community improvements board in accordance with section 307.283 and to pay principal, interest, and premium on bonds issued under section 307.284 of the Revised Code;

(5) To provide additional revenue for the acquisition, construction, equipping, or repair of any specific permanent improvement or any class or group of permanent improvements, which improvement or class or group of improvements shall be enumerated in the resolution required by division (D) of this section, and to pay principal, interest, premium, and other costs associated with
the issuance of bonds or notes in anticipation of bonds issued pursuant to Chapter 133. of the Revised Code for the acquisition, construction, equipping, or repair of the specific permanent improvement or class or group of permanent improvements;

(6) To provide revenue for the implementation and operation of a 9-1-1 system in the county. If the tax is levied or the rate increased exclusively for such purpose, the tax shall not be levied or the rate increased for more than five years. At the end of the last year the tax is levied or the rate increased, any balance remaining in the special fund established for such purpose shall remain in that fund and be used exclusively for such purpose until the fund is completely expended, and, notwithstanding section 5705.16 of the Revised Code, the board of county commissioners shall not petition for the transfer of money from such special fund, and the tax commissioner shall not approve such a petition.

If the tax is levied or the rate increased for such purpose for more than five years, the board of county commissioners also shall levy the tax or increase the rate of the tax for one or more of the purposes described in divisions (A)(1) to (5) of this section and shall prescribe the method for allocating the revenues from the tax each year in the manner required by division (C) of this section.

(7) To provide additional revenue for the operation or maintenance of a detention facility, as that term is defined under division (F) of section 2921.01 of the Revised Code;

(8) To provide revenue to finance the construction or renovation of a sports facility, but only if the tax is levied for that purpose in the manner prescribed by section 5739.028 of the Revised Code.

As used in division (A)(8) of this section:
(a) "Sports facility" means a facility intended to house major league professional athletic teams.

(b) "Constructing" or "construction" includes providing fixtures, furnishings, and equipment.

(9) To provide additional revenue for the acquisition of agricultural easements, as defined in section 5301.67 of the Revised Code; to pay principal, interest, and premium on bonds issued under section 133.60 of the Revised Code; and for the supervision and enforcement of agricultural easements held by the county;

(10) To provide revenue for the provision of ambulance, paramedic, or other emergency medical services;

(11) To provide revenue for the operation of a lake facilities authority and the remediation of an impacted watershed by a lake facilities authority, as provided in Chapter 353. of the Revised Code;

(12) To provide additional revenue for a regional transportation improvement project under section 5595.06 of the Revised Code.

Pursuant to section 755.171 of the Revised Code, a board of county commissioners may pledge and contribute revenue from a tax levied for the purpose of division (A)(5) of this section to the payment of debt charges on bonds issued under section 755.17 of the Revised Code.

The rate of tax shall be a multiple of one-fourth or one-tenth one-twentieth of one per cent, unless a portion of the rate of an existing tax levied under section 5739.023 of the Revised Code has been reduced, and the rate of tax levied under this section has been increased, pursuant to section 5739.028 of the Revised Code, in which case the aggregate of the rates of tax levied under this section and section 5739.023 of the Revised Code
shall be a multiple of one-fourth or one-tenth of one per cent.

The tax shall be levied and the rate increased pursuant to a resolution adopted by a majority of the members of the board. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of a calendar quarter.

Prior to the adoption of any resolution to levy the tax or to increase the rate of tax exclusively for the purpose set forth in division (A)(3) of this section, the board of county commissioners shall conduct two public hearings on the resolution, the second hearing to be no fewer than three nor more than ten days after the first. Notice of the date, time, and place of the hearings shall be given by publication in a newspaper of general circulation in the county, or as provided in section 7.16 of the Revised Code, once a week on the same day of the week for two consecutive weeks. The second publication shall be no fewer than ten nor more than thirty days prior to the first hearing. Except as provided in division (E) of this section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code. If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for the necessity.

If the tax is for more than one of the purposes set forth in divisions (A)(1) to (7), (9), (10), and (12) of this section, or is exclusively for one of the purposes set forth in division (A)(1), (2), (4), (5), (6), (7), (9), (10), or (12) of this section, the resolution shall not go into effect unless it is approved by a majority of the electors voting on the question of
the tax.

(B) The board of county commissioners shall adopt a resolution under section 351.02 of the Revised Code creating the convention facilities authority, or under section 307.283 of the Revised Code creating the community improvements board, before adopting a resolution levying a tax for the purpose of a convention facilities authority under division (A)(1) of this section or for the purpose of a community improvements board under division (A)(4) of this section.

(C)(1) If the tax is to be used for more than one of the purposes set forth in divisions (A)(1) to (7), (9), (10), and (12) of this section, the board of county commissioners shall establish the method that will be used to determine the amount or proportion of the tax revenue received by the county during each year that will be distributed for each of those purposes, including, if applicable, provisions governing the reallocation of a convention facilities authority's allocation if the authority is dissolved while the tax is in effect. The allocation method may provide that different proportions or amounts of the tax shall be distributed among the purposes in different years, but it shall clearly describe the method that will be used for each year. Except as otherwise provided in division (C)(2) of this section, the allocation method established by the board is not subject to amendment during the life of the tax.

(2) Subsequent to holding a public hearing on the proposed amendment, the board of county commissioners may amend the allocation method established under division (C)(1) of this section for any year, if the amendment is approved by the governing board of each entity whose allocation for the year would be reduced by the proposed amendment. In the case of a tax that is levied for a continuing period of time, the board may not so amend the allocation method for any year before the sixth year that the
tax is in effect.

(a) If the additional revenues provided to the convention facilities authority are pledged by the authority for the payment of convention facilities authority revenue bonds for as long as such bonds are outstanding, no reduction of the authority's allocation of the tax shall be made for any year except to the extent that the reduced authority allocation, when combined with the authority's other revenues pledged for that purpose, is sufficient to meet the debt service requirements for that year on such bonds.

(b) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes described in division (A)(4) or (5) of this section, for as long as such bonds or notes are outstanding, no reduction of the county's or the community improvements board's allocation of the tax shall be made for any year, except to the extent that the reduced county or community improvements board allocation is sufficient to meet the debt service requirements for that year on such bonds or notes.

(c) If the additional revenues provided to the transit authority are pledged by the authority for the payment of revenue bonds issued under section 306.37 of the Revised Code, for as long as such bonds are outstanding, no reduction of the authority's allocation of tax shall be made for any year, except to the extent that the authority's reduced allocation, when combined with the authority's other revenues pledged for that purpose, is sufficient to meet the debt service requirements for that year on such bonds.

(d) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes issued under section 133.60 of the Revised Code, for so long as the bonds or notes are outstanding, no reduction of the county's allocation of the tax shall be made for any year, except to the extent that the reduced county allocation is sufficient to meet the debt
service requirements for that year on the bonds or notes.

(D)(1) The resolution levying the tax or increasing the rate of tax shall state the rate of the tax or the rate of the increase; the purpose or purposes for which it is to be levied; the number of years for which it is to be levied or that it is for a continuing period of time; the allocation method required by division (C) of this section; and if required to be submitted to the electors of the county under division (A) of this section, the date of the election at which the proposal shall be submitted to the electors of the county, which shall be not less than ninety days after the certification of a copy of the resolution to the board of elections and, if the tax is to be levied exclusively for the purpose set forth in division (A)(3) of this section, shall not occur in August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. If approved by a majority of the electors, the tax shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the board of county commissioners and tax commissioner receive from the board of elections the certification of the results of the election, except as provided in division (E) of this section.

(2)(a) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is not adopted as an emergency measure may direct the board of elections to submit the question of levying the tax or increasing the rate of the tax to the electors of the county at a special election held on the date specified by the board of county commissioners in the resolution, provided that the election occurs not less than ninety days after the resolution is certified to the board of elections and the election is not held in August of any...
year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under division (D)(2)(a) of this section shall go into effect unless approved by a majority of those voting upon it and, except as provided in division (E) of this section, not until the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(b) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is adopted as an emergency measure shall become effective as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after the resolution is certified to the board of elections. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner received notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase
in the rate of the tax, cease to levy the increased rate and levy 74643
the tax at the rate at which it was imposed immediately prior to 74644
the increase in rate.

(c) A board of county commissioners, by resolution, may 74645
reduce the rate of a tax levied exclusively for the purpose set 74646
forth in division (A)(3) of this section to a lower rate 74647
authorized by this section. Any such reduction shall be made 74648
effective on the first day of the calendar quarter next following 74649
the sixty-fifth day after the tax commissioner receives a 74650
certified copy of the resolution from the board.

(E) If a vendor makes a sale in this state by printed catalog 74651
and the consumer computed the tax on the sale based on local rates 74652
published in the catalog, any tax levied or repealed or rate 74653
changed under this section shall not apply to such a sale until 74654
the first day of a calendar quarter following the expiration of 74655
one hundred twenty days from the date of notice by the tax 74656
commissioner pursuant to division (G) of this section.

(F) The tax levied pursuant to this section shall be in 74657
addition to the tax levied by section 5739.02 of the Revised Code 74658
and any tax levied pursuant to section 5739.021 or 5739.023 of the 74659
Revised Code.

A county that levies a tax pursuant to this section shall 74660
levy a tax at the same rate pursuant to section 5741.023 of the 74661
Revised Code.

The additional tax levied by the county shall be collected 74662
pursuant to section 5739.025 of the Revised Code.

Any tax levied pursuant to this section is subject to the 74663
exemptions provided in section 5739.02 of the Revised Code and in 74664
addition shall not be applicable to sales not within the taxing 74665
power of a county under the Constitution of the United States or 74666
the Ohio Constitution.
(G) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) of this section, or from the board of elections a notice of the results of an election required by division (D)(1), (2)(a), (b), or (c) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

Sec. 5739.03. (A) Except as provided in section 5739.05 or section 5739.051 of the Revised Code, the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code shall be paid by the consumer to the vendor, and each vendor shall collect from the consumer, as a trustee for the state of Ohio, the full and exact amount of the tax payable on each taxable sale, in the manner and at the times provided as follows:

(1) If the price is, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent to the vendor or the vendor's agent, the vendor or the vendor's agent shall collect the tax with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the vendor or the vendor's agent shall, at or prior to the provision of the service or the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to the account of the consumer, which amount shall be collected by the vendor from the consumer in addition to the price. Such sale
shall be reported on and the amount of the tax applicable thereto shall be remitted with the return for the period in which the sale is made, and the amount of the tax shall become a legal charge in favor of the vendor and against the consumer.

(B)(1)(a) If any sale is claimed to be exempt under division (E) of section 5739.01 of the Revised Code or under section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11), (28), or (56) of section 5739.02 of the Revised Code, or if the consumer claims the transaction is not a taxable sale due to one or more of the exclusions provided under divisions (JJ)(1) to (5) of section 5739.01 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually
received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.
If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031 of the Revised Code or provides to the contractor or vendor an exemption certificate as
provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741 of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741 of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property.
consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5739.05. (A)(1) The tax commissioner shall enforce and administer sections 5739.01 to 5739.31 of the Revised Code, which are hereby declared to be sections which the commissioner is required to administer within the meaning of sections 5703.17 to 5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The commissioner may adopt and promulgate, in accordance with sections 119.01 to 119.13 of the Revised Code, such rules as the commissioner deems necessary to administer sections 5739.01 to 5739.31 of the Revised Code.

(2) On or before the first day of May of each year, the
commissioner shall make available to vendors a notice explaining the three-day exemption period required under division (B)(56) of section 5739.02 of the Revised Code.

(B) Upon application, the commissioner may authorize a vendor to pay on a predetermined basis the tax levied by or pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code upon sales of things produced or distributed or services provided by such vendor, and the commissioner may waive the collection of the tax from the consumer. The commissioner shall not grant such authority unless the commissioner finds that the granting of the authority would improve compliance and increase the efficiency of the administration of the tax. The person to whom such authority is granted shall post a notice, if required by the commissioner, at the location where the product is offered for sale that the tax is included in the selling price. The commissioner may adopt rules to administer this division.

(C) Upon application, the commissioner may authorize a vendor to remit, on the basis of a prearranged agreement under this division, the tax levied by section 5739.02 or pursuant to section 5739.021, 5739.023, or 5739.026 of the Revised Code. The proportions and ratios in a prearranged agreement shall be determined either by a test check conducted by the commissioner under terms and conditions agreed to by the commissioner and the vendor or by any other method agreed upon by the vendor and the commissioner. If the parties are unable to agree to the terms and conditions of the test check or other method, the application shall be denied.

If used, the test check shall determine the proportion that taxable retail sales bear to all of the vendor's retail sales and the ratio which the tax required to be collected under sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code bears to the receipts from the vendor's taxable retail sales.
The vendor's liability for remitting the tax shall be based solely upon the proportions and ratios established in the agreement until such time that the vendor or the commissioner believes that the nature of the vendor's business has so changed as to make the agreement no longer representative. The commissioner may give notice to the vendor at any time that the authorization is revoked or the vendor may notify the commissioner that the vendor no longer elects to report under the authorization. Such notice shall be delivered to the other party personally or by registered mail. The revocation or cancellation is effective the last day of the month in which the vendor or the commissioner receives the notice.

Sec. 5739.09. (A)(1) A board of county commissioners may, by resolution adopted by a majority of the members of the board, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. Except as provided in divisions (A)(2), (3), (4), (5), (6), (7), (8), (9), (10), (11), and (12) of this section, the regulations shall provide, after deducting the real and actual costs of administering the tax, for the return to each municipal corporation or township that does not levy an excise tax on the transactions, a uniform percentage of the tax collected in the municipal corporation or in the unincorporated portion of the township from each transaction, not to exceed thirty-three and one-third per cent. The remainder of
the revenue arising from the tax shall be deposited in a separate
fund and shall be spent solely to make contributions to the
convention and visitors' bureau operating within the county,
including a pledge and contribution of any portion of the
remainder pursuant to an agreement authorized by section 307.678
or 307.695 of the Revised Code, provided that if the board of
county commissioners of an eligible county as defined in section
307.678 or 307.695 of the Revised Code adopts a resolution
amending a resolution levying a tax under this division to provide
that revenue from the tax shall be used by the board as described
in either division (D) of section 307.678 or division (H) of
section 307.695 of the Revised Code, the remainder of the revenue
shall be used as described in the resolution making that
amendment. Except as provided in division (A)(2), (3), (4), (5),
(6), (7), (8), (9), (10), or (11) or (H) of this section, on and
after May 10, 1994, a board of county commissioners may not levy
an excise tax pursuant to this division in any municipal
corporation or township located wholly or partly within the county
that has in effect an ordinance or resolution levying an excise
tax pursuant to division (B) of this section. The board of a
county that has levied a tax under division (C) of this section
may, by resolution adopted within ninety days after July 15, 1985,
by a majority of the members of the board, amend the resolution
levying a tax under this division to provide for a portion of that
tax to be pledged and contributed in accordance with an agreement
entered into under section 307.695 of the Revised Code. A tax, any
revenue from which is pledged pursuant to such an agreement, shall
remain in effect at the rate at which it is imposed for the
duration of the period for which the revenue from the tax has been
so pledged.

The board of county commissioners of an eligible county as
defined in section 307.695 of the Revised Code may, by resolution
adopted by a majority of the members of the board, amend a
resolution levying a tax under this division to provide that the
revenue from the tax shall be used by the board as described in
division (H) of section 307.695 of the Revised Code, in which case
the tax shall remain in effect at the rate at which it was imposed
for the duration of any agreement entered into by the board under
section 307.695 of the Revised Code, the duration during which any
securities issued by the board under that section are outstanding,
or the duration of the period during which the board owns a
project as defined in section 307.695 of the Revised Code,
whichever duration is longest.

The board of county commissioners of an eligible county as
defined in section 307.678 of the Revised Code may, by resolution,
amend a resolution levying a tax under this division to provide
that revenue from the tax, not to exceed five hundred thousand
dollars each year, may be used as described in division (E) of
section 307.678 of the Revised Code.

Notwithstanding division (A)(1) of this section, the board of
county commissioners of a county described in division (A)(8)(a)
of this section may, by resolution, amend a resolution levying a
tax under this division to provide that all or a portion of the
revenue from the tax, including any revenue otherwise required to
be returned to townships or municipal corporations under this
division, may be used or pledged for the payment of debt service
on securities issued to pay the costs of constructing, operating,
and maintaining sports facilities described in division (A)(8)(b)
of this section.

The board of county commissioners of a county described in
division (A)(9) of this section may, by resolution, amend a
resolution levying a tax under this division to provide that all
or a portion of the revenue from the tax may be used for the
purposes described in section 307.679 of the Revised Code.
(2) A board of county commissioners that levies an excise tax under division (A)(1) of this section on June 30, 1997, at a rate of three per cent, and that has pledged revenue from the tax to an agreement entered into under section 307.695 of the Revised Code or, in the case of the board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code, has amended a resolution levying a tax under division (C) of this section to provide that proceeds from the tax shall be used by the board as described in division (H) of section 307.695 of the Revised Code, may, at any time by a resolution adopted by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax up to seven per cent on each transaction; to provide that revenue from the increase in the rate shall be used as described in division (H) of section 307.695 of the Revised Code or be spent solely to make contributions to the convention and visitors' bureau operating within the county to be used specifically for promotion, advertising, and marketing of the region in which the county is located; and to provide that the rate in excess of the three per cent levied under division (A)(1) of this section shall remain in effect at the rate at which it is imposed for the duration of the period during which any agreement is in effect that was entered into under section 307.695 of the Revised Code by the board of county commissioners levying a tax under division (A)(1) of this section, the duration of the period during which any securities issued by the board under division (I) of section 307.695 of the Revised Code are outstanding, or the duration of the period during which the board owns a project as defined in section 307.695 of the Revised Code, whichever duration is longest. The amendment also shall provide that no portion of that revenue need be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.
(3) A board of county commissioners that levies a tax under division (A)(1) of this section on March 18, 1999, at a rate of three per cent may, by resolution adopted not later than forty-five days after March 18, 1999, amend the resolution levying the tax to provide for all of the following:

(a) That the rate of the tax shall be increased by not more than an additional four per cent on each transaction;

(b) That all of the revenue from the increase in the rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before November 15, 1998, and used to pay costs of constructing, maintaining, operating, and promoting a facility in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(c) That no portion of the revenue arising from the increase in rate need be returned to municipal corporations or townships as otherwise required under division (A)(1) of this section;

(d) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law or by the board of county commissioners for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

Division (A)(3) of this section does not apply to the board of county commissioners of any county in which a convention center or facility exists or is being constructed on November 15, 1998, or of any county in which a convention facilities authority levies a tax pursuant to section 351.021 of the Revised Code on that
As used in division (A)(3) of this section, "cost" and "facility" have the same meanings as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(4)(a) A board of county commissioners that levies a tax under division (A)(1) of this section on June 30, 2002, at a rate of three per cent may, by resolution adopted not later than September 30, 2002, amend the resolution levying the tax to provide for all of the following:

(i) That the rate of the tax shall be increased by not more than an additional three and one-half per cent on each transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That no portion of the revenue arising from the increase in rate need be returned to municipal corporations or townships as otherwise required under division (A)(1) of this section;

(iv) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law or by the board of county commissioners.
for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) Any board of county commissioners that, pursuant to division (A)(4)(a) of this section, has amended a resolution levying the tax authorized by division (A)(1) of this section may further amend the resolution to provide that the revenue referred to in division (A)(4)(a)(ii) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the county.

As used in division (A)(4) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(5)(a) As used in division (A)(5) of this section:

(i) "Port authority" means a port authority created under Chapter 4582. of the Revised Code.

(ii) "Port authority military-use facility" means port authority facilities on which or adjacent to which is located an installation of the armed forces of the United States, a reserve component thereof, or the national guard and at least part of which is made available for use, for consideration, by the armed forces of the United States, a reserve component thereof, or the national guard.

(b) For the purpose of contributing revenue to pay operating expenses of a port authority that operates a port authority military-use facility, the board of county commissioners of a
county that created, participated in the creation of, or has joined such a port authority may do one or both of the following:

(i) Amend a resolution previously adopted under division (A)(1) of this section to designate some or all of the revenue from the tax levied under the resolution to be used for that purpose, notwithstanding that division;

(ii) Amend a resolution previously adopted under division (A)(1) of this section to increase the rate of the tax by not more than an additional two per cent and use the revenue from the increase exclusively for that purpose.

(c) If a board of county commissioners amends a resolution to increase the rate of a tax as authorized in division (A)(5)(b)(ii) of this section, the board also may amend the resolution to specify that the increase in rate of the tax does not apply to "hotels," as otherwise defined in section 5739.01 of the Revised Code, having fewer rooms used for the accommodation of guests than a number of rooms specified by the board.

(6) A board of county commissioners of a county organized under a county charter adopted pursuant to Article X, Section 3, Ohio Constitution, and that levies an excise tax under division (A)(1) of this section at a rate of three per cent and levies an additional excise tax under division (E) of this section at a rate of one and one-half per cent may, by resolution adopted not later than January 1, 2008, by a majority of the members of the board, amend the resolution levying a tax under division (A)(1) of this section to provide for an increase in the rate of that tax by not more than an additional one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. Notwithstanding divisions (A)(1) and (E) of this section, the resolution shall provide that all of the revenue from the increase in rate, after deducting the real and actual costs of administering the tax, shall be used to pay the costs of
improving, expanding, equipping, financing, or operating a convention center by a convention and visitors' bureau in the county. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed ten years, and may be extended for an additional period of time not to exceed ten years thereafter by a resolution adopted by a majority of the members of the board. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under that division.

(7) Division (A)(7) of this section applies only to a county with a population greater than sixty-five thousand and less than seventy thousand according to the most recent federal decennial census and in which, on December 31, 2006, an excise tax is levied under division (A)(1) of this section at a rate not less than and not greater than three per cent, and in which the most recent increase in the rate of that tax was enacted or took effect in November 1984.

The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purpose of paying expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism. The increase in rate shall remain in effect for the period specified in the resolution, not to exceed twenty years, provided that the increase in rate may not continue beyond the time when the purpose for which the increase is levied ceases to exist. If revenue from the increase in rate is pledged
to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section. A resolution adopted under division (A)(7) of this section is subject to referendum under sections 305.31 to 305.99 of the Revised Code.

(8)(a) Division (A)(8) of this section applies only to a county satisfying all of the following:

(i) The population of the county is greater than one hundred seventy-five thousand and less than two hundred twenty-five thousand according to the most recent federal decennial census.

(ii) An amusement park with an average yearly attendance in excess of two million guests is located in the county.

(iii) On December 31, 2014, an excise tax was levied in the county under division (A)(1) of this section at a rate of three per cent.

(b) The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be used to pay the costs of constructing and maintaining facilities owned by the county or by a port authority created...
under Chapter 4582. of the Revised Code, and designed to host sporting events and expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with reference to the sports facilities, and to pay or pledge to the payment of debt service on securities issued to pay the costs of constructing, operating, and maintaining the sports facilities. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(9) The board of county commissioners of a county with a population greater than seventy-five thousand and less than seventy-eight thousand, by resolution adopted by a majority of the members of the board not later than October 15, 2015, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purposes described in section 307.679 of the Revised Code or for the promotion of travel and tourism in the county, including travel and tourism to sports facilities. The increase in rate shall remain in effect for the period specified in the resolution and as necessary to fulfill the county's obligations under a cooperative agreement entered into under section 307.679 of the Revised Code. If the resolution
is adopted by the board before September 29, 2015, but after that enactment becomes law, the increase in rate shall become effective beginning on September 29, 2015. If revenue from the increase in rate is pledged to the payment of debt charges on securities, or to substitute for other revenues pledged to the payment of such debt, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(10) Division (A)(10) of this section applies only to counties satisfying either of the following:

(a) A county that, on July 1, 2015, does not levy an excise tax under division (A)(1) of this section and that has a population of at least thirty-nine thousand but not more than forty thousand according to the 2010 federal decennial census;

(b) A county that, on July 1, 2015, levies an excise tax under division (A)(1) of this section at a rate of three per cent and that has a population of at least seventy-one thousand but not more than seventy-five thousand according to 2010 federal decennial census.

The board of county commissioners of a county to which division (A)(10) of this section applies, by resolution adopted by a majority of the members of the board, may levy an excise tax at a rate not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests
for the purpose of acquiring, constructing, equipping, or repairing permanent improvements, as defined in section 133.01 of the Revised Code. If the board does not levy a tax under division (A)(1) of this section, the board shall establish regulations necessary to provide for the administration of the tax, which may prescribe the time for payment of the tax and the imposition of penalty or interest subject to the limitations on penalty and interest provided in division (A)(1) of this section. No portion of the revenue shall be returned to townships or municipal corporations in the county unless otherwise provided by resolution of the board. The tax shall apply throughout the territory of the county, including in any township or municipal corporation levying an excise tax under division (B) of this section or division (A) of section 5739.08 of the Revised Code. The levy of the tax is subject to referendum as provided under section 305.31 of the Revised Code.

The tax shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding unless provision is made by law or by the board for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges.

(11) The board of county commissioners of an eligible county, as defined in section 307.678 of the Revised Code, that levies an excise tax under division (A)(1) of this section on July 1, 2017, at a rate of three per cent may, by resolution adopted by a majority of the members of the board, amend the resolution levying the tax to increase the rate of the tax by not more than an additional three per cent on each transaction. No portion of the revenue shall be returned to townships or municipal corporations.
in the county unless otherwise provided by resolution of the board. Otherwise, the revenue from the increase in the rate shall be distributed and used in the same manner described under division (A)(1) of this section or distributed or used to provide credit enhancement facilities as authorized under section 307.678 of the Revised Code. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding unless provision is made by law or by the board for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges.

(12)(a) As used in this division:

(i) "Eligible county" means a county that has a population greater than one hundred ninety thousand and less than two hundred thousand according to the 2010 federal decennial census and that levies an excise tax under division (A)(1) of this section at a rate of three per cent.

(ii) "Professional sports facility" means a sports facility that is intended to house major or minor league professional athletic teams, including a stadium, together with all parking facilities, walkways, and other auxiliary facilities, real and personal property, property rights, easements, and interests that may be appropriate for, or used in connection with, the operation of the facility.

(b) Subject to division (A)(12)(c) of this section, the board of county commissioners of an eligible county, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient
guests. Revenue from the increase in rate shall be used for the purposes of paying the costs of constructing, improving, and maintaining a professional sports facility in the county and paying expenses considered necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with respect to that professional sports facility. The tax shall take effect only after the convention and visitors' bureau enters into a contract for the construction, improvement, or maintenance of a professional sports facility that is or will be located on property acquired, in whole or in part, with revenue from the increased rate, and thereafter shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless a provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(c) If, on December 31, 2019, the convention and visitors' bureau has not entered into a contract for the construction, improvement, or maintenance of a professional sports facility that is or will be located on property acquired, in whole or in part, with revenue from the increased rate, the authority to levy the tax under division (A)(12)(b) of this section is hereby repealed on that date.

(B)(1) The legislative authority of a municipal corporation
or the board of trustees of a township that is not wholly or
partly located in a county that has in effect a resolution levying
an excise tax pursuant to division (A)(1) of this section may, by
ordinance or resolution, levy an excise tax not to exceed three
per cent on transactions by which lodging by a hotel is or is to
be furnished to transient guests. The legislative authority of the
municipal corporation or the board of trustees of the township
shall deposit at least fifty per cent of the revenue from the tax
levied pursuant to this division into a separate fund, which shall
be spent solely to make contributions to convention and visitors'
bureaus operating within the county in which the municipal
corporation or township is wholly or partly located, and the
balance of that revenue shall be deposited in the general fund.
The municipal corporation or township shall establish all
regulations necessary to provide for the administration and
allocation of the tax. The regulations may prescribe the time for
payment of the tax, and may provide for the imposition of a
penalty or interest, or both, for late payments, provided that the
penalty does not exceed ten per cent of the amount of tax due, and
the rate at which interest accrues does not exceed the rate per
annum prescribed pursuant to section 5703.47 of the Revised Code.
The levy of a tax under this division is in addition to any tax
imposed on the same transaction by a municipal corporation or a
township as authorized by division (A) of section 5739.08 of the
Revised Code.

(2)(a) The legislative authority of the most populous
municipal corporation located wholly or partly in a county in
which the board of county commissioners has levied a tax under
division (A)(4) of this section may amend, on or before September
30, 2002, that municipal corporation's ordinance or resolution
that levies an excise tax on transactions by which lodging by a
hotel is or is to be furnished to transient guests, to provide for
all of the following:
(i) That the rate of the tax shall be increased by not more than an additional one per cent on each transaction;

(ii) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(iii) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law, by the board of county commissioners, or by the legislative authority, for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(b) The legislative authority of a municipal corporation that, pursuant to division (B)(2)(a) of this section, has amended its ordinance or resolution to increase the rate of the tax authorized by division (B)(1) of this section may further amend the ordinance or resolution to provide that the revenue referred to in division (B)(2)(a)(ii) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the county.
As used in division (B)(2) of this section, "cost" has the same meaning as in section 351.01 of the Revised Code, and "convention center" has the same meaning as in section 307.695 of the Revised Code.

(3) The legislative authority of an eligible municipal corporation may amend, on or before December 31, 2017, that municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for the following:

(a) That the rate of the tax shall be increased by not more than an additional three per cent on each transaction;

(b) That all of the revenue from the increase in rate shall be used by the municipal corporation for economic development and tourism-related purposes.

As used in division (B)(3) of this section, "eligible municipal corporation" means a municipal corporation that, on the effective date of the amendment of this section by H.B. 49 of the 132nd general assembly, September 29, 2017, levied a tax under division (B)(1) of this section at a rate of three per cent and that is located in a county that, on that date, levied a tax under division (A) of this section at a rate of three per cent and that has, according to the most recent federal decennial census, a population exceeding three hundred thousand but not greater than three hundred fifty thousand.

(C) For the purposes described in section 307.695 of the Revised Code and to cover the costs of administering the tax, a board of county commissioners of a county where a tax imposed under division (A)(1) of this section is in effect may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, levy an additional excise tax not to exceed three per cent on transactions by which lodging
by a hotel is or is to be furnished to transient guests. The tax
authorized by this division shall be in addition to any tax that
is levied pursuant to division (A) of this section, but it shall
not apply to transactions subject to a tax levied by a municipal
corporation or township pursuant to the authorization granted by
division (A) of section 5739.08 of the Revised Code. The board
shall establish all regulations necessary to provide for the
administration and allocation of the tax. The regulations may
prescribe the time for payment of the tax, and may provide for the
imposition of a penalty or interest, or both, for late payments,
provided that the penalty does not exceed ten per cent of the
amount of tax due, and the rate at which interest accrues does not
exceed the rate per annum prescribed pursuant to section 5703.47
of the Revised Code. All revenues arising from the tax shall be
expended in accordance with section 307.695 of the Revised Code.
The board of county commissioners of an eligible county as defined
in section 307.695 of the Revised Code may, by resolution adopted
by a majority of the members of the board, amend the resolution
levying a tax under this division to provide that the revenue from
the tax shall be used by the board as described in division (H) of
section 307.695 of the Revised Code. A tax imposed under this
division shall remain in effect at the rate at which it is imposed
for the duration of the period during which any agreement entered
into by the board under section 307.695 of the Revised Code is in
effect, the duration of the period during which any securities
issued by the board under division (I) of section 307.695 of the
Revised Code are outstanding, or the duration of the period during
which the board owns a project as defined in section 307.695 of
the Revised Code, whichever duration is longest.

(D) For the purpose of providing contributions under division
(B)(1) of section 307.671 of the Revised Code to enable the
acquisition, construction, and equipping of a port authority
educational and cultural facility in the county and, to the extent

provided for in the cooperative agreement authorized by that section, for the purpose of paying debt service charges on bonds, or notes in anticipation of bonds, described in division (B)(1)(b) of that section, a board of county commissioners, by resolution adopted within ninety days after December 22, 1992, by a majority of the members of the board, may levy an additional excise tax not to exceed one and one-half per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The excise tax authorized by this division shall be in addition to any tax that is levied pursuant to divisions (A), (B), and (C) of this section, to any excise tax levied pursuant to section 5739.08 of the Revised Code, and to any excise tax levied pursuant to section 351.021 of the Revised Code. The board of county commissioners shall establish all regulations necessary to provide for the administration and allocation of the tax that are not inconsistent with this section or section 307.671 of the Revised Code. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.671 of the Revised Code and division (D) of this section. The levy of a tax imposed under this division may not commence prior to the first day of the month next following the execution of the cooperative agreement authorized by section 307.671 of the Revised Code by all parties to that agreement. The tax shall remain in effect at the rate at which it is imposed for the period of time described in division (C) of section 307.671 of the Revised Code for which the revenue from the tax has been pledged by the county to the corporation pursuant to that section, but, to any extent provided for in the cooperative agreement, for
no lesser period than the period of time required for payment of the debt service charges on bonds, or notes in anticipation of bonds, described in division (B)(1)(b) of that section.

(E) For the purpose of paying the costs of acquiring, constructing, equipping, and improving a municipal educational and cultural facility, including debt service charges on bonds provided for in division (B) of section 307.672 of the Revised Code, and for any additional purposes determined by the county in the resolution levying the tax or amendments to the resolution, including subsequent amendments providing for paying costs of acquiring, constructing, renovating, rehabilitating, equipping, and improving a port authority educational and cultural performing arts facility, as defined in section 307.674 of the Revised Code, and including debt service charges on bonds provided for in division (B) of section 307.674 of the Revised Code, the legislative authority of a county, by resolution adopted within ninety days after June 30, 1993, by a majority of the members of the legislative authority, may levy an additional excise tax not to exceed one and one-half per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The excise tax authorized by this division shall be in addition to any tax that is levied pursuant to divisions (A), (B), (C), and (D) of this section, to any excise tax levied pursuant to section 5739.08 of the Revised Code, and to any excise tax levied pursuant to section 351.021 of the Revised Code. The legislative authority of the county shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax...
shall be expended in accordance with section 307.672 of the Revised Code and this division. The levy of a tax imposed under this division shall not commence prior to the first day of the month next following the execution of the cooperative agreement authorized by section 307.672 of the Revised Code by all parties to that agreement. The tax shall remain in effect at the rate at which it is imposed for the period of time determined by the legislative authority of the county. That period of time shall not exceed fifteen years, except that the legislative authority of a county with a population of less than two hundred fifty thousand according to the most recent federal decennial census, by resolution adopted by a majority of its members before the original tax expires, may extend the duration of the tax for an additional period of time. The additional period of time by which a legislative authority extends a tax levied under this division shall not exceed fifteen years.

(F) The legislative authority of a county that has levied a tax under division (E) of this section may, by resolution adopted within one hundred eighty days after January 4, 2001, by a majority of the members of the legislative authority, amend the resolution levying a tax under that division to provide for the use of the proceeds of that tax, to the extent that it is no longer needed for its original purpose as determined by the parties to a cooperative agreement amendment pursuant to division (D) of section 307.672 of the Revised Code, to pay costs of acquiring, constructing, renovating, rehabilitating, equipping, and improving a port authority educational and cultural performing arts facility, including debt service charges on bonds provided for in division (B) of section 307.674 of the Revised Code, and to pay all obligations under any guaranty agreements, reimbursement agreements, or other credit enhancement agreements described in division (C) of section 307.674 of the Revised Code. The resolution may also provide for the extension of the tax at the
same rate for the longer of the period of time determined by the legislative authority of the county, but not to exceed an additional twenty-five years, or the period of time required to pay all debt service charges on bonds provided for in division (B) of section 307.672 of the Revised Code and on port authority revenue bonds provided for in division (B) of section 307.674 of the Revised Code. All revenues arising from the amendment and extension of the tax shall be expended in accordance with section 307.674 of the Revised Code, this division, and division (E) of this section.

(G) For purposes of a tax levied by a county, township, or municipal corporation under this section or section 5739.08 of the Revised Code, a board of county commissioners, board of township trustees, or the legislative authority of a municipal corporation may adopt a resolution or ordinance at any time specifying that "hotel," as otherwise defined in section 5739.01 of the Revised Code, includes the following:

(1) Establishments in which fewer than five rooms are used for the accommodation of guests.

(2) Establishments at which rooms are used for the accommodation of guests regardless of whether each room is accessible through its own keyed entry or several rooms are accessible through the same keyed entry; and, in determining the number of rooms, all rooms are included regardless of the number of structures in which the rooms are situated or the number of parcels of land on which the structures are located if the structures are under the same ownership and the structures are not identified in advertisements of the accommodations as distinct establishments. For the purposes of division (G)(2) of this section, two or more structures are under the same ownership if they are owned by the same person, or if they are owned by two or more persons the majority of the ownership interests of which are
owned by the same person.

The resolution or ordinance may apply to a tax imposed pursuant to this section prior to the adoption of the resolution or ordinance if the resolution or ordinance so states, but the tax shall not apply to transactions by which lodging by such an establishment is provided to transient guests prior to the adoption of the resolution or ordinance.

Notwithstanding any contrary provision of
section 351.04 of the Revised Code, if a tax is levied by a county under division (H) of this section, the board of county commissioners of that county may determine the manner of selection, the qualifications, the number, and terms of office of the members of the board of directors of any convention facilities authority, corporation, or other entity described in division (H)(5) of this section.

Notwithstanding any contrary provision of division (A)(1) of this section, the resolution shall provide that all collections resulting from the rate levied in excess of three per cent, after deducting the real and actual costs of administering the tax, shall be used for paying the direct and indirect costs of constructing, improving, expanding, equipping, financing, or operating a convention center.

A price determination made by the consumer is subject to review and redetermination by the commissioner.

(6) If a consumer produces tangible personal property for sale and removes that property from inventory for the consumer's own use, the price is the produced cost of that tangible personal property.

(H) "Nexus with this state" means that the seller engages in
continuous and widespread solicitation of purchases from residents of this state or otherwise purposefully directs its business activities at residents of this state.

(I)(1) "Substantial nexus with this state" means that the seller has sufficient contact with this state, in accordance with Section 8 of Article I of the Constitution of the United States, to allow the state to require the seller to collect and remit use tax on sales of tangible personal property or services made to consumers in this state.

(2) "Substantial nexus with this state" is presumed to exist when the seller does any of the following:

(a) Uses an office, distribution facility, warehouse, storage facility, or similar place of business within this state, whether operated by the seller or any other person, other than a common carrier acting in its capacity as a common carrier.

(b) Regularly uses employees, agents, representatives, solicitors, installers, repairers, salespersons, or other persons in this state for the purpose of conducting the business of the seller or either to engage in a business with the same or a similar industry classification as the seller selling a similar product or line of products as the seller, or to use trademarks, service marks, or trade names in this state that are the same or substantially similar to those used by the seller.

(c) Uses any person, other than a common carrier acting in its capacity as a common carrier, in this state for any of the following purposes:

(i) Receiving or processing orders of the seller's goods or services;

(ii) Using that person's employees or facilities in this state to advertise, promote, or facilitate sales by the seller to customers;
(iii) Delivering, installing, assembling, or performing maintenance services for the seller's customers;

(iv) Facilitating the seller's delivery of tangible personal property to customers in this state by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage facility, or similar place of business.

(h) Uses in-state software to sell or lease taxable tangible personal property or services to consumers, provided the seller has gross receipts in excess of five hundred thousand dollars in the current or preceding calendar year from the sale of tangible personal property for storage, use, or consumption in this state or from providing services the benefit of which is realized in this state.

(i) Provides or enters into an agreement with another person to provide a content distribution network in this state to
accelerate or enhance the delivery of the seller's web site to consumers, provided the seller has gross receipts in excess of five hundred thousand dollars. (h) Engages, in the current or preceding calendar year from the sale of, in two hundred or more separate transactions selling tangible personal property for storage, use, or consumption in this state or from providing services the benefit of which is realized in this state.

(3) A seller presumed to have substantial nexus with this state under divisions (I)(2)(a) to (f), (g), and (h), and (i) of this section may rebut that presumption by demonstrating that activities described in any of those divisions that are conducted by a person in this state on the seller's behalf are not significantly associated with the seller's ability to establish or maintain a market in this state for the seller's sales.

(4) A seller presumed to have substantial nexus with this state under division (I)(2)(g) of this section may rebut that presumption by submitting proof that each resident engaged by the seller as described in that division did not engage in any activity within this state during the preceding twelve months that was significantly associated with the seller's ability to establish or maintain the seller's market in this state during the preceding twelve months. Such proof may consist of sworn written statements from all the residents with whom the seller has an agreement stating that the resident did not engage in any solicitation in this state on behalf of the seller during the preceding twelve months if such statements are provided and obtained in good faith. A marketplace facilitator is presumed to have substantial nexus with this state if either of the following apply in the current or preceding calendar year:

(a) The aggregate gross receipts derived from sales of tangible personal property for storage, use, or consumption in this state or services the benefit of which is realized in this state in the current or preceding calendar year exceed five hundred thousand dollars.
state, including sales made by the marketplace facilitator on its
own behalf and sales facilitated by the marketplace facilitator on
behalf of one or more marketplace sellers, exceed one hundred
thousand dollars;

(b) The marketplace facilitator engages in on its own behalf,
or facilitates on behalf of one or more marketplace sellers, two
hundred or more separate transactions selling tangible personal
property for storage, use, or consumption in this state or
services the benefit of which is realized in this state.

(5) A seller that does not have substantial nexus with this
state, and any affiliated person of the seller, before selling or
leasing tangible personal property or services to a state agency,
shall register with the tax commissioner in the same manner as a
seller described in division (A)(1) of section 5741.17 of the
Revised Code.

(6) As used in division (I) of this section:

(a) "Affiliated person" means any person that is a member of
the same controlled group of corporations as the seller or any
other person that, notwithstanding the form of organization, bears
the same ownership relationship to the seller as a corporation
that is a member of the same controlled group of corporations.

(b) "Controlled group of corporations" has the same meaning
as in section 1563(a) of the Internal Revenue Code.

(c) "State agency" has the same meaning as in section 1.60 of
the Revised Code.

(d) "In-state software" means computer software, as that term
is defined in section 5739.01 of the Revised Code, that is stored
on property in this state or is distributed within this state for
the purpose of facilitating a seller's sales.

(e) "Content delivery network" means a system of distributed
servers that deliver web sites and other web content to a user based on the geographic location of the user, the origin of the web site or web content, and a content delivery server.

(J) "Fiscal officer" means, with respect to a regional transit authority, the secretary-treasurer thereof, and with respect to a county which is a transit authority, the fiscal officer of the county transit board appointed pursuant to section 306.03 of the Revised Code or, if the board of county commissioners operates the county transit system, the county auditor.

(K) "Territory of the transit authority" means all of the area included within the territorial boundaries of a transit authority as they from time to time exist. Such territorial boundaries must at all times include all the area of a single county or all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(L) "Transit authority" means a regional transit authority created pursuant to section 306.31 of the Revised Code or a county in which a county transit system is created pursuant to section 306.01 of the Revised Code. For the purposes of this chapter, a transit authority must extend to at least the entire area of a single county. A transit authority which includes territory in more than one county must include all the area of the most populous county which is a part of such transit authority. County population shall be measured by the most recent census taken by the United States census bureau.

(R) "Remote seller" means a seller that lacks substantial nexus with this state but is required to register with the tax commissioner under section 5741.17 of the Revised Code pursuant to federal law authorizing states to require such sellers to register, collect, and remit use tax. A seller that is not required to register with the commissioner under division (A) of section 5741.17 of the Revised Code but registers voluntarily under division (B) of that section is not a "remote seller." A seller that registers with the commissioner under section 5741.17 of the Revised Code after the effective date of any federal law that authorizes states to require sellers that lack substantial nexus with the state to register, collect, and remit use tax is presumed to be a "remote seller." The seller or the commissioner may rebut this presumption with evidence that the seller has substantial nexus with this state.

(S) "Remote small seller" means a remote seller that has gross annual receipts from remote sales in the United States not exceeding one million dollars for the preceding calendar year. For the purposes of determining whether a person is a small remote seller, the sales of all persons related within the meaning of subsection (b) or (c) of section 267 or section 707(b)(1) of the Internal Revenue Code shall be aggregated, and persons with one or more ownership relationships shall be aggregated if those relationships were designed with the principal purpose to qualify
as a remote small seller.

(T) "Marketplace facilitator" means a person that owns, operates, or controls a physical or electronic marketplace through which retail sales are facilitated on behalf of one or more marketplace sellers, or an affiliate of such a person. "Marketplace facilitator" does not include a person that provides advertising services, including tangible personal property or services listed for sale, if the advertising service platform or forum does not engage directly or indirectly through one or more affiliated persons in the activities described in division (W)(2) of this section.

(U) "Marketplace seller" means a person on behalf of which a marketplace facilitator facilitates the sale of tangible personal property for storage, use, or consumption in this state or services the benefit of which are realized in this state, regardless of whether or not the person has a substantial nexus with this state.

(V) "Electronic marketplace" includes digital distribution services, digital distribution platforms, online portals, application stores, computer software applications, in-app purchase mechanisms, or other digital products.

(W) A sale is "facilitated" by a marketplace facilitator on behalf of a marketplace seller if it satisfies divisions (W)(1), (2), and (3) of this section:

(1) The marketplace facilitator, directly or indirectly, does any of the following:

(a) Lists, makes available, or advertises the tangible personal property or services that are the subject of the sale in a physical or electronic marketplace owned, operated, or controlled by the marketplace facilitator;

(b) Transmits or otherwise communicates an offer or
acceptance of the sale between the marketplace seller and the purchaser in a shop, store, booth, catalog, internet site, or other similar forum;

(c) Owns, rents, licenses, makes available, or operates any electronic or physical infrastructure or any property, process, method, copyright, trademark, or patent that connects the marketplace seller to the purchaser for the purpose of making sales;

(2) The marketplace facilitator, directly or indirectly, does any of the following:

(a) Collects the price of the tangible personal property or
services sold to the consumer;

(b) Provides payment processing services for the sale;

(c) Collects payment in connection with the sale from the consumer through terms and conditions, agreements, or arrangements with a third party, and transmits that payment to the marketplace seller, regardless of whether the person collecting and transmitting such payment receives compensation or other consideration in exchange for the service;

(d) Provides virtual currency that consumers are allowed or required to use to purchase the tangible personal property or services that are the subject of the sale.

(3) The subject of the sale is tangible personal property or services other than lodging by a hotel that is or is to be furnished to transient guests.

Sec. 5741.04. Every seller required to register with the tax commissioner pursuant to section 5741.17 of the Revised Code who is engaged in the business of selling or facilitating the sale of tangible personal property in this state for storage, use, or other consumption in this state, to which section 5741.02 of the Revised Code applies, or which is subject to a tax levied pursuant to section 5741.021, 5741.022, or 5741.023 of the Revised Code, shall, and any other seller who is authorized by rule of the tax commissioner to do so may, collect from the consumer the full and exact amount of the tax payable on each such storage, use, or consumption, in the manner and at the times provided as follows:

(A) If the price is, at or prior to the delivery of possession of the thing sold to the consumer, paid in currency passed from hand to hand by the consumer or the consumer's agent, to the seller or the seller's agent, the seller or the seller's agent shall collect the tax with and at the same time as the
price.

(B) If the price is otherwise paid or to be paid, the seller or the seller's agent shall, at or prior to the delivery of possession of the thing sold to the consumer, charge the tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code to the account of the consumer, which amount shall be collected by the seller from the consumer in addition to the price. Such transaction shall be reported on the return for the period in which the transaction occurred, and the amount of tax applicable to the transaction shall be remitted with the return or, if the consumer is subject to section 5741.121 of the Revised Code, in the manner prescribed by that section. The amount of the tax shall become a legal charge in favor of the seller and against the consumer.

(C) It shall be the obligation of each consumer, as required by section 5741.12 of the Revised Code, to report and pay the taxes levied by sections 5741.021, 5741.022, and 5741.023 of the Revised Code, if applicable, on any storage, use, or other consumption of tangible personal property purchased in this state from a vendor required to be licensed pursuant to section 5739.17 of the Revised Code.

Sec. 5741.05. As used in this section, "receive" means taking possession of tangible personal property or making first use of a service. "Receive" does not include possession by a shipping company on behalf of a consumer.

(A) Except as otherwise provided in division (B) of this section, a seller that collects the tax levied by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on transactions, other than sales of titled motor vehicles, titled watercraft, or titled outboard motors, shall determine under section 5739.033 or 5739.034 of the Revised Code the jurisdiction
for which to collect the tax. 

   (B) A marketplace facilitator that collects the tax levied by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on sales facilitated by the marketplace facilitator, other than sales of titled motor vehicles, titled watercraft, or titled outboard motors, shall determine the jurisdiction for which to collect the tax as follows:

   (1) The location known to the marketplace facilitator where the consumer or the donee designated by the consumer receives the tangible personal property or service, including the location indicated by instructions for delivery to the consumer or the consumer's donee;

   (2) If division (B)(1) of this section does not apply, the location indicated by an address for the consumer that is available from the marketplace facilitator's business records that are maintained in the ordinary course of the marketplace facilitator's business, when use of that address does not constitute bad faith;

   (3) If divisions (B)(1) and (2) of this section do not apply, the location indicated by an address for the consumer obtained during the consummation of the sale, including the address associated with the consumer's payment instrument, if no other address is available, when use of that address does not constitute bad faith;

   (4) If divisions (B)(1), (2), and (3) of this section do not apply, including in the circumstance where the marketplace facilitator is without sufficient information to apply any of those divisions, the address from which tangible personal property was shipped, or from which the service was provided, disregarding any location that merely provided the electronic transfer of the property sold or service provided.
(C) A vendor or seller of motor vehicles, watercraft, or outboard motors required to be titled in this state shall collect the tax levied by section 5739.02 or 5741.02 of the Revised Code and the additional taxes levied by division (A)(1) of section 5741.021, division (A)(1) of section 5741.022, and division (A)(1) of section 5741.023 of the Revised Code for the consumer's county of residence as provided in section 1548.06 and division (B) of section 4505.06 of the Revised Code.

(D) A vendor or seller is not responsible for collecting or remitting additional tax if a consumer subsequently stores, uses, or consumes the tangible personal property or service in another jurisdiction with a rate of tax imposed by sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code that is higher than the amount collected by the vendor or seller pursuant to Chapter 5739. or 5741. of the Revised Code.

Sec. 5741.07. Except as otherwise provided in section 5741.11 of the Revised Code, a marketplace facilitator that is treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code has the same rights and obligations under this chapter as other sellers. Such obligations include registering with the tax commissioner under section 5741.17 of the Revised Code and collecting and remitting the taxes levied under this chapter on sales facilitated by the marketplace facilitator in accordance with section 5741.04 of the Revised Code. A marketplace facilitator's rights and obligations regarding a sale are not affected by the amount of the price paid by the consumer that will accrue to or benefit the marketplace facilitator as compared to the marketplace seller for which the sale is facilitated, or by whether or not such marketplace seller has substantial nexus with this state, registers with the tax commissioner under section 5741.17 of the Revised Code, or collects and remits taxes on sales not facilitated by a marketplace facilitator in accordance with
A marketplace seller that is required to collect and remit the taxes levied under this chapter shall continue to do so for all sales other than those facilitated by a marketplace facilitator that is treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code, including sales facilitated before the first day of the first month that begins at least thirty days after the marketplace facilitator first has substantial nexus with this state.

Sec. 5741.071. (A) A marketplace seller may request and shall obtain a waiver from the tax commissioner for a marketplace facilitator not to be treated as a seller pursuant to division (E) of section 5741.01 of the Revised Code with respect to a specific marketplace seller if the following conditions are met:

1. The marketplace seller certifies it has annual gross receipts within the United States, including the gross receipts of any affiliate, as defined in section 122.15 of the Revised Code, of at least one billion dollars;

2. The marketplace seller or its affiliate, as defined in section 122.15 of the Revised Code, is publicly traded on at least one major stock exchange;

3. The marketplace seller is current on all taxes, fees, and charges administered by the department of taxation that are not subject to a bona fide dispute;

4. The marketplace seller has not, within the past twelve months, requested that a waiver related to the marketplace facilitator at issue be canceled nor has the waiver been revoked by the commissioner; and

5. The marketplace seller has not violated division (B) of section 5739.30 of the Revised Code.
(B) A marketplace seller shall request a waiver on the form prescribed by the commissioner. A request for a waiver shall contain a signed declaration from the marketplace facilitator acquiescing to the request for a waiver. A waiver request that is not ruled upon by the commissioner within thirty days of the date it was filed is deemed granted. A waiver that is granted by the commissioner or deemed to be granted is effective on and after the first day of the first month that begins at least thirty days after the commissioner grants the waiver or the waiver is deemed granted. The waiver is valid until the first day of the first month that begins at least sixty days after it is revoked by the commissioner or cancelled by the marketplace seller.

(C)(1) If a waiver is granted by the commissioner, the commissioner shall notify the marketplace seller and the seller shall be considered the vendor pursuant to division (C) of section 5739.01 of the Revised Code or a seller pursuant to division (E) of section 5741.01 of the Revised Code, as applicable.

(2) A marketplace seller is required to notify the marketplace facilitator of the status of the waiver of the marketplace seller. However, if a waiver is denied by the commissioner, a copy of the denial shall be provided to the marketplace facilitator.

(3) A marketplace seller that has been issued a waiver under this section may cancel the waiver by sending notice to the commissioner and to the marketplace facilitator identified in the waiver application. The commissioner may revoke a waiver if the commissioner determines that any of the conditions described in divisions (A)(1) to (5) of this section are no longer met by the marketplace seller. The commissioner shall notify the marketplace seller and the marketplace facilitator upon revoking a waiver.

(D) Notwithstanding section 5703.21 of the Revised Code, the commissioner may divulge information related to the status of the
waiver sought by or granted to the marketplace seller for a particular marketplace facilitator to either the impacted marketplace seller or marketplace facilitator.

(E) The commissioner may promulgate rules the commissioner deems necessary to administer this section.

Sec. 5741.11. If (A) Except as otherwise provided in divisions (B) and (C) of this section, if any seller who is required or authorized to collect the tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code fails to do so, the seller shall be liable personally for such amount as the seller failed to collect. If any seller collects the tax imposed by or pursuant to any such section and fails to remit the same to the state as prescribed, the seller shall be personally liable for any amount collected which the seller failed to remit. The tax commissioner may make an assessment against such seller, based upon any information within the commissioner's possession. The commissioner shall give to the seller written notice of such assessment. Such notice may be served upon the seller personally or by certified mail.

(B) A marketplace facilitator is relieved of all liability under division (A) of this section for failure to collect the tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on a sale facilitated by the marketplace facilitator on behalf of an unaffiliated marketplace seller if it is demonstrated to the satisfaction of the commissioner that the marketplace facilitator made a reasonable effort to obtain sufficient and accurate information about the sale from the marketplace seller and that the marketplace facilitator failed to collect the correct amount of tax because of insufficient or incorrect information provided by the marketplace seller.
If a marketplace facilitator is relieved of liability under this division, the marketplace seller for which the sale was facilitated and the purchaser are personally liable for any amount of tax that is not properly collected, paid, or remitted.

(C) Division (B) of this section does not absolve a marketplace facilitator, marketplace seller, or any other person from personal liability for collecting but failing to remit the tax imposed by or pursuant to section 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code.

(D) No class action may be brought against a marketplace facilitator in any court of this state on behalf of consumers arising from or in any way related to an overpayment of the tax imposed by or pursuant to sections 5741.02, 5741.021, 5741.022, or 5741.023 of the Revised Code on sales facilitated by the marketplace facilitator, regardless of whether the claim is characterized as a tax refund claim.

Sec. 5741.13. (A) Except as provided in division (B) of this section:

(1) If any person required by section 5741.12 of the Revised Code to make a return to the tax commissioner fails to make such return at the time required by or under authority of such section, the commissioner may make an assessment against such person, based upon any information within the commissioner's possession. The commissioner shall give to such person written notice of the assessment as provided in section 5703.37 of the Revised Code.

(2) If information in the possession of the commissioner indicates that the tax paid by any consumer is less than that due, the commissioner may audit a representative sample of that consumer's purchases and may issue an assessment based thereon. The commissioner shall make a good faith effort to reach agreement with the consumer on selecting a representative sample.
(3) If information in the possession of the commissioner indicates that the amount required to be collected or paid under this chapter is greater than the amount remitted by the seller, the commissioner may audit a representative sample of the seller's sales to determine the per cent of exempt or taxable transactions or the effective tax rate and may issue an assessment based on the audit. The commissioner shall make a good faith effort to reach agreement with the seller in selecting a representative sample.

(B) The commissioner may audit only the marketplace facilitator for sales with respect to which the marketplace facilitator is treated as the seller pursuant to division (E) of section 5741.01 of the Revised Code and may not audit the marketplace seller on behalf of which the sale was facilitated. This division does not absolve a marketplace seller or the purchaser from personal liability under division (B) of section 5741.11 of the Revised Code for taxes that are not properly collected, paid, or remitted due to the inability of the marketplace facilitator to obtain accurate information about the sale from the marketplace seller.

Sec. 5741.17. (A)(1) Except as otherwise provided in divisions (A)(2), (3), and (4) of this section, every seller of tangible personal property or services who has substantial nexus with this state shall register with the tax commissioner and supply any information concerning the seller's contacts with this state that may be required by the commissioner.

(2) A seller who is licensed as a vendor pursuant to section 5739.17 of the Revised Code shall not be required to register with the commissioner pursuant to this section if all sales to consumers in this state are made under the authority of the seller's vendor's license.

(3) Unless the seller has substantial nexus with this state
pursuant to division (I)(2)(g) of section 5741.01 of the Revised Code, a seller is not required to register under this section if the seller has no contact with this state other than an agency relationship with a person engaged in the business of telemarketing in this state and engaged by the seller exclusively for the purpose of solicitation of customers in other states.

(4) A seller is not required to register under this section if the seller has no contact with this state other than the ownership of property that is located at the facility of a printer with which the seller has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the final printed product is produced.

(B) A seller who does not have substantial nexus with this state may voluntarily register with the commissioner. A seller who voluntarily registers with the commissioner under this section is entitled to the same benefits and is subject to the same duties and requirements as a seller required to be registered with the commissioner under this chapter.

The commissioner shall maintain an alphabetical index of all sellers registered under this chapter and records of the use tax reported and paid. Upon request, this information shall be made available to the treasurer of state.

(C) A remote small seller is not required to register under this section.

Subject to section 5743.031 of the Revised Code, a licensed wholesale dealer may not sell cigarettes to any person in this state other than a licensed retail dealer, except a licensed wholesale dealer may sell cigarettes to another licensed wholesale dealer if the tax commissioner has authorized the sale of the cigarettes between those wholesale dealers and the wholesale dealer that sells the cigarettes received them directly from a licensed manufacturer or licensed importer.

The tax commissioner shall adopt rules governing sales of
cigarettes between licensed wholesale dealers, including rules

The tax commissioner may adopt rules governing sales of

Sec. 5743.44. (A) Any person, other than an employee of the state, who furnishes to the department of taxation, attorney general, or any law enforcement agency original information concerning any violation of Chapter 5743. of the Revised Code, which information results in the collection and recovery of any tax or penalty or leads to the forfeiture of any cigarettes, may be awarded and paid by the treasurer of state, upon the certification of the tax commissioner, a compensation of not more than twenty per cent of the net amount received from the sale of
any forfeited cigarettes, but not exceeding ten thousand dollars in any case, which shall be paid out of the receipts of such sale. If in the opinion of the attorney general and the tax commissioner it is necessary to preserve the identity of the person furnishing such information, they shall file with the treasurer of state an affidavit stating such necessity and a warrant may be issued jointly to the attorney general and the tax commissioner. Upon payment of such money to the person furnishing the information, the attorney general and the tax commissioner shall file with the treasurer of state an affidavit that the money has been paid by them to the person entitled thereto.

(B) Except for the minimum quantity of cigarettes or tobacco products or vapor products needed as evidence to establish a violation under this chapter, all cigarettes or tobacco products or vapor products seized under this chapter shall be within the sole control and jurisdiction of the tax commissioner for sale pursuant to section 5743.08 or 5743.55 of the Revised Code.

Sec. 5743.51. (A) To provide revenue for the general revenue fund of the state, an excise tax on tobacco products and vapor products is hereby levied at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product received by a distributor or sold by a manufacturer to a retail dealer located in this state.

(2) For invoices dated October 1, 2013, or later, thirty-seven per cent of the wholesale price of little cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state.

(3) For premium cigars received by a distributor or sold by a manufacturer to a retail dealer located in this state, the lesser of seventeen per cent of the wholesale price of such premium cigarettes or thirty-seven per cent of the wholesale price of such premium cigars.
cigars or the maximum tax amount per each such premium cigar.

(4) For vapor products, one cent multiplied by the vapor volume(458,204),(910,273) of vapor products the first time the products are received by a vapor distributor in this state.

Each distributor or vapor distributor who brings tobacco products or vapor products, or causes tobacco products or vapor products to be brought, into this state for distribution within this state, or any out-of-state distributor or vapor distributor who sells tobacco products or vapor products to wholesale or retail dealers located in this state for resale by those wholesale or retail dealers is liable for the tax imposed by this section. Only one sale of the same article shall be used in computing the amount of the tax due. If a vapor product is repackaged, reconstituted, diluted, or reprocessed, the subsequent sale of that vapor product shall be considered another sale of the same article for purposes of computing the amount of tax due.

(B) The treasurer of state shall place to the credit of the tax refund fund created by section 5703.052 of the Revised Code, out of the receipts from the tax levied by this section, amounts equal to the refunds certified by the tax commissioner pursuant to section 5743.53 of the Revised Code. The balance of the taxes collected under this section shall be paid into the general revenue fund.

(C) The commissioner may adopt rules as are necessary to assist in the enforcement and administration of sections 5743.51 to 5743.66 of the Revised Code, including rules providing for the remission of penalties imposed.

(D) A manufacturer is not liable for payment of the tax imposed by this section for sales of tobacco products to a retail dealer that has filed a signed statement with the manufacturer in which the retail dealer agrees to pay and be liable for the tax,
as long as the manufacturer has provided a copy of the statement to the tax commissioner.

Sec. 5743.52. (A) Each distributor of tobacco products or vapor distributor subject to the tax levied by section 5743.51 of the Revised Code, on or before the twenty-third day of each month, shall file with the tax commissioner a return for the preceding month showing any information the tax commissioner finds necessary for the proper administration of sections 5743.51 to 5743.66 of the Revised Code this chapter, together with remittance of the tax due. The return and payment of the tax required by this section shall be filed in such a manner that it is received by the commissioner and made electronically on or before the twenty-third day of the month following the reporting period. If the return is filed and the amount of tax shown on the return to be due is paid on or before the date the return is required to be filed, the distributor or vapor distributor is entitled to a discount equal to two and five-tenths per cent of the amount shown on the return to be due.

(B) Any person who fails to timely file the return and make payment of taxes as required under this section, section 5743.62, or section 5743.63 of the Revised Code may be required to pay an additional charge not exceeding the greater of fifty dollars or ten per cent of the tax due. Any additional charge imposed under this section may be collected by assessment as provided in section 5743.56 of the Revised Code.

(C) If any tax due is not paid timely in accordance with sections 5743.52, 5743.62, or 5743.63 of the Revised Code, the person liable for the tax shall pay interest, calculated at the rate per annum as prescribed by section 5703.47 of the Revised Code, from the date the tax payment was due to the date of payment or to the date an assessment is issued under section 5743.56 of the Revised Code.
the Revised Code, whichever occurs first. The commissioner may collect such interest by assessment pursuant to section 5743.56 of the Revised Code.

(D) The commissioner may authorize the filing of returns and the payment of the tax required by this section, section 5743.62, or section 5743.63 of the Revised Code for periods longer than a calendar month.

(E) The commissioner may order any taxpayer to file with the commissioner security to the satisfaction of the commissioner conditioned upon filing the return and paying the taxes required under this section, section 5743.62, or section 5743.63 of the Revised Code if the commissioner believes that the collection of the tax may be in jeopardy.

Sec. 5743.53. (A) The treasurer of state shall refund to a taxpayer any of the following:

(1) Any tobacco products or vapor products tax paid erroneously;

(2) Any tobacco products or vapor products tax paid on an illegal or erroneous assessment;

(3) Any tax paid on tobacco products or vapor products that have been sold or shipped to retail dealers, wholesale dealers, or vapor distributors outside this state, returned to the manufacturer, or destroyed by the taxpayer with the prior approval of the tax commissioner.

Any application for refund shall be filed with the tax commissioner on a form prescribed by the commissioner for that purpose. The commissioner may not pay any refund on an application for refund filed with the commissioner more than three years from the date of payment of the tax.

(B) On the filing of the application for refund, the
commissioner shall determine the amount of the refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and to the treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the department of taxation, the refund shall include interest on the amount of the refund from the date of the overpayment. The interest shall be computed at the rate per annum in the manner prescribed by section 5703.47 of the Revised Code.

(C) If any person entitled to a refund of tax under this section or section 5703.70 of the Revised Code is indebted to the state for any tax administered by the tax commissioner, or any charge, penalties, or interest arising from such tax, the amount allowable on the application for refund first shall be applied in satisfaction of the debt.

(D) In lieu of granting a refund payable under division (A)(3) of this section, the tax commissioner may allow a taxpayer to claim a credit of the amount of refundable tax on the return for the period during which the tax became refundable. The commissioner may require taxpayers to submit any information necessary to support a claim for a credit under this section, and the commissioner shall allow no credit if that information is not provided.

Sec. 5743.54. (A) Each distributor of tobacco products and each vapor distributor of vapor products shall maintain complete and accurate records of all purchases and sales of tobacco products or vapor products, and shall procure and retain all
invoices, bills of lading, and other documents relating to the purchases and sales of tobacco products. The distributor or vapor distributor shall keep open records and documents during business hours for the inspection of the tax commissioner, and shall preserve them for a period of three years from the date the return was due or was filed, whichever is later, unless the commissioner, in writing, consents to their destruction within that period, or orders that they be kept for a longer period of time.

(B) (1) Each distributor of tobacco products and each vapor distributor of vapor products subject to the tax levied by section 5743.51 of the Revised Code shall mark on the invoices of tobacco products or vapor products sold that the tax levied by that section has been paid and shall indicate the distributor's or vapor distributor's account number as assigned by the tax commissioner.

(2) Each vapor distributor subject to the tax imposed by section 5743.51 of the Revised Code shall mark on all invoices the total weight of the vapor product, rounded to the nearest one-tenth of one gram, if the vapor product is not sold in liquid form. If the vapor product is sold in liquid form, the invoice shall instead indicate the total volume of the vapor product, rounded to the nearest one-tenth of one milliliter.

(C) No person shall make a false entry upon any invoice or record upon which an entry is required by this section and no person shall present any false entry for the inspection of the commissioner with the intent to evade the tax levied under section 5743.51, 5743.62, or 5743.63 of the Revised Code.

Sec. 5743.55. Whenever the tax commissioner discovers any tobacco products or vapor products, subject to the tax levied under section 5743.51, 5743.62, or 5743.63 of the Revised Code,
and upon which the tax has not been paid or the commissioner has reason to believe the tax is being avoided, the commissioner may seize and take possession of the tobacco products or vapor products, which, upon seizure, shall be forfeited to the state. Within a reasonable time after seizure, the commissioner may sell the forfeited tobacco products. From the proceeds of this sale, the tax commissioner shall pay the costs incurred in the seizure and sale, and any proceeds remaining after the sale shall be considered as revenue arising from the tax. The seizure and sale shall not relieve any person from the fine or imprisonment provided for violation of sections 5743.51 to 5743.66 of the Revised Code. The commissioner shall make the sale where it is most convenient and economical, but may order the destruction of the forfeited tobacco products if the quantity or quality of tobacco products is not sufficient to warrant their sale.

Sec. 5743.59. (A) No retail dealer of tobacco products or vapor products shall have in the retail dealer's possession tobacco products or vapor products on which the tax imposed by section 5743.51 of the Revised Code has not been paid, unless the retail dealer is licensed under section 5743.61 of the Revised Code. Payment may be evidenced by invoices from distributors or vapor distributors stating the tax has been paid.

(B) The tax commissioner may inspect any place where tobacco products or vapor products subject to the tax levied under section 5743.51 of the Revised Code are sold or stored.

(C) No person shall prevent or hinder the tax commissioner from making a full inspection of any place where tobacco products or vapor products subject to the tax imposed by section 5743.51 of the Revised Code are sold or stored, or prevent or hinder the full inspection of invoices, books, or records required to be kept by section 5743.54 of the Revised Code.
Sec. 5743.60. No person shall prepare for shipment, ship, transport, deliver, prepare for distribution, or distribute tobacco products or vapor products, or otherwise engage or participate in the business of distributing tobacco products or vapor products, with the intent to avoid payment of the tax levied by section 5743.51, 5743.62, or 5743.63 of the Revised Code, when the wholesale price of the tobacco products or the first invoice price of the vapor products exceeds three hundred dollars during any twelve-month period.

As used in this section, "first invoice price" means the invoice price of the vapor product, excluding any discount based on the method of payment of the invoice or on the time of payment of the invoice.

Sec. 5743.61. (A) Except as otherwise provided in this division, no distributor or vapor distributor shall engage in the business of distributing tobacco products, vapor products, or both within this state without having a license issued by the department of taxation to engage in that business. On the dissolution of a partnership by death, the surviving partner may operate under the license of the partnership until the expiration of the license, and the heirs or legal representatives of deceased persons, and receivers and trustees in bankruptcy appointed by any competent authority, may operate under the license of the person succeeded in possession by the heir, representative, receiver, or trustee in bankruptcy if the partner or successor notifies the department of taxation of the dissolution or succession within thirty days after the dissolution or succession.

(B)(1) Each applicant for a license to engage in the business of distributing tobacco products described by division (A)(1) of...
this section, annually, on or before the first day of February, shall make and deliver to the tax commissioner, upon a form furnished by the commissioner for that purpose, a statement showing the name of the applicant, each physical place from which the applicant distributes to distributors, vapor distributors, retail dealers, or wholesale dealers, and any other information the commissioner considers necessary for the administration of sections 5743.51 to 5743.66 of the Revised Code.

(2) At the time of making the license application for a license to engage either in the business of distributing tobacco products or in the business of distributing both tobacco products and vapor products, the applicant shall pay an application fee of one thousand dollars for each place listed on the application where the applicant proposes to carry on that business. The application fee for a license to engage solely in the business of distributing vapor products shall be one hundred twenty-five dollars for each place listed on the application where the applicant proposes to carry on that business. The fee charged for the application shall accompany the application and shall be made payable to the treasurer of state for deposit into the cigarette tax enforcement fund.

(3) Upon receipt of the application and payment of any licensing fee required by this section, the commissioner shall verify that the applicant has filed all returns, submitted all information, and paid all outstanding taxes, charges, or fees as required for any taxes, charges, or fees administered by the commissioner, to the extent the commissioner is aware of the returns, information, taxes, charges, or fees at the time of the application. Upon approval, the commissioner shall issue to the applicant a license for each place of distribution designated in the application authorizing the applicant to engage in business at that location for one year commencing on the first day of
February. For licenses issued after the first day of February, the license application fee shall be reduced proportionately by the remainder of the twelve-month period for which the license is issued, except that the application fee required to be paid under this section shall be not less than two hundred dollars. If the original license is lost, destroyed, or defaced, a duplicate license may be obtained from the commissioner upon payment of a license replacement fee of twenty-five dollars.

(C) The holder of a tobacco or vapor products license may transfer the license to a place of business on condition that the licensee's ownership and business structure remains unchanged and the licensee applies to the commissioner for the transfer on a form issued by the commissioner, and pays a transfer fee of twenty-five dollars.

(D) If a distributor or vapor distributor fails to file forms as required under Chapter 1346. or section 5743.52 of the Revised Code or pay the tax due for two consecutive periods or three periods during any twelve-month period, the commissioner may suspend the license issued to the distributor or vapor distributor under this section. The suspension is effective ten days after the commissioner notifies the distributor or vapor distributor of the suspension in writing personally or by certified mail. The commissioner shall lift the suspension when the distributor or vapor distributor files the delinquent forms and pays the tax due, including any penalties, interest, and additional charges. The commissioner may refuse to issue the annual renewal of the license required by this section and may refuse to issue a new license for a location of the distributor until all delinquent forms are filed and outstanding taxes are paid. This division does not apply to any unpaid or underpaid tax liability that is the subject of a petition or appeal filed pursuant to section 5743.56, 5717.02, or 5717.04 of the Revised Code.
(E)(1) The tax commissioner may impose a penalty of up to one thousand dollars on any person found to be engaging in the business of distributing tobacco products or vapor products without a license as required by this section.

(2) Any person engaging in the business of distributing tobacco products or vapor products without a license as required by this section shall comply with divisions (B)(1) and (2) of this section within ten days after being notified of the requirement to do so. Failure to comply with division (E)(2) of this section subjects a person to penalties imposed under section 5743.99 of the Revised Code.

Sec. 5743.62. (A) To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the seller of tobacco products or vapor products in this state at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product whenever the tobacco product is delivered to a consumer in this state for the storage, use, or other consumption of such tobacco products.

(2) For little cigars, thirty-seven per cent of the wholesale price of the little cigars whenever the little cigars are delivered to a consumer in this state for the storage, use, or other consumption of the little cigars.

(3) For premium cigars, whenever the premium cigars are delivered to a consumer in this state for the storage, use, or other consumption of the premium cigars, the lesser of seventeen per cent of the wholesale price of such premium cigars or the maximum tax amount per each such premium cigar.

(4) For vapor products, one cent multiplied by the vapor
volume of vapor products when the vapor products are delivered to a consumer in this state for the storage, use, or other consumption of the vapor products.

The tax imposed by this section applies only to sellers having substantial nexus in with this state, as defined in section 5741.01 of the Revised Code.

(B) A seller of tobacco products or vapor products who has substantial nexus in with this state as defined in section 5741.01 of the Revised Code shall register with the tax commissioner and supply any information concerning the seller's contacts with this state as may be required by the tax commissioner. A seller who does not have substantial nexus in with this state may voluntarily register with the tax commissioner. A seller who voluntarily registers with the tax commissioner is entitled to the same benefits and is subject to the same duties and requirements as a seller required to be registered with the tax commissioner under this division.

(C) Each seller of tobacco products or vapor products subject to the tax levied by this section, on or before the last twenty-third day of each month, shall file with the tax commissioner a return for the preceding month showing any information the tax commissioner finds necessary for the proper administration of sections 5743.51 to 5743.66 of the Revised Code, together with remittance of the tax due, payable to the treasurer of state. The return and payment of the tax required by this section shall be filed in such a manner that it is received by the tax commissioner on or before the last twenty-third day of the month following the reporting period. If the return is filed and the amount of the tax shown on the return to be due is paid on or before the date the return is required to be filed, the seller is entitled to a discount equal to two and five-tenths per cent of the amount shown on the return to be due.
(D) The tax commissioner shall immediately forward to the treasurer of state all money received from the tax levied by this section, and the treasurer shall credit the amount to the general revenue fund.

(E) Each seller of tobacco products or vapor products subject to the tax levied by this section shall mark on the invoices of tobacco products or vapor products sold that the tax levied by that section has been paid and shall indicate the seller's account number as assigned by the tax commissioner.

Sec. 5743.63. (A) To provide revenue for the general revenue fund of the state, an excise tax is hereby levied on the storage, use, or other consumption of tobacco products or vapor products at one of the following rates:

(1) For tobacco products other than little cigars or premium cigars, seventeen per cent of the wholesale price of the tobacco product.

(2) For little cigars, thirty-seven per cent of the wholesale price of the little cigars.

(3) For premium cigars, the lesser of seventeen per cent of the wholesale price of the premium cigars or the maximum tax amount per each premium cigar.

(4) For vapor products, one cent multiplied by the vapor volume of the vapor products.

The tax levied under division (A) of this section is imposed only if the tax has not been paid by the seller as provided in section 5743.62 of the Revised Code, or by the distributor or vapor distributor as provided in section 5743.51 of the Revised Code.

(B) Each person subject to the tax levied by this section, on or before the last twenty-third day of each month, shall file with
the tax commissioner a return for the preceding month showing any
information the tax commissioner finds necessary for the proper
administration of sections 5743.51 to 5743.66 of the Revised Code,
together with remittance of the tax due, payable to the treasurer
of state. The return and payment of the tax required by this
section shall be filed in such a manner that it is received by the
tax commissioner on or before the last twenty-third day of the
month following the reporting period.

(C) The tax commissioner shall immediately forward to the
treasure of state all money received from the tax levied by this
section, and the treasurer shall credit the amount to the general
revenue fund.

Sec. 5743.64. No person shall transport within this state, tobacco products or vapor products that have a wholesale value in excess of three hundred dollars, unless the person has obtained consent to transport the tobacco products or vapor products from the tax commissioner prior to transportation. The consent is not required if the applicable tax levied under section 5743.51, 5743.62, or 5743.63 of the Revised Code has been paid or will be paid by the distributor, vapor distributor, or seller. Application for the consent shall be in the form prescribed by the commissioner.

Every person transporting tobacco products or vapor products with the department's consent shall have the consent with him while transporting or possessing the tobacco products or vapor products within this state and shall produce the consent upon request of any law enforcement officer or authorized agent of the tax commissioner.

Any person transporting tobacco products or vapor products without the consent required by this section shall be subject to the provisions of sections 5743.51 to 5743.66 of the Revised Code,
including the tax imposed by section 5743.51, 5743.62, or 5743.63 of the Revised Code.

Sec. 5743.66. (A) Each manufacturer or importer of tobacco products or vapor products shall register with the tax commissioner before it sells or distributes tobacco products or vapor products to distributors in this state, and, upon the request of the commissioner, shall provide complete information on sales made to distributors in this state and a current list of prices charged for tobacco products or vapor products sold to distributors in this state.

(B) On or before the last twenty-third day of each month, every manufacturer or importer of tobacco products or vapor products shall file a report with the commissioner listing all sales of tobacco products or vapor products to distributors located in this state during the preceding month and any other information the commissioner finds necessary for the proper administration of sections 5743.51 to 5743.66 of the Revised Code.

Sec. 5745.05. (A) Prior to the first day of March, June, September, and December, the tax commissioner shall certify to the director of budget and management the amount to be paid to each municipal corporation, as indicated on the declaration of estimated tax reports and annual reports received under sections 5745.03 and 5745.04 of the Revised Code, less any amounts previously distributed and net of any audit adjustments made by the tax commissioner. Not later than the first day of March, June, September, and December, the director of budget and management shall provide for payment of the amount certified to each municipal corporation from the municipal income tax fund, plus a pro rata share of any investment earnings accruing to the fund since the previous payment under this section apportioned among municipal corporations entitled to such payments in proportion to
the amount certified by the tax commissioner, and minus any reduction required by the commissioner under division (D) of section 718.83 of the Revised Code. All investment earnings on money in the municipal income tax fund shall be credited to that fund.

(B) If the tax commissioner determines that the amount of tax paid by a taxpayer and distributed to a municipal corporation under this section for a taxable year exceeds the amount payable to that municipal corporation under this chapter after accounting for amounts remitted with the annual report and as estimated taxes, the tax commissioner shall permit the taxpayer to credit the excess against the taxpayer's payments to the municipal corporation of estimated taxes remitted for an ensuing taxable year under section 5745.04 of the Revised Code. If, upon the written request of the taxpayer, the tax commissioner determines that the excess to be so credited is likely to exceed the amount of estimated taxes payable by the taxpayer to the municipal corporation during the ensuing twelve months, the tax commissioner shall so notify the municipal corporation and the municipal corporation shall issue a refund of the excess to the taxpayer within ninety days after receiving such a notice. Interest shall accrue on the amount to be refunded and is payable to the taxpayer at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninety-first day after the notice is received by the municipal corporation until the day the refund is paid. Immediately after notifying a municipal corporation under this division of an excess to be refunded, the commissioner also shall notify the director of budget and management of the amount of the excess, and the director shall transfer from the municipal income tax administrative fund to the municipal income tax fund one and one-half per cent of the amount of the excess. The commissioner shall include the transferred amount in the computation of the amount due the municipal corporation in the next certification to
Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.
(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.

(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter.

"Undistributed net income of a trust" means the taxable income of the trust increased by (a) (i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b) (i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.
(8) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that the interest or interest equivalent is included in federal adjusted gross income.

(9) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(10) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(11)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(11) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(11)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.

(b) Deduct, to the extent not otherwise deducted or excluded
in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(12)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under
division (A)(12)(a) of this section shall be reduced to the extent
the reimbursement is attributable to an amount the taxpayer
deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted
gross income for any taxable year to the extent that the amount is
attributable to the recovery during the taxable year of any amount
deducted or excluded in computing federal or Ohio adjusted gross
income in any taxable year.

(13) Deduct any portion of the deduction described in section
1341(a)(2) of the Internal Revenue Code, for repaying previously
reported income received under a claim of right, that meets both
of the following requirements:

(a) It is allowable for repayment of an item that was
included in the taxpayer's adjusted gross income for a prior
taxable year and did not qualify for a credit under division (A)
or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted
gross income for the current or any other taxable year.

(14) Deduct an amount equal to the deposits made to, and net
investment earnings of, a medical savings account during the
taxable year, in accordance with section 3924.66 of the Revised
Code. The deduction allowed by division (A)(14) of this section
does not apply to medical savings account deposits and earnings
otherwise deducted or excluded for the current or any other
taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a
medical savings account during the taxable year, and the net
investment earnings on those funds, when the funds withdrawn were
used for any purpose other than to reimburse an account holder
for, or to pay, eligible medical expenses, in accordance with
section 3924.66 of the Revised Code;
(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 or 5747.65 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this section.

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of
this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of qualifying section 179 depreciation expense, including the taxpayer's proportionate or distributive share of the amount of qualifying section 179 depreciation expense allowed to any pass-through entity in which the taxpayer has a direct or indirect ownership interest.

(iii) Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, if the increase in income taxes withheld by the taxpayer is equal to or greater than ten per cent of income taxes withheld by the taxpayer during the taxpayer's immediately preceding taxable year, "two-thirds" shall be substituted for "five-sixths" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.
Subject to division (A)(20)(a)(v) of this section, for taxable years beginning in 2012 or thereafter, a taxpayer is not required to add an amount under division (A)(20) of this section if the increase in income taxes withheld by the taxpayer and by any pass-through entity in which the taxpayer has a direct or indirect ownership interest is equal to or greater than the sum of (I) the amount of qualifying section 179 depreciation expense and (II) the amount of depreciation expense allowed to the taxpayer by subsection (k) of section 168 of the Internal Revenue Code, and including the taxpayer's proportionate or distributive shares of such amounts allowed to any such pass-through entities.

If a taxpayer directly or indirectly incurs a net operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(20)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

Nothing in division (A)(20) of this section shall be construed to adjust or modify the adjusted basis of any asset.

To the extent the add-back required under division (A)(20)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be sitused to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative
methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)(20)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carried back or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(20) and (21) of this section:

(i) "Income taxes withheld" means the total amount withheld and remitted under sections 5747.06 and 5747.07 of the Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount by which the amount of income taxes withheld by an employer during the employer's current taxable year exceeds the amount of income taxes withheld by that employer during the employer's immediately preceding taxable year.

(iii) "Qualifying section 179 depreciation expense" means the difference between (I) the amount of depreciation expense directly or indirectly allowed to a taxpayer under section 179 of the Internal Revised Code, and (II) the amount of depreciation expense directly or indirectly allowed to the taxpayer under section 179 of the Internal Revenue Code as that section existed on December 31, 2002.

(21)(a) If the taxpayer was required to add an amount under division (A)(20)(a) of this section for a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five succeeding taxable years if the amount so added was five-sixths of
(ii) One-half of the amount so added for each of the two succeeding taxable years if the amount so added was two-thirds of such depreciation expense;

(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(c) No deduction is available under division (A)(21)(a) of this section with regard to any depreciation allowed by section 168(k) of the Internal Revenue Code and by the qualifying section 179 depreciation expense amount to the extent that such depreciation results in or increases a federal net operating loss carryback or carryforward. If no such deduction is available for a taxable year, the taxpayer may carry forward the amount not deducted in such taxable year to the next taxable year and add that amount to any deduction otherwise available under division (A)(21)(a) of this section for that next taxable year. The carryforward of amounts not so deducted shall continue until the entire addition required by division (A)(20)(a) of this section has been deducted.

(d) No refund shall be allowed as a result of adjustments
made by division (A)(21) of this section.

(22) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer received during the taxable year as reimbursement for life insurance premiums under section 5919.31 of the Revised Code.

The deduction may not be claimed for military pay and allowances received by the taxpayer while the taxpayer is stationed in this state.

(25) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year and not otherwise compensated for by any other source, the amount of qualified organ donation expenses incurred by the taxpayer during the taxable year, not to exceed ten thousand dollars. A taxpayer may deduct qualified organ donation expenses only once for all taxable years beginning with taxable years beginning in 2007.

For the purposes of division (A)(25) of this section:

(a) "Human organ" means all or any portion of a human liver, pancreas, kidney, intestine, or lung, and any portion of human

If the taxpayer receives income on account of retirement paid under the federal civil service retirement system or federal employees retirement system, or under any successor retirement program enacted by the congress of the United States that is established and maintained for retired employees of the United States government, and such retirement income is based, in whole or in part, on credit for the taxpayer's uniformed service, the deduction allowed under this division shall include only that portion of such retirement income that is attributable to the taxpayer's uniformed service, to the extent that portion of such retirement income is otherwise included in federal adjusted gross income and is not otherwise deducted under this section. Any amount deducted under division (A)(26) of this section is not included in a taxpayer's adjusted gross income for the purposes of section 5747.055 of the Revised Code. No amount may be deducted under division (A)(26) of this section on the basis of which a credit was claimed under section 5747.055 of the Revised Code.

year, the amount the taxpayer received during the taxable year from the military injury relief fund created in section 5902.05 of the Revised Code.

For the purposes of this division, receipt of a grant includes the distribution of a grant directly to an educational institution and the crediting of the grant to the enrollee's account with the institution.

(b) All terms used in division (A)(33) of this section have the same meanings as in section 5703.94 of the Revised Code.

(3) A trust that, in whole or part, resides in this state. If only part of a trust resides in this state, the trust is a resident only with respect to that part.

For the purposes of division (I)(3) of this section:

(i) The first time the trust receives assets, the numerator of the qualifying ratio is the fair market value of those assets at that time, net of any related liabilities, from sources enumerated in division (I)(3)(a) of this section. The denominator of the qualifying ratio is the fair market value of all the trust's assets at that time, net of any related liabilities.

The numerator of the revised qualifying ratio is the sum of (1) the fair market value of the trust's assets immediately prior to the subsequent transfer, net of any related liabilities, multiplied by the qualifying ratio last computed without regard to the subsequent transfer, and (2) the fair market value of the subsequently transferred assets at the time transferred, net of any related liabilities, from sources enumerated in division (I)(3)(a) of this section. The denominator of the revised qualifying ratio is the fair market value of all the trust's assets immediately after the subsequent transfer, net of any related liabilities.
(iii) Whether a transfer to the trust is by or from any of the sources enumerated in division (I)(3)(a) of this section shall be ascertained without regard to the domicile of the trust's beneficiaries.

(e) For the purposes of division (I)(3)(a)(i) of this section:

(ii) The transfer is made to a trust to which the decedent, prior to the decedent's death, had directly or indirectly transferred assets, net of any related liabilities, while the
decedent was domiciled in this state for the purposes of this chapter, and prior to the death of the decedent the trust became irrevocable while the decedent was domiciled in this state for the purposes of this chapter.

(iii) The transfer is made on account of a contractual relationship existing directly or indirectly between the transferor and either the decedent or the estate of the decedent at any time prior to the date of the decedent's death, and the decedent was domiciled in this state at the time of death for purposes of the taxes levied under Chapter 5731. of the Revised Code.

(1) Add interest or dividends, net of ordinary, necessary, and reasonable expenses not deducted in computing federal taxable income, on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities, but only to the extent that such net amount is not otherwise includible in Ohio taxable income and is described in either division (S)(1)(a) or (b) of this section:

(a) The net amount is not attributable to the S portion of an electing small business trust and has not been distributed to beneficiaries for the taxable year;

(b) The net amount is attributable to the S portion of an electing small business trust for the taxable year.

(5) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal taxable income for the taxable year, had the targeted jobs credit allowed under sections 38, 51, and 52 of the Internal Revenue Code not been in effect, but only to the extent such amount relates either to income included in federal taxable income for the taxable year or to income of the S portion of an electing small business trust for the taxable year;

(8) Except in the case of the final return of an estate, add any amount deducted by the taxpayer on both its Ohio estate tax
return pursuant to section 5731.14 of the Revised Code, and on its federal income tax return in determining federal taxable income;

(9)(a) Deduct any amount included in federal taxable income solely because the amount represents a reimbursement or refund of expenses that in a previous year the decedent had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable treasury regulations. The deduction otherwise allowed under division (S)(9)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer or decedent deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio taxable income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio taxable income in any taxable year, but only to the extent such amount has not been distributed to beneficiaries for the taxable year.

(10) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(12) Deduct any amount, net of related expenses deducted in computing federal taxable income, that a trust is required to report as farm income on its federal income tax return, but only if the assets of the trust include at least ten acres of land satisfying the definition of "land devoted exclusively to agricultural use" under section 5713.30 of the Revised Code, regardless of whether the land is valued for tax purposes as such land under sections 5713.30 to 5713.38 of the Revised Code. If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income. Division (S)(12) of this section applies only to taxable years of a trust beginning in 2002 or thereafter.

(13) Add the net amount of income described in section 641(c) of the Internal Revenue Code to the extent that amount is not included in federal taxable income.

(14) Add or deduct the amount the taxpayer would be required to add or deduct under division (A)(20) or (21) of this section if
the taxpayer's Ohio taxable income were computed in the same
manner as an individual's Ohio adjusted gross income is computed
under this section. In the case of a trust, division (S)(14) of
this section applies only to any of the trust's taxable years
beginning in 2002 or thereafter.

(T) "School district income" and "school district income tax"
have the same meanings as in section 5748.01 of the Revised Code.

"Qualified tuition and fees" does not include:

(a) Expenses for any course or activity involving sports, games, or hobbies unless the course or activity is part of the individual's degree or diploma program;

(2) "Qualifying trust amount" of a trust means capital gains and losses from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, a qualifying investee to the extent included in the trust's Ohio taxable income, but only if the following requirements are satisfied:

(a) The book value of the qualifying investee's physical
assets in this state and everywhere, as of the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, is available to the trust.

(b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.

Any gain or loss that is not a qualifying trust amount is modified business income, qualifying investment income, or modified nonbusiness income, as the case may be.

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

(4) "Modified Ohio taxable income" applies only to trusts, and means the sum of the amounts described in divisions (BB)(4)(a) to (c) of this section:

(a) The fraction, calculated under section 5747.013, and applying section 5747.231 of the Revised Code, multiplied by the sum of the following amounts:

(i) The trust's modified business income;

(ii) The trust's qualifying investment income, as defined in section 5747.012 of the Revised Code, but only to the extent the qualifying investment income does not otherwise constitute modified business income and does not otherwise constitute a qualifying trust amount.

(b) The qualifying trust amount multiplied by a fraction, the numerator of which is the sum of the book value of the qualifying
investee's physical assets in this state on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount, and the denominator of which is the sum of the book value of the qualifying investee's total physical assets everywhere on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the day on which the trust recognizes the qualifying trust amount. If, for a taxable year, the trust recognizes a qualifying trust amount with respect to more than one qualifying investee, the amount described in division (BB)(4)(b) of this section shall equal the sum of the products so computed for each such qualifying investee.

(c)(i) With respect to a trust or portion of a trust that is a resident as ascertained in accordance with division (I)(3)(d) of this section, its modified nonbusiness income.

(ii) With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the amount of its modified nonbusiness income satisfying the descriptions in divisions (B)(2) to (5) of section 5747.20 of the Revised Code, except as otherwise provided in division (BB)(4)(c)(ii) of this section. With respect to a trust or portion of a trust that is not a resident as ascertained in accordance with division (I)(3)(d) of this section, the trust's portion of modified nonbusiness income recognized from the sale, exchange, or other disposition of a debt interest in or equity interest in a section 5747.212 entity, as defined in section 5747.212 of the Revised Code, without regard to division (A) of that section, shall not be allocated to this state in accordance with section 5747.20 of the Revised Code but shall be apportioned to this state in accordance with division (B) of section 5747.212 of the Revised Code without regard to division (A) of that section.
If the allocation and apportionment of a trust's income under divisions (BB)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b) of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying investee" includes all persons in the qualifying controlled group on such last day.

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the
pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (BB)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. (i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.

(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. (4)(a) In the case of individuals, for taxable years beginning in 2016 or thereafter, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.

(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.
Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under divisions (A)(1) to (3) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that
certification is made.

(C) The levy of this tax on income does not prevent a municipal corporation, a joint economic development zone created under section 715.691, or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Revised Code from levying a tax on income.

(D) This division applies only to taxable years of a trust beginning in 2002 or thereafter.

(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (D) of this section equal to the lesser of (a) the tax paid to another state or the District of Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (b) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) The credits enumerated in divisions (A)(1) to (9) and (A)(18) to (20) of section 5747.98 authorized by the following sections of the Revised Code do not apply to a trust subject to division (D) of this section: section 5747.022, 5747.05, 5747.054, 5747.055, 5747.27, 5747.37, 5747.66, or 5747.71 of the Revised Code. Any credits enumerated in other divisions of credit authorized against the tax imposed by this section 5747.98 of the Revised Code apply to a trust subject to division (D) of this section that otherwise qualifies for such a credit. To the
extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(E) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts, qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

(F) Nothing in division (A)(3) of this section shall prohibit an individual with an Ohio adjusted gross income, less taxable business income and exemptions, of ten twenty-one thousand five seven hundred fifty dollars or less from filing a return under this chapter to receive a refund of taxes withheld or to claim any refundable credit allowed under this chapter.

Sec. 5747.022. An individual subject to the tax imposed by section 5747.02 of the Revised Code whose Ohio modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, for the taxable year as shown on an individual or joint annual return is less than thirty thousand dollars may claim a credit equal to twenty dollars times the number of exemptions allowed for the taxpayer, the taxpayer's spouse, and each dependent under section 5747.02 of the Revised Code.
credit shall be claimed in the order required under section 5747.98 of the Revised Code. The credit shall not be considered in determining the taxes required to be withheld under section 5747.06 of the Revised Code or the estimated taxes required to be paid under section 5747.09 of the Revised Code. In the case of an individual with respect to whom an exemption under section 5747.02 of the Revised Code is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the "number of exemptions allowed" for purposes of calculating the credit allowed under this section to such individual for the individual's taxable year shall not include an exemption for the individual.

**Sec. 5747.025.** (A) For taxable years beginning in 2014 or 2015, the personal exemption for the taxpayer, the taxpayer's spouse, and each dependent shall be one of the following amounts:

1. Two thousand two hundred fifty dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is less than or equal to forty thousand dollars;

2. One thousand nine hundred fifty dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than forty thousand dollars but less than or equal to eighty thousand dollars;

3. One thousand seven hundred fifty dollars if the taxpayer's Ohio modified adjusted gross income for the taxable year as shown on an individual or joint annual return is greater than eighty thousand dollars.

(B) For taxable years beginning in 2016 and thereafter, the personal exemption amounts prescribed in division (A) of this section shall be adjusted each year in the manner prescribed in
division (C) of this section. In the case of an individual with respect to whom an exemption under section 5747.02 of the Revised Code is allowable to another taxpayer for a taxable year beginning in the calendar year in which the individual's taxable year begins, the exemption amount applicable to such individual for such individual's taxable year shall be zero.

(C) Except as otherwise provided in this division, in August of each year, the tax commissioner shall determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding year, and make a new adjustment to the personal exemption amount for taxable years beginning in the current calendar year by multiplying that amount by the percentage increase in the gross domestic product deflator for that period; adding the resulting product to the personal exemption amount for taxable years beginning in the preceding calendar year; and rounding the resulting sum upward to the nearest multiple of fifty dollars. The adjusted amount applies to taxable years beginning in the calendar year in which the adjustment is made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The commissioner shall not make a new adjustment in any calendar year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding calendar year.

Sec. 5747.03. (A)(1) All money collected under this chapter arising from the taxes imposed by section 5747.02 or 5747.41 of the Revised Code shall be credited to the general revenue fund, except that the treasurer of state shall, at the beginning of each calendar quarter, credit to the Ohio political party fund, pursuant to section 3517.16 of the Revised Code, an amount equal...
to the total dollar value realized from the taxpayer exercise of the income tax checkoff option on tax forms processed during the preceding calendar quarter.

(B)(1) Following the crediting of moneys pursuant to division (A) of this section, the remainder deposited in the general revenue fund shall be and distributed pursuant to division (F) of section 321.24 and section 323.156 of the Revised Code; to make subsidy payments to institutions of higher education from appropriations to the Ohio board of regents department of higher education; to support expenditures for programs and services for the mentally ill, persons with developmental disabilities, and the elderly; for primary and secondary education; for medical assistance; and for any other purposes authorized by law, subject to the limitation that at least fifty per cent of the income tax collected by the state from the tax imposed by section 5747.02 of the Revised Code shall be returned pursuant to Section 9 of Article XII, Ohio Constitution.

(2) To ensure that such constitutional requirement is satisfied the tax commissioner shall, on or before the thirtieth day of June of each year, from the best information available to the tax commissioner, determine and certify for each county to the director of budget and management the amount of taxes collected under this chapter from the tax imposed under section 5747.02 of the Revised Code during the preceding calendar year that are required to be returned to the county by Section 9 of Article XII, Ohio Constitution. The director shall provide for payment from the general revenue fund to the county in the amount, if any, that the sum of the amount so certified for that county exceeds the sum of the following:

(a) The sum of the payments from the general revenue fund for the preceding calendar year credited to the county's undivided
income tax fund pursuant to division (F) of section 321.24 and
section 323.156 of the Revised Code or made directly from the
general revenue fund to political subdivisions located in the
county;

(b) The sum of the amounts from the general revenue fund
distributed in the county during the preceding calendar year for
subsidy payments to institutions of higher education from
appropriations to the Ohio board of regents department of higher
education; for programs and services for mentally ill persons,
persons with developmental disabilities, and elderly persons; for
primary and secondary education; and for medical assistance.

(c) In the case of payments made by the director under this
division in 2007, the total amount distributed to the county
during the preceding calendar year from the local government fund
and the local government revenue assistance fund, and, in the case
of payments made by the director under this division in subsequent
calendar years, the amount distributed to the county from the
local government fund;

(d) In the case of payments made by the director under this
division, the total amount distributed to the county during the
preceding calendar year from the public library fund.

Payments under this division shall be credited to the
county's undivided income tax fund, except that, notwithstanding
section 5705.14 of the Revised Code, such payments may be
transferred by the board of county commissioners to the county
general fund by resolution adopted with the affirmative vote of
two-thirds of the members thereof.

(C)(B) All payments received in each month from taxes imposed
under Chapter 5748. of the Revised Code and any penalties or
interest thereon shall be paid into the school district income tax
fund, which is hereby created in the state treasury, except that
an amount equal to the following portion of such payments shall be paid into the general school district income tax administrative fund, which is hereby created in the state treasury:

(1) One and three-quarters of one per cent of those received in fiscal year 1996;

(2) One and one-half per cent of those received in fiscal year 1997 and thereafter.

Money in the school district income tax administrative fund shall be used by the tax commissioner to defray costs incurred in administering the school district's income tax, including the cost of providing employers with information regarding the rate of tax imposed by any school district. Any moneys remaining in the fund after such use shall be deposited in the school district income tax fund.

All interest earned on moneys in the school district income tax fund shall be credited to the fund.

(D)(C)(1)(a) Within thirty days of the end of each calendar quarter ending on the last day of March, June, September, and December, the director of budget and management shall make a payment from the school district income tax fund to each school district for which school district income tax revenue was received during that quarter. The amount of the payment shall equal the balance in the school district's account at the end of that quarter.

(b) After a school district ceases to levy an income tax, the director of budget and management shall adjust the payments under division (D)(C)(1)(a) of this section to retain sufficient money in the school district's account to pay refunds. For the calendar quarters ending on the last day of March and December of the calendar year following the last calendar year the tax is levied, the director shall make the payments in the amount required under
division (D) (C) (1) (a) of this section. For the calendar quarter ending on the last day of June of the calendar year following the last calendar year the tax is levied, the director shall make a payment equal to nine-tenths of the balance in the account at the end of that quarter. For the calendar quarter ending on the last day of September of the calendar year following the last calendar year the tax is levied, the director shall make no payment. For the second and succeeding calendar years following the last calendar year the tax is levied, the director shall make one payment each year, within thirty days of the last day of June, in an amount equal to the balance in the district's account on the last day of June.

(2) Moneys paid to a school district under this division shall be deposited in its school district income tax fund. All interest earned on moneys in the school district income tax fund shall be apportioned by the tax commissioner pro rata among the school districts in the proportions and at the times the districts are entitled to receive payments under this division.

Sec. 5747.04. All reports, returns, and payments required of a taxpayer or employer by this chapter, except payments by electronic funds transfer as required under section 5747.072 of the Revised Code, shall be filed with the tax commissioner. Upon receipt by him the commissioner of any payments under this chapter arising from a tax imposed under section 5747.02 of the Revised Code, the commissioner shall estimate and annually reconcile and determine for any amount paid by or on behalf of any taxpayer and for any amount shown due or owed to any taxpayer, the county to which such amount is attributable. The county of attribution is the county in which the taxpayer was a resident for one more than half of the number of days of the payroll period during which any income subject to taxation under this chapter was
earned or, in the case of a nonresident taxpayer, his the nonresident taxpayer's principal county of employment. If there is no payroll period to which such income can be attributed, the county of attribution is the county in which the taxpayer resided at the time he the taxpayer received such income.

The commissioner shall adopt such rules, including a requirement that each taxpayer indicate his the taxpayer's school district of residence on his the taxpayer's tax return, as are reasonably necessary to insure the efficient administration of this section and the distribution required by division (B)(A) of section 5747.03 of the Revised Code.

Sec. 5747.05. As used in this section, "income tax" includes both a tax on net income and a tax measured by net income.

The following credits shall be allowed against the aggregate income tax liability imposed by section 5747.02 of the Revised Code on individuals and estates:

(A)(1) The amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of any nonresident taxpayer that is not allocable or apportionable to this state pursuant to sections 5747.20 to 5747.23 of the Revised Code. The credit provided under this division shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The tax commissioner may enter into an agreement with the taxing authorities of any state or of the District of Columbia that imposes an income tax to provide that compensation paid in this state to a nonresident taxpayer shall not be subject to the tax levied in section 5747.02 of the Revised Code so long as compensation paid in such other state or in the District of Columbia to a resident taxpayer shall likewise not be subject to the income tax of such other state or of the District of Columbia.
(B) The lesser of division (B)(1) or (2) of this section:

(1) The aggregate amount of tax otherwise due under section 5747.02 of the Revised Code on such portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(1) of this section shall not exceed the total tax due under section 5747.02 of the Revised Code.

(2) The amount of income tax liability to another state or the District of Columbia on the portion of the combined adjusted gross income and business income of a resident taxpayer that in another state or in the District of Columbia is subjected to an income tax. The credit provided under division (B)(2) of this section shall not exceed the total amount of tax otherwise due under section 5747.02 of the Revised Code.

(3) If the credit provided under division (B) of this section is affected by a change in either the portion of the combined adjusted gross income and business income of a resident taxpayer subjected to an income tax in another state or the District of Columbia or the amount of income tax liability that has been paid to another state or the District of Columbia, the taxpayer shall report the change to the tax commissioner within sixty days of the change in such form as the commissioner requires.

(a) In the case of an underpayment, the report shall be accompanied by payment of any additional tax due as a result of the reduction in credit together with interest on the additional tax and is a return subject to assessment under section 5747.13 of the Revised Code solely for the purpose of assessing any additional tax due under this division, together with any applicable penalty and interest. It shall not reopen the computation of the taxpayer's tax liability under this chapter from a previously filed return no longer subject to assessment.
except to the extent that such liability is affected by an
adjustment to the credit allowed by division (B) of this section.

(b) In the case of an overpayment, an application for refund
may be filed under this division within the sixty-day period
prescribed for filing the report even if it is beyond the period
prescribed in section 5747.11 of the Revised Code if it otherwise
conforms to the requirements of such section. An application filed
under this division shall only claim refund of overpayments
resulting from an adjustment to the credit allowed by division (B)
of this section unless it is also filed within the time prescribed
in section 5747.11 of the Revised Code. It shall not reopen the
computation of the taxpayer's tax liability except to the extent
that such liability is affected by an adjustment to the credit
allowed by division (B) of this section.

(4) No credit shall be allowed under division (B) of this
section:

(a) For income tax paid or accrued to another state or to the
District of Columbia if the taxpayer, when computing federal
adjusted gross income, has directly or indirectly deducted, or was
required to directly or indirectly deduct, the amount of that
income tax;

(b) For compensation that is not subject to the income tax of
another state or the District of Columbia as the result of an
agreement entered into by the tax commissioner under division
(A)(3) of this section; or

(c) For income tax paid or accrued to another state or the
District of Columbia if the taxpayer fails to furnish such proof
as the tax commissioner shall require that such income tax
liability has been paid.

(C) An individual who is a resident for part of a taxable
year and a nonresident for the remainder of the taxable year is
allowed the credits under divisions (A) and (B) of this section in accordance with rules prescribed by the tax commissioner. In no event shall the same income be subject to both credits.

(D) The credit allowed under division (A) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code. The credit allowed under division (B) of this section shall be calculated based upon the amount of tax due under section 5747.02 of the Revised Code after subtracting any other credits that precede the credit under that division in the order required under section 5747.98 of the Revised Code.

(E)(1) On a joint return filed by a husband and wife, each of whom had adjusted gross income of at least five hundred dollars, exclusive of interest, dividends and distributions, royalties, rent, and capital gains, a credit equal to the lesser of six hundred fifty dollars or the percentage shown in column B that corresponds with the taxpayer's modified adjusted gross income, less exemptions for the taxable year, of the total amount of tax due after allowing for any other credit that precedes this credit as required under section 5747.98 of the Revised Code:

(2) The credit shall be claimed in the order required under section 5747.98 of the Revised Code.

(F) No claim for credit under this section shall be allowed unless the claimant furnishes such supporting information as the tax commissioner prescribes by rules.

Sec. 5747.054. In addition to all other credits allowed by this chapter, a credit shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers with modified adjusted gross income of less than forty thousand dollars. The amount of the credit shall equal twenty-five per cent of the federal dependent care credit for which the taxpayer is eligible for the taxable year under section 21 of the Internal Revenue Code, 26 U.S.C.A. 21; except that the amount of the credit for a taxpayer with modified adjusted gross income of less than twenty thousand dollars shall equal the federal credit for which the taxpayer is eligible, in any case without regard to any limitation imposed by section 26 of the Internal Revenue Code, 26 U.S.C.A. 26.

The credit allowed by this section shall be claimed in the order required under section 5747.98 of the Revised Code.

Sec. 5747.055. (A) As used in this section "retirement income" means retirement benefits, annuities, or distributions that are made from or pursuant to a pension, retirement, or profit-sharing plan and that:

(1) In the case of an individual, are received by the individual on account of retirement and are included in the individual's adjusted gross income;

(2) In the case of an estate, are payable to the estate for the benefit of the surviving spouse of the decedent and are included in the estate's taxable income.
(B) A credit shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers who received retirement income during the taxable year and whose modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars. (C) A taxpayer who received a lump-sum distribution from a pension, retirement, or profit-sharing plan in the taxable year and whose modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars, may elect to receive a credit under this division in lieu of the credit allowed under division (B) of this section. A taxpayer making such an election is not entitled to the credit authorized under this division or division (B) of this section in subsequent taxable years. A taxpayer electing the credit under this division shall receive a credit for the taxable year against the taxpayer's aggregate tax liability under section 5747.02 of the Revised Code computed as follows:

(1) Divide the amount of retirement income received during the taxable year by the taxpayer's expected remaining life on the...
last day of the taxable year, as shown by annuity tables issued under the provisions of the Internal Revenue Code and in effect for the calendar year that includes the last day of the taxable year;

(2) Using the quotient thus obtained as the amount of retirement income received during the taxable year, compute the credit for the taxable year in accordance with division (B) of this section;

(3) Multiply the credit thus obtained by the taxpayer's expected remaining life. The product thus obtained shall be the credit under this division for the taxable year.

(D) If the credit under division (C) or (E) of this section exceeds the taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for the taxable year after allowing for any other credit that precedes that credit in the order required under section 5747.98 of the Revised Code, the taxpayer may elect to receive a credit for each subsequent taxable year. The amount of the credit for each such year shall be computed as follows:

(1) Determine the amount by which the unused credit elected under division (C) or (E) of this section exceeded the total tax due for the taxable year after allowing for any preceding credit in the required order;

(2) Divide the amount of such excess by one year less than the taxpayer's expected remaining life on the last day of the taxable year of the distribution for which the credit was allowed under division (C) or (E) of this section. The quotient thus obtained shall be the credit for each subsequent year.

(E) If subsequent to the receipt of a lump-sum distribution and an election under division (C) of this section an individual receives another lump-sum distribution within one taxable year,
and the taxpayer's modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars, the taxpayer may elect to receive a credit for that taxable year. The credit shall equal the lesser of:

1. A credit computed in the manner prescribed in division (C) of this section;
2. The amount of credit, if any, to which the taxpayer would otherwise be entitled for the taxable year under division (D) of this section times the taxpayer's expected remaining life on the last day of the taxable year. A taxpayer who elects to receive a credit under this division is not entitled to a credit under this division or division (B) or (C) of this section for any subsequent year except as provided in division (D) of this section.

F. A credit equal to fifty dollars for each return required to be filed under section 5747.08 of the Revised Code shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers sixty-five years of age or older during the taxable year whose modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars for that taxable year.

G. A taxpayer sixty-five years of age or older during the taxable year who has received a lump-sum distribution from a pension, retirement, or profit-sharing plan in the taxable year, and whose modified adjusted gross income, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars for that taxable year may elect to receive a credit under this division in lieu of the credit to which the taxpayer is entitled under division (F) of this section. A
taxpayer making such an election shall receive a credit for the taxable year against the taxpayer's aggregate tax liability under section 5747.02 of the Revised Code equal to fifty dollars times the taxpayer's expected remaining life as shown by annuity tables issued under the Internal Revenue Code and in effect for the calendar year that includes the last day of the taxable year. A taxpayer making an election under this division is not entitled to the credit authorized under this division or division (F) of this section in subsequent taxable years.

(H) The credits allowed by this section shall be claimed in the order required under section 5747.98 of the Revised Code. The tax commissioner may require a taxpayer to furnish any information necessary to support a claim for credit under this section, and no credit shall be allowed unless such information is provided.

Sec. 5747.06. (A) Except as provided in division (E)(3) of this section, every employer, including the state and its political subdivisions, maintaining an office or transacting business within this state and making payment of any compensation to an employee who is a taxpayer shall deduct and withhold from such compensation for each payroll period a tax computed in such manner as to result, as far as practicable, in withholding from the employee's compensation during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due from the employee under this chapter and Chapter 5748. of the Revised Code with respect to the amount of such compensation included in the employee's adjusted gross income during the calendar year. The employer shall deduct and withhold the tax on the date that the employer directly, indirectly, or constructively pays the compensation to, or credits the compensation to the benefit of, the employee.

The method of determining the amount to be withheld shall be
prescribed by rule of the tax commissioner in consultation with the director of budget and management. Notwithstanding section 5747.02 of the Revised Code, the rule prescribed by the commissioner The rule shall require that taxes are withheld on the first ten thousand dollars of a taxpayer's compensation at rates sufficient to ensure payment of the appropriate amount of tax reasonably estimated to be due. If the tax commissioner intends to adjust the method of determining the amount to be withheld because of the amount of surplus revenue described in division (B)(1) of section 131.44 of the Revised Code, the commissioner shall consult with the director and certify, on or before the date identified in that division, the amount estimated to be necessary to offset reductions, if any, resulting from that adjustment to the general revenue fund in that fiscal year. This section does not prohibit the commissioner from making adjustments to the method of determining the amount to be withheld after the date identified in division (B)(1) of section 131.44 of the Revised Code.

In addition to any other exclusions from withholding permitted under this section, no tax shall be withheld by an employer from the compensation of an employee when such compensation is paid for:

(1) Agricultural labor as defined in division G of section 3121 of Title 26 of the United States Code;

(2) Domestic service in a private home, local college club, or local chapter of a college fraternity or sorority;

(3) Service performed in any calendar quarter by an employee unless the cash remuneration paid for such service is three hundred dollars or more and such service is performed by an individual who is regularly employed by such employer to perform such service;

(4) Services performed for a foreign government or an
international organization;

(5) Services performed by an individual under the age of eighteen in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution, or when performed by such individual under the age of eighteen under an arrangement where newspapers or magazines are to be sold by the individual at a fixed price, the individual's compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to the individual;

(6) Services not in the course of the employer's trade or business to the extent paid in any medium other than cash.

(B) Every employer required to deduct and withhold tax from the compensation of an employee under this chapter shall furnish to each employee, with respect to the compensation paid by such employer to such employee during the calendar year, on or before the thirty-first day of January of the succeeding year, or, if the employee's employment is terminated before the close of such calendar year, within thirty days from the date on which the last payment of compensation was made, a written statement as prescribed by the tax commissioner showing the amount of compensation paid by the employer to the employee, the amount deducted and withheld as state income tax, any amount deducted and withheld as school district income tax for each applicable school district, and any other information as the commissioner prescribes.

(C) The failure of an employer to withhold tax as required by this section does not relieve an employee from the liability for the tax. The failure of an employer to remit the tax as required by law does not relieve an employee from liability for the tax if the tax commissioner ascertains that the employee colluded with the employer with respect to the failure to remit the tax.
(D) If an employer fails to deduct and withhold any tax as required, and thereafter the tax is paid, the tax so required to be deducted and withheld shall not be collected from the employer, but the employer is not relieved from liability for penalties and interest otherwise applicable in respect to the failure to deduct and withhold the tax.

(E) To ensure that taxes imposed pursuant to Chapter 5748. of the Revised Code are deducted and withheld as provided in this section:

(1) An employer shall request that each employee furnish the name of the employee's school district of residence;

(2) Each employee shall furnish the employer with sufficient and correct information to enable the employer to withhold the taxes imposed under Chapter 5748. of the Revised Code. The employee shall provide additional or corrected information whenever information previously provided to the employer becomes insufficient or incorrect.

(3) If the employer complies with the requirements of division (E)(1) of this section and if the employee fails to comply with the requirements of division (E)(2) of this section, the employer is not required to withhold and pay the taxes imposed under Chapter 5748. of the Revised Code and is not subject to any penalties and interest otherwise applicable for failing to deduct and withhold such taxes.

**Sec. 5747.08.** An annual return with respect to the tax imposed by section 5747.02 of the Revised Code and each tax imposed under Chapter 5748. of the Revised Code shall be made by every taxpayer for any taxable year for which the taxpayer is liable for the tax imposed by that section or under that chapter, unless the total credits allowed under division (E) of section 5747.05 and divisions (F) and (G) of section 5747.055 of the
Revised Code for the year are equal to or exceed the tax imposed by section 5747.02 of the Revised Code, in which case no return shall be required unless the taxpayer is liable for a tax imposed pursuant to Chapter 5748. of the Revised Code.

(A) If an individual is deceased, any return or notice required of that individual under this chapter shall be made and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(B) If an individual is unable to make a return or notice required by this chapter, the return or notice required of that individual shall be made and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual.

(C) Returns or notices required of an estate or a trust shall be made and filed by the fiduciary of the estate or trust.

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) of this section, any pass-through entity may file a single return on behalf of one or more of the entity's investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code. The single return shall set forth the name, address, and social security number or other identifying number of each of those pass-through entity investors and shall indicate the distributive share of each of those pass-through entity investor's income taxable in this state in accordance with sections 5747.20 to 5747.231 of the Revised Code. Such pass-through entity investors for whom the pass-through entity elects to file a single return are not entitled to the exemption or credit provided for by sections 5747.02 and 5747.022 of the Revised Code; shall calculate the tax before business credits at the highest rate of tax set forth in section 5747.02 of the Revised Code for the taxable year for which the return is filed;
and are entitled to only their distributive share of the business
credits as defined in division (D)(2) of this section. A single
check drawn by the pass-through entity shall accompany the return
in full payment of the tax due, as shown on the single return, for
such investors, other than investors who are persons subject to
the tax imposed under section 5733.06 of the Revised Code.

(b)(i) A pass-through entity shall not include in such a
single return any investor that is a trust to the extent that any
direct or indirect current, future, or contingent beneficiary of
the trust is a person subject to the tax imposed under section
5733.06 of the Revised Code.

(ii) A pass-through entity shall not include in such a single
return any investor that is itself a pass-through entity to the
extent that any direct or indirect investor in the second
pass-through entity is a person subject to the tax imposed under
section 5733.06 of the Revised Code.

(c) Nothing in division (D) of this section precludes the tax
commissioner from requiring such investors to file the return and
make the payment of taxes and related interest, penalty, and
interest penalty required by this section or section 5747.02,
5747.09, or 5747.15 of the Revised Code. Nothing in division (D)
of this section precludes such an investor from filing the annual
return under this section, utilizing the refundable credit equal
to the investor's proportionate share of the tax paid by the
pass-through entity on behalf of the investor under division (I)
of this section, and making the payment of taxes imposed under
section 5747.02 of the Revised Code. Nothing in division (D) of
this section shall be construed to provide to such an investor or
pass-through entity any additional deduction or credit, other than
the credit provided by division (I) of this section, solely on
account of the entity's filing a return in accordance with this
section. Such a pass-through entity also shall make the filing and
payment of estimated taxes on behalf of the pass-through entity investors other than an investor that is a person subject to the tax imposed under section 5733.06 of the Revised Code.

(2) For the purposes of this section, "business credits" means the credits listed in section 5747.98 of the Revised Code excluding the following credits:

(a) The retirement income credit under division (B) of section 5747.055 of the Revised Code;

(b) The senior citizen credit under division (F) of section 5747.055 of the Revised Code;

(c) The lump sum distribution credit under division (G) of section 5747.055 of the Revised Code;

(d) The dependent care credit under section 5747.054 of the Revised Code;

(e) The lump sum retirement income credit under division (C) of section 5747.055 of the Revised Code;

(f) The lump sum retirement income credit under division (D) of section 5747.055 of the Revised Code;

(g) The lump sum retirement income credit under division (E) of section 5747.055 of the Revised Code;

(h) The credit for displaced workers who pay for job training under section 5747.27 of the Revised Code;

(i) The twenty-dollar personal exemption credit under section 5747.022 of the Revised Code;

(j) The joint filing credit under division (E) of section 5747.05 of the Revised Code;

(k) The nonresident credit under division (A) of section 5747.05 of the Revised Code;

(l) The credit for a resident's out-of-state income under
division (B) of section 5747.05 of the Revised Code;

(m) The earned income tax credit under section 5747.71 of the Revised Code;

(n) The lead abatement credit under section 5747.26 of the Revised Code.

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return.

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return.
(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each year, on forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form.

Upon good cause shown, the commissioner may extend the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions. If the
extension results in an extension of time for the payment of any
state or school district income tax liability with respect to
which the return is filed, the taxpayer shall pay at the time the
tax liability is paid an amount of interest computed at the rate
per annum prescribed by section 5703.47 of the Revised Code on
that liability from the time that payment is due without extension
to the time of actual payment. Except as provided in section
5747.132 of the Revised Code, in addition to all other interest
charges and penalties, all taxes imposed under this chapter or
Chapter 5748. of the Revised Code and remaining unpaid after they
become due, except combined amounts due of one dollar or less,
bear interest at the rate per annum prescribed by section 5703.47
of the Revised Code until paid or until the day an assessment is
issued under section 5747.13 of the Revised Code, whichever occurs
first.

If the commissioner considers it necessary in order to ensure
the payment of the tax imposed by section 5747.02 of the Revised
Code or any tax imposed under Chapter 5748. of the Revised Code,
the commissioner may require returns and payments to be made
otherwise than as provided in this section.

To the extent that any provision in this division conflicts
with any provision in section 5747.026 of the Revised Code, the
provision in that section prevails.

(H) The amounts withheld by an employer pursuant to section
5747.06 of the Revised Code, a casino operator pursuant to section
5747.063 of the Revised Code, or a lottery sales agent pursuant to
section 5747.064 of the Revised Code shall be allowed to the
recipient of the compensation casino winnings, or lottery prize
award as credits against payment of the appropriate taxes imposed
on the recipient by section 5747.02 and under Chapter 5748. of the
Revised Code.

(I) If a pass-through entity elects to file a single return
under division (D) of this section and if any investor is required to file the annual return and make the payment of taxes required by this chapter on account of the investor's other income that is not included in a single return filed by a pass-through entity or any other investor elects to file the annual return, the investor is entitled to a refundable credit equal to the investor's proportionate share of the tax paid by the pass-through entity on behalf of the investor. The investor shall claim the credit for the investor's taxable year in which or with which ends the taxable year of the pass-through entity. Nothing in this chapter shall be construed to allow any credit provided in this chapter to be claimed more than once. For the purpose of computing any interest, penalty, or interest penalty, the investor shall be deemed to have paid the refundable credit provided by this division on the day that the pass-through entity paid the estimated tax or the tax giving rise to the credit.

(J) The tax commissioner shall ensure that each return required to be filed under this section includes a box that the taxpayer may check to authorize a paid tax preparer who prepared the return to communicate with the department of taxation about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the department of taxation to contact the preparer concerning questions that arise during the processing of the return and authorizes the preparer only to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the department and has shown to the preparer.

(K) The tax commissioner shall permit individual taxpayers to
instruct the department of taxation to cause any refund of overpaid taxes to be deposited directly into a checking account, savings account, or an individual retirement account or individual retirement annuity, or preexisting college savings plan or program account offered by the Ohio tuition trust authority under Chapter 3334. of the Revised Code, as designated by the taxpayer, when the taxpayer files the annual return required by this section electronically.

(L) The tax commissioner may adopt rules to administer this section.

(a) The day after which the period for appeal of a federal assessment has expired;

(b) The date on a refund check issued by the internal revenue service; or

(c) For agreements required to be signed by the internal revenue service and the taxpayer or audited partnership, the date on which the last party signed the agreement.

(B) If any of the facts, figures, computations, or attachments required in a taxpayer's annual return to determine

Code must be altered as the result of an a final federal
adjustment to the taxpayer's federal income tax return, whether
initiated by the taxpayer or the internal revenue service, and
such alteration affects the taxpayer's tax liability under this
chapter or Chapter 5748. of the Revised Code, and the federal

this section, the taxpayer shall file an amended return with the
tax commissioner in such form as the commissioner requires. The
amended return shall be filed not later than sixty ninety days
after the federal adjustment has been agreed to or finally
determined for federal income tax purposes or any federal income
tax deficiency or refund, or the abatement or credit resulting
therefrom, has been assessed or paid, whichever occurs first.

(A)(C) Except for adjustments required to be reported for
federal purposes pursuant to section 6225(a)(2) of the Internal
Revenue Code and adjustments that are taken into account on a
federal amended return or similar report filed pursuant to section
6225(c)(2) of the Internal Revenue Code, partnerships and partners
shall report final federal adjustments and make payments as
required under division (C) of this section.

the audited partnership, and the partnership's direct and indirect
investors shall be bound by those actions.

(2) Unless an audited partnership makes the election under
division (C)(3) of this section:

(a) The audited partnership, through its state partnership

after the federal adjustment is final:

(i) File a federal adjustments return with the tax commissioner, including a copy of the notifications provided under division (C)(2)(a)(ii) of this section;

(ii) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments;

(iii) File an amended tax return on behalf of its nonresident direct investors and pay any additional tax that would have been due under sections 5733.41 and 5747.41, or division (D) of section 5747.08, of the Revised Code with respect to those direct investors had the final federal adjustments been reported properly on the original filing.

(b) Each direct investor that is subject to the tax imposed by section 5747.02 of the Revised Code shall file an original or amended tax return to include the investor's distributive share of the adjustments reported to the direct investor under division (C)(2)(a) of this section, and pay any additional tax due, within ninety days after the audited partnership files its federal adjustments return with the commissioner.

(c)(i) Each direct and indirect investor of an audited partnership that is a pass-through entity and all investors in such a pass-through entity that are subject to the filing and payment requirements of Chapters 5733. and 5747. of the Revised Code are subject to the reporting and payment requirements of division (C)(2) or, upon a timely election, division (C)(3) of this section.

(ii) Such direct and indirect investors shall make the required returns and payments within ninety days after the deadline for filing and furnishing statements under section 6226(b)(4) of the Internal Revenue Code and applicable treasury
regulations.

(3) If an audited partnership makes the election under this division, the audited partnership, through its state partnership representative, shall do all of the following within ninety days after all federal adjustments are final:

(i) The distributive shares of the final federal adjustments that are allocable or apportionable to this state of each investor who is a nonresident taxpayer or pass-through entity;

(ii) The distributive share of the final federal adjustments for each investor who is a resident taxpayer.

(c) Notify each of its direct investors, on a form prescribed by the commissioner, of the investor's distributive share of the final federal adjustments and the amount paid on their behalf pursuant to division (C)(3)(b) of this section.

(4)(a) A direct investor of an audited partnership is not required to file an amended return or pay tax otherwise due under section 5747.02 of the Revised Code if the audited partnership properly reports and pays the tax under division (C)(3) of this section.

(b)(i) Nothing in division (C) of this section precludes a direct or indirect investor in the audited partnership from filing a return to report the investor's share of the final federal adjustments. Such an investor who files a return and reports the
income related to the final federal adjustments is entitled to a refundable credit for taxes paid by the audited partnership under division (C)(3)(b) of this section. The credit shall be computed and claimed in the same manner as the credit allowed under division (I) of section 5747.08 of the Revised Code.

(ii) Notwithstanding division (C)(4)(b)(i) of this section, an exempt partner, whether a direct or indirect investor, may file an application for refund of its proportionate share of the amounts erroneously paid by the audited partnership pursuant to division (C)(3)(b) of this section on the exempt partner's behalf.

(5) Upon request by an audited partnership, the tax commissioner may agree, in writing, to allow an alternative method of reporting and payment than required by divisions (C)(2) or (3) of this section. The request must be submitted to the commissioner in writing before the applicable deadline for filing a return under division (C)(2)(a) or (3) of this section. The commissioner's decision on whether to enter into an agreement under this division is not subject to further administrative review or appeal.

(6) Nothing in division (C) of this section precludes either of the following:

(a) A resident taxpayer from filing a return to claim the credit under division (B) of section 5747.05 or division (D)(2) of section 5747.02 of the Revised Code based upon any amounts paid by the audited partnership on such investor's behalf to another state.

(b) The tax commissioner from issuing an assessment under this chapter against any direct or indirect investor for taxes due from the investor if an audited partnership, or direct and indirect investor of an audited partnership that is a pass-through entity, fails to timely file any return or remit any payment.

An amended return required by this section is a return subject to assessment under section 5747.13 of the Revised Code for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the final federal adjustment to the taxpayer's federal income tax return.

(2) The audited partnership's federal adjustments return shall be accompanied by payment of any combined additional tax due together with interest thereon. The federal adjustments return required by this section is a return subject to assessment under section 5747.13 of the Revised Code for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the final federal adjustment.

(3) The tax commissioner may accept estimated payments of the tax arising from pending federal adjustments before the date for filing a federal adjustments return. The commissioner may adopt rules for the payment of such estimated taxes.

(E) In the case of an overpayment, and unless otherwise agreed to in writing by the tax commissioner:
(1) A taxpayer may file an application for refund may be filed under this division within the sixty-day ninety-day period prescribed for filing the amended return even if it is filed beyond the period prescribed in section 5747.11 of the Revised Code if it otherwise conforms to the requirements of such section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the final federal adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed in section 5747.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.

(2)(a) Except as otherwise provided in division (E)(2)(b) of this section, an audited partnership may file an application for a refund under this division within the ninety-day period prescribed for filing the federal adjustments return, even if it is filed beyond the period prescribed by section 5747.11 of the Revised Code, if it otherwise conforms to the requirements of that section. An application filed under this division may claim a refund of overpayments resulting only from final federal adjustments unless it is also filed within the time prescribed by section 5747.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the federal adjustment.

(b) An audited partnership may not file an application for refund under division (E) of this section based on final federal adjustments described in section 6225(a)(2) of the Internal Revenue Code.
Any refund granted to a pass-through entity filing an application for refund under division (E) of this section shall be reduced by amounts previously claimed as a credit under section 5747.059 or division (I) of section 5747.08 of the Revised Code by the pass-through entity's direct or indirect investors.

(F) Excluding the deadline in division (C)(2)(c)(ii) of this section, an audited partnership, or a direct or indirect investor of an audited partnership that is a pass-through entity, may automatically extend the deadline for reporting, payments, and refunds under this section by sixty days if the entity has ten thousand or more direct investors and notifies the commissioner of such extension, in writing, before the unextended deadline.

Sec. 5747.11. (A) The tax commissioner shall refund to employers, qualifying entities, or taxpayers subject to a tax imposed under section 5733.41, 5747.02, or 5747.41, or Chapter 5748. of the Revised Code the amount of any overpayment of such tax.

(B) Except as otherwise provided under divisions (D) and (E) of this section, applications for refund shall be filed with the tax commissioner, on the form prescribed by the commissioner, within four years from the date of the illegal, erroneous, or excessive payment of the tax, or within any additional period allowed by division (B)(3)(b) of section 5747.05, division (B)(E) of section 5747.10, division (A) of section 5747.13, or division (C) of section 5747.45 of the Revised Code.

On filing of the refund application, the commissioner shall determine the amount of refund due and, if that amount exceeds one dollar, certify such amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. Payment shall be made as provided in division (C) of section 126.35 of the...
Revised Code.

(C)(1) Interest shall be allowed and paid at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the tax imposed under section 5747.02 or Chapter 5748. of the Revised Code from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the return is filed, whichever is later, no interest shall be allowed on such overpayment. If the overpayment results from the carryback of a net operating loss or net capital loss to a previous taxable year, the overpayment is deemed not to have been made prior to the filing date, including any extension thereof, for the taxable year in which the net operating loss or net capital loss arises. For purposes of the payment of interest on overpayments, no amount of tax, for any taxable year, shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing such return.

(2) Interest shall be allowed at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the taxes imposed under sections 5733.41 and 5747.41 of the Revised Code. The interest shall run from whichever of the following days is the latest until the day the refund is paid: the day the illegal, erroneous, or excessive payment was made; the ninetieth day after the final day the annual report was required to be filed under section 5747.42 of the Revised Code; or the ninetieth day after the day that report was filed.

(D) "Ninety days" shall be substituted for "four years" in division (B) of this section if the taxpayer satisfies both of the following conditions:

(1) The taxpayer has applied for a refund based in whole or
in part upon section 5747.059 of the Revised Code;

(2) The taxpayer asserts that either the imposition or collection of the tax imposed or charged by this chapter or any portion of such tax violates the Constitution of the United States or the Constitution of Ohio.

(E)(1) Division (E)(2) of this section applies only if all of the following conditions are satisfied:

(a) A qualifying entity pays an amount of the tax imposed by section 5733.41 or 5747.41 of the Revised Code;
(b) The taxpayer is a qualifying investor as to that qualifying entity;
(c) The taxpayer did not claim the credit provided for in section 5747.059 of the Revised Code as to the tax described in division (E)(1)(a) of this section;
(d) The four-year period described in division (B) of this section has ended as to the taxable year for which the taxpayer otherwise would have claimed that credit.

(z) Qualifying distribution center receipts.

(i) For purposes of division (F)(2)(z) of this section:

(I) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage. If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.

(II) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.
(III) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(IV) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(V) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner. The application and annual fee shall be filed and paid for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be sitused outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period. (For
purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.) The commissioner may require the applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(VII) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(VIII) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.

(IX) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity

(X) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties. The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(ii)(I) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be sitused outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability. (For purposes of division (F)(2)(z)(ii) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.)

(II) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified
distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the business operations of the distribution center have changed or will change such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (F)(2)(z)(ii)(II) of this section, the distribution center shall pay all applicable fees required under division (F)(2)(z) of this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(III) An operator may appeal a determination under division (F)(2)(z)(ii)(I) or (II) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(iii) When filing an application for a qualifying certificate under division (F)(2)(z)(i)(VI) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery
percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (F)(2)(z)(i)(VI) of this section.

(iv)(I) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (F)(2)(z)(iii) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(II) The operator of a distribution center that receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section shall make a good faith estimate of the Ohio delivery percentage that the operator estimates will apply to the distribution center at the end of the thirty-six-month period after the operator first applied for a qualifying certificate under that division. The result of the estimate shall be multiplied by a factor of one and seventy-five one-hundredths. The product of that calculation shall be the Ohio delivery percentage used by suppliers in their reports of taxable gross receipts for
each qualifying year that the distribution center receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section, except that, if the product is less than five per cent, the Ohio delivery percentage used shall be five per cent and that, if the product exceeds forty-nine per cent, the Ohio delivery percentage used shall be forty-nine per cent.

(v) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this division shall not be subject to tax on the qualifying distribution center receipts under division (F)(2)(z) of this section. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(vi) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (F)(2)(z)(i)(VI) of this section. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the revenue enhancement fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(vii) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in division (F)(2)(z) of this section.

as a uranium enrichment zone as defined in division (F)(2)(gg) of
this section, or, if the tax commissioner determines that the
property does not qualify, the commissioner shall deny the
application or request additional information from the applicant.
If the tax commissioner denies an application, the commissioner
shall state the reasons for the denial. The applicant may appeal
the denial of an application to the board of tax appeals pursuant
to section 5717.02 of the Revised Code. If the applicant files a
timely appeal, the tax commissioner shall conditionally certify
the applicant's property. The conditional certification shall
expire when all of the applicant's appeals are exhausted. Until

The termination of a child's parent or guardian's status as a prisoner of war or being missing in action does not affect such child's eligibility for the benefit provided by this section.

(B) Scholarships provided under this section shall consist of either of the following:

1. A scholarship of the type described in division (A) of section 5910.04 of the Revised Code together with reasonable and necessary expenses for room, board, books, and laboratory fees. The grant shall be paid to the child...
through the institution in which the child is enrolled, and shall equal one hundred per cent of the average value of all scholarships granted under division (A) of this section during the preceding year, except that the percentage may be reduced by the war orphans and severely disabled veterans' children scholarship board in any year that insufficient funds are appropriated to fully fund scholarships for all eligible students. In no case shall the grant exceed the total general and instructional charges of the institution.

The board shall not reduce the percentage to be paid for scholarships awarded pursuant to section 5910.032 of the Revised Code below one hundred per cent.

Sec. 5910.05. The Ohio war orphans and severely disabled veterans' children scholarship board shall determine how many scholarships are to be granted based upon available funds provided by the Ohio general assembly. If funds are available all eligible applicants shall be granted a scholarship. There shall be no limitation on the number of scholarships granted under section 5910.032 of the Revised Code, nor any limitation on the number of scholarships granted to any college or university under such section. No person shall be granted a scholarship for more than five academic years of education, which shall be at the undergraduate level. The board shall provide minimum scholastic requirements for recipients and shall withdraw the aid from any person who fails to maintain such requirements.

Sec. 5910.06. The Ohio war orphans and severely disabled veterans' children scholarship board shall make a complete report of its administration of this chapter, to each first regular session of the general assembly.

Sec. 5910.07. The Ohio war orphans and severely disabled

The fund shall be used to operate the war orphans and severely disabled veterans' children scholarship program and to provide grants under sections 5910.01 to 5910.06 of the Revised Code.

Sec. 5910.08. There is hereby created in the state treasury the war orphans and severely disabled veterans' children scholarship reserve fund. As soon as possible following the end of each fiscal year, the chancellor of higher education shall certify to the director of budget and management the unencumbered balance of the general revenue fund appropriations made in the immediately preceding fiscal year for purposes of the war orphans and severely disabled veterans' children scholarship program created in Chapter 5910. of the Revised Code. Upon receipt of the certification, the director of budget and management may transfer an amount not exceeding the certified amount from the general revenue fund to the war orphans and severely disabled veterans' children scholarship reserve fund. Moneys in the war orphans and severely disabled veterans' children scholarship reserve fund shall be used to pay scholarship obligations in excess of the general revenue fund appropriations made for that purpose.

The director of budget and management may transfer any unencumbered balance from the war orphans and severely disabled veterans' children scholarship reserve fund to the general revenue fund.

If it is determined that general revenue fund appropriations are insufficient to meet the obligations of the war orphans and severely disabled veterans' children scholarship in a fiscal year,
the director of budget and management may transfer funds from the war orphans and severely disabled veterans' children scholarship reserve fund to the general revenue fund in order to meet those obligations. The amount transferred is hereby appropriated. If the funds transferred from the war orphans and severely disabled veterans' children scholarship reserve fund are not needed, the director of budget and management may transfer the unexpended balance from the general revenue fund back to the war orphans and severely disabled veterans' children scholarship reserve fund.

If such rules are adopted, the rules shall require that financial assistance received by a scholarship recipient under those programs be applied to all eligible expenses prior to the use of scholarship funds awarded under this section. Scholarship funds awarded under this section shall then be applied to the recipient's remaining eligible expenses.

(E) A scholarship recipient under this section shall be entitled to receive scholarships under this section for the number of quarters or semesters it takes the recipient to accumulate ninety-six eligibility units as determined under divisions (E)(1) to (3) of this section.

scholarships under this section for those academic terms that were missed or could have been missed as a result of the individual's call into active duty. Scholarships shall not be paid for the academic term in which an eligible applicant's enlistment obligation ends unless an applicant is eligible under this division for a scholarship for such academic term due to previous active duty.

(2) When an individual to whom this division applies withdraws or otherwise fails to complete courses, for which scholarships have been awarded under this section, because the individual was called into active duty, the institution of higher education shall grant the individual a leave of absence from the individual's education program and shall not impose any academic penalty for such withdrawal or failure to complete courses. (4) No individual who is discharged from the Ohio national guard under other than honorable conditions shall be eligible for scholarships under this division.

(G) A scholarship recipient under this section who fails to complete the term of enlistment, re-enlistment, or extension of current enlistment the recipient was serving at the time a scholarship was paid on behalf of the recipient under this section is liable to the state for repayment of a percentage of all Ohio national guard scholarships paid on behalf of the recipient under this section, plus interest at the rate of ten per cent per annum calculated from the dates the scholarships were paid. This percentage shall equal the percentage of the current term of enlistment, re-enlistment, or extension of enlistment a recipient has not completed as of the date the recipient is discharged from the Ohio national guard.

The attorney general may commence a civil action on behalf of the chancellor to recover the amount of the scholarships and the interest provided for in this division and the expenses incurred in prosecuting the action, including court costs and reasonable attorney's fees. A scholarship recipient is not liable under this division if the recipient's failure to complete the term of enlistment being served at the time a scholarship was paid on behalf of the recipient under this section is due to the recipient's death or discharge from the national guard due to disability or the recipient's enlistment, warrant, commission, or appointment for a term not less than the recipient's remaining term in the national guard or in the active duty component of the United States armed forces.

(H) On or before the first day of each academic term, the
adjutant general shall provide an eligibility roster to the chancellor and to each institution of higher education at which one or more scholarship recipients have applied for enrollment. The institution shall use the roster to certify the actual full-time or part-time enrollment of each scholarship recipient listed as enrolled at the institution and return the roster to the adjutant general and the chancellor. Except as provided in division (J) of this section, the chancellor shall provide for payment of the appropriate number and amount of scholarships to each institution of higher education pursuant to division (D) of this section. If an institution of higher education fails to certify the actual enrollment of a scholarship recipient listed as enrolled at the institution within thirty days of the end of an academic term, the institution shall not be eligible to receive payment from the Ohio national guard scholarship program or from the individual enrollee. The adjutant general shall report on a semiannual basis to the director of budget and management, the speaker of the house of representatives, the president of the senate, and the chancellor the number of Ohio national guard scholarship recipients, the size of the scholarship-eligible population, and a projection of the cost of the program for the remainder of the biennium.

(I) The chancellor and the adjutant general may adopt rules pursuant to Chapter 119. of the Revised Code governing the administration and fiscal management of the Ohio national guard scholarship program and the procedure by which the chancellor and the department of the adjutant general may modify the amount of scholarships a member receives based on the amount of other state financial aid a member receives.

(J) The adjutant general, the chancellor, and the director, or their designees, shall jointly estimate the costs of the Ohio national guard scholarship program for each upcoming fiscal
biennium, and shall report that estimate prior to the beginning of 81693
the fiscal biennium to the chairpersons of the finance committees 81694
in the general assembly. During each fiscal year of the biennium, 81695
the adjutant general, the chancellor, and the director, or their 81696
designees, shall meet regularly to monitor the actual costs of the 81697
Ohio national guard scholarship program and update cost 81698
projections for the remainder of the biennium as necessary. If the 81699
amounts appropriated for the Ohio national guard scholarship 81700
program and any funds in the Ohio national guard scholarship 81701
reserve fund and the Ohio national guard scholarship donation fund 81702
are not adequate to provide scholarships in the amounts specified 81703
in division (D)(1) of this section for all eligible applicants, 81704
the chancellor shall do all of the following:

(1) Notify each private institution of higher education, 81706
where a scholarship recipient is enrolled, that, by accepting the 81707
Ohio national guard scholarship program as payment for all or part 81708
of the institution's tuition, the institution agrees that if the 81709
chancellor reduces the amount of each scholarship, the institution 81710
shall provide each scholarship recipient a grant or tuition waiver 81711
in an amount equal to the amount the recipient's scholarship was 81712
reduced by the chancellor.

(2) Reduce the amount of each scholarship under division 81714
(D)(1)(a) of this section proportionally based on the amount of 81715
remaining available funds. Each state institution of higher 81716
education shall provide each scholarship recipient under division 81717
(D)(1)(a) of this section a grant or tuition waiver in an amount 81718
equal to the amount the recipient's scholarship was reduced by the 81719
chancellor.

(K) Notwithstanding division (A) of section 127.14 of the 81721
Revised Code, the controlling board shall not transfer all or part 81722
of any appropriation for the Ohio national guard scholarship 81723
program.
The chancellor and the adjutant general may apply for, and may receive and accept grants, and may receive and accept gifts, bequests, and contributions, from public and private sources, including agencies and instrumentalities of the United States and this state, and shall deposit the grants, gifts, bequests, or contributions into the national guard scholarship donation fund.

Sec. 5922.07. The governor may accept the resignation of any Ohio cyber reserve member at any time. Reserve members serve at the pleasure of the governor and may be removed from the reserve in accordance with rules adopted under section 5922.02 of the Revised Code.

The governor may require reimbursement for training, equipment, and uniforms if an Ohio cyber reserve member does not serve the full term of the member's membership agreement and the inability to serve out the term of the membership agreement was not due to disability or a similar disabling medical condition.

Sec. 5922.08. The governor, as commander-in-chief of the Ohio organized militia, may order individuals or units of the Ohio cyber reserve to state active duty to protect state, county, and local government entities and critical infrastructure, including election systems, or for training as the governor determines necessary. (I) Review plans, specifications, or other data relative to disposal systems or any part thereof in connection with the issuance of orders, permits, and industrial water pollution control certificates under this chapter;

(J)(1) Issue, revoke, modify, or deny sludge management permits and permits for the discharge of sewage, industrial waste, or other wastes into the waters of the state, and for the installation or modification of disposal systems or any parts thereof in compliance with all requirements of the Federal Water Pollution Control Act and mandatory regulations adopted thereunder, including regulations adopted under section 405 of the Federal Water Pollution Control Act, and set terms and conditions of permits, including schedules of compliance, where necessary. In
issuing permits for sludge management, the director shall not allow the placement of sewage sludge on frozen ground in conflict with rules adopted under this chapter. Any person who discharges, transports, or handles storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or pollutants from a concentrated animal feeding operation, as both terms are defined in that section, is not required to obtain a permit under division (J)(1) of this section for the installation or modification of a disposal system involving pollutants or storm water or any parts of such a system on and after the date on which the director of agriculture has finalized the program required under division (A)(1) of section 903.02 of the Revised Code. In addition, any person who discharges, transports, or handles storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or pollutants from a concentrated animal feeding operation, as both terms are defined in that section, is not required to obtain a permit under division (J)(1) of this section for the discharge of storm water from an animal feeding facility or pollutants from a concentrated animal feeding operation on and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code.

Any permit terms and conditions set by the director shall be designed to achieve and maintain full compliance with the national effluent limitations, national standards of performance for new sources, and national toxic and pretreatment effluent standards set under that act, and any other mandatory requirements of that act that are imposed by regulation of the administrator of the United States environmental protection agency. If an applicant for a sludge management permit also applies for a related permit for the discharge of sewage, industrial waste, or other wastes into the waters of the state, the director may combine the two permits.
and issue one permit to the applicant.

A sludge management permit is not required for an entity that treats or transports sewage sludge or for a sanitary landfill when all of the following apply:

(a) The entity or sanitary landfill does not generate the sewage sludge.

(b) Prior to receipt at the sanitary landfill, the entity has ensured that the sewage sludge meets the requirements established in rules adopted by the director under section 3734.02 of the Revised Code concerning disposal of municipal solid waste in a sanitary landfill.

(c) Disposal of the sewage sludge occurs at a sanitary landfill that complies with rules adopted by the director under section 3734.02 of the Revised Code.

As used in division (J)(1) of this section, "sanitary landfill" means a sanitary landfill facility, as defined in rules adopted under section 3734.02 of the Revised Code, that is licensed as a solid waste facility under section 3734.05 of the Revised Code.

(2) An application for a permit or renewal thereof shall be denied if any of the following applies:

(a) The secretary of the army determines in writing that anchorage or navigation would be substantially impaired thereby;

(b) The director determines that the proposed discharge or source would conflict with an areawide waste treatment management plan adopted in accordance with section 208 of the Federal Water Pollution Control Act;

(c) The administrator of the United States environmental protection agency objects in writing to the issuance or renewal of the permit in accordance with section 402 (d) of the Federal Water...
Pollution Control Act;

(d) The application is for the discharge of any radiological, chemical, or biological warfare agent or high-level radioactive waste into the waters of the United States.

(3) To achieve and maintain applicable standards of quality for the waters of the state adopted pursuant to section 6111.041 of the Revised Code, the director shall impose, where necessary and appropriate, as conditions of each permit, water quality related effluent limitations in accordance with sections 301, 302, 306, 307, and 405 of the Federal Water Pollution Control Act and, to the extent consistent with that act, shall give consideration to, and base the determination on, evidence relating to the technical feasibility and economic reasonableness of removing the polluting properties from those wastes and to evidence relating to conditions calculated to result from that action and their relation to benefits to the people of the state and to accomplishment of the purposes of this chapter.

(4) Where a discharge having a thermal component from a source that is constructed or modified on or after October 18, 1972, meets national or state effluent limitations or more stringent permit conditions designed to achieve and maintain compliance with applicable standards of quality for the waters of the state, which limitations or conditions will ensure protection and propagation of a balanced, indigenous population of shellfish, fish, and wildlife in or on the body of water into which the discharge is made, taking into account the interaction of the thermal component with sewage, industrial waste, or other wastes, the director shall not impose any more stringent limitation on the thermal component of the discharge, as a condition of a permit or renewal thereof for the discharge, during a ten-year period beginning on the date of completion of the construction or modification of the source, or during the period of depreciation.
or amortization of the source for the purpose of section 167 or 169 of the Internal Revenue Code of 1954, whichever period ends first.

(5) The director shall specify in permits for the discharge of sewage, industrial waste, and other wastes, the net volume, net weight, duration, frequency, and, where necessary, concentration of the sewage, industrial waste, and other wastes that may be discharged into the waters of the state. The director shall specify in those permits and in sludge management permits that the permit is conditioned upon payment of applicable fees as required by section 3745.11 of the Revised Code and upon the right of the director's authorized representatives to enter upon the premises of the person to whom the permit has been issued for the purpose of determining compliance with this chapter, rules adopted thereunder, or the terms and conditions of a permit, order, or other determination. The director shall issue or deny an application for a sludge management permit or a permit for a new discharge, for the installation or modification of a disposal system, or for the renewal of a permit, within one hundred eighty days of the date on which a complete application with all plans, specifications, construction schedules, and other pertinent information required by the director is received.

(6) The director may condition permits upon the installation of discharge or water quality monitoring equipment or devices and the filing of periodic reports on the amounts and contents of discharges and the quality of receiving waters that the director prescribes. The director shall condition each permit for a government-owned disposal system or any other "treatment works" as defined in the Federal Water Pollution Control Act upon the reporting of new introductions of industrial waste or other wastes and substantial changes in volume or character thereof being introduced into those systems or works from "industrial users" as
defined in section 502 of that act, as necessary to comply with section 402(b)(8) of that act; upon the identification of the character and volume of pollutants subject to pretreatment standards being introduced into the system or works; and upon the existence of a program to ensure compliance with pretreatment standards by "industrial users" of the system or works. In requiring monitoring devices and reports, the director, to the extent consistent with the Federal Water Pollution Control Act, shall give consideration to technical feasibility and economic reasonableness and shall allow reasonable time for compliance.

(7) A permit may be issued for a period not to exceed five years and may be renewed upon application for renewal. In renewing a permit, the director shall consider the compliance history of the permit holder and may deny the renewal if the director determines that the permit holder has not complied with the terms and conditions of the existing permit. A permit may be modified, suspended, or revoked for cause, including, but not limited to, violation of any condition of the permit, obtaining a permit by misrepresentation or failure to disclose fully all relevant facts of the permitted discharge or of the sludge use, storage, treatment, or disposal practice, or changes in any condition that requires either a temporary or permanent reduction or elimination of the permitted activity. No application shall be denied or permit revoked or modified without a written order stating the findings upon which the denial, revocation, or modification is based. A copy of the order shall be sent to the applicant or permit holder by certified mail.

(K) Institute or cause to be instituted in any court of competent jurisdiction proceedings to compel compliance with this chapter or with the orders of the director issued under this chapter, or to ensure compliance with sections 204(b), 307, 308, and 405 of the Federal Water Pollution Control Act;
(L) Certify to the government of the United States or any agency thereof that an industrial water pollution control facility is in conformity with the state program or requirements for the control of water pollution whenever the certification may be required for a taxpayer under the Internal Revenue Code of the United States, as amended;

(M) Issue, modify, and revoke orders requiring any "industrial user" of any publicly owned "treatment works" as defined in sections 212(2) and 502(18) of the Federal Water Pollution Control Act to comply with pretreatment standards; establish and maintain records; make reports; install, use, and maintain monitoring equipment or methods, including, where appropriate, biological monitoring methods; sample discharges in accordance with methods, at locations, at intervals, and in a manner that the director determines; and provide other information that is necessary to ascertain whether or not there is compliance with toxic and pretreatment effluent standards. In issuing, modifying, and revoking those orders, the director, to the extent consistent with the Federal Water Pollution Control Act, shall give consideration to technical feasibility and economic reasonableness and shall allow reasonable time for compliance.

(N) Exercise all incidental powers necessary to carry out the purposes of this chapter;

(O) Pursuant to section 401 of the Federal Water Pollution Control Act, do any of the following:

(1) Issue or deny a section 401 water quality certification to, or, pursuant to an appealable action, waive a section 401 water quality certification for, any applicant for a federal license or permit to conduct any activity that may result in any discharge into the waters of the state. Any waiver shall contain a justification for the action.
(2) At the request or concurrence of the certification holder, transfer or modify a section 401 water quality certification;

(3) Revoke a section 401 water quality certification when the director determines that the certification approval was based on false or misleading information.

(P) Administer and enforce the publicly owned treatment works pretreatment program in accordance with the Federal Water Pollution Control Act. In the administration of that program, the director may do any of the following:

(1) Apply and enforce pretreatment standards;

(2) Approve and deny requests for approval of publicly owned treatment works pretreatment programs, oversee those programs, and implement, in whole or in part, those programs under any of the following conditions:

(4) Approve and deny requests for authority to modify categorical pretreatment standards to reflect removal of pollutants achieved by publicly owned treatment works;

(5) Deny and recommend approval of requests for fundamentally different factors variances submitted by industrial users;

(6) Make determinations on categorization of industrial users;

Any approval of a publicly owned treatment works pretreatment program may contain any terms and conditions, including schedules of compliance, that are necessary to achieve compliance with this chapter.

(Q) Except as otherwise provided in this division, adopt rules in accordance with Chapter 119. of the Revised Code establishing procedures, methods, and equipment and other requirements for equipment to prevent and contain discharges of oil and hazardous substances into the waters of the state. The rules shall be consistent with and equivalent in scope, content, and coverage to section 311(j)(1)(c) of the Federal Water Pollution Control Act and regulations adopted under it. The director shall not adopt rules under this division relating to discharges of oil from oil production facilities and oil drilling and workover facilities as those terms are defined in that act and regulations adopted under it.

(R)(1) Administer and enforce a program for the regulation of sludge management in this state. In administering the program, the director, in addition to exercising the authority provided in any other applicable sections of this chapter, may do any of the following:
(a) Develop plans and programs for the disposal and utilization of sludge and sludge materials;

(b) Encourage, participate in, or conduct studies, investigations, research, and demonstrations relating to the disposal and use of sludge and sludge materials and the impact of sludge and sludge materials on land located in the state and on the air and waters of the state;

(e) Adopt and enforce, modify, or rescind rules necessary for the implementation of division (R) of this section. The rules reasonably shall protect public health and the environment, encourage the beneficial reuse of sludge and sludge materials, and minimize the creation of nuisance odors.

The director may specify in sludge management permits the net volume, net weight, quality, and pollutant concentration of the sludge or sludge materials that may be used, stored, treated, or disposed of, and the manner and frequency of the use, storage, treatment, or disposal, to protect public health and the environment from adverse effects relating to those activities. The director shall impose other terms and conditions to protect public health and the environment, minimize the creation of nuisance odors, and achieve compliance with this chapter and rules adopted under it and, in doing so, shall consider whether the terms and conditions are consistent with the goal of encouraging the
beneficial reuse of sludge and sludge materials.

The director may condition permits on the implementation of treatment, storage, disposal, distribution, or application management methods and the filing of periodic reports on the amounts, composition, and quality of sludge and sludge materials that are disposed of, used, treated, or stored.

An approval of a treatment works sludge disposal program may contain any terms and conditions, including schedules of compliance, necessary to achieve compliance with this chapter and rules adopted under it.

(2) As a part of the program established under division (R)(1) of this section, the director has exclusive authority to regulate sewage sludge management in this state. For purposes of division (R)(2) of this section, that program shall be consistent with section 405 of the Federal Water Pollution Control Act and regulations adopted under it and with this section, except that the director may adopt rules under division (R) of this section that establish requirements that are more stringent than section 405 of the Federal Water Pollution Control Act and regulations adopted under it with regard to monitoring sewage sludge and sewage sludge materials and establishing acceptable sewage sludge management practices and pollutant levels in sewage sludge and sewage sludge materials.

This chapter authorizes the state to participate in any national sludge management program and the national pollutant discharge elimination system, to administer and enforce the publicly owned treatment works pretreatment program, and to issue permits for the discharge of dredged or fill materials, in accordance with the Federal Water Pollution Control Act. This chapter shall be administered, consistent with the laws of this state and federal law, in the same manner that the Federal Water Pollution Control Act is required to be administered.
(S) Develop technical guidance and offer technical assistance, upon request, for the purpose of minimizing wind or water erosion of soil, and assist in compliance with permits for storm water management issued under this chapter and rules adopted under it.

(T) Study, examine, and calculate nutrient loading from point and nonpoint sources in order to determine comparative contributions by those sources and to utilize the information derived from those calculations to determine the most environmentally beneficial and cost-effective mechanisms to reduce nutrient loading to watersheds in the Lake Erie basin and the Ohio river basin. In order to evaluate nutrient loading contributions, the director or the director's designee shall conduct a study of the nutrient mass balance for both point and nonpoint sources in watersheds in the Lake Erie basin and the Ohio river basin using available data, including both of the following:

(1) Data on water quality and stream flow;

(2) Data on point source discharges into those watersheds.

The director or the director's designee shall report and update the results of the study to coincide with the release of the Ohio integrated water quality monitoring and assessment report prepared by the director.

(U) Establish the total maximum daily load (TMDL) for waters of the state where a TMDL is required under the Federal Water Pollution Control Act.

(V) Coordinate with the supervisors of a soil and water conservation district to ensure compliance with rules adopted by the director that pertain to urban sediment and storm water runoff pollution abatement. As used in this division "urban sediment and storm water runoff pollution abatement" has the same meaning as in section 939.01 of the Revised Code.
This section does not apply to residual farm products and manure disposal systems and related management and conservation practices subject to rules adopted pursuant to division (E)(1) of section 939.02 of the Revised Code. For purposes of this exclusion, "residual farm products" and "manure" have the same meanings as in section 939.01 of the Revised Code. However, until the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this exclusion does not apply to animal waste treatment works having a controlled direct discharge to the waters of the state or any concentrated animal feeding operation, as defined in 40 C.F.R. 122.23(b)(2). On and after the date on which the United States environmental protection agency approves the NPDES program submitted by the director of agriculture under section 903.08 of the Revised Code, this section does not apply to storm water from an animal feeding facility, as defined in section 903.01 of the Revised Code, or to pollutants discharged from a concentrated animal feeding operation, as both terms are defined in that section. Neither of these exclusions applies to the discharge of animal waste into a publicly owned treatment works.

Not later than December 1, 2016, a publicly owned treatment works with a design flow of one million gallons per day or more, or designated as a major discharger by the director, shall be required to begin monthly monitoring of total and dissolved reactive phosphorus pursuant to a new NPDES permit, an NPDES permit renewal, or a director-initiated modification. The director shall include in each applicable new NPDES permit, NPDES permit renewal, or director-initiated modification a requirement that such monitoring be conducted. A director-initiated modification for that purpose shall be considered and processed as a minor modification pursuant to Ohio Administrative Code 3745-33-04. In addition, not later than December 1, 2017, a publicly owned
treatment works with a design flow of one million gallons per day or more that, on July 3, 2015, is not subject to a phosphorus limit shall complete and submit to the director a study that evaluates the technical and financial capability of the existing treatment facility to reduce the final effluent discharge of phosphorus to one milligram per liter using possible source reduction measures, operational procedures, and unit process configurations.

Sec. 6119.06. Upon the declaration of the court of common pleas organizing the regional water and sewer district pursuant to section 6119.04 of the Revised Code and upon the qualifying of its board of trustees and the election of a president and a secretary, said district shall exercise in its own name all the rights, powers, and duties vested in it by Chapter 6119. of the Revised Code, and, subject to such reservations, limitations and qualifications as are set forth in this chapter, such district may:

Any such actions against the district shall be brought in the court of common pleas of the county in which the principal office of the district is located, or in the court of common pleas of the county in which the cause of action arose, and all summonses, exceptions,
and notices of every kind shall be served on the district by leaving a copy thereof at the principal office with the person in charge thereof or with the secretary of the district.

(E) Assume any liability or obligation of any person or political subdivision, including a right on the part of such district to indemnify and save harmless the other contracting party from any loss, cost, or liability by reason of the failure, refusal, neglect, or omission of such district to perform any agreement assumed by it or to act or discharge any such obligation;

(F) Make loans and grants to any person or political subdivisions for the design, acquisition, or construction of water resource projects by such person or political subdivisions and adopt rules, regulations, and procedures for making such loans and grants;

(G) Acquire, construct, reconstruct, enlarge, improve, furnish, equip, maintain, repair, operate, lease or rent to or from, or contract for operation by or for, a political subdivision or person, water resource projects within or without the district;

(H) Make available the use or service of any water resource project to one or more persons, one or more political subdivisions, or any combination thereof;

(M) Acquire, in the name of the district, by purchase or otherwise, on such terms and in such manner as it considers proper, or by the exercise of the right of condemnation in the manner provided by section 6119.11 of the Revised Code, such public or private lands, including public parks, playgrounds, or reservations, or parts thereof or rights therein, rights-of-way, property, rights, easements, and interests as it considers necessary for carrying out Chapter 6119. of the Revised Code, but excluding the acquisition by the exercise of the right of condemnation of any waste water facility or water management facility owned by any person or political subdivision, and compensation shall be paid for public or private lands so taken; 

(N) Adopt rules and regulations to protect augmented flow by the district in waters of the state, to the extent augmented by a water resource project, from depletion so it will be available for beneficial use, to provide standards for the withdrawal from waters of the state of the augmented flow created by a water resource project which is not returned to the waters of the state so augmented, and to establish reasonable charges therefor, if considered necessary by the district; 

(O) Make and enter into all contracts and agreements and execute all instruments necessary or incidental to the performance of its duties and the execution of its powers under Chapter 6119. of the Revised Code; 

(P) Enter into contracts with any person or any political subdivision to render services to such contracting party for any service the district is authorized to provide;

(U) Receive and accept, from any federal or state agency, grants for or in aid of the construction of any water resource project, and receive and accept aid or contributions from any source of money, property, labor, or other things of value, to be held, used, and applied only for the purposes for which such grants and contributions are made;

(V) Purchase fire and extended coverage and liability insurance for any water resource project and for the principal office and suboffices of the district, insurance protecting the district and its officers and employees against liability for damage to property or injury to or death of persons arising from its operations, and any other insurance the district may agree to provide under any resolution authorizing its water resource revenue bonds or in any trust agreement securing the same;

(W)(1) Charge, alter, and collect rentals and other charges for the use of services of any water resource project as provided
in section 6119.09 of the Revised Code. Such district may refuse
the services of any of its projects if any of such rentals or
other charges, including penalties for late payment, are not paid
by the user thereof, and, if such rentals or other charges are not
paid when due and upon certification of nonpayment to the county
auditor, such rentals or other charges constitute a lien upon the
property so served, shall be placed by the auditor upon the real
property tax list and duplicate, and shall be collected in the
same manner as other taxes.

(2) A district shall not certify to the county auditor for
placement upon the tax list and duplicate and the county auditor
shall not place upon the tax list or duplicate as a charge against
the property the amount of unpaid rentals or other charges
including any penalties for late payment as described in division
(W)(1) of this section if any of the following apply:

(a) The property served has been transferred or sold to an
electing subdivision as defined in section 5722.01 of the Revised
Code, regardless of whether the electing subdivision is still the
owner of the property, and the unpaid rentals or other charges
including penalties for late payment have arisen from a period of
time prior to the transfer or confirmation of sale to the electing
subdivision.

(b) The property served has been sold to a purchaser at
sheriff's sale or auditor's sale, the unpaid rentals or other
charges including penalties for late payment have arisen from a
period of time prior to the confirmation of sale, and the
purchaser is not the owner of record of the property immediately
prior to the judgment of foreclosure nor any of the following:

(i) A member of that owner's immediate family;

(ii) A person with a power of attorney appointed by that
owner who subsequently transfers the property to the owner;
(iii) A sole proprietorship owned by that owner or a member of that owner's immediate family;

(iv) A partnership, trust, business trust, corporation, or association of which the owner or a member of the owner's immediate family owns or controls directly or indirectly more than fifty per cent.

(c) The property served has been forfeited to this state for delinquent taxes, unless the owner of record redeems the property.

(3) Upon valid written notice to the county auditor by any owner possessing an ownership interest of record of the property or an electing subdivision previously in the chain of title to the property that the unpaid water rents or charges together with any penalties have been certified for placement or placed upon the tax list and duplicate as a charge against the property in violation of division (W)(2) of this section, the county auditor shall promptly remove such charge from the tax duplicate. This written notice to the county auditor shall include all of the following:

(a) The parcel number of the property;

(b) The common address of the property;

(c) The date of the recording of the transfer of the property to the owner or electing subdivision;

(d) The charge allegedly placed in violation of division (W)(2) of this section.

(4) When title to property is transferred to a county land reutilization corporation, any lien placed on the property under this division shall be extinguished, and the corporation shall not be held liable for any rentals or charges certified under this division with respect to the property, if the rentals or charges were incurred before the date of the transfer to the corporation and if the corporation did not incur the rentals or charges,
regardless of whether the rentals or charges were certified, or the lien was attached, before the date of transfer. In such a case, the corporation and its successors in title shall take title to the property free and clear of any such lien and shall be immune from liability in any collection action brought with respect to such rentals or charges. If a lien placed on property is extinguished as provided in this division, the district shall retain the ability to recoup the rents and charges incurred with respect to the property from any owner, tenant, or other person liable to pay such rents and charges before the property was transferred to the corporation.

(X) Provide coverage for its employees under Chapters 145., 4123., and 4141. of the Revised Code;

(Y) Merge or combine with any other regional water and sewer district into a single district, which shall be one of the constituent districts, on terms so that the surviving district shall be possessed of all rights, capacity, privileges, powers, franchises, and authority of the constituent districts and shall be subject to all the liabilities, obligations, and duties of each of the constituent districts and all rights of creditors of such constituent districts shall be preserved unimpaired, limited in lien to the property affected by such liens immediately prior to the time of the merger and all debts, liabilities, and duties of the respective constituent districts shall thereafter attach to the surviving district and may be enforced against it, and such other terms as are agreed upon, provided two-thirds of the members of each of the boards consent to such merger or combination. Such merger or combination shall become legally effective unless, prior to the ninetieth day following the later of the consents, qualified electors residing in either district equal in number to a majority of the qualified electors voting at the last general election in such district file with the secretary of the board of
trustees of their regional water and sewer district a petition of remonstrance against such merger or combination. The secretary shall cause the board of elections of the proper county or counties to check the sufficiency of the signatures on such petition.

(Z) Exercise the powers of the district without obtaining the consent of any other political subdivision, provided that all public or private property damaged or destroyed in carrying out the powers of the district shall be restored or repaired and placed in its original condition as nearly as practicable or adequate compensation made therefor by the district;

(AA) Require the owner of any premises located within the district to connect the owner's premises to a water resource project determined to be accessible to such premises and found to require such connection so as to prevent or abate pollution or protect the health and property of persons in the district. Such connection shall be made in accordance with procedures established by the board of trustees of such district and pursuant to such orders as the board may find necessary to ensure and enforce compliance with such procedures.

(BB) Do all acts necessary or proper to carry out the powers granted in Chapter 6119. of the Revised Code.

Sec. 6119.09. A regional water and sewer district may charge, alter, and collect rentals or other charges, including penalties for late payment, for the use or services of any water resource project or any benefit conferred thereby and contract in the manner provided by this section with one or more persons, one or more political subdivisions, or any combination thereof, desiring the use or services thereof, and fix the terms, conditions, rentals, or other charges, including penalties for late payment, for such use or services. Such rentals or other charges shall not
be subject to supervision or regulation by any authority, commission, board, bureau, or agency of the state or any political subdivision, and such contract may provide for acquisition by such political subdivision of all or any part of such water resource project for such consideration payable over the period of the contract or otherwise as the district in its sole discretion determines to be appropriate, but subject to the provisions of any resolution authorizing the issuance of water resource revenue bonds or notes or water resource revenue refunding bonds of the district or any trust agreement securing the same. Any political subdivision, which has power to construct, operate, and maintain waste water facilities or water management facilities may enter into a contract or lease with the district whereby the use or services of any water resource project of the district will be made available to such political subdivision and pay for such use or services such rentals or other charges as may be agreed to by the district and such political subdivision.

Any political subdivision, person, or combination thereof may cooperate with the district in the acquisition or construction of a water resource project and shall enter into such agreements with the district as are necessary, with a view to effective cooperative action and safeguarding of the respective interests of the parties thereto, which agreements shall provide for such contributions by the parties thereto in such proportion as may be agreed upon and such other terms as may be mutually satisfactory to the parties, including without limitation the authorization of the construction of the project by one of the parties acting as agent for all of the parties and the ownership and control of the project by the district or one or more of the other parties or any combination thereof to the extent determined necessary or appropriate. Any political subdivision may provide the funds for the payment of such contribution as is required under such agreements by the levy of taxes, assessments, or rentals and other
charges for the use of the system of which the water resource project is a part or to which it is connected, if otherwise authorized by the laws governing such political subdivision in the construction of the type of water resource project provided for in the agreements, and may pay the proceeds from the collection of such taxes, assessments, rentals, or other charges to the district pursuant to such agreements; or the political subdivision may issue bonds or notes, if authorized by such laws, in anticipation of the collection of such taxes, assessments, rentals or other charges and may pay the proceeds of such bonds or notes to the district pursuant to such agreements. In addition, any political subdivision may provide the funds for the payment of such contribution by the appropriation of money or, if otherwise authorized by law, by the issuance of bonds or notes and may pay such appropriated money or the proceeds of such bonds or notes to the district pursuant to such agreements. The agreement by the political subdivision to provide such contribution, whether from appropriated money or from the proceeds of such taxes, assessments, rentals, or other charges, or such bonds or notes, or any combination thereof, is not subject to Chapter 133. of the Revised Code. The proceeds from the collection of such taxes or assessments, and any interest earned thereon, shall be paid into a special fund immediately upon the collection thereof by the political subdivision for the purpose of providing such contribution at the times required under such agreements.

When the contribution of any political subdivision is to be made over a period of time from the proceeds of the collection of special assessments, the interest accrued and to accrue before the first installment of such assessments is collected, which is payable by such political subdivision on such contribution under the terms of such an agreement, shall be treated as part of the cost of the improvement for which such assessments are levied, and that portion of such assessments as is collected in installments
shall bear interest at the same rate as such political subdivision is obligated to pay on such contribution under the terms and provisions of such agreement and for the same period of time as the contribution is to be made under such agreement. If the assessment or any installment thereof is not paid when due, it shall bear interest until the payment thereof at the same rate as such contribution and the county auditor shall annually place on the tax list and duplicate the interest applicable to such assessment and the penalty and any additional interest thereon as otherwise authorized by law.

Any political subdivision, pursuant to a favorable vote of the electors in an election held before or after November 19, 1971, for the purpose of issuing bonds to provide funds to acquire, construct, or equip, or provide real estate and interests in real estate for, a waste water facility or a water management facility, whether or not the political subdivision, at the time of such election, had the authority to pay the proceeds from such bonds or notes issued in anticipation thereof to a regional water and sewer district as provided in this section, may issue such bonds or notes in anticipation of the issuance thereof and pay the proceeds thereof to the district in accordance with its agreement with the district; provided, that the legislative authority of the political subdivision determines that the water resource project to be acquired or constructed by the district in cooperation with such political subdivision will serve the same public purpose and meet substantially the same public need as the facility otherwise proposed to be acquired or constructed by the political subdivision with the proceeds of such bonds or notes.

Sec. 6119.091. When fixing rentals or other charges under section 6119.09 of the Revised Code, a board of trustees of a regional water and sewer district may establish discounted rentals or charges or may establish another mechanism for providing a
reduction in rentals or charges for persons who are sixty-five years of age or older. The board shall establish eligibility requirements for such discounted or reduced rentals or charges, including a requirement that a person be eligible for the homestead exemption or qualify as a low- and moderate-income person.

Section 205.20. NATIONAL GUARD BENEFITS 82968

The foregoing appropriation item 745407, National Guard Benefits, shall be used for purposes of sections 5919.31 and 5919.33 of the Revised Code, and for administrative costs of the associated programs. 82969

If necessary, in order to pay benefits in a timely manner pursuant to sections 5919.31 and 5919.33 of the Revised Code, the Adjutant General may request the Director of Budget and Management transfer appropriation from any appropriation item used by the
Adjutant General to appropriation item 745407, National Guard Benefits. Such amounts are hereby appropriated. The Adjutant General may subsequently seek Controlling Board approval to restore the appropriation in the appropriation item from which such a transfer was made.

For active duty members of the Ohio National Guard who died after October 7, 2001, while performing active duty, the death benefit, pursuant to section 5919.33 of the Revised Code, shall be paid to the beneficiary or beneficiaries designated on the member's Servicemembers' Group Life Insurance Policy.

STATE ACTIVE DUTY COSTS

Of the foregoing appropriation item 745409, Central Administration, $50,000 in each fiscal year shall be used for the purpose of paying expenses related to state active duty of members of the Ohio organized militia, in accordance with a proclamation of the Governor. Expenses include, but are not limited to, the cost of equipment, supplies, and services, as determined by the Adjutant General's Department. On June 1 of each fiscal year, if it is determined by the Adjutant General that any portion of this $50,000 in that fiscal year will not be used for state active duty expenses, those amounts may be encumbered by the Adjutant General for maintenance expenses. If before the end of that fiscal year, state active duty expenses occur, these encumbrances should be canceled by the Adjutant General to pay for expenses related to state active duty.

CYBER RANGE

The Adjutant General's Department, in conjunction and collaboration with the Department of Administrative Services, the Department of Public Safety, the Department of Higher Education, and the Department of Education shall establish and maintain a cyber range. The Adjutant General's Department may work with
federal agencies to assist in accomplishing this objective. The cyber range shall: (1) provide cyber training and education to K-12 students, higher education students, Ohio National Guardsmen, federal employees, and state and local government employees, and (2) provide for emergency preparedness exercises and training. The state agencies identified in this paragraph may procure any necessary goods and services including, but not limited to, contracted services, hardware, networking services, maintenance costs, and the training and management costs of a cyber range. These state agencies shall determine the amount of funds each agency will contribute from available funds and appropriations enacted herein in order to establish and maintain a cyber range.

Of the foregoing appropriation item 745409, Central Administration, up to $2,000,000 in each fiscal year shall be used by the Adjutant General's Department for the purposes of establishing and maintaining the cyber range.

**CYBER RESERVE**

The foregoing appropriation item 745503, Ohio Cyber Reserve, shall be used to pay the costs incurred by the Adjutant General's Department to operate the Ohio Cyber Reserve in accordance with section 5922.01 of the Revised Code.

Section 243.20. UNCLAIMED FUNDS PAYMENTS

The foregoing appropriation item 800625, Unclaimed Funds-Claims, shall be used to pay claims under section 169.08 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

DIVISION OF REAL ESTATE AND PROFESSIONAL LICENSING

The foregoing appropriation item 800631, Real Estate Appraiser Recovery, shall be used to pay settlements, judgments, and court orders under section 4763.16 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

The foregoing appropriation item 800611, Real Estate Recovery, shall be used to pay settlements, judgments, and court orders under section 4735.12 of the Revised Code. If it is determined by the Director of Commerce that additional appropriation amounts are necessary to make such payments, the Director of Commerce may request that the Director of Budget and Management increase such amounts. Such increases are hereby appropriated.

FIRE DEPARTMENT GRANTS
(A) The foregoing appropriation item 800639, Fire Department Grants, shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services. For the purpose of this grant program, an eligible recipient or any firefighting entity that is contracted to serve an eligible recipient may only file, be listed as joint applicant, or be designated as a service provider on one grant application per fiscal year.

If the grant awarded to joint applicants is an equipment grant and the equipment to be purchased cannot be readily distributed or possessed by multiple recipients, each of the joint applicants shall be awarded by the State Fire Marshal an ownership interest in the equipment so purchased in proportion to each
applicant's contribution to and demonstrated need for fire protection services. The joint applicants shall then mutually agree on how the equipment is to be maintained, operated, stored, or disposed of. If, for any reason, the joint applicants cannot agree as to how jointly owned equipment is to be maintained, operated, stored, or disposed of or any of the joint applicants no longer maintain a contract with the same fire protection service provider as the other applicants, then the joint applicants shall, with the assistance of the State Fire Marshal, mutually agree as to how the jointly owned equipment is to be maintained, operated, stored, or disposed of, or owned. If the joint applicants cannot agree how the grant equipment is to be maintained, operated, stored, disposed of, or owned, the State Fire Marshal may, in its discretion, require all of the equipment acquired by the joint applicants with grant funds to be returned to the State Fire Marshal. The State Fire Marshal may then award the returned equipment to any eligible recipients. For this paragraph only, an "equipment grant" also includes a MARCS Grant.

(B) Except as otherwise provided in this section, the grants shall be used by recipients to purchase firefighting or rescue equipment or gear or similar items, to provide full or partial reimbursement for the documented costs of firefighter training, or, at the discretion of the State Fire Marshal, to cover fire department costs for providing fire protection services in that grant recipient's jurisdiction.

(1) Of the foregoing appropriation item 800639, Fire Department Grants, up to $1,000,000 per fiscal year may be used to pay for the State Fire Marshal's costs of providing firefighter I certification classes or other firefighter classes approved by the State Fire Marshal at no cost to selected students attending the Ohio Fire Academy or other class providers approved by the State Fire Marshal. The State Fire Marshal may establish the
qualifications and selection processes for students to attend such 84291
classes by written policy, and such students shall be considered 84292
eligible recipients of fire department grants for the purposes of 84293
this portion of the grant program.

(2) Of the foregoing appropriation item 800639, Fire 84294
Department Grants, up to $3,000,000 in each fiscal year may be 84295
used for MARCS Grants. MARCS Grants may be used for the payment of 84296
user access fees by the eligible recipient to cover costs for 84297
accessing MARCS.

For purposes of this section, a MARCS Grant is a grant for 84298
systems, equipment, or services that are a part of, integrated 84299
into, or otherwise interoperable with the Multi-Agency Radio 84300
Communication System (MARCS) operated by the state.

MARCS Grant awards may be up to $50,000 in each fiscal year 84301
per eligible recipient. Each eligible recipient may apply, as a 84302
separate entity or as a part of a joint application, for only one 84303
MARCS Grant per fiscal year. The State Fire Marshal may give a 84304
preference to MARCS Grants that will enhance the overall 84305
interoperability and effectiveness of emergency communication 84306
networks in the geographic region that includes and that is 84307
adjacent to the applicant.

Eligible recipients that are or were awarded fire department 84308
grants that are not MARCS Grants may also apply for and receive 84309
MARCS Grants in accordance with criteria for the awarding of grant 84310
funds established by the State Fire Marshal.

(3) Grant awards for firefighting or rescue equipment or gear 84311
or for fire department costs of providing fire protection services 84312
shall be up to $15,000 per fiscal year, or up to $25,000 per 84313
fiscal year if an eligible entity serves a jurisdiction in which 84314
the Governor declared a natural disaster during the preceding or 84315
current fiscal year in which the grant was awarded. In addition to 84316
any grant funds awarded for rescue equipment or gear, or for fire
department costs associated with the provision of fire protection
services, an eligible entity may receive a grant for up to $15,000
per fiscal year for full or partial reimbursement of the
documented costs of firefighter training. For each fiscal year,
the State Fire Marshal shall determine the total amounts to be
allocated for each eligible purpose.

(C) The grants shall be administered by the State Fire
Marshal in accordance with rules the State Fire Marshal adopts as
part of the state fire code adopted pursuant to section 3737.82 of

The Department of Education shall distribute the foregoing 85477
appropriation item 200408, Early Childhood Education, to pay the 85478
costs of early childhood education programs. The Department shall 85479
distribute such funds directly to qualifying providers. 85480

(A) As used in this section: 85481

(1) "Provider" means a city, local, exempted village, or 85482
joint vocational school district; an educational service center; a 85483
community school sponsored by an exemplary sponsor; a chartered 85484
nonpublic school; an early childhood education child care provider 85485
licensed under Chapter 5104. of the Revised Code that participates 85486
in and meets at least the third highest tier of the Step Up to 85487
Quality program established pursuant to section 5104.29 of the 85488
Revised Code; or a combination of entities described in this 85489
paragraph. 85490

(2) In the case of a city, local, or exempted village school 85491
district or early childhood education child care provider licensed 85492
under Chapter 5104. of the Revised Code, "new eligible provider" 85493
means a provider that did not receive state funding for Early 85494
Childhood Education in the previous fiscal year or demonstrates a 85495
need for early childhood programs as defined in division (D) of 85496
this section. 85497
(3) In the case of a community school, "new eligible provider" means any of the following:

(a) A community school established under Chapter 3314. of the Revised Code that is sponsored by a sponsor rated "exemplary" in accordance with section 3314.016 of the Revised Code that offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code that did not receive state funding for Early Childhood Education in the previous fiscal year;

(b) A community school established under Chapter 3314. of the Revised Code that satisfies all of the following criteria:

(i) It has received, on its most recent report card, either of the following:

(I) If the school offers any of grade levels four through twelve, a grade of "C" or better for the overall value-added progress dimension under division (C)(1)(e) of section 3302.03 of the Revised Code and for the performance index score under division (C)(1)(b) of section 3302.03 of the Revised Code;

(II) If the school does not offer a grade level higher than three, a grade of "C" or better for making progress in improving literacy in grades kindergarten through three under division (C)(1)(g) of section 3302.03 of the Revised Code.

(ii) It offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code.

(iii) It did not receive state funding for Early Childhood Education in the previous fiscal year.

(c) A community school established under Chapter 3314. of the Revised Code that is sponsored by a municipal school district and operates a program that uses the Montessori method endorsed by the American Montessori Society, the Montessori Accreditation Council for Teacher Education, or the Association Montessori ...
Internationale as its primary method of instruction, as authorized by division (A) of section 3314.06 of the Revised Code, that did not receive state funding for Early Childhood Education in the previous year or demonstrates a need for early childhood programs as defined in division (D) of this section.

(4)(a) "Eligible child" means a child who is at least four years of age, is not of the age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as defined in division (A)(3) of section 5101.46 of the Revised Code. Children with an Individualized Education Program and where the Early Childhood Education program is the least restrictive environment may be enrolled on their fourth birthday.

(b) If, on the first day of October of each fiscal year, a provider has remaining award funds after enrolling eligible children under division (A)(4)(a) of this section, the provider may seek approval from the Department to consider a child who is at least three years of age, is not of age to be eligible for kindergarten, and whose family earns not more than two hundred per cent of the federal poverty guidelines as an eligible child. Upon approval from the Department, the provider may use the remaining award funds to serve such three-year-old children as eligible children. Division (A)(4)(b) of this section does not apply to a provider described in division (A)(3)(c) of this section.

(5) "Early learning program standards" means early learning program standards for school readiness developed by the Department to assess the operation of early learning and development programs.

(6) "Early learning and development programs" has the same meaning as section 5104.29 of the Revised Code.

(B) In each fiscal year, up to two per cent of the total
appropriation may be used by the Department for program support and technical assistance. The Department shall distribute the remainder of the appropriation in each fiscal year to serve eligible children.

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program standards.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2020, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.20 of Am. Sub. H.B. 49 of the 132nd General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs or to existing providers to serve more eligible children pursuant to division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2021, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children as outlined under division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

(E)(1) The Department shall distribute any new or remaining funding to existing providers of early childhood education programs or any new eligible providers in an effort to invest in high quality early childhood programs where there is a need as determined by the Department. The Department shall distribute the
new or remaining funds to existing providers of early childhood education programs or any new eligible providers to serve additional eligible children based on community economic disadvantage, limited access to high quality preschool or childcare services, and demonstration of high quality preschool services as determined by the Department using new metrics developed pursuant to Ohio's Race to the Top—Early Learning Challenge Grant, awarded to the Department in December 2011.

(2) Awards under divisions (D) and (E) of this section shall be distributed on a per-pupil basis, and in accordance with division (I) of this section. The Department may adjust the per-pupil amount so that the per-pupil amount multiplied by the number of eligible children enrolled and receiving services on the first day of December or the business day closest to that date equals the amount allocated under this section.

(F) Costs for developing and administering an early childhood education program may not exceed fifteen per cent of the total approved costs of the program.

All providers shall maintain such fiscal control and accounting procedures as may be necessary to ensure the disbursement of, and accounting for, these funds. The control of funds provided in this program, and title to property obtained, shall be under the authority of the approved provider for purposes provided in the program unless, as described in division (K) of this section, the program waives its right for funding or a program's funding is eliminated or reduced due to its inability to meet financial or early learning program standards. The approved provider shall administer and use such property and funds for the purposes specified.

(G) The Department may examine a provider's financial and program records. If the financial practices of the program are not in accordance with standard accounting principles or do not meet
financial standards outlined under division (F) of this section, or if the program fails to substantially meet the early learning program standards, meet a quality rating level in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code as prescribed by the Department, or exhibits below average performance as measured against the standards, the early childhood education program shall propose and implement a corrective action plan that has been approved by the Department. The approved corrective action plan shall be signed by the chief executive officer and the executive of the official governing body of the provider. The corrective action plan shall include a schedule for monitoring by the Department. Such monitoring may include monthly reports, inspections, a timeline for correction of deficiencies, and technical assistance to be provided by the Department or obtained by the early childhood education program. The Department may withhold funding pending corrective action. If an early childhood education program fails to satisfactorily complete a corrective action plan, the Department may deny expansion funding to the program or withdraw all or part of the funding to the program and establish a new eligible provider through a selection process established by the Department.

(H)(1) If the early childhood education program is licensed by the Department of Education and is not highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall do all of the following:

(a) Meet teacher qualification requirements prescribed by section 3301.311 of the Revised Code;

(b) Align curriculum to the early learning content standards developed by the Department;

(c) Meet any child or program assessment requirements prescribed by the Department;
(d) Require teachers, except teachers enrolled and working to obtain a degree pursuant to section 3301.311 of the Revised Code, to attend a minimum of twenty hours every two years of professional development as prescribed by the Department;

(e) Document and report child progress as prescribed by the Department;

(f) Meet and report compliance with the early learning program standards as prescribed by the Department;

(g) Participate in the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code.

(2) If the program is highly rated, as determined by the Director of Job and Family Services, under the Step Up to Quality program established pursuant to section 5104.29 of the Revised Code, the program shall comply with the requirements of that program.

(I) Per-pupil funding for programs subject to this section shall be sufficient to provide eligible children with services for a standard early childhood schedule which shall be defined in this section as a minimum of twelve and one-half hours per school week as defined in section 3313.62 of the Revised Code for the minimum school year as defined in sections 3313.48, 3313.481, and 3313.482 of the Revised Code. Nothing in this section shall be construed to prohibit program providers from utilizing other funds to serve eligible children in programs that exceed the twelve and one-half hours per week or that exceed the minimum school year. For any provider for which a standard early childhood education schedule creates a hardship or for which the provider shows evidence that the provider is working in collaboration with a preschool special education program, the provider may submit a waiver to the Department requesting an alternate schedule. If the Department approves a waiver for an alternate schedule that provides services
for less time than the standard early childhood education schedule, the Department may reduce the provider's annual allocation proportionately. Under no circumstances shall an annual allocation be increased because of the approval of an alternate schedule.

(J) Each provider shall develop a sliding fee scale based on family incomes and shall charge families who earn more than two hundred per cent of the federal poverty guidelines, as defined in division (A)(3) of section 5101.46 of the Revised Code, for the early childhood education program.

The Department shall conduct an annual survey of each provider to determine whether the provider charges families tuition or fees, the amount families are charged relative to family income levels, and the number of families and students charged tuition and fees for the early childhood program.

(K) If an early childhood education program voluntarily waives its right for funding, or has its funding eliminated for not meeting financial standards or the early learning program standards, the provider shall transfer control of title to property, equipment, and remaining supplies obtained through the program to providers designated by the Department and return any unexpended funds to the Department along with any reports prescribed by the Department. The funding made available from a program that waives its right for funding or has its funding eliminated or reduced may be used by the Department for new grant awards or expansion grants. The Department may award new grants or expansion grants to eligible providers who apply. The eligible providers who apply must do so in accordance with the selection process established by the Department.

(L) Eligible expenditures for the Early Childhood Education Program shall be claimed each fiscal year to help meet the state's TANF maintenance of effort requirement. The Superintendent of
Public Instruction and the Director of Job and Family Services shall enter into an interagency agreement to carry out the requirements under this division, which shall include developing reporting guidelines for these expenditures.

(M)(1) The Department of Education and the Department of Job and Family Services shall continue to work toward establishing the following in common between early childhood education programs and publicly funded child care:

(a) An application;
(b) Program eligibility;
(c) Funding;
(d) An attendance policy;
(e) An attendance tracking system.

(2) In accordance with section 5104.34 of the Revised Code, eligible families may receive publicly funded child care beyond the standard early childhood schedule defined in division (I) of this section.

(3) All providers, agencies, and school districts participating in the early childhood education program or providing care to eligible families beyond the standard early childhood schedule shall follow the common policies established under this division.

In each fiscal year, the Department shall use these funds to assist information technology centers or school districts with the operational costs associated with this connectivity. The Department shall develop a formula and guidelines for the distribution of these funds to information technology centers or
individual school districts. As used in this section, "public school building" means a school building of any city, local, exempted village, or joint vocational school district, any community school established under Chapter 3314. of the Revised Code, any college preparatory boarding school established under Chapter 3328. of the Revised Code, any STEM school established under Chapter 3326. of the Revised Code, any educational service center building used for instructional purposes, the Ohio School for the Deaf and the Ohio School for the Blind, high schools chartered by the Ohio Department of Youth Services, or high schools operated by Ohio Department of Rehabilitation and Corrections' Ohio Central School System.

Section 265.90. STUDENT ASSESSMENT

Of the foregoing appropriation item 200437, Student Assessment, up to $2,760,000 in each fiscal year may be used to support the state's early learning assessment work and the assessments required under section 3301.0715 of the Revised Code. The funds may also be used to update and develop diagnostic assessments administered under sections 3301.079, 3301.0715, and 3313.608 of the Revised Code.

DEPARTMENT OF EDUCATION APPROPRIATION TRANSFERS FOR STUDENT ASSESSMENT

If the Director determines that such a reallocation is required, the Director may transfer unexpended and unencumbered appropriations within the Department of Education as necessary to appropriation item 200437, Student Assessment.

This training may include teacher and administrator professional development in the use of data to improve instruction and student learning, and teacher and administrator training in understanding teacher value-added reports and how they can be used as a
component in measuring teacher and administrator effectiveness. A portion of this funding shall be provided to educational service centers to support training and professional development under this section consistent with section 3312.01 of the Revised Code.

The remainder of appropriation item 200439, Accountability/Report Cards, shall be used by the Department of Education to incorporate a statewide value-added progress dimension into performance ratings for school districts and for the development of an accountability system that includes the preparation and distribution of school report cards, funding and expenditure accountability reports under sections 3302.03 and 3302.031 of the Revised Code, the development and maintenance of teacher value-added reports, the teacher student linkage/roster verification process, and the performance management section of the Department's web site required by section 3302.26 of the Revised Code.

d) F.I.R.S.T., in Mansfield.

(2) "Education program" means an elementary or secondary education program or a special education program and related services.

(3) "Served child" means any child receiving an education program pursuant to division (B) of this section.

(4) "School district responsible for tuition" means a city, exempted village, or local school district that, if tuition payment for a child by a school district is required under law that existed in fiscal year 1998, is the school district required to pay that tuition.

(5) "Residential child" means a child who resides in a participating residential treatment center and who is receiving an educational program under division (B) of this section.

(B) A youth who is a resident of the state and has been assigned by a juvenile court or other authorized agency to a residential treatment facility specified in division (A) of this section shall be enrolled in an approved educational program located in or near the facility. Approval of the educational program shall be contingent upon compliance with the criteria established for such programs by the Department of Education. The
educational program shall be provided by a school district or educational service center, or by the residential facility itself. Maximum flexibility shall be given to the residential treatment facility to determine the provider. In the event that a voluntary agreement cannot be reached and the residential facility does not choose to provide the educational program, the educational service center in the county in which the facility is located shall provide the educational program at the treatment center to children under twenty-two years of age residing in the treatment center.

(C) Any school district responsible for tuition for a residential child shall, notwithstanding any conflicting provision of the Revised Code regarding tuition payment, pay tuition for the child for fiscal year 2020 and fiscal year 2021 to the education program provider and in the amount specified in this division. If there is no school district responsible for tuition for a residential child and if the participating residential treatment center to which the child is assigned is located in the city, exempted village, or local school district that, if the child were not a resident of that treatment center, would be the school district where the child is entitled to attend school under sections 3313.64 and 3313.65 of the Revised Code, that school district, notwithstanding any conflicting provision of the Revised Code, shall pay tuition for the child for fiscal year 2020 and fiscal year 2021 under this division unless that school district is providing the educational program to the child under division (B) of this section.

A tuition payment under this division shall be made to the school district, educational service center, or residential treatment facility providing the educational program to the child. The amount of tuition paid shall be:

(1) The amount of tuition determined for the district under
division (A) of section 3317.08 of the Revised Code;

(2) In addition, for any student receiving special education pursuant to an individualized education program as defined in section 3323.01 of the Revised Code, a payment for excess costs. This payment shall equal the actual cost to the school district, educational service center, or residential treatment facility of providing special education and related services to the student pursuant to the student's individualized education program, minus the tuition paid for the child under division (C)(1) of this section.

A school district paying tuition under this division shall not include the child for whom tuition is paid in the district's average daily membership certified under division (A) of section 3317.03 of the Revised Code.

(D) In each of fiscal years 2020 and 2021, the Department of Education shall reimburse, from appropriations made for the purpose, a school district, educational service center, or residential treatment facility, whichever is providing the service, that has demonstrated that it is in compliance with the funding criteria for each served child for whom a school district must pay tuition under division (C) of this section. The amount of the reimbursement shall be the amount appropriated for this purpose divided by the full-time equivalent number of children for whom reimbursement is to be made.

(E) Funds provided to a school district, educational service center, or residential treatment facility under this section shall be used to supplement, not supplant, funds from other public sources for which the school district, service center, or residential treatment facility is entitled or eligible.

(F) The Department of Education shall track the utilization of funds provided to school districts, educational service
centers, and residential treatment facilities under this section and monitor the effect of the funding on the educational programs they provide in participating residential treatment facilities. The Department shall monitor the programs for educational accountability.

Section 265.460. (A) The Superintendent of Public Instruction may form partnerships with Ohio's business community, including the Ohio Business Roundtable, to create and implement initiatives that connect students with the business community in an effort to increase student engagement and job readiness through internships, work study, and site-based learning experiences.

(B) If the Superintendent forms a partnership pursuant to division (A) of this section, the initiatives created and implemented through that partnership shall do all of the following:

(1) Support the career connection learning strategies described in division (B)(2) of section 3301.079 of the Revised Code;

(2) Provide an opportunity for students to earn high school credit toward graduation or to meet curriculum requirements in accordance with divisions (J)(1) and (2) of section 3313.603 of the Revised Code;

(3) Inform the development of student success plans pursuant to division (C) of section 3313.6020 of the Revised Code.

Section 265.470. The Department of Education shall study the feasibility of new funding models for internet- or computer-based community schools. In conducting the study, the department shall do all of the following:

(A) Consider models of funding based on competency and course completion;
(B) Consider models of funding used in other states, including Florida and New Hampshire;

(C) Make recommendations on the feasibility of new funding models for internet- or computer-based community schools.

Upon completion of the study, and not later than December 31, 2019, the department shall submit copies of the study to the Governor, the President and Minority Leader of the Senate, the Speaker and Minority Leader of the House of Representatives, and the chairpersons of the standing committees on education of the Senate and the House of Representatives.

Section 265.505. Not later than December 31, 2020, and December 31, 2021, the Department of Education shall submit an annual report to the General Assembly in accordance with section 101.68 of the Revised Code describing the manner in which the Department partnered with educational service centers in the delivery of services consistent with Chapter 3312. of the Revised Code, as specified in the sections of this act entitled "ACADEMIC STANDARDS," "ACCOUNTABILITY/REPORT CARDS," "LITERACY IMPROVEMENT," "EDUCATOR PREPARATION," and "FOUNDATION FUNDING," during the previous fiscal year.

Section 265.510. (A) There is hereby established a committee to study the state report card prescribed under section 3302.03 of the Revised Code, including how performance measures, components,
and the overall grade under division (C) of that section are calculated and weighted. The committee also shall consider design principles for the state report card, the state report card's primary audience, and how state report cards address student academic achievement, including whether the measures are appropriately graded to reflect student academic achievement.

(B) The committee shall consist of the following members:

(1) The Superintendent of Public Instruction or designee;

(2) The chairperson of the standing committee of the House of Representatives that considers primary and secondary education legislation;

(5) Two members of the Senate appointed by the President of the Senate;

(6) Three superintendents, one from a rural district, one from a suburban district, and one from an urban district, appointed by the buckeye association of school administrators.

(C) Not later than thirty days after the effective date of this section, all appointments to the committee under division (B) of this section shall be made and the committee shall convene to elect a chairperson.

(D) In conducting its study, the committee shall investigate at least all of the following:

(1) How many years of data should be included in, and how grades are assigned to, the progress component prescribed under division (C)(3)(c) of section 3302.03 of the Revised Code;

(2) How to structure the prepared for success component
prescribed under division (C)(3)(f) of section 3302.03 of the Revised Code, including considering additional ways to earn points;

(4) How the graduation component prescribed under division (C)(3)(d) of section 3302.03 of the Revised Code includes students with disabilities and mobile students;

(5) If the overall grades should be a letter grade or some other rating system that clearly communicate the performance of school districts and other public schools to families and communities.

(E) Not later than December 15, 2019, the committee shall submit a report to the General Assembly in accordance with section 101.68 of the Revised Code. In addition to addressing the topics prescribed under division (D) of this section, the report shall make recommendations, including any necessary changes to the Revised Code or Administrative Code, about at least all of the following:

(1) How to calculate each graded measure included in the state report card;

(2) How to assign a grade to each graded measure, including ranges of scores associated with letter grades or any other rating system determined appropriate by the committee;

(4) Which state report card calculations should be prescribed in statute and which should be prescribed in administrative rule;
(5) What additional, non-graded information families and communities want to see on the state report card;

(6) What additional items can be used for bonus points in the prepared for success component.

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA

ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of associate, baccalaureate, master's, and professional level degree attainment.

The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.
For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Each institution shall receive its prorated share of degree funding for credits earned at that institution. Cost of credits not earned at a university main or regional campus shall be credited to the degree-granting institution for the first degree earned by a student at each degree level. The cost credited to the degree-granting institution shall not be eligible for at-risk weights and shall be limited to 12.5 per cent of the student-specific degree costs. However, the 12.5 per cent limitation shall not apply if the student transferred 12 or fewer credits into the degree granting institution.

In calculating the subsidy entitlements for degree attainment for universities, the Chancellor shall use the following count of degrees and degree costs:

(a) The subsidy eligible undergraduate degrees shall be defined as follows:

(i) The subsidy eligible degrees conferred to students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, shall be weighted by a factor of 1.

(ii) The subsidy eligible degrees conferred to students identified as out-of-state residents during all terms of their studies, as reported through the Higher Education Information (HEI) system student enrollment file, who remain in the state of Ohio at least one year after graduation, as calculated based on the three-year average in-state residency rate using the Unemployment Wage data for out-of-state graduates at each institution, shall be weighted by a factor of 50 per cent.
(iii) Subsidy eligible associate degrees are defined as those earned by students attending any state-supported university main or regional campus.

(b) In calculating each campus's count of degrees, the Chancellor shall use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the three-year period ending in the prior year.

(i) If a student is awarded an associate degree and, subsequently, is awarded a baccalaureate degree, the amount funded for the baccalaureate degree shall be limited to either the difference in cost between the cost of the baccalaureate degree and the cost of the associate degree paid previously, or if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded.

(ii) If a student earns an associate degree then, subsequently, earns a baccalaureate degree, the associate degree granting institution shall only receive the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded.

(iii) If a student earns more than one degree at the same institution at the same degree level in the same fiscal year, the funding for the highest cost degree shall be prorated among institutions based on where the credits were earned and additional degrees shall be funded at 25 per cent of the cost of the degrees.

(c) Associate degrees and baccalaureate degrees earned by a student defined as at-risk based on academic underpreparation, age, minority status, financial status, or first generation post-secondary status based on neither parent completing any education beyond high school, shall be defined as degrees earned by an at-risk student and shall be weighted by the following:
A student-specific degree completion weight, where the weight is calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, up to 11.78 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 and 2021," in each fiscal year shall be reserved for support of doctoral programs to implement the funding recommendations made by representatives of the universities. The amount so reserved shall be referred to as the doctoral set-aside.

In each fiscal year, the doctoral set-aside funding allocation shall be allocated to universities as follows:

(a) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of the statewide total earnings of each state institution's three-year average course completions. The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file. Course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all doctoral enrollments in graduate-level models.

(b) 50 per cent of the doctoral set-aside shall be allocated to universities in proportion to each campus's share of the total statewide doctoral degrees, weighted by the cost of the doctoral discipline. In calculating each campus's doctoral degrees the Chancellor shall use the three-year average doctoral degrees awarded for the three-year period ending in the prior year.
(c) 25 per cent of the doctoral set-aside shall be allocated to universities in proportion to their share of research grant activity. Funding for this component shall be allocated to eligible universities in proportion to their share of research grant activity published by the National Science Foundation. Grant awards from the Department of Health and Human Services shall be weighted at 50 per cent.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 6.41 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of Medical II FTEs. The amount so reserved shall be referred to as the medical II set-aside.

The medical II set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical II FTEs as calculated in division (A) of this section.

In calculating the core subsidy entitlements for Medical II models only, students repeating terms may be no more than five per cent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State Share of Instruction, 1.48 per cent of the appropriation for universities, as established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for support of Medical I FTEs. The amount so reserved shall be referred to as the medical I set-aside.

The medical I set-aside shall be allocated to universities in proportion to their share of the statewide total of each state institution's three-year average Medical I FTEs as calculated in
division (A) of this section.

(5) In calculating the course completion funding for universities, the Chancellor shall use the following count of FTE students:

(a) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information (HEI) system course enrollment file;

(b) Those undergraduate FTE students with successful course completions, identified in division (D)(5)(a) of this section, that are defined as at-risk based on academic under-preparation or financial status shall have their eligible completions weighted by the following:

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2016-2018 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all models except Medical I, Medical II, Doctoral I, and Doctoral II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS of the next section.
(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for course completion FTEs as aggregated by the subsidy models defined in division (B) of this section.

The course completion funding shall be allocated to campuses in proportion to each campus's share of the total sector's course completions, weighted by the instructional cost of the subsidy models.

To calculate the subsidy entitlements for course completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of FTE course completions, the Chancellor shall use a three-year average for course completions for the three year period ending in the prior year for students identified as residents of the state of Ohio in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.

(b) The subsidy eligible enrollments by model shall equal only those FTE students who successfully complete the course as defined and reported through the Higher Education Information...
(c) Those students with successful course completions, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible course completions weighted by a statewide access weight. The weight given to any student that meets any access factor shall be 15 per cent for all course completions.

(d) The model costs as used in the calculation shall be augmented by the model weights for science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for colleges in proportion to their share of college student success factors.

Student success factors shall be awarded at the institutional level for each subsidy-eligible student that successfully:

(a) Completes a developmental math course and, within the next year, enrolls in a college-level math course.

(b) Completes a developmental English course and, within the next year, enrolls in a college-level English course.

(c) Completes 12 semester credit hours of college-level coursework.

(d) Completes 24 semester credit hours of college-level coursework.

(e) Completes 36 semester credit hours of college-level coursework.
coursework.

(3) Of the foregoing appropriation item 235501, State Share of Instruction, 25 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for completion milestones.

Completion milestones shall include associate degrees, technical certificates over 30 credit hours as designated by the Department of Higher Education, and students transferring to any four-year institution with at least 12 credit hours of college-level coursework earned at that community college, state community college, or technical college.

The completion milestone funding shall be allocated to colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion milestones awarded to students identified as subsidy eligible in any term of their studies, as reported through the Higher Education Information (HEI) system student enrollment file.
(b) The subsidy eligible completion milestones by model shall equal only those students who successfully complete an associate degree or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework as defined and reported in the Higher Education Information (HEI) system. Student completions reported in HEI shall have an accompanying course enrollment record in order to be subsidy eligible.

(c) Those students with successful completions for associate degrees, technical certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework, identified in division (E)(3) of this section, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.

(d) For those students who complete more than one completion milestone, funding for each additional associate degree or technical certificate over 30 credit hours designated as such by the Department of Higher Education shall be funded at 50 per cent of the model costs as defined in division (3) of this section.

(F) CAPITAL COMPONENT DEDUCTION

After all other adjustments have been made, state share of instruction earnings shall be reduced for each campus by the amount, if any, by which debt service charged in Am. H.B. 748 of the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly,
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 562 of the 127th General Assembly for that campus exceeds that campus's capital component earnings. The sum of the amounts deducted shall be transferred to appropriation item 235552, Capital Component, in each fiscal year.

(G) EXCEPTIONAL CIRCUMSTANCES

Adjustments may be made to the state share of instruction payments and other subsidies distributed by the Chancellor of Higher Education to state colleges and universities for exceptional circumstances. No adjustments for exceptional circumstances may be made without the recommendation of the Chancellor and the approval of the Controlling Board.

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF INSTRUCTION

The standard provisions of the state share of instruction calculation as described in the preceding sections of temporary law shall apply to any reductions made to appropriation item 235501, State Share of Instruction, before the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year.

Any reductions made to appropriation item 235501, State Share of Instruction, after the Chancellor has formally approved the final allocation of the state share of instruction funds for any fiscal year, shall be uniformly applied to each campus in proportion to its share of the final allocation.

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION

The state share of instruction payments to the institutions shall be in substantially equal monthly amounts during the fiscal year, unless otherwise determined by the Director of Budget and Management pursuant to section 126.09 of the Revised Code. Payments during the first six months of the fiscal year shall be
based upon the state share of instruction appropriation estimates made for the various institutions of higher education and payments during the last six months of the fiscal year shall be based on the final data from the Chancellor.

(J) STUDY ON THE USE OF EMPLOYMENT METRICS FOR THE STATE SHARE OF INSTRUCTION FORMULAS

The Inter-University Council and Ohio Association of Community Colleges shall each recommend eight members representing their institutions to serve on the Employment Metrics Consultation, which shall assist the Chancellor of Higher Education to study the most appropriate formula weights for post-graduation employment measures that may be used in the distribution to universities and community colleges from the foregoing appropriation item 235501, State Share of Instruction, beginning in fiscal year 2022. The Chancellor, or the Chancellor's designee, shall lead the Consultation and call its first meeting. The Consultation shall research the most appropriate data sources available to measure employment outcomes and evaluate the public policy benefits of adding such measures to the current State Share of Instruction allocation formulas to reward institutional performance of job placement. The Consultation shall also identify and evaluate the most critical factors that should be considered as possible enhancements to the formula, such as the relevance of graduates' degrees to job placement, employment in Ohio versus out of state, placement in high demand fields, and other qualitative factors. Separate allocation factors may be considered within each sector's share of the foregoing appropriation item 235501, State Share of Instruction. The study shall be completed by June 30, 2020.

Section 381.150. STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021
(A) The foregoing appropriation item 235501, State Share of Instruction, shall be distributed according to the section of this act entitled "STATE SHARE OF INSTRUCTION FORMULAS."

(1) Of the foregoing appropriation item 235501, State Share of Instruction, $465,426,250 in fiscal year 2020 and $470,080,512 in fiscal year 2021 shall be distributed to state-supported community colleges, state community colleges, and technical colleges.

(2) Of the foregoing appropriation item 235501, State Share of Instruction, $1,553,776,572 in fiscal year 2020 and $1,569,314,338 in fiscal year 2021 shall be distributed to state-supported university main and regional campuses.

Any increases in the amount distributed to an institution from appropriation item 235501, State Share of Instruction, above the prior year shall be used by the institution to provide need-based aid and to provide counseling, support services, and workforce preparation services to students.

Section 381.160. RESTRICTION ON FEE INCREASES

(A) In fiscal years 2020 and 2021, the boards of trustees of state institutions of higher education shall restrain increases in in-state undergraduate instructional and general fees.

(1) For the 2019-2020 and 2020-2021 academic years, all of the following shall apply:

(a) Each state university or college, as defined in section 3345.12 and university branch established under Chapter 3355. of the Revised Code shall not increase its in-state undergraduate instructional and general fees by more than two per cent over what the institution charged for the previous academic year.

(b) Each community college established under Chapter 3354., state community college established under Chapter 3358., or
technical college established under Chapter 3357. of the Revised
Code may increase its in-state undergraduate instructional and
general fees by not more than $5 per credit hour over what the
institution charged for the previous academic year.

(c) For state institutions of higher education, as defined in
section 3345.011 of the Revised Code, increases for all other
special fees, including the creation of new special fees, shall be
subject to the approval of the Chancellor of Higher Education.

(2) The limitations under division (A)(1) of this section do
not apply to room and board, student health insurance, fees for
auxiliary goods or services provided to students at the cost
incurred to the institution, fees assessed to students as a
pass-through for licensure and certification examinations, fees in
elective courses associated with travel experiences, elective
service charges, fines, voluntary sales transactions, and fees,
which may appear directly on a student's tuition bill as assessed
by the institution's bursar, to offset the cost of providing
textbooks to students.

(B) The limitations under this section shall not apply to
increases required to comply with institutional covenants related
to their obligations or to meet unfunded legal mandates or legally
binding obligations incurred or commitments made prior to the
effective date of this section with respect to which the
institution had identified such fee increases as the source of
funds. Any increase required by such covenants and any such
mandates, obligations, or commitments shall be reported by the
Chancellor of Higher Education to the Controlling Board. These
limitations may also be modified by the Chancellor, with the
approval of the Controlling Board, to respond to exceptional
circumstances as identified by the Chancellor.

(C) Institutions offering an undergraduate tuition guarantee
pursuant to section 3345.48 of the Revised Code may increase
instructional and general fees pursuant to that section.

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES

(A) Funds appropriated for instructional subsidies at colleges and universities may be used to provide such branch or other off-campus undergraduate courses of study and such master's degree courses of study as may be approved by the Chancellor of Higher Education.

(B) In providing instructional and other services to students, boards of trustees of state institutions of higher education shall supplement state subsidies with income from charges to students. Except as otherwise provided in this act, each board shall establish the fees to be charged to all students, including an instructional fee for educational and associated operational support of the institution and a general fee for noninstructional services, including locally financed student services facilities used for the benefit of enrolled students. The instructional fee and the general fee shall encompass all charges for services assessed uniformly to all enrolled students. Each board may also establish special purpose fees, service charges, and fines as required; such special purpose fees and service charges shall be for services or benefits furnished individual students or specific categories of students and shall not be applied uniformly to all enrolled students. A tuition surcharge shall be paid by all students who are not residents of Ohio.

The board of trustees of a state institution of higher education shall not authorize a waiver or nonpayment of instructional fees or general fees for any particular student or any class of students other than waivers specifically authorized by law or approved by the Chancellor. This prohibition is not intended to limit the authority of boards of trustees to provide for payments to students for services rendered the institution,
nor to prohibit the budgeting of income for staff benefits or for
student assistance in the form of payment of such instructional
and general fees.

Each state institution of higher education in its statement
of charges to students shall separately identify the instructional
fee, the general fee, the tuition charge, and the tuition
surcharge. Fee charges to students for instruction shall not be
considered to be a price of service but shall be considered to be
an integral part of the state government financing program in
support of higher educational opportunity for students.

(C) The boards of trustees of state institutions of higher
education shall ensure that faculty members devote a proper and
judicious part of their work week to the actual instruction of
students. Total class credit hours of production per academic term
per full-time faculty member is expected to meet the standards set
forth in the budget data submitted by the Chancellor of Higher
Education.

(D) The authority of government vested by law in the boards
of trustees of state institutions of higher education shall in
fact be exercised by those boards. Boards of trustees may consult
extensively with appropriate student and faculty groups.
Administrative decisions about the utilization of available
resources, about organizational structure, about disciplinary
procedure, about the operation and staffing of all auxiliary
facilities, and about administrative personnel shall be the
exclusive prerogative of boards of trustees. Any delegation of
authority by a board of trustees in other areas of responsibility
shall be accompanied by appropriate standards of guidance
concerning expected objectives in the exercise of such delegated
authority and shall be accompanied by periodic review of the
exercise of this delegated authority to the end that the public
interest, in contrast to any institutional or special interest,
shall be served.

**Section 381.180. WAR ORPHANS AND SEVERELY DISABLED VETERANS' CHILDREN SCHOLARSHIPS**

The foregoing appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships, shall be used to reimburse state institutions of higher education for waivers of instructional fees and general fees provided by them, to provide grants to institutions that have received a certificate of authorization from the Chancellor of Higher Education under Chapter 1713. of the Revised Code, in accordance with the provisions of section 5910.04 of the Revised Code, and to fund additional scholarship benefits provided by section 5910.032 of the Revised Code.

During each fiscal year, the Chancellor, as soon as possible after cancellation, may certify to the Director of Budget and Management the amount of canceled prior-year encumbrances in appropriation item 235504, War Orphans and Severely Disabled Veterans' Children Scholarships. Upon receipt of the certification, the Director of Budget and Management may transfer cash, up to the certified amount, from the General Revenue Fund to the War Orphans and Severely Disabled Veterans' Children Scholarship Reserve Fund (Fund 5PW0).

**Section 381.200. OHIOLINK**

The foregoing appropriation item 235507, OhioLINK, shall be used by the Chancellor of Higher Education to support OhioLINK, a consortium organized under division (T) of section 3333.04 of the Revised Code to serve as the state's electronic library information and retrieval system, which provides access statewide to an extensive set of electronic databases and resources, the library holdings of Ohio's public and participating private
nonprofit colleges and universities, and the State Library of Ohio.

Section 381.210. AIR FORCE INSTITUTE OF TECHNOLOGY

Of the foregoing appropriation item 235508, Air Force Institute of Technology, $75,000 in each fiscal year shall be allocated to the Aerospace Professional Development Center in Dayton for statewide workforce development services in the aerospace industry.

The remainder of the foregoing appropriation item 235508, Air Force Institute of Technology, shall be used to: (A) strengthen the research and educational linkages between the Wright Patterson Air Force Base and institutions of higher education in Ohio; and (B) support the Defense Associated Graduate Student Innovators, an engineering graduate consortium of Wright State University, the University of Dayton, and the Air Force Institute of Technology, with the participation of the University of Cincinnati and The Ohio State University.

Section 381.220. OHIO SUPERCOMPUTER CENTER

The foregoing appropriation item 235510, Ohio Supercomputer Center, shall be used by the Chancellor of Higher Education to support the operation of the Ohio Supercomputer Center, a consortium organized under division (T) of section 3333.04 of the Revised Code, located at The Ohio State University. The Ohio Supercomputer Center is a statewide resource available to Ohio research universities both public and private. It is also intended that the center be made accessible to private industry as appropriate.

The Ohio Supercomputer Center's services shall support Ohio's colleges, universities, and businesses to make Ohio a leader in using computational science, modeling, and simulation to promote
higher education, research, and economic competitiveness.

**Section 381.230. COOPERATIVE EXTENSION SERVICE**

The foregoing appropriation item 235511, Cooperative Extension Service, shall be disbursed through the Chancellor of Higher Education to The Ohio State University in monthly payments, unless otherwise determined by the Director of Budget and Management under section 126.09 of the Revised Code.

**Section 381.240. CENTRAL STATE SUPPLEMENT**

The foregoing appropriation item 235514, Central State Supplement, shall be disbursed by the Chancellor of Higher Education to Central State University in accordance with the plan developed by the Chancellor and submitted to the Governor and the General Assembly as directed by Am. Sub. H.B. 153 of the 129th General Assembly. Section 387.20. ADDITIONAL APPROPRIATIONS

Appropriation items in Section 387.10 of this act shall be used for the purpose of administering and distributing the designated revenue distribution funds according to the Revised Code. If it is determined that additional appropriations are necessary for this purpose in any appropriation items in Section 387.10 of this act, such amounts are hereby appropriated.

GENERAL REVENUE FUND TRANSFERS

Notwithstanding any provision of law to the contrary, in fiscal year 2020 and fiscal year 2021, the Director of Budget and Management may transfer from the General Revenue Fund to the Local Government Tangible Property Tax Replacement Fund (Fund 7081) and the School District Tangible Property Tax Replacement Fund (Fund 7047) in the Revenue Distribution Fund Group, those amounts necessary to reimburse local taxing units and school districts under sections 5709.92 and 5709.93 of the Revised Code. Also, in fiscal year 2020 and fiscal year 2021, the Director of Budget and Management may make temporary transfers from the General Revenue Fund to ensure sufficient balances in the Local Government Tangible Property Tax Replacement Fund (Fund 7081) and the School District Tangible Property Tax Replacement Fund (Fund 7047) and to replenish the General Revenue Fund for such transfers.

PROPERTY TAX REIMBURSEMENT - EDUCATION

The foregoing appropriation item 200903, Property Tax Reimbursement - Education, is appropriated to pay for the state's costs incurred because of the homestead exemption, the property
tax rollback, and payments required under division (C) of section 5705.2110 of the Revised Code. In cooperation with the Department of Taxation, the Department of Education shall distribute these funds directly to the appropriate school districts of the state, notwithstanding sections 321.24 and 323.156 of the Revised Code, which provide for payment of the homestead exemption and property tax rollback by the Tax Commissioner to the appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each school district shall distribute the amount among the proper funds as if it had been paid as real or tangible personal property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amount specifically appropriated in appropriation item 200903, Property Tax Reimbursement - Education, for the homestead exemption and the property tax rollback payments, and payments required under division (C) of section 5705.2110 of the Revised Code, which are determined to be necessary for these purposes, are hereby appropriated.

**HOMESTEAD EXEMPTION, PROPERTY TAX ROLLBACK**

The foregoing appropriation item 110908, Property Tax Reimbursement - Local Government, is hereby appropriated to pay for the state's costs incurred due to the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback. The Tax Commissioner shall distribute these funds directly to the appropriate local taxing districts, except for school districts, notwithstanding the provisions in sections 321.24 and 323.156 of the Revised Code, which provide for payment of the Homestead Exemption, the Manufactured Home Property Tax Rollback, and Property Tax Rollback by the Tax Commissioner to the
appropriate county treasurer and the subsequent redistribution of these funds to the appropriate local taxing districts by the county auditor.

Upon receipt of these amounts, each local taxing district shall distribute the amount among the proper funds as if it had been paid as real property taxes. Payments for the costs of administration shall continue to be paid to the county treasurer and county auditor as provided for in sections 319.54, 321.26, and 323.156 of the Revised Code.

Any sums, in addition to the amounts specifically appropriated in appropriation item 110908, Property Tax Allocation - Local Government, for the Homestead Exemption, the Manufactured Home Property Tax Rollback, and the Property Tax Rollback payments, which are determined to be necessary for these purposes, are hereby appropriated.

PUBLIC LIBRARY FUND

Notwithstanding the requirement in division (B) of section 131.51 of the Revised Code that the Director of Budget and Management shall credit to the Public Library Fund one and sixty-six one-hundredths per cent of the total tax revenue credited to the General Revenue Fund during the preceding month, the Director shall instead calculate these amounts during fiscal year 2020 and fiscal year 2021 using one and seven-tenths as the percentage.

LOCAL GOVERNMENT FUND

Notwithstanding the requirement in division (A) of section 131.51 of the Revised Code that the Director of Budget and Management shall credit to the Local Government Fund one and sixty-six one-hundredths per cent of the total tax revenue credited to the General Revenue Fund during the preceding month, the Director shall instead calculate these amounts during fiscal
year 2020 and fiscal year 2021 using one and sixty-eight one-hundredths as the percentage.

TANGIBLE PERSONAL PROPERTY TAX REIMBURSEMENTS

Notwithstanding any provision of law to the contrary, in fiscal years 2020 and 2021, any city, local, or exempted village school district that has a nuclear power plant located within its territory shall receive the same payment amount under section 5709.92 of the Revised Code as in fiscal year 2017.

MUNICIPAL INCOME TAX

The foregoing appropriation item 110995, Municipal Income Tax, shall be used to make payments to municipal corporations under section 5745.05 of the Revised Code. If it is determined that additional appropriations are necessary to make such payments, such amounts are hereby appropriated.

MUNICIPAL NET PROFIT TAX

The foregoing appropriation item 110902, Municipal Net Profit Tax, shall be used to make payments to municipal corporations under section 718.83 of the Revised Code. If it is determined that additional amounts are necessary to make such payments, such amounts are hereby appropriated.

During fiscal year 2020 and fiscal year 2021, if the Tax Commissioner determines that there is insufficient cash in the Municipal Net Profit Tax Fund (Fund 5VR0) to meet monthly distribution obligations under section 718.83 of the Revised Code, the Tax Commissioner shall certify to the Director of Budget and Management the amount of additional cash necessary to satisfy those obligations. In addition, the Commissioner shall submit a plan to the Director requesting the necessary cash be transferred from one or a combination of the following funds: the Municipal Income Tax Administrative Fund, the Local Sales Tax Administrative Fund, the General School District Income Tax Administrative Fund,
the Motor Fuel Tax Administrative Fund, the Property Tax Administrative Fund, or the General Revenue Fund. This plan shall include a proposed repayment schedule to reimburse those funds for any cash transferred in accordance with this section. After receiving the certification and funding plan from the Tax Commissioner and if the Director determines that sufficient cash is available, the Director may transfer the cash to the Municipal Net Profit Tax Fund in accordance with the plan submitted by the Tax Commissioner or as otherwise determined by the Director of Budget and Management. The Director of Budget and Management may transfer cash from the Municipal Net Profit Tax Fund to reimburse the funds from which cash was transferred for the purpose outlined in this section.

Ohio Constitution, Chapter 154. of the Revised Code, and other applicable sections of the Revised Code, original obligations in an aggregate principal amount not to exceed $3,000,000 in addition to the original issuance of obligations heretofore authorized by prior acts of the General Assembly. These authorized obligations shall be issued, subject to applicable constitutional and statutory limitations, as needed to provide sufficient moneys to the credit of the Administrative Building Fund (Fund 7026) to pay costs associated with previously authorized capital facilities for the housing of branches and agencies of state government or their functions.

Unless otherwise prohibited by law, any appropriation from which personal service expenses are paid shall bear the employer's share of public employees' retirement, workers' compensation, disabled workers' relief, and insurance programs; the costs of centralized financial services, centralized payroll processing, and related reports and services; centralized human resources services, including affirmative action and equal employment opportunity programs; the Office of Collective Bargaining; centralized information technology management services; administering the enterprise resource planning system; and administering the state employee merit system as required by section 124.07 of the Revised Code. AGAINST THE STATE

Except as otherwise provided in this section, an appropriation in this act or any other act may be used for the purpose of satisfying judgments, settlements, or administrative awards ordered or approved by the Court of Claims or by any other court of competent jurisdiction in connection with civil actions against the state. This authorization does not apply to appropriations to be applied to or used for payment of guarantees by or on behalf of the state, or for payments under lease agreements relating to, or debt service on, bonds, notes, or other obligations of the state. Notwithstanding any other statute to the contrary, this authorization includes appropriations from funds into which proceeds of direct obligations of the state are deposited only to the extent that the judgment, settlement, or administrative award is for, or represents, capital costs for which the appropriation may otherwise be used and is consistent with the purpose for which any related obligations were issued or entered into. Nothing contained in this section is intended to subject the state to suit in any forum in which it is not otherwise subject to suit, and is not intended to waive or compromise any defense or right available to the state in any suit against it.

Section 503.30. CAPITAL PROJECT SETTLEMENTS

This section specifies an additional and supplemental procedure to provide for payments of judgments and settlements if the Director of Budget and Management determines, pursuant to division (C)(4) of section 2743.19 of the Revised Code, that sufficient unencumbered moneys do not exist in the fund to support a particular appropriation to pay the amount of a final judgment rendered against the state or a state agency, including the settlement of a claim approved by a court, in an action upon and
arising out of a contractual obligation for the construction or improvement of a capital facility if the costs under the contract were payable in whole or in part from a state capital projects appropriation. In such a case, the Director may either proceed pursuant to division (C)(4) of section 2743.19 of the Revised Code or apply to the Controlling Board to increase an appropriation or create an appropriation out of any unencumbered moneys in the state treasury to the credit of the capital projects fund from which the initial state appropriation was made. The amount of an increase in appropriation or new appropriation approved by the Controlling Board is hereby appropriated from the applicable capital projects fund and made available for the payment of the judgment or settlement.

If the Director does not make the application authorized by this section or the Controlling Board disapproves the application, and the Director does not make application under division (C)(4) of section 2743.19 of the Revised Code, the Director shall for the purpose of making that payment make a request to the General Assembly as provided for in division (C)(5) of that section.

Section 503.40. RE-ISSUANCE OF VOIGNED WARRANTS

In order to provide funds for the reissuance of voided warrants under section 126.37 of the Revised Code, there is hereby appropriated, out of moneys in the state treasury from the fund credited as provided in section 126.37 of the Revised Code, that amount sufficient to pay such warrants when approved by the Office of Budget and Management.

(A) Notwithstanding the original year of appropriation or encumbrance, the unexpended balance of an operating appropriation
or reappropriation that a state agency lawfully encumbered prior to the close of fiscal year 2019 or fiscal year 2020 is hereby reappropriated on the first day of July of the following fiscal year from the fund from which it was originally appropriated or reappropriated for the period of time listed in this section and shall remain available only for the purpose of discharging the encumbrance:

(1) For an encumbrance for personal services, maintenance, equipment, or items for resale not otherwise identified in this section, for a period of not more than five months from the end of the fiscal year;

(4) For an encumbrance for any other type of expense not otherwise identified in division (A)(1), (2), or (3) of this section, for such period as the Director approves, provided such period does not extend beyond the FY 2020 – FY 2021 biennium.

(B) Any operating appropriations for which unexpended balances are reappropriated in fiscal year 2020 or fiscal year 2021 pursuant to division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report shall include the item, the cost of the item, and the name of the
vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the reappropriation period.

(D) If the Controlling Board approved a purchase, that approval remains in effect so long as the appropriation used to make that purchase remains encumbered.

Section 503.60. CORRECTION OF ACCOUNTING ERRORS

(A) The Director of Budget and Management may correct accounting errors committed by the staff of the Office of Budget and Management, such as reestablishing encumbrances or appropriations canceled in error, during the cancellation of operating encumbrances in November and of non-operating encumbrances in December.

The Director of Budget and Management may transfer appropriations between the Third Frontier Research and Development Fund (Fund 7011) and the Third Frontier Research and Development Taxable Bond Fund (Fund 7014) as necessary to maintain the exclusion from the calculation of gross income for federal income taxation purposes under the Internal Revenue Code with respect to obligations issued to fund projects appropriated from the Third Frontier Research and Development Fund (Fund 7011).

The Director may also create new appropriation items within the Third Frontier Research and Development Taxable Bond Fund (Fund 7014) and make transfers of appropriations to them for projects originally funded from appropriations made from the Third Frontier Research and Development Fund (Fund 7011).

Section 503.100. INCOME TAX DISTRIBUTION TO COUNTIES

There are hereby appropriated out of any moneys in the state treasury to the credit of the General Revenue Fund, which are not otherwise appropriated, funds sufficient to make any payment required by division (B)(2) of section 5747.03 of the Revised Code.

Payments shall be made upon certification by the Treasurer of State of the dates and the amounts due on those dates.

If it is determined that a payment is necessary in the amount computed at the time to represent the portion of investment income to be rebated or amounts in lieu of or in addition to any rebate amount to be paid to the federal government in order to maintain the exclusion from gross income for federal income tax purposes of interest on those state obligations under section 148(f) of the Internal Revenue Code, such an amount is hereby appropriated from those funds designated by or pursuant to the applicable proceedings authorizing the issuance of state obligations.

(2) This section does not apply to either of the following:

(a) An ICF/IID in peer group 3-B;

(b) An ICF/IID for which the provider obtains an initial 
provider agreement during a fiscal year for which modifications to 
the formula being phased out are made under this section.

(C) Notwithstanding Chapter 5124. of the Revised Code, the 
following modifications shall be made when determining under the 
formula being phased out the fiscal years 2019, 2020, and 2021 
total per Medicaid day payment rates for an ICF/IID to which this 
section applies:

(1) The ICF/IID's efficiency incentive for capital costs, as 
determined under division (F) of section 5124.171 of the Revised 
Code, shall be reduced by 50%.

(2) In place of the maximum cost per case-mix unit 
established for the ICF/IID's peer group under division (C) of 
section 5124.195 of the Revised Code, the ICF/IID's maximum costs 
per case-mix unit shall be the amount the Department determined 
for the ICF/IID's peer group for fiscal year 2016 in accordance 
with division (E) of Section 259.160 of Am. Sub. H.B. 64 of the 
131st General Assembly.

(3) In place of the inflation adjustment otherwise calculated 
under division (D) of section 5124.195 of the Revised Code for the 
purpose of division (A)(1)(b) of that section, an inflation 
adjustment of 1.014 shall be used.

(4) In place of the efficiency incentive otherwise calculated 
under division (B)(2) of section 5124.211 of the Revised Code, the 
ICF/IID's efficiency incentive for indirect care costs shall be 
the following:
(a) In the case of an ICF/IID in peer group 1-B, not more than $3.69;

(b) In the case of an ICF/IID in peer group 2-B, not more than $3.19.

(5) In place of the maximum rate for indirect care costs established for the ICF/IID's peer group under division (C) of section 5124.211 of the Revised Code, the maximum rate for indirect care costs for the ICF/IID's peer group shall be an amount the Department shall determine in accordance with division (D) of this section.

(6) In place of the inflation adjustment otherwise calculated under division (E)(1) of section 5124.211 of the Revised Code for the purpose of division (B)(1) of that section only, an inflation adjustment of 1.014 shall be used.

(7) In place of the inflation adjustment otherwise made under section 5124.231 of the Revised Code, the ICF/IID's desk-reviewed, actual, allowable, per Medicaid day other protected costs, excluding the franchise permit fee, from the applicable cost report year shall be multiplied by 1.014.

(D) In determining the amount of the maximum rate for indirect costs for the purpose of division (C)(5) of this section, the Department shall strive to the greatest extent possible to do both of the following:

(1) Avoid rate reductions under division (E) of this section;

(2) Have the amount so determined result in payment of all desk-reviewed, actual, allowable indirect care costs for the same percentage of Medicaid days for ICFs/IID in peer group 1-B as for ICFs/IID in peer group 2-B as of the first day of the fiscal year for which the determination is made, based on May Medicaid days from the calendar year in which the fiscal year begins.
(E)(1) If the mean total per Medicaid day rate for all ICFs/IID to which this section applies, as determined under division (C) of this section as of the first day of a fiscal year for which a rate is determined under this section and weighted by May Medicaid days from the calendar year in which the fiscal year begins, is either greater than the amount determined under division (E)(2) of this section $290.10, the Department shall adjust, for the fiscal year for which the rate is determined, the total per Medicaid day rate for each ICF/IID to which this section applies by a percentage that is equal to the percentage by which the mean total per Medicaid day rate is greater or less than the amount determined under division (E)(2) of this section $290.10.

(2) The amount to be used for the purpose of division (E)(1) of this section shall be not less than $290.10. The Department, in its sole discretion, may use a larger amount for the purpose of that division. In determining whether to use a larger amount, the Department may consider any of the following:

(a) The reduction in the total Medicaid-certified capacity of all ICFs/IID that occurs in the fiscal year immediately preceding the fiscal year for which the determination is made, and the reduction that is projected to occur in the fiscal year for which the determination is made, as a result of either of the following:

(i) A downsizing pursuant to a plan approved by the Department under section 5123.042 of the Revised Code;

(ii) A conversion of beds to providing home and community-based services under the Individual Options waiver pursuant to section 5124.60 or 5124.61 of the Revised Code.

(b) The increase in Medicaid payments made for ICF/IID services provided during the fiscal year immediately preceding the fiscal year for which the determination is made, and the increase that is projected to occur in the fiscal year for which the
determination is made, as a result of the modifications to the payment rates made under section 5124.101 of the Revised Code.

(c) The total reduction in the number of ICF/IID beds that occurs pursuant to section 5124.67 of the Revised Code;

(d) Other factors the Department determines to be relevant.

(F) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the rate determined under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

Section 601.04. That existing Section 261.168 of Am. Sub. H.B. 49 of the 132nd General Assembly, as amended by Sub. H.B. 24 of the 132nd General Assembly, is hereby repealed.

The designees shall determine the cost-effectiveness of the programming in terms of administrative and operational costs, including facilities, personnel, technology, supplies, contracts, and services. Following review and not later than January 1, 2020, the Directors of Budget and Management and Administrative Services jointly shall determine, in consultation with the affected agencies, the functions that may be consolidated within and across state departments, with particular emphasis on facilities utilization,

make budget changes made necessary by this section, including
cancelling encumbrances and reestablishing them as encumbrances of
the department that is to be responsible for the functions after

*The Job Creation Tax Credit (JCTC) estimate of credits outstanding is not just for tax credit certificates already issued, but also for the estimated potential value of certificates to be issued under the program through 2035 when looking at the existing portfolio of approved and active incentives. The estimate assumes that the companies receiving credits will continue to meet the performance objectives required to continue receiving the credit.

Section 757.40. (A) As used in this section:

(1) "Certificate owner" and "qualified rehabilitation expenditures" have the same meanings as in section 149.311 of the Revised Code.

(2) "Taxpayer," "tax period," "excluded person," "combined taxpayer," and "consolidated elected taxpayer," have the same meanings as in section 5751.01 of the Revised Code.

(3) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code.

(B) A taxpayer that is the certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code may claim a credit against the tax levied by section 5751.02 of the Revised Code for tax periods ending on or before June 30, 2021, provided that the taxpayer is unable to claim the credit under section 5725.151, 5725.34, 5726.52, 5729.17, or 5747.76 of the Revised Code.
The credit shall equal the lesser of twenty-five per cent of
the dollar amount of the qualified rehabilitation expenditures
indicated on the certificate or five million dollars. The credit
shall be claimed for the calendar year specified in the
certificate and after the credits authorized in divisions (A)(1)
to (4) of section 5751.98 of the Revised Code, but before the
credits authorized in divisions (A)(5) to (7) of that section.

If the credit allowed for any calendar year exceeds the tax
otherwise due under section 5751.02 of the Revised Code, after
allowing for any other credits preceding the credit in the order
prescribed by this section, the excess shall be refunded to the
taxpayer. However, if any amount of the credit is refunded, the
sum of the amount refunded and the amount applied to reduce the
tax otherwise due for that year shall not exceed three million
dollars. The taxpayer may carry forward any balance of the credit
in excess of the amount claimed for that year for not more than
five calendar years after the calendar year specified in the
certificate, and shall deduct any amount claimed in any such year
from the amount claimed in an ensuing year.

A person that is an excluded person may file a return under
section 5751.051 of the Revised Code for the purpose of claiming
the credit authorized in this section.

If the certificate owner is a pass-through entity, the credit
may not be allocated among the entity's owners in proportions or
amounts as the owners mutually agree unless either the owners are
part of the same combined or consolidated elected taxpayer as the
pass-through entity or the director of development services issued
the certificate in the name of the pass-through entity's owners in
the agreed-upon proportions or amounts. If the credit is allocated
among those owners, an owner may claim the credit authorized in
this section only if that owner is a corporation or an association
taxed as a corporation for federal income tax purposes and is not
a corporation that has made an election under Subchapter S of Chapter 1 of Subtitle A of the Internal Revenue Code.

The credit authorized in this section may be claimed only on the basis of a rehabilitation tax credit certificate with an effective date after December 31, 2013, but before June 30, 2021.

A person claiming a credit under this section shall retain the rehabilitation tax credit certificate for four years following the end of the latest calendar year in which the credit was applied, and shall make the certificate available for inspection by the tax commissioner upon request.
