division (E)(1) of this section shall be accomplished only through
the following procedure:
(i) The private legal counsel shall file with the attorney general a copy of the contract; a request for an award of legal fees, court costs, and expenses earned or incurred in connection with the defense of the Ohio public defender commission, the state public defender, an assistant state public defender, an employee, or an attorney in a specified civil action or proceeding; a written itemization of those fees, costs, and expenses, including the signature of the state public defender and the state public defender's attestation that the fees, costs, and expenses were earned or incurred pursuant to division (E)(1) of this section to the best of the state public defender's knowledge and information; a written statement whether the fees, costs, and expenses are for all legal services to be rendered in connection with that defense, are only for legal services rendered to the date of the request and additional legal services likely will have to be provided in connection with that defense, or are for the final legal services rendered in connection with that defense; a written statement indicating whether the private legal counsel previously submitted a request for an award under division (E)(2) of this section in connection with that defense and, if so, the date and the amount of each award granted; and, if the fees, costs, and expenses are for all legal services to be rendered in connection with that defense or are for the final legal services rendered in connection with that defense, a certified copy of any judgment entry in the civil action or proceeding or a signed copy of any settlement agreement entered into between the parties to the civil action or proceeding.

(ii) Upon receipt of a request for an award of legal fees, court costs, and expenses and the requisite supportive documentation described in division (E)(2)(a)(i) of this section, the attorney general shall review the request and documentation; determine whether any of the limitations specified in division (E)(2)(b) of this section apply to the request; and, if an award
of legal fees, court costs, or expenses is permissible after applying the limitations, prepare a document awarding legal fees, court costs, or expenses to the private legal counsel. The document shall name the private legal counsel as the recipient of the award; specify the total amount of the award as determined by the attorney general; itemize the portions of the award that represent legal fees, court costs, and expenses; specify any limitation applied pursuant to division (E)(2)(b) of this section to reduce the amount of the award sought by the private legal counsel; state that the award is payable from the state treasury pursuant to division (E)(2)(a)(iii) of this section; and be approved by the inclusion of the signatures of the attorney general, the state public defender, and the private legal counsel.

(iii) The attorney general shall forward a copy of the document prepared pursuant to division (E)(2)(a)(ii) of this section to the director of budget and management. The award of legal fees, court costs, or expenses shall be paid out of the state public defender's appropriations, to the extent there is a sufficient available balance in those appropriations. If the state public defender does not have a sufficient available balance in the state public defender's appropriations to pay the entire award of legal fees, court costs, or expenses, the director shall make application for a transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies in an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations. A transfer of appropriations out of the emergency purposes account or any other appropriation for emergencies or contingencies shall be authorized if there are sufficient moneys greater than the sum total of then pending emergency purposes account requests, or requests for releases from the other appropriation. If a transfer of appropriations out of the emergency purposes account or other appropriation for
emergencies or contingencies is made to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the director shall cause the payment to be made to the private legal counsel. If sufficient moneys do not exist in the emergency purposes account or other appropriation for emergencies or contingencies to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, the private legal counsel shall request the general assembly to make an appropriation sufficient to pay an amount equal to the portion of the award that exceeds the sufficient available balance in the state public defender's appropriations, and no payment in that amount shall be made until the appropriation has been made. The private legal counsel shall make the request during the current biennium and during each succeeding biennium until a sufficient appropriation is made. 

(b) An award of legal fees, court costs, and expenses pursuant to division (E) of this section is subject to the following limitations:

(i) The maximum award or maximum aggregate of a series of awards of legal fees, court costs, and expenses to the private legal counsel in connection with the defense of the Ohio public defender commission, the state public defender, an assistant state public defender, an employee, or an attorney in a specified civil action or proceeding shall not exceed fifty thousand dollars.

(ii) The private legal counsel shall not be awarded legal fees, court costs, or expenses to the extent the fees, costs, or expenses are covered by a policy of malpractice or other insurance.

(iii) The private legal counsel shall be awarded legal fees and expenses only to the extent that the fees and expenses are reasonable in light of the legal services rendered by the private
legal counsel in connection with the defense of the Ohio public
defender commission, the state public defender, an assistant state
public defender, an employee, or an attorney in a specified civil
action or proceeding.

(c) If, pursuant to division (E)(2)(a) of this section, the
attorney general denies a request for an award of legal fees,
court costs, or expenses to private legal counsel because of the
application of a limitation specified in division (E)(2)(b) of
this section, the attorney general shall notify the private legal
counsel in writing of the denial and of the limitation applied.

(d) If, pursuant to division (E)(2)(c) of this section, a
private legal counsel receives a denial of an award notification
or if a private legal counsel refuses to approve a document under
division (E)(2)(a)(ii) of this section because of the proposed
application of a limitation specified in division (E)(2)(b) of
this section, the private legal counsel may commence a civil
action against the attorney general in the court of claims to
prove the private legal counsel's entitlement to the award sought,
to prove that division (E)(2)(b) of this section does not prohibit
or otherwise limit the award sought, and to recover a judgment for
the amount of the award sought. A civil action under division
(E)(2)(d) of this section shall be commenced no later than two
years after receipt of a denial of award notification or, if the
private legal counsel refused to approve a document under division
(E)(2)(a)(ii) of this section because of the proposed application
of a limitation specified in division (E)(2)(b) of this section,
no later than two years after the refusal. Any judgment of the
court of claims in favor of the private legal counsel shall be
paid from the state treasury in accordance with division (E)(2)(a)
of this section.

(F) If a court appoints the office of the state public
defender to represent a petitioner in a postconviction relief
proceeding under section 2953.21 of the Revised Code, the
petitioner has received a sentence of death, and the proceeding
relates to that sentence, all of the attorneys who represent the
petitioner in the proceeding pursuant to the appointment, whether
an assistant state public defender, the state public defender, or
another attorney, shall be certified under Rule 20 of the Rules of
Superintendence for the Courts of Ohio to represent indigent
defendants charged with or convicted of an offense for which the
death penalty can be or has been imposed.

(G)(1) The state public defender may conduct a legal
assistance referral service for children committed to the
department of youth services relative to conditions of confinement
claims. If the legal assistance referral service receives a
request for assistance from a child confined in a facility
operated, or contracted for, by the department of youth services
and the state public defender determines that the child has a
conditions of confinement claim that has merit, the state public
defender may refer the child to a private attorney. If no private
attorney who the child has been referred to by the state public
defender accepts the case within a reasonable time, the state
public defender may prepare, as appropriate, pro se pleadings in
the form of a complaint regarding the conditions of confinement at
the facility where the child is confined with a motion for
appointment of counsel and other applicable pleadings necessary
for sufficient pro se representation.

(2) Division (G)(1) of this section does not authorize the
state public defender to represent a child committed to the
department of youth services in general civil matters arising
solely out of state law.

(3) The state public defender shall not undertake the
representation of a child in court based on a conditions of
confinement claim arising under this division.
(H) A child's right to representation or services under this
section is not affected by the child, or another person on behalf
of the child, previously having paid for similar representation or
services or having waived legal representation.

(I) The state public defender shall have reasonable access to
any child committed to the department of youth services,
department of youth services institution, and department of youth
services record as needed to implement this section.

(J) As used in this section:

(1) "Community control sanction" has the same meaning as in
section 2929.01 of the Revised Code.

(2) "Conditions of confinement" means any issue involving a
constitutional right or other civil right related to a child's
incarceration, including, but not limited to, actions cognizable

(3) "Post-release control sanction" has the same meaning as
in section 2967.01 of the Revised Code.

Sec. 120.08. There is hereby created in the state treasury
the indigent defense support fund, consisting of money paid into
the fund pursuant to sections 4507.45, 4509.101, 4510.22, and
4511.19 of the Revised Code and pursuant to sections 2937.22,
2949.091, and 2949.094 of the Revised Code out of the additional
court costs imposed under those sections. The state public
defender shall use at least eighty-three per cent of the money in
the fund for the purposes of reimbursing county governments for
expenses incurred pursuant to sections 120.18, 120.28, and 120.33
of the Revised Code and operating its system pursuant to division
(C)(7) of section 120.04 of the Revised Code and division (B) of
section 120.33 of the Revised Code. Disbursements from the fund to
county governments shall be made at least once per year and shall
be allocated proportionately so that each county receives an equal percentage of its total cost for operating its county public defender system, its joint county public defender system, its county appointed counsel system, or its system operated under division (C)(7) of section 120.04 of the Revised Code and division (B) of section 120.33 of the Revised Code. The state public defender may use not more than seventeen per cent of the money in the fund for the purposes of appointing assistant state public defenders, providing other personnel, equipment, and facilities necessary for the operation of the state public defender office, and providing training, developing and implementing electronic forms, or establishing and maintaining an information technology system used for the uniform operation of this chapter.

Sec. 120.18. (A) The county public defender commission's report to the board of county commissioners shall be audited by the county auditor. The board of county commissioners, after review and approval of the audited report, may then certify it to the state public defender for reimbursement. If a request for the reimbursement of any operating expenditure incurred by a county public defender office is not received by the state public defender within sixty days after the end of the calendar month in which the expenditure is incurred, the state public defender shall not pay the requested reimbursement, unless the county has requested, and the state public defender has granted, an extension of the sixty-day time limit. Each request for reimbursement shall include a certification by the county public defender that the persons provided representation by the county public defender's office during the period covered by the report were indigent and, for each person provided representation during that period, a financial disclosure form completed by the person on a form prescribed by the state public defender. The state public defender
shall also review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code and the payment determination provisions of section 120.34 of the Revised Code, prepare a voucher for fifty per cent of the total cost of each county public defender's office for the period of time covered by the certified report and a voucher for fifty per cent of the costs and expenses that are reimbursable under section 120.35 of the Revised Code, if any, or, if the amount of money appropriated by the general assembly to reimburse counties for the operation of county public defender offices, joint county public defender offices, and county appointed counsel systems is not sufficient to pay fifty per cent of the total cost of all of the offices and systems, for the lesser amount required by section 120.34 of the Revised Code. The amount of payments to be included in and made under the voucher shall be determined as specified in section 120.34 of the Revised Code. For the purposes of this section, total "cost" means total expenses minus costs and expenses reimbursable under section 120.35 of the Revised Code and any funds received by the county public defender commission pursuant to a contract, except a contract entered into with a municipal corporation pursuant to division (E) of section 120.14 of the Revised Code, gift, or grant.

(B) If the county public defender fails to maintain the standards for the conduct of the office established by rules of the Ohio public defender commission pursuant to divisions (B) and (C) of section 120.03 or the standards established by the state public defender pursuant to division (B)(7) of section 120.04 of the Revised Code, the Ohio public defender commission shall notify the county public defender commission and the board of county commissioners of the county that the county public defender has failed to comply with its rules or the standards of the state public defender. Unless the county public defender commission or
the county public defender corrects the conduct of the county public defender's office to comply with the rules and standards within ninety days after the date of the notice, the state public defender may deny payment of all or part of the county's reimbursement from the state provided for in division (A) of this section.

**Sec. 120.28.** (A) The joint county public defender commission's report to the joint board of county commissioners shall be audited by the fiscal officer of the district. The joint board of county commissioners, after review and approval of the audited report, may then certify it to the state public defender for reimbursement. If a request for the reimbursement of any operating expenditure incurred by a joint county public defender office is not received by the state public defender within sixty days after the end of the calendar month in which the expenditure is incurred, the state public defender shall not pay the requested reimbursement, unless the joint board of county commissioners has requested, and the state public defender has granted, an extension of the sixty-day time limit. Each request for reimbursement shall include a certification by the joint county public defender that all persons provided representation by the joint county public defender's office during the period covered by the request were indigent and, for each person provided representation during that period, a financial disclosure form completed by the person on a form prescribed by the state public defender. The state public defender shall also review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code and the payment determination provisions of section 120.34 of the Revised Code, prepare a voucher for fifty per cent of the total cost of each joint county public defender's office for the period of time covered by the certified report and a voucher for fifty
per cent of the costs and expenses that are reimbursable under
section 120.35 of the Revised Code, if any, or, if the amount of
money appropriated by the general assembly to reimburse counties
for the operation of county public defender offices, joint county
public defender offices, and county appointed counsel systems is
not sufficient to pay fifty per cent of the total cost of all of
the offices and systems, for the lesser amount required by section
120.34 of the Revised Code. The amount of payments to be included
in and made under the voucher shall be determined as specified in
section 120.34 of the Revised Code. For purposes of this section,
total "cost" means total expenses minus costs and expenses
reimbursable under section 120.35 of the Revised Code and any
funds received by the joint county public defender commission
pursuant to a contract, except a contract entered into with a
municipal corporation pursuant to division (E) of section 120.24
of the Revised Code, gift, or grant. Each county in the district
shall be entitled to a share of such state reimbursement in
proportion to the percentage of the total cost it has agreed to
pay.

(B) If the joint county public defender fails to maintain the
standards for the conduct of the office established by the rules
of the Ohio public defender commission pursuant to divisions (B)
and (C) of section 120.03 or the standards established by the
state public defender pursuant to division (B)(7) of section
120.04 of the Revised Code, the Ohio public defender commission
shall notify the joint county public defender commission and the
board of county commissioners of each county in the district that
the joint county public defender has failed to comply with its
rules or the standards of the state public defender. Unless the
joint public defender commission or the joint county public
defender corrects the conduct of the joint county public
defender's office to comply with the rules and standards within
ninety days after the date of the notice, the state public
defender may deny all or part of the counties' reimbursement from the state provided for in division (A) of this section.

Sec. 120.33. (A) In lieu of using a county public defender or joint county public defender to represent indigent persons in the proceedings set forth in division (A) of section 120.16 of the Revised Code, the board of county commissioners of any county may adopt a resolution to pay counsel who are either personally selected by the indigent person or appointed by the court. The resolution shall include those provisions the board of county commissioners considers necessary to provide effective representation of indigent persons in any proceeding for which counsel is provided under this section. The resolution shall include provisions for contracts with any municipal corporation under which the municipal corporation shall reimburse the county for counsel appointed to represent indigent persons charged with violations of the ordinances of the municipal corporation.

(1) In a county that adopts a resolution to pay counsel, an indigent person shall have the right to do either of the following:

(a) To select the person's own personal counsel to represent the person in any proceeding included within the provisions of the resolution;

(b) To request the court to appoint counsel to represent the person in such a proceeding.

(2) The court having jurisdiction over the proceeding in a county that adopts a resolution to pay counsel shall, after determining that the person is indigent and entitled to legal representation under this section, do either of the following:

(a) By signed journal entry recorded on its docket, enter the name of the lawyer selected by the indigent person as counsel of
record;

(b) Appoint counsel for the indigent person if the person has requested the court to appoint counsel and, by signed journal entry recorded on its dockets, enter the name of the lawyer appointed for the indigent person as counsel of record.

(3) The board of county commissioners shall establish a schedule of fees by case or on an hourly basis to be paid to counsel for legal services provided pursuant to a resolution adopted under this section. Prior to establishing the schedule, the board of county commissioners shall request the bar association or associations of the county to submit a proposed schedule for cases other than capital cases. The schedule submitted shall be subject to the review, amendment, and approval of the board of county commissioners, except with respect to capital cases. With respect to capital cases, the schedule shall provide for fees by case or on an hourly basis to be paid to counsel in the amount or at the rate set by the capital case attorney fee council pursuant to division (D) of this section, and the board of county commissioners shall approve that amount or rate.

(4) Counsel selected by the indigent person or appointed by the court at the request of an indigent person in a county that adopts a resolution to pay counsel, except for counsel appointed to represent a person charged with any violation of an ordinance of a municipal corporation that has not contracted with the county commissioners for the payment of appointed counsel, shall be paid by the county and shall receive the compensation and expenses the court approves. With respect to capital cases, the court shall approve compensation and expenses in accordance with the amount or at the rate set by the capital case attorney fee council pursuant to division (D) of this section. Each request for payment shall include a financial disclosure form completed by the indigent
person on a form prescribed by the state public defender. Compensation and expenses shall not exceed the amounts fixed by the board of county commissioners in the schedule adopted pursuant to division (A)(3) of this section. No court shall approve compensation and expenses that exceed the amount fixed pursuant to division (A)(3) of this section.

The fees and expenses approved by the court shall not be taxed as part of the costs and shall be paid by the county. However, if the person represented has, or may reasonably be expected to have, the means to meet some part of the cost of the services rendered to the person, the person shall pay the county an amount that the person reasonably can be expected to pay. Pursuant to section 120.04 of the Revised Code, the county shall pay to the state public defender a percentage of the payment received from the person in an amount proportionate to the percentage of the costs of the person's case that were paid to the county by the state public defender pursuant to this section. The money paid to the state public defender shall be credited to the client payment fund created pursuant to division (B)(5) of section 120.04 of the Revised Code.

The county auditor shall draw a warrant on the county treasurer for the payment of counsel in the amount fixed by the court, plus the expenses the court fixes and certifies to the auditor. The county auditor shall report periodically, but not less than annually, to the board of county commissioners and to the state public defender the amounts paid out pursuant to the approval of the court. The board of county commissioners, after review and approval of the auditor's report, or the county auditor, with permission from and notice to the board of county commissioners, may then certify it to the state public defender for reimbursement. The state public defender may pay a requested reimbursement only if the request for reimbursement includes a
financial disclosure form completed by the indigent person on a form prescribed by the state public defender or if the court certifies by electronic signature as prescribed by the state public defender that a financial disclosure form has been completed by the indigent person and is available for inspection. If a request for the reimbursement of the cost of counsel in any case is not received by the state public defender within ninety days after the end of the calendar month in which the case is finally disposed of by the court, unless the county has requested and the state public defender has granted an extension of the ninety-day limit, the state public defender shall not pay the requested reimbursement. The state public defender shall also review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code and the payment determination provisions of section 120.34 of the Revised Code, prepare a voucher for fifty per cent of the total cost of each county appointed counsel system in the period of time covered by the certified report and a voucher for fifty per cent of the costs and expenses that are reimbursable under section 120.35 of the Revised Code, if any, or, if the amount of money appropriated by the general assembly to reimburse counties for the operation of county public defender offices, joint county public defender offices, and county appointed counsel systems is not sufficient to pay fifty per cent of the total cost of all of the offices and systems other than costs and expenses that are reimbursable under section 120.35 of the Revised Code, for the lesser amount required by section 120.34 of the Revised Code. The amount of payments to be included in and made under the voucher shall be determined as specified in section 120.34 of the Revised Code.

(5) If any county appointed counsel system fails to maintain the standards for the conduct of the system established by the rules of the Ohio public defender commission pursuant to divisions
(B) and (C) of section 120.03 or the standards established by the state public defender pursuant to division (B)(7) of section 120.04 of the Revised Code, the Ohio public defender commission shall notify the board of county commissioners of the county that the county appointed counsel system has failed to comply with its rules or the standards of the state public defender. Unless the board of county commissioners corrects the conduct of its appointed counsel system to comply with the rules and standards within ninety days after the date of the notice, the state public defender may deny all or part of the county's reimbursement from the state provided for in division (A)(4) of this section.

(B) In lieu of using a county public defender or joint county public defender to represent indigent persons in the proceedings set forth in division (A) of section 120.16 of the Revised Code, and in lieu of adopting the resolution and following the procedure described in division (A) of this section, the board of county commissioners of any county may contract with the state public defender for the state public defender's legal representation of indigent persons. A contract entered into pursuant to this division may provide for payment for the services provided on a per case, hourly, or fixed contract basis.

(C) If a court appoints an attorney pursuant to this section to represent a petitioner in a postconviction relief proceeding under section 2953.21 of the Revised Code, the petitioner has received a sentence of death, and the proceeding relates to that sentence, the attorney who represents the petitioner in the proceeding pursuant to the appointment shall be certified under Rule 20 of the Rules of Superintendence for the Courts of Ohio to represent indigent defendants charged with or convicted of an offense for which the death penalty can be or has been imposed.

(D)(1) There is hereby created the capital case attorney fee council, appointed as described in division (D)(2) of this
section. The council shall set an amount by case, or a rate on an hourly basis, to be paid under this section to counsel in a capital case.

(2) The capital case attorney fee council shall consist of five members, all of whom shall be active judges serving on one of the district courts of appeals in this state. Terms for council members shall be the lesser of three years or until the member ceases to be an active judge of a district court of appeals. The initial terms shall commence ninety days after September 28, 2016. The chief justice of the supreme court shall appoint the members of the council, and shall make all of the appointments not later than sixty days after September 28, 2016. When any vacancy occurs, the chief justice shall appoint an active judge of a district court of appeals in this state to fill the vacancy for the unexpired term, in the same manner as prescribed in this division. The chief justice shall designate a chairperson from the appointed members of the council. Members of the council shall receive no additional compensation for their service as a member, but may be reimbursed for expenses reasonably incurred in service to the council, to be paid by the supreme court. The supreme court may provide administrative support to the council.

(3) The capital case attorney fee council initially shall meet not later than one hundred twenty days after September 28, 2016. Thereafter, the council shall meet not less than annually.

(4) Upon setting the amount or rate described in division (D)(1) of this section, the chairperson of the capital case attorney fee council promptly shall provide written notice to the state public defender of the amount or rate so set. The amount or rate so set shall become effective ninety days after the date on which the chairperson provides that written notice to the state public defender. The council shall specify that effective date in the written notice provided to the state public defender.
amounts or rates set by the council shall be final, subject to modification as described in division (D)(5) of this section, and not subject to appeal.

(5) The capital case attorney fee council may modify an amount or rate set as described in division (D)(4) of this section. The provisions of that division apply with respect to any such modification of an amount or rate.

Sec. 120.34. The total amount of money paid to all counties in any fiscal year pursuant to sections 120.18, 120.28, and 120.33, 120.35, and 2941.51 of the Revised Code for the reimbursement of a percentage of the counties' cost of operating county public defender offices, joint county public defender offices, and county appointed counsel systems, the counties' costs and expenses of conducting the defense in capital cases, and the counties' costs and expenses of appointed counsel covered by section 2941.51 of the Revised Code shall not exceed the total amount appropriated for that fiscal year by the general assembly for the reimbursement of the counties for the operation of the offices and systems and for those appointed counsel costs and expenses, and shall be determined as specified in this section. If the amount appropriated by the general assembly in any fiscal year is insufficient to pay fifty per cent of the total cost in the fiscal year of all county public defender offices, all joint county public defender offices, and all county appointed counsel systems, and all costs and expenses of appointed counsel covered by section 2941.51 of the Revised Code, the amount of money paid in that fiscal year pursuant to sections 120.18, 120.28, and 120.33, 120.35, and 2941.51 of the Revised Code to each county for the fiscal year shall be reduced proportionately so that each county is paid an equal percentage of its total cost in the fiscal year for operating its county public defender system, its joint county public defender system, and its county appointed counsel.
system, an equal percentage of its costs and expenses of conducting the defense in capital cases in the fiscal year, and an equal percentage of its costs and expenses of appointed counsel covered by section 2941.51 of the Revised Code.

The total amount of money paid to all counties in any fiscal year pursuant to section 120.35 of the Revised Code for the reimbursement of a percentage of the counties' costs and expenses of conducting the defense in capital cases shall not exceed the total amount appropriated for that fiscal year by the general assembly for the reimbursement of the counties for conducting the defense in capital cases. If the amount appropriated by the general assembly in any fiscal year is insufficient to pay fifty per cent of the counties' total costs and expenses of conducting the defense in capital cases in the fiscal year, the amount of money paid in that fiscal year pursuant to section 120.35 of the Revised Code to each county for the fiscal year shall be reduced proportionately so that each county is paid an equal percentage of its costs and expenses of conducting the defense in capital cases in the fiscal year.

If any county receives an amount of money pursuant to section 120.18, 120.28, 120.33, or 120.35, or 2941.51 of the Revised Code that is in excess of the amount of reimbursement it is entitled to receive pursuant to this section, the state public defender shall request the board of county commissioners to return the excess payment and the board of county commissioners, upon receipt of the request, shall direct the appropriate county officer to return the excess payment to the state.

Within thirty days of the end of each fiscal quarter, the state public defender shall provide to the office of budget and management and the legislative budget office of the legislative service commission an estimate of the amount of money that will be required for the balance of the fiscal year to make the payments.
required by sections 120.18, 120.28, 120.33, and 120.35, and
2941.51 of the Revised Code.

Sec. 120.35. The state public defender shall, pursuant to section 120.18, 120.28, 120.33, or 2941.51 of the Revised Code, reimburse fifty per cent of all the costs and expenses of conducting the defense in capital cases, in an amount determined as specified in section 120.34 of the Revised Code. If appropriations are insufficient to pay fifty per cent of such costs and expenses, the state public defender shall reimburse such costs and expenses as provided in section 120.34 of the Revised Code.

Sec. 120.52. There is hereby established in the state treasury the legal aid fund, which shall be for the charitable public purpose of providing financial assistance to legal aid societies that provide civil legal services to indigents. The fund shall contain all funds credited to it by the treasurer of state pursuant to sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 4705.10 of the Revised Code.

The treasurer of state may invest moneys contained in the legal aid fund in any manner authorized by the Revised Code for the investment of state moneys. However, no such investment shall interfere with any apportionment, allocation, or payment of moneys as required by section 120.53 of the Revised Code.

The state public defender, through the Ohio legal assistance access to justice foundation, shall administer the payment of moneys out of the fund. Four and one-half per cent of the moneys in the fund shall be reserved for the actual, reasonable costs of administering sections 120.51 to 120.55 and sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 4705.10 of the Revised Code. Moneys that are reserved for administrative costs but that
are not used for actual, reasonable administrative costs shall be set aside for use in the manner described in division (A) of section 120.521 of the Revised Code. The remainder of the moneys in the legal aid fund shall be distributed in accordance with section 120.53 of the Revised Code. The Ohio legal assistance access to justice foundation shall deposit all gifts, bequests, donations, and contributions accepted by it into the legal assistance access to justice foundation fund established under this section. If the state public defender, pursuant to section 120.52 of the Revised Code as it existed prior to June 30, 1995, established a charitable, tax exempt foundation named the Ohio legal assistance access to justice foundation and if that foundation is in existence on the day before June 30, 1995, that foundation shall continue in existence and shall serve as the Ohio legal assistance access to justice foundation described in this section.

There is hereby established the legal assistance access to justice foundation fund, which shall be under the custody and control of the Ohio legal assistance access to justice foundation.

The Ohio legal assistance access to justice foundation shall include, in the annual report it is required to make to the governor, the general assembly, and the supreme court pursuant to division (G)(2) of section 120.53 of the Revised Code, an audited financial statement on the distribution and use of the legal assistance access to justice foundation fund. No information contained in the statement shall identify or enable the identification of any person served by a legal aid society or in any way breach confidentiality.

Membership on the board of the Ohio legal assistance access to justice foundation does not constitute holding another public office and does not constitute grounds for resignation from the senate or house of representatives under section 101.26 of the Revised Code.

(B) A foundation is tax exempt for purposes of this section if the foundation is exempt from federal income taxation under subsection 501(a) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 501(a), as amended, and if the foundation
has received from the internal revenue service a determination letter that is in effect stating that the foundation is exempt from federal income taxation under that subsection.

Sec. 120.53. (A) A legal aid society that operates within the state may apply to the Ohio legal assistance access to justice foundation for financial assistance from the legal aid fund established by section 120.52 of the Revised Code to be used for the funding of the society during the calendar year following the calendar year in which application is made.

(B) An application for financial assistance made under division (A) of this section shall be submitted by the first day of November of the calendar year preceding the calendar year for which financial assistance is desired and shall include all of the following:

(1) Evidence that the applicant is incorporated in this state as a nonprofit corporation;

applicant or by another person pursuant to a contract with the 
applicant, including, but not limited to, by private attorneys or

programs, and mediation programs.

(C) The Ohio legal assistance access to justice foundation 
shall determine whether each applicant that filed an application 
for financial assistance under division (A) of this section in a 
calendar year is eligible for financial assistance under this 
section. To be eligible for such financial assistance, an 
applicant shall satisfy the criteria for being a legal aid society 
and shall be in compliance with the provisions of sections 120.51 
to 120.55 of the Revised Code and with the rules and requirements 
the foundation establishes pursuant to section 120.52 of the 
Revised Code. The Ohio legal assistance access to justice 
foundation then, on or before the fifteenth day of December of the 
calendar year in which the application is filed, shall notify each 
such applicant, in writing, whether it is eligible for financial 
assistance under this section, and if it is eligible, estimate the 
amount that will be available for that applicant for each 
six-month distribution period, as determined under division (D) of 
this section.

(D) The Ohio legal assistance access to justice foundation 
shall allocate moneys contained in the legal aid fund monthly for 
distribution to applicants that filed their applications in the 
previous calendar year and are determined to be eligible 
applicants.

All moneys contained in the fund on the first day of each 
month shall be allocated, after deduction of the costs of
administering sections 120.51 to 120.55 and sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 4705.10 of the Revised Code that are authorized by section 120.52 of the Revised Code, according to this section and shall be distributed accordingly not later than the last day of the month following the month the moneys were received. In making the allocations under this section, the moneys in the fund that were generated pursuant to sections 1901.26, 1907.24, 2303.201, 3953.231, 4705.09, and 4705.10 of the Revised Code shall be apportioned as follows:

(1) After deduction of the amount authorized and used for actual, reasonable administrative costs under section 120.52 of the Revised Code:

(a) Five per cent of the moneys remaining in the fund shall be reserved for use in the manner described in division (A) of section 120.521 of the Revised Code or for distribution to legal aid societies that provide assistance to special population groups of their eligible clients, engage in special projects that have a substantial impact on their local service area or on significant segments of the state's poverty population, or provide legal training or support to other legal aid societies in the state;

(b) After deduction of the amount described in division (D)(1)(a) of this section, one and three-quarters per cent of the moneys remaining in the fund shall be apportioned among entities that received financial assistance from the legal aid fund prior to July 1, 1993, but that, on and after July 1, 1993, no longer qualify as a legal aid society that is eligible for financial assistance under this section.

(c) After deduction of the amounts described in divisions (D)(1)(a) and (b) of this section, fifteen per cent of the moneys remaining in the fund shall be placed in the access to justice foundation fund for use in the manner described in division (A) of section 120.521 of the Revised Code.
(2) After deduction of the actual, reasonable administrative costs under section 120.52 of the Revised Code and after deduction of the amounts identified in divisions (D)(1)(a), (b), and (c) of this section, the remaining moneys shall be apportioned among the counties that are served by eligible legal aid societies that have applied for financial assistance under this section so that each such county is apportioned a portion of those moneys, based upon the ratio of the number of indigents who reside in that county to the total number of indigents who reside in all counties of this state that are served by eligible legal aid societies that have applied for financial assistance under this section. Subject to division (E) of this section, the moneys apportioned to a county under this division then shall be allocated to the eligible legal aid society that serves the county and that has applied for financial assistance under this section. For purposes of this division, the source of data identifying the number of indigent persons who reside in a county shall be selected by the Ohio legal assistance access to justice foundation from the best available figures maintained by the United States census bureau.

(E) If the Ohio legal assistance access to justice foundation, in attempting to make an allocation of moneys under division (D)(2) of this section, determines that a county that has been apportioned money under that division is served by more than one eligible legal aid society that has applied for financial assistance under this section, the Ohio legal assistance access to justice foundation shall allocate the moneys that have been apportioned to that county under division (D)(2) of this section among all eligible legal aid societies that serve that county and that have applied for financial assistance under this section on a pro rata basis, so that each such eligible society is allocated a portion based upon the amount of its total budget expended in the prior calendar year for legal services in that county as compared to the total amount expended in the prior calendar year for legal
services in that county by all eligible legal aid societies that serve that county and that have applied for financial assistance under this section.

(F) Moneys allocated to eligible applicants under this section shall be paid monthly beginning the calendar year following the calendar year in which the application is filed.

(G)(1) A legal aid society that receives financial assistance in any calendar year under this section shall file an annual report with the Ohio legal assistance access to justice foundation detailing the number and types of cases handled, and the amount and types of legal training, legal technical assistance, and other service provided, by means of that financial assistance. No information contained in the report shall identify or enable the identification of any person served by the legal aid society or in any way breach client confidentiality.

(2) The Ohio legal assistance access to justice foundation shall make an annual report to the governor, the general assembly, and the supreme court on the distribution and use of the legal aid fund. The foundation also shall include in the annual report an audited financial statement of all gifts, bequests, donations, contributions, and other moneys the foundation receives. No information contained in the report shall identify or enable the identification of any person served by a legal aid society, or in any way breach confidentiality.

(H) A legal aid society may enter into agreements for the provision of services, programs, training, or legal technical assistance for the legal aid society or to indigent persons.

Sec. 121.083. (A) The superintendent of industrial compliance in the department of commerce shall do all of the following:

(H)(8) Accept submissions, establish a fee for submissions, and review submissions of certified welding and brazing procedure specifications, procedure qualification records, and performance qualification records for building services piping as required by section 4104.44 of the Revised Code.

(B) The superintendent may enter into a contract with a municipal corporation, township, or county building department certified by the board of building standards pursuant to division (E) of section 3781.10 of the Revised Code, or a municipal or county health district, to do any of the following on behalf of the building department or health district:

(G) Except as provided in divisions (G)(8) and (J) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:

(1) To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing.

Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

If the minutes of the public body show that all meetings and deliberations of the public body have been conducted in compliance with this section, any instrument executed by the public body purporting to convey, lease, or otherwise dispose of any right, title, or interest in any public property shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or
expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A public body specified in division (B)(1)(c) of this section shall not hold an executive session when meeting for the purposes specified in that division.

(H) A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (G) or (J) of this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or formal action violated division (F) of this section.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2)(a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall
award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.
(J)(1) Pursuant to division (C) of section 5901.09 of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(b) Discussing applications, statements, and other documents described in division (B) of section 5901.09 of the Revised Code;

(c) Reviewing matters relating to an applicant's request for financial assistance under sections 5901.01 to 5901.15 of the Revised Code.

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections 5901.01 to 5901.15 of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections 5901.01 to 5901.15 of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

(4) The cabinet council shall develop and implement the following:

The indicators shall focus on expectant parents and newborns thriving; infants and toddlers thriving; children being ready for school; children and youth succeeding in school; youth choosing healthy behaviors; and youth successfully transitioning into adulthood.

(B)(1) Each board of county commissioners shall establish a county family and children first council. The board may invite any local public or private agency or group that funds, advocates, or provides services to children and families to have a representative become a permanent or temporary member of its county council. Each county council must include the following
individuals:

(a) At least three individuals who are not employed by an agency represented on the council and whose families are or have received services from an agency represented on the council or another county's council. outlined in the county's service coordination mechanism
implemented pursuant to division (C) of this section.

The cabinet council shall establish a state appeals process
to resolve disputes among the members of a county council
concerning whether reasonable responsibilities as members are
being shared. The appeals process may be accessed only by a
majority vote of the council members who are required to serve on
the council. Upon appeal, the cabinet council may order that state
funds for services to children and families be redirected to a county's board of county commissioners.

The county's juvenile court judge senior in service or another judge of the juvenile court designated by the administrative judge or, where there is no administrative judge, by the judge senior in service shall serve as the judicial advisor to the county family and children first council. The judge may advise the county council on the court's utilization of resources, services, or programs provided by the entities represented by the members of the county council and how those resources, services, or programs assist the court in its administration of justice. Service of a judge as a judicial advisor pursuant to this section is a judicial function.

(2) The purpose of the county council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a county council shall provide for the following:

(a) Referrals to the cabinet council of those children for whom the county council cannot provide adequate services;

(b) An interagency process to identify local priorities to increase child well-being. The local priorities shall focus on expectant parents and newborns thriving; infants and toddlers thriving; children being ready for school; children and youth succeeding in school; youth choosing healthy behaviors; and youth successfully transitioning into adulthood and take into account the indicators established by the cabinet council under division (A)(4)(a) of this section.

(c) An annual plan that identifies the county's interagency efforts to increase child well-being in the county.

On an annual basis, the county council shall submit a report on the status of efforts by the county to increase child well-being in the county to the county's board of county commissioners and the cabinet council. This report shall be made available to any other person on request.

(4)(a) Except as provided in division (B)(4)(b) of this section, a county council shall comply with the policies, procedures, and activities prescribed by the rules or interagency agreements of a state department participating on the cabinet council whenever the county council performs a function subject to those rules or agreements.
(b) On application of a county council, the cabinet council may grant an exemption from any rules or interagency agreements of a state department participating on the council if an exemption is necessary for the council to implement an alternative program or approach for service delivery to families and children. The application shall describe the proposed program or approach and specify the rules or interagency agreements from which an exemption is necessary. The cabinet council shall approve or disapprove the application in accordance with standards and procedures it shall adopt. If an application is approved, the exemption is effective only while the program or approach is being implemented, including a reasonable period during which the program or approach is being evaluated for effectiveness.

(5)(a) Each county council shall designate an administrative agent for the council from among the following public entities: the board of alcohol, drug addiction, and mental health services, including a board of alcohol and drug addiction or a community mental health board if the county is served by separate boards; the board of county commissioners; any board of health of the county's city and general health districts; the county department of job and family services; the county agency responsible for the administration of children services pursuant to section 5153.15 of the Revised Code; the county board of developmental disabilities; any of the county's boards of education or governing boards of educational service centers; or the county's juvenile court. Any of the foregoing public entities, other than the board of county commissioners, may decline to serve as the council's administrative agent.

A county council's administrative agent shall serve as the council's appointing authority for any employees of the council. The council shall file an annual budget with its administrative agent, with copies filed with the county auditor and with the
board of county commissioners, unless the board is serving as the council's administrative agent. The council's administrative agent shall ensure that all expenditures are handled in accordance with policies, procedures, and activities prescribed by state departments in rules or interagency agreements that are applicable to the council's functions.

The administrative agent of a county council shall send notice of a member's absence if a member listed in division (B)(1) of this section has been absent from either three consecutive meetings of the county council or a county council subcommittee, or from one-quarter of such meetings in a calendar year, whichever is less. The notice shall be sent to the board of county commissioners that establishes the county council and, for the members listed in divisions (B)(1)(b), (c), (e), and (l) of this section, to the governing board overseeing the respective entity; for the member listed in division (B)(1)(f) of this section, to the county board of developmental disabilities that employs the superintendent; for a member listed in division (B)(1)(g) or (h) of this section, to the school board that employs the superintendent; for the member listed in division (B)(1)(i) of this section, to the mayor of the municipal corporation; for the member listed in division (B)(1)(k) of this section, to the director of youth services; and for the member listed in division (B)(1)(n) of this section, to that member's board of trustees.

The administrative agent for a county council may do any of the following on behalf of the council:

(i) Enter into agreements or administer contracts with public or private entities to fulfill specific council business. Such agreements and contracts are exempt from the competitive bidding requirements of section 307.86 of the Revised Code if they have been approved by the county council and they are for the purchase of family and child welfare or child protection services or other...
social or job and family services for families and children. The approval of the county council is not required to exempt agreements or contracts entered into under section 5139.34, 5139.41, or 5139.43 of the Revised Code from the competitive bidding requirements of section 307.86 of the Revised Code.

(ii) As determined by the council, provide financial stipends, reimbursements, or both, to family representatives for expenses related to council activity;

(iii) Receive by gift, grant, devise, or bequest any moneys, lands, or other property for the purposes for which the council is established. The agent shall hold, apply, and dispose of the moneys, lands, or other property according to the terms of the gift, grant, devise, or bequest. Any interest or earnings shall be treated in the same manner and are subject to the same terms as the gift, grant, devise, or bequest from which it accrues.

(b)(i) If the county council designates the board of county commissioners as its administrative agent, the board may, by resolution, delegate any of its powers and duties as administrative agent to an executive committee the board establishes from the membership of the county council. The board shall name to the executive committee at least the individuals described in divisions (B)(1)(b) to (h) of this section and may appoint the president of the board or another individual as the chair of the executive committee. The executive committee must include at least one family county council representative who does not have a family member employed by an agency represented on the council.

(ii) The executive committee may, with the approval of the board, hire an executive director to assist the county council in administering its powers and duties. The executive director shall serve in the unclassified civil service at the pleasure of the executive committee. The executive director may, with the approval
of the executive committee, hire other employees as necessary to properly conduct the county council's business.

(iii) The board may require the executive committee to submit an annual budget to the board for approval and may amend or repeal the resolution that delegated to the executive committee its authority as the county council's administrative agent.

(6) Two or more county councils may enter into an agreement to administer their county councils jointly by creating a regional family and children first council. A regional council possesses the same duties and authority possessed by a county council, except that the duties and authority apply regionally rather than to individual counties. Prior to entering into an agreement to create a regional council, the members of each county council to be part of the regional council shall meet to determine whether all or part of the members of each county council will serve as members of the regional council.

(7) A board of county commissioners may approve a resolution by a majority vote of the board's members that requires the county council to submit a statement to the board each time the council proposes to enter into an agreement, adopt a plan, or make a decision, other than a decision pursuant to section 121.38 of the Revised Code, that requires the expenditure of funds for two or more families. The statement shall describe the proposed agreement, plan, or decision.

Not later than fifteen days after the board receives the statement, it shall, by resolution approved by a majority of its members, approve or disapprove the agreement, plan, or decision. Failure of the board to pass a resolution during that time period shall be considered approval of the agreement, plan, or decision.

An agreement, plan, or decision for which a statement is required to be submitted to the board shall be implemented only if
it is approved by the board.

(C) Each county shall develop a county service coordination mechanism. The county service coordination mechanism shall serve as the guiding document for coordination of services in the county. For children who also receive services under the help me grow program, the service coordination mechanism shall be consistent with rules adopted by the department of health under section 3701.61 of the Revised Code. All family service coordination plans shall be developed in accordance with the county service coordination mechanism. The mechanism shall be developed and approved with the participation of the county entities representing child welfare; developmental disabilities; alcohol, drug addiction, and mental health services; health; juvenile judges; education; the county family and children first council; and the county early intervention collaborative established pursuant to the federal early intervention program operated under the "Individuals with Disabilities Education Act of 2004." The county shall establish an implementation schedule for the mechanism. The cabinet council may monitor the implementation and administration of each county's service coordination mechanism.

Each mechanism shall include all of the following:

(1) A procedure for an agency, including a juvenile court, or a family voluntarily seeking service coordination, to refer the child and family to the county council for service coordination in accordance with the mechanism;

(2) A procedure ensuring that a family and all appropriate staff from involved agencies, including a representative from the appropriate school district, are notified of and invited to participate in all family service coordination plan meetings;

(3) A procedure that permits a family to initiate a meeting
to develop or review the family's service coordination plan and allows the family to invite a family advocate, mentor, or support person of the family's choice to participate in any such meeting;

(4) A procedure for ensuring that a family service coordination plan meeting is conducted for each child who receives service coordination under the mechanism and for whom an emergency out-of-home placement has been made or for whom a nonemergency out-of-home placement is being considered. The meeting shall be conducted within ten days of an emergency out-of-home placement. The meeting shall be conducted before a nonemergency out-of-home placement. The family service coordination plan shall outline how the county council members will jointly pay for services, where applicable, and provide services in the least restrictive environment.

(5) A procedure for monitoring the progress and tracking the outcomes of each service coordination plan requested in the county including monitoring and tracking children in out-of-home placements to assure continued progress, appropriateness of placement, and continuity of care after discharge from placement with appropriate arrangements for housing, treatment, and education;

(6) A procedure for protecting the confidentiality of all personal family information disclosed during service coordination meetings or contained in the comprehensive family service coordination plan;

(7) A procedure for assessing the needs and strengths of any child or family that has been referred to the council for service coordination, including a child whose parent or custodian is voluntarily seeking services, and for ensuring that parents and custodians are afforded the opportunity to participate;

(8) A procedure for development of a family service
coordination plan described in division (D) of this section;

(9) A local dispute resolution process to serve as the process that must be used first to resolve disputes among the agencies represented on the county council concerning the provision of services to children, including children who are abused, neglected, dependent, unruly, alleged unruly, or delinquent children and under the jurisdiction of the juvenile court and children whose parents or custodians are voluntarily seeking services. The local dispute resolution process shall comply with sections 121.38, 121.381, and 121.382 of the Revised Code. The local dispute resolution process shall be used to resolve disputes between a child's parents or custodians and the county council regarding service coordination. The county council shall inform the parents or custodians of their right to use the dispute resolution process. Parents or custodians shall use existing local agency grievance procedures to address disputes not involving service coordination. The dispute resolution process is in addition to and does not replace other rights or procedures that parents or custodians may have under other sections of the Revised Code.

The cabinet council shall adopt rules in accordance with Chapter 119. of the Revised Code establishing an administrative review process to address problems that arise concerning the operation of a local dispute resolution process.

Nothing in division (C)(4) of this section shall be interpreted as overriding or affecting decisions of a juvenile court regarding an out-of-home placement, long-term placement, or emergency out-of-home placement.

(D) Each county shall develop a family service coordination plan that does all of the following:

(1) Designates service responsibilities among the various
state and local agencies that provide services to children and their families, including children who are abused, neglected, dependent, unruly, or delinquent children and under the jurisdiction of the juvenile court and children whose parents or custodians are voluntarily seeking services;

(2) Designates an individual, approved by the family, to track the progress of the family service coordination plan, schedule reviews as necessary, and facilitate the family service coordination plan meeting process;

(3) Ensures that assistance and services to be provided are responsive to the strengths and needs of the family, as well as the family's culture, race, and ethnic group, by allowing the family to offer information and suggestions and participate in decisions. Identified assistance and services shall be provided in the least restrictive environment possible.

(4) Includes a process for dealing with a child who is alleged to be an unruly child. The process shall include methods to divert the child from the juvenile court system;

(5) Includes timelines for completion of goals specified in the plan with regular reviews scheduled to monitor progress toward those goals;

(6) Includes a plan for dealing with short-term crisis situations and safety concerns.

(E)(1) The process provided for under division (D)(4) of this section may include, but is not limited to, the following:

(a) Designation of the person or agency to conduct the assessment of the child and the child's family as described in division (C)(7) of this section and designation of the instrument or instruments to be used to conduct the assessment;

(b) An emphasis on the personal responsibilities of the child...
and the parental responsibilities of the parents, guardian, or
custodian of the child;

(c) Involvement of local law enforcement agencies and
officials.

(2) The method to divert a child from the juvenile court
system that must be included in the service coordination process
may include, but is not limited to, the following:

(a) The preparation of a complaint under section 2151.27 of
the Revised Code alleging that the child is an unruly child and
notifying the child and the parents, guardian, or custodian that
the complaint has been prepared to encourage the child and the
parents, guardian, or custodian to comply with other methods to
divert the child from the juvenile court system;

(b) Conducting a meeting with the child, the parents,
guardian, or custodian, and other interested parties to determine
the appropriate methods to divert the child from the juvenile
court system;

parents, guardian, or custodian;

(e) A program to provide parenting education to the parents,
guardian, or custodian;

(f) An alternative school program for children who are truant
from school, repeatedly disruptive in school, or suspended or
expelled from school;

(g) Other appropriate measures, including, but not limited
to, any alternative methods to divert a child from the juvenile
court system that are identified by the Ohio family and children first cabinet council.

(F) Each county may review and revise the service coordination process described in division (D) of this section based on the availability of funds under Title IV-A of the "Social Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, as amended, or to the extent resources are available from any other federal, state, or local funds.

Sec. 121.374. (A) It is the intent of this state and the general assembly that custody relinquishment for the sole purpose of gaining access to child-specific services for multi-system children and youth shall cease.

(B) The Ohio family and children first council established under section 121.37 of the Revised Code shall develop a comprehensive multi-system youth action plan that does the following:

(1) Defines and establishes shared responsibility between county and state child-serving systems for providing and funding multi-system youth services;

(2) Provides recommendations for flexible spending at the state level within the cabinet council;

(3) Defines the model and process by which the flexible spending may be accessed to pay for services for multi-system youth;

conditions that contribute to custody relinquishment for the purposes of receiving child-specific services.

(C) Not later than December 31, 2019, the cabinet council shall submit its final action plan to the general assembly.

Sec. 121.93. (A) An agency, at reasonable intervals, shall review its operations to identify principles of law or policy that have not been stated in a rule and that the agency is relying upon in conducting adjudications or other determinations of rights and liabilities or in issuing writings and other materials, such as instructions, directives, policy statements, guidelines, handbooks, manuals, advisories, notices, circulars, advertisements, forms, letters, and opinions. An agency is not required to identify principles of law or policy relied upon in issuing internal management rules as defined in section 111.15 of the Revised Code. The agency shall complete at least one of the reviews during a governor's term. Within three months after the expiration of a governor's term, the agency electronically shall transmit a report to the joint committee on agency rule review, a notice stating containing the following:

(1) A statement that the agency has completed one or more of the reviews, specifying the exact number of reviews completed during the governor's expired term;

(2) The principles of law or policies identified under this division;

(3) The agency's considerations regarding the identified principles of law or policies under division (B) of this section;

(4) Any principles of law or policies for which the agency determines rulemaking is indicated or for which the agency has commenced the rule-making process under division (C) of this section.
The joint committee on agency rule review shall make the reports available on its web site.

(B) The agency shall determine whether a principle of law or policy thus identified has a general and uniform operation and establishes a legal regulation or standard that would not exist in its absence. If the principle of law or policy has these characteristics, the agency shall determine whether the principle of law or policy should be supplanted by its restatement in a rule to achieve one or more of the following as they are relevant to the principle of law or policy:

1. Assert the general and uniform operation of the principle of law or policy;

2. Make the principle of law or policy more readily available to the public;

3. Make the principle of law or policy more readily available to persons who specifically are affected by the principle of law or policy;

4. Enable the principle of law or policy to be better known in advance of its application;

5. Enable greater public participation in improvement and further development of the principle of law or policy;

6. Enable greater participation by persons specifically affected by the principle of law or policy in the improvement and further development of the principle of law or policy;

7. Make the principle of law or policy more easily understandable; or

8. Make the principle of law or policy more readily available to those legally charged with monitoring or reviewing the agency's operations.
If a principle of law or policy aids in the interpretation of an existing rule or statute, the agency shall consider whether the aiding effect clarifies or otherwise resolves an uncertainty in the existing rule or statute. If the principle of law or policy can be so characterized, the agency shall consider whether the principle of law or policy should be supplanted by its restatement in an interpretive rule. The agency may not presume that a principle of law or policy that aids in the interpretation of an existing rule or statute is simply a reiteration of the existing rule or statute.

(C) If the agency determines, in light of the foregoing standards, that rulemaking is indicated, the agency shall commence the rule-making process as soon as it is reasonably feasible to do so, but not later than the date that is six months after the determination was made. The principle of law or policy as it is restated in a rule does not need to be wholly congruent with the supplanted principle of law or policy. The agency lawfully may improve or develop further the supplanted principle of law or policy as it is restated in a rule.

The agency may continue to rely upon the principle of law or policy, but only while it is complying with the preceding paragraph. The agency may not rely upon the principle of law or policy in advising with regard to or in determining the rights or liabilities of a person if the agency fails to commence the rule-making process by the deadline specified in the preceding paragraph, or if, after commencing the rule-making process, the agency neglects or abandons the rule-making process before it is completed.

(D) A principle of law or policy that is relied upon directly or by clear implication from a statute applying to the agency does not need to be supplanted by rule.
Sec. 121.95. (A) As used in this section, "state agency" means an administrative department created under section 121.02 of the Revised Code, an administrative department head appointed under section 121.03 of the Revised Code, and a state agency organized under an administrative department or administrative department head. "State agency" also includes the department of education, the state lottery commission, the Ohio casino control commission, the state racing commission, and the public utilities commission of Ohio. (B) Not later than December 31, 2019, a state agency shall review its existing rules to identify rules having one or more regulatory restrictions that require or prohibit an action and prepare a base inventory of the regulatory restrictions in its existing rules. Rules that include the words "shall," "must," "require," "shall not," "may not," and "prohibit" shall be considered to contain regulatory restrictions.

(C) In the base inventory, the state agency shall indicate all of the following concerning each regulatory restriction:

1. A description of the regulatory restriction;
2. The rule number of the rule in which the regulatory restriction appears;
3. The statute under which the regulatory restriction was adopted;
4. Whether state or federal law expressly and specifically requires the agency to adopt the regulatory restriction or the agency adopted the regulatory restriction under the agency's general authority;
(5) Whether removing the regulatory restriction would require a change to state or federal law, provided that removing a regulatory restriction adopted under a law granting the agency general authority shall be presumed not to require a change to state or federal law;

(6) Any other information the joint committee on agency rule review considers necessary.

(D) The state agency shall compute and state the total number of regulatory restrictions indicated in the base inventory, shall post the base inventory on its web site, and shall electronically transmit a copy of the inventory to the joint committee. The joint committee shall review the base inventory, then transmit it electronically to the speaker of the house of representatives and the president of the senate.

(E) The following types of rules or regulatory restrictions are not required to be included in a state agency's inventory of regulatory restrictions:

(1) An internal management rule;

(2) An emergency rule;

(3) A rule that state or federal law requires the state agency to adopt verbatim;

(4) A regulatory restriction contained in materials or documents incorporated by reference into a rule pursuant to sections 121.71 to 121.75 of the Revised Code;

(5) A rule adopted pursuant to section 1347.15 of the Revised Code;

(6) A rule concerning instant lottery games;

(7) Any other rule that is not subject to review under Chapter 106. of the Revised Code.

(F) Beginning on the effective date of this section and
ending on June 30, 2023, a the state agency may not adopt a new
regulatory restriction unless it simultaneously removes two or
more other existing regulatory restrictions. The state agency may
not satisfy this section by merging two or more existing
regulatory restrictions into a single surviving regulatory
restriction.

(D) An applicant for a grant or loan under this section that sells motor vehicle fuel at retail shall agree that if the applicant receives funding, the applicant will report to the director the gallon or gallon equivalent amounts of alternative fuel the applicant sells at retail in this state for a period of three years after the project is completed.

The director shall enter into a written confidentiality agreement with the applicant regarding the gallon or gallon equivalent amounts sold as described in this division, and upon execution of the agreement this information is not a public record.

(E) There is hereby created in the state treasury the alternative fuel transportation fund. The fund shall consist of money transferred to the fund under division (B) of section 125.836 and under division (B)(2) of section 3706.27 of the
Revised Code, money that is appropriated to it by the general assembly, money as may be specified by the general assembly from the advanced energy fund created by section 4928.61 of the Revised Code, and all money received from the repayment of loans made from the fund or in the event of a default on any such loan. Money in the fund shall be used to make grants and loans under the alternative fuel transportation program and by the director in the administration of that program.

Sec. 122.121. (A) A local organizing committee, endorsing municipality, or endorsing county that has entered into a joinder undertaking with a site selection organization may apply to the director of development services, on a form and in the manner prescribed by the director, for a grant from the sports event grant fund created under section 122.122 of the Revised Code with respect to a game that has not been held in this state by the organization in either of the two preceding years and to which either of the following applies:

(1) The organization accepts competitive bids to host the game.

(2) The game is a one-time centennial commemoration of the founding of a national football organization, association, or league.

The amount of the grant shall be based on the projected incremental increase in the receipts from the tax imposed under section 5739.02 of the Revised Code within the market area designated under division (C) of this section, for the two-week period that ends at the end of the day after the date on which the game will be held, that is directly attributable, as determined by the director, to the preparation for and presentation of the game. The director shall determine the projected incremental increase in the tax imposed under section 5739.02 of the Revised Code by using
a formula approved by the director in consultation with the tax
commissioner. The application shall include an estimate of the
committee's, municipality's, or county's qualifying costs under
the game support contract. The local organizing committee,
endorsing municipality, or endorsing county is eligible to receive
a grant under this section only if the projected incremental
increase in receipts from the tax imposed under section 5739.02 of
the Revised Code, as determined by the director, exceeds two
hundred fifty thousand dollars. The amount of the grant shall be
not less than fifty per cent of the projected incremental
increase in receipts, as determined by the director, but shall not
exceed the lesser of two million dollars or the amount of the
committee's, municipality's, or county's qualifying costs under
the game support contract. The director shall disburse the grant
to the local organizing committee, endorsing municipality, or
endorsing county from the sports event grant fund.

(B) If the director of development services approves an
application for a local organizing committee, endorsing
municipality, or endorsing county and that local organizing
committee, endorsing municipality, or endorsing county enters into
a joinder agreement with a site selection organization, the local
organizing committee, endorsing municipality, or endorsing county
shall file a copy of the joinder agreement with the director. The
grant shall be used exclusively by the local organizing committee,
endorsing municipality, or endorsing county to pay its qualifying
costs under the game support contract.

(C) For the purposes of division (A) of this section, the
director of development services, in consultation with the tax
commissioner, shall designate the market area for a game. The
market area shall consist of the combined statistical area, as
defined by the United States office of management and budget, in
which an endorsing municipality or endorsing county is located.
(D) A local organizing committee, endorsing municipality, or endorsing county shall provide information required by the director of development services and tax commissioner to enable the director and commissioner to fulfill their duties under this section, including annual audited statements of any financial records required by a site selection organization; data obtained by the local organizing committee, endorsing municipality, or endorsing county relating to attendance at a game and to the economic impact of the game; and financial records from the committee, municipality, or county verifying its qualifying costs under the game support contract. A local organizing committee, an endorsing municipality, or an endorsing county shall provide an annual audited financial statement if so required by the director and commissioner, not later than the end of the fourth month after the date the period covered by the financial statement ends.

(E) Within thirty days after the game, the local organizing committee, endorsing municipality, or endorsing county shall certify to the director of development services a statement of its qualifying costs under the game support contract and a report about the economic impact of the game. The certification shall be in the form and substance required by the director, including, but not limited to, a final income statement for the event showing total revenue and expenditures and revenue and expenditures in the market area for the game, and ticket sales for the game and any related activities for which admission was charged. The director shall determine, based on the reported information and the exercise of reasonable judgment, the incremental increase in receipts from the tax imposed under section 5739.02 of the Revised Code directly attributable to the game and the committee's, municipality's, or county's qualifying costs under the game support contract. If the actual incremental increase in sales tax receipts is less than the projected incremental increase in such receipts, or if the actual qualifying costs are less than the
estimated qualifying costs, the director may require the local organizing committee, endorsing municipality, or endorsing county to refund to the state all or a portion of the grant. Any refund remitted under this division shall be credited to the sports event grant fund.

(F) No disbursement may be made under this section if the director of development services determines that it would be used for the purpose of soliciting the relocation of a professional sports franchise located in this state.

(G) This section may not be construed as creating or requiring a state guarantee of obligations imposed on an endorsing municipality or endorsing county under a game support contract or any other agreement relating to hosting one or more games in this state.

Sec. 122.171. (A) As used in this section:

(1) "Capital investment project" means a plan of investment at a project site for the acquisition, construction, renovation, or repair of buildings, machinery, or equipment, or for capitalized costs of basic research and new product development determined in accordance with generally accepted accounting principles, but does not include any of the following:

(a) Payments made for the acquisition of personal property through operating leases;

(b) Project costs paid before January 1, 2002;

(c) Payments made to a related member as defined in section 5733.042 of the Revised Code or to a consolidated elected taxpayer or a combined taxpayer as defined in section 5751.01 of the Revised Code.

(2) "Eligible business" means a taxpayer and its related members with Ohio operations satisfying all of the following that
had a capital investment project reviewed and approved by the tax credit authority as provided in divisions (C), (D), and (E) of this section and that satisfies either of the following requirements:

(a) If engaged at the project site primarily in significant corporate administrative functions, as defined by the director of development services by rule, the taxpayer meets both of the following criteria:

(i) The taxpayer either is located in a foreign trade zone, employs at least five hundred full-time equivalent employees, or has an annual Ohio employee payroll of at least thirty-five million dollars at the time the tax credit authority grants the tax credit under this section;

(ii) The taxpayer makes or causes to be made payments for the capital investment project of one of the following:

(i) If the taxpayer is engaged at the project site primarily as a manufacturer, at least fifty million dollars in the aggregate at the project site during a period of three consecutive calendar years, including the calendar year that includes a day of the taxpayer's taxable year or tax period with respect to which the credit is granted;

(ii) If the taxpayer is engaged at the project site primarily in significant corporate administrative functions, as defined by the director of development services by rule, at least twenty million dollars in the aggregate at the project site during a period of three consecutive calendar years including the calendar year that includes a day of the taxpayer's taxable year or tax period with respect to which the credit is granted.

(c) The taxpayer had a capital investment project reviewed and approved by the tax credit authority as provided in divisions (C), (D), and (E) of this section.
(b) If engaged at the project site primarily as a manufacturer, the taxpayer makes or causes to be made payments for the capital investment project at the project site during a period of three consecutive calendar years, including the calendar year that includes a day of the taxpayer's taxable year or tax period with respect to which the credit is granted, in an amount that in the aggregate equals or exceeds the lesser of the following:

(i) Fifty million dollars;

(ii) Five per cent of the net book value of all tangible personal property used at the project site as of the last day of the three-year period in which the capital investment payments are made.

(3) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. "Full-time equivalent employees" shall exclude hours that are counted for a credit under section 122.17 of the Revised Code.

(4) "Ohio employee payroll" has the same meaning as in section 122.17 of the Revised Code.

(5) "Manufacturer" has the same meaning as in section 5739.011 of the Revised Code.

(6) "Project site" means an integrated complex of facilities in this state, as specified by the tax credit authority under this section, within a fifteen-mile radius where a taxpayer is primarily operating as an eligible business.

(7) "Related member" has the same meaning as in section 5733.042 of the Revised Code as that section existed on the effective date of its amendment by Am. Sub. H.B. 215 of the 122nd general assembly, September 29, 1997.

(8) "Taxable year" includes, in the case of a domestic or
foreign insurance company, the calendar year ending on the thirty-first day of December preceding the day the superintendent of insurance is required to certify to the treasurer of state under section 5725.20 or 5729.05 of the Revised Code the amount of taxes due from insurance companies.

(9) "Foreign trade zone" means a general purpose foreign trade zone or a special purpose subzone for which, pursuant to 19 U.S.C. 81a, as amended, a permit for foreign trade zone status has been granted and remains active, including special purpose subzones for which a permit has been granted and remains active.

(B) The tax credit authority created under section 122.17 of the Revised Code may grant a nonrefundable tax credit to an eligible business under this section for the purpose of fostering job retention in this state. Upon application by an eligible business and upon consideration of the determination of the director of budget and management, tax commissioner, and the superintendent of insurance in the case of an insurance company, and the recommendation and determination of the director of development services under division (C) of this section, the tax credit authority may grant the credit against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5751.02 of the Revised Code.

The credit authorized in this section may be granted for a period up to fifteen taxable years or, in the case of the tax levied by section 5736.02 or 5751.02 of the Revised Code, for a period of up to fifteen calendar years. The credit amount for a taxable year or a calendar year that includes the tax period for which a credit may be claimed equals the Ohio employee payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority. The credit shall be claimed in the order required under section 5725.98, 5726.98, 5729.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. In determining the
percentage and term of the credit, the tax credit authority shall consider both the number of full-time equivalent employees and the value of the capital investment project. The credit amount may not be based on the Ohio employee payroll for a calendar year before the calendar year in which the tax credit authority specifies the tax credit is to begin, and the credit shall be claimed only for the taxable years or tax periods specified in the eligible business' agreement with the tax credit authority. In no event shall the credit be claimed for a taxable year or tax period terminating before the date specified in the agreement.

If a credit allowed under this section for a taxable year or tax period exceeds the taxpayer's tax liability for that year or period, the excess may be carried forward for the three succeeding taxable or calendar years, but the amount of any excess credit allowed in any taxable year or tax period shall be deducted from the balance carried forward to the succeeding year or period.

(C) A taxpayer that proposes a capital investment project to retain jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section. The director of development services shall prescribe the form of the application. After receipt of an application, the authority shall forward copies of the application to the director of budget and management, the tax commissioner, and the superintendent of insurance in the case of an insurance company, each of whom shall review the application to determine the economic impact the proposed project would have on the state and the affected political subdivisions and shall submit a summary of their determinations to the authority. The authority shall also forward a copy of the application to the director of development services, who shall review the application to determine the economic impact the proposed project would have on the state and the affected political subdivisions and shall submit a summary of the
director's determinations and recommendations to the authority.

(D) Upon review and consideration of the determinations and recommendations described in division (C) of this section, the tax credit authority may enter into an agreement with the taxpayer for a credit under this section if the authority determines all of the following:

1. The taxpayer's capital investment project will result in the retention of employment in this state.

2. The taxpayer is economically sound and has the ability to complete the proposed capital investment project.

3. The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

4. Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project.

(E) An agreement under this section shall include all of the following:

1. A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated.

2. The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed.

3. A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years.

4. (a) If the taxpayer is engaged at the project site primarily in significant corporate administrative functions,
requirement that the taxpayer either retain at least five hundred full-time equivalent employees at the project site and within this state for the entire term of the credit, or a requirement that the taxpayer maintain an annual Ohio employee payroll of at least thirty-five million dollars for the entire term of the credit, or remain located in a foreign trade zone for the entire term of the credit;

(b) If the taxpayer is engaged at the project site primarily as a manufacturer, a requirement that the taxpayer maintain at least the number of full-time equivalent employees specified in the agreement pursuant to division (E)(1) of this section at the project site and within this state for the entire term of the credit.

(5) A requirement that the taxpayer annually report to the director of development services full-time equivalent employees, Ohio employee payroll, capital investment, and other information the director needs to perform the director's duties under this section.

(6) A requirement that the director of development services annually review the annual reports of the taxpayer to verify the information reported under division (E)(5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit for the taxable year or calendar year that includes the tax period. In determining the number of full-time equivalent employees, no position shall be counted that is filled by an employee who is included in the calculation of a tax credit under section 122.17 of the Revised Code.

(7) A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development
services determines that the taxpayer notified the legislative  
authority of the county, township, or municipal corporation from  
which the employment positions would be relocated.

For purposes of this section, the movement of an employment  
position from one political subdivision to another political  
subdivision shall be considered a relocation of an employment  
position unless the movement is confined to the project site. The  
transfer of an employment position from one political subdivision  
to another political subdivision shall not be considered a  
relocation of an employment position if the employment position in  
the first political subdivision is replaced by another employment  
position.

(8) A waiver by the taxpayer of any limitations periods  
relating to assessments or adjustments resulting from the  
taxpayer's failure to comply with the agreement.

(F) If a taxpayer fails to meet or comply with any condition  
or requirement set forth in a tax credit agreement, the tax credit  
authority may amend the agreement to reduce the percentage or term  
of the credit. The reduction of the percentage or term may take  
effect in the current taxable or calendar year.

(G) Financial statements and other information submitted to  
the department of development services or the tax credit authority  
by an applicant for or recipient of a tax credit under this  
section, and any information taken for any purpose from such  
statements or information, are not public records subject to  
section 149.43 of the Revised Code. However, the chairperson of  
the authority may make use of the statements and other information  
for purposes of issuing public reports or in connection with court  
proceedings concerning tax credit agreements under this section.  
Upon the request of the tax commissioner, or the superintendent of  
insurance in the case of an insurance company, the chairperson of  
the authority shall provide to the commissioner or superintendent  

any statement or other information submitted by an applicant for or recipient of a tax credit in connection with the credit. The commissioner or superintendent shall preserve the confidentiality of the statement or other information.

(H) A taxpayer claiming a tax credit under this section shall submit to the tax commissioner or, in the case of an insurance company, to the superintendent of insurance, a copy of the director of development services' certificate of verification under division (E)(6) of this section with the taxpayer's tax report or return for the taxable year or for the calendar year that includes the tax period. Failure to submit a copy of the certificate with the report or return does not invalidate a claim for a credit if the taxpayer submits a copy of the certificate to the commissioner or superintendent within the time prescribed by section 5703.0510 of the Revised Code or within thirty days after the commissioner or superintendent requests it.

(I) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (E)(5) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(J)(1) If the director of development services determines that a taxpayer that received a certificate under division (E)(6)
of this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the authority may terminate the agreement and require the taxpayer, or any related member or members that claimed the tax credit under division (N) of this section, to refund to the state all or a portion of the credit claimed in previous years, as follows:

(a) If the taxpayer fails to comply with the requirement under division (E)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project site for less than or equal to the term of the credit, an amount not to exceed one hundred per cent of the sum of any tax credits allowed and received under this section.

(ii) If the taxpayer maintained operations at the project site longer than the term of the credit, but less than the greater of seven years or the term of the credit plus three years, the amount required to be refunded shall not exceed seventy-five per cent of the sum of any tax credits allowed and received under this section.

(b) If the taxpayer fails to substantially maintain both the number of full-time equivalent employees and the amount of Ohio employee payroll, satisfy the employment, payroll, or location requirements required under the agreement, as prescribed under division (E)(4)(a) or (b), as applicable to the taxpayer, at any time during the term of the agreement or during the post-term reporting period, an amount determined at the discretion of the authority.

(2) If a taxpayer files for bankruptcy and fails as described in division (J)(1)(a) or (b) of this section, the director may
immediately commence an action to recoup an amount not exceeding
one hundred per cent of the sum of any credits received by the
taxpayer under this section.

(3) In determining the portion of the credit to be refunded
to this state, the authority shall consider the effect of market
conditions on the taxpayer's project and whether the taxpayer
continues to maintain other operations in this state. After making
the determination, the authority shall certify the amount to be
refunded to the tax commissioner or the superintendent of
insurance. If the taxpayer, or any related member or members who
claimed the tax credit under division (N) of this section, is not
an insurance company, the commissioner shall make an assessment
for that amount against the taxpayer under Chapter 5726., 5733.,
5736., 5747., or 5751. of the Revised Code. If the taxpayer, or
any related member or members that claimed the tax credit under
division (N) of this section, is an insurance company, the
superintendent of insurance shall make an assessment under section
5725.222 or 5729.102 of the Revised Code. The time limitations on
assessments under those chapters and sections do not apply to an
assessment under this division, but the commissioner or
superintendent shall make the assessment within one year after the
date the authority certifies to the commissioner or superintendent
the amount to be refunded.

(K) The director of development services, after consultation
with the tax commissioner and the superintendent of insurance and
in accordance with Chapter 119. of the Revised Code, shall adopt
rules necessary to implement this section. The rules may provide
for recipients of tax credits under this section to be charged
fees to cover administrative costs of the tax credit program. The
fees collected shall be credited to the tax incentives operating
fund created in section 122.174 of the Revised Code. At the time
the director gives public notice under division (A) of section
119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the first day of August of each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.

(M) The aggregate amount of nonrefundable tax credits issued under this section during any calendar year for capital investment projects reviewed and approved by the tax credit authority may not exceed the following amounts:

(1) For 2010, thirteen million dollars;

(2) For 2011 through 2023, the amount of the limit for the preceding calendar year plus thirteen million dollars;

(3) For 2024 and each year thereafter, one hundred ninety-five million dollars.

The limitations in division (M) of this section do not apply to credits for capital investment projects approved by the tax credit authority before July 1, 2009.

(N) This division applies only to an eligible business that is part of an affiliated group that includes a diversified savings and loan holding company or a grandfathered unitary savings and loan holding company, as those terms are defined in section 5726.01 of the Revised Code. Notwithstanding any contrary
provision of the agreement between such an eligible business and
the tax credit authority, any credit granted under this section
against the tax imposed by section 5725.18, 5729.03, 5733.06,
5747.02, or 5751.02 of the Revised Code to the eligible business,
at the election of the eligible business and without any action by
the tax credit authority, may be shared with any member or members
of the affiliated group that includes the eligible business, which
member or members may claim the credit against the taxes imposed
by section 5725.18, 5726.02, 5729.03, 5733.06, 5747.02, or 5751.02
of the Revised Code. Credits shall be claimed by the eligible
business in sequential order, as applicable, first claiming the
credits to the fullest extent possible against the tax that the
certificate holder is subject to, then against the tax imposed by,
sequentially, section 5729.03, 5725.18, 5747.02, 5751.02, and
lastly 5726.02 of the Revised Code. The credits may be allocated
among the members of the affiliated group in such manner as the
eligible business elects, but subject to the sequential order
required under this division. This division applies to credits
granted before, on, or after March 27, 2013, the effective date of
H.B. 510 of the 129th general assembly. Credits granted before
that effective date that are shared and allocated under this
division may be claimed in those calendar years in which the
remaining taxable years specified in the agreement end.

As used in this division, "affiliated group" means a group of
two or more persons with fifty per cent or greater of the value of
each person's ownership interests owned or controlled directly,
indirectly, or constructively through related interests by common
owners during all or any portion of the taxable year, and the
common owners. "Affiliated group" includes, but is not limited to,
any person eligible to be included in a consolidated elected
taxpayer group under section 5751.011 of the Revised Code or a
combined taxpayer group under section 5751.012 of the Revised
Code.
(O)(1) As used in division (O) of this section:

(a) "Eligible agreement" means an agreement approved by the tax credit authority under this section on or before December 31, 2013.

(b) "Reporting period" means a period corresponding to the annual report required under division (E)(5) of this section.

(c) "Income tax revenue" has the same meaning as under division (S) of section 122.17 of the Revised Code.

(2) In calendar year 2016 and thereafter, the tax credit authority shall annually determine a withholding adjustment factor to be used in the computation of income tax revenue for eligible agreements. The withholding adjustment factor shall be a numerical percentage that equals the percentage that employer income tax withholding rates have been increased or decreased as a result of changes in the income tax rates prescribed by section 5747.02 of the Revised Code by amendment of that section taking effect on or after June 29, 2013.

(3) Except as provided in division (O)(4) of this section, for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(a) If the income tax rates prescribed by section 5747.02 of the Revised Code have decreased by amendment of this section taking effect on or after June 29, 2013, add the product to the taxpayer's income tax revenue.

(b) If the income tax rates prescribed by section 5747.02 of the Revised Code have increased by amendment of this section taking effect on or after June 29, 2013, subtract the product from the taxpayer's income tax revenue.
(4) Division (O)(3) of this section shall not apply unless all of the following apply with respect to the eligible agreement:

(a) The taxpayer has achieved one hundred per cent of the job retention commitment identified in the agreement.

(b) If applicable, the taxpayer has achieved one hundred per cent of the payroll retention commitment identified in the agreement.

(c) If applicable, the taxpayer has achieved one hundred per cent of the investment commitment identified in the agreement.

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (O)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (O) of this section for an ensuing reporting period.

Sec. 122.175. (A) As used in this section:

(1) "Capital investment project" means a plan of investment at a project site for the acquisition, construction, renovation, expansion, replacement, or repair of a computer data center or of computer data center equipment, but does not include any of the following:

(a) Project costs paid before a date determined by the tax credit authority for each capital investment project;

(b) Payments made to a related member as defined in section 5733.042 of the Revised Code or to a consolidated elected taxpayer or a combined taxpayer as defined in section 5751.01 of the Revised Code.

(2) "Computer data center" means a facility used or to be used primarily to house computer data center equipment used or to be used in conducting one or more computer data center businesses,
as determined by the tax credit authority.

(3) "Computer data center business" means, as may be further determined by the tax credit authority, a business that provides electronic information services as defined in division (Y)(1)(c) of section 5739.01 of the Revised Code, or that leases a facility to one or more such businesses. "Computer data center business" does not include providing electronic publishing as defined in division (LLL) of that section.

(4) "Computer data center equipment" means tangible personal property used or to be used for any of the following:

(a) To conduct a computer data center business, including equipment cooling systems to manage the performance of computer data center equipment;

(c) As building and construction materials sold to construction contractors for incorporation into a computer data center.

(5) "Eligible computer data center" means a computer data center that satisfies all of the following requirements:

(a) One or more taxpayers operating a computer data center business at the project site will, in the aggregate, make payments for a capital investment project of at least one hundred million dollars at the project site during one of the following cumulative periods:

(i) For projects beginning in 2013, six consecutive calendar years;

(ii) For projects beginning in 2014, four consecutive calendar years;
(iii) For projects beginning in or after 2015, three consecutive calendar years.

(b) One or more taxpayers operating a computer data center business at the project site will, in the aggregate, pay annual compensation that is subject to the withholding obligation imposed under section 5747.06 of the Revised Code of at least one million five hundred thousand dollars to employees employed at the project site for each year of the agreement beginning on or after the first day of the twenty-fifth month after the agreement was entered into under this section.

(6) "Person" has the same meaning as in section 5701.01 of the Revised Code.

(7) "Project site," "related member," and "tax credit authority" have the same meanings as in sections 122.17 and 122.171 of the Revised Code.

(8) "Taxpayer" means any person subject to the taxes imposed under Chapters 5739. and 5741. of the Revised Code.

(B) The tax credit authority may completely or partially exempt from the taxes levied under Chapters 5739. and 5741. of the Revised Code the sale, storage, use, or other consumption of computer data center equipment used or to be used at an eligible computer data center. Any such exemption shall extend to charges for the delivery, installation, or repair of the computer data center equipment subject to the exemption under this section.

(C) A taxpayer that proposes a capital improvement project for an eligible computer data center in this state may apply to the tax credit authority to enter into an agreement under this section authorizing a complete or partial exemption from the taxes imposed under Chapters 5739. and 5741. of the Revised Code on computer data center equipment purchased by the applicant or any other taxpayer that operates a computer data center business at
the project site and used or to be used at the eligible computer data center. The director of development services shall prescribe the form of the application. After receipt of an application, the authority shall forward copies of the application to the director of budget and management and the tax commissioner, each of whom shall review the application to determine the economic impact that the proposed eligible computer data center would have on the state and any affected political subdivisions and submit to the authority a summary of their determinations. The authority shall also forward a copy of the application to the director of development services who shall review the application to determine the economic impact that the proposed eligible computer data center would have on the state and the affected political subdivisions and shall submit a summary of their determinations and recommendations to the authority.

(D) Upon review and consideration of such determinations and recommendations, the tax credit authority may enter into an agreement with the applicant and any other taxpayer that operates a computer data center business at the project site for a complete or partial exemption from the taxes imposed under Chapters 5739. and 5741. of the Revised Code on computer data center equipment used or to be used at an eligible computer data center if the authority determines all of the following:

(1) The capital investment project for the eligible computer data center will increase payroll and the amount of income taxes to be withheld from employee compensation pursuant to section 5747.06 of the Revised Code.

(2) The applicant is economically sound and has the ability to complete or effect the completion of the proposed capital investment project.

(3) The applicant intends to and has the ability to maintain operations at the project site for the term of the agreement.
(4) Receiving the exemption is a major factor in the applicant's decision to begin, continue with, or complete the capital investment project.

(E) An agreement entered into under this section shall include all of the following:

(1) A detailed description of the capital investment project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the annual compensation to be paid by each taxpayer subject to the agreement to its employees at the project site, and the anticipated amount of income taxes to be withheld from employee compensation pursuant to section 5747.06 of the Revised Code.

(2) The percentage of the exemption from the taxes imposed under Chapters 5739. and 5741. of the Revised Code for the computer data center equipment used or to be used at the eligible computer data center, the length of time the computer data center equipment will be exempted, and the first date on which the exemption applies.

(3) A requirement that the computer data center remain an eligible computer data center during the term of the agreement and that the applicant maintain operations at the eligible computer data center during that term. An applicant does not violate the requirement described in division (E)(3) of this section if the applicant ceases operations at the eligible computer data center during the term of the agreement but resumes those operations within eighteen months after the date of cessation. The agreement shall provide that, in such a case, the applicant and any other taxpayer that operates a computer data center business at the project site shall not claim the tax exemption authorized in the agreement for any purchase of computer data center equipment made during the period in which the applicant did not maintain
operations at the eligible computer data center.  

(4) A requirement that, for each year of the term of the agreement beginning on or after the first day of the twenty-fifth month after the date the agreement was entered into, one or more taxpayers operating a computer data center business at the project site will, in the aggregate, pay annual compensation that is subject to the withholding obligation imposed under section 5747.06 of the Revised Code of at least one million five hundred thousand dollars to employees at the eligible computer data center.

(6) A requirement that the director of development services annually review the annual reports of each taxpayer subject to the agreement to verify the information reported under division (E)(5) of this section and compliance with the agreement. Upon verification, the director shall issue a certificate to each such taxpayer stating that the information has been verified and that the taxpayer remains eligible for the exemption specified in the agreement. 

(7) A provision providing that the taxpayers subject to the agreement may not relocate a substantial number of employment positions from elsewhere in this state to the project site unless the director of development services determines that the appropriate taxpayer notified the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated. For purposes of this paragraph, the movement of an employment position from one political subdivision to another political subdivision shall be
considered a relocation of an employment position unless the
movement is confined to the project site. The transfer of an
employment position from one political subdivision to another
political subdivision shall not be considered a relocation of an
employment position if the employment position in the first
political subdivision is replaced by another employment position.

(8) A waiver by each taxpayer subject to the agreement of any
limitations periods relating to assessments or adjustments
resulting from the taxpayer's failure to comply with the
agreement.

(F) The term of an agreement under this section shall be
determined by the tax credit authority, and the amount of the
exemption shall not exceed one hundred per cent of such taxes that
would otherwise be owed in respect to the exempted computer data
center equipment.

(G) If any taxpayer subject to an agreement under this
section fails to meet or comply with any condition or requirement
set forth in the agreement, the tax credit authority may amend the
agreement to reduce the percentage of the exemption or term during
which the exemption applies to the computer data center equipment
used or to be used by the noncompliant taxpayer at an eligible
computer data center. The reduction of the percentage or term may
take effect in the current calendar year.

(H) Financial statements and other information submitted to
the department of development services or the tax credit authority
by an applicant for or recipient of an exemption under this
section, and any information taken for any purpose from such
statements or information, are not public records subject to
section 149.43 of the Revised Code. However, the chairperson of
the authority may make use of the statements and other information
for purposes of issuing public reports or in connection with court
proceedings concerning tax exemption agreements under this
section. Upon the request of the tax commissioner, the chairperson of the authority shall provide to the tax commissioner any statement or other information submitted by an applicant for or recipient of an exemption under this section. The tax commissioner shall preserve the confidentiality of the statement or other information.

(I) The tax commissioner shall issue a direct payment permit under section 5739.031 of the Revised Code to each taxpayer subject to an agreement under this section. Such direct payment permit shall authorize the taxpayer to pay any sales and use taxes due on purchases of computer data center equipment used or to be used in an eligible computer data center and to pay any sales and use taxes due on purchases of tangible personal property or taxable services other than computer data center equipment used or to be used in an eligible computer data center directly to the tax commissioner. Each such taxpayer shall pay pursuant to such direct payment permit all sales tax levied on such purchases under sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code and all use tax levied on such purchases under sections 5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, consistent with the terms of the agreement entered into under this section.

Each such taxpayer shall pay the tax shown on the return to be due in the manner and at the times as may be further prescribed by the tax commissioner. Each such taxpayer shall include a copy of the director of development services' certificate of verification issued under division (E)(6) of this section. Failure to submit a copy of the certificate with the return does not invalidate the claim for exemption if the taxpayer submits a copy of the certificate to the tax commissioner within the time prescribed by section 5703.0510 of the Revised Code.

(J) If the director of development services determines that one or more taxpayers received an exemption from taxes due on the purchase of computer data center equipment purchased for use at a computer data center that no longer complies with the requirement under division (E)(3) of this section, the director shall notify the tax credit authority and, if applicable, the taxpayer that applied to enter the agreement for the exemption under division (C) of this section of the noncompliance. After receiving such a notice, and after giving each taxpayer subject to the agreement an opportunity to explain the noncompliance, the authority may terminate the agreement and require each such taxpayer to pay to the state all or a portion of the taxes that would have been owed in regards to the exempt equipment in previous years, all as determined under rules adopted pursuant to division (K) of this section. In determining the portion of the taxes that would have been owed on the previously exempted equipment to be paid to this state by a taxpayer, the authority shall consider the effect of market conditions on the eligible computer data center, whether the taxpayer continues to maintain other operations in this state, and, with respect to agreements involving multiple taxpayers, the taxpayer's level of responsibility for the noncompliance. After making the determination, the authority shall certify to the tax
commissioner the amount to be paid by each taxpayer subject to the agreement. The tax commissioner shall make an assessment for that amount against each such taxpayer under Chapter 5739. or 5741. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the tax commissioner shall make the assessment within one year after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the first day of August of each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax exemption authorized under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the eligible computer data center that is the subject of each such agreement, and an update on the status of eligible computer data centers under agreements entered into before the preceding calendar year.

(M) A taxpayer may be made a party to an existing agreement...
entered into under this section by the tax credit authority and another taxpayer or group of taxpayers. In such a case, the taxpayer shall be entitled to all benefits and bound by all obligations contained in the agreement and all requirements described in this section. Once the eligible production expenditures are finally determined under section 5703.19 of the Revised Code and division (D) of this section, the credit amount is not subject to adjustment unless the director determines an error was committed in the computation of the credit amount.

(4) No tax credit certificate may be issued before the completion of the tax credit-eligible production. Not more than forty million dollars of tax credit may be allowed per fiscal year beginning July 1, 2016, provided that, for any fiscal year in which the amount of tax credits allowed under this section is less than that maximum annual amount, the amount not allowed for that fiscal year shall be added to the maximum annual amount that may be allowed for the following fiscal year.

(5) The director shall review and approve applications for tax credits under this section in two rounds each fiscal year. The first round of credits shall be awarded not later than the last day of July of the fiscal year, and the second round of credits shall be awarded not later than the last day of the ensuing January. The amount of credits awarded in the first round of applications each fiscal year shall not exceed twenty million dollars plus any credit allotment that was not awarded in the preceding fiscal year and carried over under division (C)(4) of this section. For each round, the director shall rank applications on the basis of the extent of positive economic impact each tax credit-eligible production is likely to have in this state and the effect on developing a permanent workforce in motion picture or theatrical production industries in the state. For the purpose of such ranking, the director shall give priority to tax-credit eligible productions that are television series or miniseries due to the long-term commitment typically associated with such productions. The economic impact ranking shall be based on the production company's total expenditures in this state directly
associated with the tax credit-eligible production. The effect on developing a permanent workforce in the motion picture or theatrical production industries shall be evaluated first by the number of new jobs created and second by amount of payroll added with respect to employees in this state.

The director shall approve productions in the order of their ranking, from those with the greatest positive economic impact and workforce development effect to those with the least positive economic impact and workforce development effect.

(D) A motion picture production company whose motion picture or broadway theatrical production has been certified as a tax credit-eligible production shall engage, at the company's expense, an independent certified public accountant to examine the company's production, postproduction, and advertising and promotion expenditures to identify the expenditures that qualify as eligible production expenditures. The certified public accountant shall issue a report to the company and to the director of development services certifying the company's eligible production expenditures and any other information required by the director. Upon receiving and examining the report, the director may disallow any expenditure the director determines is not an eligible production expenditure. If the director disallows an expenditure, the director shall issue a written notice to the motion picture production company stating that the expenditure is disallowed and the reason for the disallowance. Upon examination of the report and disallowance of any expenditures, the director shall determine finally the lesser of the total budgeted eligible production expenditures stated in the application submitted under division (B) of this section or the actual eligible production expenditures for the purpose of computing the amount of the credit.

(E) No credit shall be allowed under section 5726.55,
5733.59, 5747.66, or 5751.54 of the Revised Code unless the director has reviewed the report and made the determination prescribed by division (D) of this section.

(F) This state reserves the right to refuse the use of this state's name in the credits of any tax credit-eligible motion picture production or program of any broadway theatrical production.

(G)(1) The director of development services in consultation with the tax commissioner shall adopt rules for the administration of this section, including rules setting forth and governing the criteria for determining whether a motion picture or broadway theatrical production is a tax credit-eligible production; activities that constitute the production or postproduction of a motion picture or broadway theatrical production; reporting sufficient evidence of reviewable progress; expenditures that qualify as eligible production expenditures; a schedule and deadlines for applications to be submitted and reviewed; a competitive process for approving credits based on likely economic impact in this state and development of a permanent workforce in motion picture or theatrical production industries in this state; consideration of geographic distribution of credits; and implementation of the program described in division (I)-(H) of this section. The rules shall be adopted under Chapter 119. of the Revised Code.

(2) To cover the administrative costs of the program, the director shall require each applicant to pay an application fee equal to the lesser of ten thousand dollars or one per cent of the estimated value of the tax credit as stated in the application. The fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. All grants, gifts, fees, and contributions made to the director for marketing and promotion of the motion picture industry within this state.
state shall also be credited to the fund.

(H)(1) After the director of development services makes the determination required under division (D) of this section, a motion picture company to which a tax credit certificate is issued may transfer the authority to claim all or a portion of the amount of the tax credit the motion picture company is authorized to claim pursuant to that certificate under section 5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code to one or more other persons. Within thirty days after a transfer under this division, the motion picture company shall submit the following information to the director, on a form prescribed by the director:

(a) Information necessary for the director to identify the certificate that is the basis for the transfer;
(b) The portion or amount of the tax credit transferred to each transferee;
(c) The portion or amount of the tax credit that the motion picture company retains the authority to claim;
(d) The tax identification number of each transferee;
(e) The date of the transfer;
(f) Any other information required by the director;
(g) Any information required by the tax commissioner.

The director shall deliver a copy of any submission received under division (H)(1) of this section to the tax commissioner.

(2) A transferee may not claim a credit under section 5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless and until the transferring motion picture company complies with division (H)(1) of this section. A transferee may claim the transferred amount of any credit or portion of a credit for the same taxable year or tax period for which the transferring motion picture company was authorized to claim the credit or portion of a
credit pursuant to the certificate. A motion picture company shall make no transfer under division (H)(1) of this section after the last day of the tax period or taxable year for which the motion picture company is required to claim the credit pursuant to the certificate.

A motion picture company may make not more than one transfer under division (H)(1) of this section for each tax credit certificate, but pursuant to that transaction, may allocate the authority to claim a portion of the credit to more than one transferee. A motion picture company may not authorize more than one transferee to claim the same portion of a credit.

(I) The director of development services shall establish a program for the training of Ohio residents who are or wish to be employed in the film or multimedia industry. Under the program, the director shall:

(1) Certify individuals as film and multimedia trainees. In order to receive such a certification, an individual must be an Ohio resident, have participated in relevant on-the-job training or have completed a relevant training course approved by the director, and have met any other requirements established by the director.

(2) Accept applications from motion picture production companies that intend to hire and provide on-the-job training to one or more certified film and multimedia trainees who will be employed in the company's tax credit-eligible production.

(3) Upon completion of a tax-credit eligible production, and upon the receipt of any salary information and other documentation required by the director, authorize a reimbursement payment to each motion picture production company whose application was approved under division (I)(H)(2) of this section. The payment shall equal fifty per cent of the salaries paid to film and
multimedia trainees employed in the production.

Subject to division (B)(8) of this section, upon request by any person, a public office or person responsible for public records shall make copies of the requested public record available to the requester at cost and within a reasonable period of time. If a public record contains information that is exempt from the duty to permit public inspection or to copy the public record, the public office or the person responsible for the public record shall make available all of the information within the public record that is not exempt. When making that public record available for public inspection or copying that public record, the public office or the person responsible for the public record shall notify the requester of any redaction or make the redaction plainly visible. A redaction shall be deemed a denial of a request to inspect or copy the redacted information, except if federal or state law authorizes or requires a public office to make the redaction.
(2) To facilitate broader access to public records, a public office or the person responsible for public records shall organize and maintain public records in a manner that they can be made available for inspection or copying in accordance with division (B) of this section. A public office also shall have available a copy of its current records retention schedule at a location readily available to the public. If a requester makes an ambiguous or overly broad request or has difficulty in making a request for copies or inspection of public records under this section such that the public office or the person responsible for the requested public record cannot reasonably identify what public records are being requested, the public office or the person responsible for the requested public record may deny the request but shall provide the requester with an opportunity to revise the request by informing the requester of the manner in which records are maintained by the public office and accessed in the ordinary course of the public office's or person's duties.

(3) If a request is ultimately denied, in part or in whole, the public office or the person responsible for the requested public record shall provide the requester with an explanation, including legal authority, setting forth why the request was denied. If the initial request was provided in writing, the explanation also shall be provided to the requester in writing. The explanation shall not preclude the public office or the person responsible for the requested public record from relying upon additional reasons or legal authority in defending an action commenced under division (C) of this section.

(4) Unless specifically required or authorized by state or federal law or in accordance with division (B) of this section, no public office or person responsible for public records may limit or condition the availability of public records by requiring disclosure of the requester's identity or the intended use of the
requested public record. Any requirement that the requester disclose the requester's identity or the intended use of the requested public record constitutes a denial of the request.

(5) A public office or person responsible for public records may ask a requester to make the request in writing, may ask for the requester's identity, and may inquire about the intended use of the information requested, but may do so only after disclosing to the requester that a written request is not mandatory, that the requester may decline to reveal the requester's identity or the intended use, and when a written request or disclosure of the identity or intended use would benefit the requester by enhancing the ability of the public office or person responsible for public records to identify, locate, or deliver the public records sought by the requester.

(6) If any person requests a copy of a public record in accordance with division (B) of this section, the public office or person responsible for the public record may require that person to pay in advance the cost involved in providing the copy of the public record in accordance with the choice made by the person requesting the copy under this division. The public office or the person responsible for the public record shall permit that person to choose to have the public record duplicated upon paper, upon the same medium upon which the public office or person responsible for the public record keeps it, or upon any other medium upon which the public office or person responsible for the public record determines that it reasonably can be duplicated as an integral part of the normal operations of the public office or person responsible for the public record. When the person requesting the copy makes a choice under this division, the public office or person responsible for the public record shall provide a copy of it in accordance with the choice made by that person. Nothing in this section requires a public office or person...
responsible for the public record to allow the person requesting a copy of the public record to make the copies of the public record.

(7) (a) Upon a request made in accordance with division (B) of this section and subject to division (B)(6) of this section, a public office or person responsible for public records shall transmit a copy of a public record to any person by United States mail or by any other means of delivery or transmission within a reasonable period of time after receiving the request for the copy. The public office or person responsible for the public record may require the person making the request to pay in advance the cost of postage if the copy is transmitted by United States mail or the cost of delivery if the copy is transmitted other than by United States mail, and to pay in advance the costs incurred for other supplies used in the mailing, delivery, or transmission.

(b) Any public office may adopt a policy and procedures that it will follow in transmitting, within a reasonable period of time after receiving a request, copies of public records by United States mail or by any other means of delivery or transmission pursuant to division (B)(7) of this section. A public office that adopts a policy and procedures under division (B)(7) of this section shall comply with them in performing its duties under that division.

(c) In any policy and procedures adopted under division (B)(7) of this section:

(i) A public office may limit the number of records requested by a person that the office will physically deliver by United States mail or by another delivery service to ten per month, unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes;

(ii) A public office that chooses to provide some or all of
its public records on a web site that is fully accessible to and searchable by members of the public at all times, other than during acts of God outside the public office's control or maintenance, and that charges no fee to search, access, download, or otherwise receive records provided on the web site, may limit to ten per month the number of records requested by a person that the office will deliver in a digital format, unless the requested records are not provided on the web site and unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes.

(iii) For purposes of division (B)(7) of this section, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(9)(a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having
custody of the records of the agency employing a specified
designated public service worker shall disclose to the journalist
the address of the actual personal residence of the designated
public service worker and, if the designated public service
worker's spouse, former spouse, or child is employed by a public
office, the name and address of the employer of the designated
public service worker's spouse, former spouse, or child. The
request shall include the journalist's name and title and the name
and address of the journalist's employer and shall state that
disclosure of the information sought would be in the public
interest.

(b) Division (B)(9)(a) of this section also applies to
journalist requests for:

(i) Customer information maintained by a municipally owned or
operated public utility, other than social security numbers and
any private financial information such as credit reports, payment
methods, credit card numbers, and bank account information;

accident as provided in division (A)(1)(gg) of this section, other
than personal information as defined in section 149.45 of the

means a person engaged in, connected with, or employed by any news
medium, including a newspaper, magazine, press association, news
agency, or wire service, a radio or television station, or a
similar medium, for the purpose of gathering, processing,
transmitting, compiling, editing, or disseminating information for
the general public.

(10) Upon a request made by a victim, victim's attorney, or
victim's representative, as that term is used in section 2930.02
of the Revised Code, a public office or person responsible for
public records shall transmit a copy of a depiction of the victim as described in division (A)(1)(gg) of this section to the victim, victim's attorney, or victim's representative.

(C)(1) If a person allegedly is aggrieved by the failure of a public office or the person responsible for public records to promptly prepare a public record and to make it available to the person for inspection in accordance with division (B) of this section or by any other failure of a public office or the person responsible for public records to comply with an obligation in accordance with division (B) of this section, the person allegedly aggrieved may do only one of the following, and not both:

(a) File a complaint with the clerk of the court of claims or the clerk of the court of common pleas under section 2743.75 of the Revised Code;

(b) Commence a mandamus action to obtain a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section, that awards court costs and reasonable attorney's fees to the person that instituted the mandamus action, and, if applicable, that includes an order fixing statutory damages under division (C)(2) of this section. The mandamus action may be commenced in the court of common pleas of the county in which division (B) of this section allegedly was not complied with, in the supreme court pursuant to its original jurisdiction under Section 2 of Article IV, Ohio Constitution, or in the court of appeals for the appellate district in which division (B) of this section allegedly was not complied with pursuant to its original jurisdiction under Section 3 of Article IV, Ohio Constitution.

(2) If a requester transmits a written request by hand delivery, electronic submission, or certified mail to inspect or receive copies of any public record in a manner that fairly describes the public record or class of public records to the
public office or person responsible for the requested public
records, except as otherwise provided in this section, the
requester shall be entitled to recover the amount of statutory
damages set forth in this division if a court determines that the
public office or the person responsible for public records failed
to comply with an obligation in accordance with division (B) of
this section.

The amount of statutory damages shall be fixed at one hundred
dollars for each business day during which the public office or
person responsible for the requested public records failed to
comply with an obligation in accordance with division (B) of this
section, beginning with the day on which the requester files a
mandamus action to recover statutory damages, up to a maximum of
one thousand dollars. The award of statutory damages shall not be
construed as a penalty, but as compensation for injury arising
from lost use of the requested information. The existence of this
injury shall be conclusively presumed. The award of statutory
damages shall be in addition to all other remedies authorized by
this section.

The court may reduce an award of statutory damages or not
award statutory damages if the court determines both of the
following:

(a) That, based on the ordinary application of statutory law
and case law as it existed at the time of the conduct or
threatened conduct of the public office or person responsible for
the requested public records that allegedly constitutes a failure
to comply with an obligation in accordance with division (B) of
this section and that was the basis of the mandamus action, a
well-informed public office or person responsible for the
requested public records reasonably would believe that the conduct
or threatened conduct of the public office or person responsible
for the requested public records did not constitute a failure to
comply with an obligation in accordance with division (B) of this section;

(b) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(3) In a mandamus action filed under division (C)(1) of this section, the following apply:

(a)(i) If the court orders the public office or the person responsible for the public record to comply with division (B) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(ii) If the court makes a determination described in division (C)(3)(b)(iii) of this section, the court shall determine and award to the relator all court costs, which shall be construed as remedial and not punitive.

(b) If the court renders a judgment that orders the public office or the person responsible for the public record to comply with division (B) of this section or if the court determines any of the following, the court may award reasonable attorney's fees to the relator, subject to division (C)(4) of this section:

(i) The public office or the person responsible for the public records failed to respond affirmatively or negatively to the public records request in accordance with the time allowed under division (B) of this section.

(ii) The public office or the person responsible for the public records promised to permit the relator to inspect or receive copies of the public records requested within a specified
period of time but failed to fulfill that promise within that specified period of time.

(iii) The public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order concluding whether or not the public office or person was required to comply with division (B) of this section. No discovery may be conducted on the issue of the alleged bad faith of the public office or person responsible for the public records. This division shall not be construed as creating a presumption that the public office or the person responsible for the public records acted in bad faith when the office or person voluntarily made the public records available to the relator for the first time after the relator commenced the mandamus action, but before the court issued any order described in this division.

(c) The court shall not award attorney's fees to the relator if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible...
for the requested public records reasonably would believe that the
conduct or threatened conduct of the public office or person
responsible for the requested public records would serve the
public policy that underlies the authority that is asserted as
permitting that conduct or threatened conduct.

(4) All of the following apply to any award of reasonable
attorney's fees awarded under division (C)(3)(b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the
reasonable attorney's fees incurred before the public record was
made available to the relator and the fees described in division
(C)(4)(c) of this section.

(c) Reasonable attorney's fees shall include reasonable fees
incurred to produce proof of the reasonableness and amount of the
fees and to otherwise litigate entitlement to the fees.

(d) The court may reduce the amount of fees awarded if the
court determines that, given the factual circumstances involved
with the specific public records request, an alternative means
should have been pursued to more effectively and efficiently
resolve the dispute that was subject to the mandamus action filed
under division (C)(1) of this section.

(5) If the court does not issue a writ of mandamus under
division (C) of this section and the court determines at that time
that the bringing of the mandamus action was frivolous conduct as
defined in division (A) of section 2323.51 of the Revised Code,
the court may award to the public office all court costs,
expenses, and reasonable attorney's fees, as determined by the
court.

(D) Chapter 1347. of the Revised Code does not limit the
provisions of this section.
(E)(1) To ensure that all employees of public offices are appropriately educated about a public office's obligations under division (B) of this section, all elected officials or their appropriate designees shall attend training approved by the attorney general as provided in section 109.43 of the Revised Code. A future official may satisfy the requirements of this division by attending the training before taking office, provided that the future official may not send a designee in the future official's place.

(2) All public offices shall adopt a public records policy in compliance with this section for responding to public records requests. In adopting a public records policy under this division, a public office may obtain guidance from the model public records policy developed and provided to the public office by the attorney general under section 109.43 of the Revised Code. Except as otherwise provided in this section, the policy may not limit the number of public records that the public office will make available to a single person, may not limit the number of public records that it will make available during a fixed period of time, and may not establish a fixed period of time before it will respond to a request for inspection or copying of public records, unless that period is less than eight hours.

The public office shall distribute the public records policy adopted by the public office under this division to the employee of the public office who is the records custodian or records manager or otherwise has custody of the records of that office. The public office shall require that employee to acknowledge receipt of the copy of the public records policy. The public office shall create a poster that describes its public records policy and shall post the poster in a conspicuous place in the public office and in all locations where the public office has branch offices. The public office may post its public records.
policy on the internet web site of the public office if the public office maintains an internet web site. (B) A responsible party may not employ an applicant or

providing ombudsman services to residents and recipients if any of  
the following apply:

(1) A review of the databases listed in division (D) of this

(a) That the applicant or employee is included in one or more  
of the databases listed in divisions (D)(1) to (5) of this  
section;

(b) That there is in the state nurse aide registry
established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules adopted under this section and the rules prohibit the responsible party from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing ombudsman services to residents and recipients.

(2) After the applicant or employee is provided, pursuant to division (E)(2)(a) of this section, a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section, the applicant or employee fails to complete the form or provide the applicant's or employee's fingerprint impressions on the standard impression sheet.

(3) Unless the applicant or employee meets standards specified in rules adopted under this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(C) A responsible party or a responsible party's designee shall inform each applicant of both of the following at the time of the applicant's initial application for employment in a position that involves providing ombudsman services to residents and recipients:

(1) That a review of the databases listed in division (D) of this section will be conducted to determine whether the
responsible party is prohibited by division (B)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(D) As a condition of any applicant's being employed by a responsible party in a position that involves providing ombudsman services to residents and recipients, the responsible party or designee shall conduct a database review of the applicant in accordance with rules adopted under this section. If rules adopted under this section so require, the responsible party or designee shall conduct a database review of an employee in accordance with the rules as a condition of the responsible party continuing to employ the employee in a position that involves providing ombudsman services to residents and recipients. A database review shall determine whether the applicant or employee is included in any of the following:

(E)(1) As a condition of any applicant's being employed by a responsible party in a position that involves providing ombudsman services to residents and recipients, the responsible party or designee shall request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the applicant. If rules adopted under this section so require, the responsible party or designee shall request that the superintendent conduct a criminal records check of an employee at times specified in the rules as a condition of the responsible party continuing to employ the employee in a position that involves providing ombudsman services to residents and recipients. However, the responsible party or designee is not required to request the criminal records check of the applicant or employee if the responsible party is prohibited by division (B)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing ombudsman services to residents and recipients. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal
bureau of investigation in a criminal records check, the responsible party or designee shall request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the responsible party or designee may request that the superintendent include information from the federal bureau of investigation in the criminal records check.

The responsible party may charge an applicant a fee not exceeding the amount the responsible party pays to the bureau under this section if the responsible party or designee notifies the applicant at the time of initial application for employment of the amount of the fee.

(F)(1) A responsible party may employ conditionally an
applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The responsible party is not prohibited by division (B)(1) of this section from employing the applicant in a position that involves providing ombudsman services to residents and recipients;

(b) The responsible party or designee requests the criminal records check in accordance with division (E) of this section not later than five business days after before conditionally employing the applicant begins conditional employment.

(2) A responsible party shall terminate the employment of an applicant employed conditionally under division (F)(1) of this section if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the responsible party shall terminate the applicant's employment unless the applicant meets standards specified in rules adopted under this section that permit the responsible party to employ the applicant and the responsible party chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant makes any attempt to deceive the responsible party or designee about the applicant's criminal record.

(G) The report of any criminal records check conducted pursuant to a request made under this section is not a public

(4) A court, hearing officer, or other necessary individual involved in a case dealing with any of the following:
   (a) A denial of employment of the applicant or employee;
   (b) Employment or unemployment benefits of the applicant or employee;

(H) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by an applicant or employee who a responsible party employs in a position that involves providing ombudsman services to residents and recipients, all of the following shall apply:

(1) If the responsible party employed the applicant or
employee in good faith and reasonable reliance on the report of a criminal records check requested under this section, the responsible party shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the responsible party employed the applicant in good faith on a conditional basis pursuant to division (F) of this section, the responsible party shall not be found negligent solely because it employed the applicant prior to receiving the report of a criminal records check requested under this section.

(3) If the responsible party in good faith employed the applicant or employee because the applicant or employee meets standards specified in rules adopted under this section, the responsible party shall not be found negligent solely because the applicant or employee has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(I) The state long-term care ombudsman may not act as the director of aging's designee for the purpose of this section. The head of a regional long-term care ombudsman program may not act as the regional program's designee for the purpose of this section if the head is the employee for whom a database review or criminal records check is being conducted.

(J) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;
(c) For the purpose of division (D)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(c) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which a responsible party is prohibited from employing an applicant or continuing to employ an employee who is found by a database review to be included in one or more of those databases;

(d) Standards that an applicant or employee must meet for a responsible party to be permitted to employ the applicant or continue to employ the employee in a position that involves providing ombudsman services to residents and recipients if the applicant or employee is found by a criminal records check required by this section to have been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense;

(iii) That the employment service has not received the results of the criminal records check as of the date set forth on the letter;

(iv) That the employment service promptly will send a copy of the results of the criminal records check to the chief administrator of the responsible party when the employment service receives the results.

(2) If a responsible party employs an applicant conditionally pursuant to division (H)(1)(b) of this section, the employment service, on its receipt of the results of the criminal records check, promptly shall send a copy of the results to the chief administrator of the responsible party.

(3) A responsible party that employs an applicant conditionally pursuant to division (H)(1)(a) or (b) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense, the responsible party shall terminate the applicant's employment unless the applicant meets standards specified in rules adopted under this section that permit the responsible party to employ the applicant and the responsible party chooses to employ the applicant. Termination of employment under this division shall be considered just cause for discharge for purposes of division (D)(2) of section 4141.29 of the Revised Code if the applicant
makes any attempt to deceive the responsible party about the applicant's criminal record.

(I) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(2) The chief administrator of the responsible party requesting the criminal records check or the administrator's representative;

responsible party shall not be found negligent solely because the applicant or employee has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a disqualifying offense.

(1) The acquisition and maintenance of imaging and other technological equipment and contract services therefor;

(2) To reserve funds for the office's future technology needs if the county recorder has no immediate plans for the acquisition of imaging and other technological equipment or contract services, or to use the county recorder's technology fund as a dedicated revenue source to repay debt to purchase any imaging and other technological equipment before the accumulation of adequate resources to purchase the equipment with cash.

(3) Subject to division (G) of this section, for other expenses associated with the acquisition and maintenance of imaging and other technological equipment and contract services.
(B) The proposal shall be in writing and shall include at least the following:

(1) A request that an amount not to exceed eight dollars of the total base fees collected for filing or recording a document for which a fee is charged as required by division (A)(1) of section 317.32 or by section 1309.525 or 5310.15 of the Revised Code be placed in the county treasury to the credit of the county recorder's technology fund;

(C) A proposal for the purposes of division (A)(1) of this section shall include a description or summary of the imaging and other technological equipment that the county recorder proposes to acquire and maintain, and the nature of contract services that the county recorder proposes to utilize, if the proposal is for those purposes. A proposal for the purposes of division (A)(2) of this
section shall explain the general future technology needs of the office for imaging and other technological equipment, or for revenue to repay debt, if the proposal is for those purposes. A proposal for the purposes of division (A)(3) of this section shall identify the other expenses associated with the acquisition and maintenance of imaging and other technological equipment and contract services that the county recorder proposes to pay with moneys in the county recorder's technology fund, if the proposal is for those purposes.

(D) The board of county commissioners shall receive a proposal and the clerk shall enter it on the journal. At the same time, the board shall establish a date, not sooner than fifteen or later than thirty days after the board receives the proposal, on which to meet with the recorder to review the proposal.

(E)(1) Except as provided in division (E)(3) of this section, not later than the fifteenth day of December of any year in which a proposal is submitted under division (A) of this section, the board of county commissioners shall approve, reject, or modify the proposal and notify the county recorder of its action on the proposal. If the board rejects or modifies the proposal, it shall make a written finding that the request is for a purpose other than for a purpose in division (A) of this section, or that the amount requested is excessive as determined by the board.

(2) A proposal submitted under division (A) of this section that was approved by the board of county commissioners before, and is in effect on the effective date of this amendment, shall continue in effect until January 1, 2025, notwithstanding the number of years of funding specified in the approved proposal.

(3) A proposal submitted under division (A) of this section between October 1, 2013, and October 1, 2017, may request that an amount that does not exceed three dollars be
credited to the county recorder's technology fund, in addition to the amount previously approved by the board of county commissioners in a proposal described in division (E)(2) of this section. The proposal may be submitted each year during that time period, but shall be limited to funding in the following fiscal year. If the total of the amount under division (E)(2) of this section and the amount requested under this division does not exceed eight dollars, the board shall approve the proposal and notify the county recorder of its approval.

(4) If the total amount of fees provided for in divisions (B), (E)(2), and (E)(3) of this section is less than eight dollars, a proposal requesting additional fees may be submitted to the board of county commissioners under division (E)(1) of this section, as long as the total amount of the fees in divisions (B) and (E)(2), (3), and (4) of this section that are to be credited to the county recorder's technology fund does not exceed eight dollars, and the proposal is for a number of years, not to exceed five.

(5) When a proposal is approved by the board of county commissioners under division (E) of this section, the county recorder's technology fund is established in the county treasury, and, beginning on the following first day of January, the fees approved shall be deposited in that fund.

(F) The acquisition and maintenance of imaging and other technological equipment, and other associated expenses and contract services therefor, shall be specifically governed by sections 307.80 to 307.806, 307.84 to 307.846, 307.86 to 307.92, and 5705.38, and by division (D) of section 5705.41 of the Revised Code.

(G) If the use of the county recorder's technology fund for the purposes of division (A)(3) of this section includes associated expenses for personnel, the use of the fund for
personnel shall be strictly confined to personnel directly related to imaging and other technological equipment, and any compensation increases for those personnel shall not exceed the average of the annual aggregate percentage increase or decrease in the compensation fixed by the board of county commissioners for their employees, and for the officers in section 325.27 of the Revised Code. Use of the fund for compensation bonuses, or for recognizing outstanding employee performance in a manner described in section 325.25 of the Revised Code, is prohibited.

(H) If a county is under a fiscal caution under section 118.025 of the Revised Code, or is under a fiscal watch or fiscal emergency as defined in section 118.01 of the Revised Code, the board of county commissioners, notwithstanding sections 5705.14 to 5705.16 of the Revised Code, may transfer from the county recorder's technology fund any moneys the board deems necessary.

Sec. 319.63. (A) During the first thirty days of each calendar quarter, the county auditor shall pay to the treasurer of state all amounts that the county recorder collected as housing trust fund fees pursuant to section 317.36 of the Revised Code during the previous calendar quarter. If payment is made to the treasurer of state within the first thirty days of the quarter, the county auditor may retain an administrative fee of one percent of the amount of the trust fund fees collected during the previous calendar quarter.

(B) The treasurer of state shall deposit the first fifty million dollars of housing trust fund fees received each year pursuant to this section into the low- and moderate-income housing trust fund created under section 174.02 of the Revised Code. The treasurer of state shall deposit any amounts received each year in excess of fifty million dollars into the housing trust reserve fund created under section 174.09 of the Revised Code, unless the
each balance of the housing trust reserve fund is greater than fifteen million dollars. In that event, the treasurer of state shall deposit any amounts received each year in excess of fifty million dollars into the state general revenue fund.

(C) The county auditor shall deposit the administrative fee that the auditor is permitted to retain pursuant to division (A) of this section into the county general fund for the county recorder to use in administering the trust fund fee.

Sec. 321.24. (A) On or before the fifteenth day of February, in each year, the county treasurer shall settle with the county auditor for all taxes and assessments that the treasurer has collected on the general duplicate of real and public utility property at the time of making the settlement. If the county treasurer has made or will make advance payments to the several taxing districts of current year unpaid taxes under section 321.341 of the Revised Code before collecting them, the county treasurer shall take the advance payments into account for purposes of the settlement with the county auditor under this division.

(B) On or before the thirtieth day of June, in each year, the treasurer shall settle with the auditor for all advance payments of general personal and classified property taxes that the treasurer has received at the time of making the settlement.

(C) On or before the tenth day of August, in each year, the treasurer shall settle with the auditor for all taxes and assessments that the treasurer has collected on the general duplicates of real and public utility property at the time of making such settlement, not included in the preceding February settlement. If the county treasurer has made or will make advance payments to the several taxing districts of the current year delinquent taxes under section 321.341 of the Revised Code before
collecting them, the county treasurer shall take the advance payments into account for purposes of the settlement with the county auditor under this division.

(D) On or before the thirty-first day of October, in each year, the treasurer shall settle with the auditor for all taxes that the treasurer has collected on the general personal and classified property duplicates, and for all advance payments of general personal and classified property taxes, not included in the preceding June settlement, that the treasurer has received at the time of making such settlement.

(E) In the event the time for the payment of taxes is extended, pursuant to section 323.17 of the Revised Code, the date on or before which settlement for the taxes so extended must be made, as herein prescribed, shall be deemed to be extended for a like period of time. At each such settlement, the auditor shall allow to the treasurer, on the moneys received or collected and accounted for by the treasurer, the treasurer's fees, at the rate or percentage allowed by law, at a full settlement of the treasurer.

(F) Within thirty days after the day of each settlement of taxes required under divisions (A) and (C) of this section, the treasurer shall certify to the tax commissioner any adjustments that have been made to the amount certified previously pursuant to section 319.302 of the Revised Code and that the settlement has been completed. Upon receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to one-half of the amount certified by the treasurer in the preceding tax year under section 319.302 of the Revised Code, less the sum of (1) one-half of the amount computed for all taxing districts in that county for the current fiscal year under section 5703.80 of the Revised Code for crediting to the property tax administration fund
and (2) any reduction required by the commissioner under division (D) of section 718.83 of the Revised Code. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges which the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as real property taxes. The amount distributed to each taxing district shall be reduced by the total of the amounts computed for the district under section 5703.80 of the Revised Code, but the reduction shall not exceed the amount that otherwise would be distributed to the taxing district under this division. The amount distributed to a taxing district shall account for any reduction required by the commissioner under division (D) of section 718.83 of the Revised Code. The tax commissioner shall make available to taxing districts such information as is sufficient for a taxing district to be able to determine the amount of the reduction in its distribution under this section.

(G)(1) Within thirty days after the day of the settlement required in division (D) of this section, the county treasurer shall notify the tax commissioner that the settlement has been completed. Upon receipt of that notification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified under former section 319.311 of the Revised Code and paid in the state's fiscal year 2003 multiplied by the percentage specified in division (G)(2) of this section. The payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall distribute the amount thereof among the various taxing districts of the county as if it had been levied,
collected, and settled as personal property taxes. The amount received by a taxing district under this division shall be apportioned among its funds in the same proportion as the current year's personal property taxes are apportioned.

(2) Payments required under division (G)(1) of this section shall be made at the following percentages of the amount certified under former section 319.311 of the Revised Code and paid under division (G)(1) of this section in the state's fiscal year 2003:

(a) In fiscal year 2004, ninety per cent;
(b) In fiscal year 2005, eighty per cent;
(c) In fiscal year 2006, sixty-four per cent;
(d) In fiscal year 2007, forty per cent;
(e) In fiscal year 2008, thirty-two per cent;
(f) In fiscal year 2009, sixteen per cent.

After fiscal year 2009, no payments shall be made under division (G)(1) of this section.

(H)(1) On or before the fifteenth day of April each year, the county treasurer shall settle with the county auditor for all manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(2) On or before the fifteenth day of September each year, the county treasurer shall settle with the county auditor for all remaining manufactured home taxes that the county treasurer has collected on the manufactured home tax duplicate at the time of making the settlement.

(3) If the time for payment of such taxes is extended under section 4503.06 of the Revised Code, the time for making the settlement as prescribed by divisions (H)(1) and (2) of this section is extended for a like period of time.
(I) On or before the second Monday in September of each year, the county treasurer shall certify to the tax commissioner the total amount by which the manufactured home taxes levied in that year were reduced pursuant to section 319.302 of the Revised Code. Within ninety days after the receipt of such certification, the commissioner shall provide for payment to the county treasurer from the general revenue fund of an amount equal to the amount certified by the treasurer. Such payment shall be credited upon receipt to the county's undivided income tax fund, and the county auditor shall transfer to the county general fund from the amount thereof the total amount of all fees and charges that the auditor and treasurer would have been authorized to receive had such section not been in effect and that amount had been levied and collected as manufactured home taxes. The county auditor shall distribute the amount remaining among the various taxing districts in the county as if it had been levied, collected, and settled as manufactured home taxes.

Sec. 323.131. (A) Each tax bill prepared and mailed or delivered under section 323.13 of the Revised Code shall be in the form and contain the information required by the tax commissioner. The commissioner may prescribe different forms for each county and may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. For any county in which the board of county commissioners has granted a partial property tax exemption on homesteads under section 323.158 of the Revised Code, the commissioner shall require that the tax bills for those homesteads include a notice of the amount of the tax reduction that results from the partial exemption. In addition to the information required by the commissioner, each tax bill shall contain the following information:

(1) The taxes levied and the taxes charged and payable against the property;
(2) The effective tax rate. The words "effective tax rate" shall appear in boldface type.

(3) A list of the various taxing units to which the taxes charged are to be allocated and the respective amounts allocated to each unit, including, in the case of the county, the various county purposes to which such taxes are to be allocated and the respective amounts.

(4) The following notices:

(a) "Notice: If the taxes are not paid within sixty days from the date they are certified delinquent, the property is subject to foreclosure for tax delinquency." Failure to provide such notice has no effect upon the validity of any tax foreclosure to which a property is subjected.

(b) "Notice: If the taxes charged against this parcel have been reduced by the 2-1/2 per cent tax reduction for residences occupied by the owner but the property is not a residence occupied by the owner, the owner must notify the county auditor's office not later than March 31 of the year following the year for which the taxes are due. Failure to do so may result in the owner being convicted of a fourth degree misdemeanor, which is punishable by imprisonment up to 30 days, a fine up to $250, or both, and in the owner having to repay the amount by which the taxes were erroneously or illegally reduced, plus any interest that may apply.

If the taxes charged against this parcel have not been reduced by the 2-1/2 per cent tax reduction and the parcel includes a residence occupied by the owner, the parcel may qualify for the tax reduction. To obtain an application for the tax reduction or further information, the owner may contact the county auditor's office at ........... (insert the address and telephone number of the county auditor's office)."
(4)(5) For a tract or lot on the real property tax suspension list under section 319.48 of the Revised Code, the following notice: "Notice: The taxes shown due on this bill are for the current year only. Delinquent taxes, penalties, and interest also are due on this property. Contact the county treasurer to learn the total amount due."

The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by section 321.45 of the Revised Code or by the tax commissioner.

(B) If the property is residential rental property, the tax bill shall contain a statement that the owner of the residential rental property shall file with the county auditor the information required under division (A) or (C) of section 5323.02 of the Revised Code.

(C) Each county auditor and treasurer shall post on their respective web sites, or on the county's web site, the percentage of property taxes charged by each taxing unit and, in the case of the county as a taxing unit, the percentage of taxes charged by the county for each of the county purposes for which taxes are charged.

(D) As used in this section, "residential rental property" has the same meaning as in section 5323.01 of the Revised Code.

(D) "Permanently and totally disabled" means that a person other than a disabled veteran has, on the first day of January of the year of application for reduction in real estate taxes, some

(E) "Housing cooperative" means a housing complex of at least two units that is owned and operated by a nonprofit corporation that issues a share of the corporation's stock to an individual, entitling the individual to live in a unit of the complex, and collects a monthly maintenance fee from the individual to maintain, operate, and pay the taxes of the complex.

Sec. 341.34. (A) As used in this section, "building or structure" includes, but is not limited to, a modular unit, building, or structure and a movable unit, building, or structure.

(B)(1) The board of county commissioners of any county, by resolution, may dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by the county that has not been dedicated to or is not then
in use for any county or other public purpose, or any building or structure rented or leased by the county. The board of county commissioners of any county, by resolution, also may dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for the county. Subject to divisions (B)(3) and (C) of this section, upon the effective date of such a resolution, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation or a misdemeanor or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. In determining the person's classification under this division, the administrator or designee shall consider all relevant factors, including, but not limited to, the person's escape risk and propensity for assaultive or violent behavior, based upon the person's prior and current behavior.

(b) The person is charged with a traffic violation, a misdemeanor, or a felony of the fourth or fifth degree and has had bail set and has not been released on bail and is confined in a county or municipal jail pending trial, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. In determining the person's classification under this division, the administrator or designee shall consider all relevant factors, including, but not limited to, the person's escape risk and propensity for assaultive or violent behavior, based upon the person's prior and current behavior. Nothing in this division authorizes the operation or management of a minimum security jail by a private entity.
(c) The person is an inmate transferred by order of a judge of the sentencing court upon the request of the sheriff, administrator, jailer, or other person responsible for operating the jail other than a contractor as defined in section 9.06 of the Revised Code, who is named in the request as being suitable for confinement in a minimum security facility.

(2) The board of county commissioners of any county, by resolution, may affiliate with one or more adjacent counties, or with one or more municipal corporations located within the county or within an adjacent county, and dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by any of the affiliating counties or municipal corporations that has not been dedicated to or is not then in use for any public purpose, or any building or structure rented or leased by any of the affiliating counties or municipal corporations. The board of county commissioners of any county, by resolution, also may affiliate with one or more adjacent counties or with one or more municipal corporations located within the county or within an adjacent county and dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for any of the affiliating counties or municipal corporations. Any counties and municipal corporations that affiliate for purposes of this division shall enter into an agreement that establishes the responsibilities for the operation and for the cost of operation of the minimum security jail. Subject to divisions (B)(3) and (C) of this section, upon the effective date of a resolution adopted under this division, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of an ordinance...
of any municipal corporation, or is sentenced to a residential 11386
sanction in the jail for a felony of the fourth or fifth degree 11387
pursuant to sections 2929.11 to 2929.19 of the Revised Code, and 11388
the jail administrator or the jail administrator's designee has 11389
classified the person as a minimal security risk. In determining 11390
the person's classification under this division, the administrator 11391
or designee shall consider all relevant factors, including, but 11392
not limited to, the person's escape risk and propensity for 11393
assaultive or violent behavior, based upon the person's prior and 11394
current behavior.

(b) The person is charged with a traffic violation, a 11395
misdemeanor, or a felony of the fourth or fifth degree and has had 11396
bail set and has not been released on bail and is confined in a 11397
county jail pending trial, and the jail administrator or the jail 11398
administrator's designee has classified the person as a minimal 11399
security risk. In determining the person's classification under 11400
this division, the administrator or designee shall consider all 11401
relevant factors, including, but not limited to, the person's 11402
escape risk and propensity for assaultive or violent behavior, 11403
based upon the person's prior and current behavior. Nothing in 11404
this division authorizes the operation or management of a minimum 11405
security jail by a private entity.

(c) The person is an inmate transferred by order of a judge 11406
of the sentencing court upon the request of the sheriff, 11407
administrator, jailer, or other person responsible for operating 11408
the jail other than a contractor as defined in section 9.06 of the 11409
Revised Code, who is named in the request as being suitable for 11410
confinement in a minimum security facility.

(3) No person shall be confined in a building or structure 11411
dedicated as a minimum security jail under division (B)(1) or (2) 11412
of this section unless the judge who sentenced the person to the 11413
term of imprisonment for the traffic violation or the misdemeanor 11414

specifies that the term of imprisonment is to be served in that jail, and division (B)(1) or (2) of this section permits the confinement of the person in that jail or unless the judge who sentenced the person to the residential sanction for the felony specifies that the residential sanction is to be served in a jail, and division (B)(1) or (2) of this section permits the confinement of the person in that jail. If a rented or leased building or structure is so dedicated, the building or structure may be used as a minimum security jail only during the period that it is rented or leased by the county or by an affiliated county or municipal corporation. If a person convicted of a misdemeanor is confined to a building or structure dedicated as a minimum security jail under division (B)(1) or (2) of this section and the sheriff, administrator, jailer, or other person responsible for operating the jail other than a contractor as defined in section 9.06 of the Revised Code determines that it would be more appropriate for the person so confined to be confined in another jail or workhouse facility, the sheriff, administrator, jailer, or other person may transfer the person so confined to a more appropriate jail or workhouse facility.

(C) All of the following apply to a building or structure that is dedicated pursuant to division (B)(1) or (2) of this section for use as a minimum security jail:

(1) To the extent that the use of the building or structure as a minimum security jail requires a variance from any county, municipal corporation, or township zoning regulations or ordinances, the variance shall be granted.

(2) Except as provided in this section, the building or structure shall not be used to confine any person unless it is in substantial compliance with any applicable housing, fire prevention, sanitation, health, and safety codes, regulations, or standards.
(3) Unless such satisfaction or compliance is required under the standards described in division (C)(4) of this section, and notwithstanding any other provision of state or local law to the contrary, the building or structure need not satisfy or comply with any state or local building standard or code in order to be used to confine a person for the purposes specified in division (B) of this section.

(4) The building or structure shall not be used to confine any person unless it is in compliance with all minimum standards and minimum renovation, modification, and construction criteria for minimum security jails that have been proposed by the department of rehabilitation and correction, through its bureau of adult detention, under section 5120.10 of the Revised Code.

(5) The building or structure need not be renovated or modified into a secure detention facility in order to be used solely to confine a person for the purposes specified in divisions (B)(1)(a) or (b) and (B)(2)(a) or (b) of this section.

(6) The building or structure shall be used, equipped, furnished, and staffed in the manner necessary to provide adequate and suitable living, sleeping, food service or preparation, drinking, bathing and toilet, sanitation, and other necessary facilities, furnishings, and equipment.

(D) Except as provided in this section, a minimum security jail dedicated and used under this section shall be considered to be part of the jail, workhouse, or other correctional facilities of the county or the affiliated counties and municipal corporations for all purposes under the law. All persons confined in such a minimum security jail shall be and shall remain, in all respects, under the control of the county authority that has responsibility for the management and operation of the jail, workhouse, or other correctional facilities of the county or, if it is operated by any affiliation of counties or municipal
corporations, under the control of the specified county or municipal corporation with that authority, provided that, if the person was convicted of a felony and is serving a residential sanction in the facility, all provisions of law that pertain to persons convicted of a felony that would not by their nature clearly be inapplicable apply regarding the person. A minimum security jail dedicated and used under this section shall be managed and maintained in accordance with policies and procedures adopted by the board of county commissioners or the affiliated counties and municipal corporations governing the safe and healthful operation of the jail, the confinement and supervision of the persons sentenced to it, and their participation in work release or similar rehabilitation programs. In addition to other rules of conduct and discipline, the rights of ingress and egress of persons confined in a minimum security jail dedicated and used under this section shall be subject to reasonable restrictions. Every person confined in a minimum security jail dedicated and used under this section shall be given verbal and written notification, at the time of the person's admission to the jail, that purposely leaving, or purposely failing to return to, the jail without proper authority or permission constitutes the felony offense of escape.

(E) If a person who has been convicted of or pleaded guilty to an offense is sentenced to a term of imprisonment or a residential sanction in a minimum security jail as described in division (B)(1)(a) or (B)(2)(a) of this section, or if a person is an inmate transferred to a minimum security jail by order of a judge of the sentencing court as described in division (B)(1)(c) or (B)(2)(c) of this section, at the time of reception and at other times the person in charge of the operation of the jail determines to be appropriate, the sheriff or other person in charge of the operation of the jail may cause the convicted offender to be examined and tested for tuberculosis, HIV.
infection, hepatitis, including but not limited to hepatitis A, B, and C, and other contagious diseases. The person in charge of the operation of the jail may cause a convicted offender in the jail who refuses to be tested or treated for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, or another contagious disease to be tested and treated involuntarily.

Such petition shall be signed by the developer and may be signed by each proximate city. The legislative authorities of each such proximate city shall act in behalf of such city. Such petition shall contain:

Upon the determination of the organizational board of commissioners that a sufficient petition has been filed in accordance with this section, the board shall fix the time and
place of a hearing on the petition for the establishment of the proposed new community authority. Such hearing shall be held not less than ninety-five nor more than one hundred fifteen days after the petition filing date, except that if the petition has been signed by all proximate cities or if the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, such hearing shall be held not less than thirty nor more than forty-five days after the petition filing date. The clerk of the organizational board of commissioners with which the petition was filed shall give notice thereof by publication once each week for three consecutive weeks, or as provided in section 7.16 of the Revised Code, in a newspaper of general circulation in any county of which a portion is within the proposed new community district. Except where the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, such clerk shall also give written notice of the date, time, and place of the hearing and furnish a certified copy of the petition to the clerk of the legislative authority of each proximate city which has not signed such petition. Except where the organizational board of commissioners is the legislative authority of the only proximate city for the proposed new community district, in the event that the legislative authority of a proximate city which did not sign the petition does not approve by ordinance, resolution, or motion the establishment of the proposed new community authority and does not deliver such ordinance, resolution, or motion to the clerk of the organizational board of commissioners with which the petition was filed within ninety days following the date of the first publication of the notice of the public hearing, the organizational board of commissioners shall cancel such public hearing and terminate the proceedings for the establishment of the new community authority.
Upon the hearing, if the organizational board of commissioners determines by resolution that the proposed new community district will be conducive to the public health, safety, convenience, and welfare, and is intended to result in the development of a new community, the board shall by its resolution, declare the new community authority to be organized and a body politic and corporate with the corporate name designated in the resolution, and define the boundary of the new community district. In addition, the resolution shall provide the method of selecting the board of trustees of the new community authority and fix the surety for their bonds in accordance with section 349.04 of the Revised Code.

If the organizational board of commissioners finds that the establishment of the district will not be conducive to the public health, safety, convenience, or welfare, or is not intended to result in the development of a new community, it shall reject the petition thereby terminating the proceedings for the establishment of the new community authority.

(B) At any time after the creation of a new community authority, the developer may file an application with the clerk of the organizational board of commissioners with which the original petition was filed, setting forth a general description of territory it desires to add or to delete from such district, that such change will be conducive to the public health, safety, convenience, and welfare, and will be consistent with the development of a new community and will not jeopardize the plan of the new community. If the developer is not a municipal corporation, port authority, or county, all of such an addition to such a district shall be owned by, or under the control through leases of at least seventy-five years' duration, options, or contracts to purchase, of the developer. Upon the filing of the application, the organizational board of commissioners shall
follow the same procedure as required by this section in relation to the petition for the establishment of the proposed new community. The organizational board of commissioners also may determine by resolution to add territory to such district, provided that the owner or other person who controls such territory through leases of at least forty years' duration, options, or contracts to purchase files a written consent to the addition of such territory with the clerk of the organizational board of commissioners, and the developer does not object to the addition of such territory by filing a written objection to the addition of such territory with the clerk of the organizational board of commissioners before the adoption of the resolution adding such territory to the district. The organizational board of commissioners shall follow the same procedure as required by this section in relation to the petition for the establishment of the proposed new community when adopting such a resolution.

(C) If all or any part of the new community district is annexed to one or more existing municipal corporations, their legislative authorities may appoint persons to replace any appointed citizen member of the board of trustees. The number of such trustees to be replaced by the municipal corporation shall be the number, rounded to the lowest integer, bearing the proportionate relationship to the number of existing appointed citizen members as the acreage of the new community district within such municipal corporation bears to the total acreage of the new community district. If any such municipal corporation chooses to replace an appointed citizen member, it shall do so by ordinance, the term of the trustee being replaced shall terminate thirty days from the date of passage of such ordinance, and the trustee to be replaced shall be determined by lot. Each newly appointed member shall assume the term of the member's predecessor.
Sec. 349.07. Notwithstanding any other rule of law, any covenant or agreement in deeds, land contracts, leases and any other instruments or conveyance by which real estate or any interest in real estate is conveyed by or to the developer or by the new community authority to any person or entity, including the developer, or any declaration of covenants executed by the owner of real estate, whereby such person or entity agrees, by acceptance of any such instrument of conveyance containing said covenant of agreement or execution of said declaration, to pay annually or semiannually a community development charge for the benefit and use of the new community authority to cover all or part of the cost of the acquisition, construction, operation and maintenance of land, land development and community facilities, the debt service thereof and any other cost incurred by the authority in the exercise of the powers granted by Chapter 349. of the Revised Code shall be deemed to be a covenant running with the land and shall, in any event and without regard to technical classification, after such instrument has been duly recorded in the land records of the county, be fully binding on behalf of and enforceable by the new community authority against each such person or entity and all successors and assigns of the property conveyed by such instrument of conveyance or encumbered by such declaration.

No purchase agreement for any real estate or interest in real estate upon which a community development charge exists by reason of a covenant running with the land shall be enforceable by the seller or binding upon the purchaser unless such purchase agreement specifically refers to such community development charge and identifies the volume and page number of the deed records of the county in which the covenant running with the land establishing such community development charge is recorded, provided that in the event a conveyance of such real estate or
interest in real estate is made pursuant to a purchase agreement which does not make such reference and identification, the covenant shall continue to be deemed to be a covenant running with the land fully binding on behalf of and enforceable by the community authority against such person or entity accepting the conveyance pursuant to such purchase agreement.

The new community authority may certify the community development charge to the county auditor, who shall enter the unpaid charge on the tax list and duplicates of real property opposite the parcel against which it is charged, and certify the charge to the county treasurer. An unpaid community development charge is a lien on property against which it is charged from the date the charge is entered on the tax list, and shall be collected in the manner provided for the collection of real property taxes. Once the charge is collected, it shall be paid immediately to the new community district.

No community development charge established pursuant to this chapter shall be construed as prohibiting or limiting the taxing power of municipal corporations.

Sec. 351.021. (A) The resolution of the county commissioners creating a convention facilities authority, or any amendment or supplement to that resolution, may authorize the authority to levy one or both of the excise taxes authorized by division (B) of this section to pay the cost of one or more facilities; to pay principal, interest, and premium on convention facilities authority tax anticipation bonds issued to pay those costs; to pay the operating costs of the authority; to pay operating and maintenance costs of those facilities; and to pay the costs of administering the excise tax.

(B) The board of directors of a convention facilities authority that has been authorized pursuant to resolution adopted,
amended, or supplemented by the board of county commissioners pursuant to division (A) of this section may levy, by resolution adopted on or before December 31, 1988, either or both of the following:

(1) Within the territory of the authority, an additional excise tax not to exceed four per cent on each transaction. The excise tax authorized by division (B)(1) of this section shall be in addition to any excise tax levied pursuant to section 5739.08 or 5739.09 of the Revised Code, or division (B)(2) of this section.

(2) Within that portion of any municipal corporation that is located within the territory of the authority or within the boundaries of any township that is located within the territory of the authority, which municipal corporation or township is levying any portion of the excise tax authorized by division (A) of section 5739.08 of the Revised Code, and with the approval, by ordinance or resolution, of the legislative authority of that municipal corporation or township, an additional excise tax not to exceed nine-tenths of one per cent on each transaction. The excise tax authorized by division (B)(2) of this section may be levied only if, on the effective date of the levy specified in the resolution making the levy, the amount being levied pursuant to division (A) of section 5739.08 of the Revised Code by each municipal corporation or township in which the tax authorized by division (B)(2) of this section will be levied, when added to the amount levied under division (B)(2) of this section, does not exceed three per cent on each transaction. The excise tax authorized by division (B)(2) of this section shall be in addition to any excise tax that is levied pursuant to section 5739.08 or 5739.09 of the Revised Code, or division (B)(1) of this section.

(C)(1) The board of directors of a convention facilities authority that is located in an eligible Appalachian county; that
has been authorized pursuant to resolution adopted, amended, or supplemented by the board of county commissioners pursuant to division (A) of this section; and that is not levying a tax under division (B)(1) or (2) of this section may levy within the territory of the authority, by resolution adopted on or before December 31, 2005, an additional excise tax not to exceed three per cent on each transaction. The excise tax authorized under division (C)(1) of this section shall be in addition to any excise tax levied pursuant to section 5739.08 or 5739.09 of the Revised Code.

As used in division (C)(1) of this section, "eligible Appalachian county" means a county in this state designated as being in the "Appalachian region" under the "Appalachian Regional Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and having a population less than eighty thousand according to the most recent federal decennial census.

(2) Division (C)(2) of this section applies only to a convention facilities authority located in a county with a population, according to the 2000 federal decennial census, of at least one hundred thirty-five thousand and not more than one hundred fifty thousand and containing entirely within its boundaries the territory of a municipal corporation with a population according to that census of more than fifty thousand. The board of directors of such a convention facilities authority, by resolution adopted on or before November 1, 2009, may levy within the territory of the authority an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests at a rate not to exceed three per cent on such transactions for the same purposes for which a tax may be levied under division (B) of this section. The resolution may be adopted only if the board of county commissioners of the county, by resolution, authorizes the levy of the tax. The resolution of the
board of county commissioners is subject to referendum as prescribed by sections 305.31 to 305.41 of the Revised Code. If, pursuant to those procedures, a referendum is to be held, the board's resolution does not take effect until approved by a majority of electors voting on the question. The convention facilities authority may adopt the resolution authorized by division (C)(2) of this section before the election, but the authority's resolution shall not take effect if the board of commissioners' resolution is not approved at the election. A tax levied under division (C)(2) of this section is in addition to any tax levied under section 5739.09 of the Revised Code.

(3) The board of directors of a convention facilities authority created between July 1, 2019, and December 31, 2019, by resolution adopted on or before December 30, 2020, may levy within the territory of the authority an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests at a rate not to exceed three per cent on such transactions for the purposes described in division (A) of this section. This tax shall be in addition to any excise tax levied pursuant to this section or section 5739.08 or 5739.09 of the Revised Code. The resolution levying the tax shall not take effect sooner than ninety days after the convention facilities authority is created.

(D) The authority shall provide for the administration and allocation of an excise tax levied pursuant to division (B) or (C) of this section. All receipts arising from those excise taxes shall be expended for the purposes provided in, and in accordance with this section and section 351.141 of the Revised Code. An excise tax levied under division (B) or (C) of this section shall remain in effect at the rate at which it is levied for at least the duration of the period for which the receipts from the tax have been anticipated and pledged pursuant to section 351.141 of the Revised Code.
(E) Except as provided in division (B)(2) of this section, the levy of an excise tax on each transaction pursuant to sections 5739.08 and 5739.09 of the Revised Code does not prevent a convention facilities authority from levying an excise tax pursuant to division (B) or (C) of this section.

(F) A convention facilities authority located in a county with a population greater than eighty thousand but less than ninety thousand according to the 2010 federal decennial census that levies a tax under division (B) of this section may amend the resolution levying the tax to allocate a portion of the revenue from the tax for support of tourism-related sites or facilities and programs operated by the county or a municipal corporation within the county in which the authority is located or for the purpose of leasing lands for county fairs, erecting buildings for county fair purposes, making improvements on a county fairground, or for any purpose connected with the use of a county fairground or with the management thereof by the county in which the authority is located. The revenue allocated by the authority for such purposes in a calendar year shall not exceed fifteen per cent of the total revenue from the tax in the preceding calendar year. Revenue allocated for such purposes that is not fully used by the end of the calendar year may be carried forward for use in subsequent calendar years. Any amount carried forward does not count toward the limitation on the amount that may be allocated for such purposes in succeeding calendar years.

Sec. 503.56. (A) As used in this section:

(1) "Tourism development district" means a district designated by a township under this section.

(2) "Territory of a tourism development district" means all of the area included within the territorial boundaries of a tourism development district.
(3) "Business" means a sole proprietorship, a corporation for profit, a pass-through entity as defined in section 5733.04 of the Revised Code, the federal government, the state, the state's political subdivisions, a nonprofit organization, or a school district. A business "operates within the proposed district" if the business would be subject to a tax levied in the proposed tourism development district pursuant to division (C) of section 5739.101 of the Revised Code.

(4) "Owner" means a partner of a partnership, a member of a limited liability company, a majority shareholder of an S corporation, a person with a majority ownership interest in a pass-through entity, or any officer, employee, or agent with the authority to make decisions legally binding upon a business. The signature of any owner of a business operates as the signature of the business.

(5) "Eligible township" means a township wholly or partly located in a county having a population greater than three hundred seventy-five thousand but less than four hundred thousand that levies taxes under section 5739.021 or 5739.026 of the Revised Code, the aggregate rate of which does not exceed one-half of one per cent on September 29, 2015.

(B)(1) The board of trustees of an eligible township, by resolution, may declare an unincorporated area of the township to be a tourism development district for the purpose of fostering and developing tourism in the district if all of the following criteria are met:

(a) The district's area does not exceed six hundred acres.

(b) All territory in the district is contiguous.

(c) Before adopting that resolution or ordinance, the board holds at least two public hearings concerning the creation of the tourism development district.
(d) Before adopting the resolution or ordinance, the board receives a petition signed by every record owner of a parcel of real property located in the proposed district and the owner of every business that operates in the proposed district.

(e) The board adopts the resolution on or before December 31, 2020.

(2) The petition described in division (B)(1)(d) of this section shall include an explanation of the taxes and charges that may be levied or imposed in the proposed district.

(3) The board shall certify the resolution to the tax commissioner within five days after its adoption, along with a description of the boundaries of the district authorized in the resolution. That description shall include sufficient information for the commissioner to determine if the address of a vendor is within the boundaries of the district.

(4) Subject to the limitations of division (B)(1)(a) and (b) of this section, the board of trustees of an eligible township may enlarge the territory of an existing tourism development district in the manner prescribed for the creation of a district under divisions (B)(1) to (3) of this section, except that the petition described in division (B)(1)(d) of this section must be signed by every record owner of a parcel of real property located in the area proposed to be added to the district and the owner of every business that operates in the area proposed to be added to the district.

(C) For the purpose of fostering and developing tourism in a tourism development district, a lessor leasing real property in a tourism development district may impose and collect a uniform fee on each parcel of real property leased by the lessor, to be paid by each of the person's lessees. A lessee is subject to such a fee only if the lease separately states the amount of the fee. Before...
a lessor may impose and collect such a fee, the lessor shall file a copy of such lease with the fiscal officer of the township that designated the tourism development district. A lessor that imposes such a fee shall remit all collections of the fee to the fiscal officer of the township in which the real property is located.

The board shall establish all regulations necessary to provide for the administration and remittance of such fees. The regulations may prescribe the time for payment of the fee, and may provide for the imposition of a penalty or interest, or both, for late remittances, provided that the penalty does not exceed ten per cent of the amount of fee due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. The regulations shall provide, after deducting the real and actual costs of administering the fee, that the revenue be used exclusively for fostering and developing tourism within the tourism development district.

(D) The board of trustees of an eligible township that has designated a tourism development district under this section may levy one or both of the taxes authorized under section 503.57 or 5739.101 of the Revised Code. If the board does not levy a tax under section 5739.101 of the Revised Code, the board may enter into and enforce agreements imposing a development charge under section 503.58 of the Revised Code.

(E) On or before the first day of each January and July, beginning after the designation of the tourism development district, the fiscal officer of the township shall certify a list of vendors located within the tourism development district to the tax commissioner, which shall include the name, address, and vendor's license number for each vendor.

Sec. 503.58. (A) The board of trustees of an eligible
township that has designated a tourism development district under section 503.56 of the Revised Code may enter into and enforce agreements with one or more owners of property located within the district by which the owner or owners agree to pay a development charge for the purpose of fostering and developing tourism within the district. The amount of the development charge shall equal one-half, one, one and one-half, or two per cent of the gross receipts derived from making sales at or from the property, whether wholesale or retail, but including sales of food only to the extent such sales are subject to the tax levied under section 5739.02 of the Revised Code.

(B) The imposition of a development charge under this section is subject to approval of the board of county commissioners of the county in which the property is located. If the property owner agrees to the development charge and the board of county commissioners, by resolution, approves the agreement, the development charge shall be treated in the same manner as taxes for all purposes of the lien described in section 323.11 of the Revised Code, including, but not limited to, the priority and enforcement of the lien and the collection of the development charge secured by the lien.

Sec. 505.37. (A) The board of township trustees may establish all necessary rules to guard against the occurrence of fires and to protect the property and lives of the citizens against damage and accidents, and may, with the approval of the specifications by the prosecuting attorney or, if the township has adopted limited home rule government under Chapter 504. of the Revised Code, with the approval of the specifications by the township's law director, purchase, lease, lease with an option to purchase, or otherwise provide any fire apparatus, mechanical resuscitators, underwater rescue and recovery equipment, or other fire equipment,
appliances, materials, fire hydrants, and water supply for
fire-fighting and fire and rescue purposes that seems advisable to
the board. The board shall provide for the care and maintenance of
such fire equipment, and, for these purposes, may purchase, lease,
 lease with an option to purchase, or construct and maintain
necessary buildings, and it may establish and maintain lines of
fire-alarm communications within the limits of the township. The
board may employ one or more persons to maintain and operate such
fire equipment, or it may enter into an agreement with a volunteer
fire company for the use and operation of the equipment. The board
may compensate the members of a volunteer fire company on any
basis and in any amount that it considers equitable.

When the estimated cost to purchase fire apparatus,
mechanical resuscitators, underwater rescue and recovery
equipment, or other fire equipment, appliances, materials, fire
hydrants, buildings, or fire-alarm communications equipment or
services exceeds fifty thousand dollars, the contract shall be let
by competitive bidding. When competitive bidding is required, the
board shall advertise once a week for not less than two
consecutive weeks in a newspaper of general circulation within the
township. The board may also cause notice to be inserted in trade
papers or other publications designated by it or to be distributed
by electronic means, including posting the notice on the board's
internet web site. If the board posts the notice on its web site,
it may eliminate the second notice otherwise required to be
published in a newspaper of general circulation within the
township, provided that the first notice published in such
newspaper meets all of the following requirements:

(1) It is published at least two weeks before the opening of
bids.
(2) It includes a statement that the notice is posted on the board's internet web site.

(3) It includes the internet address of the board's internet web site.

(4) It includes instructions describing how the notice may be accessed on the board's internet web site.

The advertisement shall include the time, date, and place where the clerk of the township, or the clerk's designee, will read bids publicly. The time, date, and place of bid openings may be extended to a later date by the board of township trustees, provided that written or oral notice of the change shall be given to all persons who have received or requested specifications not later than ninety-six hours prior to the original time and date fixed for the opening. The board may reject all the bids or accept the lowest and best bid, provided that the successful bidder meets the requirements of section 153.54 of the Revised Code when the contract is for the construction, demolition, alteration, repair, or reconstruction of an improvement.

(B) The boards of township trustees of any two or more townships, or the legislative authorities of any two or more political subdivisions, or any combination of these, may, through joint action, unite in the joint purchase, lease, lease with an option to purchase, maintenance, use, and operation of fire equipment described in division (A) of this section, or for any other purpose designated in sections 505.37 to 505.42 of the Revised Code, and may prorate the expense of the joint action on any terms that are mutually agreed upon.

(C) The board of township trustees of any township may, by resolution, whenever it is expedient and necessary to guard against the occurrence of fires or to protect the property and lives of the citizens against damages resulting from their
occurrence, create a fire district of any portions of the township that it considers necessary. The board may purchase, lease, lease with an option to purchase, or otherwise provide any fire apparatus, mechanical resuscitators, underwater rescue and recovery equipment, or other fire equipment, appliances, materials, fire hydrants, and water supply for fire-fighting and fire and rescue purposes, or may contract for the fire protection for the fire district as provided in section 9.60 of the Revised Code. The fire district so created shall be given a separate name by which it shall be known.

Additional unincorporated territory of the township may be added to a fire district upon the board's adoption of a resolution authorizing the addition. A municipal corporation, or a portion of a municipal corporation, that is within or adjoining the township may be added to a fire district upon the board's adoption of a resolution authorizing the addition and the municipal legislative authority's adoption of a resolution or ordinance requesting the addition of the municipal corporation or a portion of the municipal corporation to the fire district.

If the township fire district imposes a tax, additional unincorporated territory of the township or a municipal corporation or a portion of a municipal corporation that is within or adjoining the township shall become part of the fire district only after all of the following have occurred:

(1) Adoption by the board of township trustees of a resolution approving the expansion of the territorial limits of the district and, if the resolution proposes to add a municipal corporation or a portion of a municipal corporation, adoption by the municipal legislative authority of a resolution or ordinance requesting the addition of the municipal corporation or a portion of the municipal corporation to the district;

(2) Adoption by the board of township trustees of a
resolution recommending the extension of the tax to the additional territory;

(3) Approval of the tax by the electors of the territory proposed for addition to the district.

Each resolution of the board adopted under division (C)(2) of this section shall state the name of the fire district, a description of the territory to be added, and the rate and termination date of the tax, which shall be the rate and termination date of the tax currently in effect in the fire district.

The board of trustees shall certify each resolution adopted under division (C)(2) of this section to the board of elections in accordance with section 5705.19 of the Revised Code. The election required under division (C)(3) of this section shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read:

"Shall the territory within ......................... (description of the proposed territory to be added) be added to ......................... (name) fire district, and a property tax at a rate of taxation not exceeding ...... (here insert tax rate) be in effect for ........... (here insert the number of years the tax is to be in effect or "a continuing period of time," as applicable)?"

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation or portion thereof and if it had adopted a tax levy for fire
purposes, the levy is terminated on the effective date of the joinder in the area of the municipal corporation added to the district.

Any municipal corporation may withdraw from a township fire district created under division (C) of this section by the adoption by the municipal legislative authority of a resolution or ordinance ordering withdrawal. On the first day of July of the year following the adoption of the resolution or ordinance of withdrawal, the withdrawing municipal corporation withdrawing or the portion thereof ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation or the portion thereof terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any municipal corporation from a township fire district created under division (C) of this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, moneys and taxes in the process of collection except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in money or in kind, on the basis of the valuation of the respective tax duplicates of the withdrawing municipal corporation and the remaining territory of the fire district.

A board of township trustees may remove unincorporated territory of the township from the fire district upon the adoption of a resolution authorizing the removal. On the first day of July of the year following the adoption of the resolution, the unincorporated township territory described in the resolution ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in that territory
terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

(D) The board of township trustees of any township, the board of fire district trustees of a fire district created under section 505.371 of the Revised Code, or the legislative authority of any municipal corporation may purchase, lease, or lease with an option to purchase the necessary fire equipment described in division (A) of this section, buildings, and sites for the township, fire district, or municipal corporation and issue securities for that purpose with maximum maturities as provided in section 133.20 of the Revised Code. The board of township trustees, board of fire district trustees, or legislative authority may also construct any buildings necessary to house fire equipment and issue securities for that purpose with maximum maturities as provided in section 133.20 of the Revised Code.

The board of township trustees, board of fire district trustees, or legislative authority may issue the securities of the township, fire district, or municipal corporation, signed by the board or designated officer of the municipal corporation and attested by the signature of the township fiscal officer, fire district clerk, or municipal clerk, covering any deferred payments and payable at the times provided, which securities shall bear interest not to exceed the rate determined as provided in section 9.95 of the Revised Code, and shall not be subject to Chapter 133 of the Revised Code. The legislation authorizing the issuance of the securities shall provide for levying and collecting annually by taxation, amounts sufficient to pay the interest on and principal of the securities. The securities shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.
Section 505.40 of the Revised Code does not apply to any
securities issued, or any lease with an option to purchase entered
into, in accordance with this division.

(E) A board of township trustees of any township or a board
of fire district trustees of a fire district created under section
505.371 of the Revised Code may purchase a policy or policies of
liability insurance for the officers, employees, and appointees of
the fire department, fire district, or joint fire district
governed by the board that includes personal injury liability
coverage as to the civil liability of those officers, employees,
and appointees for false arrest, detention, or imprisonment,
malicious prosecution, libel, slander, defamation or other
violation of the right of privacy, wrongful entry or eviction, or
other invasion of the right of private occupancy, arising out of
the performance of their duties.

When a board of township trustees cannot, by deed of gift or
by purchase and upon terms it considers reasonable, procure land
for a township fire station that is needed in order to respond in
reasonable time to a fire or medical emergency, the board may
appropriate land for that purpose under sections 163.01 to 163.22
of the Revised Code. If it is necessary to acquire additional
adjacent land for enlarging or improving the fire station, the
board may purchase, appropriate, or accept a deed of gift for the
land for these purposes.

(F) As used in this division, "emergency medical service
organization" has the same meaning as in section 4766.01 of the
Revised Code.

A board of township trustees, by adoption of an appropriate
resolution, may choose to have the state board of emergency
medical, fire, and transportation services license any emergency
medical service organization it operates. If the board adopts such
a resolution, Chapter 4766. of the Revised Code, except for
sections 4766.06 and 4766.99 of the Revised Code, applies to the
organization. All rules adopted under the applicable sections of
that chapter also apply to the organization. A board of township
trusted, by adoption of an appropriate resolution, may remove its
egency medical service organization from the jurisdiction of
the state board of emergency medical, fire, and transportation
services.

**Sec. 505.371.** (A) The boards of township trustees of one or
more townships and the legislative authorities of one or more
municipal corporations, or the legislative authorities of two or
more municipal corporations, or the boards of township trustees of
two or more townships, may, by adoption of a joint resolution by a
majority of the members of each board of township trustees and by
a majority of the members of the legislative authority of each
municipal corporation, create a joint fire district comprising all
or any portions of the municipal corporations and all or any
portions of the townships as are mutually agreed upon. A joint
fire district so created shall be given a name different from the
name of any participating township or municipal corporation.

(B) The governing body of the joint fire district shall be a
board of fire district trustees, which shall include one
representative from each board of township trustees and one
representative from the legislative authority of each municipal
corporation in the district. The board of fire district trustees
may exercise the same powers as are granted to a board of township
trustees in sections 505.37 to 505.45 of the Revised Code,
including, but not limited to, the power to levy a tax upon all
taxable property in the fire district as provided in section
505.39 of the Revised Code. The board of fire district trustees
may be compensated at a rate not to exceed thirty dollars per
meeting, not to exceed fifteen meetings per year, and may be
reimbursed for all necessary expenses incurred. The board shall
employ a clerk of the board of fire district trustees.

(C)(1) The board of fire district trustees may establish reasonable charges for the use of ambulance or emergency medical services. The board may establish different charges for residents and nonresidents of the district, and may waive, at its discretion, all or part of the charge for any resident of the district. The charge for nonresidents shall be an amount not less than the authorized medicare reimbursement rate, except that if, prior to February 4, 1998, the board had different charges for residents and nonresidents and the charge for nonresidents was less than the authorized medicare reimbursement rate, the board may charge nonresidents less than the authorized medicare reimbursement rate.

(2) In the resolution creating the joint fire district, the political subdivisions that create the district may provide that any of those political subdivisions may agree to pay any charges for the use of ambulance or emergency medical services that the board of fire district trustees establishes under division (C)(1) of this section and that are incurred by the residents of the particular political subdivision. Unless the board elects pursuant to that division to waive all or part of the charges for the use of ambulance or emergency medical services that any resident of the district incurs, the residents of a particular political subdivision that has not so agreed to pay the charges for the use of ambulance or emergency medical services incurred by its residents shall pay those charges.

(3) Charges collected under division (C) of this section shall be kept in a separate fund designated as the ambulance and emergency medical services fund and shall be appropriated and administered by the board. The fund shall be used for the payment of the costs of the management, maintenance, and operation of ambulance and emergency medical services in the district.
(4) As used in division (C) of this section, "authorized medicare reimbursement rate" has the same meaning as in section 505.84 of the Revised Code.

(D) Any municipal corporation or township, or parts of them, may join an existing joint fire district by the adoption of a resolution requesting such membership and upon approval of the board of fire district trustees. Any municipal corporation or township may withdraw from a joint fire district created under this section, by the adoption of a resolution ordering withdrawal. On or after the first day of January of the year following the adoption of the resolution of withdrawal, the municipal corporation or township withdrawing ceases to be a part of such district, and the power of the district to levy a tax upon taxable property in the withdrawing township or municipal corporation terminates, except that the district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the district as it was comprised at the time the indebtedness was incurred.

Upon the withdrawal of any township or municipal corporation from a joint fire district created under this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, including funds in the ambulance and emergency medical services fund, moneys and taxes in the process of collection, except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in money or in kind, on the basis of the valuation of the respective tax duplicates of the withdrawing municipal corporation or township and the remaining territory of the joint fire district.

When the number of townships and municipal corporations comprising a joint fire district is reduced to one, the joint fire district ceases to exist by operation of law, and the funds, credits, and property remaining after apportionments to
withdrawing municipal corporations or townships shall be assumed by the one remaining township or municipal corporation. When a joint fire district ceases to exist and an indebtedness remains unpaid, the board of county commissioners shall continue to levy and collect taxes for the payment of that indebtedness within the territory of the joint fire district as it was comprised at the time the indebtedness was incurred.

(E) Neither this section nor any other section of the Revised Code requires, or shall be construed to require, that the fire chief of a joint fire district be a resident of the fire district.

Sec. 513.172. (A) A joint township district hospital board may do either of the following:

(1) Form, or acquire control of, a domestic nonprofit corporation or a domestic nonprofit limited liability company.

(2) Be a partner, member, owner, associate, or participant in a nonprofit enterprise or nonprofit venture.

(B) A joint township district hospital board forming, acquiring, or becoming involved with a nonprofit corporation, limited liability company, enterprise, or venture under division (A) of this section shall do so in furtherance of any of the following:

(1) To support the joint township hospital district's mission;

(2) To provide for any or all health care or medical services, whether inpatient or outpatient services, diagnostic, treatment, care, or rehabilitation services, wellness services, services involving the prevention, detection, and control of disease, home health services or services provided at or through various facilities, education, training, and other necessary and related services for the health professions;
(3) The management or operation of any hospital facility as defined in division (E) of section 140.01 of the Revised Code;

(4) The management, operation, or participation in programs, projects, activities, and services useful to, connected with, supporting, or otherwise related to the health, wellness, and medical services and wellness programs provided in divisions (B)(2) and (3) of this section;

(5) Any other activities that are in furtherance of the joint township hospital district or the persons served by the joint township hospital district or are necessary to perform the joint township hospital district's mission and functions and respond to change in the health care industry as determined by the joint township district hospital board.

Sec. 701.10. The legislative authority of a municipal corporation that is located in a charter county and that has established a rate or charge for the provision of collection or disposal services for garbage, ashes, animal and vegetable refuse, dead animals, or animal offal may certify to the county fiscal officer auditor, by ordinance, the amount of the rate or charge that has not been paid in accordance with applicable requirements by a person using the collection or disposal services, when the unpaid amount is at least two hundred fifty dollars. The amount certified shall be a lien on the person's property to which services are provided, placed on the tax list in a separate column, collected as other taxes, and paid into the general fund of the municipal corporation.

Sec. 715.014. (A) As used in this section:

(1) "Tourism development district" means a district designated by a municipal corporation under this section.

(2) "Territory of a tourism development district" means all
of the area included within the territorial boundaries of a tourism development district.

(3) "Business" and "owner" have the same meanings as in section 503.56 of the Revised Code.

(4) "Eligible municipal corporation" means a municipal corporation wholly or partly located in a county having a population greater than three hundred seventy-five thousand but less than four hundred thousand that levies taxes under section 5739.021 or 5739.026 of the Revised Code, the aggregate rate of which does not exceed one-half of one per cent on September 29, 2015.

(5) "Fiscal officer" means the city auditor, village clerk, or other municipal officer having the duties and functions of a city auditor or village clerk.

(B)(1) The legislative authority of an eligible municipal corporation, by resolution or ordinance, may declare an area of the municipal corporation to be a tourism development district for the purpose of fostering and developing tourism in the district if all of the following criteria are met:

(a) The district's area does not exceed six hundred acres.

(b) All territory in the district is contiguous.

(c) Before adopting the resolution or ordinance, the legislative authority holds at least two public hearings concerning the creation of the tourism development district.

(d) Before adopting the resolution or ordinance, the legislative authority receives a petition signed by every record owner of a parcel of real property located in the proposed district and the owner of every business that operates in the proposed district.

(e) The legislative authority adopts the resolution or
ordinance on or before December 31, 2020.

A legislative authority may declare more than one area of the municipal corporation to be a tourism development district under this section.

(2) The petition described in division (B)(1)(d) of this section shall include an explanation of the taxes and charges that may be levied or imposed in the proposed district.

(3) The legislative authority shall certify the resolution or ordinance to the tax commissioner within five days after its adoption, along with a description of the boundaries of the district authorized in the resolution. That description shall include sufficient information for the commissioner to determine if the address of a vendor is within the boundaries of the district.

(4) Subject to the limitations of divisions (B)(1)(a) and (b) of this section, the legislative authority of an eligible municipal corporation may enlarge the territory of an existing tourism development district in the manner prescribed for the creation of a district under divisions (B)(1) to (3) of this section, except that the petition described in division (B)(1)(d) of this section must be signed by every record owner of a parcel of real property located in the area proposed to be added to the district and the owner of every business that operates in the area proposed to be added to the district.

(C) For the purpose of fostering and developing tourism in a tourism development district, a lessor leasing real property in a tourism development district may impose and collect a uniform fee on each parcel of real property leased by the lessor, to be paid by each of the person's lessees. A lessee is subject to such a fee only if the lease separately states the amount of the fee. Before a lessor may impose and collect such a fee, the lessor shall file
a copy of such lease with the fiscal officer. A lessor that
imposes such a fee shall remit all collections of the fee to the
municipal corporation in which the real property is located.

The legislative authority of that municipal corporation shall
establish all regulations necessary to provide for the
administration and remittance of such fees. The regulations may
prescribe the time for payment of the fee, and may provide for the
imposition of a penalty or interest, or both, for late
remittances, provided that the penalty does not exceed ten per
cent of the amount of fee due, and the rate at which interest
accrues does not exceed the rate per annum prescribed pursuant to
section 5703.47 of the Revised Code. The regulations shall
provide, after deducting the real and actual costs of
administering the fee, that the revenue be used exclusively for
fostering and developing tourism within the tourism development
district.

(D) The legislative authority of an eligible municipal
corporation that has designated a tourism development district may
levy the tax authorized under section 5739.101 of the Revised Code
or enter into and enforce agreements imposing a development charge
under section 715.015 of the Revised Code. Nothing in this section
limits the power of the legislative authority of a municipal
corporation to levy a tax on the basis of admissions in a tourism
development district pursuant to its powers of local
self-government conferred by Section 3 of Article XVIII, Ohio
Constitution.

(E) On or before the first day of each January and July,
beginning after the designation of a tourism development district,
the fiscal officer shall certify a list of vendors located within
the tourism development district to the tax commissioner, which
shall include the name, address, and vendor's license number for
each vendor.
Sec. 715.015. (A) The legislative authority of an eligible municipal corporation that has designated a tourism development district under section 715.014 of the Revised Code may enter into and enforce agreements with one or more owners of property located within the district by which the owner or owners agree to pay a development charge for the purpose of fostering and developing tourism within the district. The amount of the development charge shall equal one-half, one, one and one-half, or two per cent of the gross receipts derived from making sales at or from the property, whether wholesale or retail, but including sales of food only to the extent such sales are subject to the tax levied under section 5739.02 of the Revised Code.

(B) The imposition of a development charge under this section is subject to approval of the board of county commissioners of the county in which the property is located. If the property owner agrees to the development charge and the board of county commissioners, by resolution, approves the agreement, the development charge shall be treated in the same manner as taxes for all purposes of the lien described in section 323.11 of the Revised Code, including, but not limited to, the priority and enforcement of the lien and the collection of the development charge secured by the lien.

(C) Nothing in this section limits the power of the legislative authority of a municipal corporation to levy taxes pursuant to its powers of local self-government conferred by Section 3 of Article XVIII, Ohio Constitution.

Sec. 715.82. A municipal corporation may issue bonds and exercise all other powers under Chapter 165. of the Revised Code for one or more projects or parts thereof located in a joint economic development district created pursuant to a contract entered into under section 715.70, 715.71, or 715.72 of the
Revised Code to which the municipal corporation is a party, or in
a township adjacent to that municipal corporation, if the
legislative authority of the municipal corporation determines that
the project is in furtherance of the public purposes of the state
to create or preserve jobs and employment opportunities and to
improve the economic welfare of the people of the municipal
corporation and the township. As used in this section, "project"
has the same meaning as in division (H) of section 165.01 of the
Revised Code, except that a project described in this section is
not required to be located within the territorial boundaries of
the municipal corporation.

Sec. 718.01. Any term used in this chapter that is not
otherwise defined in this chapter has the same meaning as when
used in a comparable context in laws of the United States relating
to federal income taxation or in Title LVII of the Revised Code,
unless a different meaning is clearly required. Except as provided
in section 718.81 of the Revised Code, if a term used in this
chapter that is not otherwise defined in this chapter is used in a
comparable context in both the laws of the United States relating
to federal income tax and in Title LVII of the Revised Code and
the use is not consistent, then the use of the term in the laws of
the United States relating to federal income tax shall control
over the use of the term in Title LVII of the Revised Code.

Except as otherwise provided in section 718.81 of the Revised
Code, as used in this chapter:

(A)(1) "Municipal taxable income" means the following:

(a) For a person other than an individual, income apportioned
or sitused to the municipal corporation under section 718.02 of
the Revised Code, as applicable, reduced by any pre-2017 net
operating loss carryforward available to the person for the
municipal corporation.

(b)(i) For an individual who is a resident of a municipal corporation other than a qualified municipal corporation, income reduced by exempt income to the extent otherwise included in income, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals who are not residents of the qualified municipal corporation and net profit of persons that are not wholly located within the qualified municipal corporation, such individual or person shall have no municipal taxable income for the purposes of the tax levied by the qualified municipal corporation and may be exempted by the qualified municipal corporation from the requirements of section 718.03 of the Revised Code.

(c) For an individual who is a nonresident of a municipal corporation, income reduced by exempt income to the extent otherwise included in income and then, as applicable, apportioned or sitused to the municipal corporation under section 718.02 of the Revised Code, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(2) In computing the municipal taxable income of a taxpayer who is an individual, the taxpayer may subtract, as provided in division (A)(1)(b)(i) or (c) of this section, the amount of the
individual's employee business expenses reported on the
individual's form 2106 that the individual deducted for federal
income tax purposes for the taxable year, subject to the
limitation imposed by section 67 of the Internal Revenue Code. For
the municipal corporation in which the taxpayer is a resident, the
taxpayer may deduct all such expenses allowed for federal income
tax purposes. For a municipal corporation in which the taxpayer is
not a resident, the taxpayer may deduct such expenses only to the
extent the expenses are related to the taxpayer's performance of
personal services in that nonresident municipal corporation.

(B) "Income" means the following:

(1)(a) For residents, all income, salaries, qualifying wages,
commissions, and other compensation from whatever source earned or
received by the resident, including the resident's distributive
share of the net profit of pass-through entities owned directly or
indirectly by the resident and any net profit of the resident,
except as provided in division (D)(5) of this section.

(b) For the purposes of division (B)(1)(a) of this section:

(i) Any net operating loss of the resident incurred in the
taxable year and the resident's distributive share of any net
operating loss generated in the same taxable year and attributable
to the resident's ownership interest in a pass-through entity
shall be allowed as a deduction, for that taxable year and the
following five taxable years, against any other net profit of the
resident or the resident's distributive share of any net profit
attributable to the resident's ownership interest in a
pass-through entity until fully utilized, subject to division
(B)(1)(d) of this section;

(ii) The resident's distributive share of the net profit of
each pass-through entity owned directly or indirectly by the
resident shall be calculated without regard to any net operating
loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(2)(a) The tax commissioner may require a taxpayer to
include, with each annual tax return, amended return, or request
for refund filed with the commissioner under sections 718.80 to
718.95 of the Revised Code, copies of any relevant documents or
other information.

(b) A taxpayer that files an annual tax return electronically
through the Ohio business gateway or in another manner as
prescribed by the tax commissioner shall either submit the
documents required under this division electronically as
prescribed at the time of filing or, if electronic submission is
not available, mail the documents to the tax commissioner. The
department of taxation shall publish a method of electronically
submitting the documents required under this division on or before
January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner
may request, and the taxpayer shall provide, any information, 
statements, or documents required to determine and verify the 
taxpayer's municipal income tax.

(D)(1)(a) Any taxpayer that has duly requested an automatic 
extension for filing the taxpayer's federal income tax return 
shall automatically receive an extension for the filing of a tax 
return with the commissioner under this section. The extended due 
date of the return shall be the fifteenth day of the tenth month 
after the last day of the taxable year to which the return 
relates.

(b) A taxpayer that has not requested or received a six-month 
extension for filing the taxpayer's federal income tax return may 
request that the commissioner grant the taxpayer a six-month 
extension of the date for filing the taxpayer's municipal income 
tax return. If the commissioner receives the request on or before 
the date the municipal income tax return is due, the commissioner 
shall grant the taxpayer's extension request.

(c) An extension of time to file under division (D)(1) of 
this section is not an extension of the time to pay any tax due 
unless the tax commissioner grants an extension of that date.

(2) If the commissioner considers it necessary in order to 
ensure payment of a tax imposed in accordance with section 718.04 
of the Revised Code, the commissioner may require taxpayers to 
file returns and make payments otherwise than as provided in this 
section, including taxpayers not otherwise required to file annual 
returns.

(E) Each return required to be filed in accordance with this 
section shall include a box that the taxpayer may check to 
authorize another person, including a tax return preparer who 
prepared the return, to communicate with the tax commissioner 
about matters pertaining to the return. The return or instructions
accompanying the return shall indicate that by checking the box the taxpayer authorizes the commissioner to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the commissioner with information that is missing from the return, to contact the commissioner for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the commissioner and has shown to the preparer or other person.

(F) When income tax returns or other documents require the signature of a tax return preparer, the tax commissioner shall accept a facsimile or electronic version of such a signature in lieu of a manual signature.

Sec. 718.90. (A) If any taxpayer required to file a return under section 718.80 to 718.95 of the Revised Code fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the taxpayer for any deficiency for the period for which the return or tax is due, based upon any information in the commissioner's possession.

The tax commissioner shall not make or issue an assessment against a taxpayer more than three years after the later of the date the return subject to assessment was required to be filed or the date the return was filed. Such time limit may be extended if both the taxpayer and the commissioner consent in writing to the extension. Any such extension shall extend the three-year time limit in section 718.91 of the Revised Code for the same period of time. There shall be no bar or limit to an assessment against a
taxpayer that fails to file a return subject to assessment as required by sections 718.80 to 718.95 of the Revised Code, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the
tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected under this section shall be credited to the municipal income net profit tax fund and distributed to the municipal corporation to which the money is owed based on the assessment issued under this section.

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the
taxpayer assessed files a petition for reassessment in accordance
with division (B) of this section and provides security in a form
satisfactory to the commissioner and in an amount sufficient to
satisfy the unpaid balance of the assessment. Full or partial
payment of the assessment does not prejudice the commissioner's
consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment
is pending, the taxpayer may pay all or a portion of the
assessment that is the subject of the petition. The acceptance of
a payment by the treasurer of state does not prejudice any claim
for refund upon final determination of the petition.

If upon final determination of the petition an error in the
assessment is corrected by the tax commissioner, upon petition so
filed or pursuant to a decision of the board of tax appeals or any
court to which the determination or decision has been appealed, so
that the amount due from the taxpayer under the corrected
assessment is less than the portion paid, there shall be issued to
the taxpayer, its assigns, or legal representative a refund in the
amount of the overpayment as provided by section 718.91 of the
Revised Code, with interest on that amount as provided by that
section.

Sec. 718.93. (A) The tax commissioner, a tax administrator, or any authorized agent or employee thereof of either, may examine
the books, papers, records, and federal and state income tax
returns of any taxpayer or other person that is subject to
sections 718.80 to 718.95 of the Revised Code for the purpose of
verifying the accuracy of any return made or, if no return was
filed, to ascertain the tax due as required under those sections.
Upon written request by the commissioner, a tax administrator, or a duly authorized agent or employee thereof of either, every
taxpayer or other person subject to this section is required to
furnish the opportunity for the commissioner, tax administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer or other person that is subject to sections 718.80 to 718.95 of the Revised Code shall be open to the tax commissioner's inspection by the tax commissioner or a tax administrator during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation.

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This

The tax commissioner shall send notice of such a hearing or examination, by certified mail, to the tax administrator of each municipal corporation affected by the hearing or examination. Any information or documentation obtained as a result of the hearing
or examination shall be made available to the tax administrator for inspection or, upon request, provided to the tax administrator in writing.

This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply.

Sec. 753.21. (A) As used in this section, "building or structure" includes, but is not limited to, a modular unit, building, or structure and a movable unit, building, or structure.

(B)(1) The legislative authority of a municipal corporation, by ordinance, may dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by the municipal corporation that has not been dedicated to or is not then in use for any municipal or other public purpose, or any building or structure rented or leased by the municipal corporation. The legislative authority of a municipal corporation, by ordinance, also may dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for the municipal corporation. Subject to divisions (B)(3) and (C) of this section, upon the effective date of such an ordinance, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of a municipal ordinance and is under the jurisdiction of the municipal corporation or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections Sub. H. B. No. 166 Page 457 As Reported by the Senate Finance Committee
2929.11 to 2929.19 of the Revised Code, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. In determining the person's classification under this division, the administrator or designee shall consider all relevant factors, including, but not limited to, the person's escape risk and propensity for assaultive or violent behavior, based upon the person's prior and current behavior.

(b) The person is an inmate transferred by order of a judge of the sentencing court upon the request of the sheriff, administrator, jailer, or other person responsible for operating the jail other than a contractor as defined in section 9.06 of the Revised Code, who is named in the request as being suitable for confinement in a minimum security facility.

(2) The legislative authority of a municipal corporation, by ordinance, may affiliate with the county in which it is located, with one or more counties adjacent to the county in which it is located, or with one or more municipal corporations located within the county in which it is located or within an adjacent county, and dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by any of the affiliating counties or municipal corporations that has not been dedicated to or is not then in use for any public purpose, or any building or structure rented or leased by any of the affiliating counties or municipal corporations. The legislative authority of a municipal corporation, by ordinance, also may affiliate with one or more counties adjacent to the county in which it is located or with one or more municipal corporations located within the county in which it is located or within an adjacent county and dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for any of the affiliating counties or municipal corporations.
corporations. Any counties and municipal corporations that affiliate for purposes of this division shall enter into an agreement that establishes the responsibilities for the operation and for the cost of operation of the minimum security jail. Subject to divisions (B)(3) and (C) of this section, upon the effective date of an ordinance adopted under this division, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of an ordinance of a municipal corporation and is under the jurisdiction of any of the affiliating counties or municipal corporations or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. In determining the person's classification under this division, the administrator or designee shall consider all relevant factors, including, but not limited to, the person's escape risk and propensity for assaultive or violent behavior, based upon the person's prior and current behavior.

(b) The person is an inmate transferred by order of a judge of the sentencing court upon the request of the sheriff, administrator, jailer, or other person responsible for operating the jail other than a contractor as defined in section 9.06 of the Revised Code, who is named in the request as being suitable for confinement in a minimum security facility.

(3) No person shall be confined in a building or structure dedicated as a minimum security jail under division (B)(1) or (2) of this section unless the judge who sentenced the person to the term of imprisonment for the traffic violation or the misdemeanor...
specifies that the term of imprisonment is to be served in that jail, and division (B)(1) or (2) of this section permits the confinement of the person in that jail or unless the judge who sentenced the person to the residential sanction for the felony specifies that the residential sanction is to be served in a jail, and division (B)(1) or (2) of this section permits the confinement of the person in that jail. If a rented or leased building or structure is so dedicated, the building or structure may be used as a minimum security jail only during the period that it is rented or leased by the municipal corporation or by an affiliated county or municipal corporation. If a person convicted of a misdemeanor is confined to a building or structure dedicated as a minimum security jail under division (B)(1) or (2) of this section and the sheriff, administrator, jailer, or other person responsible for operating the jail other than a contractor as defined in division (H) of section 9.06 of the Revised Code determines that it would be more appropriate for the person so confined to be confined in another jail or workhouse facility, the sheriff, administrator, jailer, or other person may transfer the person so confined to a more appropriate jail or workhouse facility.

(C) All of the following apply in relation to a building or structure that is dedicated pursuant to division (B)(1) or (2) of this section for use as a minimum security jail:

(1) To the extent that the use of the building or structure as a minimum security jail requires a variance from any municipal corporation, county, or township zoning ordinances or regulations, the variance shall be granted.

(2) Except as provided in this section, the building or structure shall not be used to confine any person unless it is in substantial compliance with any applicable housing, fire prevention, sanitation, health, and safety codes, regulations, or
standards.

(3) Unless such satisfaction or compliance is required under the standards described in division (C)(4) of this section, and notwithstanding any other provision of state or local law to the contrary, the building or structure need not satisfy or comply with any state or local building standard or code in order to be used to confine a person for the purposes specified in division (B) of this section.

(4) The building or structure shall not be used to confine any person unless it is in compliance with all minimum standards and minimum renovation, modification, and construction criteria for minimum security jails that have been proposed by the department of rehabilitation and correction, through its bureau of adult detention, under section 5120.10 of the Revised Code.

(5) The building or structure need not be renovated or modified into a secure detention facility in order to be used solely to confine a person for the purposes specified in divisions (B)(1)(a) and (B)(2)(a) of this section.

(6) The building or structure shall be used, equipped, furnished, and staffed to provide adequate and suitable living, sleeping, food service or preparation, drinking, bathing and toilet, sanitation, and other necessary facilities, furnishings, and equipment.

(D) Except as provided in this section, a minimum security jail dedicated and used under this section shall be considered to be part of the jail, workhouse, or other correctional facilities of the municipal corporation or the affiliated counties and municipal corporations for all purposes under the law. All persons confined in such a minimum security jail shall be and shall remain, in all respects, under the control of the authority of the municipal corporation that has responsibility for the management.

any affiliation of counties or municipal corporations, under the 14350
control of the specified county or municipal corporation with that 14351

and is serving a residential sanction in the facility, all 14353
provisions of law that pertain to persons convicted of a felony 14354
that would not by their nature clearly be inapplicable apply 14355
regarding the person. A minimum security jail dedicated and used 14356
under this section shall be managed and maintained in accordance 14357
with policies and procedures adopted by the legislative authority 14358
of the municipal corporation or the affiliated counties and 14359
municipal corporations governing the safe and healthful operation 14360
of the jail, the confinement and supervision of the persons 14361
sentenced to it, and their participation in work release or 14362
similar rehabilitation programs. In addition to other rules of 14363
contact and discipline, the rights of ingress and egress of 14364
persons confined in a minimum security jail dedicated and used 14365
under this section shall be subject to reasonable restrictions. 14366
Every person confined in a minimum security jail dedicated and 14367
used under this section shall be given verbal and written 14368
notification, at the time of the person's admission to the jail, 14369
that purposely leaving, or purposely failing to return to, the 14370
jail without proper authority or permission constitutes the felony 14371
offense of escape.

(E) If a person who has been convicted of or pleaded guilty 14372
to an offense is sentenced to a term of imprisonment or a 14373
residential sanction in a minimum security jail as described in 14374
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 14375

The person in charge of the operation of the jail may cause a convicted offender in the jail who refuses to be tested or treated for tuberculosis, HIV infection, hepatitis, including but not limited to hepatitis A, B, and C, or another contagious disease to be tested and treated involuntarily.

(5) The storage and application of manure;

(6) The storage and application of pesticides and other chemicals commonly used in agriculture;

(7) A change in corporate structure or ownership;

(8) An expansion, contraction, or change in operations;

(9) Any agricultural practice that is acceptable by local custom.

(B) In a civil action for nuisances involving agricultural activities, it is a complete defense if:

(A)(1) The agricultural activities were conducted within an agricultural district or on land devoted exclusively to agricultural use in accordance with section 5713.30 of the Revised Code, or were conducted by a person pursuant to a lease agreement, written or otherwise;

(B) Agricultural activities were established within the agricultural district prior to the plaintiff's activities or interest on which the action is based;

(C) the plaintiff was not involved in agricultural production; and

(D)(3) The agricultural activities were not in conflict with federal, state, and local laws and rules relating to the alleged nuisance or were conducted in accordance with generally accepted agriculture practices.

The plaintiff may offer proof of a violation independently of proof of a violation or conviction by any public official.
Sec. 939.02. The director of agriculture shall do all of the following:

(A) Provide administrative leadership to soil and water conservation districts in planning, budgeting, staffing, and administering district programs and the training of district supervisors and personnel in their duties, responsibilities, and authorities as prescribed in this chapter and Chapter 940. of the Revised Code;

(B) Administer this chapter and Chapter 940. of the Revised Code pertaining to state responsibilities and provide staff assistance to the Ohio soil and water conservation commission in exercising its statutory responsibilities;

(C) Assist in expediting state responsibilities for watershed development and other natural resource soil and water conservation works of improvement, including assisting in watershed planning and management under section 940.36 of the Revised Code;

(D) Coordinate or support the development and implementation of cooperative programs and working agreements between soil and water conservation districts and the department of agriculture, department of natural resources, environmental protection agency, or other agencies of local, state, and federal government. The cooperative programs and working agreements shall be for the support of farm, rural, suburban, and urban conservation programs.

(E) Subject to the approval of the Ohio soil and water conservation commission, adopt rules in accordance with Chapter 119. of the Revised Code that do or comply with all of the following:

(1) Establish technically feasible and economically reasonable standards to achieve a level of management and conservation practices in farming operations that will abate wind
or water erosion of the soil or abate the degradation of the
waters of the state by residual farm products, manure, or soil
sediment, including attached substances, and establish criteria
for determination of the acceptability of such management and
conservation practices;

(2) Establish procedures for administration of rules for
agricultural pollution abatement and for enforcement of those
rules;

(3) Specify the pollution abatement practices eligible for
state cost sharing and determine the conditions for eligibility,
the construction standards and specifications, the useful life,
the maintenance requirements, and the limits of cost sharing for
those practices. Eligible practices shall be limited to practices
that address agricultural operations and that require expenditures
that are likely to exceed the economic returns to the owner or
operator and that abate soil erosion or degradation of the waters
of the state by residual farm products, manure, or soil sediment,
including attached pollutants.

(4) Establish procedures for administering grants to owners
or operators of agricultural land or animal feeding operations for
the implementation of operation and management plans;

(5) Do both of the following with regard to composting
conducted in conjunction with agricultural operations:

(a) Establish methods, techniques, or practices for
composting dead animals, or particular types of dead animals, that
are to be used at such operations, as the director considers to be
necessary or appropriate;

(b) Establish requirements and procedures governing the
review and approval or disapproval of composting plans by the
supervisors of soil and water conservation districts under
division (R)(S) of section 940.06 of the Revised Code.
(6) Establish best management practices for inclusion in operation and management plans;

(7) Establish the amount of civil penalties assessed by the director under division (A) of section 939.07 of the Revised Code for violation of rules adopted under division (E) of this section;

(8) Not conflict with air or water quality standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. Compliance with rules adopted under this section does not affect liability for noncompliance with air or water quality standards adopted pursuant to section 3704.03 or 6111.041 of the Revised Code. The application of a level of management and conservation practices recommended under this section to control windblown soil from farming operations creates a presumption of compliance with section 3704.03 of the Revised Code as that section applies to windblown soil.

(F) Cost share with landowners on practices established pursuant to division (E)(3) of this section as moneys are appropriated and available for that purpose. Any practice for which cost share is provided shall be maintained for its useful life. Failure to maintain a cost share practice for its useful life shall subject the landowner to full repayment to the department.

(G) Employ field assistants and other employees that are necessary for the performance of the work prescribed by Chapter 940. of the Revised Code, for performance of work of the department under this chapter, and as agreed to under working agreements or contractual arrangements with soil and water conservation districts, prescribe their duties, and fix their compensation in accordance with schedules that are provided by law for the compensation of state employees. All such employees of the department, unless specifically exempted by law, shall be employed subject to the classified civil service laws in force at the time.
of employment.

(H) In connection with new or relocated projects involving highways, underground cables, pipelines, railroads, and other improvements affecting soil and water resources, including surface and subsurface drainage:

(1) Provide engineering services that are mutually agreeable to the Ohio soil and water conservation commission and the director to aid in the design and installation of soil and water conservation practices as a necessary component of such projects;

(2) Maintain close liaison between the owners of lands on which the projects are executed, soil and water conservation districts, and authorities responsible for such projects;

(3) Review plans for such projects to ensure their compliance with standards developed under division (E) of this section in cooperation with the department of transportation or with any other interested agency that is engaged in soil or water conservation projects in the state in order to minimize adverse impacts on soil and water resources adjacent to or otherwise affected by these projects;

(4) Recommend measures to retard erosion and protect soil and water resources through the installation of water impoundment or other soil and water conservation practices;

(5) Cooperate with other agencies and subdivisions of the state to protect the agricultural status of rural lands adjacent to such projects and control adverse impacts on soil and water resources.

(I) Collect, analyze, inventory, and interpret all available information pertaining to the origin, distribution, extent, use, and conservation of the soil resources of the state;
(J) Prepare and maintain up-to-date reports, maps, and other materials pertaining to the soil resources of the state and their use and make that information available to governmental agencies, public officials, conservation entities, and the public;

(K) Provide soil and water conservation districts with technical assistance including on-site soil investigations and soil interpretation reports on the suitability or limitations of soil to support a particular use or to plan soil conservation measures. The assistance shall be on terms that are mutually agreeable to the districts and the department of agriculture.

(L) Assist local government officials in utilizing land use planning and zoning, current agricultural use value assessment, development reviews, and land management activities;

(M) When necessary for the purposes of this chapter or Chapter 940. of the Revised Code, develop or approve operation and management plans. The director may designate an employee of the department to develop or approve operation and management plans in lieu of the director.

This section does not restrict the manure of domestic or farm animals defecated on land outside an animal feeding operation or runoff from that land into the waters of the state.

Sec. 939.04. (A) A person who owns or operates an agricultural operation, or owns the animals raised by the owner or operator of an agricultural operation, and who wishes to conduct composting of dead animals resulting from the agricultural operation shall do both of the following:

(1) Participate in an educational course concerning composting conducted by OSU extension and obtain a certificate of completion for the course;

(2) Use the appropriate method, technique, or practice of
composting established in rules adopted under division (E)(5) of section 939.02 of the Revised Code.

(B) A person who fails to comply with division (A) of this section shall prepare and operate under a composting plan required by the director of agriculture under division (A)(2) of section 939.02 of the Revised Code. If the person's proposed composting plan is disapproved by the supervisors of the appropriate soil and water conservation district under division (R)(S)(3) of section 940.06 of the Revised Code, the person may appeal the plan disapproval to the director, who shall afford the person a hearing. Following the hearing, the director shall uphold the plan disapproval or reverse it. If the director reverses the disapproval, the plan shall be deemed approved.

(H) "Uniform assessment" means an assessment that is both of the following:

(1) Based upon a complete appraisal of each parcel of land, together with all improvements thereon, within a project area and of the benefits or damages brought about as a result of the project that is determined by criteria applied equally to all parcels within the project area;

Uplands that have been removed from their natural state by deforestation, cultivation, artificial drainage, urban development, or other human methods shall be considered to be benefited by an improvement that is required to dispose of the accelerated flow of water from the uplands.

(L) "Improvement" or "conservation works of improvement" means an improvement that is made under the authority established in division (C) of section 940.06 of the Revised Code.

(M) "Land" has the same meaning as in section 6131.01 of the Revised Code.

Sec. 940.02. There is hereby established in the department of agriculture the Ohio soil and water conservation commission. The commission shall consist of seven members of equal status and authority, six of whom shall be appointed by the governor with the advice and consent of the senate, and one of whom shall be designated by resolution of the board of directors of the Ohio federation of soil and water conservation districts. The directors of agriculture, environmental protection, and natural resources, the vice-president for agricultural administration of the Ohio state university, and an officer of the Ohio federation of soil and water conservation districts, or their designees, may serve as ex officio members of the commission, but without the power to vote. A vacancy in the office of an appointed member shall be filled by the governor, with the advice and consent of the senate. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. Of the appointed members, four shall be persons who have a knowledge of or interest in agricultural production and the natural resources of the state. One member shall represent rural interests and one member shall represent urban interests. Not more than three of the appointed members shall be members of the same political party.

Terms of office of the member designated by the board of directors of the federation and the members appointed by the governor shall be for four years, commencing on the first day of July and ending on the thirtieth day of June.
Each appointed member shall hold office from the date of appointment until the end of the term for which the member was appointed. Any appointed member shall continue in office subsequent to the expiration date of the member's term until the member's successor takes office, or until a period of sixty days has elapsed, whichever occurs first.

The commission shall organize by selecting from its members a chairperson and a vice-chairperson. The commission shall hold at least one regular meeting in each quarter of each calendar year and shall keep a record of its proceedings, which shall be open to the public for inspection. Special meetings may be called by the chairperson and shall be called by the chairperson upon receipt of a written request signed by two or more members of the commission. Written notice of the time and place of each meeting shall be sent to each member of the commission. A majority of the commission shall constitute a quorum.

The commission may adopt rules as necessary to carry out the purposes of this chapter, subject to Chapter 119. of the Revised Code.

The governor may remove any appointed member of the commission at any time for inefficiency, neglect of duty, or malfeasance in office, after giving to the member a copy of the charges against the member and an opportunity to be heard publicly in person or by counsel in the member's defense. Any such act of removal by the governor is final. A statement of the findings of the governor, the reason for the governor's action, and the answer, if any, of the member shall be filed by the governor with the secretary of state and shall be open to public inspection.

All members of the commission shall be reimbursed for the necessary expenses incurred by them in the performance of their duties as members.
Upon recommendation by the commission, the director of agriculture shall designate an executive secretary and provide staff necessary to carry out the powers and duties of the commission.

The commission shall do all of the following:

(A) Determine distribution of funds under section 940.15 of the Revised Code, recommend to the director and other agencies the levels of appropriations to special funds established to assist soil and water conservation districts, and recommend the amount of federal funds to be requested and policies for the use of such funds in support of soil and water conservation district programs;

(B) Assist in keeping the supervisors of soil and water conservation districts informed of their powers and duties, program opportunities, and the activities and experience of all other districts, and facilitate the interchange of advice, experience, and cooperation between the districts;

(C) Seek the cooperation and assistance of the federal government or any of its agencies, and of agencies of this state, in the work of the districts;

(D) Adopt appropriate rules governing the conduct of elections provided for in this chapter, subject to Chapter 119. of the Revised Code, provided that only owners and occupiers of lands situated within the boundaries of the districts or proposed districts to which the elections apply shall be eligible to vote in the elections;

(E) Recommend to the director priorities for planning and construction of small watershed projects, and make recommendations to the director concerning coordination of programs as proposed and implemented in agreements with soil and water conservation districts;

(F) Recommend to the director directors of agriculture,
environmental protection, and natural resources, the governor, and the general assembly programs and legislation with respect to the operations of soil and water conservation districts that will encourage proper soil, water, and other natural resource management for farm, rural, suburban, and urban land and promote the economic and social development of the state;

(G) Recommend to the director of agriculture a procedure for coordination of a program of agricultural pollution abatement. Implementation of such a program shall be based on water quality standards adopted pursuant to section 6111.041 of the Revised Code. The director of environmental protection may coordinate with the division of soil and water conservation in the department of agriculture and soil and water conservation districts for the abatement of agricultural pollution.

Sec. 940.06. The supervisors of a soil and water conservation district have the following powers in addition to their other powers:

(A) To conduct surveys, investigations, and research relating to the character of soil erosion, floodwater and sediment damages, and the preventive and control measures and works of improvement for flood prevention and the conservation, development, utilization, and disposal of water needed within the district, and to publish the results of those surveys, investigations, or research, provided that no district shall initiate any research program except in cooperation or after consultation with the Ohio agricultural research and development center;

(H) To make and enter into all contracts, leases, and agreements and execute all instruments necessary or incidental to
the performance of the duties and the execution of the powers of
the district under this chapter, provided that all of the

(1) Except as provided in section 307.86 of the Revised Code
regarding expenditures by boards of county commissioners, when the
cost under any such contract, lease, or agreement, other than
compensation for personal services or rental of office space,
involves an expenditure of more than the amount established in
that section regarding expenditures by boards of county
commissioners, the supervisors shall make a written contract with
the lowest and best bidder after advertisement, for not less than
two nor more than four consecutive weeks preceding the day of the
opening of bids, in a newspaper of general circulation within the
district or as provided in section 7.16 of the Revised Code and in

(O) To develop operation and management plans as necessary;

(P) To determine whether operation and management plans developed under division (A) of section 939.03 of the Revised Code comply with the standards established under division (E)(1) of section 939.02 of the Revised Code and to approve or disapprove the plans, based on such compliance. If an operation and management plan is disapproved, the board shall provide a written explanation to the person who submitted the plan. The person may
appeal the plan disapproval to the director of agriculture or the
director's designee, who shall afford the person a hearing.
Following the hearing, the director or the director's designee
shall uphold the plan disapproval or reverse it. If the director
or the director's designee reverses the plan disapproval, the plan
shall be deemed approved under this division. In the event that
any person operating or owning agricultural land or an animal
feeding operation in accordance with an approved operation and
management plan who, in good faith, is following that plan, causes
agricultural pollution, the plan shall be revised in a fashion
necessary to mitigate the agricultural pollution, as determined
and approved by the board of supervisors of the soil and water
conservation district.

(P) To develop timber harvest plans;

the board shall provide a written explanation to the person who
submitted the plan. The person may appeal the plan disapproval to
the chief of the division of forestry or the chief's designee, who
shall afford the person a hearing. Following the hearing, the
chief or the chief's designee shall uphold the plan disapproval or
reverse it. If the chief or the chief's designee reverses the plan
disapproval, the plan shall be deemed approved under this
division.

(R) With regard to composting conducted in conjunction
with agricultural operations, to do all of the following:

(1) Upon request or upon their own initiative, inspect
composting at any such operation to determine whether the
composting is being conducted in accordance with section 939.04 of
the Revised Code;

(2) If the board determines that composting is not being so conducted, request the director to take corrective actions under section 939.07 of the Revised Code that require the person who is conducting the composting to prepare a composting plan in accordance with rules adopted under division (E)(5)(a) of section 939.02 of the Revised Code and to operate in accordance with that plan or to operate in accordance with a previously prepared plan, as applicable;

(3) In accordance with rules adopted under division (E)(5)(b) of section 939.02 of the Revised Code, review and approve or disapprove any such composting plan. If a plan is disapproved, the board shall provide a written explanation to the person who submitted the plan.

As used in division (R) of this section, "composting" has the same meaning as in section 939.01 of the Revised Code.

(S) (T) With regard to conservation activities that are conducted in conjunction with agricultural operations, to assist the county auditor, upon request, in determining whether a conservation activity is a conservation practice for purposes of Chapter 929. or sections 5713.30 to 5713.37 and 5715.01 of the Revised Code.

(V) To develop and approve or disapprove voluntary nutrient management plans in accordance with section 905.323 of the Revised Code;
To do all acts necessary or proper to carry out the powers granted in this chapter.

The director of agriculture shall make recommendations to reduce the adverse environmental effects of each project that a soil and water conservation district plans to undertake under division (A), (B), (C), or (D) of this section and that will be funded in whole or in part by moneys authorized under section 940.17 of the Revised Code and shall disapprove any such project that the director finds will adversely affect the environment without equal or greater benefit to the public. The director's disapproval or recommendations, upon the request of the district filed in accordance with rules adopted by the Ohio soil and water conservation commission, shall be reviewed by the commission, which may confirm the director's decision, modify it, or add recommendations to or approve a project the director has disapproved.

Any instrument by which real property is acquired pursuant to this section shall identify the agency of the state that has the use and benefit of the real property as specified in section 5301.012 of the Revised Code.

Sec. 940.36. (A) As used in this section:

(1) "Nine-element plan" means a strategic implementation plan that a political subdivision, organization, or individual engaged in water quality improvements may utilize to obtain funding through the federal "Clean Water Act," 33 U.S.C. 1251 et seq., or the great lakes restoration initiative for projects to address nonpoint source pollution.

(2) "Organization" means a public or private entity that is engaged in water quality improvement activities.

(3) "Political subdivision" means a county, township,

As part of the program, the director, in conjunction with soil and water conservation districts, shall collect and aggregate information on conservation practices utilized in this state that are funded in whole or in part by public money. Such information collected and aggregated is not a public record for purposes of section 149.43 of the Revised Code. However, the director may share such aggregated information with state agencies and institutions of higher education as defined in section 3345.12 of the Revised Code.

(2) Under the program, the director shall appoint at least one watershed planning and management coordinator in each watershed region categorized under division (D) of this section to coordinate watershed planning in the watershed. A coordinator shall have experience or education related to water quality improvement or watershed planning and management.

(C) A watershed planning and management coordinator shall do all of the following in the watershed region in which the coordinator is appointed:

(1) Assist each soil and water conservation district to identify sources and areas of water quality impairment, including total phosphorous, dissolved reactive phosphorous, and nitrogen nutrient loading. A coordinator also may assist any political subdivision or organization in the watershed region to address water quality impairment.

(2) Assist each soil and water conservation district in
collecting data for the purpose of quantifying water quality and
nutrient best management practices in a statistically valid,
randomized manner. The director shall use the data to establish a
baseline of the nutrient best management practices that are being
utilized in this state. The data and any associated records are
not a public record subject to disclosure under section 149.43 of
the Revised Code.

The director shall undertake all actions necessary to ensure
that assistance and available funding are provided for purposes of
division (C)(2) of this section.

(3) Engage in watershed planning, restoration, protection,
and management activities, including assisting a political
subdivision or organization in the watershed region in developing
and formulating a nine-element plan or its equivalent;

(4) Collaborate with state agencies engaged in water quality
activities;

unit code 041000;

(2) Region Two: Central Lake Erie basin watershed, hydrologic
unit code 041100, and Conneaut creek watershed, hydrologic unit
code 041201;

(3) Region Three: Wabash river basin watershed, hydrologic
unit code 051200; Great Miami river watershed, hydrologic unit
code 050800; and Little Miami river watershed, hydrologic unit

Sec. 940.37. It is the intent of the general assembly to collaborate with organizations representing agriculture, conservation, and the environment and institutions of higher education engaged in water quality research to establish a certification program for farmers that utilize practices designed to minimize impacts to water quality. The director of agriculture shall undertake all actions necessary to ensure that assistance and available funding are provided for farmers who participate in the certification program.

Sec. 956.01. As used in this chapter:

Sec. 1509.31. (A)(1) No person shall operate a well in this state unless the person first registers with and obtains an identification number from the chief of the division of oil and gas resources management.

(2) Whenever the entire interest of an oil and gas lease is assigned or otherwise transferred, the assignor or transferor shall notify the holders of the royalty interests, and, if a well or wells exist on the lease, the division of oil and gas resources management, of the name and address of the assignee or transferee by certified mail, return receipt requested, not later than thirty days after the date of the assignment or transfer. When notice of any such assignment or transfer is required to be provided to the division, it shall be provided on a form prescribed and provided by the division and verified by both the assignor or transferor
and by the assignee or transferee and shall be accompanied by a nonrefundable fee of one hundred dollars for each well. The notice form applicable to assignments or transfers of a well to the owner of the surface estate of the tract on which the well is located shall contain a statement informing the landowner that the well may require periodic servicing to maintain its productivity; that, upon assignment or transfer of the well to the landowner, the landowner becomes responsible for compliance with the requirements of this chapter and rules adopted under it, including, without limitation, the proper disposal of brine obtained from the well, the plugging of the well when it becomes incapable of producing oil or gas, and the restoration of the well site; and that, upon assignment or transfer of the well to the landowner, the landowner becomes responsible for the costs of compliance with the requirements of this chapter and rules adopted under it and the costs for operating and servicing the well.

(3) Notwithstanding division (A)(2) of this section, the assignee or transferee shall notify the division of oil and gas resources management of the assignment or transfer if both of the following apply:

(a) The assignor or transferor failed to notify the division of the assignment or transfer as required by division (A)(2) of this section;

(b) The assignor or transferor is deceased, dissolved, cannot be located, or is otherwise incapable of complying with the notification requirement.

The assignee or transferee shall notify the division of the assignment or transfer on a form prescribed and provided by the division. The division shall not charge a fee for such assignment or transfer when notice is provided in accordance with division
(A)(3) of this section.

(B) When the entire interest of a well is proposed to be assigned or otherwise transferred to the landowner for use as an exempt domestic well, the owner who has been issued a permit under this chapter for the well shall submit to the chief of the division of oil and gas resources management an application for the assignment or transfer that contains all documents that the chief requires and a nonrefundable fee of one hundred dollars. The application for such an assignment or transfer shall be prescribed and provided by the chief. The chief may approve the application if the application is accompanied by a release of all of the oil and gas leases that are included in the applicable formation of the drilling unit, the release is in a form such that the well ownership merges with the fee simple interest of the surface tract, and the release is in a form that may be recorded. However, if the owner of the well does not release the oil and gas leases associated with the well that is proposed to be assigned or otherwise transferred or if the fee simple tract that results from the merger of the well ownership with the fee simple interest of the surface tract is less than five acres, the proposed exempt domestic well owner shall post a five thousand dollar bond with the division prior to the assignment or transfer of the well to ensure that the well will be properly plugged. The chief, for good cause, may modify the requirements of this section governing the assignment or transfer of the interests of a well to the landowner. transferee files with the division the information described in
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of
section 1509.06 of the Revised Code; obtains liability insurance
coverage required by section 1509.07 of the Revised Code, except
when none is required by that section; and executes and files a
surety bond, negotiable certificates of deposit or irrevocable
letters of credit, or cash, as described in that section. Instead
of a bond, but only upon acceptance by the chief, the assignee or
transferee may file proof of financial responsibility, described
in section 1509.07 of the Revised Code. Section 1509.071 of the
Revised Code applies to the surety bond, cash, and negotiable
certificates of deposit and irrevocable letters of credit

modification, each assignee or transferee shall operate in
accordance with the plans and information filed by the permit
holder pursuant to section 1509.06 of the Revised Code.

(D) If a mortgaged property that is being foreclosed is
subject to an oil or gas lease, pipeline agreement, or other
instrument related to the production or sale of oil or natural gas
and the lease, agreement, or other instrument was recorded
subsequent to the mortgage, and if the lease, agreement, or other
instrument is not in default, the oil or gas lease, pipeline
agreement, or other instrument, as applicable, has priority over
all other liens, claims, or encumbrances on the property so that
the oil or gas lease, pipeline agreement, or other instrument is
not terminated or extinguished upon the foreclosure sale of the
mortgaged property. If the owner of the mortgaged property was
entitled to oil and gas royalties before the foreclosure sale, the
oil or gas royalties shall be paid to the purchaser of the
foreclosed property.
Sec. 1509.36. Any person adversely affected by an order by the chief of the division of oil and gas resources management may appeal to the oil and gas commission for an order vacating or modifying the order.

The person so appealing to the commission shall be known as appellant and the chief shall be known as appellee. Appellant and appellee shall be deemed to be parties to the appeal.

The appeal shall be in writing and shall set forth the order complained of and the grounds upon which the appeal is based. The appeal shall be filed with the commission within thirty days after the date upon which the appellant person to whom the order was issued received notice by certified mail the order and, for all other persons adversely affected by the order, within thirty days after the date of the order complained of. Notice of the filing of the appeal shall be filed with the chief within three days after the appeal is filed with the commission.

Upon the filing of the appeal the commission promptly shall fix the time and place at which the hearing on the appeal will be held, and shall give the appellant and the chief at least ten days' written notice thereof by mail. The commission may postpone or continue any hearing upon its own motion or upon application of the appellant or of the chief.

The filing of an appeal provided for in this section does not automatically suspend or stay execution of the order appealed from, but upon application by the appellant the commission may suspend or stay the execution pending determination of the appeal upon such terms as the commission considers proper.

Either party to the appeal or any interested person who, pursuant to commission rules has been granted permission to appear, may submit such evidence as the commission considers admissible.
For the purpose of conducting a hearing on an appeal, the commission may require the attendance of witnesses and the production of books, records, and papers, and it may, and at the request of any party it shall, issue subpoenas for witnesses or subpoenas duces tecum to compel the production of any books, records, or papers, directed to the sheriffs of the counties where the witnesses are found. The subpoenas shall be served and returned in the same manner as subpoenas in criminal cases are served and returned. The fees of sheriffs shall be the same as those allowed by the court of common pleas in criminal cases. Witnesses shall be paid the fees and mileage provided for under section 119.094 of the Revised Code. Such fees and mileage expenses incurred at the request of appellant shall be paid in advance by the appellant, and the remainder of those expenses shall be paid out of funds appropriated for the expenses of the division of oil and gas resources management.

In case of disobedience or neglect of any subpoena served on any person, or the refusal of any witness to testify to any matter regarding which the witness may be lawfully interrogated, the court of common pleas of the county in which the disobedience, neglect, or refusal occurs, or any judge thereof, on application of the commission or any member thereof, shall compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of a subpoena issued from that court or a refusal to testify therein. Witnesses at such hearings shall testify under oath, and any member of the commission may administer oaths or affirmations to persons who so testify.

At the request of any party to the appeal, a record of the testimony and other evidence submitted shall be taken by an official court reporter at the expense of the party making the request for the record. The record shall include all of the testimony and other evidence and the rulings on the admissibility
thereof presented at the hearing. The commission shall pass upon
the admissibility of evidence, but any party may at the time
object to the admission of any evidence and except to the rulings
of the commission thereon, and if the commission refuses to admit
evidence the party offering same may make a proffer thereof, and
such proffer shall be made a part of the record of the hearing.

If upon completion of the hearing the commission finds that
the order appealed from was lawful and reasonable, it shall make a
written order affirming the order appealed from; if the commission
finds that the order was unreasonable or unlawful, it shall make a
written order vacating the order appealed from and making the
order that it finds the chief should have made. Every order made
by the commission shall contain a written finding by the
commission of the facts upon which the order is based.

Notice of the making of the order shall be given forthwith to

The order of the commission is final unless vacated by the

1509.37 of the Revised Code, providing for appeals relating to
orders by the chief or by the commission, or relating to rules
adopted by the chief, do not constitute the exclusive procedure
that any person who believes the person's rights to be unlawfully
affected by those sections or any official action taken thereunder
must pursue in order to protect and preserve those rights, nor do
those sections constitute a procedure that that person must pursue
before that person may lawfully appeal to the courts to protect
and preserve those rights.

Sec. 1509.50. (A) An oil and gas regulatory cost recovery
assessment is hereby imposed by this section on an owner. An owner
shall pay the assessment in the same manner as a severer who is required to file a return under section 5749.06 of the Revised Code. However, an owner may designate a severer who shall pay the owner's assessment on behalf of the owner on the return that the severer is required to file under that section. If a severer so pays an owner's assessment, the severer may recoup from the owner the amount of the assessment. Except for an exempt domestic well, the assessment imposed shall be in addition to the taxes levied on the severance of oil and gas under section 5749.02 of the Revised Code.

(B) (1) Except for an exempt domestic well, the oil and gas regulatory cost recovery assessment shall be calculated on a quarterly basis and shall be one of the following as follows:

(a) If the sum of ten cents per barrel of oil for all of the wells of the owner, one-half of one cent per one thousand cubic feet of natural gas for all of the wells of the owner, and the amount of the severance tax levied on each severer for all of the wells of the owner under divisions (A)(5) and (6) of section 5749.02 of the Revised Code, as applicable, is greater than the sum of fifteen dollars for each well owned by the owner, the amount of the assessment is the sum of ten cents per barrel of oil for all of the wells of the owner and one-half

dollars for each well owned by the owner, the amount of the assessment is the sum of fifteen dollars for each well owned by the owner less the amount of the tax levied on each severer for all of the wells of the owner under divisions (A)(5) and (6) of section 5749.02 of the Revised Code, as applicable.

(2) The oil and gas regulatory cost recovery assessment for a well that becomes an exempt domestic well on and after June 30, 2010, shall be sixty dollars to be paid to the division of oil and gas resources management on the first day of July of each year.

(C) All money collected pursuant to this section shall be credited to the severance tax receipts fund. After the director of budget and management transfers money from the severance tax receipts fund as required in division (H) of section 5749.06 of the Revised Code, money in the severance tax receipts fund from amounts collected pursuant to this section shall be credited to the oil and gas well fund created in section 1509.02 of the Revised Code.

(D) Except for purposes of revenue distribution as specified in division (B) of section 5749.02 of the Revised Code, the oil and gas regulatory cost recovery assessment imposed by this section shall be treated the same and equivalent for all purposes as the taxes levied on the severance of oil and gas under that section. However, the assessment imposed by this section is not a tax under Chapter 5749. of the Revised Code.

Sec. 1533.10. Each day that any person hunts within the state without procuring such a license constitutes a separate offense.

(B)(1) Except as otherwise provided in this section, division
(A) of section 1533.12 of the Revised Code, or in rules adopted under division (B) of that section, each applicant for a hunting license shall pay an annual fee for each annual license in accordance with the following schedule:

- (b) "Senior" means an applicant who is sixty-six years of age or older at the time of application for a permit license.
- (c) "Reciprocal state" means a state that is a party to an agreement under section 1533.91 of the Revised Code.

(C) A resident of this state who owns lands in the state and
the owner's children of any age and grandchildren under eighteen years of age may hunt on the lands without a hunting license. A resident of any other state who owns real property in this state, and the spouse and children living with the property owner, may hunt on that property without a license, provided that the state of residence of the real property owner allows residents of this state owning real property in that state, and the spouse and children living with the property owner, to hunt without a license. If the owner of land in this state is a limited liability company or a limited liability partnership that consists of three or fewer individual members or partners, as applicable, an individual member or partner who is a resident of this state and the member's or partner's children of any age and grandchildren under eighteen years of age may hunt on the land owned by the limited liability company or limited liability partnership without a hunting license. (D) The chief of the division of wildlife may issue a small game hunting license expiring three days from the effective date of the license to a nonresident of the state, the fee for which shall be thirty-nine dollars. No person shall take or possess deer, wild turkeys, fur-bearing animals, ducks, geese, brant, or any nongame animal while possessing only a small game hunting license.

A small game hunting license or an apprentice nonresident hunting license does not authorize the taking or possessing of
ducks, geese, or brant without having obtained, in addition to the small game hunting license or the apprentice nonresident hunting license, a wetlands habitat stamp as provided in section 1533.112 of the Revised Code. A small game hunting license or an apprentice nonresident hunting license does not authorize the taking or possessing of deer, wild turkeys, or fur-bearing animals. A nonresident of the state who wishes to take or possess deer, wild turkeys, or fur-bearing animals in this state shall procure, respectively, a deer or wild turkey permit as provided in section 1533.11 of the Revised Code or a fur taker permit as provided in section 1533.111 of the Revised Code in addition to a nonresident hunting license, an apprentice nonresident hunting license, a special youth hunting license, or an apprentice youth hunting license, as applicable, as provided in this section.

description of terms of imprisonment and fines that may be imposed.

(2) No hunting license, other than an apprentice hunting license, shall be issued unless the applicant presents to the agent authorized to issue the license a previously held hunting license or evidence of having held such a license in content and manner approved by the chief, a certificate of completion issued upon completion of a hunter education and conservation course approved by the chief, or evidence of equivalent training in content and manner approved by the chief. A previously held apprentice hunting license does not satisfy the requirement concerning the presentation of a previously held hunting license or evidence of it.

(3) No person shall issue a hunting license, except an apprentice hunting license, to any person who fails to present the evidence required by this section. No person shall purchase or obtain a hunting license, other than an apprentice hunting license, without presenting to the issuing agent the evidence required by this section. Issuance of a hunting license in violation of the requirements of this section is an offense by both the purchaser of the illegally obtained hunting license and the clerk or agent who issued the hunting license. Any hunting license issued in violation of this section is void.

(H) The chief, with approval of the wildlife council, shall adopt rules prescribing a hunter education and conservation course for first-time hunting license buyers, other than buyers of apprentice hunting licenses, and for volunteer instructors. The course shall consist of subjects including, but not limited to, hunter safety and health, use of hunting implements, hunting tradition and ethics, the hunter and conservation, the law in section 1533.17 of the Revised Code along with the penalty for its violation, including a description of terms of imprisonment and
fines that may be imposed, and other law relating to hunting. Authorized personnel of the division or volunteer instructors approved by the chief shall conduct such courses with such frequency and at such locations throughout the state as to reasonably meet the needs of license applicants. The chief shall issue a certificate of completion to each person who successfully completes the course and passes an examination prescribed by the chief.

Except as provided in this section, no person shall hunt wild turkeys on lands of another without first obtaining an annual wild turkey permit. A deer or wild turkey permit is valid during the hunting license year in which the permit is purchased. Except as provided in rules adopted under division (B) of that section, each applicant for a deer or wild turkey permit shall pay an annual fee for each permit in accordance with the following schedule:

(4) Every person, while hunting deer or wild turkey on lands of another, shall carry the person's deer or wild turkey permit and exhibit it to any enforcement officer so requesting. Failure to so carry and exhibit such a permit constitutes an offense under this section.

(5) The chief of the division of wildlife shall adopt any additional rules the chief considers necessary to carry out this section and section 1533.10 of the Revised Code.

(6) An owner who is a resident of this state or an owner who is exempt from obtaining a hunting license under section 1533.10 of the Revised Code and the children of the owner of lands in this state may hunt deer or wild turkey thereon without a deer or wild turkey permit. If the owner of land in this state is a limited liability company or a limited liability partnership that consists of three or fewer individual members or partners, as applicable,
an individual member or partner who is a resident of this state and the member's or partner's children of any age may hunt deer or wild turkey on the land owned by the limited liability company or limited liability partnership without a deer or wild turkey permit. (D) If the division establishes a system for the electronic submission of information regarding deer or wild turkey that are taken, the division shall allow the owner and the children of the owner of lands in this state to use the owner's name or address for purposes of submitting that information electronically via that system.

Sec. 1533.111. subject to inspection under sections 1711.50 to 1711.57 of the
Revised Code. No person shall inspect an amusement ride who,
within six months prior to the date of inspection, was an employee
of the owner of the ride.

(2) Before the director contracts with other persons to
inspect amusement rides, the director shall seek the advice of the
advisory council on amusement ride safety on whether to contract
with those persons. The advice shall not be binding upon the
director. After having received the advice of the council, the
director may proceed to contract with inspectors in accordance
with the procedures specified in division (E)(2) of section

(3) With the advice and consent of the advisory council on
amusement ride safety, the director may employ a special
consultant to conduct an independent investigation of an amusement

If a reinspection is conducted at the request of the chief officer of a fair, festival, or event where the ride is operating, the reinspection fee shall be charged to the fair, festival, or event.

(4) The rules adopted under division (B) of this section shall define "roller coaster," "aerial lifts," "go karts," and "other rides" for purposes of determining the fees under division (E) of this section. The rules shall define "other rides" to include go kart tracks.

(F) A reinspection of an amusement ride shall take place if an accident occurs, if the owner of the ride or the chief officer
of the fair, festival, or event where the ride is operating requests a reinspection, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code.

(G) As a supplement to its annual inspection of a temporary amusement ride, the department may inspect the ride during each scheduled event, as listed in the schedule of events provided to the department by the owner pursuant to division (C) of section 1711.55 of the Revised Code, at which the ride is operated in this state. These supplemental inspections are in addition to any other inspection or reinspection of the ride as may be required under sections 1711.50 to 1711.57 of the Revised Code, and the owner of the temporary amusement ride is not required to pay an inspection or reinspection fee for this supplemental inspection. Nothing in this division shall be construed to prohibit the owner of a temporary amusement ride having a valid permit to operate in this state from operating the ride at a scheduled event before the department conducts a supplemental inspection.

(H) The department may annually conduct a midseason operational inspection of every amusement ride upon which it conducts an annual inspection pursuant to division (A) of this section. The midseason operational inspection is in addition to any other inspection or reinspection of the amusement ride as may be required pursuant to sections 1711.50 to 1711.57 of the Revised Code. The owner of an amusement ride shall submit to the department, at the time determined by the department, the midseason operational inspection fee specified in division (E) of this section. (C) The supreme court, pursuant to division (A)(2) of this section, is required to pay any compensation to which an assigned judge is entitled under division (A)(5) or (6) of section 141.04 of the Revised Code. Annually, on the first day of August, the administrative director of the supreme court shall issue a billing to the county treasurer of any county to which such a judge was assigned to a municipal court for reimbursement of the county or local portion of the compensation previously paid by the state for the twelve-month period preceding the last day of June. The county or local portion of the compensation shall be that part of each per diem paid by the state which is proportional to the county or local shares of the total compensation of a resident judge of such court. The county treasurer shall forward the payment within thirty days. After forwarding the payment, the county treasurer...
shall seek reimbursement from the applicable local municipalities as appropriate.

Sec. 1901.26. (A) Subject to division (E) of this section, costs in a municipal court shall be fixed and taxed as follows:

(1) (a) The municipal court shall require an advance deposit for the filing of any new civil action or proceeding when required by division (C) of this section, subject to its waiver pursuant to that division, and in all other cases, by rule, shall establish a schedule of fees and costs to be taxed in any civil or criminal action or proceeding.

(b) (i) The legislative authority of a municipal corporation may by ordinance establish a schedule of fees to be taxed as costs in any civil, criminal, or traffic action or proceeding in a municipal court for the performance by officers or other employees of the municipal corporation's police department or marshal's office of any of the services specified in sections 311.17 and 509.15 of the Revised Code. No fee in the schedule shall be higher than the fee specified in section 311.17 of the Revised Code for the performance of the same service by the sheriff. If a fee established in the schedule conflicts with a fee for the same service established in another section of the Revised Code or a rule of court, the fee established in the other section of the Revised Code or the rule of court shall apply.

(ii) When an officer or employee of a municipal police department or marshal's office performs in a civil, criminal, or traffic action or proceeding in a municipal court a service specified in section 311.17 or 509.15 of the Revised Code for which a taxable fee has been established under this or any other section of the Revised Code, the applicable legal fees and any other extraordinary expenses, including overtime, provided for the service shall be taxed as costs in the case. The clerk of the
court shall pay those legal fees and other expenses, when collected, into the general fund of the municipal corporation that employs the officer or employee.

(iii) If a bailiff of a municipal court performs in a civil, criminal, or traffic action or proceeding in that court a service specified in section 311.17 or 509.15 of the Revised Code for which a taxable fee has been established under this section or any other section of the Revised Code, the fee for the service is the same and is taxable to the same extent as if the service had been performed by an officer or employee of the police department or marshal's office of the municipal corporation in which the court is located. The clerk of that court shall pay the fee, when collected, into the general fund of the entity or entities that fund the bailiff's salary, in the same prorated amount as the salary is funded.

(iv) Division (A)(1)(b) of this section does not authorize or require any officer or employee of a police department or marshal's office of a municipal corporation or any bailiff of a municipal court to perform any service not otherwise authorized by law.

(2) The municipal court, by rule, may require an advance deposit for the filing of any civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court shall waive the requirement for advance deposit for a party that the court determines qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code.

(3) When a jury trial is demanded in any civil action or proceeding, the party making the demand may be required to make an advance deposit as fixed by rule of court, unless the court determines that the party qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code. If a jury is called, the fees of a jury shall be taxed as costs.
(4) In any civil or criminal action or proceeding, each witness shall receive twelve dollars for each full day's attendance and six dollars for each half day's attendance. Each witness in a municipal court that is not a county-operated municipal court also shall receive fifty and one-half cents for each mile necessarily traveled to and from the witness's place of residence to the action or proceeding.

(5) A reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in any proceeding may be taxed as part of the costs in a trial of the cause, in an amount that shall be fixed by rule of court.

(6) Chattel property seized under any writ or process issued by the court shall be preserved pending final disposition for the benefit of all persons interested and may be placed in storage when necessary or proper for that preservation. The custodian of any chattel property so stored shall not be required to part with the possession of the property until a reasonable charge, to be fixed by the court, is paid.

(7) The municipal court, as it determines, may refund all deposits and advance payments of fees and costs, including those for jurors and summoning jurors, when they have been paid by the losing party.

(8) Charges for the publication of legal notices required by statute or order of court may be taxed as part of the costs, as provided by section 7.13 of the Revised Code.

(B)(1)(a) The municipal court may determine that, for the efficient operation of the court, additional funds are necessary to acquire and pay for special projects of the court including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of
equipment, the hiring and training of staff, community service programs, mediation or dispute resolution services, the employment of magistrates, the training and education of judges, acting judges, and magistrates, and other related services. Upon that determination, the court by rule may charge a fee, in addition to all other court costs, on the filing of each criminal cause, civil action or proceeding, or judgment by confession.

(b) If the municipal court offers a special program or service in cases of a specific type, the municipal court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The municipal court shall adjust the special assessment periodically, but not retroactively, so that the amount assessed in those cases does not exceed the actual cost of providing the service or program.

(c) Any fee or charge assessed under division (B)(1)(a) or (b) of this section on the filing of a civil action or proceeding shall be waived if the court determines that the person on whom the fee or charge is assessed qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code.

(d) All moneys collected under division (B) of this section shall be paid to the county treasurer if the court is a county-operated municipal court or to the city treasurer if the court is not a county-operated municipal court for deposit into either a general special projects fund or a fund established for a specific special project. Moneys from a fund of that nature shall be disbursed upon an order of the court in an amount no greater than the actual cost to the court of a project. If a specific fund is terminated because of the discontinuance of a program or service established under division (B) of this section, the municipal court may order that moneys remaining in the fund be transferred to an account established under this division for a
similar purpose.

(2) As used in division (B) of this section:

(a) "Criminal cause" means a charge alleging the violation of a statute or ordinance, or subsection of a statute or ordinance, that requires a separate finding of fact or a separate plea before disposition and of which the defendant may be found guilty, whether filed as part of a multiple charge on a single summons, citation, or complaint or as a separate charge on a single summons, citation, or complaint. "Criminal cause" does not include separate violations of the same statute or ordinance, or subsection of the same statute or ordinance, unless each charge is filed on a separate summons, citation, or complaint.

(b) "Civil action or proceeding" means any civil litigation that must be determined by judgment entry.

(C) The municipal court shall collect in all its divisions except the small claims division the sum of twenty-six dollars as additional filing fees in each new civil action or proceeding for the charitable public purpose of providing financial assistance to legal aid societies that operate within the state and to support the office of the state public defender. The municipal court shall collect in its small claims division the sum of eleven dollars as additional filing fees in each new civil action or proceeding for the charitable public purpose of providing financial assistance to legal aid societies that operate within the state and to support the office of the state public defender. This division does not apply to any execution on a judgment, proceeding in aid of execution, or other post-judgment proceeding arising out of a civil action. The filing fees required to be collected under this division shall be in addition to any other court costs imposed in the action or proceeding and shall be collected at the time of the filing of the action or proceeding. The court shall not waive the payment of the additional filing fees in a new civil action or
proceeding unless the court waives the advanced payment of all 
filing fees in the action or proceeding for the party that the 
court determines is qualified as an indigent litigant as set forth 
in section 2323.311 of the Revised Code. All such moneys collected 
during a month except for an amount equal to up to one per cent of 
those moneys retained to cover administrative costs shall be 
transmitted on or before the twentieth day of the following month 
by the clerk of the court to the treasurer of state in a manner 
prescribed by the treasurer of state or by the Ohio legal 
assistance access to justice foundation. The treasurer of state 
shall deposit four per cent of the funds collected under this 
division to the credit of the civil case filing fee fund 
established under section 120.07 of the Revised Code and 
ninety-six per cent of the funds collected under this division to 
the credit of the legal aid fund established under section 120.52 
of the Revised Code.

The court may retain up to one per cent of the moneys it 
collects under this division to cover administrative costs, 
including the hiring of any additional personnel necessary to 
implement this division. If the court fails to transmit to the 
treasurer of state the moneys the court collects under this 
division in a manner prescribed by the treasurer of state or by 
the Ohio legal assistance access to justice foundation, the court 
shall forfeit the moneys the court retains under this division to 
cover administrative costs, including the hiring of any additional 
personnel necessary to implement this division, and shall transmit 
to the treasurer of state all moneys collected under this 
division, including the forfeited amount retained for 
administrative costs, for deposit in the legal aid fund.

(D) In the Cleveland municipal court, reasonable charges for 
investigating titles of real estate to be sold or disposed of 
under any writ or process of the court may be taxed as part of the
costs.

(E) Under the circumstances described in sections 2969.21 to 2969.27 of the Revised Code, the clerk of the municipal court shall charge the fees and perform the other duties specified in those sections.

(F) As used in this section:

(1) "Full day's attendance" means a day on which a witness is required or requested to be present at an action or proceeding before and after twelve noon, regardless of whether the witness actually testifies.

(2) "Half day's attendance" means a day on which a witness is required or requested to be present at an action or proceeding either before or after twelve noon, but not both, regardless of whether the witness actually testifies.

Sec. 1907.143. (A)(1) Subject to reimbursement under division (B) of this section, the treasurer of the county in which a county court is located shall pay the per diem compensation to which an acting judge appointed pursuant to division (A)(2)(b), (B)(1), or (C)(1) of section 1907.141 of the Revised Code is entitled pursuant to division (A) of section 1907.142 of the Revised Code.

(2) Subject to reimbursement under division (B) of this section, the treasurer of the county in which a county court is located shall pay the per diem compensation to which an assigned judge assigned pursuant to division (A)(1), (A)(2)(b), (B)(2), or (C)(2) of section 1907.141 of the Revised Code is entitled pursuant to division (B) of section 1907.142 of the Revised Code.

(B) The treasurer of a county that, pursuant to division (A)(1) of this section, is required to pay any compensation to
which an acting judge or assigned judge is entitled under division (A)(5) or (6) of section 141.04 of the Revised Code, shall submit to the administrative director of the supreme court quarterly requests for reimbursements of the per diem amounts so paid. The requests shall include verifications of the payment of those amounts and an affidavit from the acting judge or assigned judge stating the days and hours worked. The administrative director shall cause reimbursements of those amounts to be issued to the county if the administrative director verifies that those amounts were, in fact, so paid.

(C) The supreme court, pursuant to division (A)(2) of this section, is required to pay any compensation to which an assigned judge is entitled under division (A)(5) or (6) of section 141.04 of the Revised Code. Annually, on the first day of August, the administrative director of the supreme court shall issue a billing to the county treasurer of any county to which such a judge was assigned to a county court for reimbursement of the county portion of the compensation previously paid by the state for the twelve-month period preceding the last day of June. The county portion of the compensation shall be that part of each per diem paid by the state which is proportional to the county shares of the total compensation of a resident judge of such court. The county treasurer shall forward the payment within thirty days. After forwarding the payment, the county treasurer shall seek reimbursement from the applicable local municipalities as appropriate.

Sec. 1907.24. (A) Subject to division (C) of this section, a county court shall fix and tax fees and costs as follows:

(1) The county court shall require an advance deposit for the filing of any new civil action or proceeding when required by division (C) of this section, subject to its waiver pursuant to
that division, and, in all other cases, shall establish a schedule of fees and costs to be taxed in any civil or criminal action or proceeding.

(2) The county court by rule may require an advance deposit for the filing of a civil action or proceeding and publication fees as provided in section 2701.09 of the Revised Code. The court shall waive an advance deposit requirement for a party that the court determines qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code.

(3) When a party demands a jury trial in a civil action or proceeding, the county court may require the party to make an advance deposit as fixed by rule of court, unless the court determines that the party qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code. If a jury is called, the county court shall tax the fees of a jury as costs.

(4) In a civil or criminal action or proceeding, the county court shall fix the fees of witnesses in accordance with sections 2335.06 and 2335.08 of the Revised Code.

(5) A county court may tax as part of the costs in a trial of the cause, in an amount fixed by rule of court, a reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in a proceeding.

(6) The court shall preserve chattel property seized under a writ or process issued by the court pending final disposition for the benefit of all interested persons. The court may place the chattel property in storage when necessary or proper for its preservation. The custodian of chattel property so stored shall not be required to part with the possession of the property until a reasonable charge, to be fixed by the court, is paid.

(7) The county court, as it determines, may refund all
deposits and advance payments of fees and costs, including those for jurors and summoning jurors, when they have been paid by the losing party.

(8) The court may tax as part of costs charges for the publication of legal notices required by statute or order of court, as provided by section 7.13 of the Revised Code.

(B)(1)(a) The county court may determine that, for the efficient operation of the court, additional funds are necessary to acquire and pay for special projects of the court including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, community service programs, mediation or dispute resolution services, the employment of magistrates, the training and education of judges, acting judges, and magistrates, and other related services. Upon that determination, the court by rule may charge a fee, in addition to all other court costs, on the filing of each criminal cause, civil action or proceeding, or judgment by confession.

(b) If the county court offers a special program or service in cases of a specific type, the county court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The county court shall adjust the special assessment periodically, but not retroactively, so that the amount assessed in those cases does not exceed the actual cost of providing the service or program.

(c) Any fee or charge assessed under division (B)(1)(a) or (b) of this section on the filing of a civil action or proceeding shall be waived if the court determines that the person on whom the fee or charge is assessed qualifies as an indigent litigant as set forth in section 2323.311 of the Revised Code.

(d) All moneys collected under division (B) of this section...
shall be paid to the county treasurer for deposit into either a
general special projects fund or a fund established for a specific
special project. Moneys from a fund of that nature shall be
disbursed upon an order of the court in an amount no greater than
the actual cost to the court of a project. If a specific fund is
terminated because of the discontinuance of a program or service
established under division (B) of this section, the county court
may order that moneys remaining in the fund be transferred to an
account established under this division for a similar purpose.

(2) As used in division (B) of this section:

(a) "Criminal cause" means a charge alleging the violation of
a statute or ordinance, or subsection of a statute or ordinance,
that requires a separate finding of fact or a separate plea before
disposition and of which the defendant may be found guilty,
whether filed as part of a multiple charge on a single summons,
citation, or complaint or as a separate charge on a single
summons, citation, or complaint. "Criminal cause" does not include
separate violations of the same statute or ordinance, or
subsection of the same statute or ordinance, unless each charge is
filed on a separate summons, citation, or complaint.

(b) "Civil action or proceeding" means any civil litigation
that must be determined by judgment entry.

(C) Subject to division (E) of this section, the county court
shall collect in all its divisions except the small claims
division the sum of twenty-six dollars as additional filing fees
in each new civil action or proceeding for the charitable public
purpose of providing financial assistance to legal aid societies
that operate within the state and to support the office of the
state public defender. Subject to division (E) of this section,
the county court shall collect in its small claims division the
sum of eleven dollars as additional filing fees in each new civil
action or proceeding for the charitable public purpose of
providing financial assistance to legal aid societies that operate within the state and to support the office of the state public defender. This division does not apply to any execution on a judgment, proceeding in aid of execution, or other post-judgment proceeding arising out of a civil action. The filing fees required to be collected under this division shall be in addition to any other court costs imposed in the action or proceeding and shall be collected at the time of the filing of the action or proceeding. The court shall not waive the payment of the additional filing fees in a new civil action or proceeding unless the court waives the advanced payment of all filing fees in the action or proceeding for the party that the court determines is qualified as an indigent litigant as set forth in section 2323.311 of the Revised Code. All such moneys collected during a month except for an amount equal to up to one per cent of those moneys retained to cover administrative costs shall be transmitted on or before the twentieth day of the following month by the clerk of the court to the treasurer of state in a manner prescribed by the treasurer of state or by the Ohio legal assistance access to justice foundation. The treasurer of state shall deposit four per cent of the funds collected under this division to the credit of the civil case filing fee fund established under section 120.07 of the Revised Code and ninety-six per cent of the funds collected under this division to the credit of the legal aid fund established under section 120.52 of the Revised Code.

The court may retain up to one per cent of the moneys it collects under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division. If the court fails to transmit to the treasurer of state the moneys the court collects under this division in a manner prescribed by the treasurer of state or by the Ohio legal assistance access to justice foundation, the court shall forfeit the moneys the court retains under this division to...
cover administrative costs, including the hiring of any additional personnel necessary to implement this division, and shall transmit to the treasurer of state all moneys collected under this division, including the forfeited amount retained for administrative costs, for deposit in the legal aid fund.

(D) The county court shall establish by rule a schedule of fees for miscellaneous services performed by the county court or any of its judges in accordance with law. If judges of the court of common pleas perform similar services, the fees prescribed in the schedule shall not exceed the fees for those services prescribed by the court of common pleas.

(E) Under the circumstances described in sections 2969.21 to 2969.27 of the Revised Code, the clerk of the county court shall charge the fees and perform the other duties specified in those sections.

Sec. 2151.23. (A) The juvenile court has exclusive original jurisdiction under the Revised Code as follows:

(16) To hear and determine a petition for a protection order against a child under section 2151.34 or 3113.31 of the Revised Code and to enforce a protection order issued or a consent agreement approved under either section against a child until a date certain but not later than the date the child attains nineteen years of age.
Concerning emancipated young adults under sections 2151.45 to 2151.455 of the Revised Code.

(B) Except as provided in divisions (G) and (I) of section 2301.03 of the Revised Code, the juvenile court has original jurisdiction under the Revised Code:

(1) To hear and determine all cases of misdemeanors charging adults with any act or omission with respect to any child, which act or omission is a violation of any state law or any municipal ordinance;

(8) To enforce an order for the return of a child made under the Hague Convention on the Civil Aspects of International Child Abduction pursuant to section 3127.32 of the Revised Code;

(9) To grant any relief normally available under the laws of this state to enforce a child custody determination made by a court of another state and registered in accordance with section
3127.35 of the Revised Code.

(C) The juvenile court, except as to juvenile courts that are a separate division of the court of common pleas or a separate and independent juvenile court, has jurisdiction to hear, determine, and make a record of any action for divorce or legal separation that involves the custody or care of children and that is filed in the court of common pleas and certified by the court of common pleas with all the papers filed in the action to the juvenile court for trial, provided that no certification of that nature shall be made to any juvenile court unless the consent of the juvenile judge first is obtained. After a certification of that nature is made and consent is obtained, the juvenile court shall proceed as if the action originally had been begun in that court, except as to awards for spousal support or support due and unpaid at the time of certification, over which the juvenile court has no jurisdiction.

(D) The juvenile court, except as provided in divisions (G) and division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine all matters as to custody and support of children duly certified by the court of common pleas to the juvenile court after a divorce decree has been granted, including jurisdiction to modify the judgment and decree of the court of common pleas as the same relate to the custody and support of children.

(E) The juvenile court, except as provided in divisions (G) and division (I) of section 2301.03 of the Revised Code, has jurisdiction to hear and determine the case of any child certified to the court by any court of competent jurisdiction if the child comes within the jurisdiction of the juvenile court as defined by this section.

(F)(1) The juvenile court shall exercise its jurisdiction in child custody matters in accordance with sections 3109.04 and
(2) The juvenile court shall exercise its jurisdiction in child support matters in accordance with section 3109.05 of the Revised Code.

(G) Any juvenile court that makes or modifies an order for child support shall comply with Chapters 3119., 3121., 3123., and 3125. of the Revised Code. If any person required to pay child support under an order made by a juvenile court on or after April 15, 1985, or modified on or after December 1, 1986, is found in contempt of court for failure to make support payments under the order, the court that makes the finding, in addition to any other penalty or remedy imposed, shall assess all court costs arising out of the contempt proceeding against the person and require the person to pay any reasonable attorney's fees of any adverse party, as determined by the court, that arose in relation to the act of contempt.

(H) If a child who is charged with an act that would be an offense if committed by an adult was fourteen years of age or older and under eighteen years of age at the time of the alleged act and if the case is transferred for criminal prosecution pursuant to section 2152.12 of the Revised Code, except as provided in section 2152.121 of the Revised Code, the juvenile court does not have jurisdiction to hear or determine the case subsequent to the transfer. The court to which the case is transferred for criminal prosecution pursuant to that section has jurisdiction subsequent to the transfer to hear and determine the case in the same manner as if the case originally had been commenced in that court, subject to section 2152.121 of the Revised Code, including, but not limited to, jurisdiction to accept a plea of guilty or another plea authorized by Criminal
Rule 11 or another section of the Revised Code and jurisdiction to accept a verdict and to enter a judgment of conviction pursuant to the Rules of Criminal Procedure against the child for the commission of the offense that was the basis of the transfer of the case for criminal prosecution, whether the conviction is for the same degree or a lesser degree of the offense charged, for the commission of a lesser-included offense, or for the commission of another offense that is different from the offense charged.

(I) If a person under eighteen years of age allegedly commits an act that would be a felony if committed by an adult and if the person is not taken into custody or apprehended for that act until after the person attains twenty-one years of age, the juvenile court does not have jurisdiction to hear or determine any portion of the case charging the person with committing that act. In those circumstances, divisions (A) and (B) of section 2152.12 of the Revised Code do not apply regarding the act, and the case charging the person with committing the act shall be a criminal prosecution commenced and heard in the appropriate court having jurisdiction of the offense as if the person had been eighteen years of age or older when the person committed the act. All proceedings pertaining to the act shall be within the jurisdiction of the court having jurisdiction of the offense, and that court has all the authority and duties in the case that it has in other criminal cases in that court.

(J) In exercising its exclusive original jurisdiction under division (A)(16) of this section with respect to any proceedings brought under section 2151.34 or 3113.31 of the Revised Code in which the respondent is a child, the juvenile court retains all dispositionary powers consistent with existing rules of juvenile procedure and may also exercise its discretion to adjudicate proceedings as provided in sections 2151.34 and 3113.31 of the Revised Code, including the issuance of protection orders or the
approval of consent agreements under those sections.

Sec. 2151.233. The results of the examinations, tests, or procedures on the siblings and other children may be included in a report made pursuant to division (A) of this section.

(5) Medical examinations, tests, or procedures conducted under divisions (D)(1) and (4) of this section and decisions
regarding the release or discharge of a child under division (D)(3) of this section do not constitute a law enforcement investigation or activity.

(2) In any civil or criminal action or proceeding in which it is alleged and proved that participation in the making of a report under this section was not in good faith or participation in a judicial proceeding resulting from a report made under this section was not in good faith, the court shall award the prevailing party reasonable attorney's fees and costs and, if a civil action or proceeding is voluntarily dismissed, may award reasonable attorney's fees and costs to the party against whom the civil action or proceeding is brought.

time of death or to the director. On the request of the review

    (2) If the court of common pleas of a county makes the
determination described in division (B)(1) of this section, the
board of county commissioners of that county may issue one or more
general obligation bonds for the purpose of procuring and
maintaining the technology and computer systems for the office of
the clerk of the court of common pleas. In addition to the
purposes stated in division (B)(1) of this section for which the
moneys collected under that division may be expended, the moneys
additionally may be expended to pay debt charges on and financing
costs related to any general obligation bonds issued pursuant to
division (B)(2) of this section as they become due. General
obligation bonds issued pursuant to division (B)(2) of this
section are Chapter 133. securities.

(C) The court of common pleas shall collect the sum of
twenty-six dollars as additional filing fees in each new civil
action or proceeding for the charitable public purpose of
providing financial assistance to legal aid societies that operate
within the state and to support the office of the state public
defender. This division does not apply to a juvenile division of a
court of common pleas, except that an additional filing fee of
fifteen dollars shall apply to custody, visitation, and parentage
actions; to a probate division of a court of common pleas, except
that the additional filing fees shall apply to name change,
guardianship, adoption, and decedents' estate proceedings; or to
an execution on a judgment, proceeding in aid of execution, or
other post-judgment proceeding arising out of a civil action. The
filing fees required to be collected under this division shall be
in addition to any other filing fees imposed in the action or
proceeding and shall be collected at the time of the filing of the
action or proceeding. The court shall not waive the payment of the
additional filing fees in a new civil action or proceeding unless
the court waives the advanced payment of all filing fees in the
action or proceeding. All such moneys collected during a month
except for an amount equal to up to one per cent of those moneys
retained to cover administrative costs shall be transmitted on or
before the twentieth day of the following month by the clerk of
the court to the treasurer of state in a manner prescribed by the
treasurer of state or by the Ohio legal assistance access to
justice foundation. The treasurer of state shall deposit four per
cent of the funds collected under this division to the credit of
the civil case filing fee fund established under section 120.07 of
the Revised Code and ninety-six per cent of the funds collected under this division to the credit of the legal aid fund established under section 120.52 of the Revised Code.

The court may retain up to one per cent of the moneys it collects under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division. If the court fails to transmit to the treasurer of state the moneys the court collects under this division in a manner prescribed by the treasurer of state or by the Ohio legal assistance access to justice foundation, the court shall forfeit the moneys the court retains under this division to cover administrative costs, including the hiring of any additional personnel necessary to implement this division, and shall transmit to the treasurer of state all moneys collected under this division, including the forfeited amount retained for administrative costs, for deposit in the legal aid fund.

(D) On and after the thirtieth day after December 9, 1994, the court of common pleas shall collect the sum of thirty-two dollars as additional filing fees in each new action or proceeding for annulment, divorce, or dissolution of marriage for the purpose of funding shelters for victims of domestic violence pursuant to sections 3113.35 to 3113.39 of the Revised Code. The filing fees required to be collected under this division shall be in addition to any other filing fees imposed in the action or proceeding and shall be collected at the time of the filing of the action or proceeding. The court shall not waive the payment of the additional filing fees in a new action or proceeding for annulment, divorce, or dissolution of marriage unless the court waives the advanced payment of all filing fees in the action or proceeding. On or before the twentieth day of each month, all moneys collected during the immediately preceding month pursuant to this division shall be deposited by the clerk of the court into
the county treasury in the special fund used for deposit of additional marriage license fees as described in section 3113.34 of the Revised Code. Upon their deposit into the fund, the moneys shall be retained in the fund and expended only as described in section 3113.34 of the Revised Code.

(E)(1) The court of common pleas may determine that, for the efficient operation of the court, additional funds are necessary to acquire and pay for special projects of the court, including, but not limited to, the acquisition of additional facilities or the rehabilitation of existing facilities, the acquisition of equipment, the hiring and training of staff, community service programs, mediation or dispute resolution services, the employment of magistrates, the training and education of judges, acting judges, and magistrates, and other related services. Upon that determination, the court by rule may charge a fee, in addition to all other court costs, on the filing of each criminal cause, civil action or proceeding, or judgment by confession.

If the court of common pleas offers or requires a special program or additional services in cases of a specific type, the court by rule may assess an additional charge in a case of that type, over and above court costs, to cover the special program or service. The court shall adjust the special assessment periodically, but not retroactively, so that the amount assessed in those cases does not exceed the actual cost of providing the service or program.

All moneys collected under division (E) of this section shall be paid to the county treasurer for deposit into either a general special projects fund or a fund established for a specific special project. Moneys from a fund of that nature shall be disbursed upon an order of the court, subject to an appropriation by the board of county commissioners, in an amount no greater than the actual cost to the court of a project. If a specific fund is terminated
because of the discontinuance of a program or service established under division (E) of this section, the court may order, subject to an appropriation by the board of county commissioners, that moneys remaining in the fund be transferred to an account established under this division for a similar purpose.

(F)(1) Whoever violates division (B)(1), (2), (4), (5), or (6) or (C) of this section is guilty of illegal distribution of cigarettes, other tobacco products, or alternative nicotine products. Except as otherwise provided in this division, illegal distribution of cigarettes, other tobacco products, or alternative nicotine products is a misdemeanor of the fourth degree. If the offender previously has been convicted of a violation of division (B)(1), (2), (4), (5), or (6) or (C) of this section, illegal distribution of cigarettes, other tobacco products, or alternative nicotine products is a misdemeanor of the third degree.

(2) Whoever violates division (B)(3) of this section is guilty of permitting children a person under twenty-one years of age to use cigarettes, other tobacco products, or alternative nicotine products. Except as otherwise provided in this division, permitting children a person under twenty-one years of age to use
cigarettes, other tobacco products, or alternative nicotine products is a misdemeanor of the fourth degree. If the offender previously has been convicted of a violation of division (B)(3) of this section, permitting a person under twenty-one years of age to use cigarettes, other tobacco products, or alternative nicotine products is a misdemeanor of the third degree.

(G) Any cigarettes, other tobacco products, alternative nicotine products, or papers used to roll cigarettes that are given, sold, or otherwise distributed to a person under twenty-one years of age in violation of this section and that are used, possessed, purchased, or received by a person under twenty-one years of age in violation of section 2151.87 of the Revised Code are subject to seizure and forfeiture as contraband under Chapter 2981. of the Revised Code.

(H) This section shall not apply to a person who is eighteen years of age on or before October 1, 2019. The version of this section that was in effect prior to the effective date of this amendment shall apply to a person who is eighteen years of age on or before October 1, 2019.

Sec. 2927.022. (A) A seller or an agent or employee of a seller may not be found guilty of a charge of a violation of section 2927.02 of the Revised Code in which the age of the purchaser or other recipient of cigarettes, other tobacco products, or alternative nicotine products is an element of the alleged violation, if the seller, agent, or employee raises and proves as an affirmative defense that all of the following occurred:

(1) A card holder attempting to purchase or receive cigarettes, other tobacco products, or alternative nicotine products presented a driver's or commercial driver's license or an identification card.
(2) A transaction scan of the driver's or commercial driver's license or identification card that the card holder presented indicated that the license or card was valid.

(3) The cigarettes, other tobacco products, or alternative nicotine products were sold, given away, or otherwise distributed to the card holder in reasonable reliance upon the identification presented and the completed transaction scan.

(B) In determining whether a seller or an agent or employee of a seller has proven the affirmative defense provided by division (A) of this section, the trier of fact in the action for the alleged violation of section 2927.02 of the Revised Code shall consider any written policy that the seller has adopted and implemented and that is intended to prevent violations of section 2927.02 of the Revised Code. For purposes of division (A)(3) of this section, the trier of fact shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a seller or an agent or employee of a seller to exercise reasonable diligence to determine, and that the use of a transaction scan device does not excuse a seller or an agent or employee of a seller from exercising reasonable diligence to determine, the following:

(1) Whether a person to whom the seller or agent or employee of a seller sells, gives away, or otherwise distributes cigarettes, other tobacco products, or alternative nicotine products is eighteen twenty-one years of age or older;

(2) Whether the description and picture appearing on the driver's or commercial driver's license or identification card presented by a card holder is that of the card holder.

(C) In any criminal action in which the affirmative defense provided by division (A) of this section is raised, the registrar of motor vehicles or a deputy registrar who issued an
identification card under sections 4507.50 to 4507.52 of the Revised Code shall be permitted to submit certified copies of the records of that issuance in lieu of the testimony of the personnel of or contractors with the bureau of motor vehicles in the action.

**Sec. 2927.024.** (A) No person who is eighteen years of age or older but younger than twenty-one years of age shall knowingly furnish false information concerning that person's name, age, or other identification for the purpose of obtaining tobacco products.

(B) Whoever violates division (A) of this section is guilty of furnishing false information to obtain tobacco products. Except as otherwise provided in this division, furnishing false information to obtain tobacco products is a misdemeanor of the fourth degree. If the offender previously has been convicted of or pleaded guilty to a violation of division (A) of this section, furnishing false information to obtain tobacco products is a misdemeanor of the third degree.

**Sec. 2929.13.** (A) Except as provided in division (E), (F), or (G) of this section and unless a specific sanction is required to be imposed or is precluded from being imposed pursuant to law, a court that imposes a sentence upon an offender for a felony may impose any sanction or combination of sanctions on the offender that are provided in sections 2929.14 to 2929.18 of the Revised Code.

If the offender is eligible to be sentenced to community control sanctions, the court shall consider the appropriateness of imposing a financial sanction pursuant to section 2929.18 of the Revised Code or a sanction of community service pursuant to section 2929.17 of the Revised Code as the sole sanction for the offense. Except as otherwise provided in this division, if the...
court is required to impose a mandatory prison term for the offense for which sentence is being imposed, the court also shall impose any financial sanction pursuant to section 2929.18 of the Revised Code that is required for the offense and may impose any other financial sanction pursuant to that section but may not impose any additional sanction or combination of sanctions under section 2929.16 or 2929.17 of the Revised Code.

If the offender is being sentenced for a fourth degree felony OVI offense or for a third degree felony OVI offense, in addition to the mandatory term of local incarceration or the mandatory prison term required for the offense by division (G)(1) or (2) of this section, the court shall impose upon the offender a mandatory fine in accordance with division (B)(3) of section 2929.18 of the Revised Code and may impose whichever of the following is applicable:

(1) For a fourth degree felony OVI offense for which sentence is imposed under division (G)(1) of this section, an additional community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code. If the court imposes upon the offender a community control sanction and the offender violates any condition of the community control sanction, the court may take any action prescribed in division (B) of section 2929.15 of the Revised Code relative to the offender, including imposing a prison term on the offender pursuant to that division.

(2) For a third or fourth degree felony OVI offense for which sentence is imposed under division (G)(2) of this section, an additional prison term as described in division (B)(4) of section 2929.14 of the Revised Code or a community control sanction as described in division (G)(2) of this section.

(B)(1)(a) Except as provided in division (B)(1)(b) of this section, if an offender is convicted of or pleads guilty to a
felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense, the court shall sentence the offender to a community control sanction or combination of community control sanctions if all of the following apply:

(i) The offender previously has not been convicted of or pleaded guilty to a felony offense.

(ii) The most serious charge against the offender at the time of sentencing is a felony of the fourth or fifth degree.

(iii) If the court made a request of the department of rehabilitation and correction pursuant to division (B)(1)(c) of this section, the department, within the forty-five-day period specified in that division, provided the court with the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court.

(iv) The offender previously has not been convicted of or pleaded guilty to a misdemeanor offense of violence that the offender committed within two years prior to the offense for which sentence is being imposed.

(b) The court has discretion to impose a prison term upon an offender who is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense if any of the following apply:

(i) The offender committed the offense while having a firearm on or about the offender's person or under the offender's control.

(ii) If the offense is a qualifying assault offense, the offender caused serious physical harm to another person while committing the offense, and, if the offense is not a qualifying assault offense, the offender caused physical harm to another person while committing the offense.
(iii) The offender violated a term of the conditions of bond as set by the court.

(iv) The court made a request of the department of rehabilitation and correction pursuant to division (B)(1)(c) of this section, and the department, within the forty-five-day period specified in that division, did not provide the court with the name of, contact information for, and program details of any community control sanction that is available for persons sentenced by the court.

(v) The offense is a sex offense that is a fourth or fifth degree felony violation of any provision of Chapter 2907. of the Revised Code.

(vi) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person with a deadly weapon.

(vii) In committing the offense, the offender attempted to cause or made an actual threat of physical harm to a person, and the offender previously was convicted of an offense that caused physical harm to a person.

(viii) The offender held a public office or position of trust, and the offense related to that office or position; the offender’s position obliged the offender to prevent the offense or to bring those committing it to justice; or the offender’s professional reputation or position facilitated the offense or was likely to influence the future conduct of others.

(ix) The offender committed the offense for hire or as part of an organized criminal activity.

(x) The offender at the time of the offense was serving, or the offender previously had served, a prison term.

(xi) The offender committed the offense while under a
community control sanction, while on probation, or while released from custody on a bond or personal recognizance.

(c) If a court that is sentencing an offender who is convicted of or pleads guilty to a felony of the fourth or fifth degree that is not an offense of violence or that is a qualifying assault offense believes that no community control sanctions are available for its use that, if imposed on the offender, will adequately fulfill the overriding principles and purposes of sentencing, the court shall contact the department of rehabilitation and correction and ask the department to provide the court with the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court. Not later than forty-five days after receipt of a request from a court under this division, the department shall provide the court with the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court, if any. Upon making a request under this division that relates to a particular offender, a court shall defer sentencing of that offender until it receives from the department the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court or for forty-five days, whichever is the earlier.

If the department provides the court with the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court within the forty-five-day period specified in this division, the court shall impose upon the offender a community control sanction under division (B)(1)(a) of this section, except that the court may impose a prison term under division (B)(1)(b) of this section if a factor described in
division (B)(1)(b)(i) or (ii) of this section applies. If the department does not provide the court with the names of, contact information for, and program details of one or more community control sanctions that are available for persons sentenced by the court within the forty-five-day period specified in this division, the court may impose upon the offender a prison term under division (B)(1)(b)(iv) of this section.

(d) A sentencing court may impose an additional penalty under division (B) of section 2929.15 of the Revised Code upon an offender sentenced to a community control sanction under division (B)(1)(a) of this section if the offender violates the conditions of the community control sanction, violates a law, or leaves the state without the permission of the court or the offender's probation officer.

(2) If division (B)(1) of this section does not apply, except as provided in division (E), (F), or (G) of this section, in determining whether to impose a prison term as a sanction for a felony of the fourth or fifth degree, the sentencing court shall comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code and with section 2929.12 of the Revised Code.

(C) Except as provided in division (D), (E), (F), or (G) of this section, in determining whether to impose a prison term as a sanction for a felony of the third degree or a felony drug offense that is a violation of a provision of Chapter 2925. of the Revised Code and that is specified as being subject to this division for purposes of sentencing, the sentencing court shall comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code and with section 2929.12 of the Revised Code.

(D)(1) Except as provided in division (E) or (F) of this section, for a felony of the first or second degree, for a felony drug offense that is a violation of any provision of Chapter
2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, and for a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code for which a presumption in favor of a prison term is specified as being applicable, it is presumed that a prison term is necessary in order to comply with the purposes and principles of sentencing under section 2929.11 of the Revised Code. Division (D)(2) of this section does not apply to a presumption established under this division for a violation of division (A)(4) of section 2907.05 of the Revised Code.

(2) Notwithstanding the presumption established under division (D)(1) of this section for the offenses listed in that division other than a violation of division (A)(4) or (B) of section 2907.05 of the Revised Code, the sentencing court may impose a community control sanction or a combination of community control sanctions instead of a prison term on an offender for a felony of the first or second degree or for a felony drug offense that is a violation of any provision of Chapter 2925., 3719., or 4729. of the Revised Code for which a presumption in favor of a prison term is specified as being applicable if it makes both of the following findings:

(a) A community control sanction or a combination of community control sanctions would adequately punish the offender and protect the public from future crime, because the applicable factors under section 2929.12 of the Revised Code indicating a lesser likelihood of recidivism outweigh the applicable factors under that section indicating a greater likelihood of recidivism.

(b) A community control sanction or a combination of community control sanctions would not demean the seriousness of the offense, because one or more factors under section 2929.12 of the Revised Code that indicate that the offender's conduct was less serious than conduct normally constituting the offense are
applicable, and they outweigh the applicable factors under that section that indicate that the offender's conduct was more serious than conduct normally constituting the offense.

(E)(1) Except as provided in division (F) of this section, for any drug offense that is a violation of any provision of Chapter 2925. of the Revised Code and that is a felony of the third, fourth, or fifth degree, the applicability of a presumption under division (D) of this section in favor of a prison term or of division (B) or (C) of this section in determining whether to impose a prison term for the offense shall be determined as specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the Revised Code, whichever is applicable regarding the violation.

(2) If an offender who was convicted of or pleaded guilty to a felony violates the conditions of a community control sanction imposed for the offense solely by reason of producing positive results on a drug test or by acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code with respect to a minor drug possession offense, the court, as punishment for the violation of the sanction, shall not order that the offender be imprisoned unless the court determines on the record either of the following:

(a) The offender had been ordered as a sanction for the felony to participate in a drug treatment program, in a drug education program, or in narcotics anonymous or a similar program, and the offender continued to use illegal drugs after a reasonable period of participation in the program.

(b) The imprisonment of the offender for the violation is consistent with the purposes and principles of sentencing set forth in section 2929.11 of the Revised Code.

(3) A court that sentences an offender for a drug abuse

offense that is a felony of the third, fourth, or fifth degree may require that the offender be assessed by a properly credentialed professional within a specified period of time. The court shall require the professional to file a written assessment of the offender with the court. If the offender is eligible for a community control sanction and after considering the written assessment, the court may impose a community control sanction that includes addiction services and recovery supports included in a community-based continuum of care established under section 340.032 of the Revised Code. If the court imposes addiction services and recovery supports as a community control sanction, the court shall direct the level and type of addiction services and recovery supports after considering the assessment and recommendation of community addiction services providers.

(F) Notwithstanding divisions (A) to (E) of this section, the court shall impose a prison term or terms under sections 2929.02 to 2929.06, section 2929.14, section 2929.142, or section 2971.03 of the Revised Code and except as specifically provided in section 2929.20, divisions (C) to (I) of section 2967.19, or section 2967.191 of the Revised Code or when parole is authorized for the offense under section 2967.13 of the Revised Code shall not reduce the term or terms pursuant to section 2929.20, section 2967.19, section 2967.193, or any other provision of Chapter 2967. or Chapter 5120. of the Revised Code for any of the following offenses:

(1) Aggravated murder when death is not imposed or murder;

(2) Any rape, regardless of whether force was involved and regardless of the age of the victim, or an attempt to commit rape if, had the offender completed the rape that was attempted, the offender would have been guilty of a violation of division (A)(1)(b) of section 2907.02 of the Revised Code and would be sentenced under section 2971.03 of the Revised Code;
(3) Gross sexual imposition or sexual battery, if the victim is less than thirteen years of age and if any of the following applies:

(c) Regarding sexual battery, either of the following applies:

(i) The offense was committed prior to August 3, 2006, the offender previously was convicted of or pleaded guilty to rape, the former offense of felonious sexual penetration, or sexual battery, and the victim of the previous offense was less than thirteen years of age.

(4) A felony violation of section 2903.04, 2903.06, 2903.08, 2903.11, 2903.12, 2903.13, 2905.32, 2907.07, 2921.321, or 2923.132 of the Revised Code if the section requires the imposition of a prison term;

(5) A first, second, or third degree felony drug offense for which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 4729.99 of the Revised Code, whichever is applicable regarding the violation, requires the imposition of a mandatory prison term;

(6) Any offense that is a first or second degree felony and
that is not set forth in division (F)(1), (2), (3), or (4) of this section, if the offender previously was convicted of or pleaded guilty to aggravated murder, murder, any first or second degree felony, or an offense under an existing or former law of this state, another state, or the United States that is or was substantially equivalent to one of those offenses;

(7) Any offense that is a third degree felony and either is a violation of section 2903.04 of the Revised Code or an attempt to commit a felony of the second degree that is an offense of violence and involved an attempt to cause serious physical harm to a person or that resulted in serious physical harm to a person if the offender previously was convicted of or pleaded guilty to any of the following offenses:

(a) Aggravated murder, murder, involuntary manslaughter, rape, felonious sexual penetration as it existed under section 2907.12 of the Revised Code prior to September 3, 1996, a felony of the first or second degree that resulted in the death of a person or in physical harm to a person, or complicity in or an attempt to commit any of those offenses;

(1) If the offender is being sentenced for a fourth degree felony OVI offense and if the offender has not been convicted of and has not pleaded guilty to a specification of the type described in section 2941.1413 of the Revised Code, the court may impose upon the offender a mandatory term of local incarceration of sixty days or one hundred twenty days as specified in division (G)(1)(d) of section 4511.19 of the Revised Code. The court shall not reduce the term pursuant to section 2929.20, 2967.193, or any other provision of the Revised Code. The court that imposes a mandatory term of local incarceration under this division shall specify whether the term is to be served in a jail, a community-based correctional facility, a halfway house, or an alternative residential facility, and the offender shall serve the term in the type of facility specified by the court. A mandatory term of local incarceration imposed under division (G)(1) of this section is not subject to any other Revised Code provision that pertains to a prison term except as provided in division (A)(1) of this section.

(2) If the offender is being sentenced for a third degree felony OVI offense, or if the offender is being sentenced for a fourth degree felony OVI offense and the court does not impose a mandatory term of local incarceration under division (G)(1) of this section, the court shall impose upon the offender a mandatory prison term of one, two, three, four, or five years if the offender also is convicted of or also pleads guilty to a

The offender shall serve the one-, two-, three-, four-, or five-year mandatory prison term consecutively to and prior to the prison term imposed for the underlying offense and consecutively to any other mandatory prison term imposed in relation to the offense. In no case shall an offender who once has been sentenced to a mandatory term of local incarceration pursuant to division (G)(1) of this section for a fourth degree felony OVI offense be sentenced to another mandatory term of local incarceration under that division for any violation of division (A) of section 4511.19 of the Revised Code. In addition to the mandatory prison term described in division (G)(2) of this section, the court may sentence the offender to a community control sanction under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve the prison term prior to serving the community control sanction. The department of rehabilitation and correction may place an offender sentenced to a mandatory prison term under this division in an intensive program prison established pursuant to section 5120.033 of the Revised Code if the department gave the sentencing judge prior notice of its intent to place the offender in an intensive program prison established under that section and if the judge did not notify the department that the judge disapproved the placement. Upon the establishment of the initial intensive program prison pursuant to section 5120.033 of the Revised Code that is privately operated and managed by a contractor pursuant to a contract entered into
under section 9.06 of the Revised Code, both of the following apply:

(a) The department of rehabilitation and correction shall make a reasonable effort to ensure that a sufficient number of offenders sentenced to a mandatory prison term under this division are placed in the privately operated and managed prison so that the privately operated and managed prison has full occupancy.

(b) Unless the privately operated and managed prison has full occupancy, the department of rehabilitation and correction shall not place any offender sentenced to a mandatory prison term under this division in any intensive program prison established pursuant to section 5120.033 of the Revised Code other than the privately operated and managed prison.

(H) If an offender is being sentenced for a sexually oriented offense or child-victim oriented offense that is a felony committed on or after January 1, 1997, the judge shall require the offender to submit to a DNA specimen collection procedure pursuant to section 2901.07 of the Revised Code.

(I) If an offender is being sentenced for a sexually oriented offense or a child-victim oriented offense committed on or after January 1, 1997, the judge shall include in the sentence a summary of the offender's duties imposed under sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and the duration of the duties. The judge shall inform the offender, at the time of sentencing, of those duties and of their duration. If required under division (A)(2) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that section, or, if required under division (A)(6) of section 2950.03 of the Revised Code, the judge shall perform the duties specified in that division.

(J)(1) Except as provided in division (J)(2) of this section,
when considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit an offense in violation of section 2923.02 of the Revised Code, the sentencing court shall consider the factors applicable to the felony category of the violation of section 2923.02 of the Revised Code instead of the factors applicable to the felony category of the offense attempted.

(2) When considering sentencing factors under this section in relation to an offender who is convicted of or pleads guilty to an attempt to commit a drug abuse offense for which the penalty is determined by the amount or number of unit doses of the controlled substance involved in the drug abuse offense, the sentencing court shall consider the factors applicable to the felony category that the drug abuse offense attempted would be if that drug abuse offense had been committed and had involved an amount or number of unit doses of the controlled substance that is within the next lower range of controlled substance amounts than was involved in the attempt.

(K) As used in this section:

(1) "Community addiction services provider" has the same meaning as in section 5119.01 of the Revised Code.

(2) "Drug abuse offense" has the same meaning as in section 2925.01 of the Revised Code.

(3) "Minor drug possession offense" has the same meaning as in section 2925.11 of the Revised Code.

(4) "Qualifying assault offense" means a violation of section 2903.13 of the Revised Code for which the penalty provision in division (C)(8)(b) or (C)(9)(b) of that section applies.

(L) At the time of sentencing an offender for any sexually oriented offense, if the offender is a tier III sex offender/child-victim offender relative to that offense and the...
offender does not serve a prison term or jail term, the court may require that the offender be monitored by means of a global positioning device. If the court requires such monitoring, the cost of monitoring shall be borne by the offender. If the offender is indigent, the cost of compliance shall be paid by the crime victims reparations fund.

Sec. 2929.15. (A)(1) If in sentencing an offender for a felony the court is not required to impose a prison term, a mandatory prison term, or a term of life imprisonment upon the offender, the court may directly impose a sentence that consists of one or more community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the court is sentencing an offender for a fourth degree felony OVI offense under division (G)(1) of section 2929.13 of the Revised Code, in addition to the mandatory term of local incarceration imposed under that division and the mandatory fine required by division (B)(3) of section 2929.18 of the Revised Code, the court may impose upon the offender a community control sanction or combination of community control sanctions in accordance with sections 2929.16 and 2929.17 of the Revised Code. If the court is sentencing an offender for a third or fourth degree felony OVI offense under division (G)(2) of section 2929.13 of the Revised Code, in addition to the mandatory prison term or mandatory prison term and additional prison term imposed under that division, the court also may impose upon the offender a community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

The duration of all community control sanctions imposed upon an offender under this division shall not exceed five years. If the offender absconds or otherwise leaves the jurisdiction of the
court in which the offender resides without obtaining permission from the court or the offender's probation officer to leave the jurisdiction of the court, or if the offender is confined in any institution for the commission of any offense while under a community control sanction, the period of the community control sanction ceases to run until the offender is brought before the court for its further action. If the court sentences the offender to one or more nonresidential sanctions under section 2929.17 of the Revised Code, the court shall impose as a condition of the nonresidential sanctions that, during the period of the sanctions, the offender must abide by the law and must not leave the state without the permission of the court or the offender's probation officer. The court may impose any other conditions of release under a community control sanction that the court considers appropriate, including, but not limited to, requiring that the offender not ingest or be injected with a drug of abuse and submit to random drug testing as provided in division (D) of this section to determine whether the offender ingested or was injected with a drug of abuse and requiring that the results of the drug test indicate that the offender did not ingest or was not injected with a drug of abuse.

(2)(a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, the court shall place the offender under the general control and supervision of a department of probation in the county that serves the court for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that...
county or that county is served by a multicounty probation 21074
department established under section 2301.27 of the Revised Code, 21075
the court may request the court of common pleas of that county to 21076
receive the offender into the general control and supervision of 21077
that county or multicounty department of probation for purposes of 21078
reporting to the court a violation of any condition of the 21079
sanctions, any condition of release under a community control 21080
sanction imposed by the court, a violation of law, or the 21081
departure of the offender from this state without the permission 21082
of the court or the offender's probation officer, subject to the 21083
jurisdiction of the trial judge over and with respect to the 21084
person of the offender, and to the rules governing that department 21085
of probation.

If there is no department of probation in the county that 21086
serves the court, the court shall place the offender, regardless 21087
of the offender's county of residence, under the general control 21088
and supervision of the adult parole authority if the court has 21089
entered into an agreement with the authority as described in 21090
division (B) of section 2301.32 of the Revised Code or under an 21091
entity authorized under division (B) of section 2301.27 of the 21092
Revised Code to provide probation and supervisory services to 21093
counties for purposes of reporting to the court a violation of any 21094
of the sanctions, any condition of release under a community 21095
control sanction imposed by the court, a violation of law, or the 21096
departure of the offender from this state without the permission 21097
of the court or the offender's probation officer.

(b) If the court imposing sentence upon an offender sentences 21098
the offender to any community control sanction or combination of 21099
community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 21100
offender violates any condition of the sanctions, any condition of 21101
release under a community control sanction imposed by the court,
violates any law, or departs the state without the permission of
the court or the offender's probation officer, the public or
private person or entity that operates or administers the sanction
or the program or activity that comprises the sanction shall
report the violation or departure directly to the sentencing
court, or shall report the violation or departure to the county or
multicounty department of probation with general control and
supervision over the offender under division (A)(2)(a) of this
section or the officer of that department who supervises the
offender, or, if there is no such department with general control
and supervision over the offender under that division, to the
adult parole authority if the court has entered into an agreement
with the authority as described in division (B) of section 2301.32
of the Revised Code, or an entity authorized under division (B) of
section 2301.27 of the Revised Code to provide probation and
supervisory services to the county. If the public or private
person or entity that operates or administers the sanction or the
program or activity that comprises the sanction reports the
violation or departure to the county or multicounty department of
probation, the adult parole authority, or any other entity
providing probation and supervisory services to the county, the
department's, authority's, or other entity's officers may treat
the offender as if the offender were on probation and in violation
of the probation, and shall report the violation of the condition
of the sanction, any condition of release under a community
control sanction imposed by the court, the violation of law, or
the departure from the state without the required permission to
the sentencing court.

(3) If an offender who is eligible for community control
sanctions under this section admits to being drug addicted or the
court has reason to believe that the offender is drug addicted,
and if the offense for which the offender is being sentenced was
related to the addiction, the court may require that the offender
be assessed by a properly credentialed professional within a
specified period of time and shall require the professional to
file a written assessment of the offender with the court. If a
court imposes treatment and recovery support services as a
community control sanction, the court shall direct the level and
type of treatment and recovery support services after
consideration of the written assessment, if available at the time
of sentencing, and recommendations of the professional and other
treatment and recovery support services providers.

(4) If an assessment completed pursuant to division (A)(3) of
this section indicates that the offender is addicted to drugs or
alcohol, the court may include in any community control sanction
imposed for a violation of section 2925.02, 2925.03, 2925.04,
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or
2925.37 of the Revised Code a requirement that the offender
participate in alcohol and drug addiction services and recovery
supports certified under section 5119.36 of the Revised Code or
offered by a properly credentialed community addiction services
provider.

(B)(1) If the conditions of a community control sanction are
violated or if the offender violates a law or leaves the state
without the permission of the court or the offender's probation
officer, the sentencing court may impose upon the violator one or
more of the following penalties:

(a) A longer time under the same sanction if the total time
under the sanctions does not exceed the five-year limit specified
in division (A) of this section;

(b) A more restrictive sanction under section 2929.16,
2929.17, or 2929.18 of the Revised Code, including but not limited
to, a new term in a community-based correctional facility, halfway
house, or jail pursuant to division (A)(6) of section 2929.16 of
the Revised Code;
(c) A prison term on the offender pursuant to section 2929.14 of the Revised Code and division (B)(3) of this section, provided that a prison term imposed under this division is subject to the following limitations, as applicable:

(i) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fifth degree or for any violation of law committed while under a community control sanction imposed for such a felony that consists of a new criminal offense and that is not a felony, the prison term shall not exceed ninety days.

(ii) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense or for any violation of law committed while under a community control sanction imposed for such a felony that consists of a new criminal offense and that is not a felony, the prison term shall not exceed one hundred eighty days.

(2) If an offender was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated the conditions of a community control sanction based on a minor drug possession offense, as defined in section 2925.11 of the Revised Code, the sentencing court may consider the offender's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the offender being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in division (B)(1) of this section.

(3) The prison term, if any, imposed upon a violator pursuant to this division and division (B)(1) of this section shall be within the range of prison terms described in this division and
shall not exceed the prison term specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(2) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after the effective date of this amendment March 22, 2019, the prison term so imposed under this division shall be within the range of prison terms available as a minimum term for the offense under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary manner, the court may reduce the period of time under the sanction or impose a less restrictive sanction, but the court shall not permit the offender to violate any law or permit the offender to leave the state without the permission of the court or the offender's probation officer.

(D)(1) If a court under division (A)(1) of this section imposes a condition of release under a community control sanction that requires the offender to submit to random drug testing, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section may cause the offender to
submit to random drug testing performed by a laboratory or entity that has entered into a contract with any of the governmental entities or officers authorized to enter into a contract with that laboratory or entity under section 341.26, 753.33, or 5120.63 of the Revised Code.

(2) If no laboratory or entity described in division (D)(1) of this section has entered into a contract as specified in that division, the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender under division (A)(2)(a) of this section shall cause the offender to submit to random drug testing performed by a reputable public laboratory to determine whether the individual who is the subject of the drug test ingested or was injected with a drug of abuse.

(3) A laboratory or entity that has entered into a contract pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code shall perform the random drug tests under division (D)(1) of this section in accordance with the applicable standards that are included in the terms of that contract. A public laboratory shall perform the random drug tests under division (D)(2) of this section in accordance with the standards set forth in the policies and procedures established by the department of rehabilitation and correction pursuant to section 5120.63 of the Revised Code. An offender who is required under division (A)(1) of this section to submit to random drug testing as a condition of release under a community control sanction and whose test results indicate that the offender ingested or was injected with a drug of abuse shall pay the fee for the drug test if the department of probation, the adult parole authority, or any other entity that has general control and supervision of the offender requires payment of a fee.
transmit the results of the drug test to the appropriate
department of probation, the adult parole authority, or any other
entity that has general control and supervision of the offender
under division (A)(2)(a) of this section.

Sec. 2929.34. (A) A person who is convicted of or pleads
guilty to aggravated murder, murder, or an offense punishable by
life imprisonment and who is sentenced to a term of life
imprisonment or a prison term pursuant to that conviction shall
serve that term in an institution under the control of the
department of rehabilitation and correction.

(B)(1) A person who is convicted of or pleads guilty to a
felony other than aggravated murder, murder, or an offense
punishable by life imprisonment and who is sentenced to a term of
imprisonment or a prison term pursuant to that conviction shall
serve that term as follows:

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of
this section, in an institution under the control of the
department of rehabilitation and correction if the term is a
prison term or as otherwise determined by the sentencing court
pursuant to section 2929.16 of the Revised Code if the term is not
a prison term;

(b) In a facility of a type described in division (G)(1) of
section 2929.13 of the Revised Code, if the offender is sentenced
pursuant to that division.

(2) If the term is a prison term, the person may be
imprisoned in a jail that is not a minimum security jail pursuant
to agreement under section 5120.161 of the Revised Code between
the department of rehabilitation and correction and the local
authority that operates the jail.

A board of county commissioners and an administrative judge of a court of common pleas that enter into an agreement of the type described in this division may terminate the agreement, but a termination under this division shall take effect only at the end of the state fiscal biennium in which the termination decision is made.

(c) Except as provided in division (B)(3)(d) of this section, on and after July 1, 2018, no person sentenced by the court of common pleas of a target county or of a voluntary county to a prison term that is twelve months or less for a felony of the fifth degree shall serve the term in an institution under the control of the department of rehabilitation and correction. The person shall instead serve the sentence as a term of confinement in a facility of a type described in division (C) or (D) of this section. With respect to capital cases, counsel shall be paid compensation and expenses in accordance with the amount or at the rate set by the capital case attorney fee council pursuant to division (D) of section 120.33 of the Revised Code.
(C) In a case where counsel have been appointed to conduct an appeal under Chapter 120. of the Revised Code, such compensation shall be fixed by the court of appeals or the supreme court, as provided in divisions (A) and (B) of this section.

(D) The fees and expenses approved by the court under this section shall not be taxed as part of the costs and shall be paid by the county. However, if the person represented has, or reasonably may be expected to have, the means to meet some part of the cost of the services rendered to the person, the person shall pay the county an amount that the person reasonably can be expected to pay. Pursuant to section 120.04 of the Revised Code, the county shall pay to the state public defender a percentage of the payment received from the person in an amount proportionate to the percentage of the costs of the person's case that were paid to the county by the state public defender pursuant to this section. The money paid to the state public defender shall be credited to the client payment fund created pursuant to division (B)(5) of section 120.04 of the Revised Code.

(E) The county auditor shall draw a warrant on the county treasurer for the payment of such counsel in the amount fixed by the court, plus the expenses that the court fixes and certifies to the auditor. The county auditor shall report periodically, but not less than annually, to the board of county commissioners and to the Ohio public defender commission the amounts paid out pursuant to the approval of the court under this section, separately stating costs and expenses that are reimbursable under section 120.35 of the Revised Code. The board, after review and approval of the auditor's report, may then certify it to the state public defender for reimbursement. The request for reimbursement shall be accompanied by a financial disclosure form completed by each indigent person for whom counsel was provided on a form prescribed by the state public defender. The state public defender shall
review the report and, in accordance with the standards, guidelines, and maximums established pursuant to divisions (B)(7) and (8) of section 120.04 of the Revised Code and the payment determination provisions of section 120.34 of the Revised Code, pay fifty per cent of the total cost, other than costs and expenses that are reimbursable under section 120.35 of the Revised Code, if any, of paying appointed counsel in each county and pay fifty per cent of costs and expenses that are reimbursable under section 120.35 of the Revised Code, if any, to the board. The amount of payments the state public defender is to make shall be determined as specified in section 120.34 of the Revised Code.

(F) If any county system for paying appointed counsel fails to maintain the standards for the conduct of the system established by the rules of the Ohio public defender commission pursuant to divisions (B) and (C) of section 120.03 of the Revised Code or the standards established by the state public defender pursuant to division (B)(7) of section 120.04 of the Revised Code, the commission shall notify the board of county commissioners of the county that the county system for paying appointed counsel has failed to comply with its rules. Unless the board corrects the conduct of its appointed counsel system to comply with the rules within ninety days after the date of the notice, the state public defender may deny all or part of the county's reimbursement from the state provided for in this section.

Sec. 2950.08. (A) Subject to division (B) of this section, the statements, information, photographs, fingerprints, and material required by sections 2950.04, 2950.041, 2950.05, and 2950.06 of the Revised Code and provided by a person who registers, who provides notice of a change of residence, school, institution of higher education, or place of employment address and registers the new residence, school, institution of higher education, or place of employment address, or who provides
verification of a current residence, school, institution of higher education, or place of employment address pursuant to those sections and that are in the possession of the bureau of criminal identification and investigation and the information in the possession of the bureau that was received by the bureau pursuant to section 2950.14 of the Revised Code shall not be open to inspection by the public or by any person other than the following persons:

(1) A regularly employed peace officer or other law enforcement officer;

(2) An authorized employee of the bureau of criminal identification and investigation for the purpose of providing information to a board, administrator, or person pursuant to division (F) or (G) of section 109.57 of the Revised Code;

(3) The registrar of motor vehicles, or an employee of the registrar of motor vehicles, for the purpose of verifying and updating any of the information so provided, upon the request of the bureau of criminal identification and investigation;

(4) The director of job and family services, or an employee of the director, for the purpose of complying with division (D) of section 5104.013 of the Revised Code.

(B) Division (A) of this section does not apply to any information that is contained in the internet sex offender and child-victim offender database established by the attorney general under division (A)(11) of section 2950.13 of the Revised Code regarding offenders and that is disseminated as described in that division.

Sec. 3105.011. (A) The court of common pleas including divisions of courts of domestic relations, has full equitable powers and jurisdiction appropriate to the determination of all
domestic relations matters. This section is not a determination by the general assembly that such equitable powers and jurisdiction do not exist with respect to any such matter.

(B) For purposes of this section, "domestic relations matters" means both of the following:

(1) Any matter committed to the jurisdiction of the division of domestic relations of common pleas courts under section 2301.03 of the Revised Code, as well as a complaint for child support and allocation of parental rights and responsibilities, including the enforcement and modification of such orders;

(2) Actions and proceedings under Chapters 3105., 3109., 3111., 3115., 3119., 3121., 3123., 3125., and 3127. of the Revised Code, actions pursuant to section 2151.231 of the Revised Code, all actions removed from the jurisdiction of the juvenile court pursuant to section 2151.233 of the Revised Code, and all matters transferred by the juvenile court pursuant to section 2151.235 of the Revised Code.

Sec. 3107.035. (A) At the time of the initial home study, and every two years thereafter, if the home study is updated, and until it becomes part of a final decree of adoption or an interlocutory order of adoption, the agency or attorney that arranges an adoption for the prospective adoptive parent shall conduct a search of the United States department of justice national sex offender public web site regarding the prospective adoptive parent and all persons eighteen years of age or older who reside with the prospective adoptive parent.

(B) A petition for adoption may be denied based solely on the results of the search of the national sex offender public web site.

(C) The director of job and family services shall adopt rules...
in accordance with Chapter 119. of the Revised Code necessary for
the implementation and execution of this section.

Sec. 3107.14. (A) The petitioner and the person sought to be
adopted shall appear at the hearing on the petition, unless the
presence of either is excused by the court for good cause shown.

(B) The court may continue the hearing from time to time to
permit further observation, investigation, or consideration of any
facts or circumstances affecting the granting of the petition, and
may examine the petitioners separate and apart from each other.

(C) If, at the conclusion of the hearing, the court finds
that the required consents have been obtained or excused and that
the adoption is in the best interest of the person sought to be
adopted as supported by the evidence, it may issue, subject to
division (C)(1)(a) of section 2151.86, section 3107.064, and
division (E) of section 3107.09 of the Revised Code, and any other
limitations specified in this chapter, a final decree of adoption
or an interlocutory order of adoption, which by its own terms
automatically becomes a final decree of adoption on a date
specified in the order, which, except as provided in division (B)
of section 3107.13 of the Revised Code, shall not be less than six
months or more than one year from the date the person to be
adopted is placed in the petitioner's home, unless sooner vacated
by the court for good cause shown. In determining whether the
adoption is in the best interest of the person sought to be
adopted, the court shall not consider the age of the petitioner if
the petitioner is old enough to adopt as provided by section
3107.03 of the Revised Code.

In an interlocutory order of adoption, the court shall
provide for observation, investigation, and a further report on
the adoptive home during the interlocutory period.

(D) If the requirements for a decree under division (C) of
this section have not been satisfied or the court vacates an interlocutory order of adoption, or if the court finds that a person sought to be adopted was placed in the home of the petitioner in violation of law, the court shall dismiss the petition and may determine the agency or person to have temporary or permanent custody of the person, which may include the agency or person that had custody prior to the filing of the petition or the petitioner, if the court finds it is in the best interest of the person as supported by the evidence, or if the person is a minor, the court may certify the case to the juvenile court of the county where the minor is then residing for appropriate action and disposition.

(E) The issuance of a final decree or interlocutory order of adoption for an adult adoption under division (A)(4) of section 3107.02 of the Revised Code shall not disqualify that adult for services under section 2151.82 or 2151.83 of the Revised Code.

Sec. 3109.061. Nothing in sections 2151.233 to 2151.236 and 2301.03 of the Revised Code shall be construed to prevent a domestic relations court from certifying a case to a juvenile court under division (D)(2) of section 3109.04 of the Revised Code or section 3109.06 of the Revised Code. Consent of the juvenile court shall not be required for the certification.

As used in this section, "domestic relations court" has the same meaning as in section 2151.233 of the Revised Code.

Sec. 3119.023. (A) At least once every four years, the department of job and family services shall review the basic child support schedule issued by the department pursuant to section 3119.021 of the Revised Code to determine whether child support orders issued in accordance with that schedule and the worksheets created under rules adopted under section 3119.022 of the Revised Code.
Code adequately provide for the needs of children who are subject to the child support orders. The department may consider the adequacy and appropriateness of the current schedule, whether there are substantial and permanent changes in household consumption and savings patterns, particularly those resulting in substantial and permanent changes in the percent of total household expenditures on children, and whether there have been substantial and permanent changes to the federal and state income tax code other than inflationary adjustments to such things as the exemption amount and income tax brackets, and other factors when conducting its review. The review is in addition to, and independent of, any schedule update completed as set forth in section 3119.021 of the Revised Code. The department shall prepare a report of its review and include recommendations for statutory changes, and submit a copy of the report to both houses of the general assembly.

(B) Each review shall include all of the following:

(1) Consideration of all of the following:

(a) Economic data on the cost of raising children;

(b) Labor market data, such as unemployment rates, employment rates, hours worked, and earnings, by occupation and skill level for the state and local job markets;

(c) The impact of guidelines policies and amounts on custodial and noncustodial parents who have family incomes below two hundred percent of the federal poverty level;

(d) Factors that influence employment rates among noncustodial parents and compliance with child support orders.

(2) Analysis of all of the following, to be used to ensure that deviations from the basic child support schedule are limited and that support amounts are appropriate based on criteria
established under division (G) of section 3119.05 of the Revised Code:

(a) Case data on the application of and deviations from the basic child support schedule, as gathered through sampling or other methods;

(b) Rates of default, child support orders with imputed income, and orders determined using low-income adjustments such as a self-support reserve or another method as determined by the state;

(c) A comparison of payments on child support orders by case characteristics, including whether the order was entered by default, based on imputed income, or determined using the low-income adjustment, as described in division (B)(2)(b) of this section.

(3) Meaningful opportunity for public input, including input from low-income custodial and noncustodial parents and their representatives.

(C) For each review, the department shall establish a child support guideline advisory council to assist the department in the completion of its reviews and reports. Each council shall be composed of:

(1) Obligors;
(2) Obligees;
(3) Judges of courts of common pleas who have jurisdiction over domestic relations and juvenile court cases that involve the determination of child support;
(4) Attorneys whose practice includes a significant number of domestic relations or juvenile court cases that involve the determination of child support;
(5) Representatives of child support enforcement agencies;
(6) Other persons interested in the welfare of children;

(7) Three members of the senate appointed by the president of the senate, not more than two of whom are members of the same political party; and

(8) Three members of the house of representatives appointed by the speaker of the house, not more than two of whom are members of the same political party.

(D) The department shall consider input from the council prior to the completion of any report under this section. The department shall submit its report on or before the first day of March of every fourth year after 2015.

(E) The department shall publish on the internet and make accessible to the public all of the following:

(1) All reports of the council;

(2) The membership of the council;

(3) The effective date of new or modified guidelines adopted after the review;

(4) The date of the next review.

(F) The advisory council shall cease to exist at the time that the department submits its review to the general assembly under this section.

(G) Any expenses incurred by an advisory council shall be paid by the department.

Sec. 3119.05. When a court computes the amount of child support required to be paid under a court child support order or a child support enforcement agency computes the amount of child support to be paid pursuant to an administrative child support order, all of the following apply:

(A) The parents' current and past income and personal
earnings shall be verified by electronic means or with suitable documents, including, but not limited to, paystubs, employer statements, receipts and expense vouchers related to self-generated income, tax returns, and all supporting documentation and schedules for the tax returns.

(B) The annual amount of any court-ordered spousal support actually paid, excluding any ordered payment on arrears, shall be deducted from the annual income of that parent to the extent that payment of that court-ordered spousal support is verified by supporting documentation.

(C) The court or agency shall adjust the amount of child support paid by a parent to give credit for children not included in the current calculation. When calculating the adjusted amount, the court or agency shall use the schedule and do the following:

(1) Determine the amount of child support that each parent would be ordered to pay for all children for whom the parent has the legal duty to support, according to each parent's annual income. If the number of children subject to the order is greater than six, multiply the amount for three children in accordance with division (C)(4) of this section to determine the amount of child support.

(2) Compute a child support credit amount for each parent's children who are not subject to this order by dividing the amount determined in division (C)(1) of this section by the total number of children whom the parent is obligated to support and multiplying that number by the number of the parent's children who are not subject to this order.

(3) Determine the adjusted income of the parents by subtracting the credit for minor children not subject to this order computed under division (C)(2) of this section, from the annual income of each parent for the children each has a duty to
support that are not subject to this order.

(4) If the number of children is greater than six, multiply the amount for three children by:

(a) 1.440 for seven children;
(b) 1.540 for eight children;
(c) 1.638 for nine children;
(d) 1.734 for ten children;
(e) 1.827 for eleven children;
(f) 1.919 for twelve children;
(g) 2.008 for thirteen children;
(h) 2.096 for fourteen children;
(i) 2.182 for more than fourteen children.

(D) When the court or agency calculates the annual income of a parent, it shall include the lesser of the following as income from overtime and bonuses:

(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;

(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.

(E) When the court or agency calculates the annual income of a parent, it shall not include any income earned by the spouse of that parent.

(F) The court shall issue a separate medical support order for extraordinary medical expenses, including orthodontia, dental, optical, and psychological services.

If the court makes an order for payment of private education,
and other appropriate expenses, it shall do so by issuing a separate order.

The court may consider these expenses in adjusting a child support order.

(G) When a court or agency calculates the amount of child support to be paid pursuant to a court child support order or an administrative child support order, the following shall apply:

(1) The court or agency shall apply the basic child support schedule to the parents' combined annual incomes and to each parent's individual income.

(2) If the combined annual income of both parents or the individual annual income of a parent is an amount that is between two amounts set forth in the first column of the schedule, the court or agency may use the basic child support obligation that corresponds to the higher of the two amounts in the first column of the schedule, use the basic child support obligation that corresponds to the lower of the two amounts in the first column of the schedule, or calculate a basic child support obligation that is between those two amounts and corresponds proportionally to the parents' actual combined annual income or the individual parent's annual income.

(3) If the annual individual income of either or both of the parents is within the self-sufficiency reserve in the basic child support schedule, the court or agency shall do both of the following:

(a) Calculate the basic child support obligation for the parents using the schedule amount applicable to the combined annual income and the schedule amount applicable to the income in the self-sufficiency reserve;

(b) Determine the lesser of the following amounts to be the applicable basic child support obligation:
(i) The amount that results from using the combined annual income of the parents not in the self-sufficiency reserve of the schedule; or

(ii) The amount that results from using the individual parent's income within the self-sufficiency reserve of the schedule.

(H) When the court or agency calculates annual income, the court or agency, when appropriate, may average income over a reasonable period of years.

(I) Unless it would be unjust or inappropriate and therefore not in the best interests of the child, a court or agency shall not determine a parent to be voluntarily unemployed or underemployed and shall not impute income to that parent if any of the following conditions exist:

(1) The parent is receiving recurring monetary income from means-tested public assistance benefits, including cash assistance payments under the Ohio works first program established under Chapter 5107. of the Revised Code, general assistance under former Chapter 5113. of the Revised Code, supplemental security income, or means-tested veterans' benefits;

(2) The parent is approved for social security disability insurance benefits because of a mental or physical disability, or the court or agency determines that the parent is unable to work based on medical documentation that includes a physician's diagnosis and a physician's opinion regarding the parent's mental or physical disability and inability to work.

(3) The parent has proven that the parent has made continuous and diligent efforts without success to find and accept employment, including temporary employment, part-time employment, or employment at less than the parent's previous salary or wage.

(4) The parent is complying with court-ordered family

Sub. H. B. No. 166
As Reported by the Senate Finance Committee
reunification efforts in a child abuse, neglect, or dependency proceeding, to the extent that compliance with those efforts limits the parent's ability to earn income.

(5) The parent is incarcerated or institutionalized for a period of twelve months or more with no other available income or assets, unless the parent is incarcerated for an offense relating to the abuse or neglect of a child who is the subject of the support order or an offense under Title XXIX of the Revised Code against the obligee or a child who is the subject of the support order.

(6) When a court or agency calculates the income of a parent, it shall not determine a parent to be voluntarily unemployed or underemployed and shall not impute income to that parent if the parent is incarcerated.

(K) When a court or agency requires a parent to pay an amount for that parent's failure to support a child for a period of time prior to the date the court modifies or issues a court child support order or an agency modifies or issues an administrative child support order for the current support of the child, the court or agency shall calculate that amount using the basic child support schedule, worksheets, and child support laws in effect, and the incomes of the parents as they existed, for that prior period of time.

(L) A court or agency may disregard a parent's additional income from overtime or additional employment when the court or agency finds that the additional income was generated primarily to support a new or additional family member or members, or under other appropriate circumstances.

(M) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency
shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

(N) A support obligation of a parent with annual income subject to the self-sufficiency reserve of the basic child support schedule shall not exceed the support obligation that would result from application of the schedule without the reserve.

(O) Any non-means tested benefit received by the child or children subject to the order resulting from the claims of either parent shall be deducted from that parent's annual child support obligation after all other adjustments have been made. If that non-means tested benefit exceeds the child support obligation of the parent from whose claim the benefit is realized, the child support obligation for that parent shall be zero.

(P) As part of the child support calculation, the parents shall be ordered to share the costs of child care. Subject to the limitations in this division, a child support obligor shall pay an amount equal to the obligor's income share of the child care cost incurred for the child or children subject to the order.

(1) The child care cost used in the calculation:

(a) Shall be for the child determined to be necessary to allow a parent to work, or for activities related to employment training;

(b) Shall be verifiable by credible evidence as determined by a court or child support enforcement agency;

(c) Shall exclude any reimbursed or subsidized child care cost, including any state or federal tax credit for child care available to the parent or caretaker, whether or not claimed.
(d) Shall not exceed the maximum state-wide average cost estimate issued by the department of job and family services, using the data collected and reported as required in section 5104.04 of the Revised Code determined in accordance with 45 C.F.R. 98.45.

(2) When the annual income of the obligor is subject to the self-sufficiency reserve of the basic support schedule, the share of the child care cost paid by the obligor shall be equal to the lower of the obligor's income share of the child care cost, or fifty per cent of the child care cost.

(Q) As used in this section, a parent is considered "incarcerated" if the parent is confined under a sentence imposed for an offense or serving a term of imprisonment, jail, or local incarceration, or other term under a sentence imposed by a government entity authorized to order such confinement.

Sec. 3119.23. The court may consider any of the following factors in determining whether to grant a deviation pursuant to section 3119.22 of the Revised Code:

(A) Special and unusual needs of the child or children, including needs arising from the physical or psychological condition of the child or children;

(B) Other court-ordered payments;

(C) Extended parenting time or extraordinary costs associated with parenting time, including extraordinary travel expenses when exchanging the child or children for parenting time;

(D) The financial resources and the earning ability of the child or children;

(E) The relative financial resources, including the disparity in income between parties or households, other assets, and the needs of each parent;
(F) The obligee's income, if the obligee's annual income is equal to or less than one hundred per cent of the federal poverty level;

(G) Benefits that either parent receives from remarriage or sharing living expenses with another person;

(H) The amount of federal, state, and local taxes actually paid or estimated to be paid by a parent or both of the parents;

(I) Significant in-kind contributions from a parent, including, but not limited to, direct payment for lessons, sports equipment, schooling, or clothing;

(J) Extraordinary work-related expenses incurred by either parent;

(K) The standard of living and circumstances of each parent and the standard of living the child would have enjoyed had the marriage continued or had the parents been married;

(L) The educational opportunities that would have been available to the child had the circumstances requiring a child support order not arisen;

(M) The responsibility of each parent for the support of others, including support of a child or children with disabilities who are not subject to the support order;

(N) Post-secondary educational expenses paid for by a parent for the parent's own child or children, regardless of whether the child or children are emancipated;

(O) Costs incurred or reasonably anticipated to be incurred by the parents in compliance with court-ordered reunification efforts in child abuse, neglect, or dependency cases;

(P) Extraordinary child care costs required for the child or children that exceed the maximum state-wide average cost estimate provided as described in division (O)(P)(1)(d) of section 3119.05
of the Revised Code, including extraordinary costs associated with caring for a child or children with specialized physical, psychological, or educational needs;

(Q) Any other relevant factor.

If the court grants a deviation based on division (Q) of this section, it shall specifically state in the order the facts that are the basis for the deviation.

**Sec. 3119.27.** (A) A court that issues or modifies a court support order, or an administrative agency that issues or modifies an administrative child support order, shall impose on the obligor under the support order a processing charge in the amount of two per cent of the support payment to be collected under a support order. No court or agency may call the charge a poundage fee.

(B) In each child support case that is a Title IV-D case, the department of job and family services shall annually claim twenty-five thirty-five dollars from the processing charge described in division (A) of this section for federal reporting purposes if the obligee has never received assistance under Title IV-A and the department has collected at least five hundred fifty dollars of child support for the obligee. The director of job and family services shall adopt rules under Chapter 119. of the Revised Code to implement this division, and the department shall implement this division not later than March 31, 2008.

(C) As used in this section:

(1) "Annual" means the period as defined in regulations issued by the United States secretary of health and human services to implement the Deficit Reduction Act of 2005 (P.L. 109-171).

(2) "Title IV-A" has the same meaning as in section 5107.02 of the Revised Code.

(3) "Title IV-D case" has the same meaning as in section
Sec. 3119.29. As used in this section and sections 3119.30 to 3119.56 of the Revised Code:

(A) "Family coverage" means the health insurance plan that provides coverage for the children who are the subject of a child support order.

(B) "Health care coverage" means such medical support that includes coverage under a health insurance coverage or a public health care plan, payment of costs of premiums, copayments, and deductibles, or payment for medical expenses incurred on behalf of the child.

(C) "Health insurance coverage" means accessible private health insurance that provides primary care services within thirty miles from the residence of the child subject to the child support order.

(D) "Health plan administrator" means any entity authorized under Title XXXIX of the Revised Code to engage in the business of insurance in this state, any health insuring corporation, any legal entity that is self-insured and provides benefits to its employees or members, and the administrator of any such entity or corporation.

(F) "Person required to provide health insurance coverage"
means the obligor, obligee, or both, required by the court under a 21968
court child support order or by the child support enforcement 21969
agency under an administrative child support order to provide 21970
health insurance coverage pursuant to section 3119.30 of the 21971
Revised Code.

(F) "Reasonable cost" means that the cost of private 21972
health insurance coverage to the person required to provide health 21973
insurance coverage for the children who are the subject of the 21974
child support order does not exceed an amount equal to five per 21975
cent of the annual income of that person. For purposes of this 21976
division, the cost of health insurance is an amount equal to the 21977
difference in cost between self-only and family coverage.

However, if the United States secretary of health and human 21978
services issues a regulation that redefines "reasonable cost" or a 21979
similar term or phrase, or clarifies the elements of cost used 21980
when determining reasonable cost relating to the provision of 21981
health care for children in a child support order, and if those 21982
changes are substantively different than the definitions and terms 21983
used in this section, those terms shall have the meaning as 21984
defined by the United States secretary of health and human 21985
services.

Sec. 3119.30. (A) In any action or proceeding in which a 21986
child support order is issued or modified, the court, with respect 21987
to court child support orders, and the child support enforcement 21988
agency, with respect to administrative child support orders, shall 21989
determine the person or persons responsible for the health care 21990
coverage of the children subject to the child support order and 21991
shall include provisions for the health care coverage of the 21992
children in the child support order. The order shall specify that 21993
the obligor and obligee are both liable for the health care 21994
expenses for the children who are not covered by private health 21995
insurance according to a formula established by each court, with respect to a court child support order, or each child support enforcement agency, with respect to an administrative child support order.

(B) The child support obligee is rebuttably presumed to be the appropriate parent to provide health insurance coverage for the children subject to the child support order. The order shall specify that the obligee must provide the health insurance coverage unless rebutted pursuant to division (B)(1) of this section.

(1) The court or child support enforcement agency may consider the following factors to rebut the presumption when determining if the child support obligor is the appropriate parent to provide health insurance coverage:

(a) The obligor already has health insurance coverage for the child that is reasonable in cost;

(b) The obligor already has health insurance coverage in place for the child that is not reasonable in cost, but the obligor wishes to be named the health insurance obligor and provide coverage under division (A)(2)(a) of section 3119.302 of the Revised Code;

(c) The obligor can obtain health insurance coverage for the child that is reasonable in cost through an employer or other source. For employer-based coverage, the court or child support enforcement agency shall consider the length of time the obligor has worked with the employer and the stability of the insurance.

(d) The obligee is a non-parent individual or agency that has no duty to provide medical support.

(2) If private health insurance coverage for the children is not available at a reasonable cost to the obligor or the obligee
at the time the court or agency issues the order, the order shall include a requirement that the obligee obtain private health insurance coverage for the children not later than thirty days after it becomes available to the obligee at a reasonable cost, and to inform the child support enforcement agency when private health insurance coverage for the children has been obtained.

(3) If private health insurance coverage becomes available to the obligor at a reasonable cost, the obligor shall inform the child support enforcement agency and may seek a modification of health insurance coverage from the court with respect to a court child support order, or from the agency with respect to an administrative support order.

(C) When a child support order is issued or modified, the order shall include a cash medical support amount consistent with division (B) of section 3119.302 of the Revised Code for each child subject to the order. The cash medical support amount shall be ordered based on the number of children subject to the order and split between the parties using the parents' income share.

(D) Any cash medical support paid pursuant to division (C) of this section shall be paid through the department of job and family services by the obligor to either the obligee if the children are not medicaid recipients, or to the department of medicaid when a medicaid assignment is in effect for any child under the support order.

(E) The cost of providing health insurance coverage for a child subject to an order shall be defrayed by a credit against that parent's annual income when calculating support as required under section 3119.02 of the Revised Code using the basic child support schedule and applicable worksheet. The credit shall be equal to the total actual out-of-pocket cost for health insurance premiums for the coverage. Any credit given will be less any
subsidy, including a premium tax credit or cost-sharing reduction received by the parent providing coverage.

(F) Both parents may be ordered to provide health care coverage and pay cash medical support if the obligee is a nonparent individual or agency that has no duty to provide medical support.

Sec. 3119.302. (A) When the court, with respect to a court child support order, or the child support enforcement agency, with respect to an administrative child support order, determines the person or persons responsible for the health care coverage of the children subject to the order pursuant to section 3119.30 of the Revised Code, all of the following apply:

(1) The court or agency shall consider any private health insurance coverage in which the obligor, obligee, or children, are enrolled at the time the court or agency issues the order.

(2) If the cost of private health insurance coverage to either parent exceeds a reasonable cost, that parent shall not be ordered to provide private health insurance coverage for the child except as follows:

(a) When the parent requests to obtain or maintain the private health insurance coverage that exceeds a reasonable cost;

(b) When the court determines that it is in the best interest of the children for a parent to obtain and maintain private health insurance coverage that exceeds a reasonable cost and the cost will not impose an undue financial burden on either parent. If the court makes such a determination, the court must include the facts and circumstances of the determination in the child support order.

(3) If private health insurance coverage is available at a reasonable cost to either parent through a group policy, contract, or plan, and the court determines that it is not in the best
interest of the children to utilize the available private health insurance coverage, the court shall state the facts and circumstances of the determination in the child support order.

(4) Notwithstanding division (C)(B) of section 3119.29 of the Revised Code, the court or agency may do either of the following:

(a) Permit primary care services to be farther than thirty miles if residents in part or all of the immediate geographic area customarily travel farther distances;

(b) Require primary care services be accessible by public transportation if public transportation is the obligee's only source of transportation.

If the court or agency makes either accessibility determination, it shall include this accessibility determination in the child support order.

(B) The director of job and family services shall periodically update the amount of the cash medical support obligation to be paid pursuant to division (C) of section 3119.30 of the Revised Code. The updates shall be made in consideration of the medical expenditure panel survey, conducted by the United States department of health and human services for health care research and quality. The amount shall be based on the most recent survey year data available and shall be calculated by multiplying the total amount expended for health services for children by the percentage that is out-of-pocket divided by the number of individuals less than eighteen years of age that have any private insurance.

**Sec. 3119.31.** In any action or proceeding in which a court or child support enforcement agency is determining the person responsible for the health care coverage of the children who are or will be the subject of a child support order, each party shall
provide to the court or child support enforcement agency a list of any group health insurance policies, contracts, or plans available to the party and the cost for self-only and family of coverage under the available policies, contracts, or plans.

Sec. 3119.32. A child support order shall contain all of the following:

(A) (1) If the obligor, obligee, or both obligor and obligee, are required under section 3119.30 of the Revised Code to provide private health insurance care coverage for the children, a requirement that whoever is required to provide private health insurance care coverage provide to the other, not later than thirty days after the issuance of the order, information regarding the benefits, limitations, and exclusions of the coverage, copies of any insurance forms necessary to receive reimbursement, payment, or other benefits under the coverage, and a copy of any necessary insurance cards proof of coverage;

(E) A notice that the employer of the person required to obtain private health insurance care coverage through that employer is required to release to the other parent, any person subject to an order issued under section 3109.19 of the Revised Code, or the child support enforcement agency on written request any necessary information on the private health insurance care coverage, including the name and address of the health plan administrator and any policy, contract, or plan number, and to otherwise comply with this section and any order or notice issued under this section.

(F) A statement setting forth the full name and date of birth of each child who is the subject of the child support order.

(G) A notice that states the following: "If the person required to obtain private health care insurance coverage for the children subject to this child support order obtains new employment, the agency shall comply with the requirements of section 3119.34 of the Revised Code, which may result in the issuance of a notice requiring the new employer to take whatever action is necessary to enroll the children in private health care insurance coverage provided by the new employer, when insurance is not being provided by any other source."

Sec. 3125.25. The director of job and family services shall adopt rules under Chapter 119. of the Revised Code governing the operation of support enforcement by child support enforcement agencies. The rules shall include, but shall not be limited to, the following:

(3) Each school district board, governing authority, governing body, or board of trustees, or its respective designee, shall annually report, to the department of education, all financial information required by the standards for financial reporting, as prescribed by division (B)(2) of this section and adopted by the state board. The state board shall base any standards governing the promotion of students or requirements for graduation on the ability of students, at any grade level, to earn credits or advance upon demonstration of mastery of knowledge and skills through competency-based learning models. Credits of grade level advancement shall not require a minimum number of days or hours in a classroom.

The state board shall base any standards governing the assignment of staff on ensuring each school has a sufficient number of teachers to ensure a student has an appropriate level of interaction to meet each student's personal learning goals.

In the formulation and administration of such standards for
nonpublic schools the board shall also consider the particular needs, methods and objectives of those schools, provided they do not conflict with the provision of a general education of a high quality and provided that regular procedures shall be followed for promotion from grade to grade of pupils who have met the educational requirements prescribed.

The state board shall adopt standards for the approval or disapproval of waivers under this division. The state superintendent shall consider every application for a waiver, and shall determine whether to grant or deny a waiver in accordance with the state board's standards. For each waiver granted, the state superintendent shall specify the period of time during which the waiver is in effect, which shall not exceed five years. A district board may apply to renew a waiver.

**Sec. 3301.0710.** The state board of education shall adopt rules establishing a statewide program to assess student achievement. The state board shall ensure that all assessments administered under the program are aligned with the academic standards and model curricula adopted by the state board and are created with input from Ohio parents, Ohio classroom teachers, Ohio school administrators, and other Ohio school personnel pursuant to section 3301.079 of the Revised Code.

(a) An advanced level of skill;

(b) An accelerated level of skill;
(c) A proficient level of skill;
(d) A basic level of skill;
(e) A limited level of skill.

(3) For the purpose of implementing division (A) of section 3313.608 of the Revised Code, the state board shall determine and designate a level of achievement, not lower than the level designated in division (A)(2)(e) of this section, on the third grade English language arts assessment for a student to be promoted to the fourth grade. (b) A student who has presented evidence to the district or school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. However, no board shall prohibit a student who is not required to take such assessment from taking the assessment.

(c) A student shall not be required to retake the Algebra I end-of-course examination or the English language arts II end-of-course examination prescribed under division (B)(2) of section 3301.0712 of the Revised Code in grades nine through twelve if the student demonstrates at least a proficient level of skill, as prescribed under division (B)(5)(a) of that section, or achieves a competency score, as prescribed under division (B)(10) of that section, in an administration of the examination prior to grade nine.

(C)(1)(a) In the case of a student receiving special education services under Chapter 3323. of the Revised Code, the
individualized education program developed for the student under that chapter shall specify the manner in which the student will participate in the assessments administered under this section, except that a student with significant cognitive disabilities to whom an alternate assessment is administered in accordance with division (C)(1) of this section and a student determined to have a disability that includes an intellectual disability as outlined in guidance issued by the department shall not be required to take the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code. The individualized education program may excuse the student from taking any particular assessment required to be administered under this section if it instead specifies an alternate assessment method approved by the department of education as conforming to requirements of federal law for receipt of federal funds for disadvantaged pupils. To the extent possible, the individualized education program shall not excuse the student from taking an assessment unless no reasonable accommodation can be made to enable the student to take the assessment. No board shall prohibit a student who is not required to take an assessment under division (C)(1) of this section from taking the assessment.

(I) A plan developed for the student pursuant to rules adopted by the state board excuses the student from taking that assessment.

(II) The chartered nonpublic school develops a written plan in which the school, in consultation with the student's parents, determines that an assessment or alternative assessment with accommodations does not accurately assess the student's academic performance. The plan shall include an academic profile of the student's academic performance and shall be reviewed annually to determine if the student's needs continue to require excusal from taking the assessment.

(2) Following any administration of the assessments prescribed by division (D) of section 3301.0710 of the Revised Code to ninth grade students, each school district that has a three-year average graduation rate of not more than seventy-five per cent shall determine for each high school in the district whether the school shall be required to provide intervention services to any students who took the assessments. In determining which high schools shall provide intervention services based on the resources available, the district shall consider each school's graduation rate and scores on the practice assessments. The district also shall consider the scores received by ninth grade students on the English language arts and mathematics assessments.

students who are participating in state scholarship programs shall

administer the elementary assessments prescribed by division (A)

of section 3301.0710 of the Revised Code or an alternative

standardized assessment determined by the department. In

submit notice to the chief administrative officer of the school

that the parent or guardian does not wish to have the student take

the elementary assessments prescribed for the student's grade

level under division (A) of section 3301.0710 of the Revised Code.

If a parent or guardian submits an opt-out notice, the school

shall not administer the assessments to that student. This option
does not apply to any assessment required for a high school

diploma under section 3313.612 of the Revised Code.

(b) Any chartered nonpublic school that enrolls students who
are participating in state scholarship programs may administer an alternative standardized assessment determined by the department instead of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

Each chartered nonpublic school subject to division (K)(1)(a) or (b) of this section shall report the results of each assessment administered under those divisions to the department.

No waiver shall be approved for any school year prior to the 2015-2016 school year.

To be eligible to submit a request for a waiver, a chartered nonpublic school shall meet the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychiatrist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (K)(1)(a) of this section for at least ten years.

(c) The school provides to the department at least five years of records of internal testing conducted by the school that

(3) Any chartered nonpublic school that is not subject to division (K)(1) of this section may participate in the assessment program by administering any of the assessments prescribed by division (A) of section 3301.0710 of the Revised Code. The chief administrator of the school shall specify which assessments the school will administer. Such specification shall be made in writing to the superintendent of public instruction prior to the first day of August of any school year in which assessments are administered and shall include a pledge that the nonpublic school will administer the specified assessments in the same manner as public schools are required to do under this section and rules adopted by the department.

(4) The department of education shall furnish the assessments prescribed by section 3301.0710 of the Revised Code to each chartered nonpublic school that is subject to division (K)(1) of this section or participates under division (K)(3) of this section.

(L) If a chartered nonpublic school is educating students in grades nine through twelve, the following shall apply:

(1) Except as provided in division (L)(4) of this section, for a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states and who is attending the school under a state scholarship program, the student shall either take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code or take an alternative assessment approved by the department under section 3313.619 of the Revised Code. However, a student who is excused from taking an assessment under division...
(C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(2) For a student who is enrolled in a chartered nonpublic school that is accredited through the independent schools association of the central states, and who is not attending the school under a state scholarship program, the student shall not be required to take any assessment prescribed under section 3301.0712 or 3313.619 of the Revised Code.

(3)(a) Except as provided in divisions (L)(3)(b) and (4) of this section, for a student who is enrolled in a chartered nonpublic school that is not accredited through the independent schools association of the central states, regardless of whether the student is attending or is not attending the school under a state scholarship program, the student shall do one of the following:

(i) Take all of the assessments prescribed by division (B) of section 3301.0712 of the Revised Code;

(ii) Take only the assessment prescribed by division (B)(1) of section 3301.0712 of the Revised Code, provided that the student's school publishes the results of that assessment for each graduating class. The published results of that assessment shall include the overall composite scores, mean scores, twenty-fifth percentile scores, and seventy-fifth percentile scores for each subject area of the assessment.
(iii) Take an alternative assessment approved by the department under section 3313.619 of the Revised Code.

(b) A student who is excused from taking an assessment under division (C) of this section or has presented evidence to the chartered nonpublic school of having satisfied the condition prescribed by division (A)(1) of section 3313.618 of the Revised Code to qualify for a high school diploma prior to the date of the administration of the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code shall not be required to take that assessment. No governing authority of a chartered nonpublic school shall prohibit a student who is not required to take such assessment from taking the assessment.

(4) The assessments prescribed by sections 3301.0712 and 3313.619 of the Revised Code shall not be administered to any student attending the school, if the school meets all of the following conditions:

(a) At least ninety-five per cent of the students enrolled in the school are children with disabilities, as defined under section 3323.01 of the Revised Code, or have received a diagnosis by a school district or from a physician, including a neuropsychologist or psychiatrist, or a psychologist who is authorized to practice in this or another state as having a condition that impairs academic performance, such as dyslexia, dyscalculia, attention deficit hyperactivity disorder, or Asperger's syndrome.

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

Division (L)(4) of this section applies to any student attending such school regardless of whether the student receives special education or related services and regardless of whether the student is attending the school under a state scholarship program.

(M)(1) The superintendent of the state school for the blind and the superintendent of the state school for the deaf shall administer the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code. Each superintendent shall administer the assessments in the same manner as district boards are required to do under this section and rules adopted by the department of education and in conformity with division (C)(1)(a) of this section.

(2) The department of education shall furnish the assessments described by sections 3301.0710 and 3301.0712 of the Revised Code to each superintendent.

(N) Notwithstanding division (E) of this section, a school district may use a student's failure to attain a score in at least the proficient range on the mathematics assessment described by division (A)(1)(a) of section 3301.0710 of the Revised Code or on an assessment described by division (A)(1)(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised Code as a factor in retaining that student in the current grade level.

(O)(1) In the manner specified in divisions (O)(3), (4), (6), and (7) of this section, the assessments required by division (A)(1) of section 3301.0710 of the Revised Code shall become public records pursuant to section 149.43 of the Revised Code on
the thirty-first day of July following the school year that the assessments were administered.

(2) The department may field test proposed questions with samples of students to determine the validity, reliability, or appropriateness of questions for possible inclusion in a future year's assessment. The department also may use anchor questions on assessments to ensure that different versions of the same assessment are of comparable difficulty.

Field test questions and anchor questions shall not be considered in computing scores for individual students. Field test questions and anchor questions may be included as part of the administration of any assessment required by division (A)(1) or (B) of section 3301.0710 and division (B) of section 3301.0712 of the Revised Code.

(3) Any field test question or anchor question administered under division (O)(2) of this section shall not be a public record. Such field test questions and anchor questions shall be redacted from any assessments which are released as a public record pursuant to division (O)(1) of this section.

(4) This division applies to the assessments prescribed by division (A) of section 3301.0710 of the Revised Code.

(a) The first administration of each assessment, as specified in former section 3301.0712 of the Revised Code, shall be a public record.

(b) For subsequent administrations of each assessment prior to the 2011-2012 school year, not less than forty per cent of the questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record.
record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6)(a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and 2016-2017 school years, questions on the assessments prescribed under division (A) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code and the corresponding preferred answers that are used to compute a student's score shall become a public record as follows:

(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;

(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;

(iii) The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of July two years after the administration of the assessment.

The entire content of an assessment shall become a public record within three years of its administration.
The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.

(b) No questions and corresponding preferred answers shall become a public record under division (O)(6) of this section after July 31, 2017.

(7) Division (O)(7) of this section applies to the assessments prescribed by division (A) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code.

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

(P) As used in this section:

(1) "Three-year average" means the average of the most recent consecutive three school years of data.

(2) "Dropout" means a student who withdraws from school before completing course requirements for graduation and who is
not enrolled in an education program approved by the state board of education or an education program outside the state. "Dropout" does not include a student who has departed the country.

(3) "Graduation rate" means the ratio of students receiving a diploma to the number of students who entered ninth grade four years earlier. Students who transfer into the district are added to the calculation. Students who transfer out of the district for reasons other than dropout are subtracted from the calculation. If a student who was a dropout in any previous year returns to the same school district, that student shall be entered into the calculation as if the student had entered ninth grade four years before the graduation year of the graduating class that the student joins.

(4) "State scholarship programs" means the educational choice scholarship pilot program established under sections 3310.01 to 3310.17 of the Revised Code, the autism scholarship program established under section 3310.41 of the Revised Code, the Jon Peterson special needs scholarship program established under sections 3310.51 to 3310.64 of the Revised Code, and the pilot project scholarship program established under sections 3313.974 to 3313.979 of the Revised Code.

(5) "Other public school" means a community school established under Chapter 3314., a STEM school established under Chapter 3326., or a college-preparatory boarding school established under Chapter 3328. of the Revised Code.

Sec. 3301.0712. (A) The state board of education, the superintendent of public instruction, and the chancellor of higher education shall develop a system of college and work ready assessments as described in division (B) of this section to assess whether each student upon graduating from high school is ready to enter college or the workforce. Beginning with students who enter...
the ninth grade for the first time on or after July 1, 2014, the
system shall replace the Ohio graduation tests prescribed in
division (B)(1) of section 3301.0710 of the Revised Code as a
measure of student academic performance and one determinant of
eligibility for a high school diploma in the manner prescribed by
rule of the state board adopted under division (D) of this
section.

(B) The college and work ready assessment system shall
consist of the following:

(1) Nationally standardized assessments that measure college
and career readiness and are used for college admission. The
assessments shall be selected jointly by the state superintendent
and the chancellor, and one of which shall be selected by each
school district or school to administer to its students. The
assessments prescribed under division (B)(1) of this section shall
be administered to all eleventh-grade students in the spring of
the school year.

(2) Seven (a) Except as provided in division (B)(2)(b) of
this section, seven end-of-course examinations, one in each of the
areas of English language arts I, English language arts II,
science, Algebra I, geometry, American history, and American
government. The end-of-course examinations shall be selected
jointly by the state superintendent and the chancellor in
consultation with faculty in the appropriate subject areas at
institutions of higher education of the university system of Ohio.
Advanced placement examinations and international baccalaureate
examinations, as prescribed under section 3313.6013 of the Revised
Code, in the areas of science, American history, and American
government may be used as end-of-course examinations in accordance
with division (B)(4)(a)(i) of this section. Final course grades
for courses taken under any other advanced standing program, as
prescribed under section 3313.6013 of the Revised Code, in the areas of science, American history, and American government may be used in lieu of end-of-course examinations in accordance with division (B)(4)(a)(ii) of this section.

(b) Beginning with students who enter ninth grade for the first time on or after July 1, 2019, five end-of-course examinations, one in each areas of English language arts II, science, Algebra I, American history, and American government. However, only the end-of-course examinations in English language arts II and Algebra I shall be required for graduation.

The department of education shall, as necessary to implement division (B)(2)(b) of this section, seek a waiver from any geometry assessment requirement prescribed under federal law. If the department does not receive a waiver under this division, the end-of-course examinations for students described in division (B)(2)(b) of this section also shall include an end-of-course examination in the area of geometry. However, the geometry end-of-course examination shall not be required for graduation.

(3)(a) Not later than July 1, 2013, each school district board of education shall adopt interim end-of-course examinations that comply with the requirements of divisions (B)(3)(b)(i) and (ii) of this section to assess mastery of American history and American government standards adopted under division (A)(1)(b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code. Each high school of the district shall use the interim examinations until the state superintendent and chancellor select end-of-course examinations in American history and American government under division (B)(2) of this section.

(b) Not later than July 1, 2014, the state superintendent and the chancellor shall select the end-of-course examinations in American history and American government.
(i) The end-of-course examinations in American history and American government shall require demonstration of mastery of the American history and American government content for social studies standards adopted under division (A)(1)(b) of section 3301.079 of the Revised Code and the topics required under division (M) of section 3313.603 of the Revised Code.

(ii) At least twenty per cent of the end-of-course examination in American government shall address the topics on American history and American government described in division (M) of section 3313.603 of the Revised Code.

(4)(a) Notwithstanding anything to the contrary in this section, beginning with the 2014-2015 school year, both of the following shall apply:

(i) If a student is enrolled in an appropriate advanced placement or international baccalaureate course, that student shall take the advanced placement or international baccalaureate examination in lieu of the science, American history, or American government end-of-course examinations prescribed under division (B)(2) of this section. The state board shall specify the score levels for each advanced placement examination and international baccalaureate examination for purposes of calculating the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt
guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcripted credit, as defined in section 3365.01 of the Revised Code. It shall not apply to remedial or developmental courses.

(b) No student shall take a substitute examination or examination prescribed under division (B)(4)(a) of this section in place of the end-of-course examinations in English language arts I, English language arts II, Algebra I, or geometry prescribed under division (B)(2) of this section.

(5) The state board shall do all of the following:

(a) Determine in consultation with the respective standing committees of the house of representatives and senate that consider primary and secondary education legislation, determine and designate at least five ranges of scores on each of the end-of-course examinations prescribed under division (B)(2) of this section, and substitute examinations prescribed under division (B)(4) of this section. Each range of scores shall be considered to demonstrate a level of achievement so that any student attaining a score within such range has achieved one of the following:

(i) An advanced level of skill;

(ii) An accelerated level of skill;

(iii) A proficient level of skill;
(iv) A basic level of skill; 23339

(v) A limited level of skill. 23340

demonstrates the level of academic achievement necessary to earn a 23345
high school diploma under division (A)(2) of section 3313.618 of 23346
the Revised Code. However, the state board shall not determine a 23347

score of two or three on an international baccalaureate 23355
examination shall be considered equivalent to a proficient level 23356

(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;

(ii) The student's final course grade shall be used in lieu of a score on the end-of-course examination from which the student is exempt.

The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades and the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(7)(a) Notwithstanding anything to the contrary in this section, the state board may replace the algebra I end-of-course examination prescribed under division (B)(2) of this section with an algebra II end-of-course examination, beginning with the 2016-2017 school year for students who enter ninth grade on or after July 1, 2016.

Based on the information provided in the hearing, the referee shall recommend whether the department should issue a revised report card for the district. If the referee affirms the department's contention that the district did not make a good faith effort to report data as required by this section, the district shall bear the full cost of conducting the hearing and of issuing any revised report card.

(7) If the department determines that any inaccurate data reported under this section caused a school district to receive excess state funds in any fiscal year, the district shall reimburse the department an amount equal to the excess funds, in accordance with a payment schedule determined by the department. separate performance measure for each school district, and each school building in a district, in accordance with this section. The state board shall adopt rules pursuant to Chapter 119. of the Revised Code to establish performance criteria for each letter grade and prescribe a method by which the department assigns each letter grade. For a school building to which any of the performance measures do not apply, due to grade levels served by the building, the state board shall designate the performance measures that are applicable to the building and that must be calculated separately and used to calculate the building's overall grade. The department shall issue annual report cards reflecting the performance of each school district, each building within each district, and for the state as a whole using the performance measures and letter grade system described in this section. The department shall include on the report card for each district and each building within each district the most recent two-year trend data in student achievement for each subject and each grade.

(A)(1) For the 2012-2013 school year, the department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as adopted by the state board. In adopting benchmarks for assigning letter grades under division (A)(1)(b) of this section, the state board of education shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(c) The extent to which the school district or building meets each of the applicable performance indicators established by the

(i) A score that is at least two standard errors of measure above the mean score shall be designated as an "A."

(ii) A score that is at least one standard error of measure but less than two standard errors of measure above the mean score shall be designated as a "B."

(iii) A score that is less than one standard error of measure above the mean score but greater than or equal to one standard error of measure below the mean score shall be designated as a "C."

Whenever the value-added progress dimension is used as a graded performance measure, whether as an overall measure or as a measure of separate subgroups, the grades for the measure shall be calculated in the same manner as prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

(B)(1) For the 2013-2014 and 2014-2015 school years, the
department shall issue grades as described in division (E) of this section for each of the following performance measures:

(a) Annual measurable objectives;

(e) The overall score under the value-added progress dimension of a school district or building, for which the department shall use up to three years of value-added data as available.

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324. of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.
(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to districts and buildings for purposes of division (B)(1)(g) of this section. In adopting benchmarks for assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of this section, the state board shall determine progress made based on the reduction in the total percentage of students scoring below grade level, or below proficient, compared from year to year on the reading and writing diagnostic assessments administered under section 3301.0715 of the Revised Code and the third grade English language arts assessment under section 3301.0710 of the Revised Code, as applicable. The state board shall designate for a "C" grade a value that is not lower than the statewide average value for this measure. No grade shall be issued under divisions (B)(1)(g) and (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored below grade level on the diagnostic assessment administered to students in kindergarten under division (B)(1) of section 3313.608 of the Revised Code.

(h) For a high mobility school district or building, an additional value-added progress dimension score. For this measure, the department shall use value-added data from the most recent school year available and shall use assessment scores for only those students to whom the district or building has administered the assessments prescribed by section 3301.0710 of the Revised Code for each of the two most recent consecutive school years.

As used in this division, "high mobility school district or building" means a school district or building where at least twenty-five per cent of its total enrollment is made up of students who have attended that school district or building for
less than one year.

(2) In addition to the graded measures in division (B)(1) of this section, the department shall include on a school district's or building's report card all of the following without an assigned letter grade:

(a) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;

(b) The number of a district's or building's students who have earned at least three college credits through dual enrollment or advanced standing programs, such as the post-secondary enrollment options program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's transcript or other official document, either of which is issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.

(c) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with standards adopted under division (F) of section 3345.061 of the Revised Code;

(d) The percentage of the district's or the building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code.

(f) The percentage of the district's or building's students who receive an honors diploma under division (B) of section 3313.61 of the Revised Code.

(3) Not later than December 31, 2013, the state board shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed and assigned a letter grade, including performance benchmarks for each grade.

   At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (B)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(C)(1) For the 2014-2015 school year and each school year thereafter, the department shall issue grades as described in division (E) of this section for each of the performance measures prescribed in division (C)(1) of this section. The graded measures are as follows:

   (a) Annual measurable objectives. For the 2017-2018 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than
twenty-five students. For the 2018-2019 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than twenty students. Beginning with the 2019-2020 school year, the department shall not include any subgroup data in the annual measurable objectives that includes data from fewer than fifteen students.

(b) Performance index score for a school district or building. Grades shall be awarded as a percentage of the total possible points on the performance index system as created by the department. In adopting benchmarks for assigning letter grades under division (C)(1)(b) of this section, the state board shall designate ninety per cent or higher for an "A," at least seventy per cent but not more than eighty per cent for a "C," and less than fifty per cent for an "F."

(d) The four- and five-year adjusted cohort graduation rates;

(e) The overall score under the value-added progress dimension, or another measure of student academic progress if adopted by the state board, of a school district or building, for which the department shall use up to three years of value-added data as available.

In adopting benchmarks for assigning letter grades for overall score on value-added progress dimension under division (C)(1)(e) of this section, the state board shall prohibit the assigning of a grade of "A" for that measure unless the district's
or building's grade assigned for value-added progress dimension for all subgroups under division (C)(1)(f) of this section is a "B" or higher.

For the metric prescribed by division (C)(1)(e) of this section, the state board may adopt a student academic progress measure to be used instead of the value-added progress dimension. If the state board adopts such a measure, it also shall prescribe a method for assigning letter grades for the new measure that is comparable to the method prescribed in division (A)(1)(e) of this section.

(f) The value-added progress dimension score of a school district or building disaggregated for each of the following subgroups: students identified as gifted in superior cognitive ability and specific academic ability fields under Chapter 3324 of the Revised Code, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board. Each subgroup shall be a separate graded measure.

The state board may adopt student academic progress measures to be used instead of the value-added progress dimension. If the state board adopts such measures, it also shall prescribe a method for assigning letter grades for the new measures that is comparable to the method prescribed in division (A)(1)(e) of this section.

(g) Whether a school district or building is making progress in improving literacy in grades kindergarten through three, as determined using a method prescribed by the state board. The state board shall adopt rules to prescribe benchmarks and standards for assigning grades to a district or building for purposes of division (C)(1)(g) of this section. The state board shall designate for a "C" grade a value that is not lower than the
statewide average value for this measure. No grade shall be issued under division (C)(1)(g) of this section for a district or building in which less than five per cent of students have scored below grade level on the kindergarten diagnostic assessment under division (B)(1) of section 3313.608 of the Revised Code.

(h) For a high mobility school district or building, an additional value-added progress dimension score. For this measure, the department shall use value-added data from the most recent school year available and shall use assessment scores for only those students to whom the district or building has administered the assessments prescribed by section 3301.0710 of the Revised Code for each of the two most recent consecutive school years.

As used in this division, "high mobility school district or building" means a school district or building where at least twenty-five per cent of its total enrollment is made up of students who have attended that school district or building for less than one year.

(2) In addition to the graded measures in division (C)(1) of this section, the department shall include on a school district's or building's report card all of the following without an assigned letter grade:

(a) The percentage of students enrolled in a district or building who have taken a national standardized test used for college admission determinations and the percentage of those students who are determined to be remediation-free in accordance with the standards adopted under division (F) of section 3345.061 of the Revised Code;

(b) The percentage of students enrolled in a district or building participating in advanced placement classes and the percentage of those students who received a score of three or better on advanced placement examinations;
(c) The percentage of a district's or building's students who have earned at least three college credits through advanced standing programs, such as the college credit plus program under Chapter 3365. of the Revised Code and state-approved career-technical courses offered through dual enrollment or statewide articulation, that appear on a student's college transcript issued by the institution of higher education from which the student earned the college credit. The credits earned that are reported under divisions (B)(2)(b) and (C)(2)(c) of this section shall not include any that are remedial or developmental and shall include those that count toward the curriculum requirements established for completion of a degree.

(d) The percentage of the district's or building's students who receive an honor's diploma under division (B) of section 3313.61 of the Revised Code;

(e) The percentage of the district's or building's students who receive industry-recognized credentials as approved under section 3313.6113 of the Revised Code;

(f) The percentage of students enrolled in a district or building who are participating in an international baccalaureate program and the percentage of those students who receive a score of four or better on the international baccalaureate examinations;

(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an
overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:

(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;

(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;

(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;

(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. When available, the state board may incorporate the performance measure under division (C)(2)(g) of this section into the component under division (C)(3)(f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C)(3)(f) of this section, no individual student shall be counted in more than one performance measure. However, if a student qualifies for more than one performance measure in the component, the state board may, in its method to determine a grade for the component, specify an additional weight for such a student that is not greater than or equal to 1.0. In determining the overall score under division...
(C)(3)(f) of this section, the state board shall ensure that the pool of students included in the performance measures aggregated under that division are all of the students included in the four- and five-year adjusted graduation cohort.

In the rules adopted under division (C)(3) of this section, the state board shall adopt a method for determining a grade for each component in divisions (C)(3)(a) to (f) of this section. The state board also shall establish a method to assign an overall grade of "A," "B," "C," "D," or "F" using the grades assigned for each component. The method the state board adopts for assigning an overall grade shall give equal weight to the components in divisions (C)(3)(b) and (c) of this section.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods for calculating the overall grade for the report card, as required by this division, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing the format for the report card, weights that will be assigned to the components of the overall grade, and the method for calculating the overall grade.

(D) On or after July 1, 2015, the state board may develop a measure of student academic progress for high school students using only data from assessments in English language arts and mathematics. If the state board develops this measure, each school district and applicable school building shall be assigned a separate letter grade for it not sooner than the 2017-2018 school year. The district's or building's grade for that measure shall not be included in determining the district's or building's overall letter grade.

(E) The letter grades assigned to a school district or building under this section shall be as follows:
(1) "A" for a district or school making excellent progress; 

(2) "B" for a district or school making above average progress; 

(3) "C" for a district or school making average progress; 

(4) "D" for a district or school making below average progress;

(F) When reporting data on student achievement and progress, the department shall disaggregate that data according to the following categories: 

(1) Performance of students by grade-level;

(11) Performance of students grouped by those who are classified as migrants;

(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.

(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.

The department may disaggregate data on student performance according to other categories that the department determines are appropriate. To the extent possible, the department shall disaggregate data on student performance according to any combinations of two or more of the categories listed in divisions (F)(1) to (13) of this section that it deems relevant.

In reporting data pursuant to division (F) of this section, the department shall not include in the report cards any data statistical in nature that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report student performance data for any group identified in division (F) of this section that contains less than ten students. If the department does not report student performance data for a group because it contains less than ten students, the department shall indicate on the report card

(G) The department may include with the report cards any additional education and fiscal performance data it deems valuable.

(H) The department shall include on each report card a list of additional information collected by the department that is available regarding the district or building for which the report card is issued. When available, such additional information shall include student mobility data disaggregated by race and socioeconomic status, college enrollment data, and the reports prepared under section 3302.031 of the Revised Code.

The department shall maintain a site on the world wide web. The report card shall include the address of the site and shall specify that such additional information is available to the public at that site. The department shall also provide a copy of each item on the list to the superintendent of each school district. The district superintendent shall provide a copy of any item on the list to anyone who requests it.

(I)(1)(a) Except as provided in division (I)(1)(b) of this section, for any district that sponsors a conversion community school under Chapter 3314. of the Revised Code, the department shall combine data regarding the academic performance of students enrolled in the community school with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the report card issued for the district under this section or section 3302.033 of the Revised Code.

(b) The department shall not combine data from any conversion community school that a district sponsors if a majority of the students enrolled in the conversion community school are enrolled in a dropout prevention and recovery program that is operated by
the school, as described in division (A)(4)(a) of section 3314.35 of the Revised Code. The department shall include as an addendum to the district's report card the ratings and performance measures that are required under section 3314.017 of the Revised Code for any community school to which division (I)(1)(b) of this section applies. This addendum shall include, at a minimum, the data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of section 3314.017 of the Revised Code.

(2) Any district that leases a building to a community school located in the district or that enters into an agreement with a community school located in the district whereby the district and the school endorse each other's programs may elect to have data regarding the academic performance of students enrolled in the community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district report card. Any district that so elects shall annually file a copy of the lease or agreement with the department.

(3) Any municipal school district, as defined in section 3311.71 of the Revised Code, that sponsors a community school located within the district's territory, or that enters into an agreement with a community school located within the district's territory whereby the district and the community school endorse each other's programs, may exercise either or both of the following elections:

(a) To have data regarding the academic performance of students enrolled in that community school combined with comparable data from the schools of the district for the purpose of determining the performance of the district as a whole on the district's report card;

(b) To have the number of students attending that community school noted separately on the district's report card.
The election authorized under division (I)(3)(a) of this section is subject to approval by the governing authority of the community school.

Any municipal school district that exercises an election to combine or include data under division (I)(3) of this section, by the first day of October of each year, shall file with the department documentation indicating eligibility for that election, as required by the department.

(J) The department shall include on each report card the percentage of teachers in the district or building who are properly certified or licensed teachers, as defined in section 3319.074 of the Revised Code, and a comparison of that percentage with the percentages of such teachers in similar districts and buildings.

(K)(1) In calculating English language arts, mathematics, or science assessment passage rates used to determine school district or building performance under this section, the department shall include all students taking an assessment with accommodation or to whom an alternate assessment is administered pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code.

(2) In calculating performance index scores, rates of achievement on the performance indicators established by the state board under section 3302.02 of the Revised Code, and annual measurable objectives for determining adequate yearly progress for school districts and buildings under this section, the department shall do all of the following:

(a) Include for each district or building only those students who are included in the ADM certified for the first full school week of October and are continuously enrolled in the district or building through the time of the spring administration of any assessment prescribed by division (A)(1) or (B)(1) of section...
3301.0710 or division (B) of section 3301.0712 of the Revised Code that is administered to the student's grade level;

(b) Include cumulative totals from both the fall and spring administrations of the third grade English language arts achievement assessment;

(c) Except as required by the No Child Left Behind Act of 2001, exclude for each district or building any limited English proficient student learner who has been enrolled in United States schools for less than one full school year.

Sec. 3302.042. (A) This section shall operate as a pilot project that applies to any school that has been ranked according to performance index score under section 3302.21 of the Revised Code in the lowest five per cent of all public school buildings statewide for three or more consecutive school years and is operated by the Columbus city school district. The pilot project shall commence once the department of education establishes implementation guidelines for the pilot project in consultation with the Columbus city school district.

(B) Except as provided in division (D), (E), or (F) of this section, if the parents or guardians of at least fifty per cent of the students enrolled in a school to which this section applies, or if the parents or guardians of at least fifty per cent of the total number of students enrolled in that school and the schools of lower grade levels whose students typically matriculate into that school, by the thirty-first day of December of any school year in which the school is subject to this section, sign and file
with the school district treasurer a petition requesting the
district board of education to implement one of the following
reforms in the school, and if the validity and sufficiency of the
petition is certified in accordance with division (C) of this

next school year:

(1) Reopen the school as a community school under Chapter 3314. of the Revised Code;

(2) Replace at least seventy per cent of the school's personnel who are related to the school's poor academic performance or, at the request of the petitioners, retain not more than thirty per cent of the personnel;

(C) Not later than thirty days after receipt of a petition under division (B) of this section, the district treasurer shall verify the validity and sufficiency of the signatures on the petition and certify to the district board whether the petition contains the necessary number of valid signatures to require the board to implement the reform requested by the petitioners. If the treasurer certifies to the district board that the petition does not contain the necessary number of valid signatures, any person who signed the petition may file an appeal with the county auditor within ten days after the certification. Not later than thirty days after the filing of an appeal, the county auditor shall conduct an independent verification of the validity and sufficiency of the signatures on the petition and certify to the
district board whether the petition contains the necessary number of valid signatures to require the board to implement the requested reform. If the treasurer or county auditor certifies that the petition contains the necessary number of valid signatures, the district board shall notify the superintendent of public instruction and the state board of education of the certification.

(D) The district board shall not implement the reform requested by the petitioners in any of the following circumstances:

(1) The district board has determined that the request is for reasons other than improving student academic achievement or student safety.

(2) The state superintendent has determined that implementation of the requested reform would not comply with the model of differentiated accountability described in section 3302.041 of the Revised Code.

(3) The petitioners have requested the district board to implement the reform described in division (B)(4) of this section and the department has not agreed to take over the school's operation.

(4) When all of the following have occurred:

(a) After a public hearing on the matter, the district board issued a written statement explaining the reasons that it is unable to implement the requested reform and agreeing to implement one of the other reforms described in division (B) of this section.

(b) The district board submitted its written statement to the state superintendent and the state board along with evidence showing how the alternative reform the district board has agreed to implement will enable the school to improve its academic
performance.

(c) Both the state superintendent and the state board have approved implementation of the alternative reform.

(E) If the provisions of this section conflict in any way with the requirements of federal law, federal law shall prevail over the provisions of this section.

(F) If a school is restructured under this section, section 3302.10 or 3302.12 of the Revised Code, or federal law, the school shall not be required to restructure again under state law for three consecutive years after the implementation of that prior restructuring.

(G) Beginning not later than six months after the first petition under this section has been resolved, the department of education shall annually evaluate the pilot program and submit a report to the general assembly under section 101.68 of the Revised Code. Such reports shall contain its recommendations to the general assembly with respect to the continuation of the pilot program, its expansion to other school districts, or the enactment of further legislation establishing the program statewide under permanent law.

The department shall make the increased number of scholarships available for each subsequent school year until the department is again required to increase the number of scholarships under division (A) of this section.

**Sec. 3310.032.** (A) A student is an "eligible student" for purposes of the expansion of the educational choice scholarship pilot program under this section if the student's resident district is not a school district in which the pilot project scholarship program is operating under sections 3313.974 to 3313.979 of the Revised Code, the student is not eligible for an educational choice scholarship under section 3310.03 of the Revised Code, and the student's family income is at or below two hundred per cent of the federal poverty guidelines, as defined in section 5101.46 of the Revised Code.

(B) In each fiscal year for which the general assembly appropriates funds for purposes of this section, the department of education shall pay scholarships to attend chartered nonpublic schools in accordance with section 3310.08 of the Revised Code. The number of scholarships awarded under this section shall not exceed the number that can be funded with appropriations made by the general assembly for this purpose.

(C) Scholarships under this section shall be awarded as follows:

(1) For the 2013-2014 school year, to eligible students who are entering kindergarten in that school year for the first time;

(2) For each subsequent school year through the 2019-2020 school year, scholarships shall be awarded to eligible students in the next grade level above the highest grade level awarded in the preceding school year, in addition to the grade levels for which students received scholarships in the preceding school year.
(3) Beginning with the 2020-2021 school year, to eligible students who are entering any of grades kindergarten through twelve in that school year for the first time.

(D) If the number of eligible students who apply for a scholarship under this section exceeds the scholarships available based on the appropriation for this section, the department shall award scholarships in the following order of priority:

(1) First, to eligible students who received scholarships under this section in the prior school year;

(2) Second, to eligible students with family incomes at or below one hundred per cent of the federal poverty guidelines. If the number of students described in division (D)(2) of this section who apply for a scholarship exceeds the number of available scholarships after awards are made under division (D)(1) of this section, the department shall select students described in division (D)(2) of this section by lot to receive any remaining scholarships.

(3) Third, to other eligible students who qualify under this section. If the number of students described in division (D)(3) of this section exceeds the number of available scholarships after awards are made under divisions (D)(1) and (2) of this section, the department shall select students described in division (D)(3) of this section by lot to receive any remaining scholarships.

(E) Subject to divisions (E)(1) to (3) of this section, a student who receives a scholarship under this section remains an eligible student and may continue to receive scholarships under this section in subsequent school years until the student completes grade twelve, so long as the student satisfies the conditions specified in divisions (F)(G)(2) and (3) of section 3310.03 of the Revised Code.

Once a scholarship is awarded under this section, the student
shall remain eligible for that scholarship for the current school year and subsequent school years even if the student's family income rises above the amount specified in division (A) of this section, provided the student remains enrolled in a chartered nonpublic school, however:

(1) If the student's family income is above two hundred per cent but at or below three hundred per cent of the federal poverty guidelines, the student shall receive a scholarship in the amount of seventy-five per cent of the full scholarship amount.

(2) If the student's family income is above three hundred per cent but at or below four hundred per cent of the federal poverty guidelines, the student shall receive a scholarship in the amount of fifty per cent of the full scholarship amount.

(3) If the student's family income is above four hundred per cent of the federal poverty guidelines, the student is no longer eligible to receive an educational choice scholarship.

Sec. 3310.035. (A) A student who is eligible for an educational choice scholarship under both sections 3310.03 and 3310.032 of the Revised Code, and applies for a scholarship for the first time after September 29, 2013, shall receive a scholarship under section 3310.03 of the Revised Code.

(B) A student who is eligible under both sections 3310.03 and 3310.032 of the Revised Code and received a scholarship in the previous school year shall continue to receive the scholarship under the section from which the student received the scholarship in the previous school year, so long as:

(1) The number of students who apply for a scholarship does not exceed the number of scholarships available under division (A) of section 3310.02 of the Revised Code.

(2) A student who receives a scholarship under section
3310.03 of the Revised Code satisfies with the conditions specified in divisions (F)(1) to (3) of that section, and a student who receives a scholarship under section 3310.032 satisfies with the conditions specified in divisions (E)(G)(2) and (3) of section 3310.03 of the Revised Code.

Sec. 3310.08. (A) The amount paid for an eligible student under the educational choice scholarship pilot program and the expansion of the program under section 3310.032 of the Revised Code shall be the lesser of the tuition of the chartered nonpublic school in which the student is enrolled, prior to the application of any other sources of financial aid received by the student, or the maximum amount prescribed in section 3310.09 of the Revised Code.

(B)(1) The department of education shall pay to the parent of each eligible student for whom a scholarship is awarded under the program, or to the student if at least eighteen years of age, periodic partial payments of the scholarship.

(2) The department shall proportionately reduce or terminate the payments for any student who withdraws from a chartered nonpublic school prior to the end of the school year.

(C)(1) The department shall deduct from the payments made to each school district under Chapter 3317., and if necessary, sections 321.24 and 323.156 of the Revised Code, the amount paid under division (B) of this section for each eligible student who qualifies for a scholarship under section 3310.03 of the Revised Code and who is entitled under section 3313.64 or 3313.65 of the Revised Code to attend school in the district. In the case of a student entitled to attend school in a school district under division (B)(2)(a) of section 3313.64 or division (C) of section 3313.65 of the Revised Code, the department shall deduct the payments from the school district in whose formula ADM the student
is included, as that term is defined in section 3317.02 of the Revised Code.

(2) If the department reduces or terminates payments to a parent or a student, as prescribed in division (B)(2) of this section, and the student enrolls in the schools of the student's resident district or in a community school, established under Chapter 3314. of the Revised Code, before the end of the school year, the department shall proportionally restore to the resident district the amount deducted for that student under division (C)(1) of this section.

Sec. 3310.16. (A) Except as provided in division (B) of this section, for the 2013-2014 2020-2021 school year and each school year thereafter, the department of education shall conduct two application periods accept, process, and award scholarships each year for the educational choice scholarship pilot program under sections 3310.03 and 3310.032 of the Revised Code, as follows:

(1) The first (A) priority application period shall open not sooner than on the first day of February January prior to the first day of July of the school year for which a scholarship is sought and run not less than seventy-five days to the first day of May of that year. The department shall award scholarships under this division not later than the thirty-first day of May prior to the first day of July of the school year for which a scholarship is sought.

(2) The second application period shall open not sooner than the first day of July of the school year for which the scholarship is sought and run not less than thirty days.

(B) If the scholarships awarded under section 3310.032 of the Revised Code in the first application period for any school year use the entirety of the amount appropriated by the general
assembly for such scholarships for that school year, the department need not conduct a second application period for scholarships under that section. If, after the first application period, there are funds remaining to award scholarships under section 3310.032 of the Revised Code, the department shall conduct a second application period in accordance with division (A)(2) of this section.

(C) Not later than the thirty-first day of May of each school year, the department shall determine whether funds remain available for income-based scholarships under the educational choice scholarship program after the first application period. The department shall continue to award scholarships after the priority application period closes. If the department awards a scholarship after the beginning of the school year, the department shall prorate the amount of the scholarship based on how much of the school year remains. The department shall continue to award income-based scholarships under section 3310.032 of the Revised Code only so long as funds appropriated by the general assembly for such scholarships for that school year remain available.

Sec. 3311.78. Notwithstanding any provision of the Revised Code to the contrary, a municipal school district shall be subject to this section instead of sections 3317.13, 3317.14, and 3317.141 of the Revised Code.

(A) As used in this section, "principal" includes an assistant principal.

(B) The board of education of each municipal school district annually shall adopt a differentiated salary schedule for teachers based upon performance as described in division (D) of this section. The board also annually shall adopt a differentiated salary schedule for principals based upon performance as described in division (D) of this section.
For each teacher or principal hired on or after October 1, 2012, the board shall determine the teacher's or principal's initial placement on the applicable salary schedule based on years of experience and area of licensure and any other factors the board considers appropriate. For each teacher hired prior to October 1, 2012, the board shall initially place the teacher on the applicable salary schedule so that the teacher's annual salary on the schedule is comparable to the teacher's annual salary for the school year immediately prior to the school year covered by the schedule. For each principal hired prior to October 1, 2012, the board shall initially place the principal on the applicable salary schedule consistent with the principal's employment contract.

(C) The salary of a teacher shall not be reduced unless such reduction is accomplished as part of a negotiated collective bargaining agreement. The salary of a principal shall not be reduced during the term of the principal's employment contract unless such reduction is by mutual agreement of the board and the principal or is part of a uniform plan affecting the entire district.

(D) For purposes of the schedules, the board shall measure a teacher's or principal's performance by considering all of the following:

(1) The level of license issued under section 3319.22 of the Revised Code that the teacher or principal holds;

(2) In the case of a teacher, whether the teacher is a properly certified or licensed teacher, as defined in section 3319.074 of the Revised Code;

(3) Ratings received by the teacher or principal on performance evaluations conducted under section 3311.80 or 3311.84 of the Revised Code;
(4)(3) Any specialized training and experience in the assigned position.

(E) The salary schedules adopted under this section may provide for additional compensation for teachers or principals who perform duties, not contracted for under a supplemental contract, that the board determines warrant additional compensation. Those duties may include, but are not limited to, assignment to a school building eligible for funding under Title I of the "Elementary and Secondary Education Act of 1965," 20 U.S.C. 6301 et seq.; assignment to a building in "school improvement" status under the "No Child Left Behind Act of 2001," as defined in section 3302.01 of the Revised Code; teaching in a grade level or subject area in which the board has determined there is a shortage within the district; assignment to a hard-to-staff school, as determined by the board; or teaching in a school with an extended school day or school year.

(F) The chief executive officer of the district, or the chief executive officer's designee, annually shall review the salary of each teacher and principal and make a recommendation to the board. Based on the recommendation, the board may increase a teacher's or principal's salary based on the teacher's or principal's performance and duties as provided for in divisions (D) and (E) of this section. The performance-based increase for a teacher or principal rated as accomplished shall be greater than the performance-based increase for a teacher or principal rated as skilled. Notwithstanding division (C) of this section, division (C) of section 3319.02, and section 3319.12 of the Revised Code, the board may decrease the teacher's or principal's salary if the teacher or principal will perform fewer or different duties described in division (E) of this section in the school year for which the salary is decreased.

(G) Notwithstanding any provision to the contrary in Chapter
4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of a collective bargaining agreement entered into on or after October 1, 2012. However, the board and the teachers' labor organization shall negotiate the implementation of the differentiated salary schedule for teachers and may negotiate additional factors regarding teacher salaries, provided those factors are consistent with this section.

**Sec. 3311.79.** (A) When assigning teachers to schools of a municipal school district prior to the start of a school year, teachers may apply for open positions. All applicants shall be considered. Applicants may be interviewed by a building level team comprised of the building principal, a representative of the district teachers' labor organization, a parent, a staff member in the same job classification as the posted position, and any other members mutually agreed upon by the principal and the labor organization representative. When openings occur, the principal and labor organization representative shall mutually select the members of the building level team. Interviews by the building level team shall not be delayed due to the unavailability of duly notified team members. The team shall make recommendations whether to assign a teacher to an open position in the building based on how suitably the teacher's credentials fulfill the needs of the particular school. For this purpose, the building level team shall consider the following credentials:

1. The level of license issued under section 3319.22 of the Revised Code that the teacher holds;

2. The number of subject areas the teacher is licensed to teach;

3. Whether the teacher would be a properly certified or licensed teacher, as defined in section 3319.074 of the Revised Code, in the open position.
(4) The results of the teacher's performance evaluations conducted under section 3311.80 of the Revised Code;

(5) Whether the teacher has recently taught and been evaluated in the subject areas the teacher would teach at the school;

(6) Any specialized training or experience the teacher possesses that are relevant to the open position;

(7) Any other credentials established by the district chief executive officer or a building level team.

(B) The building level team shall make its recommendations to the district chief executive officer or the chief executive officer's designee for the chief executive officer's or designee's final approval of the assignment.

(C) In the event that open positions in one or more school buildings have not been filled through the procedures set forth in divisions (A) and (B) of this section, or if the building level team has not been able to reach a consensus on a candidate, by ten days prior to the first work day for teachers of the school year, the district chief executive officer or the chief executive officer's designee shall assign teachers to any of those open positions based on the best interests of the district. In making an assignment under this division, the chief executive officer or the chief executive officer's designee shall take into consideration all input from the building level team members.

(D) In the event that a position opens after the first student day of the school year, the building level team interview and recommendation procedures set forth in divisions (A) and (B) of this section shall be used to fill the open position. If any positions remain open, or if the building level team has not been able to reach a consensus on a candidate, after a reasonable period of time as determined by the chief executive officer or the
chief executive officer's designee, the chief executive officer or the chief executive officer's designee shall assign teachers to any of those open positions based on the best interests of the district. In making an assignment under this division, the chief executive officer or the chief executive officer's designee shall take into consideration all input from the building level team members.

(E) In the event it becomes necessary to assign, reassign, or transfer a teacher, whether voluntarily or involuntarily on the part of the teacher, for the purpose of promoting the best interests of the district, the chief executive officer or the chief executive officer's designee shall first meet with the teacher, the principals of the affected buildings, and a representative of the district teachers' labor organization. The assignment, reassignment, or transfer shall not be delayed due to the unavailability of the meeting participants who have been duly notified.

(F) The district chief executive officer or a building level team shall not use seniority or continuing contract status as the primary factor in determining any teacher's assignment to a school.

(G) Notwithstanding any provision to the contrary in Chapter 4117. of the Revised Code, the requirements of this section prevail over any conflicting provisions of a collective bargaining agreement entered into on or after October 1, 2012. However, the board and the teachers' labor organization shall negotiate regarding the implementation of this section, including the processes by which each building level team conducts its interviews and makes recommendations, consistent with this section.

Sec. 3312.01. (A) The educational regional service system is
hereby established. The system shall support state and regional education initiatives and efforts to improve school effectiveness and student achievement. Services, including special education and related services, shall be provided under the system to school districts, community schools established under Chapter 3314. of the Revised Code, and chartered nonpublic schools.

It is the intent of the general assembly that the educational regional service system reduce the unnecessary duplication of programs and services and provide for a more streamlined and efficient delivery of educational services without reducing the availability of the services needed by school districts and schools.

(B) The educational regional service system shall consist of the following:

(1) The advisory councils and subcommittees established under sections 3312.03 and 3312.05 of the Revised Code;

(2) A fiscal agent for each of the regions as configured under section 3312.02 of the Revised Code;

(3) Educational service centers, information technology centers established under section 3301.075 of the Revised Code, and other regional education service providers.

(C) Educational service centers shall provide the services that they are specifically required to provide by the Revised Code and may enter into agreements pursuant to section 3313.843, 3313.844, or 3313.845 of the Revised Code for the provision of other services, which may include any of the following:

(1) Assistance in improving student performance;

(2) Services to enable a school district or school to operate more efficiently or economically;

(3) Professional development for teachers or administrators;
(4) Assistance in the recruitment and retention of teachers and administrators;

(5) Applying for any state or federal grant on behalf of a school district;

(6) Any other educational, administrative, or operational services.

In addition to implementing state and regional education initiatives and school improvement efforts under the educational regional service system, educational service centers shall implement state or federally funded initiatives assigned to the service centers by the general assembly or the department of education.

Any educational service center selected to be a fiscal agent for its region pursuant to section 3312.07 of the Revised Code shall continue to operate as an educational service center for the part of the region that comprises its territory.

(D) An educational service center shall be considered a school district for the purposes of eligibility in applying for any state or federal grant.

(E) Information technology centers may enter into agreements for the provision of services pursuant to section 3312.10 of the Revised Code.

(F) No school district, community school, or chartered nonpublic school shall be required to purchase services from an educational service center or information technology center in the region in which the district or school is located, except that a local school district shall receive any services required by the Revised Code to be provided by an educational service center to the local school districts in its territory from the educational service center in whose territory the district is located.

(4) "STEM school" means a science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code.

(5) "Unused school facilities" means any real property that has been used by a school district for school operations, including, but not limited to, academic instruction or administration, since July 1, 1998, but has not been used in that capacity for two years one year.

(B)(1) Except as provided in section 3313.412 of the Revised Code, on and after June 30, 2011, any school district board of education shall offer any unused school facilities it owns in its corporate capacity for lease or sale to the governing authorities of community schools, the boards of trustees of any college-preparatory boarding schools, and the governing bodies of any STEM schools, that are located within the territory of the district. Not later than sixty days after the district board makes the offer, interested governing authorities, boards of trustees, and governing bodies shall notify the district treasurer in writing of the intention to lease or purchase the property.

The district board shall give priority to the governing authorities of high-performing community schools that are located within the territory of the district.
(2) At the same time that a district board makes the offer required under division (B)(1) of this section, the board also may, but shall not be required to, offer that property for sale or lease to the governing authorities of community schools with plans, stipulated in their contracts entered into under section 3314.03 of the Revised Code, either to relocate their operations to the territory of the district or to add facilities, as authorized by division (B)(3) or (4) of section 3314.05 of the Revised Code, to be located within the territory of the district.

(C)(1) If, not later than sixty days after the district board makes the offer, only one governing authority of a high-performing community school offered the property under division (B) of this section notifies the district treasurer in writing of the intention to purchase the property pursuant to that division, the district board shall sell the property to that party for the appraised fair market value of the property as determined in an appraisal of the property that is not more than one year old.

If, not later than sixty days after the district board makes the offer, more than one governing authority of a high-performing community school offered the property under division (B) of this section notifies the district treasurer in writing of the intention to purchase the property pursuant to that division, the board shall conduct a public auction in the manner required for auctions of district property under division (A) of section 3313.41 of the Revised Code. Only the governing authorities of high-performing community schools that notified the district treasurer of the intention to purchase the property pursuant to division (B) of this section are eligible to bid at the auction. The district board is not obligated to accept any bid for the property that is lower than the appraised fair market value of the property as determined in an appraisal that is not more than one year old.
If, not later than sixty days after the district board makes the offer, no governing authority of a high-performing community school notifies the district treasurer of its intention to purchase the property pursuant to division (B) of this section, the board shall then proceed with the offers from all other start-up community schools, college-preparatory boarding schools, and STEM schools made pursuant to that division.

If more than one such entity notifies the district treasurer of its intention to purchase the property pursuant to division (B) of this section, the board shall conduct a public auction in the manner required for auctions of district property under division (A) of section 3313.41 of the Revised Code. Only the entities that notified the district treasurer pursuant to division (B) of this section are eligible to bid at the auction.

If more than one governing authority of a high-performing community school notifies the district treasurer in writing of the intention to lease the property pursuant to division (B) of this section, the district board shall conduct a lottery to select from among those governing authorities the one qualified governing authority to which the district board shall lease the property.

If no such governing authority of a high-performing community school notifies the district treasurer of its intention to lease the property pursuant to division (B) of this section, the board shall then proceed with the offers from all other start-up community schools, college-preparatory boarding schools, and STEM schools made pursuant to that division. If more than one other start-up community school, college-preparatory boarding school, or STEM school notified the district treasurer of its intention to lease the property pursuant to division (B) of this section, the district board shall conduct a lottery to select from among those parties the one qualified party to which the district board shall lease the property.
(4) The lease price offered by a district board to a community school, college-preparatory boarding school, or STEM school under this section shall not be higher than the fair market value for such a leasehold as determined in an appraisal that is not more than one year old.

(5) If no qualified party offered the property under division (B) of this section accepts the offer to lease or buy the property within sixty days after the offer is made, the district board may offer the property to any other entity in accordance with divisions (A) to (F) of section 3313.41 of the Revised Code.

(D) Notwithstanding division (B) of this section, a school district board may renew any agreement it originally entered into prior to June 30, 2011, to lease real property to an entity other than a community school, college-preparatory boarding school, or STEM school. Nothing in this section shall affect the leasehold arrangements between the district board and that other entity.

(E)(1) Except as provided in division (E)(2) of this section, the governing authority of a community school, board of trustees of a college-preparatory boarding school, or governing body of a STEM school shall not sell any property purchased under division (B) of this section within five years of purchasing that property.

(2) The governing authority, board of trustees, or governing body may sell a property purchased under division (B) of this section within five years of the purchase, only if the governing authority, board of trustees, or governing body sells or transfers that property to another entity described in that division.

Sec. 3313.5315. Any student from a country or province outside the United States who attends an elementary or secondary school in this state that began operating a dormitory on its campus prior to 2014 shall be permitted to participate in interscholastic athletics at that school on the same basis as
students who are residents of this state, so long as the student holds an F-1 visa issued by the United States department of state. Such a student shall not be denied the opportunity to participate in interscholastic athletics solely because the student's parents do not reside in this state.

No school district, school, interscholastic conference, or organization that regulates interscholastic conferences or events shall have a rule, bylaw, or other regulation that conflicts with this section.

**Sec. 3313.5316.** A city, local, or exempted village school district, interscholastic conference, or organization that regulates interscholastic athletics shall have the same pupil transfer rules for public schools and nonpublic schools.

No district, interscholastic conference, or organization that regulates interscholastic athletics shall adopt a rule, bylaw, or other regulation contrary to this section.

**Sec. 3313.608.** (A)(1) Beginning with students who enter third grade in the school year that starts July 1, 2009, and until June 30, 2013, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, for any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, each school district, in accordance with the policy adopted under section 3313.609 of the Revised Code, shall do one of the following:

(a) Promote the student to fourth grade if the student's principal and reading teacher agree that other evaluations of the
student's skill in reading demonstrate that the student is academically prepared to be promoted to fourth grade;

(b) Promote the student to fourth grade but provide the student with intensive intervention services in fourth grade;

(c) Retain the student in third grade.

(2) Beginning with students who enter third grade in the 2013-2014 school year, unless the student is excused under division (C) of section 3301.0711 of the Revised Code from taking the assessment described in this section, no school district shall promote to fourth grade any student who does not attain at least the equivalent level of achievement designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, unless one of the following applies:

(a) The student is a limited English proficient student learner who has been enrolled in United States schools for less than three full school years and has had less than three years of instruction in an English as a second language program.

(b) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code and the student's individualized education program exempts the student from retention under this division.

(c) The student demonstrates an acceptable level of performance on an alternative standardized reading assessment as determined by the department of education.

(d) All of the following apply:

(i) The student is a child with a disability entitled to special education and related services under Chapter 3323. of the Revised Code.
(ii) The student has taken the third grade English language arts achievement assessment prescribed under section 3301.0710 of the Revised Code.

(iii) The student's individualized education program or plan under section 504 of the "Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as amended, shows that the student has received intensive remediation in reading for two school years but still demonstrates a deficiency in reading.

(iv) The student previously was retained in any of grades kindergarten to three.

(e)(i) The student received intensive remediation for reading for two school years but still demonstrates a deficiency in reading and was previously retained in any of grades kindergarten to three.

(ii) A student who is promoted under division (A)(2)(e)(i) of this section shall continue to receive intensive reading instruction in grade four. The instruction shall include an altered instructional day that includes specialized diagnostic information and specific research-based reading strategies for the student that have been successful in improving reading among low-performing readers.

(B)(1) Beginning in the 2012-2013 school year, to assist students in meeting the third grade guarantee established by this section, each school district board of education shall adopt policies and procedures with which it annually shall assess the reading skills of each student, except those students with significant cognitive disabilities or other disabilities as authorized by the department on a case-by-case basis, enrolled in kindergarten to third grade and shall identify students who are reading below their grade level. The reading skills assessment shall be completed by the thirtieth day of September for students
in grades one to three, and by the first day of November for students in kindergarten. Each district shall use the diagnostic assessment to measure reading ability for the appropriate grade level adopted under section 3301.079 of the Revised Code, or a comparable tool approved by the department of education, to identify such students. The policies and procedures shall require the students' classroom teachers to be involved in the assessment and the identification of students reading below grade level. The assessment may be administered electronically using live, two-way video and audio connections whereby the teacher administering the assessment may be in a separate location from the student.

(2) For each student identified by the diagnostic assessment prescribed under this section as having reading skills below grade level, the district shall do both of the following:

(a) Provide to the student's parent or guardian, in writing, all of the following:

(i) Notification that the student has been identified as having a substantial deficiency in reading;

(ii) A description of the current services that are provided to the student;

(iii) A description of the proposed supplemental instructional services and supports that will be provided to the student that are designed to remediate the identified areas of reading deficiency;

(iv) Notification that if the student attains a score in the range designated under division (A)(3) of section 3301.0710 of the Revised Code on the assessment prescribed under that section to measure skill in English language arts expected at the end of third grade, the student shall be retained unless the student is exempt under division (A) of this section. The notification shall specify that the assessment under section 3301.0710 of the Revised Code...
Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(b) Provide intensive reading instruction services and regular diagnostic assessments to the student immediately following identification of a reading deficiency until the development of the reading improvement and monitoring plan required by division (C) of this section. These intervention services shall include research-based reading strategies that have been shown to be successful in improving reading among low-performing readers and instruction targeted at the student's identified reading deficiencies.

(3) For each student retained under division (A) of this section, the district shall do all of the following:

(a) Provide intense remediation services until the student is able to read at grade level. The remediation services shall include intensive interventions in reading that address the areas of deficiencies identified under this section including, but not limited to, not less than ninety minutes of reading instruction per day, and may include any of the following:

(i) Small group instruction;

(ii) Reduced teacher-student ratios;

(iii) More frequent progress monitoring;

student retained under division (A) of this section who demonstrates that the student is reading at or above grade level;

(c) Provide each student with a teacher who satisfies one or more of the criteria set forth in division (H) of this section.

The district shall offer the option for students to receive applicable services from one or more providers other than the district. Providers shall be screened and approved by the district or the department of education. If the student participates in the remediation services and demonstrates reading proficiency in accordance with standards adopted by the department prior to the start of fourth grade, the district shall promote the student to that grade.

(4) For each student retained under division (A) of this section who has demonstrated proficiency in a specific academic ability field, each district shall provide instruction commensurate with student achievement levels in that specific academic ability field.

As used in this division, "specific academic ability field" has the same meaning as in section 3324.01 of the Revised Code.

(C) For each student required to be provided intervention services under this section, the district shall develop a reading improvement and monitoring plan within sixty days after receiving the student's results on the diagnostic assessment or comparable tool administered under division (B)(1) of this section. The district shall involve the student's parent or guardian and classroom teacher in developing the plan. The plan shall include all of the following:

(1) Identification of the student's specific reading deficiencies;

(2) A description of the additional instructional services and support that will be provided to the student to remediate the
identified reading deficiencies;

(3) Opportunities for the student's parent or guardian to be involved in the instructional services and support described in division (C)(2) of this section;

(4) A process for monitoring the extent to which the student receives the instructional services and support described in division (C)(2) of this section;

Each student with a reading improvement and monitoring plan under this division who enters third grade after July 1, 2013, shall be assigned to a teacher who satisfies one or more of the criteria set forth in division (H) of this section.

The district shall report any information requested by the department about the reading improvement monitoring plans developed under this division in the manner required by the department.

(D) Each school district shall report annually to the department on its implementation and compliance with this section using guidelines prescribed by the superintendent of public
instruction. The superintendent of public instruction annually shall report to the governor and general assembly the number and percentage of students in grades kindergarten through four reading below grade level based on the diagnostic assessments administered under division (B) of this section and the achievement assessments administered under divisions (A)(1)(a) and (b) of section 3301.0710 of the Revised Code in English language arts, aggregated by school district and building; the types of intervention services provided to students; and, if available, an evaluation of the efficacy of the intervention services provided.

(E) Any summer remediation services funded in whole or in part by the state and offered by school districts to students under this section shall meet the following conditions:

(1) The remediation methods are based on reliable educational research.

(b) The teacher has completed a master's degree program with a major in reading.

(c) The teacher was rated "most effective" for reading instruction consecutively for the most recent two years based on assessments of student growth measures developed by a vendor and that is on the list of student assessments approved by the state board under division (B)(2) of section 3319.112 of the Revised Code.

(d) The teacher was rated "above expected value added," in reading instruction, as determined by criteria established by the department, for the most recent, consecutive two years.

(e) The teacher has earned a passing score on a rigorous test of principles of scientifically research-based reading instruction as approved by the state board.

(f) The teacher holds an educator license for teaching grades pre-kindergarten through three or four through nine issued on or after July 1, 2017.

(2) Notwithstanding division (H)(1) of this section, a student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013, may be assigned to a teacher with less than one year of teaching experience provided that the teacher meets one or more of the criteria described in divisions (H)(1)(a) to (f) of this section and that teacher is assigned a teacher mentor who meets the qualifications of division (H)(1) of this section.

(3) Notwithstanding division (H)(1) of this section, a student described in division (B)(3) or (C) of this section who enters third grade for the first time on or after July 1, 2013,
but prior to July 1, 2016, may be assigned to a teacher who holds

scientifically research-based reading instruction that has been
approved by the department. Beginning on July 1, 2014, the
alternative credentials and training described in division (H)(3)
of this section shall be aligned with the reading competencies
adopted by the state board of education under section 3301.077 of
the Revised Code.

(4) Notwithstanding division (H)(1) of this section, a
student described in division (B)(3) or (C) of this section who
enters third grade for the first time on or after July 1, 2013,
may receive reading intervention or remediation services under
this section from an individual employed as a speech-language
pathologist who holds a license issued by the state speech and
hearing professionals board under Chapter 4753. of the Revised
Code and a professional pupil services license as a school
speech-language pathologist issued by the state board of
education.

(5) A teacher, other than a student's teacher of record, may
provide any services required under this section, so long as that
other teacher meets the requirements of division (H) of this
section and the teacher of record and the school principal agree
to the assignment. Any such assignment shall be documented in the
student's reading improvement and monitoring plan.

As used in this division, "teacher of record" means the
classroom teacher to whom a student is assigned.

(I) Notwithstanding division (H) of this section, a teacher
may teach reading to any student who is an English language
learner, and has been in the United States for three years or
less, or to a student who has an individualized education program
developed under Chapter 3323. of the Revised Code if that teacher

Beginning on July 1, 2014, the alternative credentials and training described in this division shall be aligned with the reading competencies adopted by the state board of education under section 3301.077 of the Revised Code.

The staffing plan shall include criteria that will be used to assign a student described in division (B)(3) or (C) of this section to a teacher, credentials or training held by teachers currently teaching at the school, and how the school district or community school will meet the requirements of this section. The school district or community school shall post the staffing plan on its web site for the applicable school year.

Not later than March 1, 2014, and on the first day of March in each year thereafter, a school district or community school that has submitted a plan under this division shall submit to the department a detailed report of the progress the district or school has made in meeting the requirements under this section.

A school district or community school may request an extension of a staffing plan beyond the 2013-2014 school year. Extension requests must be submitted to the department not later than the thirtieth day of April prior to the start of the applicable school year. The department may grant extensions valid through the 2015-2016 school year.

Until June 30, 2015, the department annually shall review all
staffing plans and report to the state board not later than the thirtieth day of June of each year the progress of school districts and community schools in meeting the requirements of this section.

Not later than June 30, 2020, each board of education of a school district and governing authority of a chartered nonpublic school shall adopt a policy regarding students who are at risk of not qualifying for a high school diploma. The policy shall require the district or school to do all of the following:

(A) Develop criteria for identifying at-risk students, which shall include a student's lack of adequate progress in meeting the terms of a graduation plan developed or updated under division (E) of this section. The criteria also may include other factors, such as if a student has issues regarding excessive absences or misconduct.

(B) Develop procedures for identifying at-risk students. The procedures shall include a method for determining if a student is not making adequate progress in meeting the terms of a graduation plan developed or updated under division (E) of this section. The

(2) The graduation plan shall be developed jointly by the student and a representative of the district or school and updated each school year in which the student is enrolled in the district or school, until the student qualifies for a high school diploma. The district or school shall invite a student's parent, guardian, or custodian to assist in developing and updating the graduation plan.

(3) A district or school shall include a student's lack of progress in meeting the terms of a graduation plan developed or updated under this division as both a criterion for identifying at-risk students under division (A) of this section and a procedure for identifying at-risk students under division (B) of this section.

(2) "Outside-school-hours care center" has the meaning established in 7 C.F.R. 226.2.
(B) The state board of education shall establish standards for a school lunch program, school breakfast program, child and adult care food program, special food service program for children, summer food service program for children, special milk program for children, food service equipment assistance program, and commodity distribution program established under the "National School Lunch Act," 60 Stat. 230 (1946), 42 U.S.C. 1751, as amended, and the "Child Nutrition Act of 1966," 80 Stat. 885, 42 U.S.C. 1771, as amended. Any board of education of a school district, nonprofit private school, outdoor education center, child care institution, outside-school-hours care center, or summer camp desiring to participate in such a program or required to participate under this section shall, if eligible to participate under the "National School Lunch Act," as amended, or the "Child Nutrition Act of 1966," as amended, make application to the state board of education for assistance. The board shall administer the allocation and distribution of all state and federal funds for these programs.

(C) The state board of education shall require the board of education of each school district to establish and maintain a school breakfast, lunch, and summer food service program pursuant to the "National School Lunch Act" and the "Child Nutrition Act of 1966," as described in divisions (C)(1) to (4) of this section.

(1) The state board shall require the board of education in each school district to establish a breakfast program in every school where at least one-fifth of the pupils in the school are eligible under federal requirements for free breakfasts and to establish a lunch program in every school where at least one-fifth of the pupils are eligible for free lunches. The board of education required to establish a breakfast program under this division may make a charge in accordance with federal requirements for each reduced price breakfast or paid breakfast to cover the
cost incurred in providing that meal.

(2) The state board shall require the board of education in each school district to establish a breakfast program in every school in which the parents of at least one-half of the children enrolled in the school have requested that the breakfast program be established. The board of education required to establish a program under this division may make a charge in accordance with federal requirements for each meal to cover all or part of the costs incurred in establishing such a program.

A breakfast program established under division (C)(1) or (2) of this section shall be operated in accordance with section 3313.818 of the Revised Code in any school meeting the conditions prescribed by that section.

(3) The state board shall require the board of education in each school district to establish one of the following for summer intervention services described in division (D) of section 3301.0711 or provided under section 3313.608 of the Revised Code, and any other summer intervention program required by law:

(a) An extension of the school breakfast program pursuant to the "National School Lunch Act" and the "Child Nutrition Act of 1966";

(b) An extension of the school lunch program pursuant to those acts;

(c) A summer food service program pursuant to those acts.

(4)(a) If the board of education of a school district determines that, for financial reasons, it cannot comply with division (C)(1) or (3) of this section, the district board may choose not to comply with either or both divisions, except as provided in divisions (C)(4)(b) and (c) of this section. The district board publicly shall communicate to the residents of the district, in the manner it determines appropriate, its decision.
not to comply.

(b) If a district board chooses not to comply with division (C)(1) of this section, the state board nevertheless shall require the district board to establish a breakfast program in every school where at least one-third of the pupils in the school are eligible under federal requirements for free breakfasts and to establish a lunch program in every school where at least one-third of the pupils are eligible for free lunches. The district board may make a charge in accordance with federal requirements for each reduced price breakfast or paid breakfast to cover the cost incurred in providing that meal.

(c) If the board of education of a school district chooses not to comply with division (C)(3) of this section, the state board nevertheless shall require the district board to permit an approved summer food service program sponsor to use school facilities located in a school building attendance area where at least one-half of the pupils are eligible for free lunches.

The department of education shall post in a prominent location on the department's web site a list of approved summer food service program sponsors that may use school facilities under this division.

Subject to the provisions of sections 3313.75 and 3313.77 of the Revised Code, a school district may charge the summer food service program sponsor a reasonable fee for the use of school facilities that may include the actual cost of custodial services, charges for the use of school equipment, and a prorated share of the utility costs as determined by the district board. A school district shall require the summer food service program sponsor to indemnify and hold harmless the district from any potential liability resulting from the operation of the summer food service program under this division. For this purpose, the district shall either add the summer food service program sponsor, as an
additional insured party, to the district's existing liability insurance policy or require the summer food service program sponsor to submit evidence of a separate liability insurance policy, for an amount approved by the district board. The summer food service program sponsor shall be responsible for any costs incurred in obtaining coverage under either option.

(d) If a school district cannot for good cause comply with the requirements of division (C)(2) or (4)(b) or (c) of this section at the time the state board determines that a district is subject to these requirements, the state board shall grant a reasonable extension of time. Good cause for an extension of time shall include, but need not be limited to, economic impossibility of compliance with the requirements at the time the state board determines that a district is subject to them.

(D)(1) The state board shall accept the application of any outdoor education center in the state making application for participation in a program pursuant to division (B) of this section.

(2) For purposes of participation in any program pursuant to this section, the board shall certify any outdoor education center making application as an educational unit that is part of the educational system of the state, if the center:

(a) Meets the definition of an outdoor education center;

(b) Provides its outdoor education curriculum to pupils on an overnight basis so that pupils are in residence at the center for more than twenty-four consecutive hours;

(c) Operates under public or nonprofit private ownership in a single building or complex of buildings.

(3) The board shall approve any outdoor education center certified under this division for participation in the program for which the center is making application on the same basis as any
other applicant for that program.

(E) Any school district board of education or chartered nonpublic school that participates in a breakfast program pursuant to this section may offer breakfast to pupils in their classrooms during the school day. However, any school that is subject to section 3313.818 of the Revised Code shall offer breakfast to pupils in accordance with that section.

(F) Notwithstanding anything in this section to the contrary, in each fiscal year in which the general assembly appropriates funds for purposes of this division, the board of education of each school district and each chartered nonpublic school that participates in a breakfast program pursuant to this section shall provide a breakfast free of charge to each pupil who is eligible under federal requirements for a reduced price breakfast.

Sec. 3313.818. (A)(1) The department of education shall establish a program under which public schools that meet the conditions prescribed in this section shall offer breakfast to all students either before or during the school day. Each of the following shall apply:

(a) In the first school year after the effective date of this section, the program shall apply to any public school in which seventy per cent or more of the students enrolled in the school during the previous school year were eligible under federal requirements for free or reduced-price breakfasts or lunches.

(b) In the second school year after the effective date of this section, the program shall apply to any public school in which sixty per cent or more of the students enrolled in the school during the previous school year were eligible under federal requirements for free or reduced-price breakfasts or lunches.

(c) In the third school year after the enactment date of this
section and every school year thereafter, the program shall apply to any public school in which fifty per cent or more of the students enrolled in the school during the previous school year were eligible under federal requirements for free or reduced-price breakfasts or lunches.

(2) The district superintendent or building principal, in consultation with the building staff, shall determine the model for serving breakfast under the program. Each breakfast served under the program shall comply with federal meal patterns and nutritional standards and with section 3313.814 of the Revised Code. A school district board of education may make a charge in accordance with federal requirements for each meal to cover all or part of the costs incurred in operating the program.

(B) The department shall publish a list of public schools that meet the conditions of division (A) of this section. The department shall offer technical assistance to school districts and schools regarding the implementation of a school breakfast program that complies with this section and the submission of claims for reimbursement under the federal school breakfast program.

(C)(1) The department shall monitor each school participating in the program and ensure that each participating school complies with the requirements of this section.

(2) If the board of education of a school district determines that, for financial reasons, a school under the board's control cannot comply with the requirements of this section or the board already has a successful breakfast program or partnership in place, the district board may choose not to comply with those requirements.

(D) Not later than the thirty-first day of December of each school year, the department shall provide statistical reports on
its web site that specify the number and percentage of students participating in school breakfast programs disaggregated by school district and individual schools, including community schools, established under Chapter 3314. of the Revised Code, and STEM schools, established under Chapter 3326. of the Revised Code.

(E) Not later than the thirty-first day of December of each school year, the department shall prepare a report on the implementation and effectiveness of the program established under this section and submit the report to the general assembly, in accordance with section 101.68 of the Revised Code, and to the governor. The report shall include:

(1) The number of students and participation rates in the free and reduced-price breakfast programs under this section for each school building;

(2) The type of breakfast model used by each school building participating in the breakfast program;

(3) The number of students and participation rates in free or reduced-price lunch for each school building.

Sec. 3313.843. (A) Notwithstanding division (D) of section 3311.52 of the Revised Code, this section does not apply to any cooperative education school district.

(B)(1) The board of education of each city, exempted village, or local school district with an average daily student enrollment of sixteen thousand or less, reported for the district on the most recent report card issued under section 3302.03 of the Revised Code, shall enter into an agreement with the governing board of an educational service center, under which the educational service center governing board will provide services to the district.

(2) The board of education of a city, exempted village, or local school district with an average daily student enrollment of
more than sixteen thousand may enter into an agreement with the

governing board of an educational service center, under which the

educational service center governing board will provide services
to the district.

(3) Services provided under an agreement entered into under
division (B)(1) or (2) of this section shall be specified in the
agreement, and may include any of the following: supervisory
teachers; in-service and continuing education programs for
district personnel; curriculum services; research and development
programs; academic instruction for which the governing board
employs teachers pursuant to section 3319.02 of the Revised Code;
assistance in the provision of special accommodations and classes
for students with disabilities; or any other services the district
board and service center governing board agree can be better
provided by the service center and are not provided under an
agreement entered into under section 3313.845 of the Revised Code.

Services included in the agreement shall be provided to the
district in the manner specified in the agreement. The district
board of education shall reimburse the educational service center
governing board pursuant to division (H) of this section.

(C) Any agreement entered into pursuant to this section shall
be filed with the department of education by the first day of July
of the school year for which the agreement is in effect.

(D)(1) An agreement for services from an educational service
center entered into under this section may be terminated by the
school district board of education, at its option, by notifying
the governing board of the service center by March 1, 2012, or by
the first day of January of any odd-numbered year thereafter, that
the district board intends to terminate the agreement in that
year, and that termination shall be effective on the thirtieth day
of June of that year. The failure of a district board to notify an
educational service center of its intent to terminate an agreement
by March 1, 2012, shall result in renewal of the existing
agreement for the following school year. Thereafter, the failure
of a district board to notify an educational service center of its
intent to terminate an agreement by the first day of January of an
odd-numbered year shall result in renewal of the existing
agreement for the following two school years.

(2) If the school district that terminates an agreement for
services under division (D)(1) of this section is also subject to
the requirement of division (B)(1) of this section, the district
board shall enter into a new agreement with any educational
service center so that the new agreement is effective on the first
day of July of that same year.

(3) If all moneys owed by a school district to an educational
service center under an agreement for services terminated under
division (D)(1) of this section have been paid in full by the
effective date of the termination, the governing board of the
service center shall submit an affidavit to the department
certifying that fact not later than fifteen days after the
termination's effective date. Notwithstanding anything in the
Revised Code to the contrary, until the department receives such
an affidavit, it shall not make any payments to any other
educational service center with which the district enters into an
agreement under this section for services that the educational
service center provides to the district.

(E) An educational service center may apply to any state or
federal agency for competitive grants. It may also apply to any
private entity for additional funds.

(F) Not later than January 1, 2014, each educational service
center shall post on its web site a list of all of the services
that it provides and the corresponding cost for each of those
services.
(G)(1) For purposes of calculating any state operating subsidy to be paid to an educational service center for the operation of that service center and any services required under Title XXXIII of the Revised Code to be provided by the service center to a school district, the service center's student count shall be the sum of the total student counts of all the school districts with which the educational service center has entered into an agreement under this section.

(2) When a district enters into a new agreement with a new educational service center, the department of education shall ensure that the state operating subsidy for services provided to the district is paid to the new educational service center and that the educational service center with which the district previously had an agreement is no longer paid a state operating subsidy for providing services to that district.

(H) Pursuant to division (B) of section 3317.023 of the Revised Code, the department annually shall deduct from each school district that enters into an agreement with an educational service center under this section, and pay to the service center, an amount equal to six dollars and fifty cents times the school district's total student count. The district board of education, or the district superintendent acting on behalf of the district board, may agree to pay an amount in excess of six dollars and fifty cents per student in total student count. If a majority of the boards of education, or superintendents acting on behalf of the boards, of the districts that entered into an agreement under this section approve an amount in excess of six dollars and fifty cents per student in total student count, each district shall pay the excess amount to the service center.

(I)(1) An educational service center may enter into a contract to purchase supplies, materials, equipment, and services, which may include those specified in division (B) of this section.
or Chapter 3312. of the Revised Code, or the delivery of such services, on behalf of a school district or political subdivision that has entered into an agreement with the service center under this section or section 3313.844, 3313.845, or 3313.846 of the Revised Code.

(2) Purchases made by a school district or political subdivision that has entered into an agreement with the service center as described in this division are exempt from competitive bidding required by law for the purchase of supplies, materials, equipment, or services. No political subdivision shall make any purchase under this division when the political subdivision has received bids for such purchase, unless the same terms, conditions, and specifications at a lower price can be made for such purchase under this division.

(J) Any school district, community school, or STEM school that has entered into an agreement with an educational service center under this section or section 3313.844 or 3313.845 of the Revised Code shall be in compliance with federal law and exempt from competitive bidding requirements for personnel-based services pursuant to the authority granted to the Ohio department of education under federal law, provided the service center has met the following conditions:

(1) It is in compliance with division (F) of this section.

(2) It has been designated "high performing" under rule of the state board of education.

(3) It has been found to be substantially in compliance with audit rules and guidelines in its most recent audit by the auditor of state.

(K) For purposes of this section, a school district's "total student count" means the average daily student enrollment reported on the most recent report card issued for the district pursuant to
section 3302.03 of the Revised Code.

**Sec. 3313.978.** (A) Annually by the first day of November, the superintendent of public instruction shall notify the pilot project school district of the number of initial scholarships that the state superintendent will be awarding in each of grades kindergarten through twelve.

The state superintendent shall provide information about the scholarship program to all students residing in the district, shall accept applications from any such students until such date as shall be established by the state superintendent as a deadline for applications during the application periods established under division (H) of this section, and shall establish criteria for the selection of students to receive scholarships from among all those applying prior to the deadline, which criteria shall give preference to students from low-income families. The state superintendent shall notify students of their selection prior to the fifteenth day of January, a date established by the state superintendent.

(1) A student receiving a pilot project scholarship may utilize it at an alternative public school by notifying the district superintendent, at any time before the beginning of the school year, of the name of the public school in an adjacent school district to which the student has been accepted pursuant to section 3327.06 of the Revised Code.

(2) A student may decide to utilize a pilot project scholarship at a registered private school in the district if all of the following conditions are met:

(a) By the fifteenth day of February of the preceding school year, or at any time prior to the start of the school year, the parent makes an application on behalf of the student to a registered private school.
(b) The registered private school notifies the parent and the state superintendent as follows that the student has been admitted:

(i) By the fifteenth day of March of the preceding school year if the student filed an application by the fifteenth day of February and was admitted by the school pursuant to division (A) of section 3313.977 of the Revised Code;

(ii) Within one week of the decision to admit the student if the student is admitted pursuant to division (C) of section 3313.977 of the Revised Code.

(c) The student actually enrolls in the registered private school to which the student was first admitted or in another registered private school in the district or in a public school in an adjacent school district.

(B) The state superintendent shall also award in any school year tutorial assistance grants to a number of students equal to the number of students who receive scholarships under division (A) of this section. Tutorial assistance grants shall be awarded solely to students who are enrolled in the public schools of the district in a grade level covered by the pilot project. Tutorial assistance grants may be used solely to obtain tutorial assistance from a provider approved pursuant to division (D) of section 3313.976 of the Revised Code.

All students wishing to obtain tutorial assistance grants shall make application to the state superintendent by the first day of the school year in which the assistance will be used. The state superintendent shall award assistance grants in accordance with criteria the superintendent shall establish.

(C)(1) In the case of basic scholarships for students in grades kindergarten through eight, the scholarship amount shall not exceed the lesser of the net tuition charges of the
alternative school the scholarship recipient attends or four thousand six hundred fifty dollars.

In the case of basic scholarships for students in grades nine through twelve, the scholarship amount shall not exceed the lesser of the net tuition charges of the alternative school the scholarship recipient attends or six thousand dollars.

The net tuition and fees charged to a student shall be the tuition amount specified by the alternative school minus all other financial aid, discounts, and adjustments received for the student. In cases where discounts are offered for multiple students from the same family, and not all students in the same family are scholarship recipients, the net tuition amount attributable to the scholarship recipient shall be the lowest net tuition to which the family is entitled.

(2) The state superintendent shall provide for an increase in the basic scholarship amount in the case of any student who is a mainstreamed student with a disability and shall further increase such amount in the case of any separately educated student with a disability. Such increases shall take into account the instruction, related services, and transportation costs of educating such students.

(3) In the case of tutorial assistance grants, the grant amount shall not exceed the lesser of the provider's actual charges for such assistance or:

(a) Before fiscal year 2007, a percentage established by the state superintendent, not to exceed twenty per cent, of the amount of the pilot project school district's average basic scholarship amount;

(b) In fiscal year 2007 and thereafter, four hundred dollars.

(D)(1) Annually by the first day of November, the state superintendent shall estimate the maximum per-pupil scholarship
amounts for the ensuing school year. The state superintendent shall make this estimate available to the general public at the offices of the district board of education together with the forms required by division (D)(2) of this section.

(2) Annually by the fifteenth day of January, the chief administrator of each registered private school located in the pilot project district and the principal of each public school in such district shall complete a parental information form and forward it to the president of the board of education. The parental information form shall be prescribed by the department of education and shall provide information about the grade levels offered, the numbers of students, tuition amounts, achievement test results, and any sectarian or other organizational affiliations.

(E)(1) Only for the purpose of administering the pilot project scholarship program, the department may request from any of the following entities the data verification code assigned under division (D)(2) of section 3301.0714 of the Revised Code to any student who is seeking a scholarship under the program:

(a) The school district in which the student is entitled to attend school under section 3313.64 or 3313.65 of the Revised Code;

(b) If applicable, the community school in which the student is enrolled;

(c) The independent contractor engaged to create and maintain data verification codes.

(2) Upon a request by the department under division (E)(1) of this section for the data verification code of a student seeking a scholarship or a request by the student's parent for that code, the school district or community school shall submit that code to the department or parent in the manner specified by the
department. If the student has not been assigned a code, because the student will be entering kindergarten during the school year for which the scholarship is sought, the district shall assign a code to that student and submit the code to the department or parent by a date specified by the department. If the district does not assign a code to the student by the specified date, the department shall assign a code to the student.

The department annually shall submit to each school district the name and data verification code of each student residing in the district who is entering kindergarten, who has been awarded a scholarship under the program, and for whom the department has assigned a code under this division.

(3) The department shall not release any data verification code that it receives under division (E) of this section to any person except as provided by law.

(F) Any document relative to the pilot project scholarship program that the department holds in its files that contains both a student's name or other personally identifiable information and the student's data verification code shall not be a public record under section 149.43 of the Revised Code.

(G)(1) The department annually shall compile the scores attained by scholarship students enrolled in registered private schools on the assessments administered to the students pursuant to division (A)(11) of section 3313.976 of the Revised Code. The scores shall be aggregated as follows:

(a) By school district, which shall include all scholarship students residing in the pilot project school district who are enrolled in a registered private school and were required to take an assessment pursuant to division (A)(11) of section 3313.976 of the Revised Code;

(b) By registered private school, which shall include all
scholarship students enrolled in that school who were required to take an assessment pursuant to division (A)(11) of section 3313.976 of the Revised Code.

(2) The department shall disaggregate the student performance data described in division (G)(1) of this section according to the following categories:

(a) Grade level;
(b) Race and ethnicity;
(c) Gender;
(d) Students who have participated in the scholarship program for three or more years;
(e) Students who have participated in the scholarship program for more than one year and less than three years;
(f) Students who have participated in the scholarship program for one year or less;
(g) Economically disadvantaged students.

(3) The department shall post the student performance data required under divisions (G)(1) and (2) of this section on its web site and shall include that data in the information about the scholarship program provided to students under division (A) of this section. In reporting student performance data under this division, the department shall not include any data that is statistically unreliable or that could result in the identification of individual students. For this purpose, the department shall not report performance data for any group that contains less than ten students.

(4) The department shall provide the parent of each scholarship student enrolled in a registered private school with information comparing the student's performance on the assessments administered pursuant to division (A)(11) of section 3313.976 of
the Revised Code with the average performance of similar students enrolled in the building operated by the pilot project school district that the scholarship student would otherwise attend. In calculating the performance of similar students, the department shall consider age, grade, race and ethnicity, gender, and socioeconomic status.

(H)(1) Except as provided in division (H)(2) of this section, for scholarships awarded the 2020-2021 school year and for each school year thereafter, the department shall conduct two application periods each year for the pilot project scholarship program, as follows:

(a) The first application period shall open not sooner than the first day of February prior to the first day of July of the school year for which a scholarship is sought and run not less than seventy-five days.

(b) The second application period shall open not sooner than the first day of July of the school year for which the scholarship is sought and run not less than thirty days.

(2) If the pilot scholarships awarded in the first application period for any school year use the entirety of the amount appropriated by the general assembly for such scholarships for that school year, the department need not conduct a second application period for scholarships. If, after the first application period, there are funds remaining to award, the department shall conduct a second application period in accordance with division (H)(1)(b) of this section.

(3) Not later than the thirtieth day of June of each school year, the department shall determine whether funds remain available for scholarships under the pilot project scholarship program after the first application period.

(4) For scholarships awarded for any school year prior to the
2020-2021 school year, the state superintendent shall establish a deadline for a single application period.

Sec. 3314.016. This section applies to any entity that sponsors a community school, regardless of whether section 3314.021 or 3314.027 of the Revised Code exempts the entity from the requirement to be approved for sponsorship under divisions (A)(2) and (B)(1) of section 3314.015 of the Revised Code. The office of Ohio school sponsorship established under section 3314.029 of the Revised Code shall be rated under division (B) of this section, but divisions (A) and (C) of this section do not apply to the office.

(A) An entity that sponsors a community school shall be permitted to enter into contracts under section 3314.03 of the Revised Code to sponsor additional community schools only if the entity meets all of the following criteria:

(1) The entity is in compliance with all provisions of this chapter requiring sponsors of community schools to report data or information to the department of education.

(2) The entity is not rated as "ineffective" under division (B)(6) of this section.

(3) Except as set forth in sections 3314.021 and 3314.027 of the Revised Code, the entity has received approval from and entered into an agreement with the department of education pursuant to section 3314.015 of the Revised Code.

(B)(1) The department shall develop and implement an evaluation system that annually rates and assigns an overall rating to each entity that sponsors a community school. The department, not later than the first day of February of each year, shall post on the department's web site the framework for the evaluation system, including technical documentation that the
department intends to use to rate sponsors for the next school year. The department shall solicit public comment on the evaluation system for thirty consecutive days. Not later than the first day of April of each year, the department shall compile and post on the department's web site all public comments that were received during the public comment period. The evaluation system shall be posted on the department's web site by the fifteenth day of July of each school year. Any changes to the evaluation system after that date shall take effect the following year. The evaluation system shall be based on the following components:

(a) Academic performance of students enrolled in community schools sponsored by the same entity. The academic performance component shall be derived from the performance measures prescribed for the state report cards under section 3302.03 or 3314.017 of the Revised Code, and shall be based on the performance of the schools for the school year for which the evaluation is conducted. In addition to the academic performance for a specific school year, the academic performance component shall also include year-to-year changes in the overall sponsor portfolio. For a community school for which no graded performance measures are applicable or available, the department shall use nonreport card performance measures specified in the contract between the community school and the sponsor under division (A)(4) of section 3314.03 of the Revised Code.

(b) Adherence by a sponsor to the quality practices prescribed by the department under division (B)(3) of this section. For a sponsor that was rated "effective" or "exemplary" on its most recent rating, the department may evaluate that sponsor's adherence to quality practices once over a period of three years. If the department elects to evaluate a sponsor once over a period of three years, the most recent rating for a sponsor's adherence to quality practices shall be used when
determining an annual overall rating conducted under this section.

(c) Compliance with all applicable laws and administrative rules by an entity that sponsors a community school.

(2) In calculating an academic performance component, the department shall exclude all community schools that have been in operation for not more than two full school years and all community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code. However, the academic performance of the community schools described in division (A)(4)(b) of section 3314.35 of the Revised Code shall be reported, but shall not be used as a factor when determining a sponsoring entity's rating under this section.

(3) The department, in consultation with entities that sponsor community schools, shall prescribe quality practices for community school sponsors and develop an instrument to measure adherence to those quality practices. The quality practices shall be based on standards developed by the national association of charter school authorizers or any other nationally organized community school organization.

(4)(a) The department may permit peer review of a sponsor's adherence to the quality practices prescribed under division (B)(3) of this section. Peer reviewers shall be limited to individuals employed by sponsors rated "effective" or "exemplary" on the most recent ratings conducted under this section.

(b) The department shall require individuals participating in peer review under division (B)(4)(a) of this section to complete training approved or established by the department.

(c) The department may enter into an agreement with another entity to provide training to individuals conducting peer review of sponsors. Prior to entering into an agreement with an entity, the department shall review and approve of the entity's training.
program.

(5) Not later than July 1, 2013, the state board of education shall adopt rules in accordance with Chapter 119. of the Revised Code prescribing standards for measuring compliance with applicable laws and rules under division (B)(1)(c) of this section.

(6) The department annually shall rate all entities that sponsor community schools as either "exemplary," "effective," "ineffective," or "poor," based on the components prescribed by division (B) of this section, where each component is weighted equally. A separate rating shall be given by the department for each component of the evaluation system.

The department shall publish the ratings between the first day of October and the fifteenth day of November.

Prior to the publication of the final ratings, the department shall designate and provide notice of a period of at least ten business days during which each sponsor may review the information used by the department to determine the sponsor's rating on the components prescribed by divisions (B)(1)(b) and (c) of this section. If the sponsor believes there is an error in the department's evaluation, the sponsor may request adjustments to the rating of either of those components based on documentation previously submitted as part of an evaluation. The sponsor shall provide to the department any necessary evidence or information to support the requested adjustments. The department shall review the evidence and information, determine whether an adjustment is valid, and promptly notify the sponsor of its determination and reasons. If any adjustments to the data could result in a change to the rating on the applicable component or to the overall rating, the department shall recalculate the ratings prior to publication.
The department shall provide training on an annual basis regarding the evaluation system prescribed under this section. The training shall, at a minimum, describe methodology, timelines, and data required for the evaluation system. The first training session shall occur not later than March 2, 2016. Beginning in 2018, the training shall be made available to each entity that sponsors a community school by the fifteenth day of July of each year and shall include guidance on any changes made to the evaluation system.

(7)(a) Entities with an overall rating of "exemplary" for at least two consecutive years may take advantage of the following incentives:

(i) Renewal of the written agreement with the department, not to exceed ten years, provided that the entity consents to continued evaluation of adherence to quality practices as described in division (B)(1)(b) of this section;

(ii) The ability to extend the term of the contract between the sponsoring entity and the community school beyond the term described in the written agreement with the department;

(iii) An exemption from the preliminary agreement and contract adoption and execution deadline requirements prescribed in division (D) of section 3314.02 of the Revised Code;

(c)(i) Entities that receive an overall rating of "ineffective" shall be prohibited from sponsoring any new or additional community schools during the time in which the sponsor is rated as "ineffective" and shall be subject to a quality improvement plan based on correcting the deficiencies that led to the "ineffective" rating, with timelines and benchmarks that have been established by the department.

(ii) Entities that receive an overall rating of "ineffective" on their three most recent ratings shall have all sponsorship authority revoked. Within thirty days after receiving its third rating of "ineffective," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of the Revised Code. The hearing shall be conducted within thirty days after receipt of the notice of appeal. Within forty-five days after the hearing is completed, the state board of education shall determine whether the revocation is appropriate based on the hearing conducted by the independent hearing officer, and if determined appropriate, the revocation shall be confirmed.

(d) Entities that receive an overall rating of "poor" shall have all sponsorship authority revoked. Within thirty days after receiving a rating of "poor," the entity may appeal the revocation of its sponsorship authority to the superintendent of public instruction, who shall appoint an independent hearing officer to conduct a hearing in accordance with Chapter 119. of

However, the department's office of Ohio school sponsorship, established under section 3314.029 of the Revised Code, may assume the sponsorship of the school until the earlier of the expiration of two school years or until a new sponsor is secured by the school's governing authority. (b) A school may also borrow money for a term not to exceed fifteen years for the purpose of acquiring facilities.

(2) Except for any amount guaranteed under section 3318.50 of the Revised Code, the state is not liable for debt incurred by the governing authority of a community school.

(H) The department of education shall adjust the amounts subtracted and paid under division (C) of this section to reflect any enrollment of students in community schools for less than the equivalent of a full school year. The state board of education within ninety days after April 8, 2003, shall adopt in accordance with Chapter 119. of the Revised Code rules governing the payments to community schools under this section including initial payments in a school year and adjustments and reductions made in subsequent periodic payments to community schools and corresponding deductions from school district accounts as provided under division (C) of this section. For purposes of this section:

(1) A student shall be considered enrolled in the community school for any portion of the school year the student is participating at a college under Chapter 3365. of the Revised Code.

(2) A student shall be considered to be enrolled in a community school for the period of time beginning on the later of the date on which the school both has received documentation of the student's enrollment from a parent and the student has
commenced participation in learning opportunities as defined in the contract with the sponsor, or thirty days prior to the date on which the student is entered into the education management information system established under section 3301.0714 of the Revised Code. For purposes of applying this division and divisions (H)(3) and (4) of this section to a community school student, "learning opportunities" shall be defined in the contract, which shall describe both classroom-based and non-classroom-based learning opportunities and shall be in compliance with criteria and documentation requirements for student participation which shall be established by the department. Any student's instruction time in non-classroom-based learning opportunities shall be certified by an employee of the community school. Except as otherwise specified in this paragraph, beginning in the 2011-2012 school year, any student who completed the prior school year in an internet- or computer-based community school shall be considered to be enrolled in the same school in the subsequent school year until the student's enrollment has ceased as specified in division (H)(2) of this section. The department shall continue subtracting and paying amounts for the student under division (C) of this section without interruption at the start of the subsequent school year. However, if the student
without a legitimate excuse fails to participate in the first seventy-two consecutive hours of learning opportunities offered to the student in that subsequent school year, the student shall be considered not to have re-enrolled in the school for that school year and the department shall recalculate the payments to the school for that school year to account for the fact that the student is not enrolled.

(3) The department shall determine each community school student's percentage of full-time equivalency based on the percentage of learning opportunities offered by the community school to that student, reported either as number of hours or number of days, is of the total learning opportunities offered by the community school to a student who attends for the school's entire school year. However, no internet- or computer-based community school shall be credited for any time a student spends participating in learning opportunities beyond ten hours within any period of twenty-four consecutive hours. Whether it reports hours or days of learning opportunities, each community school shall offer not less than nine hundred twenty hours of learning opportunities during the school year.

(4) With respect to the calculation of full-time equivalency under division (H)(3) of this section, the department shall waive the number of hours or days of learning opportunities not offered to a student because the community school was closed during the school year due to disease epidemic, hazardous weather conditions, law enforcement emergencies, inoperability of school buses or other equipment necessary to the school's operation, damage to a school building, or other temporary circumstances due to utility failure rendering the school building unfit for school use, so long as the school was actually open for instruction with students in attendance during that school year for not less than the minimum number of hours required by this chapter. The department
shall treat the school as if it were open for instruction with students in attendance during the hours or days waived under this division.

(I) The department of education shall reduce the amounts paid under this section to reflect payments made to colleges under section 3365.07 of the Revised Code.

(J)(1) No student shall be considered enrolled in any internet- or computer-based community school or, if applicable to the student, in any community school that is required to provide the student with a computer pursuant to division (C) of section 3314.22 of the Revised Code, unless both of the following conditions are satisfied:

(a) The student possesses or has been provided with all required hardware and software materials and all such materials are operational so that the student is capable of fully participating in the learning opportunities specified in the contract between the school and the school's sponsor as required by division (A)(23) of section 3314.03 of the Revised Code;

The superintendent of public instruction and the auditor of
state shall jointly establish a method for auditing any community school to which this division pertains to ensure compliance with this section.

The superintendent, auditor of state, and the governor shall jointly make recommendations to the general assembly for legislative changes that may be required to assure fiscal and academic accountability for such schools.

(K)(1) If the department determines that a review of a community school's enrollment is necessary, such review shall be completed and written notice of the findings shall be provided to the governing authority of the community school and its sponsor within ninety days of the end of the community school's fiscal year, unless extended for a period not to exceed thirty additional days for one of the following reasons:

(a) The department and the community school mutually agree to the extension.

(b) Delays in data submission caused by either a community school or its sponsor.

(2) If the review results in a finding that additional funding is owed to the school, such payment shall be made within thirty days of the written notice. If the review results in a finding that the community school owes moneys to the state, the following procedure shall apply:

(a) Within ten business days of the receipt of the notice of findings, the community school may appeal the department's determination to the state board of education or its designee.

(b) The board or its designee shall conduct an informal hearing on the matter within thirty days of receipt of such an appeal and shall issue a decision within fifteen days of the conclusion of the hearing.
(c) If the board has enlisted a designee to conduct the hearing, the designee shall certify its decision to the board. The board may accept the decision of the designee or may reject the decision of the designee and issue its own decision on the matter.

(d) Any decision made by the board under this division is final.

(3) If it is decided that the community school owes moneys to the state, the department shall deduct such amount from the school's future payments in accordance with guidelines issued by the superintendent of public instruction.

(L) The department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for any of the following:

(2) Any student who is not a resident of the state;

(3) Any student who was enrolled in the community school during the previous school year when assessments were administered under section 3301.0711 of the Revised Code but did not take one or more of the assessments required by that section and was not excused pursuant to division (C)(1) or (3) of that section, unless the superintendent of public instruction grants the student a waiver from the requirement to take the assessment and a parent is not paying tuition for the student pursuant to section 3314.26 of the Revised Code. The superintendent may grant a waiver only for good cause in accordance with rules adopted by the state board of education.

(4) Any student who has attained the age of twenty-two years, except for veterans of the armed services whose attendance was interrupted before completing the recognized twelve-year course of
the public schools by reason of induction or enlistment in the armed forces and who apply for enrollment in a community school not later than four years after termination of war or their honorable discharge. If, however, any such veteran elects to enroll in special courses organized for veterans for whom tuition is paid under federal law, or otherwise, the department shall not subtract from a school district's state aid account and shall not pay to a community school under division (C) of this section any amount for that veteran.

At that time, the department shall withhold an amount equal to ten per cent of the district's funds calculated for the current fiscal year under Chapter 3317. of the Revised Code until the auditor of state notifies the department that the auditor of state is satisfied that the board has made the required transfer.

(C) Money transferred to the maintenance fund shall be used for the maintenance or, upon approval of the Ohio facilities construction commission, upgrade of the facilities acquired under the district's project.

(D) The transfers to the maintenance fund under this section does not affect a district's obligation to establish and maintain a capital and maintenance fund under section 3315.18 of the Revised Code.

(E) Any decision by the commission to approve or not approve the transfer of money under this section is final and not subject to appeal. The commission shall not be responsible for errors or miscalculations made in deciding whether to approve a petition to make transfers under this section.

(F) If the district board determines that it no longer can continue making the transfers agreed to under this section, the board may rescind the agreement only so long as the electors of the district have approved, in accordance with section 3318.063 of the Revised Code, the levy of a tax for the maintenance of the classroom facilities acquired under the district's project and that levy continues to be collected as approved by the electors. That levy shall be for a number of years that is equal to the
difference between twenty-three years and the number of years that
the district made transfers under this section and shall be at the
rate of not less than one-half mill for each dollar of the
district's valuation. The district board shall continue to make
the transfers agreed to under this section until that levy has
been approved by the electors.

money in accordance with section 3318.051 of the Revised Code or
to apply the proceeds of a property tax or the proceeds of an

qualify for such state assistance it is necessary to do either of the following:

of which shall be used to pay the cost of maintaining and

use of the proceeds for upgrades is subject to the approval by the
commission under division (E) of section 3318.05 of the Revised
Code.

(b) Earmark for maintenance of classroom facilities from the
proceeds of an existing permanent improvement tax levied under
section 5705.21 of the Revised Code, if such tax can be used for
maintenance, an amount equivalent to the amount of the additional tax otherwise required under this section and sections 3318.05 and 3318.08 of the Revised Code.

(3) That the question of any tax levy specified in a resolution described in division (A)(2)(a) of this section, if required, shall be submitted to the electors of the school district at the next general or primary election, if there be a general or primary election not less than ninety and not more than one hundred ten days after the day of the adoption of such resolution or, if not, at a special election to be held at a time specified in the resolution which shall be not less than ninety days after the day of the adoption of the resolution and which shall be in accordance with the requirements of section 3501.01 of the Revised Code.

Such resolution shall also state that the question of issuing bonds of the board shall be combined in a single proposal with the question of such tax levy. More than one election under this section may be held in any one calendar year. Such resolution shall specify both of the following:

(a) That the rate which it is necessary to levy shall be at the rate of not less than one-half mill for each one dollar of valuation, and that such tax shall be levied for a period of twenty-three years;

(b) That the proceeds of the tax shall be used to pay the cost of maintaining the classroom facilities included in the project or upgrading those facilities if approved by the commission.

The resolution of the school district board, in addition to meeting other applicable requirements of section 133.18 of the Revised Code, shall state that the amount of bonds to be issued will be an amount equal to the school district's portion of the basic project cost, and state the maximum maturity of the bonds which may be any number of years not exceeding the term calculated under section 133.20 of the Revised Code as determined by the board. In estimating the amount of bonds to be issued, the board shall take into consideration the amount of moneys then in the bond retirement fund and the amount of moneys to be collected for and disbursed from the bond retirement fund during the remainder of the year in which the resolution of necessity is adopted.

If the bonds are to be issued in more than one series, the resolution may state, in addition to the information required to be stated under division (B)(3) of section 133.18 of the Revised Code, the number of series, which shall not exceed five, the principal amount of each series, and the approximate date each series will be issued, and may provide that no series, or any portion thereof, may be issued before such date. Upon such a resolution being certified to the county auditor as required by division (C) of section 133.18 of the Revised Code, the county auditor, in calculating, advising, and confirming the estimated average annual property tax levy under that division, shall also calculate, advise, and confirm by certification the estimated average property tax levy for each series of bonds to be issued.

Notice of the election shall include the fact that the tax levy shall be at the rate of not less than one-half mill for each one dollar of valuation for a period of twenty-three years, and that the proceeds of the tax shall be used to pay the cost of maintaining or upgrading the classroom facilities included in the project.

If the bonds are to be issued in more than one series, the
board of education, when filing copies of the resolution with the board of elections as required by division (D) of section 133.18 of the Revised Code, may direct the board of elections to include in the notice of election the principal amount and approximate date of each series, the maximum number of years over which the principal of each series may be paid, the estimated additional average property tax levy for each series, and the first calendar year in which the tax is expected to be due for each series, in addition to the information required to be stated in the notice under divisions (E)(3)(a) to (e) of section 133.18 of the Revised Code.

(C)(1) Except as otherwise provided in division (C)(2) of this section, the form of the ballot to be used at such election shall be:

"A majority affirmative vote is necessary for passage.

Shall bonds be issued by the .......... (here insert name of school district) school district to pay the local share of school construction under the State of Ohio Classroom Facilities Assistance Program in the principal amount of .......... (here insert principal amount of the bond issue), to be repaid annually over a maximum period of .......... (here insert the maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the ten-mill limitation, estimated by the county auditor to average over the repayment period of the bond issue .......... (here insert the number of mills estimated) mills for each one dollar of tax valuation, which amounts to .......... and, unless the additional levy

(here insert name of school district) school district, the proceeds of which shall be used to pay the cost of maintaining (or upgrading if approved by the commission) the classroom facilities included in the project at the rate of .......... (here insert the number of mills, which shall not be less than one-half mill) mills for each one dollar of valuation?

FOR THE BOND ISSUE AND TAX LEVY
AGAINST THE BOND ISSUE AND TAX LEVY "

(2) If authority is sought to issue bonds in more than one series and the board of education so elects, the form of the ballot shall be as prescribed in section 3318.062 of the Revised Code. If the board of education elects the form of the ballot prescribed in that section, it shall so state in the resolution adopted under this section.

(D) If it is necessary for the school district to acquire a site for the classroom facilities to be acquired pursuant to sections 3318.01 to 3318.20 of the Revised Code, the district board may propose either to issue bonds of the board or to levy a tax to pay for the acquisition of such site, and may combine the question of doing so with the questions specified in division (B) of this section. Bonds issued under this division for the purpose of acquiring a site are a general obligation of the school district and are Chapter 133. securities.

The form of that portion of the ballot to include the
question of either issuing bonds or levying a tax for site
acquisition purposes shall be one of the following:

(1) "Shall bonds be issued by the ............ (here insert
name of the school district) school district to pay costs of
acquiring a site for classroom facilities under the State of Ohio
Classroom Facilities Assistance Program in the principal amount of
............ (here insert principal amount of the bond issue), to be
repaid annually over a maximum period of ............ (here insert
maximum number of years over which the principal of the bonds may
be paid) years, and an annual levy of property taxes be made
outside the ten-mill limitation, estimated by the county auditor
to average over the repayment period of the bond issue ............
(here insert number of mills) mills for each one dollar of tax
valuation, which amount to ............ (here insert rate expressed
in cents or dollars and cents, such as "thirty-six cents" or
"$0.36") for each one hundred dollars of valuation to pay the
annual debt charges on the bonds and to pay debt charges on any
notes issued in anticipation of the bonds?"

(2) "Shall an additional levy of taxes outside the ten-mill
limitation be made for the benefit of the ............ (here insert
name of the school district) school district for the purpose of
acquiring a site for classroom facilities in the sum of ............
(here insert annual amount the levy is to produce) estimated by
the county auditor to average ............ (here insert number of
mills) mills for each one hundred dollars of valuation, for a
period of ............ (here insert number of years the millage is to
be imposed) years?"

Where it is necessary to combine the question of issuing
bonds of the school district and levying a tax as described in
division (B) of this section with the question of issuing bonds of
the school district for acquisition of a site, the question
specified in that division to be voted on shall be "For the Bond
Issues and the Tax Levy" and "Against the Bond Issues and the Tax Levy."

Where it is necessary to combine the question of issuing bonds of the school district and levying a tax as described in division (B) of this section with the question of levying a tax for the acquisition of a site, the question specified in that division to be voted on shall be "For the Bond Issue and the Tax Levies" and "Against the Bond Issue and the Tax Levies."

Where the school district board chooses to combine the question in division (B) of this section with any of the additional questions described in divisions (A) to (D) of section 3318.056 of the Revised Code, the question specified in division (B) of this section to be voted on shall be "For the Bond Issues and the Tax Levies" and "Against the Bond Issues and the Tax Levies."

If a majority of those voting upon a proposition hereunder which includes the question of issuing bonds vote in favor thereof, and if the agreement provided for by section 3318.08 of the Revised Code has been entered into, the school district board may proceed under Chapter 133. of the Revised Code, with the issuance of bonds or bond anticipation notes in accordance with the terms of the agreement.

**Sec. 3318.061.** This section applies only to school districts eligible to receive additional assistance under division (B)(2) of section 3318.04 of the Revised Code.

The board of education of a school district in which a tax described by division (B) of section 3318.05 and levied under section 3318.06 of the Revised Code is in effect, may adopt a resolution by vote of a majority of its members to extend the term of that tax beyond the expiration of that tax as originally approved under that section. The school district board may include
in the resolution a proposal to extend the term of that tax at the
rate of not less than one-half mill for each dollar of valuation
for a period of twenty-three years from the year in which the
school district board and the Ohio facilities construction
commission enter into an agreement under division (B)(2) of
section 3318.04 of the Revised Code or in the following year, as
specified in the resolution. Such a resolution may be adopted at
any time before such an agreement is entered into and before the
tax levied pursuant to section 3318.06 of the Revised Code
expires. If the resolution is combined with a resolution to issue
bonds to pay the school district's portion of the basic project
cost, it shall conform with the requirements of divisions (A)(1),
(2), and (3) of section 3318.06 of the Revised Code, except that
the resolution also shall state that the tax levy proposed in the
resolution is an extension of an existing tax levied under that
section. A resolution proposing an extension adopted under this
section does not take effect until it is approved by a majority of
electors voting in favor of the resolution at a general, primary,
or special election as provided in this section.

A tax levy extended under this section is subject to the same
terms and limitations to which the original tax levied under
section 3318.06 of the Revised Code is subject under that section,
except the term of the extension shall be as specified in this
section.

The school district board shall certify a copy of the
resolution adopted under this section to the proper county board
of elections not later than ninety days before the date set in the
resolution as the date of the election at which the question will
be submitted to electors. The notice of the election shall conform
with the requirements of division (A)(3) of section 3318.06 of the
Revised Code, except that the notice also shall state that the
maintenance tax levy is an extension of an existing tax levy.
The form of the ballot shall be as follows:

"Shall the existing tax levied to pay the cost of maintaining (or upgrading if approved by the Ohio facilities construction commission) classroom facilities constructed with the proceeds of the previously issued bonds at the rate of ........... (here insert the number of mills, which shall not be less than one-half mill) mills per dollar of tax valuation, be extended until ........ (here insert the year that is twenty-three years after the year in which the district and commission will enter into an agreement under division (B)(2) of section 3318.04 of the Revised Code or the following year)?

FOR EXTENDING THE EXISTING TAX LEVY
AGAINST EXTENDING THE EXISTING TAX LEVY"

Section 3318.07 of the Revised Code applies to ballot questions under this section.

Sec. 3318.062. (A) If authority is sought to issue bonds in more than one series to pay the school district's portion of the basic project cost under sections 3318.01 to 3318.20 of the Revised Code, the form of the ballot shall be:

"Shall bonds be issued by the ........... (here insert name of school district) school district to pay the local share of school construction under the State of Ohio Classroom Facilities Assistance Program in the total principal amount of ........... (total principal amount of the bond issue), to be issued in ...... (number of series) series, each series to be repaid annually over not more than ...... (maximum number of years over which the principal of each series may be paid) years, and an annual levy of property taxes be made outside the ten-mill limitation to pay the
annual debt charges on the bonds and on any notes issued in anticipation of the bonds, at a rate estimated by the county auditor to average over the repayment period of each series as follows: .......... (insert the following for each series: "the .......... series, in a principal amount of .......... dollars, requiring ...... mills per dollar of tax valuation, which amounts to ...... (rate expressed in cents or dollars and cents, such as "36 cents" or "$1.41") for each one hundred dollars in tax valuation, commencing in .......... and first payable in ..........)?"

and, unless the additional levy of taxes is not required pursuant to division (C) of section 3318.05 of the Revised Code, "Shall an additional levy of taxes be made for a period of twenty-three years to benefit the .......... (here insert name of school district) school district, the proceeds of which shall be used to pay the cost of maintaining (or upgrading if approved by the Ohio facilities construction commission) the classroom facilities included in the project at the rate of .......... (here insert the number of mills, which shall not be less than one-half mill) mills for each one dollar of valuation?

(B) If it is necessary for the school district to acquire a site for the classroom facilities to be acquired pursuant to sections 3318.01 to 3318.20 of the Revised Code, the district board may propose either to issue bonds of the board or to levy a tax to pay for the acquisition of such site, and may combine the question of doing so with the questions specified in division (A)
of this section. Bonds issued under this division for the purpose of acquiring a site are a general obligation of the school district and are Chapter 133. securities.

The form of that portion of the ballot to include the question of either issuing bonds or levying a tax for site acquisition purposes shall be one of the forms prescribed in division (D) of section 3318.06 of the Revised Code.

(C) Where the school district board chooses to combine the question in division (A) of this section with any of the additional questions described in divisions (A) to (D) of section 3318.056 of the Revised Code, the question specified in division (A) of this section to be voted on shall be "For the Bond Issues and the Tax Levies" and "Against the Bond Issues and the Tax Levies."

(D) If a majority of those voting upon a proposition prescribed in this section which includes the question of issuing bonds vote in favor of that issuance, and if the agreement prescribed in section 3318.08 of the Revised Code has been entered into, the school district board may proceed under Chapter 133. of the Revised Code with the issuance of bonds or bond anticipation notes in accordance with the terms of the agreement.

Sec. 3318.063. If the board of education of a city, exempted village, or local school district that has entered into an agreement under section 3318.051 of the Revised Code to make transfers of money in lieu of levying the tax for maintenance or upgrade of the classroom facilities included in the district's project determines that it no longer can continue making the transfers so agreed to and desires to rescind that agreement, the board shall adopt the resolution to submit the question of the tax levy prescribed in this section.

The resolution shall declare that the question of a tax levy
specified in division (F) of section 3318.051 of the Revised Code shall be submitted to the electors of the school district at the next general or primary election, if there be a general or primary election not less than seventy-five and not more than ninety-five days after the day of the adoption of such resolution or, if not, at a special election to be held at a time specified in the resolution which shall be not less than seventy-five days after the day of the adoption of the resolution and which shall be in accordance with the requirements of section 3501.01 of the Revised Code. Such resolution shall specify both of the following:

(A) That the rate which it is necessary to levy shall be at the rate of not less than one-half mill for each one dollar of valuation, and that such tax shall be levied for the number of years required by division (F) of section 3318.051 of the Revised Code;

(B) That the proceeds of the tax shall be used to pay the cost of maintaining the classroom facilities included in the project.

A copy of such resolution shall after its passage and not less than seventy-five days prior to the date set therein for the election be certified to the county board of elections. Notice of the election shall include the fact that the tax levy shall be at the rate of not less than one-half mill for each one dollar of valuation for the number of years required by division (F) of section 3318.051 of the Revised Code, and that the proceeds of the tax shall be used to pay the cost of maintaining the classroom facilities included in the project.

The form of the ballot to be used at such election shall be: "Shall a levy of taxes be made for a period of .......... (here insert the number of years, which shall not be less than the number required by division (F) of section 3318.051 of the Revised
Code) years to benefit the ............ (here insert name of school district) school district, the proceeds of which shall be used to pay the cost of maintaining (or upgrading if approved by the Ohio facilities construction commission) the classroom facilities included in the project at the rate of ........... (here insert the number of mills, which shall not be less than one-half mill) mills for each one dollar of valuation?

FOR THE TAX LEVY
AGAINST THE TAX LEVY

Sec. 3318.36. (A)(1) As used in this section:

(a) "Ohio facilities construction commission," "classroom facilities," "school district," "school district board," "net bonded indebtedness," "required percentage of the basic project costs," "basic project cost," "valuation," and "percentile" have the same meanings as in section 3318.01 of the Revised Code.

(b) "Required level of indebtedness" means five per cent of the school district's valuation for the year preceding the year in which the commission and school district enter into an agreement under division (B) of this section, plus [two one-hundredths of one per cent multiplied by (the percentile in which the district ranks minus one)].

(c) "Local resources" means any moneys generated in any manner permitted for a school district board to raise the school district portion of a project undertaken with assistance under sections 3318.01 to 3318.20 of the Revised Code.

(2) For purposes of determining the required level of indebtedness, the required percentage of the basic project costs under division (C)(1) of this section, and priority for assistance...
under sections 3318.01 to 3318.20 of the Revised Code, the
percentile ranking of a school district with which the commission
has entered into an agreement under this section between the first
day of July and the thirty-first day of August in each fiscal year
is the percentile ranking calculated for that district for the
immediately preceding fiscal year, and the percentile ranking of a
school district with which the commission has entered into such
agreement between the first day of September and the thirtieth day
day of June in each fiscal year is the percentile ranking calculated
for that district for the current fiscal year.

(B)(1) There is hereby established the school building
assistance expedited local partnership program. Under the program,
the Ohio facilities construction commission may enter into an
agreement with the board of any school district under which the
board may proceed with the new construction or major repairs of a
part of the district's classroom facilities needs, as determined
under sections 3318.01 to 3318.20 of the Revised Code, through the
expenditure of local resources prior to the school district's
eligibility for state assistance under those sections, and may
apply that expenditure toward meeting the school district's
portion of the basic project cost of the total of the district's
classroom facilities needs, as recalculated under division (E) of
this section, when the district becomes eligible for state
assistance under sections 3318.01 to 3318.20 or section 3318.364
of the Revised Code. Any

Any school district that is reasonably expected to receive
assistance under sections 3318.01 to 3318.20 of the Revised Code
within two fiscal years from the date the school district adopts
its resolution under division (B) of this section shall not be
eligible to participate in the program established under this
section unless that school district divides its project under
those sections into segments as authorized by section 3318.034 of
the Revised Code. In the case of a school district that has segmented its project as authorized in section 3318.034 of the Revised Code, the district shall select a discrete portion of one or more future segments of its project, to which the district may apply local resources under an agreement under this section prior to further state assistance for those future segments under sections 3318.01 to 3318.20 of the Revised Code.

(2) To participate in the program, a school district board shall first adopt a resolution certifying to the commission the board's intent to participate in the program. The resolution shall specify the approximate date that the board intends to seek elector approval of any bond or tax measures or to apply other local resources to use to pay the cost of classroom facilities to be constructed under this section. The resolution may specify the application of local resources or elector-approved bond or tax measures after the resolution is adopted by the board, and in such case the board may proceed with a discrete portion of its project under this section as soon as the commission and the controlling board have approved the basic project cost of the district's classroom facilities needs as specified in division (D) of this section. The board shall submit its resolution to the commission not later than ten days after the date the resolution is adopted by the board.

The commission shall not consider any resolution that is submitted pursuant to division (B)(2) of this section, as amended by this amendment, sooner than September 14, 2000.

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code or priority for assistance under section 3318.364 of the Revised Code, the commission shall use the district's percentile ranking determined at the time the district entered into the agreement.
under this section, as prescribed by division (A)(2) of this section.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance for its project under sections 3318.01 to 3318.20 of the Revised Code or for a segment of its project, if the district previously segmented its project as authorized in section 3318.034 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project cost, which shall be the greater of:

(1) The required percentage of the basic project costs, determined based on the school district's percentile ranking;

(2) An amount necessary to raise the school district's net bonded indebtedness, as of the fiscal year the commission and the school district enter into the agreement under division (B) of this section, to within five thousand dollars of the required level of indebtedness.
(D)(1) When the commission determines the basic project cost of the classroom facilities needs of a school district and the school district's portion of that basic project cost under division (C) of this section, the project shall be conditionally approved. Such conditional approval shall be submitted to the controlling board for approval thereof. The controlling board shall forthwith approve or reject the commission's determination, conditional approval, and the amount of the state's portion of the basic project cost; however, no state funds shall be encumbered under this section. Upon approval by the controlling board, the school district board may identify a discrete part of its classroom facilities needs, which shall include only new construction of or additions or major repairs to a particular building, to address with local resources. Upon identifying a part of the school district's basic project cost to address with local resources, the school district board may allocate any available school district moneys to pay the cost of that identified part, including the proceeds of an issuance of bonds if approved by the electors of the school district.

All local resources utilized under this division shall first be deposited in the project construction account required under section 3318.08 of the Revised Code.

(2) Unless the school district board exercises its option under division (D)(3) of this section, for a school district to qualify for participation in the program authorized under this section, one of the following conditions shall be satisfied:

(a) The electors of the school district by a majority vote shall approve the levy of taxes outside the ten-mill limitation for a period of twenty-three years at the rate of not less than one-half mill for each dollar of valuation to be used to pay the cost of maintaining or upgrading, if approved by the commission, the classroom facilities included in the basic project cost as
determined by the commission. The form of the ballot to be used to submit the question whether to approve the tax required under this division to the electors of the school district shall be the form for an additional levy of taxes prescribed in section 3318.361 of the Revised Code, which may be combined in a single ballot question with the questions prescribed under section 5705.218 of the Revised Code.

(b) As authorized under division (C) of section 3318.05 of the Revised Code, the school district board shall earmark from the proceeds of a permanent improvement tax levied under section 5705.21 of the Revised Code, an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(c) As authorized under section 3318.051 of the Revised Code, the school district board shall, if approved by the commission, annually transfer into the maintenance fund required under section 3318.05 of the Revised Code the amount prescribed in section 3318.051 of the Revised Code in lieu of the tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(d) If the school district board has rescinded the agreement to make transfers under section 3318.051 of the Revised Code, as provided under division (F) of that section, the electors of the school district, in accordance with section 3318.063 of the Revised Code, first shall approve the levy of taxes outside the ten-mill limitation for the period specified in that section at a rate of not less than one-half mill for each dollar of valuation.

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the
manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of this section shall be deposited into a separate fund as specified in division (B) of section 3318.05 of the Revised Code.

(E)(1) If the school district becomes eligible for state
assistance under sections 3318.01 to 3318.20 of the Revised Code for its entire project or for future segments, if the district previously segmented its project as authorized in section 3318.034 of the Revised Code, based on its percentile ranking under division (B)(3) of this section or is offered assistance under section 3318.364 of the Revised Code, the commission shall conduct a new assessment of the school district's classroom facilities needs and shall recalculate the basic project cost based on this new assessment. The basic project cost recalculated under this division shall include the amount of expenditures made by the school district board under division (D)(1) of this section. The commission shall then recalculate the school district's portion of the new basic project cost, which shall be the percentage of the original basic project cost assigned to the school district as its portion under division (C) of this section. The commission shall deduct the expenditure of school district moneys made under division (D)(1) of this section from the school district's portion of the basic project cost as recalculated under this division. If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is less than the total amount of such portion as recalculated under this division, the school district board by a majority vote of all of its members shall, if it desires to seek state assistance under sections 3318.01 to 3318.20 of the Revised Code, adopt a resolution as specified in section 3318.06 of the Revised Code to submit to the electors of the school district the question of approval of a bond issue in order to pay any additional amount of school district portion required for state assistance. Any tax levy approved under division (D) of this section satisfies the requirements to levy the additional tax under section 3318.06 of the Revised Code.

(2) If the amount of school district resources applied by the school district board to the school district's portion of the
basic project cost under this section is more than the total amount of such portion as recalculated under this division, within one year after the school district's portion is recalculated under division (E)(1) of this section the commission may grant to the school district the difference between the two calculated portions, but at no time shall the commission expend any state funds on a project in an amount greater than the state's portion of the basic project cost as recalculated under this division.

Any reimbursement under this division shall be only for local resources the school district has applied toward construction cost expenditures for the classroom facilities approved by the commission, which shall not include any financing costs associated with that construction.

The school district board shall use any moneys reimbursed to the district under this division to pay off any debt service the district owes for classroom facilities constructed under its project under this section before such moneys are applied to any other purpose. However, the district board first may deposit moneys reimbursed under this division into the district's general fund or a permanent improvement fund to replace local resources the district withdrew from those funds, as long as, and to the extent that, those local resources were used by the district for constructing classroom facilities included in the district's basic project cost.

Sec. 3318.361. A school district board opting to qualify for state assistance pursuant to section 3318.36 of the Revised Code through levying the tax specified in division (D)(2)(a) or (D)(4) of that section shall declare by resolution that the question of a tax levy specified in division (D)(2)(a) or (4), as applicable, of section 3318.36 of the Revised Code shall be submitted to the electors of the school district at the next general or primary election.
election, if there be a general or primary election not less than
ninety and not more than one hundred ten days after the day of the
adoption of such resolution or, if not, at a special election to
be held at a time specified in the resolution which shall be not
less than ninety days after the day of the adoption of the
resolution and which shall be in accordance with the requirements
of section 3501.01 of the Revised Code. Such resolution shall
specify both of the following:

(A) That the rate which it is necessary to levy shall be at
the rate of not less than one-half mill for each one dollar of
valuation, and that such tax shall be levied for a period of
twenty-three years;

(B) That the proceeds of the tax shall be used to pay the
cost of maintaining the classroom facilities included in the
project or upgrading those facilities if approved by the Ohio
facilities construction commission.

A copy of such resolution shall after its passage and not
less than ninety days prior to the date set therein for the
election be certified to the county board of elections.

Notice of the election shall include the fact that the tax
levy shall be at the rate of not less than one-half mill for each
one dollar of valuation for a period of twenty-three years, and
that the proceeds of the tax shall be used to pay the cost of
maintaining or upgrading the classroom facilities included in the
project.

The form of the ballot to be used at such election shall be:

"Shall a levy of taxes be made for a period of twenty-three
years to benefit the ............ (here insert name of school
district) school district, the proceeds of which shall be used to
pay the cost of maintaining (or upgrading if approved by the Ohio
facilities construction commission) the classroom facilities
included in the project at the rate of ........ (here insert the number of mills, which shall not be less than one-half mill) mills for each one dollar of valuation?

Sec. 3319.26. (A) The state board of education shall adopt rules establishing the standards and requirements for obtaining an alternative resident educator license for teaching in grades kindergarten to twelve, or the equivalent, in a designated subject area or in the area of intervention specialist, as defined by rule of the state board. The rules shall also include the reasons for which an alternative resident educator license may be renewed under division (D) of this section.

(B) The superintendent of public instruction and the chancellor of the Ohio board of regents higher education jointly shall develop an intensive pedagogical training institute to provide instruction in the principles and practices of teaching for individuals seeking an alternative resident educator license. The instruction shall cover such topics as student development and learning, pupil assessment procedures, curriculum development, classroom management, and teaching methodology.

right to have excises or taxes levied or appropriations made by the general assembly for the payment of bond service charges on the obligations, and the obligations shall contain a statement to that effect. The agreement for or the actual withholding and payment of money under this section does not constitute the assumption by the state of any debt of a community or technical college district or a community or technical college, and bond service charges on the related obligations are not anticipated to be paid from the state general revenue fund for purposes of Section 17 of Article VIII, Ohio Constitution.

(G) In the case of obligations subject to the withholding provisions of this section, the issuing community or technical college district, or the issuing authority in the case of obligations issued by the issuing authority, shall appoint a paying agent or fiscal agent who is not an officer or employee of the district or college.

(H) The chancellor, with the advice and consent of the office of budget and management, may adopt reasonable rules not inconsistent with this section for the implementation of this section to secure payment of bond service charges on obligations issued by a community or technical college district or by the issuing authority for the benefit of a community or technical college district or the community or technical college it operates. Those rules shall include criteria for the evaluation and approval or denial of community or technical college district requests for withholding under this section.

(I) The authority granted by this section is in addition to and not a limitation on any other authorizations granted by or pursuant to law for the same or similar purposes.

Awards may be granted for programs and initiatives to be implemented by a state university or college alone or in collaboration with other state institutions of higher education, nonpublic Ohio universities and colleges, or other public or private Ohio entities. collaboration with other state institutions of higher education, nonpublic Ohio universities or colleges, or other public or nonpublic Ohio entities. A single proposal may seek an award under one or both programs.

The chancellor shall determine which proposals will receive awards each fiscal year, and the amount of each award, on the basis of the merit of each proposal, which the chancellor, subject to approval by the controlling board, shall determine based on one or more of the following criteria:

(A) The quality of the program that is the subject of the proposal and the extent to which additional resources will enhance its quality;

(L) The extent to which the proposal encourages students enrolled in state universities to transfer into science, technology, engineering, mathematics, or medicine programs;

(M) The extent to which the proposal facilitates the completion of a baccalaureate degree in a cost-effective manner, for example, by facilitating students' completing two years at a two-year institution and two years at a state university or college;

(N) The extent to which the proposal allows attendance at a state university or college of students who otherwise could not afford to attend;

(O) The extent to which other institutional, public, or private resources pledged to the proposal will be deployed to assist in sustaining students' scholarships over their academic careers;

(P) The extent to which the proposal increases the likelihood that students will successfully complete their degree programs in science, technology, engineering, mathematics, or medicine or in science, technology, engineering, mathematics, or medical education;

(Q) The extent to which the proposal ensures that a student who is awarded a scholarship is appropriately qualified and prepared to successfully complete a degree program in science,

The chancellor may require a college or university to give priority to qualified candidates who graduated from a high school in this state.

"Hard-to-staff" shall be as defined by the department of education.

If the board of trustees determines that economic conditions or other circumstances require an increase for the first cohort of above six per cent, the board shall submit a request to increase the amount by a specified percentage to the chancellor. The chancellor, based on information the chancellor requires from the board of trustees, shall approve or disapprove such a request. Thereafter, the board of trustees may increase the guaranteed amount by up to the sum of the following above what has been charged in the previous academic year one time per subsequent cohort:
