4123.392 and 5120.85 of the Revised Code to 2
create the reentry Ohio program and to make an 3
appropriation. 4

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 4141.01 be amended and sections 5
4123.392 and 5120.85 of the Revised Code be enacted to read as 6
follows: 7

Sec. 4123.392. (A) For purposes of this section, "reentry 8
Ohio program" means the reentry Ohio program created in section 9
5120.85 of the Revised Code. 10

(B) Solely for the purpose of providing compensation and 11
benefits as set forth in this section, a participant in the 12
reentry Ohio program is an employee of the department of 13
rehabilitation and correction, and not an employee of the 14
private business employing the participant under the program. 15

(C) A reentry Ohio program participant who suffers an 16
injury or contracts an occupational disease in the course of and 17
arising out of participation in the program is entitled to 18
compensation and benefits under this chapter. 19

(D) (1) This chapter is the exclusive remedy for a reentry 20
Ohio program participant or the participant's dependents 21
resulting from the participant's injury or occupational disease 22
received in the course of and arising out of the participant's 23
participation in the program. Pursuant to section 4123.74 of the 24
Revised Code, neither the department nor the private business 25
employing the participant under the program shall be liable to 26
respond in damages at common law or by statute for any injury, 27
occupational disease, or bodily condition suffered or contracted 28
by a participant in the course of or arising out of 29
participation in the program. 30

(2) Notwithstanding division (D) (1) of this section, a 31
participant or the participant's dependents do not waive any 32
cause of action for an intentional tort under section 2745.01 of 33
the Revised Code against the department or the private business 34
employing the participant under the program. 35

(E) The department may include a reentry Ohio program 36
participant in its department workers' compensation coverage, or 37
may establish a separate workers' compensation coverage policy 38
with the bureau of workers' compensation upon the terms and 39
conditions for insurance to be established by the bureau 40
consistent with insurance principles, as is equitable in the 41
view of degree and hazard. 42

(ii) An employer under this division shall not be an 78

employed by such employer for all the purposes of this chapter, 126

employed by a single employer for the purposes of this chapter. 132

(3) An employer subject to this chapter within any 133

such year and during the next succeeding calendar year. 135

with the director a written notice to that effect. 160

(6) "Employer" does not include a franchisor with respect 161

control over the franchisee or the franchisee's employees that 166
is not customarily exercised by a franchisor for the purpose of 167

corporation, without regard to whether such service is 175
executive, managerial, or manual in nature, and without regard 176
to whether such officer is a stockholder or a member of the 177
board of directors of the corporation, unless it is shown to the 178
satisfaction of the director that such individual has been and 179

by an individual in the course of the individual's employment 703
from persons other than the individual's employer and which are 704
accounted for by such individual to the individual's employer 705
are taxable wages. 706

The reasonable cash value of compensation paid in any 707
medium other than cash shall be estimated and determined in 708
accordance with rules prescribed by the director, provided that 709
"remuneration" does not include: 710

(a) Payments as provided in divisions (b) (2) to (b) (20) of 711
section 3306 of the "Federal Unemployment Tax Act," 84 Stat. 712
713, 26 U.S.C.A. 3301 to 3311, as amended; 713

three annual payrolls of an employer, provided that if, as of 731
any computation date, the employer has had less than three 732
annual payrolls in such three-year period, such average shall be 733
based on the annual payrolls which the employer has had as of 734
such date. 735

(L) (1) "Contributions" means the money payments to the 736
state unemployment compensation fund required of employers by 737
section 4141.25 of the Revised Code and of the state and any of 738

respect to such week no remuneration is payable to the 748
individual. 749

(N) An individual is "partially unemployed" in any week 750
if, due to involuntary loss of work, the total remuneration 751
payable to the individual for such week is less than the 752
individual's weekly benefit amount. 753

(O) "Week" means the calendar week ending at midnight 754
Saturday unless an equivalent week of seven consecutive calendar 755
days is prescribed by the director. 756

(1) "Qualifying week" means any calendar week in an 757
individual's base period with respect to which the individual 758
earns or is paid remuneration in employment subject to this 759
chapter. A calendar week with respect to which an individual 760
earns remuneration but for which payment was not made within the 761
base period, when necessary to qualify for benefit rights, may 762
be considered to be a qualifying week. The number of qualifying 763
weeks which may be established in a calendar quarter shall not 764
exceed the number of calendar weeks in the quarter. 765

(2) "Average weekly wage" means the amount obtained by 766
dividing an individual's total remuneration for all qualifying 767
weeks during the base period by the number of such qualifying 768
weeks, provided that if the computation results in an amount 769
that is not a multiple of one dollar, such amount shall be 770
rounded to the next lower multiple of one dollar. 771

(P) "Weekly benefit amount" means the amount of benefits 772
an individual would be entitled to receive for one week of total 773
unemployment. 774

(Q) (1) "Base period" means the first four of the last five 775
completed calendar quarters immediately preceding the first day 776

weeks and wages in the base period to qualify for benefit 780
rights, the individual's base period shall be the four most 781
recently completed calendar quarters preceding the first day of 782
the individual's benefit year. Such base period shall be known 783
as the "alternate base period." If information as to weeks and 784
wages for the most recent quarter of the alternate base period 785
is not available to the director from the regular quarterly 786
reports of wage information, which are systematically 787
accessible, the director may, consistent with the provisions of 788
section 4141.28 of the Revised Code, base the determination of 789
eligibility for benefits on the affidavit of the claimant with 790
respect to weeks and wages for that calendar quarter. The 791
claimant shall furnish payroll documentation, where available, 792
in support of the affidavit. The determination based upon the 793
alternate base period as it relates to the claimant's benefit 794
rights, shall be amended when the quarterly report of wage 795
information from the employer is timely received and that 796
information causes a change in the determination. As provided in 797
division (B) of section 4141.28 of the Revised Code, any 798
benefits paid and charged to an employer's account, based upon a 799
claimant's affidavit, shall be adjusted effective as of the 800
beginning of the claimant's benefit year. No calendar quarter in 801
a base period or alternate base period shall be used to 802
establish a subsequent benefit year. 803

(3) The "base period" of a combined wage claim, as 804
described in division (H) of section 4141.43 of the Revised 805
Code, shall be the base period prescribed by the law of the 806
state in which the claim is allowed. 807

(4) For purposes of determining the weeks that comprise a completed calendar quarter under this division, only those weeks ending at midnight Saturday within the calendar quarter shall be utilized.

(R) (1) "Benefit year" with respect to an individual means the fifty-two week period beginning with the first day of that week with respect to which the individual first files a valid application for determination of benefit rights, and thereafter the fifty-two week period beginning with the first day of that week with respect to which the individual next files a valid application for determination of benefit rights after the termination of the individual's last preceding benefit year, except that the application shall not be considered valid unless the individual has had employment in six weeks that is subject to this chapter or the unemployment compensation act of another state, or the United States, and has, since the beginning of the individual's previous benefit year, in the employment earned three times the average weekly wage determined for the previous benefit year. The "benefit year" of a combined wage claim, as described in division (H) of section 4141.43 of the Revised Code, shall be the benefit year prescribed by the law of the state in which the claim is allowed. Any application for determination of benefit rights made in accordance with section 4141.28 of the Revised Code is valid if the individual filing such application is unemployed, has been employed by an employer or employers subject to this chapter in at least twenty qualifying weeks within the individual's base period, and has earned or been paid remuneration at an average weekly wage of not less than twenty-seven and one-half per cent of the statewide average weekly wage for such weeks. For purposes of determining whether an individual has had sufficient employment

since the beginning of the individual's previous benefit year to 839
file a valid application, "employment" means the performance of 840
services for which remuneration is payable. 841

(2) Effective for benefit years beginning on and after 842
December 26, 2004, any application for determination of benefit 843
rights made in accordance with section 4141.28 of the Revised 844
Code is valid if the individual satisfies the criteria described 845
in division (R) (1) of this section, and if the reason for the 846
individual's separation from employment is not disqualifying 847
pursuant to division (D) (2) of section 4141.29 or section 848
4141.291 of the Revised Code. A disqualification imposed 849
pursuant to division (D) (2) of section 4141.29 or section 850
4141.291 of the Revised Code must be removed as provided in 851
those sections as a requirement of establishing a valid 852
application for benefit years beginning on and after December 853
26, 2004. 854

(3) The statewide average weekly wage shall be calculated 855
by the director once a year based on the twelve-month period 856
ending the thirtieth day of June, as set forth in division (B) 857
(3) of section 4141.30 of the Revised Code, rounded down to the 858
nearest dollar. Increases or decreases in the amount of 859
remuneration required to have been earned or paid in order for 860
individuals to have filed valid applications shall become 861
effective on Sunday of the calendar week in which the first day 862
of January occurs that follows the twelve-month period ending 863
the thirtieth day of June upon which the calculation of the 864
statewide average weekly wage was based. 865

(4) As used in this division, an individual is 866
"unemployed" if, with respect to the calendar week in which such 867
application is filed, the individual is "partially unemployed" 868

or "totally unemployed" as defined in this section or if, prior 869
to filing the application, the individual was separated from the 870
individual's most recent work for any reason which terminated 871
the individual's employee-employer relationship, or was laid off 872
indefinitely or for a definite period of seven or more days. 873

(S) "Calendar quarter" means the period of three 874
consecutive calendar months ending on the thirty-first day of 875
March, the thirtieth day of June, the thirtieth day of 876
September, and the thirty-first day of December, or the 877
equivalent thereof as the director prescribes by rule. 878

(T) "Computation date" means the first day of the third 879
calendar quarter of any calendar year. 880

U.S.C. 1141j, as amended, or in connection with the ginning of 902
cotton, or in connection with the operation or maintenance of 903
ditches, canals, reservoirs, or waterways, not owned or operated 904
for profit, used exclusively for supplying and storing water for 905
farming purposes; 906

the operator produced more than one half of the commodity with 912
respect to which such service is performed; 913

(5) In the employ of a group of operators of farms, or a 914
cooperative organization of which the operators are members, in 915
