SECTION 4. (A) As used in this section, "qualifying county" means a county that, in fiscal year 2021, received one or more payments under division (B) of section 5747.50 of the Revised Code that was reduced pursuant to section 5747.502 of the Revised Code by an amount exceeding the reduction that would have applied had the payment been computed in that fiscal year under section 5747.502 of the Revised Code, as amended by this act.

(C) Notwithstanding division (B) of section 5747.50 or section 5747.51 or 5747.53 of the Revised Code, a qualifying county shall distribute any increase in payment received under division (B) of this section to any subdivision that received a reduced distribution from the county undivided local government fund under section 5747.502 of the Revised Code in fiscal year 2021 due to the operation of traffic law photo-monitoring devices by another subdivision. The amount distributed to each such subdivision shall equal the amount by which payments to its general fund from the county

undivided local government were reduced for that reason in fiscal year 2021. Amounts distributed under this division shall be paid into the general fund of the subdivision used for the current operating expenses of the subdivision.

(E) The appropriations made in this act are subject to all provisions of H.B. 166 of the 133rd General Assembly that are generally applicable to such appropriations.

SECTION 5. (A) All terms used in this section have the same meanings as in section 5747.502 of the Revised Code, as amended by this act.

(B) Notwithstanding division (B)(2) of section 5747.502 of the Revised Code, as amended by this act, the Tax Commissioner shall compute a local government fund adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act, immediately following the effective date of this section. The LGF adjustment computed under this division shall be used by the Commissioner to determine the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by this act, starting with the next required reduction. The LGF adjustment computed under this section terminates on July 31, 2021. Following that date, the amount of the reductions required under division (C) of section 5747.502 of the Revised Code, as amended by this act, if they continue to be required, shall be determined based on an updated LGF adjustment computed under division (B)(2) of that section.

(C) Notwithstanding divisions (A)(8) and (B)(4) of section 5747.502 of the Revised Code, as amended by this act, on or before August 10, 2021, the Tax Commissioner shall compute a residual adjustment for each local authority that filed a report under division (B) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act. (2) The sum of the reductions applied after that computation to the local authority's LGF payments under division (C) of section 5747.502 of the Revised Code, as amended by this act; minus

(3) The sum of the reductions applied to the local authority's LGF payments between July 31, 2020, and the effective date of this section under division (C) of section 5747.502 of the Revised Code, as that section existed before the effective date of the amendments to that section by this act; plus

(4) Any amount by which the reductions described in division (C)(3) of this section exceed the LGF payments the local authority would have otherwise received during that period.

(D) The report required by division (B)(1) of section 5747.502 of the Revised Code, as amended by this act, shall not include traffic camera fines collected for violations that occurred before July 1, 2019.

SECTION 6. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is to ensure that political subdivisions in this state are not penalized for the operation of traffic law photo-monitoring devices by other subdivisions in the same county, that registration fees related to gas-saving vehicles are equitably levied, and that license plates are readily available to the public, especially during a time of financial hardship for many Ohioans. Therefore, this act shall go into immediate effect.
