(2) Upon the declaration of an emergency, the board of education may, by resolution, submit to the electors of the district pursuant to section 133.18 of the Revised Code the question of issuing securities for the purpose of paying the
cost, in excess of any insurance or condemnation proceeds received by the district, of permanent improvements to respond to the emergency need.

If the board finds after receiving the report that the amount of money the district would spend on such installations, modifications, or remodeling is not likely to exceed the amount of money it would save in energy and resultant operational and maintenance costs over the ensuing fifteen years, the board may submit to the commission a copy of its findings and a request for approval to incur indebtedness to finance the making or modification of installations or the remodeling of buildings for the purpose of significantly reducing energy consumption.

The facilities construction commission, in consultation with the auditor of state, may deny a request under division (G) (1) of this section by the board of education of any school district that is in a state of fiscal watch pursuant to division (A) of section 3316.03 of the Revised Code, if it determines
that the expenditure of funds is not in the best interest of the school district.

No district board of education of a school district that is in a state of fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code shall submit a request without submitting evidence that the installations, modifications, or remodeling have been approved by the district's financial planning and supervision commission established under section 3316.05 of the Revised Code.

No board of education of a school district for which an academic distress commission has been established under section 3302.10 of the Revised Code shall submit a request without first receiving approval to incur indebtedness from the district's academic distress commission established under that section, for so long as such commission continues to be required for the district.

(2) The board of education may contract with a person experienced in the implementation of student transportation to produce a report that includes an analysis of and recommendations for the use of alternative fuel vehicles by school districts. The report shall include cost estimates detailing the return on investment over the life of the alternative fuel vehicles and environmental impact of alternative fuel vehicles. The report also shall include estimates of all costs associated with alternative fuel transportation, including facility modifications and vehicle purchase costs or conversion costs.

If the board finds after receiving the report that the amount of money the district would spend on purchasing alternative fuel vehicles or vehicle conversion is not likely to
exceed the amount of money it would save in fuel and resultant
operational and maintenance costs over the ensuing five years,
the board may submit to the commission a copy of its findings
and a request for approval to incur indebtedness to finance the
purchase of new alternative fuel vehicles or vehicle conversions
for the purpose of reducing fuel costs.

The facilities construction commission, in consultation
with the auditor of state, may deny a request under division (G)

Upon receipt of the commission's approval, the district may issue securities without a vote of the electors in a principal amount not to exceed nine-tenths of one per cent of its tax valuation for the purpose specified in division (G)(1) or (2) of this section, but the total net indebtedness of the district without a vote of the electors incurred under this and all other sections of the Revised Code, except section 3318.052 of the Revised Code, shall not exceed one per cent of the district's tax valuation.

(4)(a) So long as any securities issued under division (G) (1) of this section remain outstanding, the board of education shall monitor the energy consumption and resultant operational and maintenance costs of buildings in which installations or modifications have been made or remodeling has been done pursuant to that division. Except as provided in division (G)(4)(b) of this section, the board shall maintain and annually update a report in a form and manner prescribed by the facilities construction commission documenting the reductions in energy consumption and resultant operational and maintenance cost savings attributable to such installations, modifications, or remodeling. The resultant operational and maintenance cost
savings shall be certified by the school district treasurer. The report shall be submitted annually to the commission.

(b) If the facilities construction commission verifies that the certified annual reports submitted to the commission by a board of education under division (G)(4)(a) of this section fulfill the guarantee required under division (B) of section 3313.372 of the Revised Code for three consecutive years, the board of education shall no longer be subject to the annual reporting requirements of division (G)(4)(a) of this section.

(5) So long as any securities issued under division (G)(2) of this section remain outstanding, the board of education shall monitor the purchase of new alternative fuel vehicles or vehicle conversions pursuant to that division. The board shall maintain and annually update a report in a form and manner prescribed by the facilities construction commission documenting the purchase of new alternative fuel vehicles or vehicle conversions, the associated environmental impact, and return on investment. The resultant fuel and operational and maintenance cost savings shall be certified by the school district treasurer. The report shall be submitted annually to the commission.

(H) With the consent of the superintendent of public instruction, a school district may incur without a vote of the electors net indebtedness that exceeds the amounts stated in divisions (A) and (G) of this section for the purpose of paying costs of permanent improvements, if and to the extent that both of the following conditions are satisfied:

on the securities when issued.

(C)(1) The taxing authority shall certify a copy of
the legislation passed under division (B) of this section to the
county auditor. The county auditor shall promptly calculate and
advise and, not later than ninety days before the election,
confirm that advice by certification to, the taxing authority
the estimated average annual property tax levy, expressed in
cents or dollars and cents for each one hundred dollars of tax
valuation and in mills for each one dollar of tax valuation,
that the county auditor estimates to be required throughout the
stated maturity of the bonds to pay the debt charges on the
bonds. In calculating the estimated average annual property tax
levy for this purpose, the county auditor shall assume that the
bonds are issued in one series bearing interest and maturing in
substantially equal principal amounts in each year over the
maximum number of years over which the principal of the bonds
may be paid as stated in that legislation, and that the amount
of the tax valuation of the subdivision for the current year
remains the same throughout the maturity of the bonds, except as
otherwise provided in division (C)(2) of this section. If the
tax valuation for the current year is not determined, the county
auditor shall base the calculation on the estimated amount of
the tax valuation submitted by the county auditor to the county
budget commission. If the subdivision is located in more than
one county, the county auditor shall obtain the assistance of
the county auditors of the other counties, and those county
auditors shall provide assistance, in establishing the tax
valuation of the subdivision for purposes of certifying the
estimated average annual property tax levy.

(2) When considering the tangible personal property
component of the tax valuation of the subdivision, the county
auditor shall take into account the assessment percentages
prescribed in section 5711.22 of the Revised Code. The tax
commissioner may issue rules, orders, or instructions directing
how the assessment percentages must be utilized.

(D) After receiving the county auditor's advice under
division (C) of this section, the taxing authority by
legislation may determine to proceed with submitting the
question of the issue of securities, and shall, not later than
the ninetieth day before the day of the election, file the
following with the board of elections:

(1) Copies of the legislation provided for in divisions
(B) and (D) of this section;

tax levy, expressed in cents or dollars and cents for each one hundred dollars of tax valuation and in mills for each one dollar of tax valuation, as estimated and certified to the taxing authority by the county auditor.

(E)(1) The board of elections shall prepare the ballots and make other necessary arrangements for the submission of the question to the electors of the subdivision. If the subdivision is located in more than one county, the board shall inform the boards of elections of the other counties of the filings with it, and those other boards shall if appropriate make the other necessary arrangements for the election in their counties. The election shall be conducted, canvassed, and certified in the manner provided in Title XXXV of the Revised Code.

(2) The election shall be held at the regular places for voting in the subdivision. If the electors of only a part of a precinct are qualified to vote at the election the board of elections may assign the electors in that part to an adjoining precinct, including an adjoining precinct in another county if the board of elections of the other county consents to and approves the assignment. Each elector so assigned shall be notified of that fact prior to the election by notice mailed by the board of elections, in such manner as it determines, prior to the election.

(3) The board of elections shall publish a notice of the election once in a newspaper of general circulation in the subdivision, no later than ten days prior to the election. The notice shall state all of the following:

(a) The principal amount of the proposed bond issue;

(b) The stated purpose for which the bonds are to be
(c) The maximum number of years over which the principal of the bonds may be paid;

(d) The estimated additional average annual property tax levy, expressed in cents or dollars and cents for each one hundred dollars of tax valuation and in mills for each one dollar of tax valuation, to be levied outside the tax limitation, as estimated and certified to the taxing authority by the county auditor;

(e) The first calendar year in which the tax is expected to be due.

(F)(1) The form of the ballot to be used at the election shall be substantially either of the following, as applicable:

(a) "Shall bonds be issued by the __________ (name of subdivision) for the purpose of __________ (purpose of the bond issue) in the principal amount of __________ (principal amount of the bond issue), to be repaid annually over a maximum period of __________ (the maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the __________ (as applicable, "ten-mill" or "__charter tax") limitation, estimated by the county auditor to average over the repayment period of the bond issue __________ (number of mills) mills for each one dollar of tax valuation, which amounts to __________ (rate expressed in cents or dollars and cents, such as "36 cents" or "$1.41") for each one hundred dollars of tax valuation, commencing in __________ (first year the tax will be levied), first due in calendar year __________ (first calendar year in which the tax shall be due), to pay the annual debt charges on the bonds, and

"Shall bonds be issued for __________ (name of library) for the purpose of __________ (purpose of the bond issue), in the principal amount of __________ (amount of the bond issue) by __________ (the name of the subdivision that is to issue the bonds and levy the tax) as the issuer of the bonds, to be repaid annually over a maximum period of __________ (the maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the ten-mill limitation, estimated by the county auditor to average over the repayment period of the bond issue __________ (number of mills) mills for each one dollar of tax valuation, which amounts to __________ (rate expressed in cents or dollars and cents, such as "36 cents" or "$1.41") for each one hundred dollars of tax valuation, commencing in __________ (first year the tax will be levied), first due in calendar year __________ (first calendar year in which the tax shall be due), to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds?"
(2) The purpose for which the bonds are to be issued shall be printed in the space indicated, in boldface type.

(G) The board of elections shall promptly certify the results of the election to the tax commissioner, the county auditor of each county in which any part of the subdivision is located, and the fiscal officer of the subdivision. The election, including the proceedings for and result of the election, is incontestable other than in a contest filed under section 3515.09 of the Revised Code in which the plaintiff prevails.

(H) If a majority of the electors voting upon the question vote for it, the taxing authority of the subdivision may proceed under sections 133.21 to 133.33 of the Revised Code with the issuance of the securities and with the levy and collection of a property tax outside the tax limitation during the period the securities are outstanding sufficient in amount to pay the debt charges on the securities, including debt charges on any anticipatory securities required to be paid from that tax. If legislation passed under section 133.22 or 133.23 of the Revised Code authorizing those securities is filed with the county auditor on or before the last day of November, the amount of the voted property tax levy required to pay debt charges or estimated debt charges on the securities payable in the following year shall if requested by the taxing authority be included in the taxes levied for collection in the following year under section 319.30 of the Revised Code.
(I)(1) If, before any securities authorized at an election under this section are issued, the net indebtedness of the subdivision exceeds that applicable to that subdivision or those securities, then and so long as that is the case none of the securities may be issued.

(2) No securities authorized at an election under this section may be initially issued after the first day of the sixth January following the election, but this period of limitation shall not run for any time during which any part of the permanent improvement for which the securities have been authorized, or the issuing or validity of any part of the securities issued or to be issued, or the related proceedings, is involved or questioned before a court or a commission or other tribunal, administrative agency, or board.

(3) Securities representing a portion of the amount authorized at an election that are issued within the applicable limitation on net indebtedness are valid and in no manner affected by the fact that the balance of the securities authorized cannot be issued by reason of the net indebtedness limitation or lapse of time.

(4) Nothing in this division (I) shall be interpreted or applied to prevent the issuance of securities in an amount to fund or refund anticipatory securities lawfully issued.

(5) The limitations of divisions (I)(1) and (2) of this section do not apply to any securities authorized at an election under this section if at least ten per cent of the principal amount of the securities, including anticipatory securities, authorized has theretofore been issued, or if the securities are to be issued for the purpose of participating in any federally or state-assisted program.
(6) The certificate of the fiscal officer of the subdivision is conclusive proof of the facts referred to in this division.

(A) In addition to the investments authorized by section 135.14 of the Revised Code, any board of education, by a two-thirds vote of its members, may authorize the treasurer of the board of education to invest up to forty per cent of the interim moneys of the board, available for investment at any one time, in either of the following:

(B) No investment authorized pursuant to division (A) of this section shall be made, whether or not authorized by a board of education, unless the treasurer of the board of education has completed additional training for making the types of investments authorized pursuant to division (A) of this section. The type and amount of such training shall be approved and may be conducted by or provided under the supervision of the treasurer of state.

(C) The treasurer of the board of education shall prepare annually and submit to the board of education, the superintendent of public instruction, and the auditor of state, on or before the thirty-first day of August, a report listing each investment made pursuant to division (A) of this section during the preceding fiscal year, income earned from such investments, fees and commissions paid pursuant to division (D) of this section, and any other information required by the board, the superintendent, and the auditor of state.

The debt interests purchased under authority of division (E) of this section shall mature not later than the latest maturity date of the outstanding obligations issued under authority of section 133.10 or 133.301 of the Revised Code.

(2) If any of the debt interests acquired under division (E)(1) of this section ceases to be rated as there required, its issuer shall notify the treasurer of state of this fact within twenty-four hours. At any time thereafter the treasurer of state may require collateralization at the rate of one hundred two per cent of any remaining obligation of the entity, with securities authorized for investment under section 135.143 of the Revised Code. The collateral shall be delivered to and held by a custodian acceptable to the treasurer of state, marked to market daily, and any default to be cured within twelve hours. Unlimited substitution shall be allowed of comparable securities.

Sec. 305.31. The procedure for submitting to a referendum a resolution adopted by a board of county commissioners under division (H) of section 307.695 of the Revised Code that is not submitted to the electors of the county for their approval or disapproval; any resolution adopted by a board of county commissioners pursuant to division (D)(1) of section 307.697, section 322.02, or 322.06, sections 940.31 and 940.33, division (B)(1) of section 4301.421, section 4504.02, 5739.021, or 5739.026, division (A)(6)(F), (A)(10)(J), or (M)(U) of section 5739.09, section 5741.021 or 5741.023, or division (C)(1) of section 5743.024 of the Revised Code; or a rule adopted pursuant to section 307.79 of the Revised Code shall be as prescribed by this section.
Except as otherwise provided in this paragraph, when a petition, signed by ten per cent of the number of electors who voted for governor at the most recent general election for the office of governor in the county, is filed with the county auditor within thirty days after the date the resolution is passed or rule is adopted by the board of county commissioners, or is filed within forty-five days after the resolution is passed, in the case of a resolution adopted pursuant to section 5739.021 of the Revised Code that is passed within one year after a resolution adopted pursuant to that section has been rejected or repealed by the electors, requesting that the resolution be submitted to the electors of the county for their approval or rejection, the county auditor shall, after ten days following the filing of the petition, and not later than four p.m. of the ninetieth day before the day of election, transmit a certified copy of the text of the resolution or rule to the board of elections. In the case of a petition requesting that a resolution adopted under division (D)(1) of section 307.697, division (B)(1) of section 4301.421, or division (C)(1) of section 5743.024 of the Revised Code be submitted to electors for their approval or rejection, the petition shall be signed by seven per cent of the number of electors who voted for governor at the most recent election for the office of governor in the county. The county auditor shall transmit the petition to the board together with the certified copy of the resolution or rule. The board shall examine all signatures on the petition to determine the number of electors of the county who signed the petition. The board shall return the petition to the auditor within ten days after receiving it, together with a statement attesting to the number of such electors who signed the petition. The board shall submit the resolution or rule to the electors of the county, for their approval or rejection, at the
succeeding general election held in the county in any year, or on the day of the succeeding primary election held in the county in even-numbered years, occurring subsequent to ninety days after the auditor certifies the sufficiency and validity of the petition to the board of elections.

No resolution shall go into effect until approved by the majority of those voting upon it. However, a rule shall take effect and remain in effect unless and until a majority of the electors voting on the question of repeal approve the repeal. Sections 305.31 to 305.41 of the Revised Code do not prevent a county, after the passage of any resolution or adoption of any rule, from proceeding at once to give any notice or make any publication required by the resolution or rule.

The board of county commissioners shall make available to any person, upon request, a certified copy of any resolution or rule subject to the procedure for submitting a referendum under sections 305.31 to 305.42 of the Revised Code beginning on the date the resolution or rule is adopted by the board. The board may charge a fee for the cost of copying the resolution or rule.

As used in this section, "certified copy" means a copy containing a written statement attesting that it is a true and exact reproduction of the original resolution or rule.

Sec. 306.322. (A) For any regional transit authority that levies a property tax and that includes in its membership political subdivisions that are located in a county having a population of at least four hundred thousand according to the most recent federal census, the procedures of this section apply until November 5, 2013, and are in addition to and an alternative to those established in sections 306.32 and 306.321 of the Revised Code for joining to the regional transit
authority additional counties, municipal corporations, or townships.

(B) Any municipal corporation or township may adopt a resolution or ordinance proposing to join a regional transit authority described in division (A) of this section. In its resolution or ordinance, the political subdivision may propose joining the regional transit authority for a limited period of three years or without a time limit.

(C) The political subdivision proposing to join the regional transit authority shall submit a copy of its resolution or ordinance to the legislative authority of each municipal corporation and the board of trustees of each township comprising the regional transit authority. Within thirty days of receiving the resolution or ordinance for inclusion in the regional transit authority, the legislative authority of each municipal corporation and the board of trustees of each township shall consider the question of whether to include the additional subdivision in the regional transit authority, shall adopt a resolution or ordinance approving or rejecting the inclusion of the additional subdivision, and shall present its resolution or ordinance to the board of trustees of the regional transit authority.

(D) If a majority of the political subdivisions comprising the regional transit authority approve the inclusion of the additional political subdivision, the board of trustees of the regional transit authority, not later than the tenth day following the day on which the last ordinance or resolution is presented, shall notify the subdivision proposing to join the regional transit authority that it may certify the proposal to the board of elections for the purpose of having the proposal
placed on the ballot at the next general election or at a
special election conducted on the day of the next primary
election that occurs not less than ninety days after the
resolution or ordinance is certified to the board of elections.

(E) Upon certification of a proposal to the board of
elections pursuant to this section, the board of elections shall
make the necessary arrangements for the submission of the
question to the electors of the territory to be included in the
regional transit authority qualified to vote on the question,
and the election shall be held, canvassed, and certified in the
same manner as regular elections for the election of officers of
the subdivision proposing to join the regional transit
authority, except that, if the resolution proposed the inclusion
without a time limitation the question appearing on the ballot
shall read:

"Shall the territory within the ______________________
(Name or names of political subdivisions to be joined) be added
to ______________________ (Name) regional transit
authority?" and shall a(n) ________ (here insert type of tax
or taxes) at a rate of taxation not to exceed _____ (here insert
maximum tax rate or rates) be levied for all transit purposes?"

If the resolution proposed the inclusion with a three-year
time limitation, the question appearing on the ballot shall
read:

"Shall the territory within the ______________________
(Name or names of political subdivisions to be joined) be added
to ______________________ (Name) regional transit
authority?" for three years and shall a(n) ________ (here
insert type of tax or taxes) at a rate of taxation not to exceed
_____ (here insert maximum tax rate or rates) be levied for all
transit purposes for three years?"

(F) If the question is approved by at least a majority of the electors voting on the question, the addition of the new territory is effective six months from the date of the certification of its passage, and the regional transit authority may extend the levy of the tax against all the taxable property within the territory that was added. If the question is approved at a general election or at a special election occurring prior to the general election but after the fifteenth day of July, the regional transit authority may amend its budget and resolution adopted pursuant to section 5705.34 of the Revised Code, and the levy shall be placed on the current tax list and duplicate and collected as other taxes are collected from all taxable property within the territorial boundaries of the regional transit authority, including the territory within the political subdivision added as a result of the election. If the budget of the regional transit authority is amended pursuant to this paragraph, the county auditor shall prepare and deliver an amended certificate of estimated resources to reflect the change in anticipated revenues of the regional transit authority.

(G) If the question is approved by at least a majority of the electors voting on the question, the board of trustees of the regional transit authority immediately shall amend the resolution or ordinance creating the regional transit authority to include the additional political subdivision.

(H) If the question approved by a majority of the electors voting on the question added the subdivision for three years, the territory of the additional municipal corporation or township in the regional transit authority shall be removed from the territory of the regional transit authority three years
after the date the territory was added, as determined in the
effective date of the election, and shall no longer be a part of
that authority without any further action by either the
political subdivisions that were included in the authority prior
to submitting the question to the electors or of the political
subdivision added to the authority as a result of the election.
The regional transit authority reduced to its territory as it
existed prior to the inclusion of the additional municipal
corporation or township shall be entitled to levy and collect
any property taxes that it was authorized to levy and collect
prior to the enlargement of its territory and for which
authorization has not expired, as if the enlargement had not
occurred.

(H) Except as provided herein with respect to agreements for the payment or reimbursement of maintenance and repair costs, if the term of an agreement made pursuant to division (B), (E), (F), or (G) of this section extends beyond the end of the fiscal year of the eligible county, eligible transit authority, or host municipal corporation in which it is made, the agreement shall be subject to section 5705.44 of the Revised Code, and subject to the certification required by that section, the amount due under any such agreement in each succeeding fiscal year shall be included in the annual appropriation measure of the eligible county, eligible transit authority, or host municipal corporation for each such fiscal year as a fixed charge. The obligation of an eligible county, eligible transit authority, or host municipal corporation, and of each official thereof, to include the amount required to be paid in any such fiscal year in its annual appropriation measure as a fixed charge and to make such payments from and to the extent of the amounts so pledged, or agreed to be contributed or pledged, shall be a duty specially enjoined by law and resulting from an
office, trust, or station under section 2731.01 of the Revised Code, enforceable by writ of mandamus.

(I)(1) Each tourism facility and project constitutes a "port authority facility" within the meaning of division (D) of section 4582.01 and division (E) of section 4582.21 of the Revised Code, and a port authority may issue obligations under Chapter 4582. of the Revised Code, subject only to the procedures and requirements applicable to its issuance of revenue bonds as provided in division (A)(4) of section 4582.06 of the Revised Code or of port authority revenue bonds as provided in division (A)(8) of section 4582.31 of the Revised Code. For the purpose of issuing any such obligations, any net lodging tax proceeds, net tourism development district revenues, amounts provided pursuant to any credit enhancement facilities, and revenue from any other tax pledged, assigned, or otherwise obligated to be contributed to the payment of the obligations shall be treated as revenues of the port authority for the purposes of division (A)(4) of section 4582.06 of the Revised Code and revenues, as defined in section 4582.21 of the Revised Code. Any obligations issued under division (I)(1) of this section shall be considered revenue bonds issued under division (A)(4) of section 4582.06 of the Revised Code or port authority revenue bonds issued under division (A)(8) of section 4582.31 and section 4582.48 of the Revised Code for all purposes. In addition to all other powers available to a port authority under this section or under Chapter 4582. of the Revised Code with respect to the issuance of or provision for the security for payment of debt charges on obligations, and with respect to any tourism facility or project, the port authority may take any of the actions contemplated by Chapter 4582. of the Revised Code, including, without limitation, any actions contemplated by
section 4582.06, 4582.31, or 4582.47 of the Revised Code.

Obligations issued by a port authority pursuant to division (I)(1) of this section shall be special obligations of the port authority and do not constitute bonded indebtedness, a general obligation, debt, or a pledge of the full faith and credit of the state, the port authority, or any other political subdivision of the state.

(2) Each tourism facility and project constitutes "community facilities" within the meaning of division (I) of section 349.01 of the Revised Code, and a new community authority may issue obligations pursuant to Chapter 349. of the Revised Code subject only to the procedures and requirements applicable to its issuance of bonds or notes as used in and pursuant to section 349.08 of the Revised Code. For the purpose of issuing any such obligations, net lodging tax proceeds, net tourism development district revenues, and revenue from any other tax pledged, assigned, or otherwise obligated to be contributed to the payment of the obligations shall be treated as an income source, as defined in section 349.01 of the Revised Code. Any obligations issued under division (I)(2) of this section shall be considered bonds issued under section 349.08 of the Revised Code. In addition to all other powers available to a new community authority under division (I)(2) of this section or under Chapter 349. of the Revised Code with respect to the issuance of or provision for the security for payment of debt charges on obligations, and with respect to any tourism facility or project, the new community authority may take any of the actions contemplated by Chapter 349. of the Revised Code.

Obligations issued by a new community authority pursuant to division (I)(2) of this section shall be special obligations of the new community authority and do not constitute bonded

indebtedness, a general obligation, debt, or a pledge of the full faith and credit of the state, the new community authority, or any other political subdivision of the state.

(J) Each project for which funding or payment of project costs is provided, in whole or in part, by the issuance of obligations secured by a pledge of net lodging tax proceeds or net tourism development district revenues, or both, and any agreement to provide credit enhancement facilities or to fund or pay, and the funding or payment of, such project costs and any maintenance and repair costs of the project from net lodging taxes and net tourism development district revenues, are hereby determined, regardless of the ownership, leasing, or use of the project by any person, to constitute implementing and participating in the development of sites and facilities within the meaning of Section 2p of Article VIII, Ohio Constitution, including division (D)(3) of that section, and any such obligations are hereby determined to be issued, and any such credit enhancement facilities and agreements to fund or pay, and funding and payment of, project costs and any maintenance and repair costs of the project, are determined to be made, under authority of Section 2p of Article VIII, Ohio Constitution, for and in furtherance of site and facility development purposes within the meaning of division (E) of that section, pursuant to provision made by law for the procedure for incurring and issuing obligations, separately or in combination with other obligations, and refunding, retiring, and evidencing obligations, and pursuant to division (F) of Section 2p of Article VIII, Ohio Constitution, such that provision for the payment of debt charges on the obligations, credit enhancement facilities, or both, the purposes and uses to which and the manner in which the proceeds of those obligations or credit
enhancement facilities or money from other sources are to be or
may be applied, and other implementation of those development
purposes as referred to in this section, including the manner
determined by an issuer to participate for those purposes, are
not subject to Sections 4 and 6 of Article VIII, Ohio
Constitution.

No obligations may be issued under this section to fund or
pay maintenance and repair costs.

(K) No obligations may be issued under this section unless
the issuer's fiscal officer determines that the net lodging tax
proceeds, net tourism development district revenues, or both,
pledged, assigned, or otherwise obligated to be contributed to
the payment of debt charges on such obligations and all other
obligations issued, outstanding and payable therefrom, are
expected to be sufficient to pay all debt charges on all such
obligations except to any extent that such debt charges are to
be paid from proceeds of obligations or refunding obligations
deposited or to be deposited into a pledged fund or account,
including any reserve fund or account, or investment earnings
thereon.

(L)(1) A board of county commissioners shall not repeal,
reap, rescind, or reduce the levy of an existing lodging tax or the
source of any other revenue to the extent revenue from that tax
or source is pledged to the payment of debt charges on
obligations, and any such lodging tax or other revenue source
shall not be subject to repeal, rescission, or reduction by
initiative, referendum, or subsequent enactment of legislation
by the general assembly, so long as there remain outstanding any
obligations as to which the payment of debt charges is secured
by a pledge of the existing lodging tax or other revenue source.
(2) The legislative authority of a host municipal corporation shall not repeal, rescind, or reduce the levy of any tax the proceeds of which constitute tourism development district revenues if its proceeds are pledged to the payment of debt charges on obligations, and any such tax shall not be subject to repeal, rescission, or reduction by initiative, referendum, or subsequent enactment of legislation by the general assembly, so long as there remain outstanding any obligations as to which the payment of debt charges is secured by a pledge of those net tourism development district revenues.

(3) A transit authority shall not repeal, rescind, or reduce the levy of any tax the proceeds of which are pledged to the payment of debt charges on obligations, and any such tax shall not be subject to repeal, rescission, or reduction by initiative, referendum, or subsequent enactment of legislation by the general assembly, so long as there remain outstanding any obligations as to which the payment of debt charges is secured by the pledge of such tax proceeds.

(M) A pledge, assignment, or other agreement to contribute net lodging tax proceeds or other revenues or credit enhancement facilities made by an eligible county under division (B) or (E) of this section; a pledge, assignment, or other agreement to contribute net tourism development district revenues or credit enhancement facilities made by a host municipality under division (B) or (F) of this section; and a pledge, assignment, or other agreement made by an eligible county or eligible transit authority or agreement to contribute revenue from taxes that constitute tourism development district revenues under division (B), (E), or (G) of this section, do not constitute bonded indebtedness, or indebtedness for the purposes of Chapter 133. of the Revised Code, of an eligible county, eligible
transit authority, or host municipal corporation.

(N) The authority provided by this section is supplemental to, and is not intended to limit in any way, any legal authority that a cooperating party or any other person may have under any other provision of law.

Sec. 307.695. (A) As used in this section:

(1) "Arena" means any structure designed and constructed for the purpose of providing a venue for public entertainment and recreation by the presentation of concerts, sporting and athletic events, and other events and exhibitions, including facilities intended to house or provide a site for one or more athletic or sports teams or activities, spectator facilities, parking facilities, walkways, and auxiliary facilities, real and personal property, property rights, easements, leasehold estates, and interests that may be appropriate for, or used in connection with, the operation of the arena.

(2) "Convention center" means any structure expressly designed and constructed for the purposes of presenting conventions, public meetings, and exhibitions and includes parking facilities that serve the center and any personal property used in connection with any such structure or facilities.

(3) "Eligible county" means a county having a population of at least four hundred thousand but not more than eight hundred thousand according to the 2000 federal decennial census and that directly borders the geographic boundaries of another state.

(4) "Entity" means a nonprofit corporation, a municipal corporation, a port authority created under Chapter 4582. of the
Revised Code, or a convention facilities authority created under Chapter 351. of the Revised Code.

(5) "Lodging taxes" means excise taxes levied under division (A)(1), (A)(2)(B), or (C)(M) of section 5739.09 of the Revised Code and the revenues arising therefrom.

(6) "Nonprofit corporation" means a nonprofit corporation that is organized under the laws of this state and that includes within the purposes for which it is incorporated the authorization to lease and operate facilities such as a convention center or an arena or a combination of an arena and convention center.

(7) "Project" means acquiring, constructing, reconstructing, renovating, rehabilitating, expanding, adding to, equipping, furnishing or otherwise improving an arena, a convention center, or a combination of an arena and convention center. For purposes of this section, a project is a permanent improvement for one purpose under Chapter 133. of the Revised Code.

(8) "Project revenues" means money received by a county with a population greater than four hundred thousand wherein the population of the largest city comprises more than one-third of that county's population, other than money from taxes or from the proceeds of securities secured by taxes, in connection with, derived from, related to, or resulting from a project, including, but not limited to, rentals and other payments received under a lease or agreement with respect to the project, ticket charges or surcharges for admission to events at a project, charges or surcharges for parking for events at a project, charges for the use of a project or any portion of a project, including suites and seating rights, the sale of naming...
rights for the project or a portion of the project, unexpended proceeds of any county revenue bonds issued for the project, and any income and profit from the investment of the proceeds of any such revenue bonds or any project revenues.

(9) "Chapter 133. securities," "debt charges," "general obligation," "legislation," "one purpose," "outstanding," "permanent improvement," "person," and "securities" have the meanings given to those terms in section 133.01 of the Revised Code.

(B) A board of county commissioners may enter into an agreement with a convention and visitors' bureau operating in the county under which:

(1) The bureau agrees to construct and equip a convention center in the county and to pledge and contribute from the tax revenues received by it under division (A) of section 5739.09 of the Revised Code, not more than such portion thereof that it is authorized to pledge and contribute for the purpose described in division (C) of this section; and

(2) The board agrees to levy a tax under division (C) of section 5739.09 of the Revised Code and pledge and contribute the revenues therefrom for the purpose described in division (C) of this section.

(C) The purpose of the pledges and contributions described in divisions (B)(1) and (2) of this section is payment of principal, interest, and premium, if any, on bonds and notes issued by or for the benefit of the bureau to finance the construction and equipping of a convention center. The pledges and contributions provided for in the agreement shall be for the period stated in the agreement. Revenues determined from time to
time by the board to be needed to cover the real and actual costs of administering the tax imposed by division (C) (M) of section 5739.09 of the Revised Code may not be pledged or contributed. The agreement shall provide that any such bonds and notes shall be secured by a trust agreement between the bureau or other issuer acting for the benefit of the bureau and a corporate trustee that is a trust company or bank having the powers of a trust company within or without the state, and the trust agreement shall pledge or assign to the retirement of the bonds or notes, all moneys paid by the county under this section. A tax the revenues from which are pledged under an agreement entered into by a board of county commissioners under this section shall not be subject to diminution by initiative or referendum, or diminution by statute, unless provision is made therein for an adequate substitute therefor reasonably satisfactory to the trustee under the trust agreement that secures the bonds and notes.

(D) A pledge of money by a county under division (B) of this section shall not be indebtedness of the county for purposes of Chapter 133. of the Revised Code.

(E) If the terms of the agreement so provide, the board of county commissioners may acquire and lease real property to the convention bureau as the site of the convention center. The lease shall be on such terms as are set forth in the agreement. The purchase and lease are not subject to the limitations of sections 307.02 and 307.09 of the Revised Code.

(F) In addition to the authority granted to a board of county commissioners under divisions (B) to (E) of this section, a board of county commissioners in a county with a population of one million two hundred thousand or more, or a county with a
population greater than four hundred thousand wherein the population of the largest city comprises more than one-third of that county's population, may purchase, for cash or by installment payments, enter into lease-purchase agreements for, lease with an option to purchase, lease, construct, enlarge, improve, rebuild, equip, or furnish a convention center.

(G) The board of county commissioners of a county with a population greater than four hundred thousand wherein the population of the largest city comprises more than one-third of that county's population may undertake, finance, operate, and maintain a project. The board may lease a project to an entity on terms that the board determines to be in the best interest of the county and in furtherance of the public purpose of the project; the lease may be for a term of thirty-five years or less and may provide for an option of the entity to renew the lease for a term of thirty-five years or less. The board may enter into an agreement with an entity with respect to a project on terms that the board determines to be in the best interest of the county and in furtherance of the public purpose of the project. To the extent provided for in an agreement or a lease with an entity, the board may authorize the entity to administer on behalf of the board any contracts for the project. The board may enter into an agreement providing for the sale to a person of naming rights to a project or portion of a project, for a period, for consideration, and on other terms and conditions that the board determines to be in the best interest of the county and in furtherance of the public purpose of the project. The board may enter into an agreement with a person owning or operating a professional athletic or sports team providing for the use by that person of a project or portion of a project for that team's offices, training, practices, and home games for a
period, for consideration, and on other terms and conditions that the board determines to be in the best interest of the county and in furtherance of the public purpose of the project. The board may establish ticket charges or surcharges for admission to events at a project, charges or surcharges for parking for events at a project, and charges for the use of a project or any portion of a project, including suites and seating rights, and may, as necessary, enter into agreements related thereto with persons for a period, for consideration, and on other terms and conditions that the board determines to be in the best interest of the county and in furtherance of the public purpose of the project. A lease or agreement authorized by this division is not subject to sections 307.02, 307.09, and 307.12 of the Revised Code.

(H) Notwithstanding any contrary provision in Chapter 5739. of the Revised Code, after adopting a resolution declaring it to be in the best interest of the county to undertake a project as described in division (G) of this section, the board of county commissioners of an eligible county may adopt a resolution enacting or increasing any lodging taxes within the limits specified in Chapter 5739. of the Revised Code with respect to those lodging taxes and amending any prior resolution under which any of its lodging taxes have been imposed in order to provide that those taxes, after deducting the real and actual costs of administering the taxes and any portion of the taxes returned to any municipal corporation or township as provided in division (A)(1) of section 5739.09 of the Revised Code, shall be used by the board for the purposes of undertaking, financing, operating, and maintaining the project, including paying debt charges on any securities issued by the board under division (I) of this section, or to make contributions to the convention and
visitors’ bureau operating within the county, or to promote, advertise, and market the region in which the county is located, all as the board may determine and make appropriations for from time to time, subject to the terms of any pledge to the payment of debt charges on outstanding general obligation securities or special obligation securities authorized under division (I) of this section. A resolution adopted under division (H) of this section shall be adopted not earlier than January 15, 2007, and not later than January 15, 2008.

A resolution adopted under division (H) of this section may direct the board of elections to submit the question of enacting or increasing lodging taxes, as the case may be, to the electors of the county at a special election held on the date specified by the board in the resolution, provided that the election occurs not less than ninety days after a certified copy of the resolution is transmitted to the board of elections and no later than January 15, 2008. A resolution submitted to the electors under this division shall not go into effect unless it is approved by a majority of those voting upon it. A resolution adopted under division (H) of this section that is not submitted to the electors of the county for their approval or disapproval is subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code.

A resolution adopted under division (H) of this section takes effect upon its adoption, unless the resolution is submitted to the electors of the county for their approval or disapproval, in which case the resolution takes effect on the date the board of county commissioners receives notification from the board of elections of the affirmative vote. Lodging taxes received after the effective date of the resolution may be used for the purposes described in division (H) of this section,
except that lodging taxes that have been pledged to the payment of debt charges on any bonds or notes issued by or for the benefit of a convention and visitors' bureau under division (C) of this section shall be used exclusively for that purpose until such time as the bonds or notes are no longer outstanding under the trust agreement securing those bonds or notes.

(I)(1) The board of county commissioners of a county with a population greater than four hundred thousand wherein the population of the largest city comprises more than one-third of that county's population may issue the following securities of the county for the purpose of paying costs of the project, refunding any outstanding county securities issued for that purpose, refunding any outstanding bonds or notes issued by or for the benefit of the bureau under division (C) of this section, or for any combination of those purposes:

(a) General obligation securities issued under Chapter 133. of the Revised Code. The resolution authorizing these securities may include covenants to appropriate annually from lawfully available lodging taxes, and to continue to levy and collect those lodging taxes in, amounts necessary to meet the debt charges on those securities.

(b) Special obligation securities issued under Chapter 133. of the Revised Code that are secured only by lawfully available lodging taxes and any other taxes and revenues pledged to pay the debt charges on those securities, except ad valorem property taxes. The resolution authorizing those securities shall include a pledge of and covenants to appropriate annually from lawfully available lodging taxes and any other taxes and revenues pledged for such purpose, and to continue to collect any of those revenues pledged for such purpose and to levy and
collect those lodging taxes and any other taxes pledged for such purpose, in amounts necessary to meet the debt charges on those securities. The pledge is valid and binding from the time the pledge is made, and the lodging taxes so pledged and thereafter received by the county are immediately subject to the lien of the pledge without any physical delivery of the lodging taxes or further act. The lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the county, regardless of whether such parties have notice of the lien. Neither the resolution nor any trust agreement by which a pledge is created or further evidenced is required to be filed or recorded except in the records of the board. The special obligation securities shall contain a statement on their face to the effect that they are not general obligation securities, and, unless paid from other sources, are payable from the pledged lodging taxes.

(c) Revenue securities authorized under section 133.08 of the Revised Code and issued under Chapter 133. of the Revised Code that are secured only by lawfully available project revenues pledged to pay the debt charges on those securities.

(2) The securities described in division (I)(1) of this section are subject to Chapter 133. of the Revised Code.

(3) Section 133.34 of the Revised Code, except for division (A) of that section, applies to the issuance of any refunding securities authorized under this division. In lieu of division (A) of section 133.34 of the Revised Code, the board of county commissioners shall establish the maturity date or dates, the interest payable on, and other terms of refunding securities as it considers necessary or appropriate for their issuance, provided that the final maturity of refunding securities shall
not exceed by more than ten years the final maturity of any
bonds refunded by refunding securities.

(4) The board may not repeal, rescind, or reduce all or
any portion of any lodging taxes pledged to the payment of debt
charges on any outstanding special obligation securities
authorized under this division, and no portion of any lodging
taxes that is pledged, or that the board has covenanted to levy,
collect, and appropriate annually to pay debt charges on any
outstanding securities authorized under this division is subject
to repeal, rescission, or reduction by the electorate of the
county.

Sec. 319.301. (A) The reductions required by division (D)
of this section do not apply to any of the following:

(1) Taxes levied at whatever rate is required to produce a
specified amount of tax money, including a tax levied under
section 5705.199, 5705.211, or 5748.09 of the Revised Code, or
an amount to pay debt charges;

(2) Taxes levied within the one per cent limitation
imposed by Section 2 of Article XII, Ohio Constitution;

(3) Taxes provided for by the charter of a municipal
corporation.

(B) As used in this section:

(1) "Real property" includes real property owned by a
railroad.

(2) "Carryover property" means all real property on the
current year's tax list except:

(a) Land and improvements that were not taxed by the
district in both the preceding year and the current year;
(b) Land and improvements that were not in the same class
in both the preceding year and the current year.

(3) "Effective tax rate" means with respect to each class
of property:

(a) The sum of the total taxes that would have been
charged and payable for current expenses against real property
in that class if each of the district's taxes were reduced for
the current year under division (D)(1) of this section without
regard to the application of division (E)(3) of this section
divided by

(b) The taxable value of all real property in that class.

(4) "Taxes charged and payable" means the taxes charged
and payable prior to any reduction required by section 319.302
of the Revised Code.

(C) The tax commissioner shall make the determinations
required by this section each year, without regard to whether a
taxing district has territory in a county to which section
5715.24 of the Revised Code applies for that year. Separate
determinations shall be made for each of the two classes
established pursuant to section 5713.041 of the Revised Code.

(D) With respect to each tax authorized to be levied by
each taxing district, the tax commissioner, annually, shall do
both of the following:

(1) Determine by what percentage, if any, the sums levied
by such tax against the carryover property in each class would
have to be reduced for the tax to levy the same number of
dollars against such property in that class in the current year
as were charged against such property by such tax in the
preceding year subsequent to the reduction made under this
section but before the reduction made under section 319.302 of
the Revised Code. In the case of a tax levied for the first time
that is not a renewal of an existing tax, the commissioner shall
determine by what percentage the sums that would otherwise be
levied by such tax against carryover property in each class
would have to be reduced to equal the amount that would have
been levied if the full rate thereof had been imposed against
the total taxable value of such property in the preceding tax
year. A tax or portion of a tax that is designated a replacement
levy under section 5705.192 of the Revised Code is not a renewal
of an existing tax for purposes of this division.

(2) Certify each percentage determined in division (D)(1)
of this section, as adjusted under division (E) of this section,
and the class of property to which that percentage applies to
the auditor of each county in which the district has territory.
The auditor, after complying with section 319.30 of the Revised
Code, shall reduce the sum to be levied by such tax against each
parcel of real property in the district by the percentage so
certified for its class. Certification shall be made by the
first day of September except in the case of a tax levied for
the first time, in which case certification shall be made within
fifteen days of the date the county auditor submits the
information necessary to make the required determination.

(E)(1) As used in division (E)(2) of this section, "pre-
1982 joint vocational taxes" means, with respect to a class of
property, the difference between the following amounts:

(a) The taxes charged and payable in tax year 1981 against
the property in that class for the current expenses of the joint
vocational school district of which the school district is a
part after making all reductions under this section;
(b) The following percentage of the taxable value of all real property in that class

(i) In 1987, five one-hundredths of one per cent;
(ii) In 1988, one-tenth of one per cent;
(iii) In 1989, fifteen one-hundredths of one per cent;
(iv) In 1990 and each subsequent year, two-tenths of one per cent.

If the amount in division (E)(1)(b) of this section exceeds the amount in division (E)(1)(a) of this section, the pre-1982 joint vocational taxes shall be zero.

As used in divisions (E)(2) and (3) of this section, "taxes charged and payable" has the same meaning as in division (B)(4) of this section and excludes any tax charged and payable in 1985 or thereafter under sections 5705.194 to 5705.197 or section 5705.199, 5705.213, 5705.219, or 5748.09 of the Revised Code.

(2) If in the case of a school district other than a joint vocational or cooperative education school district any percentage required to be used in division (D)(2) of this section for either class of property could cause the total taxes charged and payable for current expenses to be less than two per cent of the taxable value of all real property in that class that is subject to taxation by the district, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses against that class, after all reductions that would otherwise be made under this section, to equal, when combined with the pre-1982 joint vocational taxes against that class, the lesser of the following:
(a) The sum of the rates at which those taxes are authorized to be levied;

(b) Two per cent of the taxable value of the property in that class. The auditor shall use such percentages in making the reduction required by this section for that class.

(3) (a) If in the case of a joint vocational school district any percentage required to be used in division (D)(2) of this section for either class of property could cause the total taxes charged and payable for current expenses for that class to be less than the designated amount two-tenths of one per cent of the taxable value of that class, the commissioner shall determine what percentages would cause the district's total taxes charged and payable for current expenses for that class, after all reductions that would otherwise be made under this section, to equal the designated amount. The auditor shall use such percentages in making the reductions required by this section for that class.

(b) As used in division (E)(3)(a) of this section, the designated amount shall equal the taxable value of all real property in the class that is subject to taxation by the district times the lesser of the following:

(i) Two tenths of one per cent;

(ii) The district's effective rate plus the following percentage for the year indicated:
When computing the taxes charges for

H  1993  0.175%

I  1994 and thereafter  0.2%

(F) No reduction shall be made under this section in the rate at which any tax is levied.

(G) The commissioner may order a county auditor to furnish any information the commissioner needs to make the determinations required under division (D) or (E) of this section, and the auditor shall supply the information in the form and by the date specified in the order. If the auditor fails to comply with an order issued under this division, except for good cause as determined by the commissioner, the commissioner shall withhold from such county or taxing district therein fifty per cent of state revenues to local governments pursuant to section 5747.50 of the Revised Code or shall direct the department of education to withhold therefrom fifty per cent of state revenues to school districts pursuant to Chapter 3317.
of the Revised Code. The commissioner shall withhold the
distribution of such revenues until the county auditor has
complied with this division, and the department shall withhold
the distribution of such revenues until the commissioner has
notified the department that the county auditor has complied
with this division.

(H) If the commissioner is unable to certify a tax
reduction factor for either class of property in a taxing
district located in more than one county by the last day of
November because information required under division (G) of this
section is unavailable, the commissioner may compute and certify
an estimated tax reduction factor for that district for that
class. The estimated factor shall be based upon an estimate of
the unavailable information. Upon receipt of the actual
information for a taxing district that received an estimated tax
reduction factor, the commissioner shall compute the actual tax
reduction factor and use that factor to compute the taxes that
should have been charged and payable against each parcel of
property for the year for which the estimated reduction factor
was used. The amount by which the estimated factor resulted in
an overpayment or underpayment in taxes on any parcel shall be
added to or subtracted from the amount due on that parcel in the
ensuing tax year.

A percentage or a tax reduction factor determined or
computed by the commissioner under this section shall be used
solely for the purpose of reducing the sums to be levied by the
tax to which it applies for the year for which it was determined
or computed. It shall not be used in making any tax computations
for any ensuing tax year.

(I) In making the determinations under division (D)(1) of
this section, the tax commissioner shall take account of changes in the taxable value of carryover property resulting from complaints filed under section 5715.19 of the Revised Code for determinations made for the tax year in which such changes are reported to the commissioner. Such changes shall be reported to the commissioner on the first abstract of real property filed with the commissioner under section 5715.23 of the Revised Code following the date on which the complaint is finally determined by the board of revision or by a court or other authority with jurisdiction on appeal. The tax commissioner shall account for such changes in making the determinations only for the tax year in which the change in valuation is reported. Such a valuation change shall not be used to recomputate the percentages determined under division (D)(1) of this section for any prior tax year.

Sec. 321.03. At the request of the county treasurer, a board of county commissioners may enter into a contract with any financial institution under which the financial institution, in accordance with the terms of the contract, receives at a post office box any type of payment or fee owed or payable to the county, opens the mail delivered to that box, processes the checks and other payments received in such mail and deposits them into the treasurer's account, and provides the county treasurer daily receipt information with respect to such payments. The contract may provide for the financial institution to receive at the post office box those payments and fees specifically named in the contract or all payments and fees payable to the county, including, but not limited to, utility, sewer, water, refuse collection, waste disposal, and airport fees, but in any case excluding taxes. The contract shall not be entered into unless:

(A) There is attached to the contract a certification by
the auditor of state that the financial institution and the
treasurer have given assurances satisfactory to the auditor of
state that the records of the financial institution, to the
extent that they relate to payments covered by the contract,
shall be subject to examination by the auditor of state to the
same extent as if the services that the financial institution
has agreed to perform were being performed by the treasurer.

(B) The contract is awarded in accordance with sections
307.86 to 307.92 of the Revised Code.

(C) The treasurer's surety bond includes within its
coverage any loss that might occur as the result of the
contract.

(D) The provisions of the contract do not conflict with
accounting and reporting requirements prescribed by the auditor
of state.

Sec. 321.20. On the first day of each month in each year,
the county treasurer shall deposit with the county auditor all
warrants he has redeemed and take the auditor's receipt for them.

Sec. 323.154. The county auditor shall approve or deny an
application for reduction under section 323.152 of the Revised
Code and shall so notify the applicant not later than the first
Monday in October within thirty days after the application is
approved or denied. Notification shall be provided on a form
prescribed by the tax commissioner. If the application is
approved, upon issuance of the notification the county auditor
shall record the amount of reduction in taxes in the appropriate
column on the general tax list and duplicate of real and public
utility property and on the manufactured home tax list. If the
application is denied, the notification shall inform the applicant of the reasons for the denial.

If an applicant believes that the application for reduction has been improperly denied or that the reduction is for less than that to which the applicant is entitled, the applicant may file an appeal with the county board of revision not later than the date of closing of the collection for the first half of real and public utility property taxes or manufactured home taxes — sixty days after the notification was issued under this section. The appeal shall be treated in the same manner as a complaint relating to the valuation or assessment of real property under Chapter 5715. of the Revised Code.

Sec. 323.155. The tax bill prescribed under section 323.131 of the Revised Code shall indicate the net amount of taxes due following the reductions in taxes under sections 319.301, 319.302, 323.152, and 323.16 of the Revised Code.

Any reduction in taxes under section 323.152 of the Revised Code shall be disregarded as income or resources in determining eligibility for any program or calculating any payment under Title LI of the Revised Code.

(B) Subject to making due provisions for payment and performance of its obligations, a convention facilities authority may be dissolved by the county creating it. In such event the properties of the authority shall be transferred to the county creating it, and the county may thereupon appropriate and expend public funds to finance or subsidize the operation of such facilities.

Sec. 351.141. A convention facilities authority that levies any of the excise taxes authorized by division (B) or (C) of section 351.021 of the Revised Code or that receives contributions pursuant to division (A)(3) of section 5739.09 of the Revised Code, by resolution may anticipate the proceeds of the levy and issue convention facilities authority tax anticipation bonds, and notes anticipating the proceeds or the bonds, in the principal amount that, in the opinion of the authority, are necessary for the purpose of paying the cost of one or more facilities or parts of one or more facilities, and as able, with the interest on them, be paid over the term of the issue, or in the case of notes anticipating bonds over the term of the bonds, by the estimated amount of the excise taxes or contributions anticipated thereby. The excise taxes or contributions are determined by the general assembly to satisfy any applicable requirement of Section 11 of Article XII, Ohio Constitution. An authority, at any time, may issue renewal tax anticipation notes, issue tax anticipation bonds to pay such notes, and, whenever it considers refunding expedient, refund any tax anticipation bonds by the issuance of tax anticipation refunding bonds whether the bonds to be refunded have or have not matured, and issue tax anticipation bonds partly to refund bonds then outstanding and partly for any other authorized
purpose. The refunding bonds shall be sold and the proceeds needed for such purpose applied in the manner provided in the bond proceedings to the purchase, redemption, or payment of the bonds to be refunded.

Every issue of outstanding tax anticipation bonds shall be payable out of the proceeds of the excise taxes or contributions anticipated and other revenues of the authority that are pledged for such payment. The pledge shall be valid and binding from the time the pledge is made, and the anticipated excise taxes, contributions, and revenues so pledged and thereafter received by the authority immediately shall be subject to the lien of that pledge without any physical delivery of those excise taxes, contributions, and revenues or further act. The lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the authority, whether or not such parties have notice of the lien. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the authority's records.

Whether or not the bonds or notes are of such form and character as to be negotiable instruments under Title XIII of the Revised Code, the bonds or notes shall have all the qualities and incidents of negotiable instruments, subject only to their provisions for registration, if any.

The tax anticipation bonds shall bear such date or dates, and shall mature at such time or times, in the case of any such notes or any renewals of such notes not exceeding twenty years from the date of issue of such original notes and in the case of any such bonds or any refunding bonds not exceeding forty years from the date of the original issue of notes or bonds for the
purpose, and shall be executed in the manner that the resolution
authorizing the bonds may provide. The tax anticipation bonds
shall bear interest at such rates, or at variable rate or rates
changing from time to time, in accordance with provisions
provided in the authorizing resolution, be in such denominations
and form, either coupon or registered, carry such registration
privileges, be payable in such medium of payment and at such
place or places, and be subject to such terms of redemption, as
the authority may authorize or provide. The tax anticipation
bonds may be sold at public or private sale, and at, or at not
less than the price or prices as the authority determines. If
any officer whose signature or a facsimile of whose signature
appears on any bonds or coupons ceases to be such officer before
delivery of the bonds, the signature or facsimile shall
nevertheless be sufficient for all purposes as if the officer
had remained in office until delivery of the bonds, and in case
the seal of the authority has been changed after a facsimile has
been imprinted on the bonds, the facsimile seal will continue to
be sufficient for all purposes.

Any resolution or resolutions authorizing any tax
anticipation bonds or any issue of tax anticipation bonds may
contain provisions, subject to any agreements with bondholders
as may then exist, which provisions shall be a part of the
contract with the holders of the bonds, as to the pledging of
any or all of the authority's anticipated excise taxes,
contributions, and revenues to secure the payment of the bonds
or of any issue of the bonds; the use and disposition of
revenues of the authority; the crediting of the proceeds of the
sale of bonds to and among the funds referred to or provided for
in the resolution; limitations on the purpose to which the
proceeds of sale of the bonds may be applied and the pledging of
portions of such proceeds to secure the payment of the bonds or
of any issue of the bonds; as to notes issued in anticipation of
the issuance of bonds, the agreement of the authority to do all
things necessary for the authorization, issuance, and sale of
such bonds in such amounts as may be necessary for the timely
retirement of such notes; limitations on the issuance of
additional bonds; the terms upon which additional bonds may be
issued and secured; the refunding of outstanding bonds; the
procedure, if any, by which the terms of any contract with
bondholders may be amended, the amount of bonds the holders of
which must consent thereto, and the manner in which such consent
may be given; securing any bonds by a trust agreement in
accordance with section 351.16 of the Revised Code; any other
matters, of like or different character, that in any way affect
the security or protection of the bonds. The excise taxes
anticipated by the bonds, including bonds anticipated by notes,
shall not be subject to diminution by initiative or referendum
or by law while the bonds or notes remain outstanding in
accordance with their terms, unless provision is made by law or
by the authority for an adequate substitute therefor reasonably
satisfactory to the trustee, if a trust agreement secures the
bonds.

Neither the members of the board of directors of the
authority nor any person executing the bonds shall be liable
personally on the bonds or be subject to any personal liability
or accountability by reason of the issuance thereof.

Sec. 718.01. Any term used in this chapter that is not
otherwise defined in this chapter has the same meaning as when
used in a comparable context in laws of the United States
relating to federal income taxation or in Title LVII of the
Revised Code, unless a different meaning is clearly required.
Except as provided in section 718.81 of the Revised Code, if a term used in this chapter that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall control over the use of the term in Title LVII of the Revised Code.

Except as otherwise provided in section 718.81 of the Revised Code, as used in this chapter:

(A)(1) "Municipal taxable income" means the following:

(a) For a person other than an individual, income apportioned or sitused to the municipal corporation under section 718.02 of the Revised Code, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation.

(b)(i) For an individual who is a resident of a municipal corporation other than a qualified municipal corporation, income reduced by exempt income to the extent otherwise included in income, then reduced as provided in division (A)(2) of this section, and further reduced by any pre-2017 net operating loss carryforward available to the individual for the municipal corporation.

(ii) For an individual who is a resident of a qualified municipal corporation, Ohio adjusted gross income reduced by income exempted, and increased by deductions excluded, by the qualified municipal corporation from the qualified municipal corporation's tax. If a qualified municipal corporation, on or before December 31, 2013, exempts income earned by individuals
who are not residents of the qualified municipal corporation and
net profit of persons that are not wholly located within the
qualified municipal corporation, such individual or person shall
have no municipal taxable income for the purposes of the tax
levied by the qualified municipal corporation and may be
exempted by the qualified municipal corporation from the
requirements of section 718.03 of the Revised Code.

(c) For an individual who is a nonresident of a municipal
corporation, income reduced by exempt income to the extent
otherwise included in income and then, as applicable,
apportioned or sitused to the municipal corporation under
section 718.02 of the Revised Code, then reduced as provided in
division (A)(2) of this section, and further reduced by any pre-
2017 net operating loss carryforward available to the individual
for the municipal corporation.

(2) In computing the municipal taxable income of a
taxpayer who is an individual, the taxpayer may subtract, as
provided in division (A)(1)(b)(i) or (c) of this section, the
amount of the individual's employee business expenses reported
on the individual's form 2106 that the individual deducted for
federal income tax purposes for the taxable year, subject to the
limitation imposed by section 67 of the Internal Revenue Code.
For the municipal corporation in which the taxpayer is a
resident, the taxpayer may deduct all such expenses allowed for
federal income tax purposes. For a municipal corporation in
which the taxpayer is not a resident, the taxpayer may deduct
such expenses only to the extent the expenses are related to the
taxpayer's performance of personal services in that nonresident
municipal corporation.

(B) "Income" means the following:
(1)(a) For residents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the resident, including the resident's distributive share of the net profit of pass-through entities owned directly or indirectly by the resident and any net profit of the resident, except as provided in division (D)(5) of this section.

(b) For the purposes of division (B)(1)(a) of this section:

(i) Any net operating loss of the resident incurred in the taxable year and the resident's distributive share of any net operating loss generated in the same taxable year and attributable to the resident's ownership interest in a pass-through entity shall be allowed as a deduction, for that taxable year and the following five taxable years, against any other net profit of the resident or the resident's distributive share of any net profit attributable to the resident's ownership interest in a pass-through entity until fully utilized, subject to division (B)(1)(d) of this section;

(ii) The resident's distributive share of the net profit of each pass-through entity owned directly or indirectly by the resident shall be calculated without regard to any net operating loss that is carried forward by that entity from a prior taxable year and applied to reduce the entity's net profit for the current taxable year.

(c) Division (B)(1)(b) of this section does not apply with respect to any net profit or net operating loss attributable to an ownership interest in an S corporation unless shareholders' distributive shares of net profits from S corporations are subject to tax in the municipal corporation as provided in
division (C)(14)(b) or (c) of this section.

(d) Any amount of a net operating loss used to reduce a taxpayer's net profit for a taxable year shall reduce the amount of net operating loss that may be carried forward to any subsequent year for use by that taxpayer. In no event shall the cumulative deductions for all taxable years with respect to a taxpayer's net operating loss exceed the original amount of that net operating loss available to that taxpayer.

(2) In the case of nonresidents, all income, salaries, qualifying wages, commissions, and other compensation from whatever source earned or received by the nonresident for work done, services performed or rendered, or activities conducted in the municipal corporation, including any net profit of the nonresident, but excluding the nonresident's distributive share of the net profit or loss of only pass-through entities owned directly or indirectly by the nonresident.

(3) For taxpayers that are not individuals, net profit of the taxpayer;

(4) Lottery, sweepstakes, gambling and sports winnings, winnings from games of chance, and prizes and awards. If the taxpayer is a professional gambler for federal income tax purposes, the taxpayer may deduct related wagering losses and expenses to the extent authorized under the Internal Revenue Code and claimed against such winnings.

(C) "Exempt income" means all of the following:

(1) The military pay or allowances of members of the armed forces of the United States or members of their reserve components, including the national guard of any state;

(2)(a) Except as provided in division (C)(2)(b) of this
section, intangible income;

(b) A municipal corporation that taxed any type of intangible income on March 29, 1988, pursuant to Section 3 of S.B. 238 of the 116th general assembly, may continue to tax that type of income if a majority of the electors of the municipal corporation voting on the question of whether to permit the taxation of that type of intangible income after 1988 voted in favor thereof at an election held on November 8, 1988.

(3) Social security benefits, railroad retirement benefits, unemployment compensation, pensions, retirement benefit payments, payments from annuities, and similar payments made to an employee or to the beneficiary of an employee under a retirement program or plan, disability payments received from private industry or local, state, or federal governments or from charitable, religious or educational organizations, and the proceeds of sickness, accident, or liability insurance policies. As used in division (C)(3) of this section, "unemployment compensation" does not include supplemental unemployment compensation described in section 3402(o)(2) of the Internal Revenue Code.

(4) The income of religious, fraternal, charitable, scientific, literary, or educational institutions to the extent such income is derived from tax-exempt real estate, tax-exempt tangible or intangible property, or tax-exempt activities.

(5) Compensation paid under section 3501.28 or 3501.36 of the Revised Code to a person serving as a precinct election official to the extent that such compensation does not exceed one thousand dollars for the taxable year. Such compensation in excess of one thousand dollars for the taxable year may be subject to taxation by a municipal corporation. A municipal
corporation shall not require the payer of such compensation to 
withhold any tax from that compensation.

(6) Dues, contributions, and similar payments received by  
charitable, religious, educational, or literary organizations or 
labor unions, lodges, and similar organizations;

(7) Alimony and child support received;

(8) Compensation for personal injuries or for damages to 
property from insurance proceeds or otherwise, excluding 
compensation paid for lost salaries or wages or compensation 
from punitive damages;

(9) Income of a public utility when that public utility is 
subject to the tax levied under section 5727.24 or 5727.30 of 
the Revised Code. Division (C)(9) of this section does not apply 
for purposes of Chapter 5745. of the Revised Code.

(10) Gains from involuntary conversions, interest on 
federal obligations, items of income subject to a tax levied by 
the state and that a municipal corporation is specifically 
prohibited by law from taxing, and income of a decedent's estate 
during the period of administration except such income from the 
operation of a trade or business;

(11) Compensation or allowances excluded from federal 
gross income under section 107 of the Internal Revenue Code;

(12) Employee compensation that is not qualifying wages as 
defined in division (R) of this section;

(13) Compensation paid to a person employed within the 
boundaries of a United States air force base under the 
jurisdiction of the United States air force that is used for the 
housing of members of the United States air force and is a
center for air force operations, unless the person is subject to taxation because of residence or domicile. If the compensation is subject to taxation because of residence or domicile, tax on such income shall be payable only to the municipal corporation of residence or domicile.

(14) (a) Except as provided in division (C)(14)(b) or (c) of this section, an S corporation shareholder's distributive share of net profits of the S corporation, other than any part of the distributive share of net profits that represents wages as defined in section 3121(a) of the Internal Revenue Code or net earnings from self-employment as defined in section 1402(a) of the Internal Revenue Code.

(b) If, pursuant to division (H) of former section 718.01 of the Revised Code as it existed before March 11, 2004, a majority of the electors of a municipal corporation voted in favor of the question at an election held on November 4, 2003, the municipal corporation may continue after 2002 to tax an S corporation shareholder's distributive share of net profits of an S corporation.

(c) If, on December 6, 2002, a municipal corporation was imposing, assessing, and collecting a tax on an S corporation shareholder's distributive share of net profits of the S corporation to the extent the distributive share would be allocated or apportioned to this state under divisions (B)(1) and (2) of section 5733.05 of the Revised Code if the S corporation were a corporation subject to taxes imposed under Chapter 5733. of the Revised Code, the municipal corporation may continue to impose the tax on such distributive shares to the extent such shares would be so allocated or apportioned to this state only until December 31, 2004, unless a majority of the
electors of the municipal corporation voting on the question of continuing to tax such shares after that date voted in favor of that question at an election held November 2, 2004. If a majority of those electors voted in favor of the question, the municipal corporation may continue after December 31, 2004, to impose the tax on such distributive shares only to the extent such shares would be so allocated or apportioned to this state.

(d) A municipal corporation shall be deemed to have elected to tax S corporation shareholders' distributive shares of net profits of the S corporation in the hands of the shareholders if a majority of the electors of a municipal corporation voted in favor of a question at an election held under division (C)(14)(b) or (c) of this section. The municipal corporation shall specify by resolution or ordinance that the tax applies to the distributive share of a shareholder of an S corporation in the hands of the shareholder of the S corporation.

(15) To the extent authorized under a resolution or ordinance adopted by a municipal corporation before January 1, 2016, all or a portion of the income of individuals or a class of individuals under eighteen years of age.

(16)(a) Except as provided in divisions (C)(16)(b), (c), and (d) of this section, qualifying wages described in division (B)(1) or (E) of section 718.011 of the Revised Code to the extent the qualifying wages are not subject to withholding for the municipal corporation under either of those divisions.

(b) The exemption provided in division (C)(16)(a) of this section does not apply with respect to the municipal corporation in which the employee resided at the time the employee earned the qualifying wages.
(c) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages that an employer elects to withhold under division (D)(2) of section 718.011 of the Revised Code.

(d) The exemption provided in division (C)(16)(a) of this section does not apply to qualifying wages if both of the following conditions apply:

(i) For qualifying wages described in division (B)(1) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employee's principal place of work is situated, or, for qualifying wages described in division (E) of section 718.011 of the Revised Code, the employee's employer withholds and remits tax on the qualifying wages to the municipal corporation in which the employer's fixed location is located;

(ii) The employee receives a refund of the tax described in division (C)(16)(d)(i) of this section on the basis of the employee not performing services in that municipal corporation.

(17)(a) Except as provided in division (C)(17)(b) or (c) of this section, compensation that is not qualifying wages paid to a nonresident individual for personal services performed in the municipal corporation on not more than twenty days in a taxable year.

(b) The exemption provided in division (C)(17)(a) of this section does not apply under either of the following circumstances:

(i) The individual's base of operation is located in the municipal corporation.
(ii) The individual is a professional athlete, professional entertainer, or public figure, and the compensation is paid for the performance of services in the individual's capacity as a professional athlete, professional entertainer, or public figure. For purposes of division (C)(17)(b)(ii) of this section, "professional athlete," "professional entertainer," and "public figure" have the same meanings as in section 718.011 of the Revised Code.

(c) Compensation to which division (C)(17) of this section applies shall be treated as earned or received at the individual's base of operation. If the individual does not have a base of operation, the compensation shall be treated as earned or received where the individual is domiciled.

(d) For purposes of division (C)(17) of this section, "base of operation" means the location where an individual owns or rents an office, storefront, or similar facility to which the individual regularly reports and at which the individual regularly performs personal services for compensation.

(18) Compensation paid to a person for personal services performed for a political subdivision on property owned by the political subdivision, regardless of whether the compensation is received by an employee of the subdivision or another person performing services for the subdivision under a contract with the subdivision, if the property on which services are performed is annexed to a municipal corporation pursuant to section 709.023 of the Revised Code on or after March 27, 2013, unless the person is subject to such taxation because of residence. If the compensation is subject to taxation because of residence, municipal income tax shall be payable only to the municipal corporation of residence.
(19) In the case of a tax administered, collected, and enforced by a municipal corporation pursuant to an agreement with the board of directors of a joint economic development district under section 715.72 of the Revised Code, the net profits of a business, and the income of the employees of that business, exempted from the tax under division (Q) of that section.

(20) All of the following:

provided in this section into a park district to be operated and
maintained as provided for in this chapter, provided that there
is no existing park district created under section 1545.04 of
the Revised Code in the county in which the township park
district is located. The proposed park district shall include
within its boundary all townships and municipal corporations in
which lands owned by the township park district seeking
conversion are located, and may include any other townships and
municipal corporations in the county in which the township park
district is located.

(B) Conversion of a township park district into a park
district operated and maintained under this chapter shall be initiated by a resolution adopted by the board of park commissioners of the park district. Any resolution initiating a conversion shall include the following:

(1) The name of the township park district seeking conversion;

(2) The name of the proposed park district;

(3) An accurate description of the territory to be included in the proposed district;

(4) An accurate map or plat of the proposed park district. The resolution may also include a proposed tax levy for the operation and maintenance of the proposed park district. If such a tax levy is proposed, the resolution shall specify the annual rate of the tax, expressed in dollars and cents for each one hundred dollars of valuation and in mills for each dollar of valuation, and shall specify the number of consecutive years the levy will be in effect. The annual rate of such a tax may not be higher than the total combined millage of all levies then in effect for the benefit of the township park district named in the resolution.

(C) Upon adoption of the resolution provided for in division (B) of this section, the board of park commissioners of the township park district seeking conversion under this section shall certify the resolution to the board of elections of the county in which the park district is located no later than four p.m. of the seventy-fifth day before the day of the election at which the question will be voted upon. Upon certification of the resolution to the board, the board of elections shall make the necessary arrangements to submit the question of conversion of
the township park into a park district operated and maintained under Chapter 1545. of the Revised Code, to the electors qualified to vote at the next primary or general election who reside in the territory of the proposed park district. The question shall provide for a tax levy if such a levy is specified in the resolution.

(D) The ballot submitted to the electors as provided in division (C) of this section shall contain the following language:

"Shall the _______________ (name of the township park district seeking conversion) be converted into a park district to be operated and maintained under Chapter 1545. of the Revised Code under the name of _______________ (name of proposed park district), which park district shall include the following townships and municipal corporations:

(Name townships and municipal corporations)

Approval of the proposed conversion will result in the termination of all existing tax levies voted for the benefit of _______________ (name of the township park district sought to be converted) and in the levy of a new tax for the operation and maintenance of _______________ (name of proposed park district) at a rate not exceeding ________ (number of mills) mills for each one dollar of valuation, which is ________ (rate expressed in dollars and cents) for each one hundred dollars of valuation, for ____ (number of years the millage is to be imposed) years, commencing on the _____ (year) tax duplicate."
(E) If the proposed conversion is approved by at least a majority of the electors voting on the proposal, the township park district that seeks conversion shall become a park district subject to Chapter 1545. of the Revised Code effective the first day of January following approval by the voters. The park district shall have the name specified in the resolution, and effective the first day of January following approval by the voters, the following shall occur:

1. The indebtedness of the former township park district shall be assumed by the new park district;

2. All rights, assets, properties, and other interests of the former township park district shall become vested in the new park district, including the rights to any tax revenues previously vested in the former township park district; provided, that all tax levies in excess of the ten mill limitation approved for the benefit of the former township park district shall be removed from the tax lists after the February settlement next succeeding the conversion. Any tax levy approved in connection with the conversion shall be certified as provided in section 5705.25 of the Revised Code.

3. The members of the board of park commissioners of the former township park district shall be the members of the board of park commissioners of the new park district, with all the same powers and duties as if appointed under section 1545.05 of the Revised Code. The term of each such commissioner shall expire on the first day of January of the
year following the year in which his term would have expired under section 511.19 of the Revised Code. Thereafter, commissioners shall be appointed pursuant to section 1545.05 of the Revised Code.

Sec. 1545.21. The board of park commissioners, by resolution, may submit to the electors of the park district the question of levying taxes for the use of the district. The resolution shall declare the necessity of levying such taxes, shall specify the purpose for which such taxes shall be used, the annual rate proposed, and the number of consecutive years the rate shall be levied. Such resolution shall be forthwith certified to the board of elections in each county in which any part of such district is located, not later than the ninetieth day before the day of the election, and the question of the levy of taxes as provided in such resolution shall be submitted to the electors of the district at a special election to be held on whichever of the following occurs first:

(A) The day of the next general election;

(B) The first Tuesday after the first Monday in May in any calendar year, except that if a presidential primary election is held in that calendar year, then the day of that election. The ballot shall set forth the purpose for which the taxes shall be levied, the annual rate of levy, and the number of years of such levy. If the tax is to be placed on the current tax list, the form of the ballot shall state that the tax will be levied in the current tax year and shall indicate the first calendar year the tax will be due. If the resolution of the board of park commissioners provides that an existing levy will be canceled upon the passage of the new levy, the ballot may include a statement that: "an existing levy of ___ mills
(stating the original levy millage), having ___ years remaining, will be canceled and replaced upon the passage of this levy." In such case, the ballot may refer to the new levy as a "replacement levy" if the new millage does not exceed the original millage of the levy being canceled or as a "replacement and additional levy" if the new millage exceeds the original millage of the levy being canceled. If a majority of the electors voting upon the question of such levy vote in favor thereof, such taxes shall be levied and shall be in addition to the taxes authorized by section 1545.20 of the Revised Code, and all other taxes authorized by law. The rate submitted to the electors at any one time shall not exceed two mills annually upon each dollar of valuation unless the purpose of the levy includes providing operating revenues for one of Ohio's major metropolitan zoos, as defined in section 4503.74 of the Revised Code, in which case the rate shall not exceed three mills annually upon each dollar of valuation. When a tax levy has been authorized as provided in this section or in section 1545.041 of the Revised Code, the board of park commissioners may issue bonds pursuant to section 133.24 of the Revised Code in anticipation of the collection of such levy, provided that such bonds shall be issued only for the purpose of acquiring and improving lands. Such levy, when collected, shall be applied in payment of the bonds so issued and the interest thereon. The amount of bonds so issued and outstanding at any time shall not exceed one per cent of the total tax valuation in such district. Such bonds shall bear interest at a rate not to exceed the rate determined as provided in section 9.95 of the Revised Code.

Sec. 1711.15. In any county in which there is a duly organized county agricultural society, the board of county commissioners or the county agricultural society itself may
purchase or lease, for a term of not less than twenty years, real estate on which to hold fairs under the management and control of the county agricultural society, and may erect suitable buildings on the real estate and otherwise improve it.

In counties in which there is a county agricultural society that has purchased, or leased for a term of not less than twenty years, real estate as a site on which to hold fairs, or if the title to the site is vested in fee in the county, the board of county commissioners may erect or repair buildings or otherwise improve the site and pay the rental of it, or contribute to or pay any other form of indebtedness of the society, if the director of agriculture has certified to the board that the county agricultural society is complying with all laws and rules governing the operation of county agricultural societies. The board may appropriate from the county's general fund or permanent improvement fund, and may appropriate revenue from a tax levied under division (T) of section 5739.09 of the Revised Code, any amount that it considers necessary for any of those purposes, provided that an appropriation of revenue from that tax may be expended only for the purposes provided in the resolution levying that tax.

Sec. 1711.16. When the control and management of a fairground is in a county agricultural society, and the board of county commissioners has appropriated an amount for the aid of the society as provided in section 1711.15 of the Revised Code, the society, with the consent of the board, may contract for the erection or repair of buildings or otherwise improve the fairground, to the extent that the payment for the improvement is provided by the board.

When the appropriation is made by the board, the county
auditor shall place the proceeds in a special fund, designated
the "county agricultural society fund," indicating the purpose
for which it is available, provided that an appropriation of
revenue from a tax levied by the board under division (L) of
section 5739.09 of the Revised Code may be expended only for the
purposes provided in the resolution levying that tax. On
application of the treasurer of the society, the auditor shall
issue an order for the amount of the appropriation to the
treasurer of the society, if the society has secured the
certificate required under section 1711.05 of the Revised Code,
on the treasurer's filing with the auditor a bond in double the
amount collected, with good and sufficient sureties approved by
the auditor, conditioned for the satisfactory paying over and
accounting of the funds for the purposes for which they were
provided. The funds shall remain in the special fund in which
they are placed by the auditor until they are applied for by the
treasurer of the society and the bond is given, or until they
are expended by the board for the purposes for which the fund
was created. If the society ceases to exist or releases the fund
as not required for the purposes for which the fund was created,
the board may by resolution transfer the fund to the general
fund of the county.

Sec. 3316.03. (A) The existence of a fiscal watch shall be
declared by the auditor of state. The auditor of state may make
a determination on the auditor of state's initiative, or upon
receipt of a written request for such a determination, which may
be filed by the governor, the superintendent of public
instruction, or a majority of the members of the board of
education of the school district.

(1) The auditor of state shall declare a school district
to be in a state of fiscal watch if the auditor of state
determines that both of the following conditions are satisfied with respect to the school district:

(a) An operating deficit has been certified for the current fiscal year by the auditor of state, and the certified operating deficit exceeds eight per cent of the school district's general fund revenue for the preceding fiscal year;

(b) A majority of the voting electors have not voted in favor of levying a tax under section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised Code that the auditor of state expects will raise enough additional revenue in the next succeeding fiscal year that division (A)(1)(a) of this section will not apply to the district in such next succeeding fiscal year.

(2) The auditor of state shall declare a school district to be in a state of fiscal watch if the auditor of state determines that the school district has outstanding securities issued under division (A)(4) of section 3316.06 of the Revised Code, and its financial planning and supervision commission has been terminated under section 3316.16 of the Revised Code.

(3) The auditor of state shall declare a school district to be in a state of fiscal watch if both of the following conditions are satisfied:

(a) The superintendent of public instruction has reported to the auditor of state that the superintendent has declared the district under section 3316.031 of the Revised Code to be under a fiscal caution, has found that the district has not acted reasonably to eliminate or correct practices or conditions that prompted the declaration, and has determined the declaration of a state of fiscal watch necessary to prevent further fiscal
decline;

(b) The auditor of state determines that the decision of the superintendent is reasonable.

If the auditor of state determines that the decision of the superintendent is not reasonable, the auditor of state shall provide the superintendent with a written explanation of that determination.

(4) The auditor of state may declare a school district to be in a state of fiscal watch if all of the following conditions are satisfied:

(a) An operating deficit has been certified for the current fiscal year by the auditor of state, and the certified operating deficit exceeds two per cent, but does not exceed eight per cent, of the school district's general fund revenue for the preceding fiscal year;

(b) A majority of the voting electors have not voted in favor of levying a tax under section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised Code that the auditor of state expects will raise enough additional revenue in the next succeeding fiscal year that division (A)(4)(a) of this section will not apply to the district in the next succeeding fiscal year;

(c) The auditor of state determines that there is no reasonable cause for the deficit or that the declaration of fiscal watch is necessary to prevent further fiscal decline in the district.

(B)(1) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if the auditor of state determines that both of the following
conditions are satisfied with respect to the school district:

(a) An operating deficit has been certified for the current fiscal year by the auditor of state, and the certified operating deficit exceeds fifteen per cent of the school district's general fund revenue for the preceding fiscal year.

In determining the amount of an operating deficit under division (B)(1)(a) of this section, the auditor of state shall credit toward the amount of that deficit only the amount that may be borrowed from the spending reserve balance as determined under section 133.301 and division (F) of section 5705.29 of the Revised Code.

(b) A majority of the voting electors have not voted in favor of levying a tax under section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised Code that the auditor of state expects will raise enough additional revenue in the next succeeding fiscal year that division (B)(1)(a) of this section will not apply to the district in such next succeeding fiscal year.

(2) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if the school district board fails, pursuant to section 3316.04 of the Revised Code, to submit a plan acceptable to the state superintendent of public instruction within one hundred twenty days of the auditor of state's declaration under division (A) of this section or an updated plan when one is required by division (C) of section 3316.04 of the Revised Code;

(3) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if both of the following conditions are satisfied:
(a) The superintendent of public instruction has reported to the auditor of state that the district is not materially complying with the provisions of an original or updated plan as approved by the state superintendent under section 3316.04 of the Revised Code, and that the state superintendent has determined the declaration of a state of fiscal emergency necessary to prevent further fiscal decline;

(b) The auditor of state finds that the determination of the superintendent is reasonable.

If the auditor of state determines that the decision of the superintendent is not reasonable, the auditor of state shall provide the superintendent a written explanation of that determination.

(4) The auditor of state shall issue an order declaring a school district to be in a state of fiscal emergency if a declaration of fiscal emergency is required by division (D) of section 3316.04 of the Revised Code.

(5) The auditor of state may issue an order declaring a school district to be in a state of fiscal emergency if all of the following conditions are satisfied:

(a) An operating deficit has been certified for the current fiscal year by the auditor of state, and the certified operating deficit exceeds ten per cent, but does not exceed fifteen per cent, of the school district's general fund revenue for the preceding fiscal year;

(b) A majority of the voting electors have not voted in favor of levying a tax under section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised Code that the auditor of state expects will raise enough additional revenue in the next
succeeding fiscal year that division (B)(5)(a) of this section will not apply to the district in the next succeeding fiscal year;

(c) The auditor of state determines that a declaration of fiscal emergency is necessary to correct the district's fiscal problems and to prevent further fiscal decline.

(C) In making the determinations under this section, the auditor of state may use financial reports required under section 117.43 of the Revised Code; tax budgets, certificates of estimated resources and amendments thereof, annual appropriating measures and spending plans, and any other documents or information prepared pursuant to Chapter 5705. of the Revised Code; and any other documents, records, or information available to the auditor of state that indicate the conditions described in divisions (A) and (B) of this section.

(D) The auditor of state shall certify the action taken under division (A) or (B) of this section to the board of education of the school district, the director of budget and management, the mayor or county auditor who could be required to act pursuant to division (B)(1) of section 3316.05 of the Revised Code, and to the superintendent of public instruction.

(E) A determination by the auditor of state under this section that a fiscal emergency condition does not exist is final and conclusive and not appealable. A determination by the auditor of state under this section that a fiscal emergency exists is final, except that the board of education of the school district affected by such a determination may appeal the determination of the existence of a fiscal emergency condition to the court of appeals having territorial jurisdiction over the school district. The appeal shall be heard expeditiously by the
court of appeals and for good cause shown shall take precedence
over all other civil matters except earlier matters of the same
class. Notice of such appeal must be filed with the auditor
of state and such court within thirty days after certification
by the auditor of state to the board of education of the school
district provided for in division (D) of this section. In such
appeal, determinations of the auditor of state shall be presumed
to be valid and the board of education shall have the burden of
proving, by clear and convincing evidence, that each of the
determinations made by the auditor of state as to the existence
of a fiscal emergency condition under this section was in error.
If the board of education fails, upon presentation of its case,
to prove by clear and convincing evidence that each such
determination by the auditor of state was in error, the court
shall dismiss the appeal. The board of education and the auditor
of state may introduce any evidence relevant to the existence or
nonexistence of such fiscal emergency conditions. The pendency
of any such appeal shall not affect or impede the operations of
this chapter; no restraining order, temporary injunction, or
other similar restraint upon actions consistent with this
chapter shall be imposed by the court or any court pending
determination of such appeal; and all things may be done under
this chapter that may be done regardless of the pendency of any
such appeal. Any action taken or contract executed pursuant to
this chapter during the pendency of such appeal is valid and
enforceable among all parties, notwithstanding the decision in
such appeal. If the court of appeals reverses the determination
of the existence of a fiscal emergency condition by the auditor
of state, the determination no longer has any effect, and any
procedures undertaken as a result of the determination shall be
terminated.
Sec. 3316.06. (A) Within one hundred twenty days after the first meeting of a school district financial planning and supervision commission, the commission shall adopt a financial recovery plan regarding the school district for which the commission was created. During the formulation of the plan, the commission shall seek appropriate input from the school district board and from the community. This plan shall contain the following:

(1) Actions to be taken to:

(a) Eliminate all fiscal emergency conditions declared to exist pursuant to division (B) of section 3316.03 of the Revised Code;

(b) Satisfy any judgments, past-due accounts payable, and all past-due and payable payroll and fringe benefits;

(c) Eliminate the deficits in all deficit funds, except that any prior year deficits in the capital and maintenance fund established pursuant to section 3315.18 of the Revised Code shall be forgiven;

(d) Restore to special funds any moneys from such funds that were used for purposes not within the purposes of such funds, or borrowed from such funds by the purchase of debt obligations of the school district with the moneys of such funds, or missing from the special funds and not accounted for, if any;

(e) Balance the budget, avoid future deficits in any funds, and maintain on a current basis payments of payroll, fringe benefits, and all accounts;

(f) Avoid any fiscal emergency condition in the future;
(g) Restore the ability of the school district to market long-term general obligation bonds under provisions of law applicable to school districts generally.

(2) The management structure that will enable the school district to take the actions enumerated in division (A)(1) of this section. The plan shall specify the level of fiscal and management control that the commission will exercise within the school district during the period of fiscal emergency, and shall enumerate respectively, the powers and duties of the commission and the powers and duties of the school board during that period. The commission may elect to assume any of the powers and duties of the school board it considers necessary, including all powers related to personnel, curriculum, and legal issues in order to successfully implement the actions described in division (A)(1) of this section.

(3) The target dates for the commencement, progress upon, and completion of the actions enumerated in division (A)(1) of this section and a reasonable period of time expected to be required to implement the plan. The commission shall prepare a reasonable time schedule for progress toward and achievement of the requirements for the plan, and the plan shall be consistent with that time schedule.

(4) The amount and purpose of any issue of debt obligations that will be issued, together with assurances that any such debt obligations that will be issued will not exceed debt limits supported by appropriate certifications by the fiscal officer of the school district and the county auditor. Debt obligations issued pursuant to section 133.201 of the Revised Code shall include assurances that such debt shall be in an amount not to exceed the amount certified under division (B)
If the commission considers it necessary in order to maintain or improve educational opportunities of pupils in the school district, the plan may include a proposal to restructure or refinance outstanding debt obligations incurred by the board under section 3313.483 of the Revised Code contingent upon the approval, during the period of the fiscal emergency, by district voters of a tax levied under section 718.09, 718.10, 5705.194, 5705.21, 5748.02, 5748.08, or 5748.09 of the Revised Code that is not a renewal or replacement levy, or a levy under section 5705.199 of the Revised Code, and that will provide new operating revenue. Notwithstanding any provision of Chapter 133. or sections 3313.483 to 3313.4810 of the Revised Code, following the required approval of the district voters and with the approval of the commission, the school district may issue securities to evidence the restructuring or refinancing. Those securities may extend the original period for repayment, not to exceed ten years, and may alter the frequency and amount of repayments, interest or other financing charges, and other terms of agreements under which the debt originally was contracted, at the discretion of the commission, provided that any loans received pursuant to section 3313.483 of the Revised Code shall be paid from funds the district would otherwise receive under Chapter 3317. of the Revised Code, as required under division (E)(3) of section 3313.483 of the Revised Code. The securities issued for the purpose of restructuring or refinancing the debt shall be repaid in equal payments and at equal intervals over the term of the debt and are not eligible to be included in any subsequent proposal for the purpose of restructuring or refinancing debt under this section.

(5) An evaluation of the feasibility of entering into
shared services agreements with other political subdivisions for the joint exercise of any power, performance of any function, or rendering of any service, if so authorized by statute.

(B) Any financial recovery plan may be amended subsequent to its adoption. Each financial recovery plan shall be updated annually.

(C) Each school district financial planning and supervision commission shall submit the financial recovery plan it adopts or updates under this section to the state superintendent of public instruction for approval immediately following its adoption or updating. The state superintendent shall evaluate the plan and either approve or disapprove it within thirty calendar days from the date of its submission. If the plan is disapproved, the state superintendent shall recommend modifications that will render it acceptable. No financial planning and supervision commission shall implement a financial recovery plan that is adopted or updated on or after April 10, 2001, unless the state superintendent has approved it.

Sec. 3317.01. As used in this section, "school district," unless otherwise specified, means any city, local, exempted village, joint vocational, or cooperative education school district and any educational service center.

This chapter shall be administered by the state board of education. The superintendent of public instruction shall calculate the amounts payable to each school district and shall certify the amounts payable to each eligible district to the treasurer of the district as provided by this chapter. As soon as possible after such amounts are calculated, the superintendent shall certify to the treasurer of each school district the district's adjusted charge-off increase, as defined. 
Certification of moneys pursuant to this section shall include the amounts payable to each school building, at a frequency determined by the superintendent, for each subgroup of students, as defined in section 3317.40 of the Revised Code, receiving services, provided for by state funding, from the district or school. No moneys shall be distributed pursuant to this chapter without the approval of the controlling board.

The state board of education shall, in accordance with appropriations made by the general assembly, meet the financial obligations of this chapter.

Moneys distributed to school districts pursuant to this chapter shall be calculated based on the annual enrollment calculated from the three reports required under sections 3317.03 and 3317.036 of the Revised Code and paid on a fiscal year basis, beginning with the first day of July and extending through the thirtieth day of June. In any given fiscal year, prior to school districts submitting the first report required under section 3317.03 of the Revised Code, enrollment for the districts shall be calculated based on the third report submitted by the districts for the previous fiscal year. The moneys appropriated for each fiscal year shall be distributed periodically to each school district unless otherwise provided for. The state board, in June of each year, shall submit to the controlling board the state board's year-end distributions pursuant to this chapter.

Except as otherwise provided, payments under this chapter shall be made only to those school districts in which:

(A) The school district, except for any educational service center and any joint vocational or cooperative education
school district, levies for current operating expenses at least twenty mills. Levies for joint vocational or cooperative education school districts or county school financing districts, limited to or to the extent apportioned to current expenses, shall be included in this qualification requirement. School district income tax levies under Chapter 5748. of the Revised Code, limited to or to the extent apportioned to current operating expenses, shall be included in this qualification requirement to the extent determined by the tax commissioner under division (C) of section 3317.021 of the Revised Code.

(B) The school year next preceding the fiscal year for which such payments are authorized meets the requirement of section 3313.48 of the Revised Code, with regard to the minimum number of hours school must be open for instruction with pupils in attendance, for individualized parent-teacher conference and reporting periods, and for professional meetings of teachers.

A school district shall not be considered to have failed to comply with this division because schools were open for instruction but either twelfth grade students were excused from attendance for up to the equivalent of three school days or only a portion of the kindergarten students were in attendance for up to the equivalent of three school days in order to allow for the gradual orientation to school of such students.

A board of education or governing board of an educational service center which has not conformed with other law and the rules pursuant thereto, shall not participate in the distribution of funds authorized by this chapter, except for good and sufficient reason established to the satisfaction of the state board of education and the state controlling board.

All funds allocated to school districts under this
chapter, except those specifically allocated for other purposes, shall be used to pay current operating expenses only.

Sec. 4301.20. This chapter and Chapter 4303. of the Revised Code do not prevent the following:

(L) Any resident of this state or any member of the armed forces of the United States, who has attained the age of twenty-one years, from bringing into this state, for personal use and not for resale, not more than one liter of spirituous liquor, four and one-half liters of wine, or two hundred eighty-eight ounces of beer in any thirty-day period, and the same is free of any tax consent fee when the resident or member of the armed forces physically possesses and accompanies the spirituous liquor, wine, or beer on returning from a foreign country, another state, or an insular possession of the United States;

(M) Persons, at least twenty-one years of age, who collect ceramic commemorative bottles containing spirituous liquor that have unbroken federal tax stamps on them from selling or trading the bottles to other collectors. The bottles shall originally have been purchased at retail from the division, legally imported under division (L) of this section, or legally imported pursuant to a supplier registration issued by the division. The sales shall be for the purpose of exchanging a ceramic commemorative bottle between private collectors and shall not be for the purpose of selling the spirituous liquor for personal consumption. The sale or exchange authorized by this division shall not occur on the premises of any permit holder, shall not be made in connection with the business of any permit holder,

**Sec. 4582.024.** After a port authority has been created, any municipal corporation, township, or county, acting by ordinance, resolution of the township trustees, or resolution of the county commissioners, respectively, which is contiguous to such port authority, or to any municipal corporation, township, or county which proposes to join such port authority at the same time and is contiguous to such port authority, or any county within which such port authority is situated, may join such port authority and thereupon the jurisdiction and territory of such port authority shall include such municipal corporation, county, or township. If more than one such political subdivision is to be joined to the port authority at the same time, then each such ordinance or resolution shall designate the political subdivisions which are to be so joined. Any territory or municipal corporation not included in a port authority and which is annexed to a municipal corporation included within the jurisdiction and territory of a port authority shall, on such annexation and without further proceedings, be annexed to and be included in the jurisdiction and territory of such port authority. Before such political subdivision or subdivisions are joined to a port authority, other than by annexation to a municipality, the political subdivision or subdivisions theretofore comprising such port authority shall agree upon the terms and conditions pursuant to which such political subdivision or subdivisions are to be joined. For all purposes of sections 4582.01 to 4582.20, inclusive, of the Revised Code, such political subdivision or subdivisions shall be considered to have participated in the creation of such port authority.
except that the initial term of any director of the port
authority appointed by such a political subdivision shall be
four years. After each ordinance or resolution proposing joinder
to the port authority has become effective and the terms and
conditions of joinder have been agreed to, the board of
directors of the port authority shall by resolution either
accept or reject such joinder. Such joinder shall be effective
on adoption of the resolution accepting such joinder, unless the
port authority to which a political subdivision or subdivisions
including a county within which such port authority is located,
are to be joined has authority under section 4582.14 of the
Revised Code to levy a tax on property within its jurisdiction,
then such joinder shall not be effective until approved by the
affirmative vote of a majority of the electors voting on the
question of such joinder. If more than one political subdivision
is to be joined to the port authority, then the electors of such
subdivision shall vote as a district and the majority
affirmative vote shall be determined by the vote cast in such
district as a whole. Such election shall be called by the board
of directors of the port authority and shall be held, canvassed,
and certified in the manner provided for the submission of tax
levies under section 5705.191 of the Revised Code except that
the question appearing on the ballot shall read:

"Shall ________________________________
(name or names of political subdivisions to be joined)
be joined to ________________________ (name) port authority and the
(name)
existing tax levy (levies) of such port authority (aggregating)
_______ mill per dollar of valuation be authorized to be
levied against properties within 

______________________________________________________________”

(name or names of political subdivisions to be joined)

If the question is approved such joinder shall be immediately effective and the port authority shall be authorized to extend the levy of such tax against all the taxable property within the political subdivision or political subdivisions which have been joined. If such question is approved at a general election then the port authority may amend its budget and resolution adopted pursuant to section 5705.34 of the Revised Code and such levy shall be placed on the current tax list and duplicate and collected as other taxes are collected from all taxable property within the port authority including the political subdivision or political subdivisions joined as a result of such election.

Sec. 4582.26. After a port authority has been created, any municipal corporation, township, county, or other political subdivision, acting by ordinance or resolution, which is contiguous to any municipal corporation, township, county, or other political subdivision which participated in the creation of such port authority or to any municipal corporation, township, county, or other political subdivision which proposes to join the port authority at the same time and is contiguous to any municipal corporation, township, county, or other political subdivision which participated in the creation of such port authority, may join such port authority, and thereupon the jurisdiction and territory of the port authority includes the municipal corporation, county, township, or other political subdivision so joining. If more than one such political subdivision is to be joined to the port authority at the same time, then each such ordinance or resolution shall designate the
political subdivisions which are to be so joined. Any territory or municipal corporation not included in a port authority and which is annexed to a municipal corporation included within the jurisdiction and territory of a port authority shall, on such annexation and without further proceedings, be annexed to and be included in the jurisdiction and territory of the port authority. Before such political subdivision or subdivisions are joined to a port authority, other than by annexation to a municipal corporation, the political subdivision or subdivisions theretofore comprising such port authority shall agree upon the terms and conditions pursuant to which such political subdivision or subdivisions are to be joined. For all purposes of sections 4582.21 to 4582.59 of the Revised Code, such political subdivision or subdivisions shall be considered to have participated in the creation of such port authority, except that the initial term of any director of the port authority appointed by such a political subdivision shall be four years. After each ordinance or resolution proposing joinder to the port authority has become effective and the terms and conditions of joinder have been agreed to, the board of directors of the port authority shall by resolution either accept or reject such joinder. Such joinder shall be effective upon adoption of the resolution accepting such joinder, unless the port authority to which a political subdivision or subdivisions, including a county within which such port authority is located, are to be joined, has authority under section 4582.40 of the Revised Code to levy a tax on property within its jurisdiction, then such joinder shall not be effective until approved by the affirmative vote of a majority of the electors voting on the question of the joinder. If more than one political subdivision is to be joined to the port authority, then the electors of such subdivisions shall vote as a district and the majority affirmative vote shall
be determined by the vote cast in such district as a whole. The

election shall be called by the board of directors of the port

authority and shall be held, canvassed, and certified in the

manner provided for the submission of tax levies under section

5705.191 of the Revised Code except that the question appearing

on the ballot shall read:

"Shall ________________________________________________

(aggregating) _______________ mill per dollar of valuation

be authorized to be levied against properties within

(Name or names of political subdivisions to be joined)

If the question is approved the joinder becomes immediately
effective and the port authority is authorized to extend the

levy of such tax against all the taxable property within the

political subdivision or political subdivisions which have been

joined. If such question is approved at a general election, then

the port authority may amend its budget and resolution adopted

pursuant to section 5705.34 of the Revised Code and such levy

shall be placed on the current tax list and duplicate and

collected as other taxes are collected from all taxable property

within the port authority including the political subdivision or
political subdivisions joined as a result of the election.

Sec. 4582.56. (A) As used in this section:

(1) "Eligible county" means a county whose territory includes a part of Lake Erie the shoreline of which represents at least fifty per cent of the linear length of the county's border with other counties of this state.

(2) "Lakeshore improvement project" means construction of a port authority facility within one mile of the Lake Erie shoreline in an eligible county.

(3) "Construction" includes acquisition, alteration, construction, creation, development, enlargement, equipment, improvement, installation, reconstruction, remodeling, renovation, or any combination thereof.

(B) The board of directors of a port authority may enter into an agreement with the board of county commissioners of an eligible county that created the port authority providing for all of the following, and any other terms mutually agreeable to the boards:

(1) The board of county commissioners levies an excise tax under division (M)(U) of section 5739.09 of the Revised Code and pledges all the revenue from the tax to the port authority for the purpose of financing lakeshore improvement projects including the payment of debt charges on any securities issued under division (C) of this section.

(2) The port authority constructs or finances the construction of lakeshore improvements and pays the costs of such projects with revenue from the tax pledged under the agreement. Such construction or financing is an authorized purpose for the purposes of division (B) of section 4582.21 of
the Revised Code.

(3) The port authority may not enter into any contract or other obligation regarding a lakeshore improvement project before obtaining the approval for the project by the board of county commissioners by a resolution of the board.

(C) The board of directors of a port authority that enters into an agreement under this section may issue port authority special obligation bonds, and notes anticipating the proceeds of the bonds, in the principal amount that, in the opinion of the board, are necessary for the purpose of paying the costs of one or more lakeshore improvement projects or parts of one or more projects and interest on the bonds payable over the term of the issue. The board may refund any special obligation bonds by the issuance of special obligation refunding bonds regardless of whether the bonds to be refunded have or have not matured. The refunding bonds shall be sold, and the proceeds needed for such purpose applied, in the manner provided in the bond proceedings.

Every issue of special obligation bonds issued under this section shall be payable from the revenue from the tax levied under division (M)(U) of section 5739.09 of the Revised Code and pledged for such payment under the agreement. The pledge shall be valid and binding from the time the pledge is made, and the revenue so pledged and received by the port authority shall be subject to the lien of the pledge without any physical delivery of the revenue or any further act. The lien of any pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the port authority, whether or not such parties have notice of the lien. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the port.
Whether or not the bonds are of such form and character as to be negotiable instruments under Title XIII of the Revised Code, the bonds shall have all the qualities and incidents of negotiable instruments, subject only to their provisions for registration, if any.

Bonds issued under this section shall bear such date or dates, and shall mature at such time or times not exceeding thirty years from the date of issue of the original bonds and shall be executed in the manner that the resolution authorizing the bonds may provide. The bonds shall bear interest at such rates, or at variable rate or rates changing from time to time, in accordance with provisions provided in the authorizing resolution, shall be in such denominations and form, either coupon or registered, shall carry such registration privileges, shall be payable in such medium of payment and at such place or places, and be subject to such terms of redemption, as the board of directors of the port authority may authorize or provide. The bonds may be sold at public or private sale, and at, or at not less than, the price or prices as the board determines. If any officer whose signature or a facsimile of whose signature appears on any bonds or coupons ceases to be such officer before delivery of the bonds, the signature or facsimile shall nevertheless be sufficient for all purposes as if the officer had remained in office until delivery of the bonds, and in case the seal of the authority has been changed after a facsimile has been imprinted on the bonds, the facsimile seal will continue to be sufficient for all purposes.

Any resolution authorizing bonds under this section may contain provisions governing the use and disposition of revenue.
pledged under the agreement under division (B) of this section;  
the crediting of the proceeds of the sale of the bonds to and  
among the funds referred to or provided for in the resolution;  
limitations on the purpose to which the proceeds of sale of the  
bonds may be applied and the pledging of portions of such  
proceeds to secure payment of the bonds; the issuance of notes  
in anticipation of the issuance of bonds; the terms upon which  
additional bonds may be issued and secured; the refunding of  
outstanding bonds; the procedure, if any, by which the terms of  
any contract with bondholders may be amended, the amount of  
'bonds the holders of which must consent thereto, and the manner  
in which such consent may be given; securing any bonds by a  
trust agreement in accordance with division (D) of this section;  
and any other matters that may affect the security or protection  
of the bonds. The taxes anticipated by the bonds are not subject  
to diminution by initiative or referendum or by law while the  
bonds or notes remain outstanding in accordance with their  
terms, unless provision is made by law or by the board of county  
commissioners and board of directors of the port authority for  
an adequate substitute therefor reasonably satisfactory to the  
trustee, if a trust agreement secures the bonds.

Neither the members of the board of directors of the port  
authority nor any person executing the bonds shall be liable  
personally on the bonds or be subject to any personal liability  
or accountability by reason of the issuance.

(D) In the discretion of the board of directors, the bonds  
issued under this section may be secured by a trust agreement  
between the board of directors on behalf of the port authority  
and a corporate trustee, which may be any trust company or bank  
having powers of a trust company, within or outside the state.
The trust agreement may provide for the pledge or assignment of the tax revenue to be received under the agreement entered into under division (B) of this section, but shall not pledge the general credit or other taxing power of the county or the general credit or taxing power of the port authority. The trust agreement or the resolution providing for the issuance of the bonds may set forth the rights and remedies of the bondholders and trustee, and may contain other provisions for protecting and enforcing their rights and remedies that are determined in the discretion of the board of directors to be reasonable and proper.

(B) There is hereby created the tax expenditure review committee, consisting of seven members, composed of the
following:

(1) Three members of the house of representatives appointed by the speaker of the house of representatives in consultation with the minority leader of the house of representatives. Members described in division (B)(1) of this section shall not all be members of the same party and should be members of the house of representatives committee that deals primarily with tax legislation;

(2) Three members of the senate appointed by the president of the senate in consultation with the minority leader of the senate. Members described in division (B)(2) of this section shall not all be members of the same party and should be members of the senate committee that deals primarily with tax legislation;

(3) The tax commissioner or the tax commissioner's designee. The member described in division (B)(3) of this section shall be a nonvoting member.

The speaker of the house of representatives and the president of the senate shall make initial appointments to the committee not later than thirty days following the effective date of the enactment of this section after March 21, 2017. Thereafter, the terms of the office for appointed members shall be the same as the term of each general assembly. Members may be reappointed, provided the member continues to meet all other eligibility requirements. Vacancies shall be filled in the manner provided for original appointments. Any member appointed to fill a vacancy before the expiration of the term for which the predecessor was appointed shall hold office as a member for the remainder of that term. Appointed members of the committee serve at the pleasure of the member's appointing authority and
may be removed only by the appointing authority.

(C) The tax expenditure review committee shall hold its first meeting within ninety days after the effective date of the enactment of this section March 21, 2017. At the first meeting, the members shall elect a chairperson, who shall be one of the members described in division (B)(1) or (2) of this section. Thereafter, the committee shall meet at least once during the first year of each fiscal biennium to review existing tax expenditures pursuant to division (D) of this section, provided the committee shall hold, for any such expenditure, at least one meeting at which a person may present to the committee evidence or testimony related to that expenditure. Any person may submit to the chairperson a request that the committee meet to accept evidence or testimony on a tax expenditure. The committee is a public body for the purposes of section 121.22 of the Revised Code.

The chairperson of the committee shall serve until the thirty-first day of December of each even-numbered year. Thereafter, members shall elect a new chairperson. If the preceding chairperson was a member described in division (B)(1) of this section, the new chairperson shall be a member described in division (B)(2) of this section. If the preceding chairperson was a member described in division (B)(2) of this section, the new chairperson shall be a member described in division (B)(1) of this section.

A vacancy on the committee does not impair the right of the other members to exercise all the functions of the committee. The presence of a majority of the voting members of the committee constitutes a quorum for the conduct of business of the committee. The concurrence of at least a majority of the
voting members of the committee is necessary for any action to be taken by the committee.

Upon the committee's request, the department of taxation, development services agency, office of budget and management, or other state agency shall provide any information in its possession that the committee requires to perform its duties.

The staff of the legislative service commission shall assist the committee as directed by the committee.

(D) The committee shall establish a schedule for review for each tax expenditure so that each expenditure is reviewed at least once every eight years. The schedule may provide for the review of each tax expenditure in the order the expenditures were enacted or modified, beginning with the least recently enacted or modified tax expenditure. Alternatively, the review schedule may group tax expenditures by the individuals or industries benefiting from the expenditures, the objectives of each expenditure, or the policy rationale of each expenditure. In its review, the committee shall make recommendations as to whether each tax expenditure should be continued without modification, modified, scheduled for further review at a future date to consider repealing the expenditure, or repealed outright. For each expenditure reviewed, the committee may recommend accountability standards for the future review of the expenditure. The committee may consider, when reviewing a tax expenditure, any of the relevant factors described in division (E) of this section.

(E) In conducting reviews pursuant to division (D) of this section, the committee may consider the following factors:

(1) The number and classes of persons, organizations,
businesses, or types of industries that would receive the direct benefit or consequences of the tax expenditure;

(2) The fiscal impact of the tax expenditure on state and local taxing authorities, including any past fiscal effects and expected future fiscal impacts of the tax expenditure in the following eight-year period;

(3) Public policy objectives that might support the tax expenditure. In researching such objectives, the committee may consider the expenditure's legislative history, the tax expenditure's sponsor's intent in proposing the tax expenditure, or the extent to which the tax expenditure encourages or would encourage business growth or relocation into the state, promotes or would promote growth or retention of high-wage jobs in the state, or aids or would aid community stabilization.

(4) Whether the tax expenditure successfully accomplishes any of the objectives identified in division (E)(3) of this section;

(5) Whether the objectives identified in division (E)(3) of this section would or could have been accomplished successfully in the absence of the tax expenditure or with less cost to the state or local governments;

(6) Whether the objectives identified in division (E)(3) of this section could have been accomplished successfully through a program that requires legislative appropriations for funding;

(7) The extent to which the tax expenditure may provide unintended benefits to an individual, organization, or industry other than those the general assembly or sponsor intended or creates an unfair competitive advantage for its recipient with
respect to other businesses in the state;

(8) The extent to which terminating the tax expenditure may have negative effects on taxpayers that currently benefit from the tax expenditure;

(9) The extent to which terminating the tax expenditure may have negative or positive effects on the state's employment and economy;

(10) The feasibility of modifying the tax expenditure to provide for adjustment or recapture of the proceeds of the tax expenditure if the objectives of the tax expenditure are not fulfilled by the recipient of the tax expenditure.

(F) The committee shall prepare a report of its determinations under division (D) of this section and, not later than the first day of July of each even-numbered year, submit a copy of the report to the governor, the speaker of the house of representatives, the president of the senate, the minority leader of the house of representatives, and the minority leader of the senate. The first report shall be submitted either in the year of the effective date of this section or in the first even-numbered year thereafter, 2017 or 2018. If the committee maintains a web site, the committee shall cause a copy of the report to be posted on the web site in a form enabling access to the report by the public within thirty days after the report is submitted under this division. If the committee does not maintain a web site, the committee shall request that the president of the senate and the speaker of the house of representatives cause the report to be posted on the web site of the general assembly.

(G) Any bill introduced in the house of representatives or
the senate that proposes to enact or modify one or more tax
expenditures should include a statement explaining the
objectives of the tax expenditure or its modification and the
sponsor's intent in proposing the tax expenditure or its
modification.

Sec. 5705.03. (A) The taxing authority of each subdivision
may levy taxes annually, subject to the limitations of sections
5705.01 to 5705.47 of the Revised Code, on the real and personal
property within the subdivision for the purpose of paying the
current operating expenses of the subdivision and acquiring or
constructing permanent improvements. The taxing authority of
each subdivision and taxing unit shall, subject to the
limitations of such sections, levy such taxes annually as are
necessary to pay the interest and sinking fund on and retire at
maturity the bonds, notes, and certificates of indebtedness of
such subdivision and taxing unit, including levies in
anticipation of which the subdivision or taxing unit has
incurred indebtedness.

(B)(1) When a taxing authority determines that it is
necessary to levy a tax outside the ten-mill limitation for any
purpose authorized by the Revised Code, the taxing authority
shall certify to the county auditor a resolution or ordinance
requesting that the county auditor certify to the taxing
authority the total current tax valuation of the subdivision,
and the number of mills required to generate a specified amount
of revenue, or the dollar amount of revenue that would be
generated by a specified number of mills. The resolution or
ordinance shall state all of the following:

(a) The purpose of the tax;

(b) Whether the tax is an additional levy, a renewal or a
replacement of an existing tax, or a renewal or replacement of an existing tax with an increase or a decrease;

(c) The section of the Revised Code authorizing submission of the question of the tax;

(d) The term of years of the tax or if the tax is for a continuing period of time;

(e) That the tax is to be levied upon the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision in which the tax is to be levied;

(f) The date of the election at which the question of the tax shall appear on the ballot;

(g) That the ballot measure shall be submitted to the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision to which the ballot measure shall be submitted;

(h) The tax year in which the tax will first be levied and the calendar year in which the tax will first be collected;

(i) Each such county in which the subdivision has territory.

If a subdivision is located in more than one county, the county auditor shall obtain from the county auditor of each other county in which the subdivision is located the current tax valuation for the portion of the subdivision in that county. The county auditor shall issue the certification to the taxing authority within ten days after receiving the taxing authority's resolution or ordinance requesting it.

(2) When considering the tangible personal property
component of the tax valuation of the subdivision, the county auditor shall take into account the assessment percentages prescribed in section 5711.22 of the Revised Code. The tax commissioner may issue rules, orders, or instructions directing how the assessment percentages must be utilized.

(3) Upon receiving the certification from the county auditor, the taxing authority may adopt a resolution or ordinance stating the rate of the tax levy, expressed in mills for each one dollar in tax valuation as estimated by the county auditor, and that the taxing authority will proceed with the submission of the question of the tax to electors. The taxing authority shall certify this resolution or ordinance, a copy of the county auditor's certification, and the resolution or ordinance the taxing authority adopted under division (B)(1) of this section to the proper county board of elections in the manner and within the time prescribed by the section of the Revised Code governing submission of the question. The county board of elections shall not submit the question of the tax to electors unless a copy of the county auditor's certification accompanies the resolutions or ordinances the taxing authority certifies to the board. Before requesting a taxing authority to submit a tax levy, any agency or authority authorized to make that request shall first request the certification from the county auditor provided under this section.

(4) This division is supplemental to, and not in derogation of, any similar requirement governing the certification by the county auditor of the tax valuation of a subdivision or necessary tax rates for the purposes of the submission of the question of a tax in excess of the ten-mill limitation, including sections 133.18 and 5705.195 of the Revised Code.
(C) All taxes levied on property shall be extended on the tax list and duplicate by the county auditor of the county in which the property is located, and shall be collected by the county treasurer of such county in the same manner and under the same laws and rules as are prescribed for the assessment and collection of county taxes. The proceeds of any tax levied by or for any subdivision when received by its fiscal officer shall be deposited in its treasury to the credit of the appropriate fund.

Sec. 5705.13. (A) A taxing authority of a subdivision, by resolution or ordinance, may establish reserve balance accounts to accumulate currently available resources for the following purposes:

(1) To stabilize subdivision budgets against cyclical changes in revenues and expenditures;

(2) Except as otherwise provided by this section, to provide for the payment of claims and deductibles under an individual or joint self-insurance program for the subdivision, if the subdivision is permitted by law to establish such a program;

(3) To provide for the payment of claims, assessments, and deductibles under a self-insurance program, individual retrospective ratings plan, group rating plan, group retrospective rating plan, medical only program, deductible plan, or large deductible plan for workers' compensation.

The ordinance or resolution establishing a reserve balance account shall state the purpose for which the account is established, the fund in which the account is to be established, and the total amount of money to be reserved in the account.

Not more than one reserve balance account may be
established for each of the purposes permitted under divisions (A)(2) and (3) of this section. Money to the credit of a reserve balance account may be expended only for the purpose for which the account was established.

A reserve balance account established for the purpose described in division (A)(1) of this section may be established in the general fund or in one or more special funds for operating purposes of the subdivision. The amount of money to be reserved in such an account in any fiscal year shall not exceed five per cent of the revenue credited in the preceding fiscal year to the fund in which the account is established, or, in the case of a reserve balance account of a county or of a township, the greater of that amount or one-sixth of the expenditures during the preceding fiscal year from the fund in which the account is established. Subject to division (G)(F) of section 5705.29 of the Revised Code, any reserve balance in an account established under division (A)(1) of this section shall not be considered part of the unencumbered balance or revenue of the subdivision under division (A) of section 5705.35 or division (A)(1) of section 5705.36 of the Revised Code.

At any time, a taxing authority of a subdivision, by resolution or ordinance, may reduce or eliminate the reserve balance in a reserve balance account established for the purpose described in division (A)(1) of this section.

A reserve balance account established for the purpose described in division (A)(2) or (3) of this section shall be established in the general fund of the subdivision or by the establishment of a separate internal service fund established to account for the operation of an individual or joint self-insurance program described in division (A)(2) of this section.
or a workers' compensation program or plan described in division (A)(3) of this section, and shall be based on sound actuarial principles. The total amount of money in a reserve balance account for self-insurance may be expressed in dollars or as the amount determined to represent an adequate reserve according to sound actuarial principles.

A taxing authority of a subdivision, by resolution or ordinance, may rescind a reserve balance account established under this division. If a reserve balance account is rescinded, money that has accumulated in the account shall be transferred to the fund or funds from which the money originally was transferred.

(B) A taxing authority of a subdivision, by resolution or ordinance, may establish a special revenue fund for the purpose of accumulating resources for the payment of accumulated sick leave and vacation leave, and for payments in lieu of taking compensatory time off, upon the termination of employment or the retirement of officers and employees of the subdivision. The special revenue fund may also accumulate resources for payment of salaries during any fiscal year when the number of pay periods exceeds the usual and customary number of pay periods. Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the Revised Code, the taxing authority, by resolution or ordinance, may transfer money to the special revenue fund from any other fund of the subdivision from which such payments may lawfully be made. The taxing authority, by resolution or ordinance, may rescind a special revenue fund established under this division. If a special revenue fund is rescinded, money that has accumulated in the fund shall be transferred to the fund or funds from which the money originally was transferred.
(C) A taxing authority of a subdivision, by resolution or ordinance, may establish a capital projects fund for the purpose of accumulating resources for the acquisition, construction, or improvement of fixed assets of the subdivision. For the purposes of this section, "fixed assets" includes motor vehicles. More than one capital projects fund may be established and may exist at any time. The ordinance or resolution shall identify the source of the money to be used to acquire, construct, or improve the fixed assets identified in the resolution or ordinance, the amount of money to be accumulated for that purpose, the period of time over which that amount is to be accumulated, and the fixed assets that the taxing authority intends to acquire, construct, or improve with the money to be accumulated in the fund.

A taxing authority of a subdivision shall not accumulate money in a capital projects fund for more than ten years after the resolution or ordinance establishing the fund is adopted. If the subdivision has not entered into a contract for the acquisition, construction, or improvement of fixed assets for which money was accumulated in such a fund before the end of that ten-year period, the fiscal officer of the subdivision shall transfer all money in the fund to the fund or funds from which that money originally was transferred or the fund that originally was intended to receive the money.

A taxing authority of a subdivision, by resolution or ordinance, may rescind a capital projects fund. If a capital projects fund is rescinded, money that has accumulated in the fund shall be transferred to the fund or funds from which the money originally was transferred.

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of...
the Revised Code, the taxing authority of a subdivision, by
resolution or ordinance, may transfer money to the capital
projects fund from any other fund of the subdivision that may
lawfully be used for the purpose of acquiring, constructing, or
improving the fixed assets identified in the resolution or
ordinance.

Sec. 5705.19. This section does not apply to school
districts, county school financing districts, or lake facilities
authorities.

The taxing authority of any subdivision at any time and in
any year, by vote of two-thirds of all the members of the taxing
authority, may declare by resolution and certify the resolution
to the board of elections not less than ninety days before the
election upon which it will be voted that the amount of taxes
that may be raised within the ten-mill limitation will be
insufficient to provide for the necessary requirements of the
subdivision and that it is necessary to levy a tax in excess of
that limitation for any of the following purposes:

(A) For current expenses of the subdivision, except that
the total levy for current expenses of a detention facility

The resolution shall be confined to the purpose or purposes described in one division of this section, to which the revenue derived therefrom shall be applied. The existence in any other division of this section of authority to levy a tax for any part or all of the same purpose or purposes does not preclude the use of such revenues for any part of the purpose or purposes of the division under which the resolution is adopted.

The resolution shall specify the amount of the increase in rate that it is necessary to levy, the purpose of that increase
in rate, and the number of years during which the increase in rate shall be in effect, which may or may not include a levy upon the duplicate of the current year. The number of years may be any number not exceeding five, except as follows:

(1) When the additional rate is for the payment of debt charges, the increased rate shall be for the life of the indebtedness.

(2) When the additional rate is for any of the following, the increased rate shall be for a continuing period of time:

(a) For the purposes set forth in division (I), (J), (U), or (KK) of this section;

(b) For the maintenance and operation of a joint recreation district.

(4) When the increase is for the purpose or purposes set forth in division (D), (G), (H), (T), (Z), (CC), or (PP) of this section, the tax levy may be for any specified number of years.
or for a continuing period of time, as set forth in the resolution.

A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may be reduced pursuant to section 5705.261 or 5705.31 of the Revised Code. A levy for one of the purposes set forth in division (G), (I), (J), or (U) of this section may also be terminated or permanently reduced by the taxing authority if it adopts a resolution stating that the continuance of the levy is unnecessary and the levy shall be terminated or that the millage is excessive and the levy shall be decreased by a designated amount.

The apportionment need not be the same for each year of the levy, but the respective portions of the rate actually levied each year for the current expenses and the other purpose or purposes shall be limited by the apportionment.

Whenever a board of county commissioners, acting either as the taxing authority of its county or as the taxing authority of a sewer district or subdistrict created under Chapter 6117. of the Revised Code, by resolution declares it necessary to levy a tax in excess of the ten-mill limitation for the purpose of
constructing, improving, or extending sewage disposal plants or
sewage systems, the tax may be in effect for any number of years
not exceeding twenty, and the proceeds of the tax,
notwithstanding the general provisions of this section, may be
used to pay debt charges on any obligations issued and
outstanding on behalf of the subdivision for the purposes
enumerated in this paragraph, provided that any such obligations
have been specifically described in the resolution.

A resolution adopted by the legislative authority of a
municipal corporation that is for the purpose in division (XX)
of this section may be combined with the purpose provided in
section 306.55 of the Revised Code, by vote of two-thirds of all
members of the legislative authority. The legislative authority
may certify the resolution to the board of elections as a
combined question. The question appearing on the ballot shall be
as provided in section 5705.252 of the Revised Code.

A levy for the purpose set forth in division (BB) of this
section may be imposed in all or a portion of the territory of a
subdivision. If the 9-1-1 system to be established and operated
with levy funds excludes territory located within the
subdivision, the resolution adopted under this section, or a
resolution proposing to renew such a levy that was imposed in
all of the territory of the subdivision, may describe the area
served or to be served by the system and specify that the
proposed tax would be imposed only in the areas receiving or to
receive the service. Upon passage of such a resolution, the
board of elections shall submit the question of the tax levy
only to those electors residing in the area or areas in which
the tax would be imposed. If the 9-1-1 system would serve the
entire subdivision, the resolution shall not exclude territory
from the tax levy.
The resolution shall go into immediate effect upon its passage, and no publication of the resolution is necessary other than that provided for in the notice of election.

When the electors of a subdivision or, in the case of a qualifying library levy for the support of a library association or private corporation, the electors of the association library district or, in the case of a 9-1-1 system levy serving only a portion of the territory of a subdivision, the electors of the portion of the subdivision in which the levy would be imposed have approved a tax levy under this section, the taxing authority of the subdivision may anticipate a fraction of the proceeds of the levy and issue anticipation notes in accordance with section 5705.191 or 5705.193 of the Revised Code.

Sec. 5705.195. Within five days after the resolution is certified to the county auditor as provided by section 5705.194 of the Revised Code, the auditor shall calculate and certify to the taxing authority the annual levy, expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation, throughout the life of the levy which will be required to produce the annual amount set forth in the resolution assuming that the amount of the tax list of such subdivision remains throughout the life of the levy the same as the amount of the tax list for the current year, and if this is not determined, the estimated amount submitted by the auditor to the county budget commission. When considering the tangible personal property component of the tax valuation of the subdivision, the county auditor shall take into account the assessment percentages prescribed in section 5711.22 of the Revised Code. The tax commissioner may issue rules, orders, or instructions directing how the assessment percentages must be utilized.
Upon receiving the certification from the county auditor, if the taxing authority desires to proceed with the submission of the question it shall, not less than ninety days before the day of such election, certify its resolution, together with the amount of the average tax levy, expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation, estimated by the auditor, and the number of years the levy is to run to the board of elections of the county which shall prepare the ballots and make other necessary arrangements for the submission of the question to the voters of the subdivision.

Sec. 5705.213. (A)(1) The board of education of any school district, at any time and by a vote of two-thirds of all of its members, may declare by resolution that the amount of taxes that may be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district and that it is necessary to levy a tax in excess of that limitation for current expenses. The resolution also shall state that the question of the additional tax shall be submitted to the electors of the school district at a special election. The resolution shall specify, for each year the levy is in effect, the amount of money that the levy is proposed to raise, which may, for years after the first year the levy is made, be expressed in terms of a dollar or percentage increase over the prior year's amount. The resolution also shall specify that the purpose of the levy is for current expenses, the number of years during which the tax shall be in effect which may be for any number of years not exceeding ten, and the year in which the tax first is proposed to be levied. The resolution shall specify the date of holding the special election, which shall not be earlier than ninety-
five days after the adoption and certification of the resolution
to the county auditor and not earlier than ninety days after
certification to the board of elections. The date of the
election shall be consistent with the requirements of section
3501.01 of the Revised Code.

(2) The board of education, by a vote of two-thirds of all
of its members, may adopt a resolution proposing to renew a tax
levied under division (A)(1) of this section. Such a resolution
shall provide for levying a tax and specify all of the
following:

(a) That the tax shall be called and designated on the
ballot as a renewal levy;

(b) The amount of the renewal tax, which shall be no more
than the amount of tax levied during the last year the tax being
renewed is authorized to be in effect;

(c) The number of years, not to exceed ten, that the
renewal tax will be levied, or that it will be levied for a
continuing period of time;

(d) That the purpose of the renewal levy is for current
expenses;

(e) Subject to the certification and notification
requirements of section 5705.251 of the Revised Code, that the
question of the renewal levy shall be submitted to the electors
of the school district at the general election held during the
last year the tax being renewed may be extended on the real and
public utility property tax list and duplicate or at a special
election held during the ensuing year.

(3) A resolution adopted under division (A)(1) or (2) of
this section shall go into immediate effect upon its adoption
and no publication of the resolution is necessary other than
that provided for in the notice of election. Immediately after
its adoption, a copy of the resolution shall be certified to the
county auditor of the proper county, who shall, within five
days, calculate and certify to the board of education the
estimated levy, for the first year, and for each subsequent year
for which the tax is proposed to be in effect. The estimates
shall be made both in mills for each dollar of valuation, and in
doctors and cents for each one hundred dollars of valuation. In
making the estimates, the auditor shall assume that the amount
of the tax list remains throughout the life of the levy, the
same as the tax list for the current year. If the tax list for
the current year is not determined, the auditor shall base the
auditor’s estimates on the estimated amount of the tax list for
the current year as submitted to the county budget commission.

If the board desires to proceed with the submission of the
question, it shall certify its resolution, with the estimated
tax levy expressed in mills and dollars and cents per hundred
doctors of valuation for each year that the tax is proposed to
be in effect, to the board of elections of the proper county in
the manner provided by division (A) of section 5705.251 of the
Revised Code. Section 5705.251 of the Revised Code shall govern
the arrangements for the submission of the question and other
matters concerning the election to which that section refers.
The election shall be held on the date specified in the
resolution. If a majority of the electors voting on the question
so submitted in an election vote in favor of the tax, and if the
tax is authorized to be levied for the current year, the board
of education immediately may make the additional levy necessary
to raise the amount specified in the resolution or a lesser
amount for the purpose stated in the resolution.
(4) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.

(B) Notwithstanding sections 133.30 and 133.301 of the Revised Code, after the approval of a tax to be levied in the current or the succeeding year and prior to the time when the first tax collection from that levy can be made, the board of education may anticipate a fraction of the proceeds of the levy and issue anticipation notes in an amount not to exceed fifty per cent of the total estimated proceeds of the levy to be collected during the first year of the levy. The notes shall be sold as provided in Chapter 133. of the Revised Code. If anticipation notes are issued, they shall mature serially and in substantially equal amounts during each year over a period not to exceed five years; and the amount necessary to pay the interest and principal as the anticipation notes mature shall be deemed appropriated for those purposes from the levy, and appropriations from the levy by the board of education shall be limited each fiscal year to the balance available in excess of that amount.

If the auditor of state has certified a deficit pursuant to section 3313.483 of the Revised Code, the notes authorized under this section may be sold in accordance with Chapter 133. of the Revised Code, except that the board may sell the notes after providing a reasonable opportunity for competitive bidding.

Sec. 5705.252. (A) If the legislative authority of a municipal corporation adopts a resolution for the purposes provided in section 306.55 of the Revised Code and division (XX) of section 5705.19 of the Revised Code and certifies the
resolution to the board of elections as a combined question, the
question appearing on the ballot shall read:

"Shall the territory within the _____ (name of municipal
corporation) be withdrawn from _____ (name of regional transit
authority) and shall an additional tax be levied for the benefit
of _____ (name of municipal corporation) _____ for the purpose
of providing transportation services for the movement of persons
within, from, or to the _____ (name of municipal corporation)
at a rate not exceeding _____ mills for each one dollar of
valuation, which amounts to _____ (rate expressed in dollars
and cents) for each one hundred dollars of valuation, for _____
(number of years the levy is to run)?"

(B) If the board of trustees of a township adopts a
resolution for the purposes provided in sections 306.55 and
5705.72 of the Revised Code and certifies the resolution to the
board of elections as a combined question, the question
appearing on the ballot in the unincorporated area of the
township shall read:

"Shall the territory within the unincorporated area of
_____ (name of township) be withdrawn from _____ (name of
regional transit authority) and shall an additional tax be
levied for the benefit of the unincorporated area of _____
(name of township) for the purpose of providing transportation
services for the movement of persons within, from, or to the
unincorporated area of _____ (name of township) at a rate not
exceeding _____ mills for each one dollar of valuation, which
amounts to _____ (rate expressed in dollars and cents) for each
one hundred dollars of valuation, for _____ (number of years
the levy is to run)?"

Sec. 5705.29. This section does not apply to a subdivision
or taxing unit for which the county budget commission has waived the requirement to adopt a tax budget pursuant to section 5705.281 of the Revised Code. The tax budget shall present the following information in such detail as is prescribed by the auditor of state:

   (A)(1) A statement of the necessary current operating expenses for the ensuing fiscal year for each department and division of the subdivision, classified as to personal services and other expenses, and the fund from which such expenditures are to be made. Except in the case of a school district, this estimate may include a contingent expense not designated for any particular purpose, and not to exceed three per cent of the total amount of appropriations for current expenses. In the case of a school district, this estimate may include a contingent expense not designated for any particular purpose and not to exceed thirteen per cent of the total amount of appropriations for current expenses.

   (2) A statement of the expenditures for the ensuing fiscal year necessary for permanent improvements, exclusive of any expense to be paid from bond issues, classified as to the improvements contemplated by the subdivision and the fund from which such expenditures are to be made;

   (3) The amounts required for the payment of final judgments;

   (4) A statement of expenditures for the ensuing fiscal year necessary for any purpose for which a special levy is authorized, and the fund from which such expenditures are to be made;

   (5) Comparative statements, so far as possible, in
parallel columns of corresponding items of expenditures for the current fiscal year and the two preceding fiscal years.

(B)(1) An estimate of receipts from other sources than the general property tax during the ensuing fiscal year, which shall include an estimate of unencumbered balances at the end of the current fiscal year, and the funds to which such estimated receipts are credited;

(2) The amount each fund requires from the general property tax, which shall be the difference between the contemplated expenditure from the fund and the estimated receipts, as provided in this section. The section of the Revised Code under which the tax is authorized shall be set forth.

(3) Comparative statements, so far as possible, in parallel columns of taxes and other revenues for the current fiscal year and the two preceding fiscal years.

(C)(1) The amount required for debt charges;

(2) The estimated receipts from sources other than the tax levy for payment of such debt charges, including the proceeds of refunding bonds to be issued to refund bonds maturing in the next succeeding fiscal year;

(3) The net amount for which a tax levy shall be made, classified as to bonds authorized and issued prior to January 1, 1922, and those authorized and issued subsequent to such date, and as to what portion of the levy will be within and what in excess of the ten-mill limitation.

(D) An estimate of amounts from taxes authorized to be levied in excess of the ten-mill limitation on the tax rate, and the fund to which such amounts will be credited, together with
the sections of the Revised Code under which each such tax is exempted from all limitations on the tax rate.

(E)(1) A board of education may include in its budget for the fiscal year in which a levy proposed under section 5705.194, 5705.199, 5705.21, 5705.213, or 5705.219, a property tax levy proposed under section 5748.09, or the original levy under section 5705.212 of the Revised Code is first extended on the tax list and duplicate an estimate of expenditures to be known as a voluntary contingency reserve balance, which shall not be greater than twenty-five per cent of the total amount of the levy estimated to be available for appropriation in such year.

(2) A board of education may include in its budget for the fiscal year following the year in which a levy proposed under section 5705.194, 5705.199, 5705.21, 5705.213, or 5705.219, a property tax levy proposed under section 5748.09, or the original levy under section 5705.212 of the Revised Code is first extended on the tax list and duplicate an estimate of expenditures to be known as a voluntary contingency reserve balance, which shall not be greater than twenty per cent of the amount of the levy estimated to be available for appropriation in such year.

(3) Except as provided in division (E)(4) of this section, the full amount of any reserve balance the board includes in its budget shall be retained by the county auditor and county treasurer out of the first semiannual settlement of taxes until the beginning of the next succeeding fiscal year, and thereupon, with the depository interest apportioned thereto, it shall be turned over to the board of education, to be used for the purposes of such fiscal year.

(4) A board of education, by a two-thirds vote of all
members of the board, may appropriate any amount withheld as a
voluntary contingency reserve balance during the fiscal year for
any lawful purpose, provided that prior to such appropriation
the board of education has authorized the expenditure of all
amounts appropriated for contingencies under section 5705.40 of
the Revised Code. Upon request by the board of education, the
county auditor shall draw a warrant on the district's account in
the county treasury payable to the district in the amount
requested.

(F) (1) A board of education may include a spending reserve
in its budget for fiscal years ending on or before June 30,
2002. The spending reserve shall consist of an estimate of
expenditures not to exceed the district's spending reserve
balance. A district's spending reserve balance is the amount by
which the designated percentage of the district's estimated
personal property taxes to be settled during the calendar year
in which the fiscal year ends exceeds the estimated amount of
personal property taxes to be so settled and received by the
district during that fiscal year. Moneys from a spending reserve
shall be appropriated in accordance with section 133.301 of the
Revised Code.

(2) For the purposes of computing a school district's
spending reserve balance for a fiscal year, the designated
percentage shall be as follows:

(G) Except as otherwise provided in this division, the
county budget commission shall not reduce the taxing authority
of a subdivision as a result of the creation of a reserve
balance account. Except as otherwise provided in this division,
the county budget commission shall not consider the amount in a
reserve balance account of a township, county, or municipal
corporation as an unencumbered balance or as revenue for the purposes of division (E)(3) or (4) of section 5747.51 of the Revised Code. The county budget commission may require documentation of the reasonableness of the reserve balance held in any reserve balance account. The commission shall consider any amount in a reserve balance account that it determines to be unreasonable as unencumbered and as revenue for the purposes of section 5747.51 of the Revised Code and may take such amounts into consideration when determining whether to reduce the taxing authority of a subdivision.

Sec. 5705.315. With respect to annexations granted on or after the effective date of this section March 27, 2002, and during any tax year or years within which any territory annexed to a municipal corporation is part of a township, the minimum levy for the municipal corporation and township under section 5705.31 of the Revised Code shall not be diminished, except that in the annexed territory and only during those tax year or years, and in order to preserve the minimum levies of overlapping subdivisions under section 5705.31 of the Revised Code so that the full amount of taxes within the ten-mill limitation may be levied to the extent possible, the minimum levy of the municipal corporation or township shall be the lowest of the following amounts:

(A) An amount that when added to the minimum levies of the other overlapping subdivisions equals ten mills;

(B) An amount equal to the minimum levy of the municipal corporation or township, provided the total minimum levy does not exceed ten mills.

The municipal corporation and the township may enter into an agreement to determine the municipal corporation's and the
township's minimum levy under this section. If it cannot be
determined what minimum levy is available to each and no
agreement has been entered into by the municipal corporation and
township, the municipal corporation and township shall each
receive one-half of the millage available for use within the
portion of the territory annexed to the municipal corporation
that remains part of the township.

Sec. 5705.34. When the budget commission has completed its
work with respect to a tax budget or other information required
to be provided under section 5705.281 of the Revised Code, it
shall certify its action to the taxing authority, together with
an estimate by the county auditor of the rate of each tax
necessary to be levied by the taxing authority within its
subdivision, taxing unit, or, in the case of a qualifying
library levy, within the library district or association library
district, and what part thereof is in excess of, and what part
within, the ten-mill tax limitation. The certification shall
also indicate the date on which each tax levied by the taxing
authority will expire.

If a taxing authority levies a tax for a fixed sum of
money or to pay debt charges for the tax year for which the tax
budget is prepared, and a payment on account of that tax is
payable to the taxing authority for the tax year under section
5709.92 or 5709.93 of the Revised Code, the county auditor,
when estimating the rate at which the tax shall be levied in the
current year, shall estimate the rate necessary to raise the
required sum less the estimated amount of any such payments made
for the tax year to a taxing unit for fixed-sum levies under
those sections. The estimated rate shall be the rate of the levy
that the budget commission certifies with its action under this
section.
Each taxing authority, by ordinance or resolution, shall authorize the necessary tax levies and certify them to the county auditor before the first day of October in each year, or at such later date as is approved by the tax commissioner, except that the certification by the legislative authority of the city of Cincinnati or by a board of education shall be made by the first day of April or at such later date as is approved by the commissioner, and except that a township board of park commissioners that is appointed by the board of township trustees and oversees a township park district that contains only unincorporated territory shall authorize only those taxes approved by, and only at the rate approved by, the board of township trustees as required by division (C) of section 511.27 of the Revised Code. If the levying of a tax to be placed on the duplicate of the current year is approved by electors under sections 5705.01 to 5705.47 of the Revised Code; if the rate of a school district tax is increased due to the repeal of a school district income tax and property tax rate reduction at an election held pursuant to section 5748.04 of the Revised Code; or if refunding bonds to refund all or a part of the principal of bonds payable from a tax levy for the ensuing fiscal year are issued or sold and in the process of delivery, the budget commission shall reconsider and revise its action on the budget of the subdivision or school library district for whose benefit the tax is to be levied after the returns of such election are fully canvassed, or after the issuance or sale of such refunding bonds is certified to it.

Sec. 5705.35. (A) The certification of the budget commission to the taxing authority of each subdivision or taxing unit, as set forth in section 5705.34 of the Revised Code, shall show the various funds of such subdivisions other than funds to
be created by transfer and shall be filed by the county budget
commission with such taxing authority on or before the first day
of March in the case of school districts and the city of
Cincinnati and on or before the first day of September in each
year in the case of all other taxing authorities. There shall be
set forth on the credit side of each fund the estimated
unencumbered balances and receipts, and if a tax is to be levied
for such fund, the estimated revenue to be derived therefrom,
the rate of the levy, and what portion thereof is within, and
what in excess of, the ten-mill tax limitation, and on the debit
side, the total appropriations that may be made therefrom.
Subject to division (C) (F) of section 5705.29 of the Revised
Code, any reserve balance in an account established under
section 5705.13 of the Revised Code for the purpose described in
division (A) (1) of that section, and the principal of a
nonexpendable trust fund established under section 5705.131 of
the Revised Code and any additions to principal arising from
sources other than the reinvestment of investment earnings
arising from that fund, are not unencumbered balances for the
purposes of this section. The balance in a reserve balance
account established under section 5705.132 of the Revised Code
is not an unencumbered balance for the purposes of this
division.

There shall be attached to the certification a summary,
which shall be known as the "official certificate of estimated
resources," that shall state the total estimated resources of
each fund of the subdivision that are available for
appropriation in the fiscal year, other than funds to be created
by transfer, and a statement of the amount of the total tax
duplicate of the school district to be used in the collection of
taxes for the following calendar year. Before the end of the
fiscal year, the taxing authority of each subdivision and other
taxing unit shall revise its tax budget, if one was adopted, so
that the total contemplated expenditures from any fund during
the ensuing fiscal year will not exceed the total appropriations
that may be made from such fund, as determined by the budget
commission in its certification; and such revised budget shall
be the basis of the annual appropriation measure.

(B)(1) Except as otherwise provided in division (B)(2) of
this section, revenues from real property taxes
scheduled to be settled on or before the tenth day of August and
the fifteenth day of February of a fiscal year under divisions
(A) and (C) of section 321.24 of the Revised Code, and revenue
from taxes levied on personal property used in business
scheduled to be settled on or before the thirty first day of
October and the thirtieth day of June of a fiscal year under
divisions (B) and (D) of section 321.24 of the Revised Code
shall not be available for appropriation by a board of education
prior to the fiscal year in which such latest scheduled
settlement date occurs, except that moneys advanced to the
treasurer of a board of education under division (A) (2) (b) of
section 321.34 of the Revised Code shall be available for
appropriation in the fiscal year in which they are paid to the
treasurer under such section. If the date for any settlement of
taxes is extended under division (E) of section 321.24 of the
Revised Code, the latest date set forth in divisions (A) to (D)
of that section shall be used to determine in which fiscal year
the revenues are first available for appropriation.

(2) Revenues available for appropriation by a school-
district during a fiscal year may include amounts borrowed in
that fiscal year under section 123.201 of the Revised Code in-
anticipation of the collection of taxes that are to be included
in the settlements made under divisions (C) and (D) of section 321.24 of the Revised Code in the ensuing fiscal year.

Sec. 5705.36. (A)(1) On or about the first day of each fiscal year, the fiscal officer of each subdivision and other taxing unit shall certify to the county auditor the total amount from all sources available for expenditures from each fund set up in the tax budget or, if adoption of a tax budget was waived under section 5705.281 of the Revised Code, from each fund created by or on behalf of the taxing authority. The amount certified shall include any unencumbered balances that existed at the end of the preceding year, excluding any of the following:

(a) Subject to division (F) of section 5705.29 of the Revised Code, any reserve balance in an account established under section 5705.13 of the Revised Code for the purpose described in division (A)(1) of that section;

(b) The principal of a nonexpendable trust fund established under section 5705.131 of the Revised Code and any additions to principal arising from sources other than the reinvestment of investment earnings arising from that fund;

(c) The balance in a reserve balance account established under section 5705.132 of the Revised Code.

A school district's certification shall separately show the amount of any notes and unpaid and outstanding expenses on the preceding thirtieth day of June that are to be paid from property taxes that are to be settled during the current fiscal year under divisions (C) and (D) of section 321.24 of the Revised Code, and the amount of any spending reserve available for appropriation during the current fiscal year under section...
133.301 of the Revised Code. The budget commission, taking into consideration the balances and revenues to be derived from taxation and other sources, shall revise its estimate of the amounts that will be credited to each fund from such sources, and shall certify to the taxing authority of each subdivision an amended official certificate of estimated resources.

(2) Subject to divisions (A)(3) and (4) of this section, upon a determination by the fiscal officer of a subdivision that the revenue to be collected by the subdivision will be greater or less than the amount included in an official certificate, the fiscal officer may certify the amount of the deficiency or excess to the commission, and if the commission determines that the fiscal officer's certification is reasonable, the commission shall certify an amended official certificate reflecting the deficiency or excess.

(3) Upon a determination by the fiscal officer of a subdivision that the revenue to be collected by the subdivision will be greater than the amount included in an official certificate and the legislative authority intends to appropriate and expend the excess revenue, the fiscal officer shall certify the amount of the excess to the commission, and if the commission determines that the fiscal officer's certification is reasonable, the commission shall certify an amended official certificate reflecting the excess.

(4) Upon a determination by the fiscal officer of a subdivision that the revenue to be collected by the subdivision will be less than the amount included in an official certificate and that the amount of the deficiency will reduce available resources below the level of current appropriations, the fiscal officer shall certify the amount of the deficiency to the
commission, and the commission shall certify an amended certificate reflecting the deficiency.

(5) The total appropriations made during the fiscal year from any fund shall not exceed the amount set forth as available for expenditure from such fund in the official certificate of estimated resources, or any amendment thereof, certified prior to the making of the appropriation or supplemental appropriation.

(B) At the time of settlement of taxes against which notes have been issued under section 133.301 or division (D) of section 133.10 of the Revised Code and at the time a tax duplicate is delivered pursuant to section 319.28 or 319.29 of the Revised Code, the county auditor shall determine whether the total amount to be distributed to each school district from such settlement or duplicate, when combined with the amounts to be distributed from any subsequent settlement, will increase or decrease the amount available for appropriation during the current fiscal year from any fund. The county auditor shall certify this finding to the budget commission, which shall certify an amended official certificate reflecting the finding or certify to the school district that no amended certificate needs to be issued.

Sec. 5705.49. Wherever in the Revised Code the taxing authority of any subdivision, as defined in section 5705.01 of the Revised Code, is authorized to levy taxes on the taxable property within a subdivision, or, in the case of a qualifying library levy, within a library district or association library district, such authority shall extend only to the levy of taxes on the taxable real and public utility property listed on general tax lists and duplicates provided for
by section 319.28 of the Revised Code. Where the amount of
indebtedness of any subdivision is limited by law with reference
to the tax valuation or aggregate value of the property on the
tax list and duplicate of such subdivision, such limitation
shall be measured by the property listed on such general tax
lists and duplicates in such subdivision.

Sec. 5709.201. (A) Except as provided in divisions (C)(4)
(a) and (c) of section 5709.22 and division (F) of section
5709.25 of the Revised Code, a certificate issued under section
5709.21, 5709.31, 5709.46, or 6111.31 of the Revised Code that
was valid and in effect on the effective date of this section—
June 26, 2003, shall continue in effect subject to the law as it
existed before that effective date. Division (C)(4)(b) of
section 5709.22 of the Revised Code does not apply to any
certificate issued by the tax commissioner before July 1, 2003.

(B) Any applications pending on the effective date of this
section June 26, 2003, for which a certificate had not been
issued on or before that effective date under section 6111.31 of
the Revised Code shall be transferred to the tax commissioner
for further administering. Sections 5709.20 to 5709.27 of the
Revised Code apply to such pending applications, excluding the
requirement of section 5709.212 of the Revised Code that
applicants must pay the fee.

(C) For applications pending on the effective date of this
section June 26, 2003, division (D) of section 5709.25 of the
Revised Code allowing the commissioner to assess any additional
tax notwithstanding any other time limitations imposed by law on
the denied portion of the applicant's claim applies only to tax
periods that would otherwise be open to assessment on that
effective date.
Sec. 5709.43. (A) A municipal corporation that grants a tax exemption under section 5709.40 of the Revised Code shall establish a municipal public improvement tax increment equivalent fund into which shall be deposited service payments in lieu of taxes distributed to the municipal corporation under section 5709.42 of the Revised Code. If the legislative authority of the municipal corporation has adopted an ordinance under division (C) of section 5709.40 of the Revised Code, the municipal corporation shall establish at least one account in that fund with respect to ordinances adopted under division (B) of that section, and one account with respect to each incentive district created in an ordinance adopted under division (C) of that section. If an ordinance adopted under division (C) of section 5709.40 of the Revised Code also authorizes the use of service payments for housing renovations within the district, the municipal corporation shall establish separate accounts for the service payments designated for public infrastructure improvements and for the service payments authorized for the purpose of housing renovations. Money in an account of the municipal public improvement tax increment equivalent fund shall be used to finance the public infrastructure improvements designated in, or the housing renovations authorized by, the ordinance with respect to which the account is established; in the case of an account established with respect to an ordinance adopted under division (C) of that section, money in the account shall be used to finance the public infrastructure improvements designated, or the housing renovations authorized, for each incentive district created in the ordinance. Money in an account shall not be used to finance or support housing renovations that take place after the incentive district has expired. The municipal corporation also may deposit into any of those accounts municipal income tax revenue that has been designated...
by ordinance to finance the public infrastructure improvements
and housing renovations.

(B) A municipal corporation may establish an urban
redevelopment tax increment equivalent fund, by resolution or
ordinance of its legislative authority, into which shall be
deposited service payments in lieu of taxes distributed to the
municipal corporation by the county treasurer as provided in
section 5709.42 of the Revised Code for improvements exempt from
taxation pursuant to an ordinance adopted under section 5709.41
of the Revised Code. Moneys deposited in the urban redevelopment
tax increment equivalent fund shall be used for such purposes as
are authorized in the resolution or ordinance establishing the
fund. The municipal corporation also may deposit into the urban
redevelopment tax increment equivalent fund municipal income tax
revenue that has been dedicated to fund any of the purposes for
which the fund is established.

(C)(1)(a) A municipal corporation may distribute money in
the municipal public improvement tax increment equivalent fund
or the urban redevelopment tax increment equivalent fund to any
school district in which the exempt property is located, in an
amount not to exceed the amount of real property taxes that such
school district would have received from the improvement if it
were not exempt from taxation, or use money in either or both
funds to finance specific public improvements benefiting the
school district. The resolution or ordinance establishing the
fund shall set forth the percentage of such maximum amount that
will be distributed to any affected school district or used to
finance specific public improvements benefiting the school
district.

(b) A municipal corporation also may distribute money in
the municipal public improvement tax increment equivalent fund or the urban redevelopment tax increment equivalent fund as follows:

(i) To a board of county commissioners, in the amount that is owed to the board pursuant to division (E) of section 5709.40 of the Revised Code;

(ii) To a county in accordance with section 5709.913 of the Revised Code.

(2) Money from an account in a municipal public improvement tax increment equivalent fund or from an urban redevelopment tax increment equivalent fund may be distributed under division (C)(1)(b) of this section, regardless of the date a resolution or an ordinance was adopted under section 5709.40 or 5709.41 of the Revised Code that prompted the establishment of the account or the establishment of the urban redevelopment tax increment equivalent fund, even if the resolution or ordinance was adopted prior to the effective date of this amendment March 30, 2006.

(D) Any incidental surplus remaining in the municipal public improvement tax increment equivalent fund or an account of that fund, or in the urban redevelopment tax increment equivalent fund, upon dissolution of the account or fund shall be transferred to the general fund of the municipal corporation.

Sec. 5709.48. (A) As used in this section:

(1) "Regional transportation improvement project" has the same meaning as in section 5595.01 of the Revised Code.

(2) "Improvements" means the increase in the assessed value of any real property that would first appear on the tax list and duplicate of real and public utility property after the
effective date of the resolution adopted under this section were it not for the exemption granted by that resolution.

(B) For the purposes described in division (A) of section 5595.06 of the Revised Code, the governing board of a regional transportation improvement project that was undertaken pursuant to section 5595.02 of the Revised Code before the effective date of the amendment of this section by S.B. 8 of the 132nd general assembly March 23, 2018, may, by resolution, create a transportation financing district and declare improvements to parcels within the district to be a public purpose and exempt from taxation.

(C) A transportation financing district may include territory in more than one county as long as each such county is a participant in the regional transportation improvement project funded by the district. A district shall not include parcels used primarily for residential purposes. A district shall not include any parcel that is currently exempt from taxation under this section or section 5709.40, 5709.41, 5709.45, 5709.73, or 5709.77 of the Revised Code. The governing board may designate parcels within the boundaries of a district that are not to be included in the district. The governing board may designate noncontiguous parcels located outside the boundaries of the district that are to be included in the district.

The governing board may adopt more than one resolution under division (B) of this section. A single such resolution may create more than one transportation financing district.

(D) A resolution creating a transportation financing district shall specify all of the following:

(1) A description of the territory included in the
district;

(2) The county treasurer's permanent parcel number associated with each parcel included in the district;

(3) The percentage of improvements to be exempted from taxation and the duration of the exemption, which shall not exceed the remaining number of years the cooperative agreement for the regional transportation improvement district, described under section 5595.03 of the Revised Code, is in effect;

(4) A plan for the district that describes the principal purposes and goals to be served by the district and explains how the use of service payments provided for by section 5709.49 of the Revised Code will economically benefit owners of property within the district.

(E)(1) Except as otherwise provided in divisions (E)(2) and (3) of this section, the governing board, before adopting a resolution under division (B) of this section, shall notify and obtain the approval of each subdivision and taxing unit that levies a property tax within the territory of the proposed transportation financing district. A subdivision or taxing unit's approval or disapproval of the proposed district shall be in the form of an ordinance or resolution. The governing board may negotiate an agreement with a subdivision or taxing unit providing for compensation equal in value to a percentage of the amount of taxes exempted or some other mutually agreeable compensation.

(2) A subdivision or taxing unit may adopt an ordinance or resolution waiving its right to approve or receive notice of transportation financing districts proposed under this section. If a subdivision or taxing unit has adopted such an ordinance or
resolution, the terms of that ordinance or resolution supersede
the requirements of division (E)(1) of this section. The
governing board may negotiate an agreement with a subdivision or
taxing unit providing for some mutually agreeable compensation
in exchange for the subdivision or taxing unit adopting such an
ordinance or resolution. If a subdivision or taxing unit has
adopted such an ordinance or resolution, it shall certify a copy
to the governing board. If the subdivision or taxing unit
rescinds such an ordinance or resolution, it shall certify
notice of the rescission to the governing board.

(3) The governing board need not obtain the approval of a
subdivision or taxing unit if the governing board agrees to
compensate that subdivision or unit for the full amount of taxes
exempted under the resolution creating the district.

(F) After complying with division (E) of this section, the
governing board shall notify and obtain the approval of every
real property owner whose property is included in the proposed
transportation financing district.

(G)(1) Upon adopting a resolution creating a
transportation financing district, the governing board shall
send a copy of the resolution and documentation sufficient to
prove that the requirements of divisions (E) and (F) of this
section have been met to the director of development services.
The director shall evaluate the resolution and documentation to
determine if the governing board has fully complied with the
requirements of this section. If the director approves the
resolution, the director shall send notice of approval to the
governing board. If the director does not approve the
resolution, the director shall send a notice of denial to the
governing board that includes the reason or reasons for the
denial. If the director does not make a determination within ninety days after receiving a resolution under this section, the director is deemed to have approved the resolution. No resolution creating a transportation financing district is effective without actual or constructive approval by the director under this section.

(2) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and that commences after the effective date of the resolution.

(3) Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the regional transportation improvement project funded by the service payments dissolves under section 5595.13 of the Revised Code, whichever occurs first. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The resolution creating a transportation financing district may be amended at any time by majority vote of the governing board and with the approval of the director of development services obtained in the same manner as approval of

township, or municipal corporation that grants an exemption from 
taxation under Chapter 725. or 1728. or under section 3735.67, 
5709.28, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632,

At least four members of the council shall be residents of the municipal corporation, and at least one of the two public members appointed by the chief executive officer shall be a minority. As used in division (A)(1) of this section, a "minority" is an individual who is African-American, Hispanic, or Native American.

municipal corporations; two members of each township to which the instrument granting the tax exemption applies, appointed by the board of township trustees of the respective townships; the county auditor or the county auditor's designee; and an individual appointed by the board of education of each city, local, exempted village, and joint vocational school district to which the instrument granting the tax exemption applies. At least two members of the council shall be residents of the municipal corporations or townships to which the instrument granting the tax exemption applies.

(B) The county auditor or the county auditor's designee shall serve as the chairperson of the council. The council shall meet at the call of the chairperson. At the first meeting of the council, the council shall select a vice-chairperson. Attendance by a majority of the members of the council constitutes a quorum to conduct the business of the council.

The review shall include agreements granting such exemptions that were entered into prior to July
22, 1994, that continue to be in force and applicable to the current year's property taxes.

With respect to each agreement, other than an agreement entered into under section 5709.28 of the Revised Code, the council shall determine whether the owner of the exempted property has complied with the agreement, and may take into consideration any fluctuations in the business cycle unique to the owner's business.

With respect to an agreement entered into under section 5709.28 of the Revised Code, the council shall consist of the members described in division (A)(2) of this section and shall determine whether the agreement complies with the requirements of section 5709.28 of the Revised Code and whether a withdrawal, removal, or conversion of land from an agricultural security area established under Chapter 931. of the Revised Code has occurred in a manner that makes the exempted property no longer eligible for the exemption.

On the basis of the determinations, on or before the first day of September of each year, the council shall submit to the legislative authority written recommendations for continuation, modification, or cancellation of each agreement.

(2) Annually, the tax incentive review council shall review all exemptions from property taxation resulting from the declaration of public purpose improvements pursuant to section 5709.40, 5709.41, 5709.45, 5709.73, or 5709.78 of the Revised Code. The review shall include such exemptions that were granted prior to July 22, 1994, that continue to be in force and applicable to the current year's property taxes. With respect to each improvement for which an exemption is granted, the council shall determine the increase in the true value of parcels of
real property on which improvements have been undertaken as a result of the exemption; the value of improvements exempted from taxation as a result of the exemption; and the number of new employees or employees retained on the site of the improvement as a result of the exemption.

Upon the request of a tax incentive review council, the county auditor, the housing officer appointed pursuant to section 3735.66 of the Revised Code, the owner of a new or remodeled structure or improvement, and the legislative authority of the county, township, or municipal corporation granting the exemption shall supply the council with any information reasonably necessary for the council to make the determinations required under division (C) of this section, including returns or reports filed pursuant to sections 5711.02, 5711.13, and 5727.08 of the Revised Code.

The payment shall be computed regardless of whether the qualifying municipal corporation qualifies for a payment under any other division of this section for the fiscal year in which the payment is computed under this division. For the purposes of this division, the commissioner may require an electric distribution company distributing qualifying kilowatt hours or, if the end user is a self-assessing purchaser, the end user, to report to the commissioner the number of qualifying kilowatt hours distributed through the meter of the qualifying end user.

(F)(1) The payments required to be made under divisions (C) and (D) of this section shall be paid from the local government tangible property tax replacement fund to the county undivided income tax fund in the proper county treasury. Within thirty days after receipt of such payments, the county treasurer shall distribute amounts determined under this section to the proper local taxing unit or public library as if they had been levied and collected as taxes, and the local taxing unit or public library shall allocate the amounts so received among its funds in the same proportions as if those amounts had been levied and collected as taxes.

(2) On or before the last day of August and of February of each fiscal year that follows a calendar year in which taxes are paid on the basis of qualifying kilowatt hours of electricity distributed through the meter of a qualifying end user located in a qualifying municipal corporation, one-half of the payment
computed under division (E) of this section shall be paid from
the local government tangible personal property tax replacement
fund directly to the qualifying municipal corporation. The
municipal corporation shall credit the payments to a special
fund created for the purpose of providing grants or other
financial assistance to the qualifying end user or to compensate
the municipal corporation for municipal income tax or other tax
credits or reductions as the legislative authority may grant to
the qualifying end user. Such grants or other financial

local taxing units are merged, or unincorporated territory of a
township is annexed by a municipal corporation, the tax
commissioner shall adjust the payments made under this section
to each of the local taxing units in proportion to the square
mileage of the merged or annexed territory as a percentage of
the total square mileage of the jurisdiction from which the
territory originated, or as otherwise provided by a written
agreement between the legislative authorities of the local
taxing units certified to the commissioner not later than the
first day of June of the calendar year in which the payment is
to be made.

Sec. 5713.03. The county auditor, from the best sources of
information available, shall determine, as nearly as
practicable, the true value of the fee simple estate, as if
unencumbered but subject to any effects from the exercise of
police powers or from other governmental actions, of each
separate tract, lot, or parcel of real property and of
buildings, structures, and improvements located thereon and the
current agricultural use value of land valued for tax purposes
in accordance with section 5713.31 of the Revised Code, in every
district, according to the rules prescribed by this chapter and
section 5715.01 of the Revised Code, and in accordance with the
uniform rules and methods of valuing and assessing real property
as adopted, prescribed, and promulgated by the tax commissioner.
The auditor shall determine the taxable value of all real
property by reducing its true or current agricultural use value
by the percentage ordered by the commissioner. In determining
the true value of any tract, lot, or parcel of real estate under
this section, if such tract, lot, or parcel has been the subject
of an arm's length sale between a willing seller and a willing
buyer within a reasonable length of time, either before or after
the tax lien date, the auditor may consider the sale price of
such tract, lot, or parcel to be the true value for taxation
purposes. However, the sale price in an arm's length transaction
between a willing seller and a willing buyer shall not be
considered the true value of the property sold if subsequent to
the sale:

(A) The tract, lot, or parcel of real estate loses value
due to some casualty;

(B) An improvement is added to the property. Nothing
Nothing in this section or section 5713.01 of the Revised
Code and no rule adopted under section 5715.01 of the Revised
Code shall require the county auditor to change the true value
in money of any property in any year except a year in which the
tax commissioner is required to determine under section 5715.24
of the Revised Code whether the property has been assessed as
required by law.
The county auditor shall adopt and use a real property record approved by the commissioner for each tract, lot, or parcel of real property, setting forth the true and taxable value of land and, in the case of land valued in accordance with section 5713.31 of the Revised Code, its current agricultural use value, the number of acres of arable land, permanent pasture land, woodland, and wasteland in each tract, lot, or parcel. The auditor shall record pertinent information and the true and taxable value of each building, structure, or improvement to land, which value shall be included as a separate part of the total value of each tract, lot, or parcel of real property.

Sec. 5713.30. As used in sections 5713.31 to 5713.37 and 5715.01 of the Revised Code:

(A) "Land devoted exclusively to agricultural use" means:

(1) Tracts, lots, or parcels of land totaling not less than ten acres to which, during the three calendar years prior to the year in which application is filed under section 5713.31 of the Revised Code, and through the last day of May of such year, one or more of the following apply:

(a) The tracts, lots, or parcels of land were devoted exclusively to commercial animal or poultry husbandry, aquaculture, algaculture meaning the farming of algae, apiculture, the cultivation of hemp by a person issued a hemp cultivation license under section 928.02 of the Revised Code, the production for a commercial purpose of timber, field crops, tobacco, fruits, vegetables, nursery stock, ornamental trees, sod, or flowers, or the growth of timber for a noncommercial purpose, if the land on which the timber is grown is contiguous to or part of a parcel of land under common ownership that is otherwise devoted exclusively to agricultural use.
(b) The tracts, lots, or parcels of land were devoted exclusively to biodiesel production, biomass energy production, electric or heat energy production, or biologically derived methane gas production if the land on which the production facility is located is contiguous to or part of a parcel of land under common ownership that is otherwise devoted exclusively to agricultural use, provided that at least fifty per cent of the feedstock used in the production was derived from parcels of land under common ownership or leasehold.

(c) The tracts, lots, or parcels of land were devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with an agency of the federal government.

(2) Tracts, lots, or parcels of land totaling less than ten acres that, during the three calendar years prior to the year in which application is filed under section 5713.31 of the Revised Code and through the last day of May of such year, were devoted exclusively to commercial animal or poultry husbandry, aquaculture, algaculture meaning the farming of algae, apiculture, the cultivation of hemp by a person issued a hemp cultivation license under section 928.02 of the Revised Code, the production for a commercial purpose of field crops, tobacco, fruits, vegetables, timber, nursery stock, ornamental trees, sod, or flowers where such activities produced an average yearly gross income of at least twenty-five hundred dollars during such three-year period or where there is evidence of an anticipated gross income of such amount from such activities during the tax year in which application is made, or were devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with an agency of the federal government;

(4) Tracts, lots, or parcels of land, or portions thereof that, during the previous three consecutive calendar years have been designated as land devoted exclusively to agricultural use, but such land has been lying idle or fallow for up to one year and no action has occurred to such land that is either inconsistent with the return of it to agricultural production or converts the land devoted exclusively to agricultural use as defined in this section. Such land shall remain designated as land devoted exclusively to agricultural use provided that beyond one year, but less than three years, the landowner proves good cause as determined by the board of revision.

(5) Tracts, lots, or parcels of land, or portions thereof that, during the previous three consecutive calendar years have been designated as land devoted exclusively to agricultural use, but such land has been lying idle or fallow because of dredged material being stored or deposited on such land pursuant to a contract between the land's owner and the department of natural resources or the United States army corps of engineers and no action has occurred to the land that is either inconsistent with the return of it to agricultural production or converts the land devoted exclusively to agricultural use. Such land shall remain designated as land devoted exclusively to agricultural use until the last year in which dredged material is stored or deposited on the land pursuant to such a contract, but not to exceed five years.

"Land devoted exclusively to agricultural use" includes tracts, lots, or parcels of land or portions thereof that are...
used for conservation practices, provided that the tracts, lots, or parcels of land or portions thereof comprise twenty-five percent or less of the total of the tracts, lots, or parcels of land that satisfy the criteria established in division (A)(1), (2), (4), (3), or (5) of this section together with the tracts, lots, or parcels of land or portions thereof that are used for conservation practices.

Notwithstanding any other provision of law to the contrary, the existence of agritourism on a tract, lot, or parcel of land that otherwise meets the definition of "land devoted exclusively to agricultural use" as defined in this division does not disqualify that tract, lot, or parcel from valuation under sections 5713.30 to 5713.37 and 5715.01 of the Revised Code.

A tract, lot, or parcel of land taxed under sections 5713.22 to 5713.26 of the Revised Code is not land devoted exclusively to agricultural use.

A tract, lot, parcel, or portion thereof on which medical marijuana, as defined by section 3796.01 of the Revised Code, is cultivated or processed is not land devoted exclusively to agricultural use.

(B) "Conversion of land devoted exclusively to agricultural use" means any of the following:

1. The failure of the owner of land devoted exclusively to agricultural use during the next preceding calendar year to file a renewal application under section 5713.31 of the Revised Code without good cause as determined by the board of revision;

2. The failure of the new owner of such land to file an initial application under that section without good cause as
(3) The failure of such land or portion thereof to qualify as land devoted exclusively to agricultural use for the current calendar year as requested by an application filed under such section;

(4) The failure of the owner of the land described in division (A)(4) or (5) of this section to act on such land in a manner that is consistent with the return of the land to agricultural production after three years.

The construction or installation of an energy facility, as defined in section 5727.01 of the Revised Code, on a portion of a tract, lot, or parcel of land devoted exclusively to agricultural use shall not cause the remaining portion of the tract, lot, or parcel to be regarded as a conversion of land devoted exclusively to agricultural use if the remaining portion of the tract, lot, or parcel continues to be devoted exclusively to agricultural use.

(C) "Tax savings" means the difference between the dollar amount of real property taxes levied in any year on land valued and assessed in accordance with its current agricultural use value and the dollar amount of real property taxes that would have been levied upon such land if it had been valued and assessed for such year in accordance with Section 2 of Article XII, Ohio Constitution.

A decree of the court or board of revision transferring fee simple title to the certificate holder is forever a bar to all rights of redemption with respect to the certificate parcel.

(C)(1) The certificate holder may file a motion with the court for an order authorizing a specified private selling officer, as defined in section 2329.01 of the Revised Code, to
sell the parcel at a public auction. If the court authorizes a private selling officer to sell the parcel, then upon the filing of a praecipe for order of sale with the clerk of the court, the clerk of the court shall immediately issue an order of sale to the private selling officer authorized by the court.

(6) Except as otherwise provided in sections 323.65 to 323.79 of the Revised Code, and the alternative redemption period thereunder, each certificate parcel shall be advertised and sold by the officer to whom the order of sale is directed in the manner provided by law for the sale of real property on execution. The advertisement for sale of certificate parcels shall be published once a week for three consecutive weeks and shall include the date on which a second sale will be conducted if no bid is accepted at the first sale. Any number of parcels may be included in one advertisement.

Except as otherwise provided in sections 323.65 to 323.79 of the Revised Code, whenever the officer charged to conduct the sale offers a certificate parcel for sale at a physical location and not online and no bids are made equal to at least the amount of the finding of the court or board of revision, the officer shall adjourn the sale of the parcel to the second date that was specified in the advertisement of sale. The second sale shall be held at the same place and commence at the same time as set forth in the advertisement of sale. The officer shall offer any parcel not sold at the first sale. sale shall be applied as follows:

Code shall be paid first, including attorney's fees of the
certificate holder's attorney payable under division (F) of that
section, private selling officer's fees and marketing costs,
title agent's or title company's fees, or the county

redemption prices of all the tax certificates that are sold
against the parcel;

(b) Any premium paid by the certificate holder at the time
of purchase;

(c) Interest on the amounts paid by the certificate holder
under division (B)(1) of section 5721.37 of the Revised Code at
the rate of eighteen per cent per year beginning on the day on

(d) Interest on the amounts paid by the certificate holder
under divisions (B)(2) and (3) of section 5721.37 of the Revised Code at the rate of eighteen per cent per year beginning on the day on which the payment was submitted by the certificate holder under divisions (B)(2) and (3) of that section and ending on the day immediately preceding the day on which the proceeds of the foreclosure sale are paid to the certificate holder pursuant to this section, except that such interest shall not accrue for more than three years if the certificate was sold under section 5721.32 of the Revised Code, or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.32 of the Revised Code, or more than six years if the certificate was sold under section 5721.33 of the Revised Code, or under section 5721.42 of the Revised Code by the holder of a certificate issued under section 5721.33 of the Revised Code, after the day the amounts were paid by the certificate holder under divisions (B)(2) and (3) of section 5721.37 of the Revised Code:

(e) The amounts paid by the certificate holder under divisions (B)(1), (2), and (3) of section 5721.37 of the Revised Code.

(3) Following the payment required by division (D)(2) of this section, any amount due for taxes, installments of assessments, charges, penalties, and interest not covered by the tax certificate holder's payment under division (B)(2) of section 5721.37 of the Revised Code shall be paid, including all taxes, installments of assessments, charges, penalties, and interest payable subsequent to the entry of the finding and prior to the transfer of the deed of the parcel to the purchaser following confirmation of sale. If the proceeds available for distribution pursuant to this division are insufficient to pay the entire amount of those taxes, installments of assessments,
charges, penalties, and interest, the proceeds shall be paid to each claimant in proportion to the amount of those taxes, installments of assessments, charges, penalties, and interest that each is due, and those taxes, installments of assessments, charges, penalties, and interest are deemed satisfied and shall be removed from the tax list and duplicate.

(4) Any residue of money from proceeds of the sale shall be disposed of as prescribed by section 5721.20 of the Revised Code.

(E) Unless the parcel previously was redeemed pursuant to section 5721.25 or 5721.38 of the Revised Code, upon the filing of the entry of confirmation of sale, or an order to transfer the parcel under sections 323.65 to 323.79 of the Revised Code, the title to the parcel is incontestable in the purchaser and is free and clear of all liens and encumbrances, except a federal tax lien, notice of which lien is properly filed in accordance with section 317.09 of the Revised Code prior to the date that a foreclosure proceeding is instituted pursuant to section 5721.37 of the Revised Code, and which lien was foreclosed in accordance with 28 U.S.C.A. 2410(c), and except for the easements and covenants of record running with the land or lots that were created prior to the time the taxes or installments of assessments, for the nonpayment of which a tax certificate was issued and the parcel sold at foreclosure, became due and payable.

The title shall not be invalid because of any irregularity, informality, or omission of any proceedings under this chapter or in any processes of taxation, if such irregularity, informality, or omission does not abrogate the provision for notice to holders of title, lien, or mortgage to,
or other interests in, such foreclosed parcels, as prescribed in this chapter.

section. Any excess amount of a particular credit may be carried
forward if authorized under the section creating that credit.
Nothing in this chapter shall be construed to allow a taxpayer

(a) "Supplying of electricity" means generating, transmitting, or distributing electricity.

(b) A person that leases to others energy facilities with an aggregate nameplate capacity in this state of two hundred fifty kilowatts or less per lease is not supplying electricity to others.

(c) A person that owns, or leases from another person, energy facilities with an aggregate nameplate capacity in this state of two hundred fifty kilowatts or less is not supplying electricity to others, regardless of whether the owner or lessee engages in net metering as defined in section 4928.01 of the Revised Code.

(d) A political subdivision of this state that owns an energy facility is not supplying electricity to others regardless of the nameplate capacity of the facility if the primary purpose of the facility is to supply electricity for the political subdivision's own use. As used in this division, "political subdivision" means a county, township, municipal corporation, or any other body corporate and politic that is responsible for government activities in a geographic area smaller than that of the state.

(B) Any person that supplies electricity, natural gas, water, water transportation, steam, or air to its tenants,
whether for a separate charge or otherwise;

(C) Any person whose primary business in this state consists of producing, refining, or marketing petroleum or its products.

(D) Any person whose primary business in this state consists of producing or gathering natural gas rather than supplying or distributing natural gas to consumers.

Sec. 5727.11. (A) Except as otherwise provided in this section, the true value of all taxable property, except property of a railroad company, required by section 5727.06 of the Revised Code to be assessed by the tax commissioner shall be determined by a method of valuation using cost as capitalized on the public utility's books and records less composite annual allowances as prescribed by the commissioner. If the commissioner finds that application of this method will not result in the determination of true value of the public utility's taxable property, the commissioner may use another method of valuation.

(B)(1) Except as provided in division (B)(2) of this section, the true value of current gas stored underground is the cost of that gas shown on the books and records of the public utility on the thirty-first day of December of the preceding year.

(2) For tax year 2001 and thereafter, the true value of current gas stored underground is the quotient obtained by dividing (a) the average value of the current gas stored underground, which shall be determined by adding the value of the gas on hand at the end of each calendar month in the calendar year preceding the tax year, or, if applicable, the
last day of business of each month for a partial month, divided by (b) the total number of months the natural gas company was in business during the calendar year prior to the beginning of the tax year.  With the approval of the tax commissioner, a natural gas company may use a date other than the end of a calendar month to value its current gas stored underground.

(C) The true value of noncurrent gas stored underground is thirty-five per cent of the cost of that gas shown on the books and records of the public utility on the thirty-first day of December of the preceding year.

(D)(1) Except as provided in division (D)(2) of this section, the true value of the production equipment of an electric company and the true value of all taxable property of a rural electric company is the equipment's or property's cost as capitalized on the company's books and records less fifty per cent of that cost as an allowance for depreciation and obsolescence.

(2) The true value of the production equipment or energy conversion equipment of an electric company, rural electric company, or energy company purchased, transferred, or placed into service after October 5, 1999, is the purchase price of the equipment as capitalized on the company's books and records less composite annual allowances as prescribed by the tax commissioner.

(E) The true value of taxable property, except property of a railroad company, required by section 5727.06 of the Revised Code to be assessed by the tax commissioner shall not include the allowance for funds used during construction or interest during construction that has been capitalized on the public utility's books and records as part of the total cost of the
taxable property. This division shall not apply to the taxable property of an electric company or a rural electric company, excluding transmission and distribution property, first placed into service after December 31, 2000, or to the taxable property a person purchases, which includes transfers, if that property was used in business by the seller prior to the purchase.

(F) The true value of watercraft owned or operated by a water transportation company shall be determined by multiplying the true value of the watercraft as determined under division (A) of this section by a fraction, the numerator of which is the number of revenue-earning miles traveled by the watercraft in the waters of this state and the denominator of which is the number of revenue-earning miles traveled by the watercraft in all waters.

(G) The cost of property subject to a sale and leaseback transaction is the cost of the property as capitalized on the books and records of the public utility owning the property immediately prior to the sale and leaseback transaction.

(H) The cost as capitalized on the books and records of a public utility includes amounts capitalized that represent regulatory assets, if such amounts previously were included on the company's books and records as capitalized costs of taxable personal property.

(I) Any change in the composite annual allowances as prescribed by the commissioner on a prospective basis shall not be admissible in any judicial or administrative action or proceeding as evidence of value with regard to prior years' taxes. Information about the business, property, or transactions of any taxpayer obtained by the commissioner for the purpose of adopting or modifying the composite annual allowances shall not
be subject to discovery or disclosure.

Sec. 5727.23. On or before the first Monday in October, annually, the tax commissioner shall assess the taxable property of each public utility and interexchange telecommunications company, and for tax year 2009 and thereafter of each public utility property lessor. If the taxpayer failed to file its annual report required by section 5727.08 of the Revised Code at least sixty days prior to the first Monday of October, the commissioner may make the assessment under this section within sixty days after the taxpayer files the report, but this does not preclude the commissioner from making an assessment without receiving the report.

The action of the tax commissioner shall be evidenced by a preliminary assessment that reflects the taxable value apportioned to each county and each taxing district in the county. The commissioner may amend the preliminary assessment as provided in this section. Each preliminary assessment and amended preliminary assessment shall be certified to the public utility, interexchange telecommunications company, or public utility property lessor, and to the auditor of each county to which taxable value has been apportioned.

The county auditor shall place the apportioned taxable value on the general tax list and duplicate of real and public utility property, and taxes shall be levied and collected thereon at the same rates and in the same manner as taxes are levied and collected on real property in the taxing district in question.

Unless a petition for reassessment of an assessment has been properly filed pursuant to section 5727.47 of the Revised Code, each preliminary assessment and, if amended, each
preliminary assessment as last amended shall become final ninety
days after certification of the preliminary assessment or thirty
days after certification of the amended preliminary assessment,
whichever is later. If a petition for reassessment is properly
filed, the assessment shall become final when the tax
commissioner issues a final determination.

Neither the certification of any preliminary or amended
assessment nor the expiration of the period of time that makes
any assessment final constitutes a final determination,
assessment, reassessment, valuation, finding, computation, or
order of the commissioner that is appealable under section
5717.02 of the Revised Code.

Sec. 5727.32. (A) For the purpose of the tax imposed by
section 5727.30 of the Revised Code, the statement required by
section 5727.31 of the Revised Code shall contain:

(2) The nature of the company, whether a person,
association, or corporation, and under the laws of what state or

   (i) All of the receipts derived wholly from interstate business or business done for or with the federal government;

   (ii) The receipts of amounts billed on behalf of other entities;

operating as a natural gas company that is subject to the tax
imposed by section 5727.24 of the Revised Code.

charged or levied as based upon its last preceding annual
statement filed prior to the first day of January of the year in
which such report is filed;

(3) The amount of the excise taxes due with the report as
provided by section 5727.31 of the Revised Code.

Sec. 5727.33. (A) For the purpose of computing the excise
tax imposed by section 5727.24 or 5727.30 of the Revised Code,
the entire gross receipts actually received from all sources for
business done within this state are taxable gross receipts,
excluding the receipts described in divisions (B), (C), and (D)
of this section. The gross receipts for the tax year of each
telegraph company shall be computed for the period of the first
day of July prior to the tax year to the thirtieth day of June
of the tax year. The gross receipts of each natural gas company,
including a combined company’s taxable gross receipts attributed
to a natural gas company activity, shall be computed in the
manner required by section 5727.25 of the Revised Code. The
gross receipts for the tax year of any other public utility subject to section 5727.30 of the Revised Code shall be computed for the period of the first day of May prior to the tax year to the thirtieth day of April of the tax year.

(B) In ascertaining and determining the gross receipts of each public utility subject to this section, the following gross receipts are excluded:

(1) All receipts derived wholly from interstate business;

(2) All receipts derived wholly from business done for or with the federal government;

(3) All receipts from the sale of merchandise;

(4) All receipts from sales to other public utilities, except railroad and telegraph companies, for resale, provided the other public utility is subject to the tax levied by section 5727.24 or 5727.30 of the Revised Code.

(C) In ascertaining and determining the gross receipts of a natural gas company, receipts billed on behalf of other entities are excluded. The tax imposed by section 5729.811 of the Revised Code, along with transportation and billing and collection fees charged to other entities, shall be included in the gross receipts of a natural gas company.

(D) In ascertaining and determining the gross receipts of a combined company subject to the tax imposed by section 5727.30 of the Revised Code, all receipts derived from operating as a natural gas company that are subject to the tax imposed by section 5727.24 of the Revised Code are excluded.

(E) Except as provided in division (F) of this section, the amount ascertained by the commissioner under this section,
less a deduction of twenty-five thousand dollars, shall be the taxable gross receipts of such companies for business done within this state for that year.

(F) The amount ascertained under this section, less the following deduction, shall be the taxable gross receipts of a natural gas company or combined company subject to the tax imposed by section 5727.24 of the Revised Code for business done within this state:

(1) For a natural gas company that files quarterly returns of the tax imposed by section 5727.24 of the Revised Code, six thousand two hundred fifty dollars for each quarterly return;

(2) For a natural gas company that files an annual return of the tax imposed by section 5727.24 of the Revised Code, twenty-five thousand dollars for each annual return;

(3) For a combined company, twenty-five thousand dollars on the annual statement filed under section 5727.31 of the Revised Code. A combined company shall not be entitled to a deduction in computing gross receipts subject to the tax imposed by section 5727.24 of the Revised Code.

Sec. 5727.80. As used in sections 5727.80 to 5727.95 of the Revised Code:

(A) "Electric distribution company" means either of the following:

(1) A person who distributes electricity through a meter of an end user in this state or to an unmetered location in this state;

(2) The end user of electricity in this state, if the end user obtains electricity that is not distributed or transmitted
to the end user by an electric distribution company that is required to remit the tax imposed by section 5727.81 of the Revised Code.

"Electric distribution company" does not include an end user of electricity in this state who self-generates electricity that is used directly by that end user on the same site that the electricity is generated or a person that donates all of the electricity the person generates to a political subdivision of the state. Division (A)(2) of this section shall not apply to a political subdivision in this state that is the end user of electricity that is donated to the political subdivision.

(B) "Kilowatt hour" means one thousand watt hours of electricity.

(C) For an electric distribution company, "meter of an end user in this state" means the last meter used to measure the kilowatt hours distributed by an electric distribution company to a location in this state, or the last meter located outside of this state that is used to measure the kilowatt hours consumed at a location in this state.

(D) "Person" has the same meaning as in section 5701.01 of the Revised Code, but also includes a political subdivision of the state.

(E) "Municipal electric utility" means a municipal corporation that owns or operates a system for the distribution of electricity.

(F) "Qualified end user" means an end user of electricity that satisfies either of the following criteria:

(1) The end user uses more than three million kilowatt hours of electricity at one manufacturing location in this state
for a calendar day for use in a qualifying manufacturing
process.

(2) The end user uses electricity at a manufacturing
location in this state for use in a chlor-alkali manufacturing
process but, if the end user uses electricity distributed by a
municipal electric utility, the end user can only be a
"qualified end user" upon obtaining the consent of the
legislative authority of the municipal corporation that owns or
operates the utility.

(G) "Qualified regeneration" means a process to convert
electricity to a form of stored energy by means such as using
electricity to compress air for storage or to pump water to an
elevated storage reservoir, if such stored energy is
subsequently used to generate electricity for sale to others
primarily during periods when there is peak demand for
electricity.

(H) "Qualified regeneration meter" means the last meter
used to measure electricity used in a qualified regeneration
process.

(I) "Qualifying manufacturing process" means an
electrochemical manufacturing process or a chlor-alkali
manufacturing process.

(J) "Self-assessing purchaser" means a purchaser that
meets all the requirements of, and pays the excise tax in
accordance with, division (C) of section 5727.81 of the Revised
Code.

(K) "Natural gas distribution company" means a natural gas
company or a combined company, as defined in section 5727.01 of
the Revised Code, that is subject to the excise tax imposed by
section 5727.24 of the Revised Code and that distributes natural
gas through a meter of an end user in this state or to an
unmetered location in this state.

(L) "MCF" means one thousand cubic feet.

(M) For a natural gas distribution company, "meter of an
end user in this state" means the last meter used to measure the
MCF of natural gas distributed by a natural gas distribution
company to a location in this state, or the last meter located
outside of this state that is used to measure the natural gas
consumed at a location in this state.

(N) "Flex customer" means an industrial or a commercial
facility that has consumed more than one billion cubic feet of
natural gas a year at a single location during any of the
previous five years, or an industrial or a commercial end user
of natural gas that purchases natural gas distribution services
from a natural gas distribution company at discounted rates or
charges established in any of the following:

(1) A special arrangement subject to review and regulation
by the public utilities commission under section 4905.31 of the
Revised Code;

(2) A special arrangement with a natural gas distribution
company pursuant to a municipal ordinance;

(3) A variable rate schedule that permits rates to vary
between defined amounts, provided that the schedule is on file
with the public utilities commission.

An end user that meets this definition on January 1, 2000,
or thereafter is a "flex customer" for purposes of determining
the rate of taxation under division (D) of section 5727.811 of
the Revised Code.
(O) "Electrochemical manufacturing process" means the performance of an electrochemical reaction in which electrons from direct current electricity remain a part of the product being manufactured. "Electrochemical manufacturing process" does not include a chlor-alkali manufacturing process.

(P) "Chlor-alkali manufacturing process" means a process that uses electricity to produce chlorine and other chemicals through the electrolysis of a salt solution.

Sec. 5727.83. (A) A natural gas distribution company, an electric distribution company, or a self-assessing purchaser shall remit each tax payment by electronic funds transfer as prescribed by divisions (B) and (C) of this section.

The tax commissioner shall notify each natural gas distribution company, electric distribution company, and self-assessing purchaser of the obligation to remit taxes by electronic funds transfer, shall maintain an updated list of those companies and purchasers, and shall timely certify to the treasurer of state the list and any additions thereto or deletions therefrom. Failure by the tax commissioner to notify a company or self-assessing purchaser subject to this section to remit taxes by electronic funds transfer does not relieve the company or self-assessing purchaser of its obligation to remit taxes in that manner.

(B) A natural gas distribution company, an electric distribution company, or a self-assessing purchaser required by this section to remit payments by electronic funds transfer shall remit such payments to the treasurer of state in the manner prescribed by rules adopted by the treasurer of state under section 113.061 of the Revised Code, and on or before the dates specified under section 5727.82 of the Revised Code. The
payment of taxes by electronic funds transfer does not affect a company's or self-assessing purchaser's obligation to file a return as required under section 5727.82 of the Revised Code.

(C) A natural gas distribution company, an electric distribution company, or a self-assessing purchaser required by this section to remit taxes by electronic funds transfer may apply to the treasurer of state in the manner prescribed by the treasurer of state to be excused from that requirement. The treasurer of state may excuse the company or self-assessing purchaser from remittance by electronic funds transfer for good cause shown for the period of time requested by the company or self-assessing purchaser or for a portion of that period. The treasurer of state shall notify the tax commissioner and the company or self-assessing purchaser of the treasurer of state's decision as soon as is practicable.

(D) If a natural gas distribution company, an electric distribution company, or a self-assessing purchaser required by this section to remit taxes by electronic funds transfer remits those taxes by some means other than by electronic funds transfer as prescribed by this section and the rules adopted by the treasurer of state, and the treasurer of state determines that such failure was not due to reasonable cause or was due to willful neglect, the treasurer of state shall notify the tax commissioner of the failure to remit by electronic funds transfer and shall provide the commissioner with any information used in making that determination. The tax commissioner may collect an additional charge by assessment in the manner prescribed by section 5727.89 of the Revised Code. The additional charge shall equal five per cent of the amount of the taxes required to be paid by electronic funds transfer, but shall not exceed five thousand dollars. Any additional charge
assessed under this section is in addition to any other penalty or charge imposed under this chapter, and shall be considered as revenue arising from the tax imposed under this chapter. The tax commissioner may abate all or a portion of such a charge and may adopt rules governing such abatements.

No additional charge shall be assessed under this division against a natural gas distribution company, an electric distribution company, or a self-assessing purchaser that has been notified of its obligation to remit taxes under this section and that remits its first two tax payments after such notification by some means other than electronic funds transfer. The additional charge may be assessed upon the remittance of any subsequent tax payment that the company or purchaser remits by some means other than electronic funds transfer.

Sec. 5727.84. No determinations, computations, certifications, or payments shall be made under this section after June 30, 2015.

(18) "2010 current expense S.B. 3 allocation" means the sum of payments received by a municipal corporation in calendar year 2010 for current expense levy losses pursuant to division (A)(1) of section 5727.86 of the Revised Code, excluding any such payments received for current expense levy losses attributable to a tax levied under section 5705.23 of the Revised Code. If a fixed-rate levy eligible for reimbursement is not charged and payable in any year after tax year 2010, "2010 current expense S.B. 3 allocation" used to compute payments to be made under division (A)(1)(d) or (e) of section 5727.86 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that those payments are attributable to the fixed-rate levy loss of that levy.

(19) "2010 S.B. 3 allocation" means the sum of payments received by a local taxing unit during calendar year 2010 pursuant to division (A)(1) of section 5727.86 of the Revised Code, excluding any such payments received for fixed-rate levy losses attributable to a tax levied under section 5705.23 of the Revised Code. If a fixed-rate levy eligible for reimbursement is not charged and payable in any year after tax year 2010, "2010 S.B. 3 allocation" means the sum of payments received by a local taxing unit during calendar year 2010 pursuant to division (A)(1) of section 5727.86 of the Revised Code, excluding any such payments received for fixed-rate levy losses attributable to a tax levied under section 5705.23 of the Revised Code.
S.B. 3 allocation" used to compute payments to be made under division (A)(1)(d) or (e) of section 5727.86 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that those payments are attributable to the fixed-rate levy loss of that levy.

In the case of a local taxing unit, "total S.B. 3 allocation" means the sum of payments received by the unit in calendar year 2010 pursuant to divisions (A)(1) and (4) of section 5727.86 of the Revised Code, excluding any such payments received for fixed-rate levy losses attributable to a tax levied under section 5705.23 of the Revised Code. If a fixed-rate levy eligible for reimbursement is not charged and payable in any year after tax year 2010, "total S.B. 3 allocation" used to compute payments to be made under division (C)(3) of section 5727.85 or division (A)(1)(d) or (e) of section 5727.86 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that those payments are attributable to the fixed-rate levy loss of that levy as would be computed under division (C)(2) of section 5727.85 or division (A)(1)(b) of section 5727.86 of the Revised Code.

(21) "2011 non-current expense S.B. 3 allocation" means the difference of a school district's or joint vocational school district's total S.B. 3 allocation minus the sum of the school district's 2011 current expense S.B. 3 allocation and the portion of the school district's total S.B. 3 allocation constituting reimbursement for debt levies pursuant to division (D) of section 5727.85 of the Revised Code.

If a fixed-rate levy authorized under section 5705.23 of the Revised Code that is eligible for reimbursement is not charged and payable in any year after tax year 2010, "S.B. 3 allocation for library purposes" used to compute payments to be made under division (A)(1)(f) of section 5727.86 of the Revised Code in the tax years following the last year the levy is charged and payable shall be reduced to the extent that those payments are attributable to the fixed-rate levy loss of that levy as would be computed under division (A)(1)(b) of section 5727.86 of the Revised Code.

(D) Not later than January 1, 2002, the tax commissioner shall determine for each taxing district its electric company tax value loss, which is the sum of the applicable amounts described in divisions (D)(1) to (4) of this section:

(1) The difference obtained by subtracting the amount described in division (D)(1)(b) from the amount described in division (D)(1)(a) of this section.

(a) The value of electric company and rural electric company tangible personal property as assessed by the tax commissioner for tax year 1998 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 1999, and as apportioned to the taxing district for tax year 1998;

(b) The value of electric company and rural electric company tangible personal property as assessed by the tax commissioner for tax year 1998 had the property been apportioned to the taxing district for tax year 2001, and assessed at the rates in effect for tax year 2001.

(2) The difference obtained by subtracting the amount described in division (D)(2)(b) from the amount described in division (D)(2)(a) of this section.

(a) The three-year average for tax years 1996, 1997, and 1998 of the assessed value from nuclear fuel materials and assemblies assessed against a person under Chapter 5711. of the Revised Code from the leasing of them to an electric company for those respective tax years, as reflected in the preliminary assessments;

(b) The three-year average assessed value from nuclear fuel materials and assemblies assessed under division (D)(2)(a)
of this section for tax years 1996, 1997, and 1998, as reflected in the preliminary assessments, using an assessment rate of twenty-five per cent.

(3) In the case of a taxing district having a nuclear power plant within its territory, any amount, resulting in an electric company tax value loss, obtained by subtracting the amount described in division (D)(1) of this section from the difference obtained by subtracting the amount described in division (D)(3)(b) of this section from the amount described in division (D)(3)(a) of this section.

(a) The value of electric company tangible personal property as assessed by the tax commissioner for tax year 2000 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2001, and as apportioned to the taxing district for tax year 2000;

(b) The value of electric company tangible personal property as assessed by the tax commissioner for tax year 2001 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2002, and as apportioned to the taxing district for tax year 2001.

(4) In the case of a taxing district having a nuclear power plant within its territory, the difference obtained by subtracting the amount described in division (D)(4)(b) of this section from the amount described in division (D)(4)(a) of this section, provided that such difference is greater than ten percent of the amount described in division (D)(4)(a) of this section.

(a) The value of electric company tangible personal property as assessed by the tax commissioner for tax year 2005
on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2006, and as apportioned to the taxing district for tax year 2005;

(b) The value of electric company tangible personal property as assessed by the tax commissioner for tax year 2006 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2007, and as apportioned to the taxing district for tax year 2006.

(E) Not later than January 1, 2002, the tax commissioner shall determine for each taxing district its natural gas company tax value loss, which is the sum of the amounts described in divisions (E)(1) and (2) of this section:

(1) The difference obtained by subtracting the amount described in division (E)(1)(b) from the amount described in division (E)(1)(a) of this section.

(a) The value of all natural gas company tangible personal property, other than property described in division (E)(2) of this section, as assessed by the tax commissioner for tax year 1999 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2000, and apportioned to the taxing district for tax year 1999;

(b) The value of all natural gas company tangible personal property, other than property described in division (E)(2) of this section, as assessed by the tax commissioner for tax year 1999 had the property been apportioned to the taxing district for tax year 2001, and assessed at the rates in effect for tax year 2001.

(2) The difference in the value of current gas obtained by subtracting the amount described in division (E)(2)(b) from the
amount described in division (E)(2)(a) of this section.

(a) The three-year average assessed value of current gas as assessed by the tax commissioner for tax years 1997, 1998, and 1999 on a preliminary assessment, or an amended preliminary assessment if issued prior to March 1, 2001, and as apportioned in the taxing district for those respective years;

(b) The three-year average assessed value from current gas under division (E)(2)(a) of this section for tax years 1997, 1998, and 1999, as reflected in the preliminary assessment, using an assessment rate of twenty-five per cent.

(F) The tax commissioner may request that natural gas companies, electric companies, and rural electric companies file a report to help determine the tax value loss under divisions (D) and (E) of this section. The report shall be filed within thirty days of the commissioner's request. A company that fails to file the report or does not timely file the report is subject to the penalty in section 5727.60 of the Revised Code.

(G) Not later than January 1, 2002, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its fixed-rate levy loss, which is the sum of its electric company tax value loss multiplied by the tax rate in effect in tax year 1998 for fixed-rate levies and its natural gas company tax value loss multiplied by the tax rate in effect in tax year 1999 for fixed-rate levies.

(H) Not later than January 1, 2002, the tax commissioner shall determine for each school district, joint vocational school district, and local taxing unit its fixed-sum levy loss, which is the amount obtained by subtracting the amount described
in division (H)(2) of this section from the amount described in
division (H)(1) of this section:

(1) The sum of the electric company tax value loss
multiplied by the tax rate in effect in tax year 1998, and the
natural gas company tax value loss multiplied by the tax rate in
effect in tax year 1999, for fixed-sum levies for all taxing
districts within each school district, joint vocational school
district, and local taxing unit. For the years 2002 through
2006, this computation shall include school district emergency
levies that existed in 1998 in the case of the electric company
tax value loss, and 1999 in the case of the natural gas company
tax value loss, and all other fixed-sum levies that existed in
1998 in the case of the electric company tax value loss and 1999
in the case of the natural gas company tax value loss and
continue to be charged in the tax year preceding the
distribution year. For the years 2007 through 2016 in the case
of school district emergency levies, and for all years after
2006 in the case of all other fixed-sum levies, this computation
shall exclude all fixed-sum levies that existed in 1998 in the
case of the electric company tax value loss and 1999 in the case
of the natural gas company tax value loss, but are no longer in
effect in the tax year preceding the distribution year. For the
purposes of this section, an emergency levy that existed in 1998
in the case of the electric company tax value loss, and 1999 in
the case of the natural gas company tax value loss, continues to
exist in a year beginning on or after January 1, 2007, but
before January 1, 2017, if, in that year, the board of education
levies a school district emergency levy for an annual sum at
least equal to the annual sum levied by the board in tax year
1998 or 1999, respectively, less the amount of the payment
certified under this division for 2002.
(2) The total taxable value in tax year 1999 less the tax value loss in each school district, joint vocational school district, and local taxing unit multiplied by one-fourth of one mill.

If the amount computed under division (H) of this section for any school district, joint vocational school district, or local taxing unit is greater than zero, that amount shall equal the fixed-sum levy loss reimbursed pursuant to division (F) of section 5727.85 of the Revised Code or division (A)(2) of section 5727.86 of the Revised Code, and the one-fourth of one mill that is subtracted under division (H)(2) of this section shall be apportioned among all contributing fixed-sum levies in the proportion of each levy to the sum of all fixed-sum levies within each school district, joint vocational school district, or local taxing unit.

(I) Notwithstanding divisions (D), (E), (G), and (H) of this section, in computing the tax value loss, fixed-rate levy loss, and fixed-sum levy loss, the tax commissioner shall use the greater of the 1998 tax rate or the 1999 tax rate in the case of levy losses associated with the electric company tax value loss, but the 1999 tax rate shall not include for this purpose any tax levy approved by the voters after June 30, 1999, and the tax commissioner shall use the greater of the 1999 or the 2000 tax rate in the case of levy losses associated with the natural gas company tax value loss.

(J) Not later than January 1, 2002, the tax commissioner shall certify to the department of education the tax value loss determined under divisions (D) and (E) of this section for each taxing district, the fixed-rate levy loss calculated under division (G) of this section, and the fixed-sum levy loss.
calculated under division (H) of this section. The calculations under divisions (G) and (H) of this section shall separately display the levy loss for each levy eligible for reimbursement.

(K) Not later than September 1, 2001, the tax commissioner shall certify the amount of the fixed-sum levy loss to the county auditor of each county in which a school district with a fixed-sum levy loss has territory.

Sec. 5729.98. (A) To provide a uniform procedure for calculating the amount of tax due under this chapter, a taxpayer shall claim any credits and offsets against tax liability to which it is entitled in the following order:

(1) The credit for an insurance company or insurance company group under section 5729.031 of the Revised Code;

(2) The credit for eligible employee training costs under section 5729.07 of the Revised Code;

(3) The credit for purchases of qualified low-income community investments under section 5729.16 of the Revised Code;

(4) The nonrefundable job retention credit under division (B) of section 122.171 of the Revised Code;

(5) The nonrefundable credit for investments in rural business growth funds under section 122.152 of the Revised Code;

(6) The offset of assessments by the Ohio life and health insurance guaranty association against tax liability permitted by section 3956.20 of the Revised Code;

(7) The refundable credit for rehabilitating a historic building under section 5729.17 of the Revised Code;

(8) The refundable credit for Ohio job retention under
former division (B)(2) or (3) of section 122.171 of the Revised Code as those divisions existed before September 29, 2015, the effective date of the amendment of this section by H.B. 64 of the 131st general assembly;

(9) The refundable credit for Ohio job creation under section 5729.032 of the Revised Code;

(10) The refundable credit under section 5729.08 of the Revised Code for losses on loans made under the Ohio venture capital program under sections 150.01 to 150.10 of the Revised Code.

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.

Sec. 5733.042. (A) As used in this section:

(1) "Affiliated group" has the same meaning as in section 1504 of the Internal Revenue Code.

(2) "Asset value" means the adjusted basis of assets as determined in accordance with Subchapter O of the Internal Revenue Code and the Treasury Regulations thereunder.

(3) "Intangible expenses and costs" include expenses, losses, and costs for, related to, or in connection directly or indirectly with the direct or indirect acquisition of, the direct or indirect use of, the direct or indirect maintenance or
management of, the direct or indirect ownership of, the direct or indirect sale of, the direct or indirect exchange of, or any other direct or indirect disposition of intangible property to the extent such amounts are allowed as deductions or costs in determining taxable income before operating loss deduction and special deductions for the taxable year under the Internal Revenue Code. Such expenses and costs include, but are not limited to, losses related to or incurred in connection directly or indirectly with factoring transactions, losses related to or incurred in connection directly or indirectly with discounting transactions, royalty, patent, technical, and copyright fees, licensing fees, and other similar expenses and costs.

(4) "Interest expenses and costs" include but are not limited to amounts directly or indirectly allowed as deductions under section 163 of the Internal Revenue Code for purposes of determining taxable income under the Internal Revenue Code.

(5) "Member" has the same meaning as in U.S. Treasury Regulation section 1.1502-1.

(6) "Related member" means a person that, with respect to the taxpayer during all or any portion of the taxable year, is a "related entity" as defined in division (I)(12)(c) of section 5733.04 of the Revised Code, is a component member as defined in section 1563(b) of the Internal Revenue Code, or is a person to or from whom there is attribution of stock ownership in accordance with section 1563(e) of the Internal Revenue Code except, for purposes of determining whether a person is a related member under this division, "twenty per cent" shall be substituted for "5 per cent" wherever "5 per cent" appears in section 1563(e) of the Internal Revenue Code.

(B) This section applies to all corporations for tax years
1999 and thereafter. For tax years prior to 1999, this section applies only to a corporation that has, or is a member of an affiliated group that has, or is a member of an affiliated group with another member that has, one or more of the following:

(1) Gross sales, including sales to other members of the affiliated group, during the taxable year of at least fifty million dollars;

(2) Total assets whose asset value at any time during the taxable year is at least twenty-five million dollars;

(3) Taxable income before operating loss deduction and special deductions during the taxable year of at least five hundred thousand dollars.

(C) For purposes of computing its net income under division (I) of section 5733.04 of the Revised Code, the corporation shall add interest expenses and costs and intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with, one or more of the following related members:

(1) Any related member whose activities, in any one state, are primarily limited to the maintenance and management of intangible investments or of the intangible investments of corporations, business trusts, or other entities registered as investment companies under the "Investment Company Act of 1940," 15 U.S.C. 80a-1 et seq., as amended, and the collection and distribution of the income from such investments or from tangible property physically located outside such state. For purposes of division (C)(1) of this section, "intangible investments" includes, without limitation, investments in
stocks, bonds, notes, and other debt obligations, including debt obligations of related members, interests in partnerships, patents, patent applications, trademarks, trade names, and similar types of intangible assets.

(2) Any related member that is a personal holding company as defined in section 542 of the Internal Revenue Code without regard to the stock ownership requirements set forth in section 542(a)(2) of the Internal Revenue Code;

(3) Any related member that is not a corporation and is directly, indirectly, constructively, or beneficially owned in whole or in part by a personal holding company as defined in section 542 of the Internal Revenue Code without regard to the stock ownership requirements set forth in section 542(a)(2) of the Internal Revenue Code;

(4) Any related member that is a foreign personal holding company as defined in section 552 of the Internal Revenue Code;

(5) Any related member that is not a corporation and is directly, indirectly, constructively, or beneficially owned in whole or in part by a foreign personal holding company as defined in section 552 of the Internal Revenue Code;

(6) Any related member if that related member or another related member directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with, another related member any interest expenses and costs or intangible expenses and costs in an amount less than, equal to, or greater than such amounts received from the corporation. Division (C)(6) of this section applies only if, within a one-hundred-twenty-month period commencing three years prior to the beginning of the tax year, a
related member directly or indirectly paid, accrued, or incurred such amounts or losses with respect to one or more direct or indirect transactions with an entity described in divisions (C) (1) to (5) of this section. A rebuttable presumption exists that a related member did so pay, accrue, or incur such amounts or losses with respect to one or more direct or indirect transactions with an entity described in divisions (C)(1) to (5) of this section. A corporation can rebut this presumption only with a preponderance of the evidence to the contrary.

(7) Any related member that, with respect to indebtedness directly or indirectly owed by the corporation to the related member, directly or indirectly charged or imposed on the corporation an excess interest rate. If the related member has charged or imposed on the corporation an excess interest rate, the adjustment required by division (C)(7) of this section with respect to such interest expenses and costs directly or indirectly paid, accrued, or incurred to the related member in connection with such indebtedness does not include so much of such interest expenses and costs that the corporation would have directly or indirectly paid, accrued, or incurred if the related member had charged or imposed the highest possible interest rate that would not have been an excess interest rate. For purposes of division (C)(7) of this section, an excess interest rate is an annual rate that exceeds by more than three per cent the greater of the rate per annum prescribed by section 5703.47 of the Revised Code in effect at the time of the origination of the indebtedness, or the rate per annum prescribed by section 5703.47 of the Revised Code in effect at the time the corporation paid, accrued, or incurred the interest expense or cost to the related member.

(D)(1) In making the adjustment required by division (C)
of this section, the corporation shall make the adjustment
required by section 5733.057 of the Revised Code. The
adjustments required by division (C) of this section are not
required if either of the following applies:

(a) The corporation establishes by clear and convincing
evidence that the adjustments are unreasonable.

(b) The corporation and the tax commissioner agree in
writing to the application or use of alternative adjustments and
computations to more properly reflect the base required to be
determined in accordance with division (B) of section 5733.05 of
the Revised Code. Nothing in division (D)(1)(b) of this section
shall be construed to limit or negate the tax commissioner's
authority to otherwise enter into agreements and compromises
otherwise allowed by law.

(2) The adjustments required by divisions (C)(1) to (5) of
this section do not apply to such portion of interest expenses
and costs and intangible expenses and costs that the corporation
can establish by the preponderance of the evidence meets both of
the following:

(a) The related member during the same taxable year
directly or indirectly paid, accrued, or incurred such portion
to a person who is not a related member.

(b) The transaction giving rise to the interest expenses
and costs or the intangible expenses and costs between the
corporation and the related member did not have as a principal
purpose the avoidance of any portion of the tax due under this
chapter.

(3) The adjustments required by division (C)(6) of this
section do not apply to such portion of interest expenses and
costs and intangible expenses and costs that the corporation can establish by the preponderance of the evidence meets both of the following:

(a) The entity described in any of divisions (C)(1) to (6) of this section to whom the related member directly or indirectly paid, accrued, or incurred such portion, in turn during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and

(b) The transaction or transactions giving rise to the interest expenses and costs or the intangible expenses and costs between the corporation, the related member, and the entity described in any of divisions (C)(1) to (5) of this section did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

(4) The adjustments required by division (C) of this section apply except to the extent that the increased tax, if any, attributable to such adjustments would have been avoided if both the corporation and the related member had been eligible to make and had timely made the election to combine in accordance with division (B) of section 5733.052 of the Revised Code.

(E) Except as otherwise provided in division (F) of this section, if, on the day that is one year after the day the corporation files its report, the corporation has not made the adjustment required by this section or has not fully paid the tax and interest, if any, imposed by this chapter and attributable to such adjustment, the corporation is subject to a penalty equal to twice the interest charged under division (A) of section 5733.26 of the Revised Code for the delinquent payment of such tax and interest. For the purpose of the
computation of the penalty imposed by this division, such penalty shall be deemed to be part of the tax due on the dates prescribed by this chapter without regard to the one-year period set forth in this division. The penalty imposed by this division is not in lieu of but is in addition to all other penalties, other similar charges, and interest imposed by this chapter. The tax commissioner may waive, abate, modify, or refund, with interest, all or any portion of the penalty imposed by this division only if the corporation establishes beyond a reasonable doubt that both the failure to fully comply with this section and the failure to fully pay such tax and interest within one year after the date the corporation files its report were not in any part attributable to the avoidance of any portion of the tax imposed by section 5733.06 of the Revised Code.

(F)(1) For purposes of this division, "tax differential" means the difference between the tax that is imposed by section 5733.06 of the Revised Code and that is attributable to the adjustment required by this section and the amount paid that is so attributable, prior to the day that is one year after the day the corporation files its report.

(2) The penalty imposed by division (E) of this section does not apply if the tax differential meets both of the following requirements:

(a) The tax differential is less than ten per cent of the tax imposed by section 5733.06 of the Revised Code; and

(b) The difference is less than fifty thousand dollars.

(3) Nothing in division (F) of this section shall be construed to waive, abate, or modify any other penalties, other similar charges, or interest imposed by other sections of this
chapter.

(G) Nothing in this section shall require a corporation to add to its net income more than once any amount of interest expenses and costs or intangible expenses and costs that the corporation pays, accrues, or incurs to a related member described in division (C) of this section.

Sec. 5733.05. As used in this section, "qualified research" means laboratory research, experimental research, and other similar types of research; research in developing or improving a product; or research in developing or improving the means of producing a product. It does not include market research, consumer surveys, efficiency surveys, management studies, ordinary testing or inspection of materials or products for quality control, historical research, or literary research. "Product" as used in this paragraph does not include services or intangible property.

The annual report determines the value of the issued and outstanding shares of stock of the taxpayer, which under division (A) or divisions (B) and (C) of this section is the base or measure of the franchise tax liability. Such determination shall be made as of the date shown by the report to have been the beginning of the corporation's annual accounting period that includes the first day of January of the tax year. For the purposes of this chapter, the value of the issued and outstanding shares of stock of any corporation that is a financial institution shall be deemed to be the value as calculated in accordance with division (A) of this section. For the purposes of this chapter, the value of the issued and outstanding shares of stock of any corporation that is not a financial institution shall be deemed to be the values as
calculated in accordance with divisions (B) and (C) of this section. Except as otherwise required by this section or section 5733.056 of the Revised Code, the value of a taxpayer's issued and outstanding shares of stock under division (A) or (C) of this section does not include any amount that is treated as a liability under generally accepted accounting principles.

(A) The total value, as shown by the books of the financial institution, of its capital, surplus, whether earned or unearned, undivided profits, and reserves shall be determined as prescribed by section 5733.056 of the Revised Code for tax years 1998 and thereafter.

(B) The sum of the corporation's net income during the corporation's taxable year, allocated or apportioned to this state as prescribed in divisions (B)(1) and (2) of this section, and subject to sections 5733.052, 5733.053, 5733.057, 5733.058, 5733.059, and 5733.0510 of the Revised Code:

(1) The net nonbusiness income allocated or apportioned to this state as provided by section 5733.051 of the Revised Code.

(2) The amount of Ohio apportioned net business income, which shall be calculated by multiplying the corporation's net business income by a fraction. The numerator of the fraction is the sum of the following products: the property factor multiplied by twenty, the payroll factor multiplied by twenty, and the sales factor multiplied by sixty. The denominator of the fraction is one hundred, provided that the denominator shall be reduced by twenty if the property factor has a denominator of zero, by twenty if the payroll factor has a denominator of zero, and by sixty if the sales factor has a denominator of zero.

The property, payroll, and sales factors shall be
determined as follows, but the numerator and the denominator of the factors shall not include the portion of any property, payroll, and sales otherwise includible in the factors to the extent that the portion relates to, or is used in connection with, the production of nonbusiness income allocated under section 5733.051 of the Revised Code:

(a) The property factor is a fraction computed as follows:

The numerator of the fraction is the average value of the corporation's real and tangible personal property owned or rented, and used in the trade or business in this state during the taxable year, and the denominator of the fraction is the average value of all the corporation's real and tangible personal property owned or rented, and used in the trade or business everywhere during such year. Real and tangible personal property used in the trade or business includes, but is not limited to, real and tangible personal property that the corporation rents, subrents, leases, or subleases to others if the income or loss from such rentals, subrentals, leases, or subleases is business income. There shall be excluded from the numerator and denominator of the fraction the original cost of all of the following property within Ohio: property with respect to which a "pollution control facility" certificate has been issued pursuant to section 5709.21 of the Revised Code; property with respect to which an "industrial water pollution control certificate" has been issued pursuant to that section or former section 6111.31 of the Revised Code; and property used exclusively during the taxable year for qualified research.

(i) Property owned by the corporation is valued at its original cost. Property rented by the corporation is valued at eight times the net annual rental rate. "Net annual rental rate"
means the annual rental rate paid by the corporation less any annual rental rate received by the corporation from subrentals.

(ii) The average value of property shall be determined by averaging the values at the beginning and the end of the taxable year, but the tax commissioner may require the averaging of monthly values during the taxable year, if reasonably required to reflect properly the average value of the corporation's property.

(b) The payroll factor is a fraction computed as follows:

The numerator of the fraction is the total amount paid in this state during the taxable year by the corporation for compensation, and the denominator of the fraction is the total compensation paid everywhere by the corporation during such year. There shall be excluded from the numerator and the denominator of the payroll factor the total compensation paid in this state to employees who are primarily engaged in qualified research.

(i) Compensation means any form of remuneration paid to an employee for personal services.

(ii) Compensation is paid in this state if: (I) the recipient's service is performed entirely within this state, (II) the recipient's service is performed both within and without this state, but the service performed without this state is incidental to the recipient's service within this state, (III) some of the service is performed within this state and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is within this state, or the base of operations or the place from which the service is directed or controlled is
not in any state in which some part of the service is performed, but the recipient's residence is in this state.

(iii) Compensation is paid in this state to any employee of a common or contract motor carrier corporation, who performs the employee's regularly assigned duties on a motor vehicle in more than one state, in the same ratio by which the mileage traveled by such employee within the state bears to the total mileage traveled by such employee everywhere during the taxable year.

(c) The sales factor is a fraction computed as follows:

Except as provided in this section, the numerator of the fraction is the total sales in this state by the corporation during the taxable year or part thereof, and the denominator of the fraction is the total sales by the corporation everywhere during such year or part thereof. In computing the numerator and denominator of the fraction, the following shall be eliminated from the fraction: receipts and any related gains or losses from the sale or other disposal of excluded assets; dividends or distributions; and interest or other similar amounts received for the use of, or for the forbearance of the use of, money. Also, in computing the numerator and denominator of the sales factor, in the case of a corporation owning at least eighty percent of the issued and outstanding common stock of one or more insurance companies or public utilities, except an electric company and a combined company, and, for tax years 2005 and thereafter, a telephone company, or owning at least twenty-five percent of the issued and outstanding common stock of one or more financial institutions, receipts received by the corporation from such utilities, insurance companies, and financial institutions shall be eliminated. As used in this
division, "excluded assets" means property that is either:
intangible property, other than trademarks, trade names,
patents, copyrights, and similar intellectual property; or
tangible personal property or real property where that property
is a capital asset or an asset described in section 1231 of the
Internal Revenue Code, without regard to the holding period
specified therein.

(i) For the purpose of this section and section 5733.03 of
the Revised Code, receipts not eliminated or excluded from the
fraction shall be sitused as follows:

Receipts from rents and royalties from real property
located in this state shall be sitused to this state.

Receipts from rents and royalties of tangible personal
property, to the extent the tangible personal property is used
in this state, shall be sitused to this state.

Receipts from the sale of electricity and of electric
transmission and distribution services shall be sitused to this
state in the manner provided under section 5733.059 of the
Revised Code.

Receipts from the sale of real property located in this
state shall be sitused to this state.

Receipts from the sale of tangible personal property shall
be sitused to this state if such property is received in this
state by the purchaser. In the case of delivery of tangible
personal property by common carrier or by other means of
transportation, the place at which such property is ultimately
received after all transportation has been completed shall be
considered as the place at which such property is received by
the purchaser. Direct delivery in this state, other than for
purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser in this state, and direct delivery outside this state to a person or firm designated by a purchaser does not constitute delivery to the purchaser in this state, regardless of where title passes or other conditions of sale.

(ii) Receipts from all other sales not eliminated or excluded from the fraction shall be sitused to this state as follows:

Receipts from the sale, exchange, disposition, or other grant of the right to use trademarks, trade names, patents, copyrights, and similar intellectual property shall be sitused to this state to the extent that the receipts are based on the amount of use of that property in this state. If the receipts are not based on the amount of use of that property, but rather on the right to use the property and the payor has the right to use the property in this state, then the receipts from the sale, exchange, disposition, or other grant of the right to use such property shall be sitused to this state to the extent the receipts are based on the right to use the property in this state.

Receipts from the sale of services, and receipts from any other sales not eliminated or excluded from the sales factor and not otherwise sitused under division (B)(2)(c) of this section, shall be sitused to this state in the proportion to the purchaser's benefit, with respect to the sale, in this state to the purchaser's benefit, with respect to the sale, everywhere. The physical location where the purchaser ultimately uses or receives the benefit of what was purchased shall be paramount in determining the proportion of the benefit in this state to the
benefit everywhere.

(iii) Income from receipts eliminated or excluded from the sales factor under division (B)(2)(c) of this section shall not be presumed to be nonbusiness income.

(d) If the allocation and apportionment provisions of division (B) of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may request, which request must be in writing and must accompany the report, a timely filed petition for reassessment, or a timely filed amended report, or the tax commissioner may require, in respect to all or any part of the taxpayer's allocated or apportioned base, if reasonable, any one or more of the following:

(i) Separate accounting;

(ii) The exclusion of any one or more of the factors;

(iii) The inclusion of one or more additional factors that will fairly represent the taxpayer's allocated or apportioned base in this state.

An alternative method will be effective only with approval by the tax commissioner.

Nothing in this section shall be construed to extend any statute of limitations set forth in this chapter.

(e) The tax commissioner may adopt rules providing for alternative allocation and apportionment methods, and alternative calculations of a corporation's base, that apply to corporations engaged in telecommunications.

(C)(1) The total value, as shown on the books of each corporation that is not a qualifying holding company,
of the net book value of the corporation's assets less the net carrying value of its liabilities, and excluding from the corporation's assets land devoted exclusively to agricultural use as of the first Monday of June in the corporation's taxable year as determined by the county auditor of the county in which the land is located pursuant to section 5713.31 of the Revised Code, and making any adjustment required by division (D) of this section. For the purposes of determining that total value, any reserves shown on the corporation's books shall be considered liabilities or contra assets, as the case may be, except for any reserves that are deemed appropriations of retained earnings under generally accepted accounting principles.

(2) The base upon which the tax is levied under division (C) of section 5733.06 of the Revised Code shall be computed by multiplying the amount determined under division (C)(1) of this section by the fraction determined under divisions (B)(2)(a) to (c) of this section and, if applicable, divisions (B)(2)(d)(ii) and (iii) of this section, and without regard to section 5733.052 of the Revised Code, but substituting "net worth" for "net income" wherever "net income" appears in division (B)(2)(c) in this section. For purposes of division (C)(2) of this section, the numerator and denominator of each of the fractions shall include the portion of any real and tangible personal property, payroll, and sales, respectively, relating to, or used in connection with the production of, net nonbusiness income allocated under section 5733.051 of the Revised Code. Nothing in this division shall allow any amount to be included in the numerator or denominator more than once.

(D)(1) If, on the last day of the taxpayer's taxable year preceding the tax year, the taxpayer is a related member to a corporation that elects to be a qualifying holding company for
the tax year beginning after the last day of the taxpayer's taxable year, or if, on the last day of the taxpayer's taxable year preceding the tax year, a corporation that elects to be a qualifying holding company for the tax year beginning after the last day of the taxpayer's taxable year is a related member to the taxpayer, then the taxpayer's total value for the purposes of division (C) of this section shall be adjusted by the qualifying amount. Except as otherwise provided under division (D)(2) of this section, "qualifying amount" means the amount that, when added to the taxpayer's total value, and when subtracted from the net carrying value of the taxpayer's liabilities computed without regard to division (C)(2) of this section, or when subtracted from the taxpayer's total value and when added to the net carrying value of the taxpayer's liabilities computed without regard to division (D) of this section, results in the taxpayer's debt-to-equity ratio equaling the debt-to-equity ratio of the qualifying controlled group on the last day of the taxable year ending prior to the first day of the tax year computed on a consolidated basis in accordance with general accepted accounting principles. For the purposes of division (D)(1) of this section, the corporation's total value, after the adjustment required by that division, shall not exceed the net book value of the corporation's assets.

(2)(a) The amount added to the taxpayer's total value and subtracted from the net carrying value of the taxpayer's liabilities shall not exceed the amount of the net carrying value of the taxpayer's liabilities owed to the taxpayer's related members.

(b) A liability owed to the taxpayer's related members includes, but is not limited to, any amount that the corporation owes to a person that is not a related member if the
corporation's related member or related members in whole or in part guarantee any portion or all of that amount, or pledge, hypothecate, mortgage, or carry out any similar transactions to secure any portion or all of that amount.

(3) The base upon which the tax is levied under division (C) of section 5733.06 of the Revised Code shall be computed by multiplying the amount determined under divisions (C) and (D) of this section but without regard to section 5733.052 of the Revised Code.

(4) For purposes of division (D) of this section, "related member" has the same meaning as in section 5733.042 of the Revised Code.

Sec. 5733.052. (A) At the discretion of the tax commissioner, any taxpayer that owns or controls either directly or indirectly more than fifty per cent of the capital stock with voting rights of one or more other corporations, or has more than fifty per cent of its capital stock with voting rights owned or controlled either directly or indirectly by another corporation, or by related interests that own or control either directly or indirectly more than fifty per cent of the capital stock with voting rights of one or more other corporations, may be required or permitted, for purposes of computing the value of its issued and outstanding shares of stock under division (B) of section 5733.05 of the Revised Code, to combine its net income with the net income of any such other corporations.

(B) A combination of net income may also be made at the election of any two or more taxpayers each having income, other than dividend or distribution income, from sources within Ohio, provided the ownership or control requirements contained in the division (A) of this section are satisfied and such combination
is elected in a timely report which sets forth such information 10408
as the commissioner requires. This election, once made by two or 10409
more such taxpayers, may not be changed by such taxpayers with 10410
respect to amended reports or reports for future years without 10411
the written consent of the commissioner. As used in this 10412
section, "income from sources within Ohio" means income that 10413
would be allocated or apportioned to Ohio if the taxpayer 10414
computed its franchise tax without regard to this section.

(C) No combination of net income under division (A) of 10415
this section shall be required unless the commissioner 10416
determines that, in order to properly reflect income, such a 10417
combination is necessary because of intercorporate transactions 10418
and the tax liability imposed by section 5733.06 of the Revised 10419
Code.

(D) In case of a combination of income, the net income of 10420
each taxpayer shall be measured by the combined net income of 10421
all the corporations included in the combination. For purposes 10422
of such measurement, each corporation's net income shall be 10423
determined in the same manner as if the corporation were a 10424
taxpayer under this chapter. In computing combined net income, 10425
intercorporate transactions, including dividends or 10426
distributions, between corporations included in the combination 10427
shall be eliminated. If the computation of net income on a 10428
combination of income involves the use of any of the formulas 10429
set forth in this chapter, the factors used in the formulas 10430
shall be the combined totals of the factors for each corporation 10431
included in the combination after the elimination of any 10432
intercorporate transactions. The exemptions and deductions 10433
permitted under this chapter shall be taken in the same manner 10434
as if each corporation filed a separate report.
(E) For purposes of division (B) of section 5733.05 of the Revised Code, each taxpayer's net income allocated or apportioned to this state shall be computed as follows: to compute the taxpayer's net income allocated to this state for purposes of division (B)(1) of section 5733.05 of the Revised Code, the taxpayer's net income for sources allocated under section 5733.051 of the Revised Code shall be separately determined, eliminating intercorporate transactions, and allocated to this state as provided by section 5733.051 of the Revised Code. To compute the taxpayer's net income apportioned to this state for purposes of division (B)(2) of section 5733.05 of the Revised Code, the combined net income, other than net income from sources allocated under section 5733.051 of the Revised Code, shall be apportioned to Ohio and then prorated to the taxpayer on the basis of its proportionate part of the factors used to apportion the total of such net income to Ohio.

 Sec. 5733.055. (A) As used in this section:

(1) "Ceiling amount" means the excess of the amount described in division (A)(1)(a) of this section over the amount described in division (A)(1)(b) of this section:

(a) The amount of income allocated and apportioned to this state in accordance with this chapter but without regard to and without application of the adjustments required by this section;

(b) The amount of income allocated and apportioned to this state in accordance with this chapter but without regard to and without application of the adjustments required by both this section and division (I)(13) of section 5733.04 of the Revised Code.

(2) "Income adjustment amount" means the sum of the
amounts described in divisions (A)(2)(a) and (b) of this section:

(a) The related member's net interest income actually allocated and apportioned to other states that impose a tax on or measured by income, in accordance with the other states' allocation and apportionment rules;

(b) The related member's net intangible income actually allocated and apportioned to other states that impose a tax on or measured by income, in accordance with the other states' allocation and apportionment rules.

For purposes of division (A)(2) of this section, "other states" does not include those states under whose laws the taxpayer files or could have elected to file with the related member, or the related member files or could have elected to file with another related member, a combined income tax report or return, a consolidated income tax report or return, or any other report or return where such report or return is due because of the imposition of a tax measured on or by income and such report or return results in the elimination of the tax effects from transactions directly or indirectly between either the taxpayer and the related member or between the related member and another corporation if such other corporation, during a one-hundred-twenty-month period commencing three years prior to the beginning of the tax year, directly or indirectly paid, accrued, or incurred intangible expenses and costs or interest expenses and costs to an entity described in divisions (C)(1) to (5) of section 5733.042 of the Revised Code.

(3) "Intangible expenses and costs" has the same meaning as in division (A)(3) of section 5733.042 of the Revised Code.
(4) "Interest expenses and costs" has the same meaning as in division (A)(4) of section 5733.042 of the Revised Code.

(5) "Intangible income and revenue" are those amounts earned or received by a related member from a taxpayer for the taxpayer's use of intangible property. Such amounts include, but are not limited to, royalty, patent, technical, and copyright fees, licensing fees, and other similar income and revenue.

(6) "Interest income and revenue" are those amounts earned or received by a related member from a taxpayer to the extent such amounts are allowed as deductions under section 163 of the Internal Revenue Code for purposes of determining the taxpayer's taxable income under the Internal Revenue Code.

(7) "Net intangible income" means intangible income and revenue reduced by intangible expenses and costs paid or accrued directly or indirectly to a related member described in any of divisions (C)(1) to (7) of section 5747.042 of the Revised Code.

(8) "Net interest income" means interest income and revenue reduced by interest expenses and costs paid or accrued directly or indirectly to a related member described in any of divisions (C)(1) to (7) of section 5747.042 of the Revised Code.

(B) Except as set forth in division (C) of this section, a deduction from the corporation's net income allocated and apportioned to this state shall be allowed in an amount equal to the income adjustment amount described in division (A)(2) of this section. However, in no case shall the deduction be greater than the ceiling amount described in division (A)(1) of this section.

(C) The deduction provided by division (B) of this section
is available to the taxpayer only if the taxpayer establishes with clear and convincing evidence that the intangible expenses and costs and the interest expenses and costs paid, accrued, or incurred by the corporation to a related member did not have as a principal purpose the avoidance of any portion of the tax imposed by section 5733.06 of the Revised Code.

Sec. 5733.40. As used in sections 5733.40 and 5733.41 and Chapter 5747. of the Revised Code:

(A)(1) "Adjusted qualifying amount" means either of the following:

(a) The sum of each qualifying investor's distributive share of the income, gain, expense, or loss of a qualifying pass-through entity for the qualifying taxable year of the qualifying pass-through entity multiplied by the apportionment fraction defined in division (B) of this section, subject to section 5733.401 of the Revised Code and divisions (A)(2) to (7) of this section;

(b) The sum of each qualifying beneficiary's share of the qualifying net income and qualifying net gain distributed by a qualifying trust for the qualifying taxable year of the qualifying trust multiplied by the apportionment fraction defined in division (B) of this section, subject to section 5733.401 of the Revised Code and divisions (A)(2) to (7) of this section.

(2) The sum shall exclude any amount which, pursuant to the Constitution of the United States, the Constitution of Ohio, or any federal law is not subject to a tax on or measured by net income.

(3) For the purposes of Chapters 5733. and 5747. of the
Revised Code, the profit or net income of the qualifying entity shall be increased by disallowing all amounts representing expenses, other than amounts described in division (A)(7) of this section, that the qualifying entity paid to or incurred with respect to direct or indirect transactions with one or more related members, excluding the cost of goods sold calculated in accordance with section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder. Nothing in division (A)(3) of this section shall be construed to limit solely to this chapter the application of section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder.

(4) For the purposes of Chapters 5733. and 5747. of the Revised Code, the profit or net income of the qualifying entity shall be increased by disallowing all recognized losses, other than losses from sales of inventory the cost of which is calculated in accordance with section 263A of the Internal Revenue Code and United States department of the treasury regulations issued thereunder, with respect to all direct or indirect transactions with one or more related members. For the purposes of Chapters 5733. and 5747. of the Revised Code, losses from the sales of such inventory shall be allowed only to the extent calculated in accordance with section 482 of the Internal Revenue Code and United States department of the treasury regulations issued thereunder. Nothing in division (A)(4) of this section shall be construed to limit solely to this section the application of section 263A and section 482 of the Internal Revenue Code and United States department of the treasury regulations issued thereunder.

(5) The sum shall be increased or decreased by an amount equal to the qualifying investor's or qualifying beneficiary's
distributive or proportionate share of the amount that the qualifying entity would be required to add or deduct under divisions (A)(20) (A)(17) and (21) (18) of section 5747.01 of the Revised Code if the qualifying entity were a taxpayer for the purposes of Chapter 5747. of the Revised Code.

(6) The sum shall be computed without regard to section 5733.051 or division (D) of section 5733.052 of the Revised Code.

(7) For the purposes of Chapters 5733. and 5747. of the Revised Code, guaranteed payments or compensation paid to investors by a qualifying entity that is not subject to the tax imposed by section 5733.06 of the Revised Code shall be considered a distributive share of income of the qualifying entity. Division (A)(7) of this section applies only to such payments or such compensation paid to an investor who at any time during the qualifying entity's taxable year holds at least a twenty per cent direct or indirect interest in the profits or capital of the qualifying entity. For the purposes of this division, guaranteed payments and compensation shall be considered to be paid to an investor by a qualifying entity if the qualifying entity in which the investor holds at least a twenty per cent direct or indirect interest is a client employer of a professional employer organization, as those terms are defined in section 4125.01 of the Revised Code, and the guaranteed payments or compensation are paid to the investor by that professional employer organization.

(B) "Apportionment fraction" means:

(1) With respect to a qualifying pass-through entity other than a financial institution, the fraction calculated pursuant to division (B)(2) of section 5733.05 of the Revised Code as if
the qualifying pass-through entity were a corporation subject to
the tax imposed by section 5733.06 of the Revised Code;

(2) With respect to a qualifying pass-through entity that
is a financial institution, the fraction calculated pursuant to
division (C) of section 5733.056 of the Revised Code as if the
qualifying pass-through entity were a financial institution
subject to the tax imposed by section 5733.06 of the Revised
Code.

(3) With respect to a qualifying trust, the fraction
calculated pursuant to division (B)(2) of section 5733.05 of the
Revised Code as if the qualifying trust were a corporation
subject to the tax imposed by section 5733.06 of the Revised
Code, except that the property, payroll, and sales fractions
shall be calculated by including in the numerator and
denominator of the fractions only the property, payroll, and
sales, respectively, directly related to the production of
income or gain from acquisition, ownership, use, maintenance,
management, or disposition of tangible personal property located
in this state at any time during the qualifying trust's
qualifying taxable year or of real property located in this
state.

(C) "Qualifying beneficiary" means any individual that,
during the qualifying taxable year of a qualifying trust, is a
beneficiary of that trust, but does not include an individual
who is a resident taxpayer for the purposes of Chapter 5747. of
the Revised Code for the entire qualifying taxable year of the
qualifying trust.

(D) "Fiscal year" means an accounting period ending on any
day other than the thirty-first day of December.
(E) "Individual" means a natural person.

(F) "Month" means a calendar month.

(G) "Partnership" has the same meaning as in section 5747.01 of the Revised Code. "Distributive share" includes the sum of the income, gain, expense, or loss of a disregarded entity or qualified subchapter S subsidiary.

(H) "Investor" means any person that, during any portion of a taxable year of a qualifying pass-through entity, is a partner, member, shareholder, or investor in that qualifying pass-through entity.

(I) Except as otherwise provided in section 5733.402 or 5747.401 of the Revised Code, "qualifying investor" means any investor except those described in divisions (I)(1) to (9) of this section.

(1) An investor satisfying one of the descriptions under section 501(a) or (c) of the Internal Revenue Code, a partnership with equity securities registered with the United States securities and exchange commission under section 12 of the "Securities Exchange Act of 1934," as amended, or an investor described in division (F) of section 3334.01, or division (A) or (C) of section 5733.09 of the Revised Code for the entire qualifying taxable year of the qualifying pass-through entity.

(2) An investor who is either an individual or an estate and is a resident taxpayer for the purposes of section 5747.01 of the Revised Code for the entire qualifying taxable year of the qualifying pass-through entity.

(3) An investor who is an individual for whom the qualifying pass-through entity makes a good faith and reasonable
effort to comply fully and timely with the filing and payment  
requirements set forth in division (D) of section 5747.08 of the  
Revised Code and section 5747.09 of the Revised Code with  
respect to the individual’s adjusted qualifying amount for the  
entire qualifying taxable year of the qualifying pass-through  
extntity.

(4) An investor that is another qualifying pass-through  
extntity having only investors described in division (I)(1), (2),  
(3), or (6) of this section during the three-year period  
beginning twelve months prior to the first day of the qualifying  
taxable year of the qualifying pass-through entity.

(5) An investor that is another pass-through entity having  
no investors other than individuals and estates during the  
qualifying taxable year of the qualifying pass-through entity in  
which it is an investor, and that makes a good faith and  
reasonable effort to comply fully and timely with the filing and  
payment requirements set forth in division (D) of section  
5747.08 of the Revised Code and section 5747.09 of the Revised  
Code with respect to investors that are not resident taxpayers  
of this state for the purposes of Chapter 5747. of the Revised  
Code for the entire qualifying taxable year of the qualifying  
pass-through entity in which it is an investor.

(6) An investor that is a financial institution required  
to calculate the tax in accordance with division (E) of section  
5733.06 of the Revised Code on the first day of January of the  
calendar year immediately following the last day of the  
financial institution’s calendar or fiscal year in which ends  
the taxpayer’s taxable year treated as a C corporation for  
federal income tax purposes for the entire qualifying taxable  
year of the qualifying pass-through entity in which it is an
investor.

(7) An investor other than an individual that satisfies all the following:

(a) The investor submits a written statement to the qualifying pass-through entity stating that the investor irrevocably agrees that the investor has nexus with this state under the Constitution of the United States and is subject to and liable for the tax calculated under division (A) or (B) of section 5733.06 of the Revised Code with respect to the investor's adjusted qualifying amount for the entire qualifying taxable year of the qualifying pass-through entity. The statement is subject to the penalties of perjury, shall be retained by the qualifying pass-through entity for no fewer than seven years, and shall be delivered to the tax commissioner upon request.

(b) The investor makes a good faith and reasonable effort to comply timely and fully with all the reporting and payment requirements set forth in Chapter 5733. of the Revised Code with respect to the investor's adjusted qualifying amount for the entire qualifying taxable year of the qualifying pass-through entity.

(c) Neither the investor nor the qualifying pass-through entity in which it is an investor, before, during, or after the qualifying pass-through entity's qualifying taxable year, carries out any transaction or transactions with one or more related members of the investor or the qualifying pass-through entity resulting in a reduction or deferral of tax imposed by Chapter 5733. of the Revised Code with respect to all or any portion of the investor's adjusted qualifying amount for the qualifying pass-through entity's taxable year, or that
constitute a sham, lack economic reality, or are part of a series of transactions the form of which constitutes a step transaction or transactions or does not reflect the substance of those transactions.

(8) Any other investor that the tax commissioner may designate by rule. The tax commissioner may adopt rules including a rule defining "qualifying investor" or "qualifying beneficiary" and governing the imposition of the withholding tax imposed by section 5747.41 of the Revised Code with respect to an individual who is a resident taxpayer for the purposes of Chapter 5747. of the Revised Code for only a portion of the qualifying taxable year of the qualifying entity.

(9) An investor that is a trust or fund the beneficiaries of which, during the qualifying taxable year of the qualifying pass-through entity, are limited to the following:

(a) A person that is or may be the beneficiary of a trust subject to Subchapter D of Chapter 1 of Subtitle A of the Internal Revenue Code.

(b) A person that is or may be the beneficiary of or the recipient of payments from a trust or fund that is a nuclear decommissioning reserve fund, a designated settlement fund, or any other trust or fund established to resolve and satisfy claims that may otherwise be asserted by the beneficiary or a member of the beneficiary's family. Sections 267(c)(4), 468A(e), and 468B(d)(2) of the Internal Revenue Code apply to the determination of whether such a person satisfies division (I)(9) of this section.

(c) A person who is or may be the beneficiary of a trust that, under its governing instrument, is not required to
distribute all of its income currently. Division (I)(9)(c) of
this section applies only if the trust, prior to the due date
for filing the qualifying pass-through entity's return for taxes
imposed by section 5733.41 and sections 5747.41 to 5747.453 of
the Revised Code, irrevocably agrees in writing that for the
taxable year during or for which the trust distributes any of
its income to any of its beneficiaries, the trust is a
qualifying trust and will pay the estimated tax, and will
withhold and pay the withheld tax, as required under sections
5747.40 to 5747.453 of the Revised Code.

For the purposes of division (I)(9) of this section, a
trust or fund shall be considered to have a beneficiary other
than persons described under divisions (I)(9)(a) to (c) of this
section if a beneficiary would not qualify under those divisions
under the doctrines of "economic reality," "sham transaction,"
"step doctrine," or "substance over form." A trust or fund
described in division (I)(9) of this section bears the burden of
establishing by a preponderance of the evidence that any
transaction giving rise to the tax benefits provided under
division (I)(9) of this section does not have as a principal
purpose a claim of those tax benefits. Nothing in this section
shall be construed to limit solely to this section the
application of the doctrines referred to in this paragraph.

section shall be a multiple of one-twentieth of one per cent.
The rate levied under this section in any county other than a

The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of the calendar quarter. Except as provided in division (B)(1) or (3) of this
section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code.

If a petition for a referendum is filed, the county auditor with whom the petition was filed shall, within five days, notify the board of county commissioners and the tax commissioner of the filing of the petition by certified mail. If the board of elections with which the petition was filed declares the petition invalid, the board of elections, within five days, shall notify the board of county commissioners and the tax commissioner of that declaration by certified mail. question of repealing the tax or increase in the rate of the tax
to the electors of the county at the next general election in
the county occurring not less than ninety days after a certified
copy of the resolution is transmitted to the board of elections.
Upon transmission of the resolution to the board of elections,
the board of county commissioners shall notify the tax
commissioner in writing of the levy question to be submitted to
the electors. The ballot question shall be the same as that
prescribed in section 5739.022 of the Revised Code. The board of
elections shall notify the board of county commissioners and the
tax commissioner of the result of the election immediately after
the result has been declared. If a majority of the qualified
electors voting on the question of repealing the tax or increase
in the rate of the tax vote for repeal of the tax or repeal of
the increase, the board of county commissioners, on the first
day of a calendar quarter following the expiration of sixty-five
days after the date the board and tax commissioner receive
notice of the result of the election, shall, in the case of a
repeal of the tax, cease to levy the tax, or, in the case of a
repeal of an increase in the rate of the tax, cease to levy the

imposed immediately prior to the increase in rate.

resolution adopted after January 1, 1982, as an emergency
measure is repealed by the electors pursuant to division (B)(2)
of this section or section 5739.022 of the Revised Code, then
for one year after the date of the election at which the
resolution was rejected or repealed the board of county
commissioners may not adopt any resolution authorized by this
section as an emergency measure.

(D) The board of county commissioners, at any time while a
tax levied under this section is in effect, may by resolution
reduce the rate at which the tax is levied to a lower rate
authorized by this section. Any reduction in the rate at which
the tax is levied shall be made effective on the first day of a
calendar quarter next following the sixty-fifth day after a
certified copy of the resolution is delivered to the tax
commissioner.

(E) The tax on every retail sale subject to a tax levied
pursuant to this section shall be in addition to the tax levied
by section 5739.02 of the Revised Code and any tax levied
pursuant to section 5739.023 or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall
levy a tax at the same rate pursuant to section 5741.021 of the
Revised Code.
The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services or specifically for the purpose of constructing, acquiring, equipping, or repairing a detention facility, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to one or more special funds created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make available at the first public hearing at which the resolution is considered a statement containing the following information:

(1) For each of the two preceding fiscal years, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;

(2) For the fiscal year in which the resolution is adopted, the board's estimate of the amount of expenditures to
be made by the county from the county general fund for the purpose of criminal and administrative justice services;

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the board's preliminary plan for expenditures to be made from the county general fund for the purpose of criminal and administrative justice services, both under the assumption that the tax will be imposed for that purpose and under the assumption that the tax would not be imposed for that purpose, and for expenditures to be made from the special fund created under division (E) of this section under the assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary plan using the best information available to the board at the time the statement is prepared. Neither the statement nor the preliminary plan shall be used as a basis to challenge the validity of the tax in any court of competent jurisdiction, nor shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method
by which notice will be provided.

(I) As used in this section:

(1) "Criminal and administrative justice services" means the exercise by the county sheriff of all powers and duties vested in that office by law; the exercise by the county prosecuting attorney of all powers and duties vested in that office by law; the exercise by any court in the county of all powers and duties vested in that court; the exercise by the clerk of the court of common pleas, any clerk of a municipal court having jurisdiction throughout the county, or the clerk of any county court of all powers and duties vested in the clerk by law except, in the case of the clerk of the court of common pleas, the titling of motor vehicles or watercraft pursuant to Chapter 1548. or 4505. of the Revised Code; the exercise by the county coroner of all powers and duties vested in that office by law; making payments to any other public agency or a private, nonprofit agency, the purposes of which in the county include the diversion, adjudication, detention, or rehabilitation of criminals or juvenile offenders; the operation and maintenance of any detention facility; and the construction, acquisition, equipping, or repair of such a detention facility.

(2) "Detention facility" has the same meaning as in section 2921.01 of the Revised Code.

(3) "Construction, acquisition, equipping, or repair" of a detention facility includes the payment of any debt charges incurred in the issuance of securities pursuant to Chapter 133. of the Revised Code for the purpose of constructing, acquiring, equipping, or repairing such a facility.

Sec. 5739.028. As used in this section "sports facility"
and "constructing" have the same meanings as in division (A)(8) of section 5739.026 of the Revised Code.

This section applies only to taxes levied pursuant to sections 5739.023 and 5741.022 of the Revised Code by a regional transit authority created under section 306.31 of the Revised Code for a continuing period of time and at an aggregate rate, on the effective date of this section July 19, 1995, greater than one-half of one per cent on every retail sale made in the territory of the transit authority.

The board of county commissioners of the most populous county in the territory of a regional transit authority levying a tax to which this section applies may adopt a resolution not later than one hundred eighty days after the effective date of this section July 19, 1995, proposing to reduce the rate of such a tax and to increase by the same extent the rate of tax levied under sections 5739.026 and 5741.023 of the Revised Code for the purpose of constructing or renovating a sports facility. The total reduction in the rate of taxes levied by a transit authority and the increase in the rate of tax levied for the purpose of constructing or renovating a sports facility shall not exceed one-tenth of one per cent upon retail sales made in the territory of the transit authority; provided, the amount of taxes received by the county for the purpose of constructing or renovating a sports facility under this section shall not exceed four million five hundred thousand dollars in any calendar year. Any amounts received by a county in a calendar year in excess of four million five hundred thousand dollars pursuant to this section shall be paid to the transit authority by the county within forty-five days following receipt by the county.

The resolution shall specify that the rate of tax levied
by the transit authority will be reduced and that a tax will be
levied at the same rate for the purpose of constructing or
renovating a sports facility; the rate by which the tax levied
by the transit authority will be reduced and by which the tax
levied for the purpose of constructing or renovating a sports
facility will be increased; the date the rates levied for those
purposes will be reduced and increased, respectively; and the
number of years the rate levied by a transit authority will be
reduced and the rate levied for constructing or renovating a
sports facility will be increased. The date the rate levied by
the transit authority will be reduced and the rate levied for
the purpose of constructing or renovating a sports facility will
be increased shall not be earlier than the first day of the
month that begins at least sixty days after the day the election
on the question is conducted unless the board of county
commissioners levies a tax under one or more of sections
307.697, 4301.421, 5743.024, and 5743.323 of the Revised Code on
the effective date of this section July 19, 1995, in which case
the date the rate levied by the transit authority will be
reduced and the rate levied for the purpose of constructing or
renovating a sports facility will be increased shall not be
earlier than the first day following the latest day on which any
of the taxes levied under one of those sections on the
effective date of this amendment July 19, 1995, may be levied as
prescribed by the resolution levying that tax. The number of
years the rate of the existing tax may be reduced and the rate
of tax may be levied for constructing or renovating a sports
facility may be any number of years as specified in the
resolution, or for a continuing period of time if so specified
in the resolution.

Before a resolution adopted under this section may take
effect, the board of county commissioners shall submit the
resolution to the approval of the electors of the county, and
the resolution shall be approved by a majority of voters voting
on the question. Upon adoption of the resolution, the board of
county commissioners shall certify a copy of the resolution to
the board of elections of the county and to the tax
commissioner, and the board of elections shall submit the
question at a special election held on the date specified by the
board of county commissioners in the resolution, provided that
the election occurs not less than seventy-five days after the
resolution is certified to the board of elections and the
election is not held in February or August of any year. The
board of county commissioners shall certify the copy of the
resolution to the board of elections in the manner prescribed
under section 3505.071 of the Revised Code. The board of
elections shall certify the results of the election to the board
of county commissioners and to the tax commissioner. If the
question is approved by a majority of electors voting on the
question, the rate of tax imposed under sections 5739.023 and
5741.022 of the Revised Code shall be reduced, and the rate of
tax levied for constructing or renovating a sports facility
under sections 5739.026 and 5741.023 of the Revised Code shall
be increased by the same amount, on the date specified in the
resolution.

If revenue from a tax levied under sections 5739.023 and
5741.022 of the Revised Code and subject to reduction under this
section is pledged to the payment of bonds, notes, or notes in
anticipation of bonds, the board of county commissioners
adopting a resolution under this section shall provide
sufficient revenue from the tax for the repayment of debt
charges on those bonds or notes, unless an adequate substitute
for payment of those charges is provided by the transit
authority.

Sec. 5739.03. (A) Except as provided in section 5739.05 or
section 5739.051 of the Revised Code, the tax imposed by or
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of
the Revised Code shall be paid by the consumer to the vendor,
and each vendor shall collect from the consumer, as a trustee
for the state of Ohio, the full and exact amount of the tax
payable on each taxable sale, in the manner and at the times
provided as follows:

(1) If the price is, at or prior to the provision of the
service or the delivery of possession of the thing sold to the
consumer, paid in currency passed from hand to hand by the
consumer or the consumer's agent to the vendor or the vendor's
agent, the vendor or the vendor's agent shall collect the tax
with and at the same time as the price;

(2) If the price is otherwise paid or to be paid, the
vendor or the vendor's agent shall, at or prior to the provision
of the service or the delivery of possession of the thing sold
to the consumer, charge the tax imposed by or pursuant to
section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised
Code to the account of the consumer, which amount shall be
collected by the vendor from the consumer in addition to the
price. Such sale shall be reported on and the amount of the tax
applicable thereto shall be remitted with the return for the
period in which the sale is made, and the amount of the tax
shall become a legal charge in favor of the vendor and against
the consumer.

(B)(1)(a) If any sale is claimed to be exempt under
division (E) of section 5739.01 of the Revised Code or under
section 5739.02 of the Revised Code, with the exception of divisions (B)(1) to (11), (28), (48), or (55), or (57) of section 5739.02 of the Revised Code, or if the consumer claims the transaction is not a taxable sale due to one or more of the exclusions provided under divisions (JJ)(1) to (5) of section 5739.01 of the Revised Code, the consumer must provide to the vendor, and the vendor must obtain from the consumer, a certificate specifying the reason that the sale is not legally subject to the tax. The certificate shall be in such form, and shall be provided either in a hard copy form or electronic form, as the tax commissioner prescribes.

(b) A vendor that obtains a fully completed exemption certificate from a consumer is relieved of liability for collecting and remitting tax on any sale covered by that certificate. If it is determined the exemption was improperly claimed, the consumer shall be liable for any tax due on that sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 5741. of the Revised Code. Relief under this division from liability does not apply to any of the following:

(i) A vendor that fraudulently fails to collect tax;

(ii) A vendor that solicits consumers to participate in the unlawful claim of an exemption;

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state.
state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never subject to the tax imposed or where the item of tangible personal property sold or the service provided is never subject to the tax imposed, regardless of use, or when the sale is in interstate commerce.
(6) If a transaction is claimed to be exempt under division (B)(13) of section 5739.02 of the Revised Code, the contractor shall obtain certification of the claimed exemption from the contractee. This certification shall be in addition to an exemption certificate provided by the contractor to the vendor. A contractee that provides a certification under this division shall be deemed to be the consumer of all items purchased by the contractor under the claim of exemption, if it is subsequently determined that the exemption is not properly claimed. The certification shall be in such form as the tax commissioner prescribes.

(C) As used in this division, "contractee" means a person who seeks to enter or enters into a contract or agreement with a contractor or vendor for the construction of real property or for the sale and installation onto real property of tangible personal property.

Any contractor or vendor may request from any contractee a certification of what portion of the property to be transferred under such contract or agreement is to be incorporated into the realty and what portion will retain its status as tangible personal property after installation is completed. The contractor or vendor shall request the certification by certified mail delivered to the contractee, return receipt requested. Upon receipt of such request and prior to entering into the contract or agreement, the contractee shall provide to the contractor or vendor a certification sufficiently detailed to enable the contractor or vendor to ascertain the resulting classification of all materials purchased or fabricated by the contractor or vendor and transferred to the contractee. This requirement applies to a contractee regardless of whether the contractee holds a direct payment permit under section 5739.031.
of the Revised Code or provides to the contractor or vendor an exemption certificate as provided under this section.

For the purposes of the taxes levied by this chapter and Chapter 5741. of the Revised Code, the contractor or vendor may in good faith rely on the contractee's certification. Notwithstanding division (B) of section 5739.01 of the Revised Code, if the tax commissioner determines that certain property certified by the contractee as tangible personal property pursuant to this division is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the contractor or vendor shall be excused from any liability on those materials.

If a contractee fails to provide such certification upon the request of the contractor or vendor, the contractor or vendor shall comply with the provisions of this chapter and Chapter 5741. of the Revised Code without the certification. If the tax commissioner determines that such compliance has been performed in good faith and that certain property treated as tangible personal property by the contractor or vendor is, in fact, real property, the contractee shall be considered to be the consumer of all materials so incorporated into that real property and shall be liable for the applicable tax, and the construction contractor or vendor shall be excused from any liability on those materials.

This division does not apply to any contract or agreement where the tax commissioner determines as a fact that a certification under this division was made solely on the decision or advice of the contractor or vendor.

(D) Notwithstanding division (B) of section 5739.01 of the
Revised Code, whenever the total rate of tax imposed under this chapter is increased after the date after a construction contract is entered into, the contractee shall reimburse the construction contractor for any additional tax paid on tangible property consumed or services received pursuant to the contract.

(E) A vendor who files a petition for reassessment contesting the assessment of tax on sales for which the vendor obtained no valid exemption certificates and for which the vendor failed to establish that the sales were properly not subject to the tax during the one-hundred-twenty-day period allowed under division (B) of this section, may present to the tax commissioner additional evidence to prove that the sales were properly subject to a claim of exception or exemption. The vendor shall file such evidence within ninety days of the receipt by the vendor of the notice of assessment, except that, upon application and for reasonable cause, the period for submitting such evidence shall be extended thirty days.

The commissioner shall consider such additional evidence in reaching the final determination on the assessment and petition for reassessment.

(F) Whenever a vendor refunds the price, minus any separately stated delivery charge, of an item of tangible personal property on which the tax imposed under this chapter has been paid, the vendor shall also refund the amount of tax paid, minus the amount of tax attributable to the delivery charge.

Sec. 5739.034. (A) As used in this section:

(1) "Air-to-ground radiotelephone service" means a radio service, as defined in 47 C.F.R. 22.99, in which common carriers
are authorized to offer and provide radio telecommunications
service for hire to subscribers in aircraft.

(2) "Call-by-call basis" means any method of charging for
telecommunications services where the price is measured by
individual calls.

(3) "Customer" means the person or entity that contracts
with a seller of telecommunications service. If the end user of
telecommunications service is not the contracting party, the end
user of the telecommunications service is the customer of the
telecommunications service. "Customer" does not include a
reseller of telecommunications service or of mobile
telecommunications service of a serving carrier under an
agreement to serve the customer outside the home service
provider's licensed service area.

(4) "End user" means the person who utilizes the
telecommunications service. In the case of a person other than
an individual, "end user" means the individual who utilizes the
service on behalf of the person.

(5) "Home service provider" has the same meaning as in the
"Mobile Telecommunications Sourcing Act," Pub. L. No. 106-252,

(6) "Place of primary use" means the street address
representative of where the customer's use of the
telecommunications service primarily occurs, which must be the
residential street address or the primary business street
address of the customer. In the case of mobile
telecommunications services, "place of primary use" must be
within the licensed service area of the home service provider.

(7) "Post-paid calling service" means the
telecommunications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number that is not associated with the origination or termination of the telecommunications service. "Post-paid calling service" includes a telecommunications service, except a prepaid wireless calling service, that would be a prepaid calling service, but for the fact that it is not exclusively a telecommunications service.

(8) "Prepaid calling service" and "prepaid wireless calling service" have the same meanings as in section 5739.01 of the Revised Code.

(9) "Service address" means:

(a) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid.

(b) If the location in division (A)(9)(8)(a) of this section is not known, "service address" means the origination point of the signal of the telecommunications service first identified by either the seller's telecommunications system or in information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

(c) If the locations in divisions (A)(9)(8)(a) and (b) of this section are not known, "service address" means the location of the customer's place of primary use.

(10)(9) "Private communication service" means a telecommunications service that entitles a customer to exclusive control of the conversation only with the customer's consent.
or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which the channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of such channel or channels.

(B) The amount of tax due pursuant to sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code on sales of telecommunications service, information service, or mobile telecommunications service, is the sum of the taxes imposed pursuant to those sections at the sourcing location of the sale as determined under this section.

(C) Except for the telecommunications services described in division (E) of this section, the sale of telecommunications service sold on a call-by-call basis shall be sourced to each level of taxing jurisdiction where the call originates and terminates in that jurisdiction, or each level of taxing jurisdiction where the call either originates or terminates and in which the service address also is located.

(D) Except for the telecommunications services described in division (E) of this section, a sale of telecommunications services sold on a basis other than a call-by-call basis shall be sourced to the customer's place of primary use.

(E) The sale of the following telecommunications services shall be sourced to each level of taxing jurisdiction, as follows:

(1) A sale of mobile telecommunications service, other than air-to-ground radiotelephone service and prepaid calling service, shall be sourced to the customer's place of primary use.
as required by the Mobile Telecommunications Sourcing Act.

(2) A sale of post-paid calling service shall be sourced to the origination point of the telecommunications signal as first identified by the service provider's telecommunications system, or information received by the seller from its service provider, where the system used to transport such signals is not that of the seller.

(3) A sale of prepaid calling service or prepaid wireless calling service shall be sourced under division (C) of section 5739.033 of the Revised Code. But in the case of prepaid wireless calling service, in lieu of sourcing the sale of the service under division (C)(5) of section 5739.033 of the Revised Code, the service provider may elect to source the sale to the location associated with the mobile telephone number.

(4) A sale of a private communication service shall be sourced as follows:

(a) Service for a separate charge related to a customer channel termination point shall be sourced to each level of jurisdiction in which the customer channel termination point is located;

(b) Service where all customer channel termination points are located entirely within one jurisdiction or level of jurisdiction shall be sourced in the jurisdiction in which the customer channel termination points are located;

(c) Service for segments of a channel between two customer channel termination points located in different jurisdictions and which segments of a channel are separately charged shall be sourced fifty per cent in each level of jurisdiction in which the customer channel termination points are located;
(d) Service for segments of a channel located in more than one jurisdiction or level of jurisdiction and which segments are not separately billed shall be sourced in each jurisdiction based on the percentage determined by dividing the number of customer channel termination points in the jurisdiction by the total number of customer channel termination points.

Sec. 5739.08. The levy of an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests pursuant to section 5739.02 and division (B) of section 5739.01 of the Revised Code does not prevent any of the following:

(A) A municipal corporation or township from levying an excise tax for any lawful purpose not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests in addition to the tax levied by section 5739.02 of the Revised Code. If a municipal corporation or township repeals a tax imposed under division (A) of this section, and a county in which the municipal corporation or township has territory has a tax imposed under division (C) of section 5739.09 of the Revised Code in effect, the municipal corporation or township may not reimpose its tax as long as that county tax remains in effect. A municipal corporation or township in which a tax is levied under division (B)(2) of section 351.021 of the Revised Code may not increase the rate of its tax levied under division (A) of this section to any rate that would cause the total taxes levied under both of those divisions to exceed three per cent on any lodging transaction within the municipal corporation or township.

(B) A municipal corporation or a township from levying an additional excise tax not to exceed three per cent on such
transactions pursuant to division (B) of section 5739.09 of the Revised Code. Such tax is in addition to any tax imposed under division (A) of this section.

(C) A county from levying an excise tax pursuant to division (A) of section 5739.09 of the Revised Code;

(D) A county from levying an excise tax not to exceed three per cent of such transactions pursuant to division (C) of section 5739.09 of the Revised Code. Such a tax is in addition to any tax imposed under division (C) of this section.

(E) A convention facilities authority, as defined in division (A) of section 351.01 of the Revised Code, from levying the excise taxes provided for in divisions (B) and (C) of section 351.021 of the Revised Code;

(F) A county from levying an excise tax not to exceed one and one-half per cent of such transactions pursuant to division (D) of section 5739.09 of the Revised Code. Such tax is in addition to any tax imposed under division (C) or (D) of this section.

(G) A county from levying an excise tax not to exceed one and one-half per cent of such transactions pursuant to division (E) of section 5739.09 of the Revised Code. Such a tax is in addition to any tax imposed under division (C), (D), or (E) of this section. The legislative authority of a municipal corporation or the board of trustees of a township that is not wholly or partly located in a county that has in effect a resolution levying an excise tax pursuant to division (A) of section 5739.09 of the Revised Code may, by ordinance or resolution, levy an additional excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to
be furnished to transient guests. The legislative authority of
the municipal corporation or the board of trustees of the
township shall deposit at least fifty per cent of the revenue
from the tax levied pursuant to this division into a separate
fund, which shall be spent solely to make contributions to
convention and visitors' bureaus operating within the county in
which the municipal corporation or township is wholly or partly
located, and the balance of that revenue shall be deposited in
the general fund. The municipal corporation or township shall
establish all regulations necessary to provide for the
administration and allocation of the tax. The regulations may
prescribe the time for payment of the tax, and may provide for
the imposition of a penalty or interest, or both, for late
payments, provided that the penalty does not exceed ten per cent
of the amount of tax due, and the rate at which interest accrues
does not exceed the rate per annum prescribed pursuant to
section 5703.47 of the Revised Code. The levy of a tax under
this division is in addition to any tax imposed on the same
transaction by a municipal corporation or a township under
division (A) of this section.

(C)(1) As used in division (C) of this section, "cost" has
the same meaning as in section 351.01 of the Revised Code, and
"convention center" has the same meaning as in section 307.695
of the Revised Code.

(2) The legislative authority of the most populous
municipal corporation located wholly or partly in a county in
which the board of county commissioners has levied a tax under
division (D) of section 5739.09 of the Revised Code may amend,
on or before September 30, 2002, that municipal corporation's
ordinance or resolution that levies an excise tax on
transactions by which lodging by a hotel is or is to be
furnished to transient guests, to provide for all of the following:

(a) That the rate of the tax shall be increased by not more than an additional one per cent on each transaction;

(b) That all of the revenue from the increase in rate shall be pledged and contributed to a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code on or before May 15, 2002, and be used to pay costs of constructing, expanding, maintaining, operating, or promoting a convention center in the county, including paying bonds, or notes issued in anticipation of bonds, as provided by that chapter;

(c) That the increase in rate shall not be subject to diminution by initiative or referendum or by law while any bonds, or notes in anticipation of bonds, issued by the authority under Chapter 351. of the Revised Code to which the revenue is pledged, remain outstanding in accordance with their terms, unless provision is made by law, by the board of county commissioners, or by the legislative authority, for an adequate substitute therefor that is satisfactory to the trustee if a trust agreement secures the bonds.

(3) The legislative authority of a municipal corporation that, pursuant to division (C)(2) of this section, has amended its ordinance or resolution to increase the rate of the tax authorized by division (B) of this section may further amend the ordinance or resolution to provide that the revenue referred to in division (C)(2)(b) of this section shall be pledged and contributed both to a convention facilities authority to pay the costs of constructing, expanding, maintaining, or operating one or more convention centers in the county, including paying
bonds, or notes issued in anticipation of bonds, as provided in Chapter 351. of the Revised Code, and to a convention and visitors' bureau to pay the costs of promoting one or more convention centers in the county.

(D) As used in division (D) of this section, "eligible municipal corporation" means a municipal corporation that, on September 29, 2017, levied a tax under division (B) of this section at a rate of three per cent and that is located in a county that, on that date, levied a tax under division (A) of section 5739.09 of the Revised Code at a rate of three per cent and that has, according to the most recent federal decennial census, a population exceeding three hundred thousand but not greater than three hundred fifty thousand.

The legislative authority of an eligible municipal corporation may amend, on or before December 31, 2017, that municipal corporation's ordinance or resolution that levies an excise tax on transactions by which lodging by a hotel is or is to be furnished to transient guests, to provide for the following:

(1) That the rate of the tax shall be increased by not more than an additional three per cent on each transaction;

(2) That all of the revenue from the increase in rate shall be used by the municipal corporation for economic development and tourism-related purposes.

Sec. 5739.09. (A)(1) A board of county commissioners may, by resolution adopted by a majority of the members of the board, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board shall establish all regulations
necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. Except as otherwise provided in divisions (A)(2), (3), (4), (5), (6), (7), (8), (9), (10), (11), and (12) of this section, the regulations shall provide, after deducting the real and actual costs of administering the tax, for the return to each municipal corporation or township that does not levy an excise tax on the transactions, a uniform percentage of the tax collected in the municipal corporation or in the unincorporated portion of the township from each transaction, not to exceed thirty-three and one-third per cent. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless a provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The municipal corporation or township shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. deposited into the state treasury under sections 5739.01 to
5739.31 of the Revised Code that is not required to be distributed as provided in section 5739.102 of the Revised Code or division (B) of this section shall be credited to the general revenue fund.

(B)(1) In any case where any county or transit authority has levied a tax or taxes pursuant to section 5739.021, 5739.023, or 5739.026 of the Revised Code, the tax commissioner shall, within forty-five days after the end of each month, determine and certify to the director of budget and management the amount of the proceeds of such tax or taxes received during that month from billings and assessments, or associated with tax returns or reports filed during that month, to be returned to the county or transit authority levying the tax or taxes. The amount to be returned to each county and transit authority shall be a fraction of the aggregate amount of money collected with respect to each area in which one or more of such taxes are concurrently in effect with the tax levied by section 5739.02 of the Revised Code. The numerator of the fraction is the rate of the tax levied by the county or transit authority and the denominator of the fraction is the aggregate rate of such taxes applicable to such area. The amount to be returned to each county or transit authority shall be reduced by the amount of any refunds of county or transit authority tax paid pursuant to section 5739.07 of the Revised Code during the same month, or transfers made pursuant to division (B)(2) of section 5703.052 of the Revised Code.

(2) On a periodic basis, using the best information available, the tax commissioner shall distribute any amount of a county or transit authority tax that cannot be distributed under division (B)(1) of this section. Through audit or other means, the commissioner shall attempt to obtain the information
necessary to make the distribution as provided under that division and, on receipt of that information, shall make adjustments to distributions previously made under this division.

(3) Beginning July 1, 2008, eight and thirty-three one-hundredths of one per cent of the revenue collected from the tax due under division (A) of section 5739.029 of the Revised Code shall be distributed to the county where the sale of the motor vehicle is sitused under section 5739.033 of the Revised Code. The amount to be so distributed to the county shall be apportioned on the basis of the rates of taxes the county levies pursuant to sections 5739.021 and 5739.026 of the Revised Code, as applicable, and shall be credited to the funds of the county as provided in divisions (A) and (B) of section 5739.211 of the Revised Code.

(C) The aggregate amount to be returned to any county or transit authority shall be reduced by one per cent, which shall be certified directly to the credit of the local sales tax administrative fund, which is hereby created in the state treasury. For the purpose of determining the amount to be returned to a county and transit authority in which the rate of tax imposed by the transit authority has been reduced under section 5739.028 of the Revised Code, the tax commissioner shall use the respective rates of tax imposed by the county or transit authority that results from the change in the rates authorized under that section.

(D) The director of budget and management shall transfer, from the same funds and in the same proportions specified in division (A) of this section, to the permissive tax distribution fund created by division (B)(1) of section 4301.423 of the
Revised Code and to the local sales tax administrative fund, the amounts certified by the tax commissioner. The tax commissioner shall then, on or before the twentieth day of the month in which such certification is made, provide for payment of such respective amounts to the county treasurer and to the fiscal officer of the transit authority levying the tax or taxes. The amount transferred to the local sales tax administrative fund is for use by the tax commissioner in defraying costs incurred in administering such taxes levied by a county or transit authority.

Sec. 5740.02. (A)(1) The state of Ohio shall participate in discussions with other states regarding the development of a streamlined sales and use tax system to reduce the burden and cost for all sellers to collect this state's sales and use taxes.

(2) Subject to division (B) of this section, the state also shall participate in meetings of the implementing states or the governing board of the agreement to review, amend, or administer the terms of the agreement to simplify and modernize sales and use tax administration that embodies the requirements set forth in section 5740.05 of the Revised Code. For purposes of these meetings, the state shall be represented by three delegates. The tax commissioner or the commissioner's designee shall be the chairperson of the delegation. The other delegates shall be one delegate chosen by the speaker of the house of representatives and one delegate chosen by the president of the senate. In all matters where voting by the member states or the governing board is required to amend the agreement, the chairperson, based on the votes of the majority of the delegation, shall cast this state's vote.
(B) The state shall not participate in the meetings of the implementing states or the governing board referred to in division (A)(2) of this section unless the meetings are conducted in accordance with requirements substantially similar to those described in divisions (C) and (F) of section 121.22 of the Revised Code, as if the participants of the meetings were a public body as defined in that section, except such meetings may be closed during any discussion pertaining to proprietary information of a person if the person so requests, personnel matters, competitive bidding, certification of service providers, or matters substantially similar to those described in divisions (G)(2), (3), or (5) of section 121.22 of the Revised Code. The state may participate in teleconferences, special meetings, meetings of working groups, committees, or steering committees if they are conducted in accordance with the public participation rules applicable to such meetings, as established by the implementing states entitled to participate in discussions to finalize the agreement, or the governing board.

(C) As used in this section:

(1) "Meetings of the implementing states" means meetings of the entire body of the states that are entitled to participate in discussions to finalize the agreement because they have enacted legislation based on the uniform sales and use tax administration act, approved January 24, 2001, or the simplified sales and use tax administration act, approved January 27, 2001.

(2) "Governing board" means the board that, under the terms of the agreement, is responsible for the administration and operation of the agreement.
Sec. 5743.05. The tax commissioner shall sell all stamps provided for by section 5743.03 of the Revised Code. The stamps shall be sold at their face value, except the commissioner shall, by rule, authorize the sale of stamps to wholesale dealers in this state, or to wholesale dealers outside this state, at a discount of not less than one and eight-tenths per cent or more than ten per cent of their face value, as a commission for affixing and canceling the stamps.

The commissioner, by rule, shall authorize the delivery of stamps to wholesale dealers in this state and to wholesale dealers outside this state on credit. If such a dealer has not been in good credit standing with this state for five consecutive years preceding the purchase, the commissioner shall require the dealer to file with the commissioner a bond to the state in the amount and in the form prescribed by the commissioner, with surety to the satisfaction of the commissioner, conditioned on payment to the treasurer of state or the commissioner within thirty days or the following twenty-third day of June, whichever comes first for stamps delivered within that time. If such a dealer has been in good credit standing with this state for five consecutive years preceding the purchase, the commissioner shall not require that the dealer file such a bond but shall require payment for the stamps within thirty days after purchase of the stamps or the following twenty-third day of June, whichever comes first. Stamps sold to a dealer not required to file a bond shall be sold at face value. The maximum amount that may be sold on credit to a dealer not required to file a bond shall equal one hundred ten per cent of the dealer's average monthly purchases over the preceding calendar year. The maximum amount shall be adjusted to reflect any changes in the tax rate and may be adjusted, upon
application to the commissioner by the dealer, to reflect changes in the business operations of the dealer. The maximum amount shall be applicable to the period between the first day of July to the following twenty-third day of June. Payment by a dealer not required to file a bond shall be remitted by electronic funds transfer as prescribed by section 5743.051 of the Revised Code. If a dealer not required to file a bond fails to make the payment in full within the required payment period, the commissioner shall not thereafter sell stamps to that dealer until the dealer pays the outstanding amount, including penalty and interest on that amount as prescribed in this chapter, and the commissioner thereafter may require the dealer to file a bond until the dealer is restored to good standing. The commissioner shall limit delivery of stamps on credit to the period running from the first day of July of the fiscal year until the twenty-third day of the following June. Any discount allowed as a commission for affixing and canceling stamps shall be allowed with respect to sales of stamps on credit.

The commissioner shall redeem and pay for any destroyed, unused, or spoiled tax stamps at their net value, and shall refund to wholesale dealers the net amount of state and county taxes paid erroneously or paid on cigarettes that have been sold in interstate or foreign commerce or that have become unsalable, and the net amount of county taxes that were paid on cigarettes that have been sold at retail or for retail sale outside a taxing county.

An application for a refund of tax shall be filed with the commissioner, on the form prescribed by the commissioner for that purpose, within three years from the date the tax stamps are destroyed or spoiled, from the date of the erroneous payment, or from the date that cigarettes on which taxes have
been paid have been sold in interstate or foreign commerce or have become unsalable.

On the filing of the application, the commissioner shall determine the amount of refund to which the applicant is entitled, payable from receipts of the state tax, and, if applicable, payable from receipts of a county tax. If the amount is not less than that claimed, the commissioner shall certify the amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If a refund is granted for payment of an illegal or erroneous assessment issued by the department, the refund shall include interest on the amount of the refund from the date of the overpayment. The interest shall be computed at the rate per annum prescribed by section 5703.47 of the Revised Code.

Sec. 5743.08. Whenever the tax commissioner discovers any cigarettes which are being shipped, or which have been shipped, or transported in violation of section 2927.023 of the Revised Code, or discovers cigarettes, subject to the taxes levied under section 5743.02, 5743.021, 5743.024, or 5743.026 of the Revised Code, and upon which the taxes have not been paid or that are held for sale or distribution in violation of any other provision of this chapter, the commissioner may seize and take possession of such cigarettes, which shall thereupon be forfeited to the state, and the commissioner, within a reasonable time thereafter shall sell or destroy the forfeited cigarettes. If the commissioner takes possession of cigarettes seized pursuant to section 3739.11 of the Revised
Code, such cigarettes shall be forfeited to the state, and the
commissioner shall destroy such cigarettes, except prior to the
destruction of any such cigarettes, the true holder of the
trademark rights in the cigarette brand shall be permitted to
inspect the cigarettes. If the commissioner sells cigarettes
under this section, the commissioner shall use proceeds from the
sale to pay the costs incurred in the proceedings. Any proceeds
remaining after all costs have been paid shall be considered
revenue arising from the taxes levied under this chapter.
Seizure and sale shall not be deemed to relieve any person from
the fine or imprisonment provided for violation of sections
5743.01 to 5743.20 of the Revised Code or from a civil penalty
under section 3739.99 of the Revised Code. A sale shall be made
where it is most convenient and economical. The tax commissioner
may order the destruction of the forfeited cigarettes if the
quantity or quality of the cigarettes is not sufficient to
warrant their sale.

**Sec. 5743.33.** Except as provided in section 5743.331 of the Revised Code, every person who has acquired
cigarettes for use, storage, or other consumption subject to the
tax levied under section 5743.32, 5743.321, 5743.323, or
5743.324 of the Revised Code, shall, on or before the fifteenth
day of the month following receipt of such cigarettes, file with
the tax commissioner a return showing the amount of cigarettes
acquired, together with remittance of the tax thereon. No such
person shall transport within this state, cigarettes that have a
wholesale value in excess of three hundred dollars, unless that
person has obtained consent to transport the cigarettes from the
department of taxation prior to such transportation. Such
consent shall not be required if the applicable taxes levied
under sections 5743.02, 5743.021, 5743.024, and 5743.026 of the
Revised Code have been paid. Application for the consent shall be in the form prescribed by the tax commissioner.

   Every person transporting such cigarettes shall possess the consent while transporting or possessing the cigarettes within this state and shall produce the consent upon request of any law enforcement officer or authorized agent of the tax commissioner.

   Any person transporting such cigarettes without the consent required by this section, shall be subject to the provisions of this chapter, including the applicable taxes imposed under sections 5743.02, 5743.021, 5743.024, and 5743.026 of the Revised Code.

   **Sec. 5743.65.** No person required by division (B) or (C) of section 5743.62 or division (B) of section 5743.63 of the Revised Code to file a return with the tax commissioner shall fail to make the return or fail to pay the applicable taxes levied under section 5743.62 or 5743.63 of the Revised Code or fail to pay any lawful assessment issued by the tax commissioner.

   **Sec. 5745.14.** (A) If any of the facts, figures, computations, or attachments required in a taxpayer's report to determine the tax due a municipal corporation must be altered as the result of an adjustment to the taxpayer's federal income tax return, whether the adjustment is initiated by the taxpayer, the internal revenue service, or the tax commissioner, and such alteration affects the taxpayer's tax liability to a municipal corporation, the taxpayer shall file an amended report with the tax commissioner in such form as the commissioner requires. The amended report shall be filed not later than one year after the adjustment has been agreed to or finally determined.
(B) In the case of an underpayment, the amended report shall be accompanied by payment of an additional tax and interest due and is a report subject to assessment under section 5745.12 of the Revised Code for the purpose of assessing any additional tax due under this division, together with any applicable penalty and interest. It shall not reopen those facts, figures, computations, or attachments from a previously filed report no longer subject to assessment that are not affected, either directly or indirectly, by the adjustment to the taxpayer’s federal income tax return.

(C) In the case of an overpayment, an application for refund may be filed under section 5745.11 of the Revised Code within the one-year period prescribed for filing the amended report even if it is filed beyond the period prescribed by that section, if it otherwise conforms to the requirements of such section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's report that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed by section 5745.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return.

Sec. 5747.01. Except as otherwise expressly provided or clearly appearing from the context, any term used in this chapter that is not otherwise defined in this section has the same meaning as when used in a comparable context in the laws of the United States relating to federal income taxes or if not used in a comparable context in those laws, has the same meaning
as in section 5733.40 of the Revised Code. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States relating to federal income taxes.

As used in this chapter:

(A) "Adjusted gross income" or "Ohio adjusted gross income" means federal adjusted gross income, as defined and used in the Internal Revenue Code, adjusted as provided in this section:

(1) Add interest or dividends on obligations or securities of any state or of any political subdivision or authority of any state, other than this state and its subdivisions and authorities.

(2) Add interest or dividends on obligations of any authority, commission, instrumentality, territory, or possession of the United States to the extent that the interest or dividends are exempt from federal income taxes but not from state income taxes.

(3) Deduct interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission, or instrumentality of the United States to the extent that the interest or dividends are included in federal adjusted gross income but exempt from state income taxes under the laws of the United States.

(4) Deduct disability and survivor's benefits to the extent included in federal adjusted gross income.

(5) Deduct benefits under Title II of the Social Security Act and tier 1 railroad retirement benefits to the extent included in federal adjusted gross income under section 86 of the Internal Revenue Code.
(6) In the case of a taxpayer who is a beneficiary of a trust that makes an accumulation distribution as defined in section 665 of the Internal Revenue Code, add, for the beneficiary's taxable years beginning before 2002, the portion, if any, of such distribution that does not exceed the undistributed net income of the trust for the three taxable years preceding the taxable year in which the distribution is made to the extent that the portion was not included in the trust's taxable income for any of the trust's taxable years beginning in 2002 or thereafter. "Undistributed net income of a trust" means the taxable income of the trust increased by (a)(i) the additions to adjusted gross income required under division (A) of this section and (ii) the personal exemptions allowed to the trust pursuant to section 642(b) of the Internal Revenue Code, and decreased by (b)(i) the deductions to adjusted gross income required under division (A) of this section, (ii) the amount of federal income taxes attributable to such income, and (iii) the amount of taxable income that has been included in the adjusted gross income of a beneficiary by reason of a prior accumulation distribution. Any undistributed net income included in the adjusted gross income of a beneficiary shall reduce the undistributed net income of the trust commencing with the earliest years of the accumulation period.

(7) Deduct the amount of wages and salaries, if any, not otherwise allowable as a deduction but that would have been allowable as a deduction in computing federal adjusted gross income for the taxable year, had the targeted jobs credit allowed and determined under sections 38, 51, and 52 of the Internal Revenue Code not been in effect.

(8) Deduct any interest or interest equivalent on public obligations and purchase obligations to the extent that
the interest or interest equivalent is included in federal adjusted gross income.

(9) Add any loss or deduct any gain resulting from the sale, exchange, or other disposition of public obligations to the extent that the loss has been deducted or the gain has been included in computing federal adjusted gross income.

(10) Deduct or add amounts, as provided under section 5747.70 of the Revised Code, related to contributions to variable college savings program accounts made or tuition units purchased pursuant to Chapter 3334. of the Revised Code.

(11)(a) Deduct, to the extent not otherwise allowable as a deduction or exclusion in computing federal or Ohio adjusted gross income for the taxable year, the amount the taxpayer paid during the taxable year for medical care insurance and qualified long-term care insurance for the taxpayer, the taxpayer's spouse, and dependents. No deduction for medical care insurance under division (A)(11)(a) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. The deduction allowed under division (A)(11)(a) of this section shall be the net of any related premium refunds, related premium reimbursements, or related insurance premium dividends received during the taxable year.
(b) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income during the taxable year, the amount the taxpayer paid during the taxable year, not compensated for by any insurance or otherwise, for medical care of the taxpayer, the taxpayer's spouse, and dependents, to the extent the expenses exceed seven and one-half per cent of the taxpayer's federal adjusted gross income.

(c) Deduct, to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income, any amount included in federal adjusted gross income under section 105 or not excluded under section 106 of the Internal Revenue Code solely because it relates to an accident and health plan for a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(d) For purposes of division (A)(11) (A)(10) of this section, "medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of divisions (A)(11)(a) and (c) division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(12)(a) Deduct any amount included in federal
adjusted gross income solely because the amount represents a
reimbursement or refund of expenses that in any year the
taxpayer had deducted as an itemized deduction pursuant to
section 63 of the Internal Revenue Code and applicable United
States department of the treasury regulations. The deduction
otherwise allowed under division (A)(12)(a)–(A)(11)(a) of this
section shall be reduced to the extent the reimbursement is
attributable to an amount the taxpayer deducted under this
section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted
gross income for any taxable year to the extent that the amount
is attributable to the recovery during the taxable year of any
amount deducted or excluded in computing federal or Ohio
adjusted gross income in any taxable year.

(13) (12) Deduct any portion of the deduction described in
section 1341(a)(2) of the Internal Revenue Code, for repaying
previously reported income received under a claim of right, that
meets both of the following requirements:

(a) It is allowable for repayment of an item that was
included in the taxpayer's adjusted gross income for a prior
taxable year and did not qualify for a credit under division (A)
or (B) of section 5747.05 of the Revised Code for that year;

(b) It does not otherwise reduce the taxpayer's adjusted
gross income for the current or any other taxable year.

(14) (13) Deduct an amount equal to the deposits made to,
and net investment earnings of, a medical savings account during
the taxable year, in accordance with section 3924.66 of the
Revised Code. The deduction allowed by division (A)(14)–(A)(13)
of this section does not apply to medical savings account
deposits and earnings otherwise deducted or excluded for the current or any other taxable year from the taxpayer's federal adjusted gross income.

(15)(a) Add an amount equal to the funds withdrawn from a medical savings account during the taxable year, and the net investment earnings on those funds, when the funds withdrawn were used for any purpose other than to reimburse an account holder for, or to pay, eligible medical expenses, in accordance with section 3924.66 of the Revised Code;

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year.

(16) Add any amount claimed as a credit under section 5747.059 of the Revised Code to the extent that such amount satisfies either of the following:

(a) The amount was deducted or excluded from the computation of the taxpayer's federal adjusted gross income as required to be reported for the taxpayer's taxable year under the Internal Revenue Code;

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code.

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to
establish the amount deducted under division (A)(17)-(A)(16) of this section.

(18) Beginning in taxable year 2001 but not for any taxable year beginning after December 31, 2005, if the taxpayer is married and files a joint return and the combined federal adjusted gross income of the taxpayer and the taxpayer's spouse for the taxable year does not exceed one hundred thousand dollars, or if the taxpayer is single and has a federal adjusted gross income for the taxable year not exceeding fifty thousand dollars, deduct amounts paid during the taxable year for qualified tuition and fees paid to an eligible institution for the taxpayer, the taxpayer's spouse, or any dependent of the taxpayer, who is a resident of this state and is enrolled in or attending a program that culminates in a degree or diploma at an eligible institution. The deduction may be claimed only to the extent that qualified tuition and fees are not otherwise deducted or excluded for any taxable year from federal or Ohio adjusted gross income. The deduction may not be claimed for educational expenses for which the taxpayer claims a credit under section 5747.27 of the Revised Code.

(19) Add any reimbursement received during the taxable year of any amount the taxpayer deducted under division (A)(18) of this section in any previous taxable year to the extent the amount is not otherwise included in Ohio adjusted gross income.

(20)(a)(i) Subject to divisions (A)(20)(a)(iii)-(A)(17)(a)(iii), (iv), and (v) of this section, add five-sixths of the amount of depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code, including the taxpayer's proportionate or distributive share of the amount of depreciation expense allowed by that subsection to a pass-
through entity in which the taxpayer has a direct or indirect
ownership interest.

(ii) Subject to divisions (A)(20)(a)(iii), (A)(17)(a)(iii),
(iv), and (v) of this section, add five-sixths of the amount of
qualifying section 179 depreciation expense, including the
taxpayer's proportionate or distributive share of the amount of
qualifying section 179 depreciation expense allowed to any pass-
through entity in which the taxpayer has a direct or indirect
ownership interest.

(iii) Subject to division (A)(20)(a)(v), (A)(17)(a)(v)
of this section, for taxable years beginning in 2012 or thereafter,
if the increase in income taxes withheld by the taxpayer is
equal to or greater than ten per cent of income taxes withheld
by the taxpayer during the taxpayer's immediately preceding
taxable year, "two-thirds" shall be substituted for "five-
sixths" for the purpose of divisions (A)(20)(a)(i) and (ii)
of this section.

(iv) Subject to division (A)(20)(a)(v), (A)(17)(a)(v) of
this section, for taxable years beginning in 2012 or thereafter,
a taxpayer is not required to add an amount under division (A)
(A)(17) of this section if the increase in income taxes
withheld by the taxpayer and by any pass-through entity in which
the taxpayer has a direct or indirect ownership interest is
equal to or greater than the sum of (I) the amount of qualifying
section 179 depreciation expense and (II) the amount of
depreciation expense allowed to the taxpayer by subsection (k)
of section 168 of the Internal Revenue Code, and including the
taxpayer's proportionate or distributive shares of such amounts
allowed to any such pass-through entities.

(v) If a taxpayer directly or indirectly incurs a net
operating loss for the taxable year for federal income tax purposes, to the extent such loss resulted from depreciation expense allowed by subsection (k) of section 168 of the Internal Revenue Code and by qualifying section 179 depreciation expense, "the entire" shall be substituted for "five-sixths of the" for the purpose of divisions (A)(20)(a)(i), (A)(17)(a)(i) and (ii) of this section.

The tax commissioner, under procedures established by the commissioner, may waive the add-backs related to a pass-through entity if the taxpayer owns, directly or indirectly, less than five per cent of the pass-through entity.

(b) Nothing in division (A)(20)–(A)(17) of this section shall be construed to adjust or modify the adjusted basis of any asset.

(c) To the extent the add-back required under division (A)–(20)(a)–(A)(17)(a) of this section is attributable to property generating nonbusiness income or loss allocated under section 5747.20 of the Revised Code, the add-back shall be sitused to the same location as the nonbusiness income or loss generated by the property for the purpose of determining the credit under division (A) of section 5747.05 of the Revised Code. Otherwise, the add-back shall be apportioned, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

(d) For the purposes of division (A)–(20)(a)(v)–(A)(17)(a)(v) of this section, net operating loss carryback and carryforward shall not include the allowance of any net operating loss deduction carryback or carryforward to the taxable year to the extent such loss resulted from depreciation allowed by section 168(k) of the Internal Revenue Code and by
the qualifying section 179 depreciation expense amount.

(e) For the purposes of divisions (A)(20)–(A)(17) and (21)

(18) of this section:

(i) "Income taxes withheld" means the total amount
withheld and remitted under sections 5747.06 and 5747.07 of the
Revised Code by an employer during the employer's taxable year.

(ii) "Increase in income taxes withheld" means the amount
by which the amount of income taxes withheld by an employer
during the employer's current taxable year exceeds the amount of
income taxes withheld by that employer during the employer's
immediately preceding taxable year.

(iii) "Qualifying section 179 depreciation expense" means
the difference between (I) the amount of depreciation expense
directly or indirectly allowed to a taxpayer under section 179
of the Internal Revised Code, and (II) the amount of
depreciation expense directly or indirectly allowed to the
taxpayer under section 179 of the Internal Revenue Code as that
section existed on December 31, 2002.

(21)(a) (18)(a) If the taxpayer was required to add an
amount under division (A)(20)–(A)(17)–(A)(18) of this section for
a taxable year, deduct one of the following:

(i) One-fifth of the amount so added for each of the five
succeeding taxable years if the amount so added was five-sixths
of qualifying section 179 depreciation expense or depreciation
expense allowed by subsection (k) of section 168 of the Internal
Revenue Code;

(ii) One-half of the amount so added for each of the two
succeeding taxable years if the amount so added was two-thirds
of such depreciation expense;
(iii) One-sixth of the amount so added for each of the six succeeding taxable years if the entire amount of such depreciation expense was so added.

(b) If the amount deducted under division (A)(21)(a) of this section is attributable to an add-back allocated under division (A)(20)(c) of this section, the amount deducted shall be sitused to the same location. Otherwise, the add-back shall be apportioned using the apportionment factors for the taxable year in which the deduction is taken, subject to one or more of the four alternative methods of apportionment enumerated in section 5747.21 of the Revised Code.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income. Division (S)(12) of this section applies only to taxable years of a trust beginning in 2002 or thereafter.

If the allocation and apportionment of a trust's income under divisions (BB)(4)(a)–(AA)(4)(a) and (c) of this section do not fairly represent the modified Ohio taxable income of the trust in this state, the alternative methods described in division (C) of section 5747.21 of the Revised Code may be applied in the manner and to the same extent provided in that section.

(5)(a) Except as set forth in division (BB)(5)(b)–(AA)(5) (b) of this section, "qualifying investee" means a person in which a trust has an equity or ownership interest, or a person or unit of government the debt obligations of either of which are owned by a trust. For the purposes of division (BB)(2)(a)–(AA)(2)(a) of this section and for the purpose of computing the fraction described in division (BB)(4)(b)–(AA)(4)(b) of this section, all of the following apply:

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying
(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (BB)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's physical assets that the lower level pass-through entity directly or indirectly owns on the last day of the lower level
pass-through entity's calendar or fiscal year ending within or with the last day of the upper level pass-through entity's fiscal or calendar year. If the upper level pass-through entity directly and indirectly owns less than fifty per cent of the equity of the lower level pass-through entity on each day of the upper level pass-through entity's calendar or fiscal year in which or with which ends the calendar or fiscal year of the lower level pass-through entity and if, based upon clear and convincing evidence, complete information about the location and cost of the physical assets of the lower pass-through entity is not available to the upper level pass-through entity, then solely for purposes of ascertaining if a gain or loss constitutes a qualifying trust amount, the upper level pass-through entity shall be deemed as owning no equity of the lower level pass-through entity for each day during the upper level pass-through entity's calendar or fiscal year in which or with which ends the lower level pass-through entity's calendar or fiscal year. Nothing in division (BB)(5)(a)(iii) (AA)(5)(a)(iii) of this section shall be construed to provide for any deduction or exclusion in computing any trust's Ohio taxable income.

(b) With respect to a trust that is not a resident for the taxable year and with respect to a part of a trust that is not a resident for the taxable year, "qualifying investee" for that taxable year does not include a C corporation if both of the following apply:

(i) During the taxable year the trust or part of the trust recognizes a gain or loss from the sale, exchange, or other disposition of equity or ownership interests in, or debt obligations of, the C corporation.

(ii) Such gain or loss constitutes nonbusiness income.
(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

(CC) (BB) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.

(DD) (CC) "Related member" has the same meaning as in section 5733.042 of the Revised Code.

(EE) (1) (DD) (1) For the purposes of division (EE) (DD) of this section:

(a) "Qualifying person" means any person other than a qualifying corporation.

(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:

(i) A corporation that has made an election under subchapter S, chapter one, subtitle A, of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year;

(ii) A subsidiary that is wholly owned by any corporation that has made an election under subchapter S, chapter one, subtitle A of the Internal Revenue Code for its taxable year ending within, or on the last day of, the investor's taxable year.

(2) For the purposes of this chapter, unless expressly stated otherwise, no qualifying person indirectly owns any asset directly or indirectly owned by any qualifying corporation.

(EE) (EE) For purposes of this chapter and Chapter 5751.
of the Revised Code:

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax trust that makes a qualifying pre-income tax trust election as described in division (FF)(3) (EE)(3) of this section.

(3) A "qualifying pre-income tax trust election" is an election by a pre-income tax trust to subject to the tax imposed by section 5751.02 of the Revised Code the pre-income tax trust and all pass-through entities of which the trust owns or controls, directly, indirectly, or constructively through related interests, five per cent or more of the ownership or equity interests. The trustee shall notify the tax commissioner in writing of the election on or before April 15, 2006. The election, if timely made, shall be effective on and after January 1, 2006, and shall apply for all tax periods and tax years until revoked by the trustee of the trust.

(4) A "pre-income tax trust" is a trust that satisfies all of the following requirements:

(a) The document or instrument creating the trust was executed by the grantor before January 1, 1972;

(b) The trust became irrevocable upon the creation of the trust; and

(c) The grantor was domiciled in this state at the time the trust was created.

"Uniformed services" has the same meaning as in 10 U.S.C. 101.

"Taxable business income" means the amount by
which an individual's business income that is included in federal adjusted gross income exceeds the amount of business income the individual is authorized to deduct under division (A)(31) of this section for the taxable year.

(II) "Employer" does not include a franchisor with respect to the franchisor's relationship with a franchisee or an employee of a franchisee, unless the franchisor agrees to assume that role in writing or a court of competent jurisdiction determines that the franchisor exercises a type or degree of control over the franchisee or the franchisee's employees that is not customarily exercised by a franchisor for the purpose of protecting the franchisor's trademark, brand, or both. For purposes of this division, "franchisor" and "franchisee" have the same meanings as in 16 C.F.R. 436.1.

(JJ) "Modified adjusted gross income" means Ohio adjusted gross income plus any amount deducted under division (A)(28) of this section for the taxable year.

(KK) "Qualifying Ohio educator" means an individual who, for a taxable year, qualifies as an eligible educator, as that term is defined in section 62 of the Internal Revenue Code, and who holds a certificate, license, or permit described in Chapter 3319. or section 3301.071 of the Revised Code.

Sec. 5747.011. (A) As used in this section:

(1) "Qualifying closely-held C corporation" means a person classified for federal income tax purposes as an association taxed as a corporation and that has more than fifty per cent of the value of its outstanding stock or equity owned, directly or indirectly, by or for not more than five qualifying persons. For the purposes of this division, the ownership of stock shall be...
determined under the rules set forth in section 544 of the  
Internal Revenue Code.

(2) "Qualifying person" means an individual; an  
organization described in section 401(a), 501(c)(17), or 509(a)  
of the Internal Revenue Code; or a portion of a trust  
permanently set aside or to be used exclusively for the purposes  
described in section 642(c) of the Internal Revenue Code or a  
corresponding provision of a prior federal income tax law.

(3) "Qualifying limited liability company" means a limited  
liability company that is not classified for federal income tax  
purposes as an association taxed as a corporation.

(4) "Ownership interest" means the equity or ownership  
interest in, or debt obligation of, a "qualifying investee" as  
defined in section 5747.01 of the Revised Code.

(5) "Qualifying individual beneficiary" has the same  
meaning as qualifying beneficiary as used in division (I)(3)(c)  
of section 5747.01 of the Revised Code, but is limited to  
individuals.

(6) "Family" of an individual means only the individual's  
spouse; the individual's ancestors, limited to the individual's  
parents, grandparents, and great grandparents; the siblings of  
such ancestors, whether by the whole or half blood or by legal  
adoption; the lineal descendants of such ancestors and siblings;  
persons legally adopted by such ancestors or by such siblings;  
and the spouses of such ancestors, siblings, legally adopted  
persons, and lineal descendants.

(B) The requirements of this division apply for purposes  
of division (BB)(AA)(2) of section 5747.01 of the Revised  
Code and for the purposes of division (D) of section 5747.012 of
the Revised Code. Gain or loss included in a trust's Ohio taxable income is not a qualifying trust amount unless the trust's ownership interest in the qualifying investee is at least five per cent of the total outstanding ownership interests in such qualifying investee at any time during the ten-year period ending on the last day of the trust's taxable year in which the sale, exchange, or other disposition occurs. Nothing in this section negates the requirements in division (BB)(AA)(2) of section 5747.01 of the Revised Code.

For the purpose of ascertaining whether the trust's ownership interest in a qualifying investee is at least five per cent of the total outstanding ownership interests in such qualifying investee, the following apply:

(1) On each day, an ownership interest owned, directly or indirectly, by or for a qualifying closely-held C corporation, an S corporation, a partnership other than a publicly traded partnership, a qualifying limited liability company, an estate, or a trust that is irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code is considered as being owned proportionately on the same day by the equity investors of such qualifying closely-held C corporation, S corporation, partnership, or qualifying limited liability company, or by the beneficiaries of such estate or trust, as the case may be. For the purposes of division (B)(1) of this section, a beneficiary's proportionate share of an ownership interest held by a trust shall be ascertained in accordance with section 544(a)(1) of the Internal Revenue Code.

(2) On each day, a trust, hereinafter referred to as the first trust, is considered as owning any ownership interest owned, directly or indirectly, by or for another trust,
hereinafter referred to as the second trust, if on the same day
the second trust has at least one individual trustee who is
either (a) a trustee of the first trust, or (b) a member of a
family that includes at least one of the trustees of the first
trust.

(3) On each day, a trust, hereinafter referred to as the
first trust, is considered as owning any ownership interest
owned, directly or indirectly, by or for another trust,
hereinafter referred to as the second trust, if on the same day
the second trust has at least one qualifying individual
beneficiary who is either (a) a qualifying individual
beneficiary of the first trust or (b) a member of a family which
includes a qualifying individual beneficiary of the first trust.

(4) An ownership interest constructively owned by a person
by reason of the application of division (B)(1) of this section
shall, for the purpose of applying divisions (B)(1) to (3) of
this section, be treated as actually owned by that person.

(5) An ownership interest constructively owned by a trust
by reason of the application of division (B)(2) or (3) of this
section shall not be treated as actually owned by that trust for
purposes of applying divisions (B)(1) to (3) of this section.

(6) If an ownership interest may be considered as owned by
a trust under division (B)(1) or (2) of this section, the
ownership interest shall be considered owned by that trust under
division (B)(2) of this section.

(7) If an ownership interest may be considered as owned by
a trust under division (B)(1) or (3) of this section, the
ownership interest shall be considered owned by that trust under
division (B)(3) of this section.
Sec. 5747.012. This section applies for the purposes of divisions (BB)(AA)(3) and (BB)(4)(a)(ii) of section 5747.01 of the Revised Code.

(A) As used in this section:

(1) (a) Except as set forth in division (A)(1)(b) of this section, "qualifying investment income" means the portion of a qualifying investment pass-through entity's net income attributable to transaction fees in connection with the acquisition, ownership, or disposition of intangible property; loan fees; financing fees; consent fees; waiver fees; application fees; net management fees; dividend income; interest income; net capital gains from the sale or exchange or other disposition of intangible property; and all types and classifications of income attributable to distributive shares of income from other pass-through entities.

(b)(i) Notwithstanding division (A)(1)(a) of this section, "qualifying investment income" does not include any part of the qualifying investment pass-through entity's net capital gain which, after the application of section 5747.231 of the Revised Code with respect to a trust, would also constitute a qualifying trust amount.

(ii) Notwithstanding division (A)(1)(a) of this section, "qualifying investment income" does not include any part of the qualifying investment pass-through entity's net income attributable to the portion of a distributive share of income directly or indirectly from another pass-through entity to the extent such portion constitutes the other pass-through entity's net capital gain which, after the application of section 5747.231 of the Revised Code with respect to a trust, would also constitute a qualifying trust amount.
(2) "Qualifying investment pass-through entity" means an investment pass-through entity, as defined in section 5733.401 of the Revised Code, subject to the following qualifications:

(a) "Forty per cent" shall be substituted for "ninety per cent" wherever "ninety per cent" appears in section 5733.401 of the Revised Code.

(b) The pass-through entity must have been formed or organized as an entity prior to June 5, 2002, and must exist as a pass-through entity for all of the taxable year of the trust.

(c) The qualifying section 5747.012 trust or related persons to the qualifying section 5747.012 trust must directly or indirectly own at least five per cent of the equity of the investment pass-through entity each day of the entity's fiscal or calendar year ending within or with the last day of the qualifying section 5747.012 trust's taxable year;

(d) During the investment pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying section 5747.012 trust's taxable year, the qualifying section 5747.012 trust or related persons of or to the qualifying section 5747.012 trust must, on each day of the investment pass-through entity's year, own directly, or own through equity investments in other pass-through entities, more than sixty per cent of the equity of the investment pass-through entity.

(B) "Qualifying section 5747.012 trust" means a trust satisfying one of the following:

(1) The trust was created prior to, and was irrevocable on, June 5, 2002; or

(2) If the trust was created after June 4, 2002, or if the
trust became irrevocable after June 4, 2002, then at least eighty per cent of the assets transferred to the trust must have been previously owned by related persons to the trust or by a trust created prior to June 5, 2002, under which the creator did not retain the power to change beneficiaries, amend the trust, or revoke the trust. For purposes of division (B)(2) of this section, the power to substitute property of equal value shall not be considered to be a power to change beneficiaries, amend the trust, or revoke the trust.

(C) For the purposes of this section, "related persons" means the family of a qualifying individual beneficiary, as defined in division (A)(5) of section 5747.011 of the Revised Code. For the purposes of this division, "family" has the same meaning as in division (A)(6) of section 5747.011 of the Revised Code.

(D) For the purposes of applying divisions (A)(2)(c), (A)(2)(d), and (B)(2) of this section, the related persons or the qualifying section 5747.012 trust, as the case may be, shall be deemed to own the equity of the investment pass-through entity after the application of division (B) of section 5747.011 of the Revised Code.

(E) "Irrevocable" has the same meaning as in division (I)(3)(b) of section 5747.01 of the Revised Code.

(F) Nothing in this section requires any item of income, gain, or loss not satisfying the definition of qualifying investment income to be treated as modified nonbusiness income. Any item of income, gain, or loss that is not qualifying investment income is modified business income, modified nonbusiness income, or a qualifying trust amount, as the case may be.
Sec. 5747.013. (A) As used in this section:

(1) "Electric company," "combined company," and "telephone company" have the same meanings as in section 5727.01 of the Revised Code.

(2) "Qualified research" means laboratory research, experimental research, and other similar types of research; research in developing or improving a product; or research in developing or improving the means of producing a product. It does not include market research, consumer surveys, efficiency surveys, management studies, ordinary testing or inspection of material or products for quality control, historical research, or literary research. "Product," as used in this paragraph, does not include services or intangible property.

(B) The fraction to be used in calculating a trust's modified Ohio taxable income under division (BB)(AA)(4)(a) of section 5747.01 of the Revised Code shall be determined as follows: The numerator of the fraction is the sum of the following products: the property factor multiplied by twenty, the payroll factor multiplied by twenty, and the sales factor multiplied by sixty. The denominator of the fraction is one hundred, provided that the denominator shall be reduced by twenty if the property factor has a denominator of zero, by twenty if the payroll factor has a denominator of zero, and by sixty if the sales factor has a denominator of zero.

The property, payroll, and sales factors shall be determined as follows:

(1) The property factor is a fraction the numerator of which is the average value of the trust's real and tangible personal property owned or rented and used in the trade or
business in this state during the taxable year, and the
denominator of which is the average value of all the trust's
real and tangible personal property owned or rented and used in
the trade or business everywhere during such year. Real and
tangible personal property that is owned but leased to a lessee
to be used in the lessee's trade or business shall not be
included in the property factor of the owner. There shall be
excluded from the numerator and denominator of the fraction the
original cost of all of the following property within Ohio:
property with respect to which a "pollution control facility"
certificate has been issued pursuant to section 5709.21 of the
Revised Code; property with respect to which an "industrial
water pollution control certificate" has been issued pursuant to
that section or former section 6111.31 of the Revised Code; and
property used exclusively during the taxable year for qualified
research.

(a) Property owned by the trust is valued at its original
cost. Property rented by the trust is valued at eight times the
net annual rental rate. "Net annual rental rate" means the
annual rental rate paid by the trust less any annual rental rate
received by the trust from subrentals.

(b) The average value of property shall be determined by
averaging the values at the beginning and the end of the taxable
year, but the tax commissioner may require the averaging of
monthly values during the taxable year, if reasonably required
to reflect properly the average value of the trust's property.

(2) The payroll factor is a fraction the numerator of
which is the total amount paid in this state during the taxable
year by the trust for compensation, and the denominator of which
is the total compensation paid everywhere by the trust during
such year. There shall be excluded from the numerator and the
denominator of the payroll factor the total compensation paid in
this state to employees who are primarily engaged in qualified
research.

(a) Compensation is paid in this state if: (i) the
recipient's service is performed entirely within this state;
(ii) the recipient's service is performed both within and
without this state, but the service performed without this state
is incidental to the recipient's service within this state; or
(iii) some of the service is performed within this state and
either the base of operations, or if there is no base of
operations, the place from which the service is directed or
controlled, is within this state, or the base of operations or
the place from which the service is directed or controlled is
not in any state in which some part of the service is performed,
but the recipient's residence is in this state.

(b) Compensation is paid in this state to any employee of
a common or contract motor carrier corporation, who performs the
employee's regularly assigned duties on a motor vehicle in more
than one state, in the same ratio by which the mileage traveled
by such employee within the state bears to the total mileage
traveled by such employee everywhere during the taxable year.

(3) The sales factor is a fraction the numerator of which
is the total sales in this state by the trust during the taxable
year, and the denominator of which is the total sales by the
trust everywhere during such year. In determining the numerator
and denominator of the fraction, receipts from the sale or other
disposal of a capital asset or an asset described in section
1231 of the Internal Revenue Code shall be eliminated. Also, in
determining the numerator and denominator of the sales factor,
in the case of a trust owning at least eighty per cent of the
issued and outstanding common stock of one or more insurance
companies or public utilities, except an electric company and a
combined company, and, for tax years 2005 and thereafter, a
telephone company, or owning at least twenty-five per cent of
the issued and outstanding common stock of one or more financial
institutions, receipts received by the trust from such insurance
companies, utilities, and financial institutions shall be
eliminated.

For the purpose of this section and section 5747.08 of the
Revised Code, sales of tangible personal property are in this
state where such property is received in this state by the
purchaser. In the case of delivery of tangible personal property
by common carrier or by other means of transportation, the place
at which such property is ultimately received after all
transportation has been completed shall be considered as the
place at which such property is received by the purchaser.
Direct delivery in this state, other than for purposes of
transportation, to a person or firm designated by a purchaser
constitutes delivery to the purchaser in this state, and direct
delivery outside this state to a person or firm designated by a
purchaser does not constitute delivery to the purchaser in this
state, regardless of where title passes or other conditions of
sale.

Sales, other than sales of tangible personal property, are
in this state if either:

(a) The income-producing activity is performed solely in
this state; or

(b) The income-producing activity is performed both within
and without this state and a greater proportion of the seller's
income-producing activity is performed within this state than in any other state, based on costs of performance.

Sec. 5747.02. (A) For the purpose of providing revenue for the support of schools and local government functions, to provide relief to property taxpayers, to provide revenue for the general revenue fund, and to meet the expenses of administering the tax levied by this chapter, there is hereby levied on every individual, trust, and estate residing in or earning or receiving income in this state, on every individual, trust, and estate earning or receiving lottery winnings, prizes, or awards pursuant to Chapter 3770. of the Revised Code, on every individual, trust, and estate earning or receiving winnings on casino gaming, and on every individual, trust, and estate otherwise having nexus with or in this state under the Constitution of the United States, an annual tax measured as prescribed in divisions (A)(1) to (4) of this section.

(1) In the case of trusts, the tax imposed by this section shall be measured by modified Ohio taxable income under division (D) of this section and levied in the same amount as the tax is imposed on estates as prescribed in division (A)(2) of this section.

(2) In the case of estates, the tax imposed by this section shall be measured by Ohio taxable income. The tax shall be levied at the rate of one and forty-two thousand seven hundred forty-four hundred-thousandths per cent for the first twenty-one thousand seven hundred fifty dollars of such income and, for income in excess of that amount, the tax shall be levied at the same rates prescribed in division (A)(3) of this section for individuals.

(3) In the case of individuals, the tax imposed by this
section on income other than taxable business income shall be measured by Ohio adjusted gross income, less taxable business income and less an exemption for the taxpayer, the taxpayer's spouse, and each dependent as provided in section 5747.025 of the Revised Code. If the balance thus obtained is equal to or less than twenty-one thousand seven hundred fifty dollars, no tax shall be imposed on that balance. If the balance thus obtained is greater than twenty-one thousand seven hundred fifty dollars, the tax is hereby levied as follows:

(4)(a) In the case of individuals, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.

(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.

(5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding year, adding the resulting product to the corresponding income amount resulting from the adjustment in the preceding year, and rounding the resulting sum to the nearest multiple of fifty dollars. The tax commissioner also shall recompute each of the tax dollar amounts to the extent necessary to reflect the new adjustment of the income amounts. To recompute the tax dollar amount corresponding to the lowest tax rate in division (A)(3) of this section, the commissioner shall multiply the tax rate prescribed in division (A)(2) of this section by the income amount specified in that division and as adjusted according to this paragraph. The rates of taxation
shall not be adjusted.

The adjusted amounts apply to taxable years beginning in the calendar year in which the adjustments are made and to taxable years beginning in each ensuing calendar year until a calendar year in which a new adjustment is made pursuant to this division. The tax commissioner shall not make a new adjustment in any year in which the amount resulting from the adjustment would be less than the amount resulting from the adjustment in the preceding year.

(B) If the director of budget and management makes a certification to the tax commissioner under division (B) of section 131.44 of the Revised Code, the amount of tax as determined under divisions (A)(1) to (3) of this section shall be reduced by the percentage prescribed in that certification for taxable years beginning in the calendar year in which that certification is made.

(C) The levy of this tax on income does not prevent a municipal corporation, a joint economic development zone created under section 715.691, or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Revised Code from levying a tax on income.

(D) This division applies only to taxable years of a trust beginning in 2002 or thereafter.

(1) The tax imposed by this section on a trust shall be computed by multiplying the Ohio modified taxable income of the trust by the rates prescribed by division (A) of this section.

(2) A resident trust may claim a credit against the tax computed under division (D)(C) of this section equal to the lesser of (a) the tax paid to another state or the District of
Columbia on the resident trust's modified nonbusiness income, other than the portion of the resident trust's nonbusiness income that is qualifying investment income as defined in section 5747.012 of the Revised Code, or (b) the effective tax rate, based on modified Ohio taxable income, multiplied by the resident trust's modified nonbusiness income other than the portion of the resident trust's nonbusiness income that is qualifying investment income. The credit applies before any other applicable credits.

(3) The credits authorized by the following sections of the Revised Code do not apply to a trust subject to division (D) of this section: section 5747.022, 5747.05, 5747.054, 5747.055, 5747.27, 5747.37, 5747.66, or 5747.71 of the Revised Code. Any other credit authorized against the tax imposed by this section applies to a trust subject to division (D) of this section that only if the trust otherwise qualifies for such a the credit. To the extent that the trust distributes income for the taxable year for which a credit is available to the trust, the credit shall be shared by the trust and its beneficiaries. The tax commissioner and the trust shall be guided by applicable regulations of the United States treasury regarding the sharing of credits.

(E) (D) For the purposes of this section, "trust" means any trust described in Subchapter J of Chapter 1 of the Internal Revenue Code, excluding trusts that are not irrevocable as defined in division (I)(3)(b) of section 5747.01 of the Revised Code and that have no modified Ohio taxable income for the taxable year, charitable remainder trusts, qualified funeral trusts and preneed funeral contract trusts established pursuant to sections 4717.31 to 4717.38 of the Revised Code that are not qualified funeral trusts, endowment and perpetual care trusts,
qualified settlement trusts and funds, designated settlement trusts and funds, and trusts exempted from taxation under section 501(a) of the Internal Revenue Code.

Nothing in division (A)(3) of this section shall prohibit an individual with an Ohio adjusted gross income, less taxable business income and exemptions, of twenty-one thousand seven hundred fifty dollars or less from filing a return under this chapter to receive a refund of taxes withheld or to claim any refundable credit allowed under this chapter.

Sec. 5747.058. (A) A refundable income tax credit granted by the tax credit authority under section 122.17 or former division (B)(2) or (3) of section 122.171 of the Revised Code, as those divisions existed before the effective date of the amendment of this section by H.B. 64 of the 131st general assembly, September 29, 2015, may be claimed under this chapter, in the order required under section 5747.98 of the Revised Code. For purposes of making tax payments under this chapter, taxes equal to the amount of the refundable credit shall be considered to be paid to this state on the first day of the taxable year. The refundable credit shall not be claimed for any taxable years ending with or following the calendar year in which a relocation of employment positions occurs in violation of an agreement entered into under section 122.17 or 122.171 of the Revised Code.

(B) A nonrefundable income tax credit granted by the tax credit authority under division (B) of section 122.171 of the Revised Code may be claimed under this chapter, in the order required under section 5747.98 of the Revised Code.

Sec. 5747.061. (A) As used in this section:
(1) "State agency" means the general assembly, all courts, any department, division, institution, board, commission, authority, bureau, or other instrumentality of the state.

(2) "Political subdivision" means a county, municipal corporation, township, school district, or other body corporate and politic responsible for governmental activities in a geographic area smaller than that of the state.

(3) "Legislative authority" means the board of county commissioners, the legislative authority of a municipal corporation, the board of township trustees, the board of education, or the board, council, commission, or other governing body of any other political subdivision.

(4) "Fiscal officer" means the county auditor, the treasurer of the municipal corporation, the clerk-treasurer of a village, or the officer who, by virtue of the charter, has the duties of the treasurer or clerk-treasurer, the township fiscal officer, the treasurer of the board of education, or, in the case of any state agency or other subdivision, the officer or person responsible for deducting and withholding from the compensation paid to an employee who is a taxpayer the amount of tax required to be withheld by section 5747.06 of the Revised Code.

(B)(1) The director or other chief administrator of any state agency, in accordance with rules adopted by the department of administrative services, may direct its fiscal officer to deduct and withhold from the compensation paid to an employee who is a resident of a state with which the commissioner has entered into an agreement under division (A) of section 5747.05 of the Revised Code, a tax computed in such a manner as to result, as far as practicable, in withholding from the
compensation of the employee during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due under the income tax laws of the state of residence of the employee with respect to the amount of such compensation included in gross income during the calendar year under those laws.

(2) The legislative authority of a political subdivision may adopt a rule, ordinance, or resolution requiring the fiscal officer of the political subdivision to deduct and withhold from the compensation paid to an employee who is a resident of a state with which the tax commissioner has entered into an agreement under division (A)(2) of section 5747.05 of the Revised Code, a tax computed in such a manner as to result, as far as practicable, in withholding from the compensation of the employee during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due under the income tax laws of the state of residence of the employee with respect to the amount of such compensation included in gross income during the calendar year under those laws.

(3) Upon direction of the director or other chief administrator of a state agency, or adoption of a rule, ordinance, or resolution by a political subdivision under this division, the fiscal officer shall obtain from the official responsible for administering the income tax laws of the state of residence of the employee, information necessary to enable the fiscal officer to withhold the proper amount of tax from the compensation of the employee for the calendar year.

(C) A fiscal officer who deducts and withholds tax from the compensation of a nonresident employee shall file a withholding return or other report and pay the full amount of
the tax deducted and withheld as required by the income tax laws of the state of residence of the employee.

(D) A fiscal officer who deducts and withholds tax from the compensation of a nonresident employee shall furnish to that employee and to the official who is responsible for administering the income tax laws of the state of residence of the employee, a written statement showing the amount of compensation paid to the employee and the amount deducted and withheld from the compensation of the employee during the calendar year. The statement shall be furnished on or before the last day of January of the succeeding year, except that, with respect to an employee whose employment is terminated, the statement for the calendar year in which the last payment of compensation is made shall be furnished within thirty days from the date the last payment of compensation is made.

Sec. 5747.07. (A) As used in this section:

(1) "Partial weekly withholding period" means a period during which an employer directly, indirectly, or constructively pays compensation to, or credits compensation to the benefit of, an employee, and that consists of a consecutive Saturday, Sunday, Monday, and Tuesday or a consecutive Wednesday, Thursday, and Friday. There are two partial weekly withholding periods each week, except that a partial weekly withholding period cannot extend from one calendar year into the next calendar year; if the first day of January falls on a day other than Saturday or Wednesday, the partial weekly withholding period ends on the thirty-first day of December and there are three partial weekly withholding periods during that week.

(2) "Undeposited taxes" means the taxes an employer is required to deduct and withhold from an employee's compensation.
pursuant to section 5747.06 of the Revised Code that have not
been remitted to the tax commissioner pursuant to this section
or to the treasurer of state pursuant to section 5747.072 of the
Revised Code.

(3) A "week" begins on Saturday and concludes at the end
of the following Friday.

(4) "Client employer," "professional employer
organization," "professional employer organization agreement,"
and "professional employer organization reporting entity" have
the same meanings as in section 4125.01 of the Revised Code.

(B) Except as provided in divisions (C) and (D) of this
section and in division (A) of section 5747.072 of the Revised
Code, every employer required to deduct and withhold any amount
under section 5747.06 of the Revised Code shall file a return
and shall pay the amount required by law as follows:

(1) An employer who accumulates or is required to
accumulate undeposited taxes of one hundred thousand dollars or
more during a partial weekly withholding period shall make the
payment of the undeposited taxes by the close of the first
banking day after the day on which the accumulation reaches one
hundred thousand dollars. If required under division (I) of this
section, the payment shall be made by electronic funds transfer
under section 5747.072 of the Revised Code.

(2) Except as required by division (B)(1) of this
section, an employer described in division (B)(2)(b) of this
section whose actual or required payments under this section
were at least eighty-four thousand dollars during the twelve-
month period ending on the thirtieth day of June of the
preceding calendar year shall make the payment of undeposited
taxes within three banking days after the close of a partial
weekly withholding period during which the employer was required
to deduct and withhold any amount under this chapter. If
required under division (I) of this section, the payment shall
be made by electronic funds transfer under section 5747.072 of
the Revised Code.

(b) For amounts required to be deducted and withheld
during 1994, an employer described in division (B)(2)(b) of this
section is one whose actual or required payments under this
section exceeded one hundred eighty thousand dollars during the
twelve-month period ending June 30, 1993. For amounts required
to be deducted and withheld during 1995 and each year
thereafter, an employer described in division (B)(2)(b) of this
section is one whose actual or required payments under this
section were at least eighty-four thousand dollars during the
twelve-month period ending on the thirtieth day of June of the
preceding calendar year.

(3) Except as required by divisions (B)(1) and (2) of this
section, if an employer's actual or required payments were more
than two thousand dollars during the twelve-month period ending
on the thirtieth day of June of the preceding calendar year, the
employer shall make the payment of undeposited taxes for each
month during which they were required to be withheld no later
than fifteen days following the last day of that month. The
employer shall file the return prescribed by the tax
commissioner with the payment.

(4) Except as required by divisions (B)(1), (2), and (3)
of this section, an employer shall make the payment of
undeposited taxes for each calendar quarter during which they
were required to be withheld no later than the last day of the
month following the last day of March, June, September, and December each year. The employer shall file the return prescribed by the tax commissioner with the payment.

(C) The return and payment schedules prescribed by divisions (B)(1) and (2) of this section do not apply to the return and payment of undeposited school district income taxes arising from taxes levied pursuant to Chapter 5748. of the Revised Code. Undeposited school district income taxes shall be returned and paid pursuant to divisions (B)(3) and (4) of this section, as applicable.

(D)(1) The requirements of division (B) of this section are met if the amount paid is not less than ninety-five per cent of the actual tax withheld or required to be withheld for the prior quarterly, monthly, or partial weekly withholding period, and the underpayment is not due to willful neglect. Any underpayment of withheld tax shall be paid within thirty days of the date on which the withheld tax was due without regard to division (D)(1) of this section. An employer described in division (B)(1) or (2) of this section shall make the payment by electronic funds transfer under section 5747.072 of the Revised Code.

(2) If the tax commissioner believes that quarterly or monthly payments would result in a delay that might jeopardize the remittance of withholding payments, the commissioner may order that the payments be made weekly, or more frequently if necessary, and the payments shall be made no later than three banking days following the close of the period for which the jeopardy order is made. An order requiring weekly or more frequent payments shall be delivered to the employer personally or by certified mail and remains in effect until the
(3) If compelling circumstances exist concerning the remittance of undeposited taxes, the commissioner may order the employer to make payments under any of the payment schedules under division (B) of this section. The order shall be delivered to the employer personally or by certified mail and shall remain in effect until the commissioner notifies the employer to the contrary. For purposes of division (D)(3) of this section, "compelling circumstances" exist if either or both of the following are true:

(a) Based upon annualization of payments made or required to be made during the preceding calendar year and during the current calendar year, the employer would be required for the next calendar year to make payments under division (B)(2) of this section.

(b) Based upon annualization of payments made or required to be made during the current calendar year, the employer would be required for the next calendar year to make payments under division (B)(2) of this section.

(E)(1) An employer described in division (B)(1) or (2) of this section shall file, not later than the last day of the month following the end of each calendar quarter, a return covering, but not limited to, both the actual amount deducted and withheld and the amount required to be deducted and withheld for the tax imposed under section 5747.02 of the Revised Code during each partial weekly withholding period or portion of a partial weekly withholding period during that quarter. The employer shall file the quarterly return even if the aggregate amount required to be deducted and withheld for the quarter is zero dollars. At the time of filing the return, the employer
shall pay any amounts of undeposited taxes for the quarter, 17233
whether actually deducted and withheld or required to be 17234
deducted and withheld, that have not been previously paid. If 17235
required under division (I) of this section, the payment shall 17236
be made by electronic funds transfer. The tax commissioner shall 17237
prescribe the form and other requirements of the quarterly 17238
return.

(2) In addition to other returns required to be filed and 17239
payments required to be made under this section, every employer 17240
required to deduct and withhold taxes shall file, not later than 17241
the thirty-first day of January of each year, an annual return 17242
covering, but not limited to, both the aggregate amount deducted 17243
and withheld and the aggregate amount required to be deducted 17244
and withheld during the entire preceding year for the tax 17245
imposed under section 5747.02 of the Revised Code and for each 17246
tax imposed under Chapter 5748. of the Revised Code. At the time 17247
of filing that return, the employer shall pay over any amounts 17248
of undeposited taxes for the preceding year, whether actually 17249
deducted and withheld or required to be deducted and withheld, 17250
that have not been previously paid. The employer shall make the 17251
annual report, to each employee and to the tax commissioner, of 17252
the compensation paid and each tax withheld, as the commissioner 17253
by rule may prescribe.

Each employer required to deduct and withhold any tax is 17254
liable for the payment of that amount required to be deducted 17255
and withheld, whether or not the tax has in fact been withheld, 17256
unless the failure to withhold was based upon the employer's 17257
good faith in reliance upon the statement of the employee as to 17258
liability, and the amount shall be deemed to be a special fund 17259
in trust for the general revenue fund.
(F) Each employer shall file with the employer's annual return the following items of information on employees for whom withholding is required under section 5747.06 of the Revised Code:

(1) The full name of each employee, the employee's address, the employee's school district of residence, and in the case of a nonresident employee, the employee's principal county of employment;

(2) The social security number of each employee;

(3) The total amount of compensation paid before any deductions to each employee for the period for which the annual return is made;

(4) The amount of the tax imposed by section 5747.02 of the Revised Code and the amount of each tax imposed under Chapter 5748 of the Revised Code withheld from the compensation of the employee for the period for which the annual return is made. The commissioner may extend upon good cause the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions of time. If the extension results in an extension of time for the payment of the amounts withheld with respect to which the return is filed, the employer shall pay, at the time the amount withheld is paid, an amount of interest computed at the rate per annum prescribed by section 5703.47 of the Revised Code on that amount withheld, from the day that amount was originally required to be paid to the day of actual payment or to the day an assessment is issued under section 5747.13 of the Revised Code, whichever occurs first.

(5) In addition to all other interest charges and
penalties imposed, all amounts of taxes withheld or required to
be withheld and remaining unpaid after the day the amounts are
required to be paid shall bear interest from the date prescribed
for payment at the rate per annum prescribed by section 5703.47
of the Revised Code on the amount unpaid, in addition to the
amount withheld, until paid or until the day an assessment is
issued under section 5747.13 of the Revised Code, whichever
occurs first.

(G) An employee of a corporation, limited liability
company, or business trust having control or supervision of or
charged with the responsibility of filing the report and making
payment, or an officer, member, manager, or trustee of a
corporation, limited liability company, or business trust who is
responsible for the execution of the corporation's, limited
liability company's, or business trust's fiscal
responsibilities, shall be personally liable for failure to file
the report or pay the tax due as required by this section. The
dissolution, termination, or bankruptcy of a corporation,
limited liability company, or business trust does not discharge
a responsible officer's, member's, manager's, employee's, or
trustee's liability for a failure of the corporation, limited
liability company, or business trust to file returns or pay tax
due.

(H) If an employer required to deduct and withhold income
tax from compensation and to pay that tax to the state under
sections 5747.06 and 5747.07 of the Revised Code sells the
employer's business or stock of merchandise or quits the
employer's business, the taxes required to be deducted and
withheld and paid to the state pursuant to those sections prior
to that time, together with any interest and penalties imposed
on those taxes, become due and payable immediately, and that
person shall make a final return within fifteen days after the
date of selling or quitting business. The employer's successor
shall withhold a sufficient amount of the purchase money to
cover the amount of the taxes, interest, and penalties due and
unpaid, until the former owner produces a receipt from the tax
commissioner showing that the taxes, interest, and penalties
have been paid or a certificate indicating that no such taxes
are due. If the purchaser of the business or stock of
merchandise fails to withhold purchase money, the purchaser
shall be personally liable for the payment of the taxes,
interest, and penalties accrued and unpaid during the operation
of the business by the former owner. If the amount of taxes,
interest, and penalties outstanding at the time of the purchase
exceeds the total purchase money, the tax commissioner in the
commissioner's discretion may adjust the liability of the seller
or the responsibility of the purchaser to pay that liability to
maximize the collection of withholding tax revenue.

(I)(1) An employer described in division (I)(2) of this
section whose actual or required payments under this section
exceeded eighty-four thousand dollars during the twelve-month
period ending on the thirtieth day of June of the preceding
calendar year shall make all payments required by this section
for the year by electronic funds transfer under section 5747.072
of the Revised Code.

(2)(a) For 1994, an employer described in division (I)(2)
of this section is one whose actual or required payments under
this section exceeded five hundred thousand dollars during the
twelve-month period ending June 30, 1993.

(b) For 1995, an employer described in division (I)(2) of
this section is one whose actual or required payments under this
section exceeded five hundred thousand dollars during the

(c) For 1996, an employer described in division (I)(2) of
this section is one whose actual or required payments under this
section exceeded three hundred thousand dollars during the

(d) For 1997 through 2000, an employer described in
division (I)(2) of this section is one whose actual or required
payments under this section exceeded one hundred eighty thousand
dollars during the twelve-month period ending on the thirtieth
day of June of the preceding calendar year.

(e) For 2001 and thereafter, an employer described in
division (I)(2) of this section is one whose actual or required
payments under this section exceeded eighty-four thousand
dollars during the twelve-month period ending on the thirtieth
day of June of the preceding calendar year.

(J)(1) Every professional employer organization and every
professional employer organization reporting entity shall file a
report with the tax commissioner within thirty days after
commencing business in this state or within thirty days after
the effective date of this amendment, whichever is later, that
includes all of the following information:

(a) The name, address, number the employer receives from
the secretary of state to do business in this state, if
applicable, and federal employer identification number of each
client employer of the professional employer organization or
professional employer organization reporting entity;

(b) The date that each client employer became a client of
the professional employer organization or professional employer
organization reporting entity;

(c) The names and mailing addresses of the chief executive officer and the chief financial officer of each client employer for taxation of the client employer.

(2) Beginning with the calendar quarter ending after a professional employer organization or professional employer organization reporting entity files the report required under division (J)(1) of this section, and every calendar quarter thereafter, the professional employer organization or the professional employer organization reporting entity shall file an updated report with the tax commissioner. The professional employer organization or professional employer organization reporting entity shall file the updated report not later than the last day of the month following the end of the calendar quarter and shall include all of the following information in the report:

(a) If an entity became a client employer of the professional employer organization or professional employer organization reporting entity at any time during the calendar quarter, all of the information required under division (J)(1) of this section for each new client employer;

(b) If an entity terminated the professional employer organization agreement between the professional employer organization or professional employer organization reporting entity and the entity at any time during the calendar quarter, the information described in division (J)(1)(a) of this section for that entity, the date during the calendar quarter that the entity ceased being a client of the professional employer organization or professional employer organization reporting entity, if applicable, or the date the entity ceased business.
operations in this state, if applicable;

   (c) If the name or mailing address of the chief executive
   officer or the chief financial officer of a client employer has
   changed since the professional employer organization or
   professional employer organization reporting entity previously
   submitted a report under division (J)(1) or (2) of this section,
   the updated name or mailing address, or both, of the chief
   executive officer or the chief financial officer, as applicable;

   (d) If none of the events described in divisions (J)(2)(a)
   to (c) of this section occurred during the calendar quarter, a
   statement of that fact.

Sec. 5747.082. (A) As used in this section:

(1) "Electronic technology" means electronic technology
   acceptable to the tax commissioner under division (B) of this
   section.

(2) "Original tax return" means any report, return, or
   other tax document required to be filed under this chapter for
   the purpose of reporting the taxes due under, and withholdings
   required by, this chapter. "Original tax return" does not
   include an amended return or any declaration or form required by
   or filed in connection with section 5747.09 of the Revised Code.

(3) "Related member" has the same meaning as in section
   5733.042 of the Revised Code.

(4) "Tax return preparer" means any person that operates a
   business that prepares, or directly or indirectly employs
   another person to prepare, for a taxpayer an original tax return
   in exchange for compensation or remuneration from the taxpayer
   or the taxpayer's related member. With respect to the
   preparation of a return or application for refund under this
chapter, "tax return preparer" does not include an individual who performs only one or more of the following activities:

(a) Furnishes typing, reproducing, or other mechanical assistance;

(b) Prepares an application for refund or a return on behalf of an employer by whom the individual is regularly and continuously employed, or on behalf of an officer or employee of that employer;

(c) Prepares as a fiduciary an application for refund or a return;

(d) Prepares an application for refund or a return for a taxpayer in response to a notice of deficiency issued to the taxpayer or the taxpayer's related member, or in response to a waiver of restriction after the commencement of an audit of the taxpayer or the taxpayer's related member.

(B) Divisions (C) and (D) of this section apply to the filing of original tax returns that are due in a calendar year only if the tax commissioner, by the last day of the calendar year immediately preceding the calendar year in which such returns are due, has published on the department of taxation's official internet web site at least one method of electronic technology acceptable to the commissioner for filing such returns.

(C) A tax return preparer that prepares more than seventy-five original tax returns during any calendar year that ends before January 1, 2013, or that prepares more than eleven original tax returns during any calendar year that begins on or after January 1, 2013, shall use electronic technology to file with the tax commissioner all original tax returns prepared by
the tax return preparer. This division does not apply to a tax
return preparer in any calendar year that ends before January 1, 2013, if, during the previous calendar year, the tax return
preparer prepared no more than twenty-five original tax returns. This division does not apply to a tax return preparer in any calendar year that begins on or after January 1, 2013, if,
during the previous calendar year, the tax return preparer prepared not more than ten original tax returns.

(D) If a tax return preparer required by this section to submit original tax returns by electronic technology files an original tax return by some means other than by electronic technology, the tax commissioner shall impose a penalty of fifty dollars for each return, in excess of seventy-five in calendar year 2010, 2011, or 2012, or in excess of eleven in any calendar year thereafter, that is not filed by electronic technology. Upon good cause shown by the tax return preparer, the tax commissioner may waive all or any portion of the penalty or may refund all or any portion of the penalty the tax return preparer has paid.

Sec. 5747.11. (A) The tax commissioner shall refund to employers, qualifying entities, or taxpayers subject to a tax imposed under section 5733.41, 5747.02, or 5747.41, or Chapter 5748. of the Revised Code the amount of any overpayment of such tax.

(B) Except as otherwise provided under divisions (D) and (E) of this section, applications for refund shall be filed with the tax commissioner, on the form prescribed by the commissioner, within four years from the date of the illegal, erroneous, or excessive payment of the tax, or within any additional period allowed by division (B)(3)(b) of section
5747.05, division (E) of section 5747.10, division (A) of section 5747.13, or division (C) of section 5747.45 of the Revised Code.

On filing of the refund application, the commissioner shall determine the amount of refund due and, if that amount exceeds one dollar, certify such amount to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code. Payment shall be made as provided in division (C) of section 126.35 of the Revised Code.

(C)(1) Interest shall be allowed and paid at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts refunded with respect to the tax imposed under section 5747.02 or Chapter 5748. of the Revised Code from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the return is filed, whichever is later, no interest shall be allowed on such overpayment. If the overpayment results from the carryback of a net operating loss or net capital loss to a previous taxable year, the overpayment is deemed not to have been made prior to the filing date, including any extension thereof, for the taxable year in which the net operating loss or net capital loss arises. For purposes of the payment of interest on overpayments, no amount of tax, for any taxable year, shall be treated as having been paid before the date on which the tax return for that year was due without regard to any extension of time for filing such return.

(2) Interest shall be allowed at the rate per annum prescribed by section 5703.47 of the Revised Code on amounts
refunded with respect to the taxes imposed under sections 5733.41 and 5747.41 of the Revised Code. The interest shall run from whichever of the following days is the latest until the day the refund is paid: the day the illegal, erroneous, or excessive payment was made; the ninetieth day after the final day the annual report was required to be filed under section 5747.42 of the Revised Code; or the ninetieth day after the day that report was filed.

(D) "Ninety days" shall be substituted for "four years" in division (B) of this section if the taxpayer satisfies both of the following conditions:

(1) The taxpayer has applied for a refund based in whole or in part upon section 5747.059 of the Revised Code;

(2) The taxpayer asserts that either the imposition or collection of the tax imposed or charged by this chapter or any portion of such tax violates the Constitution of the United States or the Constitution of Ohio.

(E)(1) Division (E)(2) of this section applies only if all of the following conditions are satisfied:

(a) A qualifying entity pays an amount of the tax imposed by section 5733.41 or 5747.41 of the Revised Code;

(b) The taxpayer is a qualifying investor as to that qualifying entity;

(c) The taxpayer did not claim the credit provided for in section 5747.059 of the Revised Code as to the tax described in division (E)(1)(a) of this section;

(d) The four-year period described in division (B) of this section has ended as to the taxable year for which the taxpayer
otherwise would have claimed that credit.

(2) A taxpayer shall file an application for refund pursuant to division (E) of this section within one year after the date the payment described in division (E)(1)(a) of this section is made. An application filed under division (E)(2) of this section shall claim refund only of overpayments resulting from the taxpayer's failure to claim the credit described in division (E)(1)(c) of this section. Nothing in division (E) of this section shall be construed to relieve a taxpayer from complying with division (A)(16) of section 5747.01 of the Revised Code.

Sec. 5747.231. As used in this section, "adjusted qualifying amount" has the same meaning as in section 5733.40 of the Revised Code.

This section does not apply to division (BB)(AA)(5)(a)(ii) of section 5747.01 of the Revised Code.

Except as set forth in this section and except as otherwise provided in divisions (A) and (B) of section 5733.401 of the Revised Code, in making all apportionment, allocation, income, gain, loss, deduction, tax, and credit computations under this chapter, each person shall include in that person's items of business income, nonbusiness income, adjusted qualifying amounts, allocable income or loss, apportionable income or loss, property, compensation, and sales, the person's entire distributive share or proportionate share of the items of business income, nonbusiness income, adjusted qualifying amounts, allocable income or loss, apportionable income or loss, property, compensation, and sales of any pass-through entity in which the person has a direct or indirect ownership interest at any time during the person's taxable year. A pass-through
entity's direct or indirect distributive share or proportionate share of any other pass-through entity's items of business income, nonbusiness income, adjusted qualifying amounts, allocable income or loss, apportionable income or loss, property, compensation, and sales shall be included for the purposes of computing the person's distributive share or proportionate share of the pass-through entity's items of business income, nonbusiness income, adjusted qualifying amounts, allocable income or loss, apportionable income or loss, property, compensation, and sales under this section. Those items shall be in the same form as was recognized by the pass-through entity.

Sec. 5747.41. For the same purposes for which the tax is levied under section 5747.02 of the Revised Code, there is hereby levied a withholding tax on every qualifying pass-through entity having at least one qualifying investor who is an individual and on every qualifying trust having at least one qualifying beneficiary who is an individual. The withholding tax imposed by this section is imposed on the sum of the adjusted qualifying amounts of a qualifying pass-through entity's qualifying investors who are individuals and on the sum of the adjusted qualifying amounts of a qualifying trust's qualifying beneficiaries, at the rate of five per cent of that sum.

The tax imposed by this section applies only if the qualifying entity has nexus with this state under the Constitution of the United States for any portion of the qualifying entity's qualifying taxable year, and the sum of the qualifying entity's adjusted qualifying amounts exceeds one thousand dollars for the qualifying entity's qualifying taxable year.
The levy of the tax under this section does not prevent a municipal corporation or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Revised Code from levying a tax on income.

**Sec. 5747.51.** (A) On or before the twenty-fifth day of July of each year, the tax commissioner shall make and certify to the county auditor of each county an estimate of the amount of the local government fund to be allocated to the undivided local government fund of each county for the ensuing calendar year, adjusting the total as required to account for subdivisions receiving local government funds under section 5747.502 of the Revised Code.

(B) At each annual regular session of the county budget commission convened pursuant to section 5705.27 of the Revised Code, each auditor shall present to the commission the certificate of the commissioner, the annual tax budget and estimates, and the records showing the action of the commission in its last preceding regular session. The commission, after extending to the representatives of each subdivision an opportunity to be heard, under oath administered by any member of the commission, and considering all the facts and information presented to it by the auditor, shall determine the amount of the undivided local government fund needed by and to be apportioned to each subdivision for current operating expenses, as shown in the tax budget of the subdivision. This determination shall be made pursuant to divisions (C) to (I) of this section, unless the commission has provided for a formula pursuant to section 5747.53 of the Revised Code. The commissioner shall reduce the amount of funds from the undivided local government fund to a subdivision required to receive reduced funds under section 5747.502 of the Revised Code.
Nothing in this section prevents the budget commission, for the purpose of apportioning the undivided local government fund, from inquiring into the claimed needs of any subdivision as stated in its tax budget, or from adjusting claimed needs to reflect actual needs. For the purposes of this section, "current operating expenses" means the lawful expenditures of a subdivision, except those for permanent improvements and except payments for interest, sinking fund, and retirement of bonds, notes, and certificates of indebtedness of the subdivision.

(C) The commission shall determine the combined total of the estimated expenditures, including transfers, from the general fund and any special funds other than special funds established for road and bridge; street construction, maintenance, and repair; state highway improvement; and gas, water, sewer, and electric public utilities operated by a subdivision, as shown in the subdivision's tax budget for the ensuing calendar year.

(D) From the combined total of expenditures calculated pursuant to division (C) of this section, the commission shall deduct the following expenditures, if included in these funds in the tax budget:

(1) Expenditures for permanent improvements as defined in division (E) of section 5705.01 of the Revised Code;

(2) In the case of counties and townships, transfers to the road and bridge fund, and in the case of municipalities, transfers to the street construction, maintenance, and repair fund and the state highway improvement fund;

(3) Expenditures for the payment of debt charges;

(4) Expenditures for the payment of judgments.
(E) In addition to the deductions made pursuant to division (D) of this section, revenues accruing to the general fund and any special fund considered under division (C) of this section from the following sources shall be deducted from the combined total of expenditures calculated pursuant to division (C) of this section:

(1) Taxes levied within the ten-mill limitation, as defined in section 5705.02 of the Revised Code;

(2) The budget commission allocation of estimated county public library fund revenues to be distributed pursuant to section 5747.48 of the Revised Code;

(3) Estimated unencumbered balances as shown on the tax budget as of the thirty-first day of December of the current year in the general fund, but not any estimated balance in any special fund considered in division (C) of this section;

(4) Revenue, including transfers, shown in the general fund and any special funds other than special funds established for road and bridge; street construction, maintenance, and repair; state highway improvement; and gas, water, sewer, and electric public utilities, from all other sources except those that a subdivision receives from an additional tax or service charge voted by its electorate or receives from special assessment or revenue bond collection. For the purposes of this division, where the charter of a municipal corporation prohibits the levy of an income tax, an income tax levied by the legislative authority of such municipal corporation pursuant to an amendment of the charter of that municipal corporation to authorize such a levy represents an additional tax voted by the electorate of that municipal corporation. For the purposes of this division, any measure adopted by a board of county
commissioners pursuant to section 322.02, 4504.02, or 5739.021 of the Revised Code, including those measures upheld by the electorate in a referendum conducted pursuant to section 322.021, 4504.021, or 5739.022 of the Revised Code, shall not be considered an additional tax voted by the electorate.

Subject to division (G) of section 5705.29 of the Revised Code, money in a reserve balance account established by a county, township, or municipal corporation under section 5705.13 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Money in a reserve balance account established by a township under section 5705.132 of the Revised Code shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section.

If a county, township, or municipal corporation has created and maintains a nonexpendable trust fund under section 5705.131 of the Revised Code, the principal of the fund, and any additions to the principal arising from sources other than the reinvestment of investment earnings arising from such a fund, shall not be considered an unencumbered balance or revenue under division (E)(3) or (4) of this section. Only investment earnings arising from investment of the principal or investment of such additions to principal may be considered an unencumbered balance or revenue under those divisions.

(F) The total expenditures calculated pursuant to division (C) of this section, less the deductions authorized in divisions (D) and (E) of this section, shall be known as the "relative need" of the subdivision, for the purposes of this section.

(G) The budget commission shall total the relative need of all participating subdivisions in the county, and shall compute...
a relative need factor by dividing the total estimate of the undivided local government fund by the total relative need of all participating subdivisions.

(H) The relative need of each subdivision shall be multiplied by the relative need factor to determine the proportionate share of the subdivision in the undivided local government fund of the county; provided, that the maximum proportionate share of a county shall not exceed the following maximum percentages of the total estimate of the undivided local government fund governed by the relationship of the percentage of the population of the county that resides within municipal corporations within the county to the total population of the county as reported in the reports on population in Ohio by the department of development as of the twentieth day of July of the year in which the tax budget is filed with the budget commission:

Where the proportionate share of the county exceeds the limitations established in this division, the budget commission...
shall adjust the proportionate shares determined pursuant to this division so that the proportionate share of the county does not exceed these limitations, and it shall increase the proportionate shares of all other subdivisions on a pro rata basis. In counties having a population of less than one hundred thousand, not less than ten per cent shall be distributed to the townships therein.

(I) The proportionate share of each subdivision in the undivided local government fund determined pursuant to division (H) of this section for any calendar year shall not be less than the product of the average of the percentages of the undivided local government fund of the county as apportioned to that subdivision for the calendar years 1968, 1969, and 1970, multiplied by the total amount of the undivided local government fund of the county apportioned pursuant to former section 5739.23 of the Revised Code for the calendar year 1970.

For the purposes of this division, the total apportioned amount for the calendar year 1970 shall be the amount actually allocated to the county in 1970 from the state collected intangible tax as levied by section 5707.03 of the Revised Code and distributed pursuant to section 5725.24 of the Revised Code, plus the amount received by the county in the calendar year 1970 pursuant to division (B)(1) of former section 5739.21 of the Revised Code, and distributed pursuant to former section 5739.22 of the Revised Code. If the total amount of the undivided local government fund for any calendar year is less than the amount of the undivided local government fund apportioned pursuant to former section 5739.23 of the Revised Code for the calendar year 1970, the minimum amount guaranteed to each subdivision for that calendar year pursuant to this division shall be reduced on a basis proportionate to the amount by which the amount of the

undivided local government fund for that calendar year is less than the amount of the undivided local government fund apportioned for the calendar year 1970.

(J) On the basis of such apportionment, the county auditor shall compute the percentage share of each such subdivision in the undivided local government fund and shall at the same time certify to the tax commissioner the percentage share of the county as a subdivision. No payment shall be made from the undivided local government fund, except in accordance with such percentage shares.

Within ten days after the budget commission has made its apportionment, whether conducted pursuant to section 5747.51 or 5747.53 of the Revised Code, the auditor shall publish a list of the subdivisions and the amount each is to receive from the undivided local government fund and the percentage share of each subdivision, in a newspaper or newspapers of countywide circulation, and send a copy of such allocation to the tax commissioner.

The county auditor shall also send a copy of such allocation by ordinary or electronic mail to the fiscal officer of each subdivision entitled to participate in the allocation of the undivided local government fund of the county. This copy shall constitute the official notice of the commission action referred to in section 5705.37 of the Revised Code.

All money received into the treasury of a subdivision from the undivided local government fund in a county treasury shall be paid into the general fund and used for the current operating expenses of the subdivision.

If a municipal corporation maintains a municipal
university, such municipal university, when the board of trustees so requests the legislative authority of the municipal corporation, shall participate in the money apportioned to such municipal corporation from the total local government fund, however created and constituted, in such amount as requested by the board of trustees, provided such sum does not exceed nine per cent of the total amount paid to the municipal corporation.

If any public official fails to maintain the records required by sections 5747.50 to 5747.55 of the Revised Code or by the rules issued by the tax commissioner, the auditor of state, or the treasurer of state pursuant to such sections, or fails to comply with any law relating to the enforcement of such sections, the local government fund money allocated to the county may be withheld until such time as the public official has complied with such sections or such law or the rules issued pursuant thereto.

**Sec. 5747.52.** The form used by the county budget commission to calculate subdivision shares of the undivided local government fund as apportioned pursuant to section 5747.51 of the Revised Code shall be as follows:

Sec. 5748.08. (A) The board of education of a city, local, or exempted village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that it may be necessary for the school district to do all of the following:

(1) Raise a specified amount of money for school district purposes by levying an annual tax on school district income;

(2) Issue general obligation bonds for permanent improvements, stating in the resolution the necessity and purpose of the bond issue and the amount, approximate date, estimated rate of interest, and maximum number of years over which the principal of the bonds may be paid;

(3) Levy a tax outside the ten-mill limitation to pay debt charges on the bonds and any anticipatory securities;

(4) Submit the question of the school district income tax and bond issue to the electors of the district at a special election.

defined in division (E)(1)(b) of that section.

On adoption of the resolution, the board shall certify a copy of it to the tax commissioner and the county auditor no later than one hundred five days prior to the date of the special election at which the board intends to propose the income tax and bond issue. Not later than ten days of receipt of the resolution, the tax commissioner, in the same manner as required by division (A) of section 5748.02 of the Revised Code, shall estimate the rates designated in divisions (A)(1) and (2) of that section and certify them to the board. Not later than ten days of receipt of the resolution, the county auditor shall estimate and certify to the board the average annual property tax rate required throughout the stated maturity of the bonds to pay debt charges on the bonds, in the same manner as under division (C) of section 133.18 of the Revised Code.

(B) On receipt of the tax commissioner's and county auditor's certifications prepared under division (A) of this section, the board of education of the city, local, or exempted village school district, by a vote of two-thirds of all its members, may adopt a resolution proposing for a specified number of years or for a continuing period of time the levy of an annual tax for school district purposes on school district income and declaring that the amount of taxes that can be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district; that it is necessary to issue general obligation bonds of the school district for specified permanent improvements and to levy an additional tax in excess of the ten-mill limitation to pay the debt charges on the bonds and any anticipatory securities; and that the question of the bonds and taxes shall be submitted to the electors of the school district.
at a special election, which shall not be earlier than ninety 18011

days after certification of the resolution to the board of 18012
elections, and the date of which shall be consistent with 18013
section 3501.01 of the Revised Code. The resolution shall 18014
specify all of the following:

(1) The purpose for which the school district income tax 18016
is to be imposed and the rate of the tax, which shall be the 18017
rate set forth in the tax commissioner's certification rounded 18018

(2) Whether the income that is to be subject to the tax is 18020
taxable income of individuals and estates as defined in 18021
divisions (E)(1)(a) and (2) of section 5748.01 of the Revised 18022

(1)(b) of that section. The specification shall be the same as 18024
the specification in the resolution adopted and certified under 18025
division (A) of this section.

(3) The number of years the tax will be levied, or that it 18027
will be levied for a continuing period of time;

(4) The date on which the tax shall take effect, which 18029
shall be the first day of January of any year following the year 18030
in which the question is submitted;

(5) The county auditor's estimate of the average annual 18032
property tax rate required throughout the stated maturity of the 18033
bonds to pay debt charges on the bonds.

(C) A resolution adopted under division (B) of this 18035
section shall go into immediate effect upon its passage, and no 18036
publication of the resolution shall be necessary other than that 18037
provided for in the notice of election. Immediately after its 18038
adoption and at least ninety days prior to the election at which 18039
the question will appear on the ballot, the board of education shall certify a copy of the resolution, along with copies of the auditor's estimate and its resolution under division (A) of this section, to the board of elections of the proper county. The board of education shall make the arrangements for the submission of the question to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers.

The resolution shall be put before the electors as one ballot question, with a majority vote indicating approval of the school district income tax, the bond issue, and the levy to pay debt charges on the bonds and any anticipatory securities. The board of elections shall publish the notice of the election in a newspaper of general circulation in the school district once a week for two consecutive weeks, or as provided in section 7.16 of the Revised Code, prior to the election. If the board of elections operates and maintains a web site, it also shall post notice of the election on its web site for thirty days prior to the election. The notice of election shall state all of the following:

1. The questions to be submitted to the electors;
2. The rate of the school district income tax;
3. The principal amount of the proposed bond issue;
4. The permanent improvements for which the bonds are to be issued;

6. The estimated additional average annual property tax
rate to pay the debt charges on the bonds, as certified by the county auditor;

(7) The time and place of the special election.

(D) The form of the ballot on a question submitted to the electors under this section shall be as follows:

"Shall the ______ school district be authorized to do both of the following:

(1) Impose an annual income tax of ______ (state the proposed rate of tax) on the school district income of individuals and of estates, for ______ (state the number of years the tax would be levied, or that it would be levied for a continuing period of time), beginning ______ (state the date the tax would first take effect), for the purpose of ______ (state the purpose of the tax)?

(2) Issue bonds for the purpose of ______ in the principal amount of $______, to be repaid annually over a maximum period of ______ years, and levy a property tax outside the ten-mill limitation estimated by the county auditor to average over the bond repayment period ______ mills for each one dollar of tax valuation, which amounts to ______ (rate expressed in cents or dollars and cents, such as "36 cents" or "$1.41") for each $100 of tax valuation, to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds?

FOR THE INCOME TAX AND BOND ISSUE
AGAINST THE INCOME TAX AND BOND ISSUE

(E) If the question submitted to electors proposes a school district income tax only on the taxable income of individuals as defined in division (E)(1)(b) of section 5748.01 of the Revised Code, the form of the ballot shall be modified by stating that the tax is to be levied on the "earned income of individuals residing in the school district" in lieu of the "school district income of individuals and of estates."

(F) The board of elections promptly shall certify the results of the election to the tax commissioner and the county auditor of the county in which the school district is located. If a majority of the electors voting on the question vote in favor of it, the income tax and the applicable provisions of Chapter 5747. of the Revised Code shall take effect on the date specified in the resolution, and the board of education may proceed with issuance of the bonds and with the levy and collection of the property taxes to pay debt charges on the bonds, at the additional rate or any lesser rate in excess of the ten-mill limitation. Any securities issued by the board of education under this section are Chapter 133. securities, as that term is defined in section 133.01 of the Revised Code.

(G) After approval of a question under this section, the board of education may anticipate a fraction of the proceeds of the school district income tax in accordance with section 5748.05 of the Revised Code. Any anticipation notes under this division shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.
(H) The question of repeal of a school district income tax levied for more than five years may be initiated and submitted in accordance with section 5748.04 of the Revised Code.

(I) No board of education shall submit a question under this section to the electors of the school district more than twice in any calendar year. If a board submits the question twice in any calendar year, one of the elections on the question shall be held on the date of the general election.

Sec. 5748.09. (A) The board of education of a city, local, or exempted village school district, at any time by a vote of two-thirds of all its members, may declare by resolution that it may be necessary for the school district to do all of the following:

(1) Raise a specified amount of money for school district purposes by levying an annual tax on school district income;

(2) Levy an additional property tax in excess of the ten-mill limitation for the purpose of providing for the necessary requirements of the district, stating in the resolution the amount of money to be raised each year for such purpose;

(3) Submit the question of the school district income tax and property tax to the electors of the district at a special election.

The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section.

On adoption of the resolution, the board shall certify a copy of it to the tax commissioner and the county auditor not
later than one hundred days prior to the date of the special

and property tax. Not later than ten days after receipt of the
resolution, the tax commissioner, in the same manner as required
by division (A) of section 5748.02 of the Revised Code, shall
estimate the rates designated in divisions (A)(1) and (2) of
that section and certify them to the board. Not later than ten

it to the board.

(B) On receipt of the tax commissioner's and county
auditor's certifications prepared under division (A) of this
section, the board of education of the city, local, or exempted
village school district, by a vote of two-thirds of all its
members, may adopt a resolution declaring that the amount of
taxes that can be raised by all tax levies the district is
authorized to impose, when combined with state and federal
revenues, will be insufficient to provide an adequate amount for
the present and future requirements of the school district, and
that it is therefore necessary to levy, for a specified number
of years or for a continuing period of time, an annual tax for
school district purposes on school district income, and to levy,
for a specified number of years not exceeding ten or for a
continuing period of time, an additional property tax in excess
of the ten-mill limitation for the purpose of providing for the
necessary requirements of the district, and declaring that the
question of the school district income tax and property tax
shall be submitted to the electors of the school district at a

dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation, estimated by the county auditor under division (A) of this section.

(C) A resolution adopted under division (B) of this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. Immediately after its adoption and at least ninety days prior to the election at which the question will appear on the ballot, the board of education shall certify a copy of the resolution, along with copies of the county auditor’s certification and the resolution under division (A) of this section, to the board of elections of the proper county. The board of education shall make the arrangements for the submission of the question to the electors of the school district, and the election shall be conducted, canvassed, and certified in the same manner as regular elections in the district for the election of county officers.

the first Monday in February and August, during the last year
the property tax levy to be renewed may be extended on the real

(z) Qualifying distribution center receipts as determined
under section 5751.40 of the Revised Code.
(i) For purposes of division (F)(2)(z) of this section:

(I) "Qualifying distribution center receipts" means receipts of a supplier from qualified property that is delivered to a qualified distribution center, multiplied by a quantity that equals one minus the Ohio delivery percentage. If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.

(II) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.

(III) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer
group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(IV) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(V) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner. The application and annual fee shall be filed and paid for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be situated outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period. (For purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.) The commissioner may require the applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required...
for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(VII) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(VIII) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.

(IX) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, Inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

(X) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a
distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties. The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(ii)(I) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be sitused outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability. (For purposes of division (F)(2)(z)(ii) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.)

(II) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the
business operations of the distribution center have changed or
will change such that the distribution center will qualify as a
qualified distribution center within thirty-six months after the
date the operator first applies for a certificate. If, at the
date at the end of that thirty-six-month period, the business operations of
the distribution center have not changed such that the
distribution center qualifies as a qualified distribution
center, the operator of the distribution center shall pay the
ineligible operator's supplier tax liability for each year that
the distribution center received a certificate but did not
qualify as a qualified distribution center. For each year the
distribution center receives a certificate under division (F)(2)
(z)(ii)(II) of this section, the distribution center shall pay
all applicable fees required under division (F)(2)(z) of this
section and shall submit an updated business plan showing the
progress the distribution center made toward qualifying as a
qualified distribution center during the preceding year.

(III) An operator may appeal a determination under
division (F)(2)(z)(ii)(I) or (II) of this section that the
ineligible operator is liable for the operator's supplier tax
liability as a result of not qualifying as a qualified
distribution center, as provided in section 5717.02 of the
Revised Code.

(iii) When filing an application for a qualifying
certificate under division (F)(2)(z)(i)(VI) of this section, the
operator of a qualified distribution center also shall provide
documentation, as the commissioner requires, for the
commissioner to ascertain the Ohio delivery percentage. The
commissioner, upon issuing the qualifying certificate, also
shall certify the Ohio delivery percentage. The operator of the
qualified distribution center may appeal the commissioner's
certification of the Ohio delivery percentage in the same manner as an appeal is taken from the denial of a qualifying certificate under division (F)(2)(z)(i)(VI) of this section.

(iv)(I) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (F)(2)(z)(iii) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(II) The operator of a distribution center that receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section shall make a good faith estimate of the Ohio delivery percentage that the operator estimates will apply to the distribution center at the end of the thirty-six-month period after the operator first applied for a qualifying certificate under that division. The result of the estimate shall be multiplied by a factor of one and seventy-five one-hundredths.
The product of that calculation shall be the Ohio delivery percentage used by suppliers in their reports of taxable gross receipts for each qualifying year that the distribution center receives a qualifying certificate under division (F)(2)(z)(ii)(II) of this section, except that, if the product is less than five per cent, the Ohio delivery percentage used shall be five per cent and that, if the product exceeds forty-nine per cent, the Ohio delivery percentage used shall be forty-nine per cent.

(v) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this division shall not be subject to tax on the qualifying distribution center receipts under division (F)(2)(z) of this section. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(vi) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (F)(2)(z)(i)(VI) of this section. The first one hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the revenue enhancement fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(vii) The tax commissioner may require that adequate security be posted by the operator of the distribution center on
appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in division (F)(2)(z) of this section.

Within sixty days after receiving the application, the tax commissioner shall certify the zone for that purpose if the commissioner determines that the property qualifies as a uranium enrichment zone as defined in division (F)(2)(gg) of this section, or, if the tax commissioner determines that the property does not qualify, the commissioner shall deny the application or request additional information from the applicant. If the tax commissioner denies an application, the commissioner shall state the reasons for the denial. The applicant may appeal the denial of an application to
the board of tax appeals pursuant to section 5717.02 of the Revised Code. If the applicant files a timely appeal, the tax commissioner shall conditionally certify the applicant's property. The petition shall indicate the objections of the person assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination.

If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C)(1) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the person resides or has its principal place of business in this state, or in the office of the clerk of court of common pleas of Franklin county.

Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

Notice of the jeopardy assessment shall be served on the person assessed or the person's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the person assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid
balance of the assessment. Full or partial payment of the
assessment does not prejudice the commissioner's consideration
of the petition for reassessment.

(E) The tax commissioner shall immediately forward to the
treasurer of state all amounts the commissioner receives under
this section, and such amounts shall be considered as revenue
arising from the tax imposed under this chapter.

(F) Except as otherwise provided in this division, no

tax imposed under this chapter more than four years after the
due date for the filing of the return for the tax period for
which the tax was reported, or more than four years after the
return for the tax period was filed, whichever is later. The
time limit may be extended if both the taxpayer and the
commissioner consent in writing to the extension or enter into
an agreement waiving or extending the time limit. Any such
extension shall extend the four-year time limit in division (E)
of section 5751.08 of the Revised Code for the same period
of time. Nothing in this division bars an assessment against a
taxpayer that fails to file a return required by this chapter or
that files a fraudulent return.

(G) If the tax commissioner possesses information that
indicates that the amount of tax a taxpayer is required to pay
under this chapter exceeds the amount the taxpayer paid, the tax
commissioner may audit a sample of the taxpayer's gross receipts
over a representative period of time to ascertain the amount of
tax due, and may issue an assessment based on the audit. The tax
commissioner shall make a good faith effort to reach agreement
with the taxpayer in selecting a representative sample. The tax
commissioner may apply a sampling method only if the
commissioner has prescribed the method by rule.

(H) If the whereabouts of a person subject to this chapter is not known to the tax commissioner, the commissioner shall follow the procedures under section 5703.37 of the Revised Code.

If the qualified distribution center is a refining facility, "supplier" includes all dealers, brokers, processors, sellers, vendors, cosigners, and distributors of qualified property.

(2) "Qualified property" means tangible personal property delivered to a qualified distribution center that is shipped to that qualified distribution center solely for further shipping by the qualified distribution center to another location in this state or elsewhere or, in the case of gold, silver, platinum, or palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.

(3) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person...
that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(4) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(5) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(6) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner under division (B) of this section.

(8) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.
(9) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

Ineligible operator's supplier tax liability shall not include interest or penalties.

(B) For purposes of division (B) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.

(1) An application for a qualifying certificate to be a qualified distribution center shall be filed, and an annual fee paid, for each qualified distribution center on or before the first day of September before the qualifying year or within forty-five days after the distribution center opens, whichever is later. The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be sitused outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period.

The commissioner may require an applicant to have an
independent certified public accountant certify that the
calculation of the minimum thresholds required for a qualified
distribution center by the operator of a distribution center has
been made in accordance with generally accepted accounting
principles. The commissioner shall issue or deny the issuance of
a certificate within sixty days after the receipt of the
application. A denial is subject to appeal under section 5717.02
of the Revised Code. If the operator files a timely appeal under
section 5717.02 of the Revised Code, the operator shall be
granted a qualifying certificate effective for the remainder of
the qualifying year or until the appeal is finalized, whichever
is earlier. If the operator does not prevail in the appeal, the
operator shall pay the ineligible operator's supplier tax
liability.

(2) If the distribution center is new and was not open for
the entire qualifying period, the operator of the distribution
center may request that the commissioner grant a qualifying
certificate. If the certificate is granted and it is later
determined that more than fifty per cent of the qualified
property during that year was not shipped to a location such
that it would be sitused outside of this state under the
provisions of division (E) of section 5751.033 of the Revised
Code or if it is later determined that the person that operates
the distribution center had average monthly costs from its
suppliers of less than forty million dollars during that year,
then the operator of the distribution center shall pay the
ineligible operator's supplier tax liability.

(3) The commissioner may grant a qualifying certificate to
a distribution center that does not qualify as a qualified
distribution center for an entire qualifying period if the
operator of the distribution center demonstrates that the
business operations of the distribution center have changed or will change such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (B)(3) of this section, the distribution center shall pay all applicable fees required under this section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.

(4) An operator may appeal a determination under division (B)(1) or (2) of this section that the ineligible operator is liable for the operator's supplier tax liability as a result of not qualifying as a qualified distribution center, as provided in section 5717.02 of the Revised Code.

(C)(1) When filing an application for a qualifying certificate under division (B)(1) of this section, the operator of a qualified distribution center also shall provide documentation, as the commissioner requires, for the commissioner to ascertain the Ohio delivery percentage. The commissioner, upon issuing the qualifying certificate, also shall certify the Ohio delivery percentage. The operator of the qualified distribution center may appeal the commissioner's certification of the Ohio delivery percentage in the same manner.
as an appeal is taken from the denial of a qualifying certificate under division (B)(1) of this section.

(2) In the case where the distribution center is new and not open for the entire qualifying period, the operator shall make a good faith estimate of an Ohio delivery percentage for use by suppliers in their reports of taxable gross receipts for the remainder of the qualifying period. The operator of the facility shall disclose to the suppliers that such Ohio delivery percentage is an estimate and is subject to recalculation. By the due date of the next application for a qualifying certificate, the operator shall determine the actual Ohio delivery percentage for the estimated qualifying period and proceed as provided in division (C)(1) of this section with respect to the calculation and recalculation of the Ohio delivery percentage. The supplier is required to file, within sixty days after receiving notice from the operator of the qualified distribution center, amended reports for the impacted calendar quarter or quarters or calendar year, whichever the case may be. Any additional tax liability or tax overpayment shall be subject to interest but shall not be subject to the imposition of any penalty so long as the amended returns are timely filed.

(3) The operator of a distribution center that receives a qualifying certificate under division (B)(3) of this section shall make a good faith estimate of the Ohio delivery percentage that the operator estimates will apply to the distribution center at the end of the thirty-six-month period after the operator first applied for a qualifying certificate under that division. The result of the estimate shall be multiplied by a factor of one and seventy-five one-hundredths. The product of that calculation shall be the Ohio delivery percentage used by
suppliers in their reports of taxable gross receipts for each qualifying year that the distribution center receives a qualifying certificate under division (B)(3) of this section, except that, if the product is less than five per cent, the Ohio delivery percentage used shall be five per cent and that, if the product exceeds forty-nine per cent, the Ohio delivery percentage used shall be forty-nine per cent.

(D) Qualifying certificates and Ohio delivery percentages issued by the commissioner shall be open to public inspection and shall be timely published by the commissioner. A supplier relying in good faith on a certificate issued under this section shall not be subject to tax on the qualifying distribution center receipts under this section and division (F)(2)(z) of section 5751.01 of the Revised Code. An operator receiving a qualifying certificate is liable for the ineligible operator's supplier tax liability for each year the operator received a certificate but did not qualify as a qualified distribution center.

(E) The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(F) The annual fee for a qualifying certificate shall be one hundred thousand dollars for each qualified distribution center. If a qualifying certificate is not issued, the annual fee is subject to refund after the exhaustion of all appeals provided for in division (B)(1) of this section. The first one
hundred thousand dollars of the annual application fees collected each calendar year shall be credited to the revenue enhancement fund. The remainder of the annual application fees collected shall be distributed in the same manner required under section 5751.20 of the Revised Code.

(G) The tax commissioner may require that adequate security be posted by the operator of the distribution center on appeal when the commissioner disagrees that the applicant has met the minimum thresholds for a qualified distribution center as set forth in this section.

Sec. 5751.41. (A) As used in this section and division (F)(2)(gg) of section 5751.01 of the Revised Code:

(1) "Qualified uranium receipts" means receipts from the sale, exchange, lease, loan, production, processing, or other disposition of uranium within a uranium enrichment zone certified by the tax commissioner under division (B) of this section. division (F)(2)(gg) of section 5751.01 of the Revised Code. The application shall include such information that the tax commissioner prescribes. Within sixty days after receiving the application, the tax commissioner shall certify the zone for that purpose if the commissioner determines that the property qualifies as a uranium enrichment zone, or, if the tax commissioner determines that the property does not qualify, the commissioner shall deny the application or request additional information from the applicant. If the tax commissioner denies an application, the commissioner shall state the reasons for the denial. The applicant may appeal the denial of an application to the board of tax appeals pursuant to section 5717.02 of the Revised Code. If the applicant files a timely appeal, the tax commissioner shall conditionally certify the applicant's property. The conditional certification shall expire when all of the applicant's appeals are exhausted. Until final resolution of the appeal, the applicant shall retain the applicant's records in accordance with section 5751.12 of the Revised Code, notwithstanding any time limit on the preservation of records under that section.

(2) The commissioner shall multiply the amount in division (D)(1) of this section by the total amount of funds in the gross casino revenue county student fund to obtain the share of funds for each county.

(3) The commissioner shall multiply the amount in division (D)(2) of this section by the quotient of the student population certified for each individual district located in the county divided by the sum of the student population certified for all public school districts located in the county.

The commissioner shall distribute to each public school district the amount so calculated for each district.

hereby repealed. 19877  

Section 4. That Section 757.40 of H.B. 166 of the 133rd 19878  
General Assembly be amended to read as follows: 19879  

Sec. 757.40. (A) As used in this section: 19880  

(1) "Certificate owner" and "qualified rehabilitation 19881  
expenditures" have the same meanings as in section 149.311 of 19882  
the Revised Code. 19883
(2) "Taxpayer," "tax period," "excluded person," "combined taxpayer," and "consolidated elected taxpayer," have the same meanings as in section 5751.01 of the Revised Code.

(3) "Pass-through entity" has the same meaning as in section 5733.04 of the Revised Code.

(B) A taxpayer that is the certificate owner of a rehabilitation tax credit certificate issued under section 149.311 of the Revised Code may claim a credit against the tax levied by section 5751.02 of the Revised Code for tax periods ending on or before June 30, 2021, provided that the taxpayer is unable to claim the credit under section 5725.151, 5725.34, 5726.52, 5729.17, or 5747.76 of the Revised Code.

The credit shall equal the lesser of twenty-five per cent of the dollar amount of the qualified rehabilitation expenditures indicated on the certificate or five million dollars. The credit shall be claimed for the calendar year specified in the certificate and after the credits authorized in divisions (A)(1) to (4) division (B) of section 5751.50, division (B) of section 5751.53, and sections 5751.51 and 5751.52 of the Revised Code, but before the credits authorized in divisions (A)(5) to (7) of that division (A) of section 5751.50, division (C) of section 5751.53, and section 5751.54 of the Revised Code.

If the credit allowed for any calendar year exceeds the tax otherwise due under section 5751.02 of the Revised Code, after allowing for any other credits preceding the credit in the order prescribed by this section, the excess shall be refunded to the taxpayer. However, if any amount of the credit is refunded, the sum of the amount refunded and the amount applied to reduce the tax otherwise due for that year shall not exceed...
three million dollars. The taxpayer may carry forward any balance of the credit in excess of the amount claimed for that year for not more than five calendar years after the calendar year specified in the certificate, and shall deduct any amount claimed in any such year from the amount claimed in an ensuing year.

A person that is an excluded person may file a return under section 5751.051 of the Revised Code for the purpose of claiming the credit authorized in this section.

If the certificate owner is a pass-through entity, the credit may not be allocated among the entity's owners in proportions or amounts as the owners mutually agree unless either the owners are part of the same combined or consolidated elected taxpayer as the pass-through entity or the director of development services issued the certificate in the name of the pass-through entity's owners in the agreed-upon proportions or amounts. If the credit is allocated among those owners, an owner may claim the credit authorized in this section only if that owner is a corporation or an association taxed as a corporation for federal income tax purposes and is not a corporation that has made an election under Subchapter S of Chapter 1 of Subtitle A of the Internal Revenue Code.

The credit authorized in this section may be claimed only on the basis of a rehabilitation tax credit certificate with an effective date after December 31, 2013, but before June 30, 2021.

A person claiming a credit under this section shall retain the rehabilitation tax credit certificate for four years following the end of the latest calendar year in which the credit was applied, and shall make the certificate available for
inspection by the tax commissioner upon request.

Section 5. That existing Section 757.40 of H.B. 166 of the 133rd General Assembly is hereby repealed.

Section 6. The amendment by this act of division (B)(56) of section 5739.02 of the Revised Code applies on and after April 1, 2020.

Section 7. This act shall be known as the "Tax Code Streamlining and Correction Act."

Section 8. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the following sections, presented in this act as composites of the sections as amended by the acts indicated, are the resulting versions of the sections in effect prior to the effective date of the sections as presented in this act:

Section 9. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is to enable the state to remain in compliance with the Streamlined Sales and Use Tax Agreement and to enable taxpayers to avoid making miscellaneous adjustments on their 2019 tax returns that increase costs of compliance. Therefore, this act shall go into immediate effect.
